### Vincent Street Streetscape Project

At the time of writing this report, the firm of road sealers had completed their task of sealing Vincent Street. All that remains now is to finish off a number of small matters that should be completed by the MG Group by the end of September. Eleven months of inconvenience will then be over and the community can begin enjoying and using a Vincent Street that we could not have envisaged.

Sadly, there have been some who seem to have set out to make life as difficult for the contractors as possible. This seems to fly in the face of the reputation of country people as being resilient, welcoming, and hospitable. Fortunately, there have been so many of our community who have gone out of their way to offer words of support and encouragement. To all those in this category, thank you.

To the Shire staff, thank you for all the efforts you have made in driving the project and the work put towards it. To Stephen Gollan and the Working Group of Simon Marshall, Stefan De Beer, and Steve Vincent, thank you for your all your efforts to deal with the many issues that arose so unexpectedly requiring constant changes.

To Anthony Santella and the men from the MG Group who have been among us for eleven months and away from families on a weekly basis, thank you for a job well done. Managing a construction project open to members of the public is far from ideal, but you did it well.

The community should also be congratulated for coping with the project, the nature of which provided many hazards and risks. Your willingness to cope with common sense and ensure your own safety has been a real credit.

### Spring Back to Beverley

I would like to thank Jacinta Murray, the Shire's Tourism Officer who initiated the Spring Back to Beverley event. Working with the Beverley Historical Society, a group came together to work towards this event over the long weekend. The driver for the event is the celebration of the 150<sup>th</sup> anniversary of the oldest building in town; the Wheatsheaf Inn, or the Dead Finish Museum. Thanks Joy Smith and the Committee of the Historical Society and the Spring Back to Beverley Event Organisers for all your efforts.

In terms of the Dead Finish Museum even existing today, all credit for this must go to three ladies who campaigned strongly against the demolition to ensure the community have this valuable piece of history today. Those ladies were Mrs. Ruth Mann, Mrs. Peg Kempton and Mrs Maree Hutchinson.

To all the community groups who came on board with the idea, thank you also for your support. I am sure we will have many visitors over the weekend for an event of which we can all feel proud. As a part of the weekend there will be an unveiling of a plaque to celebrate the 150<sup>th</sup> anniversary of the formation of the Beverley Road Board in 1871 (151 years!). This will be carried out by the Minister for Local Government, the Honourable John Carey. It will be an opportunity to showcase our community to him and demonstrate the nature and spirit of communities who choose to live and work in the hinterland beyond the Darling Scarpe.

### Beverley Road Board

The history of the Local Government in Beverley is worth noting. Beginning with its formation in 1871 and with Mr Charles Smith as the first Chairman, the area of the Road Board initially stretched to Eucla at the Great Australian Bight, some 1,200 kilometres away.

The East Beverley Road Board was formed in 1895 incorporating much of the area east of the current Shire as well as areas covering Quairading, Brookton, and Pingelly. This organisation was disbanded in 1906 with the formation of the Road Boards for each of the towns noted above.

For a period, the township of Beverley had its own Local Government with the formation of the Beverley Municipal Council in 1892. This was disbanded in 1913 and incorporated into the Beverley Road Board.

While this is just dry history, I believe it is important for all of us to realise that those who chose to serve on all these local government entities over the years, giving of their time and effort, has given us all that we enjoy today in our town and community as we celebrate 150 years.

Cr David White

# Plaque Unveiling Speeches from Spring Back to Beverley

## Mrs. Joy Smith - President Historical Society 150 year Anniversary of the Dead Finish

Good morning, everyone and thank-you for being here so early in the morning.

My name is Joy Smith, and I am the current president of the Historical Society here in Beverley. I welcome today Sally Hasluck from the Royal Western Australian Historical Society, Our Shire President David White and shire councilors and CEO Steve Gollan. Welcome also my fellow hard working Historical Society members current and past members.

I would like also to welcome current and past Beverley residents and their families here to celebrate 150 years of this wonderful building that we now use as a Museum. The building was built in 1872 by or for anyway Alfred Smith and his twin brother Frederick, incidentally the first twins in the colony. The building was built as a hotel which was not all together popular with some people in the town. This fabulous building was built on 13 acres approx. and was made of locally fired bricks and the roof was finished with she oak shingles. It has a cellar and has had a few changes over the years. There was also an extensive vegetable garden and Stables for the horses. The first name of the building was The Wheatsheaf Inn and run by Alfred Smith. It was then known as "Settlers Arms" and finally Beverley Hotel.

The building was used as a hotel but also for meetings, dances, weddings and as a general meeting place for the community. It did have its problems as suggested by the Nay Sayers but all together an important early community hub, as in those early days this street Hunt Road was the centre of town. It has had a few owners, lessees, and many licensees over the years. Some whose families are here this weekend.

It was delicensed in 1919 and the Abbeys the last licensees lived there for many years. With them for some years the Boyle family and later the Reynolds Family who then bought the building living there for some years. They sold it to the Shire of Beverley and eventually became our very special Museum thanks to many very enthusiastic first members of the Beverley Historical Society.

Please welcome Sally Hasluck Vice president of the Royal Western Australian Historical Society and our president of the Shire of Beverley, David White to help me unveil the Plaque for 150 years of this building.

## Cr David White , Shire President 150yr Anniversary of the Beverley Road Board

Good morning everyone and welcome,

The Hon. John Carey MLA, Minister for Housing; Lands; Homelessness; and Local Government; Ms Sally Anne Hasluck OAM, Vice President of the Royal Western Australian Historical Society, Shire of Beverley Councillors; Mr Stephen Gollan, Shire of Beverley CEO; and The Spring Back to Beverley Event Organisers.

I begin by acknowledging the Ballardong people and pay respect to the local elders, past and present.

My name is David White, and as Shire President it is my pleasure to welcome you to this commemoration of the 150<sup>th</sup> anniversary of the Beverley Road Board, now Shire of Beverley.

This celebration weekend arose from a suggestion put to the Council by the Beverley Historical Society in 2020 to commemorate both the 150<sup>th</sup> Anniversary of the Dead Finish Museum and the 150<sup>th</sup> anniversary of the Local Government.

I would like to thank the Beverley Historical Society and the Spring Back to Beverley Working group for volunteering their time over the last two years to put this wonderful event together. There is also a special exhibition they have created in the Town Hall which celebrates these events.

