President's Report 24/1/2011

Community Grants

The Shire has applied for \$20,000 from the Rural Business Development Corporations' Dry Season Assistance Scheme to be used for the purpose of fostering community spirit and providing community benefit. Council has resolved to invite interested community groups to submit an application for some of this funding to support an idea they may wish to progress on behalf of the community. Please see details and submission requirements on page 13 of this issue.

Roads Inspection

A road inspection will be undertaken by Councillors and staff in the second week of February. If there is something you would like them to look at please let the office know by Monday 7th February.

Recreation Facilities Planning

On Thursday 10th February at 5.00pm Mark Casserly from CCS Strategic Management will make a presentation to Councillors and community group representatives regarding the feasibility report he has prepared in relation to recreation facilities at the Beverley Oval. Meeting venue: Amenities Building.

Forward Capital Works Plan

Local Governments are required to develop a 5 year Forward Capital Works Plan and funding has been provided by the Department of Regional Development and Lands for this to occur. The plan addresses infrastructure assets only and is a program of capital projects anticipated to be undertaken by the Council, whether it be through renewal, expansion, upgrade or new assets. It is to be reviewed annually, linking into the budget and 4 year financial plan and also provides useful information in relation to funding sources and funding gaps of proposed works. Councillors were involved in a workshop during January to help finalise the Beverley document.

Beverley Gym

Have you been thinking about joining? There are currently 42 members, and the maintenance, cleaning and replacement costs involved in providing this facility are easier justified with the more members there are. Information and application forms are available on the Shire website (beverley.wa.gov.au) or from the Shire Office.

Rate Payers Survey

A response rate of just over 5% to the 2010 survey sent out with rate notices was received, fractionally higher than the previous year. Whilst the survey response might not seem

high, it still provides an indication of thoughts, trends and ideas from members of our community and Councillors and staff appreciate this feedback.

A collation of the responses will be available at the Electors meeting.

Annual Electors Meeting – 7.00pm Tuesday 8th February 2011

Councillors and staff look forward to your participation in the upcoming Annual Electors meeting. Every effort will be made to answer questions raised on the night. To ensure they are adequately responded to, particularly in relation to the 2009/2010 Annual Report, they can be submitted in writing beforehand to the CEO.

Dee Ridgway
Shire President

Shire of Beverley Annual General Meeting of Electors

Notice is hereby given that the Annual General Meeting of Electors for the 2009/2010 financial year will be held in the Town Hall, 138 Vincent Street, Beverley on **TUESDAY, 8th FEBRUARY 2011**, commencing at **7:00pm**.

Order of Business

1. Adoption of the 2009/2010 Annual Report
2. General Business

Copies of the 2009/2010 Annual Report are available from the Shire Administration Office, located at 136 Vincent Street Beverley, during normal office hours.

To enable staff time to adequately research answers to questions, it would be appreciated if such enquires could be lodged at the Shire Office at least seventy-two (72) hours prior to the scheduled commencement of the meeting.

HAVE YOUR SAY ON THE FUTURE OF BEVERLEY

The Shire of Beverley will shortly commence the process of writing the documents that will guide the development of the Shire for the next 10 years. To guide the content of the documents, it is critical that the Shire obtains direction from the people that live here, by seeking community views and comments.

The proposed Local Planning Strategy (LPS) will be a broad land use strategy that will ensure that there is coordinated development of the area and it will outline where development/subdivision is supported and not supported. The Corporate Strategic Plan (CSP) will guide the social and economic development of Beverley.

While the LPS focuses on land use considerations (e.g. development, subdivision, zoning and infrastructure coordination), the CSP is concerned with business and job creation opportunities as well as lifestyle outcomes. Both documents consider wide ranging economic, resource management, environmental and social issues at a strategic level.

These strategic plans will have a direct impact on all members of the community. Therefore it is important the community has input into how they are written. **These are your strategic plans.** The plans will influence how you will live in Beverley and the opportunities that are afforded. **This is your opportunity to influence the development of Beverley.** Although there will be further more extensive opportunities to comment prior to the strategic plans being finalised, once finalised the plans will directly influence Beverley's development for years to come.

If you have concerns about the rules and regulations that govern development in Beverley, if you do not like aspects of the way Beverley has developed, if you want to influence the future of the Shire, come and have your say at the community consultation day on **24th February 2011** at the **Beverley Town Hall**. The Shire needs your direction.

