

# BEVERLEY BLARNEY

## AFTER THE SHOW

The 2011 Beverley Show celebrated 'Bouncing Back' as a theme by using the Scarecrow from the Wizard of Oz. This was a HUGELY popular theme and the shop window displays were of the usual platinum standard. The street banners depicted yin and yang, good and bad times and smiling faces through adversity. It certainly seems like the Wheatbelt is bouncing back as I travel from Beverley to Northam most weeks and recently to Merredin and Dowerin, the crops are reaching for the sky - I may as well be in Oklahoma (the corn being as high as an elephants eye and it looks like its reaching clear up to the sky) but I digress.

The Show itself went off without a hitch and really...here's the thing... every year I can think of an angle to parody the Show (God, Banjo Paterson or the Queen) but this year I've got nothing! I'm not sure why except that the Show just seems to run itself, it has a life and soul of its own and seems to be enjoying its burgeoning popularity and making its own fun.

Once again the community of Beverley came out and supported the Show by exhibiting, volunteering, officially opening the Show, putting up tents, being members, buying a beer over the bar, shopping at the Show Day stalls, shooting cans with rigged rifles, making scarecrows, painting scarecrows, dressing scarecrows and tying scarecrows to star pickets to show people the way to the loo.

Once again the local businesses supplied or donated trophies, had stalls or sponsored fireworks.

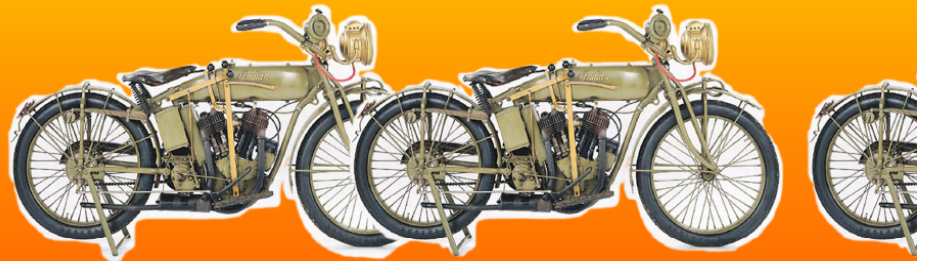

Once again local groups manned the ambulance, tied small kiddies to bungy ropes, sold Show bags, made lamb rolls, catered for 3500 hungry Show goers and made dozens of cakes and slices to feed volunteers, stewards and judges. Truly, this town is amazing...if you don't believe it... GET INVOLVED!

## Local Government Nominations

Nominations for the forthcoming Local Government elections are open between 1<sup>st</sup> and 8<sup>th</sup> September. If you are interested in becoming involved on behalf of your community please contact the Shire for further information. Elections will be held on 15<sup>th</sup> October 2011.

## Acting CEO

Steve Gollan is currently Acting CEO and Council are looking forward to working with Steve to progress current projects and continue with future planning.

## Recreation Facilities Upgrade

Council has been advised to com-

plete the repair work to the Amenities Building prior to commencing the new works, rather than undertaking all works at once. This should also ensure the Amenities building will be available for use during the construction phase of the new section.

Amenity building repair – plans are being drawn up to ensure the repair work will align with the proposed new works. Following a glitch obtaining the structural engineering information regarding these changes, Council expects to be tendering for the repair work in the very near future.

New works - A tender has been advertised for architectural services and construction supervision for the Beverley Oval and Recreation Centre.

## Caravan Park

Recent improvements at the caravan park include a Campers Kitchen and a more accessible RV dump site. Installation of the new ablution facility is underway, to be followed by some fencing and general area clean up. Park use by tourists has gradually increased, attracting some favourable comments regarding the works undertaken over the last 3 years. Council considers that completion of the current works would be an appropriate time to resume any advertising for the Beverley Caravan Park.

## Beverley Show

Congratulations to the Agricultural Society Committee and their many volunteer helpers on the presentation of the 135<sup>th</sup> Beverley Show. Deputy President Cr Lew Shaw represented Council at the formalities as I had a family commitment, and he and many community members have been providing glowing reports of the event.

Dee Ridgway  
Shire President

## ST JOHN AMBULANCE

The Beverley St John Ambulance volunteers were kept very busy throughout the last financial year. Between the 1st of July 2010 and the 30th June 2011 there were 288 cases totaling 42549 minutes (709 hrs).

This is an increase on the previous year of almost 36% in the number of cases and 51% in the time spent attending cases. They travelled a total of 16167 kms.

Thank you to all our volunteers for their dedication to serving the Beverley community in such a selfless way.

If anybody in the community wishes to become a St John volunteer, please contact the secretary, Sharyn Morrell on 96460646 for an information pack.

## Students learn the benefits of self sufficiency at Narrogin Ag College

Year 11 Narrogin Ag College students, Holly Moulton from Beverley and Wagin's Billie-Jo Whatley were enthusiastic in both the planting, harvesting and preserving of this very impressive vegetable crop. Under the very capable guidance of Ms Kay Bullard, the students learnt many life skills including the benefits of self-sufficiency with the college kitchen the recipient of fresh fruit and vegetables.

### BEVERLEY HEALTH SERVICE LUNCHEON A GREAT SUCCESS.

On the Wednesday 27<sup>th</sup> July the Staff of the Beverley Health Service provided a luncheon for the community of Beverley to thank our community for all their assistance in helping toward their goal of accreditation.

Just prior to the lunch being served DON\HSM, Michelle Bauer addressed those present.

“Whilst, we are still awaiting official notification of our accreditation status, Beverley, along with the West Australia Country Health Service Wheatbelt region, are confident we have met the criteria.

The support that has been provided to the service has been second to none. This includes the local suppliers, owners and staff, the Shire including the CEO, president, councillors and staff, the Mens’s shed, hospital auxiliary and its wonderful members, the Beverley High School with whom we have joint functions, the Beverley Medical Practice and its doctors, Remi and Emmanuel, the Beverley Weight Watchers, St John Ambulance and their volunteers, and the many, many volunteers.... too many to name, - but you know who you are, that support the hospital and service.

Most of the staff that work at the Beverley Health service are also community members. The hard work, dedication and team spirit has been overwhelming. Each and every staff member has contributed in a positive way to achieving the goal of accreditation.

To each and everyone of you, on behalf of the WACHS Beverley Health Service, my sincere thanks, I am proud to be working with such supportive and dedicated people and I am very happy to be a member of the Beverley Community”.

**From Marta Salamon ( Artist in Residence for July 2011)**

Once again a thank you to the Beverley community for making it possible for me to stay at the Station Gallery during July of this year. While I can only manage to complete two to three paintings each time I visit, these have resulted in images of plants from the Wheatbelt being featured in exhibitions in Melbourne and now in September/October in Canberra. The *E. erythrocoris* or Illyarrie (one of Beverley's street trees) has been reproduced in the 2012 calendar for the Melbourne Botanical Gardens and will also be the signature image for a botanical art exhibition in Canberra during September/October this year. As well as having time to focus on painting, the workshops have been a delight and I look forward to returning in 2012.

## Beverley Agricultural Society President's report

A small determined band of volunteers set up tents and prepared the grounds on Thursday and Friday under Tim Cooke's capable direction. Many thanks to those volunteers who put in time in getting the show ready or helped out on show day by looking after the VIPs, manning the free rides or working on the gate with Bev Murphy.

Sunshine, community spirit and

good organisational skills from a dedicated working committee and volunteers saw this year's annual show stand apart from all others. We had record numbers through the gate thanks in part to the lovely weather but people enjoyed themselves also because of the variety of trade exhibitors and enthusiasts who want to share their passion for a favourite hobby. Our entertainment and competition organisers Amor, Lorretta and Tim did a great job providing a diversity of amusements for all ages. The exhibition shed was a credit to Cathy and

Karina and their team of stewards and the wonderful displays from the BDH School, Historical Society and the Garden and Tree Society really brought the shed alive with colour and interest. This is Cathy's last year as shed secretary. From all the committee, shed stewards and those people you have let put in multiple last minute entries, our very sincere thanks and gratitude for doing such a great job. We will miss you.

