

BEVERLEY BLARNEY

Edition 356

June 2014

No Charge

ANZAC DAY IN BEVERLEY

The 99th Anniversary of the Gallipoli Landing was commemorated in Beverley with two services and tremendous community participation.

The dawn service, conducted by Mr Peter Bremner, saw the marchers form up outside the Beverley Post Office before marching to the Cenotaph to be welcomed by a crowd of approximately 150 who joined the ceremonial observance.

The conclusion of the dawn service saw the marchers and community members invited to join together at the RSL Hall for the traditional cooked gunfire breakfast of bacon, eggs and baked beans. The hard working RSL social committee served up 149 breakfasts and it was pleasing to have community members assist with the clearing away and washing of dishes.

Mid morning saw marchers forming up outside the RSL Hall and marching to the Cenotaph where around two hundred people had gathered for the 11 o'clock commemoration.

This service was ably conducted by Mr John Lane, with Mrs Judy Moulton providing organ music for the hymns. Mr Rick Barrett-Lennard recited the ode, Mrs Joan McQuinn led the prayers, and singers from the Beverley Station Singers Choir and the Beverley District High School Choir each performed items. Student Councillors, Georgina Fisher and Evie Wilkinson recited the moving poem "Not a Hero" by Clyde Hamilton. The address given by RSL President Mrs Irene Oram listed all locations in which 102,784 Australian Service Personal have sacrificed their lives since 1885 when the first soldiers served in the Sudan.

Wreaths were laid on behalf of the RSL, Beverley Shire Council, Beverley District High School, Hospital Auxiliary, Volunteer Fire Brigade, and Beverley Post Office.

The Australian National Anthem was sung and the words of the New Zealand National Anthem were recited by the community. Once again this year, we displayed the New Zealand Flag during the ceremony.

At the conclusion of the service, the marchers and the community were invited to the RSL Hall for light refreshments and a good deal of socialising with old mates.

This year also saw a game of two-up enjoyed by some enthusiasts (yes it was licensed and our local constabulary had copies of the paperwork).

The RSL Committee extend thanks to all those in the community who helped make this day of commemoration such a special event and allowed it to run so smoothly.

Irene Oram

RSL Beverley President.

President Report

June 2014

Federal and State Budgets

A raft of measures announced in the recent State and Federal Budgets create challenges for us all, and Councils will face ongoing tough decisions as they work to finalise their own budgets. Indexation of Federal Financial Assistance Grants (FAGS) has been frozen for the next three years, no longer rising in line with CPI and population increases, thus declining in value. FAGS assist to maintain a range of infrastructure such as parks, Council buildings, swimming pools and roads. The State government has abandoned a local roads funding agreement with Councils, cutting \$56m in funding over the next three years. Local Government is responsible for almost 90% of the roads in the state and it is a constant struggle to keep up with maintenance and upgrades. The RforR Country Local Government Fund is no more. You may also have heard of the effect a State Government June 30 staff spending freeze has had on our local hospital and school.

Say Hello to the Wheatbelt

The Wheatbelt Regional Blueprint has been released for viewing and public comment. I would encourage you to do just that as Regional Blueprints for the Wheatbelt, Great Southern, Southwest and Peel will be a new focus for Royalties for Regions funding.

Town Entry Statements

This project is being progressed after a lull in activity since the initial design competition. Main Roads are currently reviewing the preferred sites along Great Southern Highway to consider all safety issues prior to implementation.

Trails Masterplan

Council has endorsed the Trails Masterplan and is considering a 14/15 budget allocation to further this project.

Shire Councillors Technology Update

Shire Councillors have recently been provided with Galaxy Tablets and will receive Shire related information, media releases, notices and correspondence via email, and access reports, agendas, minutes and other large documents via a "Drop Box". We are in a learning/transitional phase with the aim of being fully functional early in the new financial year. If you see a Councillor a little

distressed we will need your patience! Eventually this should mean less paper, saved administration costs and timely delivery of information; pending adequate 4G coverage of course, which is still an issue for some of us.

Multipurpose Community Building?

I would like to provide some preliminary information to the community as a recommendation from the 2013 Community Resource Centre Feasibility Study was to build a Multipurpose Community Centre. This would embrace an array of facilities and services including CRC, library, tourist centre, toy library, hot office space and early childhood learning and care centre. It would also then resolve a growing problem for Council in lack of Shire office space and storage. The consultant who carried out the study also undertook the Recreation Feasibility Study which was a catalyst to get the Beverley Function and Recreation Centre underway and access grant funding to do so.

Council has cautiously supported development of a Business Case Plan for further consideration, particularly in terms of cost, even though it is becoming more apparent there is a need. More information will be provided in due course.

ANZAC

Thankyou and congratulations to the RSL for arranging a successful ANZAC service in Beverley. Once again our "flower fairies" provided a fresh wreath for laying on behalf of the Shire and Citizens of Beverley, which was undertaken by Deputy Shire President Cr Chris Pepper.

Avondale

The Avondale Farm Project Association have been proactive in supporting a bright future for Avondale. This has included oversight of the museum and more recently taking on responsibility for both the resident clydesdales, Robbie and Comet. If you are interested in supporting AFPA and/or becoming a National Trust Avondale volunteer leave your name at the Shire or contact AFPA President Sue Martin on 9646 4073.

Avondale Warden Vacancy – this important position is being advertised on page 9 in the Blarney and includes accommodation at the property.

Emergency Lighting for the Beverley Airfield

The local St John Ambulance team have initiated a project to provide lighting at the airfield to enable night time access by the Royal Flying Doctor Service. Fundraising efforts and donations within the community have been impressive. Fundraising is continuing and further donations are welcomed. For information contact Beverley SJA President John Lane on 0429 965 654.

Beverley Show – Saturday 23rd August 2014

The Shire Council will again have a presence at the Beverley Show. Councillors and staff will be on hand through the day to discuss Council plans, listen to constituent comments and concerns, and provide an array of Shire related information. See you there!

Dee Ridgway
Shire President

NOTICE SEPTIC EFFLUENT SYSTEMS

Any proposed septic effluent system that require the installation of a pump pit will also require the installation of an audio/visual alarm system.

For any information regarding septic effluent systems, please contact Shire of Beverley Environmental Health Officer on 9646 1200.

NOTES FROM THE LIBRARY

Please do not 'pass on' books you have on loan in your name. If the book appeals to another reader, return it to the library and we will hold the book for them. Therefore avoiding the problem of 'ho has the missing book?'

When returning items after hours via the shire letter box, please place in a plastic bag. The box is not sealed or protected from the wet weather.

Remember we have an exchange of titles around the middle of each month. Look out for these new items on display for about a week after arrival, before going onto the shelves.

If we don't have the title you would like on the shelf, we can request to borrow from other libraries - books, dvd's, talking books

Please present your library card when taking a book out on loan, and take care of your card. To replace a lost one costs \$7.

Please ask library staff if you have any suggestions to improve our service to you.

COMMUNITY DEVELOPMENT DATABASE

If you would like to be entered in a database of contacts to be included in communications about anything from community events, funding programmes, workshops, special interest groups or a myriad of other opportunities please return this slip to:

Kathryn McLean
Shire of Beverley
Community Development Officer
PO Box 20 Beverley WA 6304

Warning issued on dangerous solar isolating switches

EnergySafety has issued a public warning about dangerous switches used in some solar systems installed since January 1, 2012.

Director of Energy Safety Ken Bowron said today the switches formed part of all solar photo-voltaic installations.

"They are used to disconnect the current produced by solar panels so electricians can work safely on the electrical installation of a home or business," Mr Bowron said.

"The switches listed below are faulty, and have caused fires in homes and businesses in Queensland and New South Wales.

"I have issued a 'stop sale' order, preventing further sale of the switches in Western Australia, they are subject to recall notices in Queensland and New South Wales and the Australian Competition and Consumer Commission has been informed."

The defective brands and models include:

- 'Avanco' branded dc isolators (model numbers AV/DC4P25A, AV/DC2P25A, AV/DC4P25AUB, AV/DC2P625AU, AV/DC2P25AU, AV/DC2/2P25AU, AV/DC2/2P125AU, AV/DC4P25AU, AV/DC4P25AUS, and AV/DC4P25AUT).
- "PVPower" branded dc isolator Model no. XPDCISO1000V32A.
- GEN3 and SPM branded rotary type DC isolators model numbers: GEN3DC-25, GEN3DC-32, SPMDCISO-25A and SPMDCISO-32A.

"The defective switches were sold in Western Australia after January 1, 2012," Mr Bowron said. "It is important that anyone who had a solar system installed after this date checks if any of the defective switches have been fitted to the installation."

Government of Western Australia

Beverley Hospital Auxiliary Op Shop News

Due to circumstances beyond our control, the Hospital Auxiliary has had to go into recess for a period of time until we can find suitable premises for the Op Shop.

This has been a very difficult decision to make, hopefully in the near future we can find new premises from where we can operate the Op Shop again.

We will NOT be accepting ANY donated goods from 1st June and the Op Shop will cease trading for the time being from the end of June.

MINCHIN (Avis Dorothy)

Don, Robert, Steven, Sue, Sera and families would like to thank everyone who sent cards, flowers, made phone calls and attended the funeral of Avis, our much loved mother and grandma. Special thanks to all of Avis's friends who went to visit her in hospital. She was very grateful for the time that you spent with her. Special thanks also to the doctors and nursing staff of Beverley hospital. Please accept this as our personal thanks to you all.

iLearn Workshop in Beverley

*Are you getting the most out of your Tablet or Smart Device?
Are you connecting with your family, community or business via Social Media?
Do you understand how Social Media is transforming the way we communicate?
Are you digitally savvy?*

If you answered 'no' to even one of the questions above, then we've got an iLearn Workshop just for you!

RDA Wheatbelt has partnered with the Shire of Beverley, Beverley CRC and Wheatbelt NRM to co-host a specially-designed iLearn Workshop for the Avon Valley and surrounds.