If you do not provide it, someone else will.

The format for the day is:

Light refreshments will be provided

12.30 to 5.30 pm

Drop-in session (one-on-one chats depending on numbers.)

6.30pm to 8.30pm / 9.00 pm

INFORMATION DAY & PRELIMINARY COMMUNITY INPUT

The Shire of Beverley invites members of the public that are interested in the future of Beverley to attend the preliminary community consultation for:

LOCAL PLANNING STRATEGY

&

CORPORATE STRATEGIC PLAN

Preliminary community consultation is to occur on **24 February 2011** at the **Beverley Town Hall** as follows:

12:30 – 5:30 pm Drop-in session (one-on-one chats depending on numbers).

6:30 – 8:30/9:00 pm Presentation/meeting and community workshop by Shire, consultant team and key agencies.

Light refreshments provided.

There will be an extended community comment period on the documents later in 2011.

For further information please view the Shire website at www.beverley.wa.gov.au or contact the Shire Planner, Peter Wright, on 9646 1200 or planner@beverley.wa.gov.au.

THE BLUE LINE

Beverley Police Station - Western Australia Police

Beverley Police

Phone: 08 9646 1000

Fax: 08 9646 1447

Beverley.Police.Station@police.wa.gov.au

Hello Beverley,

The month of January has been an interesting one for the start of the year, but all in all from a policing perspective not too bad ;-). Now it is the start of February and the kids go back to school *(parents cheer)* and those lucky enough to have extended holidays will now get back on the band wagon and head back to work.

Whilst the wheels get back in motion, please remember that the school zones are 40km/per hour in and around all schooling facilities. The school zones will be monitored so ensure that you are all doing the right thing.

Whilst on that note, as well as monitoring school zones, local police are targeting SEATBELTS. There are still too many children either not in a seatbelt at all or not correctly restrained in a child seat. If your child is in a seat, GREAT, however if they do not have the belt fastened correctly you are still liable for a hefty fine. It is soooo important to ensure the safety of your children whilst in any vehicle (they are precious). If your child is 7 years of age or under, they are not legally permitted to sit in the front seat and must be in a child restraint. For more information on child restraints, please feel free to come into the police station and grab an information sheet from the front counter. I have noticed that it is not just children who forget to wear seatbelts; there are a couple of re-offending adults in this town who continually drive without a seatbelt, YOU WILL BE FINED! Moral of the story, put it on, it will save your life.

Four Wheel motor bikes (unregistered): There have been a number of complaints with regards to a small handful of quad bikes getting around on Railway Street, Forrest Street, and Bartram Street. Unregistered vehicles are not permitted to be on the road under any

circumstances. The road on Railway Street is partially gravelled; it is still a road and therefore if you are caught riding you will be summonsed to appear in court. I understand that there are a couple of you that are not necessarily behaving recklessly, however it is disturbing others and so therefore it is an issue that police will now act upon. Quad bikes can be ridden on private property, unfortunately that's about it too.

FACEBOOK: Ahhhhhhh, our worst nightmare; Our young people of Beverley have become more and more reckless about the information, rumours, bullying and innuendo that is being posted on the internet, in particular Facebook. Parents it is vital that internet use is properly supervised. Get techy and learn how to navigate Facebook *(its actually pretty user friendly)*. Your children are using these internet sites via their mobile phones (or each other's) and often during school. We as a community need to work together and tighten the reins on this issue, its getting out of hand. The seriousness of some of the content on this website, put there by our own local young people can land them in jail (I AM NOT JOKING!). Please have a family meeting and talk about facebook and other social networking sites that your kids may be using.

Now: the Beverley Police with the tremendous support of the Shire of Beverley, have set up a FREE Charity Concert to be held on the town oval on the 26 FEB 2011, 5.30pm - 10.30pm. The event is called 'FROM ONE EXTREME TO THE OTHER' (Drought to Flood). This concert is designed to build community resilience in the aftermath of our driest season on record. Our drought declared region has seen many a farmer scratching their heads and wondering if it's worth carrying on. As a community we would like to recognise the hard work that farmers do on a daily

basis, and give them a night out free of worry surrounded by the support of our local community.

THREE BANDS WILL BE PLAYING ON THE NIGHT, THERE WILL BE FACE PAINTING, BALLOONS AND A BOUNCY CASTLE FOR THE KIDS. IT IS AN **ALCOHOL FREE EVENT**, BRING YOUR FAMILY AND A PICNIC AND ENJOY THE NIGHT.

