OUR PRACTICE

The Beverley Medical Practice is a privately owned, Shire assisted Practice.

Our staff are experienced and highly qualified in their chosen fields of expertise.

We are committed to promoting, health, wellbeing and disease prevention to all patients; we do not discriminate in the provision of excellent care and aim to treat all patients with dignity and respect. The Philosophy of this Practice is to provide comprehensive and thoughtful medical care to all our patients. We work hard to keep up to date with the latest medical innovations and bring you efficient personal service.

It is the policy of this practice to maintain privacy and security of personal health information at all times. This practice will not disclose your personal health information to third parties unless we have your consent or you are at risk of harm without treatment and you are unable to provide consent.

As our practice is committed to preventative care your doctor will seek your permission to be included on our recall system. We may issue you with a recall notice from time to time offering you health services appropriate to your care. **If you do not wish to be part of this system please let your doctor or the receptionist know**

Care outside normal opening hours

When the Beverley Medical Practice is closed you can always get medical attention by calling the **Afterhours GP on 1800 025523** or by attending the **Beverley District Hospital, located in Sewell Street Beverley** where experienced staff will triage the patient and contact the on call Doctor.

For all emergencies call 000.
