President Report **December 2015**

Christmas Light Competition

Don't forget to get your lights up and voting in. The Shire is again sponsoring a town Christmas light competition for businesses and homes. Winners, including a lucky voter, receive vouchers to spend at a local business of their choice. When driving around looking at the lights take a drive past the entry statements too.

Annual Electors Meeting – Monday 16th November

Thankyou to community members in attendance at the Annual Electors Meeting held on Monday 16th November where the 2014/2015 Annual Report was received. Minutes from the meeting are available on the Shire website or Shire office.

Meeting with Christian Porter MP

The Shire President, CEO and Community Development Officer recently met with Hon Christian Porter MP, Federal Member for Pearce, to provide an update on Shire of Beverley projects and initiatives. This included the Multipurpose Community Centre, Tourism Planning Framework, mainstreet revitalization concept, town walk-trail interpretation and aeronautical museum significance assessment. The topic of main street revitalization was surprisingly an area of particular interest to Minister Porter.

Meeting with Minister for Local Government

A variety of Local Government issues, including the recent Local Government election, were discussed with Hon Tony Simpson MLA, Minister for Local Government, at a meeting attended by the Shire President, CEO and Executive Assistant held at Parliament House.

Message from the Works Crew

Trees fallen across a road is a safety hazard which the works crew cannot always get to in a timely manner if machinery and equipment are located elsewhere in the shire. Local farmers at times have removed the hazard, which has been very much appreciated by the works crew who follow up with chain saws if necessary to complete the task of making the roads safe. So from the works crew, thankyou!

SHIRE OF BEVERLEY **CHRISTMAS - NEW YEAR PERIOD**

Please be advised that the
Shire Administration Office will be closed from
4:00pm Wednesday, 23 December 2015
and will reopen at
8:30am on Monday, 4 January 2016.

Wishing you all a very Merry Christmas and
a safe and Happy New Year.

The President, Councillors, CEO and
Staff at the Shire of Beverley

GYM MEMBERSHIPS

Now is the perfect time to get
in shape for summer.

Get your gym membership
organised now!

Available from the Shire of
Beverley office.

Strategic Community Plan 2013 - 2017

A desktop review of the Strategic Community Plan has been undertaken by Council and is available for public comment until 4th December 2015. Copies are available from the website or Shire office. A full review of the SCP is due to be undertaken in 2017.

Transwa Bus Stop Relocation

Council has supported relocation of the Transwa bus pick up and drop off point from Queen St to the Information Bay area. Several incidents have occurred where vehicles parked near the Queen St/Vincent St intersection have blocked the Transwa bus from making a safe turn, this has included vehicle damage. Following a meeting between Shire and Transwa representatives, which included a "road test" in a bus, it was agreed to move the location to the southern entrance of the Information Bay area.

Town Hall Roof

Replacement of the town hall roof is well underway, and possibly even completed by the time you are reading this!

Railway Station

Completion of remediation works to the Railway Station building is a very welcome outcome that will enable this terrific community facility to soon be back in action. Exposed aggregate laid after removal of the gravel surround to keep water away from the building has added an interesting new touch to the area. Come along to the family Christmas concert and have a look!

Citizenships

You might be interested to know that since 2010 there have been 34 Australian Citizenships undertaken in Beverley over 12 citizenship ceremonies (held in the Shire Council Chambers). Countries represented have included England, Ireland, Germany, India, Zimbabwe, Philippines, New Zealand, South Africa and France. The majority of recipients have been Beverley residents at some stage, and many still live here. Congratulations to Johanna Roques, Frederick, Jennifer, Eirene and Joshua Ballesteros who received their Australian Citizenship in a ceremony following the November Council meeting.

Safe and Happy Christmas

Best wishes for a Safe and Happy Christmas, take care when out and about on the roads over the festive and New Year breaks and cheers for a bright 2016 for our great community!

Avon Waste have advised that the Beverley Rubbish collection will be on **Thursday 24 December** instead of 25 December 2015.

All services will be as normal for the New Year Week.

Community Grants

The Shire of Beverley is offering incorporated community organisations the opportunity to apply for funding for small local projects. Application forms will be available from the Shire office from **Monday 04 January 2016**. Submissions will be due before 4.00pm on Friday 29 January 2016. Grants up to \$1,000 are available for applications supporting Early Years (0-4yrs), Environment, History & Heritage, Seniors, Tourism, Volunteer Upskilling, Youth (5-19yrs). Grants up to \$5,000 are available for projects representing Art & Culture, Disability/Aging, Education & Training, Environment, Event, Minor Infrastructure/Equipment/Development, Sport and Recreation.

For further information contact the CDO P: 9646 1200 or E: cdo@beverley.wa.gov.au

Dear Volunteer

As a volunteer in Beverley you have contributed to:

- ✓ aged care

Water Harvest Project

For many years, water has been supplied to the public oval, parks and gardens and for public works from the Town Dam and the Waterhatch bore. To supplement this supply a project to construct two catchment dams within the townsite has been developed. The project involves using the already good system of kerb to kerb bitumised streets serviced by underground drainage to capture what would under normal circumstances drain into the Avon River. A fully lined basin at the east end of Edwards Street and a fully lined basin located on the vacant land (Lot 34) adjacent to Beverley District High School (site of BMX track) will be constructed to capture this runoff for a short period before being electrically pumped over several days to the Town Dam located on Hunt Road.

Construction has commenced on this project and will continue into 2016.
For more information on this project please contact the Community Development Officer at the Shire 08 96461200 or cdo@beverley.wa.gov.au

BEVERLEY TYRE SERVICE

Aerial inspection of the water pipeline

November- December 2015

Unmanned Aerial Vehicle use in November

During November – December the Water Corporation plans to carry out a number of aerial inspections of water mains in the Goldfields and Agricultural Region using an Unmanned Aerial Vehicle (UAV), also known as a drone, so we can better identify problems and support future improvements.

The UAV will fly at an approximate height of 60 metres, to photograph both sides of the pipe. It may photograph up to 15 metres on either side of the pipeline, most of which is rural land and roads. It has an electric motor so makes very little noise.

Respecting your privacy

Any identifiable personal information in these images will be obscured, and can be removed from the footage if requested. Images of private property can also be deleted on request. Our contact details are below if you would like to discuss privacy with us.

We have engaged a licenced UAV contractor, Altitude Imaging to carry out this work. Altitude Imaging is a member of the Association of Australian Certified UAV Operators (ACUO) and follows an Industry Code of Conduct.

Many thanks Jeanette

Farm Supplies Sales Representative - Beverley

The Beverley branch has a rare opportunity for a Farm Supplies Sales Representative to join our small successful team. This is a full time permanent role which will include: providing superior customer service for the inside sales of Farm Supplies, completing sales quotes, assisting with stock inventories and displays, assisting in the storage, handling, receiving and dispatching of stock, and identifying and developing sales opportunities and referrals.

The successful person will have: good computer skills, experience working in an office environment, excellent customer service and communication skills, and the ability to work effectively in a small team to contribute towards the successful achievement of Branch performance.

Apply now for this unique opportunity by emailing your resume through to Jason Clarke, Area Manager Jason.Clarke@elders.com.au or contact Jason on 0428 910 909 for further information.

Applications close 31 December 2015.

At Elders, we want our people to reflect the communities we operate in, and encourage applications from a diverse range of people, backgrounds and experiences.

THANK YOU

We would like to give a huge thank you to all those who helped put the fire out on our property in Balkuling on Monday 23rd November. Your help was greatly appreciated.

Stay Active Thanks

The Stay Active keep fit sessions held in the Beverley Town Hall each Tuesday have concluded for 2015.

The participants wish to express their deep appreciation to

Lin Cann, Sue Eramiha, Rosie Topp, Teresa Reid and, especially, Elaine White

for their dedication to maintaining & improving the health of the Beverley Everlastings.

Lin, Sue, Rosie, Teresa and Elaine are volunteers who have led the sessions during the year.

They have received training from the WA Health Department but perform their leadership roles for no financial reward.

Stay Active members (known as Beverley Everlastings) are truly appreciative of the time, commitment and enthusiasm of these leaders who enable us to participate in such a valuable and healthy community activity.

Stay Active will resume on Tuesday 8 February 2016

Or mail to:

Hutton & Northey Sales
5 Walton Street, Corrigin WA 6375
Also see our advert on seek.com.au

Government of Western Australia
Department of Water

Are you a water self-supplier?

A self-supplier is a person not served by the scheme water system and who obtains their own domestic and/or livestock supply from rainfall tanks, bores or dams.

Low rainfall in 2015 in some areas has resulted in low run-off into water tanks, lack of flow to storage dams and reduced groundwater recharge.

Streamflow in many areas has also been significantly reduced.

Users reliant on all these sources for livestock and domestic water need to be aware of these changes.

- Do you have enough closed storage for house and garden needs?
- Have you got a current fire plan and enough water in storage?
- Have you reviewed and adjusted your business operations to match your water supply e.g introduced efficiencies, assessed stock water needs, reviewed feed requirements, etc?
- Have you made arrangements with water carters or let your local shire know if you are carting water more than 40km from your farm gate?

For more information on managing your water visit www.water.wa.gov.au and for information on water to support your fire plan visit www.water.wa.gov.au/fireplanning

When: Wednesday 3rd to Friday 5th February, 2016*
Where: Edith Cowan University - Joondalup

*applicants MUST be able to attend all three days

- Bring together multicultural young people to talk about important issues
- Work together to develop understanding
- Speak directly to politicians and key decision makers
- Be inspired by exciting guest speakers

Applications close 4pm, Friday 4th December - no late applications will be accepted.

The summit is **FREE** for all young people that win places. Regional young people are strongly encouraged to apply - travel, accommodation for three nights and meals will all be paid for.

To apply online visit www.yacwa.org.au

For more information, phone 9227 5440 or email myanwa@yacwa.org.au

YOUR 2 WATERING DAYS

Watering with sprinklers should be before 9am and after 6pm on your two days.