Gaenor and Bevan are well respected in their field of expertise and excelled again looking after the poultry exhibits. Cedric Martin who is 93 and has been exhibiting since 1951 took home the champion bird in show prize. Equestrian events were popular this year with over 60 competitors which reflects the professional organisational standards of the Baulkuling Pony Club. The Cattle judging went well under Sandy Wood's experienced eye and Bindoon Catholic Ag College did well again this year. The wool and produce sections were well supported and we had a good showing of sheep to compliment the big white tent.

Our sincere appreciation go to both Fleta and Sam for taking on a myriad of roles when you weren't being treasurer.

A special thanks to the stalwart seventeen who were part of the clean up crew on Sunday when everyone was tired but you still came in and got the job done.

Lastly, thank you to all the committee and members of the community for your support in my first year as president.

## From Darrell and Kerry

Well what a difference a year makes. Kerry and I want to congratulate the organisers of the Beverley Agricultural Show for putting on a great show. We would also like to thank all the punters who attended the show and those who stayed back to have a few ales at the bar. Everyone was well behaved and had a fantastic day and night. The whole event ran smoothly and made our job to policing the event very easy.

There was one incident at the show during the day and those people involved have been dealt with by the police.

### Witnesses Needed Report Suspicious Behaviour

In the early hours of Sunday morning 14<sup>th</sup> August we had a couple of incidents involving the Drapery shop and the Country Kitchen being broken into and the IGA front window being smashed. If you saw anything that may help us in catching those responsible, please call us.

We need your help!! To help us catch these people that behave badly, we need you to report any suspicious behaviour. All information is treated confidentially and is acted upon. You may think that what you witnessed may not mean much, but it could be the extra evidence we need to charge someone. If you do have any information you can email or call us.

### Congratulations and Good Luck

Well done to all the Beverley Redbacks Football and Netball teams that have made the finals. We wish you all the best in the finals.

This time of the year also means there will be the usual end of season wind-up and awards nights for all sporting teams in Beverley. While it is a great way to unwind after playing a long season, it is also a dangerous time where wrong decisions can be made.

We just ask that you have a great time, but respect yourself and the community. If you have too much to drink, don't drive and get a lift home. If you're walking home, especially late at night keep the noise down.

**National Conference**

The Art Gallery Society has been successful in obtaining a grant for four members to travel to Geraldton for a National Arts conference through Country Arts WA.

This will be from 13th - 16th of September and hopefully we will get lots of ideas for planning for future events and liaising with other country and city organisations.

We had to submit a short presentation showcasing the Arts Precinct at the Railway Station and Beverley has been chosen to present this at the conference.

**Artist In Residence.**

Artist in Residence for August, Michael Vandeleur has had 4 successful workshops with some welcome new faces attending. And we hear that he entertained the Men's Shed one Tuesday morning. Mike hopes to be back again next year.

If you would like to be included on the email list for upcoming workshops, please contact Marylou on 96471027 or [hutchinson@wn.com.au](mailto:hutchinson@wn.com.au)

**Future Events**

- October 22nd - P&C Movie night
- November 19th - Harvest Festival Concert
- December 17th - Family Picnic Christmas Concert
- January - Film Festival - dates to be confirmed
- March 24th - Irish Gig
- April 14th - Comedy Production

If you would like to be included on the emailing list for notification of upcoming events please email Marlene Willson@ [j\\_mwillson@bigpond.com](mailto:j_mwillson@bigpond.com)

If you wish to become a Friend of the Gallery (\$25/year) contact Kathryn on 96464047 or [wk.mclean@bigpond.com](mailto:wk.mclean@bigpond.com) or treasurer Pauline Knight on 96461142 or [bpateam2@bigpond.com](mailto:bpateam2@bigpond.com).

**Here comes the train....**

Various community members recently met with a Project Consultant in regard to a Wheatbelt Tourist Railway project with the idea of running passenger trains along existing rail lines to develop tourism in the wheat-belt, incorporating about 5 towns. This will bring huge benefits to these communities and it's very exciting to be included, even though as yet, its in the very early stages of planning. This was a very last minute meeting and not enough time to contact all community groups but you will all be included further down the track. Watch this space!

So, about the **Harvest Festival Concert** on 19<sup>th</sup> November, a Saturday Night.....just keep your fingers poised, because the tickets are set to go on sale very soon. This is one concert which will appeal to a **very** broad audience. Featuring a most distinguished Australian Artist, flown in from Sydney, **just for the Beverley audience**, with a full touring Band. We hope that if you are in the general demographic from mid 20's, to families, to 40-50's, and 60 plus, you will keep your eyes peeled for the very first posters, hot off the CRC Press, telling you **WHO** is head-lining the Concert. Watch this space, for the **GRAND REVEAL**...coming soon.

From Beverley Paralegal Community Referral Services (BCS)

My thanks to Amor and your friendly and extremely efficient and courteous staff for the professional secretarial services rendered to both BCS and myself on a personal level during my recent illness. The CRC assisted in setting up an email address for me, so I can communicate with various ministerial bodies, typed letters for me, and gave valuable IT advice. In this context Amor the coordinator/manager should be congratulated for helping BCS and I during our hours of need. Amor's noteworthy approach in offering of assistance denotes much substance, and needs to be recorded. I close in wishing Amor and the well managed Beverley Community Resource Centre and dedicated staff all the very best in the IT future.

## **BEVERLEY BRANCH, COUNTRY WOMEN'S ASSOCIATION**

www.cwaofwa.asn.au

Our August meeting commenced with a "Bring and Share" meal at midday to farewell Margaret James, as she and Tony are due to relocate to a new retirement village at Oyster Harbour near Albany.

Margaret has held all positions on our Committee during their 18 years spent in Beverley. We wish them both the very best of health and happiness in their new home. No doubt Margaret will soon become involved in their new community and she will be able to contribute there, as she has here in Beverley.

At CWA Conference recently held at Esperance, the Country of Study for 2011/12 was announced. It will be Portugal so we should find a lot of information and history for our study. Next year's State Conference will be held back in the city, which is so much more central for country members to attend.

Our Honour Board of Office Bearers, dating back to 1925, is now complete and we look forward to having another matching board made by Ken Colepitt of the Men's Shed. Sincere thanks to Ken for offering to make it for us.

## Changes to Cannabis Legislation

Tough new cannabis laws come into effect on the 1<sup>st</sup> August 2011 in Western Australia.

"The government is really cracking down on cannabis use with these new laws" stated 1<sup>st</sup> Class Constable Alan Parker, the Wheatbelt Alcohol and Drug Advisor.

"It will be illegal for cannabis smoking implements such as bongos to be displayed in shops or sold" stated Alan.

"More importantly a person found in possession of 10g or less of cannabis (previously 30g) will receive a

Cannabis Intervention Requirement notice. This means they are required to book and complete a counselling session within 28 days or elect to have the matter heard in court" stated Alan.

Jackie Darby from the Wheatbelt Community Drug Service Team stated that "In the past, most people caught with cannabis elected to pay a fine rather than attend counselling."

"As from the 1<sup>st</sup> August that option will not exist and people caught with cannabis must attend a one on one counselling session with an alcohol and drug counsellor. The offender may elect to continue with counselling following the initial mandated education session" stated Jackie.

The laws outline participation in a counselling session can be offered only once to adults offenders, but twice to juveniles aged between 14 and 17 years. Subsequent offences will result in charges.

Alan emphasised this scheme does not apply to offences involving the possession or cultivation of cannabis plants, or possession of any quantities of cannabis resin (hash), hash oil, or other cannabis derivatives. These offences can still be prosecuted through the courts.

Local Health Promotion Officer Rachael Biddulph agrees these changes are for the better. "These mandatory sessions will help users really understand the health risks associated with using cannabis" stated Rachael.

Research reveals frequent or even occasional use of cannabis can cause anxiety, depression, paranoia and psychosis in those people who have a vulnerability to mental health problems. Frequent use of cannabis can also affect the brain by decreasing the user's ability to concentrate, remember things and can also impact on learning ability.