---

The first local government was formally established in 1871 as the Beverley Road Board with Mr Charles Smith as the first Chairman. It covered an area that stretched eastwards to Eucla on the Great Australian Bight, some 1200 kilometres away!

In 1895, the East Beverley Road Board was formed. This authority included the eastern part of the current Shire as well as parts of the current Shires of Quairading, Brookton and Pingelly. In 1906 the East Beverley Road Board was disbanded with its area divided into the newly formed Road Boards centred on Quairading, Brookton and Pingelly.

In 1892 the Beverley townsite established its own Local Government known as the Beverley Municipal Council. A completely separate authority from the Road Board it was integrated into the Beverley Road Board in 1913.

There was a fairly stable period of growth in the Road Board between the 1920's and early 1960's. In 1960 the Road Board comprised 8 elected members and an appointed Secretary. Some functions of the Board had grown to incorporate rabbit control and the provision of public facilities, including the town hall, swimming pool and recreation grounds.

With the passing of the Local Government Act 1960, all Road Boards were reorganised as local government authorities with 8 Councillors. The Shire Clerk replaced the Secretary of the Board and about this time the Shire of Beverley moved from the Town Hall to the former headmaster's house next door at 136 Vincent Street.

In 1989, the current Shire Office and Chambers were constructed on the same site as the old office and the number of Councillors was increased to its current level of 9.

Today the Shire of Beverley is 2,310 square kilometres in size with 767km of roads of which 220 kilometres are sealed. Over 60% of our rate revenue is allocated to roads, bridges and plant equipment.

Since formation, over 175 local men and women have served the community on the various bodies. To the founders of Beverley and recognising those early years, I think it is important to acknowledge this service without which we would not be enjoying the township and surrounds we have today.

The Council are heavily invested in the growth of the community providing new facilities and services. Some of our recent achievements include:

1. Additions and renovations to the sporting complex at the oval;
2. The construction of the Cornerstone Building which houses the Community Resource Centre, Visitor Centre, Library, Day Care Centre, and four leased offices;
3. The construction of the Moort Wabiny Park which incorporates numerous activities for the youth;
4. The construction of six cottages near the caravan park comprised of three two bedroom and three one-bedroom units; and,
5. Now the near completion of the redevelopment of Vincent Street.

This last project has taken 11 months and while it has caused inconvenience to the community, I would like to thank all those community members who have shown unwavering support for it and engaged with the contractors in such a positive manner.

In all, the number of projects undertaken by the Shire over the past 12 years have cost a total of about \$13 million. Funding has largely come from State and Federal Grants. Shire contributions have come from Reserves and Loans.

At the conclusion of these formalities, you are invited to view the Council Chambers and the Honour Board. The area will remain open for half an hour.

I would now like to invite the Minister for Local Government, the Honourable John Carey to address us and invite him to unveil the anniversary plaque.

# Beverley Frail Aged Lodge

The Committee of the Alex Miles Lodge is developing its forward plans for the community owned and operated Lodge.

The Lodge is an important facility and service which provides a choice for those who want to age in place and remain in their local community.

To ensure it continues to offer care for our elderly members of the community the Committee would like your feedback on the priorities below over the next 5yrs.

## PRIORITY 1: THE LODGE

### Strategies

1. Develop and implement the **capital works plan** to guide and achieve Lodge improvements
2. **Improve resident rooms** in a planned manner
3. Continue to **fundraise and apply for grants** to upgrade the Lodge
4. Continue to **achieve compliance as an aged care facility**

## PRIORITY 2: OUR PARTNERS

### Strategies

1. **Work with WA Country Health** to ensure a local service is offered to residents
2. Continue to **work closely with the Beverley Hospital**
3. Continue to provide **regular updates to the Shire and jointly plan** to help achieve our goals

## PRIORITY 3: ORGANISATION

### Strategies

1. **Apply to become a charity** to receive tax deductible donations
2. **Meet regularly and communicate** our work to the residents, families, Shire and wider community

## From the PEAC Students

On Friday the 16<sup>th</sup> of September, we attended the 2022 Scribblers Festival along with around 20 other Wheatbelt PEAC students. It was an event where authors introduced themselves and their books. Some of the authors included Oliver Phommavanh (What about Thao?), H.M Waugh (Mars Awakens) and Shirley Marr (A Glass House full of Stars). They gave a presentation on themselves and their books. We had the chance to purchase books and have them signed by the authors. It was a great experience that we all enjoyed. Thank you to Mrs Carissa Shaw for transporting us to the excursion.

### Annual Review Meeting

The sub centre held its ARM (Annual Review Meeting) on Tuesday 13/09/2022. We had 9 members attend, along with Jessica Forsthye from the Regional office.

The Beverley sub centre would like to thank Robyn Murray, Chris Brookes, Rhonda Jackson, Glenys Petchell and Monique Menz who have now stepped down from the committee. We thank you for your hard work and dedication to the sub centre during the past year.

We welcome Drew Doncon as Chairperson, Jenny Rayner as Vice Chair and Monica Camenzuli as Secretary, along with Sue Eramiha, Peter Jenkin and Linda Lewis as committee members.

We are still seeking a Treasurer to join our committee. If you have an interest in assisting with this role, please contact Vice Chair, Jenny Rayner, at Beverley Farm Services.

### Volunteering with St John

What type of roles does St John have . . . I hear you ask?

We have several roles in the Wheatbelt from Volunteer Ambulance Officer to Volunteer Support Office, along with Community Transport Volunteer and Emergency Medical Responder. We have a role to suit everyone.

# Bushfire Safety Awareness courses

**When:** Wednesdays for the months of August, September and October

**Where:** Shire of Beverley Amenities Building on Forrest Street

**What to do:** If you are an existing Shire of Beverley Bush Fire Brigade Volunteer please email your name and Brigade to the Shire's Community Emergency Services Manager (CESM) [troy.granville@beverley.wa.gov.au](mailto:troy.granville@beverley.wa.gov.au) to confirm initial registration.

