NEIGHBOURHOOD CENTRE WEEK 2021

## GOOD THYMES IN THE GARDEN

To celebrate Neighbourhood Centre Week, the Beverley CRC in collaboration with our Community Garden Sub Committee hosted multiple gardening based activities throughout the week to help our community to combat loneliness by hosting a range of hands on and interactive based workshops.

We had many new faces join in the activities and the Community Garden volunteers were so excited to see new people at the garden. The volunteers were able to proudly showcase how far the garden has developed through volunteering and partnerships within the community. Read more on page 17.

## SHIRE OF BEVERLEY PRESIDENT'S REPORT

### ANZ Bank – Beverley Branch Closure

Thank you to all the residents who completed the ANZ Bank Closure survey form and lodged complaints directly to the ANZ. The ANZ have responded with the assurance of a smart ATM (location still to be determined). The information from the surveys will still be collated for a report to be sent to ANZ. Thank you to Dee Ridgway for undertaking this action on behalf of the community.

### 2019/20 Annual Report and Annual Electors Meeting

The 2019/20 Annual Report is available from the Shire Office and website. The Annual Electors Meeting will be held **Monday 14 June 2021, 6pm at the Cornerstone Building. RSVP's are encouraged for social distancing and catering requirements** (Shire admin office 9646 1200 or [admin@beverley.wa.gov.au](mailto:admin@beverley.wa.gov.au)).

### Avondale Machinery Farm

Council are seeking public comment from the community of the future of the Avondale Farm Machinery Museum. A report and comment form is available from the Shire Office or the Shire website. Public comment will guide Council on whether to keep the Museum, move it or walk away from it. Please respond by 30 June, [admin@beverley.wa.gov.au](mailto:admin@beverley.wa.gov.au) or in person at the comment box at the Shire Office.

### Local Government Elections – October 2021

If you are interested in becoming a Councillor and running in the local elections in October 2021 please do not hesitate to have a chat with a current Councillor. Later in the year the Shire will hold information sessions that will cover training requirements, meeting expectations and legislative requirements. The Shire will also have a tent at the Beverley Show.

### Roads

Work has started on the shoulder reconstruction on Morbinning Road between East Lynne Road and Caroling Bally Bally Road. This is in preparation for the widening and sealing of this section next year.

The Shire has 34 bridges which have had their annual inspection, 26 timber and 8 large culverts (box culvert crossings are not classified as bridges). The Kokeby East bridge has had remedial props placed under it and will be further reduced in width until the bridge is eventually replaced. Please slow down and use caution when crossing.

### Caravan Park Cabins

The construction of the Beverley Caravan Park cabins is now complete. The internal furnishings are being installed and the road and landscaping is underway. Council are hopeful they will be available for bookings mid-July.

### Vincent Street Streetscape Project

There has been a lot of work behind the scenes trying to bring this project to fruition. One of the side-effects COVID stimulus funding and projects has been a natural increase of construction costs as companies are no longer fighting for work. Unfortunately, this has severely hampered our progress. Designs and plans have been reworked to meet our budget. Council are reviewing recent tenders and hope to move forward with the project, but most likely on a smaller scale than originally anticipated.

### Spring Back to Beverley 2022

In case you are unaware, a working group of community members along with Shire staff are preparing to celebrate the 150 year anniversaries of the Beverley Road Board and the Dead Finish Museum (the oldest building in Beverley). The weekend event, 24 – 25 September 2022 is called "Spring Back to Beverley" and is now an event on Facebook. If you click 'interested' or 'going' you will be updated as information comes to hand.

### Beverley to Perth Exhibit – Visitor Centre Cornerstone

A new cycling exhibit is on show at the Visitor Centre. Thanks to the WA Historical Cycle Club and Toby Hodgson (Beverley Heroic) for curating the exhibit.

### Thanks

On a personal note, many thanks to Linda, Jenny, Eva and Kim for their care and assistance during my recent visit and tour of our local and regional health services!!

Sad Day for Beverley WA  
Wednesday 29 September 2021  
ANZ Beverley Branch due to close

The announced closure of Beverley ANZ is a distressing prospect for residents, local and regional businesses, community organisations and visitors. The long term effect on our vibrant & growing rural community as a result of our only bank closing is a significant concern.

A feedback questionnaire sent to all PO, RMB and town letter boxes in our community closed on 28/5/2021 and the many responses will now be collated.

Respond to the signatory of your letter or email which advised about the bank closure and explain how you will be affected. If you don't use email then the postal address is as follows:-

Attn: whoever signed your letter  
ANZ, Level 5, 240 St Georges Terrace, Perth WA 6000

Updated information was received in the last week of May, that the SMART ATM is to be retaining with a location yet to be determined. This is terrific news!

## ACTIVATED BAMBOO CHARCOAL AIR PURIFIER ECO PACKS

**NEW CLEAN GREEN SAFE**

### HOW DO THEY WORK?

AIR passes through the linen cover to the porous Bamboo Charcoal which **absorbs odours**, allergens and moisture. The natural filtering helps prevent mould, mildew and bacteria from forming.

### WHERE TO USE?

DEODORISE your home, from bathroom to kitchen to pet area. Refresh personal spaces in hospitals & retreats. Perfect for your car, caravan or boat.

### HOW LONG DO THEY LAST?

KINGPIN sustainable ECO PACKS have a lifespan of 2 years & are reactivated by placing them in direct sunlight for 1 hour a month. The UV light disperses the moisture and odours and attacks the protein of viruses.

## Beverley Historical Society Dead Finish Museum

bhsdeadfinish@gmail.com

Our last meeting held on the 10 May was very well attended, the most we have had in a long time.

In the morning we held a Busy Bee with sorting and wrapping the photos in acid free paper and placing in new files in our new fireproof filing cabinet. A big thank you to our wonderful volunteers.

By the time the Blarney has been printed we would have had members of the Northam Heritage Group visit on Sunday 23 for a look at our lovely Museum and morning tea.

On Monday 14 June we are going on a small field trip (destination yet to be decided). We will be leaving the Museum at 10.30am.

Next meeting will be Monday 14 June 2021 at 1.30pm.

New members are most welcome.

### PUBLIC NOTICE Land Use and Employment Survey

During May through to July 2021, the Department of Planning, Lands and Heritage is conducting a land use and employment survey of businesses in the Avon Arc Region and the Shire of Gingin. The Avon Arc includes the Shires of Beverley, Brookton, Chittering, Northam, Toodyay and York.

The survey is undertaken to assist with land use planning to help guide where people will live and work in the future.

