President Report September 2013

Budget and Rates

By the time you are reading this the 13/14 budget would have crossed the Council table. The overall increase in income from rates has been set at 4%. The amount your rates have changed will also depend on valuations provided by the State Valuer General. The budget will be posted on the Shire website, or you can contact the office for further information.

Visit by WALGA President & CEO

President of the Western Australian Local Government Association Cr Troy Pickard and CEO Ricky Burges visited Beverley at the end of July. Councillors Foster, Murray, White, Gogol, Pepper, Ridgway and the CEO discussed a range of issues affecting Beverley and provided an overview of current projects.

Local Government Convention

The Local Government Convention held at the Perth Convention Centre in early August was attended by Councillors White, Ridgway and the CEO, with Cr Murray attending for a portion of the event. The opportunity provided to network with peers was complemented by an array of interesting speakers covering a range of topics, including former cycling champion Tyler Hamilton on doping in the industry, Leigh Coleman CEO of Many Rivers Microfinance and Aron Ralston, who survived a canyoneering accident during which he amputated his own hand.

Dawson st Independent Living Units

Council is currently reviewing the entry for the villas in Dawson St

whilst retaining the same overall retention fee. More information will be soon available, and in the mean time if you are seriously interested in the lease for life concept and taking up residence in one of these modern and convenient villas then contact the Shire CEO.

UWA Beverley Design Studio

Studio One 1 8

Since their initial visit the senior UWA Landscape Architecture students involved with the Beverley Design Studio have been immersed in research and creative planning as they develop their important final year projects for assessment. A studio of work to date has been set up at 118 Vincent st (next to Isobel's Studio.)

I would like to thank the following people for their input over the first weekend in August:

Fred Bremner, Brendon Imms (Wheatbelt NRM,) Mitch Henry, Marg Mourach, Jessie Ugle, Mal Roberts, Anne Woods, Phyllis Facey, Bob Hall, Morag Whitney, Jenny Broun, Dina Barrett-Lennard, Nooky Ridgway, Bill Whitelaw (gliding club), Bruce Peck, Bill Leeuwenburg, Colin Hancock, Martin Topp, Steve Gollan, Ali Lewis, (hope I haven't forgotten anyone!) and the community members who attended the students initial presentations on the Monday.

Another community presentation will be made during a planned visit for 18/19th October so keep your eyes posted for times and venue. (Or register your email with the CRC to receive the Beverley Bulletin email notification).

Local Government Elections

have you considered nominating?

Nominations for the upcoming Local Government elections are open from 5/9/2013 to 12/9/2013. For information on the role of a Shire Councillor contact the Shire Office, one of your Councillors, or visit the

Department of Local Government website.

October Council Meeting

Please note, due to the Local Government Elections being so close to the normal Council meeting date the October Council meeting will be held on the 5th Tuesday of the month, being 29th October, instead of the 4th Tuesday. This will allow time for the new Council to prepare for the meeting.

Beverley Show

Congratulations to President Teresa Reid and the hard working Beverley Agricultural Society committee and their helpers for producing another terrific Beverley show, attracting many visitors to our town. I would particularly like to acknowledge Groundsperson Tim Cooke and all involved with pulling together the new layout following redevelopment works at the recreation ground. What a fabulous day – thankyou everyone!

Dee Ridgway
Shire President

COUNCIL MEETINGS DATES

The Council Meeting Dates for the remainder of the year are as follows:

29 October 2013

(Changed from 22 October due to Local Government Elections being held on Saturday 19 October)

26 November 2013

17 December 2013

The Beverley Design Studio

Old & New Imaginations of A Great Place Beverley

After a recent inspiring and heart-felt long-weekend of meeting and sharing many yarns with community, the Beverley Design Studio is in full swing.

This community project is about enjoyable partnerships and genuine community collaboration – where The University of Western Australia landscape architecture design students, staff, Beverley Community and the Shire Council are doing their level best to *share-communicate*; to *share-dream* and to *share-pragmatise* around the future design realities of the Beverley township.

The UWA students will initially focus on ideas to re-design the town and some of its parts – where main street revitalization, town ecology and recreation, water management, community histories, social cohesion and the arts, for example, might be held high as creative ways to reconfigure the inclusive physical landscape realities of Beverley. The students will then focus on a range of specific town sites, - including the town river park; the public information arrival bay; town walkways, or the main street - and prepare detailed design drawings for further community review.

This community-based project takes on a *‘steady-steady-as-we-go’* design approach to townscape change and to sustainable community development specifically for Beverley. The UWA students will share their initial thoughts at the forthcoming Beverley Show and with exhibitions at the ‘One 1 8’ shop in down-town Vincent Street (the recently renovated blue shop near the Chemist) and with presentations to the whole of community over the weekend of 18-19th October, 2013, and then also later in the year.

The UWA design team wish to thank the Shire of Beverley and the Beverley Community for all their warmth and generous hospitality and participation with this important project. There is much work to be done and further community feedback is most welcome.

The Studio is being undertaken by senior UWA Landscape Architecture Students as an important final year project.

Please contact Ali Lewis at the Shire or Grant Revell at UWA on 6488 1566 for further information.

Shire of Beverley Local Government Elections

Council Elections

IMPORTANT - not to be confused with the Federal Election on 7 September 2013

Election Date

In accordance with the Local Government Act 1995 (and regulations), an Ordinary Election is held every two years on the third Saturday in October.

The Local Government Ordinary Election will be held on Saturday 19 October 2013

Venue / Polling Place / Time

Shire of Beverley Office - 136 Vincent Street, Beverley

Open from 8:00am until 6:00pm on Election Day, Saturday 19 October 2013

The count commences at 6:00pm that same day and the results are normally available later that evening.

Members of the public are welcome to attend and watch proceedings.

Vacancies

This year the following vacancies are:

<u>Position</u>	<u>Vacancy</u>	<u>Term</u>
South Ward:	One	Four years
	One	Two years
North Ward:	Two	Four years
West Ward:	Two	Four years

How to become an Elected Member (Councillor)

If you want to make a difference in your community and have a say in local decision making, stand for election as a local government Councillor. There are many benefits from being involved in your local council; namely the sense of satisfaction you will achieve from serving your community and being involved in making important decisions for the future.

The decision to stand for Council is a very personal one and you must consider your own circumstances and decide whether you are able to make the commitment required.

Nomination Requirements

Candidates are required to make an appointment with the Returning Officer (CEO) to lodge:

- A completed nomination in the prescribed form signed and witnessed.
- A single A4 page profile containing not more than 150 words of biographical information about the nominee
- Candidate and statements of the candidate's policies or beliefs
- A non-refundable, nomination deposit of \$80 (cash, bank cheque or postal order)
- A recent passport-sized photograph (optional)

When an agent lodges a nomination on a candidate's behalf, the candidate must fill in the prescribed form with a written authorisation and sign it.

Nominations open on Thursday, 5 September 2013 at 8:30am and close on Thursday, 12 September 2013 at 4:00pm

CAT OWNERSHIP UNDER THE CAT ACT 2011

THE SHIRE OF BEVERLEY THE CAT ACT 2011

An Act to –

- Provide for the control and management of cats; and
- Promote and encourage the responsible ownership of cats, and for related matters.

Cat owners now have to sterilise, microchip and register their pets according to legislation passed in the State Parliament in 2011. This legislation takes full effect from 1st November, 2013.

The new Cat Act gives local governments the power to deal with cat owners that are not responsible, including cat hoarders, and with cats that are not owned.

The legislation will make way for better management of the unwanted impacts of cats on the community and the natural environment, causing nuisance and damage to property.

It also provides for the reunion of cats with their owners.

Administration and Enforcement

Under the Act, Local Governments are authorised to administer its local laws and are authorised to do all other things that are necessary or convenient to be done, for, or in connection with, performing its functions under this Act.

Further information PTO

Registration and Tagging

The owner of a cat that has reached 6 months of age must ensure that the cat is registered with the local government in whose district the cat is ordinarily kept.

Penalty: \$5,000 fine for non-compliance.

Owners of cats that are ordinarily kept in the district of a local government must make application for registration (appropriate forms available from the Shire Office).

Cats must be:

- Microchipped; and
- Sterilised

(unless exempt under the Act)

Applicants must be:

- Over the age of 18
- Not convicted within the previous 3 years or convicted of 2 or more offences against:
 - * The *Cat Act 2011*
 - * The *Dog Act 1976*
 - * The *Animal Welfare Act 2002*

Verification of information supplied for the purpose of cat registration will be required, either by way of suitable documentation or by statutory declaration within 21 days.

Local Governments are required by law to refuse applications for registration if the applicant does not comply with the requirements within this specified time.

