Heroic

BEVERLEY

Heroic
BEVERLEY

Long ago there was a race, The Beverley, established in 1897. It had many race formats: Beverley to Perth, and Perth to Beverley, shorter rides for the juniors, and different clubs running, until the last race in 1999. But in 2014 "The Beverley Heroic", the new spring classic challenge, was born. We now have the Race, Cyclocross, 50 and 100 Mile rides plus a town ride. All who ride with us are the Beverley Heroic. Why don't you be Heroic too?

Saturday 13 October

- 10.00am Race registration in Town Hall
- 11.00am The Beverley" Road Race starts**
- 2.00pm Beverley Race- Historic Display - Free
- 2.00pm - 4.30pm Retro Bike Show**
- 2.00pm Campsite opens
- 3.00pm Beverley Race presentation- Town Hall
- 3.00pm Cyclocross** - CX at the Tennis Club
- 3.50pm Kids CX- Under 13 Race
- 4.20pm CX Curious - any bike, any body
- 5.10pm CX Heroic - cyclocross bike only
- 6.00pm CX Race presentation at Tennis Club
- 7.30pm Beverley night ride**

Sunday 14 October

- 6.30am Start 100 miles "The Heroic"-
- 7.30am "The Heroic" Breakfast-York Olive Oil Co.
- 8.30am Registration 50 miles "Brevet Populaire"
- 9.00am Start 50 miles "Brevet Populaire" *
- 1.30pm Beverley Heroic Riders return -
- 2.30pm Presentation

Be verley WA Be very you

ROULEURS

It's time to warm up that bowling arm and stretch those leg muscles in readiness for the **Shazmac Plumbing Barefoot Bowls** in November.

The competition will be held on Friday evenings, namely 02, 09, 16 and 23 at 6.15pm for 6.30pm start. Time to talk to your workmates, neighbours, friends and family to organise teams of 3. To nominate a team/s or as an interested person please contact either Geoff Rayner on 9646 1420 during office hours or Mike Carthew on 0429 496 135, alternatively place your name and contact phone number on the notice board at the Beverley Bowling Club. Bowls will be available for use.

OHS Award

Congratulations to Shire staff for their recent Occupational Health & Safety Award received from Local Government Insurance Services. Sound work practices are helping to reduce insurance premiums and provide rebates back to the Shire for safety related initiatives such as the safety railing installed on the town hall roof for air conditioner servicing and maintenance.

IT Upgrade Completed

It is fortunate that a budgeted upgrade of the Shire's IT system was completed early in the 18/19 financial year. In September when everyone was busily paying their rates the Shire was subjected to a Crypto lock which put the office out of action, however with the backups and support provided by Focus Networks who are the new IT provider, everything was back up and running by the end of a day. Several other shires were also subjected to the same problem and are understood to have taken days, and in one case weeks, to get things back in order.

River Park Picnic Area Theft

Council was in disbelief when informed about the theft of two aluminum bench seats from the river park picnic/barbeque area. The benches were bolted down so the theft was planned and deliberate. The Shire, and indeed our community, work hard to improve facilities for all to enjoy so it is distressing to know there are, or have been, such inconsiderate misfits about. If anyone has information or can help with enquiries please come forward.

Silver Centenary Model

Delivery and installation of the Silver Centenary Model Aircraft which was commissioned by the Shire for inclusion in the Cornerstone Museum/Visitor Centre is expected to occur later in October.

Caravan Park Power Upgrade

A power upgrade has been completed at the Beverley Caravan Park. The increase in use (and popularity) of the Park over the last 10 years is significant. You may have also noticed increasing use of the free 48 hour stopover at Apex Park. Feedback received by the Shire from users of both locations is very positive.

Local Government Elections 2019

Just a reminder your next opportunity to participate in Local Government Elections is October 2019. Non-resident rate payers need to be registered with the Shire in order to vote in Shire of Beverley elections. For any potential candidates there are 4 elected member terms which expire.

York Williams Road Giveaway Signs

Councils concern about the "give way" intersections on York Williams Road with Westdale Road and Waterhatch Roads was followed up with Main Roads WA to enquire about the possibility of introducing stop signs. This concern has been reinforced by information from several situations when vehicles travelling on York Williams road haven't abided by the give way signage. Advice received from Main Roads was that the site distances on both intersections are well above recommended for stop control and there is no recorded crash information for either of these intersections for the last five years to support such a requested change. Ironically the purpose of Councils concern is to prevent accident or death. Have you experienced any issues at these intersections?

Town Hall Flag

The Australian Flag was flown full mast at the town hall early in September to recognize National Australia Flag Day.

Avondale Ag Museum

The Shire agreed to become custodian of the large Agriculture Museum at Avondale on behalf of the community in 2009 when management of the property was transferred from the Department of Agriculture to the National Trust WA. Community concerns were that the collection remains intact, at Avondale and available to the public. There were many volunteers helping, however this interest has gradually waned. The museum houses a significant collection of items representing development of agriculture in Western Australia, particularly the Wheatbelt and you have an opportunity to be involved in discussions about the future of it at a Community Forum in October, details elsewhere in the Blarney.

Cr Dee Ridgway
Shire President

GYM MEMBERSHIPS

Now is the perfect time to get your gym membership.
Available now from the Shire of Beverley office.

INVITATION TO AVONDALE VOLUNTEERS MORNING TEA

The Shire of Beverley is pleased to invite all members of the public to a morning tea in honour of our volunteers and their dedication to AFPA and Avondale Farm.

Thursday 25 October 2018 at 10.00am
Amenities Building

During the morning tea the National Trust will update everyone on the Avondale Reactivation Proposal. New volunteer arrangements for the Shire managed Avondale Agricultural Machinery Museum will also be outlined. Comments and discussion from existing and interested community members are welcomed.

Please RSVP to the Shire of Beverley, 9646 1200 by Thursday 18 October 2018

FIREBREAK MANAGEMENT

DO YOU NEED ADVICE ON PLANNING AND INSTALLING YOUR FIREBREAKS?

TIMEFRAME	FIREBREAK TYPE		HAZARD REDUCTION
	TILLAGE	CHEMICAL	
Opening rains + 4 weeks		Spray with Glyphosate (Roundup) + Atrazine with 1% Ammonia Sulphate	Spray with Glyphosate (Roundup) + Atrazine with 1% Ammonia Sulphate
First week of August	Plough / Scarify / Rotary hoe firebreaks	Check for weeds type. Re-spray if needed	Plough / Scarify / Rotary hoe property
End of August	Crash graze by introducing stock to control weed growth on property	Check for weeds type Re-spray if needed	Crash graze by introducing stock to control weed growth on property
Mid-September	Re-work the firebreaks	Spray areas of re-vegetation	Re-work plough / scarify / rotary hoe property if required
1st November and maintained until 15th April	All Firebreaks must be completed, no extensions given	All Firebreaks must be completed, no extensions given	All hazard reduction must be completed, no extensions given
3rd October	Restricted burning period (permits are required) begins depending on the rains		
1st November	Prohibited burning period begins (no burning at all) depending on weather		

DEFINITIONS

Firebreak: Means a strip of land that has been cleared of all bushes, grasses and any other object or thing or flammable material leaving clear bare mineral earth 2.2 metres wide. This includes the trimming back of all overhanging trees, bushes, shrubs and any other object or thing over the firebreak area

NON COMPLIANT FIREBREAK

COMPLIANT FIREBREAK

Fire Break & Hazard Reduction Guide

- ◆ **Land Within a Townsite 2.012ha (5 acres) or less:** Must be slashed, mowed or ploughed and hazard reduced to ensure inflammable material is less than 150mm high.
- ◆ **Land Within a Townsite over 2.012ha (5 acres):** Shall be clear of all inflammable material or have a 2.2m fire break around perimeter of property.

If you require advice on your fire break management please contact the Shire of Beverley Community Emergency Services Manager on 0427 057 719 or 9646 1200.

FIRE SEASON INFORMATION

PREPARE FOR FIRE SEASON

The Shire of Beverley's Community Emergency Services Manager along with the Chief Bush Fire Control Officer are reminding all property occupiers to start preparing their properties for the coming fire season.

Fire breaks need to be installed before November 1st this year and maintained until the 15 April next year. The minimum requirements for a firebreak in the Shire of Beverley is for the break to be at least 2.2 metres wide of bare mineral earth which means no vegetation (dead or alive) or flammable materials can be present. Alternatively small rural land holders can clear their properties of all inflammable materials or maintain grass mown to a height of less than 15cm.

Larger rural properties should ensure that they have an operational independent mobile water filled firefighting unit with a water capacity of not less than 600L to be ready to deployed throughout the Prohibited and Restricted burning periods.

Fire breaks play a part in reducing the spread of fire but just as importantly they provide a space for fire fighters to work from when trying to combat a fire.

Although not mandated in the Fire Break Order firefighters are urging property owners to also consider the access to their properties by large fire appliances. Generally this means making sure that there is an adequate gate width of at least 3 metres and to ensure that there are no overhanging branches or obstructions below 4 metres high over entry points and fire breaks to allow fire appliances to safely navigate your property should they need to defend it from fire.

In the Shire of Beverley, no burning without a permit can occur from the 03 October unless otherwise notified of a change to the schedule. Prohibited Burning within the Beverley Shire is scheduled to begin on **01 November** after which time no fires are permitted to be lit until the **15 February** when permits to burn can be applied for once again subject to prevailing conditions.

BEVERLEY NORTH and SOUTH EAST BUSH FIRE BRIGADES

A training session and meeting for all Bush Fire Brigade members in the eastern part of the shire will be held at the Morbinning Fire Shed on **Thursday 11 October** from 4pm.

