*You're invited to join us
At the 2014 Seminar*

Wild Women of the West

'Diamonds in the Rough'

We have all hit tough times at some stage in our life, how we overcome such challenges and rise up to shine, is like finding a diamond in the rough. Our 2014 guest speakers highlight the resilience and strength of women and continue to inspire and encourage us all to live bigger lives.

Join us for a day of inspiration, laughter, shopping and advice.

Seats are limited

Date: Monday 20 October

Time: 8.30am - 3.00pm

Venue: Beverley Town Hall
Vincent St, Beverley

Tickets: \$45 - Beverley CRC
P: 08 9646 1600

Child free event, fully catered,
raffles and bar available.

President Report **October 2014**

Town Planning Scheme Amendment 21 and Stocking Rates Policy

Many Beverley property owners in the R2, R2.5 and R5 residential zonings currently enjoy having animals on their properties, in fact the space may well have been the very reason they initially purchased their land. There has been some alarmism in the community which is thinking that Council is trying to get rid of or make it more difficult to have animals in these zonings, however rest assured this is quite the contrary.

The Shire of Beverley Town Planning Scheme Amendment 21 was recently gazetted, thus enabling Council to grant consent for a "Rural Pursuit" (ie keeping of livestock) to lawfully occur on the R2, R2.5 and R5 coded areas of the residential zone. To ensure the keeping of livestock does not impact detrimentally on the health and/or amenity of adjoining landowners or management of the land, a Stocking Rates Policy – Residential and Rural Living Zoned Land has been developed and endorsed by Council.

The Shire is trying to be as accommodative as possible. Without a planning scheme amendment and forth flowing stocking rates policy the "rural pursuit" land uses in these residential zones would have remained unlawful, always with the lingering possibility of enforcement and litigation.

Should you be affected by these changes and have any concerns please contact the Shire Planner for more information.

SEAVROC

The Shires of Cunderdin, Quairading and Tammin have formally withdrawn from the South East Avon Voluntary Regional Organisation of Councils (SEAVROC) to form their own grouping. SEAVROC was initiated in 2006 and in 2007 the 5 original Councils of Beverley,

Brookton, Cunderdin, Quairading and York entered into an MOU "with the intent of developing an alliance that responds proactively to the changing environment while maintaining their individual identities". The MOU recognized SEAVROC's role "as a strategic regional management team" of the respective Councils with "a particular focus to support sustainable development". Tammin was a later addition. The remaining Councils are now due to meet in February 2015 to discuss the next phase for SEAVROC.

Beverley Heroic Bike Ride and Beverley Town Ride

On Sunday 5th October 2014 the Beverley Heroic will celebrate the former Perth to Beverley bicycle race which ran for over 100 years. This time it's about participation and enjoying the scenic Avon Valley region rather than winning a race. While the Heroic cyclists are out on the country roads between Beverley, York and Northam, locals are encouraged to participate in an afternoon of self-guided cycling around the town of Beverley in the tradition of a car rally. See details elsewhere in the Blarney.

Declining Mobile Coverage

Following an increased number of remarks and complaints filtering through from our local community regarding erratic and declining strength of mobile phone and data coverage, correspondence has been forwarded to relevant state and federal politicians to raise these growing concerns, request investigation as to why this is occurring, and seek a solution on behalf of residents and business in the region to have the situation rectified. You could also reinforce this contact by registering your own concerns to relevant politicians.

Beverley Townsite Scheme Water

The Water Corporation has advised that they are in the process of developing plans to increase the water pressure into the Beverley townsite.

Council recently sent out surveys to 45 property owners along Hamersley St, Langsford St and Simmons Rd seeking their feedback regarding Council consideration of an

extended scheme water connection within the Beverley townsite boundary to properties that currently do not have such a connection. Of the 21 replies the majority of property owners were not keen on such a proposal due to the expense already incurred in providing their own infrastructure.

CRC Welcome to Beverley Morning Tea

The recent Community Resource Centre initiative of holding a morning tea to welcome newcomers to our community was a great success. Representatives from the CRC, Mens Shed, Meeting Tree and Shire were on hand to meet new residents and share information about Beverley.

Interschool Sports

Congratulations to all participants in the recent Interschool Athletics Carnival which was hosted by Beverley District High School. The skillful organization of the event drew many favourable comments, as did the magnificent condition of the town oval.

Beverley Station Arts

The Station Arts 14/15 summer season at the Platform Theatre commenced in September with the Country Choir Bash providing a delightful afternoon of entertainment, including an afternoon tea which our city visitors were amazed by. Don't forget to mark on your calendars the upcoming schedule of events.

Beverley Agricultural Society Inc.

The dust has finally settled and the committee are about to take a well earned break. Before we do we would like to introduce our new executive committee to you.

President - Tim Seed
Vice President - Sarah Aynsley
Secretary - Sue Martin

It was lovely to see some new faces at our AGM but we still have a few positions that need to be filled. If you would like to get involved (it really is a lot of fun) then contact Sue on 9646 4073 or email her at sue@chidlowkelpies.com.

We would love to have you on board for our next sensational show which will be happening on Saturday 22 August 2015.

Beverley Football Club **2015 League Coaching Position Vacancy**

The Beverley Football Club is a participating member of the Avon Football Association and comprises of a League, A Reserves and Netball team. Beverley is situated less than 140km East of Perth. We pride ourselves on being a family-friendly Club and have always enjoyed a strong social following regardless of our on-field success. Our objective at the beginning of each season is to consistently field as competitive a team as possible which will enable us to compete in the finals at the season's completion. Since 2010 our League team has featured in the finals for five consecutive years, producing two premierships and competing in three Grand Finals.

The Beverley Football Club invites applications for the position of League Coach for the 2015 Season. Working in cooperation with members of the Match Committee, you will be required to undertake the following tasks:

- Player list management and development;
- Player recruitment;
- Co-ordinate and facilitate training sessions and pre-season practice matches;
- Coaching of 14 Home & Away games, plus Finals; and
- Engage in Club Social Functions.

A remuneration package and full access to the Club's Coaching resources, including a Coaching Accreditation Course will be offered. Please submit your written application by e-mail to beverleyfc@bigpond.com or by post to:

The President
Beverley Football Club
PO Box 10, BEVERLEY WA 6304

Applications close 5:00pm, Saturday 1st November 2014.

If you require any additional information regarding this position please contact President Damien Murray on 0428 416 032.

BEVERLEY PATCHWORKERS AND QUILTERS

While quite a few of our members have been travelling, overseas and in our beautiful state, those who remained at home have been busy working together to use up the hexagonals, to make an attractive wall hanging for our quilting rooms. Well done ladies.

We held our AGM in September, when most positions were filled by the same people with the addition of Pat onto the committee. Welcome Pat. Following the meeting we enjoyed a shared lunch, beginning with a lovely soup and ending with the usual pavlova and lots of lovely food in between.

It was lovely to be able to welcome three ladies from the caravan touring group who were spending time in Beverley. The ladies enjoyed seeing the work we have done and were very impressed with our rooms at Avondale. They seemed to enjoy just having a chat and a cuppa while we all continued to work on our projects.

All members are working on their own projects at the moment. We have "dragons" being made, teddies being knitted and knee rugs for charity being made.

A lovely 'fan' quilt is coming together nicely, after lots of patient hours.

We always welcome new members, so if you are interested just phone our secretary, Jan Sherwood on 9646-0796.

ALL WELCOME

**Beverley Hospital Auxiliary's
President's Report**

Welcome to the Beverley Hospital Auxiliary's 70th Annual General Meeting.

Another year has passed with some good and not so good outcomes. The palliative care room has had a lick of paint, new curtains and looks just lovely, new curtains have been purchased for the hospital and lodge, seventeen rooms in all. Total outlay for the painting and curtains will be \$15,435. Some goods were also purchased for HACC for \$233. Since 2006 The Hospital Auxiliary has funded goods and services for the hospital and frail aged lodge to the value of over \$53,000, so all our volunteers and residents who donate to and purchase from the Op-Shop deserve a big pat on the back for their efforts.

Thanks again to Delys Kilpatrick, Pat Parker, and Pat's helper, Giselle, for the Anzac Day wreath, what would we do without you. Thanks also to Avon Trading for looking after our donations.

Sadly the Op-Shop has had to go into recess due to problems with the building we were in, but the Shire of Beverley and the Beverley Naturalist Club have come to our rescue with an offer for the use of the Naturalist Club rooms, so hopefully, in the not too distant future we will be up and running again.

Val Moad has passed on the secretarial baton to Jan Howell after four years. She did a wonderful job and we thank Val for all her hard work. Betty Cable has done a great job looking after our finances. Val Moad and Glenys Lane will be our Op-Shop coordinators which will keep them pretty busy.

Thank-you to all our volunteers and the volunteers and the residents of Beverley for their support over the past fifty plus years.

THE BLUE LINE

Beverley Police Station
57 Hunt Road, Beverley WA 6304

Hello Everyone,

It was eaten by the dog. I left it on the bus. It's (still) in the post. It must have been a computer glitch because I definitely sent it. I gave it to someone to drop it off with you. I faxed it.

All rubbish. The reason The Blue Line didn't appear in the last edition of The Blarney is because it was abducted by a travelling band of circus performers on their way to a Pink Floyd reunion concert being held in the back room of the RSL.

And that my friends is the truth*.

So, in the last 2 months what's been happening ?

Well, the Beverley Show was excellent (again), the weather stayed fine (again) and there was no reported trouble (again). Thanks to everyone for doing the right thing and just having a good time.

There's been a little bit of crime to tell you about. A couple of instances of shoplifting have occurred at the IGA. The offenders have been dealt with and hopefully they have seen the error of their ways. It's not the done thing to steal from anyone let alone your neighbours and that's what we all are in this town, neighbours.

Geoff Rayner has had his trailer stolen from the farm shop on Forrest Street. Once again, we don't steal from each other in this town so if anyone has any information as to its whereabouts then please let us know, you can do it anonymously, you can do it in person, I don't mind, just let us know.

There were a series of burglaries out at the far edge of our policing area up by the Brookton Highway. The good news is due to our forensic officers attendance we managed to obtain a DNA (Deoxyribonucleic acid – worth a fortune in Scrabble that one !) sample which led to the successful arrest of one of the offenders. He has been charged and bailed and is awaiting a court appearance. What is slightly worrying is that from one of the burglaries a firearm was taken which brings me onto my next point.....