Social media expert Dr Paul Harrigan from UWA will be presenting a hands-on four-hour workshop, so BYOD (bring your own device) such as your Smart phone, iPad or laptop, and get ready to develop your digital skills!

Date: Friday, 13th June

Time: 9:00am to 1:00pm

Venue: Lesser Hall, Beverley

Cost: only \$10.00

RSVP: by Wednesday, 11th June for catering purposes

We've recently collated responses from an online survey to assess the digital literacy gaps in the region which has assisted us to create a digital workshop to boost local community's online presence and impact. This iLearn Workshop is one of a series of subregional workshops being co-hosted across the Wheatbelt with further online digital learning opportunities to follow.

Morning tea and lunch included. Please indicate any catering requirements (gluten free, allergies, etc) when you place your booking.

Book online <https://www.eventbrite.com.au/e/ilearn-workshop-in-beverley-tickets-11601922663> or via the Shire of Beverley or Beverley Community Resource Centre.

iLearn Workshops are a key initiative of the Wheatbelt Digital Action Plan

NATIONAL TRUST OF AUSTRALIA (WA) **WARDEN – AVONDALE**

A special place deserves a special person. This position would suit a fit and energetic individual (or couple) that enjoys rural community life, is self reliant, shows enthusiasm and initiative and delights in working with the public and local community.

It is a live-in position with a house provided at Avondale. Weekend work is required with Monday and Tuesday off. Key duties include administrative activities and coordination of day to day operations and supervision of volunteers. Remuneration is \$200 per fortnight in addition to a house, electricity and water.

Please request a duty statement before applying. For further information please contact Dan Klofverskjold on (08) 9321 6088 or dank@ntwa.com.au .

The commencement date for the position is 1 July 2014.

Closing date for applications – 5pm Monday 9 June 2014

Beverley Offroad Motorsports Association (**BORMSA**) is a CAMS-affiliated car club focused on entry level gravel motorsport in a social atmosphere. Throughout the year the club holds numerous events including junior motorkhanas, driver development days, khanacross and autocross competitions at the BORMSA Motorplex in Beverley, WA.

BORMSA Motorplex aerial view

2013 BORMSA Club Champion Neal Johnson

2014 Calendar

Sat 24 May	Autocross (AX)
Sat 12 July	Junior Motorkhana (JMK) & Busy Bee
Sun 13 July	Khanacross (KX)
Sat 30 Aug	Autocross
Sun 28 Sept	Autocross
Sat 25 Oct	Junior Motorkhana & Twilight Khanacross

Junior Motorkhana

Junior motorkhanas are for drivers 12 years and above and involve driving through tests from the Motorkhana Code booklet marked out by cones.

Junior Motorkhana

Penalties are applied for wrong way, hitting cones or not stopping correctly in the finish garage; the lowest overall time inclusive of penalties is the winner.

Khanacross

Khanacross events at BORMSA are conducted on a number of gravel tracks with many corners and bends to keep the speed down. Entries are open from 14 years and above. Between 12 and 16 tests are normally held in an event, with only one driver on each test track at any one time. The lowest overall time (inclusive of penalties for wrong way, hitting cones, not finishing in the garage, etc) is the winner.

Driver Development Day

A driver development day is a practice day for inexperienced drivers where a number of khanacross tracks are opened up for people to practice. Experienced competitors are available to sit in the passenger seat and provide tips. No timing is conducted.

Autocross

A BORMSA autocross is a speed event on a fast and flowing gravel track. Two competitors (14 years and above) start off on the short and long loop tracks before a race to the finish. All competitors have between 4 and 8 runs, and these events are a great opportunity to race your mates and have fun.

What Do You Need?

For all BORMSA events, up to 3 people can share a car. Detailed requirements are found in the Supplementary Regulations issued for each event; essentially you need a car with working steering and brakes, a 900g (min) fire extinguisher and an Australian Standards compliant helmet. Additional equipment – roll cages, harnesses, race seats – is encouraged but not required. You need to wear non-flammable neck-to-wrist-to-ankle clothing – 100% cotton jeans, long sleeved t-shirt and closed-in shoes with non-synthetic uppers are fine.

What Does It Cost?

In addition to a car, all competitors must hold a CAMS competition licence (speed for all BORMSA events or non-speed for JMK/KX only), which requires you to be a member of a CAMS-affiliated car club.

- Annual BORMSA membership: \$50 adult/ \$20 junior/ \$100 family
- Annual CAMS licence: \$105 Speed adult/ \$65 Non-speed adult/ \$20 Speed junior
- Entry fees: \$75 Autocross/ \$45 Khanacross/ \$25 Driver Development Day/ \$20 Junior Motorkhana

Want to Know More?

For further information, check out the BORMSA website (www.bormsa.asn.au), have a look at our Facebook page or contact Cheryl at president@bormsa.asn.au or 0409 205 551. If you LIKE our Facebook page you will receive results, newsletters and regular updates from the Club direct to your News Feed.

**R.S.L. will hold a
Charity Fundraiser
Market on 19 and 20 July
to raise funds for Airstrip
Lighting appeal.**

Please start to set aside any useful, collectable or valuable items you may wish to donate for this event.

“No Junk Please” as we would not like to offend you by refusing to accept your items. Also removal of items not saleable, incurs an expense which will reduce the amount of funds raised.

If you have items which may attract collectors or be worthwhile auctioning, let us know in advance so we can arrange an auction.

Donations will only be accepted in the week prior to the Market, at times to be advertised.

Please do not leave items outside the Hall.

Enquiries – Irene 9646 0470

Avondale Farm Project Association

Dina's retirement from Avondale

We were all sad to see Dina Barrett-Lennard leave Avondale in April after nearly 20 years of putting Avondale first. We wish her all the best in her new job at Muresk. We had a "farewell to Dina and Rob" barbeque to demonstrate to them both how much their hard work has been appreciated.

AFPA AGM

AFPA held its AGM on the 12th of May at Avondale Homestead. A warm welcome to our new members who joined at the AGM. We are confident that with this keen and energetic committee, we can plan and implement more activities at Avondale in the coming year. So, watch this space for upcoming events.

Avondale opening days

Avondale is open to the public every 3rd weekend of the month on Saturdays and Sundays from 10am til 4pm. We are also open every public holiday weekend for the same hours until November this year when it will close for the Christmas break. We have a long weekend coming up at the end of May so we will be open on the 31st May, and the 1st and 2nd of June. Avondale is a wonderful place to visit. Our picnic area is a great to bring friends after looking around the homestead, checking out the stables, talking to the horses, and browsing though the museum. The free barbeques are a bonus when it comes to planning lunch. Entry to Avondale is free although we ask for a \$2 entry fee to the Museum as this goes toward parts for the tractors and machinery so our volunteers can continue to maintain them.

Workshop on cleaning and conservation techniques

On Saturday June 21st Greg Manzie, conservator and museum consultant from Glyde Gallery Conservation will be presenting a workshop on Cleaning and Conservation Techniques of objects and photos at the Machinery Museum. Greg will be working with a sheaf of wheat that was thatched into a haystack in 1938 at Cookalabbi Stud in Coomberdale (Coomberdale was a siding between Moora and Watheroo) by Arthur Topham. The Sheaf was donated to Avondale in 1979. The workshop will also include a demonstration on how to work on historical photos. The cost for the workshop is \$25 and will run between 10am and 4pm, morning tea will be provided. Contact no: 0419 195 943

Cake Stall

Our first cake stall for the year was held on Saturday 24th May. It was wet and windy but this did not deter the rays of sunshine selling the produce who all had a fantastic morning. A big thank you to everyone including: Mitch Kerr for donating a beautiful and realistic painting of the Clydesdales for the raffle and to Max Hunter for donating wood for a second raffle, to Mitch Kerr and Marian Burn for collecting and artistically packing the horse poo, to a new Beverley resident, Anne Bolger for donating some wonderful knitted baby blankets and jumpers, to everyone who donated cakes and to those who bought them.

The winner of the Clydesdale painting was John Pratt and the winner of the firewood was Jenny Ware. Congratulations to both of you. Robbie and Comet both say a big neigh..... to everyone who contributed to a very successful morning.

We still have some horse poo for sale at \$4 a bag. Please ring Marian on 0427 477 734 to purchase and arrange pickup.

Station Gallery

Now that the busy events calendar is coming to the season's end, the committee of Beverley Station Arts can afford a little time on maintenance at the Gallery and Residence. This includes spending the Volunteer grant received end of last year on some much needed furniture - both outdoor and indoor.

Above: Marylou, Pauline and Kathryn assembling the new sofas for the Station Residence

We are fortunate to also have the Shire staff helping with the upkeep of the Station and surrounds which regrettably includes the removal of the gum tree central to the Platform Theatre due to falling limbs making it a safety hazard. We will be replacing the gum with a less risky tree but it will be a while till we see the shade such as we had become come to value on those hot afternoons.

Artist-in-Residence

 We said goodbye to Janet Pfeiffer soon after her encaustic painting class which was so informative and a load of fun. And then Lisa Riley arrived full of enthusiasm to paint the fabulous cloud formations we've been seeing this month. Unfortunately she lost some of her impetus as was called back to her day job but has still been able to come back and man the gallery Thursdays through to Sundays, and has enjoyed much country hospitality in that time.

Above: Janet Pfeiffer at her encaustic painting workshop

Developing that great idea of yours into a Novel or a Play

West Australian novelist & playwright Marlish Glorie will be conducting a number of workshops at the Beverley Train Station as part of her writer-in-residency in July.

The workshops will be held at the following times:

Wednesday 2nd July - 6.30am - 8.30p.m.

Wednesday 9th July - 6.30am - 8.30 p.m.