Last digit of your house number

Your 2 watering days are

1	Wednesday & Saturday
2	Thursday & Sunday
3	Friday & Monday
4	Saturday & Tuesday
5	Sunday & Wednesday
6	Monday & Thursday
7	Tuesday & Friday
8	Wednesday & Saturday
9	Thursday & Sunday
0	Friday & Monday

For example if you live at 55 Rose Street, the last digit of your house number would be 5. So your sprinkler days would be Sunday and Wednesday. If you don't have a house number, use your lot number. If you would like further information, visit the Water Corporation website at www.watercorporation.com.au or call the Waterwise Infoline on 13 10 39.

LEH Earthmoving

THE BLUE LINE

Beverley Police Station
57 Hunt Road, Beverley WA 6304

Hello Everyone,

So if nothing else was proved my comments about Martin the mouse just goes to show that some people don't glaze over and actually read the rubbish I chuck out there every month. So, as a PS in the last edition I asked for suggestions as to what to do about Martin the Mouse and here's what I consider the top 4:-

- ⇒ Get a cat – obvious
- ⇒ Get a gun – too brutal
- ⇒ Get a trap – sensible
- ⇒ Get a goat – too weird

A goat ? Get a goat ? Some of you have issues..... Anyway, he seems to have disappeared, for now so no goats will be required just yet.

Well, wasn't that a month.....

It's be fair to say it's been a challenging time for many of us here in town over the last month (and I'm not just talking about the fact I had to fend for myself for 2 weeks). There have been a number of issues and incidents which have had some effect on us all. I won't go into gory details and some issues will never be aired again but what struck me was the depth of community spirit we have in the great little town of ours. Everyone deserves a hearty pat on the back. If you find you are struggling with anything then please get in touch with us, we can point you in the right direction and are always willing to listen.

Crime

Once again our more rural outskirts seem to have taking a bit of a kicking recently. All I can ask is that if you see anything that you think is suspicious then please let us know about it. We are currently working with our colleagues in Brookton and Pingelly regarding some issues which have come to light and as soon as I get more information I'll let you know. At this point what I can say is that we have a number of persons of interest who we have spoken to and once we get everything together I foresee a number of charges being laid.

Other than that it's been pretty ordinary but I'll tell you one thing, the CCTV at Memorial Park works. Smile, you're on Candid Camera.....

Technology

This looks like a cut and paste from an earlier edition and that's because it is. If anyone has been trying to contact us on our station email address, Beverley.Police.Station@police.wa.gov.au and haven't been getting responses, we haven't suddenly become rude or shy, it's been broken. It now works, well it does on my computer, Nicks is still broken. Privilege of rank? I don't think so, it just means I've just inherited more work.....

I'm a firestarter, twisted firestarter.....

Well, not really. Twisted? Possibly. Firestarter? Definitely not. It's that time of year again, we've already had a few small fires in our sub-district and some big ones in adjoining areas. Let's all be firesmart over the coming months and do the right thing. We are in the process of clearing our bits of land identified as a risk by a visit from the Shire and I hope everyone else is. No-one needs a fine....

That's all for now.....

So by my reckoning this is the Christmas issue. Well here's to everyone having a great Christmas, eating too much food and having a good old whinge about how hot it is. Or is that just me?

Please don't drink and drive, please don't drive after taking something you really shouldn't (we can test for that now too) and above all look out for each other.

The highlight of the year for me is coming up, the judging of the sausage roll competition. Amor has asked me to point out that the numbers of sausage rolls required for the competition was actually wrong. If each entrant could please produce in excess of 1.2 million and drop most of them off at the police station that would be excellent work. She apologises for any confusion caused by originally posting a ludicrously low number.

Have a great Christmas everyone!

Ian & Nick.

Sausage Roll Cooking Competition Friday 11 December 2015

Who will be crowned the ruler of the sausage roll cooking competition and winner of the \$ 200 Kitchen Warehouse Voucher.

It's time to solve the ongoing debate of who makes the very best sausage rolls in 6304.

So get your aprons out and start practising your winning recipe.

Competition Terms and Conditions:

- ❖ Each plate is to contain no less than 8 party sized sausage rolls (minimum size 3cm x 2cm).
- ❖ One plate of sausage rolls per entrant, name clearly labelled on the underside of the plate.
- ❖ Entries must be delivered to the CRC before 10am on Friday 11 December 2015.
- ❖ Entry is free, the \$ 200 Kitchen Warehouse voucher is not redeemable for cash.
- ❖ Winner will be announced at the Family Christmas Concert, Platform Theatre, Saturday 19 December 2015.

- I know it's only a sausage roll but I like it. -

132 Vincent Street, Beverley

Station Gallery & Platform Theatre News

Well, it's almost Christmas time and I'd like to begin on behalf of BSA by inviting everyone to join us on Saturday 19th December to some Christmas cheer at the Station. For the past few years on the Saturday before Christmas we have hosted a free Family Christmas Concert when the whole of town and surrounds come together for some fun and entertainment. There will be carol singing by the Beverley District High School Choir and Station Singers together this year encouraging everybody to join in. This will be followed by Santa and his helper arriving - by what mode of transport we'll have to wait and see! And this year, instead of importing a band, we have decided to make our own entertainment by offering Karaoke - doesn't have to be Christmas songs - anything that gives you joy to sing along to. Lyrics will be displayed on big screen so you don't even have to remember the words (!) and gives everyone the chance to sing, watch and share songs. Amanda from the Freemasons is giving up her day (and night) job to be the Karaoke Jockey as well as entertaining the kids for a half hour before cranking up the Karaoke machine. Thank you in advance Amanda! Also thanks in advance to Noel and Valda of Beverley Elders who as of last year are offering a Happy Hour to clients and friends. Such generosity! One more thing - if you can't be bothered bringing your own picnic, then Wayno and his team from Country Kitchen will be in attendance at the Kiosk taking orders for pizzas and chicken and chips alongside coffees and drinks.

Station Gallery

REBIRTH REDTAPE' Art Exhibition
Saturday 19 - 24 December

To celebrate the re-opening of the Station Gallery we intend to hold a local artist exhibition to be opened the day of the Family Christmas Concert. So.... we are calling all local artists to submit up to three paintings, prints, ceramics, artefact's, jewellery, whatever has been made by you and would like to sell. BSA will charge its usual shop commission of 20% or 15% if you are a member of Beverley Station Arts. There will be no entry fee but we do ask that you give some of your time to help man the exhibition in the days leading up to Christmas Eve. Delivery of paintings will take place between 9am and 10am on Friday 18th December, but if you can't make that time, Marlene at Unique State Studio will take delivery of works prior to that Friday. Please join us for morning tea to celebrate the Exhibition Opening at 10am Saturday 19th December. What a day this will be for the town!

To anyone who has peered over the Station gate you will have noticed the gravel bed has been replaced by exposed aggregate concrete. The mix of gravel and other stones/pebbles gives a natural look as opposed to plain cement alongside the paving and an ideal bed for sculptures - watch this space in months to come! Burgundy glazed pots have been bought for the standard Iceburg roses that had to be removed, and we are still in hope of saving the Prunus tree to a container. A huge thank you to Valda, and in her absence, Sandy, for keeping the roses and trees alive. Also recently purchased is the beautiful outdoor jarrah setting made by Graeme Stowell of Timber Living in Midvale. Graeme made the Ann Rayner memorial bench seat five years ago and although he fixed a couple of loose slats last week when delivering the table and chairs, the furniture is built to last.

BSA Committee meeting around the new outdoor setting.

Rob Higginson hosing down the aggregate concrete

On Monday 23 November Sarah Miller and I will be travelling to Fairbridge Village in Pinjarra for the Exchange and Regional Peak Partnership Forum. Coordinated by Country Arts WA, it is a 3 day conference where regional arts based organisations and artists will meet with Dept Culture and the Arts,

and other related organisations, including CircuitWest and Perth International Arts Festival, to network, build relationships and learn from each other. Country Arts WA is also wanting regional arts organisations and artists to have a say in how the Royalties for Regions funding project will be delivered. Let's hope we are heard!

Artist-in-Residence

Unfortunately after all the hype of having an artist back in the Station we have had to put her off because of the completion date uncertainty of the remedial works. Hopefully Sue Brook-Roberton will be able to come later next year.

For information on residencies check with Artist in Residence Coordinator Marylou on 9647 1027 or 0427 085 511 or email: hutchinson@wn.com.au

Artists in Residence Programme 2016

January: Myer Taub, academic, dramatist, theatre maker, performer from South Africa

February: Christine Painter. QLD.

March: Nada Murphy.

April: Sally Watts & Suzanne Crawley

May: Jill Ansell

June and July:

August: Sue Brooke Roberton

September: Paul Amyes. Perth

October: Alan Pickering

November: Mat Vaughn. VIC

December: Marlish Glory

Beverley Station Singers

The last get-together was great fun learning a whole new set of songs. The next meeting will be Wednesday

December 9 at 7pm in the Station Gallery (hopefully)

when we practice Carols which will be sung with the BDHS Choir at Christmas Concert. Kelly Newton Wordsworth directs the group on a monthly basis (\$35pp) - Anyone interested in joining the singing group contact

Platform Theatre

ALL STAR SUPER GROUP AND JUMPING JACK FLASH ROLLING STONES SHOW

Well, it was a great night for all who attended. People came from beyond York and Brookton - Northam, Toodyay, Perth, and though overall numbers were disappointing (only 150) there were enough rock'n'rollers to fill the dance grass and have an excellent fun time. To those in the town who enjoyed the sound from their verandahs, let it be known that you really missed a great visual stage show by the All Star Showstoppers! Of course fantastic sound was exemplified by our wonderful production crew Steve and Tim. Others who contributed to the success of the show were bar staff Simon, Penny, Barry, Ian and David; Gate attendant Pauline and her helpers; Raffle sellers Amanda, Leita and Marie, and all the Committee and relations who helped set up in the morning. By the way, the raffle of a double pass to either the Charlesworth Ballet in February or Divalicious in March plus a bottle of whiskey (thanks for the donation Tracey) was won by Joey Walter - Congratulations! A note of thanks also to the caterers on the night Country Kitchen - it certainly makes organising an event easier to have someone local on the job.