Donations will be graciously received for our Carnarvon neighbours, who are still trying to recover from the devastating floods. All donations received will go to the 'Lord Mayors Disaster Relief Fund.' This fund is specifically designed to assist the flood victims of our North West region of Western Australia, namely Carnarvon and surrounding communities.

Keep an eye out for the posters around town.

LEASING OF CROPPING COMMITTEE LAND 2 YEARS

Submissions are invited for the leasing of the Cropping Committee reserves on an individual basis. The leases are offered for either grazing or cropping. The period of the leases offered will be for a **two year period**.

The following land is available for leasing;

- Portion Reserve 5265 Lot A (Old Commonage) 260 ha.
- Portion Reserve 5265 Lot B (Sand Pit) 101 ha
- Portion Reserve 5265 Lot C (Between Great Southern Highway & Railway Reserve) 54ha
- Portion Reserve 5265 Lot D (Off Bremner Road) 60ha
- Reserve 25266 (Bethany Farm) 106ha
- Reserve 2633 (Old Aerodrome Opposite CBH) approximately 31ha
- Reserve 3788 (Old Racecourse) 43ha
- Lot 78 Waterhatch Road 14ha

The following is to be noted in relation to the leases

- ❖ That the Perth Tractor Pull Association uses a small section of the Reserve 3788 - Old Racecourse several times a year.
- ❖ That there is a section of Reserve 2633 that is not for lease, being the area that is occupied by Onsite Repairs (approx 2ha).

Submissions must be put in writing quoting the reserve required, period of lease and the amount of the lease.

The leases will commence on 1st April 2011. A draft agreement is also available upon request.

The submissions are to be addressed to Mr. Keith Byers, Chief Executive Officer, Shire of Beverley, PO Box 20 Beverley WA 6304.

Submissions close **Friday 11th March 2011 at 4.00 pm.**

Platform Theatre Coming Events

Pete Rowsthorn Live: Friday 18th February - promises to be 2 hours of laughter with this renowned comedian. For details, see flyers around town and on the cover of the Blarney!

Gala Opening: Saturday 19th March - finally a date has been set for the official opening of the Platform Theatre. Such celebration! Along with the official opening ceremony, we promise you glamour, elegance and excitement from the Metro Big Band. It will make you feel like dancing! Find details elsewhere in the Blarney, with flyers around town soon to follow.

Station Festivities: Saturday 23rd April - yet to be finalised, but we're planning for a terrific fun day for the kids on Easter Saturday. We'll keep you posted.

Easter Art Exhibition

Anyone wishing to enter works of art into the 43rd Annual art Exhibition can pick up entry forms at either the Shire offices, Station Gallery or the Newsagents. There are many sections of 2D media that can be entered into, including sections for children so get those pencils and paintbrushes out kids!

Memorial to Ann Rayner

Our dear colleague and friend Ann Rayner who contributed enormously to the building of the outdoor cultural venue is to be remembered by the placement of a garden seat at the Platform Theatre. At the rear of the grassed seating area near the Guard's Kitchen, is a small corner garden we have dedicated to Ann and alongside of which will be a beautifully hand crafted jarrah bench seat where one can sit and contemplate. We have almost received donations enough to purchase the seat from the generosity of her many friends and family, but if you too would like to make a donation towards the making of this seat, please contact myself (details below) or Amanda McLean (9646 1381). The seat will be unveiled at the official opening on Saturday March 19th, 2011.

THANK YOU

Betty, Bev, Bob and family would like to sincerely thank the wonderful people of Beverley for their many cards, phone calls and loving support in the sad loss of our beloved husband, father and grandfather Clarrie.

Special thank you to Dr Emmanuel and caring staff of the Beverley Hospital, also the kindness of the volunteer St John Ambulance team.

Once again, heartfelt thanks to all.

Beverley Men's Shed Incorporated

Members of the Beverley Men's Shed had a recent social trip to Brookton where they had a barbecue and smorgasbord lunch. This had been prepared by the Brookton Men's Shed.

The invitation by the Brookton Men's Shed was also extended to other surrounding Men's Sheds. One of these to attend was the Pingelly Men's Shed.

Short speeches by the Presidents of Brookton, Beverley and Pingelly sheds also took place. Thanks was given by all to Brookton - a good social time was had by all members.