Saturday 5th July - 10am - 4pm This all -day workshop will focus on How to Write a Novel, or alternatively a

Play. This workshop is suitable for beginners through to more advanced writers. Should you have any queries you can email Marlish - marlish@westnet.com.au. Please note that if these workshop times don't suit & you would really like to attend either contact Marlish at her email address or contact Marylou at: hutchinson@wn.com.au or 0427 085 511 or 9647 1027. Or call in and see Marlish at the Station from June 1st 2014.

Artists in Residence programme for the remainder 2013 and 2014:

June - Jessica Ipkendanz - artist (Perth) - cancelled

July - Marlish Glorie - writer (Perth)

September - Dave & Sandra Conlin - watercolourist, and James Larkins - printmaker (Perth)

October - Mervyn Beamish - artist (Perth)

November - Charlotte O'Shea

As can be seen August and December are not booked as yet, though there has recently been keen interest from a number of artists. If anyone one knows of an artist (visual, performing, writer, musician) who would like to experience a residency here please inform them of this vacancy and contact Artist in Residence Coordinator Marylou Hutchinson on 96471027 / 0427085511 or email: hutchinson@wn.com.au

To become a member of Beverley Station Arts Inc (Friend of the Station) please see treasurer Pauline at the Newsagency, phone 96461042. Membership forms can also be downloaded from www.beverleywa.com (NB cheques to be made payable to Beverley Station Arts) and send to PO Box 112, Beverley 6304.

Beverley Station Singers

The *Station Singers* did themselves proud at Anzac Service in Beverley singing *Lest We forget* - a song written by the talented Kelly Newton Wordsworth which she will be singing herself at Supreme Court Gardens next Anzac Day. Kelly is currently in the US for a couple of months so the *Station Singers* are practicing by themselves for the Beverley Show in August and for the Choir Bash at the Platform Theatre in September. Anyone interested in joining the choir contact Tracey Fleay - Mob: 0409 481 029 or E: traceyfleay@hotmail.com

Platform Theatre

CALENDAR GIRLS

Last chance to buy tickets for Tim Firth's stage production of the based-on-fact film *Calendar Girls* (the perfect opportunity to a girls night out!) Produced by Jally Entertainment of Noosa Heads, this fabulously funny drama has been touring to full houses in all states except NT and Tas, and Beverley is one of the first to be hosting it in WA. *Calendar Girls* is about women in a small town posing discreetly for a calendar to raise funds for a hospital. *Calendar Girls* has been a worldwide comedy hit since its London premiere in 2010 and became the fastest selling play in British theatre history. "Dazzlingly funny, shamelessly sentimental and utterly captivating" *SPECTATOR*.

- CALENDAR GIRLS
- Beverley Town Hall
- Sunday 1 June 2014

Beverley Garden and Tree Society

Twenty two members and one visitor (nice to meet you Suzanne) met at the Dead Finish for the May meeting of the Garden Club. We welcomed two new members (Val and Vicki) and settled down to business at 10.30am.

We needed to tweak our programme a little because the bonsai people can't come until September and our visit to Pingelly Friendly Club is scheduled for October 7th. We discussed the dispensing of some funds and it was unanimously agreed to donate to the St. John Ambulance fund for the lights.

Because of the change of programme it was decided that we would have a casserole lunch for the July meeting and incorporate a bring and buy. This will be held at the RSL hall, a delightful venue.

Our next meeting will be the mosaic workshop which will be held on June 3rd on the verandah of the Dead Finish. Members wanting to participate will need to bring a pot (not plastic), tiles or old crockery, tile cutter, tea towel, old rags, tiling glue (or liquid nails or Selleys all fix), old knife or palette knife, empty ice cream container. We are beginning at 9.30 am and you will need to bring a picnic lunch.

A busy bee will be held on June 12th to tidy up the garden at the Dead Finish.

The welcome rain has bought most of our members out into their gardens and planting is well under way. Remember to compost as much as you can, it gives years of life to a garden and recycles lots of stuff that otherwise would go into the rubbish.

Those of you who like bulbs might like to order through the school and support the fundraising they are doing. It is always good to support local initiatives.

Potatoes, peas, broad beans, broccoli, silver beet, spinach and a broad spectrum of flowers such as alyssums, carnations, everlastings, carnations, nemesia, poppies, sweet peas are all able to be planted now.

Please feed your fruit trees, especially the citrus as they are surface feeders and need feeding 4 times a year. They will reward you for it with juicier fruit.

Seeds are available locally at the IGA and the hardware store and just for interest sake this week I found six different types of potatoes at the nursery in the middle of Northam. Gardeners who enjoy architectural plants might like to try globe artichokes. There is one in the Dead Finish potager garden and it looks splendid. If you don't eat artichokes the flowers alone are worth growing the plant somewhere in your garden. They are huge and a gorgeous purple.

Happy gardening

BEVERLEY SUB CENTRE

Thank You!

The Beverley Sub Centre committee would like to thank all the wonderful people who supported the auction held recently at the Freemason Tavern. Approximately \$5,000 was raised which is a tremendous result, with all proceeds going toward the Airstrip Lighting Community Appeal. We want to warmly thank Amanda and Greg for all their assistance with the auction which enabled it to be such a success. Also, a big thank you to everyone who donated the items for auction, and what a great selection of items they were! To those who attended and bid for those items, thank you, and we hope you enjoy your purchases.

RFDS

The volunteers have been very busy with call outs recently which included the Royal Flying Doctor using the airstrip twice in the last fortnight. Fortunately, these were in daylight hours as until the airstrip lighting is installed they cannot land here at night. The fundraising for the lights is progressing well so we still hope that this will happen sometime during 2014.

Airstrip Lighting Appeal

Several donation tins are located throughout the town. These locations include the Newsagency, Bakery, Top Pub, CRC, IGA, Country Kitchen and the hospital reception. Your loose change can go a long way for greater emergency service care in our wonderful town. Please continue to give generously.

On Friday 23 May our President John Lane was grateful to receive a \$3,000 donation from the Sandgroppers Caravan and Motorhome Group who visited Beverley last year. These were leftover funds from their trip to Beverley and we are very pleased they chose to put it towards the "Light up the Strip" Appeal. We would also like to acknowledge the Beverley Hospital Auxiliary who generously contributed their donated portion of funding towards the appeal.

Beverley District High School

Ciao and benevenuti (Hello and welcome) to our news for this month. By the time you have read this article, the Faction Cross Country event will have been completed. We hope the students ran great races and that the expected 10-15mm rain held off until after the event. Australia's Biggest Morning Tea was also held on that day and we hope that lots of funds were raised for such a worthy cause and of course everyone would have been well and truly fed with the generous donations of cakes, etc.

NAPLAN has been and gone and results will come parents' way towards the end of the year. We are sure every student in Yr 3, 5, 7 and 9 put in their best effort.

Just a reminder if you would like to have a paperless society, please think seriously of subscribing to the school newsletter by pressing the subscribe button on the Beverley DHS webpage-www.beverleydhs.wa.edu.au. The webpage has been revamped so go and have a look at it. We are open to suggestions, so please send them our way.

Year 7 - 8 Technology

Students have been busy improving their machine sewing skills by making heat packs. Seams and hems were used to sew a calico inside channelled bag filled with wheat and dried lavender. Then a pretty cotton fabric outer cover was made.

Heat packs are a first aid item which is heated briefly in the microwave before being placed on an injured part of the body to help relieve pain.

Year 9 - 10 Technology

We have been creative with machine embroidery, threads, fabric dyes and glass paint. Here are some photos of our models – wall hangings, tie dye fabric and glass painting.

We made gel air fresheners with the painted glass jars.

Here is the recipe for you to try –

Gel Air Fresheners.

1. Warm in a saucepan – until salt and gelatine have dissolved
1 cup water
40g of gelatine
1 tablespoon of salt
1 tablespoon of white vinegar
2. Add 1cup of cold water.
3. Add a few drops of food colour to saucepan and mix up.
4. Put 20 – 30 drops of "Essential Oil" in the jar.
5. Pour in carefully and mix up. **don't fill the jar too much**
6. Leave to set for a few hours before moving.
7. Decorate the glass jar as desired.

Upcoming Events

- Wednesday 4 June** Year 8 Immunisation-Round 2.

BEVERLEY PATCHWORKERS AND QUILTERS

May was a very busy and productive month for the group. Easter saw the airing of a large number of beautiful quilts made by members and displayed at the Dead Finish Museum.

Eight members participated in an overnight retreat at a property on Valentine's Road after the Easter break. Skills learnt at a recent dying workshop were demonstrated and the fabric was used in a new technique to create "convergence quilts". These retreats are a great way to bond new and old friendships with plenty of chatter, coffee, good food, walks and patch working.

The group was also successful with our submission to the Shire for a grant to extend our knowledge of using the quilting frame at Avondale. Four members have already travelled to Perth for a workshop, with 3 to 4 more workshops planned over the next few weeks.

New members are always welcome and we meet Tuesdays at Avondale.

For more information call Janice 0438 019 510.

BEVERLEY PLAYGROUP'S NEWS

First of all, the Beverley Playgroup Inc. Committee, wishes to thank our beautiful community for their support and generosity and, our members who donated cakes and / or their time for our Cake-Stall held on Saturday 17th May! We raised a massive \$440, which will help us run programs, such as the Boogie Roos, at low cost to our members and get new toys and equipment.

Over the last few weeks we had lots of new members and the attendance has been fantastic! It's heart-warming to see that we have so many young ones in town. The all play great together and love the activities. The more the merrier!

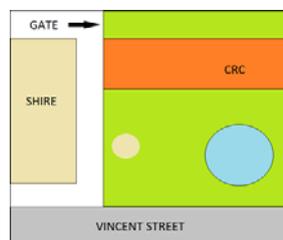

Upcoming this month and new to Playgroup: a Baby Group! The aim is to get parents with new-borns and young babies together to meet, socialise and share tips and ideas. We will run the group for 3 weeks only on Thursday at the end of the normal Playgroup session, starting on 19th June. It's free and we arranged our locals Physiotherapist, Speech Therapist, Child Health Nurse, Occupational Therapist and Dietician to come over to answer queries parents may have. Dianne, Child Health Nurse, will bring the scales to weight babies if parents wish.