FREE FAMILY CHRISTMAS CONCERT

The one event of the year that is FREE to all in keeping with the true spirit of Christmas:

- Saturday 19th December at Platform Theatre
- Gates open 5pm, Entertainment starts 6.00pm - BDHS CHOIR and STATION SINGERS, SANTA and his helper Amanda, and KARAOKE with Lyrics on the Big Screen.
- FREE EVENT - BYO picnic and drinks
- Some table seating - first in best dressed!

- Pizzas and Chicken and Chips and Coffee available by Country Kitchen
 - *Happy Hour* compliments of Elders, Beverley
- Announcement of winners of the Christmas lights & Sausage Roll bake-off.

Calendar of Events:

Saturday 19th December:

FAMILY CHRISTMAS CONCERT

Friday 19th February:

CHARLESWORTH BALLET INSTITUTE

Saturday 13th March:

DIVALICIOUS - OPERA ROCKS

Thursday 25th - Monday 28th March:

48th ANNUAL ART PURCHASE

EXHIBITION (presented at the

Town Hall) with OFFICIAL OPENING

Thursday 25th April

If any community group is looking to raise funds please keep it in mind that the Platform Theatre is available for events such as movie nights. With just a minimal hire cost of screen and projector, it makes for an easy fundraiser.

If you would like to be included on the email list for notification of coming events (so you can forward to friends), email secretary Sarah Miller miller@reachnet.com.au

Beverley Station Arts Membership

To become a member of Beverley Station Arts Inc (Friend of the Station) please see Treasurer Pauline at the Newsagency, phone 9646 1042. Membership forms can also be downloaded from www.beverleywa.com (NB cheques to be made payable to Beverley Station Arts) and send to PO Box 112, Beverley 6304.

Station Gallery Open Hours

(CLOSED TILL FURTHER NOTICE)

The Station garden is available for public use at any time, just open the gates and enjoy!

Warriors Wellbeing

Work/Life Balance – Strike it right!

How many times have we heard the phrase “getting the balance right”? What does this mean to you? If we look up the word “balance” in the dictionary (yes I still have the book version) we will find 18 definitions, depending of course on the context in which the word is to be used.

The context of a work/life balance also depends on individual circumstances and attitude; whether we are single or married, studying, self-employed, contracting, FIFO, caring for someone or raising a family.

Ask yourself “do I have my work/life in balance?” To assess this firstly identify the prominence of work in your situation. Does it challenge/drive you, is it enjoyment, a sense of satisfaction and/or purpose or is it just a means to an end (that is if we don’t work we don’t get paid, if we don’t get paid we can’t live the life we want or do the things we enjoy)? Is it a mix of both?

The “life” side of things for most of us is enjoying some form of interaction with other people. This can happen through our hobbies, sport, children, family, religious congregation, social/community groups, or by volunteering (ironically work can also be one of these).

The definition which (I think) is the best fit when considering “work/life balance” is to have these two areas “well-proportioned and harmonious”.

Our work/life balance can be disrupted when we are under pressure, feeling distressed or even embarrassed by an event and as blokes we may then disengage from others and try to solve problems and deal with stressors alone. Unfortunately by doing this we remove ourselves from valuable support systems, which in turn creates and exacerbates feelings of loneliness and isolation.

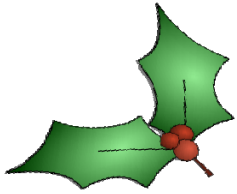

Remember to maintain and re-engage with social opportunities as this is a significant part of positive mental health, coping and overall wellbeing. Something as simple as taking timeout, communicating (remember its part of the problem solving process), having a laugh with others (this may expose us to different ways of thinking of doing things) and even in busy times scheduling time to have that game of bowls, timeout with the kids or partner, is essential.

Having a busy life may lead us to feel that there is more to do than what seems reasonable in any given day. We all get equal measures of time, there is 24 hours in a day for everyone. Why then is it that for some of us 24 hours never seems enough, while others seem to have plenty of time? Perhaps we need to ask ourselves “is time the problem, or is it our ability to manage our time”? How much we have on our plate varies throughout the year, so we need to be aware to continually monitor our time to ensure that for the majority of the year we have a well-proportioned and harmonious work/life balance.

Hospital**, located in Sewell Street Beverley, ph: **9646 3200**. Where
experienced staff will triage the patient and contact the on call doctor
For all emergencies call 000

Beverley District High School

For more information about the school, visit our website!

Specialised Learning Programs

All children are different, and their learning programs need to be different as well. Some students require special extension programs to ensure that they continue to make excellent progress. Others require additional support to ensure that they make good gains and don't fall behind.

Extension Science skills

This year at Beverley DHS we have offered an Extension Science program for students in Years 6-10 during our regular 'Skills' block. Two students from our extension science program, Abbey Cooke and Declan Kilpatrick, recently successfully proceeded through rigorous academic testing to be recognised as finalists in the prestigious Vi Barham awards for Year 6 students of outstanding ability across the Wheatbelt. Congratulations!

Declan and Abbey with their Vi Barham finalist plates and certificates.

Literacy Support programs

Over the last 12 months, our school has initiated innovative support programs for students who experience problems with reading and spelling. Students with learning difficulties receive individual support with one-on-one tutoring programs with trained teaching staff. These programs include scientifically validated programs including Multilit and programs with a strong research base such as Lit Booster and the Intensive

Reading program. Students participate in these programs have made excellent progress and are now catching up with their peers.

Learning Support programs

At Beverley District High School, our inclusive education philosophy ensures that students with special needs have the opportunity to develop functional life skills, work skills, independence, confidence, and positive self-regard.

LSP students enjoy the wares at T-Bone and Sons.

Students in the Life Skills program are valued contributors to the school and are active participants in the wider Beverley community. We appreciate the friendly encouragement of businesses in town who enjoy the custom and interactions of our LSP students during their weekly trip to town to complete shopping and administrative tasks on behalf of the school.

Formal Workplace Learning programs

Jessica Appelbee with co-workers at the Shire of Beverley during her work experience placement.

Year 10 students at Beverley District High School have enjoyed a head start towards achieving their WA Certificates of Education, and gained invaluable career experience at the same time, as part of the formal ADWPL (Workplace Learning) placements that they have had the opportunity to undertake this year. The workplace learning program at Beverley would not be possible without the generous and enthusiastic support of Beverley businesses, and we thank them all for their participation. Sincere thanks to

- Shire of Beverley
- Avon Trading
- Beverley Pharmacy
- Hydraboom
- Beverley Pharmacy
- Beverley CRC
- Beverley Health Service
- Beverley District High School

Brandon Devenish hard at work during his formal work placement as a gardening and grounds trainee.

Targeted Early Years programs

Making sure that students begin school with confidence and success is critical to future achievement and engagement. The best time to help students who might be at risk for experiencing difficulties with literacy and numeracy is early on, right at the very beginning of school. Early support programs are much more effective than waiting until students begin to struggle. For that reason, at Beverley DHS we support students and families during Kindergarten and Pre-Primary, providing assistance when required with early skills in understanding, speaking, and learning about sounds and letters, socialisation and play.

We work closely with local speech pathologist Jo Johnson and the Wheatbelt Child Health team to plan and run onsite speech and language programs for students. This regular practice helps to make sure that students make the best possible progress and have a great start to their schooling.

2016 Class structures:

Kindergarten, Pre-Primary, Year One, Year Two, Year Three, Year Four/Five, Year Five/Six, Year Seven/Eight, Year Nine/Ten.

For more information about class structures and timetables at the school for 2016, please contact Wendy Moore or Aliesha Murray at the school.

2016 INFORMATION SESSION INVITATION

Come along to afternoon tea from 2.30pm on Tuesday 8th December to find out about programs and meet your child's 2016 classroom teachers.

WANTED: CANTEEN CO-ORDINATOR for 2016

This paid position is for 2 days per week, 4-5 hours per day, during term times. The co-ordinator will work closely with the P&C canteen committee. The role includes menu planning, ordering, volunteer co-ordination, financial handling, food preparation and cleaning. For a job description or to register an expression of interest, please contact Cara Hammond on 0400 762 889.

Beverley Opportunity Shop

The Beverley Hospital Auxiliary committee would like to say a huge "Thankyou" to all those that have supported us throughout the year.

Our helpers that have given so generously of their time; those that continue to donate items to the Opportunity Shop; and of course our loyal supporters of the shop. Without all of you we would not be able to financially assist our local hospital and associated services.

If you too would like to help, or maybe you are currently helping but find yourself unable to continue in 2016, please contact Mrs Dawn Edwards on 9646 1120, so a roster can be drawn up.

We wish everyone a very happy and safe festive season and we hope to see you all again in the new year.

The Opportunity Shop re-opens on Friday 5th February 2016 at 2pm - 4pm.

SATURDAY 12 MARCH

Your friends have been talking about it, your family are dropping hints and you are probably thinking I could never make it even though it will look great on my resume.

Then start training now!!

There are heaps of websites with training and nutrition hints and tips, some even offer training schedules from novices to top athletes. Check out www.triathlon.org.au, below is an extract from their website.

Top Training Tips

A common obstacle faced by people training for a triathlon is they may be strong in one leg whether it be bike, swim or run, and weaker in the others making it hard to decide which to focus on the most. It's important to alternate and train in each leg of the triathlon. While you should dedicate extra time to improving your weakest, you should also train on your strongest leg. Most people find this more enjoyable because it will be easier and it will help motivate you to stick to your training plan. It's much easier to do something you are familiar with than something you're not good at.

It's important to remember you should be able to maintain a conversation with someone during training while you're running or cycling. If you can't you should slow it down and pace yourself.

