President Report – December 2013

WALGA Country Reform Policy Forum

The WA Local Government Association is establishing a Forum to investigate various options and opportunities to develop policy around reform of Local Government in rural and regional areas for consideration by all country Local Governments. I have received the opportunity to participate in the Forum, which attracted a huge response, and Expressions of Interest from across the state.

Councillor Training

Various training courses are available to assist Councillor’s advance their knowledge and capacity in undertaking Elected Member roles on behalf of the community. Councillors Chris Pepper, Peter Gogol, Keith Murray, Tom Buckland and Don Davis recently attended a Councillor Roles and Responsibilities training day hosted by the Shire of Brookton.

Trails Masterplan

Following a successful Lotterywest grant application a review of trails planning in the Shire is due to commence. Mike Maher of Transplan Pty Ltd has been awarded the contract to do this and through the community consultation/feedback stage I’m sure you will ascertain he is extremely passionate about trails planning. Completion of this work will support further grant applications to assist with staged implementation.

Standpipe Controllers

Controllers are due for installation at the Brooking Street and Balkuling standpipes and will be operated via a swipe card system. The Baty’s Road and Barnsley Street standpipes are permanently closed. Please contact the Shire if you require information regarding these changes.

Works and Garden Teams

A 3km section of road widening and bituminizing has been completed as part of ongoing upgrade works to the Westdale Rd. The garden crew has been tidying gardens, servicing reticulation in preparation for the

summer months and, like many of you, continuing with weed control following the favourable extended growing season.

UWA Landscape Beverley Design Studio

The students have submitted their final portfolios for assessment. For anyone interested the Beverley Studio is currently featured in an exhibition of various university works displayed at the “Cullity Gallery” on the Corner of Clifton Street and Stirling Highway in Nedlands until 10th December. The students have also initiated development of “The Beverley Book” to provide a quality record of the project.

The challenge now for Council and our Community in achieving some of the design outcomes, taking advantage of the vibrant and creative works tailored by these senior design students specifically for Beverley, will be to implement and initiate further design work within the realms of the Community Strategic Plan, and access the funding to do so.

Avondale

The Shire continues to work with the National Trust advocating for a favourable outcome toward reinstatement of visitor and community access to Avondale. The ongoing support by the Avondale Farm Project Association (AFPA) toward monthly museum workshops and events such as the recent Stomp for the Stables has been invaluable in terms of continuing the public interest, albeit restricted at present. The Shire became custodian of the significant museum collection at Avondale during the land transition from Ag Department to National Trust, thus ensuring it remained intact, and

Council is now in the process of establishing an MOU agreement with AFPA for ongoing management.

Beverley Morgue

As mentioned in the November Blarney I am interested in receiving any feedback around closure of the Beverley Morgue facility and how this may be affecting our community. Thank you to those who have made contact. I am awaiting reports from WA Country Health Service and Mia Davies MLA has taken a keen interest in this issue.

WWW and MMM

Congratulations to the Beverley Community Resource Centre on presentation of the third, and again successful, Wild Women of the West seminar. This year the fellas also had their opportunity for fun and food at the CRC organised Mad Men’s Muster back in October.

School Ball

Reports following the recent school ball held at the Beverley town hall for Beverley, Brookton, Quairading and Kellerberrin year 8, 9 and 10 students indicate it was a great success. Lyn Kay was a key driver in establishing this event and her efforts on behalf of youth in the region are to be commended.

Remember ..

Council is again hosting the Beverley townsite Christmas light competition, so don’t forget to get those lights up by Friday 13th December!

On behalf of Council have a Safe and Happy Christmas

PRESS RELEASE

BEVERLEY TRAILS MASTER PLAN

Opportunities to explore the bushland of the Shire, its natural attractions and its heritage will be enhanced under a new plan commissioned by the Shire of Beverley.

Transplan Pty Ltd, recreation trail planning and design specialists, have been appointed by the Shire to prepare a new Trails Master Plan.

The purpose of the Trails Master Plan is to develop a strategy for the future development and maintenance of a network of recreational trails throughout the Shire – to cater primarily for activities such as bushwalking, horse riding and off road cycling.

The area already has much to offer trail users with the Avon River passing through Beverley, and a rich natural, built and Indigenous history.

The Trails Master Plan will identify existing trails within the shire and the demand for recreation trails in the region. It will outline the potential for additional new trails to satisfy current and expected future demand.

“Public input is important,” consultant Mike Maher said. “Trails are community resources. Many people already enjoy trails, and they bring all kinds of benefits – exercise, good health, relaxation, bird watching, environmental awareness, economic benefits and more. We want to know what trails the community wants, where they want them and how they want them built and managed. So if you have got a project in your area, or you are simply interested in any matter to do with trails, come along and have your say at the community meeting that will be held in early February.”

Further details about the community meeting will be published in future editions of the Beverley Blarney.

In the meantime, if you have any ideas for trails, or wish to make early contact with the consultant, you can contact Mike Maher at the following email address: mmaher@westnet.com.au

IMPORTANT NOTICE TO ALL RESIDENTS

Please be advised the following:

- **The Beverley Shire Library** will be closed from Wednesday, 18 December 2013 to Friday, 20 December 2013 inclusive.
- **Police Licensing and Front Counter** will be closed from 8.30am to 1.00pm, Thursday, 19 December 2013.

Chief Executive Officer

REMINDER – COMMUNITY GRANTS

Does your incorporated club have a project that needs some extra financial help to get it underway? And does your club go into holiday mode over January? If you've answered yes to both of these questions, then we highly recommend you call into the Shire Office and pick up a Community Grants Information and Application package so your committee can do it all now and have it ready to submit in January 2014.

The Community Grants will be open for submission from 8:30am Monday, 6 January 2014 to 4:00pm Friday 31 January 2014. Late submissions will NOT be accepted.

All the terms and conditions can be found in the information and application package.

HIRE OF AMENITIES BUILDING

The Shire of Beverley would like to advise the Beverley Community that as of the 01 December 2013 a Key Bond of \$50 and a Cleaning Bond of \$150 will apply to all bookings made for the Amenities Building. Clubs who make seasonal bookings will be charged once at the start of their season and will be refunded at the end of their season.

Stephen P Gollan
Chief Executive Officer

BLARNEY ARTICLES, NOTICES AND ADVERT SUBMISSIONS

Due to time constraints when printing the Blarney please be advised **that no articles, notices or adverts will be accepted after 4.00 pm of the closing date - no exceptions**

Stephen P Gollan -
Chief Executive Officer

ATTENTION ALL STANDPIPE USERS

As we previously advised that the standpipes located at Baty's Road and Barnsley Street have been permanently locked as from the **29 November 2013**.

As of the **1st December 2013** the standpipes located at Brooking Street and Balkuling are operating via a Swipe Card System.

Therefore, to enable you to obtain water from either of these standpipes you will be required to come into the shire office to obtain a swipe card. There will be a 'one' off payment of \$15.00 to obtain this card to enable you to be registered to use this system. (Replacement cards will also cost \$15.00).

The billing system will remain the same at the moment, ie invoices will be sent out at the beginning of the following month. Eventually we hope to go to a fully 'pre-paid' system.

Should you have any queries with regards to the above please do not hesitate to contact Valery Seeber on 9646 1200

BEVERLEY YOUTH CENTRE CLOSING!

One of the hardest decisions I have had to make, but as of Friday 06 December and after 7 years, the Beverley Youth Centre will be closing.

I have made this decision as since I started working in my new job as a Youth Support Officer full time, along with all my other jobs, I have been working nearly 50 hours a week.

I have 2 wonderful sons, daughter-in-law, my beautiful grandchildren, family and friends - I would like to spend more time with them and living life for "ME" after a very difficult 2½ years in my private life.