Trained data collectors will canvas all commercial, industrial, public purpose and recreation/open space business entities in the nominated regions to collect generic information relating to land use and employment, including:

- type of business activity conducted
- how much floor space the business activity occupies
- how many people work in the business activity.

All data collectors will carry relevant identification and the responses gathered will be collated and not identifiable to individual businesses. If you have any queries about the survey or our data collectors, please email Rebecca Till at [lues@dplh.wa.gov.au](mailto:lues@dplh.wa.gov.au)

# SWAP IT UP

Come along for some fun and swap your renowned goodies for someone else's infamous, delicious wares.

Think outside the box, if you're not sure you can make something, maybe you could offer labour instead of goods.

Anyone has the right to respectfully decline your offer. Maybe ask them what you could swap next time to seal the deal.

Absolutely no money is to be exchanged during the event, sorry no exceptions.

Pro tip - plan ahead, think about what would I like to swap verses what would I need to bring to sweeten the deal?

Don't limit yourself to bringing one thing to swap, you may need bargaining power with multiple goods to get exactly what you're after.

## BEVERLEY CWA MOTHER'S DAY DEVONSHIRE MORNING TEA

On Saturday 08 May, the CWA held a Mother's Day Devonshire morning tea. With all that has happened recently, we were pleased to see many come to this event and we hope you all enjoyed yourselves as much as we did holding this event.

As well as the morning tea, we held a raffle with many fantastic prizes. A big congratulations to all those who won. We also would like to thank the community for getting behind this event in either buying raffle tickets, coming to the morning tea or both. Without your continuous generosity and unwavering support for the CWA we would not be able to hold events like this and hope you will all join us and have fun.

We would like to thank those people who generously donated to the CWA, we really appreciate your support and hope to continue the relationship the CWA has with the community.

Lastly, we would like to thank Diane Colebrook. You have gone above and beyond in what you have done, all the prizes that you have donated and you time that **you have given. We can't begin to tell you how much we appreciate what you have done but be assured that we are very appreciative of everything that you have done for the CWA. Thank you, thank you, thank you!!!**

Once again, a huge thank you to all those who helped, attended, bought tickets or just donated. Your generosity and support the CWA will not go unnoticed.

Stay tuned for future events!!!

BEVERLEY HISTORICAL SOCIETY presents "Olden Days" by Y2 BDHS

Last Monday my class went to the great Dead Finish Museum. It was Year 2 only and the teachers. The Dead Finish is a museum with stuff from the past and even older stuff. First my group did silver polishing. I had to learn how to scrub silver without water and a sponge. Next I went to the dress ups. I put on a dress and gloves with a handbag. Then we went to the school and wrote with nib pens and ink wells. Lastly we went to the washing and we washed the clothes with soap and our hands to wring them out. Finally we enjoyed the refreshments and lollies and we got a souvenir. I had a great time with the helpers and the class teachers too. My favourite part was looking at the gardens and the gates and eating the lollies.

By Jade

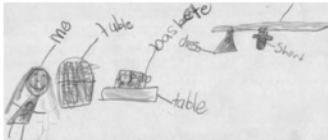

Last Monday my class went on an excursion to the Dead Finish, it is 150 years old. First my group did silver polishing. We did lots of polishing. Next we went to the dress ups. We tried on all the old clothes. Then we went to the old school. At the school we got to use a nib pen. Lastly we went to the washing. At the washing we got to clean all of the clothes. Finally we were given some refreshments; they also gave us a penny and some lollies. We had a great time with the ladies. My favourite part was dressing up.

## Mother's Day Celebrations in Kindy and Pre Primary

Our Kindy and Pre Primary students enjoyed hosting Mother's Day Evenings for their Mum's and Nana's in Our Early Learning Centre. Mrs Hawke and Mrs Higgins organised some lovely activities for all to enjoy in Building A, whilst Mrs Kilpatrick and Mrs Tilley had some wonderful pampering and fun activities set up for all of the mums to enjoy with their child. All mums received a lovely gift to end the evening, made by their child, for their mum with love! It was so lovely to see our students so excited to have their special people in their classroom. Another great BDHS tradition of life as a Kindy and PP student and mum!

## NEIGHBOURHOOD CENTRE WEEK 2021

# GOOD THYMES IN THE GARDEN

What a fun week we all had celebrating Neighbourhood Centre Week, if you missed out here's a line up of what we got up to!

What a Pile of Compost was so much fun as our composting queen Mandy Evans showed us how to build a steaming 1.5 metre compost pile using materials laying around our gardens. Our very own handywoman aka Trainee Jaime, showed us how to build composting areas at home, from pallet designs to small container designs.

I Spilt My Pants was our propagating workshop with indoor plant specialist Amor, who showed us how to easily propagate using water and a glass jar. Betty and Kate showed everyone how to propagate hardwood plants including roses, rosemary and many more and encouraged everyone to have a go. We were lucky to go home with many cuttings thanks to the generosity of the Community Garden volunteers.

What To Do with Your Poo was definitely the stinkiest workshop and our lucky poo expert Sam got down and dirty, creating blended manures from local farms. Unfortunately there wasn't any volunteers wanting to help with everyone quite content to just watch this one. Jaime took over and showed us how to make poo tea.

Squirm with the Worms was an interactive workshop hosted by the team at The Worm Shed. Kevin demonstrated how to build and look after a healthy and thriving worm farm and how to use the worm juice and castings in our gardens.

You Swapped What? Was an informal activity inviting all community members to come along and swap plants, seedlings and seeds with others whilst enjoying a scrumptious Devonshire Tea. Congratulations to Robyn Cashmore who won the gardening raffle.

We would like to thank the event supporters, CRC staff and committee and the volunteers at the Beverley Community Garden for all their work over the week.

## Media Release

### Local practice receives the mark of quality as an accredited practice

Beverley/Brookton WA increased its community health credentials on 05/05/2021 when Vines Medical Practice received a national award of accreditation, demonstrating its commitment to quality and safety within its practice.

Vines Medical Practice received this important recognition from *Australian General Practice Accreditation Limited* (AGPAL), the leading not-for-profit provider of general practice accreditation services within Australia.

AGPAL Chair, Dr Richard Choong, said accreditation shows that the practice makes a significant investment and commitment to quality on a day-to-day basis, across all levels of the practice team.

"Achieving accreditation is a major achievement for any practice and a clear demonstration that Vines Medical Practice is striving to improve their level of care to both patients and the community," he said.

"Practices seek accreditation because they want to do their best and view this as another step towards excellence in patient care."

To achieve accreditation, a practice team works over a 12-month period to implement the *Royal Australian College of General Practitioners (RACGP) Standards for general practices*. The RACGP Standards provide a recognised national benchmark for general practices and services, and a template for quality care and risk management.