**Why:** This course is the minimum training competency standard considered to be compliant with the new Workplace Health & Safety Act 2021. This will attempt to alleviate the implications of severe financial penalties (up to \$10 million dollars) and potential criminal charges that could be imposed upon the Shire should a health or safety incident occur during a fire emergency in Beverley

- If you wish to sign up to a Shire of Beverley BFB, (Avondale, Beverley Central, Beverley South East, Beverley North East, Dale/Kokeby, Dale West) please email your name to the same email address.
- Along with minimum training requirements all persons attending active firegrounds will be required to meet the minimum dress standards of long trousers, long sleeves and boots. Volunteer BFB members are issued with Personal Protective Clothing that can be collected from the Shire when required.

BEVERLEY HISTORICAL SOCIETY presents  
Remarkable Women of Beverley

## Verna Cranfield (nee Hodges) 1934-2022

Verna Anne Hodges was born to Mr & Mrs Frank Hodges of Melbourne, Victoria. Frank Hodges was described as 'a valued tradesman with a well-known Victorian engineering firm'. Verna was one of four daughters.

In 1954 Verna married Leslie Brian Cranfield of Beverley. They have a son they name Danny. The Cranfields had worked & farmed in Mt Kokeby & the Dale since the early part of the century. In 1955 Les Cranfield's name appears in the Westralian Farmers agent's list of Perth wool sales, indicating Les was farming & shearing sheep. By 1957 Verna appears on the tea roster for the CWA.

In due course Verna is visited by her Victorian family. Her sister Mrs Don Brown and husband come in 1958. Another sister Pamela Hodges comes in 1959 for a working holiday. Pamela met Selby Ford & in 1960 they married in St Mary's Church with Verna & Les standing in lieu of Pamela's parents. Finally, her third sister Mrs Morrison from Mordialloc, Victoria came with her husband & three children with aim of settling in Beverley in 1968.

In Beverley, both Les & Verna become involved in

community groups. Les is on the committee of

the swimming club from when it forms in 1962 after the opening of the 50m pool. He later is elected president & Verna supports with organising catering for events. They both play golf and both become involved with the P&C Association. On one occasion when trainee teachers were in town, Les did some demonstration shearing one day and Verna invited them all out to a barbecue on the Sunday.

Verna continued with the CWA too.

Verna came into her own with regards to sewing and dressmaking using her talents in both commercial & voluntary matters. In 1962 it was reported that Women's Hockey players' "new Charleston style uniforms looked most attractive. This is the result of much agitation and advice from many many club members but is mainly the brain child of Miss Pat Ferguson and Mrs. Verna Cranfield, who deserve a vote of thanks for the time and thought involved."

In 1968 at the Golf Club, "Mrs Verna Cranfield very generously offered to make up the new curtains. These have all been lined, and are beautifully made and on behalf of all the Associates I wish to thank you most sincerely, Verna. Our thanks also go to Mr Les Cranfield who put up all the hooks and rods and hung the curtains for us."

In the 1960s, marching teams became popular and the Beverley Marching Girls pink and white uniforms were very eye-catching. Many of the 50 to 60 uniforms worn by all ages were made by Verna Cranfield.

However, it is for her work on wedding, bridesmaid, mothers of brides & groom, and debutante dresses that she is so fondly remembered. She made her sister Pamela's dress, as well as those of all the bridesmaids in the wedding party in 1960. In 1961 she made the Debutante Ball dress [below] for Lois Corbett (later McLean). In 1963 Irene Ford's wedding gown "*was enchantingly simple & much admired ... and Mrs Cranfield is to be commended*". At the Val Moir (nee Ferguson) wedding in 1966 "*Mrs Verna Cranfield was responsible for the making of the bridal parties' frocks*".

There was a severe fire out on the Cranfield's Dale property in the late summer of 1966 & the Cranfields suffered some loss. Perhaps this was a catalyst for change, because by 1969 Verna & Les had left the district to settle in the Rockingham area.

The couple were sadly missed and many remember what a lovely person Verna was and how skilled she was with her dressmaking.

Les died in 2007 aged 75, while Verna died in 2022 aged 88.

A special display of photos and some items sewn by Verna Cranfield can be seen at the Dead Finish Museum, open on Sundays until the end of November 2022.

The Beverley CRC have been busy out & about in the community running workshops. Our team have worked hard in creating new and engaging workshops and clubs for the community. Below are just a few of the events we've had on in the last month.

## LAST MONTHS EVENTS

### COOKING CLUB

This month we had our trial for Cooking Club, we had a small group of kids come in for two sessions where we had fun learning cooking skills such as, beating eggs, measuring flour, using teaspoons and tablespoons! In these sessions we made choc-chip cookies and cupcakes. The staff at the CRC were super impressed with these kids skills! Thank you to the kids we had join in, it was great to see the kids eagerness to get involved. However unfortunately due to staffing and time restraints, we won't be able to continue this club.

### ART CLUB

This month we also had two sessions of Art Club, we had a bunch of kids that got together to make art. Over the two sessions we made bean art, the kids got the option of a butterfly or lizard. They cut the shape out and we got gluing to the cardboard! We began to stick our different sized beans on the cut out. The kids used different beans to create patterns, the next session they were then able to paint and seal there artwork. We had a great turn out and would like to continue this club in the future, if your child was apart of this program we will contact you regarding continual of this club. If your child is interested in Art Club, contact us at the CRC for more information.

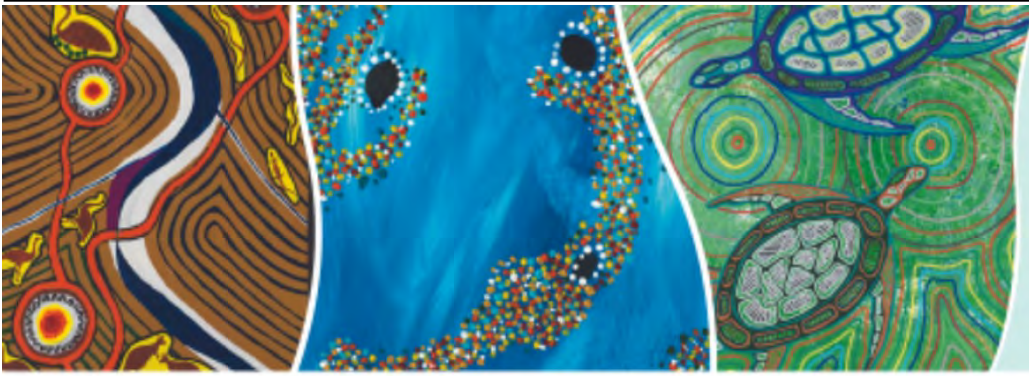

### BOYS BBQ

The Boys BBQ held on September 13 by Mondo Butcher's Vince Garreffa was a huge success. The gentlemen from the Men's Shed and those who attended enjoyed a beautifully cooked sirloin steak and sausages, provided by Mondo Butcher. There were some great take-away goodies for the men and some eye opening discussions regarding mental health and how everyday contributions, such as a smile, can change a persons outlook on life. A huge thank you to all who attended the event funded by Wheatbelt Suicide Prevention Program, Holyoake and Mondo Butchers, and we hope you enjoyed the morning.

