President Report **November 2014**

Declining Mobile Coverage

My notes in the October Blarney regarding erratic and declining strength of mobile and data coverage have attracted many remarks of agreement, and also questions of who to contact about it. Our local member for the Central Wheatbelt, Hon Mia Davies MLA is interested in this information and you could also register your concerns with the Minister for Communications Hon Malcolm Turnbull MP, the Telecommunications Industry Ombudsman Simon Cohen, the Minister for Commerce Hon Michael Mischin MLC and the Minister for Regional Development Hon Terry Redman MLA. A copy of your correspondence to myself or the Shire office would be appreciated.

Town Water Harvesting

As previously reported an investigation has been underway regarding street water harvesting in the Beverley town site, capturing this valuable resource to provide an additional water supply for maintenance of council parks, gardens, the town oval and for emergency supplies.

A plan is being drafted which includes construction of two retention basin dams, one at the river end of Edwards St and one adjacent to the old BMX track in John St, to capture water following a "rain event" which would then be pumped to the existing Town Dam on Hunt Rd.

Many rural Local Governments have initiated similar schemes and the Department of Water "Community Water Supply Program" currently provides an opportunity for the Shire to seek funding assistance to undertake such a project.

De-Lisle St Light Industrial Project

Council continues to liaise with Landcorp and the Department of Lands seeking progress for this important development. If you know of anyone who might be interested in taking up a light industrial block in Beverley please contact the Shire. The blocks will have underground power connections, a reticulated water supply connection and a drainage outlet. The blocks will require a waste disposal system to be installed as won't be connected to the reticulated sewer mains.

Beverley Visitor Centre

The Shire of Beverley together with the

Beverley CRC welcome anyone interested in volunteering a few hours a week at the Visitors Centre and Aeronautical Museum. The role involves opening the Visitors Centre and providing a warm welcome to visitors to our town. You do not need to be a museum guide (the display is a self-guided tour). Please contact the Beverley CRC if you are interested Ph 9646 1600.

Beverley Heroic Bike Ride and Beverley Town Ride

The Beverley Heroic proved to be a great day and whilst not a race, celebrated "The Beverley", a bicycle race which ran between 1897 - 1999. The Heroic was about participation and enjoying the Avon Valley during a round trip cycle to either York or Northam. Despite the weather 74 cyclists departed Beverley at 8am on Sunday 5th October, including local participants Rob Fisher, Tim Cooke and Deane Anysley (who all did the Northam 100 mile loop!) with the final entrant arriving back in Beverley at around 4.30pm. The enthusiasm and passion of "Heroic" organizer Toby Hodgson of "Mr. Vesparazzi" provided the opportunity for Beverley to host the start and finish for this event.

Sponsorship by the RAC and enthusiasm from our Community Development Officer Kathryn McLean saw the inclusion of a Beverley Town Ride in the afternoon which was also highly successful. Around 70 local and visiting riders ranging in age from 5 years and upwards took to the streets to complete a fun and educational ride exploring the town to find clues to a "secret answer".

Christmas Light Competition

The Beverley Christmas Light Competition is on again. This is open to all residents and businesses within the town boundary, entry is free and winning entries are announced at the Community Christmas Party in December. Details elsewhere in the Blarney.

Community Grants

Congratulations to the following successful recipients of the most recent Community Grants round:-

- Beverley Playgroup - age specific First Aid Course for parents of 0 - 4 year olds
- Beverley Horse and Pony Club - new fencing
- Beverley Bowling Club - new fencing.

Youth Development

Through various partnerships Council has been supporting an array of Youth initiatives. This has included the recent Beverley Town Ride, the forthcoming "Creating Crazy Critters" program at the Station Gallery, "The Truth About Forever" drug and alcohol education forum and "A Night with the Stars" Wheatbelt ball. See details elsewhere in the Blarney.

Avondale Bush Dance

What a fun night the recent Avondale Bush Dance was. The Mucky Duck Bush Band provided great entertainment, with fitness levels tested for many of us! Some of the patrons visiting were from York, Brookton, Fremantle, Wellard, Sawyers Valley and even Brazil! Congratulations and thank you to our Avondale Farm National Trust volunteers for the huge effort put in to stage the event. Definitely one for the diary if held again.

Wild Women of the West

The variety of speakers, entertainment and range of stall holders provided something for everyone, certainly something to be talking about! Creative table decorations, Sara Maclivers' delightful voice, mind and body coaching, lone male dancing on the tables, crowd surfing and Patti Chong's frank reiteration of courtroom abuse could well have tickets for next year sold before they are even printed! Well done to the CRC's organizing committee of Sam Fricker, Amor Moulton, Marlene Wilson and Anto Cooke.

Vale Cr Rod Carter

It was with shock and great sadness that Council said farewell to our former SEAVROC and RTG Local Government colleague Cunderdin Shire President Rod Carter following his sudden passing.

Harvest time and Heavy Vehicles

With harvest underway there will be many trucks on the road and movement of harvesting equipment around the grain growing region over the next few months. Please be patient and take extra care on the roads.

Beverley Pool Off Season Antics

Another long cold miserable winter has come and gone but with every dark cloud there is a silver lining, summer 2014/15 is finally upon us, now let the parties begin!!! Firstly I would like to thank our local Ranger 'Matt Sharpe' for giving me the opportunity to apply my other trade, Ranger in and around the entire Wheatbelt. Earlier this year Matt set up a Ranger service very similar to that of the Pool Management of Contract Aquatic Services and even though the company is in its infancy it's turning out to be a massive success, well done Matt.

As I like to remind every parent at this time of the year please enrol you're child into the Beverley Swim Club. As stated in previous articles my childhood was dominated by two things, swimming club and surf club and for that I am internally grateful to my Mum and Dad for encouraging and supporting me through these fantastic life moments. Never underestimate the positive memories and life skills that these healthy activities will bring to your children. Visit me at the pool for enrolment forms or queries.

Morning swims have kicked off for another season and once again I welcome new swimmers to our dedicated group. Year after year they demonstrate an incredible amount of discipline and positivity and as always they just seem to get younger and younger. Our local Law enforcement officer, Ian, has made a personal commitment to join in as much early morning swims as possible. Now going off his very impressive weight loss over the winter and his constant visits to the gym I'm confident he is a man of his word. I will let you all know in my next half season update how he went ;-) #reminder: 6am to 7am Monday, Wednesday, Thursday and Fridays. Through the season I can arrange special opening times for lap swimmers by appointment only. This applies to clubs for pre-season training such as the Redbacks footy and netball, and maybe the cricket boys as well as anyone else.

Season '14/15 is shaping up to be another full on five month's with something happening nearly every month. Please put Saturday 22 November into your diaries as once again we launch another original Pool Party replacing the old Teddy Bears Picnic. We decided to change as an incredible amount of time, hard work and stress goes in to an event that big and we do require full community support. Unfortunately our numbers weren't strong enough to justify continuing this wonderful kiddy event. We may in future seasons re-launch it but for now it's on ice. So this year's all new event is...(insert drum roll) "Surf Lifesaving". I know what you're thinking and to be honest your right. What does a pool have in common with the beach? Not a lot but we are introducing a day full of surf lifeguard activities usually only done at the beach. It's a way of introducing beach safety for children that do visit the beaches of Perth and elsewhere over the holidays. Even better it will give those kids that go to boarding schools a chance to maybe join a local surf club and become a surf lifeguard

nipper. I've secured some volunteer's from North Cottesloe SLC to bring lifeguarding equipment for all ages and qualified Surf Lifeguards to help run the programs. I can't tell you how excited I am for this to happen at Beverley Pool, WIN and GWN7 will be there to do a feel good story of bringing the beach to the Wheatbelt along with RadioWest.