The AGPAL accreditation program supports general practices across the primary healthcare sector to provide a range of minimum expectations for patients surrounding safety and care. The accreditation process involves an independent on-site assessment of the practice's environment and their processes. Accreditation was developed jointly by AGPAL and primary health organisations and peak bodies, including the Australian Medical Association (AMA).

Areas of focus during an on-site assessment for accreditation include: ensuring vaccines are within their use-by-date and stored at the correct temperatures, that the practice's equipment is clean and sterile, practice staff are up-to-date with their training, and the practice has emergency care available.

Dr Choong said accreditation is attainable only through cooperation and communication between staff members.

"Everyone at the practice plays a valuable role in working to meet the RACGP Standards. It gives staff a real sense of pride to work in an AGPAL accredited practice," added Dr Choong.

Vines Medical Practice proudly displays the AGPAL accredited symbol for all their patients to see.

"We want community members, nationwide to know that their wellbeing is our priority. By choosing to attend an AGPAL accredited practice, patients know they will get quality and safe care that meets the RACGP Standards."

Vines Medical Practice located at 135 Vincent Street, Beverley and 12 William Street in Brookton offers highest quality, personalised, patient centred care from general medical consult, immunisation-routine childhood immunisation, influenza /COVID19 vaccinations, men's health, women's health - Implanon/Mirena insertion/removal, child health, skin cancer clinic and our new aesthetic clinic is coming soon.

# Station News

The Station garden is available for public use at any time;  
just open the gates and enjoy!

## COVID-19:

Please practice good hygiene and physical distancing at all our events, and use the hand sanitiser stations provided. If you are feeling unwell or have travelled outside WA in the 14 days prior to events at the Station, please do not attend.

## Artists-in-Residence at the Station Gallery

### *Artist in Residence*

During the month of May we had portraitist Kath Moore working from the station Gallery, (see pic at right with Britt Hadlow and her portrait). Kath was thrilled at the number of people wanting their portrait painted, and the number of visitors who came to the Station to see her work.

And then for the second half of the month, Nancy Ballesteros and Kathy Allam were artists-in-residence with their eclectic creative skills. Nancy sold many of her beautifully dyed silk products, as well as her exquisitely coloured wool and worked on some felting. Kathy

worked on her recycled lace shoes. See pic left, and above right Nancy demonstrating the felting technique to visitors.

**Artists in Residence for June** will be Irene Osborne for the first two weeks of June, and Stephanie Boyle for the remainder of the month. Please make them feel welcome.

**Irene Osborne** is a multi-award winning, professional Perth artist and has worked with all mediums and held many solo exhibitions since the early 90s. Her public art projects and commissions span across 25 towns/suburbs in WA.

Whilst in Beverley she will be painting just for the pleasure of it and welcomes people to the station to chat and paint with her there. Irene also loves plein air painting and being out in nature so she'll probably be looking for some old gnarly trees or blackboys/grasstrees which always inspire her.

A visit to the gallery will not disappoint as she will have paintings on display, and if any older folk (their faces have life etched on their features) would like to sit for their portrait, please also drop in to make a time.

**Stephanie Boyle** is an award-winning artist who has been painting watercolours for over 30 years. On nine occasions she has attended Charles Sturt Summer School in Bathurst, NSW to further her technical ability and has been tutored by Australia's leading water colour artists. Stephanie has taught watercolours at Claremont School of Art, Tresillian Art Centre, Canning Art Centre and Atwell Gallery. She has given numerous demonstrations to arts societies in WA, even giving a painting demonstration in Italy.

Whilst in Beverley she is hoping to do some plein air painting weather permitting. When at the Station she will be working towards an Exhibition coming up next year. At the Station Gallery will be her artworks for sale framed and unframed. Saturday 26th June at 11am Stephanie will give a demonstration of Painting

Watercolours on Yupo Paper. No charge.

Please keep an eye on the weekly Bulletin for further information regarding residencies, workshops or any changes to schedule to schedule - or contact A-i-R Coordinator Marylou on 9647 1027/0427 085 511 or email: [hutchinson@wn.com.au](mailto:hutchinson@wn.com.au)

### **Beverley Amateur Dramatics (BAD)**

The play *Secret Bridesmaids' Business* was performed by our fabulous local drama club over four nights – **Friday 23 April, Friday 07 May, Saturday 08 May, and Sunday 09 May** to wonderful audience numbers – around 200 all up. Well done BAD actors – those monologues were truly amazing! The great costumes were the work of Kathy Kont, sound and lighting due to Riley Anderson, stage manager – Issy Freeman. And last but not least, congratulations to the director of the play Mark Kont for getting the show on the road in such a short period of time, and then having to relocate the whole set from the Platform Theatre to the Town Hall following two weeks break because of Covid restrictions and the weather turning cold. The performance was so professional it could easily have passed for a stage play in the city. See below the first performance at the platform Theatre, followed by scenes at the Town Hall.

If you would like to be involved in future productions, contact Britt Hadlow by email: [britt.hadlow47@hotmail.com](mailto:britt.hadlow47@hotmail.com) or [beverleyamateurdramatics@gmail.com](mailto:beverleyamateurdramatics@gmail.com)

### **Beverley Station Singers**

The extra practice on May 05 paid off for the various performances at the Merredin Songfest 2021 on 14-16 May. There were ten choirs all up singing their hearts out at the magnificent historic Cummins Theatre, as well as various places around the town. Merredin's choir 'A Choired Taste' did an amazing job of hosting this huge event and deserved the accolade of Merredin's *Community group of the Year*.

Station Singers will continue to meet on a Wednesday every 2 - 4 weeks. Next sessions will be **June 06 and June 23 at 7pm**. Beverley's own, albeit smaller choir event, **CHOIR MUSTER** on Saturday 11 September 2021.

Singing is directed by the talented Kelly Newton Wordsworth, cost \$20 per night. Sarah Miller is coordinating singing so if you are keen to come along you can phone 0427 464 078.