Beverley Supermarket & Liquor

Season's Greetings

The Pepper Family and Staff sincerely thank all their customers for their valued support and friendship and we wish everyone a joyous Christmas and a safe, happy and prosperous New Year.

TWILIGHT BOWLS

Did you enjoy Corporate Bowls?

Well during January on Wednesdays and Saturdays the Beverley Bowling Club have Twilight Bowls.

It is a fun evening and an enjoyable way to play lawn bowls.

Everyone is welcome and there will be plenty of experienced bowlers to give you tips should you require them.

So put your name up on the board at the club by 1pm that day or just turn up a bit earlier and enjoy.

***** CRC News and Events *****

Local business owners don't miss out on this advertising opportunity with the new **2016 Beverley Community Directory**. CRC business members receive 10% discount. Contact Sam on 9646 1600 or email: accountsbcrc@westnet.com.au for prices and sizes available.

The end of year **LEGO Club** party will be on **Monday 07 December** from 2.45pm onwards. It will be a **Water Party** so be sure to pack your bathers, towel, hat and a change of clothes. Parents please RSVP for catering purposes to Ashleigh on 9646 1600.

You can **win a \$200 Kitchen Warehouse** gift voucher at the annual cooking competition on Friday 11 December. This year we have chosen Sausage Rolls much to the delight of the judges. *Please note that if you are doing test runs before the day Ian at the local police station is on board with taste testing.* Competition terms and conditions are outlined on the poster on page 19 of this Blarney edition and the winner will be announced at the Annual Family Christmas Concert.

Don't forget the last cooking with the guru class is on **Wednesday 9 December** so if you want to learn how to prepare and host a **Summer Dinner Party** on a budget this is for you. Bookings are open now call the CRC to reserve you place.

We say farewell to our work experience student Eirene, it was a pleasure having her in our workplace.

In 2016 we will have our **wide format printer** and **sublimation printer** up and running. You will be able to put what you like on to hats, shirts, mugs, stubby holders etc. Product examples and prices will be available at the centre soon.

Remember to start training now for the **Triathlon** on **Saturday 12 March 2016**.

BEVERLEY PATCHWORKERS AND QUILTERS

Once again we have been through the difficult process of searching for a new venue, a permanent place for the Group to meet and to house our growing collection of books and necessary items to practice our craft. And now we have finally moved! So farewell Moash Building, we enjoyed your airy space full of light. Thank you to the school personnel for letting us stay awhile. Our gatherings each week are very important to the ladies, a time when we can be ourselves and open our minds to creative possibility. We enjoy the banter with much laughter and friendship. This move has shown us how well we work together and how much we can achieve. It is amazing to see many ladies clean up in record time and can quickly resolve the trickiest quandary.

We still have some sorting out to do and serious culling of over stocking of very small left over pieces of materials and piles of magazines. Already some of these have disappeared into the stashes at home. Some of us cannot part with anything.

We are now at the Lodge on the Great Southern Highway and sincerely thank the Lodge members for their kindly welcome and flexibility to our needs. Our liaison with Fred has smoothed our path to their door, thank you for your considerate support.

Many of us have been involved in making two large quilts from a collection of much loved blankets for a member of our community. We all sat one day and made many simple blocks. While this project is not finished the idea and the completion of one of the tops is very effective. This stunning quilt has been recently completed by Denise in red, black, greys and white.

Please phone Jan 9646 0796 for information if you would like to join us. We are at the Lodge on Tuesdays from 10am till about 2.30pm.

Crana Aboriginal Corp. Inc.

Firstly on behalf of CRANA we wish all of the Beverley residents a happy and peaceful and meaningful festive season and a happy 2016.

Matters that need attention

1. Certificate of Aboriginality: Mal Roberts can only issue this certificate, under the guidelines of Aboriginal descent related to and accepted by the local people and CRANA's Official Seal (stamp) is affixed to the documents.
2. Consumers matters: for some moths new indigenous advocates, case examples, TV reports etc.
Advise:
 - a. Do not release personal ID information over the phone or or verbally agree to purchase any items through call centres or telco's: seek advice.
 - b. Suggest get further product info from the Perth offices or online.
 - c. Legal advice or issues please contact ALS or come and see me and I will do this on your behalf. As you are all aware CRANA does not offer legal advice.
3. Disturbing TV news re: justice system in the Northern Territory 40% more young indigenous than non-indigenous people are spending time in prison for minor offences. Some who wait 18 months for a court hearing, other have no legal representation and who do not understand the justice system - indigenous elders and legal practitioners and calling for changes to the current legal system.
4. Radio (RN ABC) have cited that there are cases of indigenous young persons in solitary confinement, (18 hours in you cell) without having being charged.

Hi All,

Both the Clydesdales here at Avondale are looking well and both seem to be in great condition, it must be all the wheaten hay the Avondale Farm Project Committee grew as both boys look amazing.

The weekend of the 14th was a particularly busy weekend with heaps happening, mother nature seem to get a little upset which resulted in a couple of power poles down and some power lines along with heaps of trees and some other minor damage. A massive thank you to the local Western Power crew who were here until late at night along with Karl Smith from Beverley Electrical who all managed to get Avondale back on track and re-connected before the weekend was out. Your work was highly appreciated.

In return mother nature put on a fantastic light show that night which worked in perfectly for the Beverley Photography Group who were hosting an Oz Light Junkies Workshop that night. Some of the final shots were truly amazing and I hope all had a great time.

Sadly our November open weekend never went ahead and I apologise for those who planned on visiting Avondale that weekend. Summer these days seems to be much hotter compared to years ago and with harvest in full swing Avondale has been rather busy these days.

Everyone here at Avondale including Robbie and Comet would like to wish everyone a Merry Christmas and a Happy New Year.

I would like to thank all the Beverley community for all your wonderful support throughout the year and we look forward to re-opening in April 2016.

Many thanks Mon.

BEVERLEY HISTORICAL SOCIETY

The November meeting had 11 members attending. It is the beginning of a new financial year for the Society so annual subscriptions are due. Members voted at the AGM for subscriptions to remain at \$10 per person. New members are always welcome.

WW1 Treasures: Following the meeting we packed up & returned all the WWI family keepsakes we had been loaned for our WW1 "Remembering Them" exhibition. We packed them in acid-free tissue paper & placed them in an acid-free box to ensure these century old items are properly preserved for future generations. The Society wishes to sincerely thank the Smith, Mann, Sheehan and two Edwards families for their kind support.

Australian Light Horse: On 17 November the Society hosted an Australian Light Horse (ALH) Information Session. Our speaker, Delys Richards, from Bakers Hill told 30+ listeners stories of the men of the ALH with a particular emphasis on the 10th LH, WA's own Light Horse division. It is 100 years since the ALH left their horses in Egypt & went to assist those at Gallipoli. They were there for the Battle of the Nek in early August at which so many lost their lives including 4 men from Beverley. Ms Richards also told us of her 2007 participation in a re-enactment of the Charge of the Light Horse into Beersheba in 1917 in what is now Israel. Everyone found the afternoon very interesting.

Olden Days: On 24 November the Year 2s from Beverley District High School will have been welcomed for their practical experience of washing, cleaning, writing & dressing in the "Olden Days" at the Dead Finish Museum.

Christmas Event: Our Christmas function is a departure from previous years. Please meet at the Dead Finish at 9am on Wednesday 9th December to car pool to a surprise location for morning tea.

Next Meeting Change: We have brought forward our next meeting to Monday 7th December at 9am. After a short meeting the Museum displays will be covered up for the 3 month summer recess.

Healthy Body – Healthy Mind

By Valerie Gunsch
Dip. C.N.C. Mac. H.V. P.P.
Clinical Nutritionist, Profemme Practitioner

In an ideal world...you would have experienced the wonderful taste of fresh juice. In an ideal world you have replaced one or two meals a week with a mean green or a purple monster smoothie. In an ideal world you have increased the raw meal portions in your meal plan and in an ideal world you have reduced meat consumption, reduced your intake of junk food, minimised the use of salt, have stopped the oversweet desserts/cakes/, have reduced alcohol and quit smoking!! How wonderful would the world look now, if we would live in such?

Let's not be kidding, we are not in such an place, we all struggle to change our behaviour, it is much trouble to replace old habits and it is a hard way just to pick yourself up everyday and go for the 'New You'.

Take heart, many things in life take just a bit longer. Look around you and look at generations before you and after you. The children of today are obese, sick and at risk of getting swept away with all the electronic gadgets, they are losing the connection to this natural world. Look at the older generation, so many are riddled with the same problems, obesity, mental problems and all the illnesses which are causing havoc with daily life. Compare young and old and you will see there is not really much different apart from the years between them.

We are bombarded with bleak messages all the time, get lean, quit this and that, stop doing what ever you do and do this, good fats are bad, good fats are great, eat the superfoods which will give you a long life, o dear it is sometimes all too much. So, where does this leave me you are asking? Well, there is only one thing you can do. You can do what you can in your own way. Be aware of the media brain washing, be aware of how you feel on average, be aware that whatever you do might either be bad for your body in the long run or be good for this wonderful body if you make it a daily habit to sit down and listen to it. When you sit down for a meal, look at your plate. Is the food in front of you looking colourful, lean, vibrating with freshness and you feel your saliva collecting in your mouth or do you have a plate in front of you which is cooked death, oozing with fat, full of brown/black/grey matter where you can actually not recognise what you are eating. Surely it can not be this hard to find out what is better?

I have come to the end of this series. I hope I have given you the courage to do what is best for you and I also hope I have inspired you to a lifetime of happy eating, of feeling great when you wake up, of a way to do all you ever wanted to do, be healthy, happy and to live a long and wonderful life. I thank those of you who have read my outpourings and have given me favourable comments.

Be Blessed
Valerie Gunsch

Lyme is an old disease, not a new disease.