Operation Dust Off

In the Wheatbelt District we have over 12,000 registered firearms licence holders. The number of firearms which have been getting stolen has got to the stage where we have to take robust action. As a result Wheatbelt District officers are currently carrying out visits to as many of our licence holders as we can. I won't go into official timescales but for Beverley this will be an ongoing operation.

We aren't trying to catch anyone out but some of our visits will be ad-hoc, spur of the moment ones. This isn't because we have our suspicions it's usually just a case of we carry around a large file with us and if we realise we're on the street where a certificate holder lives then we'll give you a knock. As I said, if we call unannounced it's nothing sinister.

We'll be looking at firearm security so your cabinet will be scrutinized and we'll do a check of the firearms listed on your licence. If all is good and after we've drunk our third cup of coffee we'll be on our way. If biscuits are provided then we may stay longer. If there's cake then you'll have to call the police to get us out of there.

On a serious note though, firearm security is so important I cannot stress it enough. It's an individual responsibility which goes with the territory. If you've got a gun you've got to look after it and its security. If it gets into the wrong hands then we're all in trouble.

Roads Policing

We've dealt with quite a few accidents recently where inattention has been one of the main causal factors. I've been there, seen it and done it. What am I talking about? **Driving tired.** It's probably one of the scariest things that's ever happened to me whilst driving. If you've ever driven and not remembered long stretches of the journey then without knowing it you've probably experienced micro-sleep. It's an awful thing and something I'm not keen on experiencing again. I know we suffer from the tyranny of distance here in WA but the bottom line is, if you're tired, pooped, knackered, call it what you want then **STOP**, park up and have 10 minutes. So what if you're going to be late. It's got to be better than being The late.....

Anyway, that's it for this month, nearly.....

If you see me running around the oval and sweating profusely it's all for a good cause. My trousers have asked that I go on a diet as they can't seem to fit around my waist anymore. For years I've been blaming it on the cut of those trousers but that excuse is now wearing thinner than I was when I was 13 (which if my memory serves me right wasn't very thin anyway). What finally swayed me was my new ID card picture. What do you think ?

OK, that's all folks. Take care everyone, look after each other and if you need us for anything don't hesitate to get in touch.

All the best,

Ian & Nick.

*Total fiction. Someone forgot to do it. As a punishment he is now breaking rocks in Siberia.

THE TRUTH ABOUT FOREVER

The Beverley CRC in partnership with FRRR is proudly presenting a **free** youth workshop targeting drug and alcohol awareness and prevention.

Real Dangers of Drug/Alcohol Use
Dealing with Peer Pressure
Understanding the Drug Culture

Guest Speaker Jade and Tristan Lewis

Just Say No is a drug prevention presentation designed specifically for school students. Jade and her husband Tristan deliver a responsible and powerful drug and alcohol awareness and prevention presentation that educates youth about the real dangers and consequences of drug use and then equipping them with alternative ways to live a drug free, fulfilled, motivated life in a world full of temptations. This is a fresh message of hope to young people who are seeing an increasing rate of drug experimentation, addiction, crime, violence and in some cases death. To date the Just Say No message has been presented to over 100,000 school students across Australia.

Constables Ian and Nick - Beverley Police Officers, Wheatbelt RDA Youth Connections Office Lyn Kay and Noongar Wellbeing and Sports will also be joining us for the day.

When: Wednesday 12 November 2014

Time: 9.30am to 2.30pm

Where: Beverley Sport & Recreation Centre, Forrest Street

Who: Any students attending high school from Year 7 onwards within the Wheatbelt area

If your school is not attending this seminar, please feel free to independently book your child in now, just call and register your child's details on 9646 1600 or for further information email beverley@crc.net.au. Don't miss is out on this opportunity!

Country Women's Association - CWA Beverley Branch

September meeting commenced with morning tea and a warm welcome to our new member, Mrs Pat Alexander, followed by our normal Monthly meeting. A light lunch followed the meeting with some special social time for general discussions. We look forward to the possibility of more new members in the coming months.

We have already decided on our venue for our special pre Christmas get together which will be held at the new Red Vault restaurant.

Other special events in the coming year include the 90th Anniversary of the commencement of the Beverley Branch of CWA, which held its first meetings in 1925 and has served the community continuously since then. Quairading Branch of CWA also commenced in 1925. Our CWA rooms were built in 1936 on land donated by Mr. Frank McDonald of Beverley

CWA has now joined the CRC membership and look forward to being able to work with and through this great organization.

We welcome new members and invite any interested ladies to join us on the second Thursday of the month at the CWA rooms (opposite the Lesser Hall) at 10.00am for morning tea, followed by the meeting and a light lunch to follow.

For further information, please contact Lorraine Sims, Branch Secretary (9646 1243) or Teresa Reid, Branch Treasurer (96460979).

Next meeting will be on Thursday morning, 9th October at 10.00am
Lorraine Sims
Secretary.

25th Anniversary Landcare Grants - NOW OPEN

Grants are now open in the 25th Anniversary Landcare Grants, with Australian communities able to share in \$5 million worth of funding aimed at helping restore local environments.

Forming part of the Australian Government's National Landcare Program, grants of between \$5000 and \$20,000 will be available to local groups to enhance their natural resources and engage with their communities.

Funding round opens:

19 September 2014

Funding round closes:

20 October 2014, 2.00pm
(AEDT)

Applications, information and guidelines go to:

Station Gallery & Platform Theatre News

Station Gallery

Artist-in-Residence

September Artist Dave Conlin enjoyed his stay at the Station, even making his way on to the golf course, teeing off on a number of occasions. A small group attended the free but informative watercolour demonstration. The "plein air" (painting outdoors) session was somewhat disrupted by the constant threat of rain, but most enjoyable. Dave is hoping to return to the Station in the future.

Following Dave Conlin, we had artist in residence, James Larkins and his wife Pamela. James and Pamela made themselves known around town (without needing an interpreter!), even making their way into a local shed to see some shearing.

Both artists in residence would like to express their thanks to the townspeople for their hospitality.

Mervyn Beamish returns as AIR for the month of October. Please call in and welcome Merv back to Beverley.

WORKSHOPS

CREATE YOUR OWN PASTELS & LEARN HOW TO USE THEM - 25th October at the Station Gallery. Free demonstration by AIR Mervyn Beamish from 3:30pm - FREE (donation to materials would be appreciated). All materials supplied and other mediums welcome. Enquiries 0417 269 611

CREATIVE CRAZY CRITTERS - suitable for youth 9yrs to 17 years (inclusive). Both after school and weekend workshops will be held by Charlotte O'Shea during her stay in November. The program will involve recycling local materials to construct 3D art to display around the town (see elsewhere in the Blarney for further details)

Artists in Residence programme for the remainder 2014 and 2015:

October - Mervyn Beamish - artist (Perth)

November - Jill Ansell - painter (Perth), Charlotte O'Shea - digital and public artist (Perth)

February 2015 - Graham Milson - painter (England)

December is not booked as yet. If anyone one knows of an artist (visual, performing, writer, musician) who would like to experience a residency here please inform them of this vacancy and contact Artist in Residence Coordinator Marylou Hutchinson on 96471027 / 0427085511 or email: hutchinson@wn.com.au

Platform Theatre

Choir Bash

A better day could not have been dreamed of for the Choir Bash on Saturday 13th September. Thank you to those community members who responded to the call out for help and donated food for the afternoon tea. Thank you to those who attended. You would have been treated to an afternoon of vocal delight. The proceeds of the gate sales for the event will be donated to the Airstrip Lighting Project.

CALENDAR OF EVENTS

Saturday 8th November - BEATLES / BLUES BROTHERS NIGHT

Friday 19th December - COMMUNITY CHRISTMAS PARTY

Beverley Station Singers

Congratulations to those members who showcased their talents at the recent Choir Bash. Our next meeting is 22nd October, 7-30pm at the Station. Hoping all past, present and any new voices can attend on this date.

Anyone interested in joining the choir contact Tracey Fleay - Mob: 0409 481 029 or E: traceyfleay@hotmail.com

To become a member of Beverley Station Arts Inc (Friend of the Station) please see treasurer Pauline at the Newsagency, phone 96461042. Membership forms can also be downloaded from www.beverleywa.com (NB cheques to be made payable to Beverley Station Arts) and send to PO Box 112, Beverley 6304.

CONDOLENCES

We offer our condolences to two of our members - to Sandy Shaw and her family on the recent passing of her beloved father. And to Jenny Broun and her family on the passing of her mother, Peg De Landgraft. Peg was never far from the Station Gallery or Easter Art Exhibition when in Beverley, always willing to volunteer in some way.

Don't forget to check the notice board in the car park on Vincent Street for details of workshops and other upcoming events.

If you would like to be included on the email list for notification of coming events (so you can forward to friends), email secretary Sarah Miller miller@reachnet.com.au

CRANA Aboriginal Corp. Inc.

Culture/Languages

How many of us know, that the Aboriginal culture dates back over 60,000 years and according to NITV, there were over 350 Aboriginal languages and over 600 different dialects.

Constitutional recognition of the indigenous people has been put back to 2017, so Prime Minister Abbot states, so that this referendum can coincide with the next election. The indigenous federal MP's in parliament think that a referendum should be called sooner. i.e. no later than 2016.

To quote from the past of one late highly respected Elder Perkins C. "We know that we can not live in the past; but the past lives with us." These words say volumes as to what this may mean. What lives with indigenous people is: their culture (identity), tradition, respect for their ancestors and their spirit people, their close love/connection to their land (mother earth) and the sea and their protection. One can say the past is connected to the present, which, in turn is a connection to the future, and the tradition and culture will live forever. Very few people in high places do really understand these cultures.

Homeswest Rental Housing:- This issue has always been of concern, as even though all cases that comes to CRANA or BCS have been requested to be placed on the priority status, some are still on the waiting list, some matters have been drawn to the Housing Ministers attention. All our referrals are made in writing and making a plea for urgent consideration for the individual case.

Small Landholder Information Service

agric.wa.gov.au/slis
facebook.com/DAFWAsmalllandholders

Spring has sprung and activities should be well underway for getting your property ready for summer.

As we head into bushfire season there are a number of actions you should take to protect your family and property from the threat of fire. You can protect your house by installing wire or metal flyscreens, placing seals around doors and windows, cleaning out your gutters and using fire resistant insulation in the ceiling.

It is also recommended that you have a store of personal protective equipment including long trousers made from natural fibres, cotton or woollen long sleeve shirt, hat, gloves and safety glasses. Many fires start from burning-off operations which get out of hand. Make sure you know what you are doing – check first with your local government.