Jenette, our President is organising a date with Sandra from the Boogie Roos for the 3rd term, probably on 31st July, and we hope to book another one for the last term. For those who didn't come last year, Boogie Roos is an award winning program for babies and young children (2014 International What's On 4 Junior Awards: Most Outstanding Activity Leader 0-5 years and Best Local Baby and Preschooler Activity 0-5 years winner). For an entire hour Sandra puts the music on and makes children wriggle, jump and dance with props such a pompoms, parachute etc... It's a lot of fun and keeps the little ones active while parents can watch the action and catch up.

We still have more in store for the rest of the year, so keep tuned.

Finally, we are still welcoming new members, so any parent / carer with babies or children up to 4 years old can attend at anytime and are entitled to 3 free sessions before joining.

We hope to see you there J

BEVERLEY COMMUNITY REFERRAL INFORMATION AND PARALEGAL SERVICES

1. Budget cuts are the hot news of the day:- For all who are interested in TV and radio reports and how Australian, both indigenous are effected. See CRANA Aboriginal Corp. for more details.
2. This publication will mainly touch on Centrelink Age Care and Disability Pensions. Disability Support Pensioners:- Statistics and research indicate to us that there are 800,000 currently receiving benefits. This figure is now increasing by 10,000 each year. In recent days this Minister and the Treasurer have stated, that there will be a complete shake up of the whole system.
 - a. All recipients will be reviewed and assessed if needed.
 - b. Those under 35 years of age will be assessed i.e. they will be sent to a body (newly formed) of independent doctors.
 - c. Their words used "those who are capable of working **MUST WORK** and if not will be put on Newstart Allowance". Therefore one could loose around \$200/- plus per fortnight.

Other public statements made: There will be some pain, everyone must share the burden. Nothing is Free.

3. The comments, on the other hand by organisations such as: Human Rights, Disability, Indigenous, Health Professionals, Dental Practitioners, Careers, ACOSS, parents and so the list goes - too numerous to mention. All without exception clearly state: That once again, the most vulnerable, disadvantaged, needy, not so fortunate in our Australian community are being targeted and forced to share and carry the economical burden which, we are told is around 36 billion dollars. Saving from the Disability Support Pension.

4. AGE CARE: Now that one has to stay in the workforce till age 70. Because of the age hike, the question is who will have the capacity to work. If those unfortunate, will end up in age care residences. Some residence are complaining, due to lack of funding are battling to keep their staff.

5. My final comments based on my line of work: some 15 years ago, words like reviews, assessment, shake up, lead to investigators with latest IT equipment and some were taken off the Disability Support Pension, as footage taken proved they were capable of working. As a former, long term Shenton Park patient, it is proper to keep an accurate record of your incapacity and seek medical advice, remember all this will now be tested. i.e. as to what you are capable of doing and not doing.

Mal G Roberts

CRANA Aboriginal Corp. Inc.

Budget cuts once again, the most disadvantaged in our community will have to pay the high price. This will have a devastating effect on both indigenous and non-indigenous Australians.

HEALTH: Some family and children services have been slashed and other services have been withdrawn and indigenous staff have been sacked. (TV/radio reports).

EDUCATION: Special services to cater for the needy, disadvantaged and programmes to support children with a disability, have been disadvantaged as their funding has been reduced or cancelled.

MEDICAL: In spite of all the research, evidence, statistics and known facts which prove, that the life span of indigenous people is far shorter, by approximately 10 years sooner than non indigenous, especially children, who have a 40 % higher mortality rate. Yet the services provided were sub standard and will furthermore deteriorate, placing a further burden on their culture and life expectancy. Last month TV reports pointed out that family members who travelled from up North, to visit critically ill patients (family members) would normally stay at the YMCA, which has been closed. These indigenous families had to sleep in the open parks for many days, around the Perth area.

AGED AND DISABILITY SUPPORT PENSIONS: Some will be reviewed and assessed.

RESEARCH AND LAND CORPORATION: Whole programmes have been cancelled, departments have been closed down. CEO and other staff members have been made redundant. Some staff worked diligently for well over 20 years, they did not receive any notice or even a phone call, they heard about their departments demise, through the media. These are real life true cases.

ABORIGINAL LEGAL AID SERVICES: Funding has been drastically reduced, which is causing concern right throughout the legal, social, community and human rights organisations. If anyone is denied justice i.e. by cutting legal aid, they have no representation in the courts. This will result in more incarcerations as prison residents. What experts in this field say, that more funding is needed to prevent one from going to prison, less funding will have the opposite effect.

Some learned experts state, that in the indigenous culture, when adults are incarcerated in prisons and detention centres; causing a feeling of loss of culture, identity, connection to their land and sadness, which, is unbearable and in some cases does lead to suicide. From what has been said, the cutting of Aboriginal Legal Service funding may have very serious consequences for some indigenous families.

MEDICARE CO-PAYMENTS: \$7 for visit to the GP, for emergency, blood test, x-rays and the list goes on. A fair question is how many sick and needy would be able to afford this added burden of money extraction which is unaffordable.

RECONCILIATION, CLOSING THE GAP, CHANGES TO THE CONSTITUTION: Reality is that in spite of research, which shows, that the majority of Australians would like to see these issues of concern dealt with, there has been much talk and little or no action. Once again promises are made and never kept.

CONSUMER ADVOCATES: Are advising indigenous people not to release personal information, including bank account details. Do not commit to verbal contracts over the phone, unless you understand the terms and conditions, TV reports showed some Kimberley region residents were being influenced by door knockers and did not understand what they were signing for. If in doubt come and see me, I will secure legal advice.

We come to You!

Make a Movie, Make a Stand, Make a Difference.

This year, WA Police is encouraging all Western Australian high school aged students to actively become 'Community Safety Champions', as part of the innovative Students Advising Youth Project (SAY Project) for 2014. Supported by local Lions Clubs and Murdoch University, students are encouraged to produce a short (90 – 105 seconds) film about making their community "drug free and drug aware". The top film will win **\$1,000 cash and an all-expenses paid trip** for them and a guardian to fly to Canberra and attend Parliament to present their film to a Government representative. \$1,000 prizes also available for 2nd, 3rd and 4th placed film makers.

About the SAY Project.

In 2013, Acting Sergeant Tam McKeown initiated the SAY Project to encourage young people to be educators among their peers to deliver messages about key community safety issues such as illegal drugs, road safety and alcohol abuse.

Supported by the Department of Education WA, the Project aims to provide students with a strong anti-drug education during the research component of this year's subject, and in addition, students will actively promote and market their own anti-drug films through both local networks and social media in their communities. Informative podcasts have been produced to assist you and your students to learn more about participating in the Project. View the [SAY Project Podcasts](#).

Schools and community / youth organisations are required to complete and submit a [registration form](#) no later than **24 July 2014**. The [promotional poster](#) is also available online for distribution in your school or community / youth organisations.

How to participate in the SAY Project – Key dates

29 April 2014	Launch. Individuals research their anti-drug topic and compile a short film to show how they are making their community drug free and drug aware.
24 July 2014	Deadline for school and community / youth groups to register their interest in participating. Complete the registration form and send to SAY.Project.2014@police.wa.gov.au by 24 July 2014.
25 July 2014	Students upload their short films onto school or community group YouTube, market and communicate it through social media, among their social peer groups and local community.
25 July – 22 August	Students market their films and school or community / youth groups select the top ten meeting criteria and with the most views.
29 August 2014	Deadline for school or community / youth group to select and submit their number one film to SAY.Project.2014@police.wa.gov.au
August –	Judges review submissions and select 10 finalists. Films are uploaded to the SAY Project YouTube.
29 September 2014	Judges announce 10 finalists and invitations to awards ceremony distributed.
20 November 2014	Finalists attend an awards ceremony and winner is announced.
December 2014	Winner and guardian meet and present film to Government representative in Canberra.

We thank you in advance for your support in promoting the SAY Project among your students and youth. Together we can harness their enthusiasm, innovation and creativity to empower them to become educators of other youth on these prevalent issues affecting our community.

We have high hopes that this Project will benchmark itself and showcase the innovative role that our young people can play in relation to enhancing community safety.

Thank you in advance for your support.

Tam McKeown | Acting Sergeant

THE BLUE LINE

Beverley Police Station
57 Hunt Road, Beverley WA 6304

Hello Everyone,

What's with the meerkats? Well, since the road works at the top of Vincent Street x Hunt Road were started (surely they aren't finished?) that's what myself and Ian have become. Everyone, even those in our community who use gophers, all sound as though they are hooning when approaching the junction. I tear my head off my shoulders when I hear cars turning on to or off Vincent Street and poor Ian has pulled his hammy 3 times sprinting over the front counter since the road works turned the road into a gravel pit. It's. Driving. Us. Bonkers !!!!!!!!

Anyway, enough of our meerkat tendencies, I'd like to take this opportunity to congratulate the motorists of Beverley for driving impeccably and for the most part sticking to the posted speed limits. We've been doing quite a bit more traffic enforcement in and around town and have had to either issue tickets or caution very, very few Beverley motorists. That said, don't forget the speed limits, they are there for a reason and as annoying as they might be they are a lot less annoying than receiving a ticket or paying a visit to hospital, or both.

There's not much to report on the crime front since the last Blarney. We are travelling very well with very few crimes being reported to us so we all must be doing something right. Let's stay vigilant and continue to report anything you think seems a bit out of the ordinary. We are all ears.....