An information session and training drill on Rural Urban Interface (RUI) defensive firefighting techniques will be conducted. Training will be followed by an AGM and BBQ.

We welcome new volunteers who are encouraged to attend.

COMMUNITY INFORMATION

A vaccine to prevent the painful and potential deadly shingles infection will be available to 70 year olds free of charge.

Shingles is a painful, blistering rash that usually happens on one side of the body. It is a reactivation of the varicella zoster virus, the same virus that causes chicken pox.

The shingles disease can have serious and painful complications.

It is estimated that 1 in 3 people will develop shingles in their lifetime.

Get your free vaccine today ask your GP.

Beverley Medical Practice

BEREAVEMENT NOTICES

Colebrook, Raymond Leslie:
Ray passed away suddenly at home on 18 September 2018. Thank you to the wonderful ambulance staff Robyn, Jenny, Peter and Cliff who assisted with their expert care. Also to Ian Jeffery and the York Police Officers for their professional handling of the situation.

To the Beverley community: THANK YOU. I have been overwhelmed with your condolences and offers of help. We are so lucky to live in such a caring town.

Thank you.
Diane Colebrook.

PS Funeral date will be announced later (Beverley Town Hall and Anglican Cemetery, then Bowling Club).

Colebrook, Ray: Deepest sympathy to Dianne for your sad loss. God bless and look over you in this time of grief. Ray, Hutchy and I were once young rebels, but caused no one any harm. We three were like brothers, always will be. "Perth tonight – heck yeah", our favourite. A big, happy man; always with a joke and humour, yet so caring of his clients and other people. Don't worry Ray, the cars, motorbikes and that, you will still see from above. A wonderful, genuine man has been taken from this earth. Love you as a 'brother' forever Ray.

Take care big fella, until we meet again.

Peter Jas

MEETINGS

Beverley Garden and Tree Society

The September meeting was replaced by a visit to the King's Park Wildflower Festival. We boarded the bus at 9.00am and in Mike's capable hands, had an uneventful trip to Kings Park. Deciding that it was a good time to have an early lunch before exploring the park, we headed for the café and were lucky to score a long table to seat all 14 of us. After a very generous lunch, we set out to view the glorious display of wildflowers that greeted us at every turn. They were absolutely breathtaking. Our new member, Lyn, took over 200 photos which she will be showing at our next meeting. We returned to Beverley around 4pm, tired but very satisfied with our day.

The weather is certainly warming up and summer is fast approaching but there is still plenty to do in the garden during October.

Vegies to plant in October:
beetroot, capsicum, cucumber, lettuce, pumpkin, tomato, zucchini, carrot and sweet corn.

Flowers to plant in October:
alyssum, marigold, petunia, portulaca, salvia, cornflower, lobelia and snapdragon.

The next meeting will be at 10.30am on Tuesday 02 October at the Dead Finish.

THE WEST AUSTRALIAN PHOTOGRAPHIC FEDERATION

ANNUAL PHOTOGRAPHIC WEEKEND IN BEVERLEY 2018

A trip into Beverley for the locals could have given rise to the question "what are all these photographers doing in town?"

The West Australian Photographic Federation held its annual photographic weekend, The Event – Beverley 2018, over the first weekend in September. The WAPF has 40 clubs within the federation, and once a year a host camera club will invite all members to attend a weekend of photography and fellowship, and provide a national or international photographer as a guest speaker. A photographic competition is held amongst the clubs, and the 'PrintWest' exhibition is a focal part of the weekend, as prizes are given to the club with most points for its photography. This event is designed to encourage our members to enjoy a weekend of photography either in a country town or a part of the metropolitan area.

The program for the weekend attracted 92 members, from 19 different clubs over the state, which was astounding, as the accommodation in Beverley is limited, but the incredible photographic opportunities bought them to the town.

The stunning art deco Town Hall played host to the event, and the PrintWest exhibition was on display in the lesser hall, making for a perfect venue for this function. Well known Australian photographer, Steve Parish was the guest speaker for the weekend, giving four inspirational workshops during the event.

This event could not have eventuated if not for the support of some of the local community groups providing the catering, and assisting with the photographic outings. Our Friday night Official Welcome, was catered for by the Beverley Netball Association, with Taleeya Scott organising a fantastic menu to start our weekend in the country. The quiet main street of Beverley gave us ample opportunity for an evening group photo in front of the Town Hall with photographers and lighting equipment set up on the main road.

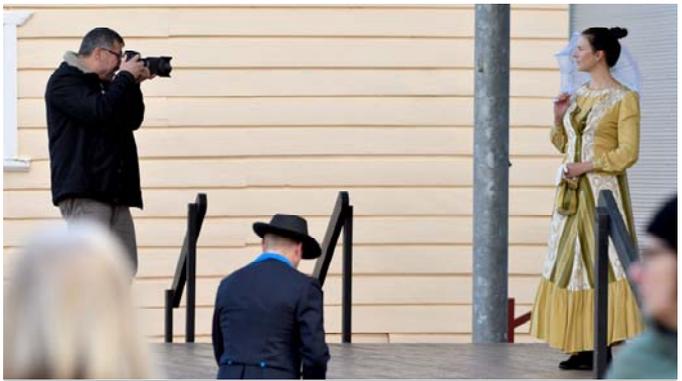

A chilly Saturday morning greeted the group, with a short drive to Avondale where Monica Van Der Snoek was kind enough to open the gates at 5.45am for those hoping to capture a stunning sunrise over the historic farm buildings. Those who took carrots found they had the best photos of the Clydesdales.

The Beverley Station Arts Group served a warming and dazzling breakfast at the historic railway station, with tables and chairs set up on the railway platform and under the blossom covered fruit trees in the

Very popular local models at the Beverley Platform Theatre

Avondale views

Views of Beverley from above in gliders

courtyard, it made for a wonderful setting. Jenny Broun with her assistant Barb, had organised for locals to dress in period costumes to pose for our photographers around the station. This was a delightful morning, with some stunning portraits being captured. Photographers gave their best photos to one of our sponsors, Team Digital, who then printed a photo for each model as a thank you gift. We were all very grateful to those who gave their time to make our morning so memorable.

There was time to amble around the streets of Beverley to find some interesting buildings and churches to add to the collection of photos, and many of our members had time to chat to locals, especially Kate at the East West Gallery and the volunteers at the Dead Finish Museum, who opened the venue especially for our group.

A workshop with Steve Parish on "The Art of Seeing and Capturing Images" and a delicious Devonshire tea provided by the S'Mores Cafe at the Town Hall was followed by a drive to the airport.

The Beverley Soaring Club hosted our group for lunch, and glider flights. The weather, according to Roy McInnes, President of the Beverley Soaring Club, was just perfect. Many of photographers took the opportunity to soar over Beverley with camera ready to capture the stunning canola fields and flooded river. Others were happy to enjoy a roast beef roll and sit on the edge of runway and capture the action. We were extremely grateful to Stefan De Beer, dressed in flight jacket, leather flight hat and goggles and his family who came to airfield and posed with the gliders as they came in to pick up the next passenger. This was certainly a highlight of the weekend.

Some members ventured to the Beverley Racecourse to experience the Tractor Pull, and look for wildflowers at the Brooking Street Reserve. Following another talk with Steve Parish, and a stunning afternoon tea, once again provided by the S'Mores Cafe, members had free time to enjoy Beverley.

The Presentation Dinner was held in the Town Hall, where prizes were presented to the club for points scored with for their club photographic entries. Hollie Smith, President of the Beverley Photography Group and her husband Karl, were invited by the WAPF to attend the dinner, in thanks for her contribution to the event.

Yenying Lakes in the morning

Once again, the catering for this event was absolutely outstanding, with Amor Moulton and Samantha

Fricker and there group of helpers providing a feast of home cooked country fare.

We all awoke on Sunday morning to ice covered windscreens; suited up in gloves, beanies and heavy jackets we all drove to the Yenying Lakes for the sunrise. The early morning drive didn't disappoint, it was glorious and just kept getting better, the sun rose and the reflections appeared on the lake, it was magnificent.

The Beverley Ski Club had set up Café Yenying, and as the fog lifted and we all started to defrost, breakfast was served; bacon and egg rolls and coffee on a cold morning, couldn't be better.

The support by the community groups could have not been demonstrated with more conviction than the efforts by the members of the Beverley Ski Club; having requested from President Adam Smith, a boat and skier on the lake for a drone demonstration, the club members obliged. As boats and skiers raced across the icy waters members could view the live drone footage on a large TV screen at the Drone Shop trailer. We were all in awe of the skier who braved the waters wearing only board shorts. What an amazing morning we all enjoyed.

Back at the Town Hall we were treated to a scrumptious morning tea. The kitchen was a hive of activity with ladies from the Country Women's Association all organised by their President Lorraine Sims, and certainly didn't disappoint with the array of cakes, slices and sandwiches. What a wonderful institution.

The event was closed by Colin White, President of the Western Australian Photographic Federation, and he expressed his gratitude to all the community groups that assisted in making this event as success; "this small and enthusiastic community, has welcomed all of us, we have enjoyed amazing food and found incredible opportunities for photography, a marvellous experience for all of us."

LOCAL FAMILY SUPPORTS THE NSW FARMERS DROUGHT APPEAL

Our local pool manager, Brad Miller and his family joined in the drought appeal to raise money for the NSW farmers.

In early September Brad was part of the Rural Aid Buy a Bale of Hay truck runs to the Central NSW farmers, delivering hay to farmers so they will be able to feed their animals. The picture below is Brad making his first trip of many.

Meanwhile his partner Emily (pictured below with fellow Zumba participant) was raising money by taking part in an hour and a half Mega Zumbathon in Northam.

Well done Brad and Emily, your efforts have not gone unnoticed by your community.