### PILATES FLOW

Pilates Flow, also funded by WSPP and Holyoake and supported by the Beverley CWA, was another successful event. The ladies who attended were provided with excellent instructions from Nourishably's Janet and came out looking rejuvenated and relaxed, hopefully feeling stronger in their ability to cope with anxiety and depression. Thank you all for attending and we look forward to hopefully seeing you again at our next event.

# Station News

The Station Garden is available for public use at any time; just open the gates and enjoy!

**COVID-19 UPDATE** - Proof of Vaccination must be available if asked to be shown on entry to the Station Gallery and indoor stage areas.

Please practice good hygiene and physical distancing at all our events, and use the hand sanitiser stations provided. If you are feeling unwell prior to events, please do not attend.

## Artists-in-Residence at the Station

**Artists-in-Residence for September** were Thelma Cluning, Carole Patch and Jean Ross - see pic below.

Thelma, who was AiR last December had asked that she host a local artist exhibition at the Station Gallery during the Spring Back to Beverley weekend and also bring Carole and Jean to Beverley to work on a project for the Station.

And here is Ashton showing what the mosaic artists Carole and Jean had spent many days building in their own home town Nannup – an armchair 1m x 1m ready to be mosaicked in a design they thought right for the time and place.

Putting up the gazebo to keep the weather off the chair – and themselves - for the month of September while they mosaicked it.

And while the mosaicking was going on Rudi and Peter from the Men's Shed were busy painting the bench seats that Ted Sampson had kindly made, along with the table he donated.

Below pic shows Jean and Carole nearing the end of the magnificent chair project. Thank you to those who brought in bits and bobs to be included in the mosaics.

And thank you Jean and Carole for your time and creative effort this past month constructing this sculpture which undoubtedly will bring much admiration and pleasure to our community for many years to come.

### Artists-in-Residence for October

Trish Davis and Peta Gallagher OCT 1-16 followed by Natalie Blom OCT 17-23

**Trish Davis and Peter Gallagher** return to the Station for the first half of October and offer the following workshops:

**Saturday Oct 01** 11am to 3 pm Peta Gallagher will run a Gouache workshop (like last year). BYO lunch/snacks.

**Saturday Oct 07** 1pm to 3pm  
Trish will give a workshop/demo on - Fleece/cotton/silk dyeing. This is a safe dyeing method using food colour that can be done in your slow cooker/microwave or pot. Notes will be provided. Totally GREEN and non-toxic.

**Sunday Oct 08** 1pm to 3pm  
Trish - Needle Felting Session on an Embellishing Machine - Happy for attendees to enjoy playing with this machine and see what is possible – certainly removes the hard work.

**Saturday Oct 15** Stitch an art piece – let your needle and thread take you there – Stitch a childhood memory or a scene – very organic and good for your soul. Call Trish 0417 092 012 for other times to suit.

### Natalie Blom OCT 17-23

Natalie Blom is a photomedia artist residing in Boorloo /Perth, WA. Natalie's photographic practice investigates personal histories through connection with place, often utilising analogue photographic processes and experimental means of production.

Natalie intends on spending time carefully walking, observing and photographing in local nature reserves in the Beverley area, hoping to capture some of the haunting beauty and texture of this Wheatbelt area. Natalie will be exhibiting some of her most recent experimental photographic series Everyday Alchemy, and will have zines and postcards for sale. Having grown up in Merredin, Natalie has a fondness for the Wheatbelt and looks forward to sharing her past and present works. She will be giving a short artist talk about her photographic journey on Friday Oct 21 at 6pm – drinks and nibbles from 5.30.

### Artists-in-Residence for the remainder of 2022

NOV: John Kaye

DEC: 1-14 Adrianna Wasinska-fabian

DEC 15-31 Kelsey Diamond

### BeSASS (Beverley Station Arts Singers)

BeSASS, in unison with the Beverley School Choir, helped open the Choir Muster on Saturday 3 September by singing Morningtown Ride (tribute to Judith Durham) which was most enjoyable, then at the end of the concert sang a further four songs with a train theme - Last Train to Clarksville, Midnight Special, Petticoat Junction and Homeward Bound. The choir will meet again **Wednesday 12 October and thereafter every week on Wednesdays 6.30 – 8.30pm** in the Green Room of the Platform Theatre. Anyone wishing to join BeSASS please contact Sarah Miller who coordinates the group - Ph: 0427464078. All we ask is that you become a member of Beverley Station Arts by the third week of attending.

## NEXT EVENT

at the PLATFORM THEATRE:

GET YOUR TICKETS NOW!!

**Tony Galati The Musical** is a fast-paced, heart-warming musical comedy performed by five live singing actors, as well as live musicians onstage. A hilarious and inspirational

tale of WA's favourite battler, this heart-warming toe-tapper features snappy songs, a singing potato, and more WA jokes than you can poke a spud at. A crowd-pleaser for the ages that sold out two seasons at Fringe World. You say potato, I say revolution!

### Beverley Visitor Centre Ambassadors

VC Ambassadors are volunteers who currently open the visitor centre on Saturdays 10am-3pm. Sometimes it is quiet, other days there is a steady stream of people calling as evidenced by a recent volunteers' report ...