Local Governments are also required by law to cancel the registration of a cat if:

- The cat has died;
- Is no longer kept in the State;
- Has been registered with another local government; or
- Found to have been incorrectly identified as sterilised

All registered cats will be allotted a registration number, and the owner will be given a registration certificate and a registration tag.

The owner of a registered cat must ensure that when the cat is in a public place the cat is wearing its registration tag.

Penalty: \$5,000 fine for non-compliance.

Microchipping

The owner of a cat that has reached 6 months of age must ensure that the cat is microchipped, unless the cat is exempt under the act from microchipping.

A microchip implanter who implants a microchip in a cat is required by law to give notice in writing to the microchip database company who then must keep and maintain this information in respect of the cat.

Penalty: \$5,000 fine for non-compliance.

Sterilisation

The owner of a cat that has reached 6 months of age must ensure that the cat is sterilised by a veterinarian unless the cat is exempt under the act from sterilisation. This veterinarian is required by law to provide a certificate of sterilisation and to notify the microchip database company within 7 days of the cat being sterilised.

Penalty: \$5,000 fine for non-compliance.

*\$5,000 fine will apply to anyone incorrectly
identifying a cat as being sterilised.*

Management of cats

The Act enables local governments to issue Cat control notices and direct the owner of the cat/cats to comply with a provision of the Act, the regulations or a local law in respect of the cat/cats within a specified period.

The Act also enables local governments to seize any cat that an authorised person believes or suspects, on reasonable grounds, to be the subject of an offence.

The authorised person is to ensure that a cat seized is taken to its owner or is impounded in a proper cat management facility. The owner of a cat kept in a management facility is liable to pay costs associated with:

- Removing and impounding the cat;
- Keeping and caring for the cat;
- Implantation of a microchip in the cat;
- Sterilisation of the cat; and
- Destruction and disposal of the cat.

Breeding of cats

A person may **not** breed cats unless the person is an approved cat breeder.

Penalty: \$5000 fine for non-compliance.

FEES AND CHARGES

Finding Prostate Cancer Early

Throughout the Wheatbelt Region of WA, the *Find Cancer Early* Campaign is urging people to pay attention to changes in their body and if they notice differences that may be symptoms of cancer, to tell their Doctor.

This month we're focusing on the common signs and symptoms of prostate cancer:

- ☑ Blood in your pee or semen once off
- ☑ Waking frequently at night to pee
- ☑ Sudden or urgent need to pee
- ☑ Needing to pee more often
- ☑ Difficulty starting or stopping peeing
- ☑ Slow flow when you pee
- ☑ Pain when you pee
- ☑ Dribbling at the end of peeing
- ☑ Bladder doesn't feel quite empty after peeing
- ☑ Being unable to control the bladder (incontinence)
- ☑ Unexplained weight loss

If you have had any of these signs or symptoms, tell your doctor. It doesn't mean you've got prostate cancer – usually they turn out to be something less serious. But it's important to tell your doctor and get them checked.

Remember, if it is prostate cancer, the earlier it's found, the earlier it can be treated.

Prostate Cancer Myths and Facts

Myth: Only elderly men get prostate cancer.

Fact: Although risk increases as men get older, about 1 in 3 prostate cancers occur in men under 65 years old.

Myth: Difficulty peeing or peeing more often are just normal signs of getting older.

Fact: Having problems when you pee can be an important symptom of prostate cancer, regardless of age

NATIONAL TRUST

**AVONDALE FARM, BEVERLEY
CROPPING AND GRAZING OPPORTUNITY FROM 2014**

The historically important property known as Avondale Farm is a place where the community comes to learn about and experience agriculture and history in Western Australia. It is also a venue for special community events.

The National Trust of Australia (WA) will be seeking expressions of interest from suitably experienced operators to take on a three year, plus optional three year, cropping and grazing lease (by joint agreement) of agricultural lands (approximately 450Ha arable) at Avondale Farm, Beverley from March 2014.

All proposals will need to be sympathetic to the educational, tourism, cultural and heritage values of the property, and complimentary to related activities and events conducted on the property.

A public information session for those interested will be held at Avondale Farm in mid-September to provide further details of this unique opportunity. National Trust representatives, members of the Farm Management Group and Avondale Farm Project Association volunteers will be on site to discuss their vision of Avondale, working in partnership with interested parties.

Initial indications of interest would be appreciated by COB Friday 13th September by email, fax, phone or post from which an invitation will be provided to attend the information day. Contact details below.

BEVERLEY GARDEN AND TREE CLUB

A small group of members met at the Dead Finish Museum for this month's meeting. It was a lovely wet day and for the first time this year, we had to have our meeting inside the museum.

Members were reminded about the trip to the eromophila farm on the 13th of this month. John Lane is to be our generous driver. John has a notable native garden and is interested in seeing the huge collection along with our members.

Some interesting containers were bought along for exhibition, Morag's wooden hanging basket deserves mention as does Raewyn's bone with a snapdragon growing out of it.

We are going ahead with plans to renew planters with potted colour at the lodge and after the requisite permission will plant some fruit trees, mostly of the citrus genus.

Members reminders:

- ☼ Visit to York Garden Club on Wednesday 18 September.
- ☼ Stall booked for the Caravan and Camping Show on Sunday 29 September. Members are asked to donate something for the stall.
- ☼ Pingelly will be visiting us on Tuesday 01 October.

A garden report from Delys bought to our attention that the roses had been pruned, the water needed to be turned off and the fruit trees look as if they need a feed. This of course will happen!

Aphids are bad in the potager garden as they are all over the district.

After the meeting closed we all enjoyed each others company and had morning tea.

Next Meeting is at the Dead Finish Museum on Tuesday 03 September.

COUNTRY CHOIR BASH SUNDAY 29 SEPTEMBER 2013

Station Gallery and Platform Theatre News

Station Gallery

Artist-in-Residence

Artists Eunice Mitussis & Biruta McLauchlin have been very industrious during their stay highlighting their paintings displayed throughout the Gallery. An exhibition opening was held on the bitterly cold and wet evening of Friday 16th and though not many ventured out to join us it was fun night. As with previous years the August artist/s-in residence judged the art section at the Ag Show. Thank you ladies.

Our next artist is Anita Stewart who flies in from the USA beginning of September. As our first international artist, we welcome her warmly and her month at the station promises to be a busy time as she is offering to teach her skills through a series of weekend workshops. Anita has been in national & international competitions, owns her own art school & taught art for the last 15 years so this is a fabulous chance to learn from a very talented artist! Workshop dates are as follows:

1. (Sept 7th & 8th) The countryside of Beverley is calling you to capture it's alluring landscape gems. You will be walking away with work you will proud of. Learn the basics while finding unusual compositions. Choose to draw or paint realistically or delve into abstracting plein air.
2. (Sept 21st & 22nd) Paint your Pet. Bring along a photo & Anita will show you how to make your pet's personality come through. Once it hangs on the wall you will be talking to your painting, it will look so much like them but have that special something only you can give.
3. (Sept 14th & 15th) "life painting" Learn how to draw & paint a clothed model. You will learn how to capture the personality and essence of the model while adding your own special touches. Loaded with techniques and shortcuts. We will work on faces or figures.

Anita will do a demonstration each Saturday morning at the Station Gallery followed by drawing/painting in the afternoon. Those interested can attend one or both days of the weekend workshops, but obviously better if you can attend both and at \$40 per day this is fantastic value. So all you beginners out there & for the more experienced come & enjoy some exciting tuition from Anita. Anita is happy for you to do workshops in your choice of medium, so just bring along whatever materials you have for your preferred medium. If you need a hand with this, please don't hesitate to contact Marylou.

Cost: \$40/day, tea and coffee supplied, BYO lunch. Time: 9.30am for 10.00am start - 3.00pm. And if the general public is interested in watching the demonstrations on Saturday mornings, they are more than welcome.

For further information regarding residencies keep an eye on the Bulletin and/or contact Artist in Residence Coordinator Marylou Hutchinson on 96471027 / 0427085511 or email: hutchinson@wn.com.au

Artists in Residence programme for the remainder 2012:

September 1st - 30th: Anita Stewart (Mississippi, USA)

October 1st - 31st: Dorothy McInnes, Jenneke Biehl & Suzanne Crawly, Sally Watts (Perth)

November 9th - 27th: Janet Pfeiffer (Perth)

November 28th - end December: Danielle Smith (California, USA)

Station Gardens

The latest wedding to be held at the Station was that of Shane and Mandy Kay on Saturday 27th July. Congratulations to you both!

Many thanks to Friends of the Station Pat Thompson and Haydn Rayner for pruning the roses and tidying the gardens in readiness for spring planting and yet another wedding in October.