If you would like to donate to the Drought Appeal the Men's Shed Drought Relief Fund details are on the next page.
BEVERLEY – Be Very Kind!

BEVERLEY HISTORICAL SOCIETY

During September we have had the Year Two class visit which went well and was enjoyed by all. They hand washed and hung on rope line with dolly pegs, polished silver, dressed in olden clothes and school work. They also receive a souvenir of a Penny kindly donated by Mr Ted Sheehan.

At the Beverley show we had a display of past styles of communication which created lots of interest among the younger folk, they enjoyed having a go at the older phones that were on display.

Last weekend 4 of our members attended the York Society launch of the book "York Western Australia – A Documentary History" and then the next day the celebration of the Society's 50th birthday.

By the time the blarney is out we would have held the Wheatland Chapter Meeting for about 40 attending so will have the report next month.

The Museum goes into recess from December to March so over the next couple of months is a good time to come in on any Sunday 11am – 3pm to see the wonderful history of Beverley is on display.

Next meeting is the Annual General Meeting on Monday 08 October 2018 at the earlier time of 1.00pm followed by our general meeting. New members most welcome.

"Everyone is very Welcome"

To hear a recital of one of the better known Books of the New Testament

Philippians

By our guest Deb Chappell

Deb has worked in Mexico, Nepal and Russia. She now lives in Yunderup south of Perth. She is a music teacher, story teller, dog owner and adoring Aunt who loves to meet people and teach the wisdom that can be found in the Bible

**Hosted by St Mary's Anglican Church
in Beverley**

Sunday 14 October at 10.30am The Recital will be incorporated with our Holy Communion Service with Rev Philip Raymont followed by a delicious lunch

WOMEN IN FARMING ENTERPRISES

Beverley

The Annual WIFE Inc seminar was held in Dowerin on Tuesday 18 September, which members Sheri Madigan, Skye Carlshausen, Rebecca Smith, Carly Veitch and Kelly Mann attended. The sold-out event saw farming business ladies from all over the State come together at the home of the field days. The very inspirational keynote speech was from Sean Pollard, shark attack survivor and 2018 winter Paralympian who has always been an energetic and keen sportsman. He noted that joining sporting clubs always helped him get to know new people in his communities as he moved around frequently through his youth.

Paula Pownall from GrubsUp shared her story of developing her business into an alternative protein source – Crickets! At morning tea there was even some samples to be tried. The verdict was....nutty! Good salted with a beer was the serving suggestion.

An action-packed line up of speakers for the day covered an extensive range of other topics including:

- Creating effective collaborations to drive innovation and growth in the agricultural sector
- Diversification – personal experiences from a panel group
- Innovative apps and how to use them to make farming jobs easier
- Global Consumer Trends in Food
- ASBV's to improve performance in sheep
- Innovative technologies to optimize and streamline sheep management
- Fitting exercise into a farm day

NEXT MEETING: Tuesday 23 October 2018, 9.00am – 2.00pm

WA PROPERTY | LAWYERS

Guest Speaker Corinne Adams from WA Property Lawyers will be joining us for an interactive presentation and Q and A session covering:

- Estate Planning
- Trading Trusts (Trusts, companies & partnerships)
- Lease vs share farming

Creche facilities available (bookings essential)

RSVP's to attend and creche to Kelly Mann due Friday 19 October

If you are interested in finding out more about the Beverley WIFE Group, please contact Kelly Mann or Skye Carlshausen via email beverley@wife.org.au

THE BLUE LINE

Beverley Police Station

57 Hunt Road, Beverley WA 6304 BeverleyPol@twitter.com
Phone: 9646 3333 Crime Stoppers: 1800 333 000

HELLO EVERYONE

Some of you may have seen our Twitter and/or Facebook post about a recent theft of lambs and ewes. This was a large theft of stock from a farm in Westdale. I'm certainly not a farmer so I'm not going to tell the farmers out there how to manage their business, however, please be aware of any suspicious vehicles or people and report anything to us or call Crime Stoppers. If possible consider locking gates and checking fences. If your neighbours suddenly have sheep when they never have before, let us know.

Remember to lock your vehicles and don't leave valuables in your vehicle in sight. Don't give anyone a reason to target your car. With spring upon us and the weather warming up, offences at night tend to increase. Unfortunately even though we live in a lovely little town, the days of not having to lock things up are long gone. Lock your houses up too!

I'm sure you have all heard about the baby meerkat that went missing from Perth Zoo on the 19 September. After an investigation by Kensington Police and Cannington Detectives, a search warrant was executed at a Beverley house, with assistance from Beverley and York Police. The baby meerkat was located and is now back at the zoo.

A 22 year old man is to be summonsed for stealing and a 23 year old woman summonsed for receiving.

Until next month, stay safe.

A/Sergeant Ian Jeffrey and Sergeant Karen Berry.

BEVERLEY RSL

Fund raising and Local Government grant provides new amenities for RSL

Taking advantage of the Local Government Grants available through the Shire of Beverley and using funds raised over the past few years, has enabled the Beverley Sub-Branch of the RSL to have a pergola and all weather cover across the rear of the RSL Hall.

This new construction, erected by local contractors, will provide much needed shade for the BBQ area and a considerable portion of the rear yard of the hall as well as all-weather cover to the gentleman's toilet.

The next meeting of the RSL will start at the earlier time of 5.00pm on Wednesday 10 October with a sausage in a bun. This will give members an opportunity to view the new additions and to meet with the RSLWA Operations Manager, Martin Holzberger who has indicated that he will attend along with Representatives of the Shire of Beverley.

All members of the RSL are encouraged to attend to celebrate this welcome addition to the amenities of our local RSL.

Greetings and salutations all,

The ladies of the Beverley CWA have been kept busy with all the projects that we have been involved with and I am very pleased to say that we had a most successful winter season . The CWA ladies of Western Australia, have been very extremely proactive organizing several rally's, petitions and demonstrations at Parliament House in order to make the voices of rural West Aussies heard. I am happy to say the combined efforts of the Sub Branches along with other passionate groups, businesses and government representatives have made a difference and has helped keep Moora College operating and retained the funding for rural CRC's.

Did you know?

Beverley CWA have been catering for a variety of functions for over 50 years. Functions include; balls, weddings, sheep sales, farmers clearing sales, funerals and the list goes on. If you have an upcoming function why not let CWA Beverley cater for you. Our Function Coordinator is Lorraine Sims, telephone 9646 1243 give her a call and she will be more than happy to assist you.

Beverley CWA are looking for new members, why not come along to our next meeting and see what we get up to! There is no obligation or cost involved however you are guaranteed to have a great feed and an awesome bunch of ladies to chat with.

This month's profiled CWA member is Lorraine Sims. Lorraine married a farmer from Beverley and has been an active member of Beverley CWA since she moved here to start her life as a farmers wife in 1956. Lorraine has 4 girls and 1 son and has always played an active role in their lives serving on many committees and volunteering on school camps. Lorraine has been involved in square dancing for 35 years supporting her husband Brian who calls most of the dances around WA and is a member of numerous committees. Lorraine's family is most important to her. Lorraine shows the same dedication to the Beverley CWA as she does to her family. In the 62 years she has been involved she has been President 10 times, Secretary 10 times and Treasurer once. Lorraine is an inspiration to us all and I would like to thank her personally for everything she does to promote Beverley CWA. When Lorraine has some time to herself she likes to sew and attend to her roses and is hoping to start slowing down a bit soon.

Until next month, wishing you all a fabulous October. Janet

The next CWA meeting will be held on:

WEDNESDAY 17 October 10.00am start. Hope to see you there!

For more information about the CWA please contact:

President: Lorraine Sims - 9646 1243 or

Annual WAPF conference held at Beverley 31 August - 02 September 2018

Recently members of the Pemberton Photography Club, along with members from many other Clubs in WA had the opportunity to enjoy the sights and hospitality of the beautiful town of Beverley in our Wheatbelt, thanks to Beverley Photography Club and the West Australian Photography Federation (WAPF).

These weekends offer fellowship, photography challenges, networking with like-minded people, first class photographic presenters and workshops, competitions, fun and entertainment.

The community and the Shire of Beverley got behind the WAPF, welcoming us to their town, providing us with many varied photographic opportunities, exciting activities which we would not normally have the chance to partake, hospitality, friendship and the most delicious country cooking.

The weekend included Sunrise at the amazing Avondale Discovery Farm, a Tractor Pull at the Racecourse, visit to Dead Finish Museum, models dressed in period costume at the Station Gallery, Glider flights with the Beverley Soaring Club, wildflower hotspots, a photo opportunity with the Beverley Ski Club on the lake, Sunrise at Yenyening Lake and very importantly, an informative presentation and Workshop by Steve Parish OAM, a passionate photographer, naturalist, author, educator, public speaker and publisher -

www.steveparish-natureconnect.com.au/

We would like to extend a huge thanks to the following community groups:

- ☞ John at the Hotel Beverley for his hospitality
 - ☞ Beverley Netball Association (Welcome)
 - ☞ Beverley Station Arts Group (Breakfast)
 - ☞ S'Mores Cafe (Morning and Afternoon Tea)
 - ☞ Beverley Soaring Club (Glider Flights and Lunch)
 - ☞ Amor Moulton and friends (Presentation Dinner)
 - ☞ Beverley Ski Club (Breakfast at the Lake and Skiing)
 - ☞ Beverley Country Women's Association (Morning Tea)
- and to all the friendly locals we chatted to over the weekend!

Another thanks, as always, to the sponsors – Nikon, Team Digital and Camera Electronics – always there with a display of the latest photographic equipment and to answer our questions.

Pemberton Photography Club is excited to be hosting the WAPF annual conference in 2020 and look forward to sharing our community spirit with many incoming photographers!

