BIG FEED DAY OUT

President Report - March 2015

New Grader

At the time of writing Council was due to accept a tender at its February meeting for replacement of grader BE001, used mainly for construction works. Council contributes annually to a plant replacement reserve to even out the “big ticket” purchases within the 10 year plant replacement programme.

Town Hall Roof Replacement

The long awaited and much needed replacement of the town hall roof is due to commence in March.

Old School Remediation Works

Remediation works on the Old School Building from which the Community Resource Centre currently operates are underway. Whilst the CRC had proposed to scale back their business during this time and still remain open, they have unfortunately been required to close for a short period due to public access safety issues.

Beverley Airfield Emergency Services Lighting.

Installation of lighting at the airfield for the Royal Flying Doctors Service and emergency services is now moving ahead. Impressively the cash component of this project has been fully funded through community fundraising initiated by our local St John Ambulance and a grant through the Regional Airports Development Scheme (RADS) which is administered by the Department of Transport and funded through the State Government's Royalties for Regions program.

Aeronautical Museum Significance Assessment

An application has been submitted seeking funding through the Regional Community Chest Grants Scheme to have a Significance Assessment undertaken for the Aeronautical Museum. This will support future funding applications and interpretation planning.

Recreation Precinct

A small universal access public toilet has arrived for installation near the oval playground. Other works to be undertaken in completion of a prior grant include an electronic scoreboard, multiuse storage shed and picnic area.

Multipurpose Building Update

Thankyou for the Community submissions received in relation to the proposed Multi-purpose Community Centre project. Comments will be noted when design plans are finalized and the project will only be progressed subject to successful Federal and State funding which is currently being investigated.

Western Australian Local Government (WALGA) Country Reform Policy Forum

This Forum has now been disbanded. In the wake of the recent developments in the Metropolitan Reform program the purpose for which it was established has altered. WALGA President Troy Pickard is proposing to redirect resources toward sector wide initiatives aimed at analyzing, improving and developing Local Government sustainability.

Australia Day Celebrations

Congratulations and thankyou to everyone involved with the very successful Australia Day Celebrations held at the Beverley Swimming Pool. A very large crowd had a very enjoyable day.

Dee Ridgway
Shire President

INFORMATION SESSION:
NATIONAL STRONGER REGIONS FUND

Regional Development Australia Wheatbelt is hosting a series of informative sessions across the Wheatbelt on the National Stronger Regions Fund (NSRF) for eligible organisations who are considering making an application under Round 2.

These 1.5hr sessions will go over the NSRF guidelines and provide basic advice on grant application writing, including: business plans/business cases; statistics and addressing criterion; cost benefit analysis; economic and regional development.

For further information and to register, email admin@rdawheatbelt.com.au or call (08) 9575 1888

On 1 October the Australian Government announced the opening of the new National Stronger Regions Fund (NSRF).

The Fund is an initiative to boost social and economic development in Australia's regions by funding priority infrastructure projects in local communities. The Government has committed \$1 billion to the fund over five years commencing from 2015-16.

Applications for Round 1 closed on November 28 2014. Round 2 will open 1 May 2015.

The fund is open to the following eligible organisations:

- Local councils
- Not-for-profit organisations (not owned by a Local, State or Territory Govt)
- Other organisations can participate where they are a member of a consortium led by an eligible applicant

NSRF Guidelines provide information about the types of project proposals being sought, eligibility and assessment criteria, how funding decisions will be made and conditions of funding. The Fund guidelines and supporting information including a Frequently Asked Questions Update and sample application form are available on the Department's website at <http://investment.infrastructure.gov.au/funding/NSRF/index.aspx>

Cleaning tips

The following tips will help to ensure your difficult-to-clean eligible farm chemical containers will be accepted for recycling at your local *drumMUSTER* collection centre.

Suspension concentrates (Atrazine, Simazine, etc)

- ✓ Rinse your container immediately after use to ensure any chemical residue does not dry

- ✓ Use methylated spirits to remove dried residue. If this doesn't work, fill the container with water and soak for at least 24 hours before rinsing.

Oil-based chemicals (ULVs, LVs)

- ✓ Follow specific instructions on the product label or contact the manufacturer for further assistance

Other chemical residues

- ✓ Rinse container immediately after use as all chemical residues are much harder to remove when dry
- ✓ Some containers may require additional rinsing (more than three rinses)
- ✓ A brush or high pressure hose may be required to clean stubborn or dried chemical residue

- ✓ **ELIGIBLE CONTAINERS WITH DIRT, RUST AND DYE STAINS ARE NOT CONSIDERED HAZARDOUS AND ARE THEREFORE ACCEPTED AT *drumMUSTER* COLLECTION CENTRES**

For more information on container cleaning contact your local Agsafe accredited farm chemical reseller or visit

www.drummuster.com.au
drumMUSTER

drumMUSTER makes it easy

Recycling your eligible farm chemical containers with *drumMUSTER* is easy - all you need to do is follow these simple steps:

- ✓ Triple or pressure rinse your chemical containers **IMMEDIATELY** after use

- ✓ Pour the **RINSE WATER** back into your spray tank

- ✓ Make sure **ALL** chemical residue is removed

- ✓ **REMOVE LIDS** to allow your containers to **DRY** thoroughly. Take lids **SEPARATELY** to collections

- ✓ Metal containers should be **PUNCTURED** from the top through the bottom

- ✓ **DELIVER** your eligible clean empty containers to your local *drumMUSTER* collection centre

For details on *drumMUSTER* collections in your area contact your local Council or visit the *drumMUSTER* website at:

**BEVERLEY
PATCHWORKERS
AND QUILTERS**

Our year has had a rather slow start. We had hoped by now, and as reported in the February Blarney, that we would have had the first of our new initiatives. This was to have a special day once a month where a member takes responsibility for running a workshop, planning an outing or arranging a special event for our group.