For more information on the new cannabis laws visit [dao.health.wa.gov.au](http://dao.health.wa.gov.au) or call 1800 722 362.

## To all South Ward residents, from CR Mal G Roberts

This notice is to express my thanks to you all in electing me as your Councillor. Your trust in me has been very much appreciated. During my 13 plus years, I have done my utmost to sort out, clarify and solve matters of concern that you have brought to me and I have not had one complaint against my inaction. I thank you all for your loyal support and understanding. As most of us know sometimes Council matters move not as quick as we wish, because of various procedures, voting and conforming to both Local Government and State laws and budgets etc. Therefore in this context, I also thank you all for your patience and understanding.

As I will not be standing for re-election in October as a Councillor, I take this opportunity to wish one and all the very best for the future. My thanks and appreciation also goes out to our former CEO Mr Keith Byers, our current acting CEO Mr Stephen Gollan, both officials have

been extremely helpful, and all my fellow Shire Councillors. I must add here, the most courteous indoor Shire and counter staff (who have helped me so much) and the Works Supervisor and the outdoor staff, made my job as a Councillor easier and the ratepayers more appreciative for the work that the shire staff do. For example, for some 14 years ratepayers who raised various issues/concerns with me were handled more or less on the spot, most in our Deputy CEO Gollan's office and where necessary in our former CEO Keith Byers' office. In some cases the Town Planner or the Building Inspector would be present and would help the concerned ratepayer understand and ease their concerns. Some regular concerns were footpaths, noise problems, fences, unhealthy smells, overhanging branches on footpaths, grading, small sections of roads that need attention, queries in how rates are set, dogs barking, fallen trees across roads, blocked drains and so on.

The majority of residents felt that I have acted immediately in their interest. As we all know, one feels better

when they are being listened to. Thanks to our former CEO Keith and Deputy CEO Steve for all your on going help. Finally in closing I now speak as a private resident. I appeal to all Beverley residents, not just the South Ward, to support our current President, Dee Ridgway and all councillors, who do work and represent you all. A lot of work is done behind the scenes (this is not noted by the ratepayer.) Councillors have to represent the shire at various meetings, and committees and so on, but at the end of the day the Councillors job gives one satisfaction that you are working for the betterment and future of the WHOLE community (Beverley). For example, our President works tirelessly, attending endless meetings, all over the countryside, representing Beverley by complying to both social and legal obligation. Requirements which encompass meetings of local and state government and other non-government bodies, handling mountains of emails and phone calls, always on duty. Yet Dee's pleasant and efficient disposition denotes she likes her job and not one day has she shown any sign of dissatisfaction. Currently, Beverley is in very good hands.

Finally, many thanks and appreciation to Karina Leonhardt our Blarney publisher whose presentation is excellent. Sometimes she has been a miracle worker to decipher my hand writing. Good on your Karina.

All the very best to you all, our Beverley Residents.

Mal G Roberts.

## **Beverley Historical Society News**

Nine members gathered for our August meeting of the Beverley Historical Society, held on Monday 08 August.

Two dress-up handbags were donated to the museum this month for children's visits.

The excursion to the 'Gwambygne Homestead' has been marked for Friday 9 September and all interested community members are invited to join us. The Gwambygne caves tour was very much enjoyed. Please see elsewhere in this Blarney for a write up.

Five members are attending the State Historical Society Conference in York at the Church of Christ Hall on Saturday 17 September.

The show display depicted rainfall and comparison charts as well as photos of floods, droughts and crops. A very interesting display was also arranged by members of old farming paraphernalia which brought much admiration from visitors to the exhibition shed.

A group of 14 Brookton seniors visited the museum on Friday 19 August, all of whom were very complimentary of our museum. Use was made of our new ramp to allow access for a visitor in a wheelchair.

The museum benefited on Sunday 21 with quite a few visitors that were in town attracted by the events on over the weekend. Thank you to the organisers of those events.

Another group tour has been booked for Wednesday 21 September, this being the Northam Probus Club and the Elite Tours bus is still on track to bring a group on Wednesday 26 October.

The next meeting of the Society will be held on Monday 12 September at 1.30 pm at the Dead Finish Museum. New members always welcome.

## **CUNDERDIN AG COLLEGE HOSTS YOUTH BIZ SUMMIT**

Being a well reputed and centrally located Wheatbelt Agricultural College has paid big dividends for the WA College of Agriculture Cunderdin. On Friday 23rd September the college will host the Wheatbelt's inaugural Wheatbelt Youth Summit "Youth Biz".

Regional Development Australia (RDA) Wheatbelt through their Youth Connections program is partnering with the College, to deliver this interactive, social and fun capacity building opportunity. The free event will specifically cater for our Wheatbelt young people aged 12 to 20 years, right here in the region.

Registrations have been rolling in with numbers of young people attending approaching 400, traveling from all corners of the Wheatbelt.

The Minister for Youth, Hon Robyn McSweeney MLA will officially open the summit accompanied by the Director General, Department for Communities Ms Jenni Perkins. Young people will have a chance to link with both state and federal members of parliament to exchange information about relevant youth issues and strategies. Members for the Agricultural region, Hon Mia Davies MLC and Hon Philip Gardiner MLC will be attending the day, including facilitation of a workshop "Meet your local members of state parliament". Federal parliamentary

member Mr Barry Haase MP will also be in attendance.

Five students from WA College of Agriculture Cunderdin will share the task of Master of Ceremonies, and Head Girl Maddison Davey will speak about her journey from a small Wheatbelt high school to attending the college.

Youth Biz will provide young people with opportunity to access dynamic keynote speaker Brett Warner. Brett will cover achievable and practical ways that youth can work towards being the best they can be.

Young people will have the chance to attend a plethora of personal development opportunities available during two breakout sessions at the summit. These workshops will focus on areas such as employment readiness, goal setting, public speaking, women's self-defence, drugs and alcohol, bullying, Cunderdin College taster tour, leadership, cyber awareness, hip hop, a career in the defence forces, getting an apprenticeship, getting your driver's licence, drumbeat and more.

Over thirty stallholders will be in attendance in "Opportunity Side Show" providing access to a broad range of information on youth opportunities and services.

The summit's "Dream Tank" will give young people the chance to give feedback on youth issues and offer possible solutions and ideas to enhance youth opportunities in the region.

Generous sponsorship by the college, RDA Wheatbelt's Youth Connections program, Relationships Australia, Department for Communities, Bendigo Bank, Shire of Cunderdin, Avon Community Development Foundation, Wheatbelt Development Commission, Commissioner for Children & Young People, Cunderdin Gliding Club and Crumpler have enabled RDA Wheatbelt's Youth Connections program to deliver this concept.

Whilst the event is free, registrations are essential. To find out more and to register to attend, contact RDA Wheatbelt staff member Shelley Lombardini on 9041 4931 or email:

sheley.lombardini@rdawheatbelt.com.au.

If you have assets, a WILL IS VERY NECESSARY.

**REPORT - AUGUST 2011**

## FREE Breakfast Club—York:

As Youth Development Officer for York and Beverley I am working with the Salvation Army who have a grant for a Breakfast Club every Friday morning at the Pavilion (next to the Recreation Centre) at the Forrest Oval in York. It runs from 7.30am to 8.30am, is FREE and supplies different cereals, toast, jams, vegemite, honey, juices, milk and fresh fruit. All children on the School bus are welcome to come across and have their breakfast with me before School starts.

## Active After School Programme:

On Tuesday 2<sup>nd</sup> August the Minister for Youth, Robyn McSweeney, Shire President, Dee Ridgway and acting Chief Executive Officer Steve Gollan attended the Youth Centre with 25 AASC children and Youth representing our Centre.

I would like to take this opportunity to congratulate all who attended on their behavior and manners when they met Mrs. McSweeney.

Also thank you to the Shire of Beverley for organising the visit, I had the camera but through all the excitement forgot to take the photos!

The children have football and netball at the moment with Sam and I and lots of goals are being kicked and thrown!

