My name is Don Davis and I have lived in Beverley for the past eleven years with my wife Lou. I am a father of two, proud grandfather of six and great grandfather of two.

For the past eight years I have been a Councillor of the Beverley Shire, with the last two as Shire President. I have proudly been involved in and supported ventures such as the Water Harvesting, Cornerstone Building, Light Industrial Area and Moort Wabiny Park.

Prior to moving to Beverley, I was a Shire Councillor in East Pilbara for four years and believe my combined experience gives me a sound understanding of community needs, local government governance and future town planning. I believe my success in retaining a long-term councillor standing has come down to my common-sense approach.

I hope to continue to serve and represent the community of Beverley.