Unfortunately, we have everything on hold, as we have been asked by the National Trust to vacate our rooms by the end of March.

This leaves us in the awkward position of having , at the moment anyway, nowhere to meet. Having had a wonderful facility at Avondale, we have acquired numerous items and equipment, to enhance our skills and enjoyment of patchwork and quilting, so having storage space is important to us.

Hopefully in the coming weeks we will be able to find a suitable meeting place, preferably in the town. We look forward then to resuming the year in earnest.

It is important here to mention that although we are a quilting and patchwork group we do have members who come along to do other crafts, such as needlework and knitting. As such we would welcome anyone from the

Beverley community and beyond who is interested in belonging to a group of ladies who meet weekly for the purpose of doing a craft and socialising.

Our meetings run from 10am to approximately 2.30 - 3.00 pm. We generally take our own lunch, but occasionally have a special shared lunch for significant birthdays or other events worthy of celebration.

We consider our group a valuable one within the community by offering people an outlet to get together and learn new skills. It is also part of our aim to serve the community by making articles useful to certain sectors. We have contributed to Avondale financially by raffling a quilt. One year we made a number of quilts to send to Princess Margaret Hospital.

We welcome any suggestions from members of the public who may be able to assist us in finding suitable accommodation.

We can be contacted by phoning our president, Catharina Turle on 9646 0876 or secretary Jan Sherwood on 9646 0796.

REMEMBERING THEM

An Exhibition about the Impact of the Great War on Our Community Dead Finish Museum, Beverley

The exhibition looks at the social impact and human cost of the war and its effects on rural Western Australia. Themes will include experiences of loss, gallantry and survival – both at home and in combat – and the effect of the war on those left behind.

The exhibition includes:

- Professionally designed panels on Beverley's involvement in WW1
- Never-before-displayed family keepsakes on loan to the Museum
- Century-old artefacts on show in a new secure showcase
- Photos of Beverley's local lads who went away
- Contributions made to the war effort by those here at home
- How Beverley had the highest 'Yes' vote in Australia

Say goodbye to summer for another year! Now it's time to start preparing for the cooler weather of autumn and winter. Weed control at this time of year is all about planning. Before the break of the season it is important that you give some thought to your winter weed control strategy. From last year's paddock records you should have a good idea of what weeds were present in the pasture and it is useful to consider what the paddock will be used for and the weed burden that may be present.

Ensure any fallen or unmarketable fruit is removed and/or destroyed to reduce pest and disease pressure and maintain your baiting and monitoring programs for Mediterranean fruit fly.

If you own livestock it is important to practice good personal hygiene when working with your animals. Some animals carry pests and diseases that can be transmitted to humans. Infectious diseases that are able to be transmitted between animals and humans are known as zoonosis. To reduce your risk of catching diseases like scabby mouth, Q fever and leptospirosis from cattle and sheep, wear gloves where possible and do not handle any stock that have lesions without gloves. Wash your hands and clothing thoroughly after tending to your stock, keep any cuts and sores hygienically covered and wear protective equipment when medicating your stock.

If you notice unusual signs of disease in your stock or have unexpected deaths, contact your private vet, DAFWA vet or the Emergency Animal Disease hotline on 1800 675 888.

Pregnancy toxaemia (twin lamb disease) and hypocalcaemia (milk fever) often affect lambing ewe flocks at this time of year and have similar signs but different causes. These diseases can be avoided by providing adequate nutrition and minimising herding and yarding of ewes in late pregnancy.

Order soil amendments and fertiliser now so that they will be on hand to apply during winter. If you are going to employ a contractor to apply your fertiliser or soil amendments book them early as they can become booked out.

Feral animals will be at their hungriest until autumn rains bring new growth. Ensure protective fencing barriers around native tree plantings are secure and continue to exclude rabbits and other pests.

It is important if you own dogs that they are not permitted to wander your farm or neighbouring properties. Dogs can kill young or small stock, frighten larger animals and cause serious injury. Concerns about stray dogs and dog attacks on your property should be directed to your local shire ranger.

Until next time,
Jodie.

PLEASE PLACE THIS ON YOUR FRIDGE.

Based on your house number, you have been allocated 2 days a week to water your garden either before 9am or after 6pm with sprinklers or a reticulation system. You can still water with a hand held hose at any time. To find out your 2 sprinkler days, simply take the last digit of your house number and apply it to the table below.

Last digit of your house number	Your 2 sprinkler days are
1	Wednesday and Saturday
2	Thursday and Sunday
3	Friday and Monday
4	Saturday and Tuesday
5	Sunday and Wednesday
6	Monday and Thursday
7	Tuesday and Friday
8	Wednesday and Saturday
9	Thursday and Sunday
0	Friday and Monday

For example: If you lived at 12 Rose Street, the last digit of your house number is 2 and your sprinkler days would be Thursday and Sunday. If you don't have a house number, use your lot number. If you would like further information, visit our website at www.watercorporation.com.au

Easter Art Exhibition

BSA has decided to extend the prize money of the 47th Annual Art Purchase Exhibition to include an overall prize valued at \$5000! Yes, we're joining the big league and calling it the Beverley Art Prize. The 2D media sections remain the same with \$1000 prize for the best painting of each section. There are many sections that can be entered into, including a category for children so kids, get out your pencils and paint brushes and start creating! Anyone wishing to enter the Easter Art Exhibition can obtain an entry form from the Shire offices or the Newsagency, or contact Exhibition Secretary Kathryn McLean, ph 0427 464 050 or wk.mclean@bigpond.com Entries will close on Friday 6th March.

Artist-in-Residence

Unfortunately, Thomas, the jeweller was unable to make it last month but he hopes to be able to come at a later date.

Please make welcome our March Artist in Residence, Mandy Evans. Mandy is studying Digital Media at University, although while in residence is hoping to do some painting and wood cuts.