Over the winter quite a few new (and not so new) Mum's have asked whether we are doing kid safe learn to swim for infants and toddlers this season. I'm pleased to announce that our very own Darci Miller will be our instructor and co-ordinator for 2014/15. This was ran 2 seasons ago and was a massive success and will be a welcome return this year. Darci brings a new a fresh enthusiasm and I hope all parents get behind this wonderful opportunity as we all know doesn't present itself all too often here in the Wheatbelt. Registration day is at the pool on Wednesday the 19th of November and there will be a special offer for that day only. The classes will run from November to December before a break then return for February. Please contact Darci for further enquiries on 0427 464 029 or email her at darcimiller@gmail.com.

Just a friendly reminder of the importance of good, clean, healthy and safe swimming water. Last month I was forced to work away at Boddington Pool for a few days and decided not to turn our pool over before I left due to coolish weather conditions. Unfortunately whilst I was away our pool turned and became quite unfriendly showing a not very nice green tinge. This is how quick it can happen even to a trained professional like me. Two unseasonal hot days and BANG !!! There she goes. So I use this opportunity to let all domestic pool owners know the importance of regular filtration and chemicals. If the water doesn't smell or look right then it's not. DO NOT risk swimming in it until you have the clarity and chlorine/PH perfect, I can't emphasise this enough as it would take another full article to inform you of the probable risks to your health including amoebic meningitis.

So in closing please feel free to pop in to say "Hi" and maybe even have a dip. It's great to see all our old regulars back year after year and I hope we get to see some new faces this year as well. Our kiosk is fully stocked with the usual light refreshments including (BUT NOT LIMITED TO) teas and coffees. Thanks for all the comments in regards to the new shade cloth's both positive and negative. The main question from people is 'why the multi colours'? Well it was decided to coincided with the Beverley school factions, enough said. We do have a public forum on our Facebook page so please hit "Like" on Beverley swimming pool page and keep up with the entire season.

Warmest regards

Brad M.

Avondale Farm

Beverley Bush Dance

The weather wasn't the best for our Bush Dance which was held at Avondale Farm on October 18th. We had high winds, pounding rain and lots of areas had lightening storms and even hail. Despite the weather we all had a great time. As well as dancers from local areas, we had visitors from all over Perth who danced merrily all night and stayed over in Beverley to enjoy our lovely, if rather wet town.

Everyone enjoyed the Mucky Duck Bush Band who called out the dances so even the most inexperienced dancers and the children could join in the fun. There were a few who looked quite winded after a few dances though. Our energy was fuelled by some tasty food provided by our expert cooks for the night. It was great to see Dina and Rob out at Avondale on the night and they ran the bar with their usual charm and efficiency.

We had a Chuck the Duck competition which involved throwing plastic ducks into a pond to see who had the best aim. The winner was Jan Cowley from Kingsley. Well done Jan, you can certainly chuck a duck and showed the guys how it is done.

We all sang happy birthday to a young chap called George Smith who told me he was 21, not sure if he was joking. I must admit he could have fooled me! I didn't even get a chance to have a dance with him and I'm told he's an expert.

A big thank you goes to all of the Avondale Farm Project Assoc (AFPA) Committee and volunteers who worked their little cotton socks off to make it a great night. Some of them brought along their families to help as well, so thanks to them too. We had other volunteers who weren't members of AFPA before last week and they helped out too. Some of them included John Islip and his Men's Shed team who carted trestle tables and chairs and drove the community bus. Thanks to Bruce Mann and also the guys at the Shire who were all particularly supportive of the event.

I hope everyone enjoyed the night and from all the laughter I am pretty sure that they were all glad that they braved the weather and kicked up their heels.

Hay and Chaff bags

Mitch, our wonderful volunteer who helps to look after the Clydesdales is after some bags so that she can pack her own food for the horses. If anyone has any to spare, please give me a ring and we will pick them up. Jo 0417 951 513

WOODS FAMILY REUNION

A well attended reunion of the descendants of William and Louisa Woods was held recently at the Dale Hall. Commemorating 185 years, since their arrival with their four children, John, Jane, George & Maria at the Swan River Colony in October 1829. The Woods family came from Sussex England, sharing the 10th ship to arrive, the "Lotus", with some 54 others, general cargo, 3 horses, 7 head of cattle and 48 sheep. The voyage, taking some six months under the command of Captain Summerson.

After some time spent at Fremantle, William is recorded as a shepherd for George Christmass in the York census for 1859 and dying in York in 1870. John, his son, is documented as shepherding for Edward Doncon and eventually taking up his own land at Turner Gully in the Dale area. John and his wife, Elizabeth Willis made The Dale their home and raised 10 children there.

Some of the many descendants of John and Elizabeth Woods live in the Brookton, Beverley, York Shires and Dale Hall area today. The early family members were hard workers at a time when much land had to be cleared. Providing for their family's welfare would have been paramount. As with some of the early settlers, there appears to be very little recorded of their achievements.

Many years later, John and Elizabeth's grandson, Forbes Woods and his wife, Marna, contributed well to the demands of local Government and many other voluntary positions. Their son and grandson's families continue to farm the historic "Hillside" property today.

Many thanks to all who shared our day, those who helped immensely and to the Dale Community Group who allowed us access to the wonderfully restored Dale Hall, from where many of us have treasured memories.

The weather was not conducive to cycling, but it did not deter the cyclists who had registered to ride either from Beverley to York and return or to Northam and return. Following a hearty breakfast provided by the RSL ladies (and those who donated food), the cyclists in the inaugural Beverley Heroic rode East out of town in the pouring rain. Travelling over gravel and bitumen roads throughout the Avon Valley, the first cyclists returned from York a couple of hours later, while those destined for Northam returned throughout the afternoon, with the Beverley contingent riding in around 4pm and the last rider crossing the finish line about 430pm after stopping to help others along the way and then suffering a flat tyre on the home straight 6km out of town. Congratulations to all involved. Look out for the Beverley Heroic in 2015.

THE BEVERLEY HEROIC 2014

Thankyou to the local business people and volunteers who contributed to this event by catering to the needs of our visitors. Many compliments have been received.

Cycling enthusiasts enjoyed a vintage bicycle display set up in the Town Hall, compliments of John Hawke. It was certainly eye opening to see how far technology has come - the comfort factor for riders has certainly improved!

The Beverley Historical Society is to be commended for embracing the spirit of the day by exhibiting its collection of Beverley to Perth Cycle Race memorabilia. Call in to the Dead Finish Museum on a Sunday to view their collection. Thank you to Morag and Bob for coordinating this display.

Thanks is also extended to the volunteers at the Visitor Centre for keeping the doors open from 730am. Visitors on the day certainly appreciated your help.

CWA - Beverley Branch

Another month almost gone! There was a good turn up for our October meeting day which commenced with morning tea and a chat, followed by the usual monthly meeting.

There was quite a lot of interesting and informative material from State Office and much discussion in regard to plans for 2015 when our Branch will celebrate 90 years of community service in Beverley.

Beverley Branch of the Country Women's Association will once again donate seven books for Citizenship Awards for presentation at the School's official break-up function in December. These awards have been made annually for well over sixty years.

Next meeting will be held on Thursday 13th November at 10.00am at the CWA rooms.

Visitors and interested members of the community will always be made most welcome and invited to join in with morning tea, general discussions and share a light lunch with social time to follow.

PLEASE PLACE THIS ON YOUR FRIDGE.

Based on your house number, you have been allocated 2 days a week to water your garden either before 9am or after 6pm with sprinklers or a reticulation system. You can still water with a hand held hose at any time. To find out your 2 sprinkler days, simply take the last digit of your house number and apply it to the table below.

Last digit of your house number	Your 2 sprinkler days are
1	Wednesday and Saturday
2	Thursday and Sunday
3	Friday and Monday
4	Saturday and Tuesday
5	Sunday and Wednesday
6	Monday and Thursday
7	Tuesday and Friday
8	Wednesday and Saturday
9	Thursday and Sunday
0	Friday and Monday

For example: If you lived at 12 Rose Street, the last digit of your house number is 2 and your sprinkler days would be Thursday and Sunday. If you don't have a house number, use your lot number. If you would like further information, visit our website at www.watercorporation.com.au or call the Waterwise Infoline on **13 10 39.**

Crana committee, has agreed in principle, to allocate funds to cover the costs to commemorate/build a rock monument, affixed with a brass name plate. Included on the name plate will be a list of all former indigenous families, who had resided on the Aboriginal Reserve in Beverley. This monument will honour and respect the former residents, and a formal ceremony will be duly conducted after completion.