I would like to thank the Shire of Beverley for their support and belief, the wonderful community of Beverley for all your donations and encouragement, my 2nd in charge - Robyn Cusack and other volunteers over the years and of course the YOUTH!

We have had some challenging times along the way, but the respect and friendship I have with you all has truly made me a better person and I will always be here for you, I am only a phone call away.

We will have a sausage sizzle on the 6th December and I would love all the Youth, families and friends to come down and say goodbye anytime from 6pm - 10pm.

Thank You With All My Heart!

LYN KAY.

Government of Western Australia Department of Local Government and Communities

AMENDMENTS TO DOG ACT

The amendments to the *Dog Act 1995* came into effect on **1 November 2013**.

Some of the key changes in brief include:

Microchipping

From 1 November 2013 all new dogs, that is pups and other dogs being registered for the first time, and dogs where ownership is changing will need to be microchipped. All dangerous dogs will have to be microchipped by 30 November 2013. All other dogs do not have to be microchipped until 1 November 2015. Also, **any dog impounded will not be released from the pound before being microchipped - this is at the owner's expense.**

Registration

The option for lifetime registration is now available at a cost of \$100 for a sterilised dog and \$250 for an unsterilised dog. Pensioners pay half these amounts. Dangerous dogs must be registered annually. A new Dog Registration form has been redesigned in line with the Cat Registration Form.

Nuisance

The definition of what constitutes a nuisance has been improved. A single complaint as to nuisance can be investigated. If the authorised officer is satisfied that a nuisance is occurring, he or she can issue an abatement order which stays in effect for six months. This requires the owner to take action to address the nuisance. A breach of the order creates an offence.

Penalties

Penalties have been increased for all offences.

Impounding

A dog whose owner is identifiable must be retained for a minimum of seven days, and every reasonable effort must be made to contact the owner or owner's representative.

Further information is available on the Departments website www.dlgc.wa.gov.au

The Department of Local Government and Communities will also be preparing advertising for local newspapers.

Telecommunications Questionnaire

The Avon Business Alliance, comprising of Council, Chamber of Commerce and business representatives in the Shires of Northam, Toodyay, Goomalling, Koorda, Dowerin, Wyalkatchem, York, Quairading, Cunderdin, Beverley and Tammin was established in late 2012 to:

1. Work collaboratively to take advantage of economic opportunities in the Avon, and
2. Identify common business issues and pursue a clear path forward to solve them.

This was the fourth networking event for the group and was a chance for local Chambers of Commerce, business leaders, Heartlands WA and the Wheatbelt Development Commission to come together as one group to pursue ongoing business and economic development opportunities in the Avon.

Issue: Quality and equitable mobile phone and internet telecommunications for businesses in the Avon (compared with metropolitan area)

Solution: ABA would like to provide a united statement from businesses in the Avon regarding mobile phone and internet telecommunications

Questions for businesses:

1. Mobile Phone coverage is poor / average / excellent?
2. If poor / average, how does this impact your business performance?
3. Who currently supplies your internet and mobile phone service?
4. What is your current internet service – ADSL, satellite or wireless?
5. What technologies do you currently use in your business (i.e. Cloud, Social Media, Networked Servers)?
6. If you had faster internet service, what additional technology would you adopt (i.e. Cloud) and how would it impact your business performance?

BIG ENOUGH TO DO THE JOB SMALL ENOUGH TO CARE

Beverley Historical Society 36th AGM Annual Report 2012 / 2013

Membership: Current membership stands at sixteen and meeting attendances range from seven to ten.

Beverley School Visit: Once again the Year Two Students from Beverley School came to the Dead Finish in November 2012 to learn about the 'Olden Days'. The children hand-washed clothes, polished silver, wrote with nib pens and dressed up in period fashions in an exercise designed to teach them what life was like before electricity and indoor plumbing.

Book Launch: Fred Bremner's latest book 'Don't Waste the Water' was launched at the Dead Finish Garden by Max Trenorden on February 25th 2013.

Easter: This year's Easter display centered on 'Hand Made', the self sufficiency of early settlers. Therefore during the weekend the emphasis at the museum was on hand made articles, such as tools, utensils, furniture, clothes and gifts.

Bus Tours: We saw a decrease in bus tours calling at the museum this year. Two of the largest groups that arrived by bus were the Narrogin Probus Club and the Royal Western Australian Historical Society. The latter had lunch in the garden area. Other groups to call in were the Avon Valley Collectors Club, who held their meeting at the museum. The WA Historical Cycle Club visited us as well.

Early Census: The York Society has provided us with a digital version of the 1895 York Census. This covers the families living in York and Beverley at the time.

Field Trips: Our first trip in May was to the Dale area where we inspected some old relics at Hillside farm and then the dry stone barn there that was built by John Withnell in the mid nineteenth century. It is still standing and in good condition. Other points of interest were the Dale hall, the various school sites in the area, plus the last school to be used near the wheat bin. We also viewed some old charcoal pits where over 200,000 bags of charcoal were produced around the time of World War II. Our sincere thanks to the Dale folk, who gave up their time to provide us with so much information on the day.

We had another trip in June, this time to Mt Kokeby where we inspected the old town site and surrounds. On our way back we visited the Jurakine Homestead where, back in 1924, six and a half thousand almond trees were planted, making it at the time one of the biggest almond orchards in Australia. Our thanks go to Joyce Ridgway and Malcolm Fleay for their input of local knowledge.

Beverley Show: This year the theme for the show was 'Living in the Country'. We adopted the theme 'living in the country means playing sport'. Morag compiled a collection of photos, memorabilia and old sporting equipment. The display appeared to attract favourable interest from the public.

Post and Rail Fence: A new post and rail fence was erected on November 2nd 2012 on the Morrison St frontage (with thanks to our President).

Garden Plaque: A plaque was purchased by the Historical Society and placed in the garden to recognise the achievement of the Beverley Garden and Tree Society in establishing and maintaining the Dead Finish Garden. It also acknowledges the 30th anniversary of the Garden and Tree Society.

Research: Requests for various information have been made throughout the year. In most cases our researchers have been able to help with the information required.

Donations: The Society appreciates the many donations received throughout the year. There have been some significant items among them.

Visitors to the Museum: Visitors to the museum appears to be approximately 350, well down on last year. In conclusion I wish to thank members for your support and efforts to keep the Society functioning. In particular, thank you to our treasurer Erica and last but not least our secretary Morag for the time and work done for this organisation.

Beverley Garden and Tree Society

On Tuesday 11 November we had our AGM. Twenty three members attended and we had a lot of fun going over the happenings of the year. Vera Johnson took the chair to conduct the election of office bearers,

Betty Cable - President

Vera Johnson - Vice President

Dalene Davies - Secretary

Raewyn Blight - Treasurer

All office bearers were elected unopposed and declared they were up for another year. Joy Burrows was elected as our new social secretary as our dear Judy has said she is ready to step down.

Subs are to remain at \$5.00 per year, as they have been since the first meeting 31 years ago.

Plantings at the lodge have taken place with a lemon, 2 x mandarins, an orange and a lime tree put in a couple of weeks ago. We will put raised beds in just in time for Autumn planting.

Our annual Christmas Party will be at the Freeman's Tavern on Thursday 5 December. All members to bring a gift to the value of \$10.00.

We close now for the summer break and will resume our meetings in March. Dates will be put in the Blarney.

We wish all members and their families a safe, happy festive season.

SEAVROC Biodiversity grant

The National Trust has secured support through SEAVROC for the supply of 2,400 seedlings and approximately \$910 for baiting.