Diagnosis of borreliosis relies on clinical symptoms, a history of a tick bite, though not always known. Confirmation with testing is often not possible. Borrelia – the bacteria that causes Lyme disease – is the only known bacteria with 21 or more plasmids, 12 linear and 9 are **circular***. These plasmids code for active genes, pseudogenes and phages (bacterial virus) which can be used for survival and assist with dissemination in the host. They can also assist in exchange of antibiotic resistant genes. This genetic variability decreases the reliability of diagnostic tests to confirm diagnosis.

Read more about [Testing](#).

**To compare, [Staphylococcus aureus](#) – the bacterium that causes antibiotic resistant golden staph infection – has only one plasmid. So imagine the plasmid capability of Borrelia bacteria.*

Borrelia also has the unique ability to release blebs which are fragments of DNA enclosed in a membrane that is pinched off from the bacteria. They may contain plasmid DNA incorporated into the genome by horizontal transfer. The role of blebs is not clear but they may contribute to the inflammatory response in the body and to tissue damage ([MacDonald & Kuehn](#), 2012; [Charon et al](#), 2009)

Borrelia can live in a symbiotic fashion in biofilm with other micro-organisms ([Sapi et al](#) 2012). Pathogen colonies living in biofilms can be resistant to antibiotics.

Borrelia reproduces very slowly. Borrelia infections are treated with antibiotics. For more information see [Current Treatments](#). The common penicillin-based antibiotics (Beta-lactams) kill bacteria with a cell wall and when the bacteria are dividing. However, Borrelia has a slow reproduction time. Although we do not know the rate in host tissue (in vivo), in lab experiments (in vitro) it has been shown to divide once every 24-48 hours ([Jutras et al](#), 2013). This is unlike Streptococcus throat bacteria which reproduce every 20 minutes. Streptococcus bacteria need to be treated for 480 life cycles which equals 7 days of antibiotic treatment.

So, 480 life cycles of Borrelia would be close to 480 days.

In theory to treat Borrelia infection for 480 life cycles you may need to take antibiotics for 2.5 years in order to get the infection under control. The aim of antibiotic treatment is to decrease the bacterial load so that the immune system can control the infection. Therefore earlier Lyme and other tick borne infections are treated faster the recovery.

The treatment of neuroborreliosis is even more complicated as penetration into the central nervous system (CNS) by many antibiotics is limited, so the treatment time for neuroborreliosis would be more than 3 years. This is not unlike mycobacterium tuberculosis (TB) infection in the CNS where treatment involves more than 3 years of antibiotics. (It is believed that Trench Fever in WW1 was the same bacteria as Lyme).

(With thanks to the Karl McManus Foundation for this text. There is more reading available on their website at www.karlmcm Manusfoundation.org.au).

New program for expectant parents arrives in the Wheatbelt

Expectant parents in the Wheatbelt now have access to a free program to help ease the transition into parenthood.

Towards Parenthood has been developed by The Parent-Infant Research Institute (PIRI) to prepare soon to be mothers and fathers for the emotional, social and psychological changes that may arise as they become parents.

Sarah Dixon, local Towards Parenthood coach, said that this program is unique. "The focus is not on the physical aspects of the pregnancy, delivery and postpartum but rather more broadly on assisting parents to manage the complex demands of parenthood."

The program has been brought to the Wheatbelt through a successful joint funding application by the Wheatbelt Mental Health Service, SIHI Maternal Health Project and Wheatbelt Population Health as part of the Wheatbelt Perinatal Project.

Towards Parenthood consists of a self-directed workbook, supported by optional weekly contact by trained coaches. Topics include: Towards motherhood, Towards fatherhood, We're expecting! Preparing for parenthood, Caring for yourself is caring for your baby, From lovers to parents: managing relationship changes, Keeping some balance in your life, Healthy thinking, health self, Caring for your newborn baby, and Welcome to 'The Club'!

The program has been assessed by PIRI through randomised control trials. "Results show a decrease in depression, anxiety and stress associated with parenthood, and an improvement in recovery from postnatal depression", said Sarah.

All expectant parents in the Wheatbelt are eligible to take part. For more information, or to receive your free workbook, contact Sarah Dixon on 9690 1320 or sarah.dixon@health.wa.gov.au

York Dental Surgery

Now located at the York Wellness Centre (Old Primary School) 6 Howick St York

Opening Hours: Mon, Tues, Wed: 8.30am – 4.30pm Thurs: 8.30am- 12noon

Beverley Garden and Tree Society

There was no meeting for November as most members of the club travelled out to the Dale to a fundraiser Melbourne Cup luncheon. A wonderful day was enjoyed by all. With great food, great wine and a plethora of prizes, the most memorable being the best hat which was won by Geraldine Faithful. It was a beautiful hat but very heavy with all the roses.

As usual, the Dale ladies did us proud and everyone enjoyed the whole day.

We have one last function for the year and then we go into recess until March.

Our Christmas party will be on Tuesday 1st December at the Freemasons Tavern.

Try to keep cool through the summer and we will see you all in the New Year.

Beverley Playgroup

We are a fun place for babies and children aged 0-4 years old to come and meet new friends, learn from each other, problem solve, play with new toys and equipment, practise their social skills and learn the meaning of 'share'. It's not all about the children though, it's great for the adults to socialise, share tips and enjoy a cuppa as well. We are always welcoming new members. You are entitled to 3 free sessions before joining as a member. Children don't have to be brought in by a parent, it can be a grandparent, aunt etc. New members are always welcome!!

Christmas Party...

Thursday 10th December 9.30-11.30am. I believe Father Christmas will be calling in to visit all the Playgroup children!! More details about this will come out to members via email and also on our Beverley Playgroup Facebook page.

Playgroup closed over School Holidays...

Please remember that Playgroup is closed over the school holidays. We will close for 2015 after our Christmas Party session Thursday 10th December and reopen in Term 1 2016.

CBH Grain Donations...

We have recently relocated to the school. Yay!!! Whilst we are settling in nicely, there is a long list of things we need to do here, such as; erecting an outdoor shed to store all the outdoor toys and equipment, a sandpit, a bike path, playground equipment... the list goes on! The Playgroup committee have been actively fundraising for these over the year with raffles, a cake stall and catering for 5 different events. We would be most grateful for any grain donations to add to our fundraising.

How to donate grain to Beverley Playgroup:

- Log into CBH Loadnet
- Hover the Nomination on the blue menu bar
- Click on Donate in the drop down
- Choose the required account number and season from the drop down box
- Choose the relevant commodity and zone from the drop down box
- Select Beverley Playgroup #40410524
- Choose your acquirer, payment method and destination site from the drop down box
- Click select loads
- Nominate grain

If you would like any assistance with this, please contact Kelly Mann 9690 2989.

**Happy
New
Year!**

Hon Martin Aldridge MLC
Member for Agricultural Region

Media Release

11 November 2015

Emergency Services Volunteer Fuel Card to help volunteer groups by February

The *Royalties for Regions* Emergency Service Volunteer Fuel Card (ESVFC) will be rolled out in February next year, after a recent announcement of the application process timeline.

The Fuel Card, a Nationals WA election commitment, was announced earlier this year and will provide eligible brigades, groups and units (BGUs) with a \$2000 fuel card each year to support their services and volunteers.

Applications open on **Monday November 23** and will need to be submitted by **Sunday January 10**, with the first fuel cards to be sent out in February next year.

Nationals Members for the Agricultural Region, Hon Martin Aldridge MLC said the announcement came just in time for BGUs and residents preparing for the rapidly approaching fire season.

"The ESVFC is about providing emergency service volunteers, who often dip into their own pockets to help others, with a bit of support," Mr Aldridge said.

"This announcement is timely given summer is a particularly busy period for many of our regional volunteers."

Mr Aldridge, who has a wealth of experience in the emergency services sector, drove the ESVFC policy heading into the last election and has advocated for its swift introduction since his election in 2013.

He said the parameters around provision of the card would ensure the benefits ended up with volunteers.

"Responsibility for distributing the ESVFC amongst active, registered volunteers of the BGU will fall with the officer-in-charge," Mr Aldridge said.

"This ensures the fuel card will be fairly distributed to contributing volunteers."

The ESVFC is restricted to private or recreational fuel purchases only and must not be used to purchase fuel for an operational vehicle or vessel.

Martin Aldridge with Shire of Gingin emergency volunteers in September. (Photo by Gingin CRC)

For more information visit <http://www.dfes.wa.gov.au/volunteers/pages/fuelcards.aspx>

For media enquiries please contact Martin Aldridge MLC on (08) 9324 3155 or email martin.aldridge@mp.wa.gov.au

BEVERLEY HEALTH SERVICE

Working together for a healthier country WA

Every 3 years the Australian Council of Health Standards Survey (ACHS) survey the Region to assess our systems and processes and how we deliver care.

There are core criteria that must be met and a number of developmental criteria that health services should demonstrate they are working towards, however it is not a requirement to meet the developmental criteria.

We are very proud and pleased to advise that the survey team is recommending that Beverley Health Service has met all the standards 1 to 10 and the Mental Health Standards, all core and developmental criteria.

This is an exceptional result. A written report will be provided in the coming weeks and we will share the final outcomes and comments in the near future.

Thank you to all the staff and our community who welcomed the survey team and demonstrated to them that we do and continue to 'give the best care in the best place'.

BEVERLEY HEALTH SERVICE Home and Community Care (HACC)

About HACC

The HACC Service is part of the Beverley Health Service Multi-Purpose Service (MPS), in which the Commonwealth funding for residential aged care, HACC and State health care funding have been combined with the aim of providing flexible health services to meet the health needs of the local community.

Who can access to Services

The HACC target population comprises of persons living in the community who, in the absence of basic maintenance and support services, are at risk of premature or inappropriate long-term residential care, including:

- (i) older and frail persons, with moderate, severe or profound disabilities;
- (ii) younger persons with moderate, severe or profound disabilities; and
- (iii) their carers.