If there is enough interest we may hold an evening workshop/gathering about 'selling your art online'. Keep your eye out in the Bulletin or register your interest to Artist in Residence Coordinator Marylou Hutchinson on 9647 1027 / 0427 085 511 or email: hutchinson@wn.com.au

Mandy will be working from the Platform Theatre Greenroom so please seek her out if you are passing. Visiting artists in 2015 will reside at 30A Dawson St which BSA is renting from the Shire.

Artists in Residence programme for 2015:

March: Mandy Evans - digital media artist

April: Luis Fuentes - realist painter from Peru

May: Jill Ansell until 21st, then Marlish Glorie & possibly 3 more writers...depending on accommodation...from the 22nd - 27th

May/June: Charlotte O'Shea - AiR at School

July/August: Charlotte O'Shea - AiR at School, and Janet Pfeiffer - encaustic artist during school holidays

September/October: Charlotte O'Shea - AiR at School

October: Sally Watts & 2 or 3 other visual artists, also depending on accommodation

November: Hilly Coufreur - visual artist

December: Sue Brook-Roberton - visual artist

BALLET AT BEVERLEY - wasn't it fabulous? Picnicking whilst watching some 60 ballet students warm up to a most interesting commentary by the Artistic Director of Charlesworth Ballet Institute Sonia, followed by a beautiful two act performance. Such a balmy night under the stars could only have been ordered by Ann Rayner to whom the performance was dedicated, and with her lovely family as our special guests, the night could not have been more perfect.

The Southern Inland Health Initiative is delivered by the Western Australian Country Health Service

Telehealth – a brave new world of technology

The Southern Inland Health Initiative is at the forefront of modern medical technology, with a significant investment in Telehealth.

For rural and regional communities, this technology will bring a number of benefits:

- increased and reliable access to health services
- reduced time and travel costs for country patients
- better access to education, training and support opportunities for the community and for health professionals
- improved collaboration and communication between health care providers.

A new Emergency Telehealth Service piloted under SIHI is breaking new ground in delivering safe, sustainable and equitable emergency health services in the country. The ETS uses high-quality videoconferencing technology to link emergency patients in the country to specialist emergency physicians from some of the State's busiest Emergency Departments; giving country patients more equitable access to emergency care. More than 2500 patients have now been examined and treated via the Emergency Telehealth Service since it commenced in August 2012.

The use of Telehealth to link country patients to metropolitan-based specialists and allied health professionals is also increasing rapidly. More than 1500 patients have used the Ambulatory Telehealth Service for appointments and have reduced the time, expense and negative health effects of long-distance travel to visit with specialists.

What about residential aged care and dementia care?

One of the biggest challenges facing health care across the country is the ageing population.

This is true for rural communities, with statistics showing a four per cent increase in the number of residents aged 65 years and over in the southern inland catchment.

Smaller communities face many barriers in the provision of quality residential aged care and dementia care, including small populations dispersed over large distances, increased building costs and significant workforce challenges. The Southern Inland Health Initiative is investing more than \$20M to attract private providers to expand options for residential aged care and dementia care across the southern inland area. SIHI has completed market sounding to determine the level of interest in the investment opportunity and expects a contract to be in place by 2014.

SIHI is also participating in the Wheatbelt Integrated Aged Support and Care Solutions (WIASC) project, which aims to develop and implement a series of integrated solutions for aged care within the region. The WIASC is a partnership between the Wheatbelt Development Commission, 26 Wheatbelt shires and SIHI.

Today Honda ATVs are recognised as the best 4-wheeled motorcycles on the planet. And it's been that way ever since these tough, reliable vehicles were first introduced onto the market.

First conceived as a form of transport for people in remote mountain areas – these amazing ALL-Terrain Vehicles (ATVs) instantly became a worldwide hit in both the workplace and the leisure market.

And in Australia, where conditions are amongst the toughest on earth – Honda ATVs are ranked as the number one selling agricultural 4-wheeled bikes.*

Thriving in all kinds of conditions across the planet from the ice and snow of the Antarctic to undiscovered off-road trails in South America, Honda TRX™ is recognised worldwide as the best in its field. And not content to rest on its past achievements – Honda is still leading the way into the future for the 4-wheeled motorcycle category with a never-ending procession of technological advances.

Unfortunately due to the current renovations at the CRC we have reduced services offered to the community for a short period of time.

Current earthworks to the building have resulted in the centre being closed for 2 weeks so thank you to the kind volunteers we have relocated and still offer limited services to the community at the Tourist Bureau. For any Centrelink or Bulletin advertisements visit Ashley during normal business hours.

On behalf of the committee, staff and volunteers we sincerely apologise to our customers for any inconvenience caused during this time and we look forward to being back, up and running by the end of March. Keep your eye out in the Bulletin for news of the reopening.

EVENTS

SunSmart Beverley Triathlon 2015 Nippers First Race Starts at 8.00am

Don't think you can complete the course by yourself, then grab a couple of friends and enter into the team event. If you are short a team member give us a call today and we can help fill in the gap. For all of our local sporting clubs this is a great pre-season team bonding opportunity or why not up the ante and compete with fellow clubs in the district with an inter town competition.

We will have prize money, spot prizes, early bird registration spot prize, sausage sizzles, entertainment and loads of other giveaways on the day.

Don't forget you are always welcome to join the early morning swimmers to brush up on your swimming in time for the Triathlon.

If you want to be part of the day but don't wish to compete, we still need lots of volunteers on check points to guide participants through the course, parking assistants and more, call Sam on 0448 550 678.

We would like to acknowledge our sponsors SunSmart, Healthway, Shire of Beverley, Contract Aquatic Services, CBH Group, York and Districts Bendigo Bank and Beverley CRC, with your continued support make this event possible.