## Youth Biz—2011 Wheatbelt Youth Summit—Cunderdin:

I will be taking 5 Youth from Beverley District High School to Cunderdin Agricultural College on the 23<sup>rd</sup> September. The summit will provide a forum to discuss issues affecting youth and it is anticipated 400 Wheatbelt young people will attend.

## Beverley Agricultural Show:

The Banners in Vincent Street, painted by our Youth look fantastic and a BIG thanks to Max Employment for helping us with the “big move” of all the equipment—the most dreaded day of the year; Jamie Rekman, Donna Winmar, Gavin Ugle, Kelvin Quartermaine, Alan Varner and Stephen Bloom along with their supervisor—Daniel Pain, Cathy Blechyden and myself.

I would also like to thank the Youth

who helped out with supervising the free rides, you were fantastic and I was very proud of those who volunteered their services.

Thanks also to bus driver Ted for donating firewood for the show and for Helen and Brian at the Dome Fuel Station for the donation to buy the wood.

## Flipper Ball:

I will be meeting with Julie Jackson from the Department of Sport and Recreation to discuss bringing Flipper Ball to Beverley. This is a children’s version of Water Polo and we hope to have it this Summer. Stay Tuned!

The Beverley Banner in St. Georges Terrace looked fantastic and all artists who helped design and paint it should be very proud, I was when I saw it!

A big thanks to the Shire of Beverley for your ongoing help and support, if I need something moved, cleaned or help in anyway you are always their! Thanks.

Beverley Youth Centre runs every Friday night between 6pm to 10pm and is for 10year olds – Youth, any enquiries please contact Youth Development Officer, Lyn Kay on 0411 355 811

## QUAIRADING WOMAN NAMED 2011 RURAL AMBASSADOR

Shae Karli Bruce, 25, a student teacher from Quairading, has been named the **2011 Rural Ambassador**.

Shae, who is in her final year at Edith Cowan University, hopes to teach at a college of agriculture and to inspire and encourage students in the field.

As rural ambassador she aims to encourage more youth involvement within the agricultural sector.

"I want to get to as many local agricultural shows as I can and promote the rural lifestyle and explore ways

children can get involved," she says.

"I would like to see more competitions set up for younger children and to establish coaching clinics where children can learn about all aspects of entering competitions and being a judge.

"This could lead to them having competitions amongst themselves and inspire them to really get involved."

In her spare time Shae is treasurer of the Quairading Rainmakers and involved in the town's football, netball and tennis clubs.

She has a Bachelor Degree in Agribusiness Marketing from Muresk University.

The Rural Ambassador competition is sponsored by Newmont Mining Corporation, the Perth Ambassador Hotel and the Department of Agriculture and Food and coordinated by The Royal Agricultural Society of WA to recognise the contribution of young leaders who work to promote regional development.

Arthur Hall, 28, a primary producer of Moora, was named as runner-up.

Shae and Arthur were two of five finalists vying for this year's prestigious title: Rural Ambassador, which also included Justin Fox, 20, of Northam, Holly Parker, 29, of Boyup Brook, and Pip Shields, 29, of Wagin.

"As always, the calibre of finalists was exceptional," said RAS President Hugh Harding. "The judges had a very difficult decision. The competition focuses the attention on individual contributions to local communities and provides opportunities for young, rural leaders."

The announcement of the rural Ambassador signals the start of activity for the 2011 IGA Perth Royal Show, which runs from Saturday October 1<sup>st</sup> to Saturday October 8th.

Thanks to the State Government's support of CHOGM 2011, all children aged 12 years and under will receive FREE entry to this year's IGA Perth Royal Show when accompanied by an adult.

**UPDATE  
CRANA ABORIGINAL  
CORPORATION INC.**

A meeting was held at the Indigenous Reserve at Duffield Street, Beverley to discuss the future of this historic and cultural site and as to the positioning of the cultural building, fences, and monument to be erected in memory of past residents etc. Things will start moving once the Crana building has been sold.

Special thanks to Shane Moad our Secretary/Communications Officer, who took over the Manager's brief whilst Mal was in hospital. As we have regular contact with both government and non-government organisations, including Lotteries, much business is conducted through IT and email and Shane has done excellent work in this regard.

Mal Roberts has been requested to stay on as our Advisor/Committee member/Director. Mal has accepted with a proviso that he be exempt from attending committee meetings, except when his presence on urgent matters is requested.

Mal has been an advisor and friend to our indigenous residents for some 28 years. He has shown sensitivity and respect and understanding for our culture and has always been here for us and our well being. We offer our thanks and appreciation for all the good work that Mal has done for us.

## General Information from Beverley Paralegal Community Referral Services (BCS)

Immigration Laws: The following comments are based on real cases and current TV Reports.

Case (1) Prison Resident; served 6 months in prison (traffic offence in 1980) - served 18 months awaiting sentence on alleged criminal charges. He had six lawyers and now has no legal representation. The Immigration Department wrote to the resident stating their intentions, which is to deport him as he has served two years in prison. A deportation notice was placed on the cell door. The resident arrived 47 years ago on his mother's passport at the age of 1. Has no relations in the country of birth.

Case (2) A lady arrived in WA aged 16, who is now 96 years of age and case in point, she is on the point of being deported for being an illegal migrant (TV Report) To 'stay' a deportation order can only happen if you either seek ministerial intervention or hire a brilliant S.C. Immigration lawyer.

On prison matters, I seek help from a former prison superintendent/director who is an expert on prison procedure.

Selling Motor Vehicles as an agent, on behalf of a mate or family member, a company or car dealer. Frequently I am approached to seek

information. In all such cases make sure you sight authority to sell, current licence papers and road worthiness. Check with REVS - Department of Consumer Affairs where the owner of a vehicle is overseas, interstate or up north, and where the ownership is in question. Please seek legal advice in preparing an executed document, where in the sellers' signature can be compared with the signature on the vehicle transfer form. This procedure may protect all the parties involved. Establish the bonafide owner. Where a person or a company sells a vehicle, which was entrusted with them for repairs without the owners knowledge, and the purchaser has lost monies, once again, one should seek the services of a lawyer, the police and maybe the Consumer Protection. Finally, all buyers beware, when in doubt, always seek legal advice on above transactions.

It should be noted that I do not provide legal advice, I offer information based on good faith and it is not obliging for any person to act on such information.

Aged Care: As from July 2011, the Federal Government and the Nursing Homes have worked on an agreement, where in the chairperson of the Aged Care Council states the cost to care for high-care patients may be means tested. This creates a two tier care system. I.e. the more money you have, the more you pay. This refers to TV reports 2 weeks ago. I have been requested by concerned family and I am looking into

this matter and will seek further clarification from the Aged Care Council and maybe a Federal MP.

Kind regards to all.

Mal G Roberts

## BEVERLEY TRUCK MUSTER AT AVONDALE

The 2<sup>nd</sup> Beverley Truck Muster was held over the 20<sup>th</sup> – 21<sup>st</sup> August weekend. We couldn't have asked for better weather over the two days. The Beverley Patchwork and Quilters provided a very interesting display and demonstration on the Sunday to attendees and also sold scrumptious soup. The Big Rigs WA entertained visitors young and old with their amazing display of remote controlled model road-trains and freight trucks, in the shearing shed, and beyond!

An estimation of around 700 people attended over the weekend. This is not including the car clubs, and exhibitors who took advantage of the beautiful weather, and the fact they were in the area for other events. All in all, Beverley was a very busy place.

Despite the best efforts of our local auctioneer, it was slow bidding from a crowd of about 100 people. Three of the 9 vehicles, on offer, sold. If anyone in the community is interested in following up on some of the trucks that were at the auction please contact Alan Windsor 0427 447 608.

Winner of the Most Colourful Truck in the muster.  
Photo courtesy of Alasdair Wardle.