Cultural Planning

The end of July and beginning of August saw Kathryn McLean at the Kings St Art Centre attending a two day workshop on Project Management run by Country Arts, followed by the first three days of a cultural planning course presented by CAN WA. I was also able to attend this exclusive professional development opportunity which was indeed informative. Kathryn will be attending the second part of the course at the end of August.

It was timely that senior Landscape Artist students from UWA spent the first weekend of August in Beverley as part of their final semester, undertaking research & consultation in what they term, "BEVERLEY DESIGN STUDIO" as this was very befitting the cultural planning course. The Shire is to be commended for its foresight to invite the UWA students to participate in the cultural development of our town and it is worth remembering that culture (that of heritage, creativity, cultural industries, crafts, cultural tourism) ultimately shapes what we mean by development and determines how people act in the world.

Beverley Choir

Beverley Station Singers has met again this month under the direction of Kelly Newton-Wordsworth and practice is underway for the choir to sing at the Country Choir Bash on September 29th. Additional singers are always welcome and the next session is on Wednesday 4th September - see separate advertisement and look out for messages in the Beverley Bulletin or contact Sarah Miller - Ph 96464066 or email miller@reachnet.com.au

Platform Theatre

On Sunday 29th September at 2.30pm - 5.30pm **"Voice Moves"** (Western Australia's major choral association whose main aim is to support and encourage networking among choirs and singers in WA) will present the annual Country Choir Bash at the Platform Theatre. Leonie Thorogood, president of VoiceMoves, has indicated that this event is proving very popular with choirs around the state - it seems everyone wants to come to Beverley! Our local School Choir under the direction of Kelly Shaw will sing three songs to start the day as well as Beverley Station singers singing 3 numbers. Following our home grown talent will be 6 other choirs, mainly from Perth and ranging in size from a quartet to 60 people, all singing for around 20 minutes per choir.

For further information check the website www.voicemoves.com.au

Entrance to the Country Choir Bash is \$10pp and a gold coin (or two) donation for country style afternoon tea.

Country Choir Bash presented by "Voice Moves" (WA's major choral association)

Hello Everyone,

It is with mixed emotions I pen my last Blarney. I have once again, thoroughly enjoyed my time in your beautiful town and look forward to possibly returning sometime in the future.

The week commencing 19th August will see the arrival of your new Officer in Charge, Sergeant Ian Connell. Senior Constable Ian Roberts will soon be doing the rounds and introducing your new OIC to local business owners and community members as paths cross. Please feel free to drop into the station to introduce yourself.

OFFENDER CHARGED

Earlier this month, due to timely information received from a member of the public, Beverley police apprehended and charged a male person with Possession of a Prohibited Drug. A great result and example of what we can be achieved when we work together.

Please keep your eyes and ears open.

BURNOUT

We need your help to locate the person responsible for the burnout on Vincent Street near Lukin Street that occurred early hours of Sunday morning 18 August 2013. Inquiries to date have established this happened at about 1.00 am. If you have any information please let us know.

BUSINESS BURGLARIES

Two businesses in Beverley were recently the target for burglaries in which large sums of cash were stolen. Disappointingly it appears to be the actions of someone with intimate knowledge of how these businesses operate and possibly someone living locally.

Again, if you have any information in relation to these incidents, let us know.

FIREARMS AMNESTY

This is your chance to turn in your unlicensed firearms to WA Police by 31 October 2013 without prosecution* During this time, you will receive immunity* from prosecution if you turn in your unlicensed firearms, parts, ammunition or accessories to your local police station. Time to bite the bullet for a safer WA.

For more information call 1300 171 011 or visit your local police station or go to www.police.wa.gov.au

** immunity is invalid if the firearms have been unlawfully obtained or used in criminal activities.*

POLICE OFFICER OF THE YEAR AWARD 2013

Do you know a WA Police officer who has excelled at his or her job?

The Police Officer of the Year Award recognises outstanding service by a police officer, over and above what is required as part of that officer's normal duties and functions.

Nominations are now open and it is up to you to tell us why an officer is special! If you know a worthy police officer, why not nominate them for the Police Officer of the Year Award! It's quick and easy to complete a nomination visit www.police.wa.gov.au; nominations close 5pm Monday 28 October 2013.

AND REMEMBER, IF YOU SEE SOMETHING, SAY SOMETHINGTELL US. HELP US HELP YOU KEEP BEVERLEY A SAFE & SECURE PLACE BY WORKING TOGETHER.

Beverley Patchworkers and Quilters

It has been a while since we reported on our activities. We haven't gone away or ceased to exist. To the contrary, we are very active, and have welcomed two new members in the past few months. This is great and we encourage anyone else who is interested in patchwork and quilting to come along to Avondale on a Tuesday morning. Even if you don't know anything about the subject there is always someone to help you. You would be very welcome, so come and try it out.

Although several of our members have been away overseas or up north, most are now back and busy making various items. We had a workshop on making a "beach babe", and following one of our members showing us a shoe bag (for your shoes when travelling), several ladies have made some of these. They make great gifts.

We have purchased a cutting machine which helps cut out many shapes useful for patchwork. This will be a valuable asset to all members and it is in the process of being set up for permanent use.

It was a pleasure for us to welcome some senior members of the community when they visited in the bus for morning tea. Our president Catharina Turle talked to the visitors about our activities and they were able to view some of the work on display and talk to members about their current projects. This was then followed by morning tea. It was a pleasant morning for all.

Anyone interested in joining us is welcome to ring either of the numbers below.

CWA Beverley Branch

Highlight of our August meeting was the culmination of the year of study of France. Members cooked authentic French recipes from research by our International Officer, Glenys Petchell. Guest Speaker, Jo Roques, a delightful French lady, considered all our contributions to the meal were quite authentic, though we did not venture into snails or frogs legs!

Several members had been to France and could relate well to what Jo had to tell us. Travel photos from France and a short DVD all helped to prompt the discussions; Thank you Glenys, for creating such an interesting day of friendship and experience.

It was great to have three of our husbands join us for lunch and we thank them for sharing our day.

