Wow! We're gearing up for another fabulous Beverley Show Day in 2018.

We are particularly fortunate have such a supportive and progressive community that allows the Beverley Agricultural Society to organise an event which incorporates numerous community groups, clubs and businesses. Thank you to everyone who contributes in some way, big or small, to the success of our show.

This year, we have, again, adopted the Be Very branding to help promote our show. Our theme embraces the connection people have with those in country areas, particularly the town of Beverley. It is exciting to see this gather momentum; keep an eye out for the logo around the showgrounds in our promotions in the lead up to the show.

Be Very Country
Be Very Connected
Be Very You

Our membership continues to grow, with new families joining each year to take advantage of the value it offers; and returning families from the district, nearby towns and Perth joining us again for another year of fun and entertainment. This year, we have two types of membership available to cater for both couples and families.

Sponsors are an integral part of our show. We thank them for their generosity in supporting free entertainment, prizes around the showgrounds and new equipment purchases, keeping the show fresh and relevant for our patrons.

I wish to thank all the committee members for the time and effort they put into the organisation of the show; living in a small

2018/2019 Budget

Council adopted the 2018/2019 balanced budget at the July Council Meeting. Mindful of the current economic climate, Council has supported a modest 2.5% overall increase in rate revenue. The Shire of Beverley 2018/2019 budget enables ongoing provision for services and facilities for our community and capital refurbishments and replacement.

Please note that the percentage increase in total rate revenue may not translate to the same percentage increase for individual properties due to changes in UV and GRV valuations affected by a number of factors throughout the year including revaluations by the Valuer General (Landgate), land amalgamations and subdivisions.

The 2018/2019 Budget is available on the Shire website www.beverley.wa.gov.au or from the Shire office

Rates

The rates are expected to be mailed out in the first week of August. A 10% discount is again applicable to rate payments received in full by 10th September 2018. An instalment plan is also available, but is ineligible for the 10% discount. Rates not paid in full or the 1st instalment made by 10 September 2018, are subject to an 11% penalty interest rate.

Cornerstone

The Cornerstone has now reached Practical Completion and the Shire has taken possession of the building. Internal fitouts of the museum and library are to be completed. It is hoped the Beverley CRC will begin moving in by late September. The Visitor Centre Volunteers have been undertaking a range of activities in preparation for assisting the CRC with the Cornerstone Visitor Centre, including recent customer service training workshops arranged by the CRC.

Lifestyle Package

As part of the 2018/19 Budget, Council has developed a Healthy Lifestyle Package which is a 12 month Gymnasium membership and a Season Pool Pass for \$373 for adults and \$199 for seniors and is a 20% saving on buying the passes individually. To make the most of your

two memberships ensure you purchase a membership prior to 1 November 2018.

#beveryyoucomp

The Shire has joined with local businesses to run a social media photographic competition to promote Beverley. The photo should be taken in Beverley with the entrant to give it a "Be Very" caption. The photo can be taken by novices to professionals on any phone or any type of camera as the judges will be looking at the essence, creativity and message, not the photographic quality. Full details, terms and conditions are on the beverleywa.com website or contact the Tourism Officer Jacinta Murray, tourism@beverley.wa.gov.au. So go on and Be Very Imaginative to win some great prizes. Winners will be announced at the Beverley Show.

Roadworks

With construction slowing down for the winter, maintenance grading will continue throughout the Shire with three graders and two rollers on the roads.

Congratulations to Cr Tim Seed

On behalf of his fellow Councillors congratulations to Cr Tim Seed on his Bright Blue Gibb River Postie Bike Ride to raise money for sick children. Tim raised \$5,000.00 for the Charity.

Beverley Show

The Beverley Show is on Saturday 18 August 2018. The Shire does not have a stand at this year's show however Councillors and staff will still be in attendance and look forward to seeing everyone there. A great deal of effort and organisation from the Beverley Agricultural Society and volunteers goes into planning the event and we wish everyone involved all the best.

Congratulations to Sarah Britza for competing in the Rural Ambassador Award.

Avondale Ag Museum

The third Saturday of July saw intense activity in the Avondale Museum collection, and it was a learning curve for many of the volunteers, with shared knowledge being key.

Richard and John Hawke fitted the new clutch master cylinder to the FJ Land Cruiser, but found the slave cylinder supplied was from a later model, so it was back to restoring the C30 International truck where the resoldered joint on the starter motor needed insulating before reassembly. Meanwhile Kevin and Kerry made attempts at starting a New Holland baler fitted with a V4 petrol Wisconsin engine, after a bit of tweaking of the points by John Alexander she fired - literally through the exhaust, but with a temporary fuel supply and a leaking carburettor it was concurred that in the interests of everyone's eyebrows (as the exhaust was at head level) that more work was needed before the next attempt.

But it is not all fun and games all the time, with Duayne spraying the weeds under our outside exhibits and Luke cleaning up the Shearing Shed. John P gained some knowledge from 2 visitors from Wickiepin who informed him that one of the wooden open hay carts would have been used to transport hay to the Kalgoorlie Goldfields region, a rather long slow trip in those days.

Due to the Beverley Show in August there will be no 'Big Boys toys' but the Museum will be open from 12.00pm to 4pm on Saturday and the usual 10am to 4pm on Sunday.

LOTTERYWEST GRANT TO FUND MAJOR PROJECTS FOR STATE'S HERITAGE

Avondale is one of the recipients of a significant grant allocation to the National Trust of Western Australia.

The Western Australian Government, through Lotterywest, has provided over \$2.8 million in grant funding to the National Trust for a three-year program to implement its Strategic Plan across key areas of heritage activity.

The funding will enable the National Trust to undertake important conservation works at priority places, enhance community engagement programs, improve access to Trust places and collections, support and grow membership and volunteering, support Aboriginal heritage programs, and enhance the visitor experience at Trust places. Avondale Farm will receive \$80,000 of this funding for directional, way finding and interpretive signage.

SHORT TERM ACCOMODATION AT AVONDALE FARM

Work is continuing on the refurbishment of the houses at Avondale Farm. Structural maintenance will be complete within the next few weeks. The fit out of the houses will follow.

AUSTRALIAN BUSH PRODUCE INDUSTRY INCUBATOR AT AVONDALE FARM

The proposal to establish Avondale Farm as an incubation hub for the emerging bush produce industry has received broad support. The project has progressed from a concept proposal to project scoping and feasibility assessment. The Trust has engaged Australian Venture Consultants to provide consultancy services to undertake this work and is actively seeking project funding to complete the assessment.

The National Trust and NLE (Noongar Land Enterprises) are working together to ensure the Ballardong people (Ballardong boodja) have a significant involvement in the governance and implementation of the Avondale Feasibility Study.