Reconciliation: The general consensus amongst the Australians, is that they want this to happen and the matter has been debated for many years, yet nothing is moving. Apparently, the people's wishes take second place. Some believe, the referendum is the first step to reconciliation. No matter who is right, either legal processes are highly sensitive, complicated traditional and cultural issues. The evidence points us to inaction. Having said this, I now rest my case.

Beverley Garden and Tree Society

It is perfect weather for gardening. Gardens are looking beautiful! With no frosts the vegetable gardens should be up and thriving. It is still not too late to plant out some vegetables.

We have been on a number of excursions. A bus load of members have been to Toodyay. An enjoyable day was had by all and we were all quite exhausted by the end of the day. We met at the Dead Finish at 8.30am and the first stop was morning tea at Coorinja Winery, mind you, some members passed on the cuppa, then on to the Emporium where it was hard to extract some members from, onto the nursery and a couple of hours free time. Next stop was to see sculptures, then on to LeSteeres where briar roses are still growing and flourishing after 100 years, a lap around the block took us past where Betty had grown up.

Next on our calendar was an interesting demonstration on how to grow bonsai. We were all most enthralled, especially Dalene, but all agreed that we probably had left it too late to see the end results!

The next outing was to visit Pingelly. A fabulous day was had by all. We visited four quite different but beautiful gardens, and were treated to sumptuous morning tea, lunch and afternoon tea. An interesting talk was presented by a young fellow named Scott, who was an expert on Mediterranean plants.

Recently we had a luncheon to recognise our older members, some of whom are unable to attend our meetings and outings and others who are still very much involved with the club. A big thankyou to Glenda and Terry for opening their lovely home and garden to us.

We are off to Williams next to look at 500 roses in the main street.

The next meeting will be the AGM, which will be held at the Dead Finish, with a high tea at 9.30am on Tuesday 11 November 2014.

Happy Gardening.

THE TRUTH ABOUT FOREVER

The Beverley CRC in partnership with FRRR is proudly presenting a **free** youth workshop targeting drug and alcohol awareness and prevention.

Real Dangers of Drug/Alcohol Use
Dealing with Peer Pressure
Understanding the Drug Culture

Guest Speaker Jade and Tristan Lewis

Just Say No is a drug prevention presentation designed specifically for school students. Jade and her husband Tristan deliver a responsible and powerful drug and alcohol awareness and prevention presentation that educates youth about the real dangers and consequences of drug use and then equipping them with alternative ways to live a drug free, fulfilled, motivated life in a world full of temptations. This is a fresh message of hope to young people who are seeing an increasing rate of drug experimentation, addiction, crime, violence and in some cases death. To date the *Just Say No* message has been presented to over 100,000 school students across Australia.

Constables Ian and Nick - Beverley Police Officers, Wheatbelt RDA Youth Connections Office Lyn Kay and Noongar Wellbeing and Sports will also be joining us for the day.

When: Wednesday 12 November 2014

Time: 9.30am to 2.30pm

Where: Beverley Sport & Recreation Centre, Forrest Street

Who: Any students attending high school from Year 7 onwards within the Wheatbelt area

If your school is not attending this seminar, please feel free to independently book your child in now, just call and register your child's details on 9646 1600 or for further information email beverley@crc.net.au. Don't miss is out on this opportunity!

SCHOOL HOLIDAY FUN

On Wednesday 8th October, Lyn Kay of Youth Connections and Nyoongar Sports hosted a clinic for over 30 children from Beverley and York at the Town Oval.

The Shire of Beverley and Youth Connections supplied lunch and drinks to all the children and Lyn would like to thank the “mums” who helped with organising the food.

We would also like to thank Jayden and Sara from Nyoongar Sports who once again organised a fantastic fun filled day of multi-skilled sports.

Station Gallery

Writing this on the train trip home from the national Regional Arts Australia Summit in Kalgoorlie I can't help but wonder at how we're going to find the time and energy to put into practice all the ideas we've gleaned over the past four days. Four days of back to back key note speakers, panels, performances, demonstrations and displays and most importantly, networking with artists, community volunteers, arts and cultural workers, community development managers and cultural leaders. The next conference will be in Dubbo 2016 so we await with anticipation as to what Regional NSW has to offer. Unfortunately, some of the programme last weekend had to be changed and in a couple of cases cancelled because of the stormy weather but the Country Arts organisers did their utmost to make it work - not so for the train trip back to Northam. We were four hours late getting home due to malfunctioning of the signals causing waits in a stationary train for up to two and a half hours - such is our public transport system!

Five BSA committee members hamming it up in front of Pricilla Queen of the Desert stiletto shoe at the RAA conference in Kalgoorlie.

Sponsorship

One thing very obvious that came to pass at the conference was the sponsorship that other art societies throughout Australia are able to obtain. If anyone reading this would like to be included in sponsoring the Easter Art Exhibition or any performing art event, please let us know.

BSA Annual General Meeting

Beverley Station Arts advises all members and friends that the Annual General Meeting will be held on Friday 31 October at 5pm at the Station Gallery. All members/friends/supporters welcome.

Enquiries to secretary Sarah Miller 0427 464 078 or miller@reachnet.com.au

Artist-in-Residence

As we say goodbye to Mervyn Beamish who held an interesting workshop on making your own oil pastels, we welcome Jill Ansell in the beginning of November, followed by Charlotte O'Shea on her return from Scotland at the end of November. Please feel free to drop in to meet our artists. Of special note, whilst Jill Ansell is at the Gallery from the 6th to the 9th of November, there will be on display a portrait of Graeme Hobbs that Jill has painted. Graeme happens to be Jill's uncle, and mother was a Potts and related to the Rumbles. The family farmed at Morbinning so her visit may be of interest to both those living east and west of Beverley.

Youth Workshops

A series of FREE after school and weekend workshops suitable for youth up to 17 years (inclusive) will be held by artist Charlotte O'Shea during her stay in November. The programme will involve recycling local materials to construct 3D art to display around town. Dates and time of workshops for any one or all of the workshops are on page 22 of this Blarney edition. Register your interest at the Shire with CDO, Kathryn McLean, ph 9646 1200 or cdo@beverley.wa.gov.au

John Ainsworth - A Tribute and Exhibition

A very special exhibition will be on display at the Station Gallery from Friday 7th November through till Sunday 21st December in memory of artist John Ainsworth. John died in October 2012 and is fondly remembered as an artist with an exceptional connection with our country surrounds. The exhibition of twenty four exquisite watercolour paintings, most of which are for sale, will open on Friday 7th November 5pm - 8pm. All welcome.

Artists in Residence programme for the remainder of 2014:

October - Mervyn Beamish - artist (Perth)
November - Jill Ansell - painter (Perth); Charlotte O'Shea - digital and public artist (Perth)
December - Derek Newton - artist (Perth)
April - Luis Fuentes - realist painter (Peru)
Graham Milson - it is with great regret that this painter from England due to arrive February 2015 has died.

Beverley Station Singers

Following the very successful performance by the Station Singers at the Choir Bash in September, the ensuing dates have been booked:

31st October: Seniors Morning Tea, Amenities Building

30th November: Choir Bash in Perth.

21st December: Christmas Concert, Platform Theatre

Anyone interested in joining the choir contact Tracey Fleay- Mob: 0409 481 029 or

Platform Theatre

It is with sadness that we learned of the death of Rod Carter whose fabulous 3BOB Band played at our last two Christmas Concerts. We now await to resolve the line-up for this year's show.

Be that as it may, we finally have confirmation that Ballet by the Charlesworth Ballet Institute (former WA Youth Ballet) will be performed here in Beverley! On Friday 20th February, a programme of 60 - 70 dancers (fulltime time dance students), will perform a shortened version of Sleeping Beauty, Spanish, Contemporary dance plus a musical theatre piece. Please note that because February 20 was the only date available, so the Standup Comedy Night has been moved to March 14.