Results from the Truck Muster are as follows:-

<b>MOST UNIQUE TRUCK</b>	Grand Hodgson with his restored 1969 Mack
<b>BEST PRESENTED</b>	Kevin Lockyer with his 1949 Austin K2 truck
<b>MOST COLOURFUL</b>	Byron Mills with his 1956 F100
<b>MOST FERAL</b>	Bruce Mann with the family 1948 Austin Truck
<b>OLDEST TRUCK</b>	Lindsay Hill with his 1936 Chev

Well done to all the exhibitors for the presentation of their vehicles. It seems the Most Feral trophy is to stay in the Beverley area, again.

Thank you to Geoff Rayner from Beverley Farm Services for volunteering his time to conduct the Truck Auction on the Sunday afternoon.

Thank you to the volunteers who assisted over the weekend including:

Rob de Gruchy, Bruce Mann, Alan Windsor, Kelly Piper, Lew Shaw, Marilyn Windsor, Sandy Shaw, Sue Eramiha, Karen Baigent, Dina Barrett-Lennard, Justin Mann, John Pratt, Geoff Rayner, Richard Bolladeras, Ray Walters, Brian Bedall, David Denham, Kerry Malone, Emily Lucas and Derry White, and lots of others in the lead up to the day.

Thank you to Tanya Richardson from Avon Events & Marketing who assisted us with some fantastic promotion of the event.

Special thank you to Alan Windsor for his enthusiasm and tireless work in coordinating the Truck Muster weekend. A lot of work goes into this event behind the scenes and it is greatly appreciated everything that Alan has done in the lead up to and during the event.

## CARING FOR COUNTRY APPLICATION

An application has gone to the Federal Government, on behalf of the Avon Farm Project Association, for a Caring for Country grant to commence some of the weed management in the reserve, as per the Flora & Fauna Management Plan.

## **ORAL HISTORIES PROJECT**

There have now been ten oral histories recorded. This is a fantastic effort from the volunteer group working with the National Trust. We are now building a wonderful collection of stories, impressions and recollections from people associated with Avondale and agriculture, in the region from which the National Trust will be able to draw on, when developing interpretation for Avondale in the future.

## **MURDOCH UNIVERSITY TOURISM MANAGEMENT**

A group of final year Murdoch University students is working at Avondale to develop a tourism Management Plan for Avondale. They will be speaking with stakeholders, and doing tourism research to develop recommendations on factors that need to be managed, including impacts on resources, other businesses, community, land values etc when planning tourism marketing. The group's report will be completed and presented by the end of Semester 2, 2011.

## **UPDATE FROM THE FARM AND SURROUNDS**

As is the case in the rest of the district this year's lambs are in very good condition and tailing is now complete. Urea spreading is now complete and the weed control is ongoing. Total rainfall for the month of July 2011 was 112.4mm, compared to July 2010 with only 50.8mm, hence many of the paddocks have become very boggy.

Power has been restored to the picnic area after fire destroyed the pole-top connection of the branchline. The fence repairs from the May storm have been completed by Hammond Fencing.

### **SCHOOL HOLIDAY ACTIVITIES**

Avondale Discovery Farm will be open to the public for the duration of the October School holidays 1 – 17 October 2011. 10am to 4pm daily. If you are looking for a great picnic venue, or an opportunity to learn something about our agricultural history come and enjoy a day at Avondale. The usual attraction will be available including Agricultural Machinery Museum, 1890's Stables complex, 1850's Homestead Museum and gardens, picnic area with free gas BBQ, and playground, 6km farm drive trail and Clydesdale horses to greet in the paddock.

## **WONDERS OF BEVERLEY BOOKLET**

**(Applications for advertising are closing Wednesday 7 September)**

To co-inside with the Beverley Harvest Festival at Avondale and to promote the town of Beverley, the Avondale Farm Project Association is developing a "Wonders of Beverley" Booklet.

The "Wonders of Beverley" is a sixteen page DL sized booklet produced for the purpose of promoting Beverley, its attractions, events and shopping experiences. This booklet will be full colour front and back cover with black and white insert pages. Businesses and groups are invited to purchase an advertising place in the booklet and coupon at the back of the booklet. For example a coupon could be "buy one coffee get the second one free". The time frame of the booklet and coupon availability will be November 2011 until end of February 2012, which will hopefully create return business of visitors to come back to Beverley over the summer period which may be a quiet tourist period.

This is a not for profit booklet, so all advertising costs are purely to cover the cost of printing. So the more people that are interested in placing an advertisement and coupon, the more booklets we will be able to print and distribute.

Please contact Karen Baigent if you are interested in participating in the "Wonders of Beverley" Booklet or for more information. Phone (08) 96461974 or Email [k.baigent@bigpond.com](mailto:k.baigent@bigpond.com)

## **13<sup>th</sup> NATIONAL VINTAGE MACHINERY RALLY – FAIRBRIDGE – 2-4 SEPTEMBER**

A group of enthusiastic Avondale volunteers are having a presence at the above rally with a few items of WA made implements, along with the 1920 Cletrac tractor. They will be promoting Avondale and Beverley to visitors from all over Australia, and no doubt, doing a bit of networking which can be useful when undertaking projects within our own museum. Thank you to those volunteers who have willingly put their hands up to help.

## **SO MANY PEOPLE, SO MANY BIG THANK YOU'S**

Without our fantastic volunteers and businesses in the community we would be unable to run the wonderful events at Avondale. The Avondale Farm Project Association would like to take this opportunity to make special mention to the

following people and organisations for their help, and support over the past few months.

- The Max Employment Team lead by Daniel Pain
- Section 95 crew
- Beverley Shire works crew
- John Pratt for opening up Avondale on Sunday 14<sup>th</sup> August to welcome the Hotham Cruiser Motorcycle Club members who had a run out to Beverley
- Alasdair Wardle for taking such wonderful photos of all of the Avondale Events. It is fantastic to have high quality photos to capture the excitement at these events
- Emily Lucas for getting the Clydesdales and stables ready for the Beverley Truck Muster
- Kelly Piper & Dina Barrett-Lennard for their tree planting day as part of the Caring for Country Project
- Bruce Mann & Alan Windsor for collecting the trucks from Kojonup for the Truck Muster Auction
- David Denham for providing the animals in the nursery for all the events held this year. The animal nursery is definitely a highlight for the kids that visit.
- The Road Clearing Contractors who provided Avondale with a load of dead timber for the bonfire
- Brian Beddall & Eric Overington for the work they have done on the Massey Ferguson 35 tractor and Ray Walters for finally getting the Cletac W crawler tractor running.

## BEVERLEY HARVEST FESTIVAL Sunday 20<sup>th</sup> November 10am to 4pm.

**Entry fee is \$10 per person,  
\$5 concession/student.  
Children under 12 are FREE!**

The town was a buzz with all the scarecrows displayed in the lead up to the Beverley Show. The Avondale Farm Project Association would like to use these to display around the Harvest Festival. If any of the local businesses would allow us to borrow their scarecrows, please let us know. We are happy to safely store them for you up until after the Harvest Festival if that would be useful.

**WOOLY SHEEP WANTED** We want your sheep – if you have some sheep (any number) needing shearing in November please contact Dina Barrett-Lennard. We are in need of a single line of healthy sheep for our Shearing Demonstration at the Harvest Festival.

## Gwambygine Caves

The afternoon was clear, crisp and sunny; perfect weather for clambering round an exposed hillside south of York. A close inspection of the historic Gwambygine caves complemented by information provided by the Aboriginal owners of the land was our reward. Several members of the Beverley Historical Society and the broader Beverley community had an interesting and enjoyable tour of the caves, and the surrounding hill, thanks to current owner and custodian, Justin Kickett.

First, on the eastern side, we entered two boulder caves: great hollow spheres with enough space for a family group to shelter from the weather. We saw where the fire had been lit, and the art on the walls. From there we walked across the curved slope and climbed between the rocks to the much larger, though more exposed, shelf cave now known as Dale's Cave.