BEVERLEY HISTORICAL SOCIETY presents:

Recollections of James Mason Porter

born 1898 & interviewed in 1986/7 by a Batty Library Oral History Officer

After the bombing of Darwin people thought that the Japanese were not too far away, and

James Porter: ... emergency stations were being established. So one day I was told by Sergeant Jeffries that I had to go to **Beverley**. We went up on the truck to Beverley. There were only seven of us.

The main object was to make arrangements for a thousand bed hospital at Beverley under canvas. All the houses in Beverley were visited to see what **verandah space or rooms they had for to billet soldiers** that should be sent to that district. I was sent to Cooper's place in Hunt Rd, Beverley. That as a matter of fact is where I met my wife. Being such a good little boy I used to get up in the morning and hop into the wood heap and chop them enough wood for what they wanted. They reckoned they never had their wood being so good. I don't know why the men --, of course the men that were on farms were mostly all away, and it was a real delight for [them] to have plenty of wood for to do the cooking.

We was up there and we thought to ourself --, we took over the whole of the railway station and the whole of the goods yards in Beverley, including a big shed. Behind the station, or those goods yards, there was a hotel there, an old hotel [White Hart now RSL], and that was kept there. We could use it, but on a Sunday morning the **volunteer brigades** used to come in and that was their headquarters for Sunday morning. They used to go out training. Believe it or not they used to do good training. As a matter of fact they swum the Avon River there, that was at Beverley, full pack and all, just the same as what an ordinary soldier would do, although they had their own horses and all. ...

While I was there the train, it was a real train that came up with all these floorboards, tents, linen, and every facility with the exception of surgical instruments, for a **thousand bed hospital**. It was all to be packed in that big goods shed. That's what we were there [for], to unload the train. While we unloaded it, and got it all in different order – how if anything did happen – that whoever came along they'd be able to say, "Well, there's the floorboards, and here's the tents." Nothing had been done further than that in that shed. But in Beverley itself they had pegged out the ground from behind the reservoir, right down to the township, for where the hospital would be [opposite the Dead Finish].

Now at that time the Air Force – I think it was – I doubt if it was the Americans – it must have been, because they had quite a number of small planes there, which they made a runway, just a little bit from where we were stationed in this big shed [old airfield by wheat bin]. One day, six or seven of them, they took to the air, and **they practiced bombing Beverley**. They'd make a run in, and of course they scared everyone out of their wits because it wasn't very nice to see these planes coming down the main street, and they were very low. Of course there were a protest about that and there weren't any more air raids as far as I know.

Now another time while we was there, the town – at that time the electricity was run by [Selby] Ford. Now that Ford, you may remember, he was the one that built the plane itself that's in the Beverley [Aeronautical] Museum. It had already done one flight, but they stopped it after that. So Ford had the electricity, but he also had a hooter there, and it was rather strong. So they give him instructions for to blow the hooter at a certain time, and he blew the hooter, and **each and every one of us had to take out of the houses into the paddocks**. And you can just imagine what like it was, to see them, they'd no idea where it was best to go, and everything was as black as night, as the saying is. It wasn't very nice running over those paddocks to the certain places they wanted us to go.

Interviewer: Now was that just the military, or the civilian population as well?

James Porter: That was the civilian population [that] had to do that. Of course we being soldiers – we had to be stationed at certain places for to direct different ones that came along. They had to come along, they couldn't come along in their cars unless they were over a certain distance, but they had to, with their lights dimmed all the time. How there weren't any accidents I don't know, but there were none. Everyone knew where they had to go and what trench they would go into if the Japs come in to bomb, which would have been ---. Well it was discovered afterwards it was a ridiculous place for to put people, because Beverley is only an hour and a half by motor car, it would be about a minute and a half by plane to get there, the planes that the Japs had. So there was really no security in it.

Then one day while I was there, I was told I had got to go back to Hollywood. So I went back to Hollywood.

**BEVERLEY
 HISTORICAL SOCIETY**

With the cold weather here a few members have opted for some warmer climates, so we had a smaller attendance at the last meeting.

Our President and her husband have since set off for a well earned rest for a couple of months, we wish them safe travels.

The Annual Beverley Agricultural Society Show is just around the corner so a lot of discussion was had towards our display, so don't forget to pop into the exhibition shed and have a look.

My apologies for the error in the last blarney regarding the name and author of the book we were requiring so will try again.

1. "The Dale – How it Began" by Joan Hick
 2. Tracking the Dale by Thelma Brown
- Wesfarmers – 100 years.

The Historical Society would welcome any of the above donations for our Museum please.

The Museum is open every Sunday 11.00am – 3.00pm plus our volunteers are more than happy to open during the week, contact numbers are on the Museum window or contact Beverley CRC.

Next meeting;
 Monday 13 August at 1.30pm.
 New members are most welcome – come and have a cuppa with us.

Greetings and Salutations All,

Firstly the ladies of CWA would like to say a HUGE thank you to all those who came along and supported our recent fundraiser at the Lions booth. The winner of the raffle was Alex and she was extremely excited to be the recipient of a trailer filled with wood! The weather was kind to us and did not rain and we would like to thank James and Damian for cooking the delicious sausages and onions that so many of you enjoyed. The monies raised will go a long way to help fill the Christmas Shoeboxes that help children in less fortunate countries.

The fiddle rugs event was amazing fun and everyone there had immense enjoyment sewing on all bits and bobs that the ladies had collected. When the Beverley CWA ladies have finished making them our president Lorraine will take them to Perth and give them all to the Alzheimer's Society so that they can be distributed to those who need them. On a personal note and a recent new member to Beverley CWA, I would like to say I was quite ignorant about the CWA and had no idea just how much charity work they are involved in and I was humbled and proud to be part of a team that make a difference to so many West Australians.

In the attempt to promote Beverley CWA and in the hope that new members will join us, I am going to feature some of our members each month. This month's member is Isobel, she has been connected to the CWA since she was young as her mother was an active member of the Wiluna branch and Isobel would often sing, dance, play music and perform in plays to help aid the local community. No matter where Isobel was in the world she always upheld the principal values of the CWA and what it stands for, seeing that her profession was a teacher, she helped shape many children with the same CWA values and vision she learnt at a young age. Since moving to Beverley in 2000 Isobel has been actively involved with the local CWA branch in many ways, and is an amazing ambassador promoting the Beverley CWA. The gardens of the hall are maintained by Isobel and she does indeed do an amazing job and is a most valued member of the CWA.

Our next monthly meeting will be held on: **WEDNESDAY 08 August from 9.30am for a 10.00am start.** All ladies are welcome to come along and enjoy morning tea and lunch with us, it would be awesome to see new faces, you do not have to be a member to come along. The CWA have a stall at the upcoming show on Saturday 18 August and there will be a variety of goods available for purchase, hope we see you there!