HACC service provided

Meals on Wheels, Home Help, Home Maintenance, Day Centre, In- Home Respite care, Local Transport

HACC Enquiries

For all HACC service enquiries please contact Bronwyn Noonan who is presently acting as HACC Coordinator at the Beverley Hospital between the hours of 08.30am - 15.00pm on 9646 3200

Day Centre Activities

Ladies have been busy completing items for the Rose show stall held on the 23rd October and knitting beanies and scarves for our Army Troops overseas. A card making day saw card made that are now to be sent to family members and friends in many countries of the world

The men have had a "pub lunch" in Cuballing where they also saw a Quinoa crop for the first time, and a couple of local drives to inspect harvesting progress.

Combined days have included Seniors Luncheon in York, Melbourne Cup Luncheon, and a visit to the Beverley Dead Finish to hear stories of the Light Horse.

The Beverley Day Centre will be closed from the 16th December 2015 - 26th January 2016

Our Values: Community | Compassion | Quality | Integrity | Justice

Country Women's Association

Beverley Branch

In 2015 it was a very fortunate year for our branch of the Country Women's Association.

Thank you to all those members who donated items for our Xmas raffle and a special thanks to Emily Miller who iced and decorated the Christmas cake so beautifully for us.

We have celebrated 90 years as a Branch of CWA and two of our members were recognized for having been members for 60 of those years.

A sad note to complete the year is to know that our treasurer, Teresa, will be leaving Beverley to accompany her husband, Ron and together they will be managing a station near Shark Bay. We are very grateful for the wonderful service Teresa has given to our Branch over the past ten years. It was great to see her efforts recognized with the presentation by State President, Mrs. Sara Kenny, of a Loyal Service award at our recent 90 year celebrations when we shared an Anniversary Dinner with Quairading Branch who also achieved 90 years of loyal service to their district.

OUR BIG NEWS is that we will continue our CWA commitment in Beverley in 2016 with a whole new concept.

We welcome new members and would love to see many new faces around the table.

2016 is to be a year of **fun and great friendship** with a host of new ideas which we know the community will enjoy and we look forward to welcoming new and prospective new members.

We know there are a lot of people in Beverley who do not know many other folk and would like to enjoy social interaction with other like minded ladies.

We look forward to helping you get together to meet others with similar interests to you.

Our next meeting - Thursday 10th December (and the last for 2015) will be held at the CWA Centre (opposite the Town Hall) for morning tea at 10.00am followed by a general wind up of the branch for the year.

Following the meeting, we look forward to having a **"Bring and Share"** lunch and some social time together before the summer recess.

Watch this space for the start of CWA in February or March next year. (TO BE ADVISED)

PRIMARY HEALTH SERVICES available to the community of Beverley

You can refer yourself or your child to the following health professionals:

Child Health Nurse - Phone 9646 3200 to make an appointment, Hospital Admin Staff will assist you in setting an appointment time (attendance Fridays).

Child / School Health – 9646 1210

Dietetics – 9690 1320

Occupational Therapy - 0429 466 224

Physiotherapy – a **Doctors referral is required** – Please send to PO Box 142, Beverley or drop referral to the Beverley Hospital (attendance Thursdays)

Podiatry – a **Doctors referral is required** Please send to PO Box 142, Beverley or drop referral to the Beverley Hospital (attendance Fridays) **

Social Work – Phone 9690 1320

Speech Pathology – Phone 9690 1321

- Services are provided at the Primary Health Building, on the corner of John and Forrest Streets, Beverley. There may be a waiting time for services.
- These services are provided by WA Country Health Service and are free of charge. (Please note that the Podiatry Service is a private practice and is not free of charge - there is a fee at first consultation but the WACHS/ Beverley Health Service do not get involved in taking fee payments – only assisting at receiving the referrals for appointment. The Doctor's referrals are usually faxed to the service provider, Como Podiatry, who contact the patient by phone and make an appointment).
- If you have any concerns about your own health or your child's health and development, please phone the relevant health professional to discuss your concerns.

Alternatively, you can speak to the Child Health or School Health Nurse, or your GP, to discuss your concerns and to determine the most appropriate referral.

Design plans approved for Beverley Health Service refurbishment

The planned upgrades to the hospital at Beverley Health Service are taking shape with schematic designs for the upgrades to the original building now completed.

The hospital's Health Services Manager, Michelle Bauer, said the planned upgrades under the Southern Inland Health Initiative would provide the local community with access to the latest modern medical facilities, providing safe care in an appropriate environment.

"The changes being made to our Emergency Department will make it easier to use, providing more streamlined access for staff and improving patient care," Ms Bauer said.

As part of the refurbishment, the current Emergency Department and procedure room will be combined to create a larger Emergency Department with a new resuscitation bay and acute treatment bay.

"Opening up the two rooms will mean staff can more easily attend to two patients in Emergency at the same time," Ms Bauer said.

The number of consult rooms for outpatient visits will be increased from one to three which means that allied health, which is currently situated in a separate building at the front of the hospital site, will be moved under the hospital roof and closer to the ED.

"These three consult rooms will be multipurpose rooms to allow consults for child health, mental health, and allied health including physiotherapy on site," Ms Bauer said.

"The rooms will also be telehealth enabled, so regional people can link with their specialists via videoconference for outpatient appointments, reducing the need to travel great distances for treatment."

Other refurbishments include a new meeting room, upgrades to the staff station and clean utility areas, a modified Ambulance entry, an upgraded kitchen with new equipment, and improved security across the whole site. The main entrance will also be remodelled and a new four-bay gopher (mobility-scooter) parking area will be added.

Chairperson of the Local Health Advisory Group and member of the District Health Advisory Council, Keith Murray was one of the key stakeholders invited to be part of a community consultation meeting regarding the refurbishment. "When local community members heard about the substantial upgrades they were met with excitement," Mr Murray said.

"The upgrades provide the local community with security and tenure to the future as far as health is concerned."

The Beverley Health Service redevelopment is funded by the State Government's Royalties for Regions as part of the half a billion dollar Southern Inland Health Initiative being delivered by the WA Country Health Service.

The Southern Inland Health Initiative capital works program is more extensive and complex than any project previously undertaken by the WA Country Health Service, with new builds and upgrades to 37 hospitals and health services in the Wheatbelt, South West, Great Southern and Midwest.

In the Wheatbelt, Merredin, Northam and Narrogin hospitals are being redeveloped as well as upgrades to 23 small hospitals and health centres across the region.

The next stage of the project, the building tender process, is about to get underway. Construction is due to start around March 2016. To find out more, go to www.health.wa.gov.au/southerninland.

SUCCESSION PLANNING - A SERIES OF COMMENTARIES [7]

Core values, goals and philosophy

As with many common ventures and businesses, there is generally a core set of values and goals that are unwritten and, in many instances, unspoken but are determined by the common values and conduct of the individuals involved in the business or venture.

It is our view that the members of a business will gain significant benefit from determining the core values, goals and philosophy of the Business so as to ensure that all members and participants in the venture can be guided and influenced by those core values, goals and philosophy. The early establishment of those values, goals and philosophy prepare a Business to manage, in a constructive, meaningful and objective manner, challenges that will confront the Business from time to time. Those values, goals and philosophy will also assist the owners and managers of the Business correct any deviation that may occur in the direction of a business over time, as can happen when one is working in the Business.

An example of a set of core values could be the values of honesty, integrity, respect for others, courage and loyalty.

An example of a core goal might be to ensure that the debt to equity ratio never exceeds 50%.

An example of the core philosophy of a farming business can be to establish and maintain a profitable, competitive and modern farming business that utilises world best practice at all times.

In our experience, the core values, goals and philosophy of a farming business already exist within the minds, attitude and culture of the farming family but are not openly discussed or documented. It is our recommendation that they be discussed and documented and regularly used to guide the direction of the Business.

Family farming business constitution

Once the farming family has considered the differing expectations of the generations that are represented within the Business and established its core values, goals and philosophy, it is our recommendation that the Business take the time to establish a constitution for the Business.

The constitution will document the expectations of the generations of individuals owning and operating the Business, the core values, goals and philosophy of the Business, the strategic plan for the Business, its rules of governance, policies and procedures, make provision for the resolution of disputes and for the transfer of ownership and control of the Business from time to time, whether it be occasioned by the entry of a new partner or partners, the retirement or disability of a partner or the death of a partner.

The constitution also has the ongoing benefit to the Business of guiding its advisors, including its accountant and lawyer, in the process to be utilised when assets of the Business are being transferred from one generation to another and the documents that will need to be prepared to effect the transfer of ownership and control.

The constitution will also assist your lawyer in the preparation of your Wills and Enduring Powers of Attorney as the latter documents must be consistent with the constitution and your own goals which should be, if the above pathway is followed, reflected within the constitution.

Project Numbat to look for signs of Numbats

For the third year in a row, Project Numbat has teamed up with the Department of Parks and Wildlife to search for numbat diggings at Boyagin Reserve near Brookton and Pingelly.

Project Numbat is a not for profit organisation which raises and awareness and funds for the conservation of our state emblem the Numbat. Less than 1,000 Numbats remain in the wild and they are most under threat by foxes and feral cats which predate on them. The Wheatbelt's important remnant reserves such as Boyagin Nature Reserve and Dryandra Woodland fortunately contain self-sustaining populations, however this cannot be determined without monitoring.

Over three full days, two teams of four people searched for numbat digs systematically across different vegetation types at Boyagin Nature Reserve. Numbats dig for termites and consume up to 20,000 termites per day via their long sticky tongue. These digs tend to be shallow, have a U shape to one side and occur in groups. This means it is important that the Project Numbat volunteers are well trained, as many different types of animal digs can be found. This monitoring technique can be used to determine the numbat's presence and density from year to year.

If you would like to know more about the numbat, Project Numbat and what you can do, then please visit our website www.numbat.org.au

Beverley Junior Cricket

The Beverley Junior Cricketers commenced their 2015 / 2016 season on Saturday 18th October 2015. The boys have training on Saturday mornings and they also play Inter Town cricket games between Brookton, Quairading and York.