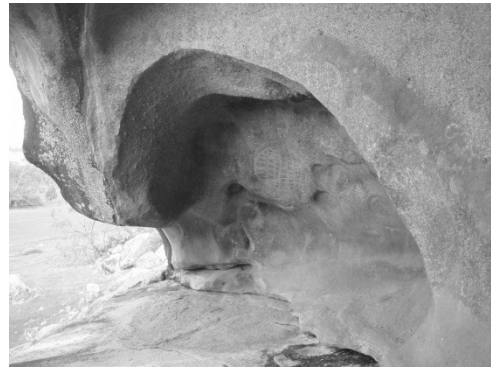

This cave faces east and is more than halfway up a steep rock cliff. Ensign Dale, on his first expedition through the valley, noted the distinctive caves in his 1830 journal.

The cave is several metres long and has the feel of a verandah. The rock of the ceiling has a spur that provides an archway towards the centre of the shelf. On the protected southernmost wall is a representation of the moon, crosshatched with a network of lines. About the moon are hand and arm prints. Viewed from the northern end, the moon is exactly in line with the top curve of the midway arch.

We were then taken further up and over Cave Hill. There is a traditional area for women on one side and another for men on the other side of the hill. From the open space above Dale's Cave we looked east out over the Avon Valley in all its green glory after recent

rains.

Looking northwards from this spot, the curve of the hillside, back to the boulder caves, is dominated by great stacks of rocks forming castle-like towers.

It was at this spot, in times past, that the roaring stick would be swung in circles: the call being passed on from hill to hill, up and down the valley, to gather at Gwambygine for ceremony, song and dance.

Just before we came down, right up on the rocks and boulders of the highest point, we saw two large kangaroos calmly surveying the scene. "First time I've seen them for two years!" Justin commented.

Our afternoon finished around the campfire, with tea and biscuits provided by members of Justin's family. A wonderful experience, never to be forgotten.

## BEVERLEY LIONS CLUB

The Beverley Lions Club again had a very successful outing at the Beverley Show. Wasn't the weather glorious? We were very pleased with our position and the efficiency of our set up. Of course we were run off our feet and boy were we exhausted at the end of the day! Thank you Beverley Show patrons.

We also have a special thank you to Lothar and Linda who put up their hand to help us on the day. A surprise friend was policeman Darrell, who jumped in and helped us for quite a while (and he only came to buy a burger.) Another surprise was Cecily who donated a big pot of soup. Many thanks to you both.

Our beautiful embroidered cushion was donated by Rosalie Baker of Bulyee. Thank you Rosalie. The monies raised by this raffle will go to our Special Projects Account. Congratulations to Kath Veitch on winning the raffle.

Congratulations to Lion Pat who had an 80th birthday. I wish I could keep up with her—she is a real dynamo and a real inspiration to all of us younger lions.

## LIONS AT THE BEVERLEY SHOW

## **BEVERLEY WEIGHT WATCHERS FEDERATION INC.**

On the 13 June 2011, members of the Beverley Weight Watchers Federation Inc. attended a luncheon to celebrate with the club's most recent graduate, Joan Leonhardt. Joan, who joined in August 2010 has lost a staggering 15 kilos and looked fabulous at the luncheon held in her honour. Joan was given flowers a gift and a sash on the occasion.

Members also joined together on Monday 1 August 2011 for the club's AGM.

The new office bearers for 2011 are:  
President: Val Edwards  
Vice-President: Jenny Rayner  
Secretary: Sylvia Seddon  
Treasurer: Ruth Edwards

Together at this meeting the club celebrated in the successes of all members and made their yearly awards. Amongst the winners were: Joan Leonhardt, Karina Leonhardt, Sylvia Seddon, Jenny Rayner, Helen Bremner and Ruth Edwards.

Meetings: Mondays at 10.30 am at the OT room at the Beverley Hospital. All welcome.

## View from the Shed The Good things in Life

With so much going on in our busy world, people going hard seven days a week just to get everything done, it is sometimes easy to forget that there are many little things that give us pleasure.

I have just had a week off visiting family. One of my granddaughters (12 years old) asked my wife and I if we would come to her school drama night. They live in Hobart so

it was quite a commitment, but it's what grandparents do isn't it?

I guess we can go on about the costs of this type of trip and make up reasons why it's too hard, but the rewards from doing this sort of thing with your kids or grand kids go way beyond monetary value.

I also believe we should actively create situations or experiences that give us a chance to experience pleasure. It is often the simplest things that do this for us, like going on a picnic, visiting friends we haven't seen in a while, just reading a book, or going to a movie with the kids.

It doesn't matter where you look we

can always find things to enjoy but the secret is to make time for those pleasures in life. Often we make the excuse we haven't got time - make time, it puts balance in your life.

The other thing that often brings happiness is humor. When was the last time you listened to a fun record or DVD that made you really laugh. Again create time to share a joke or some funny event with someone and have a good belly laugh. We all need to do these simple things to keep sane and I'm not joking. Laughter is one of the best medicines for many ailments.

It is all about maintaining balance, life is serious but it is meant to be enjoyed, make a place in your program for happiness. It puts things in perspective.

## Active After-school Communities

Helping kids and communities get active

2 May 2011

Dear Committee and Members,

**Did you know funding applications for equipment by Bruce Rock tennis and netball Clubs, Kulin hockey and golf clubs and Kondinin cricket club were successful? Each club received up to \$1000 to spend on equipment? If you would like more information read on.**

The Active After-school Communities (AASC) program is an Australian Government initiative that provides funding to local primary schools and Outside School Hours Care Services to deliver physical activity sessions for primary school aged children in the after-school timeslot between 3 – 5:30pm. (Each session only needs to be 1 hour long.)

The Australian Sports Commission requires more community coaches and community clubs to become involved in the delivery of the AASC program in the Wheatbelt region. All coaches are paid from funding the school receives.

### **Within the AASC there are many and varied benefits for your club such as:**

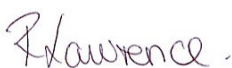

- Opportunities to **increase your club membership**
- Opportunity to **earn money for coaching and access funding for equipment**
- Opportunities to **increase community awareness for your club/group**
- **Free promotional opportunities** to a target audience
- A **free coaching course** and professional development opportunities delivered by Australian Sports Commission(ASC) staff
- Accreditation for National Coaching Accreditation Scheme General Principles
- Opportunities to support schools and OSHCS that support you
- **Free access to the Australian Sports Commissions latest coaching resources**

The AASC program aims to increase physical activity in primary school-aged children and forge links between children and local clubs.

17 schools across the Wheatbelt are involved in the AASC for 2011.

If you are interested in finding out more information on the AASC program please feel free to contact me on 0437700426 or call to make an appointment for me to visit you.

Kind Regards

## The most used sprouts

By Valerie Gunsch  
Natural Health Practitioner – Women's  
Councillor  
Dipl. VGN. CNC. P.P. Mac. H.

### Final

Before I continue with information on sprouts I would like to acknowledge my dear friend Isabel Shipard from Queensland. She has given me permission to use her wonderful books and DVD's on Sprouting, Herbs and Survival Food which I have purchased last year. You can go into her website at [www.herbsarespecial.com.au](http://www.herbsarespecial.com.au)

These books and DVD's make wonderful gifts. If you would like to look at this material before you buy you are welcome to see me. This is also the place where you can buy seeds for sprouting on line. She has a wonderful selection of sprouting seeds. Some health food shops and organic shops have whole seeds for sprouting too. Besides teaching courses on herbs, speaking at schools, herb and garden clubs, permaculture and organic growers groups, expos, organisations interested in natural health, and as a guest on radio and TV, Isabel has written articles for numerous national magazines. The books and DVD's make fantastic gifts for people who have everything except good health. Take the time to peruse the existing material for your own benefit. There are wonderful photos in them as well.

In this final section I will describe only a short version of the most used sprouts. There are too many minerals and vitamins to mention in this space. The books also contain their medicinal and culinary benefits with recipes for cooking, making tea's and drinks.

### **Alfalfa (Lucerne) – Medicago sativa**

This is one of the most popular of sprouts for eating, and one of the easiest to grow. Seeds are kidney-shaped, golden-brown, and a little smaller than a pinhead.

Chiaseed - 1tbsp = 1 full plate.

