## **President Report** **April 2014**

### **Summer 2013/2014**

Congratulations to landowners and occupiers across the Shire for your preparedness and diligence over the summer months. There were thankfully only a low number of fires attended, and far fewer notices needed to be issued to properties within the town boundary regarding hazard reduction. Our Fire Control Officers and firefighters are volunteers, and the 8 FCO's take on leadership and organizational responsibilities within their respective Brigades for which thanks is extended on behalf of Council.

### **Christmas Decorations**

Council is proposing that the 2013/2014 budget allocation for Christmas decorations be used for "night-time" decorations. The phenomenal cost to replace the old and faded street decorations has caused Council a great deal of angst over the last few years and it is proposed these decorations be removed. Council welcomes your feedback.

### **Beverley, Brookton & Pingelly Aged Care Alliance**

Following several joint discussions the Shires of Beverley, Brookton and Pingelly have recently signed a Letter of Agreement formalizing an alliance to progress sustainable Aged Care Planning, Services and Support within and between our communities. It is considered that a collaborative sub regional approach will achieve better planning and development outcomes through economies of scale, sharing of resources and flexibility toward delivery and funding approaches, aiming to support aging in place and develop age friendly communities. The "Wheatbelt Aged Support and Care Solutions Report", due soon for release, overarches what BBP will be aiming to achieve.

### **Community/Economic Development**

#### **Officer**

Congratulations to Kathryn McLean who has been appointed CDO for the Shire of Beverley. This has become an integral role within many Local Governments, and although it has been discussed in strategic planning for many years, it is a new position within our Shire which Council is pleased to finally see filled.

#### **Outside works**

An array of activities by outside staff has included corner widening on Waterhatch Rd, culvert repair at Johnson Rd, tree lopping under power lines and perhaps you have noticed the new footpath on the eastern side of Forrest St? Bitumen reseals have been undertaken at the Airfield, Mawson, Potts, Greenhills South, Morbining, Hobbs and York Williams Roads. Gravel construction is due to commence on the next section of York Williams Road and at the eastern end of Yenyening Lakes Rd.

#### **Roundabout**

Council is considering the possibility of a roundabout in front of the town hall adjoining Vincent and Dawson Streets. Reasons include featuring the entrance to the mainstreet precinct, slowing traffic, discouraging large trucks (which should be using the heavy haulage route) and making a safe turnaround point for the many "U-turners". If permission is received from Main Roads a temporary roundabout would be installed in the first instance to enable community use and subsequent feedback. Councillors are keen to hear your thoughts.

#### **Western Australian Local Government Association Transport and Road Forum**

Crs Murray and Alexander, CEO Steve Gollan and Manager of Works Steve Vincent attended the recent WALGA Transport and Road Forum where various aspects in relation to road funding, use, repairs and maintenance were presented. It was noted that Local Government is responsible for 88% of roads.

#### **Lesser Hall Refurbishment**

Refurbishment works recently completed to the Lesser Hall include ceiling replacement, installation of reverse cycle air-conditioning and

painting.

#### **Oval Lighting**

The Shire of Beverley was successful in receiving \$50,000 toward the cost of construction of the remaining 3 lighting towers at the Recreation Ground following a grant application to the Department of Sport and Recreation.

#### **Access to the Beverley Times**

Very favourable feedback has been received regarding the new and convenient means to access information from the Beverley Times now that it has been converted from micro fiche film to disc. This easy to use facility is available in the Shire Library and office staff have been complimented on their friendly and helpful manner when assistance has been required.

#### **NBN Co is Coming**

The Shire has been advised work will be undertaken during the next 5 months to install cabling along Vincent and Hamersley Streets from a tower to be located on the eastern side of town. Information should be provided to the community in the future regarding NBN access.

#### **April Council Meeting Date Changed to 29<sup>th</sup> April 2014**

Please note that due to the various public holidays around Easter and ANZAC the April Council meeting has been changed to Tuesday 29<sup>th</sup> April 2014.

Dee Ridgway

## Final Pool Summary Of Season 2013/14

Congratulations and respects to York pool Manager 'Bill Livingstone' for hosting such a successful Regional Swimming Carnival over the March long weekend. From all reports the pool looked magnificent and all competitors and supporters were over joyed at how well it ran. Here at our own little treasure, we were lucky enough to host two clubs, Peel and Mt. Barker. The positive feedback from both clubs was fantastic not just from a pool perspective but the whole town (Beverley) in general. Congratulations to everyone in the community for making all our visitors feel so welcome. It's easy to get big headed when our pool and the town featured in both of their acceptance speeches as both clubs finished 1<sup>st</sup> and 2<sup>nd</sup> respectively. Peel took out the entire "A" grade pennant thanking our pool and the town for all our help and support.

As reported on our Facebook page one of our much loved regulars (and a personal friend) Stephen David Barwick tragically died in a car crash on the 16<sup>th</sup> of February leaving 3 beautiful children behind. Our flag flew half-mast for a week as a tribute to this beautiful soul. Emily and I, with a huge amount of other locals made the sad trip to Perth for his funeral. Without harping on the obvious please, please don't drive tired as some of you may remember 'Mark'. He was one of Contract Aquatic Services Beverley Pool Managers and died in exactly the same way.

This seasons Christmas raffle was won by John Maxwell (Top Pub) and yet another huge success. All money raised goes towards pool toys and equipment for the kid's to play with. Our thanks goes out to all the wonderful sponsors that kindly donated items for the hamper including Emily Melville, Karen Pepper (IGA) Avon Trading and Jo Sattler's Country Candles. Without your help and support we wouldn't be able to do this valuable fundraiser each year.