State NRM Grant for Reserve management

Avondale Farm Project Association has been successful in applying for funds to further manage the Reserve vermin, re-vegetation, fix some gates, and add some directional and interpretative signs. We are now developing an action plan for activities to enhance the Avondale Reserve. This is a very timely development considering the trails planning being undertaken by the Beverley Shire through their Lotterywest grant.

Around the Farm

- ☞ Harvesting is underway.
- ☞ A stock water line has been reconnected to water so the paddocks in the north east of the farm now have water.
- ☞ The piles of rubbish around the core building area should be cleaned up by the end of November.
- ☞ Max Employment Beverley Cares team is due to commence again at the end of November.

Farm Lease

The submissions are currently with the National Trust to be assessed.

Clydesdale horses

- Marian Byrne, now living at Avondale, has taken on responsibility for the Clydesdale horses and has shown her commitment. The first week 'on the job' Comet got a grass seed in his eye which required a late afternoon visit from the vet, lots of sedation and a very tricky procedure to remove the wild oat seed. This was followed by a week of 3 times a day putting ointment into his eye, and keeping him out of the sun. Comet is now back in the paddock as good as new.
- Mitch Kerr, assisted by Marian, has been regularly lunging Robbie and getting him used to regular work. He is looking fantastic at the moment. Steve Barwick has also been a regular around the Clydesdales. Mitch has also been seen long-reining Comet in preparation for some log-snigging.
- Next farrier visit for Avondale is scheduled for Wednesday 4 December.

Thank you to all these volunteers for their commitment to keeping the living Clydesdale display happening at Avondale.

Stomp for the Stables

What a wonderful community effort in presenting the inaugural Stomp for the stables. This event has raised around \$1000 towards the Avondale Appeal and was well supported by locals. There was an approximate total of 80 registered walkers, and many of the children raised sponsorship. The support of organisations such as the Bendigo Bank York, Roadwise, Water Corporation and the Beverley Supermarket contributed tremendously to the success. Thank you to all the volunteers who made the event such fun.

Avondale Picnic Area

During the year Avondale Farm Project Association applied for money through the Tourism Infrastructure Grants Scheme for money to support the redevelopment of the Picnic Area at Avondale. Unfortunately, with change in Federal Government the program was abandoned without assessing the applications. The National Trust will continue developing plans for the Picnic Area at Avondale and seek other opportunities for funding.

Group visits to Avondale

Group visits are falling off now the hotter months are here. We did have a visit from the Swan Valley Amateur Camera Club. Thanks to John Pratt for welcoming them here for the day, and dealing with all the little challenges that are presented! The theme for their visit was "teeth".

Avondale also hosted the Department of Sport and Recreation Trails Workshop. This was aimed at local government representatives and trails advocates. It was a good opportunity for networking with others who have developed community trails, and potential funders.

INAUGURAL WHEATBELT BALL

Friday 15 November, 2013

With over 70 Youth from Beverley, Brookton, Quairading, York and Kellerberrin attending, the Beverley Town Hall was set up with partitioning covered in 1,000 fairy lights, tables with fairy lights on bamboo branches, balloons and DJ - Jo Laird and all her lighting-it looked amazing. I would like to thank the Shire of Beverley boys for helping with the heavy gear and along with Robyn and Alan Cusack, mum and myself, turned it into an "enchanted forest"!

Big thankyou to all the workers in the kitchen - Deb, Josie, Morgen, Lisa & Gail, the food was amazing, either being donated by the wonderful Beverley Community or cooked by Lesley and Narelle. Also, big thanks to the boys from the Men's Shed who cooked up very tasty Chicken Kebabs, Lamb Satays and sausages on the BBQ. A big thanks to my "Security Guard" Ted for keeping an eye out for me, so good the Youth were so well behaved-made your job so much easier.

I would like to also thank my Colleague - Michelle Blackhurst who not only drove the bus from York but was also our photographer for the night. The photos are fantastic and we will have lots of memories to keep.

I would also like to thank Regional Development of Australia for allowing me to work on this initiative of bringing youth from all the Towns I work in as a Youth Support Officer to come together, with the Youth putting so much effort into getting ready, looking beautiful and handsome and behaved respectfully throughout the night, lots of eating, dancing and having loads of fun - I was so proud of all of you.

Also, to all the Shires who offered assistance and buses, the Schools, Principals and Teachers for working with me to make this event memorable-the Youth are already asking can we have another one next year - I just need a little time to recover!

A "BIG" thankyou to the Beverley Community for your kindness and wonderful support, I could not have done it without **you**.

End of year Christmas sale will be on 29th November, 6th and 13th December.

**All items of clothing will be
50 cents each!!**

We are again accepting donations, please no junk or dirty clothing.

The Op Shop has to relocate in the future and needs to find new premises. Hopefully someone in the community may have a suitable building we could use. We are an important community group, raising needed funds for the Health Services in Beverley.

Station Gallery and Platform Theatre News

Station Gallery

Artist-in-Residence

Our artist for November was Janet Pfeiffer and if you didn't drop in to the Station to see her mixed media paintings you missed something special. Hopefully they will still be displayed at the Station Gallery on the 30th November during the day and also that night during the Chain Reaction Concert. Her workshops were fascinating leaving both adults and children much inspired.

Above: Having fun with Interplay Movement on the stage, Middle: A busy candle engraving workshop on the Station platform Right: A-I-R Janet Pfeiffer with students and mums.

Next artist to stay in at the Station and look after the gallery is Danielle Smith from California, USA. Danielle has recently graduated from California College of the Arts earning a Bachelors of Fine Arts for Painting and minor in Writing and Literature. Through travel and gaining life experience as well as artistic experience in other places she hopes her coursework will be enriched and will have the opportunity of being influenced by other cultures. She has experience in building communities through artistic practice and holding workshops for children. She won't be holding any formal workshops whilst here, but is happy for anyone to paint alongside her. Or just drop in for a chat as a welcome to Beverley - and Australia!

As you may be aware Kathryn McLean is completing a unit of study in Cultural Planning. Her final assignment will culminate in a cultural plan for Beverley Station Arts Inc and she is seeking ideas from the community in composing a vision for the future of our wonderful arts facility and programs.

Please express your ideas in any form you feel appropriate - an email, a conversation, a painting, a poem, a photograph, a quote or expression - even a recording. Whether it is a specific idea/program/event or an all encompassing view for the future of BSA Inc, all submissions are welcome to be delivered to Kathryn c/- the Shire. There are also four charts displayed at the gallery on which some ideas have already been brainstormed. Feel free to add your consideration to the following four key areas:

- ☐ art gallery and art collection
- ☐ artist in residence program
- ☐ rail history & carriage restoration
- ☐ Platform Theatre

Artists in Residence programme for the remainder 2012 and 2014:

November 28th - end December: Danielle Smith (California, USA)

January & February - Jasmin Chouikha (Portugal)

March - Gabby Laurent - photographer (UK)

April - Julia Jurel - writer (Perth)

May - Lisa Reilly & Graeme Burge - ceramicist (Perth)

June - Marlish Glorie - writer (Perth)

September - Dave & Sandra Conlin - watercolourist, and James Larkins - printmaker (Perth)

October - Mervyn Beamish - artist (Perth)

For further information regarding residencies keep an eye on the Bulletin and/or contact Artist in Residence Coordinator Marylou Hutchinson on 9647 1027 / 0427 085 511 or email: hutchinson@wn.com.au

If you wish to become a member of Beverley Station Arts Inc (Friend of the Station) please see treasurer Pauline at the Newsagency, phone 96461042. Membership forms can also be downloaded from www.beverleywa.com (NB cheques to be made payable to Beverley Station Arts) and send to PO Box 112, Beverley 6304.

BEVERLEY VISITORS CENTRE

Another busy month in Beverley with a steady flow of visitors to our town and into the Bureau and Museum. It is rewarding to hear good comments about the cleanliness of the area and how welcome people feel when they stay here.