I know I've mentioned this before but I'll mention it again as this time it happened to me. The scammers are back bombarding email accounts again. I recently had a very official looking email from ANZ land in my work email inbox. They were asking me for my account details and password as there was a 'security issue' with my account. All I had to do was click on a link. Now there's just one problem with this request, I've never been a customer of the ANZ. I asked a friend in our computer crime department what was the likely consequence of me clicking on the link (I had no intention of doing so) and he replied; "It'll bugger up your computer". So when a bloke who loves computers and smells like he washes infrequently tells you something like that you take notice and pass on the advice to everyone in town. So that's what I've just done.

Speaking of technology, whilst we love speaking to everyone face to face we can't always be there so, are you aware of the online reporting capabilities on the WA Police website, <http://www.police.wa.gov.au>?

In July 2013, WA Police implemented the Check My Crime portal which allows a person to check the status of their incident after it has been reported to police and also permits them to add additional stolen or damaged property to the report.

In March 2014, the Report My Lost Property portal was implemented. This enables members of the public to complete a report of lost property without having to ring the police or attend a police station.

These are just two of the online reporting services that members of the public are able to use. Other reports and forms include, but are not limited to, firearms-related matters, hoon, crash and graffiti reports and the ability to register a party.

Apparently more options will be coming so as soon as I hear about them I'll let everyone know! That's all for now folks, Ian's still here for a couple of weeks yet and I'm busy sorting out his replacement. The fields are getting greener and the rain is getting wetter (is that possible?). So rug up and light the fire because it's getting colder !!!!!!!!!!!!!!!

Take care everyone,

The 2 Ians.

BEVERLEY JUNIOR NETBALL

CLUB NEWS

Wow, what an amazing group of players that we have this year. The Year 5 and under group has 16 players and the Year 7 and under group has 20 players, enough for 4 teams. The numbers for 2014 are astounding and have allowed the girls the opportunity to enjoy plenty of time on court with matches being played each weekend.

Due to the number of players the coaches have decided that the Thursday training sessions will be weekly. Training is to commence at the courts at 3.30pm-4.30pm. These training sessions are for skills development, theory and fitness.

Training prior to games against other towns will be 3.30pm-5.00pm and will be a quick training session followed by a game. This allows those players that have a scheduled bye the opportunity to still get on the court that week and have a game. For parents that do not have the roster of byes please see your coach and we can organise a copy for you.

The teams have played two games against other towns, the first being against Quairading which unfortunately we didn't come away with a win but they never stopped trying. The second match was against Cunderdin in which both teams did have a win, which thrilled all of the players.

A team of 9 players (13 and under), represented Beverley at the 2014 Wheatbelt Regional Carnival in Northam, pictured below. The team played a total of 8 matches over the day, they didn't make it to the semi finals but gained valuable experience and had a great day out. This is the first time Beverley has been to this carnival and we will be heading back over to Northam in August for the 12 and under division.

Find your land in regional WA.

Whether you're looking to expand your business or build a new home, we have hundreds of lots available across regional WA with a range of sizes and towns to choose from. It's just one way we're working hard to provide quality developments in the region, through the State Government's Regional Development Assistance Program (RDAP).

Wheatbelt residential land for sale

Town	No. of lots	Size	Price
Beverley	1	1,033sqm	\$65,000
Cunderdin	3	from 2,002sqm	from \$90,000
Tammin	1	1,012sqm	\$15,000
Hyden	11	from 982sqm	from \$20,000
Bolgart	4	from 882sqm	\$40,000
Dowerin	7	from 657sqm	from \$49,500

Wheatbelt light industrial land for sale

Town	No. of lots	Size	Price
Cunderdin	4	from 2,073sqm	from \$40,000
Hyden	6	from 4,000sqm	from \$46,500
Wickepin	1	2,023sqm	\$25,000

Light industrial land leasing options also available

For a full list of available lots call 1300 730 435 or visit landcorp.com.au

BEVERLEY LIONS CLUB

As you may be aware, the Beverley Lions Club is closing down. I do not believe that it is any one or anybody's fault. It is simply a sign of the times. All service clubs are struggling and have been struggling for a while already.

Pat Thompson and I are the only active members left and it has fallen to our lot to do the hard yakka involved in closing down the Beverley Lions Club. We have now received permission to sell off all the assets that are left in the Club.

The most significant of these are the following:

- The trailer which had been fitted out to carry all the catering equipment including tables, chairs, and pergolas, gas BBQ's and catering equipment. We are hoping to be offered in the region of \$3000 to \$3500 for the trailer.
- We also have one 3.5 Kva inverter generator for \$300.
- The RSL has agreed to make us an offer for some of the catering equipment and the tables and chairs plus one (at least) BBQ of the three on hand.
- The electric urn has been sold for \$100.

Should you are interested in any of the items please feel free to contact me to arrange to view what is in the trailer.

Regards,

Lynn Isaacs

Small Landholder News

With Jodie Whitfield

Small Landholder Information Service

Department of Agriculture and Food, Western Australia

As the rain starts to fall, we can't help but take a sigh of relief - but that does not mean our jobs for now are finished. With the rain replenishing our paddocks and starting to soak our soils there is plenty to get done!

This season's lambs will need to be ear marked and branded with a red tag. Lambs should also be vaccinated with a 3 in 1 injection and this should be repeated at weaning.

As the temperature drops and the rains continue, it is important to provide stock with young, access to sheltered areas away from the cold and wet conditions. This will reduce the risk of animals getting hypothermia.

All owners of livestock (cattle, sheep, goats, alpacas, etc.) must be registered, even if you only own one. If you are not currently registered please call the Brands Office for assistance on 9780 6207.

Pasture growth rates will start to decline as temperatures decrease and it may be necessary to move stock from paddocks with low levels of food on offer (FOO) to protect these paddocks from overgrazing and ensure good growth rates in spring (see SLIS's 'Rotational grazing for small landholders' available at agric.wa.gov.au/small_landholder).

Through June, the sowing of oats for hay production can still be undertaken. Match varieties to the season length you have remaining for your area. This ensures that the timing of hay cutting occurs at the right stage of the plants' development for the best quality and quantity of hay.

For those with an orchard, once the last of the leaves have fallen start pruning stone and pome fruit. It is also important to control winter weeds in your orchard. Be careful if you are using mulch as a method for controlling weeds as it can encourage collar rots if it is put hard up against the stem of the tree.

Winter is also a great time to plan any changes or improvements you would like to make to your property (see SLIS's 'Developing a property plan for small landholdings' landholders' available at agric.wa.gov.au/small_landholder).

Before any problem on your property gets too big, make sure you deal with it. Leaving it to potentially get worse will only hinder you in developing the property you want.

Visit our Facebook page at facebook.com/DAFWAsmalllandholders for up-to-date information and great tips on managing your property. We would love you to like us!

Our seasonal e-newsletter keeping you on top of what you need to know for the coming season has just been emailed out. Sign up now at agric.wa.gov.au/small-landholder-information-service-e-newsletter to start receiving your copy.

Until next time,

Jodie

**BEVERLEY
HISTORICAL
SOCIETY**

**BEVERLEY
HISTORICAL
SOCIETY**

March Meeting: There were 9 members in attendance with 3 apologies.

Easter Opening: Once again we had an extended opening over the Easter weekend with some beautiful Quilts featuring fabrics and designs from other countries as far apart as Japan, Indonesia, New Zealand, The Netherlands and Isle of Harris, Scotland - all made by members of the Beverley Quilters and Patchworkers group. Congratulations to these artistic people and thank you for displaying them in the Dead Finish Museum.

The Historical Society put together displays and stories on the theme “**Journeys**” including the story of one man’s extraordinary emergency effort to get from Babakin to Bally Bally to see his wife and child in 1910; and another, in verse form, describes an early outing in a Chrysler vehicle from town to Quajabin (County Peak). This latter display will remain at the Dead Finish Museum and is well worth the reading.

WWI Project – Remembering Them: We have made some advances with this project by deciding on the themes of the 3 panels to be made by the WA Museum for Beverley. The Coordinator of the Project, Naomi Lam, is to attend our May meeting.

Family Research:

- ☞ A student at Notre Dame University made some enquiries about postcards sent by Jim Edwards of Anbrook after WW1.
- ☞ A family member wants information about Una Elaine Cherrill born in Beverley in 1912.

Donations:

- ☞ Copies of speeches made by Dee Ridgway, Terry Waldon and Paul Brown at the official opening of the new Recreation Centre
- ☞ 2 Dinner plates with WA wildflower designs used by the State Steamships on their voyages up and down the WA coastline.

The Beverley Times: Members adjourned to the Beverley Shire Office after the meeting to be given a demonstration of the digital *Beverley Times*. It is fascinating to look up specific dates, people or events from 70 years of publication of our news-paper with a few keystrokes. Thank you, Sheridan.

Next Meeting: Venue: Dead Finish Museum.

Date & Time: 12th May 2014 - 10:30am

Special Guest: Naomi Lam, WA Museum.

Welcome: Anyone interested in local history
For more information contact the Secretary on bhsdeadfinish@gmail.com.

April Meeting: There were 10 members, including a new member, in attendance with 4 apologies - at the earlier time. Special welcome was made to our two guests from the WA Museum: Naomi Lam and Jessica Needle. Reports were presented on a series of workshops and a museums meeting attended by Society members.

Workshops at York Archives Centre

Two members had interesting sessions over three Saturdays on the following three topics: 1. Archiving Basics; 2. Dealing with Paper and Books; 3. Digitising. They were very well organised and the presenters were experts in their separate fields.

Wheatlands Museums Meeting in Merredin

Four members from Beverley representing the Dead Finish & Aeronautical museums travelled to Merredin for the Wheatlands Chapter of Museums Australia meeting, held in one of the old buildings on Merredin Railway Station that make up the Merredin Museum. The meeting heard reports from the 13 museums present. We then had a presentation on the Merredin Trails that are designed to attract locals as well as tourists. After lunch we walked to the local Art Deco Courthouse and the Cummings Theatre where we saw and heard about the history and conservation of both these buildings.