Also present at the luncheon was a gentleman from California who was over here on holidays, staying at a farm out of Brookton; a most interesting person to converse with.

Beverley Men's Shed meets every Tuesday at 9.00 am. New members are welcome.

A Saga of Life and Love By C.A. Hobbs

*How lucky to be born
And gaze up in early morn
To see skies up above so blue.*

*Where birds may go winging
through,
And cling to tops of trees with trunks
so tall
Whose leaves and blossoms gently
fall
Like confetti to ground below
Where grasses green doth verdantly
grow
Down to banks of streams where
waters gently flow.*

*I sit and softly sigh as I gaze around
Where nature's glory doth abound
Giving thoughts to those above
Who filled this place with their love
That shines like stars in the night
Giving this, all to our great delight.*

*So when the sun breaks through
We once more see those skies of
blue,
For you and me, to "eternity."*

From a letter addressed to Mr. Keith Byers, CEO, Shire of Beverley,

from Robyn McSweeney MLC, Minister for Child Protection; Community Services; Seniors and Volunteering; Women's Interests; Youth.

In 2009, the Barnett Government introduced the Seniors Safety and Security Rebate, which enables Seniors Card holders to claim a rebate of up to \$200 per household towards buying and installing eligible home security devices. Seniors have embraced the scheme and are appreciative of the financial assistance available to them to improve home security.

Since the program's introduction, seniors have requested that the rebate be extended to include items that prevent electrical faults and provide warning of a fire. In response to these concerns, and in light of the evidence of fatalities due to fire and electrical faults, I am pleased to advise that the Seniors Safety and Security Rebate has been extended to cover eligible electrical and fire safety items. This now means a Seniors Card holder can claim up to \$200 on the purchase and/or installation of residual current devices, mains wired smoke alarms, fire extinguishers and blankets.

This is in addition to the \$200 available for the purchase and/or installation of home security products. Seniors Card holders who have already accessed the \$200 home security rebate may also apply for the electrical and fire safety rebate.

Both components of the Safety and Security Scheme will end on 30 June 2012, and Seniors Card holders must lodge an application prior to the 31st March 2012.

Claim forms are available at all Australia Post outlets and can be downloaded from the Department for Communities website at www.seniorcard.wa.gov.au

As Minister for Seniors, I will continue to encourage initiatives that assist Seniors to feel safe and secure in their own homes, while maintaining their independence.

Safety and Security Rebate

As a WA Seniors Card holder, you can claim a rebate of up to \$200 per household towards buying and/or installing eligible home security devices whether you own or rent your home. A further \$200 per household is available for the purchase and installation of electrical and fire safety items.

Eligible products

Category – Home Security Items – Up to \$200	Category – Electrical & Fire Safety Items – Up to \$200
• Door Screen	• Residual Current Device
• Alarm	• Mains Powered Smoke Alarm
• Window Screen	• Fire Extinguisher
• Deadlock	• Fire Blanket
• Sensor Light	

The scheme ends on 30 June 2012 with final applications to be received no later than 31 March 2012 (Any items bought and installed before 1 July 2009 are not eligible for the rebate).

Installation must be carried out by the owner or employee of a registered business (with an Australian Business Number) operating in the installation of home security products (for items purchased under the category of Home Security)

For each category, claims are limited to \$200, one per Seniors Card Holder, one per household.

2. Where can I get a claim form?

- [Download a Seniors Safety and Security Rebate claim form](#)
- pick up a claim form from any Australia Post outlet,
- call the Seniors Card Hotline Monday to Friday from 9.00am to 3.00pm on 6217 8855 (metro) or 1800 671 233 (country callers only) or
- call in to the WA Seniors Card Centre at Level 1, Albert Facey House, 469 Wellington Street, Perth.

Introducing eheadspace

Did you know that one in four young people are affected by mental illness?

The Australian Government, in partnership with the Western Australian Government is piloting a series of new drought reform measures (www.daff.gov.au/droughtpilot). The strategies include; farming assistance grants, community building projects and social support services. **eheadspace** is one of the social support services. The pilot region takes in some of the most remote communities in WA, as well as several regional centres. 67 local government areas are included with an estimated 35,000 young people who may face mental health difficulties.

eheadspace is part of headspace – the National Youth Mental Health Foundation. **eheadspace** is an online service which is staffed by experienced youth mental health professionals. The service is confidential, free and there are no restrictions on the number of times people can access **eheadspace**. The chat feature of **eheadspace** allows people to chat with a qualified youth mental health professional one-on-one in real time, alternatively – people can email at any time with a response taking no more than two days.