Business Sundowner – March 2015

Are you a business owner or farm owner and would like to learn about how and why it is important to budget? Then join us at the CRC and let Ryan from Byfields help you understand:

- Learn why to budget
- Learn how to create a budget
- How to manage a budget
- How to compare a budget to EOY actuals.

Our free business events are a great way to network with other local businesses, learn new business skills and help identify what you, the business owner, would like assistance with.

Light refreshments will be provided. Due to renovations the date cannot be confirmed though we can let you know it will be late March so in the interim. We are taking expressions of interest by emailing Amor at beverley@crc.net.au

Spice up your life cooking class

Bored with cooking the same food? Looking for some great winter meal ideas?

Why not spice up your life and learn to cook a yummy curry with Dalene.

We will be hosting a curry cooking classes over the next few weeks.

Expressions of interest can be registered by emailing beverley@crc.net.au. Don't miss out as there are limited spots available!

Westlink broadcast in March

Charlie's Kitchen is a broadcast of everyday people that are invited to cook their delicious home style meals.

So if you have a budding chef in the family this could be a way for them to expand their recipe collection.

Keep your eye out in the Bulletin Newsletter for screening dates and times.

What's on Beverley in Easter Brochure

Our centre creates and distributes a brochure of events that are on in Beverley over the Easter long weekend. Which gets distributed at the Caravan and Camping Expo, so why not take this opportunity to branch out to a wider travelling community and advertise for free.

If you are interested in advertising your trading hours, stalls or special events please feel free to forward your information to Amor at beverley@crc.net.au.

The deadline for submissions is Wednesday 11 March no later than 4.00pm.

2. I am in good physical health and am participating in the SunSmart Beverley Triathlon 2015 at my own risk.
3. Neither the Beverley Community Resource Centre Inc, nor its committee members, employees, agents, contractors, sponsors, volunteers shall be liable for any loss or damage whatsoever caused to me arising out of or contributed to by my participation in the event, including any loss or damage that may arise out of negligence of any of the parties as mentioned above.
4. If entrant is under 18, I certify that I am the parent/legal guardian of and he/she has my consent to participate in SunSmart Beverley Triathlon 2015.
5. This waiver, release and discharge shall be (and operate separately) in favour of all persons, corporations and bodies involved, or otherwise engaged in promotion or staging the event and each of their servants, agents, representatives and officers.
6. Under no circumstances will a refund be provided.
7. All medical information must be declared. The medical questions have been answered truthfully and I/we acknowledge that I/we should seek medical advice prior to participating in the event if I/we have suffered or I/we am/are suffering from a medical condition or injury.
8. Consent to medical treatment: I/we consent to receiving any medical treatment that the event organisers or their authorised representatives consider necessary or desirable during or after the event.
9. I/we give permission for the free use of my name, voice or picture in any broadcast, telecast, advertising, promotion or other account of this event, including advertising and promotions for future Beverley Community Resource Centre Inc events.
10. I/we agree to read the event rules and regulations and conform to them.
11. Privacy Statement: The Beverley Community Resource Centre Inc respects and values the privacy of all information we collect about event participants. As the event organiser, we collect information about participants for the administration and conduct of the event. Information collected will be securely stored on our database. It will be disclosed to medical staff for delivering medical services and participant names to the newspaper for publishing participant's times. Participant's information may also be given to our public relations consultant for generation of media stories with prior consent. By entering this event, you consent to your personal information being provided to the SunSmart Beverley Triathlon 2015 event organizer for administration and conduct of the event.

Warriors Wellbeing

We are not the same! Is it embedded in our masculinity?

Quite often as blokes we have been told to get in touch with our feminine side. What an affront and insult to our intelligence, over time this has been part of the language barrier that has put blokes positive approaches to wellbeing issues in reverse.

There are three parts to our health; physical, mental and social/spiritual wellbeing. The latter is where we find: our identity, our individuality, our own sense of self, our sense of belonging, our passions and interests and our emotional context (not a feminine side!)

We are the same species but putting it simply men have evolved differently than women. Our DNA is 99.6% similar but it is that 0.4% difference that we need to talk about and address, because it helps explain why blokes have a warrior attitude to life and that we seek help differently than the ladies.

There are three main areas of difference that we talk about in the work we do:

- Communication.
 - On average blokes will talk one third less than ladies per day (7000 words to 21,000 words) this starts from a young age from boys through to men. Anyone with a wife, mother, and mother in law, daughter, and partner will know this. But this is a good thing for the ladies as it helps them talk about a whole lot of issues that blokes don't.
 - It is perfectly normal for blokes to talk in dot points and even just grunt!
- Risk-taking.
 - Blokes are hard wired to take risks from an early age. Some of this is linked to our brain development. The brain development stage for a lady is roughly finished between the age of 18 to 20, whereas for a bloke it is between the age of 25 to 28 (some may say 45 to 50!)
 - As we get older we get wiser but are still hard wired to take risks
- Winning. (a really important part of the warrior culture)
 - The majority (90%) of Aussie men think winning is important (a trait that can be traced back to our true warrior days for survival)
 - An alarming stat is that 50% of blokes think winning is all that matters. So quite often blokes don't take a backward step when it comes to finances, relationships and/or business matters.

Due to the importance blokes place on winning, explains why a loss event and/or a sense of loss becomes problematic and can be really hard to deal with.

Combine this with the lack of understanding about our emotional context and we can have a ticking time bomb.

As blokes we need to be more aware of our emotional context and that it is alright to show it. That is we all experience emotional times, so we can show it (maybe a hug or a cry) and/or to use language that is foreign to us to express our emotional context i.e. I am sad and/or I am struggling here.

Talk to a Mate!! It is beneficial and you will realise that you're not alone, it's not just you and there's a lot of other blokes feeling the same way.

Cheers

Beverley Garden and Tree Society

Tuesday 3rd March is to be the first meeting of the garden club and will be held at the home of our new president, Glenda Ferris at 16 Barnsley St. at 10.30 am.