*"Around 40 visitors, young and older, came into the VC on Saturday 9<sup>th</sup> July, school holidays no doubt increasing the numbers (compared to no visitors last time I was on). Over the weekend some were staying at the Avondale farm rentals, some in the caravan park cabins and B&B, a caravan club at the caravan park, others calling in on the way back to Perth. A Katanning couple on a country weekend away, new Beverley property owners learning about Beverley, a prospective property purchaser, a few who had previously driven past Beverley but never actually called in, a family group from Albany bringing their parents back to Beverley who left 42 years ago ... the day was steady and there was much interest in the Vincent street redevelopment and compliments about the town and friendly community"*

If you are interested in joining the team and can work independently, have basic computer skills, enjoy conversing with others and could spare a day every month or so please contact:

# **'Springing back'**

## *To the Beverley Ag Museum*

Our group was invited to be part of the 'Spring back to Beverley' Celebrations, and with both 'John's' having prior commitments for the 3<sup>rd</sup> Saturday of the month usual opening we changed our meeting day again, embracing the occasion to open from 8am (hard to get going that early since retiring!) until 3.30pm.

With the additional winter rains the weeds had taken over the garden beds, and when Eric and myself tried to open the top sliding doors they were stuck fast with mud and weeds in the runners, between us (more Eric than I) we put in the effort and soon the doors were fully open to let some light into the place, although later it was pretty darn cold up that end by the workshop.

The area alongside the Museum was the next on my 'hit list' with several large branches laying around and nowhere for visitors to park, John Hawke got 'up close and uncomfortable' with the weeds in one of the garden beds, personally I had been pulling my own up for the past week after my knee operation was postponed at the last minute, so was happy to rake the parking area.

And yes the Visitors did come, a total of 12, the most in a very long time, three volunteers from the National Trust who were working on site said they had been 'longing' to see inside, a family of four staying at the NT Cottages, also two couples from Perth and Brookton, all were impressed (as most are) with the diversity (and condition) of the Collection, and I must not forget a well known local Geoff Edwards who had not visited in several years.

John fired up the 'Twenty-Two Dozer' as part of the visitor entertainment, we will often start items as regular maintenance --- and to impress the public.

Bob & Paul embraced the additional opening time to accelerate their efforts on the restoration of the C30 International Truck, and after many years she did 'fire up' (see photo), although there is along way to go, this was a significant step for everyone involved.

As my knee Op has been rescheduled for the day before our next meeting date on Saturday 15<sup>th</sup> October I will not be attending, but feel free to ring me on 9646 0768 if you have any enquiries about our group.

John Alexander---Volunteer.

An open letter to the citizens of Beverley

The town of Beverley is celebrating 150 yrs of existence which is in some ways remarkable given the alien nature of the landscape the seasons & the animals which the colonists encountered.

The settlers carved out farms from the bush.

They used the labour & knowledge of the indigenous people to assist them whilst at the same time denying them basic human rights.

The legislation of the times forbade conversation between colonists & indigenous people & as the settlement grew they had designated times for shopping & there was a curfew imposed.

When the shelter celebrating the Centenary of Federation was relocated from Vincent Street to Apex Park I suggested that the reverse of the panels displaying the photographs be painted by the Noongar people (having first spoken to Marg Mourach)

I thought that as the corner where the rose garden is located was one of the places where the Noongar people camped it would be a fitting symbol of reconciliation & acknowledgement.  
(At the time of writing they remain blank)

The indigenous people hold a wealth of knowledge about this land having managed it sustainably for millennia.

It is vital that we begin to learn from their knowledge & experience through respectful consultation.

We need to act now to prevent further degradation of our environment & to begin to restore the lost habitat of insects & birds

We need to clean up & revitalise the river & cease spraying weeds & mosquitoes Insect populations are plummeting & with them bird populations because of the use of herbicides & insecticides.

When the weeds are sprayed it is not only the weeds which die but all the little creatures which live in them which in turn destroys a food source of other species.

The same applies to the spraying of mosquitoes.

No insects & birds equals no pollination & waste removal therefore no food source for animals & no health & wellbeing for humans.

It's a bleak outlook.

We need to remember that we are a part of nature not above it.

These observations are not unique but the lack of any perceptible change here in Beverley is of concern to me.

There is a world & nationwide impulse for change to repair our relationships with First Nations people & the damage done to our environment.

Let's be part of it.

Gaye Redding. 21st September 2022

## October is Breast Cancer Awareness Month

### Did you know?

Breast cancer is the most common cancer affecting women in Western Australia, though men can also develop breast cancer.

In 2019, 1,890 Western Australian women were diagnosed with breast cancer, accounting for almost a third of all female cancer cases, and sadly 252 women in WA died from the disease.

### Common symptoms of breast cancer include:

- A lump or hard area in your breast or underarm, especially if it is only on one side
- A change in the size, shape or feel of your breast
- Change in the look of your breast, like: your skin looks like the skin of an orange, your skin is wrinkling in small folds, redness or rash.
- Changes to the nipple, like it's: pulled inwards, leaking, itchy or has a sore that won't heal
- Breast pain or discomfort, especially if it is only on one side
- An area of the breast that feels different to the rest.

Get to know your breasts and what's normal for you and if you notice any unusual changes tell your doctor, clinic nurse or Aboriginal health worker. If it is breast cancer, the earlier it's found, the greater the chance of successful treatment. Please visit [www.findcancerearly.com.au](http://www.findcancerearly.com.au) for more information about breast cancer.

### Screening for breast cancer

Women aged between 50 and 74 are invited to access free screening mammograms every two years via the BreastScreen Australia Program.

It is recommended that women with a strong family history of breast or ovarian cancer, aged between 40 and 49 or over 75 discuss options with their GP, or contact BreastScreen Australia on 13 20 50.

**If you do not have any symptoms then it is highly recommended to partake in the program. However, if you are experiencing symptoms, instead visit your doctor without delay.**

Visit <https://www.cancer.org.au/cancer-information/causes-and-prevention/early-detection-and-screening/breast-cancer-screening> for more information.

## Common symptoms:

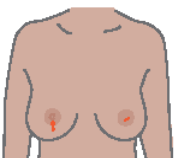

### Lumps and bumps

A lump or hard area in your breast or underarm, especially if it is only on one side.

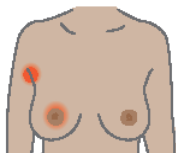

### Unusual dimpling or rashes

Change in the look of your breast, like: your skin looks like the skin of an orange, your skin looks and feels different in one area, redness or rash.

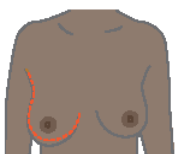

### Changes to the nipple

Changes to the nipple, like: it's pulled inwards, leaking, itchy or has a sore that won't heal.