The project is targeted towards people aged between 12 to 25 years and living within the Government's Drought Pilot Region in Western Australia.

Members of the community are encouraged to visit www.eheadspace.org.au if they are experiencing a difficult time and invited to join **headspace** on Facebook and Twitter.

Going through a tough time?
eheadspace can help.

eheadspace provides online support and counselling 7 days a week from 1pm-9pm to young people aged 12 to 25 as part of the *Pilot of Drought Reform Measures* in Western Australia.

Historical Society Calls for New Members

The Beverley Historical Society is seeking new members. There is a core of dedicated people who keep the Society and the Dead Finish Museum going, but as the years pass we need more interested people to take an active interest in our local history. New members will ensure the Society continues its excellent work in collecting, preserving and informing others of the history of our local community.

Membership is only \$10 per year and we meet once a month for about 1 hour. We open the Dead Finish Museum every Sunday from March to November as well as other times on request. We take at least one field trip every year and present displays and guest speakers on occasion.

The objects of the Society are:

1. To encourage the study and writing of Beverley and district history.
2. To collect, classify and preserve records relating to the history of Beverley and district.
3. To interchange information among members of the Society and to inform the public by lectures, readings, discussions and exhibitions of historical material, to provide premises for these purposes and to make charges, if deemed necessary, for admission to such functions.
4. To stimulate public interest in and support for the preservation of historical relics, including buildings and sites.
5. To promote the commemoration of notable anniversaries in Beverley and district history, to erect suitable signs and notices at places of historical interest.
6. To promote social gatherings of members, particularly tours of historical sites.
7. To cooperate with the National Trust and any other bodies having similar aims.

Our first meeting for 2011 will be on 14th March at 2.00pm at the Dead Finish Museum. We have invited Anne Fisher as our guest speaker to share with us some of the stories of The Dale. Afternoon tea will follow. Members of the public are welcome to join us.

Anyone interested in becoming a member can contact Morag Whitney on 9646 1541.

BUSHCARE GRANTS

Do you have a special patch of bush that needs looking after?

Wheatbelt NRM wants to help communities and land holders to protect their local natural areas.

We recognise the importance of supporting community organisations and individuals to manage and undertake on ground works which will protect remnant vegetation and the conservation of biodiversity values.

Grants are available up to the value of \$15,000 for works including fencing of remnant bush and revegetation.

Applications close 18 February 2011

For more information and the application form please contact Rebecca Palumbo or Nathan Heal on 9690 2250 or visit our website at www.wheatbeltnrm.org.au

Are you worried about GM Contamination?

You can protect your farm by declaring GM Free

Following the contamination of a farm in Kojonup by wind blown GM Canola you may wish to consider taking steps to protect your property against GM Contamination.

The Western Australian Government has stated that it is the Non GM farmer's responsibility to protect themselves, under common Law, from the risk of GM contamination from neighbouring properties and to protect themselves against the expense of any liability claims from GM seed supply companies, due to adventurous GM seed blowing or being carried onto their property.

In order to protect yourself, you must act soon – before the planting season for 2011.

Keep watch for weeds

The public has been reminded to keep watch for significant weeds which could germinate after recent rainfall.

The call from the Department of Agriculture and Food comes after the discovery of the declared weed Mexican Poppy in Bunbury.

Technical officer Brett Vukelic said six plants had been discovered on a construction site in the city during a routine inspection by the department.

"Mexican Poppy is a P2 declared weed in the South West, which means it must be destroyed," Mr Vukelic said.

"While it is established in the WA rangelands, it is rarely seen in the South West.

"The discovery is a good reminder for the public to remain alert and to check the department's website or to call its Pest and Disease Information Service to get any suspect weeds identified." The department is coordinating the removal of the plants and is investigating the source of the infestation.

The blue-green-grey plant grows to one metre in height, has extremely prickly leaves, pale yellow poppy-like flowers, hollow stems and a 'pepper shaker' seed capsule. The plant oozes yellow latex if cut.

Mexican Poppy is native to central America but is now found in Queensland, New South Wales and WA.

The weed is toxic to stock but few deaths occur as the plant is unpalatable and not readily eaten, however seed contamination could pose a risk to stock feed.