We welcome all new people to town and as usual will be pleased to catch up with old friends.

Gardening has taken a back seat whilst we cope with the extremes of weather but autumn is around the corner and while we are pruning and mulching, we dream of the seed packets and seedlings.

Now is the time to cut off the flower heads of the agapanthus and as soon as it gets a bit cooler they can be separated and replanted. They are tough little citrus and can sit in a bucket of seasoil until a cool day occurs. Mine have been there since I came back from Albany, and look healthy.

The only thing in the veggie garden is a surfeit of zucchini and beautiful basil. Pesto, pesto and more pesto, Such a lovely fresh condiment. Beautiful with pasta but pretty good on toast too.

During the next few weeks strawberries need to be divided up and replanted. Those of you with lawns will need to aerate and fertilise.

Wormwood needs to be pruned and limed for an optimum look.

Garden beds can be prepared for the flurry of planting that will take place when we get the cooler weather.

REMEMBER 3rd MARCH, for the meeting. We look forward to seeing you.

Hello Everyone

Yes, it's true, I did take a catch at the weekend for Beverley Cricket Club which has been described as 'unbelievable', a 'miracle', and probably more accurately, 'bloody lucky'. My sporting prowess knows no bounds so I can confirm that I'll be making myself available for the footy team this season in my favourite position, right back centre half full forward scrum half wing back goal tender. But only if I can play in the pocket.

I have no idea what I am talking about.

Brookton – almost a home from home

We recently spent 1 night and 3 days in Brookton during and after some local tensions. During this time both we and our van had all sorts of stuff thrown at us. I thought I was back in a warm version of the UK . It's all quiet now, well done to our Brookton colleagues.

Crime

Whilst my cricketing skills could be considered a crime we've had a few bits of actual crime to write about. There has been some minor damage on the kids play area near to the recreation centre building (disgusting damage actually involving the spreading of faecal matter on the slide – apologies if you're eating whilst reading this) and some damage to the disabled toilet near to the ANZAC memorial. Also, in the last few days, damage has been caused to the 16th green at the golf club by someone who thinks they can drive. All these offences have taken place at night. Rest assured we are working hard to track down any offenders and are rostered to be working increased numbers of afternoon shifts. I'll speak more about shifts shortly.

We've had a stealing from a car parked outside the school during daytime hours. The offenders got away with foodstuffs but caused damage to the vehicle whilst entering the vehicle.

The fact that offences are happening both during daytime and night-time hours just goes to show we can't rest on our laurels. We try to be everywhere but obviously we physically can't. We try and spread ourselves as far and wide as we possibly can and that means we are often not in the office, hence the reason we put the ON PATROL sign up. When this is up rest assured we are actively looking for things. Neither of us are bone idle and we take pride in doing what's best for the town so it's sometimes disappointing (although everyone is entitled to their opinion) when people say to us "You lot are never at work". Nothing could be further from the truth. Rest assured, when we are at work (and even when we aren't) we are working for and dealing with issues which directly affect the people of this town.

Rumours isn't just an album by Fleetwood Mac.....

And it's a great album, but that's not the issue here. I recently had cause to speak to someone who was gravely upset by what was being said about them. They had become the victim of untruths, almost libellous gossip and tittle tattle (great phrase that). If I believed every rumour where I was mentioned I'd 1. Be more interesting than I really am and 2. Probably be out of a job. Some of them are truly laughable, ask me one day, I'll tell you and it'll bring a smile to your face.

Seriously though, what you heard from the bloke down the pub who heard it from his mate who read about it in the paper, or was it on the internet (he can't remember) or from the friend of a friend who was told about something that may have happened.....you get where I'm coming from. The 'truth' has probably been so diluted that the 'new truth' is now so fanciful it's become a bestselling work of fiction. Unfortunately though it also has the ability to seriously affect people health and wellbeing, and that's just not on.

I'm late again with The Blarney and up against a schedule

Sorry about the lack of ewatches over the last couple of weeks, I've been having a technical issue with it but I reckon I've sorted it now.

In the last couple of weeks some strange things have been happening. I've mistaken a tree for a car, Nick thought a grass tree was a person, we had a disagreement whether the fox we thought we had seen was infact a fox or a cat or a dog. We decided neither of us was right and it was filed as 'we don't know what we just saw'. Most strangely though England managed to lose twice against Australia at cricket.

I told you some weird stuff had happened.

Well that's all for now folks. I know I always say it but let's be nice to each other. We live in the best part of the Wheatbelt with something for everyone so we don't need to be horrible to each other. I'm grumpy enough as it is.....

Take care everyone,
Ian & Nick.

Should've gone to Specsavers.....

Country Women's Association - CWA Beverley Branch

Our AGM was held on 12th February with a good attendance.

New Office bearers are:

Teresa Reid President/Treasurer
Lorraine Sims Secretary
Margery Thomas Vice President.

We extend thanks to Gracie Courtney for her role as President over the past two years but as she is no longer available for re-nomination, we wish her better health in the year ahead.

In conjunction with the Quairading Branch of CWA, our members are aiming to produce a new smaller cook book than the well known one with simple and quick to make recipes suitable for afternoon teas, buffet lunches and the like. We invite anyone who would like to contribute to this project to give their recipe ideas to any of our members so that they can be included in the final production.

Both Beverley and Quairading branches of the Country Women's Association will be celebrating our 90 years of community service so it will be a pleasure working together to this end.

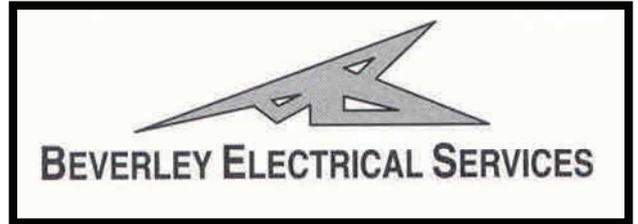

We are looking forward to a gathering of CWA members at Mt Helena/Parkerville Scout Hall on Wednesday 11th March. This is known as the "Gathering of the Birds" and is really a good fun day.