Family Research:

- ☞ A family member requested information about the birth of a Gladys Winifred Edmonds born 3rd March 1910 (not 16th March as family thought) and died 1981.
- ☞ From Victoria, a descendant (named Beverley) of Thomas Kilpatrick– has been put in contact with family members in the district.
- ☞ A family member of a Thomas Henry Gard who died in 1934 seeks the location of his gravesite.

WWI Project – Remembering Them: Naomi Lam addressed the meeting about this project funded by Lotterywest. Our Museum will obtain 5 panels about WW1: two are generic to all participants in WA while three will contain local Beverley information. As well, we will receive a modern secure showcase in which to display memorabilia from WW1.

The meeting concluded with a light lunch.

Next Meeting: Venue: Dead Finish Museum.

Date & Time: 9th June 2014 – 2pm

Welcome: Anyone interested in local history
For more information contact the Secretary on bhsdeadfinish@gmail.com.

NEWS FROM THE CRC

JUNIOR BUSINESS TRAINEESHIP

The centre is offering a junior traineeship opportunity for a 12 month period. The trainee will get on the job experience whilst studying Certificate II in Business. For more information please refer to the advertisement on page 9 of this Blarney edition.

WORKFORCE DEVELOPMENT CENTRE

Do you need help in finding your career pathway? The staff from Workforce Development Centre are visiting Beverley on Thursday 12 June. To book an appointment for your one on one consultation please ring the centre on 9646 1600. Bookings are essential. Further information can be found on page 45.

WESTLINK BROADCASTS

We will be advertising scheduled broadcasts that are available for viewing by the community. In June there is a great opportunity for community groups that host events to assist your group in events risks as described below. To register your interest in attending, please contact 9646 1600.

Learn how to manage your event risks

Tourism Western Australia and the Department of Regional Development in partnership with Riskwest, are offering event holders a presentation that provides an overview of event risk management and the opportunity to learn how to manage risks to ensure a successful event.

The presentation, delivered via Westlink, aims to provide event holders with a greater understanding of the importance of risk management for events. This will include:

- Identification, evaluation and assessment of risk in the context of events;
- The importance of effectively controlling/treating risk;
- Monitoring and reviewing your approach;
- Communicating and consulting with stakeholders; and
- The importance of good documentation.

The presentation will be broadcast on Westlink at the following times:

- Friday 30 May 2014 – 9:00am, 1:00pm, 3:00pm and 7:00pm
- Monday 2 June to Friday 6 June 2014 – 9:00am, 1:00pm, 3:00pm and 7:00pm
- Saturday 7 June 2014 – 11:30am

The presentation will be available on Tourism WA's corporate website (http://www.tourism.wa.gov.au/Events/Pages/Regional_Events.aspx) from Friday 30 May 2014.

For more information contact Riskwest www.riskwest.com.au or 08 6141 3380.

Government of Western Australia
Department of Regional Development

CHANGES TO FUNDING AT THE CRC

The funding structure for the Community Resource Centre has changed and you will notice that in the next 12 months the centre will be hosting more events, training and courses. Keep your eyes open for some of these development such as:

- ☞ Businesses get ready for some exciting new developments at the centre, more information will be released in July.
- ☞ Cybersecurity Awareness Workshop will cover how to keep your family safe online, fraud and online security.
- ☞ E corner - iPad and Samsung tablet available for use and training.
- ☞ Mad Men's Muster and Wild Women of the West are definite events for 2014.

is closed you can always get medical
attention at the Beverley District
Hospital located in Sewell St.
Beverley Experienced staff will triage
the patient and contact the on call
Doctor

Ph: **9646 3200** or call 000

Our practice welcomes new patients.

PRIMARY HEALTH SERVICES
available to the community
of Beverley

You can refer yourself or your child to
the following health professionals:

Child Health Nurse - Phone 9646 3200
to make an appointment, Hospital
Admin Staff will assist you in setting an
appointment time (attendance Fridays).

Child / School Health – 9646 1210

Dietetics – 9690 1320

Occupational Therapy - 0429 466 224

Physiotherapy – a **Doctors referral is
required** – Please send to PO Box 142,
Beverley or drop referral to the
Beverley Hospital
(attendance Thursdays).

Podiatry – a **Doctors referral is required**
Please send to PO Box 142, Beverley or
drop referral to the Beverley Hospital
(attendance Fridays) **.

Social Work – Phone 9690 1320

Speech Pathology – Phone 9690 1321

- Services are provided at the Primary Health Building, on the corner of John and Forrest Streets, Beverley. There may be a waiting time for services.
- These services are provided by WA Country Health Service and are free of charge. (Please note that the Podiatry Service is a private practice and is not free of charge - there is a fee at first consultation but the WACHS/Beverley Health Service do not get involved in taking fee payments – only assisting at receiving the referrals for appointment. The Doctor's referrals are usually faxed to the service provider, Como Podiatry, who contact the patient by phone and make an appointment).
- If you have any concerns about your own health or your child's health and development, please phone the relevant health professional to discuss your concerns. Alternatively, you can speak to the Child Health or School Health Nurse, or your GP, to discuss your concerns and to determine the most appropriate referral. *Avon & Central Primary Health - Promoting Healthy Lifestyles*

Get 'Back to basics'
with FOODcents®

Australian's are busy and many of us think we don't have the time or money or priority for regular family meals. Chasing convenience and time, we are relying on takeaway and ready made meals more than ever before. In fact, the average family spends \$3640 a year on takeaway!

Takeaways and ready made meals might seem like good value but it's all in the marketing. Have a look at the price per kilo of fresh foods and compare to convenience foods – you might be surprised at the true cost of healthy options. Did you know that all of your healthy groceries are GST free?

FOODcents® is a program that helps families to achieve a healthy diet and to save money on their grocery shop. The program is based on the simple concept that the healthy foods we need are cheaper and more versatile than the processed products we have come to rely on.

Over the last two decades FOODcents, has been quietly educating thousands of West Australians that healthy eating doesn't have to cost the earth. "FOODcents is all about promoting simple, healthy home cooking using loads of fruit and vegetables and only choosing packet foods that don't have a long ingredient lists."

Challenge your family to go 'Back to Basics' in the kitchen this week. Buy more fruit and veg, choose packet foods without long ingredient lists, take packed lunches and enjoy quick meals like beans on toast when time is tight.

You might be surprised at the money you save.

For more information visit www.foodcentsprogram.com.au
or email foodcents@cancerwa.asn.au.

.....

If you are involved with a club or group who want to improve their food literacy through knowledge and skill development then FOODcents is the program for you. The program is practical and appropriate for adult groups from various cultural, linguistic and social backgrounds. Please contact Karen Hansen, Regional Education Officer Wheatbelt on ph. 9690 1746 or email khansen@cancerwa.asn.au for further information.

FOODcents week from 19-25 May 2014 celebrates its 20th anniversary.

All Welcome - Men and Women

WARRIORS WELLBEING – June 2014

The Myth that Men Don't Talk.

As blokes we get told all the time, "Men just don't talk!" One of the things that never cease to amaze me in the job we do, is that given the right circumstances blokes will disclose their issues and tell their story. Every bloke that I have met has a story and/or issues and wants to talk about it.

Blokes do talk, firstly we have to acknowledge the differences between how the genders go about this. There are also some other factors that need to be considered in how we go about talking with blokes.

The differences are real and we need to acknowledge some of the communication differences between blokes and ladies:

- Blokes only talk one third as much as ladies in a day (approx. 7000 to 21,000 words).
- This can be explained by the fact ladies think and speak in a narrative way where blokes prefer dot points.
- Single word responses to questions like - Yes, No, good, bad and grunting are considered responses by blokes.
- Blokes find it uncomfortable to talk about their emotions. We have been conditioned not to and are hard wired differently, often focusing on problem solving, providing and protecting, rather than how we feel, let alone talking about it.

Some other factors that need to be considered by both blokes and ladies may contribute to having a more productive outcome when having "that talk":

- Choosing the right environment to communicate is essential. This is not when we are distressed and out of control, but when we have calmed down. Also, avoid being under the influence of alcohol, which can act as a "mood enhancer" and alter our state of mind.
- Timing is also an important factor to consider. Agree on a designated time to talk, avoid times when you are preoccupied with other tasks, or when there are a lot of things happening.
- Be prepared to listen – The most important part of talking is **LISTENING**. (I think this is an OXY MORON!) Having respect, connection and some empathy with whom you are talking will give you more chance to become an active listener.
- Getting help with having a talk with your bloke – Don't be afraid to seek help in having a talk with your dad, husband, son or mate i.e. use an independent person, your GP or a counsellor.

Considering the above factors and "giving permission" to blokes that it's ok to talk about things that cause us discomfort or pain may assist with blokes talking, but sometimes this does take time.

From little things big things grow (just like this year's crop), Blokes do talk – Sow the seed towards a meaningful conversation.

Cheers

Owen & the Team RMHI

The Beverley Community Resource Centre is looking at starting a LEGO CLUB for kids to be hosted on Monday afternoon's during the school term.

To make this new initiative possible we need to see if there is enough interest within the community. Please register interest by calling the centre on 9646 1600 or visit the centre.

For those parents that children that have grown up and still have Lego laying around, we are accepting donations, it would be greatly appreciated.

LISA WAY — Child Health Nurse

The Words of the Preacher

“Jesus. . .said. . . ‘Verily, verily, I say unto thee, except a man be born again, he cannot see the kingdom of God.’

Nicodemus saith unto Him, ‘How can a man be born when he is old? Can he enter the second time into his Mother’s womb, and be born?’