A huge thank you to our group of volunteers who have manned the Beverley Visitors Centre and welcomed people. We are a small group and would welcome extra help so maybe you could think about giving us a call sometime.

Due to the 'motorhome' people being in Beverley we have been the recipients of a generous cheque for \$290. This donation will be put towards a seat outside on the lawn where anyone can sit and rest. Thank you. Hopefully early in the New Year we will have purchased one.

As we move into December and Christmas approaches there always seems to be so much to do and so little time to do it.

We wish everyone health and happiness at this time and keep safe. Our thoughts are with you all.

BEVERLEY SUB CENTRE

Community Paramedic

We would like to introduce Andrew Richardson, our recently appointed Community Paramedic for the Central Wheatbelt. Drew is based in Brookton, but will be working alongside ambulance volunteers in Beverley, Brookton, York, Pingelly, Cunderdin, Quairading and Corrigin.

Drew has many years of experience as a paramedic and has bonded well with our volunteers here in Beverley, assisting with training and offering support wherever necessary. Drew and his family also attended our Graduation/Christmas BBQ evening on the 2nd November, with Drew helping to present certificates to many of our hard-working vollies. Our sub centre looks forward to a long and successful partnership with Drew, and we wish him well in his new position.

Airstrip Lighting Appeal

As you know, for some time we have been working towards the installation of lighting at the local airstrip so we can be better equipped for night-time medical emergencies. We are hoping to see this important project completed sometime in 2014 but, as you can imagine, this will require a large sum of money to achieve our goal. Yet, it's a small investment when you compare it to the value of the lives it could save in the future. There have been occasions when the RAC chopper has not been available and the RFDS are not able to land here at night. This can cause serious delays in treatment for the severely ill or injured patients needing immediate evacuation to a major hospital. Once again we will be asking the residents of Beverley to support us in our fundraising efforts to ensure Beverley has the best Ambulance and Emergency Service possible to serve its community.

You all responded so well to our Defibrillator Appeal in 2010 that we exceeded our goal in a very short time, so we hope you will again get behind this worthwhile cause.

We will be placing some collection tins around town so please look out for them and give generously. Various clubs/groups have already expressed a desire to support this project, so if you or your organisation would like to donate, you can contact our President, John Lane, on 9646 1306 or 0429 965 654.

Together we can make it happen!

Treatment for snake bite

Now that the warmer weather has arrived, the incidence of snake bite is a real threat. Would you know what to do if you or someone you know is bitten by a snake?

Managing a snake bite

1. Don't panic. Call/send for help.
2. Rest and reassure the patient.
3. Apply a broad pressure bandage over the bite site as soon as possible.
4. Apply a pressure immobilisation bandage – start just above the fingers or toes, and move upwards on the limb as far as can be reached. (include the snakebite). Apply tightly without stopping blood supply to the limb.
5. Splint the bandaged limb.
6. Ensure the patient does not move.
7. Write down the time of the bite and when the bandage was applied.
8. Stay with the patient.
9. Check circulation in fingers or toes.

DO NOT wash venom off the skin
DO NOT cut the bitten area
DO NOT try to suck venom out of wound
DO NOT use a tourniquet
DO NOT try to catch the snake

Season's Greetings

From all of us at the Beverley St John Ambulance Sub Centre, we wish all the residents of Beverley a very Happy Christmas and a safe and wonderful New Year.

Please celebrate responsibly so we can all enjoy the holidays. Cheers!

BEVERLEY PARALEGAL COMMUNITY INFORMATION SERVICES - BCS

Once again we clarify that we do NOT offer Legal Advice.

INFORMATION

From time to time we request the Law Society to send us Legal Information brochures. From this source, we provide and gather information. This is strictly **Basic Information.** We normally request the Party to seek further information, from a Lawyer or to phone the Institution to get more up-to-date information or advice.

Appointments made on behalf of others are done so, strictly with that person's verbal authority, and thereafter, if required, any matters that are put in writing, are duly signed/authorised in our letter. No matters, appointments and/or phone calls are made without the authority of the party concerned.

When seeking information relating to a legal matter, it is always advisable, to also seek legal advice through Lawyers.

FINES AND INFRINGEMENTS

Those who are facing hardship or are unable to pay please phone this department, to work out a re-payment plan, with the department concerned.

It should be noted, even though one receives information or advice, these days to protect one's self, it is wise to seek second opinions.

LEGAL ADVICE

I had to seek advice from a Lawyer on a recent Court case: where one party feels and has a valid concern; in the interest of Justice, and also feels, by the decision that Justice has not been served, then this concern can be lodged with the Attorney General's Office. In all such cases one should always seek legal advice.

Roses from the Heart Convict Women Bonnet Memorial

Thought I would let all bonnet makers know what has been happening with Christina and the bonnets. In late October Christina was awarded Tasmanian Senior of the Year for her work in highlighting the convict story – in particular the female convict story. In January she flies to Canberra as part of the Australia Day celebrations. All state winners will be in attendance. The winner of Australian of the Year, Senior Australian of the Year and Youth Australian of the Year will be announced.

Recently RTE Nationwide in Ireland did a 25 minute documentary on Christina and her bonnet memorial, with an estimated 500,000 viewing audience. It was aired on Irish TV on 25th October.

She held several exhibitions whilst in Ireland and her last exhibition was called "Swept under the Carpet" at Kilmainham Gaol.

Less than 2000 bonnets to go before the target of 25,566 bonnets - one for every convict woman sent to Australia. Beverley, Brookton and York people made an outstanding contribution to Christina's bonnet memorial.

Also on 18th November Christina and Cascades Female Factory Historic Site in Hobart were the Tasmanian Winners of Creative Partnerships Award and were presented with this award at Parliament House in Canberra along with the winners from the other States.

Australia had a population of 22.68 million in 2012. With one in four having convict ancestry just in our country alone there are 5.67 million with a connection to our convict ancestry.

*Anonymous
show tips*

Recommendations from someone who always ends up cooking at the last minute:

1. *Got any spare room in your freezer?* Make use of it and save that last minute cooking rush before the show.
2. *Stone fruit season is here but the weather is a bit hot for making jam.* Lightly stew your fruit and freeze - you can make jam for the show when it is cooler weather.
3. Ever thought about doubling your Christmas cake mix and keeping one cake in the freezer for show time - not a bad idea and it is allowed - so think about that when you are buying ingredients.
4. Did you know that (according to a reliable source) you need to plant broccoli in January so it will be ready for the show in August?

Remember - think ahead and make your life easier .

I really am going to try this year, how about you?

Beverley District High School

Hello and welcome to our penultimate edition for 2013. As usual there has been a lot of action at our school including;

- * a very successful **Book Fair** (Thanks to everyone for supporting us).
- * the inaugural **Spelling Bee** introduced by **Chantelle Meade**, which was first conducted at a school level and then our school hosted an interschool Spelling Bee which by all accounts was very successful,
- * our wonderful **Student Council** under the direction of **Sarah Aynsley** conducting our first ever "**Operation Christmas Child**" which provides gifts to less fortunate children.
- * our **Music Dress Up** day, organised by **Marg Barrett-Lennard** which produced some very creative and interesting costumes, and
- * our **Cricket Clinic** conducted by **Brock Fleay**. Thanks Brock!!!!

Staffing

Congratulations to Gemma Ugle who has won the position of AIEO at school. We are sure that with her skills the children at school will be the beneficiaries.

ICAS Medal

Congratulations to Abbey Cooke who will receive a medal at UWA in December for her outstanding performance in being the top student in the state in the ICAS English test.