Speaking of years, yep...This was definitely a year or more to the point a season. Unfortunately 2013/14 will quickly be forgotten as I tend not to dwell on the negative too much. Without going into great detail there will be some minor rule changes to curb certain behaviour issues I have had to deal with this season. It did finish more positively than it started but most of the issues had already occurred before I, as the Pool Manager, could stop it. Let's hope next season will be less mentally taxing and I can get on with the job I'm paid to do instead of being the un-official community baby sitter, enough said.

Well done again to all my morning swimmers for yet another year of pure dedication and commitment. As in every season you guys are my highlight each and every morning. In the off season you are the one thing I miss the most. 'Dawn Robson' is not a morning swimmer but a lady I should mention as a prime example of what you can achieve with a bit of grit and determination. Her family almost dragged her to the pool for some much needed light exercise as requested by her Doctor. Dawn struggled to do more than a few laps in the first visits but only after a few short weeks of turning up every day she now does over 20 laps regularly, with ease. Congratulations Dawn and if there was a prize for the most improved swimmer of the year, you would have been an odds on certainty to receive it.

Our Australia Day was another massive success with over 350 (at last count) passing through the gates making it the biggest and best one in my three seasons at the pool. This was made possible by the generous financial support from the Shire of Beverley, Contract Aquatic Services and our very own Beverley IGA. Local MLA Mia Davies volunteered her valuable time to raise the flag for our formal ceremony. This was Mia's first time raising the flag and apart from some minor nerves raised it proudly. She made a short but lovely speech paying tribute to our Indigenous Australians. Special mention to Nat, Wayne, Linda & Clay who generously gave their day off to cook the snaggers and hand out freebies for all the kiddies, thanks all we love you.

Very proud of our ever improving Swimming Club for yet another champion filled season. This year's highlight was without doubt the Swimathon held on Saturday 15 March. The professionalism and positive direction of the club at the moment is testament of the committee led by the president Fiona Fisher. The club has done a complete 360 from where it was on my arrival 3 years ago, well done for another terrific year guys, I'm one very proud Pool Manager at the moment.

In closing I've received a lot of old fashioned snail mail, text, email and Facebook messages of gratitude for how welcoming the pool looked this year. Beverley District High School put on another brilliant faction carnival naming our pool in their speeches, cheers. Visiting swimming clubs and individual private families here for the day such as the annual Teddy Bear's Picnic etc. Have all sent official praises. Yes, even I compare our pool to others in and around the Wheatbelt and with the help and support from our boys at the Shire, in particular Mal, Ethan and Jamie we have definitely got a beautiful pool. But to get it in writing makes all the hard work and dedication worth it, THANKS TO EVERY ONE FOR A GREAT TEAM EFFORT. Em, Keira, Mackenzie and I will be back for another year to do it all over again. Have a great winter everyone, stay warm and safe. Hopefully I will see most of you at the Easter Tennis Tournament teaming up with an old town favourite, Darrell 'Hagsie' Hagan in the doubles. Hope he has strong shoulders as he will be carrying me for most of the weekend ;-)

Warmest regards Brad M.

### Morning Tea for the Avon Valley Black Dog Ride Sunday 23 March 2014

Firstly, a very big and heartfelt THANK YOU to ALL the volunteers who donated resources, time, effort, and labour to this massive enterprise. Without your input it could and would not have been the success it was. 350 Motorbike riders on 300 motorbikes started arriving at 10:30 or thereabouts and we were ready. WOW. It was a feast and many of the guests commented on the wonderful spread of delicious food. The most common comment I heard was, "Small country town hospitality at its best – only in the country!". Thank you, one and all.

**We're ready: a couple of early birds and just a few of the vollies. Photo courtesy of Heng Ee.**

Special mention must go to the Shire's front desk staff - Thank you for rescuing me. No names, no pack drill. I'm not joking but, without your assistance getting into the Hall would have been difficult. The Shire ROCKS. Also a special vote of thanks to the CRC Committee for their support and assistance. And, Isobel and your Meeting Tree – Thank you for your loyalty and unwavering support over the years. Your decorative and welcoming gestures were noted by our guests. There were motorbikes of every shape and size, everywhere. What a sight.

Pat Thompson's count was that some 190-odd guests attended the Morning Tea at the Beverley Town Hall. We collected almost \$900 for Black Dog Rides and all proceeds will be going to support LifeLine. Thirst drove many other riders to seek refreshments? (beers?) at other venues. Altogether a fantastic outcome for Beverley. Thanks again.

## Beverley Garden and Tree Society

On Tuesday 4 March we had 23 members attend the meeting which was held at Isobel's Meeting Place. We were delighted to see each other after the loong summer break. We had an extended discussion about the difficulties in providing raised garden beds at the Lodge and have decided that all the red tape is too hard. Accredited builders for garden beds forsooth!!

One of our members spoke about her recent visit to the national capital and of the beauty of the National arboretum. Well worth a visit if you happen to be in Canberra.

The slightly cooler weather will send all gardeners out into the elements but before you plant anything remember to prepare the soil adequately. Weeding and feeding is supremely important, as is mulching, roughly 10cm - 20cm high is adequate.

For those jam makers out there, crab apple trees are available in York, and now is the time to plant those winter beauties like potatoes, artichokes, beetroot, turnips and broad beans.

Flower lovers will remember that sweet peas traditionally go in on St. Patrick's Day (17 March).

We hope that this year our local gardeners will be thinking of the show as they plan their garden beds for the year. Why not get your children or grandchildren involved in the project, if you don't think they would be interested there is an app you can download to get them keen to plant. ABC Vegie Guide is a free app that you can download. It gives you an planting guide for your area, facts, information and the My Patch section will help you monitor, take notes on and harvest. This maybe the incentive needed to get the kids out in the dirt and learning at the same time.