Jesus answered, . . . ‘That which is born of the flesh is flesh; and that which is born of the Spirit is spirit. Marvel not that I said unto thee, ye must be born again.’ “
John 3:3-4 and 6-7

“Being born again, not of corruptible seed, but of incorruptible, by the word of God, which liveth and abideth for ever. For all flesh is as grass and all the glory of man as the flower of grass. The grass withereth, and the flower thereof falleth away:

But the word of the Lord endureth forever. **And this is the word which by the Gospel is preached unto you.”** 1Peter 1:23-25

WHEATBELT BLUEPRINT RELEASED FOR PUBLIC COMMENT

After twelve months of research and stakeholder engagement, the Wheatbelt Regional Investment Blueprint has been released for public comment. The public comment period ends on **Friday, 18th July 2014**.

This Blueprint provides a framework for the future growth of the Wheatbelt, and takes us on a journey of identifying:

- The desired future state of the Wheatbelt region (Vision);
- The Wheatbelt's potential to grow and prosper in the global environment in which we function;
- The Region's human, economic, social and environmental capacity, and gaps in that capacity; and
- The interventions needed to maximise the existing capacity, minimise the gaps and thus transform the Region from a 'business as usual' scenario to achieve aspirational population and economic growth goals.

Access to the Wheatbelt Blueprint and comment form is available at www.wheatbelt.wa.gov.au/publications/wheatbelt-blueprint/

The Wheatbelt Development Commission is hosting a regional road show where anyone can find out more. There will be five opportunities to hear about the Wheatbelt Blueprint.

Wheatbelt Blueprint Road Show Dates and Venues

Northam: 23 May 2014, 2.30pm – 4.30pm
Venue: Bridgeley Community Centre

Merredin: 28 May 2014, 10.30am – 12.30pm
Venue: Merredin Regional Community Leisure Centre

Narrogin: 29 May 2014, 1.30pm - 3.30pm
Venue: Narrogin Leisure Centre, John Higgins Pavilion

Gingin: 5 June 2014, 1.30pm – 3.30pm
Venue: Granville Civic Centre

Moora: 6 June 2014, 11.30am – 1.30pm
Venue: Moora Tennis Club

T.M. Hair Design

Family Hairdressing at reasonable prices.

A hearty welcome to our newest hairdresser Joan, who comes to us with tons of experience, having owned her own salon in the country as well as the city.

For all your hairdressing needs

All our professional hairdressers are here to help you

Please note we are open on Saturdays

for Hairdressing

Bookings are essential.

At Secrets: Secrets Team give a huge welcome to Jenny our newest team member. Jenny will be the new voice when you call to book appointments and we appreciate her input in fashion & gifts.

Secrets Winter stock is flowing in nicely with some great additions for you to freshen up your wardrobe. With Cotton cardies, wool cardies & jumpers, jackets, leisure suits, skirts, jeans, trousers & some dressier pieces for special occasions.

Our possum & wool blend pieces continue to perform well for comfort & warmth. Teamed with our lambskin ballet flats, jewellery, new season scarves, & handbags, we have got you covered for the cold days ahead.

With cold & flu season coming, our best selling aromatherapy "Pulse Points" will help you ease the effects creating comfort & relief without drugs.

Our winter warmer fleecy sheets, microfibre blankets (so light, yet so warm), wool underlays, wool blankets, doonas & covers, will keep you warm at night without sending the electricity bill through the roof.

There are still lots of mark downs in the store mixed through our new stock creating a "treasure hunt" for bargains.

Have fun & enjoy the reduced prices.

With your continued support we remain committed to seeing "Our Town" prosper.

Call in to 100 Vincent St,

or phone 9646 1122.

CWA Beverley Branch

Next meeting of the Country Women's Association - Beverley Branch will be held at the CWA rooms on Thursday 12 June with morning tea from 9.30am followed by the June monthly meeting.

We will discuss the agenda for the 90th State Conference which is to be held in York this year from 22 to 24 July. This will be a gathering of the Ex Pres Group on Monday afternoon prior to the conference.

Invitations have been received from Tammin CWA to attend their WA Week Luncheon on Monday 9 June, Quairading Branch International Day on Monday 16 June and CWA Wheatbelt Challenge at Jennacubbine on Wednesday 25 June.

We hope to see a good roll up of members and interested members of the community would be most welcome to join in our discussions.

The June branch meeting will be followed by a 'bring and share' lunch.

BEVERLEY TOURIST BUREAU

Since the last Tourist Bureau report, two volunteers went to Merredin as representatives of the Aeronautical Museum to the Annual Museums Wheatbelt Chapter meeting.

A dozen Museums were represented and one person from each group gave a report on their museum and it's progress for the previous year. These were varied and interesting and as always there is something to learn by listening and talking to others. A common factor with all groups was the shortage or lack of volunteers. We in Beverley are not alone in getting comments such as "Why weren't you open on"?

It was an early start to the day and a long drive but informative, friendly and very welcoming from our hosts members of the Merredin Railway Museum.

Our tourist bureau is still having regular visitors from WA and interstate who invariably are informative themselves about their hometowns or countries.

Ongoing talks have been held this month with the Shire and members of the CRC, and the decision has been made to hand over the business side of the bureau to the CRC, so the volunteers can concentrate on the job we originally were asked to do i.e. meet and greet and hopefully answer queries although I must admit that they are not always entirely related to tourism. Three weeks ago I had a phone query for a dentist and this man assured me the dentist was in Beverley. We do not give out information of home addresses even of fictional characters. I suggested he call the dental clinics in York for info about the name he had given me.

More about our changes in the next report.

Once again thank you to all of our volunteers.

Featured Events:

Sunday 1st June

AFA Round 8: Beverley vs. Federals at Beverley;

Saturday 14th June

AFA Round 10: Kellerberrin/Tammin vs. Beverley at Tammin; and

Sunday 29th June

AFA Round 11: Railways vs. Beverley at Northam.

It has been a busy month throughout March, with five consecutive weeks of football and many of our players stepping straight off of the tractor and on to the footy field.

On a sad note, the Beverley Football Club would like to extend our deepest sympathy to the Minchin family on the passing of Avis on Monday the 12th of May, and also to the Blechynden family on the passing of Bill on Thursday the 15th of May.

Avon Hockey Association Round 1 (3rd May 2014) – Wongan Drifters vs. Beverley at Northam

Beverley 4
Wongan Drifters 0

Margin: 4 goals

Goals: Beverley - Kathryn McLean 1; Chantelle Meade 1; Lisa Mourach 1; Carissa Shaw 1.

Best: Beverley - Chantelle Meade, Lisa Mourach and Megan Vandenberg.

BEVERLEY REDBACKS HOCKEY CLUB

The 2014 Season is in full swing and what a fantastic start to the year the girls had. With 3 games down, the girls have worked extremely well as a team and we can see that all teams within the competition this year have stepped up and are hungry for the win.

Round 1 Wongan Hills vs Beverley 3rd May

We travelled to Northam and faced the Wongan Hill Drifters. In what was a hard fought game, the girls came out winners, keeping Wongan scoreless. Our fitness and training clearly showed, as the girls worked well together as a team to achieve the win.

Beverly 4; Wongan 0

Goals Scorers

Chantelle Meade 1; Kathryn McLean 1; Lisa Mourach 1; Carissa Shaw 1

Award Winners

Chantelle Meade - Coaches Award - Sponsored By: Garry and Sarah Miller, Beverley Transport
Megan Vandenberg - Captains Award - Sponsored By: Trevor and Amanda McLean, Waterbrae
Lisa Mourach - Play of the day - Sponsored By: Northam Tavern

Round 2 York Vipers vs Beverley 10th May

The girls traveled to York to face the York Vipers. In a day that felt more like Melbourne weather, the girls fought hard but unfortunately were not able to score against a strong York side. We welcomed 3 new players to the team who gave us some fresh legs when needed. The girls fought hard all game, with both attacking and defense working extremely hard.

York 4; Beverley 0

Award Winners

Fleta Redding - Coaches Award - Sponsored By: Garry and Sarah Miller, Beverley Transport
Carly Veitch - Captains Award - Sponsored By: Trevor and Amanda McLean, Waterbrae
Chaise Ludgate - Play of the day - Sponsored By: Northam Tavern

Round 3 Beverley vs York Cougars 17th May

We hosted our first game of the season with everybody happy to have a smooth field to play on. With the team working extremely hard at keeping the ball down our end of the field for the majority of the game, the York girls managed a sneaky goal in the first half. Even though the girls had many opportunities, we unfortunately could not get a score on the board.

Beverley 0; York 1

Award Winners

Carissa Shaw - Coaches Award - Sponsored By: Garry and Sarah Miller, Beverley Transport
Hollie Smith - Captains Awards - Sponsored By: Trevor and Amanda McLean, Waterbrae
Penny Burns - Play of the Day - Sponsored By: Northam Tavern

Would you like to become a Social Member of the Beverley Hockey Club? If the answer is yes, please contact Chantelle Meade at beverleyhockey@live.com.au to request a Social Member Form.

Payments of \$30 can be made to:-
BSB: 016-540 Account: 201349436

Please contact Megan Vandenberg if you have any issues with the payment. We value your contribution to our club.

UPCOMING DATES TO REMEMBER

Saturday 7th June – Allsorts vs Beverley – 3pm in Northam

Saturday 14th June – Aces vs Beverley – 3pm in Northam

Saturday 21st June – BYE (Women's Country Week Hockey)

Saturday 28th June – Beverley vs Jenna – 1.30pm in Beverley

Saturday 5th July – Beverley vs York Vipers – 3pm in Beverley

Saturday 12th July – General BYE

Saturday 19th July – Beverley Hockey Club Street Stall

If you want to stay up to date with any Hockey News, please register your email address by emailing beverleyhockey@live.com.au

THANK YOU TO OUR 2014 SPONSORS!!

Waterbrae – Trevor & Mandy McLean, Beverley Transport, Beverley Tyre Service,
Terry & Sandy Woods, Beverley Newsagency, Northam Tavern,
Beverley Supermarket & Liquor.

We love having supporters at our games, especially our home games. So why not come down and support the girls.

WE LOOK FORWARD TO SEEING YOU AT THE GAMES

Beverley Men's Golf

The 2014 season was launched on Saturday 12th April 2014 in very warm conditions.