For more information visit the department's website www.agric.wa.gov.au and search for 'Mexican Poppy' or telephone the Pest and Disease Information Service on freecall 1800 084 881.

The public has been warned to keep watch for noxious weeds, like Mexican Poppy (pictured), found in Bunbury recently.

Foetal Alcohol Spectrum Disorder

Foetal Alcohol Spectrum Disorder (FASD) describes various effects that may occur in a foetus whose mother consumed alcohol during pregnancy, the most extreme form is Foetal Alcohol Syndrome (FAS). The effects of Foetal Alcohol Spectrum Disorder can last a lifetime and include physical, mental, behavioural and learning disabilities.

Alcohol is harmful to a foetus as it is a neurotoxin (poison) and a teratogen which is a substance proven to cause birth defects and permanent brain injury. Areas of

foetal development that may be interrupted include normal growth being inhibited, facial features developing abnormally and permanent brain damage occurring.

There is no known safe amount of alcohol that can be consumed during pregnancy. The National Health and Medical Research Council recommends that not drinking alcohol is the safest option for women who are pregnant or planning a pregnancy.

"It is important to support women who are pregnant or planning pregnancy to not consume alcohol. This may be achieved by providing non-alcoholic drinks at social occasions, selecting outings less focused on alcohol (a movie rather

than the pub) and encouraging their partners to abstain from alcohol prior to and during pregnancy", stated Danielle Williams, local Health Promotion Officer.

For support or more information regarding Foetal Alcohol Spectrum Disorder or other parenting issues phone the Parenting WA Line on 1800 654 432 24.

Where is the local Workforce Development Centre?

The Workforce Development Centre in the Wheatbelt area is located at 133 Fitzgerald St, Northam. The Centre provides free services to support and assist existing workers, parents, students, anyone looking for employment, re-entering the workforce or changing career.

Sometimes looking for a new work opportunity or deciding a new career can be challenging. The Workforce Development Centre has trained staff who can assist with career choices, training options and applying for work. The WDC has resources including up to date

information on local and regional jobs, apprenticeships and training with free access to computers for online research. Other professional resources available include resume writing programs and individual career guidance.

Career guidance is a simple process of assessing interests, abilities, strengths, skills and work preferences. Clients learn the skills needed to make well considered career decisions, to set goals and to plan action steps to achieve their goals.

The Workforce Development Centre also works with schools to facilitate student career decision making and develop employability skills to enter the workforce.

Although the head office is based in Northam, we cover all areas of the Wheatbelt. People in regional areas are able to access the Workforce Development Centre through a local call number 13 64 64 or officers can meet individuals or groups at local Community Resource Centres. For more information contact WDC via email at workforce@directionswa.com.au or by phone on 13 64 64 or 9622 0500.

In 2011 we are planning some workshops to be delivered from the Beverley Community Resource Centre on career management themes. Choose from the following topics: Getting ready to Jobsearch, Resumes, Interviews: How to Plan, Prepare and Perform, Using the Internet to Job Hunt. Contact the Community Resource Centre for more information on Workforce Development Centre Workshops and services.

CAREER DEVELOPMENT WORKSHOP
EXPRESSION OF INTEREST

The Centre is looking at hosting a **Career Development Workshop** in March. The workshop is there to provide free services to support and assist existing workers, parents, students, anyone looking for employment, re-entering the workforce or changing career.

The Workforce Development Centre has trained staff who can assist with career choices, training options and applying for work.

Career guidance is a simple process of assessing interests, abilities, strengths, skills and work preferences. Clients learn the skills needed to make well considered career decisions, to set goals and to plan action steps to achieve their goals.

If you are interested in this workshop please contact the centre on 9646 1600.

GOODBYE AND GOOD LUCK
JESS FLEAY

The staff, committee and volunteers have had the absolute pleasure of having Jess Fleay being a part of our great team for the last year. Jess has successfully completed a Certificate of Business and Administration III through TAFEWA. Jess's enthusiasm, humour, assistance and valuable input will all be sadly missed. We wish you all the best in your future endeavours, Good Luck and thank you for all your hard work and especially all the laughs.

Traineeship Opportunity Update

We thank all the applicants that expressed an interest in the Traineeship in Business III at the CRC. At time of print the interviews had been booked, and the position will be filled in early February.