Take the opportunity to join in gentle activity aimed at general fitness and falls prevention.

Stay Active

with the

Beverley Everlastings

Stay Active is a weekly one-hour keep fit session for those who find gentle aerobic, strength, balance and stretching exercise beneficial to their health.

The exercises are designed for over 50s, but younger participants are welcome. Those less mobile or those recovering from accident and illness also find the exercises useful. Chair exercises are available and participants can opt to do all or some of these.

Stay Active for 2018

Day: Tuesday's

Time: 9am

Place: Beverley Lesser Hall

Cost: \$1

Come along for fun activity followed by a social morning cuppa.

Stay Active is a volunteer community health program coordinated by the Wheatbelt Health Service.

Last term of Playgroup for 2018!

We hope all our Playgroup members are enjoying their school holiday break. We look forward to welcoming everyone back refreshed for our last term of Playgroup for 2018 on Thursday 11th October. If you've been wondering what Playgroup is all about, please feel free to come along for a couple of 'trial' sessions. Also if you join Beverley Playgroup in the last term, the membership fee is only \$15 for your family (Concession card holders are only \$7.50). If you'd like more information visit our Facebook Page or contact our President Sharlee – her details are below.

Visitors to Playgroup

Thanks to Kathy – our local child health nurse for visiting and passing on information to carers it was so appreciated. Also thank you to Hollie for organising children's car seat fitters from WA Country Health Service to come and check over the safety of our children's car seats and ensure they were all correctly installed. Valuable information learnt!

PLAYGROUP SESSION DETAILS

Every Thursday morning from 9.30am to 11.30am (closed for school and public holidays)

- ✓ Located at the Playgroup Building at the Beverley School (Lennard St)
- ✓ For all children aged 0-4 years old
- ✓ Bring a piece of fruit to share, hat and sunscreen
- ✓ \$4 per family per week (for coffee/tea, craft activities etc)
- ✓ Annual Fees: Family - \$35 for Insurance, Concession card holders - \$15 for Insurance
- ✓ More info call Sharlee on 0426 811 080 or find us on Facebook: Facebook.com/BeverleyPlaygroupWA

Beverley District High School

Independent Public School

For more information about the school, visit our website and Facebook page!

Dino Dig Excursion at Avondale

We have some 'paleontologists in the making' after the Pre-Primary and Year 1 students visited Avondale last week to dig for dinosaur bones! Our students enjoyed their archaeological dig as well as taking in all that Avondale has to offer in educating our students about local Beverley history. Thank you to Monica Van der Snoek and the Avondale team for their continued support of this biannual excursion!

BDHS Faction Athletics Carnival

The Faction Athletics Carnival was a great day for all of the students and supporters! Just enough sunshine to spur the students along in their running and field events! Over the day we saw numerous records broken (especially in the secondary age group) and great sportsmanship from our factions of Eyre, Dale and Forrest!

We have an amazing group of parents who volunteered to help out on the day as timers, raking the jump pits, measuring and recording. Thank you, these fantastic days would not be possible without you!

A big thank you to our K/PP Committee who ran the canteen on the day and to all who made donations of the scrumptious morning tea!

When it came down to who took the shield home.... BY 1 POINT.....**CONGRATULATIONS EYRE!!!!!!!!!!!!!!**

CGSISA Interschool Athletics Carnival

The CGSISA Interschool Athletics Carnival was hosted by Brookton this year. Our team of selected interschool competitors competed in the carnival with great spirit and sportsmanship.

This year saw the introduction of the timing gates with the intention of running a more time efficient carnival. Thank you to all of our Beverley parents who helped on the day with the running of the discus event! This enabled the carnival to run smoothly and efficiently to ensure students could be back at school for buses.

Congratulations to all of our team members: you represented our school proudly and the staff were so impressed by your efforts on the day. Beverley had a fantastic day in winning both the Primary and Secondary Handicap Shields! A HUGE congratulations to Zeke, Georgiana, Thomas, Mark, Lexi and Nathan for winning medals at the carnival!

Protective Behaviours Seminar

We would like to acknowledge the efforts of the Early Years Network and Angela Sims in their coordination and organisation of the Protective Behaviours Seminar at BDHS on the 4th September. Protective Behaviours is internationally recognised personal safety program that aims to empower children, young people and adults with strategies to promote safety, problem solving and resilience including: Asserting their right to feel safe, recognising 'signs' their bodies give them when they may be unsafe and identifying a trusted adult to talk to. This was a great seminar to help parents to know how to protect their children from sexual abuse.

Italian Pasta Making

Our Year 3/4 classes have been busy making pasta as a part of our Italian language program at school. The students enjoyed their pasta making and proudly took their evening meal home! It was great to see so many parents and grandparents in the school to assist Mrs Minchin and the students!

More photos can be found on our **Beverley District High School Facebook** page.

BSA Annual General Meeting

Beverley Station Arts advises all members and friends that the Annual General Meeting to nominate persons to the Committee which manages the Beverley Station Gallery and Platform Theatre will be held on Thursday 18 October at 2pm in the Station Gallery, followed by afternoon tea. All members/friends/supporters welcome. Enquiries to secretary Sarah Miller 0427 464 078.

Performing Arts Exchange and Conference

Courtesy of CircuitWest, from 02 - 06 September I attended the Performing Arts Exchange (PAX) and Conference (PAC) at the newly opened Red Earth Arts Precinct in Karratha to be among the nation's arts leaders and top performers. As a delegate networking at this marketplace for programmers, presenters and producers should result in some great touring shows coming our way in the next couple of years. 15minute productions were pitched to performing arts centres, and encounters were hosted by producers and performance makers. Each night included a full-length production, one of which was in Roebourne, and the final evening was at Cossack where the Drover Awards ceremony was held. An award of note 'Touring Legend' was won by *Circa* - none other than the circus company coming to Beverley on the 07 November to perform Reclaimed Pianos!

The Red Earth Art Precinct at Karratha

Singer Jessie Lloyd

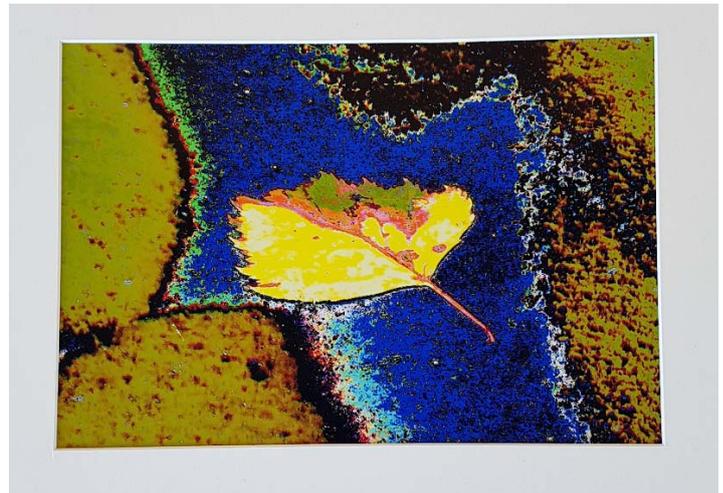

Artist Allery Sandy

Artist-in-Residence

By way of thanks for the month of August residency in such 'a wonderful creative environment', these beautiful paintings were gifted to the Shire Collection by Helen Amyes from York, and Anja Mattila-Tolvanen from Finland.

During September we saw two lots of Artists-in-Residence. First was Trish Davies of Perth, a textile artist, who though attracted nobody to her workshops had the following to say:

"Everyone I brought up to Beverley (10 in all) fell in love with the town and did a lot of shopping - good for the retailers. We loved our meals at the pub and we were like children running out to see the trains. The presentation of the Platform, Gallery and theatre area are second to none and beautifully cared for. I met so many lovely people especially the staff in the IGA as I was in and out of there a few times each day and needed help finding everything!! I spent the morning with the quilting group and they were great - we had a great chat and exchanged ideas. No one participated in the workshops but we had quite a few through the gallery and about 20 wanted to look at the outside gallery - so many great conversations with art enthusiasts".

Trish left behind these cushions as a thank you.

At present Mark Storen and Georgia King from Perth are here as a precursor to their BYSTANDER project. **Bystander In Beverley** - *Bystander* is a project that takes the real life experiences of people living in a community and turns them into performance. Whiskey & Boots (Mark Storen and Georgia King) with photographer Holly Garvey will be artists in residence at Beverley Station Arts throughout September and October 2018.

With the help of Beverley local, Bruce Denny, Georgia and Mark will be collecting real life stories and experiences from people living in the community of Beverley.

Through the magic of theatre, music, photography, verbatim theatre and using the exact words of each participant, the stories will be retold by Georgia and Mark in a one-off performance for the community. Some of the stories you might know well, some you might not know at all.

These accounts will be turned into a performance that can be seen at The Platform Theatre on October 20th and then will reside in the Beverley Station Art Gallery as an interactive installation that can be experienced by the community of Beverley from October 21 until November 11.

Bystander in Beverley hopes to open people's eyes and hearts to the experiences we share day to day and to celebrate community with the people living around us.

Please keep an eye on the weekly Bulletin for further information regarding residencies, workshops or any changes to schedule - or contact Artist in Residence Coordinator Marylou on 9647 1027 / 0427 085 511 or email: hutchinson@wn.com.au

Artists in Residence Programme for the remainder of 2018:

September 17 - October 21 - Mark Storen and Georgia King (Perth) - BYSTANDER community project

November - Susan Hoy and Jennifer Sadler (Perth)

December - Tyler Arnold (Victoria)

January 2019 - Tyler Arnold (Victoria)

POSITION VACANT

Are you organised?

Can you be self-directed?

Do you enjoy working within a team?