The Hills garden club has an open day on Saturday 12 April at Lot 2, 655 Fagan Street in Sawyers Valley from 10am until 4pm. Monies raised will go to the gardens burnt in the recent fires. There will be craft and plants for sale.

Please be sure to come and visit our Blue Fountain Markets on Saturday 19 April on the lawn area in front of the CRC, jams, plants, crafts and more for sale. Proceeds from this day will be reimbursed through the community.

Next meeting is on Tuesday 01 April, which is the Propagation Day.

## BEVERLEY VISITOR'S CENTRE

As usual prior to Easter we have had a quieter month but the regular day to day running of the Bureau has kept us busy and John as usual is doing a great job not only on the Tourism side but upgrading the Aeronautical Museum.

We are already drawing up a roster for Easter to ensure the Bureau is open throughout that time as this year four of our volunteers will be away so a huge Thank You to those who are doubling up during that time.

This week we have had a delivery of caps in colours to suit everyone and the price remains the same. Our new bright pens are here and good value at \$2 each.

We now have Kathryn McLean from the Shire who is our new coordinator between us and the Shire. She is happy to attend meetings when possible and present ideas we have to Shire. Peter Gogol remains our Shire Council rep.

An invitation has been sent to the Aeronautical Museum from Meriden Historical Society to attend a meeting on 27th April along with other Wheatbelt representatives. Two committee members will be attending. These meetings are interesting and the exchange of ideas are always beneficial to people who attend.

Easter, as ever, should be a busy time in Beverley so we wish everyone a happy and safe time.

**BEVERLEY  
PATCHWORKERS  
AND QUILTERS**

We are all going along very busily working on individual projects. It is lovely to have quite a number of new faces coming along and bringing their own ideas to the group.

Recently everyone brought along some special food to celebrate the birthdays of several of our ladies whose dates are "unfortunate", in that they fall very close to Christmas. It was a happy time together.

A few people had a go at the cutting machine we have purchased making it easier to cut out shapes and strips for use in quilt making.

We are looking forward to our display of quilts at the Dead Finish over the Easter weekend. The theme is 'Journeys' and we have had a journey of bag making. These bags will be on display along with quilts which fit into the theme. If there is anyone in the community with a quilt which depicts a particular journey or fits the theme you would be very welcome to add this to our display. Simply contact one of the ladies whose phone number appears below.

### Station Gallery

All aboard for another busy month at the Station Gallery and Platform Theatre! April will bring you the magic and mystery of Harry Potter, "Journey" exhibition at the Gallery, Artist in Residence, Platform Markets and of course our Annual Easter Art Exhibition.

#### *Artist-in-Residence*

UK photographer, Gabby Laurent would like to say a big thank you to everyone who showed her around and helped her while she was in Beverley. We hope she is coming back to exhibit all the photos of places and people she photographed while in town. Gabby hasn't got time before she leaves to have everything printed and set up to exhibit but she is holding an exhibition of previous works at the Kidogo Arthouse at Bathers Beach, Fremantle on Friday April 11 from 6pm and Saturday April 12 from 10.00am- 5.00pm. All welcome.

Perth artist, Janet Pfeiffer is holding two workshops while in residence during April. Janet was artist in residence last year and held a candle engraving workshop with the children. Before this workshop, Janet held an "Interplay" session with the children on the stage which they loved. Janet is happy to hold another Interplay session with parents joining in as well. If you cannot make it on the 24<sup>th</sup> April, please advise Marylou as Janet would be pleased to organise an extra, second session.

#### INTERPLAY WORKSHOP FOR CHILDREN & FAMILIES

- ☞ Thursday 24<sup>th</sup> April at the Station Gallery
- ☞ 10:00am for 90 minutes
- ☞ Cost \$10/individual or \$20/family

A second workshop being held by Janet will be an Encaustic Painting workshop for beginners. Encaustic Painting, also known as hot wax painting, involves using heated beeswax to which coloured pigments are added. This is then applied to wood or canvas. Tools and special brushes can be used to shape the paint before it cools or hot metal tools can be used to manipulate the wax once it cools. Other materials can be encased or collaged into the surface, or layered, using the encaustic medium to adhere them to the surface.

#### ENCAUSTIC WORKSHOP

- ☞ Sunday April 27<sup>th</sup> at the Station Gallery
- ☞ 12.30pm. to 4.30pm/5.00pm (please arrive early to allow time to set up)

## Beverley District High School

Hello and welcome to our April edition. As I am writing this, thunder and lightning are surrounding our house. We certainly received lots of spectacular lightning, thunder and lots of rain. At last count 26ml.

Today is our Interschool Swimming Carnival at Pingelly and if it is not cancelled we wish our swimmers the best of luck. Cancellation did occur after 1 event. What a contrast to two weeks ago when our Faction Swimming Carnival was bathed in plus 42 degree heat!!!

## Faction Swimming Carnival

This was held on Friday 7<sup>th</sup> March at our local pool. We would like to thank our many parent helpers who came to assist our staff. Without your help, these types of sporting events would not be possible. Well done to Forrest who won the day, closely followed by Dale and Eyre. Well done to all the students who participated. We are very proud of your efforts.

## Some exciting New Changes for all Holden Customers!!

On 1<sup>st</sup> November 2013 the Holden business previously owned and operated by Lewis Motors in Northam was taken over by Bryan and Joanne Lee, the owners and operators of Northam Toyota for the past 13 years.

A new dealership offering modern and comfortable facilities will be built on the corner of Peel Terrace and Oliver Street in Northam (Next to Mitre 10). Building will commence early in the New Year and we hope to have it finished by the end of April 2014. We are looking forward to bringing the same standard and quality of building to Holden that we currently have at Northam Toyota.