BEVERLEY HEROIC TOWN RIDE SUNDAY 5TH OCTOBER 2014

Thank you to the children, youth, family, friends, and visitors to Beverley who braved the wet and very windy conditions of the 5th October to take part in the first Beverley Heroic Town Ride. You were all heroes on the day. It was a fantastic view from the Town Hall, cyclists above 70 in number, aged from 5 years to 83 years rolling down Dawson Street having explored the town site in search of clues and answers to questions. I hope the ride helped participants to uncover some of Beverley's history and landmarks.

For many participants this was a rare opportunity to check their bike, wear a helmet and to slow down in town. We must recognise the RAC, who through the hard work of Heroic Event Organiser, Toby Hodgson, supported this community initiative.

Positive and Active Mentoring

Being a MALE is a matter of birth, being a MAN is a matter of age, but being a positive and active MENTOR is a matter of choice - "He didn't tell me, He showed me".

Wisdom by definition can only be obtained through ageing and the experiences we have in life's journey. To me this means we can have a mature young man but not a wise one!

I think this interpretation is important because it substantiates the vital role a positive and active mentor can play for you no matter what your age.

Who are our mentors? They can come from a pool of people, but are predominantly sourced from the following areas:

- someone older;
- for a bloke - Dads are our first choice (92%). This is interesting because society's demographics are changing. Some latest research tells us that in 1960 10% of kids were living away from their dads whereas by 2010 this had grown to 27% of kids living away from their dads. This is a significant shift and one that puts additional pressure on the vital role of mentoring;
- Can be father figures, grandfathers, uncles, brothers, (mothers), teachers, and/or footy coaches;
- Sometimes it is someone who is not in your field of work or play.

When we are deciding what to do in life (whether it is day to day stuff or longer term stuff) talking to a mentor can help us with our decision making. This is really important both in our personal life and our work/business journey.

A positive and active mentor:

- **listens** to what you're saying;
- asks questions?
- has opinions which you respect but acknowledges that you don't have to act on them or agree with them;
- gives wisdom and perspective;
- acts as a sounding board and confidant.

Mentoring works and understanding how is essential. With major decisions, talking through issues with a mentor is beneficial. Young blokes, in particular, need to tell their stories to mentors. It is by this process that they can validate and/or question where they are at in life. It helps to clarify issues and this then cultivates independent thinking.

There is never a time in a man's life that a man doesn't benefit from having a positive and active mentor.

Mentoring is about developing relationships, it does take time and sacrifice but it's a two way street and everyone benefits from the role.

In the work we do, we say that we have 3 mates that we can spill our guts to. These usually come from three categories:-

- a peer;
- a partner; and/or
- a **mentor**.

As blokes we need to identify who these people are. Ask yourself the question "who is my mentor?"

Mentoring is rewarding and being a positive and active mentor is our choice.

Cheers

Wills: Recent TV reports cite and show in October 2014 where, the will was outdated and the beneficiary (son) lost everything due to the testators change of circumstances, which were not brought up to date in the will. Prominent lawyers, advise all viewers to: update wills to avoid huge legal costs. Be open and discuss with family and then draft a fair and just will, under legal advice. Review every 3 years or before, if circumstances change.

National Interests/ National Security - New Laws: Australian Parliament has enact new legislation, as reported on most TV channels in August and September 2014 e.g. where any person/s reports to Australian media, on the matter of ASIO or that are against the Australian Public Interest/ Security, the penalty is ten years prison sentence. If any person is suspected of these acts, the law enforcers do not have to apply for arrest or search warrants. Note these laws have not been tested.

One case cites, also shown on TV where in the police do not need to obtain a search warrant.

The matter relates to spy cameras and covert equipment. The police acted on the complaint, from a member of the public as follows. "He was invited to a friend's party and while inside the bathroom in the house, he noticed some spy camera/covert equipment hidden there. He was alarmed, as other friends and families were also at the party".

The police took out a search warrant, located and seized the spy equipment, including mobile phones and computers. Photographs were found to be unlawfully obtained. Charges were laid against the home owner, who, according to reports is facing sentencing.

One has to be very careful, as at this stage all these security and privacy laws, and what is in the 'public interest' are very complex issues.

CY O'Connor Institute Diploma of Nursing is meeting the needs of the country.

Nursing is more than just a job.

It is a career which offers a huge range of rewarding opportunities for people who are passionate about making a difference.

C.Y. O'Connor Institute is calling for enrolments or expressions of interest in its

Diploma of Nursing course which is delivered in Narrogin and Northam.

CYOC is focused on ensuring people living in the country do not miss out on receiving nationally and internationally recognised training in one of the most important careers in the country.

The ageing population in Australia and around the world means there is set to be an ever-increasing demand for aged care and enrolled nurses.

If you think you have what it takes to be a part of this critical industry then enrol today or call CYOC for more information.

The Institute is holding information sessions in Northam on Monday, November 3, and Narrogin on Monday, November 10.

Places are limited and enrolments close on December 5.

Students may be eligible for Commonwealth assistance through VET Fee Help which is a government loan to cover the cost of tuition fees, this means students could study now and pay later.

C.Y. O'Connor managing director John Scott said the course had proven successful with graduates gaining employment on completion of the course.

"Once you gain registration, your workplace could be an acute care facility, a community-based nursing facility, or an aged care facility," he said. "Your skills could be sought after around the world.

"The diploma is also a pathway to the Bachelor of Nursing course."

Inquiries about the course can be directed to C.Y. O'Connor Institute on 1800 627 256 or 9622 6777.

Beverley Historical Society 37th Annual General Meeting Annual Report for 2013 / 2014

Held on Monday October 13th 2014

Membership: Current membership stands at twenty members and meeting attendance averages ten per meeting. We welcomed four new members at meetings this year.

School Visit: The Year Two class from the Beverley School visited the Dead Finish Museum in October last year and gained some "hands on" experience of what life was like in the "olden days".

Easter: The Beverley Quilters and Patchwork group once again exhibited quilts, creating an interesting feature at the museum and the Society set up a display featuring the theme "Journeys", noting a couple of journeys that had relevance to the Beverley District.

World War I Project – "Remembering Them": We were addressed by project coordinator Naomi Lam at our May meeting. This project is funded by Lottery West. We will obtain five display panels. Two panels will feature matters of statewide interest, whilst three panels will centre on information relative to the Beverley District. We will also receive a hydraulic showcase to house local WW1 artefacts.

Beverley Times: Following the upgrade of the Beverley Times to digital at the Shire Office, we have received the old microfiche reader with some 36 rolls of film and this proves to be a welcome asset.

Cemetery Signs: For many years the fact that Beverley has three cemeteries in the town site has sometimes confused funeral attendees, and people wishing to locate the graves of relatives. Our thanks go to the Beverley Shire for providing suitable signage at all three sites.

Beverley Show: Our Show display was focussed on "Journeys" and on Water Carting. An emphasis being put on water carting from the early primitive ways to the more mechanised methods used in current times.

Field Trip: On September 10th we visited Bally Bally Hall, the Kilpatrick homestead, the site of the original Kilpatrick homestead, Qualandary Crossing, the original "Uralla" homestead of John & Della McLean, Bally Bally School site, Bally Bally Rifle Range site, Sue & Mick Martin's home, went by Goldshaft Corner, up to County Peak (Quajabin), nearby County Peak School site, then on to the Morbinning School site and the Morbinning Hall. This Hall in more recent years became the home of Morbinning Landcare Group. Thanks to all who helped out & participated in the day to make it successful.

Research: Throughout the year we've had the usual number of inquiries for various information. On most occasions our dedicated researchers have found the answer required.

Donations: Throughout the year, a number of useful & interesting donations have been received.

Printing Press Cover: After a recent meeting with the Shire of Beverley we are hopeful that suitable cover for the old Beverley Times printing press will be achieved in the not too distant future.