Italian

As part of my Italian program, Years 3 and 4 have made pasta, Year 5 made their own cassata and Year 6's will be creating their own pizzas. I would personally like to thank all our helpers who came in to assist our Year 3's and 4's. Without your help, the students would not have created their pasta dishes.

High School Happenings

The High School class has been very busy over the course of the year. We have recently had an excursion to Scitech on the 29th October to look into why things glow and also to experience their new exhibit 'Ingenious', which is about tinkering and building objects.

The High School class have also worked hard on producing magazine articles which will be published in the October/November and December/January editions of W.Y.L.D Magazine. These articles cover topics for teenagers such as underage drinking, driving, relationships and healthy living.

We have also been privileged to have a social event, kindly organised by Lyn Kay – the Wheatbelt Ball. Many students attended and it was a great opportunity for them to mingle and meet socially with students from other District High Schools, including Quairading, Kellerberrin, York and Brookton. The students who turned up looked very snazzy in their ball dresses and suits. The whole evening was a wonderful success, with food and soft drinks for the students to refresh themselves, and plenty of music and chances to win dancing prizes.

Technology & Enterprise

All students from Kindy to Year Ten have weekly lessons in Technology. The lesson strategies involve the 4 areas of:

1. Investigating and researching the topic.
2. Designing – exploring different designs and ideas which could be made.
3. Produce – make the item using a range of materials/techniques.
4. Evaluate – reflect on workmanship and effectiveness of the design.

Here are some highlights of recent technology projects.

Year 5 T&E - "On This Day"

Stella – My special day is the 6th August. In 2012, Mount Tongariro erupted for the first time in a century. It is a volcano located 20km south west of Lake Taupo in New Zealand. The first time it erupted was 275,000 years ago. It is 1987m high. I made a model of the volcano.

Kaitlyn – My special day is the 24th March. In 2005, a NASA rocket crash landed on the moon. The rocket was 23 storeys high, weighed 118,000kg and was travelling at a speed of 100mph. The crater it made as it crashed on the moon was 200km wide and 50 km deep. I made a model of the rocket.

Isabelle – On my birthday 22nd May, a form of bicycle first showed up in America. Bikes were also called "swift walkers" back then. The bikes were mostly made of steel, including the seats and must have been very uncomfortable. I made a bike with a big wheel at the front and a small wheel at the back.

Dean – On my special day, October 9th, Isaac Singer patented his sewing machine. The first sewing machine was invented in 1830 by Barthelemy Thimomniier and he was almost killed by enraged French tailors who used to sew by hand and felt threatened by his invention. I built a tiny sewing machine made from paper.

Year 3 – Postage Stamp

Our class learnt about postage stamps – their purpose and design by investigating collected old stamps and looking at posters of new stamps from the Post Office. We made stamps depicting the Australian Gold Rushes in the 1880's. Here are some of them:

Year 4 – Coral Reef Fish

During T&E we learnt about the many different types of paper such as metallic and tissue. We also experimented with paint techniques such as sponging, marbling and crayon resist. Our task was to decorate a fish using different types of paper and paint patterns. The fish were very colourful.

Upcoming Events:

- Thursday 12th December Assembly, Year 6 – 2pm.
- Saturday 14th December Kindy/Pre Primary Christmas Concert – 4pm.
- Wednesday 18th December Presentation Evening, Beverley Station Gallery – 6pm.
- Thursday 19th December Last day of school for staff and students – 3pm.

Beverley RSL Sub-Branch Newsletter

Welcome to the first of what we hope will be regular newsletters to keep our members up to date with the goings on of our Sub-Branch.

RSL Sub-Branch Fund Raiser

As we have an urgent need to raise funds to pay for the insurance for the Hall, we are holding an informal social evening on 14th December starting at 4.30pm. The evening will take the form of a sausage sizzle with salads and dessert, tea and coffee provided at a cost of \$15.00 per head. We are arranging for limited bar facilities for members to purchase their own drinks. While we realise that this is a very busy time of the year for most people we do hope that as many of our members as possible can attend to support our Sub-Branch. Please contact Elaine McCasker on 9646 0005, to advise numbers attending.

RSL Hall Happenings

We are now promoting bookings for the RSL Hall on a wider basis and in order to attract potential hirers a great deal of work has been done to tidy up the surrounds of the Hall and storerooms. Urgent repairs were carried out recently to the roof to stop a leak and ongoing work will be done gradually to ensure that other areas which have aged are brought into a better state of repair. If you have talents which you can donate to any areas which could do with some work, please don't hesitate to contact Tom Buckland on 9646 1001.

Hall bookings can be made through Janet by phoning 0487 919 855.

Membership renewals due in January 2014

Members are reminded that memberships are due for renewal in January. Renewal notices will be sent out shortly. Enquiries regarding membership or nomination forms can be obtained from Elaine McCasker on 9646 0005. There are three categories Membership of the RSL. These are:

- **Service Member** - Any person who has served in any of the Australian Defence Forces in any theatre of conflict, or for not less than six months in the Regular or Reserve Forces of any of the countries of the Commonwealth of Nations or of the United States of America or a country not an enemy of Australia, may join. Membership fee is \$40.00
- **Affiliate Member** – Fee \$15.00

The following persons are eligible for Affiliate membership of the Sub-Branch:

a. Paramilitary Forces of the State and Commonwealth, such as:

St John Ambulance; Fire Brigade; Emergency Services; Prison Officers; Registered Nurses; Customs; Police; Australian Protective Services; Civil Defence Groups; (whether serving or not).

b. Wife or Husband; Widow or widower; Mother or Father; Sister or Brother; Grandchild; Son or Daughter; Nephew or Niece; or Son-in-law or daughter-in-law; Brother-in-law or sister-in-law; of a person who is eligible for Service Membership of The Returned & Services League of Australia, or a person who, at the time of death, was eligible for such Membership.

- **Associate Member** – Fee \$15.00 open to any community member interested in supporting the local Sub-Branch.

RSL Market Days

We plan to hold our Market Days on the first Saturday of each month with the exception of January. Sellers are welcome at a cost of \$6.00 per table and set-up is from 0800. Buyers are admitted from 0900 to 1200. We usually have a wide range of new and pre-loved goods, ranging from preserves, to crafts and clothing. We invite you to take time to clean out your shed or that cupboard you have been meaning to get to and join us on December 7th, or just pop in and maybe pick up some gifts for Christmas.

Members contact details – if you received a hard copy of this newsletter it means that we don't have an email address for you. If you do have access to email, we would appreciate your helping us to keep costs down by providing it to us by contacting Irene Oram at ireneoram@wn.com.au or Elaine McCasker on 9646 0005.

We take this opportunity to wish all our members and their families a safe and happy Festive Season and a prosperous New Year in 2014.

BEVERLEY LIONS CLUB

It's hot, muggy and the Beverley Lions are probably more inclined to curl up under a tree and yawn than do any "roaring". Maybe I speak only for myself?

However, we have been busy and the trailer that we are donating was purchased and is currently having sign-writing applied. We are all excited about getting this project completed and the trailer transferred to the Shire for the Beverley Community's use. We have also sent off the funds to the local High Schools (Beverley, York and Brookton) as Awards for a Year 7 Student at each School.

We have had another successful sausage sizzle. Thanks to all who supported us. Pat and Gracie used the opportunity to raise a few extra dollars with raffles and selling Lions International Christmas Cakes.

The \$50.00-Note raffle was won by Elaine and that cheered her up on a bad day.

The Christmas Hamper raffle will continue this Saturday (23 November 2013) and I am not sure when it will be drawn – watch the Bulletin.

Please support the Lions with their Christmas Cake sales. We are selling 1.5Kg Christmas Cakes – and they are really good- for \$15.00 each. Should you want to order one or more, please contact Pat Thomson on phone 9646 0981.