Our new Holden car sales yard is currently operating where the new dealership is to be built, on the corner of Oliver Street and Peel Terrace. We will continue to operate the Service Department at 9 Yilgarn Avenue until the new building is completed.

Our New Car Sales Manager, Chris Allert, a long term Northam resident will help you with all your new cars sales enquiries in a friendly and professional manner.

We have appointed several new staff to the business and undertake to bring to the Holden business in Northam a new level of professionalism and standard of service that will meet your expectations for both new and existing Holden owners.

As a previous or intending Holden customer, we look forward to meeting with you over the next few months but also to bringing to the Avon region and Wheatbelt a new revitalized Holden business with energy and a very strong focus on customer service.

Exciting times ahead!! If you have any queries please do not hesitate to contact us on 9622 1188.

Kind Regards,

COMMUNITY INFORMATION  
SERVICES**

1. Our Work Report:-Recently we have been seeking Legal Advice, on a regular basis on behalf of residents who are having issues with: marriage/partnership breakdowns and wills, as these matters are of a legal and traumatic nature, the courts always look favourable at mediation reports. Where property and children are being litigated, then Centrelink payments are also assessed. We refer all such cases to contact Centrelink offices, in person.
2. Financial Hardship/Tenancy/Rental:- For those who seek our help, we negotiate with HomesWest or the Minister for Housing, when it is a priority housing concern, hardship sufferers, we contact non-government organisations to help out.
3. Privacy Laws:-As per TV reports, come into legislation with effect from 12/03/2014. According to all TV reports. All consumers will be affected. Example - There is no grace period for late payments and also those who default, will have their names recorded on a National Register, and cannot be removed for a minimum of TWO YEARS. During this 2 year period, if one does apply for a loan or any form of credit card, then, their application will be rejected.
4. Disability pension:- Once again, TV reports in early March 2014. The government's budget, is expected to save 5 billion dollars, if they tighten up the loop holes, by transferring those who can work, from disability support pension to Newstart Allowance. On a personal level I see this as most unfair and have strong reservations. There any many in the disability sector, who work part time, as they can walk and drive a car and do light jobs. What happens to this group? Currently they can earn a small amount and still receive a full pension. On the other hand, if one does small jobs, which involves standing, sitting or even gardening, which do not support your medical claim, then Centrelink may view the claim as fraudulent, and payments will be stopped. In a civil matter, fraud is considered in a different light, in a Federal matter fraud maybe debated and even considered as a mandatory offence/prison sentence, here in lies my fears. Once again, when in doubt, please keep Centrelink informed of any changes.  
i.e. financial, job related or medical.

BEVERLEY  
HISTORICAL  
SOCIETY

**March Meeting:** There were 12 attendees with two new members at our first meeting for 2014. We were all saddened by the sudden passing of our former auditor, Rhonda Seymour. Our sympathies go to our former Treasurer, Ev Seymour.

**WWI Project – Remembering Them:** In conjunction with WA Museum, we are preparing materials for a special display in 2015. We have been asked to focus on how the ‘Great War’ affected Beverley people - both overseas & at home.

**Easter Opening:** Once again we plan an extended opening over the Easter weekend with Quilts from Beverley Quilters & special displays on the theme “Journeys”. There will be sales & stalls too.

**Beverley’s Two Cemeteries:** We keep getting reports of confusion & dismay from tourists, researchers & people attending funerals due to having two separate cemeteries. We are hoping this problem can be alleviated with better signage.

#### Family Research:

- A man from Queensland wanted to know about the Wells family of Gilgering & the Watkins family of Quairading.
- From Victoria came a request re the early Kilpatrick settlers.
- Query re Dorothy Smith, the daughter of a Rector at St Mary’s in late 1920s, resulted in the discovery of some school photos.
- We could not discover any photo of Donaldson Tearooms (1923) for this family, but there were two advertisements for *Beverley Fruit Palace: Dainty Afternoon Teas*, Prop. AK Donaldson, in the *Beverley Times* (thanks Rodney).

#### Can You Help?

This medal was found in Beverley & handed in to the Dead Finish Museum. If anyone has any information about the medal please let us know.

# Lyme Disease

## LYME DISEASE BITES IN AUSTRALIA

Lyme disease is the world's fastest growing tick borne disease and if left untreated can cause serious illness, disability and even death. To date it is estimated 10,000 Australians have been diagnosed with the disease and thousands more are unknowingly infected.

The Lyme Disease Association of Australia's (LDAA) spokesperson, believes: "Lyme disease is in Australia and the risks from undiagnosed and untreated Lyme disease are life threatening. Incidence of the disease is spread Australia wide and city suburbs are not immune."

"The Lyme disease bacteria, Borrelia, are spreading through our community and Lyme-aware physicians on the front-line compare the treatment of Lyme disease patients in Australia to the experiences of those with HIV decades ago. Action is needed before more lives are destroyed or lost."

Early stage Lyme disease symptoms include headaches, fever, swollen lymph nodes, fatigue, muscle aches & joint pains and may be assumed to be the flu. A bull's eye rash is one clear diagnostic of Lyme disease, but occurs in less than 35% of cases.

The LDAA says that "Lyme disease is also suspected to be sexually transmitted and blood borne; spreading the risk far beyond a person's exposure to tick bites. It is also known to spread from mother to child across the placenta."

"In a very real sense we are dealing with a scenario similar to that of the Hollywood blockbuster *Outbreak*, starring Dustin Hoffman, only this disease doesn't leave its victims with a happy ending,"

"Healthcare professionals in Australia have not been trained to look for Lyme disease with countless patients left undiagnosed and thousands more misdiagnosed with Rheumatoid Arthritis, Multiple Sclerosis, Parkinson's Disease, Motor Neurone Disease, Chronic fatigue and more."