Until next month, Janet ☐

Our July meeting was replaced by a luncheon for our senior members and was held at the RSL hall. We were honoured to have present some of the inaugural members from the first meeting which was held in 1984. We were well entertained by music supplied by Richard, Terry and Reg. Thank you, gentlemen. I even saw some ladies kick off their shoes to dance. An ample supply of food was brought along for all to share and the scrumptious dessert was made by Dalene and Val. The "bring and buy" table was well supplied too. Thank you to all who participated in this most enjoyable event.

Some hints and tips

Prune any dormant plants, especially rose bushes – always prune at a 45 degree angle to help the plant heal better while also limiting the risk of pests and disease taking hold.

Wait for the end of August or early September to start applying a slow release fertiliser to all of your plants.

Apply a healthy layer of mulch to lock in as much moisture as possible. Aim for layer of 5cm to 10cm.

Start planting spring fruits and vegetables, such as; spring onions, leeks, peas, lettuce and strawberries.

Plant tomato seeds in trays but keep undercover for now to protect them from frost.

Start planting annuals such as Petunias, Marigolds, and Vincas.

Thought readers might like to see these comments written from the previous two artists-in-residence before July's artist Manu arrived.

Melanie Rudy (April/May):

Hello from Canada!

I want to thank you all so very much for welcoming me with open arms into your wonderful Shire of Beverley. Shire is a term that was new to me when I went to Australia. I love this word and all of the other new and wonderful things about WA that it symbolized for me.

There are so many people to thank for everything that was done for me during my stay. I felt so blessed to be in such a caring and generous community. Abe, thanks for lending me the fantastic bike! It opened up the town to me and gave me a great amount of freedom to explore. Thank you to the knitters and quilters for the fun and friendly days that I spent with you. I extend such gratitude to all of the kids and adult students who took my classes. Your participation exceeded my expectations and the days were so joyful with you all! I loved my yoga class (and coffee time) and the fantastic friendships that I made by stepping into that wonderful studio. The choir night was so much fun and I enjoyed singing with you all. Thank you to those who came into the gallery to say hello and welcome me when I arrived. To those who invited me into their homes for wonderful meals, wine, and laughter I hug you all! For all of you who gave me car rides and site-seeing days I was so grateful that I was able to see the gorgeous country and learn from you. To the art committee - you are all so awesome! Thank you very, very much to Marylou for the airport ride and to the guys who picked up my luggage after that! Jenny, thanks so much for saying yes to my ideas and for being on critter patrol - I appreciated it soooooo much! Also, thank you to those who made Brad so welcome during his visit. He enjoyed the sheep farms, meals, and friendships.

Let's meet again and please stay in touch,

Your friend, Melanie

Nada Murphy (June) - For me it was a great atmosphere in the gallery last Friday and a great way to wrap up my third residency I had intended the power point to just show images but to speak to is proved very good as it was great to hear people's reactions about my river project and their own stories. The project has been a significant one for me and I could not have done this without the community's support. I hope the work whilst perhaps to some just a bunch of paintings might illustrate that art is story and that story is transformed with art.

So many people to thank along the way and for me this visit there was a real sense of continuity which I am sure is not possible without multiple visits. Hopeful I mentioned them all during my spiel.

Thanks so much for your support.

Nada

POSITION VACANT

Are you organised?

Can you be self-directed?

Do you enjoy working within a team?

The position of Exhibition Secretary will become vacant following the 2018 Beverley Easter Art Exhibition. The Exhibition Secretary is responsible for co-ordinating the Beverley Art Prize and Easter Art Exhibition, held annually in the Beverley Town Hall over the Easter long weekend. Experience with administration duties, modern office technologies (for example computers, email, databases, Microsoft Office) and availability before and during the Easter long weekend are essential criteria for this position.

If you are interested in this very fulfilling and extremely gratifying position and would like more details, please contact the outgoing Secretary, Kathryn McLean on E: wk.mclean@bigpond.com or M: 0427 464 050.

Community Engagement

Apart from the workshops run by the Artists-in-Residence, we have approaching fast the West Australian Photographic Federation weekend in Beverley and Station Arts involvement on Saturday includes providing breakfast for the photographers and getting together local models in period style costume to 'hang out' at the Station from 7.30am to 9.30am September 01. Many thanks to those who have come forward with costumes and volunteered to model - some with their horses and wagons!

THESE COSTUMES STILL REQUIRED: Station master in uniform; Children in town clothes; Farmer with dog waiting for train; Busker in older clothes. So...can you help with period costumes or know of where to get some? Or happy to model a costume you can get hold of yourself? If so, please leave your details at the Station, or email brounj@westnet.com.au

DRAMA CLUB: Please let Bruce know on 0408 387 198 or email: adlibitums@bigpond.com if you are interested in being involved in a drama club!

COMING SOON

Bystander - Beverley Community Project

Whiskey and Boots are so excited to announce that they will be working with the community of Beverley with *Bystander*, a Verbatim Performance work that takes the stories of real people living in the community. Part performance, part installation, *Bystander* aims to bring understanding to those living around us through the sharing of stories.

If any community group is looking to raise funds please keep it in mind that the Platform Theatre is available for events such as movie nights. With just a minimal hire cost of screen and projector, it makes for an easy fundraiser.

If you would like to be included on the email list for notification of coming events (so you can forward to friends), email secretary Sarah Miller miller@reachnet.com.au

Our Year 5/6 students performed for us at our last school assembly. Their item was about what it is to be a 'Champion' and how everyone has the ability to be a champion in their own lives. It's not just the super stars who are the champions in our world. A fabulous message for our students!

Shrek Production

Our Pre Primary to Year 10 students have been working hard to perfect their lines and dance moves for our Shrek production to be held in Term 4, 2nd November - **SAVE THE DATE.**

Our Year 3 and 4 students practicing their dance routine with dance teacher, Miss Kelly FitzGerald.

Bounce Excursion

As a reward for good behavior and attendance our secondary students went on an excursion to Bounce in Cannington to finish Term 2! They had a great time on the new parkour equipment!

Student Leader School Disco

Our Student Leaders held a disco for our Pre-Primary – Year 4 and Year 5 – 10 students. All of our students had a wonderful time and displayed some awesome dance moves!!

Our Pre Primary girls all dressed up for their very first school disco!

There was lots of fun with some dress-ups, glow-sticks and games at the disco!

There is never a dull moment with this creative bunch!!

Tax Help- August 2018

Tax time is here and the ATO Tax Help service will be assisting low-income earners with simple tax affairs to complete their tax return online with myTax. Tax Help volunteers provide a free and confidential service for people on low incomes of around \$60,000 or less to get their tax right.

They can help with lodging and amending tax returns online using myTax, or to claim a refund of franking credits. Volunteers can also help you claim any deductions and offsets you may be entitled to.