Passing of Former Members: On a sad note since our last AGM we have seen the passing of former three former members &/or friends:- Mary Thomas who served the Society as Treasurer and made significant donations when the museum was being set up; Rhonda Seymour who audited our books in the past; and Beth Hutchinson. Beth gave the Society great service having served as Treasurer for seven years, Secretary for three years and President for three years. The Beverley Historical Society is poorer for their passing.

Thanks: My thanks to all fellow Office Bearers & members for your untold support. In particular, Morag Whitney our Secretary, who has made my job easier through her dedication and work ethic.

Wishing the incoming committee a successful year ahead.

BEVERLEY HISTORICAL SOCIETY

October Meeting: This began with our 37th Annual General Meeting with 13 members in attendance and 5 apologies. The General Meeting followed with a social cuppa to conclude the afternoon.

President's Annual Report: This was prepared by our retiring President, Bob Hall, who had submitted apologies to the meeting and was read by the Chairperson, Maree Hutchinson. This report appears in this edition of the Blarney.

Election of Office Bearers

- President:** Maree Hutchinson
- Vice President:** Di Smith
- Secretary:** Gail Alabach
- Assistant Secretary:** Morag Whitney
- Treasurer:** Erica Murray
- Research Officers:** All members to assist. **Museum Officers:** *Accessioning* - Belinda Foster & Morag Whitney; *Placement of Donations* - Consensus of members

Subscriptions: These are to remain at \$10 per annum and are now due. New members are always welcome - just turn up to a meeting or contact us via email below.

Cycling Display: The Society recognised the 'Beverley Heroic Cycle Ride' with a display of the museum's cycling memorabilia. This includes news items, photos & trophies from the historic Beverley-Perth Cycle Race, the Beverley Cycle Club & other cycling items. This display will remain until the end of the year & can be seen on Saturday afternoons or Sundays or another time by arrangement.

Next Meeting:

Venue: Dead Finish Museum.

Date & Time: Monday 10 Nov 2014 - 2pm

Welcome: Anyone interested in local history
For more information contact the Assistant Secretary on bhsdeadfinish@gmail.com.

Date to Remember: "Olden Days" Beverley School Year 2/3 visit to Dead Finish Museum has been arranged for 26 November 2014. Members & friends who can help please advise the Assistant Secretary.

What a fantastic fine and sunny day for our Wyandotte 22nd Annual Show, and lots of visitors. Another Wyandotte Show has successfully gone by and started planning again for Saturday 12th September 2015, Beverley Showgrounds has been nominated.

I thank everyone that has helped out through the year with donations and also on show day. We have had a great successful time.

We thank Mr Noel Nelson from Bundabury in Queensland, for his judging services. Noel had a little drama with his luggage going astray at Perth Airport. Everything turned out alright in the end.

Show entries were similar to last years numbers. One prominent exhibitor was unable to show but with four new exhibitors it made up the numbers.

We thank the local businesses of Beverley and surrounding towns as well as fanciers for thier sponsorship in the way of donations and trophies. A good display of trophies presented on the day with most exhibitor's winning something.

There was a steady flow of visitors throughout the day viewing the birds, some travelling long distances. The raffle was drawn by Mr Allan Hartree of Bunbury, and results was 1st prize Daniel Osborne from Cuballing. 2nd prize Iasmas Doornbucsh from Harvey.

We thank Cecily Gilbert of Beverley for selling tickets on Saturday morning and thank you to everyone that gave support. Once again, on behalf of the Western Australian Wyandotte Fanciers Association would like to say THANK YOU for your sponsorship of prizes to our 22nd Annual Show. With your generous support we were able to offer excellent prizes. These prizes help attract exhibitors and make our show popular.

We look forward for your continued support.

Wild Women of the West 2014 - Diamonds in the Rough

This year's seminar opened its doors to some of the most glamorous ladies in the Wheatbelt. We were all privileged when the day began with singing of Sara MacLiver, well known soprano singer, her story touched many ladies in the room. Life coach Jen Atkins gave us all a reality check when it comes to clean living and then Tomas Ford rocked the hall, dancing, singing and finishing his performance with a little crowd surfing! Our scheduled keynote speaker Judith Fordham had to cancel last minute due to a pending court case but we all were very fortunate to engage Patti Chong, wow how lucky were we? Patti, also a lawyer, spoke about her life and the hurdles that she had to overcome being a Chinese girl wanting to be a lawyer, resilience, strength and the pressure of this diamond was an eye opener to many of us.

Congratulations to the following winners on the day: Major door prize, a gold and diamond necklace went to Bronwyn Tilfe, the raffle winners were bookworm package - Narelle Bailey, glamour and gardening package winner Esmeralda Harmer and Carolyn Jenkinson won the chef package.

Thank you to all of our stall holders for helping make the day better with shopping!!! We are very grateful to the 8 girls from Beverley District High School who did a great job on the day, thanks girls. The Beverley Tennis Club who provided morning tea, delicious. Special thanks must go to One Life and Shire of Beverley for sponsoring the day, along with local business sponsors RadioWest, Water Corporation, WFI, East End Studio's, Feet with Flair, Beverley Newsagency, Beverley Licenced Post Office, Beverley Supermarket and Liquor, Beverley Pharmacy, Avon Trading and Fleur McDonald.

Thanks also must go to our MC Marlene Willson who so elegantly manages a hall full of women to a stand still. Our sub committee Samantha Fricker, Anthea Cooke, Marlene Willson and Amor Moulton would like to thank their families for surviving yet another year of the madness that is the Wild Women of the West.

The Truth about Forever

What is the truth about forever? A one day seminar created specifically for the youth in the Wheatbelt region with the aim of raising awareness of drug and alcohol prevention in our teens. Real life experiences from athlete Jade Lewis and her husband on the day plus the crew from Noongar sports will be running activities on the day. Don't worry if your child does not attend our local district high school, please register their name and details as this is open to all high school students within the Wheatbelt region.

Business Breakfast - Online Marketing

We listened to your feedback from the Business Sundowner and we have arranged for a web design specialist to talk to you about your options available with marketing and promoting your business online. Patrick Templeman Twells and Tanya from Avon Valley Tourism will be joining us for a Business Breakfast on **Thursday 20 November 2014 from 7.30am to 9.00am** at the Beverley CRC. Registrations are open now, please call the centre on 9646 1600.

The Great Pav Off - Winner \$200 Kitchen Warehouse Voucher

Are you a secret master chef at home, why not showcase your cooking finesse at this years 'The Great Pav Off' cooking competition. The winner will receive a \$200 Kitchen Warehouse Voucher. The competition day is **Wednesday 10 December 2014** for further information please call into the centre.

Snappy Christmas Cards Class

Have you ever wanted to create your own personalised Christmas cards and Christmas themed photo's. Come to our class on **Tuesday 02 December** from 10am - 12 noon and learn how to make electronic and printable cards for your friends and family this year. Bookings are now open.

iPad's Explained Training

iPad training will be on **Monday 17 November** 2014 from 10am - 12noon. The training will cover the basics, emailing, apps, battery saving hints and tips, taking photo's and more. \$30 per person with morning tea provided. Book now and remember to bring your iPad on the day.

THE BLUE LINE

Beverley Police Station
57 Hunt Road, Beverley WA 6304

Hello Everyone

So, summer arrived, went away, came back, didn't like the look of things and disappeared and now it's come back again. By the time you read this it'll probably have returned for good and we'll all be moaning about how hot it is. Or how wet it is. Either way we'll moan. Well I will.

How are we travelling ?

Pretty well actually. Crime is down with only a few anti-social issues to report. When I say anti-social I actually mean events which really annoy people to the extent where the police have to get involved. In a nutshell, riding your motorbikes/quad bikes/ pocket rockets around at 1 in the morning isn't really on. We've dealt with a few instances of this type of behaviour in the last few weeks and in fairness to those involved they've taken the consequences on the chin and agree that their actions weren't the best neighbourly thing to do. I respect that and I'm sure those involved won't transgress again.