A vegetable patch and orchard, while not only supplying you with wonderful fresh produce, can also make a green firebreak. Locate it on the side of your house most at risk from a bushfire and make it part of your bushfire protection plan.

With sheep, scouring is showing up and regular worm egg counts should be maintained to assist you in identifying when you need to drench your flock.

If you own alpacas and have not shorn them this year, now would be a good time. If you do not shear them, you run the risk of wool becoming contaminated with weed seeds and the animal suffering heat stress over summer. While your alpacas are restrained, check if their nails need clipping.

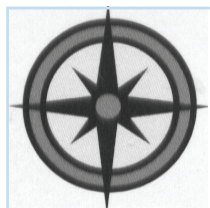

Pastures are starting to dry-off so you may need to think about buying feed. When considering purchasing hay keep in mind that it is often a common way for weeds to spread. When purchasing hay request from the supplier that it is Annual Rye Grass Toxicity (ARGT) free. A test is available. Check your stored hay regularly as heat can build-up between bales and start fires.

Regular control of rabbits is also recommended. Rabbit control options can be found on the Department of Agriculture and Food Western Australia website (agric.wa.gov.au).

The Farm Diversity website recently launched by the Rural Industries Research and Development Corporation (RIRDC) is a free and easy to use resource which offers options for diversifying enterprises. You can enter your postcode and a 'shortlist' of industries that may be viable in your area will be displayed. For each plant and animal essential information such as production status, growing region maps, risks and challenges, regulatory considerations, publications, resources and contact information for industry bodies are provided. See www.farmdiversity.com.au for more information.

If you have any queries please contact us on our Facebook page at facebook.com/DAFWAsmalllandholders or send us an email at small_landholder@agric.wa.gov.au. We would love to hear from you! Until next time, Jodie.

Beverley Community Information and Referral Services

As per our previous publication in the Beverley Blarney, BCS does not publish legal information; this is due to constant to various laws and other regulatory bodies.

COMMUNITY INFORMATION

Aged Care Residents: TV reports tell us that most residences have a rating system and the top rate at 5 star. All the research that is carried out on a regular basis, tells us, as recent as last week, that some 5 star homes, which, show some 40% of age care residents who had passed away did face some form of malnutrition and dehydration problems. These figures, are for the over all aged care sector.

As the whole Age Care System is so complex and involves various proceedings, agreements, Centrelink, and may lead to selling ones home, it is more than advisable and to protect ones family, is to seek legal advice and get your lawyer to ask relevant questions re:- background checks and as this will also apply if you want to purchase into an aged care facility/complex some units can cost as much as \$300,000 plus. The question is, how much money can it be sold for when, one passes on? These are the legal questions that a lawyer can help out with.

Legal Aid: Apparently I am led to believe, by applicants, that they have been rejected, when it comes to family court matters, including separation and divorce. In these cases, first request to speak to a lawyer over the phone and then go to the CRC and get help to load the required forms from the Government Access computer. Take due care when you fill in these forms and affidavits, as some documents, may lead you to a court appearance. Be truthful and careful in what you write and say under oath in court. False evidence is seen as perjury and the penalty imposed by the courts could be a custodial sentence. It is always a good idea to consider court matters seriously and to seek legal opinions when in doubt or preparing legal documents.

BEVERLEY HISTORICAL SOCIETY

September Meeting: There were 11 members in attendance with 4 apologies.

Dead Finish Museum: The museum continues to be open every Sunday and as the weather gets warmer, visitor numbers have improved. We have had group visits from York Community Care and the Masonic Touring Club. The Touring Club stayed in the excellent Beverley Caravan Park and a Society member was invited to give a talk about Beverley history, sights & industry.

Bally Bally Field Trip: A really interesting day had been organised thanks to our President, Bob Hall. A core of people left the museum & others joined on the way for various amounts of time. Altogether 22 people enjoyed all or part of our journey. A report appears on the next page of this Blarney edition.

Research: Thanks to a local resident who remembers her neighbours from early 1940s, we were able to discover **Frank and Kate Hayman** had lived in a little timber house in Hunt Rd. They had emigrated from England & their two daughters were born here. Mr Hayman worked in East Beverley for a time. Mr and Mrs Hayman & one daughter are buried in the Anglican Cemetery. They are remembered as lovely people & good neighbours.

- ☞ A bottle-collector from Serpentine was sent information about **Swan Aerated Waters**.
- ☞ A former resident who now lives in Switzerland was delighted by photos of Susannah Edwards hand-crafted **Butter Stamp** on display in the kitchen.
- ☞ We also had a query about early Speedway in Beverley but we were not able to pinpoint the places earliest motor cycle races were held.
- ☞ The burial plot of a young man, **Thomas Patrick Byron**, killed in a motor cycle accident in 1952 is also proving difficult to locate for relatives from Warrnambool, Victoria.

Next Meeting: AGM and General Meeting

Venue: Dead Finish Museum

Date and Time: Monday 13 October 2014 - 2pm

Welcome: Anyone interested in local history. For more information contact the Secretary on bhsdeadfinish@gmail.com.

Halls, Homesteads, Schools & Views – A Beverley Historical Society Field Trip

Leaving the Dead Finish Museum on Wednesday 10 September 2014 a small convoy of cars headed out to Bally Bally. We met others there before taking a look at the old "Bally Bally" homestead of the Kilpatrick family. Built before 1908 the side verandah retains the original exquisite stone façade.

Across the gully is the site of the family's first mud brick home with only the step remaining.

We had morning tea at Bally Bally Hall, a Registered Heritage building opened in 1904 by local MLA Charles Harper.

From here we went south to the Qualandry Crossing where plenty of water was seen in Yen Yenning Lake & in the Avon River.

Back along the roads we were taken to "Uralla" homestead, former home of John & Della McLean. One hundred years after settlement, the family had erected

a commemorative plaque in 1997.

Returning to Bally Bally we stopped at the old school site. This school opened in 1914 and closed in 1936. This was also the site of the Bally Bally Tennis Club & the pupils had the advantage of the use of three tennis courts during play times.

Further along the Bally Bally County Peak Road on the left is the site of the Bally Bally Rifle Range. It opened in 1917 & closed in the 1960s. There were three shooting mounds in front of the natural peak & a couple of dozen shooters would gather on a Sunday morning for practice & competition.

By now it was lunch time & we were kindly invited to make use of "Sheihalean" another former McLean home. This lovely home dates from 1908 & the charming dining room is currently being renovated.

Not far from the homestead is the site of an old goldmine. The main shaft went down for 30 feet and one side passage led to another

shaft going towards the surface. Gold was worth 3 pennyworth a ton early in the 20th century which was sufficient for the mine to be worked for a time. All that remains now is a gravel pit.

Next was a look at Quajabin (or County) Peak and marvellous views to Yen Yenning Lakes & other rocky outcrops across the green paddocks. Wildflowers too.

Quajabin Peak was first noted by Ensign Dale in 1830 along with the campfires of the Aboriginal people along the lakesides.

Down the road is the site of the County Peak School that operated from 1910 to 1933.

From there we drove across to the Morbinning School site that only opened for 5 years -1909 to 1914. Our final halt was the Morbinning Hall, a large corrugated metal hall built after WW2 & recent home of the national award-winning Morbinning Landcare Group.

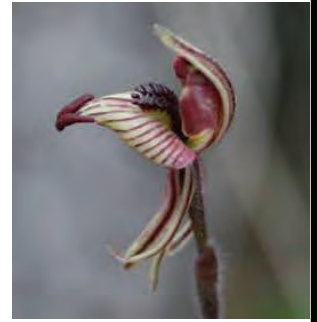

Many thanks to Kilpatrick family, Lois & Neville McLean, Ev & Ron McLean & Sue & Mick Martin for access to properties & hospitality.

BEVERLEY NATURALISTS CLUB INC NEWS

We were so lucky to have some very special guests come to Beverley on Saturday 13th September, and their knowledge of the natural environment was unbelievable. Eric and Margaret McCrum and Kevn and Peg Griffiths. These fantastic people started the Darling Range Naturalists Club many years ago. Kevn is a leading expert on Native Fungi and has even written some books on this fascinating group of plants that are very important to our bushlands by assisting keeping everything healthy. There are many different species and they all perform different tasks in the bush for example the big orange Bracket Fungi is feeding on dead timber which helps the dead wood to break down.

Eric has a huge knowledge on plants, insects, birds and everything relating to our Natural Environment. A couple of things we learnt was the mosquito is the main pollinator of the Greenhood Orchid and he showed us Native Bees with pollen sacks under their back legs and some little Native Fly's. Insects play an important role in our environment they are food for wildlife and they also pollinate our native flora. We were also shown the smallest little Drosera it was so small that we have walked over it many times and not noticed it before. He also knew all the birds and their calls and what the calls meant that were around the Reserve. Eric could also mimic their calls.

We are hoping to organise another Bush walk in early November and are hoping to have Eric, Margaret, Kevn and Peg as our special guests. We will go to the Salmon Gum stand. We will let you know the date everyone is most welcome.

Some interesting things from Dottie and my bushwalks we have a naturally occurring hybrid orchid this is a cross between the Cowslip orchid and Pink Fairy Orchid, this is a very beautiful orchid. Dottie also photographed the tiny little Zebra Orchid and also a very large white Spider Orchid. Nature has turned on a brilliant display with Wildflowers the best we have seen for a few years.

We have started packing up the office and have moved the Herbarium and the Library and we have to pack up the things in the old holding cell at the Court House, clean it and lay the floor coverings I got for the floor. Thanks Angie, Reese and Dottie for the muscle to shift the shelves and Tim did the most important job making us coffee and making sure we did not bump into any wall and doors. **Great job guys and thanks.**

Please remember everyone to like us on Facebook "The Beverley Naturalists Club INC" and see what you think of our photos. We can also be contacted Phyllis Ph 0437483175 or 96461469.

Mental Health and Wellbeing **"You can't have one without the other"**

Google the word "mental health" and you will find numerous organisations and groups promoting the importance of mental health, however we think understanding the difference between "mental health and wellbeing" and "mental illness" is important.

Mental Health week is the 5th to 12th October and the theme for 2014 is:

- Celebrate the positives in your life
- Connect with others
- Grow and expand your horizons and try something new.