CWA of WA will be holding their State Convention at Dunsbrough in July. Branches have been invited to produce a square of patchwork to be included in a quilt which is to be constructed from some 30 different branches, all depicting a local theme. Teresa and Margery have put their heads together and Teresa has completed an attractive scene of local landscape with a glider taking pride of place in the beautiful sky. Well done - in such a short time.

Interested residents who would like to join the Beverley Branch are invited to come to our next meeting on Thursday 12th March at the CWA centre for morning tea and a chat followed by our normal monthly meeting. We will have a "Bring and Share" light lunch at the conclusion of the meeting for some social time together.

Next meeting Thursday 12th March at the CWA Centre at 10.00am. We would love to see you there.

Lyme Disease Association of Australia

Ticks are nature's dirty needles so to avoid getting sick, avoid tick bites. Avoid walking in long grass and thick low lying bush with overhanging shrubs and small trees, especially after a rainy or humid day.

Ticks wait on the leaves of shrubs and small trees with legs extended, questing for hosts. They can detect heat emission and carbon dioxide from their host and latch on to them. They prefer warm, moist environments on the body (eg behind the ears, armpit or head).

IF SYMPTOMS OCCUR

It is normal for a tick bite to remain slightly itchy for several weeks. A short course of the less sedating oral antihistamines (1-5 days) such as, desloratadine, fexofenadine, loratadine, cetirizine and levocetirizine

(e.g. Aerius, Telfast, Claratyne, Zyrtec and Xyzal respectively), can be taken to relieve symptoms of swelling and itchiness.

If you are highly allergic to tick bites, it is recommended you carry emergency medication such as EpiPen (an adrenaline autoinjector). Please consult with your doctor.

If other symptoms develop 3-7 days post tick bite e.g. headache, fever, malaise, muscle and joint tenderness or a bull's eye rash, then a doctor should be consulted immediately. Sometimes symptoms develop long after the tick bite (weeks), if this occurs it would be worthwhile mentioning the tick bite to your doctor.

Ticks secrete an anaesthetic in their saliva so you will not feel their bite or their attachment.

For tick removal

1) **Aerostart Spray**

This is an anti-knock and anti-corrosive starting fluid for engines (which contains benzene) and is not registered for use in humans but there is anecdotal evidence in those with serious tick allergies (possibly applied to tick on a small patch of skin created by a hole in a band aid to minimize skin contact).

2) **Wart-Off Freeze and Elastoplast Cold Spray**

These products have been used in a limited manner and anecdotally reported to be effective. As more experience is documented advice will be updated.

Do not squeeze, tweeze or scratch ticks to remove as this forces tick saliva into the bite site.

Healthy Body – Healthy Mind

By Valerie Gunsch Dip. C.N.C. Mac. H.V. P.P.
Clinical Nutritionist, Profemme Practitioner

Dear Reader,

In the coming month I will introduce a new series of articles focusing on ways to improve your knowledge in regards to food and health. The articles will cover everyday actions to make changes in your diet, take steps to introduce new ideas and what you can do to find your ideal weight without restricting your intake of nutrients. More and more people are terrible concerned about the produce on sale in shops and supermarkets. De-natured food is one of the main causes of sickness and wellbeing of the human body. Latest research has shown the fastest growing area of food is the demand for organic/biodynamic produce. This ranges from fruit and vegetables to grass-feed meat products. Many people think it is good enough to have free range products but this is a delusion, because even if poultry is running on a patch of grass and has access to fresh air, they are still fed with pellets and supplements. I am not saying all free range products are produced this way but this label is very open to misuse.

During my extended break from my earlier contribution to the Blarney, my thoughts have ripened while I am working in our organic vegetable garden or sitting in the orchard and listening to the sounds of the birds, chooks and the wind. I have received much inspiration from meditating on such things and the vibrations have turned into thoughts. I feel this year is the year of action and it is time to bring them to paper and share them with you. It also helps me to release the pressure in my head in a good way. So bear with me. This is a work in progress. I don't know the outcome yet, but I am sure it can only be good.

Here is a breakdown of the things to come.

I will focus on being raw or not, juicing, smoothies, fermented/probiotic foods such as rejuvelac, sauerkraut, fermented milk (kefir); making your own nut butter, make gluten free breads and noodles from buckwheat (which by the way is not a wheat therefore is gluten free), de-hydrating your surplus, creating lovely raw crackers and breads in your de-hydrator. I will go into the healthy fats such as coconut butter/oil, and whole unsalted old fashioned butter. Our over stressed brain cells need all these wholesome fats to fire up and keep you on top of all the so called 'new technology'.

I am going to write extensively on the so called 'Super Foods' which are mentioned almost in every magazine and publications and are supposed to be good for you. I will include many recipes for you to try.

I do not know where this will lead as this is an open progress. I can only speak for my husband and myself because we live the way I am writing for more than 15 years. I am inviting you to follow my ideas as good as you can. Never say it can't be done, you don't know where you can go without trying. I think it is very important to challenge ourselves otherwise we get easily stuck into a rut and if this happens, we stop living! To quote Jeffrey Hodges the writer of the wonderful book 'Natural Gardening in Australia' "Only those who see the invisible can reach the impossible". Why not experiment with some of the ideas and see what is happening!

This New Year might be a big challenge to all of us, however we can all try our very best to make it work for us. I wish you all much happiness and good health for a very challenging 2015.

If you wish to contact me you can do this by writing to me. My email address is healthylivingbev@westnet.com.au.