The position of Exhibition Secretary for Beverley Station Arts is vacant. The Exhibition Secretary is responsible for co-ordinating the Beverley Art Prize and Easter Art Exhibition, held annually in the Beverley

Town Hall over the Easter long weekend. Experience with administration duties, modern office technologies (for example computers, email, databases, Microsoft Office) and availability before and during the Easter long weekend are essential criteria for this position.

If you are interested in this very fulfilling and extremely gratifying position and would like more details, please contact the outgoing Secretary, Kathryn McLean on E: wk.mclean@bigpond.com or M: 0427 464 050.

Community Engagement

DRAMA CLUB: Yes, it is going ahead albeit slowly as people wishing to express themselves through the art of drama are starting to come forward. Please let Bruce know on 0408 387 198 or email: adlibitums@bigpond.com if you are interested in being involved in a drama club!

PHOTOGRAPHIC SHOOT at the STATION on September 01 - such a hive of activity!

Need a hair cut?
Walk-ins are welcome.
Call in to see
Nicole Tuesday - Saturday
and Theresa Tuesday - Wednesday.

Keep an eye out on Facebook for any specials we may offer.
Ask in salon if you don't have access to Facebook

Tuesday - Friday 9.00am - 5.00pm
and Saturday 9.00am - 12noon

At 100 Vincent St, or
phone **9646 11 22** for an appointment

We still offer our special price for senior gents

Beverley Station Singers

Well the Choir Bash in Beverley on Saturday 08 September was a successful day even though the AFL took some of their devout supporters away from an afternoon (and night!) of song. Thank you to those lovely ladies who provided a plate or two of afternoon tea - our city folk really enjoy such the country touch. We saw many of the same choirs at the Guildford Songfest the following weekend where it was noted of such hospitality we offer here in Beverley.

The next practice meet is Wednesday 17 October as practice for the Dunsborough Songfest on 26/27 October.

Kelly Newton- Wordsworth directs the group on a monthly basis at \$50 per session, or \$105 for 3 months. Anyone interested in joining the singing group contact Tracey Fleay - Mobile: 0409 481 029 or Email: traceyfleay67@gmail.com

Singing at the pub - after the Bash!

Platform Theatre

Events for this season to mark up in your diaries!

BYSTANDER - Beverley Community Project by WHISKEY & BOOTS

Whiskey and Boots are so excited to announce that they will be working with the community of Beverley with *Bystander*, a Verbatim Performance work that takes the stories of real people living in the community. Part performance, part installation, *Bystander* aims to bring understanding to those living around us through the sharing of stories. So, to find out just who in the community are sharing their stories you'll have to come and see! Following the *BYSTANDER* performance on the grassed area will be time to dance the night away to the sounds of Party DJ Denis Broad!!

WHAT: *Beverley Bystander* - by Whiskey and Boots

- WHEN: Saturday 20 October 7.00pm
- WHERE: Beverley Platform Theatre, 120 Vincent St
- TIME: Gates open 6.00pm.

COMING SOON

Wednesday 07 November at the Town Hall - **RECLAIMED PIANOS** is a must see for all ages. As a celebration of the musicality of OUR local community and the 80th anniversary of the Beverley Town Hall, the Shire of Beverley has collaborated with Beverley Station Arts to present this intimate new creation by internationally renowned circus company *Circa* that taps into the piano's magical ability to transport us through time and to other places. As notes reverberate, they echo our memories of times before, places travelled and worlds to be discovered. From classical recitals to family singalongs, pianos have stories to tell. A bespoke soundscape is played alongside live piano during the performance and you will delight in hearing local stories from the voices of our friends & family.

- WHAT: *Reclaimed Pianos* - by CIRCA
 - WHEN: Wednesday 07 November 7.00pm
 - WHERE: Beverley Platform Theatre, 120 Vincent St
 - TIME: Doors open 6.30pm, performance starts at 7.00pm.
- COST: \$20 Adult | \$15 Friend of the Station | \$7 Children under 15 | No charge children under 5

ONLINE BOOKINGS:

Pet Registrations

Please note that dog and cat registrations for the Shire of Beverley are due on Wednesday 31 October.

Pet microchip information is required for all registration documents, be sure to bring it with you. Renewal notices been posted.

If any community group is looking to raise funds please keep it in mind that the Platform Theatre is available for events such as movie nights. With just a minimal hire cost of screen and projector, it makes for an easy fundraiser.

If you would like to be included on the email list for notification of coming events (so you can forward to friends), email secretary Sarah Miller miller@reachnet.com.au

Volunteer Thank You

- ☞ Leita and Amanda, for taking on the brunt of catering for both the Photographers' breakfast and the Choir Bash afternoon tea.
- ☞ Steve Ramm for stepping up to introduce more visual effects at future Platform Theatre events. He has also reiled the stage and rehung the stage lighting to a more manageable height.
- ☞ Bruce Denny for the loaning scaffolding to adjust lighting
- ☞ To all those who modelled period costumes for the photographic shoot at the Station on Saturday 01 September.

Beverley Station Arts Membership

It's time for membership renewal! Apply now before the season starts to get full benefit of event discounts. See membership form in this edition of the Blarney. Becoming a member will give you discounted rates for all events plus free entry to the Easter Art Exhibition Opening Night. The cost is \$30 for the first year and there after \$25 per annum. You only need to attend three events and your membership is covered. Your support will assist us in maintaining the venue and to continue presenting a variety of entertainment for your enjoyment. We look forward to seeing you at the events we have planned for this season.

To become a member of Beverley Station Arts Inc (Friend of the Station) please contact our treasurer Pauline Knight 9646 0946 for a Membership Application form and payment. (NB cheques to be made payable to Beverley Station Arts) and send to PO Box 112, Beverley 6304.

BIG ENOUGH TO DO THE JOB SMALL ENOUGH TO CARE

PRIMARY HEALTH SERVICES

Available to the community of Beverley

You can refer yourself or your child to the following health professionals:

Child Health Nurse - 9646 3200
to make an appointment, Hospital Admin Staff will assist you in setting an appointment time, which will be on most occasions a Monday.

School Health – 9641 0200

Dietetics – 9690 1320

Occupational Therapy - 0429 466 224

Physiotherapy – a **Doctors referral is required** – Please send all referrals to P.O Box 140 Beverley or drop them into the Beverley hospital. All referrals are forwarded onto to Northam Hospital where they are prioritised and wait listed. Clients will be acknowledged with a letter informing them of the approximate wait time and will be seen in Beverley

Podiatry – a **Doctors referral is required**
Please send to PO Box 142, Beverley or drop referral to the Beverley Hospital (attendance Fridays) **

Social Work – Phone 9690 1320

Speech Pathology – Phone 9690 1321

- Services are provided at the Primary Health Building, on the corner of John and Forrest Streets, Beverley. There may be a waiting time for services.
- These services are provided by WA Country Health Service and are free of charge. (Please note that the Podiatry Service is a private practice and is not free of charge - there is a fee at first consultation but the WACHS/Beverley Health Service do not get involved in taking fee payments – only assisting at receiving the referrals for appointment. The Doctor's referrals are usually faxed to the service provider, Como Podiatry, who contact the patient by phone and make an appointment).
- If you have any concerns about your own health or your child's health and development, please phone the relevant health professional to discuss your concerns. Alternatively, you can speak to the Child Health or School Health Nurse, or your GP, to discuss your concerns and to determine the most appropriate referral.

NO job is too big or too small.

Avondale Agriculture Museum

A crisp white frost and noticeable ice on the windscreens did not deter the faithful few from attending the Avondale Museum in September to maintain and help restore items of significant importance to Wheatbelt area farming for over 100 years.

In fact it was so cool in the Museum that the morning cuppa with bring and share nibbles were consumed outside of the front of the building, with a longer than normal break to catch up with the local news after the 8 week break.

Earlier John A was on 'tyre pumping' duty as over the winter period it was noted many tyres had deflated a little, Kerry, Kevin and Duayne persisted with trying to start the Massey Ferguson Baler until it was decided that it could well be a lost cause for now, with the Wisconsin V4 petrol engine having a poor history for starting when they were well maintained.

John Hawke moved between items he was working on, firstly the C30 International truck he had made a new wooden cab for previously; fitting the generator (dynamo) with the better fitting bolt John A had found from his collection. John Hawke then had success with the battery box he brought in and modified before fitting to the McCormick-Deering W-6 tractor that was rebuilt (less battery box) at the Men's Shed in town and donated to the Avondale Museum (this item was focused on in the June edition of the Blarney), naturally it was not long before this machine purred into life.

If you feel that you would enjoy such activities our group meet on the third Saturday of each month at Avondale between 8.00am and 12noon, enjoying tinkering with historic agricultural items.

Our item for October

The 8 disc Cultivator Plough.

8 disc Cultivator Plough

This item (pictured on the left) was manufactured by the **State Implement Works** who were operational at **Rocky Bay North Fremantle** in 1913.

As the name implies it was a state owned and operated manufacturer, producing among other things Agricultural implement's including this plough, which was donated by **FJ Ward of North Burracoppin** to the Avondale Agricultural Machinery Collection in June 1978.

Visitor Centre Volunteers Tour of Beverley

Our group of volunteers for the Cornerstone Visitor Centre have had a busy September with a walking and bus tours. The concept behind this project is to get our volunteers to be familiar with our local area so they recommend first hand information to the visitors to Beverley. The heritage walking tour included visits to the Dead Finish Museum and Fergusons Vintage Collection, followed by a short walk of Beverley. Thank you to the team from the Historical Society and Barry and Kathleen for taking the time to show and inform our volunteers on the amazing history of Beverley as well as the fantastic collections.