If you're eligible for Tax Help and use email, you will need a myGov account linked to the ATO. Volunteers can help you create your myGov account and link it to the ATO if you haven't done this already. If you don't use email our Tax Help volunteers can still assist. Call the Beverley CRC on 96461600 to find out if you're eligible for help and make an appointment. Appointment days will be Tuesdays, bookings are essential.

Remember to bring the following along to your appointment.

- your myGov user ID and password (if you have one)
- your bank account details (BSB and account number)
- your tax file number
- an original or amended notice of assessment from any one of the last five years
- income statements from all sources
- all your receipts for gifts, donations and work-related expenses
- details of any child support payments made
- details of any losses on investments in shares and rental properties (net investment losses)
- if you had a spouse (married or de-facto) at any time during the financial year, you also need to bring details of their taxable income or a reasonable estimate.

Beverley District High School P&C Update

**“Oh what a Night
Late July back in '18...
What a very special time for P&C
As I remember what a night”**

The Beverley Town Hall was full to capacity on Saturday Night, and the tunes were a plenty for the Beverley DHS P&C Music Quiz Night. We were incredibly lucky to secure appearances by Freddie Mercury and Sir Elton John to host the evening, ably assisted by 80's Pop band 'The Disappointments'. The winning 'band' on the night was 'The Tenors'- Congratulations!

As always with an event of this size, there are many people who we need to thank...

- Narelle Bailey, Sally Kilpatrick and Emma Davey for using their musical expertise to put the quiz together... A HUGE Effort!
- Brett Shaw and Damien Murray for hosting the evening
- Daniel Bailey and Matty Davey for manning the bar
- Wendy Moore and Olivia Lucas for running the creche in the Lesser Hall
- Aliesha Murray for her support with organising tables from our school community
- The entire P&C Committee for their assistance with the organisation, decoration and clean up

And last, but certainly not least, The Beverley DHS P&C Committee would like to sincerely thank the Beverley community, for their support of our MAJOR Fundraising Event in 2018, the Music Quiz Night. It was a fantastic night out for the whole family and would not have been the event it was without community support. Money raised from the night will be used for resources to support better education outcomes for our children at Beverley District High School.

The Sikh's Visit

As the mist began to rise on the fourth Saturday of June, two large Tour Buses could be seen meandering their way through Waterhatch Road and into Avondale Farm, on board were around one hundred members of the Sikh Community and Vissar Club of WA together with their families and visitors from the Punjab Region of India on their biannual visit to the area.

Eagerly awaiting their arrival were a small group of dedicated volunteers that Monica (The National Trust Warden) had assembled at short notice.

As the group alighted from the buses the area became one of vibrant colour set against the dull wintery backdrop of the picnic area.

The Agriculture Museum was the first place of interest visited and as always Mr Avondale (John P) together with John I were able to help in this area along with Pat, John A and John H. From translation it was noted that many had come from similar sized farming communities to our area so there was an immediate common bond from some of the group with the machinery being of great interest and many questions being asked and cameras were extremely active.

After around an hour in the Museum (such is the size of the collection) dinner was served, from within the storage areas of the coaches came very large saucepans filled with Indian cuisine which was offered and shared with our volunteer group. All was prepared as Monica was up early and had set up the tables and chairs in readiness. During this period John H fired up the David Brown Tractor Plough in the Museum and drove it up to the layby next to the picnic area where it attracted some of the male farmers from the group who posed many question to their guide.

While the food was being consumed a video of a Harvest Festival was played followed by religious acknowledgement and entertainment from two traditional musicians.

The visitors were given a free rein to visit the other attractions within Avondale farm, for many the horses were of great interest and naturally the two Clydesdales Robbie and Comet were pleased with the company and will no doubt have their picture spread over Indian social media. Pat showed people some of the history of the Homestead while John A was stationed in the Stables bringing to their attention the structure made from large Oregon beans, which may have got a little confusing to some (lost in translation) with remarks about them coming all the way from America, but the appreciation was still there.

Around 2pm the group were back on the buses and headed towards the historic town of York to see the vast collection of vintage cars at the Museum there.

Many thanks to the Museum Volunteers for assisting Monica at such short notice.

HELLO EVERYONE

Last month 8 – 15 July saw NAIDOC celebrations around Australia to celebrate the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. NAIDOC is celebrated not only in indigenous communities but by Australians from all walks of life.

While we did not hold any community celebrations here in Beverley this year, it is something I would like to work toward for 2019. If you would like to get involved then please email me your details; your input and ideas would be greatly appreciated.

I know we can be difficult to get hold of and I have previously discussed contact options (refer to signature block below). Another point of contact is the WA Police website www.police.wa.gov.au I

would encourage you to take some time to visit our website to familiarise yourself with what you can do online.

Some of the services/information provided online are:-

Lawn shrimp, *Arcitalitrus sylvaticus*

A prawn in my lawn!?

Lawn shrimp, *Arcitalitrus sylvaticus*, pose no threat to humans, pets or the environment, but can give people a shock when they appear in mass numbers in and around homes and other buildings in winter.

What are they?

Lawn shrimp are terrestrial crustaceans and need to live in moist soil. If the soil is too wet or too dry the shrimp escape only to find themselves quickly dying of dehydration and starvation.

Although rarely seen except when weather conditions force them to the surface, these tiny 5-20 mm nocturnal soil dwellers are doing an important job.

Found within the top centimetre or so of soil and mulch they feed on dead organic material, particularly eucalyptus debris, turning it into fertiliser for the garden. Lawn shrimp are related to marine and freshwater crustaceans but lack the waxy coating on their exoskeleton which aids retention of moisture. Equipped with seven pairs of leg like appendages, they move with a springing action using their three pairs of "hind" legs.

Mated female lawn shrimp lay eggs in a pouch on the underside of their body. The babies are a smaller version of the adults and leave the pouch soon after hatching.

Lawn shrimp are native to south eastern Australia but have spread worldwide, mostly through the transportation of eucalyptus plants.

Control

There is no need for control, other than to sweep them up and return them to the garden to add to the organic content of the soil. If present in your garden, these cute little crustaceans will disappear with the return of drier weather, so if you've seen them, why not enjoy these little curiosities.

Cleaning tips

The following tips will help to ensure your difficult-to-clean eligible farm chemical containers will be accepted for recycling at your local *drumMUSTER* collection centre.

Suspension concentrates (Atrazine, Simazine, etc)

- ✓ Rinse your container immediately after use to ensure any chemical residue does not dry

- ✓ Use methylated spirits to remove dried residue. If this doesn't work, fill the container with water and soak for at least 24 hours before rinsing.