The Beverley Lions Club will be holding its last meeting for this year (2013) at the RSL Hall on Thursday 5 December 2013 starting at 7.00 pm. Please feel free to join us if you would like more information about Lions.

We will then be in recess until early in February 2014.

On behalf of all the Members of the Beverley Lions Club I take this opportunity to thank our very special Beverley community for their support and assistance during the year. We also wish you a festive and happy Christmas Season.

Lynn Isaacs – Treasurer.

Lyme Disease

Do you know anyone who has been sick for ages & can't seem to get to the reason why? So many people do the medical run around and can't get satisfactory answers.

The symptoms vary from person to person which makes it difficult to diagnose. If you have any of these symptoms....,

general fevers, sweats, prolonged tiredness, muscle & joint pain, intense flu like symptoms
unexplained rash, maybe it is worth having a Lyme Disease test.

Test kits can be sourced from the Lyme Disease of Australia Association.

<info@lymedisease.org.au>

If this debilitating disease goes undiagnosed the results can be quite horrifying. Early detection results in a better chance of cure.

The longer the bacteria is undetected, the harder it is to treat & the more damage to the body it causes, affecting Neurological, Arthritic, Psychological, Respiratory & Cardiovascular areas.

Lyme Disease CAN be caught right here in WA. There are more & more cases showing up where people have not left the State.

If anyone would like to know more please call or ask Jeff & Wendy Murray. We would be happy to share any information we have with you.

BEVERLEY LIONS CLUB

The funds raised for charitable and community purposes have so far been earmarked for the purchase of a (covered) trailer as an accessory for the Shire's Community Bus. The need for a trailer was identified by a community member and we hope that community and sporting bodies will use it well. A trailer has been chosen and its purchase will be finalised at the next BLC monthly meeting.

The BLC is also waiting for responses from the York, Brookton and Beverley Senior High Schools as to recommendations for a \$250 scholarship/prize to go to one Year 8 student at each school.

I also take this opportunity to thank two volunteers for their efforts and time in assisting us with our gardening and sausage sizzle efforts. Isobel, thank you for getting us the job and then putting in hours of work weeding and pruning. And, John Burnside, thank you for fighting the flies, providing your trailer and helping us to cart away the weeds and prunings.

All in all, we thank everyone for their support, generosity and efforts in making our efforts worthwhile.
Lynn Isaacs - Treasurer.

Wild Women of the West 2013

WOW we lived, we laughed and we learnt with a fantastic line up of guest speakers on Monday 5 November. The hall was abuzz with gorgeous women, great atmosphere and good times to be had. The walls were lined with photo's of local women, girls and babies smiling and laughing. We also had a Laughter Lounge, a place for friends and family to get their photo taken by talented local photographer Colleen Sleer. Famous Sharron roamed the audience to take selfies with her, what a hoot. The CRC now has a wall full of selfies.

The day started with an informative talk from **Dr Cath Ferguson** from ECU, who covered the importance of awareness when dealing with suicide prevention.

Social worker from the Wheatbelt GP Network, **Mrs Fiona Bowden** addressed the issue of negative self talk. Fiona presented a short movie of local girls and ladies, she asked the question "How does your mum inspire you?" The impact of this movie was astounding as many women had the light bulb moment, that the girls didn't get inspired having the perfect body or how beautiful you looked today; it's what you do and how you care for them that matters to them.

This was definitely a thought provoking presentation prior to the morning tea break. Our guests took this opportunity to do some shopping at the market stalls in the Lesser Hall or just talk to old and new friends.

We returned to our seats with a presentation from **Vicki Olivio** a cardiovascular specialist from Johnson & Johnson. If we learnt one thing, it is that Heart Disease is the number one killer of women in Australia.

The stunning **Amy Coombe** was next and she wowed the audience with her story. As a young mother I was grateful for Amy's story about her fight against anorexia, bulimia and depression. She reinforced the issue of negative self talk in women. We were pleased that Amy had an opportunity to present a workshop with 12 girls from the Beverley District High School.

Next was a live cooking demonstration by **Sophie Budd** from Taste Budds, with the assistance of Famous Sharron. Sophie had some help from the audience but what the guests weren't expecting from the Moroccan cooking demo was to be in fits of laughter, compliments of Famous Sharron. The final product was sampled by the audience and we all agreed it was delicious. And now we know where Cous Cous comes from!!!!

Famous Sharron continued to entertain with her version of 'Find 30' with the help of some of the ladies from the audience. We all joined in for the spectacular dance led by our fearless leader, laughter would have been heard all the way down Vincent Street as we boogied our way into lunch.

More shopping, fabulous food and socialising was high on the agenda and achieved by many. A big thankyou to the Beverley Horse and Pony Club who catered for this event, the food was just amazing!

Our MC Marlene Willson then introduced the Honorable Mia Davies who drew the door prize and raffles. We then listened to our keynote speaker **Michelle Cowan** and WOW what a woman. She gave new meaning to being passionate and inspiring. Her journey that she endured into the man's world of football reassured us all that being passionate and following your dreams and goals can be achieved and when you do it is a sweet victory. We truly thank her for sharing her personal story with us all and her definition of finding balance between family life and career was memorable.

The afternoon was ended by a thank you from the sub committee of the Wild Women of the West, Samantha Fricker, Amor Moulton, Anto Cooke and Marlene Willson.

The event was sponsored by One Life (1life) and we thank them for their support. We also thank the local businesses that also supported the event through donations.

Famous Sharron with Michelle Cowan having a ball at the Wild Women of the West

The year is drawing to an end, and we will have only 2 sessions in December. Thursday 5th December will be our Christmas Party with a very special visitor, Christmas tree, and certificates for all children going to Kindy next year!! And the final session will be on the 12th with water games so please bring towels and a change of clothes!!

Overall the year has been pretty busy, with a fair few events and activities held : an Easter egg hunt, a cupcake decorating session for Mother's Day, a fundraiser (The Biggest Morning Tea), we made a fantastic mural for the Beverley Show, we introduced monthly story time sessions, we had a lovely morning tea for Father's Day with lots of Dads attending and finally the awesome BOOGIE ROOS that saw 30 babies and children attending!! What a day that was!!

I really hope that next year will be as busy as this year was. Sandra, the lady from the Boogie Roos said that she is interested in coming back next year. We will still make a mural for the show. Hopefully story time, and other activities will continue.

Playgroup is a fantastic opportunity for children and parents to socialise, share experiences and make life time friends.

Toddlers particularly love playgroup, they play with peers, discover new games and get messy. Within very few sessions they will look forward to coming. The more people attend and get involved, the more activities and special events can be held and cheaper it will be.

Playgroup will be closed during school holidays, but we will have an AGM during this time to get ready before the start of next year.

I would like to thank all the parents, grand-parents, guardians and babies/children that attended regularly and helped through the year, without you playgroup wouldn't have been happening!

A big thank you goes to all the people that volunteered to our story time sessions: Kate, Jess, Jo J, and Alexis, to the CRC that allow us to use the room and to everybody else that helped and supported us that I forgot to mention.

At last but not least, I wish you all a Merry Christmas, and hope to see you next year.

 Beverley & Surrounding Areas

Hello Everyone,

OK, Blarney number 3, where do I start? Well, it's been a busy few weeks since I wrote the last Blue Line. We've not only been busy here in Beverley with varied issues but also we've been helping out our friends and neighbours over in York which has meant we haven't always been in town.

We are still working with partner agencies (listen to me, Mr Corporate Speak !) regarding a number of issues and once again I'm going to have to be bland and non-specific, save to say one issue in particular is still a work in progress. I'm aware of a number of incidents that have come to light recently but rest assured we are still working hard to come to an acceptable solution for all parties.