Mental health and wellbeing encompasses all aspects of our emotional, psychological and social wellbeing. A lot of the information out there indicates that having good mental health is the ability to deal with life's challenges and changes, maintaining positive relationships, enjoying life and getting the life balance right.

Mental illness is a health problem that affects how we think, behave and interact. It is diagnosed according to standardised criteria. Some of the major types of mental illnesses are anxiety, schizophrenia, bipolar, personality disorders, and depression.

While I agree with a lot of this information, what if I was in a period in my life where life was not so great, I'm not coping and the challenges and changes are starting to become overwhelming. Does this mean I have a mental illness or poor mental health and wellbeing? I think not.

I say this because sometimes it seems in modern society we are almost not allowed to feel pain, show weakness, or not cope as this may be interpreted as there being something wrong with us. A word we at RMHI coin for times like this is being in a state of "Situational Distress".

There are numerous life challenges that come our way that can cause us distress such as separation, illness, injury, trauma, financial worries, grief, adolescence, fatherhood, midlife, change of job, redundancy and transition into retirement.

What can we do to assist and manage situational distress and get our mental health and wellbeing back into balance?

- Identify our mates (before it all gets too much Talk to a Mate!)
- Program time out from work and normalize the problem
- Maintain social opportunities, take time to laugh with others
- Take a break, go on a holiday, go fishing, try something different, explore your passions and interest.
- Exercise and keep active
- Make sure we are getting enough sleep
- Be willing to talk to the appropriate people
- Family, friends, our mates
- Those involved in your business - agronomist, consultant, accountant, lawyer, Rural Financial Counsellor (RFCS), your Employment Assistance Program (EAP)
- Local counselling and/or support services
- Telephone helplines Mensline 1300 789 978, Lifeline 13 11 14.

Maintaining a balance and aiming for positive mental health and wellbeing is something we all need to do. We also need to acknowledge that we are all susceptible to the stress of daily life, however staying out of the mud is quite often easier than getting out of it. Our health and wellbeing is our responsibility, be proactive address our distress early and not let it get out of hand.

Ralph Sweeney 7/7/1927 – 14/9/2014

Eulogy read by Graeme Blight at Ralph Sweeney's funeral on Thursday 18/9/2014.

Ralph, Ralphy, Sweeney, Mack, the Irishman – all names when mentioned leave no-one in doubt about who we were talking of. I think Sweeney's legacy is evident in the people present to mourn his passing, but also to celebrate his life.

We all pass on our condolences to his family – Rosalie, the children and grandchildren – but in doing so we remember a man who was a husband, father, father-in-law, grandfather, brother, brother-in-law, relative, neighbour, work mate or friend or a combination of some of the above. Talking to Rosalie last night, she said to put in he was a great lover also, although I can't vouch for that.

I personally cannot think of Ralph without cracking a smile or having a laugh. He was that sort of person – a character and we call all be thankful for having known him.

I am honoured to have been asked to give this eulogy to a good mate of mine and a friend to all.

Ralph Sweeney was born 7th December 1927 in County Donegal, Ireland.

He was one of 13 children. In his early twenties he worked in Scotland for two years before deciding to migrate to Australia. Ralph left Southampton aboard the "Mooltan" 6th June 1951 and arrived in Fremantle, 6th July 1951. On arrival in Western Australia he stayed at Point Walter Migrant Camp for a few days.

Ralph then caught a train to Beverley and from there he went on the school bus out to the Dale to commence work for Ossie Valentine, where he stayed almost two years.

Ralph then made his home base at Clarrie Hobb's old house. Ralph learned to shear so he worked around the Dale area as a shearer & farm labourer working for Jack Strange, John Hobbs, Jim Strange, Ernie Bartram to name a few.

He also did contract clover harvesting for Lou Bailey over two seasons.

It was while shearing at Ernie Beecroft's, Ralph met Rosalie Squires (Ernie's niece) August 1958. They married 3rd December 1960 at St Francis Xavier Catholic Church, East Perth.

For the first year of their marriage they lived in a cottage on the farm of John Hobbs.

In early 1962 they moved to a farm owned by the Ferguson's, before shifting to 'Strathlene' (John & Lesley Scott's farm) on Butcher Rd – early 1963.

Two year's on 1965 Jack Strange bought "Bedford Meadows" in the Brookton Shire and asked Ralph to be manager for him, which he accepted. Ralph & Rosalie worked there until late 1966 before moving to a farm house owned by Keith Barrett-Lennard which he rented to them.

Ralph mainly worked for Jim (Allen Richard) Strange at this time and in the spring of 1967 Jim sold Ralph a small corner portion of his farm (26 acres). Ralph had a house built on his piece of ground and in May 1968 he & his family moved in.

Ralph had worked seasonally at "Romilly" over the years and the last 12 years of his working life he was there working for Stan Dorman before retiring December 1993.

Ralph & Rosalie had five children: Margaret Anne, Karen Patricia, Kathleen Teresa, Lisa Maree and Michael John.

The Sweeney children all attended West Dale Primary School and from there went to Beverley District High School. Michael attended the Narrogin Agricultural College.

Ralph and Rosalie also have 9 grandchildren.

Ralph and Rosalie moved to Brookton 19th July 2014.

I was privileged to have been a neighbour of the Sweeney's for 30 of the 46 years they lived in the house on the hill in the Dale & enjoyed the hospitality that was extended – there was always a cuppa going & Rosalie always had a 'sticky bun' to go with this cuppa. I would like to share some stories with you about our Ralphy.

Most of the stories came as a result of personal experience, but quite a few I learned while enjoying a beer after work in the shearing shed. When I first met Sweeney, he was shearing for "Big Jim's" (Jim Strange) with Fred Gillham & I was the roustabout. In the early times he mainly talked about his time in the Dale & the people he worked for or knew. Later when he was

due to go back to Ireland for a holiday with Margy he mainly talked about Ireland & Scotland.

Ralph became an Australian Citizen on 13th May 1983 but never lost his Irish brogue.

He went to Ireland for a holiday in the years 1983 and 1986. After spending a night at the pub with rellies who said that they couldn't understand Ralph. Margy said that she couldn't understand a word they were saying & Ralph said 'Neither could I'.

I must admit that I have struggled with some of these stories because, besides trying to clean them up, I am also trying to keep them "politically correct".

It occurred to me whilst writing this that I was doing it at the wrong time. I should have been telling these stories last week when he as alive to enjoy them & I know he could have added to them.

Here goes – when he was working for Ossie, he was asked (by Ossie) to transport some of his workers to Brookton on the back of the new Austin truck. All was going well until he came to a corner a bit fast and hit the brakes, and they worked better than he thought and the workers all went sliding down the tray amid a chorus of "are you trying to kill us Irishman", there is more to the story, but I think I had better leave it at that.

The house that they built on the 26 acres was originally located in Northam and Sweeney intended to transport it "as is" to the Dale – unfortunately this house was too wide to transport and had to be disassembled and re-built. I can remember a lot of talk? About how the Government was making it too hard for an Irish battler.

On the 26 acres the Sweeney's ran pigs, milk cows, a horse and of course the chooks and sheep. Sweeney was very good with pigs and used to mate sows and sell the weaners, occasionally saving a killer. The sows always produced a litter of 11 or 12, which annoyed me because my pigs only produced 7 or 8. If any of his litters suffered because of numbers, Rosalie used to go and feed them porridge. I always told him it was the Catholic influence in his big litters. At one stage I had a pet kangaroo and it used to run with my milk cows. The cows got used to it & didn't mind it at all. One day the roo decided to visit Sweeney's cows and it happened when he was milking his cow. The roo jumped up behind the cow and made a noise, which scared the cow & she took off demolishing the bale. Sweeney was left there with the bucket and the cow was gone. He came up to my place to tell me what happened – unfortunately I saw the funny side, which did not improve his mood.

On another occasion which my father remembered til he died, Sweeney was explaining to Dad the risks that hay bale strings provided. Sweeney told Dad that he was carrying a bucket of milk to give to the pigs and he trod on a bale string & put his foot in the other end – "And the bloody bucket passed me".

There was always plenty of "Irish Jokes" being told and Sweeney used to counter with the story of how you need an IQ of about 45 to be able to tie your own shoe laces – that's why most Australian's wear thongs.

On another occasion he told me off for building a windmill close to where his windmill was. With a twinkle in his eye he told me there was not enough wind for two mills.

Part of the enjoyment I received in writing this was remembering the stories I couldn't tell.

If I refer back to the listing of the Sweeney children we see that the birth of Margy in 1962 and Karen in 1964 are both on "Paddy's Day", confirmed the importance of Paddy's Day for years to come. Kathleen missed by about 6 weeks and then Lisa wasn't even close, but she was born about the same time as my son, which meant they both started school the same day at West Dale. I believe there was tension between the Blight's and Sweeney's that day when Lisa sat on Alan's lunch. Then after four girls Rosalie and Ralph had a son Michael – after a while Michael became Sweeney's shadow and forever after referred to him as that 'Blessed Boy' and I could tell a few stories relating to that.

All of these children are here today along with their spouses and children. I know that they all have great affection for both of their parents and I also know that Ralph and Rosalie shared that affection and a great pride.

To this family I can say it's sad that you have lost the physical presence of Ralphy, but what I have said is only a very small part of the memories you have not lost.

I received an email from Margy last night & decided to conclude with what she wrote - we've had some tears and some laughs in the last few days. One was when Mum was putting together some clothes to dress Dad up in (in the coffin), Karen bought in a white hanky for his suit pocket & asked me if I knew how to fold it. I was tempted to tie a knot in each corner & put in on my head, I do remember Dad wearing a white hanky like that. Then Michael said that we should also have some bailing twine. Dad always preferred to wear the baling twine rather than a belt. I remember buying Dad a new belt several years in a row, never saw him wear it, but did see the bright blue baling twine sticking out below his shirt, bless him.

Message to all farmers from Robbie and Comet

Hay, all you Beverley Farming folk, thanks for all your support and the great comments that you made about us looking really good when we were at the Beverley Show. Sort of makes a guy feel pretty good about himself. We have had the farrier round here regularly and we are having a visit from the dentist in October. Thank goodness he doesn't charge as much as you folk have to pay. Mitch and Bron have been coming out to see us everyday and boy do we enjoy their company and what they feed us. We hear that you guys are busy in the paddocks cutting everything down and we were wondering if you have any bales of oaten hay that you would like to donate for our feed. The team at the Avondale Farm Project Association would really appreciate your support with this, so if you can spare us some, please contact Mitch on 0439 927 724. They are also talking about growing and bagging up some hay themselves and need some empty chaff bags so if you have any spare please contact Mitch.