Be Blessed, Valerie

Ava Drew Liam Gollan (Forrest)

Welcome

We would like to say a warm hello to some new students: Amelia in Pre-Primary, Lily in Year 3, Savanna in Year 4, Mia in Year 5, Kane and William in Year 8, Trinity in Year 9, and Jess A, Jake, Deqon, and Jess R in Year 10. A big welcome to you all.

We also have some new teachers: Ms Brennan and Mrs Putrino will be working in the Year 2 class this term, and Ms Brennan will also be teaching Music. Ms Croasdale will be talking instrumental piano lessons on Fridays. With Mrs Vandenberg currently on maternity leave, we thank Mrs Sims and Mrs Adams for filling in at the school office and the library respectively.

Farewell for Mr Ireland

The school community wishes Norm Ireland well in his move from Beverley to Perth, where he will be enjoying the transition to retirement.

We look forward to the opportunity to farewell Mr Ireland. He will attend the school assembly on March 30, 2015. This will be followed by an afternoon tea with the community, and an evening function with staff. We welcome community members to the assembly and afternoon tea for Mr Ireland.

Wendy Moore and Alisha Murray will continue in their current roles until the Principal's position is advertised and filled.

We love to have community involvement in the school. We are always looking for people interested in helping in classrooms, in the canteen, on the P&C, or on the School Council.

Contact us at the school if you would like to be involved.

Beverley Junior Cricket

The Beverley Junior Cricketers have been having fun on Saturday mornings playing both inter town games and club games.

We have played two inter-town games between Brookton which was a night game and York.

Details of these games are below.

Beverley vs. Brookton

Beverley 109 defeated Brookton 86

Beverley Bowling: Mitchell Ashworth 3 for 3, Thomas Mearns 3 for 4, Barclay Wilkinson 2 for 2, Samuel McLean and Jayden Woods also took 1 wicket each

Beverley Batting: Liam Gollan 38, Samuel McLean 15

Beverley vs. York

York 111 defeated Beverley 107

Beverley Bowling: Liam Gollan 1 for 3, Stanley Stevens 1 for 3, Thomas Mearns 1 for 6, Mitchell Ashworth 1 for 7

Beverley Batting: Liam Gollan 20, Samuel McLean 14, Stanley Stevens 10

This was the junior's last game for this season and they performed very well, losing only one game. The Belhus Trophy for the Junior Cricketer of the Year was won by Liam Gollan and Most Improved went to Jayden Woods.

My thanks are extended to those parents who have allowed the kids to come down and have a hit on Saturday mornings and also for allowing them to play at night under the new lights at the oval (I know they love playing these games). To all the helpers thank you for your assistance throughout the season.

BEVERLEY CRICKET CLUB

Sunday 21 December 2014

Quairading 8 for 165 defeated Beverley 3 for 127

Beverley Batting: Beau McLean 56 not out, Stephen Gollan 43
 Quairading Bowling: Reece Bland 1 for 21, Craig Anderson 1 for 29, Brayden Hayes 1 for 29
 Quairading Batting: Craig Anderson 50, Brayden Hayes 25, Reece Bland 19
 Beverley Bowling: Stephen Gollan 4 for 21, Daniel Gollan 2 for 30, Liam Gollan 1 for 1

Beverley batted first and could only amass 127 from their 45 overs due to very good bowling and fielding by Quairading. Beau McLean played well in making his first 50 for Beverley. Beverley needed early wickets and Quairading at one stage were 4 for 41 due to some good bowling by Daniel and Stephen Gollan, however a 62 run partnership steady the ship and win the game.

Saturday 7 February 2015

Beverley 4 for 215 defeated Kellerberrin All Out for 105

Beverley Batting: Dale Wansbrough 82, Bob Ugle 34 not out, Khyle Ugle 22
 Kellerberrin Bowling: Shane Starling 1 for 23, Mitch Innes 1 for 30
 Kellerberrin Batting: John Hammond 31, Shane Starling 20
 Beverley Bowling: Stephen Gollan 2 for 2, Liam Gollan 2 for 15, Khyle Ugle 2 for 22

Beverley won the toss and batted in hot conditions at Kellerberrin. Khyle Ugle opened the batting with Stephen Gollan and added 34 before Khyle was bowled for 22. Beverley continued to bat steady to be 3 for 81 off 30 over's. Dale Wansbrough and Bob Ugle then produced at 111 run partnership before Dale was out for a very entertaining 82 which included 8 six's. David Kennedy then joined Bob to take Beverley to 4 for 215 off 45 over's. David finished on 17 not out and Bob batted very well to finish on 34 not out. With David Kennedy and Dale Wansbrough taking two early wickets, Kellerberrin were on the back foot and continued to lose wickets at regular intervals to be all out for 105 off 26 over's. John Hammond 31 and Shane Starling 20 were the only batsmen to reach double figures. Beverley's young guns in Khyle Ugle 2 for 27 and Liam Gollan 2 for 15 bowled very well. Congratulation's to Khyle who had a very good game with bat and ball along with fielding.

Saturday 14 February 2015

Beverley 6 for 183 defeated Tammin All Out for 88

Beverley Batting: Tom Fleay 95, Liam Gollan 16, Wayde McLean 15 retired hurt
 Tammin Bowling: Todd McIntosh 3 for 32, Scott Button 1 for 23
 Tammin Batting: Nick Caffell 25 not out, Luke Button 17
 Beverley Bowling: David Kennedy 3 for 43, Stephen Gollan 2 for 9, Khyle Ugle 2 for 13

Tammin won the toss and batted first. David Kennedy claimed the first wicket when he had Mathew Hocking brilliantly caught by Bob Ugle. This set the scene for the day as all of Beverley's bowlers bowled very well and with great fielding, Tammin could only muster 88. In reply Beverley batted well to amass 183 off 45 over's. Tom Fleay played his best innings of the season in scoring a fluent 95. The only downside of the game was the calf injury sustained by Wayde McLean and we wish him a speedy recovery.