What can get out of hand though is noise, particularly loud music. There have been a few calls to us about this topic recently and in reality it's a few too many. It's all about that respect word (again). The playing of loud music late at night isn't the done thing. Not all people have weekends off and some people are up early every day to go about their work. The last thing they need is blaring music at all hours. We have legislation which allows us to seize equipment and I have and will do this again. I am tone deaf and have the dodgiest music collection in the world so I understand that music is there to be listened to but for the sake of everyone's sanity, listen to it at decent levels please.

We've recently had an excellent response regarding information we received about a couple of Maori looking gents who have been offering to cut peoples trees down, usually for an exorbitant fee and not doing a particularly good job either. The information originally came in at 5 to 5 in the evening and I immediately stuck it on an ewatch bulletin (if you have access to the internet please join ewatch at www.ewatch.com.au , it's great). Within 15 minutes we had more information and it made the local radio in the morning. As a result of that and subsequent information we have, in a very short amount of time, managed to put together quite a detailed intelligence package about these people. Basically what has happened is that 2 Maori gents, aged about 45, wearing blue overalls with reflective markings have been canvassing for business from the back of a white tray back ute. They claim to be tree loppers and will do a fantastic job for you. What they do do is a pretty shoddy job and charge heaps of money for the privilege of cleaning up after them. If you have any concerns tell them to go away and contact us immediately.

Operation Dust Off

It's still ongoing and it's still going well. We've had to give some advice regarding proper storage of firearms but that hasn't been a massive issue. Everyone who has received our advice and guidance has taken it on board with the good grace it was given and everyone has complied with our requests. That's great to see and I feel it is indicative of how serious the people of

Roads Policing

We recently attended a horrible accident where the young lady whilst terribly injured is very lucky to be alive. At this stage it appears that inattention is the main causal factor. Obviously I can't go into specifics but let me just say that if you need to send a text message or take a phone call whilst driving then stop, park up and then do what you have to do. Having almost been the victim of a texting driver once I will not hesitate in dishing out a ticket regardless of who you are. I've actually just re-read a few old Blarney's and the same word keeps coming up with regards to accidents; INATTENTION. Please, please be careful. A phone call or text is never important enough if you end up injuring yourself or someone else.

Whilst I'm on a roll with regards to injuries, if you don't see any police officers around and think it's OK to drive without your seatbelts on, think again. Whether there's a police officer 10m away from you or 10kms from you it doesn't matter because that toughened glass windscreen and your steering wheel will always be very close to you and crush injuries are the nasty side of nasty at the best of times.....

Wow, that was all pretty heavy, let's lighten it up a bit.....

Nick is away at the moment and I go back the wet and miserable UK at the beginning of November. Taking my place for 3 weeks is Jamie Uncle from Gingin. Jamie's a really good bloke and I'm sure everyone will get on really well with him. Forgive him his accent, he's from London but we all have a cross to bear. He's a mad keen soccer fan and is passionate about his support for Arsenal. So if you see him around just ask him about Arsenal football club and he'll have you chatting for hours..... Before I go can I let you into a little secret? A certain Shire CEO is on par with the great sporting coaches when it comes to psychology, particularly making people feel genuinely wanted. I'm sure Kevin Sheedy, Sir Alex Ferguson, Wayne Bennett and all the other great coaches could learn a thing or two from him. When I went to the Shire office recently I was approached and asked, "What are you doing this weekend, we need someone to play cricket and we're desperate". I genuinely felt immediately wanted and valued ;-)

Just one more thing, thanks for all the support and genuine community spirit shown at the Police golf day recently. It was a great success where we raised \$3000 for Police Legacy. I'll get round to personally thanking all the sponsors in the next week but I'd publicly like to say were it not for the support from the sponsors and Beverley community the golf day would have been a disaster. Due to your involvement either directly or indirectly it most certainly wasn't. 3000 thanks to everyone !!!

OK, that's all folks. Take care everyone, look after each other and if you need us for anything don't hesitate to get in touch. All the best, Ian & Nick.

Beverley Playgroup

In October

We continued to enjoy the beautiful sunshine; we even decided to have a picnic morning tea outside one day, instead of sitting inside. We are very happy that we are still getting new members. It's never too late to join – 50% discount off membership fees for Term 4!! We were closed for the school holidays, but for the 2 weeks in October that we were open, the kids were very busy blowing bubbles, painting with balloons, playing with play dough, tapping balloons around with bats and playing guessing games. We also had a visit from the Breastfeeding Association.

Australian Breastfeeding Association

Our visit from the Australian Breastfeeding Association was fun and very informative. We talked about a huge variety of topics like myths, mastitis, expressing, using a bottle, introducing solids and weaning, who to call for help and sleeping through the night. We had a lucky dip bag to inspire different conversation topics and questions. The expressing pump required a bit of explanation to inquisitive toddlers who thought it looked like a toy they might like to play with! We were also given lots of information to take home to read. Thank you so much to Natasha for coming out to visit us.

First Aid Course

What would you do if there was an emergency with your child? We have organised 'Kids First Aid' to come to Beverley to run a workshop on Friday 14th November 2014, 10am-1pm at the Amenities Building. We were successful in receiving grant money from the Beverley Shire Council to help subsidize the cost of this workshop. We thank the Beverley Council for supporting us with this grant - enabling us to run this very important workshop with parents, grandparents and other family members. Places will be offered to current Playgroup members first. Contact Jenette Loud for more details, jenetteloud@bigpond.com.

Planning for 2015

Due to expansion within the CRC and the CRC building requiring renovations, Beverley Playgroup are required to relocate. Whilst we are sad to be leaving this building and area that is purpose built for children, Playgroup members are very grateful that we have been able to use this building over the years and are excited about the future. We are currently exploring our options in terms of a new venue and hope to have a relocation action plan in place soon.

Coming Up...

Stay tuned for more details about our end of year Christmas Party. I think Father Christmas may be dropping in for a visit!!

Lyme Disease. Causes and Symptoms

BY JENNA SMITH POSTED
07/04/2012

Lyme disease is an occupational concern for people who work outdoors in certain areas infested with ticks. A tick will settle anywhere on a human body, but prefers warm, moist and dark places like the crotch or armpits. If Lyme disease spreads to the heart, the person may feel an irregular or slow heartbeat. The disease varies widely in its presentation, which may include a rash and flu-like symptoms in its initial stage, followed by musculoskeletal, arthritic, neurologic, psychiatric and/or cardiac manifestations. It can affect people of any age. The number of cases of the disease in an area depends on the amount of ticks in an area and how often the ticks are infected with the bacteria. The disease can sometimes be difficult to diagnose because the symptoms may mimic other diseases. Lyme disease may cause symptoms affecting the skin, nervous system, heart and/or joints of an individual. It is named after the town of Old Lyme, Connecticut where a cluster of cases was identified in 1975, although clinical features of the disease had been described in Europe as early as 1909. There are more than 16,000 cases of Lyme disease per year in the United States with a reported 330,000 in 2013. People who spend time in grassy and wooded environments are at an increased risk of exposure.

Causes of Lyme disease

The common causes and risk factor's of Lyme disease include the following: Lyme disease is caused by an infection from a micro-organism (*Borrelia burgdorferi*), itself transmitted by a bite from a tick, a blood-sucking parasite.

*Risk factors for Lyme disease include walking in high grasses, other activities that increase tick exposure, and having a pet that may carry ticks home.

*Having exposed skin.

*People who spend time in grassy and wooded environments are at an increased risk of exposure.

*Not removing ticks promptly or properly.

*The disease can be spread when an infected tick bites a person and stays attached for a period of time.

Some sign and symptoms related to Lyme disease are as follows:

*The first sign of infection usually is a circular rash that appears within 1–2 weeks of infection but may develop up to 30 days after the tick bite.

*Unusual or strange behavior.

*Flu-like symptoms. A fever, chills, fatigue, body aches and a headache may accompany the rash.

*Headache.

*Stiff neck.

*Joint inflammation in the knees and other large joints.