Oil-based chemicals

(ULVs, LVs)

- ✓ Follow specific instructions on the product label or contact the manufacturer for further assistance

Other chemical residues

- ✓ Rinse container immediately after use as all chemical residues are much harder to remove when dry
- ✓ Some containers may require additional rinsing (more than three rinses)
- ✓ A brush or high pressure hose may be required to clean stubborn or dried chemical residue

- ✓ **ELIGIBLE CONTAINERS WITH DIRT, RUST AND DYE STAINS ARE NOT CONSIDERED HAZARDOUS AND ARE THEREFORE ACCEPTED AT *drumMUSTER* COLLECTION CENTRES**

For more information on container cleaning contact your local Agsafe accredited farm chemical reseller or visit

www.drummuster.com.au
drumMUSTER

drumMUSTER makes it easy

Recycling your eligible farm chemical containers with *drumMUSTER* is easy - all you need to do is follow these simple steps:

- ✓ Triple or pressure rinse your chemical containers **IMMEDIATELY** after use

- ✓ Pour the **RINSE WATER** back into your spray tank

- ✓ Make sure **ALL** chemical residue is removed

- ✓ **REMOVE LIDS** to allow your containers to **DRY** thoroughly. Take lids **SEPARATELY** to collections

- ✓ Metal containers should be **PUNCTURED** from the top through the bottom

- ✓ **DELIVER** your eligible clean empty containers to your local *drumMUSTER* collection centre

For details on *drumMUSTER* collections in your area contact your local Council or visit the *drumMUSTER* website at:

Toolbars and Search Bars

I have seen many potentially malicious toolbars and search bars on PCs recently. These tend to push unwanted adverts at you, some of which may be dangerous, if you accidentally click on them.

What are toolbars? Toolbars appear on web browsers and give you access to facilities that either configure browser or improve your web search. Toolbars are common and are mostly built into web browsers. For instance, Internet Explorer, which is included in all Microsoft PCs, has the following built-in toolbars:

- Menu bar** allowing you to configure the browser
 - Favourites bar** to access your favourite web sites quickly
 - Command bar**, similar to the Menu bar
 - Status bar** to change the display size and see the addresses of links to other web sites.
- Other web browsers e.g. Google Chrome or Mozilla Firefox, will have similar toolbars. The built-in toolbars are safe to use.

What are search bars? All web browsers have built-in search bars that you use to easily search the internet, by putting in key words or sentences. If there is no search bar, then you would have to put in the exact web address e.g. <http://xyz.com/help>

Examples of search bars are:

- ⇒ **Bing Search** in Microsoft Edge or Internet Explorer
- ⇒ **Google Search** in Google Chrome
- ⇒ **My Search** in Mozilla Firefox

There are hundreds of other Search bars available often configured for special tasks, e.g. you can use the **Wikipedia search** bar if you use Wikipedia regularly. In most web browsers you can change the default search bar for another search bar or add extra search bars if you wish, but you must be careful which toolbars you add.

The toolbars above are all safe.

Many websites also have search bars that you can use to search the within the website. These are safe to use - unless you go to an unsafe website!

How do extra toolbars or search bars get on my PC? You can add extra bars yourself but sometimes they appear on your PC seemingly by magic. For instance,

- **When installing peripheral devices**, such as printers or audio systems, sometimes toolbars are added so that you can use the devices more effectively. These are not malicious but can be a nuisance and can slow down your PC.
- **When Installing software** there are often tick boxes which add extra software or bars you don't need. Make sure you tick or untick the boxes as appropriate to prevent unwanted downloads. However sometime there are no tick boxes and the additional bars, etc. are downloaded without your knowledge.
- **If you click on an advert** in a web page unwanted bars may be installed.
- **If you purchase goods online** unwanted bars may be installed.
- **If you download software from an unsafe website** you are very likely to get unwanted malicious software or bars. Carefully check that websites you download from are safe.

Why are some [toolbars or search](#) bars unsafe?

Malicious bars may push unwanted and potentially dangerous adverts to you, guide you to unsafe websites or download malicious software. Always check out sites/software/bars before downloading.

The simplest check is:

Only make a query on a search bar you know is safe

Put the following query in your browser search bar "**<Name of site/software/bar> virus**"

If the search comes up with many references to viruses then it is very likely the site/software/bar is unsafe.

If you have an effective virus protection program this should warn you if you are about to download potentially dangerous software.

It is better to be safe rather than sorry! If you are not sure if a tool bar or search bar is safe, then do not install it or use it. If you find a toolbar or search bar on your browser that you don't know – remove it. However, you may need to also uninstall the program that installed it or use a virus scanning tool to remove it.

Additional search bars are not necessary, so it is safest to not install and use them. Toolbars can be useful but choose carefully.

Testosterone and Men's Wellbeing

We've all heard of the hormone testosterone, but we might not know just how important it is that we look after our testosterone levels for our physical and mental health and wellbeing. Hormones themselves are the chemical messengers that the glands in our body send through our blood to our organs. They are necessary for growth, reproduction and wellbeing. The ones that are particularly important to men are the male sex hormones called androgens. Testosterone is the most important androgen and affects everything from our metabolism, our recovery time after physical exertion, our mood and of course our sex drive, performance and health. All things that we care about, that help define us as men and that we don't want to compromise on.

As testosterone is such a vital part of living a full and healthy life, it's important to keep a lookout for signs of testosterone issues, most commonly testosterone deficiency. It is normal for men to have their testosterone peak between 20 and 30 years of age; and from there fall gradually as we get older to one third of our maximum amount. In fact, by 45 years of age 4 out of every 10 men have symptoms of male hypogonadism (lowering testosterone). Despite it being common it is still important to keep an eye on it as testosterone deficiency can have severe consequences.

In our youth it can present as failure to go through normal puberty, including not having our voice break, not getting a normal growth spurt or even developing breasts. This is all to be avoided if possible! In adults there are a range of potential symptoms including weight gain, mood changes, reduced strength, difficulty getting erections and a lower sex drive. These symptoms and others can have a detrimental impact on our health and quality of life so being aware of testosterone's role in our lives and the difficulties we can have with it is important to all men.

If we find ourselves experiencing these issues we should go to the doctor and have a simple blood test that will check our testosterone levels. If we are suffering from a severe deficiency it is likely we will be administered Testosterone Replacement Therapy (TRT) in the form of injections, gels, lotions, creams, patches and tablets; some of which can come with negative side effects. Fortunately, there are ways to increase our testosterone short of pharmaceutical help. Primarily through lifestyle choices. That is getting enough sleep, avoiding alcohol and drugs, staying active; especially through weightlifting, minimising stress levels and getting all our vitamins and minerals through a balanced diet, will all have a significant impact on our testosterone levels and general health.

Like with most aspects of our health the same fundamentals affecting everything else also affect testosterone levels. Good health is a holistic process and if we do these things to take care of our testosterone we will enjoy the benefits of healthy testosterone levels throughout our lives. As always if there is any doubt it's important to speak to your GP, especially when something as important as testosterone is involved.