### Pain or swelling

Breast pain or discomfort, especially if it is only on one side.

### A change in size

A change in the size, shape or feel of your breast.

**Get to know your breasts and what is normal for you. If you notice any of these symptoms or unusual changes, talk to a doctor, clinic nurse or Aboriginal health worker without delay.**

If you have a symptom, it does not mean you have breast cancer. Often these symptoms turn out to be something less serious. However, it is important to get these symptoms or any unusual changes in your body checked out just in case.

## Snail activity is trailing off

Green snail, *Cornu apertus*, crawling across a hand. Photo credit: public report made via MyPestGuide (Report ID 393498 DPIRD).

### The weather is warming and drying

Reports of snail activity and requests for identifications have been frequent in September, but shortly, snail activity will ...trail off. To survive periods of high temperature and to prevent desiccation, snails will seal their shell and enter a prolonged state of torpor or dormancy, called aestivation.

Some snails will 'aestivate' by burying themselves in the ground or under stones or leaf litter, which is typical for species such as the green snail and conical snails. White Italian snails often climb fence posts, grass stalks or stubble and other vegetation to avoid high soil surface temperatures. Garden snails are often seen in tree or plant canopies, trying to escape the heat. Start looking! Where will your snails find a place to hide when the weather warms and dries?

### Hiding out of sight

Snails are good hitchhikers, as they can tuck themselves into nooks and crannies when looking for places to forage or aestivate. To prevent further movement and distribution of pests in WA, practice

good biosecurity measures including cleaning any machinery and containers and not moving soil, plants and plant material from one area to another before inspecting closely and removing any pests.

### Reporting helps!

The most commonly reported snail species in WA are the common garden snail (*Cornu aspersum*), white Italian snail (*Theba pisana*), small pointed (conical) snail (*Prietocella barbara*), vineyard or common white snail (*Ceruella virgata*) and green snail (*Cornu apertus*).

As green snails are not present in all States and Territories in Australia, there are certain conditions related to exporting plants, produce and agriculture equipment from WA. As such, we encourage the reporting of green snails, especially in regional areas, so we are aware of their distribution and can keep industry informed.

Surveillance for exotic species is a shared responsibility. If you see a snail you don't recognise please record its location, photograph it, and report it to the Department of Primary Industries and Regional Development (DPIRD).

# WARRIOR WELLBEING ARTICLE

## Mental Health and Wellbeing –

# You Can't Have One Without the Other

BY THE REGIONAL MEN'S HEALTH INITIATIVE  
October 2022

Google the word mental health and you'll find numerous organisations and groups promoting the importance of mental health, but how it is described and the context in which it is discussed can vary significantly. We think understanding the difference between mental health and wellbeing and mental illness is important as this is one area where definitions can become blurred and language may disempower people by putting them in a box.

Mental health and wellbeing encompasses all aspects of our emotional, psychological and social wellbeing, so it affects how we feel, think and interact with the world around us. A good definition which encapsulates this is summarised by the World Health Organisation (2007) – a state of wellbeing in which an individual realises his or her own abilities, can cope with normal stresses of life, can work productively and is able to make a contribution to his or her community. In summary we think that having good mental health is the ability to deal with life's challenges and changes, maintaining positive relationships, enjoying life and getting the balance right.

Mental illness on the other hand is a health problem that affects how we think, behave and interact therefore significantly affecting our mental health and wellbeing. It is diagnosed according to standardised criteria. Some of the major types of mental illnesses are anxiety, schizophrenia, bipolar, personality disorders, and depression. However, what if I was in a period in my life where things were not so great, I'm not coping, and the challenges and changes are starting to become overwhelming? Does this mean I have a mental illness? I think not.

I say this because sometimes it seems in society, we are almost not allowed to feel pain, show weakness, or not cope as this may be interpreted as there being something wrong with us. Unfortunately, the system provides the word depression as an answer for a whole range of situational stressors which occur in society and need to be discussed. We need to normalise a person's response during a difficult or abnormal life event and a phrase we coin for times like this is being in a state of Situational Distress.

There are numerous life challenges that come our way that can cause us distress such as separation, illness, injury, trauma, financial worries, grief, adolescence, fatherhood, midlife, change of job, redundancy and transition into retirement. When it comes to our mental health and wellbeing it's important to remember none of

us are exempt from hard knocks! Just as we're given the vulnerability to experience tragedy, we're given the human resources to heal and deal with it. As T. Green (2008) states "We don't get memory erasures, but we're given stamina, resilience and fortitude to see the world hasn't stopped."

What can we do to assist and manage situational distress and get our mental health and wellbeing back into balance?

- Identify our mates (build a support network of people we feel safe to confide in i.e. peer, partner, mentor);
- Program time out from work and normalize the problem;
- Maintain social opportunities, take time to laugh with others;
- Take a break, a holiday, go fishing, try something different, explore our passions and interest;
- Exercise, keep active and maintain a healthy diet (this includes reducing alcohol use);
- Make sure we are getting enough sleep;
- Be willing to talk to the appropriate people i.e. family, mates, work colleagues or a professional (accountant, lawyer, psychologist, helpline or GP).

Maintaining a balance and aiming for positive mental health and wellbeing is something we all need to do, this includes acknowledging that we are all susceptible to the stressors of life. Our health and wellbeing are our responsibility, be proactive, address our distress early and don't let it get out of hand.

## MEDIA RELEASE

# 2022 Warrior Ambassador Awards Dinner

The Warrior Ambassador Awards Dinner is to be held at the Novotel Vines Resort Swan Valley on Thursday 20<sup>th</sup> October 2022 as a celebration of men's wellbeing and health for regional, rural and remote WA whilst acknowledging past contributors and ten new inductees.

Wheatbelt Men's Health Inc. (WMH) is a not-for-profit organization that delivers The Regional Men's Health Initiative (RMHI). Its vision is "to empower men and communities to take responsibility for their wellbeing and health".

The Warrior Ambassador Awards were established in 2013 and acknowledges individuals, groups of individuals and/or organisations who have supported WMH. They aim to:

- Acknowledge the wide range of contributors;
- Develop and foster relations with past and present individuals and/or organisations;
- Establish a network of champions for the cause to further promote regional men's wellbeing and health in regional, rural and remote WA.