Saturday 21 February 2015

York All Out for 238 defeated Beverley All Out for 179

York Batting: David Jenkinson 61, Josh Creighton 53, Andrew Wherrett 26 not out
 Beverley Bowling: Kodie Fleay 4 for 24, Dale Wansbrough 2 for 10, Travis Ugle 2 for 35
 Beverley Batting: Dale Wansbrough 74, Tom Fleay 30, Khyle Ugle 16
 York Bowling: Darren Chitty 3 for 39, Alistair Draper 2 for 19, Ryan Nottle 2 for 29

Beverley lost the toss and bowled first. At one stage York were 4 for 54 and in some trouble, but a 101 partnership between David Jenkinson and Josh Creighton put York back on track and assisted them to made 238 before being all out. Kodie Fleay was the pick of Beverley bowlers in taking 4 for 24. Beverley's innings started similar to that of York's being 3 for 39. Tom Fleay and Dale Wansbrough

Continued →

added 66 for the 4th wicket to take the score 105 before Tom was caught. Dale continued to play his shots to make an entertaining 74 and when he was dismissed Beverley score stood at 151, Beverley continued to bat well and were finally dismissed in the 40th over for 179.

This was the final Qualifying game for the year. The Premiership ladder at the completion of all games showed York on top with Beverley in Fourth place.

The Premiership Ladder read:

York	131.89 points
Tammin	111.05 points
Beverley	110.40 points
Quairading	100.30 points
Brookton	98.63 points
Seabrook	64.94 points
Kellerberrin	53.47 points

This means that Beverley will play Quairading in the 1st Semi Final at Beverley, with the winner progressing straight to the Preliminary Final the following week.

This year see's the Avon Cricket Grand Final being played in Beverley on Saturday 14 March, commencing at 12.30pm, we hope some of the local cricket fans will show up to support the club.

Beverley Redbacks **Football Club**

Pre-season training is in full swing, with 30 players hitting the track at our opening session on Sunday 1st February. Since then the numbers have been steady, however we encourage all players to make the effort to get to training to give our club the best possible advantage over our competition ahead of the season proper.

BEVERLEY REDBACKS HOCKEY CLUB

2015 Hockey Season

We are only a few weeks off from pre-season training starting. Training will commence in the 3rd week of March (day will be advised) at the Town Oval. If you are all interested in playing hockey this season, why not come down and see what it's all about. Anyone who is needing some more information about hockey, please email Chantelle at beverleyhockey@live.com.au

Wanting to come along for some general fitness weekly? Why not become a social member of the Hockey Club. Social membership is only \$30 for the year and your support to the club is greatly appreciated. Social members are welcome to any game but are also welcome to attend training sessions for general fitness. Becoming a member not only helps the club greatly, but it may inspire you to get out, meet the girls and have some fun.

Beverley Supporters Merchandise

We have only a few shirts left, which are 'Beverley' branded and can be worn to ANY sporting or community event! As there is limited stock, please let Kathryn McLean know if you are interested in purchasing a shirt for \$40.

2 x size 12 , 3 x size 14 and 1 x size 16

Special General Meeting

A special general meeting will be held on the 29th April after Hockey Training. All members of the public are invited to attend. More details to follow in the next Blarney.

Quiz Night

The Hockey Club is planning to hold a Quiz Night on the 17th April. Tables of 8 available for \$80, or \$15 per head. Further details will be available in the next Blarney and on the Hockey Club Facebook page.

Congratulations

A huge congratulations to Megan and Chad Vandenberg on the arrival of little Cooper. We hope that he brings you both happiness and joy. We can't wait to see you back on the field.

If you want to stay up to date with any hockey news, please register your email address by emailing beverleyhockey@live.com.au or why not 'LIKE' our new Facebook page, just search 'BEVERLEY REDBACKS HOCKEY CLUB' and be kept up to date.

BEVERLEY NETBALL CLUB

The Beverley Netball Club held it's first meeting for the 2015 season and the good news is it appears we have enough players for two teams this year.

If you said you were playing or you happened to forget to mention it but are interested in playing, then you'll need to know that the official netball training will get under way on Wednesday 25th March at 6pm at the courts and all are welcome.

Our club always encourages new players, so even if you haven't played since high school or think you can't even run anymore then come to training to see if you can. For more information about the club or to registrations See Jodie and Jo at Avon Trading or contact Jo Copping **0438 972 335**.

Beverley Horse and Pony Club

Our AGM was held on the 6th of February, we had a great turn out and have filled all the positions on the committee. We would like to thank Jenifer Petchell for all of her hard work throughout the club during her time as President, she has now taken the role of Vice President. We would like to welcome Tess Hawke as our new President and we wish her well.

Office Bearers 2015

President:	Tess Hawke
Vice President:	Jenifer Petchell
Vice President:	Bianca Pearce
Secretary:	Anne Cleland
Treasurer:	Annette Peart
Coach Coordinator:	Pauline Appelbee

Our joining day was held in February, with a busy bee and tidy up for the year ahead. If you didn't make it and would like to join - please contact our secretary Anne Cleland via email clelandb@agn.net.au or phone 96472054 or 0429 472 054

During the ponies break a few of our coaches have been out learning new tricks to teach the kids at the State Coaching School, which we hope to implement in the upcoming season.

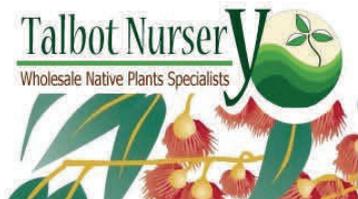

Our first rally will be on Sunday 15th March. Riders will need to arrive early (8.00am) to ensure they are ready to start by 9.00am. Hopefully the weather won't be too hot for our riders and their ponies. Please contact Mrs Pauline Appelbee via email appelbees@skymesh.com.au or phone 9647 1181 so that she knows who will be attending the opening rally.

Showjumping and Dressage Training Day
