Beverley Rose Show & Quilt Exhibition

Friday 23rd October
12.30pm - 4.30pm

Saturday 24th October
9.00am - 12.30pm

@ BEVERLEY TOWN HALL

Beverley Pool Official Opening – To celebrate and recognise the completion of stage 1 of the swimming pool redevelopment an Official Opening will take place on Saturday 31st October 2026, please see details elsewhere in the Blarney.

Census – Lachlan Hunter MP has followed up complaints from many wheatbelt communities regarding access to, or more to the point the lack of, the 2026 Census. Whilst the online service finished at the end of September the ABS will continue to accept paper copy forms from regional Western Australia in October 2026. A paper form can be obtained by contacting an automated paper form request service on 1800 130 250 for those with a census number. Alternatively the Census Contact Centre can be contacted on 1800 181 227 for those who don't. The Census Contact Centre can also provide help and support in completing the Census. Please follow up if you haven't completed the census, as it plays a role in how governments plan and allocate funding to the regions.

Perth Airport Tourism Awards 2026 - The Shire of Beverley submitted a nomination to the Perth Airport Tourism Awards following the very successful 2026 Beverley Airshow. Advice was received on 23rd September that the Shire is a finalist; this is very exciting for our town! Winners will be announced at a function on 26th November 2026.

Local Government Convention – Councillors Lawlor, Martin, Ridgway and the CEO attended the 2026 Local Government Convention, held from 16-18 September held at the Perth Convention Centre. Many topics were covered during the event including housing priorities, regional development, native title, psychosocial health, opportunities and challenges impacting local government along with opportunities for networking and peer interaction. The Shire of Beverley was also represented in a session discussing the relationship between CEOs and Mayors and Presidents together with the City of Gosnells and Shire of Wyndham-East Kimberley!

Council Monthly Meetings – Council meetings are generally held on the third Wednesday of the month with an earlier date in December and no meeting in January. Dates are pre-set in the prior year and advertised. The monthly meetings are open to the public should you wish to attend for all or part of the meeting, and commence at 3pm; please attend 10 minutes prior. Meetings are held in the Civic Centre, and entry is via the footpath between the fountain and Post Office fence. Public Question Time is held early in the meeting. Should you have a query or concern, don't hesitate to contact the administration centre or a Shire Councillor.

Floral Equinox – The main street filled with an array of floral displays has been lovely to enjoy during the Spring Floral Equinox. Congratulations to Michelle for the initiative and to those who have participated, the creativity and imagination has been amazing.

Save the Date April 8th 2028 – Council has again supported planning to be progressed for an airshow to be held at the Beverley airfield, the date for your calendar is 8th April 2028. In addition to celebrating Beverley's aviation history, 2028 is the centenary of the first flight which marked the beginning of the Royal Flying Doctor Service.

CRC NEWS

SEND IT! THE INTERGENERATIONAL PEN PAL PROGRAM

Our library manager, Sarah has been working with the students from the year 3/4 class from Beverley District High School, residents and staff from the Beverley Hospital and Lodge along with local seniors on the pen pal program. We have seen an improvement in the letter writing skills in the students and it is wonderful to see the joy in the seniors receiving their fortnightly letters. We look forward to the morning tea when the students get to meet the seniors at the Lodge on **Tuesday 27 October**. Congratulations to Sarah on making this program a success and connecting our junior and senior residents in the community.

AI GRANT WRITING WORKSHOP

Does your local community groups struggle with preparing and writing a strong grant application? To help, the Shire of Beverley is funding a free, full-day AI Grant Writing Workshop at the Beverley CRC, led by grant specialists, Whitney Consulting. The workshop will offer hands-on guidance on using AI tools to simplify grant writing while maintaining personal ideas and voice. Participants will learn to enhance funding applications, save time, reduce stress, and gain confidence in pursuing funding opportunities. Community groups are encouraged to register due to limited places by contacting the Beverley Community Resource Centre at 9646 1600 or via email at manager@beverleycrc.com.au.

Beverley Early Years Network

"Working collaboratively to facilitate local opportunities, for 0 – 5yr old children and their families to connect, learn and thrive in our community".

Smiling Starts visits Playgroup

The Smiling Starts Early Childhood Dental Program is an initiative of the Government of Western Australia (WA). Smiling Starts will offer all children under 5, free access to oral health information, screenings and preventive care, ensuring a healthier future for every young smile in our State.