On the weekend of 20 September, the Clydesdale Association came out and brought their horses and did some harness training and did a long rein demonstration. It was fantastic to see how well trained Michaela and Lady are and how they work as a team. Although the weather gods sent enough wind to blow up a sandstorm on the Sunday everyone had a great time and we are looking forward to their next visit. We are hanging out to see Lady and Michaela again, Robbie did ask Lady for her mobile number but she refused. Wise girl.

Beverley Bush Dance

Have you bought your tickets to the Beverley Bush Dance yet? This event is very popular both in the big smoke and locally so we urge you to buy your tickets as soon as possible as we don't want to disappoint the local community. They are available at the Beverley CRC or online www.trybooking.com/PFPC The Mucky Duck Bush Band will be performing and everyone knows how good this long standing band is. Founded in 1974, the "Duck" has played its unique brand of Australian folk and dance music to thousands of people around the world, including tours to Europe, Asia, New Zealand and Mauritius. Bush dancing with the Mucky Duck is not just about listening to bush songs but getting up and linking hands with a mate, a child or a total stranger and having a great time. The dance is a licensed event and there will be lots of yummy food to keep up your energy levels. We are having a colouring in competition for the kids which needs to be in at the Beverley CRC by Thursday 16th October. Contact Jo on 0417 951 513 for more information.

This month at Avondale Farm

Greg Manzie and Monica spent a whole day tidying up the homestead yard and garden in preparation for a group visit from Go Ona Bus Tours on the 19th September. They had a meal on the veranda at the homestead catered for by the R.S.L members. This was followed by a guided tour around the drive

trail. John Pratt came to assist with his most informative Museum tour which concluded a lovely day here for them all.

John manned the museum on Friday, as well as the weekend. It's great to see John back at Avondale after his long and well deserved holiday. Well done J.P and thanks for all your help.

With Greg Manzie in the lead role, the museum plan is starting to get underway. The first job is developing a data base of everything in there, which is a lot of work when you start to look around. John P assisted Greg with this and it will take some time to complete. The guys would love to hear from you if you could assist with this. Please phone our esteemed volunteer coordinator Valda 0418 902 434 if you can assist.

The work party from section 95 came on the 22nd and did an absolutely incredible job mowing and edging all the residences on the property as well as removing dead wood from numerous trees and leaving everything in a very tidy order. It is hoped that restrictions can be lifted to more than one visit per month in the near future.

The Masonic 4x4 and Touring Club of W.A camped at the showground the weekend prior. Although the dreaded flu severely reduced their numbers a dozen people still came out and enjoyed a bbq at the homestead and the drive around the property and they stopped to take many photographs along the way. The President made a lovely thank you speech ensuring Glenn that Avondale will always be on their annual places to go list.

Airstrip Lighting Update

Thanks to the very generous support we've received, we have now been able to order the runway lights. This next stage of work at the airstrip should start in the next few weeks and we are hopeful the entire project will be completed before the end of the year.

New Mark 6 Ambulance

We have just received delivery of our new ambulance. The Mark 6 is the latest in ambulance operations. We are planning to have a public viewing soon, probably on a Saturday morning, so look for it in the IGA/Station Gallery car park and come over for a look through. Our friendly volunteers would love to show it off to you.

Outgoing Ambulance

Our Mark 5 ambulance, which has been replaced by the Mark 6, is soon to be off to its new home on Christmas Island. Our committee heard about their need for an ambulance and when we contacted them about giving them the Mark 5, they were blown away by such generosity. The Mark 5 will enable them to continue providing professional pre-hospital care throughout the island. The ambulance transfer will take place later this year. We hope to bring you more on this story later.

Vehicle Maintenance Offer

Recently we advertised for a new VMO to join our volunteer crew. We would like to thank Daryle Burton for his response and willingness to take up this vital position and welcome him to the St John Ambulance family.

Beverley Playgroup

We are a fun place for babies and children aged 0-4 years old to come and meet new friends, learn from each other, problem solve, play with new toys and equipment, practise their social skills and learn the meaning of 'share'. It's not all about the children though, it's great for the adults to socialise, share tips and enjoy a cuppa as well. We are always welcoming new members. You are entitled to 3 free sessions before joining as a member. Children don't have to be brought in by a parent, it can be a grandparent, aunt etc. We'd love to see you at Playgroup!

In September

We were stoked to see new members continuing to come along each week!! We have had a fun month creating party hats, making Father's Day cards, playing with the ever popular playdough & making crowns fit for a king! It's just beautiful outside in the playground at the moment, now the weather has warmed up a little. We will have to remember to start bringing our hats along! Each week there is such a range of ages attending, with newborn babies through to 4 year olds. And great to see it's not just Mum's bringing the children in too, with Grandparents, Dads & friends joining the fun! We hope all the Dads had a wonderful Father's Day.

Breastfeeding Association

At the time of writing this, we were due to have a visit from the Australian Breastfeeding Association at the end of September. With our recent baby boom, a very appropriate visit. The aim was to provide us with a variety of information, from establishing breastfeeding through to weaning and helping us to problem solve any issues we may be having. Thank you to Kate McLean for organising this for us.

First Aid Course

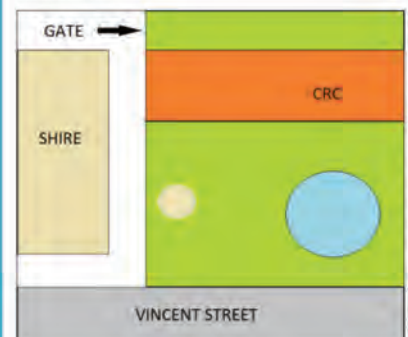

What would you do if there was an emergency with your child? Do you have up-to-date paediatric (child specific) first aids skills? Hopefully, you will never have to use these skills, but it is better to be prepared isn't it? We will be organising a paediatric First Aid course. Date, cost and other details are yet to be arranged. Please register your interest in this course with a committee member at Playgroup, or by contacting Jenette Loud 0414 923 534 or jenetteloud@bigpond.com.

PLAYGROUP SESSION DETAILS

Every Thursday morning from 9.30 to 11.30 am

(closed for school and public holidays)

- ✓ Located behind the CRC building (see map)

August Autocross (AX)

It was a wet and slippery Autocross at BORMSA with the rain in the 24 hours leading up to the event making the track surface "interesting"!! Congratulations to all competitors on their efforts, with only a few muddy extractions required (thanks to rescue crews Mark, Cam, Rob & Rex) and great fun was had by all.

Fastest lap of the day to Mike Gould!

With the SxS and buggies blitzing the early runs in the mud, the cars made a comeback later in the day with many shaving over 30 seconds off their earlier times. Garry Connell made it 2 out of 2 at BORMSA in 1st place with 10:22.79, bringing it home before Ross Burton, who was shaking down the new rally car and took top 2WD honours (and a \$75 BORMSA voucher) in 11:21.54. Fastest lap of the day went to Mike Gould, the only one to break the 2 minute barrier with a 1:59.41, getting mud into the Finish timekeeper's 4WD in the process!!

Ross Burton shaking down the new rally car

After 5 tests, Top 5 results:

• Garry Connell	10:22.79
• Ross Burton	11:21.54
• Mike Gould	11:41.77
• Tim Ralli	11:49.01
• Mika Connor	11:54.06

Commendable efforts included Archa Oxley, who in his first autocross in the Excel came in a mere 20 seconds behind Dad's WRX after 5 runs, and Luke Millar, who managed to improve by almost 50 seconds across the day in his first competitive outing. The 0.04 second win by Wally over Rex was also a highlight.

Many thanks to everyone who helped out, particularly Tyne, Rick and Ash. It was also great to see a number of spectators coming to check out the action at BORMSA.

Tyne getting some tips at the Drive Day

August Driver Development (DD)

A small field of five entries – a mix of juniors and beginners – took advantage of the Driver Development Day paired with our Autocross to get some practice in. Driver Development days are run on BORMSA's khanacross tracks and are an opportunity to improve driver skills and have more experienced competitors sit alongside and provide tips.

Kieran getting some practice in

2014 Events

The remaining BORMSA events for 2014 are

Sunday 28 September	AUTOCROSS
Saturday 25 October	JUNIOR MOTORKHANA
Saturday 25 October	TWILIGHT KHANACROSS

50% off BORMSA Membership!

As we've passed the halfway point for the racing season at BORMSA, 2014 club memberships are now 50% off:

• Adult (full)	\$25
• Junior	\$10
• Family (2A+2J)	\$50

In addition, full price memberships purchased at the October event will be valid for 2015.

Beverley Health Service Clinical Activity

As part of presenting the services delivered by Beverley Health Service below you will find information around the clinical activity over the last year. This includes Emergency Department, Inpatient including Residential Aged Care and Outpatient Activity (including Telehealth).

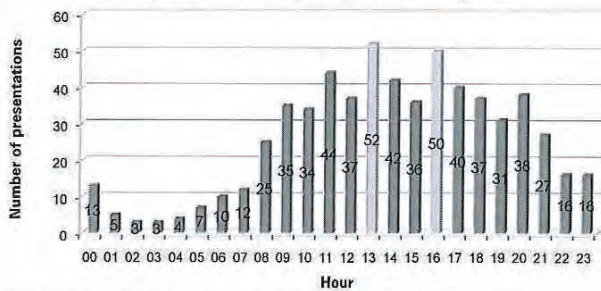

Source: WACHS Data Warehouse: 2013/14

ED - THIS WAY

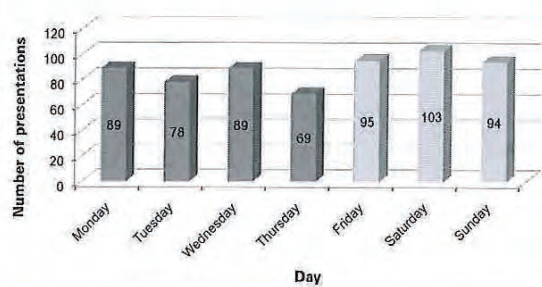

Emergency Department (ED) Activity

Beverley ED presentations by average hour in the day 2013/14

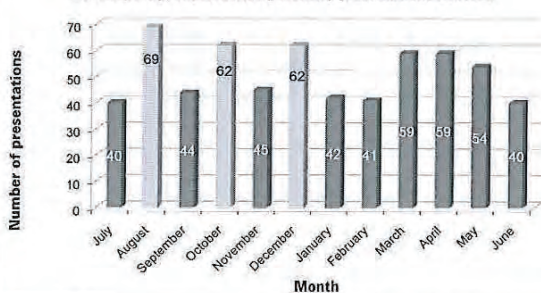

The number of presentations by hour of the day start increasing at 05:00 reaching the highest number at 13:00 and then steadily decreasing to 22:00 where the number of presentations level out.