COMMUNITY GROUPS DIRECTORY

The BeverleyWA Website has a directory of clubs and community groups and it lists their contact details; we realise many of these have changed since recent AGM's.

If the contact details of your President or Secretary have changed, please let us know so we can get the directory up to date.

REMEMBER that if you have a special event coming up we can put it onto the website 😊

FREE NOISE INJURY WORKSHOPS

In March, Farmsafe WA Alliance will be running four workshops in the Wheatbelt region on the prevention and management of Noise Injury and Hearing Loss.

Workshop attendees will be given the opportunity to have their personal hearing tested for free through Farmsafe's cooperation with the Lions Hearing Bus.

A qualified Audiologist from the Ear Science Institute will be presenting at the workshops, which aim to be an informative and engaging session for farmers, farm workers and their families.

Workshops will run for approximately two hours, which includes testing time. The general public are welcome to come along and have their hearing tested, depending on the availability of testing slots.

To register your attendance at a workshop and to book a hearing test, please contact Farmsafe WA on 9359 4118. Bookings are essential as places are limited.

Workshops will include a complimentary morning or afternoon tea. We hope you can join us and support this innovative project funded by the Department of Health. Please visit www.farmsafewa.org for more information.

BEVERLEY YOUTH CENTRE

JANUARY REPORT 2011

We have had a break from the Youth Centre this month but still busy organising things for 2011 and lots of cleaning and getting it ready.

30 Youth from Beverley and York along with Bus Drivers Ted and John, volunteers Robyn Cusack, Kerry Brindle, Tammy Sing and I went to the Perth Convention Centre for the Worlds Sport Expo.

First on the agenda was Paintballing - all covered in purple paint, even I had it on me and I didn't go in there! Then they could have a go at throwing Rugby balls with Western Force players, kick soccer balls with the Glory, hand ball with the Eagles, receiving lots of goodies from the Dockers, fly around in wheel-chairs and play basketball, bowl at the wickets and have their speed measured, Zumba, Ten Pin bowling, going down the snow ramp, climb the wall - Constable Brindle tackled that and *nearly* reached the top, plus lots more.

When we were ready to leave they looked like they had been to the Royal Show - lots of Show Bags in hand with freebies!

We went to the Swan River foreshore where they could let off a bit more steam before getting back on the buses to tackle city traffic and head to Hungry Jacks in Mundaring - 38 Stunners later, we started to make our way home - home at 8:00pm, sleep at 8.01pm!

Thanks to all my volunteers and a big thanks to a very well behaved group who just spent hours having fun!

I would like to invite parents with children from the

age of 6 months to under 5 years to please get in touch if you would like swimming lessons for the kids at the end of February. Jody Bell is a qualified Instructor and I have a grant, so it is FREE!

Sam Fricker and I would like to see if any children would like to play games of T Ball on a Saturday morning beginning in February for 6 weeks. If interested please contact myself 0411 355 811 or lynsgym@westnet.com.au or Sam on sfricker1@bigpond.com

Lastly, I would like to sincerely thank all the congratulations on my appointment as Development Officer for the Shire of York. I would also like to confirm that I am still working with the Shire of Beverley and running the Youth Centre as usual. Between the two Shires there will be so many more opportunities and activities for Youth and I haven't got too many hours left in my working week but love the challenge.

Thank you from all the Youth and volunteers to the Shire of Beverley and Shire of York for your support and help in taking them to Perth for the Sports Expo, it was an awesome day.

Top Guns at the Sport Expo.

St John Ambulance – Beverley Sub Centre

Emergency Medical Information Book.

Beverley SJA have purchased for Beverley residents the above booklet.

These books are small and in plastic magnetised covers, that are placed on the front of your fridge.

If you have on going medical conditions these books are invaluable.

When you purchase your Emergency Medical Information Book, take some time to record your personal and medical information so that it is ready for use in an emergency. To retain the accuracy, have the information checked with the help of your local Doctor, Carer, or a close relative. The book is pretty much self explanatory.

For a small Gold Coin Donation these books are available from our Beverley Pharmacy or Newsagency.

This is a Community Service Project from St John Ambulance Beverley Sub Centre and your local Lions Club.

Chown calls for WA Youth Award Nominations

Hon. Jim Chown MLC, Member for the Agricultural Region is encouraging the Agricultural Region community to nominate an outstanding young person or youth worker for the 2011 WA Youth Awards.

"The Awards are a chance for the community to recognise and congratulate talented and dedicated youth from across Western Australia," Mr. Chown said.