We are taking a wee break till August/September in which time we will be organising the monthly program to take us through to next April. Hope to see you all back then! A peek at what is in store and save the date:

Sunday 08 August at 6pm – Miss Westralia (musical comedy)

Saturday 11 September at 2pm – VoiceMoves Choir Muster

Saturday 06 November at 8pm – Landslide Fleetwood Mac/Eagles tribute

Saturday 18 December – Community Christmas Party

### Volunteer Thank You

- to the wonderful volunteers who stepped in at the last minute to join the Station Singers at the Anzac Service - Alan and Vicki Primrose, Di Smith, Joy Smith and Daniel Lea
- to Mark Kont for playing keyboard at the Anzac Day Service
- to Joey Walter for juggling time to prepare a grant application whilst still rehearsing and performing in the BAD production
- to Lisa Green for volunteering her time to help with the recent grant project
- to Barry and Pauline Knight for always being available when things need fixing or items need to be purchased from neighboring towns
- to the BAD crew for donating profits from the drama production to BSA
- to the BSA committee for spreading themselves to work at the door and bar over the four nights of 'Secret Bridesmaid Business'

Jenny Broun, President Station Arts. 0419040063

### Station Gallery Open Hours:

11.00am – 3. 00pm

Thursday, Friday, Saturday and Sunday

**Post Script:** The artwork of the Overall Winner of the Beverley Art Prize 2021, *Treehouse By The Sea 1*, is now framed and hanging in the Station Gallery...worth a visit to see and appreciate this superb printmaking of artist Elmari Steyn

## A VIETNAM STORY for ANZAC DAY

Mike Collins stared down at the photo that lay there on his desk  
It was faded, tattered, dog eared, but that made it bother him no less  
He turned 71 a month ago and time was running out  
His peace of mind depended on removing any doubt

There were two men in the picture and one of them was him  
It was taken in the heat of battle in the Mekong Delta , Vietnam  
Fifty years of searching and he still just had a name  
Archie Wallace had just vanished, it seemed he'd not be seen again

There was no record of his passing in the files Mike reviewed  
No note of his expiry in any wartime news  
That was until this morning, and it happened quite by chance  
Mike saw the name on his TV screen, it was a momentary glance

He did not catch the story's context or any background to it  
But the mystery was at last unlocked, somehow he just knew it  
His secretary went to work to track the story down  
It was news from out of Perth, the big business end of town.

Mike had colleagues over there who would know the 'how and why'  
Was this Archie his man? Was he in trouble? Did he die?  
He called his friend Al Tennison, a well respected man in law  
Like Mike he was a Vietnam vet, a survivor of 'that' war.

Al told him that 'this Archie bloke' lives a hermits life alone  
Out there in the desert on a mining lease he owns  
"But the corporate mob are challenging.....his lease holds so much  
gold  
Archie's holding on for his grandkids, but he could lose it all I'm told"

"It's true he has a lease but it's validity's in doubt  
And the corporates are after it, they've brought their big guns out  
They'll fight it out in court in just a week or two  
Mike, I'm curious why this matter is of interest to you"

"I'm flying in tomorrow Al, I'd like an hour of your time  
I know that you are busy, I hope that you don't mind  
Could you set up a meeting between Archie and my crew?  
He's a fellow vet mate, we must do what we can do."

Mike now knew for sure that Archie was his man.  
After fifty years of searching he'd make good on his plans  
With a meeting set that afternoon Mike and Al put things in place  
And set the scene for Archie to meet them face to face

Archie walked into the room, confused about the fuss  
Mike and Al both shook his hand, between veterans total trust  
Mike took the picture from his wallet, Archie unfolded it and stared

Mike said "right to this day, I thank God that you were there"

Both men were emotional , neither knew quite what to say  
Archie wasn't one to seek the limelight anyway  
But Mike at last had found him and as karma played it's hand  
He said to Archie, "let me help you mate, listen to my plan"

Mike then said to Archie, "if it's ok with you  
I'll invite the TV people in, I'd like to give an interview"  
"I can do the talking, just sit back and take it in  
We've been in fights together....and this one we can win"

When the cameras started rolling Mike introduced himself  
"My name is Michael Collins of Collins, Jess and Phelps  
We are a firm of lawyers , and although I'm from the East  
I'll be representing Mr. Wallace re the retention of his lease"

"There will be no fee, not a cent to pay at all  
Archie is a hero , he went way beyond the call"  
Mike held up the picture for everyone to see  
"That soldier there is Archie, the one he's carrying is me"

"He was already wounded when he threw me on his back  
The battle raged around us, we were under full attack  
He carried me to safety, a chopper got me back to base  
Until today I'd not met Archie, I'd never seen his face"

"It was only through this picture that I finally got his name  
After fifty years of searching I met him here today  
I owe this man my life, I cannot repay that debt  
But if the corporates want a fight, it's a bloody fight they'll get!"

"All of our resources will be put to Archie's cause  
We'll take them on at every turn, we'll use every corner of the law  
As if Vietnam was not enough, it's time he got respect  
Let Archie Wallace keep his mine, it's the least he should expect."

That night on the news, it was very plain to see  
That Archie was a hero, a complete celebrity  
Mike got an email next afternoon, the corporates saving face  
Had decided that they'd no longer be pursuing Archie's case

It was sunset there at Scarborough as they enjoyed a beer or three  
Archie rolled a smoke, the sun dipped into the sea  
He stretched his legs and put his feet up on a nearby chair  
He said..."I'll tell ya what I reckon Mick, I think we'll call it square."

## CWA Beverley Branch

Very many thanks to our CWA members for their contribution to last month's Mother's Day raffle held at the CWA hall on the morning of Saturday 08 May, together with a Devonshire morning tea, where the freshly baked scones were snapped up rapidly, also our thanks go to Alan Primrose for his musical entertainment during the morning, it was incredibly hard for some of us not to sing along too.

The winners of the Mother's Day raffle were:

- 1<sup>st</sup>-Ellie Baldwin,
- 2<sup>nd</sup>-Kristy Dugan,
- 3<sup>rd</sup>-Linda,
- 4<sup>th</sup>-M Rohrlach,
- 5<sup>th</sup>-Pat Alexander,
- 6<sup>th</sup>- Lesley Heal, and
- 7<sup>th</sup>-Kayla Dean

We wish to give special thanks to Gary & Denise Ray together with Alan Primrose for drawing the winning tickets. We hope all the Mums had a beaut day (I know I did!).

Over the past few months Vicky has given us several educational talks about Japan, and at our monthly CWA meeting in May, some of the ladies brought in cherished items that were made there, each holding special family significance.

### Upcoming events

Our next social morning tea will be on Wednesday 02 June from 9.30am to 11.30am where all are welcome to pop in for a cuppa and a chat.

On Wednesday 16 June we will be holding our next CWA monthly meeting from 10.00am after which we will share lunch together.

In July we are hosting **Kings Park Fashions** who will be showing some winter garments, it is possible that some of the fashions will be shown off by locals who are willing. An update will be in the next Blarney so keep tuned.

## Beverley Garden and Tree Society

The May meeting was held at the Dead Finish Museum. Members discussed the pending closure of the ANZ bank branch in Beverley which is causing great concern for many of our members and the community generally.