The first event of the season was an Ambrose in 4's sponsored by **T Bone and Sons** and **Fred Bremner**. Thanks to Brian and Fred for their support. 21 participated in the day and it was great to see a number of new members turn out to play. The eventual winning team on the day was Luke Gollan, Daniel Gollan, Liam Gollan and Stephen Gollan with a nett score of 52.75.

Once again warm weather greeted 8 players on Saturday 19th April who were competing in a 2 Person Ambrose sponsored by **Darryl Sims**. The winners of the day were John Donovan and Steve Gollan with a nett score of 63.75, from Paul Broun and Cameron Broun with 68.75 and in third place the team of Chris Pepper and Mark Armstrong with a nett 70.25. Thanks are extended to **Darryl Sims** for his continued support of the club.

Friday 25th April saw a field of Men and Women compete for the prestigious **Diggers Cup** which is proudly sponsored by **Lew Shaw**. The winner of the **2014 Diggers Cup** was Chris Pepper. Chris shot a very impressive 41 Stableford points, to win by 8pts from last year's winner Gavin Sazanov who had 33pts. Thanks once again are extended to **Lew Shaw** for his continued sponsorship, of the **Diggers Cup**.

A field of 7 players competed in the annual **Gnome 3 Stick Event** which is sponsored by **Ron Bickley** on Saturday 26 April. The winner of the day was John Donovan with 36pts. Second was Chris Pepper with 33pts. John was also the winner of the Monthly Mug. Thanks once again extended to **Ron Bickley** for his continued sponsorship, of the 3 Stick event.

Our **First Qualifying Round**, sponsored by **John Donovan** was on Saturday 3 May a field of 11 players played, both Mark Armstrong and Brett Islip shot a fantastic nett score of 67, however it was Mark Armstrong who took home the goods on a count back. Thanks once again are extended to **John Donovan** for his sponsorship.

Saturday 10th May saw a field of 11 players compete in **Always Green Trophy** sponsored by **Gavin Sazanov**. The Winner of the day with a Par score of +3 was Steve Gollan. Second with a score of +1 was Mark Bickley. Third John Donovan and Terry Winfield with – 4. Thanks once again to **Gavin Sazanov** for his continued sponsorship.

The **Belhus Trophy 4BBB** Sponsored by **Greg Barrett-Lennard** was fought out between 12 golfers on Saturday 17 May. The winners of the day were Chris Pepper & Ken Kennedy with 48pts. Second place was tied for on 41pts between John Islip & Fred Bremner and Mark Bickley & Mark Armstrong . Thanks again to **Greg Barrett-Lennard** for your continued sponsorship.

Up and Coming Golf Fixtures:

Saturday 21 st	Fred Sing Trophy 3 rd Qualifying Round. Monthly Mug	Stroke
Sunday 22 nd	AVGA Mixed Championships at Quairading	
Sunday 22 nd	DRGA Event-Pickering Brook Open Day	

BEVERLEY NETBALL CLUB

The netball season has kicked off with Beverley well and truly filling two teams, Pingelly entering four and Brookton bringing one team to the competition.

A lot of new players have been welcomed and we hope they are settling into their teams well and are enjoying the games as much as the existing players are thrilled to have them.

So far the competition has not yet seen the Beverley teams have a win but we sure are giving them a run for their money.

Friday the 16th of May was our first game utilising Beverley's new courts and facilities. We are all very impressed. Our children are enjoying the playground being close by and so are us mums! It was great to see so many spectators come down to support the sport as well.

We have had a positive turn out to Wednesday nights trainings and we hope to see the continued effort throughout the season.

As a matter of interest, the upcoming June games are as follows.

Saturday 7th of June in Brookton,
Pingelly Green vs Beverley Spinners at 1:45pm and
Beverley Hunters vs Pingelly Pink at 3:15pm.

Friday 13th of June in Pingelly,
Beverley Hunters vs Brookton Glory at 8:15pm and
Spinners have a bye.

Friday 20th of June in Beverley is the Derby at 6:45pm.
Saturday 28th of June in Pingelly,
Beverley Hunters vs Pingelly Blue at 1:45pm and
Pingelly Pink vs Beverley Spinners at 1:45pm.

Beverley Bowling Club

The 2013/2014 bowling season closed on Sunday the 4th of May, when a mixed event was played for the H.R. Rushton Trophy. The Beverley Bowling Club wish to thank Rushton's for their continued support.

The winners of the competition were **Kim Moulton, Jodie Bell and Brandon Tauri**, with 2 wins. **Rodney Ware, Sheldon Petchell and Jo Copping** were the runners-up with 1 win and 14 shots up.

The 2013/2014 has been a very busy year, with the club celebrating its 100th Season. Many thanks go to all the members for their support with busy bees and catering etc. to help make it such a successful season. Keep an eye on the Blarney for news of any "winter" events that may be forthcoming.

We hope you all have a good off season, and we look forward to seeing you all again in the 2014/2015 season.

Lyme Disease.

We freak out when our beloved pets get a tick, but little do we know that even the smallest of infected ticks can pass on numerous life-threatening infections to humans. Lyme disease has nothing to do with citrus. It was named after a town in Connecticut in the USA where this chronic disease was first identified. It's become a global disease epidemic, which is often a mystery for Australian doctors. As vectors, or carriers of infections, the bite from infected ticks can pass on diseases with mysterious names like Borrelia, Rickettsia (tick typhus), Babesia, Bartonella and Lyme disease. The spirochetes of the Lyme-causing Borrelia bacteria are the corkscrew-like causative agents much smaller than the bacterium itself. They tunnel into cells and spread the bacteria DNA throughout the body, causing the debilitating infection. These spirochetes protect infected cells with a complex defence of bio-films and cysts, making chronic infections harder to treat. Lyme is one of the fastest growing tick-borne infections in the world. Each year 300,000 (0.1 per cent) of people in the USA are infected. Similar epidemic figures from around the globe suggest 21,000 Australians could be infected annually. The symptoms of Lyme disease can vary greatly from person to person: joint pain, extreme fatigue, numbness, tingling, stabbing pains, night sweats, cognitive dysfunction, air hunger and recurring fevers caused by the body's responses to the infection. Yet Lyme disease is not officially recognised in Australia. Negative test results are controversial, as many Australian and overseas types of the disease are not included in the testing. Chronic Lyme is also known as a great imitator with vague symptoms. It often mimics symptoms of Motor Neurone Disease (ALS), or Alzheimer's, Parkinson's, Multiple Sclerosis, Chronic Fatigue Syndrome and Fibromyalgia (Acknowledgment Francene Lee Taylor)

The Lyme Disease Association of Australia highly respects the fact that there are many stakeholders in the current evaluation of Lyme disease or Lyme-like illness in Australia – pathologists, Infectious Disease Specialists, specialist GP's and more. The patient perspective however is quite different. To quote our lead author *"We live Lyme disease every single day and while anyone else could walk away tomorrow, we can't"*. Whilst we value and desire scientific rigour, as patients, we already know Lyme disease is here and we want effective and affordable diagnosis and treatment. (Acknowledgement Lyme Disease Assoc.Australia)

Please contact Jeff & Wendy Murray. Ph 9646 1336. We would be happy to share any information we have with you.

Beverley Horse and Pony Club

Giddy Up ! Giddy Up!

Yet another fantastic rally was held for our members on the 18th of May. We had a different start to the day with Tracey and Nicola from Heartlands Veterinary Hospital giving us some fantastic information on Laminitis, Dentistry and "What to Do" before the calling the Vet. Both the kids and parents learnt a lot on each subject and Digby had lots of fun being the 'horse leg' model for the day. There was quite a bit of competition at the end of the presentation about who could answer the quiz questions -with lollipops and chocolate on offer—no surprise there! A very big thank you to Tracey and Nicola!

Everyone was keen to get on board after our fantastic veterinary presentation, and in addition to Tess, we were very lucky to have Jenifer and Felicity for the day. Felicity worked on arena riding-a great help for those about to embark on dressage tests! Jenifer ran a challenging jumping session and it was with great delight for all when the Arabs and Warmbloods jumped 73cm-higher than the Welshies. Well done Arabians and Warmbloods.

A very big congratulations to Jenifer Petchell on achieving her Equestrian Australia Introductory Horse Management Certificate. Jenifer is the first member of our club to achieve this award- Well Done!

Felicity Perry presenting Jenifer Petchell with her certificate.

Thanks to all the helpers for our "Take Two" breakfast fundraising for the BACA group. As usual thanks to Tess and John for coordination and barbeque logistics!

A huge thanks to the breakfast crew on Sunday of Luke Blanch, John Hawke, Sheldon, Jenifer and Jacob Petchell and Barb. Many thanks to the crew on the Saturday.

Guess who is turning 50???

Next year around June we will be celebrating the last 50 years of the Beverley Horse and Pony Club. We will be looking for memorabilia for a special project.

Watch this space for more news.

Out and About

This month saw two of our riders out flying the Pony Club colours.

Well done to Amy and Tom who went to the Kellerberrin Showjumping Spectacular. They did quite a few rounds and heights and finished off at 70cm! Amy and Tom were 3rd in the 45cm Equitation and 3rd in the AM7 60cm (apparently it could have been 1st, but Amy forgot the jump-off course and lost time).

Tealah and Cherry went to the Avon Valley's Dressage and Zone Showjumping Day on the 5th of April. Tealah rode the Dressage Pre B test, Showjumping 35cm and 45cm. She came second in the 35cm. Super!

GOOD LUCK!!

Quite a number of riders will be out in June attempting their first One Day Event hosted by Avon Pony Club, and also at Avon competing at the Novice Games and Novelties. We look forward to reporting the results next Blarney!

Thank you to our sponsors to date for the
Beverley Horse and Pony Club All Breeds Show

*Talbot Nursery Alex McGuire Farrier Mark Blechy Water Drilling