"Young people are a valuable resource in Wheatbelt towns. Across the Agricultural Region it is widely acknowledged that the future of many Wheatbelt towns depends on the communities' youth.

Mr. Chown said that the WA Youth Awards were established in 1999 to recognise young Western Australians aged 12 to 25 years for their achievements and contributions to their communities.

"The 2011 WA Youth Awards recognise the varied roles that youth play in our communities, with categories including leadership, citizenship, caring for the environment, sporting, recreation and the arts." he said.

"I urge Agricultural Region residents to nominate those young people whose passion and commitment has made their community a better place.

Winners in each category receive a \$2000 cash prize, and are presented with a trophy at the gala ceremony being held on April 9 2011. The WA Young Person of the Year also will receive return airfares for two people to a European destination, courtesy of Singapore airlines and the Department for Communities' Office for Youth.

Nominations close at 5:00pm on Friday 18th February.

Those interested in obtaining a nomination kit should contact the office of the Hon. Jim Chown MLC on 9481 0082.

Giving back to the community

"Red Card for Rabbits and Foxes" maximises landholder efforts across WA to control foxes and rabbits through coordinated 1080 baiting and shooting programs.

Mixed Netball!

Following a fantastic mini season last year mixed netball is back again in 2011 starting on Tuesday 15 February and will run for approximately 7 - 8 weeks depending on team numbers. Team nominations need to be in by 8th February to Narelle on 9647 1040 with a name and contact number of the team captain/organiser as well as a team name and colour.

Not part of a team? No problem - ring Narelle anyway and put your name down as either a regular or fill in player. A maximum of 3 males playing for the same team can take the court at any one time. Teams will be responsible for supplying an umpire for other fixtured games if we have 4 teams or more in the competition or for their own game if we have fewer teams involved.

SEE YOU AT THE COURTS

Beverley Bowling Club

The Willeys Trading Post Triples were played on the 29th of December with 16 teams playing. The winners were I. Seigert's team from Meckering from Muzza's team from Mundaring.

The AM round went to David Bell's team and the PM round to Peter Fleay's team, both from Beverley. Many thanks to Colin Willey for sponsoring this popular event.

The next Men's event will be the Boekeman Machinery Pairs on the 28th of January with the 10th round of pennants starting on Saturday the 5th of February. Apart from Pennants the other major events in February will be the Freemason's Tavern Championship Pairs on Sunday the 6th, and the Hotel Beverley Championship Singles on Sunday 13th of February.

During January Twilight Bowls have been played on Thursdays and Sundays evenings, and this has been well patronised with between 10 and 16 players turning up for a sociable evening.

On Jan. 2nd with even numbers the Men versed the Ladies teams with the Men being victors.

On the 6th of January the winning team was Ron Napier, Dawn Edwards and Glenys Collins.

On the 13th of January Marg Peck, Ron Napier and Glenys Collins were the winners.

Sunday the 16th saw our biggest playing group with the winners being Ev Seymour, Lew Shaw and Glenys Hastings.

On Thursday the 20th we had 4 ladies away playing at Cunderdin, and still managed to have 10 players for twilights, and Ron Napier and Rhonda Seymour came out winners. It is most enjoyable playing in the cool of the evening, and we usually play 12 ends by 7.30, break for a BYO tea then play another 8 to 10 ends to finish the evening. The last twilight for 2011 will be on Sunday the 30th of January. Thanks to all who have participated this summer.

Corporate Bowls are again scheduled for 6 weeks from the 10th of February and the nominations are set to close on the 31st of January, so get your teams in ASAP to the Country Kitchen or Beverley Farm Services.

DALE RIVER TENNIS CLUB

It was fantastic to see such a huge turnout for our Christmas Party. It certainly shows the importance to the district of our local club. We welcomed people who hadn't been before and hope continue to come down to socialise. We appreciated Dee Ridgeway, President of Beverley Shire and her husband Nooky turning up to support us.

Thank you most sincerely to all those who donated meat for the spit and those who donated raffle prizes. Thanks to all willing workers and those who supported us by attending. The community spirit is alive and well.

Our next social function is:

A "SAUSAGE SIZZLE". SUNDAY 6th February, 2011 at 6.00pm
Cost \$2.50 per bun. Drinks will be available for sale.
All welcome. Tennis will commence at 3pm as usual.
See you there.