Beverley ED presentations by average days of the week 2013/14

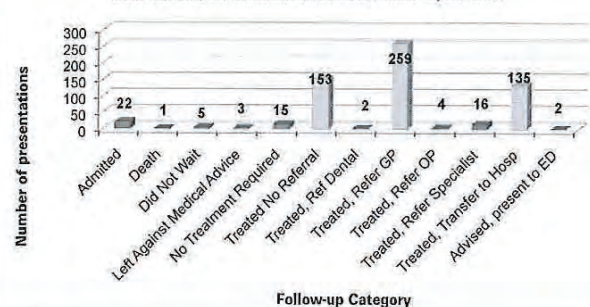

It would appear that on average the number of ED presentations is higher from Friday to Sunday inclusive for 2013/14.

Beverley ED presentations by monthly presentations 2013/14

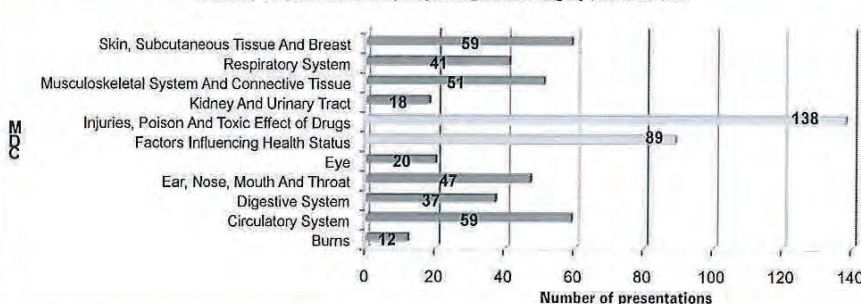

August, October and December had the highest number of presentations during 2013/14.

Beverley ED presentations treatment / follow-up 2013/14

The highest number of ED presentations were treated and referred to their GP, followed by treated and no referral required and treated and transferred to hospital.

Beverley ED presentations by major diagnostic category (MDC) 2013/14

The highest number of ED presentations by major diagnostic category appears to be Injuries, Poison and Toxic Effect of Drugs followed by various factors influencing health status.

HOSPITALS TRANSFERRED TO:

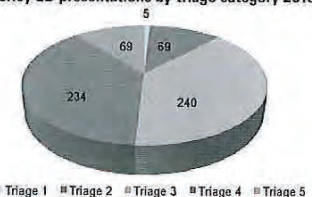

Armadale/Kelmscott District Memorial Hospital	27
Fremantle Hospital	1
Hollywood Private Hospital	1
King Edward Memorial Hospital For Women	8
Royal Perth Hospital	19
Sir Charles Gairdner Hospital	3
St John of God Health Care Murdoch	2
Swan Adult Mental Health Centre	1
Swan District Hospital	9
Northam Hospital	62

TRANSFER METHOD

Ambulance	73
Ambulance (non-urgent)	1
Emergency RFDS	1
Helicopter	7
Hospital transport	7
RFDS	1
Private transport	43

The main mode of transfer to another facility was by Ambulance followed by private transport in 2013/14. Northam RH received the highest number of transfers.

Beverley ED presentations by triage category 2013/14

The majority of ED presentations by Triage category (urgency) are found to be 3, 4 and 5 which are low level acuity presentations (88% of total presentations).

Kindy News

On September 9th the Kindergarten children held their Annual Fathers Evening. Over the previous week the children had been working hard to produce some lovely keepsakes to present to their Dads. They painted pictures and told stories about them. They made a card, wrapping paper and gift.

The children spent the day preparing pizzas for their

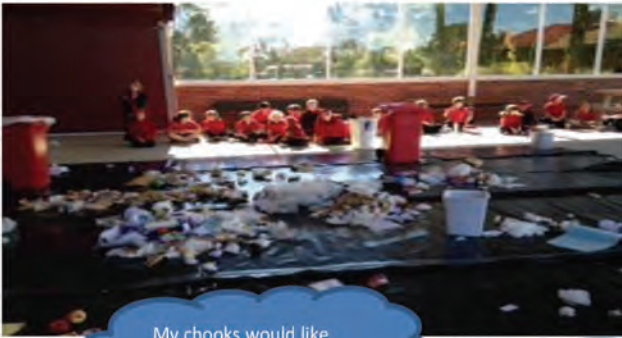

Dads to eat. They chopped all the ingredients, arranged them on the bases and got them ready for Mrs Edwards to cook.

The children were very impressed with how they turned out and were looking forward to the Dads trying them. During the evening there was much activity with painting, printing, building, creating and singing. It was lovely to see all the Dads who tend to miss out on our fun getting in and having a play. It was a fantastic turn out and a pleasure to be a part of. Well done Dads and Kindy children.

Year 3/4... a sustainable world!

“On with your rubber gloves and let’s get this waste audit underway!”

The Year 3/4 class conducted a waste audit of the school. All the bins were collected and tipped out on big plastic sheets in the Undercover Area. The rubbish was sorted into categories then counted and weighed.

What an eye opener it was!

My chooks would like these!

GROSS!

They're full!

It goes in this pile!

Dear Mr Ireland,

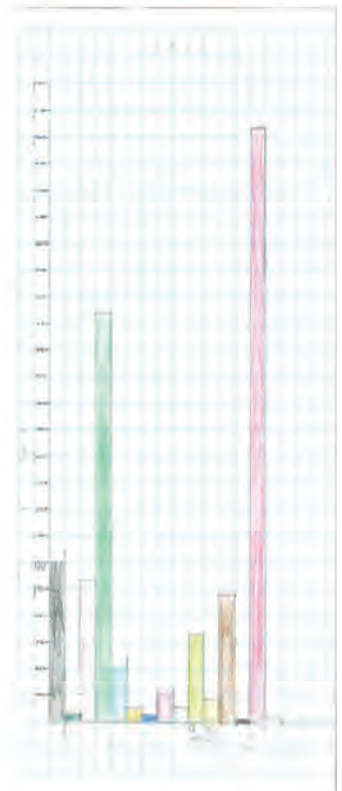

I'm writing to inform you that my class did a waste audit and I am very surprised about the results. Our biggest pile was tissues and the heaviest was food scraps. I have a few ideas to solve our waste problem.

The first one is to get a compost bin which will make soil for the school garden. We could also get some chooks so they eat our food scraps. The chooks would lay eggs which we could give to the canteen. This will save money.

Please take on board these ideas to solve our wastage.

From Thomas

TYPE OF WASTE

Beverley Junior Netball

What a fantastic season of netball we have had. We started the season with a great roll up of girls which enabled us to play games each Saturday morning and then train on a Thursday afternoon. We had year 3's playing against the other towns for their first time and they did Beverley proud, they were of course helped out by the experienced and talented year 4&5's.

I am very proud of all the girls, the older rose to the challenge of being leaders within the group and really encouraged and helped the younger girls. The younger girls put in so much effort each week to improve their skills and their game. By the end of the season we had some terrific netball games with everyone on court focused and participating!

We attended 3 Carnivals this season, 2 in Quairading where we competed against our usual towns plus Corrigin, both carnivals we came runner up against Keller/Tammin with the year 4/5 team and the year 3 team doing very well for the youngest team in the comp! The 3rd carnival was in Northam against towns the girls had never heard of, we took 1 team across a combination of year 3/4/5 and we again came runner up after a play-off against Corrigin who we had beaten once during the day. The girls seemed to enjoy it very much!

Thank you to Sam, Kellie and Amor for all their help throughout the season, and to all the parents who helped out with umpiring, scoring and timing and of course being the taxi drivers for your lovely girls.

When it came time to choose medal winners it was a very hard task as all the girls had improved and performed well in their own way. The winners were:

Fairest & Best – Grace Fisher

Most Improved – Sophie Kilpatrick

And a special award of a netball signed by the 'Fever' donated kindly by Jezza Barrett-Lennard went to Tia Lewis for her enthusiastic approach to netball each week. Well done to the girls on a great year.

See you next year!

Anthea Cooke

Beverley Junior Football

Season 2014 has been another successful year with a total of 44 participants playing junior footy. 15 children (Pre-primary to Year 3) played Auskick and 29 (Year 4-7) registered for Junior Footy.

Deane Anysley and Mark Thomas were the Auskick coordinators for this year, and with the help of other parents the kids have had an enjoyable year.

The Year 6/7 team and the Year 4/5 team have continued playing in the East Avon Association against Cunderdin, Quairading and Kellerberrin/Tammin as well as participating in the Beverley Shield (Year 7 and Under) and the Ferguson Shield (Year 5 and Under).

Congratulations to Thomas McLean, Kelvin Quartermaine, Stanley Stevens, Tim Applebee, Tom Cleland, Liam Golan, Toby Henry and Antwon Ugle who all represented East Avon either in the Watheroo Cup or on Avon Grand Final day. Thomas McLean was recognised for his outstanding efforts, receiving Fairest & Best for East Avon at Watheroo and at the game on Avon Grand Final day.

The award winners for the year are

Wauchope Medal

Fairest & Best Year 6/7:

Thomas McLean

Coaches Award Year 6/7:

Kelvin Quartermaine

Fairest & Best Year 4/5:

Sam McLean

Coaches Award (Year 4/5):

Barclay Wilkinson

I would like to thank Wayde McLean and Tim Kilpatrick, their assistant coaches, umpires and general helpers for assisting the running of game days and training. The children are continuing to improve and are enjoying the opportunity to play team sport.

On behalf of Junior Footy we would like to thank the Beverley Football Club for organising the two new sets of football jumpers that match the senior football club jumpers. Our appreciation also goes to the sponsors of the jumpers, Garry and Sarah Miller (Beverley Transport) and Richie Yorke (Westralian Diesel).

Beverley Intermediate Netball

The intermediate netball girls have had an outstanding season this year, only losing 2 away games, both times to Quairading. Thank you to the parents/carers for driving to the other towns and scoring, umpiring you all make the coaches job a lot easier. These results truly reflect the extra training sessions that these girls put in.