### **Fenugreek – Trigonella foenum-graecum**

Growing and eating them is one of the most valuable things we can do for increasing energy, health and wellbeing. Fenugreek has been a universal panacea, time-honoured in many countries and cultures of the world. It is the herb for every ailment under the sun. It is one of the oldest recorded medicinal herbs, highly esteemed by both east and west, and has been regarded as treatment for just about every ailment known to

man. Fenugreek has a beneficial action of cleansing the blood.

### **Mung Beans – Vigna radiata**

Sprouting mung beans is just so easy. They are always out to please you, by booming away in 2-5 days into crisp, delicious morsels.

### **Lentils – Lens esculenta**

Lentils are sometimes added to a mixture of small legume seed varieties such as alfalfa, fenugreek, mung and adzuki beans for sprouting and the mixture looks and tastes great when sprouted.

### **Chick Pea – Cicer arietinum**

Chick Pea's are good for the heart, may be added to salads or made into hommuss.

### **Adzuki Beans – Chinese Red Bean, Red Japanese Bean**

Similar to chick peas, lentils, and mung beans and beneficial to the heart.

On a personal note: I sprout every whole grain from brown rice, quinoa, buckwheat, millet, barley, chia seed, any kind of beans, and wheat. My sprout trays are always full of fresh and yummy nutrition. We eat the sprouts on flat breads, in salads and soups, and in cottage cheese. I urge you to look and learn for your own benefit.

Buckwheat sprouts.

## **Beverley District High School Snapshots**

Wow!!!! Just have a look at our show displays and our scarecrows. For those of you who went to the show, you would have been impressed and for those who receive their Blarney by post, take a look at what you missed out on. The students had fun decorating their scarecrows which were scattered throughout the show area. Greeting us at the gate was the “Queen of Harvest” and didn’t she look beautiful. She is certainly looking after the farmers so far this year!!!!

### **NAIDOC (National Aboriginal & Islander Day Observance Committee)**

Beverley District High School and our Noongar community got together and did three days of different activities. The first day, Wednesday 27th July, commenced with a brief NAIDOC welcome. Classes then came out at different times to plant trees in front and the side of the MOASH building as well as the friendship garden. The weather was absolutely beautiful I might add. Which brings me to the next day; we had visitors from Northam’s Clontarf Football Academy do various football skills with the kids. After recess we had stories told from Dr Richard Walley OAM and a performance from Olman and John Walley. These performances are always the highlight of the day which is then followed by a lunch of Kangaroo Stew and Damper cooked by Marg Mourach, Jessie Ugle, Olga Ugle, Sharon Ugle and Lisa Mourach. Friday we had different activities going on in

all classes throughout the day.

## Beverley Netball Club

Well the season is drawing to a close and with Pingelly having 5 teams in the competition they almost appear to have the Premiership all sorted, however Brookton have scraped into the 4 and may just be able to give Pingelly a run.

Results are:

30 July	Beverley Spinners defeated Brookton Blazes 43 - 22
	Brookton Glory defeated Beverley Hunters 28 - 9
5 August	Pingelly Green Machines defeated Beverley Spinners 54 - 44
	Beverley Hunters defeated Brookton Blazes 25 - 18
12 August	Pingelly Pink Ladies defeated Beverley Hunters 51 - 17
19 August	Pingelly Blue Lagoons defeated Beverley Spinners 46 - 41

As you may be aware the Netball Club have been heavily fundraising this year for new courts but you might not realise just how much we have fundraised or for how long. Well we have actually been fundraising for new courts since 2006 and between 2006 and 2010 we managed to raise \$10,000.

After attending meetings with the Shire and other sporting clubs regarding the recreation grounds, we were presented with a proposal which suggested that the new courts would be completed in 2012. With that in mind the netball club decided to increase fundraising in 2011 to ensure that we could help with the monetary issue involved in the new courts, as the alternative is to help with the labour side. Normally with such projects the funds are split in thirds, Shire third, grants third and the community third. However due to the damage caused by the January storm, construction of stage 1 has been greatly delayed and the second grant can't be applied for until the recreation centre stage 1 is underway. We are hoping we can put our grant application in at approximately August 2012.

We are now looking into getting quotes for the construction of the netball courts and we are guessing that the community third would be approx. \$40,000.

In 2011 our fundraising included,

Supa slice drive ❖ Lions Changeover waitressing and donation ❖ Catering Beverley CRC opening day ❖ Catering Meals on Wheels 30<sup>th</sup> Anniversary ❖ IGA Community Chest Donation ❖ Pizza Night ❖ Lamb Rolls ❖ Dinner for 6, raffle donated by Heng EE ❖ Courts committee donation

Total approx. 2011	\$15,000
Total approx. 2006-2011	\$25,000
Remainder to be raised	\$15,000

A thank you must go out to all the players who volunteered to fundraise over the year. A big thank you goes out to the non-players who helped us fundraise: Amor Moulton, Ingrid Bell, Ayla, Kristy Miles, Kelly Jenkin, Kerrie Kendrick, Brody Newbery and Vicki Jenkin.

A very big thank you must go out to Glenys Petchell who has been involved in every fundraising endeavour this year.

Of course a huge thank you to the community that has made our fundraising so successful.

So please don't be too surprised to see the Netball Club out and about fundraising heavily again in 2012 and please support us in this project as in the not too distant future the Beverley community should be able to enjoy wonderful new courts.

Congratulations to Sera Minchin who won the Dinner for 6 donated by Heng EE which was drawn after the fireworks at the show.

## **Beverley Men's Golf News**

Saturday 31<sup>st</sup> July witnessed the Semi Finals of the Club Championships take place, with the winners of each match proceeding to the Final. Results for the day were:

Championships Ben Moulton defeated Stephen Gollan  
Brett Islip defeated Terry Winfield

1<sup>st</sup> Division Mark Bickley defeated John Starling  
Kim Moulton defeated Chris Pepper

This now means that Ben Moulton will play Brett Islip in the 36 hole Final to see who will be the 2011 Beverley Golf Club Champion.

In the 1<sup>st</sup> Division Mark Bickley will take on Kim Moulton, this also is a 36 hole match.

Congratulations to **Terry Winfield** who scored a "Hole in One" on the 13<sup>th</sup>. This is Terry's 3<sup>rd</sup> "Hole in One" at Beverley.

Saturday 6<sup>th</sup> August 2011 saw 7 players take part for the **Beverley Gas and Plumbing Trophy**. This was a Stroke event and the Monthly Mug award.

Ron Bickley had a good day shooting a nett score of 72 to win the day from John Donovan who had a 76 nett. Terry Winfield shot the best Gross score with 87.

**Valery and Gerry** also supplied a novelty for each hole. Novelties on the day were won by;

Best Second Shot on 1	Tom Brokenbrow	Best Second Shot on 10	Tom Brokenbrow
Longest Chip or Putt on 2	Tom Brokenbrow	Best Third Shot on 11	Ron Bickley
Long Drive on 3	Tom Brokenbrow	Longest Chip or Putt on 12	Gavin Sazanov
Longest Putt on 4	John Islip	Nearest to the Pin on 13	Tom Brokenbrow

Nearest to the Pin on 8	Terry Winfield	Longest Putt on 17	John Donovan
Best Third Shot on 9	Tom Brokenbrow	Nearest to the Pin on 18	Gavin Sazanov

Once again a big thank you to **Beverley Gas and Plumbing** for sponsoring the day.

On Saturday 13<sup>th</sup> the final of the Club Championships were scheduled to be held. Unfortunately both matches were walkovers as Ben Moulton and Mark Bickley were both unable to play. This meant that the Winner of the 2011 Club Champion Award was Brett Islip and in the 1<sup>st</sup> Division, Kim Moulton was declared the winner.

Congratulations are extended to both Brett and Kim on their wins.

In the event that no Championship play occurred, 16 players battled for the **Les Annison Trophy**. This was a Stableford event which saw Wayne Smith win the day with a great score of 45 points, from Stephen Gollan (44 points) and Ron Bickley (37 points).