The Agriculture show has yet to announce this year's show theme but we need to start potting up some plants for use in our exhibit. The town hall has been booked members reminded that we will have a display of teapots to add interest plus we need donations of books, bric-a-brac and plants for sale.

Our next meeting will be held at the Dead Finish museum on Tuesday 01 June at 10.30am. We will have a guest speaker, Dave Hardy, to give us information about bee keeping. As always there will be a "bring and buy" table.

The weather is getting colder and the days shorter but there is still plenty of gardening in June.

#### Vegies to plant in June

Asparagus, broad beans, cabbage, celery, artichoke, lettuce, onion, peas, spinach spring onions and strawberries.

#### Flowers to plant in June

Alyssum, calendula, pansy, dianthus, viola, primula, carnation, cornflower, poppy, snapdragon and stock.

June is a great time to attend to the following tasks in the garden:

- Ensure reticulation is turned off
- Cut back butterfly bush (Buddleja) to one third it's size to keep if compact
- Lift and divide clumps of ground covering native violet and replant them in shady areas
- Give lillypilly and Westringia hedges a light trim to tidy for winter
- Tidy up and reshape overgrown hibiscus and crepe myrtle. Plan to give them a more serious prune in August
- Put potted cyclamen outside at night to enjoy the cool air
- Don't forget to check that your potted plants and gardens under eaves are getting enough water
- Once the leaves die down it is time to harvest onions, shallots and garlic
- Don't let beets get too big as they are sweeter when small
- Harvest spring onions and leeks as you need them as they do not store well
- Pick peas daily to encourage continuous crops. They are ready when the pods look plump
- Harvest rhubarb after the plant's first year, taking no more than half the stems. Hold stems near the base and twist
- Collect, bag and bin diseased foliage on fruit and veggies to reduce spread

Happy gardening!

### IS YOUR FIREARM LICENCE OVERDUE??

For those of you with firearm licences, it is extremely important to ensure that you have a current licence. A firearm licence is only valid for a year, so you need to make sure you know the expiry date and renew the licence before expiry.

The renewal licence will be forwarded to your last known postal address and it is up to you to ensure that police have the current address for the renewal to be posted to.

If you fail to renew your licence after 3 months of expiry then an infringement will be issued. This is personally served on you by police. The cost of the infringement is \$421.00.

If you fail to pay the infringement then you will be charged by police and have to go to court.

If you have any queries in relation to your firearm then contact Licensing Service on 1300 171 011.

If you want to know your licence expiry date then go online to <https://publiclicensingportal.police.wa.gov.au/home> and add all your details and it will give you the expiry date.

### MOVEMENT OF AGRICULTURAL VEHICLES/IMPLEMENTS

It's that time of year again where there is an increase on the roads of agricultural vehicles and implements. Below is the Agricultural Pilot Requirements flow chart for when you require a pilot vehicle and what is required of a pilot vehicle and oversize vehicle. It is not exhaustive so if you require any more information then Heavy Vehicle Help Desk on 138 486 or visit the Agricultural Vehicles page of our website at [www.mainroads.wa.gov.au](http://www.mainroads.wa.gov.au)

#### PILOT AND ESCORT VEHICLES

- A pilot vehicle must have 4 or more wheels and a GVM of:
- (a) 6.5 t or less in the case of a rear pilot vehicle, if 2 pilot vehicles are required; or
- (b) 4.5 t or less in any other case.
- A pilot vehicle must have a warning sign on its roof.
- A pilot vehicle must only have an amber flashing warning light:
- (a) above or below the sign; or
- (b) at each side of the sign.
- The headlights or day running lights on a pilot vehicle or escort vehicle must be switched on when it is accompanying an oversize vehicle.
- A pilot vehicle must not tow a trailer or carry a load, but it may carry tools, equipment or substances for use in connection with the oversize vehicle it is accompanying or for restraining the load on that oversize vehicle.
- When one pilot vehicle accompanies an oversize vehicle, the pilot vehicle must travel:
- (a) behind the oversize vehicle, if they are on a road with multiple lanes, in the direction of travel; or
- (b) in front of the oversize vehicle, if they are on a road that is only a single lane, in the direction of travel.
- When 2 pilot vehicles accompany an oversize vehicle, one pilot vehicle must travel in front of the oversize vehicle, and the other behind it.

- A pilot vehicle must travel far enough away from the oversize vehicle it is accompanying to give adequate warning to other road users of the presence of the oversize vehicle, taking into account the type of vehicles that use the road, traffic speed, weather, visibility and other driving conditions.
- An oversize vehicle and any accompanying pilot vehicle or escort vehicle must have an electronic device that allows the drivers to communicate effectively with each other.
- A pilot vehicle that accompanies an oversize vehicle must only be driven by a person who is the holder of a "heavy vehicle pilot licence" and is declared as an "Authorised Person", unless otherwise authorised.
- The driver of a pilot vehicle and the driver of an escort vehicle must inform themselves of the dimensions, warning devices requirements, driver requirements and relevant vehicle operational requirements including conditions of permit, prior to accompanying the oversize vehicle.
- The driver of an oversize vehicle must comply with any lawful direction or signal given by the driver of the lead pilot vehicle or, if accompanied by an escort vehicle, the Traffic Escort Warden.
- The driver of a pilot or escort vehicle must not operate any other vehicle or machinery, such as steer a platform or jinker trailer, whilst accompanying an oversize vehicle.
- To avoid unnecessary traffic build up, an oversize vehicle accompanied by a pilot vehicle must pull over on a regular basis to allow traffic to pass. This includes stopping in all parking bays that are suitable and stopping wherever it is safe to do so, with pilots or Traffic Escort Wardens providing traffic management if necessary.
- The flash of an operational amber warning light must be visible between 120 and 200 times a minute, in normal daylight, at a distance of not less than 500 metres in any direction.
- Where it is not possible to see one warning light mounted on the vehicle or load from any direction, additional amber warning light(s) must be mounted on the vehicle or load.
- A pilot vehicle travelling in front of an oversize vehicle, may place a filter behind the warning light on the pilot vehicle to reduce the intensity of the light directed to the driver of the oversize vehicle.
- Any warning light which a pilot vehicle or escort vehicle is required to have must be switched on when the vehicle is accompanying an oversize vehicle.
- If a vehicle is not required under the operating conditions to have a warning light, it must not have one that is switched on.
- Wig Wag lights must only be used where stipulated in the conditions of a permit or order. Wig Wag Lights:
  - (a) Must be mounted in pairs, one on each side of the front of the vehicle;
  - (b) Must flash an alternating white light;
  - (c) Must not interfere with the amber warning lights or any other lights required under road law;
  - (d) Must not be headlights;
  - (e) May be spotlights with a maximum output of 55 watts, provided they are angle down 45degrees toward the road surface;
  - (f) May be LED day running lights, provided the light emitted from each lamp does not exceed 400cd;
  - (g) Must have an illuminating surface area not less than 40cm<sup>2</sup>;
  - (h) Must be no less than 500mm above ground level and no more than 1000mm aboveground level.
- The face of a warning sign must have a yellow surface.
- The face of the warning sign must have a black border at least 20 mm wide. The border may be split if the sign is divided into two parts.
- The outermost edge of the border must be set at least 10 mm in from the edge of the sign unless the sign has been made with a box edge.
- The warning sign must display the manufacturer's name or logo, and the brand and class of retro