*Brain swelling (encephalitis) Causes learning difficulties, confusion, and dementia.

*Some people may experience heart problems- such as an irregular heartbeat- several weeks after infection, but this rarely lasts more than a few days or weeks.

Spring is nearly over and with summer just around the corner now is the time to prepare your property for the warmer months ahead.

Ensure stock water systems are ready for summer and check irrigation systems for leaks and ensure the correct distribution of water.

Many local government areas already have regulated burning times and requirements for fire prevention work in place, so please make sure you know the situation for your area. If you have not already done so, reduce the level of fire fuel around your property to lower the intensity of a blaze. Fire breaks, slashing overgrown pasture, pruning overhanging bushes and checking water, irrigation and fires control equipment should all be undertaken. If you are planning to do any final burn-offs check with your local government for regulated burning times and advise your neighbours of possible smoke hazards.

November and December are a great time to summer prune stone fruit and pome fruit trees as it prevents the tree from becoming top heavy and improves the shape.

Now is also the time to start planting eggplants, sweet potatoes, rockmelons and watermelons and harvest the last crop of potatoes.

If you are planning on purchasing sheep then consider asking vendors to provide a National Sheep Health Statement which describes the status of the flock in relation to footrot, lice, Johnes disease, vaccination and worm drench practices.

If you intend to sell some stock prior to summer, make sure they are correctly identified and that you have National Vendor Declaration (NVD)/waybills organised. For more information contact the Department of Agriculture and Food, Western Australia (DAFWA) Brands Office on 9780 6207.

For those that already have sheep, make sure your vaccination program is up to date. Spring is a high-risk period for blackleg in cattle and enterotoxaemia (pulpy kidney) in sheep. Your vet or rural supplier can supply vaccines and advice.

Be on the lookout for declared plants such as cotton bush, apple of Sodom and blackberry. Contact your local DAFWA biosecurity officer to ensure that you are aware of your responsibilities regarding weed control. For those in the Peel-Harvey, Leschenault and Bridgetown areas, Recognised Biosecurity Groups have been established by the community to engage with landholders to manage weeds and pests throughout their respective areas. Details of these groups can be found on Facebook. More information on pests, weeds and diseases are available on our website agric.wa.gov.au

Until next time keep safe and remember, if you are not yet ready for the summer fire season then don't wait any longer – act now.

The Words of the Preacher

“Therefore hear the parable of the sower: When anyone hears the word of the kingdom, and does not understand it, then the wicked one comes and snatches away what was sown in his heart. This is he who received seed by the wayside. But he who received the seed on stony places, this is he who hears the word and immediately receives it with joy; yet he has no root in himself, but endures only for a while. For when tribulation or persecution arises because of the word, immediately he stumbles. Now he who received seed among the thorns is he who hears the word and the cares of this world and the deceitfulness of riches choke the word, and he becomes unfruitful.

But he who received seed on the good ground is he who hears the word and understands it, who indeed bears fruit and produces:

Some a hundredfold, some sixty, some thirty. Matthew 12:18-33

He that hath ears to hear let him hear

OPENING DAY - HELD ON SUNDAY OCTOBER 12th

After a good turnout of helpers on Saturday the official opening of the 2014/2015 season kicked off on Sunday the 12th. Though there were a few wayward hits as everyone got back into the swing of things, plenty of players enjoyed a great day of tennis. President Brett Shaw welcomed members old and new and after our Patron Mr Richard Boladeras served the first two balls of the season, we were underway!

LADIES MID-WEEK TENNIS

The first round of midweek tennis commenced on Wednesday 15th October. There was a real mix of beginner and experienced players taking to the court and lots of little cheerleaders on the sidelines. With 7 teams competing in a round-robin fixtured tournament there has been plenty of interest in our mid-week tennis organised by Aliesha Murray and run by Anne Cleland.

Thank You

Our very committed ladies provided morning tea for the recent Wild Women of the West Seminar. Funds raised from this effort are going towards planned renovations at the club. Thank You all for your time and effort.

FUNDRAISING FOR RENOVATIONS

The Beverley Lawn Tennis Club is planning to make some much needed renovations to our Club House. We are asking members to assist us in some simple fundraising ventures. The ladies have started us off by providing morning tea at a recent event in town. Another opportunity has been sought and we request members to consider taking part in the Glencore Community Sponsorship Program . *Please note that members are in no way obligated or compelled to take part or to deliver their grain to Glencore.*

GLENCORE COMMUNITY CLUB SPONSORSHIP PROGRAM

If you happen to be organising any grain contracts with Glencore Grain please nominate the Beverley Tennis Club for sponsorship **at the same time you are taking out the contract** and Glencore Grain will pay our club an extra 20 cents per tonne delivered. For example, if you deliver 100 Tonne of grain they will pay us \$20 (at NO discount to the grower).

YOU CANNOT BE SERIOUS?!!

One day while jogging, a man noticed two tennis balls lying by the side of the road. He picked the balls up, put them in his pocket and proceeded on his way.

Waiting at the cross street for the light to change, he noticed a beautiful blonde standing next to him and smiling.

"What are those big bulges in your running shorts?" she asked.

"Tennis balls," answered the man, smiling back.

"Wow," said the blonde, looking upset. "That must hurt. I once had tennis elbow and the pain was unbearable!"

IMPORTANT DATES FOR NOVEMBER:

- * SAT 1st November - ZONE SQUAD COACHING AT BEVERLEY
- * SUN 9th November - VIN & ANN SZCZECINSKI HANDICAP MIXED DOUBLES
- * WED 26th November - LADIES DOUBLE OPEN DAY

SEE YOU AT THE COURTS!

BDHS SCHOOL BITS

VI BARHAM FINALIST

Year 7 student Thomas McLean is a finalist in the prestigious Vi Barham Award for students of outstanding character and ability. We are very proud of Thomas and congratulate him on achieving this well-deserved recognition.

LOUD SHIRTS AND SAUSAGES GALORE

Thanks to the Student Council's fundraiser - and the Kindy and Pre-Primary Committee of the P&C Association - we all had the chance to enjoy the first Friday back at school munching on delicious sausage sizzles while wearing wonderfully coloured shirts.

Yay for loud shirt day and sausage sizzles.

BACK AGAIN!

With Mr Ireland taking some well-deserved leave, Mrs Murray is back in the Deputy's office this term. She and the hard working and ever-smiling Mrs Vandenberg are an organisational team of unparalleled excellence!

LSP ADVENTURES

Our Life Skills Program students are outstanding contributors to the school community. They undertake work experience, events co-ordination, community relations and peer support roles while developing academic and social skills, all under the guidance of Mrs V and Mrs W.

Here they are enjoying their regular game of Bocce – a fair reward for a hard week's work.

KINDY for 2015

We are all ready to welcome a new group of Kindy students to the school for 2015, so this term we have a series of sessions coming up for students who will be in Kindy next year and their parents.

On Friday October 31 we have our Kindy Orientation session, where parents can find out all about how the Kindy program runs, meet the staff, and ask any questions.

On Monday 10th November and Monday 24th November, we will have Kindy Play sessions, where kids and their parents can come along and enjoy the stories, toys, activities and playground so they will know how fun Kindy can be.

To finish off for the term, on Friday 5th December we will have a Kindy Readiness session, where parents will have the chance to find out about the skills that are important for Kindy students to acquire. They will have the chance to meet our child health nurse, speech pathologist and occupational therapist and ask any questions they might have about their child's development.

Beverley Redbacks **Football Club**

The Beverley Football Club closed the door on Season 2014, with our players enjoying a short stay in the scenic surrounds of Dongara and Port Denison in mid October. Good times were had by all who attended, without wearing out our welcome with the locals. Details of the Annual General Meeting, regarding any changes to the Committee will be published in the December Blarney.

The Beverley Football Club extends our deepest sympathy to Graham & Robyn and Keith and Jane Murray and family on the passing of Malcolm on Saturday 11th October. Malcolm was a loyal supporter of the Beverley Football Club and he will be sadly missed.