It was great to see Life Member, Fred (China) Sing back up at the club enjoying the conditions.

Les also provided some extra novelties on the day and they were won by;

Longest Chip or Putt on 1	Les Annison	Best Third Shot on 11	Wayde McLean
Nearest to the Pin on 5	Fred Sing	Best Second Shot on 12	Wayne Smith
Longest Chip or Putt on 6	Luke Gollan	Nearest to the Pin on 13	Fred Sing
Longest Putt on 7	Mel Vivian	Shortest Drive on 17	Mel Vivian
Nearest to the Pin on 8	Wayde McLean	Nearest to the Pin on 18	Fred Sing

Big thanks go to **Les Annison** for providing a trophy for the day.

Sunday 21<sup>st</sup> witnessed 12 players play a Four Ball Better Ball Par competition for the **Marc Edwards Trophy**.

There was a three way tie for first spot with the pairings of John Donovan and Kim Moulton, Wayde McLean and Marc Edwards, Terry Winfield and Ron Bickley all recording a great score of Plus 10. A count back was carried out and the winners of the day were John Donovan and Kim Moulton.

Novelties on the day were won by;  
 Longest Drive on 3 Ron Bickley  
 Nearest to the Pin on 5 Marc Edwards  
 Longest Putt on 10 Mark Bickley  
 Thanks to **Marc Edwards** for sponsoring the day.

The Beverley Football Club has broken free of the Winter shackles and reversed its season's fortunes, winning our four remaining home and away games to finish in third position on the League ladder, and are now in red-hot form heading into the finals.

Our Reserves and Netball teams also finished the season strongly, and both qualified for the finals, with our Reserves team reaching the finals for the first time since 2004.

A reminder to all members that the Beverley Football Club Annual General Meeting will be held on Friday the 21<sup>st</sup> of October 2011 at the Beverley Football Club commencing at 7:30pm. We strongly urge all our members to attend for the opportunity to voice your opinion on any issues which you believe need to be addressed and help improve our club for the future.

- The Beverley Football Club invites applications for the positions of League and Reserves Coach for the 2012 season. Please apply in writing to:

**The President  
Beverley Football Club  
PO Box 10  
BEVERLEY WA 6304**

The Beverley Football Club would like to sincerely thank all our players, members, sponsors and supporters for your continued and faithful support of our club throughout season 2011. The contribution you all make is most valued and without which our club would not function.

The Beverley Football Club extends our best wishes to Ben Moulton for life after football, after he sustained severe facial injuries during a Reserves game against Cunderdin a fortnight ago, and bringing an end to his playing days. Ben had surgery last week to insert five titanium plates in his face, and we wish him well in his recovery. Ben played in the 2005 League Grand Final, was named Reserves Captain in 2010 and is a member of 2010 League premiership team.

## BEVERLEY LADIES GOLF NEWS

The month of August began with a hard working committee putting the final touches in place for the Avon Valley Ladies Golf Association (AVLGA) Championships. The course and club house were a credit to all involved and special thanks goes out to all the non-golfers for their help and support. Many people gave help in the kitchen, bar and on course and we thank you sincerely for giving up your time to help our club. Cedric and Shirley Smith supplied the club house with exquisite orchids which were much admired by our visitors.

The three day event began on Wednesday 3 August with 120 ladies playing a 4BBB Par competition as a warm up to the two day championships. The day was kindly sponsored by R & L Hiab Services.

Players contended with rain and squally wind which made for some tough golf, and with full water hazards, some of which had tortoises in them, it added some extra excitement and a degree of difficulty to our visiting players.

The winners were:

- 1st Place Debbie Campbell and Jenni Knowles of Bolgart with +6 on a countback
- 2nd Place: Robyn Richards and Sue Shenton of Quairading.
- 3rd Place Glenys Collins and Karina Leonhardt of Beverley with +5 on a countback
- 4th Place Viv Camerer and Serena Syred of Bolgart.

Novelties were sponsored by Rhonda Minchin and Jane Murray

Thanks again to all involved with the Avon Valley Ladies Golf Association Championships held in Beverley.

Well you would think that after all that golfing that the ladies would be beat, but they were back into it again the next week playing stroke for Cathy Blechynden's trophy. Jane Murray won on countback from Glenys Collins with 71 nett.

Championships play began on Wednesday 17 and continued on 24 August with finals set to be played on 31 Aug. The 36 hole championship playoff will be between Glenys Collins and Maxine Watts and the 18 hole plate play off will be between Heather McLean and Sera Minchin and we look forward to bringing you the results next month.

# BEVERLEY REDBACKS HOCKEY CLUB

It was nice while it lasted and I have to say that those shining few days after our first win of the season I can safely say were the happiest days of my life!

Back to a small dose of reality when we played Jenna the following week and were beaten soundly, although not as badly as on previous occasions. We followed this up with a fighting loss to Aces White the following week. I hasten to add that on both occasions the ground we played on resembled and indeed smelt like a sewerage farm so the conditions were trying for all sides.

We were unlucky to lose against the York Jets team that we so joyously beat 3 weeks earlier.

Far be it from me to cast aspersions but when an opposing side has to bring in outside talent JUST to beat Beverley then at least we can be sure that they FEAR us. Unfortunately we not only lost that match but our Fi Bowden had her knuckle broken during play and will be out for the remainder of the season, a far greater blow to the team.

As I write this there are 2 more games to go and I can probably guarantee we won't be seeing any finals action. None the less the year has been rewarding to see our newbies 'suck it up' and get on with learning new hockey skills. Our experienced players have also got on with it and all have enjoyed the camaraderie that goes with being in a great TEAM no matter the results!

## BEVERLEY HORSE AND PONY CLUB

Our rally in early August which was brought forward a week due to the Beverley Show was well attended. Marika introduced riders to the fun of the 6 Bar Jumping Event along with other skills in the Show Jumping Department. Riders also had their usual horsemastership and flatwork lessons in the morning preparing them for their next pony club certificates. The afternoon was given over to practising the show games with Renée which was great fun for our younger riders, while our games team was worked hard on their skills under the guidance of Jenifer preparing for the semi finals in September.

Seven of our members attended the Avon Valley Pony Club Gymkhana in July and came home with ribbons galore. Tahli won most points for her age group as did brother Archie in his lead rein group. Jessica Hammond was a clear winner in her age group and also did well in the 60cm Showjumping gaining 3<sup>rd</sup> place. Jazmyn and Courtney also did very well. Since then Courtney has had a very distressing disappointment; after finding a delightful and experienced big pony to graduate onto, and having success with her; it turns out that "Muffin" is a stolen pony and cannot be sold as the case is in Police hands. It is the first time such a thing has happened in the club and we are all devastated for Courtney.

Renée coached our senior mounted games team at Moora for the Pony Club Knockout Event. Teams from all over the state met there for the right to ride here in Beverley in September at the Active Riding Championships. We are delighted to report that Vicki, Jessamin, Jess H, Jess T and Jazmyn carried our flag to success and will be part of the big day's ahead – well done girls.

Jessica Hammond has had to miss some of our rallies as she is busy training with the PPG's state Junior Squad. There were about twenty riders testing each other's skills and only five spots available on the team. While the final team was mostly made up of older riders who had previously been state representatives, Jess has learnt a lot from her time in this year's squad and will be aiming high next year.

Planning is well in hand for the hosting of the state championships next month. The top 6 teams in each PPMG division will compete in the finals at the royal show. Our local riders will also have the opportunity to be part of the display on the main arena during the evenings over the course of the royal show. This is all part of the PCAWA 50<sup>th</sup> anniversary celebrations and will give riders a unique opportunity.

Several of our riders were at the Beverley show with Archie, Tahli, Jazmyn, Jess H, Bronte, Jessamin and Vicki all having an enjoyable day out. I did see a swag of ribbons going home with Bronte who should be proud of her achievements with *Miss Muffy* at their first show. Archie also had a very successful day on the lead rein with his lovely piebald *Jack*. Coaches Jenifer and Annette also had two of their welsh ponies at the show for a first outing and were very pleased with their performances.