PRODUCT PHOTOGRAPHY PERFECTION

Wednesday 22 August | 12.30 pm - 3.30pm

\$25 p/person | BYO camera and/or phone | Beverley CRC

Do you sell a product from home?

Do you know how to take great quality photos of your product?

Do you know what to do with your photos afterwards?

Do you need general help with product photography?

This workshop will provide advice and instruction on what you need to set up and take photos, including lighting, placement, and camera settings. All skill levels are welcome, and we will provide some examples of setting up, such as lightboxes and other backdrops.

PLUS.....We will also give a short presentation on how to market your product photography on platforms such as Instagram, to maximise exposure (and sales). For more information or to register for this workshop, please call the CRC on 9646 1600, or email beverleybulletin@westnet.com.au

Photocopying and Printing

We have all your copying needs covered. Our printers have a high quality finish giving your documents that professional edge. We offer printing of sizes A5, A4, A3, A2, A1 and A0 on to paper, card and photo paper. Both of our machines take USB drives and SD cards, which means you can be done in minutes without having to get onto a computer. We also offer printing of photos in a range of sizes via our Kodak Photo Machine.

Beverley Visitor Centre Volunteers get top training

Thank you to Jurec Leon from Terrific Trading for his wonderful training held recently at the RSL Hall and CRC for Customer Service. Jurec specialises in Visitor Centre training and has been all over Australia for Tourism WA and now our local volunteer team from the Beverley Visitor Centre have had the opportunity to gain valuable knowledge and skills.

Steve Parish Photography information session Sunday 02 September 2018 | \$30 per person

We are absolutely ecstatic to have the 'Steve Parish' in Beverley for the West Australian Photography Federation weekend, and he will be holding an info session for Beverley locals, in the Lesser Hall. This will include viewing of the Annual Printwest competition plus expert advice for everyone. This is a once in a lifetime opportunity to listen to the man that has dedicated his life to capturing the natural landscapes, flora and fauna of Australia. Tickets are on sale now.

Beverley Community Resource Centre Memberships

Our annual membership renewals have been sent out, if you are interested in becoming a Beverley CRC member you can get excellent marketing opportunities for your business, with website listings and online social media posting, reduced advertising rates in the annual Beverley Community Directory. Service starts at 10.00 a.m.
and we share lunch after all our services.

ALL ARE MOST WELCOME!!

What a wonderful word and testimony we had on 15 July with **PAULA KINSEY (Owner and Manager of Olive Branch, York)** Paula has been a Chaplain with YouthCARE and was involved in youth development, team management, mentoring and events co-ordination. Paula brought thought-provoking insight into **FORGIVENESS** and its life-changing powers, and the fact that hanging onto **Unforgiveness** can be so destructive to us. Literally, as she told us, "like drinking poison and expecting someone else to die!" And Paula reminded us about **HOPE**, and that no matter how dark a day may be, there **WILL** be light again – **Jesus is that light!** **Thank you so much Paula** – we were all touched by your powerful message! 35 People then enjoyed a delicious lunch together. **If you haven't come to one of our services you really should make the time to join us - Faith, Fellowship and glorious Food!**

OUR FREE DEVONSHIRE TEAS ARE CONTINUING FOR THE MONTH OF AUGUST!!

Yes, every **THURSDAY** morning at 10am – 12noon Beverley Real Life Church will be hosting delightful Devonshire teas (or coffees!) so why not pop in for a cuppa and friendly chat in our dining area. There will be no church service attached to this free get-together. Just come along to a **very informal** gathering and enjoy the scones! For more information regarding the morning tea please ring Julie or David on: 0409 323 526.

Of course, our Pastor will be continuing with his rock solid, Bible based preaching every week when we don't have a visitor, so it's **ALWAYS** worth dropping in to a Beverley Real Life Church meeting!

"The one who blesses others is abundantly blessed; those who help others are helped." Proverbs 11:25

Workshop overviews

July 25 Introduction to strategic planning

You will begin to develop plans and tools to help your business thrive in the future.

You will learn how these plans and tools work together to help you handle challenges.

In this workshop we will:

- establish an understanding of strategic planning
- examine the structure of a strategic plan
- examine risk analysis as a tool
- discuss 'sphere of influence'
- draft a vision and consider your goals.

July 26 Financial management

The financial management workshop will provide an understanding of business performance and what can be done to improve it.

You will ask the questions:

- Are you achieving the lifestyle you want?
- How do you know if you are running a successful business?
- Evaluating your business performance?

The workshop aims to help you measure business performance and evaluate its strength.

You will self-assess your business' key financial indicators and draft strategies and tactics.

This includes:

- using benchmarks
- using profit and loss statements
- calculating your profit ratios
- cash flow budget forecasting
- using balance sheets

July 27 Personal and business effectiveness

In this workshop, 'performance effectiveness' means the environmental factors that affect people in your business. How people perform is critical to your business success.

In this workshop you will examine the tools of:

- effective communication
- leadership and high performance teams
- managing performance and conflict
- managing stress and self-care
- addressing continuity and succession.

You will develop strategies and tactics to for your business' human resource risks and opportunities.

August 1 Sales and marketing

You will examine your marketing program and develop possible strategies to increase its effectiveness and impact.

This workshop will include:

- 'bow tie' marketing
- budget allocation for target marketing
- branding to build sales, profits and value
- practical marketing.

You will review your business's strengths, weaknesses, and assess what your customer is really looking for in your product and your brand. You will examine ways to cost effectively strengthen your brand and increase sales.

August 2 Environmental Risk, Resource and Production

In the 'Environmental risk, resource and production' workshop you will identify and plan for projected changes in weather patterns and in the physical resources that underpin the productivity of your business. You will also develop initiatives to manage observed and likely threats from the environment to farm enterprises.

This workshop includes:

- an overview of projected changes
- The impact on plant growth and yields
- impacts on livestock production
- indicators for long term planning
- key messages for specific industries
- Risk management strategies.

August 3 Planning systems, continuity, innovation and change

This workshop is about understanding and managing change. You will complete your strategic plan for your business.

You will:

- explore useful systems, processes and controls needed in successful businesses
- examine Key Performance Indicators and dashboards as tools in your business
- plan for continuous improvement and foster a culture of business innovation.

You will refine your business' vision, strategies and tactics. You will review your key viability performance indicators. Business managers will also discuss issues and barriers to ensure your strategic plan achieves the desired results.

12 reasons to volunteer

Sport grows around volunteers

Without volunteers there would be no clubs, no teams, no coaches
and no oranges at halftime. Thank you for making sport and
recreation possible. @truesportwa

Beverley Triathlon Volunteer

Why do you volunteer in sport? Below are 12 reasons that people volunteer - which one (or more) explains why YOU take time out to support sport in our community?