The Warrior Ambassador Awards has three broad categories:

- **Fundraising** - make a financial contribution with no expectation of personal or commercial gain or return;
- **Personal Stories** - share an experience with the wider community to assist WMH reach and communicate with its audience and achieve its vision and objectives;
- **Open** - have provided a significant contribution to WMH through other means than the above two categories with no expectation of personal or commercial gain or return.

Please join us for dinner and a night full of celebrations. Ticket includes entertainment, guest speaker, pre-dinner drinks with canapes, buffet dinner and beverages. Tickets are \$120 each.

To purchase tickets, please contact us either via phone (08) 9690 2277 or email us [menshealth@4blokes.com.au](mailto:menshealth@4blokes.com.au). Tickets are on sale until the 30<sup>th</sup> of September 2022 or until sold out.

Warrior Ambassador Award event information is also available on our website [www.regionalmenshealth.com.au](http://www.regionalmenshealth.com.au)

TREE & GARDEN SOCIETY

The last couple of meetings of the garden club have mostly been discussions around the Annual Rose Show and to that end we need a lot of community members to bring roses into the town hall on Friday the 21<sup>st</sup> of October. There are some great prizes on offer plus raffles, stalls selling a variety of wares and Devonshire teas for sale, provided by members of the Community Markets. The Beverley Quilting group will again be displaying their beautiful work. There will also be a display of cups and saucers. Come along and support this great event that has been running since at least 1974. Please see full details on another page.

The weather is certainly warming up and summer is fast approaching but there is still plenty to do in the garden during October.

Vegies to plant in October include – beetroot, capsicum, cucumber, lettuce, pumpkin, tomato, zucchini, carrot and sweet corn.

Flowers to plant in October include – alyssum, marigold, petunia, portulaca, salvia, cornflower, lobelia and snapdragon.

October is a great time to attend to the following tasks in the garden:

- ☆ Repot orchids as soon as they have finished flowering. They need repotting every 3-4 years
- ☆ Cut stems of kangaroo paw flowers and display inside. Leave a stump 10-20cm long where a second flush of flowers will appear from dormant buds
- ☆ Ensure your irrigation system is in good working order. Clean filters, flush the drip lines, sprinklers and drippers and repair any holes
- ☆ Composting worms start to eat more food now that it is warming up. Chop up scraps finely to speed up the process
- ☆ Be sure to keep on top of couch grass and kikuyu in garden beds. These can regrow from any tiny pieces that are left in the ground
- ☆ Tomatoes should be rotated to new parts of the garden every year to reduce the chance of diseases ruining your crop
- ☆ Buddleja, tea tree, daisies, marigolds, lavender, bottle brush and grevillea are all great plants for attracting butterflies to your garden and now is a great time to plant them
- ☆ Prune native shrubs by about a third every 12 months or so to keep them compact and bushy and to stimulate new growth
- ☆ Plant native succulents such as pigface around your house as a fire retardant barrier
- ☆ Prune only the flowered stems of proteas. **Un-flowered stems are next season's blooms**
- ☆ Plant annuals now for Christmas colour. For sunny spots plant alyssum, begonia, petunia, salvia and vinca. For shade plant impatiens

Enjoy your time in your garden in October.

# BEVERLEY C.W.A

Well another month has gone by, and aren't they going fast. We hope you all enjoyed the Spring Back to Beverley.

We held the Father's Day morning tea on the 3<sup>rd</sup> of September, though the weather wasn't very nice it was still a good day. We held the raffle over two days and the winners were, (drum roll please)

1 <sup>st</sup> prize	Verna	2 <sup>nd</sup> prize	S. Johnson
3 <sup>rd</sup> prize	MAhli	4 <sup>th</sup> prize	G. Carter
5 <sup>th</sup> prize	Marie	6 <sup>th</sup> prize	Lee
7 <sup>th</sup> prize	Gail Alabach		

Congratulations to all winners!

Before we go any further, the members of the branch would like to thank everyone who has donated items to our raffles. We can not thank you enough for your extremely generous donations and your continued support.

Our next meeting is on the 19<sup>th</sup> of October 9.30am for morning tea and 10am meeting starts. You are more the welcome to come along.

Well, I can't think anything else, so I won't hold you up as there may be other things that you would like to do.

So till next time, stay safe and enjoy the warmer weather that is coming, all that gardening to be done.

## ***"Friends of Kalkarni" FOK Meeting*** *20<sup>th</sup> September 2022 @ 1.30pm*

We had a very busy meeting last Tuesday, held at Kathy Bassett's residence with a good turnout. We normally meet on the 2<sup>nd</sup> Tuesday of every second month but due to our busy lifestyles we had to change this one.

Talma as President opened the meeting and welcomed everyone, Kathy read the minutes of the last meeting then went on to the Reports and General Business.

The Town Xmas Party was discussed – to be held on the 8<sup>th</sup> December 2022 which every year we have a group attend from Kalkarni – Baptist Care. Over the last financial year we have purchased gardening equipment, activity items, Christmas presents, Mothers and Fathers Day presents which we all thoroughly enjoy purchasing and presenting to Kalkarni.

At the Closing of the Meeting we enjoyed a lovely afternoon tea – provided by all and some light hearted conversation and some a enjoyable walk around Kathy's Garden to finish the afternoon off.

If you would like to join and be involved in the Friends of Kalkarni please call:

Talma – 0407 892 067, Kathy - 0418 321 218 or Gail – 0456 226 674, you will be most welcome.

Our next meeting will be on 8<sup>th</sup> November 2022 @ 1.30pm.

## Beverley Community Garden

Hello Beverley Community

Another month has rushed past with the speed of lightning, where does time go? Our beautiful garden reflects the passage of time by the massive amount of growth in our plants over the last four weeks. The volunteers have been very busy planting new season vegetables and keeping the lawn well trimmed around the garden beds, so they can move easily around without tripping. A weekly job for Murray Young. It is a miracle of mother nature, what consistent rain and sunshine can create, quite amazing, compared to the summer conditions.

The fruit trees, both European and native, are budding and the growth rate is quite high, the amount of bees and birds that visit the garden is a pleasure to hear and behold. When you look after mother nature she in turn looks after you. At the Beverley Community Garden we very much practice the policy of no pesticides or herbicides and this is reflected in our flora growth and fauna visitations.