- reflective material used in block letters at least 3 mm, but not more than 10 mm, high.
- The marking may appear in any visible location on the sign, except in a bottom corner of a sign used on a pilot vehicle.
- The face of the warning sign must be appropriately maintained to ensure it is clearly visible and legible to other road users.
- A warning sign must be made of either:
  - (a)stiff, flat, weatherproof material, or
  - (b)flexible material, provided the sign is held taut, and is clearly visible and unlikely to be come dislocated, furl or otherwise become difficult to read by other road users.
- A flexible warning sign that is in such condition or state that its message cannot be easily read by other road users is deemed not to be a warning sign for the purposes of this Section.
- A warning sign must not be displayed on a vehicle that is not an oversize vehicle or a pilot vehicle.
- A warning flag must be brightly coloured red, yellow, or red and yellow, at least 450mm long and 450mm wide.
- A warning sign on an oversize vehicle must be at least 1020 mm long and at least 250 mm high.
- The sign may be split into 2 parts, in which case the combined length of its parts must be at least 1020 mm.
- A warning sign on an oversize vehicle must show the word "OVERSIZE", in black upper-case lettering.
- The lettering must be at least 180 mm high.
- If the sign is split into 2 parts, the part mounted on the left must show the letters "OVER" and the part mounted on the right must show the letters "SIZE".
- A warning sign on an oversize vehicle must be mounted vertically.
- The lower edge of the sign must be:
  - above the bottom of the bumper bar; or
  - if there is no bumper bar, at least 500 mm from the ground level.
- If the sign is split into 2 parts, each part must be fitted at the same height as the other.
- A warning sign on a pilot vehicle must be at least 1200 mm long and at least 600 mm high.
- The sign may have bottom corner cut outs not more than 150 mm wide and not more than 100 mm high, if they are needed for mounting the warning lights.
- Both faces of a warning sign on a pilot vehicle must show:
  - the word "OVERSIZE", in black upper case lettering at least 200 mm high, and
  - (b)the words "LOAD AHEAD", in black upper case lettering at least 100 mm high.
- The bottom of the lettering of the word "OVERSIZE" must be at least 300 mm from the bottom of the sign.
- The bottom of the lettering of the words "LOAD AHEAD" must be at least 100 mm from the bottom of the sign.
- A warning sign on a pilot vehicle must not lean back so there is more than 200 mm measured horizontally from the top of the sign to a vertical line running through the bottom of the sign.

## CWA York great advocates!

The ladies at CWA York continue to be busy advocating for our Wheatbelt community and beyond. Accordingly, we invited Di Holland and Jacey Brown (photo on left) from Share and Care Community Services in Northam to our Branch meeting in May 2021 to talk to us about the domestic violence crisis in our society.

Also in relation to advocacy, some of our members (picture below on left) participated in the Associated Country Women of the World (ACWW) walk around York. Like CWA throughout Australia, ACWW's focus is to "amplify the voices of rural women". The walk highlighted the importance of supporting women all over the globe to have better access to water.

Sadly, we all seem to be affected in some way by the prevalence of cancer so some of the ladies (picture below on right) headed off to Toodyay recently for the Cancer Morning Tea.

Our organisation is also about service, education and friendship. CWA York continues to grow in number; at last count there are now 39 of us. It is always exciting to welcome new people into the fold and rewarding to get to know them too.

## The European wasp wipe out!

After successive, challenging seasons, WA can breathe a sigh of relief and celebrate some spectacular results.

**Photo caption:** Insecticide treatment of underground European wasp nest

The 2020-21 European wasp (*Vespula germanica*) surveillance season has finished strongly with nest numbers plummeting to the lowest they've been in 12 years and not a whisper from the destructive pest for months!

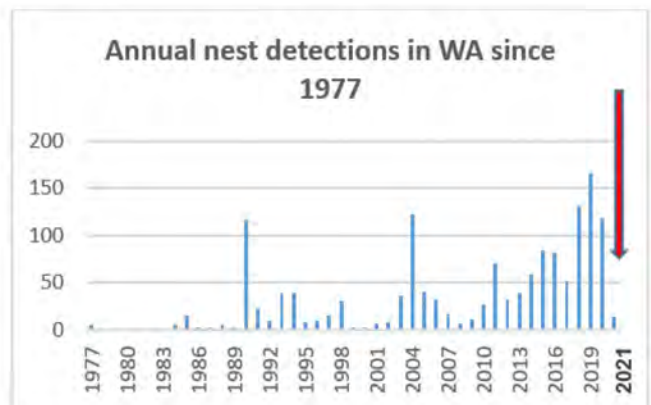

This victory comes after three years of sustained efforts: additional resourcing, strong community reporting, multi-government departmental collaboration, and a WA-first baiting program implemented across 2,530 hectares (25.3km<sup>2</sup>) of rugged bushland in the Perth Hills. It took everything from the playbook and a few new innovative moves to detect, delineate and wipe out this pest.

### Season stats:

- 68,100 ha (68.1km<sup>2</sup>) under intensive surveillance
- 3,000+ surveillance traps deployed
- 14 nests destroyed – all in the Perth metro
- 4 confirmed public detections
- ALL hot spots ERADICATED!

### An enviable history

European wasps have hitchhiked their way around the globe, establishing and spreading everywhere within their biological range, largely unchallenged... except in WA. Since 1977 when first evidence of this pest emerged in WA, we've mounted an attack.

European wasps have permanently established in south-east Australia (SA, NSW, ACT, VIC and TAS) but are not subject to state-wide control programs, resulting in an annual influx of wasps into WA.

So, we must not let our guard down, as **detections must be made early** to have the best chance of eradication and prevent the permanent establishment and spread of this pest. Brush up on your European wasp identification skills, consider trapping alongside us and learn more about this surveillance program at [agric.wa.gov.au/wasps](http://agric.wa.gov.au/wasps) or contact our Pest and Disease Information Service. Until next season!