1. There is a personal tie to the cause.
2. Volunteering is a great way to build a resume.
3. It's a good way to bridge the gap between yourself and others who may perceive you as different.
4. Volunteering sets a good example for others.
5. Meeting like-minded, motivated, positive people is super easy.
6. Volunteering can offer unique and exciting opportunities.
7. Doing good is important.
8. Volunteering creates empowerment.
9. Volunteering has never been easier.
10. Volunteering can help you get or stay healthy.
11. Volunteering gives greater perspective and self-awareness.
12. Volunteering is good for you.

We are over the half way mark of the season and both football teams are still in the hunt for the finals. We would love to see as many supporters as possible at our last few games for the home and away season!

The Beverley Football Club has 6 representatives at Country Week this year. It was a great turn out from the club with all players contributing to a great weekend. Our league captain James Turner was selected for the state country side as was named a Landmark All Stars recipient. Congrats Jibba!

Coming Events:

The clubs season wind up will be held either the 08 September or 15 September depending on how far the club gets into finals. Stay tuned for more information

Winner	Maxine Watts 28 points

Thanks to Lyn Mactaggart for her continued support.

Yvonne Hobbs, Jane Murray and Maxine Watts made a trip to the **Provincial Tournament at Brookton** to play stroke on Friday 06 to Sunday 08 July. This tournament attracts about 100 ladies from all over the state. It is aimed at the lower handicap golfers up to 22 handicap.

We are pleased to congratulate Yvonne Hobbs for being runner up in the Nett over the 2 days of stroke competition for handicaps 0-22. (The big league of golfers). Congratulations also to Maxine Watts and Yvonne Hobbs for winning the best team score on the Saturday.

We are extremely proud of you. 🏆 🏆 😊 😊 😊 😊

Thanks to Marg Peck for her continued support.

13 July 2018- Quairading Open Day-27 Holes- Yvonne Hobbs and Marg Peck represented our club.

Congratulations to Yvonne Hobbs on winning the Shenton Trophy for 0-22 Hcp. Yvonne scored 57 points, just one point behind the winner. Best part of Yvonne's win is that her handicap has dropped from 21 to 19 after breaking her

handicap at Brookton at the Provincial Tournament and of course again at Quairading. Well done Yvonne!!!!

Plenty of Kodak moments for our 1st game back after the school holiday break.

Beverley played their derby in Pingelly, which I think all who attended would agree, was the rainiest game in the last couple of seasons.

Women became children having fun jumping in puddles as the court became a giant paddling pool.

President Laura laying down on the job

A game full of laughs, funny stacks and aqua planing, but at the end of the day, its a competition and some become winners.

Just another reminder that the next game the two Beverley teams play against each other will be for the Jurakine Shield at 7:30pm on Friday night, 03 August at the Beverley Netball Courts.

Results for Saturday 21 July in Pingelly.
Beverley Orbs defeated Beverley Hunters 20 to 9.
Pingelly Blue defeated Brookton Glory 42 to 19.

The Current ladder (as at 23rd July)

- 1st Pingelly Blue on 16 points
- 2nd Brookton Glory on 12 points
- 3rd Beverley Orbs on 8 points
- 4th Beverley hunters on 0 points.

There were seven players competing for a club trophy on Saturday 30 June. Darrell Hagan won the day with 39 points. Runner-up was Keith Hawkins with 38 points. Three players also travelled to Brookton for the Williams Cup on Sunday 01 July. While none of our players figured in the list of Cup winners Mark Kont did manage to take out the Best PM Round trophy with a 9 hole score of 22 Stableford points.

On Saturday 07 July, six players competed in the fourth and final qualifying round for the club championship for the **Fred Sing Trophy**. Alan Hammond won the day with 70 Nett (87 Gross). Gavin Sazanov was runner-up with 74 Nett (108 Gross). Many thanks go to **Fred Sing** for his on-going support of this event.

After completion of the qualifying rounds, fourteen players qualified for the Match Play play-offs. The top eight qualifiers for 2018 are (in order of qualifying) Darrell Hagan, Marc Edwards, Terry Winfield, Stephen Gollan, Luke Gollan, Dale Wansbrough, Alan Hammond and Wayde McLean.

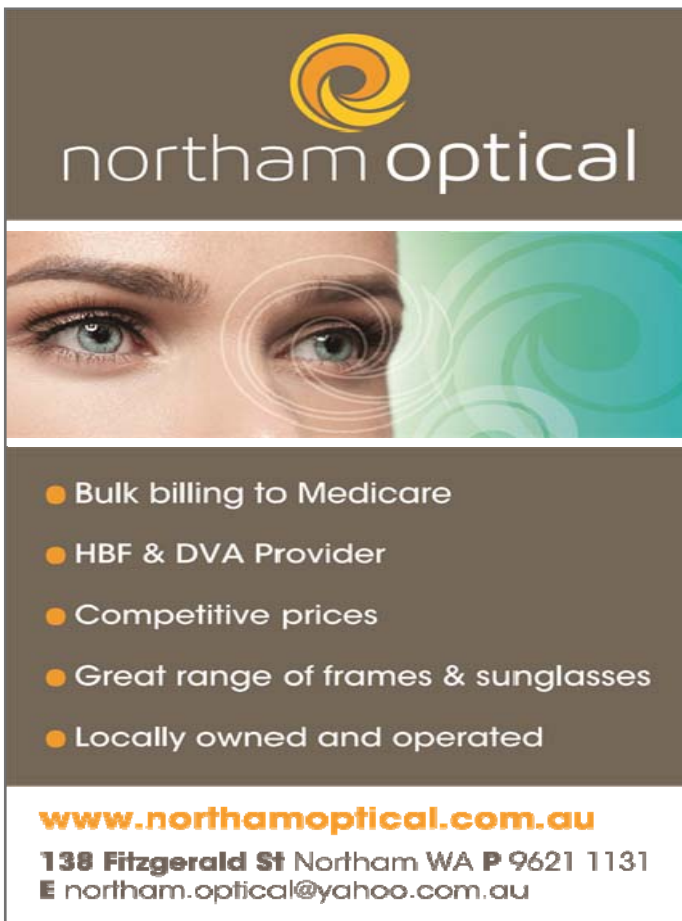

The rest of the qualifiers who will compete in the Club Plate division are (also in order) John Donovan, Mark Kont, Chris Lawlor, Gavin Sazanov, Chris Pepper and Mel Vivian. The play-offs are

scheduled for Saturday 04 August and the results will be in next month's Blarney. The Club Championship final Match Play event will be held on Saturday 01 September. The competitors will be advised in next month's issue.

On Saturday 14 July, nine players competed for a club trophy while nine members travelled to Kweda for that Club's annual Open Day. The winner at home was newcomer Jordan McMillan with 42 Stableford points and Robbie Wansbrough was runner-up with 39 points. The best of the away players were Stephen Gollan and Wayde McLean who came sixth overall in the Kweda Cup.