The garden now has another new water tank, thank you to the recycling donations as this has allowed us the funds to purchase the tank.

The garden has been receiving many new clients who are interested in purchasing lovely vegetables, thank you for coming and purchasing at \$10/BCG basket, as the funds go towards us running the Garden in a viable manner.

We had a lovely visit from two local families with young children, on a Saturday morning, it was a delight to hear the children's laughter and see them running through the garden having a lovely visit, exploring all the different types of plants available to eat and remarking on their different shapes and colors. The two young families then had a delightful picnic under the massive gum tree. It was a perfect time for a photo. The children were a delight and very welcome to come back again.

Once again a big thank you to the volunteers who turn up twice a week and create this Community Garden, that we as a community can stand proud at any visit from fellow gardeners and stand out as one of the best in a country region and stand up to city gardens in comparison. To say I am proud is an understatement.

Please pop in and have a cuppa and chat, all are very welcome. Have a great day and create your world with positive intentions and attitudes.

Kind Regards,  
Eleonora Di Bello-Greatley

## Beverley Lawn Tennis Club

As the cooler months of Winter come to a close, we look forward to dusting off of the racquets, and getting ready to hit the courts for another season of tennis on our wonderful grass courts!

Our greenkeeper, Kingsley, has been working hard over the off season and, helped by the Winter rain, the courts are looking lush and green and in tip-top shape for the upcoming season.

The committee for the 2022/23 season is Chantelle Meade (President), Rebecca Smith (Secretary), Carissa Shaw (Treasurer), Emily Smith (Ladies Captain), Laura McLean (Ladies Vice-Captain), Graeme Lewis (Men's Captain), Mitch Ashworth (Men's Vice-Captain), Chaise Sattler, Chad Vandenberg and Damien Murray. Please feel to contact any committee members if you have any questions about anything 'tennis'.

There are lots of exciting opportunities for our Juniors, with some members having already started Zone Coaching and Narelle Bailey (Junior Coordinator) organising local coaching at the club commencing in Term 4. We also look forward to our Junior Tournament in November.

The committee have also been working hard over the off season, with the commencement of the much-anticipated bathroom renovation project.

Unfortunately, the off season has also seen a number of break-ins to our grounds and the clubhouse. The committee have had no choice but to install a security system with video surveillance at a cost to the members. We would like to thank the local police for following up on the footage obtained by our cameras and hope that this is the end of out of hours visitors... We welcome anyone from the community to join us at the club during opening hours on our club days!

## JUNIOR WINDUP

The junior windup was held on the 3rd of September 2022, Unfortunately due to the weather we were unable to go ahead with the East vs. West game that was planned, however we had a great presentation of awards followed by a BBQ lunch!

A massive thank you to Kelly Mann and her band of helpers, these kids would not have been able to play and have the fun they have had without you all. Thank you to the parents, supporters and volunteers also!

These kids played their hearts out, some managed to play some carnival hockey in Northam as well. Congratulations to the kids! You have made us so proud.

## AWARDS

R/up F&B - Burke Murray  
Coaches award - Indi Doyle

## A few words from Jacob Petchell -

*"As captain and on behalf of the junior hockey team, we would like to thank Kelly for the time she donated to the team. She made it fun and we look forward to next season to enjoy her amazing coaching skills again."*

Who's been out and about ...

**C\* Certificate:** Congratulations to Mac Ballantyne and Emily Maxwell on achieving their C\* certificate from Pony Club WA. Massive commitment from yourselves and your families, well done for all your hard work!

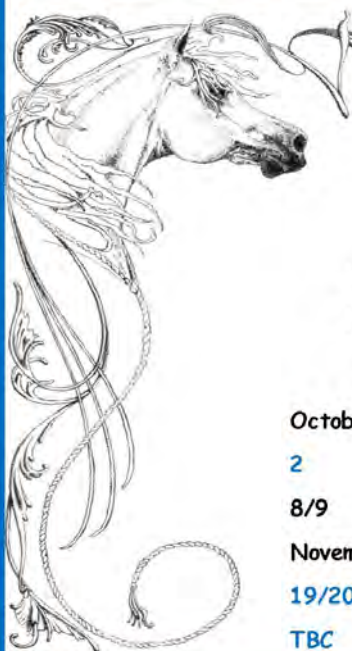

**Pony Club WA State Active Riding Championships:** On Saturday the 3rd September our club had six riders compete at this event, Emily & Jessica Maxwell, Mac & Carly Ballantyne, Tealah Hawke and Ruth Elsegood. This event runs over two days and incorporates Novelties and PPMG. Our composite games team, with Avon Valley rider Annie Herzer, placed 2nd in the Semi-final and then 2nd in the Final on Sunday. Great weekend and fantastic riding by our members! Huge thank you to the team coach, Marie Hammond, for supporting our team over the two days.

**Pony Club WA State PPMG selections:** Well done to Jessica & Emily Maxwell, Carly & Mac Ballantyne and Tealah Hawke who attended Nationals Selections for PPMG. You all rode extremely well and it was a very tough decision for the selection panel. Massive congratulations to Mac for being selected into the Open WA PPMG Team and Carley for being selected into the Junior A PPMG Team.

**September Rally:** Saw three groups busy refining their equine skills and practising what they need to know so they can be assessed for their next pony club certificates. Beautiful weather and a very productive day

Well as the season starts to come to an end, September saw a lot of golf played. The club championship finals were played. Congratulations to Darrell Hagan on winning the club championships. A very tight tussle with Phill Bateman over 33 holes. Also congratulations on Barrie Johnston on winning the Plate Division final from Mike Carthew. Thank you to everyone that played over the 4 rounds during the year and also the finals. Great numbers this year.

Thank you, to Dave Adams, Garry and Sarah Miller from Beverley Transport and H and Alex from Beverley Tyre Service, for your sponsorship this month for the respective golf days. All days were greatly attended and it was fantastic to see big numbers down at the club.

Open Teams was held again this year and I want to say thank you to those who come to Beverley from other clubs in the metro area to support the day. Thank you to all those who sponsored the weekend of golf. Terry and Sandy Woods, Mia Davies MLA, Quairading Seed Cleaners, WFI, Purslowe Tinetti Funerals, Dirt 'n' Boondies, Whitfert, Wayne Smith, Summit Fertilisers and Hannaford.