The team at She-Oaks B & B with owner Dina Barrett-Lennard

Wildflowers, East Beverley

The bus tour started with visits to local accommodation establishments including Hotel Beverley, Freemasons Tavern, She-Oaks B & B, Beverley Bed and Breakfast and Lavendale Farmstay. We have some outstanding accommodation in our area and we are very thankful to all of the owners for showing us around their businesses so we can recommend them to visitors.

To finish the day we went for a wildflower tour, we were met at the Brooking Street Reserve by Phyllis Facey from the Beverley Naturalists Club, the volunteers walked the reserve identifying wildflowers with the expertise of Phyllis. We concluded the day with a trip out to Poison Hill for more wildflowers, we are so very lucky to have an amazing display and variety this year. Big thank you to Phyllis and John Islip our reliable bus driver.

Accredited Fire Extinguisher Course PUAWER008

Confine Small Workplace Emergencies

Thursday 04 October | 9.00am - 12noon | \$50 per person

Become accredited in using fire equipment as well as making sure you adhere to workplace Duty of Care requirements.

Don't be stuck in a fire emergency with equipment you don't know how to use. Get trained now and keep safe in any situation in the workplace or home. This course is also suitable for kids so why not get the family trained during the school holidays. Bookings are essential.

Training provided by Remote Industrial Training Services at the Beverley CRC. For more information or to register for this workshop, please call the CRC 9646 1600, or email beverleybulletin@westnet.com.au

Get Online Week - Be connected workshops for seniors

FREE WORKSHOP - running during the week of 15 - 21 October

Companies such as Telstra, Optus, Synergy etc. are all moving away from paper bills and encouraging people to receive and pay bills online. We can help you learn to navigate computers and the online world, with simple easy to follow instructions.

For "Get Online Week" we want to encourage everyone to #Try1Thing-whether that be sending your first email or setting up internet banking. We will there to help you every step of the way!

POSITION VACANT

Are you organised?

Can you be self-directed?

Do you enjoy working within a team?

The position of Exhibition Secretary will become vacant following the 2018 Beverley Easter Art Exhibition. The Exhibition Secretary is responsible for co-ordinating the Beverley Art Prize and Easter Art Exhibition, held annually in the Beverley Town Hall over the Easter long weekend. Experience with administration duties, modern office technologies (for example computers, email, databases, Microsoft Office) and availability before and during the Easter long weekend are essential criteria for this position.

If you are interested in this very fulfilling and extremely gratifying position and would like more details, please contact the outgoing Secretary, Kathryn McLean on E: wk.mclean@bigpond.com or M: 0427 464 050.

St John Ambulance State Conference

The Annual State Conference and Ball was held on 29 August to 01 September. This included the annual conference and ball contained more than 10 events over the 4 days. This years' experience saw record numbers across the **4 days and 10 events**. With an audience of over 4,500 St John staff and volunteers, there was certainly something for everyone. This year's theme **"Building stronger communities through innovative healthcare"** showcased what makes St John Ambulance in WA so unique and allowed us to highlight the ways in which we are building resilient communities and leading the industry through our innovation. There was a fantastic line up of clinical experts, including Dr Richard Levitan, sharing their insights into their specialist fields, internal speakers updating all volunteers on what is happening in St John, as well as time for lots of networking, educational and interactive exhibits, fun and laughter.

Congratulations to two of our Volunteer Ambulance Officers receiving award recognition at the St John Ball. Sue Eramiha & Robyn Murray make an outstanding contribution to St John and as a community we are very fortunate to have such dedicated people who give selflessly of their time, talent & knowledge. Thank you, Sue and Robyn, along with the whole team of wonderful volunteers in Beverley.

*LEFT PHOTO: Sue Eramiha receiving her 12 year service medal
RIGHT PHOTO: Robyn Murray receiving another 5 year service bar in a total of 17 years' service
Congratulations to both Robyn and Sue on their achievements.*

BEVERLEY SUB CENTRE NEWS

DID YOU KNOW...

One in five West Australian ambulance users requires transport outside the metropolitan area every year.

Are you and your family covered?

In country Western Australia, St John Country Ambulance Cover is administered by the local St John Ambulance Sub Centres. The cost of your ambulance trip is covered if you have comprehensive Country Ambulance Cover. This includes as many emergency or necessary non-emergency transports you, or one of your family members, require.

Within WA, St John Country Ambulance Cover will protect you for St John Ambulance transport 24 hours a day, 365 days a year. The subscription coverage is restricted to ambulance transport provided by St John in Western Australia and ambulance services in other States who have a reciprocal arrangement with St John Ambulance Western Australia.

By taking out St John Country Ambulance Cover, you also assist the delivery of first aid services in your local area including:

- Regular community first aid courses
- Ready access to first aid kits and supplies
- First aid posts at local fairs, sports and events

Country Ambulance Cover is a small price to pay for the invaluable community services you'll be supporting.

New memberships: Forms available at the Beverley Pharmacy

Single: \$55 per year

Family: \$91 per year

**** Please note: To be a member through the Beverley Sub Centre there is a requirement to reside in the district and once a child turns 18 they have to take out membership in their own right (not as part of a family)**

COMMUNITY DEFIBRILLATORS – MAINTENANCE FUNDRAISER

The Beverley Community is extremely fortunate with the number of defibrillators available within our town. There is upkeep and maintenance required on these machines in particular battery replacements. We are currently doing a fundraising drive asking for donations to put towards the defibrillator maintenance. Donation tins are available at the Chemist, Post Office and Beverley Country Kitchen.

Warrior Wellbeing Article

Yoga – Is it Exercise?

Yoga is best described as a traditional exercise and can have a positive influence on our physical, mental and social/spiritual wellbeing. Yoga has been around for centuries in some form and in more recent times has undergone its own transformation by becoming a more mainstream exercise practice in western culture. Research into Yoga shows there are many benefits and it helps people manage their stress, anxiety, depression and all the challenges that life may throw our way. However, I want to briefly look at and outline the physical benefits of Yoga as an exercise. When we do any sort of movement (we do have to just get moving) the benefits are often overlooked by us blokes.

Yoga as exercise can be described as structured physical movements that get the body moving through a series of stretches. Some of these stretches include but are not limited to:

- lumbar spinal stretches;
- hip stretches;
- hamstrings stretches;
- core body work, including our pelvic floor;
- balance routines/stretchers.

Yoga can be complimentary to whatever we choose as our main exercise routine, whether that be our regular sport, leisure like walking, running and/or swimming. Yoga can also be a complete exercise regime on its own. When we read the research around Yoga, it also has a multitude of benefits to aid in rehabilitation from major accidents and/or surgery. Quite often the exercises we see elite athletes performing before and after their games (in particular football) are in fact Yoga based exercises.

Yoga has been summarized as preventative health around our body awareness, something as blokes we may lack an appreciation for. A lot of research and common literature tells us that there are many benefits to Yoga, particularly for men. The practise of Yoga can:

- cause a reduction in cardiovascular risk factors such as high blood pressure, blood sugar levels, cholesterol and improves the levels of antioxidants in the blood;
- improve male sexual function – Yoga appears to be an effective method of improving all domains of sexual function in men;
- improve incontinence – Yoga may lessen the side effects in men undergoing prostate cancer treatment. There is a body of work around the benefits in exercise for improving our pelvic floor and incontinence with or without prostate surgery;
- improve male reproductive health – Yoga has been identified as having a positive impact on male reproductive health and fertility;
- maintain and increase strength, tone and flexibility.

We all need to exercise more, and Yoga is another tool for us blokes to utilize, especially when we add in the advantages that it has for our man bits. Give it a go, you may enjoy it as well as gain some improvements to your overall wellbeing.

How to Correctly Remove Ticks

Avoiding being bitten by ticks in the first instance is always recommended and being aware that ticks can cause serious harm to humans and pets is wise. Ticks were predominantly found in the bush in days gone by, however this is no longer the case. Ticks are prevalent in all states and territories of Australia. Stories of individuals being bitten in the suburbs are now all too common as these minute parasites have progressively made their way from the country and into our urban areas.

Whilst the Australian Government maintains its stance on Lyme disease not being a notifiable disease in Australia we at the Lyme Disease Association of Australia (LDAA) are contacted on a regular basis by individuals who have been bitten and now have a chronic condition. Don't let this happen to you.

In an article "Methods of tick removal: A systematic review of the literature" published in the Australian Medical Journal, Stephen and Nikki Coleman studied peer-reviewed literature to determine which was the best method of removing ticks to prevent future health complications, from a scientific perspective.

The Colemans performed a systematic review of the published literature based on scientific and medical studies conducted between 1985 and 2016 on tick removal. Their conclusion was to endorse what is the current accepted medical practice – also endorsed by the World Health Organisation (WHO) and the Centres for Disease Control (CDC) – to remove the tick by mechanical means as soon as possible after the tick is detected. Gripping the tick around the mouthparts using either fine-tipped tweezers or a 'claw-like' tick removal tool to pull the tick away from the site of attachment is best. The area around the tick bite should then be thoroughly disinfected.

Some Doctors recommend freezing the tick in place as a method of tick removal, but the Colemans found that there is, at this point in time at least, insufficient scientific evidence to support such a method of removal; the same conclusion was also reached by the WHO and the CDC.

Be Connected

Every Australian online.

#try1thing

In conjunction with “Get Online Week” 15-21 October the Beverley CRC is running a Be Connected workshop for seniors.

THERE’S NEVER BEEN A BETTER TIME TO GET ONLINE

Companies such as Telstra, Optus, Synergy etc, are all moving away from paper bills and encouraging people to receive and pay bills online. We can help you learn to navigate computers and the online world, with simple easy to follow instructions.

For “Get Online Week” we want to encourage everyone to #Try1Thing- whether that be sending your first email or setting up internet banking. We will there to help you every step of the way! We will have experts to assist you, including Michelle from our local ANZ Bank.