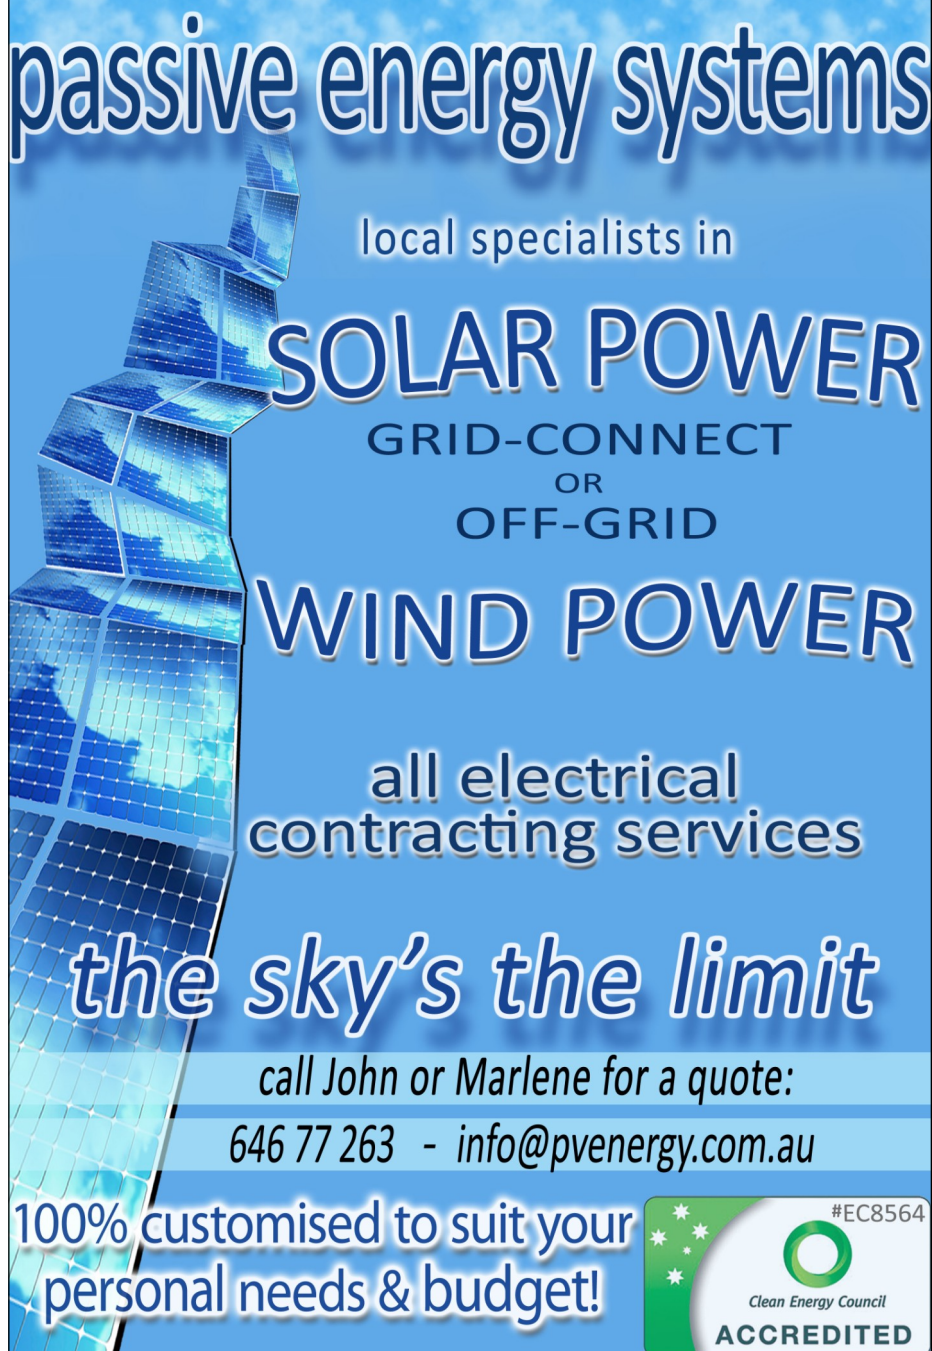

Our next Country of Study is to be Argentina.

Our next endeavour for our members will be providing Devonshire Teas for visiting Mobile homes and Campervans on the last weekend in September. These will be served at the CWA rooms – morning and afternoon on Friday 27 September and at the Oval on Sunday 29 September. Other visiting public and local residents are invited to join in.

September CWA meeting will be held at the CWA rooms on FRIDAY 13 September, (which is not on our normal day). All welcome! We will have the usual cuppa at 10.00am with the meeting to follow and then a "Bring and Share" light lunch so that there is a great opportunity for some social time together.

We wish the Agricultural Society a great day for the Annual Beverley Show and may there be some more showers (or better) in the weeks to come.

CRANA ABORIGINAL CORPORATION INC

Firstly, may we offer our thanks and appreciation to our CEO, Mr Steve Gollan, and Shire President, Mrs Dee Ridgway, for inviting four CRANA members to Meet Professor Grant Revell and 20 plus graduate students at the Shire chambers. Professor Grant is from the faculty of the University of WA. Interests - Social Science, Indigenous Studies, Landscape, Design and Architecture.

As such, after the introduction we all then proceeded to the Aboriginal Reserve on Duffield Street. We were all very interested to listen to Jesse Ugle tell us about her early childhood days spent on the Reserve. They all had discussions with Mitch Henry, Margaret Mourach and Mal Roberts. Dee, the Shire President, then asked Mal Roberts to outline the Project Plan that relates to putting up a building on the Reserve (Crown Land). Mal then brought up the legal issues, from all quarters, that they are facing. Even though the Shire of Beverley is the legal caretaker of the land, many government bodies seem to be involved. On hearing this, Professor Grant, then made an offer to Mal Roberts, that he and his students may be able to help us with our project and stated that they were involved with a similar situation at Northam, where an Aboriginal Community Cultural centres was built on Crown Land. Professor Grant also offered to design and help with our similar project. Dee Ridgway, then asked Mal if this was acceptable by CRANA and Mal in response immediately accepted and offered his thanks to Professor Grant and his students and also to our Shire President and the CEO for their strong support and the good relationship that they have with the indigenous people in Beverley.

It was also mentioned by Mal Roberts, that once the building (to be known as THE INDIGENOUS COMMUNITY CULTURAL & EDUCATION CENTRE) was built, we would request to have an Official Opening by the Shire President and the Local Member for Pearce and thereafter fly the Aboriginal Flag - GOOD NEWS ALL AROUND.

"Lyme Disease Awareness & Action" Day

A HUGE thank you to everyone concerned with the staging of the day held in conjunction with the Beverley Football Club's game against Quairading on Sunday 4th August. Funds raised have gone to the Karl McManus Foundation for the establishment of a research facility in Sydney for improved testing & treatment of Lyme Disease.

The next piece of equipment purchased will bear a plaque of recognition for the Beverley Community's support to the foundation.

A big thank you must go to Dean McDonald for his idea & work to hold the "Awareness & Action Day" & to Paul Hasleby & Chance Bateman for graciously donating their time to be our Corporate Guests on the day.

Thanks must go to the Beverley Football Club for allowing this day to happen in conjunction with their day at the footy. The support from the committee was very welcome & extra fund raising effort from Chantelle & her helpers was very much appreciated. Thanks also to our visitors, Quairading, for their support on the day. Thank you to those special Ladies, Jessica, Heather and Sally for their work with the luncheon & to Theresa, Kelly, Gabby & Taylor's work with the merchandising table & decorations. We were very thankful for the tremendous effort by all these ladies. What a hit Ava Drew's face painting was. The young people looked so smart with their lovely designs created by this very clever young lady.

Thank you for your time & effort Ava.

We were very pleased to have Ailsa Burgess from Chrysalis & Lyme Youth support group with us, who was a fountain of information.

The highlight of the day was to see so many people learn more about Lyme & the feedback since has been overwhelming. There is no doubt the awareness aspect of the day hit the target & we just hope it saves as many other people as possible contracting this nasty disease from "Natures Dirty Needle".

If anyone would like to know more please call or ask Jeff & Wendy Murray. We would be happy to share any information we have with you.

Or refer to www.karlmcmannusfoundation.org.au or <http://lymedisease.org.au>.

Again thank you so much for your generous support.

BEVERLEY HISTORICAL SOCIETY

The August meeting of the Society was attended by just six members with several apologies. We reported on an excellent visit by students and staff from Avonvale Education Support Centre, Northam.

The President, Bob Hall, & Secretary, Morag Whitney, had attended several meetings in the previous fortnight. First we welcomed final year UWA Landscape Architect students to the Museum as they gathered background for their **Beverley Townscape Project**. Two days later the students ably demonstrated what they had learned in a presentation in the Town Hall. Next we met the **Beverley CRC Review** facilitator first at the Museum & then again at the presentation in the new Recreation Centre.

As usual we had received requests for family information:

- From Deloraine, Tasmania, we were asked if we knew when the first station master (Mr Drake - Brockman) had finished his appointment.
- And from Manjimup, someone wanted information on particular Smiths and Hoopers who had lived in Beverley in early in the last century.

Donations to the Museum this month included:

- From Katanning Heritage Centre: 2 x 1956 docketts & plan from "Modern Tillage", Beverley
- An old exercise book with Football Club notes from 1904 onwards - made by L P Swan.

Our Show display "**Living in the Country means Playing Sport**" has resulted in a new collection of photos and information, **but** there are many gaps. Please let us know if you can add to our records, particularly any other **Beverley Sport Legends**.

An account of an unusual plane sighting in WW2 by the **Volunteer Air Observers** as told by Geoff Edwards appears on page 41 of this edition.

Coming Museum Visits: 14 Sept noon Historic Gardens Society; 15 Sept noon Avon Valley Collectors Club; 21 Sept 11am Corrigin seniors.

Next meeting: 2 pm Monday 10 September 2013.

Please note new date of **AGM** is **now Tuesday 22 October 2013**. All welcome. For further information contact the secretary at bhsdeadfinish@gmail.com.

Western Australian Wyandotte Fanciers Association Inc.

The Wyandotte Show will still go ahead on Saturday 7 September at the Beverley Showgrounds Poultry Shed. Entries are coming in and it is shaping up to be a successful day. On display will be exhibition birds; displayed according to their breeding classes.

We wish to say thank you to friends, exhibitors, community and businesses who supported the Wyandotte Show. The list of donors and trophy winners will be in next months Blarney.

Terms and conditions

- ★ All exhibits are required to be penned by 9am as judging commences at 9.30am sharp.
- ★ All birds will be judged according to the Australian Poultry Standard. The British Poultry Standard will be used where appropriate.
- ★ All birds are to be clean and disease free. Any infested bird shall be removed from the shed under supervision from the steward.
- ★ Birds must not be handled or removed from their pens by any person other than the judge or steward.
- ★ Every reasonable care is taken of exhibits but NO responsibility will be incurred by the association.
- ★ Exhibits are reminded that they have a responsibility to feed and water their own birds after the completion of judging.

Public viewing is welcome and free.

BEVERLEY TOURIST BUREAU

The past month has been quiet, although during this week we have had a large increase in visitors.

During this month five of our volunteers have been away on holiday including myself. Now we are back and feeling refreshed and ready to start again. Our thanks go out to Gail and John, our great 'relief' volunteers. They do a good job at short notice and we thank them very much.