Smiling Starts offers:

- oral health information and advice for parents and caregivers in collaboration with community programs, such as playgroups, early childhood centres and local initiatives
- community-based oral health screenings and drop-in clinics, helping children feel comfortable getting their first check-up
- preventive oral health treatment, such as application of fluoride to strengthen teeth and fissure sealants, if required to prevent decay.

Occupational Therapist's Visit

Great informative session where Carrissa Shaw explains developmental milestones for young children up to Year 2. Tabletop and outdoor activities were set up to encourage children to demonstrate their skills.

A Q&A session followed soon after.

Lovely participation, and thank you, Carrissa, for sharing!

Storytime & Rhymetime .

We had a RAW-some Storytime & Rhyme Time! Monday's session was extra special, with Mrs Norris, Principal of Beverley District High School, joining our group to read with us! With Father's Day just around the corner, the children enjoyed a dinosaur-themed morning packed with stories, songs and creativity. They also made some very special Father's Day cards for Dad!

Toy of the Month

Tender leaf ice cream cart

This toy allows children to further improve:

Fine motor skills: Develop hand and finger coordination through placing, picking up, and matching magnetic pieces.

Hand-eye coordination: Encourage children to accurately position ice-cream pieces and accessories.

Cognitive development: Promote matching, sorting, counting, and simple problem-solving.

Early numeracy: Introduce counting, quantities, colours, and basic number concepts through pretend ice-cream sales.

Language development: Encourage children to learn and use vocabulary related to ice cream, colours, food, money, and vehicles.

Imaginative play: Support creative storytelling and role-play as an ice-cream seller or customer.

Social skills: Encourage sharing, turn-taking, communication, and cooperative play.

BEVERLEY CLAY TARGET CLUB

Once again the Beverley Clay Target Club has run our annual fundraising event, selling raffle tickets and sausage sizzles in town and at the Beverley Show on the 15th and 22nd of August.

Once again the interest and support from the community, local businesses and the Shire was overwhelming.

The firewood raffle was heavily subscribed with quite a few locals agreeing the cold mornings aren't quite finished yet.

Hotel Beverley's contribution of a voucher and T-Bone and Son's support with a voucher and the best BBQ sausages this side of Texas was greatly appreciated.

Also the Shire's support in the use of Community facilities and services has been greatly appreciated not only on the day but throughout the year.

As always, so I am told, "It's not the Beverley Show if it doesn't rain" but a drop is always welcome, and the Dogs competing in the High Jump managed to stay relatively dry this year.

Our raffle was drawn on the day of the show by a representative of Avon Traders, (in the rain) The results are as follows,

1st Prize, Firewood, Helen and Mark

2nd Prize, T-Bone and Sons \$50 voucher, Gerry

3rd Prize, Hotel Beverley \$50 voucher, Wendy

It was great to see all the prizes won by local people who support local interests and activities.

Thanks to everyone who bought tickets and stopped by for a chat.

The shooting sports are facing headwinds and we need all the support we can get.

If you are interested in having a go at the Clays, contact our Secretary on 0407 457 427 for further information.

OCTOBER 2026

**CONGRATULATIONS BEVERLEY ST JOHN AMBULANCE SUB CENTRE COMMITTEE & CREW
2026 ST JOHN SUB CENTRE OF THE YEAR!!**

If you have been thinking about joining the amazing team at our Sub centre, but have been unsure have a read through the below article written by Liz Fraser from St John.

“The Beverley Sub Centre exemplifies excellence in community service through outstanding collaboration, innovation, and commitment to continuous improvement. The Beverley Volunteers’ engagement makes community members, partner organisations, and internal teams feel valued and recognised for their contributions. This sense of appreciation fosters stronger relationships, encourages continued participation, and reinforces the sub centre’s reputation as a well-functioning, community centred service.

Committed to making a broader regional impact, Beverley regularly supports neighbouring sub centres through equipment sharing, collaborative training, and operational assistance. Their involvement in emergency management committees, local government advisory groups, and community partnerships strengthens emergency planning and improves outcomes for vulnerable populations.

Widely recognised for their professionalism, compassion, and reliability, the Beverley team consistently receives positive feedback from patients, emergency services, and the wider community. The Beverley Sub Centre has become a trusted leader in emergency care, community resilience, and volunteer service across the region.”

So, if you have been thinking about joining but have been unsure what better time than now! We encourage you to pop down to the Sub-centre on Mondays between 9am-3pm and have a chat with our lovely administration officer Mia Monger about the endless opportunities to be involved with our award winning team.

Finally, congratulations to Kaihla who is now a qualified EMA!

BEVERLEY AGRICULTURAL MACHINERY MUSEUM NEWS.