For more information, please phone us on 9646 1600, email beverleybulletin@westnet.com.au, or drop in to see us at the Beverley CRC

Pesky but pretty

Drain or fly moth, *Telmatoscopus* species

These tiny, 3 mm long, black or brown insects seen flying around drains, sewers, septic tanks and sludgy soil are often the aptly named 'drain fly' or 'sewer fly' (Family Psychodidae). Due to their presence in the kitchen they are often mistaken for fruit flies and ferment flies, but to understand another of their common names, 'moth fly', you will have to get up close to see their

distinctive fluffy moth-like bodies. Better yet, under the microscope, you can marvel at the unique and beautiful patterns of their wing veins, and they are pretty darn cute!

In the home, these flies need drains to breed and feed, and lay their eggs (10-200 of them) in the organic matter build-up (grease, hair, miscellaneous sludge). The eggs hatch within a few days and for the next two weeks or so, the larvae live in and happily eat the organic matter before pupating into adults. Adults live for another couple of weeks and repeat the life cycle. They are most active in the evening and rest during the day on walls or other flat surfaces.

Control

Drain flies are not dangerous to humans or pets but can be annoying when they build up in numbers, especially in the bathroom and kitchen. Squish or swat the adults and ensure you have clean drains, sewers, tanks and free draining, sewerage-free soil, so there's no place to breed. Regularly cleaning these breeding sites with commercial products or home-made remedies such as

Beverley Hockey Club

Game 15: Saturday 25 August Beverley (1) vs Aces (0)

The last fixtured game of the season was a home game and from start to finish it had the intensity that we have developed over the season. Within the first ten minutes Carissa scored a cracking goal following some great passing down the right wing. Beverley had several more scoring opportunities during the first half, but Aces weren't letting us get ahead of ourselves, putting some pressure on our defense. It was a warm day and a game that required plenty of running. Aces increased the intensity in the second half and put significant pressure on our backline with Nicola, Kelly, Carissa, Megan and Dani (and probably a few more) putting bodies on the line to stop an equalizing goal.

While we walked away with a win, unfortunately didn't make it in to finals this year. Thank you to Helen Davidson for umpiring our game for us.

End of season windup and presentations

The Naked Apple Cidery in Karragullen was the destination for our windup this year. We had a great turnout, fabulous food and beer/cider and it capped off what's been a great year of hockey. Thanks to the committee for organising and sponsors, players and supporters for attending.

Thank you, Carly Veitch, for taking on game day coach and taking training when no one else was available. It has been brilliant having you on the sidelines guiding us all season.

- Fairest & Best sponsored by Avon Trading: Kelly Mann
- R/Up Fairest & Best sponsored by W & K Mclean: Nicola Broun
- Highest Goal Scorer sponsored by Di Smith: Lisa Mourach
- Coaches Award: Charlotte Murray

Annual General Meeting

Thank you to everyone that attended this year's AGM held on Thursday 20 September.

Congratulations to the 2019 Committee:

- President: Nicola Broun
- Treasurer: Carissa Shaw
- Secretary: Kelly Mann
- Committee: Dani Whyte and Carly Veitch

On behalf of everyone we also would like to thank Chantelle Meade for the work she has done in her role as Association Recorder as she steps down from this role for the 2019 season.

Beverley Hockey Club

Minkey Hockey

Thank you to Mrs Carly Veitch for all her work in coordinating this year's Minkey Hockey 6-week program which concluded in the last week of Term 3. Big thank you also to Charlotte Murray assisting Carly each week. We enjoyed having over 30 kids coming down to join in with many great skills were picked up since the first week. Thank you to all the parents who stepped in over the weeks to help out. It couldn't have been possible to run and in particular open the sessions up to kindy kids as well without you! We hope everyone enjoys a well-rested break over the school holidays.

Here are some great photos of our Minkey Groups with their "Hockey Star" Certificates

Beverley Netball Club

On Saturday 01 September Beverley hosted the grand final for the Avon Association Netball. With Beverley Orbs and Pingelly playing for the 2018 championship. Both teams had plenty of supporters cheering them on until the final whistle, the final score was Pingelly 31 defeating Beverley Orbs 20. The presentations were held at the Beverley Bowling Club following the game, congratulations to Carly from Pingelly the winner of the 2018 Associations Fairest & Best and Kana Moulton from Beverley claiming the runner up Fairest & Best.

Our end of season wind up and AGM was held at the Castle Hotel in York, on Saturday 15 September, yep we travel to other towns in our costumes. This year we saw the Beverley Hunters dressed as Nintendo characters and the Beverley Orbs as 80's/90's Cartoon characters, best costume of the night went to Shera - Jenifer Petchell. The list below is the 2018 trophy recipients, congratulations to all of our winners.

After another great season with some hard fought games, injuries and most importantly many laughs we thank all of our sponsors who generously donate each year, our supporters, our committee, umpires Donna and crew and of course our dedicated players, thank you and we hope to see you all return in 2019.

Fairest and Best Overall
Sponsored by Beverley Steel and Fabrication – Trophy
KANA MOULTON

Beverley Orbs left to right: Kasey Ashworth, Kana Moulton, Nicole Davis, Jenifer Petchell, Jamie Williamson, Jodie Bell, Laura O'Meagher

BEVERLEY SKI CLUB YENYENING LAKES

Welcome to our Beverley Ski Club notes. After re-establishing the club at the end of 2017, the committee has been very busy over the winter months. So what's been happening.....

NEW ENTRY SIGN

Have you seen our new entry sign?? Doesn't it look amazing! What a great new asset to welcome everyone to Yenyening Lakes. Special thanks to the Shire of Beverley on approving our grant to erect a fabulous new sign. Huge effort by the committee on getting this sign designed, printed and put in place Great job!!!

WAPF CATERING EVENT

The WA Photographic Federation chose the lakes to photograph the sunrise, which gave the Ski Club a great fundraising opportunity. With an early start, amazing sunrise, we warmed the 90 odd photographers with delicious bacon and egg burgers and tea and coffee....they were still amazed that we actually had an urn.

The boys then braved the icy conditions and put on a skiing show for the photographers to watch and take photos. What a great day, with only positive reviews. Massive team effort.

NEW SHIRTS

We have organised 'club' shirts for our members to wear. Check out our committee wearing the new shirts after the WAPF event. These shirts will be available in our 'Member Packs', which will be available shortly.

MEMBERSHIP

Would you like to become a member of the BEVERLEY SKI CLUB???? Sure you do! Memberships will soon be available, which will come with a great little pack to get you started.

Details to come or contact our committee for more details.

COMING UP.....

27 October 2018 – WASSA 'SHOW SKI DAY' – a day for all the family to watch or join in for \$10 per skier. Check Facebook for upcoming info or contact Adam Smith, 0429 182 231.

President – Adam Smith
Secretary – Cameron Sims
Treasurer – Hollie Smith

Home Entertainment

In last month's Blarney I wrote about Home Automation. Home Entertainment is another technology converging with wireless and the Internet.

What is Home Entertainment? Home Entertainment, (also called Home Cinema or Home Theatre) refers to home entertainment audio-visual systems set up in a room at home that reproduces a cinema experience using consumer electronic video and audio equipment. A Home Entertainment system can range from: a full set-up with high quality TV and audio systems and reclining cinema type chairs; to simply a modern large TV that can integrate all media sources together.

What has changed? Home Cinema started in the 1980s and consisted of movies on pre-recorded tape; a VHS player; a huge TV and a quality audio system. Everything was heavy, bulky and very expensive. Home Entertainment improved, got easier and cheaper in the 2000's with DVD players, set top boxes and flat screen TVs with multiple inputs. However, it was still too expensive for most people. Then there was satellite and cable TV – still expensive.

Home Entertainment is now more affordable.

Now wireless and Internet technologies are more widespread and cheaper. Electronic equipment is cheaper. TV's have also become more intelligent and are able to integrate all the services together. Hence, home entertainment is now affordable for most people.

- Many of the features required for Home Theatre have been included in new TVs, so separate boxes are not required;
- Home Entertainment equipment is almost entirely electronic. While most things you buy are getting more expensive, electronic equipment is getting significantly cheaper.
- The widespread availability of the Internet and better mobile coverage enables universal access to online media sources;
- in the last few years, Internet usage allowances have increased significantly and internet usage costs have dropped dramatically, making it cheaper to download films and other media over the Internet;

- Downloaded media is significantly cheaper than DVD's etc. as manufacture and distribution costs are much less;
- Media rooms are included in many new houses.

How does modern Home Entertainment work?

TVs have become the hub for modern Home Entertainment systems. Modern TVs have inputs for DVD and Blue-Ray Players and older devices such as record players and VHS tape. They also have outputs for HiFi systems or speakers for better quality audio.

How easy is it to set-up Home Entertainment?

Packages are available from HiFi shops but these are expensive. The easiest and cheapest set-up is around a new "Internet-ready" TV and an NBN connection. Modern TVs connect to your NBN or ADSL router using WiFi or Ethernet (for best performance).

Older flat-screen TVs are unable to directly connect to the Internet so will require a set-top box or PC to integrate everything together. This can be quite tricky to set-up. If you have an older TV you may want to consider buying a new TV to make life easier!

How do I get movies etc. from the Internet?

- **Streaming** – download directly as you watch a movie or listen to the radio or music. For movies you will require a high download allowance (videos are huge), and high speed to stop that annoying circle during download.
- **Download** – download, store on the TV or a PC to play later.