The Beverley Football Club is looking for a photo of the 1965 A Reserve Premiership Team. Currently we only have a photocopy and need a photo to finish the premiership team photo display. Please contact Kelly Mann on piperk83@live.com.au if you can help.

Congratulations to:

- ✧ Gerald Ugle & Shiana Hansen, on the birth of their baby girl Summer Lee on Wednesday 1st October;
- ✧ Grant Wandel, who celebrated his 30th birthday on Friday 17th October;
- ✧ Matt Davey, who celebrated his 30th birthday on Saturday 18th October;
- ✧ Josh Sattler & Chaise Ludgate, who celebrated their wedding on Saturday 18th October; and
- ✧ Stuart Murray & Jenny Bartlett, who announced their engagement on Sunday 19th October.

A reminder to all players, members, sponsors and supporters that you can now view all the latest news and events from the Beverley Redbacks by checking out our Facebook page at: <http://www.facebook.com/beverley.footballclub?fref=ts>

Beverley Bowling Club

The Beverley Bowling Club 2014/2015 season opened on Sunday the 5th of October with Mixed Social Bowls. The winners of the first competition for the season were Royce Edwards, Jo Copping and Geoff Bremner with 2 wins and a draw from three games. The runners-up were David Bell, Dot White and Ron Napier with 2 wins -1 (on shots up), from Reg Behn, Jodie Bell and Bernie Howell 2 wins - 3.

The Ladies Pennants for this season started on the 7th October with a 4-0 win over Northam Gold, at Beverley. To get the home and away games in this season, 4 double header competitions will be played, with **all** league pennant games being played at one venue. Beverley was the host club for the first of these events on the 14th, with all 10 teams (80 ladies) playing on the day Beverley played Toodyay at 9 am for a 4-0 win, then after lunch played York Gold also with a 4-0 win. The 21st will be a single game at Dowerin then on the 28th the next double header will be played at Northam.

The Men's Pennants commenced on Saturday the 18th against Goomalling, with both teams doing well. Division 1 (Blue) won 7-1 at Beverley and luckily the rain held off until finish of play. Division 2 (White) travelled to Goomalling and managed to get the required amount of ends played before the heavens opened to halt play. They won with 8-0. The Men's Handicap Singles scheduled for the 19th of October has been postponed to a later date due to rain.

The Beverley Ladies Gala day was held on Sunday the 12th of October with players from 9 clubs attending. The day started off cloudy and cool, but fined up and a pleasant day was had by all. The winning team was the Beverley team of Glenys Hastings (just back from holidays), Jodie Bell, Verna McKelvie (our newest member) and Jo Copping. Runners up came from Northam Kerry Leahy, Gill Beazley, Leila Roberts and Helen Brown. Third place went to a Composite team of Maxine Watts (York), Ruby Kinshella (Cunderdin), Dot White (Beverley) and Gwen Atterby (Northam). The morning round went to the York team of Sian Smith, Dianna Lengkeek, Norma Berry and Jan Black, while the second York team of Sylvia Davies, Nancy Boyle, Sheila Petch and Sheila Gummow won the afternoon round.

The Ladies of the Beverley Bowling Club would like to thank all our wonderful sponsors for their support, and hope we see everyone again in 2015.

BEVERLEY REDBACKS HOCKEY CLUB

The 2014 Season is done and dusted for another year! Here is a final recap for our season. The girls fought hard all season but unfortunately missed out on playing in the finals. The girls and Thomas should be very proud of their efforts throughout the Season!

Round 14 Jenna vs Beverley 23rd August

Our last game of the season was held on the Beverley Show Day in Northam against a strong Jenna team. Although we lost this game which resulted in us not making finals, we played a strong game and only allowed Jenna to score one goal, which was a fantastic effort by the girls.

2014 AVON HOCKEY ASSOCIATION AWARDS

President's Award (for dedication to the Association) – Kelly Mann (Beverley Redbacks Hockey Club)

Goodbye

This is sad part to our Hockey Notes, with a few of our Team Players making the decision to retire from the Beverley Redbacks. We will miss you girls very much. We farewell Fleta Reading, our trusted Goal Keeper, who has been there from the beginning and has made her presence well and truly felt on the Hockey field. We love your enthusiasm and words of encouragement throughout the games. I think all the teams were very jealous that we had such a vocal, determined, committed and supportive goalie! You will be missed by all the Avon Association especially during Country Week!

To Ali Lewis who has decided to retire from the Hockey Field. Ali has been a fantastic part of our team from the beginning. After a nasty knock to the head this year, Ali still finished the season off with her ever positive attitude. Ali is an all round player, who can slot into any position on the field and will be sadly missed.

To Penny Burns who will be taking some time off from the field to spend some quality time with her family. Penny has been one of our fabulous defenders and her presence on the field made the defending line very strong. She has a 'never quit' attitude and does not stop running in any game! We hope to see you again in the future Penny.

Don't be strangers to our games ladies...you know we love to have supporters on the sidelines!

Thank you!

Thank you to our wonderful Sponsors for 2014! The generous contribution you have made to our Club helps in every aspect of running the Club and allows us to play each week. Without your support we wouldn't be able to continue playing a game we love, so we thank you!

Inkosi Design, Beverley Electrical Services, Freemasons Tavern, Waterbrae Pastoral Co, Beverley Transport, Beverley Tyre Service, Terry & Sandy Woods, Beverley Newsagency, Northam Tavern, Beverley Supermarket & Liquor

A big thank you to Chris Mann for being our wonderful coach for the 2014 Hockey Season. We appreciate the time and effort you put into our training sessions and each game. It takes a lot of time and a lot of commitment to take up the role of coach for any sport, so we thank you again Chris.

Thank you to Graeme MacDonald for filling in as coach while Chris was away on holidays and to Di Smith who filled in as an

umpire on very short notice (2 hours to be exact!).

To everyone who helped fill spots on the field so we had enough players – Thomas McLean, Karlee Morrell (it should be noted that Thomas and Karlee became full time players), Kira Strange, Chaise Sattler, Tori Jamieson, Bec Sims and Emma Smith. Some of these people had never played hockey before but stepped up and helped out! Thank you so much!

Thank you to all our supporters who came and watched our games. Your support really helps spur the girls on to perform their best.

Thank you to the Beverley Tennis Club for the use of the line marker towards the end of the Season – we greatly appreciate it.

2015 Hockey Season

If playing Hockey has ever crossed your mind, then we are the team for you!! We are looking for anyone interested in playing hockey in 2015 to join our team. No experience is necessary as we will teach you everything you need to know! If you're interested or want to know some more information about joining our fabulous team, then please speak to one of our committee members.

Giddy Up ! Giddy Up!

Wow—it seems that a lot has happened over the last month! Congratulations to our members who achieved their D Star Certificate—Georgina, Grace, Kip, Tealah, Bronte and Katie and congratulations to Emily for achieving her D Certificate. Well done girls—fantastic effort, and thank you to Jenifer and Tess for the day.

Our October rally on the 19th was fantastic. Sadly it started out a little wet, however this did not deter riders, helpers or instructors! We were all excited to have Renee and Jenifer for the day to help prepare our riders for the Zone ODE, held on the 26th of October. Jenifer and Renee ran the riders through dressage movements and parts of their dressage tests. This was followed by some fantastic show jumping practice, and then on to some cross country riding and a little bit of fun learning about ‘pace’. Everyone seemed to leave the rally a little weary but with big smiles. A fantastic way to finish off our season!

Hopefully I can report on a fantastic time our members had at the Zone ODE held in York in the next newsletter. A super contingent of Gold and Blue will be representing our club, with Amy, Georgina, Katie, Vicky and Bronte having a shot at the E grade. Good luck to everyone else out and about including Kip at the Gidgegannup Show and Tealah and dance!

Our next exciting event is the windup—details below.

Birthday Girls—Emily, Talia & Bronte

Grace and Prim Jumping!!!

Poor Bluey—you think he would have been too tired for all of this attention!

Starlight, Bluey and Paddy—raring to go!

Until next time....