The Anderson-Simpson Shield has returned to Beverley after a 10 year gap. Congratulations to all of the year 7's and Stella that played on the day, your teamwork is what made you win on the day, it was great watching from the side line on how much you have all improved with working together.

We have attended two Wheatbelt carnivals in Northam, this is the first time Beverley has been represented and we were all very proud of the sportsmanship and efforts that the girls put in and we thank those parents that umpired and timed.

A group of 12 and 13 year olds had the opportunity to attend the Future Flames and Flames Cadet programs run in Northam over a 6 year period being trained by the Wheatbelt Flames. The girls involved got to play in a carnival in Belmont and thoroughly enjoyed themselves.

Award recipients for this season:
Most improved - Elsie Grossmith and
Fairest and Best Glenys Petchell
Trophy - Sarah Walters.

We have had less injuries this year due to the lovely new courts as well as some great laughs. With PJ day, National Netball Day and Parent vs Kids day. There have been tears as we lose some of our girls that have been playing with us for years, good bye Georgie, Stella, Kaitlyn, Sarah, Chloe and Lizzy we will all miss you and best wishes to you all at your new schools.

Special thanks go to Anthea, Sam and Kellie for your assistance and input during the skills development sessions on Thursday afternoons was truly appreciated and it has been lovely working alongside you all. Yes I will be training the intermediates next year. See you then, Amor.

Media Release

Thursday 11 September, 2014

Cervical Cancer Prevention in the Wheatbelt

Did you know that regular pap smears can save 1,200 Australian women from developing cervical cancer each year? Only 52% of Wheatbelt women aged 18-70 have had a pap smear in the last 2 years.

Cervical cancer is one of the most preventable of all cancers, and can be detected by having regular pap smears. Yet three in every four women who develop cervical cancer have either never had a Pap smear or have not had one in the last 5 years.

Pap smear provider and nurse practitioner in the Wheatbelt, Ange Patras says 'Pap smears are quick and simple procedures that are effective in the prevention of cervical cancer, and can give women peace of mind that they are protecting themselves'. Pap smears detect cell changes before they become cancerous.

Cancer Council WA and Wheatbelt Public Health Unit in partnership with a number of other health agencies received a grant to run activities from April to October aimed at promoting cervical cancer screening. These activities will be delivered in towns where screening rates are low.

If you are aged 18-70 and haven't had a Pap smear in the last 2 years or have never had one, we encourage you to book an appointment with your GP to have one done.

For more information or to find out who your local provider is, phone the WA Cervical Cancer Prevention Program on 13 15 56.

If you'd like to know more about cervical cancer screening or what is happening in your area, please contact your local Cancer Council WA Regional Education Officer, Karen Hansen on 9690 1746 or khansen@cancerwa.asn.au.

BSB GARDENING

BSB Gardening offers gardening services, rubbish removal, gutter cleaning, handyman work, louvre replacements and moving.

LISA WAY — Child Health Nurse

The Words of the Preacher

“Another parable put He (Jesus) forth unto them, saying ,
‘The kingdom of Heaven in likened unto a man which sowed good
seed in his field; but while men slept, his enemy came and sowed
darnel among the wheat, and went his way. But when the blade
was sprung up, and brought forth fruit, then appeared the darnel also. So the
servants of the householder came and said unto him, “Sir didst not thou sow good
seed in thy field? from whence then hath it darnel?” ‘He said unto them, an enemy
hath done this.’ The servants said unto him, “wilt thou then that we go and
gather them up?” But he said, ‘No; lest while ye gather up the darnel, ye root up
also the wheat with them. Let both grow together until the harvest; and in the
time of harvest I will say to the reapers, “Gather ye together first the darnel, and
bind them in bundles to burn them; but gather the wheat into my barn.”

He that hath ears to hear let him hear

“The words of the Preacher – PO Box 181, Beverley, 6304

Lyme Disease. Department of Health reports on Lyme disease

Earlier this month, the Chief Medical Officer (CMO), Professor Chris Baggoley released a Progress Report following the disbanding of the Clinical Advisory Committee on Lyme Disease (CACLD). The report is now available for downloading from the [Department of Health website](#). The report indicates that the CACLD was unable to reach a conclusion about the existence of Lyme disease in Australia and that the Department of Health’s investigations would be ongoing. Some medical publishers and commentators seized upon one statement, “There is still no routine finding of *Borrelia* spp in ticks in Australia” to broadcast misleading headlines like: “No evidence of Lyme disease here”. Whereas a more accurate interpretation is that the CMO’s review process has been *inconclusive to date* and the need for considerable further research has been highlighted. Some patients have been disappointed and angered because they feel the report “did not go far enough” in acknowledging Lyme disease is here in Australian patients and lacked recommendations for direct and immediate action to assist existing patients. Patients not should be too disheartened by the report and should remain mindful that processes of change involving government rarely move quickly. In a cover letter introducing the report, the CMO acknowledges “the patients suffering from a Lyme disease-like syndrome” and this, in itself, is a very positive shift away from the attitudes patients faced with medical authorities two years ago. Throughout the Progress Report we can see many areas in which the submissions made by patient groups and individuals have been able to exert a considerable shift in the way Lyme disease is being considered and discussed.

Clearly, all our hard work earlier in the year was not entirely wasted. As well as some of the negative or misleading media articles our doctors may be reading, the release of the CMO’s reports has seen a number of high-profile media reports that can be seen as being very positive from a patient perspective.

Worthy of note are:

- o *A Current Affair* (11 September).
- o *Australian Women’s Weekly* (September edition, p 143) article by Prof Kerryn Phelps
- o *New Idea* (September 14 edition, p 40)
- o *Sydney Daily Telegraph* (15 August) [Article about people going to Germany for treatment.](#)
- o *The Conversation* (20 August) [Interesting academic article](#) by Professor Tim Roberts.

Some added facts. Lyme disease has overtaken HIV AIDS as the fastest-growing infectious disease in America • has been identified as a significant health threat arising from Climate Change in the Northern Hemisphere; • WA patient numbers are rapidly escalating with more than 500 cases diagnosed in the past three years. (Taken from latest report from WA Lyme Association Spring Report)

Beverley Men's Golf

Elders Day was held on Friday 5 September 27 players participated in the day in cold and wet conditions. A great day was had by all who played and with novelties on all holes gave everyone a chance of winning a prize.

At the end of the day the eventual winners were Stephen Gollan and Jordan Reid with a nett score of 60.25, they were followed by Mark Armstrong, Fred Sing and Alan Styles with a nett score of 60.50. The Best Gross Team score was Tim O'Meara, Gavin O'Meara, Mario Romeo and Harry Donnel 67.

It was very pleasing to see many new players and old players come to play this event and use the facilities at the club, as it set the scene for a very enjoyable evening listening about the great shots and the unlucky shots during the day.

Thanks are extended to **Noel Morton** and **Tim O'Meara** for sponsoring the day.

A club trophy was on offer on Saturday 30 August, with 6 players playing in a Stableford event.

Terry Winfield won the day with a score of 37 points from Ryan Ware 36 points and Gavin Sazanov 34 points.

Friday 5th September saw 18 players play in the **2014 Open Teams Ambrose** event. It was very pleasing to see past members in Lindsay Strange back at the club enjoying himself.

The Gross winners on the day were the team comprising of Mark Edwards, Ron Milligan and Mark Armstrong with a score of 64 (8 under). Dale Wansbrough, Darrell Hagan and Stephen Gollan were Runner Up's with 66.

The Nett winners were Tony Peck, Deidre Peck and Chrissy Blackman with a nett score of 58.16. The Runners-Up were Terry Winfield, Fred Sing and Lindsay Strange with a 60.66 nett score.

Ideal golfing conditions greeted a field of 45 players on day one of the **2014 Open Teams Championships**.

The format of the event is you have three players in a team. You play 18 holes of stroke on Saturday and Sunday and your combined scores of your team over the two days are tallied to find the winning team.

At the end of day one everyone was very happy to be inside socialising and talking about what went wrong on the course during their rounds. A very nice steak (beautifully cook by Slab) and salad meal was had watching the AFL Semi Final game between Richmond and Port Adelaide.

Ryan Ware shot the best nett score of the day with 69 points.
The Best Gross score on the day was Mark Edwards with 79 (7 over)

With conditions once again ideal for Sunday, some very good scores were recorded during the day. Mark Armstrong shot a nett score of 72 to win the best nett score on the day.

In the Gross Paul Wolsen-Croft (Chequers) had a great day to shoot 75 (3 over). Tony Peck 77 and Michael Griffiths 78 also had good rounds.

Once all the scores were tallied and checked the following winners for the event were announced.

Gross Winning Team	Chequers 1 – Tony Peck, Paul Wolsen-Croft, Geoff Mouritzen – 482
Gross Runner up Team	Composite 1 – Michael Griffiths, Jason Young, Peter Boyce – 512
Gross Third Team	Composite 2 – Mark Edwards, Peter Edwards, Ron Milligan - 531
Nett Winning Team	Beverley 3 – John Donovan, Mark Armstrong, Fred Sing – 440
Nett Runner up Team	Beverley 2 – Wayde McLean, Bruce Kilpatrick, Stephen Gollan – 441
Nett Third Team	Chequers 2 – Len Richards, Gordon Riggir, Greg Scott – 468
Individual Gross Winner	Paul Wolsen-Croft – 154 (Chequers)
Individual Gross Runner Up	Michael Griffiths – 156 (Mandurah)
Individual Nett Winner	Stephen Gollan – 139
Individual Nett Runner up	Wayde McLean – 141
Saturday Gross Winner	Mark Edwards
Saturday Nett Winner	Ryan Ware
Sunday Gross Winner	Geoff Mouritzen
Sunday Nett Winner	Mark Armstrong
Best Vet (55 to 64)	Tony Peck
Best Super Vet (65 & over)	Fred Sing

The Club would like to thank the following sponsors and those people who helped in any way to make it a successful event.

Twinkarri, Contract Aquatic Services, Valley Ford Northam, Purslowe Tinetti Funerals, WFI, ANZ Bank, Fred Sing, Mia Davies, Terry and Sandy Woods, Dirt N Boondies, Summit Fertilizer, Beverley Country Kitchen, Freemason Tavern, Country Copiers Northam, Hannaford Seeds, Peel Golf Centre.

In fine conditions on Saturday 13 September the **Mark Bickley** trophy was played for.

7 players participated in this Par event, in which Stephen Gollan won the day with +3 from John Donovan who was square for the round.