### **PUBLIC HEALTH WARNING**

- LYME DISEASE IS IN AUSTRALIA
- SEEK TRAINED EVALUATION AND PREVENTATIVE TREATMENT AFTER A TICK BITE
- LYME DISEASE CAN BE SEXUALLY TRANSMITTED.
- LYME DISEASE AFFECTS MEN, WOMEN & CHILDREN OF ALL AGES
- LYME DISEASE CAN RESULT IN DISABILITY, PARALYSIS & DEATH

The office will be shared by the museum volunteers and used as the main office for Avondale.

## Clydesdale horses

Marian, Wayne and his father Terry Cullaton from Geraldton got Comet log snigging and it made for some very enjoyable mornings. Terry was a Teamster at Glengarry Station for many years and his knowledge was invaluable. We hope he will visit again. The Farrier visited on the 6 March and the horses both behaved like gentlemen. He will visit again on 16 April. Mitch and Robbie have been practicing some Natural Horsemanship Skills and it is helping Robbie to be more relaxed and generally much calmer. Comet has been snigging some logs and loving the work.

## Small landholder news

With Jodie Whitfield, Development Officer  
Small Landholder Information Service

The response to our first ever small landholder column has been overwhelming!

It has been wonderful to hear about so many small property owners wanting to learn more about managing their land and creating a more liveable environment.

This month, as we wait for the rains to come, one of the most important things to monitor is your water supplies.

As water levels start to decrease, algae can begin to build up in your dams and tanks.

The best options to control or prevent algae build-up are to stop stock access to your household water supply, cover your tanks, shade your dam (although be careful which tree species you plant), sink bales of hay in your dam to provide a carbon source for other bacteria to strip the nitrogen and phosphorus out of the water and build a sediment trap in front of your dam to prevent nutrients from entering on faeces and debris.

As well as keeping your dams clear, you should also make sure your paddocks are free from any rubbish.

Animals will sometimes consume rubbish either by accident or actively seek it out due to nutrient deficiency. If you have rubbish in your paddocks, fence it off or remove it. If any of your animals are actively seeking it out, contact your vet for advice.

The extended dry summer is making summer weed control extremely difficult with almost no soil moisture, leaving summer weeds under significant moisture stress.

Control of dock plants is best undertaken in autumn as rosettes appear, before desirable pasture species germinate.

Now can also be a great time to service your farm equipment and prevent costly breakdowns during peak work periods. Check all moving parts for seizing, check fluid levels, hoses, tyres etc.

Dealing with these issues before they become problems will keep you one step ahead and your property in great shape!

You can find more information on our events, seasonal calendar and a range of Noteworthy's on the Small Landholder Information Service website

## A Very Big Thank You

Hi...

On March 3rd 2014, our son Phillip and his girlfriend were leaving Beverley after spending the long weekend with friends Glenn and Deborah. They started to travel down Westdale Road to head back to Perth. When our son Phillip was unfortunately struck by a vehicle, throwing him from his motorcycle.

At 10.20am we received a phone call on our sons mobile, from an amazing lady by the name of Vanessa informing us our son had been hit by a car and he was in loads of pain. I listened to the cries over the phone and I could hear Vanessa telling him to stay still.

The ambulance crew turned up as we contacted friends, who went to the accident scene for us and kept us in full contact, until he was airlifted by the rescue chopper.

From Bruce, Cassie, Jessica and myself Natalie, would dearly like to thank the persons that were involved in the care and safety of our son, brother and fiancé Phillip. They are Vanessa, Keith, Scott, John and the 3 Ambo's, the guys from the rescue chopper that flew him back to Perth and to everyone else that was at the scene. We are so ever grateful that you were all there to help out.

We can say that the surgeries he has endured have so far been a success. We will continue being positive as we all have very long road to recovery but without all the assistance from people in Beverley we might not have our son, so a very big thankyou to you all.

From Natalie Abbott and Bruce Chilvers and immediate family and friends from Willagee.

Thank You Everyone.

### WARRIOR AMBASSADOR AWARDS INAUGURAL DINNER

Following on from the successful launch of the Warrior Ambassador Awards in December 2013, the Inaugural Warrior Ambassador Awards Dinner is to be held at Ascot Quays, Ascot on Friday the 4<sup>th</sup> April 2014.

Wheatbelt Men's Health (Inc.) (WMH) has been incorporated since 2005 and is a not for profit organization that currently delivers The Regional Men's Health Initiative (RMHI). Its vision is "to empower men and communities to take responsibility for their health and wellbeing", and the Warrior Ambassador Awards have been established to recognise contributors (past, present and future) who have gone above and beyond in their support of WMH as an organization.

The Warrior Ambassador Awards specifically aim to:

- develop and foster relations with past and present individuals and/or organisations who contribute to WMH and/or RMHI;
- establish a network of champions for the cause to further promote regional men's health and wellbeing through WMH and/or RMHI.

The dinner will be a night of celebration for the 24 inductees who are made up of individuals, groups of individuals and organisations under the three broad categories of:

1. Fundraising - acknowledges individuals, groups of individuals or organisations that make a financial contribution to WMH with no expectation of personal or commercial gain or return.
2. Personal Stories - acknowledges individuals, groups of individuals or organizations who share an experience(s) with the wider community to assist WMH reach and communicate with its audience and achieve its vision and objectives.
3. Open - acknowledges individuals, groups of individuals or organizations who have provided a significant contribution to WMH through another means other than the above two categories with no expectation of personal or commercial gain or return.