Beverley has played very well winning two games and losing one. It always very pleasing to see the boys play with great sprit and sportsmanship.

Results from these games

Beverley 101 defeated York 84

Batting: Torin Drew 15, Mitchell Ashworth 9, Barclay Wilkinson 9, Fred Ochtman 5

Bowling: Barclay Wilkinson 1 for 3, Fred Ochtman 1 for 3, Torin Drew 1 for 4

Beverley 105 defeated Brookton 37

Batting: Liam Gollan 18, Toby Henry-Mourach 15, Sam McLean 13, Jayden Woods 9

Bowling: Sam McLean 2 for 0, Barclay Wilkinson 2 for 1, Woody Beckett 1 for 2

Beverley 101 defeated by Quairading 108

Batting: Liam Gollan 33, Jamison Ugle 23, Sam McLean 11

Bowling: Liam Gollan 3 for 1, Lenny Ugle 2 for 3, Seth Longo 1 for 5

Liam Gollan, Jamison Ugle and Samuel McLean have also been selected to represent the Avon/Merredin Cricket Associations in the Rutherford Shield. This is an Under 14's competition that assists the Wheatbelt Regional Cricket Council select a Wheatbelt under 14's Development Squad. The format is the boys will play 3 games against other associations within the region.

The first game was against played against Central Wheatbelt, which saw Avon/Merredin record a very good win. Avon/Merredin 6 for 181 defeated Central Midlands All Out for 133. The Beverley boy match details are below.

Liam Gollan	51 not out	1.2 over's	2 for 1
Jamison Ugle	27 retired	4 over's	1 for 15
Samuel McLean	7 runs	4 over's	0 for 10 1 catch

BIG ENOUGH TO DO THE JOB SMALL ENOUGH TO CARE

BEVERLEY REDBACKS FOOTBALL CLUB NEWS

The Beverley Football Club would like to wish all our players, members, sponsors, supporters and volunteers a very Merry Christmas and a safe and Happy New Year!!

A small gathering of members attended our Annual General Meeting on Friday 23rd October, which saw the Beverley Football Club record a minor loss for the financial year. There were a number of changes to our committee with the departure of some long-serving and integral members. Stepping down from the President's chair, however remaining on the committee is Damien Murray. We wish to thank Damien for his important contribution as Club President over the past two years, which has seen our Club sustain on-field success in reaching the finals. Off the field we have functioned efficiently and our Club has remained an enjoyable environment for our members. Departing the committee are Tim Kilpatrick, Brendan Minchin and Tim Seed, and we wish to thank these members for the significant input they have each made to our Club in their respective roles throughout their time on the committee. Jeremy Barrett-Lennard moves from Vice-President to President, and Chantelle Meade advances from the committee to Vice-President. We welcome newcomers Blake O'Meagher and Ryan Patterson to the committee, and we look forward to their contribution.

A notable departure from our team of volunteers is our Property Man Ron Napier, who served our Club for over 10 years in this role. The countless hours of commitment and dedication Ron has given to our Club has not gone unnoticed, and this has enabled our Club to function efficiently and orderly on training nights and most of all on match days.

To our out-going Co-Patrons in Trevor McLean, Keith Murray and Lew Shaw, our Club is grateful to you all for your time in this position. We welcome our two new Co-Patrons David Adams and Garry Miller. Both David and Garry are great ambassadors of our Club and we are very pleased to have them representing our Club in this role.

The Beverley Football Club is pleased to announce the re-appointment of David Johnson as League Coach for the 2016 season. David took our League team to the Grand Final in 2015 and hopes to further our achievements in 2016. We are also pleased to announce the re-appointment of Reserves Co-Coaches Daniel Fleay and Jarrad Minchin for the 2016 season.

2015/2016 Beverley Football Club Committee:

President – Jeremy Barrett-Lennard

Vice President – Chantelle Meade

Treasurer – Michael Barrett-Lennard

Secretary – Justin Mann

Committee – Matthew Davey, Blake O'Meagher (new), Dale Wansbrough, Damien Murray, Ryan Patterson, (new),
Stuart Murray and Adam Smith

Congratulations to:

- 🏆 Robert Bartram, who celebrated his 70th birthday on Tuesday 20th October;
- 🏆 Kira Strange, who celebrated her 25th birthday on Tuesday 3rd November;
- 🏆 Owen Marsh, who celebrated his 21st birthday on Sunday 22nd November;
- 🏆 Catherine Britza, who celebrates her 25th birthday on Monday 7th December; and
- 🏆 Josh Edwards, who celebrates his 21st birthday on Monday 21st December.

A reminder to all players, members, sponsors and supporters that you can now view all the latest news and events from the Beverley Redbacks by checking out our Facebook page at: <http://www.facebook.com/beverley.footballclub?fref=ts>

See you at the footy!!!

BRIDGE - Card Game

If you would like to come along and enjoy a game of bridge.

We welcome all new members to join us.

WHEN: Mondays **TIME:** 1.00pm **WHERE:** CWA Hall

Remote Industrial Training Services Pty Ltd

Phone: 0429 883 842

admin@remoteindustrial.com.au

www.remoteindustrial.com.au

NOW BASED IN BEVERLEY

We offer Perth prices in the Beverley area with no travel costs - we are usually much cheaper!

We provide industrial and training services in regional locations throughout Western Australia.

We are competitive with pricing and service and can work around your requirements.

We understand the requirements of small and large businesses and can quote on the following:

- ✓ **Is your fire equipment up to date?** Let us quote on fire extinguisher testing and supply, hose testing, and fire safety equipment and training
- ✓ **Need Test and Tag?** We can test and tag your electrical equipment for the safety of your staff and clients
- ✓ **Need an oversized load moved?** We are accredited WA pilot/escort for escorting wide and oversize loads in the area or throughout WA

For further information about services or an obligation free quote, **contact Steve on 0429 883 842**

Beverley Cricket Club

Welcome to the 2015/2016 Cricket Season. The Beverley Inkosi Design Redbacks once again has a young side and with a few old boys. The team are looking forward to a successful cricket season as we welcome a new player in Troy (Fluro) Granville to the club along with the return of Travis Ugle and Josh Sattler. We hope we to have Beau McLean and Daniel Gollan play most of the season too.

Beverley's first game for the season was against Brookton in Brookton.

Saturday 24th October 2015

Beverley 9 for 191 defeated Brookton All Out for 85

Beverley Batting: David Kennedy 50, Khyle Ugle 49, Robert Ugle 28

Brookton Bowling: Cliff Hartl 3 for 36, Liam Sweeney 2 for 25

Brookton Batting: Mark Blechynden 17 not out, Roy Yarran 15, Toby Blechynden 14

Beverley Bowling: Dale Wansbrough 3 for 12, Khyle Ugle 2 for 11, Stephen Gollan 2 for 16

Beverley won the toss and elected to bat. An opening partnership of 50 between Khyle Ugle and Mark Thomas saw Beverley off to a good start. Beverley continued to bat well and a 74 run partnership between Robert Ugle and David Kennedy was the backbone of the innings to see Beverley score 191 off the allocated 45 over's, with David Kennedy top scoring with a fine innings of 50. Beverley's opening bowlers in Dale Wansbrough and Daniel Gollan bowled very well at pace and saw Brookton lose their first wicket on 14 and continued to lose wickets at regular intervals to be all out in the 28th over for 85. Dale Wansbrough took 3 for 12 off 5 over's with Stephen Gollan and Khyle Ugle picking up 2 wickets each. Thanks to Mitchell Ashworth who played in his first senior game. Mitchell had a bat and made 0 not out and fielded very well.

Beverley's next game was against the very strong and last year's premiers in York at York.

Saturday 31st October 2015

Beverley All Out for 94 lost to York All Out for 228

Beverley Batting: Nick Jacobs 30, Troy Granville 13, Robert Ugle 10

York Bowling: Mike Mount-Bryson 3 for 36, Jason Reinheimer 2 for 7, Josh Creighton 2 for 11

York Batting: Terry O'Brien 60, Craig Warren 50, Alistair Draper 26

Beverley Bowling: Jamison Ugle 3 for 14, Luke Gollan 1 for 17, Daniel Gollan 1 for 25

Beverley was soundly beaten by York. Beverley lost early wickets and never recovered to be dismissed in the 45th over for 94. Nick Jacobs batted well making 30. York lost 2 early wickets however a 63 run partnership took York pass Beverley's total in the 14th over. Terry O'Brien played well for 60 and Craig Warren had 16 scoring shots for 50. Once again Beverley had a young player play in Jamison Ugle who performed very well bowling taking 3 for 14 from 4 over's and was 0 not out.

Saturday 7th November 2015

Beverley 7 for 197 defeated Seabrook All Out for 142

Beverley Batting: Stephen Gollan 72, David Kennedy 34, Dale Wansbrough 24

Seabrook Bowling: Jacob Kerr 2 for 40, Grant Brain 2 for 43

Seabrook Batting: Ryan Sheridan 34, Jacob Kerr 33, Grant Brain 29

Beverley Bowling: Dale Wansbrough 2 for 7, David Kennedy 2 for 10, Stephen Gollan 2 for 16

Beverley played their first game at home and won the toss and batted first on a lively wicket. Seabrook bowled very well early to have Beverley struggling at 5 for 53 off 20 over's, but two good partnerships between David Kennedy and Stephen Gollan of 67 and Dale Wansbrough and Stephen Gollan of 71 saw Beverley make 197 off 45 over's. Stephen Gollan played well in making 72 and had good support from David Kennedy (34) and Dale Wansbrough (24). Dale Wansbrough and Daniel Gollan once again had a great opening spell of fast bowling claiming the first 2 wickets with only 4 runs on the board. Seabrook also had two fine partnerships of 58 for the 3rd wicket and 41 for the 4th wicket to put some pressure back onto Beverley. When David Kennedy bowled Jacob Kerr Seabrook were 5 for 110, but unfortunately lost their last 5 wickets for 32

to be all out in the 37th over for 142. Thanks to Liam Gollan who was 12th man for this game and took 1 for 6 and fielded well.