The number of incidents involving off road motorbikes seems to have dropped off somewhat. Many thanks to all those who may have spread the word about what we can and will do should we receive specific information about the bikes. Nothing has changed regarding our approach to this issue and we'll still prosecute those who transgress.

I don't know if it's something to do with the weather warming up a bit but we've been to a few more traffic accidents lately. Most of these have been during the hours of darkness and the majority of them have been what I would class as serious. What I can say, and I'm no traffic crash investigator, is that excess speed was undoubtedly a major contributory factor in many of these accidents.

Now I'm not going to give a lecture on how speed is evil and we should all drive about with a man waving a red flag in front of us but please, for your own sakes and your families' sakes, just lift off the loud pedal a bit. A speed limit is just that, a limit, it isn't necessarily a target to be aimed for. Add into the mix inattention, fatigue, gravel and soft verges, the desire for our local wildlife to play chicken with cars and on at least one occasion too much of the liquid that makes you fall over then the chances of having a prang are increased massively. I'm a firm believer in education over prosecution and will never belittle anyone regarding traffic infractions but trust me when I say picking up bits of people (and it's happened recently) isn't one of my favourite jobs. Beverley is a great place with an enviable low number of traffic crashes. By applying common sense and a bit more attention we can all keep it that way. By the way, I'm not Mr Perfect when it comes to going a bit quick so everything I've just said hasn't come from someone who is pretending to be holier than thou.....

Happily the dog poo issue seems to have dissipated somewhat. There are more poo bags around town now which is good to see so well done owners and well done to the pooches on quite simply superb bowel control !

Ian R has been away on leave and just to let you know he regularly texted me to let me know what a good time he was having in his caravan up in Jurien Bay, Dongara etc etc. He really is all heart. I am aware that some of you have been suffering from separation anxiety with him being away but rest assured he's not on leave again for a while so if you listen closely you might just hear him around town!

There have been no animal related incidents or injuries this month apart from me falling over the dog when I took him for a walk. That was 6 of one, half a dozen of the other though. He ran at me, I ran at him, there was a collision, end of story, nothing to see here (well there was, a large bruise on my leg but that'd make me sound like a whinging Pom wouldn't it ????!!!!!)

Speaking of Poms, on the 27th November it's Lancashire Day. Now as you may have noticed, Ian and I speak very similarly. That's because we are both children of the same county, Lancashire. Traditionally we would wander around town wearing clogs and flat caps whilst eating hot pot and black pudding. Who knows, we might yet still, that remains to be seen but please be sympathetic to us on the 28th November, we may be a little fragile.....

Oh yes, and speaking about Poms some more, The Ashes have started. Please try and give England (or as they are also known, South Africa A) a game this time ;-)

Cook – “Hey Clarkey, did you hear Ian got assaulted by a sheep?”
 Clarke – “Yeah, Ian told me”
 Cook – “Clumsy oaf”
 Clarke – “Which one, Connell or Roberts”
 Cook – “Good point, could be either”

Okey dokey, that's enough for now. Everyone have a safe and happy Christmas, enjoy yourselves and take care of each other. If you need us you know where we are.

All the very best, The 2 Ians.

Vote Count Night & Wind Up

We held a Pizza night at Pat & Penny's for our Vote Count and a lovely evening was had by all, thanks Pat & Penny the venue was great & the pizzas were delicious! The Wind Up was held on the 21st September at the Golf Club. A great night put on by the Football Club to celebrate the Footy, Netball & Hockey season. We thank the Football Club for their continued support & promotion of our club.

Congratulations to the below team members who received very well deserved awards!

Fiona Bowden - Fairest and Best. Sponsored by Avon Trading

Kelly Mann - Runner Up Fairest and Best. Sponsored by Hotel Beverley

Kathryn McLean - Most Consistent. Sponsored by U-Beauty Country

Emily Miller - Most Improved. Sponsored by U-Beauty Country

Tori Jamieson - Coaches Award. Sponsored by Chris Mann

A special mention must go to Fiona Bowden who got the Association Runner Up Fairest & Best in A Grade. Great stuff Fi! We are sad to farewell the Bowden Family at the end of this year, you will be missed within our Club. Fi was involved in the re-formed Beverley Redbacks Hockey Committee in 2010 and has also run a great Junior Program. Fi's passion & knowledge for the game has been passed onto many junior & senior players, thank you Fi! We wish you all the best for your move.

Hockey Trip

We had an end of season Hockey Trip. I can't tell you what we did, as what happened in Jurien Bay stays in Jurien Bay! BUT I can tell you the preseason trip is being planned so stay tuned for more details. Let's just say it won't be as relaxing as the last.

Midland Bunnings Sausage Sizzle – Saturday 14th December

Are you in Perth doing shopping this day?? Call past Midland Bunnings & pick yourself up a Sausage Sizzle. Team members please check your roster details or contact Kathryn McLean for more details.

Coach

Thanks to Chris Mann for an enjoyable season. We hope you enjoyed the challenge of A grade just as much as we did. As always your commitment to our team is much appreciated!

Committee

Thank you to Kelly Mann & Carly Veitch who have been club Secretary & Treasurer for four years, a superb job Ladies! It is great to have you both remain on the committee. We wish Kelly & Justin Mann all the best as they have recently announced they're expecting a little one in the New Year. Exciting times ahead!

We welcome our new & old committee members for 2014

President – Kathryn McLean

The Beverley Football Club would like to wish all our Players, Members, Sponsors and Supporters a very Merry Christmas and a safe and Happy New Year!!

The Beverley Football Club held our Annual General Meeting on Friday 25th October with 18 Members in attendance. Treasurer Michael Barrett-Lennard delivered the Financial Report with the Club recording a slender profit. There were a handful of changes to the Committee, most notably the position of President, with Steven Minchin stepping down after four years of dedication in this role. Damien Murray now moves from the position of Vice-President to President and we wish him great success and support during his time in office. Also departing, are Committee Members Mark Bowden, Darrell Hagan and Brett Shaw, and we would like to thank each of them for the valuable contribution they have made to our Club during their time on the Committee. We welcome back Tim Kilpatrick, who has served as President on two previous occasions, and first time Committee Member Brendan Minchin, and we look forward to their contribution.

2013/2014 Beverley Football Club Committee:

President – Damien Murray	Vice President – Jeremy Barrett-Lennard			
Treasurer – Michael Barrett-Lennard	Secretary – Ali Lewis			
Committee – Matthew Davey	Chantelle Meade	Tim Seed	Tim Kilpatrick	Brendan Minchin (new)
Robbie Wansbrough	Justin Mann	Scott Minchin	Kelly Mann	Stuart Murray

The Beverley Football Club invites applications for the position of **Reserves Coach** for the 2014 season. Please submit your written application by e-mail to beverleyfc@bigpond.com or by post to:

The President
Beverley Football Club
PO Box 10
BEVERLEY WA 6304

Applications close 5:00pm, Friday 13th December 2013.

We have begun the process of meeting potential coaching candidates to fill the vacant League and Reserves positions for Season 2014, and we will announce our successors in due course.

On a sad note, the Beverley Football Club would like to extend our deepest sympathy to Jack Thomas and family on the passing of Mary on Sunday the 3rd of November. The Thomas family were long time donors of the Springdell Medal which is awarded each season to the Beverley Football Club League Fairest & Best player.

Congratulations to:

- Karl & Hollie Smith, on the birth of their baby girl, Phoebe Nicole, on Sunday 20th October;
- James Murray, who celebrated his 25th birthday on Sunday 27th October;
- Andrew Cullen, who celebrated his 25th birthday on Thursday 7th November;
- Brett & Carissa Shaw, on the birth of their baby girl, Sienna Elle, on Friday 15th November;
- Chris Byers, who celebrates his 30th birthday on Friday 6th December; and
- Mark Bowden, who celebrates his 40th birthday on Monday 30th December.