There are still a limited number of tickets available so come join us for a night full of celebrations. Ticket price is \$150 per head which includes a 3 course meal, entertainment and drinks.

## BEVERLEY PLAYGROUPS NEWS

We were been busy last month compiling a calendar of events for 2014. We are trying to organise a special activity every months. Dates are to be announced, as we don't want to run into other groups' activities/events, and some need to be confirmed. We expect to hold 2 dance/musical events this year, as the Boogie Roos was such a great success with 30 children and babies attending! We will organise a fete in September to celebrate spring as well as fundraise to help keep our special activities at low cost for our members (and hopefully organise more) and get new toys and equipment. Another idea that came through while we were talking about new activities was to organise a young baby group in collaboration with Lisa, the Child Health Nurse. The details need to be sorted, but if you would be interested feel free to let us know with any suggestions you may have.

We have decided on a theme for the mural for the Beverley show this year: "under sea world", so we will start working on it very soon. So far the children played with play dough, made Valentine's Day cards, sun-catchers, paintings, collages, and decorations for our room. It was lots of fun for all!!

A general meeting will be on Wednesday 9 April, all members welcome. We will discuss our finances, getting new toys and equipment, fundraising and activities.

To finish off Term 1, we will have a special Easter activity on Thursday 10 April. The children will make a special Easter craft, we will have an Egg Hunt and hot cross buns for morning tea.

Remember we welcome new members all year round from any background and nationalities. Playgroup is fun and laid back. The babies and children have lots of free play, and we organise craft as they usually adore making things and get messy (and the mess stays at Playgroup). We promote healthy habits: this is why we ask parents to bring a piece of fruit to share. And as far as the parents are concerned, we all have a good yarn and enjoy a quiet, relaxing afternoon as the children are usually tired after a busy morning. So come over and give it a go: you are entitled to 3 trial sessions before becoming a member. We hope to see you all at Playgroup.

## THE BLUE LINE

Beverley Police Station  
57 Hunt Road, Beverley WA 6304

**Hello Everyone,**

We've all seen those adverts on TV that tell us everything we need know about the latest in weight loss wonders haven't we ? Let me tell you this, they're all rubbish. In fact, they are lies. I'll tell you what's guaranteed to lose you some weight, a bout of gastro. Wow, you lose the weight but for a week you feel as though man flu is a slight sniffle, which of course it isn't as all us blokes will know. Anyway, enough of my ailments.....

Let me start with a bit of news. It seems that constantly moaning, phoning, emailing and generally hassling a particular government department has had some effect in that we have finally managed to come to some sort of closure with regards to an element in town which has been a general cause for concern for many of us. Obviously I can't go into specifics but life may, just may, be a bit quieter for some of us.....

There, I used the dreaded 'Q' word, but whilst I'm on about it, whilst we've been busy, apart from a number of isolated incidents, the town itself has been pretty quiet with just a few anti-social issues for us to deal with. In relation to anti-social issues let me say this; personal vendettas and tit for tat acts of retribution will not be tolerated. Adults should behave like adults and not take the law into their own hands. Violence is never an answer to any question and will always end in tears. Often these incidents are borne out of frustration and I can understand that, but by getting on the grog and using the ensuing Dutch courage to attend to issues cannot and never will be the way forward.

We've had a small number of incidents out at the more remote reaches of our area, a couple of them historic burglaries. What was heartening though is that crime prevention advice has been followed and I'm convinced that this will deter those people who like to break into other peoples properties. Let me please stress once again though, we are not a crime hotspot and compared to some areas we have low levels of incidents but it's always worth trying to be one step ahead of the opportunist thief and vagabond who may fancy their chances.

With regards to road safety, I mentioned in a recent Ewatch (more of that later) that I have personally witnessed some shocking driving just lately. Please don't follow too close to the car in front. I had a car so close to my rear bumper the other day I thought I was towing it. Try and keep at least 2 seconds away from the car in front. Say to yourself "only a fool breaks the 2 second rule". If you say this in a calm and non-rushed manner it should take 2 seconds from when the car in front passes a fixed point to when you pass the same point. Hopefully by doing this you'll have a far better chance of avoiding any silliness occurring in front of you. Have a click on this link which explains the 2 second rule much better than I can:-

[http://en.wikipedia.org/wiki/Two-second\\_rule](http://en.wikipedia.org/wiki/Two-second_rule)

Now then, ewatch, again. I finally seem to have grasped the concept and what it's all about and how to do it (unlike washing frying pans, that'll always be a dark art). If you aren't aware of it then ask one of the 74 people who are already subscribing to it in town. It's a great tool where we can let you know what's going on and what to be aware of in a timely manner. It's great and only going to get better. Once again it's an electronic thing so click on this link or type it into your browser and join up. It's free !!!!!

<http://ewatch.com.au/join>

What else, oh yes, PACT. I apologise now for all those who have already read this on Ewatch (see what you're missing out on!) but this is a straight copy and paste from that. I've included it so that everyone who may not have access to a computer can have a read and let me know their thoughts on the idea. For the record, due to a number of operational issues, I'm planning to hopefully have the first PACT meeting on Friday 2<sup>nd</sup> May. This isn't set in stone but it gives me time to sort some stuff out and gauge peoples reaction to it. From the feedback I've received so far it's going to be good, fingers crossed. Anyway, for those who aren't aware, here's what PACT is all about :-

“I was thinking whilst on annual leave (yes, about work and yes you're right, I am sad) but how does a monthly / bi-monthly public meeting sound? I personally reckon it would be a good idea. It would be your chance to ask me questions and it would be my chance to try and answer them. Who knows, unlike Q&A on television you might actually get an answer..... Seeing as we are such a close-knit community here in Beverley I was thinking of calling it Police And Community Together, or PACT for short. Because let's face it, as a community we all want what's best for the town, why don't we form a PACT?”