The show is almost on us, so we know there will be a lot of people in town. One of the comments received this week was "What a clean and welcoming place Beverley is", it was very good to hear this positive comment.

We now have another supply of shirts. New caps are on order and will be in stock shortly.

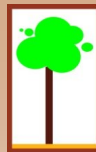

Thank you again to the volunteers who didn't go away this month. You did a great job.

Some information on MISCONDUCT RESTRAINING ORDER (MRO) - a complaint is lodged with the local police, where one person is being threatened, intimidated, harassed and abused by another person. The police will then guide you through the steps to be taken. Application must be made and lodged in the Magistrates Court. The person that feels threatened, then lodges the Application (Applicant). The person making the threats and intimidation is known as the Respondent. At the hearing date the Magistrate will examine the application to see who is telling the truth. The safety issue is also in question and breach of the peace. The Magistrate will rule thereafter by making conditions, if it is felt there is a case.

If there is a breach of the Court Order, then the Applicant can take out further MRO's. If the matter escalates to violence, then once again lodge a complaint with the police and they may lodge a VIOLENCE RESTRAINING ORDER (VRO) on your behalf, the application for which, will have to be lodged at the Court of Petty Sessions. Phone the Clerk of Courts for further information or get legal advice.

Whilst all this is going on, where there is proven evidence that the Respondent has been making slanderous and defamatory/libellous statements against the Applicant see a lawyer (civil). However, please proceed with caution as these cases attract huge legal and court costs, which in the past has forced some Litigants to even sell their property to cover costs. The 'rule of thumb' is - malicious gossip, advertising libellous material can cause one plenty of grief and money, as court cases can drag on for years - not surprising

The Act-Belong-Commit Beverley Agricultural Society Show

A GREAT BIG THANK YOU - from The President (Bev Ag Society)

'It will all be good on show day' is a phrase that gets bandied about a lot the week before the show. Sometimes it's in response to polite enquiries from the town's people, sometimes and in particular amid the organised chaos on the last day before the big event, it is an expression muttered under the breath (and usually preceded by a choice word or two!!). It is something of a prayer and a hope.

We hope that it will all be good on show day. Of course it wasn't just good on show day it was ABSOLUTELY AWESOME and all because of you.

Some people call them volunteers, I call them legends. The exhibition shed was again magically transformed from an ugly oversized shed into a platform for artistic endeavour. It took at least fifty people (stewards and set up crew) three days to get the oval and pavilions ready for the show. Entries were up 35%. Everyone wanted a chance to win that iPad mini. The response from community groups and the BDHS students was outstanding this year. The exhibition shed was filled to capacity with colourful displays and work of a very high calibre.

With such a small committee we rely a lot on volunteers, friends, family and floaters (people who just pop in for an hour or two) to help in the final stages of preparation and on show day. This year we had extra help from the shire that was much appreciated. I counted over 500 people who contributed an hour or more to help us make the show work – and that is the reason why we have the best show in the Avon Valley – because so many people in the community work together to create it.

Huge congratulations to Tim Cooke for the outstanding new design in the grounds plan which was necessary now that the new amenities building is finished and the new netball courts are in place. The general consensus is the new arrangement is even better than before and that is saying something.

We waited and watched the weather forecast and it was a relief to see that low front pushed back to Sunday. Our small army of volunteers manned the gates and supervised the free rides. The beautiful weather combined with an advertising blitz on metro and regional radio gave us a boost in gate takings. It's pretty amazing really when you think about it that a town with a population of 1700 can put on such a great show with nearly twice that many attending the show. Over 150 people stayed after the fabulous fireworks to rock with the band 'Almost Famous'.

And it was a great show. Great weather. Great family atmosphere. Everyone having a great time. Arguably the greatest little country town show in WA.

The Society celebrated our 'Living in the Country' theme by doing what country people do – we gave back – with more free entertainment than ever before.

Beverley is a great place to live with a good sense of community where there are lots of things to get involved. The school choir, the men's shed, youth group, St John's Ambulance, Lions, CWA, line dancing, footy club, netball, horse and & pony club, the morning walk group, the gliding club and vintage vehicle associations to name but a few whose members are involved with the show and these group are always ready to welcome new members. If you missed out this year make a point of joining in next year and be part of the fun, feel part of this community.

A special thank you to our major sponsors Healthways, State Government of Western Australia with the Free for Kids grant, Shire of Beverley, Beverley Hydraboom, Rushton & Co, York and Districts Community Bank, Beverley Hotel and all our trophy donors, stewards, judges, competitors, the Men's Shed, Beverley youth group, anonymous cake bakers, soup makers and gate people. An extra special thank you goes to the shire workers who prepared the grounds and volunteers who set up tents and cleaned up afterwards.

Teresa Reid

CONGRATULATIONS TO COUNTRY KITCHEN

WINNER OF THE BUSINESS WINDOW DISPLAY

Turns out we have more than one artist in residence on show week. Nearly all the businesses put up window displays promoting our 'Living in the Country' theme. It was very hard to choose. The CRC crew, Pat from IGA and Vicky from Avon Trading did wonders with a paintbrush. The Post Office shelving took on a new life. The newsagency was good of course (because Sarah knows what she is doing). Annie & Mark at the bakery had a really colourful display and I liked Willey's Trading Posts idea of what living in the country is all about. Of course then there was TM Hair Design and Stickybeaks professional artistic touch and Isobel's talking interactive display! But when we looked at colour, arrangement, theme, promotion of the Act-Belong-Commit message AND the show we couldn't go past Jenny and Vicky's display at the Country Kitchen. Thank you everyone for your effort and time.

OUR LOCAL PHOTOGRAPHER

Some of you may have noticed one of our local talents, Colleen Sleer, taking photographs throughout the day. We are very appreciative of the time and expertise she has volunteered – keep an eye on our website to see the results of her busy day!

Beverley Show Exhibition Shed Results - 2013

The exhibition shed was bursting with entries across all sections and complemented by displays from Beverley DHS, Beverley Playgroup, Fula Fun Day Care, the Beverley Historical Society and the Beverley Garden and Tree Society.

This year we had close to 1500 entries, and enormous thanks must go to all the stewards who very efficiently displayed all the exhibits for judging.

One Life – One Community – One World -Suicide Prevention Awareness Day-10th September 2013

World Suicide Prevention Day is an opportunity for people worldwide to unite in commitment and action to ensure that suicides are prevented and to acknowledge and support family and friends who have lost a loved one through suicide. Initiatives which actively educate and involve people are likely to be most effective in helping people learn new information about suicide and further prevent the tragedy of suicide that affects whole communities.

The Western Australian Suicide Prevention Strategy, “One Life” has an overall aim to improve the mental health and wellbeing of all people in Western Australia by working with communities to build resilience and sustainability around suicide prevention.

www.onelifewa.com.au

One Life Community Coordinators will work in partnership with community agencies and One Life champions, across communities to host a series of events with an over arching message **One Life - One Community – One World** and commonly themed events.

The key messages such as-

- Treasure Life
- Every life is precious
- Suicide is everyone’s business
- Support is out there

will be sent out through posters, banners and stickers.

Activities such as –

- Light the Lantern
- Empty Shoes
- Darkness into the Light
- Community meals
- Fire Drum
- Flags exhibit
- Key note speakers
- Message Wall
- Reach Out Tree

will be personalised by community members to especially remember those they have lost through suicide. These events are a community wide initiative with a coordinated approach to suicide prevention, providing targeted suicide prevention activities and improving community strength, resilience and capacity in suicide prevention. One Life One Community One World events are celebrations of life and the acknowledgment of loss and the giving of love and support for those who have suffered the tragedy of losing a loved one through suicide. For further information on events in your area please contact **Beverley CRC on 9646 1600** or One Life Community Coordinator Helen.moses@phcs.org.au

Warriors Wellbeing

Talk to a Mate!!

The message we give in everything we do is ... before it all gets too much... Talk to a Mate or talk it over.

It is important for us to talk about issues in our life or tell our story so we can realise we are not alone and that it is safe to do so. As blokes we quite often isolate ourselves and we go into our cave and don't talk to anyone about our stuff. Now that's all right, as long as we remember to come out of the cave. One of the problems is we don't identify who our true mates are in the good times, this then leads to isolation and loneliness which are often precursors for other wellbeing issues.

Who are our Mates?

We say as blokes we have three broad categories of mates to talk to about our stuff or tell our story to. These usually come under the categories of a mentor, a partner and a peer.

These mates are quite often different than the associates or the mates that we play sport with and/or socialise with. Personally I think I am lucky because my wife is my best mate and I still have a mentor category in my old man who is my other mate. Think about the blokes you know that have no one to talk to!