What sort of Internet connection is required? If you want to get movies and other media from the Internet you need to consider what connection you need and the service required:

- **NBN Fibre or Wireless** have the download capacity and speed for streaming or downloading. NBN Fibre is still not available in Beverley but is in York and Brookton townships.
- **ADSL** may have the download capacity and speed for streaming or downloading depending on the distance from the exchange and the number of houses connected. ADSL will be replaced with NBN fibre.
- **NBN Satellite or mobiles** are unsuitable for streaming as they are too expensive and the allowance is limited. You may be able to get special packages or download during the off-peak period at night.

BEVERLEY FOOTBALL CLUB

The 2018 season has come to a close with both football teams making it to the finals. Both Reserves and League teams made it into the first Semi-final, but bowed out following some tough competition from Keller/Tammin and Federals respectively. Unfortunately, our netball team did not make the finals this year.

This football club would not be able to run and have the success without the members, supporters and volunteers. We sincerely thank all those involved who make our club what it is.

The Avon Football Association awards night was held on the 31st August at Greenhills this year. Again, Beverley had award winners on the night, and they were greatly deserved. Stuart Murray was awarded the association Fairest and Best for Reserves. Gemma Bassett was awarded the Players Choice award for netball and Gary Miller was awarded life membership of the Avon association. We are all very proud of our players and want to again congratulate them.

Our club wind up was held at the Tennis Club this year. It was a great afternoon/evening with many players, families, sponsors and supporters in attendance. Award winners for the 2018 season were;

League

Fairest and Best: James Turner & Mitch Howlett

Runner up: Paul Johnson

Warki Ugle leading goal kicker: Josh Smith

Coaches Award: Robbie Wansbrough

Rising Star: Jordan McMillan

Reserves

Fairest and Best: Stuart Murray

Runner up: Andrew Broun

Rising Star: Liam Snowden

Most Consistent: Mark Bickley

Netball

Fairest and Best: Gemma Bassett

Runner up: Narelle Bailey

Most consistent: Chantelle Meade

CONGRATULATIONS ALL PLAYERS!

Club awards

2018 Club Person award: Bruce Mann

2018 Club Person award: Rebecca Smith

The BFC committee will be holding its AGM on Friday 02 November at the amenities building. We would encourage all members to join us for the AGM.

Beverley Ladies Golf

Hello and welcome to this month's edition which is jam packed with results of golf events, including our Open Day (Valarie Strange Open Day) which unfortunately only attracted 28 entries. If I recall, I think this is the lowest field we have ever had which was disappointing.

Our entries came from Ardath, Bolgart, Brookton, Cottesloe, Hartfield, Northam, Pickering Brook, Quairading, Whaleback Redbacks, York and of course our members. The ladies played in great conditions-weather and course was superb. Many thanks to our small band of men who worked really hard to get our course in tip top condition, under the guidance of Fred Sing. The job was too much for **Fred** that he left on the day of our Open Day to go on a **fishing trip**. Thanks Fred and all of your workers!!!!

Our sponsors for the day were Valarie Strange, Avon Waste (York), Max Hunter, DeFreitas and Ryan Real Estate Agents who have many offices in Perth, Di Smith, John Islip, Yvonne Hobbs, Judy Moulton, Glenys Collins, Ron Napier, Heather McLean, Anne Szczecinski, Maxine Watts and Sera Minchin.

I would also like to thank IGA, Lucky Find and Marg Peck for donating goodies towards our raffles!!!!

Big thank you to Robyn Murray who was called up at the last minute to take photos for us!!!!

Results of our day are further down the page and are also listed on our Facebook page. Our Facebook page has photos from the day.

Championship Results

Only four ladies participated in this event this year, so we decided to only have a gross and a nett winner. We played 3 consecutive rounds of 18 holes and the best scores from all 3 rounds decided our winners.

Congratulations to Maxine Watts as Club Champion with a gross score of 280 and Nett Winner with 237 was Yvonne Hobbs.

Friday 24 August- Maxine Watts travelled to York to play in their open day.

Monday 27 August, the State Silver Spoon was contested at Mosman Park Golf Club. Maxine Watts represented our club.

Tuesday 28 August-State Jubilee Foursomes was played at Mandurah Country Club. Maxine Watts and Marg Peck played in this event.

Wednesday 29 August	Club Trophy Stableford
Winner	Lyn Mactaggart 23 points

Wednesday 05 September	Club Trophy Par
Winner	Maxine Watts +1
Runner Up	Jane Murray -3
Nearest to Blue line No 4:	Yvonne Hobbs
Nearest to Pin on Green No 13:	Heather McLean

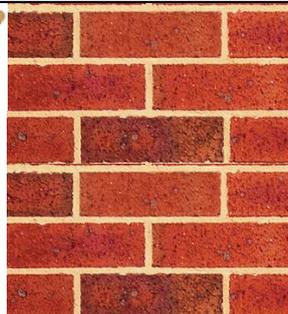

Friday 07 September- Brookton Open Day- Marg Peck and Maxine Watts represented our club and Maxine with 36 points won the Super Vet Trophy. Both ladies won a nearest to pin, a raffle and a ball sweep.

Saturday 15 - Sunday 16 September Avon Valley Open Teams Event- Only two ladies teams participated over the weekend and Yvonne Hobbs, Marg Peck and Maxine Watts won the event. Best Individual Gross was Andie From Gosnells with a score of 169. The Nett winner with 139 was Maxine Watts.

Tuesday 06 November- The Golf Club are once again hosting a Melbourne Cup Luncheon commencing at 11am. It will cost you \$30 which includes your lunch and a lucky door prize. Sweeps and Raffles will be available on the day for you to purchase and hopefully pick up a winner or two. There will also be a prize for best hat for both men and women.

All bookings must be directed 3 days before the event to Yvonne Hobbs on either 9647 2043 or by email: yvonnehobbs07@gmail.com. So grab a table and come along and enjoy a few drinks and lots of laughs. Please see flyer on page 63 in this Blarney.

Monday 17 September- State Travel Tree Challenge at Wanneroo Golf Course- Marg Peck and Jane Murray represented our club. The girls had a fun day on Jane's birthday but they just could not get out of the bunkers.

Until next month- "Be Very Straight"
Sera Minchin

Beverley Horse and Pony Club

Who's been out and about

State PPMG Championships on the 01 and 02 September: Our club was ecstatic that we had three riders from Beverley HPC representing our state for this event. The Prince Phillip Mounted Games involves teams of five riders from all over the state, racing against each other while performing different games. The six teams with the highest score on Saturday then went through to the finals on Sunday. Tealah Hawke riding Charisma Concerto (Mollie) competing in a Senior Composite PPMG team with Avon Valley SJPC and Emily Maxwell riding Peppermint

in a Junior Composite team with Wanneroo PC. Emily's team placed 7th and just missed out on the finals. Tealah's team placed 4th and went through to the finals on Sunday and then placed 2nd by just one point....so very close. Congratulations to South Midlands PC who won.

State Novelties Championships on the 01 and 02 September: Jessica Maxwell, Emily Maxwell and Tealah Hawke also represented Avon Zone against the state competing in the Novelties. The Novelties are a set of six games that each rider performs individually and is timed. The Zone Teams with the highest points wins each Novelty. Emily Maxwell won the 12 Years & Under Pony Club Mount individually against the whole state. Wow, what an achievement!!! All three riders came away with multiple ribbons for a range of events.

Beverley Annual BreedShow: We held our annual breed show on the 09 September. A chilly morning with a touch of fog soon cleared into a beautiful day. It was great to see some big classes despite the slightly lower number of entries. Well done to our club members and supporters who helped the day run successfully. A big thank you to our event organisers Jenifer, Vicky and Jessamin who put an enormous amount of time into this event to ensure that it is a success. Thank you to our **amazing sponsors** without whom our day would not be as successful.

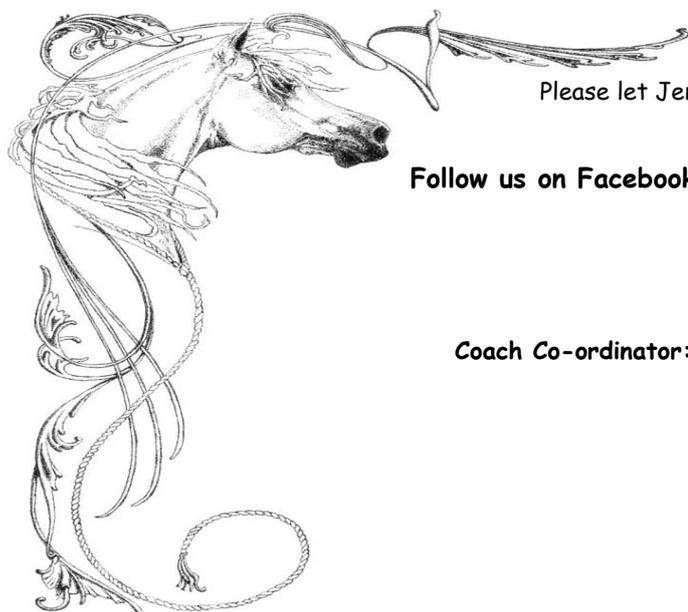

Perth Royal Show: Good luck to Emily and Jessica Maxwell who are representing Beverley in the Pony Club PPMG Pairs on the 29 September at the Royal Show.

September 08 Rally: We had two visiting coaches at our September rally, Marie had the riders working hard in the jumping arena while Tanita May Equestrian put the riders through their paces in the flatwork arena. The younger riders spent the morning with Jenifer working on their arena skills

and mastering some tricky pole work. Riders had an informative session examining a variety of bits and finished the day off with a ride out while preparations for the breed show were got underway.

Reminders: Our next rally is on **Saturday 27 October**, please arrive at 7.45am.

Please let Jenifer, our Acting Coach Co-ordinator, know if you are attending via bevpc.coaching@gmail.com or 0427 143 006.