Congratulations to Liam Gollan who played his first full round of golf off the Men's tees to record -4.

Thanks to **Mark Bickley** for putting the day on.

One of the biggest golfing events on the Beverley's golfing calendar was held on Saturday 20 September, being the **President vs. Captain Day** sponsored by **Wansbrough Family**.

The President's team consisted of John Islip, Brett Islip, Tim Islip, Les Annison, Chris Pepper and Mel Vivian.

The Captain's team was John Donovan, Mark Bickley, Mark Armstrong, Bruce Kilpatrick, Wayde McLean and Thomas McLean.

Bruce Kilpatrick and Wayde McLean played very well to score a nett score of 70 to tie for first place a countback was then held and Wayde McLean was declared the winner. Brett Islip and John Donovan also played well to finish with 71 nett points respectively. Brett Islip the best gross score with 80.

Even though we were all happy to see Bruce and Wayde have such a good score today, it was not about your individual score it was about the team. With the Captain (John Donovan) under extreme scrutiny totalling the cards, he produced the goods to again; to see the Captain's Team turn around last years loss to record a comfortable win 459 nett points to the President's 479 nett points.

Well done to Thomas McLean who played his first full round of golf off the Men's tees to have a very good score of 113 gross points. Thanks are extended to **Wansbrough Family** for sponsoring the day.

TENNIS ANYONE?

Yes indeed it is that time again! The 2014 /2015 Tennis Season is upon us. There will be a **BUSY BEE** at the club on **Saturday 11th October at 9:00am** to get everything "Spic and Span" for Opening Day. There has already been action behind the scenes with some net posts being replaced while others are due to be sand blasted and re-painted thanks to Rob and Brett. We also appreciate the assistance of Neil Murray in getting our equipment repaired and maintained ready for the coming season.

Juniors! Juniors! Juniors!

Many of our budding tennis stars have again taken the opportunity to participate in the **Central Districts Zone 3 Tennis Squads**. The kids take part in intensive coaching sessions with other children in our zone to enhance their skills and understanding of the great game of tennis. It is fantastic to see our juniors (and their parents) taking up this opportunity.

JUNIOR TENNIS COACHING

When: Tuesdays for 5 weeks, **starting 14th October** Week 1 Term 4.

Coach: Keith O'Brien

Who: Age 5 upwards.

Please register your interest for 4 year olds attending Kindy. If numbers and time allows 4 years may be able to participate.

Cost: Estimated cost is \$45-\$50 depending on final numbers.

To register your child please contact Sarah Aynsley on 0437 483329 or ds.aynsley@bigpond.com

Please register your child by **Friday 3rd October**

All children attending coaching sessions are to be accompanied by a supervising adult.

Older children will be offered organised social tennis between the end of school and their lesson. Parents are asked to assist.

COUNTRY LINE DANCING

NOVEMBER EDITION
DEADLINE for the edition is
THURSDAY 23 OCTOBER
at 4pm

Beverley Junior Recreational Sporting Council
Registration Day - Junior Cricket

Registration Day will be held on **Saturday 18th October 2014** at the Amenities Building commencing at **9.00am** and concluding at **11.00am**. The cost of cricket this season will be \$60.00. The Regional Cricket Coach Paul Reid will be in attendance.

The Cricket coordinator for this year is Stephen Gollan for the years 4's to 7's.

We are currently seeking a parent/guardian willing to take on the role as the MILO in2CRICKET coordinator for Pre-Primary to Year 3's aged group.

If you are interested please contact:

Mark Thomas (0429 471 166)
or
Stephen Gollan (0429 461 200).

Mark Thomas - President
BJRSC

50 Next year.

If you have any photos or stories of your time at Beverley Horse and Pony Club please send them to us so that we can scan them and get them ready for our 50th Anniversary Commemorative Book.

You can send them through the post (PO Box 311), drop them into Hydraboom or pass them on to one of our members. We will return your treasures once scanned!

Beverley Redbacks Football Club

Featured Events:

7:30pm, Friday 24th October – Beverley Football Club: Annual General Meeting at the Beverley Amenities Building.

Football season is over for another year, and although our League team made an earlier than expected exit from the finals, we are proud of the fact that we have now featured in the finals for five consecutive seasons. Our Netball team again had a successful year, finishing just one win away from another Grand Final appearance, and our Reserves team, despite just having three wins for the season, gave an honest account of themselves in each and every contest throughout the year.

We wish to thank our Match Committee of League Coach James Turner, League Assistant Coach Steve Turner, League Co-Captains Scott Minchin and Robbie Wansbrough, and Reserves Co-Coaches Daniel Fleay and Jarrad Minchin for their dedication and effort to the Club throughout the season. James and Steve have both announced that they will not be continuing in a coaching role next year, however James will remain playing with Beverley.

We wish to thank all our hard-working volunteers whose support is so pivotal to our Club's success each year, along with our loyal and generous sponsors and members, and of course the players who proudly represent our Club.

The Beverley Football Club would like to wish our League Captain Robbie Wansbrough a full, healthy and speedy recovery, we look forward to seeing him back around the Club in the near future.

The Beverley Football Club would like to wish Jai Jeffery all the very best for his move to his new community of Wagin. Jai played over 100 League games for Beverley, starting at the tender age of 15, and included two grand finals and one premiership. Jai has been a great Clubman of the Beverley Football Club, travelling to and from Perth to Beverley for trainings and games for the best part of his time with our Club.

Congratulations to the Cunderdin Football Club, who broke a 27 year drought to win the League Premiership, and made the day even more memorable by taking out the Reserves flag in Northam on Sunday.

Avon Hockey Association Round 15 (23rd August 2014) – Jennacubbine vs. Beverley at Northam

Jennacubbine 1

Beverley 0

Margin: 1 goal

Goals: Beverley - Lisa Mourach 1.

BEVERLEY NETBALL CLUB

The Beverley Netball Club AGM and wind-up was held at the Amenities building on Saturday 20th September.

The following committee has been selected for 2015:

President	- Natalie Ashworth
Vice President	- Amor Moulton
Secretary	- Cara Hammond
Treasurer	- Jenifer Petchell
Record Keeper	- Linda Lewis
PR	- Gayle Phillips

General committee members:

Jodie Bell
Jo Copping
Jessica Fleay
Cassie-Marie Spark
Glenys Petchell - non playing Representative

Trophy Winners for 2014:

Beverley Fairest & Best (donated by Beverley Steel Fabrication)

Kayla Ware (8 points)

Beverley Runner Up (donated by TM Hair Design)

A three way tie on 6 points

Lydia Ugle
Cara Hammond
Jodie Bell

Spinners Fairest & Best - Kayla Ware (Elders & IGA)

Hunters Fairest & Best - Lydia Ugle (Beverley Pharmacy)

Spinners Most Consistent Player - Cassie Spark (John - Beverley Hotel)

Hunters Most Consistent Player - Lydia Ugle (Beverley Post Office)

Most improved player for the year - Jennette Loud (Beverley Post Office)

After all the formalities the party was on. The teams dressed up for the occasion, Spinners were dressed as Zombie Prom and the Hunters dressed as Muppets and Sesame Street Characters.

Best dressed prize went to Jodie Bell (Spinner)

Runner Up prize went to Jo Copping (Hunter)

Thanks to Glenys for donating the Best Dressed Prizes.

A Big thank- you to Sheldon Petchell for being such an awesome bus driver for the season and to Glenys Petchell for her dedication to the club in all the fundraising.

Thanks to THE RED VAULT for the great three course meal provided for the girls, I think everyone really enjoyed the spread.

Then the music and karaoke was on and the girls had a glorious time trying to outdo each other singing to their favourite tunes. According to some, the party went on well into the wee hours of Sunday morning!

Thanks go to all those involved in the setting up and organisation of the evening. Great fun was had by all.

Keep your eyes and ears peeled for news of next year's starting dates and training times.

The Spinners as zombie prom girls and Hunters as Sesame Street characters!

Beverley Horse and Pony Club

Giddy Up ! Giddy Up!

Our September rally was a half day rally as everyone was quite exhausted after our fantastic Breed Show held the day before on the 20th. After judging for a very busy (and very hot) day we were so lucky to have Mrs Perry back to take the riders for flat work, in spite of the very windy conditions the very large Welshies group (7 riders) made it all look very easy! The ever amazing Chaise (voted Avon Football Association Netball Most Valuable Player award) who can fly poles around the jumping arena in a flick of an eye, gave the riders a super jumping lesson. It was a bit quiet for the Miniature and Shetlands, with just Oscar and Bethany—who were very lucky to have Tess all to them selves. We welcomed Bronte and her new pony Fflinky—yes that is two F's!

Jenifer with the D* candidates doing some last minute revision.

Oscar and Beth in the background—before the wind and rain!

Coming Up

We have lots of activity coming up so mark these dates in your diary
12th October D and D* Examinations—Good luck to all participants
19th October October Rally
26th October Avon Zone ODE—Enter NOW on KTrials!

OUT AND ABOUT

Beverley HPC Breed Show—wow what a super day! Thank you to everyone for helping and making this another fantastic day on the Club calendar! Without all the fantastic help of our members and wonderful sponsors days like this can not occur! A very big thanks to our own loveable barbeque guru Luke for cooking and cooking and cooking! Our judges did an amazing job, made more difficult with a very hot 33 C day. We had a total of 60 entries across an offering of 211 classes—WOW.

Congratulations to Annette and Jenifer with Erigolia Juliette winning Supreme Champion Welsh B. Congratulations to all of our Pony Clubbers who did so well in their in hand and ridden classes.

York Show

Lots of Pony Clubbers headed to the York Show. It was a bit miserable and wet, however it didn't deter our riders! Congratulations to Tealah and Cherry who won Reserve Champion in the Hacking ring! Well done to Tealah and Katie who were placed in the show jumping—super effort everyone one! Well done to Jenifer and Annette who showed in the in hand section.

Amy @ Endurance—Amy competed in the Highbury 20km Endurance Ride in August and had a ball. Tom completed and passed all vet test easily. The ride time was 1 hr 45 mins and they finished in 1 hr 44 mins. The rain managed to stop as she started and luckily held off for the ride, but the course was wet and slippery with several of the higher grade riders and horses taking tumbles. Was a great day and no doubt she will planning the next one.

See you all for our next rally on the 19th of October, gear checking at 8.30am sharp!

Please contact Mrs Pauline Appelbee via email appelbees@skymesh.com.au or phone 9647 1181 so that she knows who will be attending the rally!