What is the benefit of talking to a Mate?

It's about sharing your story, and the value there is in realizing that there are other men experiencing the same things, (no matter what the issue) I have never met a bloke yet that hasn't wanted to tell his story. Sometimes we just need the right environment!

The Men's Shed movement in Australia and particularly here in WA provides a very important conduit for men to both meet and talk. Their vision is "a safe place for all men." Part of this is providing a suitable environment for men to meet and chat.

Ask three times if concerned!

If you have a gut feel that someone you know is not travelling well ask them how they are going, more than once! We can all be that mate to someone at some time, most often it is as simple as listening.

Talk to a mate!! It will help.

Cheers

An Unusual Sighting in Beverley

WW2 Volunteer Air Observer Corps

During WW2 a network of Volunteer Air Observers Corps units were set up around Australia, covering an area up to 150 miles inland from Cairns in far north Queensland right around to Port Lincoln in South Australia, and from Albany to Geraldton in Western Australia. The units were principally staffed by civilian volunteers. WAAAF (Women's Auxiliary Australian Air Force) general clerks were used as recorders in operations rooms in Volunteer Air Observer Corps regional Headquarters around Australia.

When the observer spotted an aircraft they would note the direction, number of engines, height and attempt to identify the aircraft if possible. They would then ring the Telephone Exchange and ask for "Air Flash". The Operator would then, if necessary, disconnect current calls to put the call through to the VAOC centre. Each spotter had their own Code Name. (www.ozatwar.com)

The Beverley Air Observer Post

A building in Vincent St (near current hairdressers) was the Air Observer Post in Beverley town (there were others dotted about on farms) during WW2. The walls were lined with pictures of planes in side view, front view and from below to assist the observers to identify air traffic.

The post was equipped with an acoustic listening device on the roof, in the form of a funnel (similar to a loud hailer) with a microphone, attached to a tube that went down through the ceiling to an inside control device (similar to a U-shaped joystick) that allowed the funnel & microphone outside to be turned in any direction. Listeners inside could hear all movement and noises in the vicinity such as people walking along the streets (like the baker who regularly walked to work early every morning), vehicles of all types, roosters in back yards, sheep baaing across the river and, of course aeroplanes approaching. The observers did day and night shifts – mostly married women in the daytime & men at night. There were always two spotters rostered on at any one time. There was a bed for the night shift volunteers to take turns resting.

Not a Tiger Moth

One day Geoff Edwards' mother, Mrs Ruby Edwards, who then resided in Hunt Rd, & next-door neighbour Mrs Connie Wilhelm were on duty and sighted a plane flying south to north. This was unusual as most planes were Tiger Moths flying east/west to/from the Cunderdin training base to the Beverley Aerodrome. They reported the sighting by phone to the Perth headquarters. The unusual report apparently caused some concern in Perth as they were phoned back and asked if they were sure. Later that night, while the men were on duty, the spotters were phoned back again and told to congratulate the two women on their alert observation.

Was it the Enemy?

After the war it was reported in the newspaper that the Japanese had maps with the locality of the airfields at Wagin, Narrogin & Beverley. Could the plane seen by Mrs Edwards & Mrs Wilhelm have been from an enemy vessel off the southern coast, flying north over Beverley & then in a curve out to the ocean again?

As told by Geoff Edwards to Beverley Historical Society, June 2013

August was a busy month with activities at Playgroup. On Thursday 25th July and on 22nd August we had Story / Rhyme Time and it was a lot of fun! The children really enjoyed snuggling into their mums on the pillows, listening to the stories and singing nursery rhymes. Alexis, Beverley's Speech Pathologist, didn't come due to illness but Kate McLean kindly volunteered for the July session and Jess Fleay read to the kids in August. Thank you so much girls for helping making it happen!!

We finally finished our mural for the show! It was so much fun making it can't wait for next year and do it all over again! Well done to all the children (and parents, of course) it looks fantastic!!

Up-coming this month: our toys and cupboards are in desperate need of a clean-up so we will have a busy bee. To make it quick and easy we will need as many members as possible. The date and time will be advertised in the Beverley Bulletin Board, in the Playgroup's room and on Facebook very soon. We will do a stock-take at the same time so if you have any ideas for new toys/equipment it will be the perfect moment to tell us.

Once again we will have Story /Rhyme Time on 19th September, and Bring and Share morning tea on 26th September before the School Holidays followed by a general meeting.

We still have lots of activities up our sleeve to the end of the year. We will carry on monthly with Story / Rhyme time and we will make crafts regularly especially for special occasions like father's day, Christmas etc... We are trying to have a fun activity such as baby gym or dance for the next school holidays, so stay tuned for further information.

We hope to see more members' coming as the weather warms up. We have lots of toys, craft supplies, and books available and very good facilities as the building use to be a Kindergarten so please come over and enjoy them!

Remember that any parent/carer and their babies and children up to 4 years old are welcome to join Beverley's Playgroup at anytime through the year.

Playgroup is fantastic for children and babies to make new friends learn to share socialise and do activities or play with toys they may not at home. It's also great for adults as the mess from those activities (especially craft) stays at Playgroup, and cleaning is shared amongst parents. Members usually come home and have a very relaxing afternoon as children are tired from a busy morning.

We hope to see you all next month!

Beverley District High School

Hello, Ciao and welcome to our third term. With a new term, we also would like to welcome our new acting Deputy, Peter Hall and his family. We wish them all the best and I am sure that the community of Beverley will welcome them with open arms. We say farewell to Hayden O'Mara who has taken up the position of Principal at Wundowie. We wish him the best in this challenging new career path.

The holidays were fabulous in that we received much needed rain for our farmers and of course our gardens. The very cold weather with numerous frosts is certainly not welcomed, but we are very happy that winter has finally arrived.

Athletics takes up our sporting calendar this term with Faction Carnival being held in Week 6 and Interschool Carnival in Week 8.

Year 5 Museum Excursion

On Monday the 24th June, the Year 5 class went on an excursion to the WA Museum to see the 'Secret's of the Afterlife' exhibition. Some of us travelled to Midland in the Beverley Community Bus with Mrs Thomas and Mrs Grossmith and the others went by car with Mrs Kilpatrick. At Midland we caught the train to Perth.

Bryce, Dale, Jayden, Liam G, Dean and I went to Midland Train Station in the car while the rest of the class went on the bus. Although the bus got there before us we still got out of the vehicle first. At the train station some people showed us how to use a ticket machine and taught us a bit of stuff about trains. On the train we got to have a look at the drivers cab.

Some people were playing a game and I guess it was called 'Who can guess what the next stop is?' The rest of the people were playing on cameras, ipods or talking. All I did for the whole trip was play Minecraft.

Digby Cleland

The Midland train operators showed the students the emergency buttons on the platform and on the train and they were allowed to press the button once to contact the security office. On the return journey we were shown where the camera footage was sent to. Students were given passes to go in and out of the turnstiles. It was enjoyed by all.

While waiting to get into the Museum, the students went to the Anzac Steps.

We went to see the Anzac Steps. All of the steps had information about the war written on them. There was also a big screen that you could watch a movie on. The movie had a lady dancing and some people like Kayla and Ebony wanted to watch the movie on the big screen.

Caitlyn and Louise

We then went to the exhibit, had lunch and caught the train home.

We went to the Egyptology Exhibition. In our group were Mrs Grossmith, Kaitlyn, Liam L, Lizzie, Toby, Will, Elsie, Stella, Billie and Isabelle. We saw 4 amulets, the more amulets you were buried with, the more chance you had of going to the afterlife. We also saw some scales. They were used for weighing your heart against an ostrich feather. If your heart was equal to or lighter than the ostrich feather you would go to the afterlife. If not you were eaten by 'The Devourer'.

At the back of the Museum we saw 6 necklaces that were mostly made of gold with beads of gold and stone.

Did you know that the Egyptians had model slaves made of clay in their tombs? They believed that they would come alive in the afterlife.

Lizzie, Kaitlyn and Elsie

We went to the 'Dinosaur and Diamonds' part of the Museum. We first saw a room full of crystals, jewels and diamonds. Some of the crystals could glow in the dark. In the diamond room it was very, very dark and all the diamonds, crystals and jewels were colourful. Then we went to the dinosaur room. The first thing we saw was a huge skeleton of a T-Rex.

Will, Lenny and Liam L

On the trip home we stopped for ice-cream at Stirk Park.

On the way home from our excursion we went to a park to celebrate Olivia's birthday. At the park we saw some cute and dirty ducks. We also played on the swings, the see saw and the roundabout. Olivia was so nice she brought cupcakes and Mrs Kilpatrick went and got some ice-creams. We had so much fun.