## **Cunderdin, Beverley Kellerberrin Exercise**

On Saturday 08 May some of our local volunteers participated in a training exercise at Cunderdin.

The exercise was a mock motor vehicle accident involving 2 cars where St John Volunteers, along with Fire & Emergency Services used their skills to treat four patients. The passengers in one of the vehicles were trapped and had to be cut out. The crews dealt with spinal injuries, critical care and general well-being of the patients.

The joint operation involved crew from Cunderdin, Kellerberrin and Beverley with the Fire and Emergency Services volunteers coming from Cunderdin and Quairading.

The exercise was organized by our Clinical Paramedic Drew Richardson, Kirra Ten Hove-Smith - Regional Training & Development Coordinator - and Cunderdin Sub Centre.

The volunteers from Beverley who participated found this exercise informative, as well as a valuable opportunity to work in conjunction with Fire and Emergency services.

### **Training**

As well as the training exercise at Cunderdin, our volunteers have invited the Cunderdin volunteers to Beverley to join us for our training nights.

These nights have been well attended and we have enjoyed the opportunity to share our knowledge and skills with each other.

### **Congratulations Keith Hawkins**

As one of our newer volunteers, the sub centre congratulates Keith Hawkins. As with all Ambulance Officers, Keith began as an Emergency Medical Responder. In recent weeks, Keith has completed further training and has moved up in level to become an Emergency Medical Assistant.

Congratulations Keith!!

### **ANZAC Day**

Once again, the Beverley sub centre was represented at the Anzac Day service.

Unfortunately, due to COVID on the Anzac Day weekend, some of our Volunteers were unable to march this year. However our available sub centre volunteers laid a wreath to commemorate those who paid the supreme sacrifice.

## First Aid Course

Beverley Sub Centre recently held a first aid course. With the sub centre providing morning tea, light lunch and afternoon tea the course attendance was very pleasing. We hope to hold another course in June, so if you missed out and are keen to update your First Aid knowledge by completing HLTAID011 Provide first aid, we will advertise in the near future.

## Volunteers

We welcome people that are keen to become Volunteer Ambulance Officers or just to be involved in the local Sub Centre. Please contact Christine (0417 969 993) if you wish to have a chat about how you can become involved.

## Passions and Interests vs Self-Sabotage

Our interests and passions are an integral part of our ongoing health. They underpin an often-neglected part of our holistic wellbeing and health, known as “*social-spiritual wellbeing*”. As blokes we need to constantly challenge ourselves to experience more and engage with new opportunities. There is more to us than just our occupations and we need to explore the things that excite and interest us. These passions and interests, the things that make us tick, are where we as blokes get a sense of purpose and identity. Often however, our hardwired competitive nature, and need to win can sabotage us.

A few years ago, at age 40, I pulled on the boots to play my first ever season of AFL footy. I wanted to be involved as my eldest son was playing and I had visions of playing out the season in reserves and having some great father/son bonding time. As it turned out, he went straight into the league team after only two reserves games and I played for a couple of seasons, having a ball with a great bunch of blokes.

Sometimes, mates with outstanding footy pedigrees would say to me “*How do you do it?*” and honestly, I couldn’t understand their question. I was slow, lacking in skills and pretty unfit, but I was having fun, and getting a little bit fitter. I loved it! I only understood their plight a couple of years later when I got back into a form of motorsport that I had been reasonably competitive at in my 20’s, rallying.

I was keen as mustard to get back into rallying after a 10-year hiatus, but as I progressed through the season, I realised I wasn’t really enjoying it. I wasn’t committing to the pace-notes; I wasn’t holding it flat over the crest that my notes said I could. I knew how hard I needed to push, but the middle age me couldn’t get to where the 20-year-old me had set the bar. It was getting me down, and as I drove into the midway service park (the pits) at my last event I knew it was time to finish up when I was wishing the event was over. The younger me used to wish that the rally would just keep going, there never seemed to be enough competitive k’s.

My mate’s question about “*how could I possibly enjoy footy in my 40’s?*” suddenly became clear. I didn’t have a younger footy-self against which to measure; my next game could still have been my best even if that best wasn’t very good at all. My feelings about rallying suddenly made his feelings about footy so much clearer.

This serves as an illustration that our competitive natures can sometimes get in the way of us engaging with a new passion or interest. It might take moving out of our comfort zone to a new hobby or past-time to give us the space we need so that we are not constantly measuring ourselves against our old markers of competence or manhood.

*For more men’s health and wellbeing information check out our website, here you will also find our Working with Warriors podcast series. Well the season is well and truly underway in the Avon Football Association. It has been a tough start for our reserves team who are struggling for numbers each week.

League has also had a mixed bag, with a large number of injuries making this difficult for our coach. We have 2 wins on the board now and are looking forward to the coming weeks.

Our netball team has had a few close games to start the season and have one win on the board so far.

We would love to see some more supporters at our home games to cheer us on!

*See you at the footy!*

# BEVERLEY NETBALL CLUB

Our Northam team have started the 2021 season, already having played 4 games. Our first game was due to be played at 3:30pm but due to the Covid-19 protocols it was pushed back to 4:30pm with 12 minute quarters to fit everyone on the outside courts. Welcome to the club Jamelia Ugle and Charlize Anderson. Cheers for filling in Courtney Venning and it was exciting to see Amanda Farr back on the netball court who also filled in. The girls also came away with the win, 31-18 well done.

The second game was a little different. When it became evident that there were no umpires turning up, someone was grabbed from the sidelines to begin the game at approximately 2:10pm whilst a second umpire was soon found. From the first whistle it became clear that the game had a mixture of football and netball about it. From name calling and intentional tripping, to blatant disrespect of the umpire, we were lucky to come away with a draw, 16 all.

If you win, your a winner.  
If you lose, your a loser.  
I guess if you draw, your a drawer?

The third game almost didn't happen, but we are glad that it did. Starting the day with a player down, we were lucky Brooke Pepper answered the call and stopped talk of a forfeit by giving us 7 players. A couple of players arrived right on the first whistle and 1 player arrived close to half time due to road works. Everyone worked together and backed each other and the end result was 42 to 41 to Beverley. Well done girls, super impressive stuff.

On 22 May the Northam Netball Association held its opening ceremony. Once the formalities were over it was down to business. After thoughts that Jenifer Petchell would play hockey instead of netball, she reluctantly agreed to play giving us 7 on court. We were without Hannah Morrell, so Sam Mearns stepped up to wear the 'C' centre bib for the game and proved that you can do anything if you set your mind to it. During third quarter Jen wanted a break so when her opponent trod on her foot and an audible crack was heard, play was stopped to carry her off the court, and an ambulance was called for her opponent. But in the end the result was Beverley 35-19. Well done girls.