BEVERLEY PATCHWORKERS AND QUILTERS

We were all invited to the home of Geraldine Faithful for lunch on Melbourne Cup day. Eight ladies enjoyed a lovely lunch and a wander around Geraldine's beautiful garden, as well as the usual cup sweep.

All of our members who have been travelling have now returned and numbers at our Tuesday gatherings are back to the usual amount. People are working on a variety of projects from Christmas table runners to bags of various types and quilts made from jelly rolls.

Several ladies travelled to the Swan Valley to attend the first friendship day held by the Baskerville Quilting Group. The ladies of this group had done a wonderful job to make the day a pleasant one for all who attended. There were displays of quilts, stalls for the purchase of material and quilting projects, along with raffles and door prizes. One of our ladies came away with three articles from the raffle.

With the Christmas season approaching we will be holding our Christmas function on Tuesday 3rd December.

New members are always welcome. Why not consider joining us in the new year. We meet at Avondale on Tuesdays from 10am until 3pm. Just bring along your lunch.

For enquiries call our President, Catharina Turle, on 9646 0876 or Jan Sherwood on 9646 0796

BLTC President Brett Shaw and Carissa welcomed a new addition to their family on 15th November with the birth of their daughter Sienna Elle Shaw.

Beverley Bowling Club

The **Beverley Bowling Club's 100th Season** commenced on Sunday 6th October with 24 players turning up for the season opening.

A Mixed Triples competition was played, and the winners were:

Greg Barrett-Lennard, Geoff Rayner and Anne Behn. The runners-up were Glenys Collins, Neil Murray and David Bell.

Beverley Electrical sponsored the **Handicap Singles**, which were played on 20th October. The winner of the Major was Sheldon Petchell from Louis Irvine, with Geoff Rayner winning the plate section.

On the weekend of the 26th and 27th October the **Avon Valley Bowling League Singles** were played at Beverley, with Saturday being Sectional play, then knock out on the Sunday. Our Congratulations to Daniel Fleay, who was the runner-up, in a very tight finish to the eventual winner - Hayden Smith from York.

The **Avon Trading Co** once again sponsored the **Mixed Pairs Championship** on the 3rd November. David Bell and Glenys Hastings won the event with 4 wins, from Royce Edwards and Lesley Heal with 3 wins .

On Sunday 10th November the competition was the **Men's Championship Triples** and the winners of this event were Royce Edwards, Trevor McLean and Lew Shaw. The runners-up were the Fleay team of Peter, Daniel and David Fleay.

Beverley hosted the match between the Avon Bowling League and the Upper Great Southern League on Sunday 17th, with 6 teams of 4 from each league, playing a pennant type competition. AVBL won the Aggregate.

Congratulations to Peter and Daniel Fleay who were selected to play when AVBL play Kalamunda on the 15th December.

Beverley Bowling Club - Ladies

The first event for the Ladies' season was the **Beverley Gala Day** held on Sunday 13th October with 14 teams taking part. The **Sponsors** for this event were Primaries, Purslowe Tinnetti, Beverley B & B, Boekeman Machinery CBH Grain, Lavendale Farmstay, Noel & Valda Morton (Elders), Lotterywest, TM Hair Design, Beverley Pharmacy, Beverley Newsagency, Swann Lodge (York) & J & R Stebbings.

The winning team was the Beverley Composite team of Marg Peck, Maxine Watts (York), Lyn Mactaggart and Dot White with 8 points plus 29 shots up.

The runners-up were Fay Arlington's team from Brookton with 8 points plus 16.

Third place went to M. Tate's team from Mundaring with 6 points plus 24 from K. Rewell's Toodyay team 6 points plus 16 and N. Smith's Roleystone team 6 pts plus 11.

The AM round went to Joyce Draper's team from Dudley Park, while the PM round was won by K. Rewell's Toodyay team. A very big thank you to all the **Sponsors** who made this day such a great success.

The Beverley Ladies' Singles Championship play off's commenced on the 31st October, with the eventual winner being decided this week.

The **Beverley Ladies' Champion for the 2013/2014 Season** is **Judith Stebbings** who defeated Glenys Hastings in the final 21/13.

Good Luck to Marg Peck and Glenys Collins who have been selected to play in the Avon Valley Ladies Bowling League team at the Eastern Zone Inter League Pairs competition, played at The Merredin Civic Club, hosted by the Central Wheatbelt League, on the 23rd and 24th November.

From the President's Barstool

It has been a shaky start to the season, but with the big man getting over his love of donuts, things are looking up! Batting is what is letting us down and I encourage everyone to get to training and get in front of the new bowling machine! Welcome to Josh Sattler and Danny Noonan and thumbs up to Kyle Ugle for a supreme effort against the old boys!

If anyone is keen for a game, training is Friday nights at 5pm.

December Games– 1st in Keller, 8th in Brookton, 15th Bye, 22nd in Brookton (Seabrook)

Until next time – Summer's here, watch out for bobtails, **Pres.**

BEVERLEY HORSE AND PONY CLUB

Our October Rally was lovely weather if you enjoy riding in the rain. Riders spent the morning dodging rain. Several of our regular coaches and a number of riders were away so Renée and Anne kept them busy when the weather allowed them out of the club rooms.

The pony club took on the catering for the Wild Women of the West this year. We were very busy but our team of parents and senior riders did a great job over the two days. The food looked fantastic and I hear it tasted just as good.

Several of our riders attended the York Hickstead on the 17th November. This event sees riders do a dressage test and a jumping course which includes both Cross-Country jumps and show jumps. This type of event is a great introduction to the one day event without having to do all three phases.

Congratulations to Vicky who won the over 13yrs section of her grade. Bronte and Holly won the under 13 yrs E Grade and scored so well she would have won overall in her grade. Tealah had a great day out with Cherry demonstrating how far this partnership has progressed this year. Emily and Paddy were very excited to win their leadline section. Well done to mum who had to run the jumping phase alongside Emily and Paddy.

On the 22nd November the PCAWA RAP Awards Night was held. Several of our Beverley members attended the night and enjoyed an evening of good food and great entertainment. This evening was focused on presentation of WA's very successful Nationals team, Service Awards, Citizenship Award (previously known as the

Vetsearch Award) and Coach of the Year awards in the various disciplines.

Beverley was very proud to nominate Vicky for the PCAWA Citizenship Award this year. Only a small group of riders get through the nomination process each year and Vicky received her award on the night.

Beverley also nominated Jenifer for Active Riding Coach of the Year Award.

The Club held their windup at the Beverley Pool on 24th November. Congratulations to all our riders on a fantastic year. Presentations started the day with representation certificates going to the many riders who had represented the club this year at various events. Certificates were then presented to each rider in recognition of their individual achievements over the year. Trophies were then presented. Our Clean & Tidy Award was won by Amy; Runner-Up was Grace (by 1 pt.) with 3rd place going to Georgina (also by only 1 pt.). Runner-up Most Improved Showjumping went to Vicky with the trophy won by Bronte. Our Major Award, Club Person of the Year, was won by Vicky.

Riders presented thank you gifts to the coaches and with a tinge of sadness made a presentation to their wonderful Coach Coordinator Renée who is retiring after this year. She has travelled 1000's of km over the last 7 years attending rallies and events with the riders and she will be missed.

We have a coach attending the NCAS Preliminary coaching school at the end of November. Hopefully the weather won't be too hot for them and they come back next year ready for the final examination part of the accreditation.

Our AGM will be held in February. Our 2014 Joining day will be about the 22nd February with the first rally scheduled for the 16th March.

We wish everyone a safe and happy festive period with a very Merry Christmas. Bush Possom