Billie, Jiselle and Georgia

*My favourite part of the excursion was when we went to the park and I got to ride on the horses that spun round and round.***Isabelle**

There was a spinning wheel off the ground that was so much fun. All the grown ups had a go. They loved it. **Kasey**

*All the boys went on the roundabout lots and lots. When they were eating ice-cream Mrs Thomas told them to stop. Everyone had ice-cream; there were so many flavours to choose from.***Kayla**

A great day was had by all, big, small, old and young. We all returned to school tired and happy.

Winter Carnival

On Thursday the 27th of June, the year five, six and seven students travelled to Pingelly to participate in the Winter Carnival against Brookton, Pingelly and York. There were three different sports to compete in; netball, football and hockey.

We had two netball teams, Team 1 and Team 2. I was in Team 1 and my team played four games. Team 2 only played three. We won two of our games and it was heaps of fun. Sadly Team 2 lost all of their games, but I doubt it was boring.

All the games were only for 24 minutes with 12 minute halves, we only played two quarters in each game. Some of the people from Brookton play netball with us on Saturdays, so we all knew each other. We got to watch each others team and cheer them on.

In the end Team 1 came third and I think Team 2 came fourth. York won the shield on the day. Thanks Mrs Shaw for coaching!!

Stella

We played in the football team. The first game we played was against Brookton. We flogged the Brookton All-Stars. The score was, coincidentally enough, approximately 100 NIL! We lost the other two games against York and Pingelly. Pingelly was a very strong team and we only scored 1 goal and 1 point. Overall, Brookton came fourth, we came third, York came second and Pingelly came first. **Dean and Liam G**

The first game of hockey we played we won. We played against York 2. It was fun but also nerve racking. We got three goals and York got two. The second game we played against Pingelly and we did not win. The score was six to two. The third game we played we won again. We played Brookton. It was a great day and I think Beverley played really well. Thanks Miss Meade for training us. **Ebony**

Etax, Online Tax Lodgement

Do you have to lodge a tax return?

This year the Australian Tax Office has introduced an ATO app which allows lodgements through your mobile phone or tablet.

If you do not have these devices we have downloaded Etax on all of our public access computers for easy lodgement. We can also offer more private areas in the centre, if required. Please note we are not Tax Agents therefore we are not able to lodge your tax return on your behalf.

Mad Men's Muster

Wednesday 09 October 2013

Calling all fellas, it's time to leave the misses at home and join your mates for a mad day out in Beverley. We've got a great day planned with demonstrations, entertainment and truck loads of food. Bookings essential for catering.

NO CHARGE AND NO CHICKS!

Wild Women of the West 2013

Live, Laugh, Learn

Ladies, diaries out the annual women's seminar is Monday 04 November 2013. Preparation for the day is truly underway and the theme for this year is Live, Laugh, Learn. We are seeking stall holders for the day, do you or someone you know sell unique quality products to an audience of approx. 200 women, then contact the CRC on 9646 1600 for more details or a stall holder registration form. Spaces are limited so get in quick.

World Suicide Prevention Day

Tuesday 10 September

Have you or a loved one been affected by suicide? Rural communities often experience this without any early warning signs being recognised. This year to raise awareness, the CRC has created an inspiration tree. We are asking you to write your words/thoughts that may have gotten you through a tough time. Look out at the Beverley Bakery who will be supporting this initiative by placing stickers on their products to further raise awareness in the community.

A Routine Annual Service Check with the DR!

There is a strong correlation between male attitudes to machines and male wellbeing. If we do not service machines regularly it eventually catches up and the mechanical and performance problems are compounded. Why do we think it is any different for us as Men?

If we neglect our health in any area (physical, mental or social/spiritual) it will catch up with us in the same way as neglected machine servicing.

There are a lot of similarities between vehicles and machines, and the way a human functions.

With our vehicles and machines we know that clean fuel and regular servicing will prolong the service life of the machine. It is also true that regular attention to our wellbeing will prolong life.

Routine vehicle services have a checklist. When you visit your GP take your list with you for your annual check. You need to be sure to ask the right questions and check off each item.

Some suggested items are:

- Blood Pressure
- Heart Check
- Skin Check
- Weight
- Sight & hearing test
- Aches pains & lumps
- Sleeping Problems
- Erectile dysfunction
- Prostate Check (over 45)
- Testes (lumps)

Your GP may suggest further checks.

- ☒ Blood test for cholesterol and PSA (prostate)
- ☒ Diabetes test
- ☒ Stress test
- ☒ X-Rays
- ☒ Further hearing tests
- ☒ Further sight tests
- ☒ Bowel Cancer (50+)

Remember it is your health! Not your doctors, your wife's or your partners.

Be prepared to ask questions, right down answers (if possible). If you don't understand, ask your doctor to explain.

At RMHI it is field day and show season and we put approximately 2000 blokes across the pits with our Fast Track Pit Stop Program. So think about making a service visit to the doctor when you are not busy and while you are healthy!

When booking an appointment, ask for a longer appointment time.

Visiting your doctor may identify some of the things we are neglecting; often minor adjustments can have a major impact on aspects of your health, work and relationships with your partner, children and others.

Cheers

Round 14 v York Vipers

26th July

A storm cracker of a Friday night game, the weather was on our side when 15 minutes before we went out to play the rain stopped and let us take on the York Vipers under lights. Unfortunately we weren't as lucky with the score, a few opportunities at goal but not quite sneaking in, and York getting two goals. We wish Fi Bowden the very best for a super speedy recovering from a hamstring injury at training last week!

Coaches Award - sponsored by Beverley Electrical – Chantelle Meade

Captains Award - sponsored by Trevor & Mandy McLean – Fleta Redding

Round 15 v Aces White

3rd August

It was hot, actually it was really hot and unfortunately a few of us got hot under the collar. We ran hard but unfortunately the other team ran a little harder. The heat, a silly goal given to the opposition by our right half back (I can say that as I write the Blarney notes, no dig at anyone but myself, dolt!) and a few umpire decisions got to us which made us lose our focus. Score 2-1. However after a drilling from the coach (you need that sometimes) we will start fresh and come out strong at the next game.

Coaches Award - sponsored by Beverley Electrical – Carly Veitch

Captains Award - sponsored by Trevor & Mandy McLean – Mary Brogan

Round 16 v York Vipers

9th August

Another game down, we stuck to our players like glue and kept the score nil all. We had a couple of opportunities to score but it just didn't go in. We wish Kathryn McLean a speedy recovery after a hard knock to the leg.

Coaches Award - sponsored by Beverley Electrical – Emily Miller

Captains Award - sponsored by Trevor & Mandy McLean – Marika Winmar

Round 17 v York Jets

17th August

Sponsors day – I guess we could call this our first ever twilight game. Thank you to the sponsors & supporters who came along, your support is much appreciated by our club. There were a few collisions during the game, Kathryn McLean had her eye on the ball & didn't even see the opposition player and both went down hard. Our Goalie also had a good clash with another player, we certainly wanted that ball!! Unfortunately we didn't come away with a win and the score did not reflect how we played. Score 3-0

At Secrets We are pleased to announce the arrival of the first of our

Spring Fashion range. Regular deliveries will ensure a continuing flow into summer. The colours are bright & pretty. Be quick because we can't repeat this range so the early shoppers will be the best dressed!!!

We still have our winter warmers available as there is still a chill in the air. Our possum range has been a big hit. It is such a beautiful product to wear. So light but so warm. Our wool, cotton, silk, cashmere blend jumpers & jackets are so lightweight & beautiful & the colour range is lovely.

We still have some fashion knits in gorgeous colours also.

New stocks of Pastel Pines fresh fragrance for the home are in.

Watch out for new styles of Didgeridooona arriving soon. Excellent Christmas ideas in the new collection. Just the thing for hard to buy for family. The men will love the use of wool in this "Blokey" range. The girls will love the practical & useful items these smart rural people from Queensland have created. Insulated with wool & made from pure cotton japara treated with oils & waxes to make them water resistant, these products have a long life & are very functional in our Aussie climate.

Just ask and our friendly staff who will be pleased to assist.

With your continued support we are able to support our community groups.

So let's all work together for the benefit of our own town.

Call in to 100 Vincent St, or phone 9646 1122.

Denise from Feet with Flair, will be with us on Monday 9th September at 11am

so it's SHOES SHOES SHOES again.

She will have her gorgeous Spring /Summer range of footwear on display. She specializes in hard to fit feet & has shoes to accommodate orthotics as well as her fun shoes & sandals.

All welcome to view her range and join us for a "cuppa".

BEVERLEY SUB CENTRE

DID YOU KNOW?