With an excellent start to the season, the ladder has Beverley and Renegades on top.

Our mid week Fast 5 season has also commenced as of Wednesday 19 May, with four teams from Beverley and Brookton competing. The four teams are: Beverley Green, Beverley Orange, Brookton Blue and Brookton Purple. If you want to come down to the courts on Wednesday evenings, we welcome spectators.

## BEVERLEY JUNIOR SPORTS

### BEVERLEY

Our winter season has commenced, with the first games for both netball and football, being played in Quairading on Saturday 15 May. Travelling and playing in different towns is excellent experience for the kids, and they always have fun.

Thank you to parents that travelled and helped on the day, your support is always appreciated. The teams will be travelling to Kellerberrin two weeks in a row, with the Beverley Shield being played on the 06 June. The Shield is always a highlight in our season and training is important in the lead up to this day, training remains on Wednesday afternoons.

The junior sport fixtures for June are below.  
Saturday 05 June Beverley Shield in Kellerberrin

Sunday 13 June Beverley vs Keller Tammin in Beverley

The remainder of June are training and scratch matches in town, with a break for school holidays at the start of July.

## Beverley Ladies Golf Club

Hello and welcome to the Ladies Golf Snippets. We have had an unusual hot and humid weather for our golf, but the fairways are looking green.

Before I go into golf news, our golf club is missing white lace tablecloths. We would really like them to come back home. If anyone has accidentally taken them home to wash, can you please contact someone from the golf club.

I would like to thank our hard working course committee who have swept the greens for Tuesday's golf. It is a pity that our scores do not reflect the well swept greens!!!!

Once again I would like to acknowledge Avon Valley Ladies Championship Sponsors-Aglime, Shazmac Plumbing, Beverley Transport Services, Dunnings Fuel, Whitfert Fertilisers, John Islip, Fuel Distributors York, Honourable Mia Davies, Christian Porter MP, Purslowe and Tinetti, WFI-Charmaine Willing, Beverley Gas and Plumbing, West Coast Wools-York, Cape Villas-Dunsborough (this is a 2 day raffle for a 2 day stay) and Sharon Richards of Quairading who is a part owner of a quilting shop in Quairading called Loose Stitches. Sharon has generously donated a quilt that she has made for our 3 day raffle.

We are very happy to obtain sponsors from outside of Beverley. Please support these businesses if you can.

### Coaching

Rob Farley arrived last Friday 14 May and gave golf lessons to an enthusiastic bunch of ladies, some of which are new to golf. Welcome everyone and hopefully you can make the other 3 dates.

If you would like personal coaching with Rob, he is based at Marangaroo Golf Club and from my experience it is well worth your time.

The third session will be Friday 11 June and the final session will be Friday 25 June.

Ladies coaching begins at 9.30am and finishes at 11.30am. Men's coaching commences at 11.30am and finishes at 12.30pm. All you need to bring is \$10 for each session and of course your golf sticks.

If you are in the market to buy golf gear, Rob will help you and you will get a great price.

### Apology

Last month we omitted John and Helen Shier from the list of people who have generously loaned equipment to assist with course maintenance. We apologise to John and Helen whose heavy equipment proved very useful in our pre-season preparations.

### Results for May

The first qualifying round for the Club Championship was held on 01 May. Alan Hammond beat out 17 other players to take home the **Always Green Trophy** with a score of 72 Nett (86 Gross). Six players were equal runners-up with 77 Nett! They were John Donovan (93 Gross), Luke Gollan (89), Darrell Hagan (81), Steve Johnston (84), Chris Lawlor (98) and Terry Woods (92). Thanks again to **Gavin Sazanov** for his continuing support of this event.

The **Garden Gnome Trophy** was held on 08 May. In this event the fourteen players were restricted to using only three clubs for the round. Ken Bradley edged out Luke Gollan in a countback to win the day. Both players scored 34 Stableford points. Third place went to Phil Bateman with 30 points. Thank you to **Ron Bickley** for his sponsorship.

On Saturday 15 May, eighteen players in 9 teams played Canadian Foursomes to compete for the **Beverley Electrical Services Trophy**. The winning team was Darrell Hagan and Luke Gollan with Nett 71 (Gross 77). Winners of the runners-up prize were Steve Johnston and Terry Woods who carded 75¾ (84). Many thanks again to **Karl and Hollie Smith** for their on-going support.

On 22 May we had 16 players compete for the **Belhus Trophy**. The 4-Ball Better Ball Stableford event was won by the team of Brendan Minchin and Graeme Lewis who scored 41 points. Runners-up were Phil Bateman and Martin Moseley with 40 points. Thank you to **Greg Barrett-Lennard** for his support.

The last event for the month was on 29 May, the John Donovan Trophy. This was the second qualifying round for the Club Championship and results will be posted next month.

# Beverley Horse and Pony Club

*Who's been out and about ....*

**PPMG History:** PPMG stands for Prince Phillip Mounted Games. It is the inspiration of H.R.H. Prince Philip. When Col. Sir Mike Ansell was Director of the Horse of the Year Show, Prince Philip asked if he could devise a competition for children who could not afford an expensive, well-bred pony, and in 1957 the Horse of the Year Show, then at Harringay Arena, staged the first Mounted Games Championship for the Prince Philip Cup – it was an immediate success and the PPMG was born!

**PPMG Games Practice:** The Saturday before our rally we had a small, but dedicated group of riders set up and ride a range of games for PPMG. Each year the events adds a few new games to learn and others to refine. Fantastic to see Tealah, Shenae and Mia all working together to develop their skills and thank you to Marie Hammond for coaching them through each game. Below is the 'Stepping Stones' game.

**Avon Zone ODE:** On the 15th & 16th May, Tealah, riding Erigolia Tor Calon (aka Lizzie) and Jessamin, riding Playboy both attended this event at Avon Valley SJPC. Jessamin had a challenging weekend with her horse deciding that he would argue her every step of the way, but they completed each phase and finished the event. This was little Lizzie's first ODE event and Tealah was super proud that her pony completed dressage and show jumping before retiring on the cross county phase.

**May Rally:** Sunday 09 and Mother's Day! So all the mum's were up early loading riders and ponies into floats to be at our rally by 7:30am. Then we all had to set up the show jumping arena, games equipment, dressage arena and lead line arena. Then support our riders throughout the day and then pack everything away before heading home for a well deserved foot massage at about 3pm. So, Happy Mother's Day to all our amazing pony club Mum's!