So there you go, PACT. Let me know what you think about it.

And finally.....

For those who may have noticed, my gardening skills are not all they are cracked up to be and the police station garden is looking a bit worse for wear. Fear not, I have addressed this and was out killing weeds the other night with super strength Roundup. That's a lie actually, Jane did it because I was 'busy'. Honest, I was. So hopefully soon it'll look a bit less Jurassic Park and more Kings Park (but without a big Boab tree and a flash restaurant – we've got one of those, Wayno's).

Before (definitely)

After (hmm, I can't promise)

Ok folks, that's all for another Blue Line. Hopefully we'll get chance to speak to many of you before the next edition hits the shelves.

Take care everyone and stay safe,  
 The 2 Ians.

## The Words of the Preacher

“And moreover, because the preacher was wise, he still taught the people knowledge; yes, he gave good heed, and sought out, and set in order many proverbs.

The preacher sought to find out acceptable words: And that which was written was upright, even words of truth.

The words of the wise are as **goads**, and as **nails** fastened. . . . by these my son, be admonished.”

### MEN'S PENNANT BOWLS FINALS

On the weekend of the 22<sup>nd</sup> and 23<sup>rd</sup> of March the Avon League Pennant finals took place at York and Northam. Blue Division who finished 4<sup>th</sup> on the ladder had to play Northam at Northam on Saturday afternoon and this resulted in a win for Beverley to advance to the semi final, where they played Toodyay at York on Sunday morning. Beverley Blue was again successful in defeating Toodyay, so then it was down to the final against York on Sunday afternoon to decide the winner. York were convincing winners of the Top division Pennant and our congratulations to the teams. Well done to the Beverley team for getting so close. White division finished 2<sup>nd</sup> on the ladder at the end of the season, and had to play York at York on Saturday afternoon, but lost to York. They then had to play Northam on Sunday, again at York, and lost this game by a narrow margin. York then went on to win the final game against Northam to earn them both Pennants for the 2013-2014 season

Boekeman's Machinery Men's Fours took place on Friday the 14<sup>th</sup> of February, and our Thanks go to Warren Hunt and Boekeman's for their continued Sponsorship of this event.

The winners of this event were (the young ones) Brad Copping, Mark Armstrong, Daniel Fleay and Sheldon Petchell, with the team of Peter Fleay with Don, Steven & Brendan Minchin the Runners-up.

The Championship events are completed, and the **Singles Champion** for 2013-2014 is Greg Barrett-Lennard from Louis Irvine and the Plate winner was Daniel Fleay. Greg was delighted to win the Geoff Hutchinson Memorial Cup, and our thanks go to the Hutchinson Family and in particular Maree and Brett who were present, to present the Trophy.

PHOTO LEFT:  
Greg Barrett-Lennard with Maree & her son Brett Hutchinson.

PHOTO RIGHT:  
Louis Irvine congratulates Greg Barrett-Lennard.

The Pairs Championship was decided in a cliff hanger between Peter Fleay and Geoff Bremner and Reg Behn and Ron Napier. With one bowl left to play, Reg and Ron were ahead, but Peter played the shot of the day to take out that winning shot, and take the title. It was a fantastic game played in great spirit by both teams, and kept all the spectators enthralled. The Plate was also a closely played event, with the winners getting a multiple score on the last end to win. The winners were Louis Irvine and Greg. Many Thanks to the Freemason's Tavern for their Sponsorship.

The IGA Championship Fours were played on Sunday the 16<sup>th</sup> of March and the winners are:- Major event – Rodney Ware, Daniel Fleay, Kim Moulton & Sheldon Petchell won from Brad Copping, Mark Armstrong, Neville Darr & Brandon Tauri. Plate Event – Reg Behn, Ron Napier, Mike Carthew & Daryl Burton from David Bell, Geoff Rayner, Don Minchin and Damien Murray. Many thanks to Chris and the Pepper Family for sponsoring this tournament.

The Avon Valley Bowling League -Men's Pennant Finals will be completed on the weekend of the 22<sup>nd</sup> and 23<sup>rd</sup> of March and Beverley will be playing in both divisions. The top team "Blue" have finished the season in 4<sup>th</sup> place, while the 2<sup>nd</sup> team "White" have finished in 2<sup>nd</sup> place. For the full report on how the teams performed, please look on page 42 for results. On Tuesday 11 March, the Invitation Men's Classic Fours were held with a field of 88 players. The winning team was V. Hadlow's team from Quairading with 4 wins plus 50 shots up with the runners-up being P Barrow's team from Manning with 4 wins plus 40 shots up. Royce Edwards, Beverley team came third with 4 wins plus 23 shots up. The AM round went to R Saffioti's team from Roleystone/Gosnells with 2 wins plus 29, while the PM round went to D. Sutcliffe's team from Bassendean. The Beverley Bowling Club would like to thank the Sponsors of this event:- Fuel Distributors of WA Pty Ltd, RSM Bird Cameron, Hutton Northey (Wool Handlers), Wesfarmers Insurance and ANZ Bank – Beverley, for their generous support.

The Ladies have completed their Championship Pairs event for 2013-2014- played in the evenings over 3 nights. This was done, to keep out of the heat in February, and to allow our working lady members to participate. All 12 of our regular playing members played in a round robin format. The Winners with 4 wins and a draw (9 points) were Marg Peck and Jo Copping, but the Runners-up result was very close with 2 teams having 6 points, and the decision came to shots up. The Runners up were Anne Behn and Clare Moulton from Lyn Mactaggart and Jodie Bell.