For the year ending June 30, 2013:

- ⇒ your local ambulance service travelled a total of 17,477kms.
- ⇒ attended 162 call-outs and community events.

Please support your local ambulance service. Our dedicated volunteers are doing an amazing job, for you!

But we need more volunteers to keep this sub centre running well and it's a great way to get involved in your community.

To find out more you can visit www.stjohnchangelives.com.au or call 1800 069 393 to learn what's involved in becoming a volunteer.

Remember, a community is only as strong as its people.

BEVERLEY NETBALL CLUB

Thank you to everyone that visited the show bags stand at the show it is great to see the community spirit come together. If you have been watching you might have seen a couple of cars with sports surfaces written on the side which may mean that the surfaces may be done in the near future.

Well the season has just about finished with the Grand Final on the 7th September here in Beverley and unfortunately the 2 Beverley teams didn't make the top four but Brookton did manage to get a team in there and they will battle Pingelly for a Grand Final spot.

The Semi-finals were contested on Friday 23rd August at Beverley
7:00pm: Pingelly Green Machines V Pingelly Blue Lagoons
8:30pm: Brookton Glory V Pingelly Pink.

Preliminary final on Saturday 1st September
(venue unknown at time of print)
Winner of (Brookton Glory V Pingelly Pink)
Versus Loser of (Pingelly Green Machines V Pingelly Blue Lagoons)

Grand Final in Beverley 7th September
Winner of (Pingelly Green Machines V Pingelly Blue Lagoons)
Versus winner of Preliminary final

The season will be over when the Beverley Netball Club has their AGM and windup on Saturday 14th September. Keep an eye out for the October Blarney which will have the results of the Grand Final, the award winners and maybe a photo or 2 of the teams in their dress up themes.

Beverley Men's Golf

The weekend of 27th July 2013 saw the club hold their Open Day the “**Springdell Cup**” which was jointly sponsored by **Wayde and Kathryn McLean** and **Heng EE**.

Wayde and Kathryn McLean was sponsoring the 4 Ball Best Ball Stableford competition which was held on Saturday 27th July with 28 playing.

The Nett Winners for the day were Sean Osgood and Vance Blechynden from Brookton with a very good score of 45 points and the Runners Up were Jason Young and Bruce Kilpatrick with 44 points.

The Gross Winners were Murray Atkinson and Geoff Ward from Serpentine with 35 gross points and the Runners-Up were Greg Barrett-Lennard and Mark Edwards with 34 gross points.

The club sincerely thank **Wayde and Kathryn** for their generosity in sponsoring this event.

Sunday 28th July was the “**Springdell Cup**” a 27 hole event. Play commenced in lovely conditions at 8am with 58 players in the field.

At the end of the day there were some tremendous scores and not so good, but in the end all who played had a great day.

The Winner of the **2013 “Springdell Cup”** was Beverley's Ron (The Gnome) Bickley with 65 points. Second place was awarded to Kevin Pollock of Serpentine, Third place was Darrell Hagan and Fourth place was last years winner in Les Annison with 57 points.

In the Gross Phil Bateman from York won the **Barry Winfield Memorial Trophy** for the best gross score with 46 points. Murray Atkinson from Serpentine took out Second Place and Third place was won by Clint West from Pickering Brook.

An 18 hole event was also held on the day to assist those players who wished to play 18 holes instead of the 27 hole. This was won by Fred Sing with 33 points from Gerry Brown of Pickering Brook who had 30 points.

Mel Vivian had a great day also by taking out the Super Vet prize.

Once again the club would like to thank **Heng EE** for supporting this day.

In the DRGA Teams event Serpentine won the day from Beverley (2nd) with Mundaring (3rd), Pickering Brook (4th) and Waroona (5th).

Saturday 3rd August 2013 saw 11 players take part for the **Beverley Gas and Plumbing Trophy**. This was a Stroke event and the Monthly Mug award.

Bruce Kilpatrick combated the conditions well to be the only player to play under par golf to win the day with a nett score of 71 from Terry Winfield with a 74 nett.

Terry Winfield also played well shooting 81 to card the best Gross score.

Once again a big thankyou to **Valery and Gerry of Beverley Gas and Plumbing** for sponsoring the day.

On Saturday 10th August the final of the Club Championships were held. Mark Armstrong and Ben Moulton played for the 2013 Club Champion award and this match was decided after 34 holes of the scheduled 36, which saw Ben Moulton, defeat Mark Armstrong. Bruce Kilpatrick played Chris Pepper for the 1st Division title. These two played very well and their game was also decided on the 34th hole, with the winner being Chris Pepper.

Congratulations are extended to both Ben and Chris on their wins and also Mark and Bruce in making the final.

In conjunction with the Club Championships a small field of 9 players battle for the **Les Annison Trophy**. This was a Stableford event which saw Les win his own day with 37 points. Les advised that he did not wish to win his own day and awarded his trophy to Wayde McLean who had 35 points one more than John Donovan with 34 points.

Big thanks go to **Les Annison** for providing a trophy for the day.

Good conditions greeted 9 players on Saturday 17th August to play for the **David Adams Trophy**.

This was a Par event which saw no players having a plus score at the end of the day. The winner of the David Adams Trophy was John Islip with a score of 0 with Terry Winfield in second place with minus 2 and Chris Pepper was third with minus 3.

This was a Par event which saw no players having a plus score at the end of the day. The winner of the **David Adams Trophy** was John Islip with a score of 0 with Terry Winfield in second place with minus 2 and Chris Pepper was third with minus 3.

Once again our thanks are extended to the **David Adams** for supporting this event.

Sunday 25th August saw 11 players play a Stroke competition for the **Mark Edwards Trophy**.

This week saw some magnificent scores with three players having nett score in the 60's. At the end of the day Mark Armstrong had a great round to record a nett 65 to win the day by one point from Graeme Lewis with 66 nett and in third place was Les Annison with a nett 69.

Mark Armstrong also had the best gross score with 77.

Thanks to **Mark Edwards** for sponsoring the day.

Dinner at the Beverley Golf Club.

It's been a hectic last month at the Beverley Football Club, we've had budding celebrities putting on a show at our Players' Revue, we've had football celebrities appearing for a worthy cause, we've had reminiscing at our Reunion day and we've completed the home and away season as the League Minor Premiers!! Our attention now shifts to the finals and our tilt at back to back premierships. Our Reserves team finished on 6 wins for the year and just percentage outside the top four. The future looks bright for this team with many promising young players making up the group. The Netball and Hockey girls are both through to the semis, and we wish all those competing in the finals all the best of luck!!

BEVERLEY HORSE AND PONY CLUB

We were very excited with our Prince Philip Mounted Games riders in their composite team with York. Our three young riders, Tealah, Kip & Katie had lots of fun on the day. They all had worked very hard on learning the rules and practicing the races and it showed on the day.

After 13 races we were very excited to find out that they were going through to the Semi Finals at Muresk on the 7th September.

We had 3 riders take the opportunity to attend the York camp. I hear that they had lots of fun with sessions including a personal trainer giving tips on warming the riders up before they ride their horse.

2 riders attended the Avon Valley Pony Club Gymkhana recently. Amy at her first ever event had lots of fun and managed to make the jump off for the 35cm & 45cm AM7 eventually placing 2nd in both classes. Vicky was happy with Darcy who after an exciting warm up placed 3rd in their event.

Riders were busy at the rally practicing their hack ring etiquette, showjumping skills and preparing and presenting their horse for a show with Felicity & Marika. In the afternoon we had 2 parents with many years of experience take a session on showing your horse in hand. Riders then went and had some fun playing show games while Jenifer worked the PPMG team on their skills.

At the time of writing this we have lots of riders who are planning on attending the equestrian events at the Beverley Show. Good luck to them all and I hope that they all had lots of fun at the show.

On the 14th September the Pony Club will be holding a cake stall down the main street next to IGA. Come and see us for some yummy cakes and other goodies.

Our next rally is on the 15th September. Please contact our Club Coach Coordinator Renee on renee.philip@bigpond.com to advise if you will be attending the rally or not so that she can arrange the coaches before the rally.

Our Breed Show has lots of fantastic sponsors who have come on board to support our event. Thanks to **Beverley Bakery, Beverley Steel Fabrication, Kokeby Concrete, Beverley Hotel, Gavin Transport, Heartlands Vet Hospital, Farm Direct Stockfeeds, Roc N Horse Stud, Horseland, Saddles Plus, Paperbark Connemara's & Erigolia Welsh Ponies** for sponsoring our event, Entry forms are available on www.cavalletti.com.au and we would love to see you there.

Good luck to Tealah and Bronte for the Novelties Championships on the 7th and 8th September at Muresk and also to Katie & Kip who with Tealah will be riding in the PPMG Semi Finals on the Saturday.