Sunday 15th November 2015

Beverley 8 for 163 defeated Tammin All Out for 107

Beverley Batting: Luke Gollan 38, Beau McLean 36, Dale Wansbrough 30 not out

Tammin Bowling: Nick Caffell 2 for 12, Luke Button 2 for 28, Jack Charlton 2 for 33

Tammin Batting: Clint Nicholls 23, Chris Thompson 17, Cory Dixon 12 not out

Beverley Bowling: David Kennedy 4 for 42, Dale Wansbrough 3 for 7, Beau McLean 2 for 21

In hot conditions Stephen Gollan won the toss and elected to bowl first to the dismay of the team. This week saw the inclusion of Beau McLean and he opened the bowling with Daniel Gollan thus relegating the "Old Boy" Dale Wansbrough to first change. This worked a treat with Beau claiming 2 wickets in his 4th over to put Tammin on the back foot. Dale Wansbrough entered the attack after 10 over's and had an immediate impact taking 2 wickets in his first over. David Kennedy also entered the attack and bowled a mixed bag of deliveries but was able to take 4 wickets which saw Tammin bowled out for 107 in 25 over's. David ended with 4 for 42 from 7 over's with Dale taking 2 for 7 off 5 over's. Beverley's innings didn't start well losing Mark Thomas on the 4th ball for 0. A 33 run partnership between Luke Gollan and Robert Ugle steadied the ship until Robert was out for 11. A further 33 was added between Luke and Daniel Gollan taking the score to 66, however Beverley lost 3 wickets on this score. With the pressure starting to mount Beau McLean and Khyle Ugle batted extremely well to have a 53 run partnership and to take Beverley pass Tammin's score. This enabled Dale Wansbrough (30 not out) and Stephen Gollan (1 not out) to bat out the remaining over's and takes Beverley's score to 8 for 163. Special mention must be made to our young players in Luke Gollan (38), Daniel Gollan (11), Beau McLean (36) and Khyle Ugle (16) who played very mature and important innings. Thanks also to Graeme Lewis who played and made 1 run, dropped a catch, but enjoyed himself.

Sunday 22nd November 2015

Beverley 4 for 170 defeated Quairading All Out for 97

Beverley Batting: Khyle Ugle 78, Travis Ugle 45 not out, Robert Ugle 21

Quairading Bowling: Craig Anderson 2 for 32, Tom Hadlow 1 for 10, Shaun Simpson 1 for 32

Quairading Batting: Glen Haythorntwaite 18, Rob Crombie 15, Troy Newick 12

Beverley Bowling: Dale Wansbrough 2 for 4, Toby Henry-Mourach 2 for 3, Liam Gollan 2 for 10

Once again another hot day greeted players from both teams in Quairading. Beverley batted first on a wicket that offered assistance to the quick bowlers. Beverley lost an early wicket in Mark Thomas when he was bowled for 1. This saw the start of the Ugle batting display, as Robert joined Khyle to add 48 for the 2nd wicket until Robert was bowled for 21. Travis then joined his son and they batted extremely well in adding a further 64 runs, until Khyle was caught for a great innings, for a young player of 78 in the 38th over. Beverley added a further 42 runs off the remaining 7 over's, to be 4 for 170 after 45 over's, with Travis Ugle remaining 45 not out and Dale Wansbrough 6 not out. Dale Wansbrough and David Kennedy opened the bowling and bowled well once again claiming wickets at regular intervals to have Quairading 4 for 34 from where they never recovered to be all out in the 30th over for 97. As there was a number of player unavailable there was a need to play four of our under 13's in Liam Gollan, Jamison Ugle, Toby Henry-Mourach and Lenny Ugle. These boys showed their skills off in the field and when they bowled, with Liam and Toby both take 2 wickets, Lenny 1 wicket.

Once again it has been very pleasing to see many of our Junior's willing to play senior cricket and doing so well when they have played. Congratulations to Daniel Gollan who recently played for the WA Country Colts against Mount Lawley in the WACA's Colts League. The WA Country Colts have won their first 2 games and now play the very strong Wanneroo District side in Harvey on Sunday 13th December 2015.

Upcoming Fixtures

Sunday 6th December Beverley vs. York Beverley

Sunday 13th December Beverley vs. Brookton Beverley

Sunday 20th December Bye

Saturday 30th January Seabrook vs. Beverley Brookton

If you are interested in playing cricket this season Beverley has training on Friday nights at the Recreation Ground commencing at 5.30pm.

Beverley Bowling Club

On Sunday 1st November the Beverley Bowling Club hosted the **Avon Trading Mixed Pairs Championship**, with 10 teams contesting in the event. The club wishes to thank Peter and Vicki Jenkin for their generous support. Only one team won all their games to be the winners and that was Louis and Sheridan Irvine with 6 points. Four teams ended with 4 points and the eventual runners-up were David Bell and Glenys Hastings with 37 shots up from Geoff Bremner and Verna McKelvie-Wilson with 12 shots up. The other teams on 4 points were Royce Edwards and Lesley Heal and Rodney Ware and Vicki Jenkin. An enjoyable day was had by all who attended.

All of the Beverley pennant teams both men's and ladies are currently in the top 4 in their respective divisions to date. Keep up the good work.

The men have played their championship pairs elimination rounds and the finals will be completed at a later date.

The ladies commence their singles championship play-offs on Wednesday evening the 25th, then all the following rounds will be played on a Tuesday evening in December due to late night shopping on Wednesday evenings.

Best wishes go to Marg Peck and Glenys Collins and teams playing in the ILRR Pairs for Avon Valley at York on the 28th and 29th of November, against the rest of the Eastern Zone teams.

PLEASE NOTE All Mixed Social Bowls scheduled for Sunday afternoons at 1.30 start, will be changed to a 5.30 start due to the hot summer conditions - all new and intending bowlers(i.e. Corporate Bowlers) will be welcome, as well as members.

To enter please phone Captains
Geoff Bremner 0428 555 863 or
Glenys Collins 0417 910 723 by 5pm.

Twilight Bowls is scheduled for Wednesday and Saturday evenings throughout January, all welcome - contact either of the Captains. Flyer elsewhere in Blarney.

Remember also the **Elders Mixed Open on New Year's Eve** come and enjoy an evening of bowls and see in the New Year.

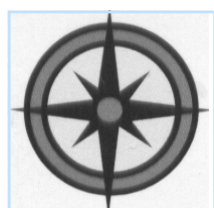

Winners of the Avon Trading Mixed Pairs Championship Louis and Sheridan Irvine with Sponsor - Vicki Jenkin

BEVERLEY REDBACKS HOCKEY CLUB

As 2015 draws to a close, the Beverley Redbacks Hockey Club would like to wish all our Sponsors, Supporters, Players and Families a very Merry Christmas and a Safe and Happy New Year. See you all next year!!

2015/16 FUNDRAISING

Harvest Grain Donations

The Beverley Hockey Club has started fundraising for our long term goal of having our very own hockey field in Beverley. The Club has set up a Grower Number through Loadnet, where Harvest Grain donations are welcome to be made, to help us achieve this goal.

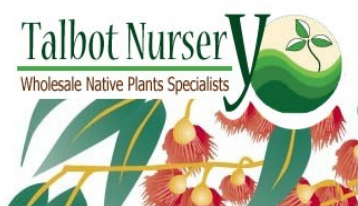

If you have any left over grain from filled contracts, the Hockey Club would greatly appreciate any contributions the farming community could make.

HOW DO I DONATE GRAIN TO THE BEVERLEY REDBACKS HOCKEY CLUB

- ⇒ Log into CBH Loadnet
- ⇒ Hover over Nomination on the blue menu bar.
- ⇒ Click on Donate in the drop down.
- ⇒ Choose the required account number and season from the drop down box.
- ⇒ Choose the relevant commodity and zone from the drop down box.
- ⇒ Select **Beverley Redbacks Hockey Club #40408031** to which you'd like to donate from the drop down box.
- ⇒ Choose your acquirer, payment method and destination site from the drop down box
- ⇒ Click on select loads
- ⇒ Nominate grain

If you would like assistance with completing your nomination you can contact Kelly Mann – Email: kelly.mann@cbh.com.au or Phone: (08) 9690 2989

If you want to stay up to date with any Hockey News, please register your email address by emailing beverleyhockey@live.com.au or why not 'LIKE' our Facebook Page, just search 'BEVERLEY REDBACKS HOCKEY CLUB' and be kept up to date.

Your Beverley Nursery

Native seedlings for revegetation, bush foods and plantations.

- ✓ Our website is now fully operational - order on line!
- ✓ Tree guards and fertiliser pills
- ✓ Tree planting service available

E-mail: sales@talbotnursery.com.au
or phone/fax Lisa on 9646 1716.

Beverley IT

Making IT Simpler

I'll come to you - Serving Beverley, York & district

- Can't find your files?

JUNIOR COACHING

With our regular Junior Coach unavailable our fantastic Men's Captain "Lewie" took it upon himself to undertake some skills practice and coaching with any child who was interested during October and November. We had plenty of keen little players who enjoyed the opportunity to have a hit and improve their skills. Thank-You so much Lewie and all the other members and parents who helped out.

CBH LADIES DOUBLES OPEN DAY

A fantastic day for the ladies from Beverley and surrounds to enjoy some super tennis and some socialising. Thank you once again to **CBH** and **Jane Murray** for sponsoring this super day. A very big thank you to Rob De Gruchy who always has the courts looking fantastic, our great barman John Starling and a very big thank you to our kitchen angels Mary Blechynden, Delys Kilpatrick and Leita Barrett-Lennard. Also a big thanks to Chris Mann who organised the raffle down to the last "T" and wasn't able to attend the day and play! Thanks to the members for your great efforts – we hope everyone had a great day