The **Springdell Cup**, this year held over the weekend of 21 and 22 July, is a 27-hole Open Stableford event that has been held annually since 1981; replacing the Barnsley Cup that had been running since 1932. Alongside our own members, players came from as far afield as Busselton, Harvey, Waroona, Mandurah, Bullsbrook, Brookton and York. Major sponsors of the event this year were **Andrew and Kellie Shaw** (descendants of the original Cup donor) and the **Sing Family**.

Poor weather was forecast for the event and this had an unfortunate effect on numbers which were well down on previous years. As it turned out the weather, while not great, was not atrocious and

playing conditions were quite reasonable (considering).

Winners of the 4-Ball Better Ball competition on the Saturday, sponsored by **Wayde and Kathryn McLean**, were Alan Hammond (Beverley) and Mick McBrearty (Brookton) with a combined score of 46 Stableford points. They won the event on a countback from Marc Edwards (Beverley) and Ron Milligan (Mandurah). Gross winners were Vance Blechynden and Sean Osgood from Brookton (33 points) while Gross runners-up were Ben Moulton (Busselton) and Darrell Hagan (32 points). Thanks to **Wayde and Kathryn McLean** for their support.

The **Springdell Cup** was played for in blustery and showery conditions on the Sunday. The results were:

NETT WINNERS

Vance Blechynden (Brookton) 60 points – Winner of the Springdell Cup
Phillip Crute (Brookton) 58 points – Runner-Up
Liam Gollan (Beverley) 57 points - Third
John Donovan (Beverley) 57 points – Fourth

GROSS WINNERS

Chris Rawes (Brookton) 53 points - Winner of the Barry Winfield Memorial Trophy
Kevin Burton (Waroona) 40 points – Runner-Up
Marc Edwards (Beverley) 39 points - Third

Other trophy winners were:

Best 18 – Stephen Gollan (Beverley) 39 points
Best 9 (1 to 9) – Leon Mason (Waroona) 20 points
Best 9 (10 to 18) – Robbie Wansbrough (Beverley) 22 points
Best Veteran (60+) – Mark Kont (Beverley) 49 points
Best Super Vet (66+) – Cyril Blechynden (York) 48 points

Our congratulations to all winners and we look forward to seeing all players return and attempt to take the Cup next year. The club also thanks **Andrew and Kellie Shaw** and **Fred 'China' Sing** for their support.

The final event for the month was a Club Trophy event (due to Quairading's Open Day) held on July 28. Winners will be notified next month.

New members, visitors or anyone interested in trying the wonderfully frustrating game of golf are always welcome. Tee-off is generally at 12:30pm on Saturdays (arrive around midday) or you can contact Mens Captain Mark Kont on 0490 037 810 for any information.

Beverley Hockey Club

Game 7: June 30 Beverley (4) vs Wongan Hills (0)

After a couple weeks off hockey due to country week and the forfeited game by Jenna, our return to the field was hotly anticipated by all players. We started out hard and with some good short passes, Lisa was quick to score. While played in great spirits and sportsmanship, tackles were made and it was clear Wongan weren't going to make it easy on us. Marg and Kelly in fullback were solid defending the onslaught and the halfbacks in Britt, Hollie and Nic ran hard all day.

Nic controlled play well through the centre of the field allowing us to switch the ball with tenacity. Charlotte continues to get confidence and put in some excellent tackles, as did Ali. With no subs our inner's didn't have any option but to keep running. Lisa continued her dominance scoring three goals for the day with the fourth goal scored by Dani, who promptly went to fullback to catch her breath. Dani has been playing hockey for over twenty years, mostly in the backline and for fifteen years as keeper and this was her first ever goal. Congratulations Dani, we were so excited for you....one of many more to come this season hey? Wongan got a late break in the final seconds of the game putting the defense under pressure but the whistle blew and Beverley can now officially notch up a win for the season. Thank you to our umpires for the game in Chris Hadlow and Judy Davies who both did a wonderful job.

Nicola took the stroke with a great shot onto the stick side of the goalie, meaning we were 3-2. Megs and Charlotte kept attacking on the wing, our fullbacks worked hard all day and Carissa and Lisa lead the team with their experienced skills and positioning.

Game 9: July 21 Beverley (1) vs York Storm (1)

Twas the afternoon before Christmas.....(in July that is).....when we took on York Storm at home. The wintery weather conditions held off for most of the game, so thanks to those that braved the weather to cheer us on. Well done to the Reddies girls for another hard fought game with quite a few opportunities on goal that we just couldn't quite get

over the line. Beverley (1) drew York Storm (1). Goal: Lisa Mourach. Thank you to Chris Hadlow & Ian Hooper for umpiring our game. Without you we couldn't have a game, so we really appreciate your time.

Thanks to the boys for looking after the scrumptious dinner in the oven while we were playing! Even Manu would have been impressed - cooked to perfection.

Game 8: July 14 Northam Aces (2) vs Beverley (3)

After yet another bye, the team gathered in Northam to take on Aces. It was a wintery day but the team carried the attacking momentum into the game with a clean shot from Dani from out on the wing to the top of the D where Nic smacked it down to the goal post and Ali smashed it through. Aces kept up the fight and it was a game where you couldn't let your guard drop. Kelly and Marg had some great plays out of fullback and it was great to have Chantelle back on the field. Nic scored the second goal of the game and then Aces were able to get through two goals in quick succession meaning we were two all at half time. With a quick team chat, we went out hard again and were awarded a penalty flick due to the ball being stopped by a foot behind the goalkeeper.

Eatern Zone ODE at Kellerberrin Pony Club on the 14 and 15 July. Fantastic to see four of our members attend the ODE in Kellerberrin. To even gain a placing the riders have to complete a Dressage Test, a Show Jumping course and then ride clear across a Cross Country course, All four of our riders placed, which is an awesome achievement! Bronte Cleland placed 5th in the 14 years and under PC80cm, Tealah Hawke placed 4th in the 13 years and over PC45cm, Emily Maxwell placed 7th and Jessica Maxwell placed 10th in the 12years and under PC45cm.

July 21 Rally

Noel Mustchin was our visiting jump coach for this rally and took our members through their paces in jumping, working on rhythm and direction. Shelly Hall worked with our older riders focussing on leg yielding at trot and canter. The younger riders practiced bridging their reins and steering through bending poles. After lunch the riders all had a practice at the Novelties events (Western Bending, Twitter, Three Mug and Ball and Cone) for 2018. Even though the rain came down the riders were still keen and finished all activities. While the coaches and the riders were busy, Vicky Lucas, Noel Mustchin, David Johnson from Game on Contracting and Sheldon Petchell worked tirelessly building the foundations of a 'Helipad' for our cross country course.