The ladies pennants have been finalized with Beverley finishing in 5<sup>th</sup> place. Our congratulations go to the Bolgart team, who finished the rounds in 4<sup>th</sup> place, but came through the finals to win the Pennant.

The Beverley Club will be hosting the Avon Valley League Pairs on Tuesday 01 April.

Everyone is looking forward to the **Centenary Celebrations** to be held on Saturday 29 March, with lots of reminiscing and Memorabilia from the past 100 years. Watch the May Blarney for a report on our special day.

## A NOTE FROM THE LADIES CAPTAIN

A BIG congratulations to our Pennant side who played in the B Grade Final against Northam 1 at Meckering. It was a hard fought match which resulted in 15 sets all, so it came down to the wire where Beverley had more games won thus we were the WINNERS! WELL DONE TEAM! There was obviously the team on the day that played and got Beverley over the line but our team consisted of many more who played throughout the season and who all contributed to getting us to the final. I have listed them below.

Men:

Marc Edwards, Rob deGruchy, Graeme Lewis, Matt McLean (these four played in the final)

Damien Murray, Stirling Thomson, Tim Kilpatrick, Darryl Hagan, Daniel Bailey, Wayne Smith, Brett Shaw and Ben Murray.

Ladies:

Elizabeth (Wiz) Moir, Charmaine Willing, Anne Cleland, Ashe Murray (these four played in the final)

Nat Kilpatrick, Narelle Bailey, Emily Miller, Kate Schilling, Dina Barrett-Lennard

Beverley also took home the Ladies Shield and also the Men's Shield. Nobody can recall when we last won the men's shield if at all, so a great achievement. This was also close as Meckering had the same number of sets as Beverley Men but once again we came through on the games. SO... Congratulations for winning all three - B Grade Pennant Flag, Ladies Shield and Men's Shield.

BEVERLEY RACE COURSE

## BEVERLEY REDBACKS HOCKEY CLUB

Welcome to the 2014 Hockey Season! After a restful few months off, things are back in full swing with pre-season training already started, ready for a fantastic season.

### *TRAINING*

Training has commenced starting at 6pm every Wednesday at the Town Oval. It is important that all team members can attend training and maybe do a bit of extra 'fitness training' in their own time, so we can start the season off with a bang!

### *COACH*

We are thrilled to appoint Chris Mann again as our wonderful Coach. This will be Chris' third year as the Beverley Redbacks Hockey coach and is a valuable member of our team. We all look forward to another great season of Chris taking us under her wing.

### *2014 FIXTURES*

As the Blarney goes to print, we don't have any official fixtures but the season will begin early May. When we have the fixtures, we will be sure to let everyone know the dates.

### *PRE-SEASON TRIP*

The girls headed down south for a pre-season 'team bonding' trip. All I can say is, what happens on the trip, stays on the trip but by all reports the girls had a fabulous time. Special thanks to Ali Lewis for all the time and effort you put into organizing such a great weekend!

### *SCRATCH MATCH*

The girls will compete in a scratch match against Brookton and Kondinin on the 5<sup>th</sup> April starting at 3pm. Any supporters keen to make the journey to Brookton are more than welcome.

We welcome back a few players to the team after taking last season off to have babies. We wish Kelly and Justin Mann all the best on their upcoming arrival of baby Mann.

If you want to stay up to date with any Hockey News, please register your email address by emailing [beverleyhockey@live.com.au](mailto:beverleyhockey@live.com.au)

## Giddy Up ! Giddy Up!

Wow! Our first rally for the year held on the 16th of March was fantastic. Mrs Appelbee had a full day of wonderful activities for our enthusiastic riders, ably assisted by great coaching from Tess, Jenifer, Annette, Pauline and the wonderful Marika and Chaise. The kids were kept on tight schedules, were full of enthusiasm and exhausted but exhilarated by the end of the day!!!!

A very big welcome to our two new riders Oscar Blanch on “Crystal” & Bethany Blanch on “Gidget” , both ponies are former pony club mounts so returning to teach new riders!

A big welcome also to our new ponies with Vicki on the very majestic “Rusty” and Katie on the lovely ‘Cheeky’.

*A very big thank you to Luke and Tim for being our jump building mignons—carting poles and wings across the oval—much appreciated!*

The Avon Zone Preliminary Instructors School was held in York on 3<sup>rd</sup> March. Tealah proudly represented our club as a demonstration rider along with one Toodyay rider and four York riders. It was a very hot day and the riders and their mounts made their clubs proud with excellent attitudes and patience on a steamy and long day. Jenifer Petchell, Annette Peart and Tess Hawke all attended the course to get them working on completing their Preliminary Coaching qualifications

On the 23rd of March we held our first Dressage and Show Jumping Training day. It was a fantastic day. We had 44 riders who challenged themselves to finesse the art of dressage and show jumping. A very big thank you to Marika Coghill who judged 51 dressage tests, and to Otto who built our super showjumping courses and managed to provide the opportunity for all 117 rounds of show jumping to practice a jump off as well as show jumping rounds. Well done to our wonderful pony club members for pulling together and putting on a fantastic day!

Eric Lloyd Photography very kindly donated vouchers for the highest score in the dressage tests as well as coming to the event and taking lots of photos. The top scores went to – Prep test - Emily Carpenter on Tyalla Persephone from Toodyay, Preliminary & Novice test – Lucy Cooke on Chilli from Grass Valley .

See you all for our next rally on the 13th of April, gear checking @ 8.30am Sharp! Hopefully the weather will be wonderful.

Please contact Mrs Pauline Appelbee via email [appelbees@skymesh.com.au](mailto:appelbees@skymesh.com.au) or phone 96471181 so that she knows who will be attending the rally.