As regular readers would be aware, the Museum collection is maintained and opened up by volunteers so restricted to certain regular days, being the **second and fourth Saturdays** of the month between (and including) March and November, (8.30--2.30) so we would like to apologise to those who tried to visit on Saturday August 29, and Sundays September 13 and 27, these dates were wrongly placed on the Blarney calendars, possibly due to a miscommunication.

To find the most up to date opening times (and news) either visit the **Beverley Agricultural Machinery Museum** site on Facebook or ring John on 9646 0768 for more information or to book a guided tour outside of normal opening days.

The Avondale Farm caretaker Bronwyn will often open the farm for visitors on weekends and the Museum for group bookings, one such group of farmers attended recently, (see photo) and were most impressed by the display given the short period of time they attended. Visitors often stay for around an hour (many up to 3) and if viewing the farm walk, drive trail and stables, homestead and patting the Clydesdale Horses (and with a chat to 'Moo' our Emu) please allow at least 3-4 hours for your best experience.

As always, many thanks to all the volunteers who maintain and restore the collection items, and special thanks to the gardeners that assist Bronwyn keeping the appearance of Avondale Farm looking good for our visitors.

**Last Night for
2026**

As many of our readers know, the Beverley Men's Shed often runs a raffle held at the Lion's Kiosk on the first Friday and Saturday of the month.

Apologies to Monica & Graham (Proprietors of The Red Vault restaurant) for not acknowledging your kind donation of a \$50 meal voucher in the September edition of the Blarney, many thanks for

your support, we hope that the second prize winner Josie enjoyed spending the money.

Last month's raffle was well supported by both locals and visitors alike, the winning ticket was bought by Billy T, second prize went to Brenda, third to Shgralee with the 'as always a mystery prize' won by Kelly, we hope that the winners enjoyed their prizes and many thanks to everyone for your support.

Like all groups in society, membership and attendances can go up and down according to the interests people have, some members will have certain projects for home they wish to complete and once done are often not seen for months, others come regularly for the inclusion and company, especially in old age, of late we are pleased to say our Shed has been well supported with several new additions to the group.

One very regular member is Gavin who is accompanied by his carer Marcus, when Gavin first came he just liked to enjoy a cuppa, a slice of John's home made cake and a chat, he has now progressed into doing woodworking, and took up the challenge of repairing a bench seat (that had been waiting out the back for several years---- maybe for him to arrive!), now completed this bench will add additional outside seating for members to enjoy the Tuesday morning sun.

We still have an ample supply of Firewood for those feeling the recent cool change, ring Graham on 0407 445 363 for your free delivery in the Beverley metro

area. For more information about our group please ring our President Peter on 0427 427 919.

Often other groups will visit our 'Shed', and one event that occurs every year is the Vintage Motorcycle ride to Perth.

Many decades ago when the passenger trains used to stop in Beverley, the riders would bring their machines with them on the train the day before the event and stay over in the accommodation Beverley provided, now the riders start their endurance event in Pickering Brook, travelling from Karragullen via the Brookton Highway to Westdale Road, breaking for a Bar Be Que before riding along York Williams Road and into Waterhatch Road completing the run into the Beverley Township. Most competitors stay overnight in town, one gentleman remarked on the entertainment being provided at his accommodation at the Beverley Hotel, who were staging a 'Country & Western night' which went into the small hours of the morning, he must have enjoyed it as he never yawned! Men's Shed Member Terry organised for their machines to be secured overnight and the purchase of food for breakfast, Merv was there in Terry's absence (we hope your wife's leg gets better soon) to open the Shed with the Vintage Motorcycle Members soon making the noses of the local well-wishers eager to get home for their own breakfast.

In this year's event there were eleven bikes with the oldest one being a 1914 Triumph 500 Model D (run and hop on), followed by in age order, 1917 Douglas 350, 1920 Triumph model H 500, 1924 Norton model 18 500, 1925 Triumph model P 500, 1926 BSA (Birmingham Small Arms---hence the Timing Cover emblem of Rifles) L26 350, 1927 FN 350 (Fabrique National de Herstal---from Belgium), 1928 BSA 500, 1929 AJS (Albert John Stevens) 350, 1929 Norton CS 1 500 and a 1930 Sunbeam 600 Combination, all entries need to be pre 1931 to compete.

The riders take off individually after doing final maintenance checks and warming up their machines, with one rider owning a machine so old that he must run and jump onto it to start it, and with no clutch this procedure is re-enacted every time he must stop! From Beverley the riders travel to York on the Great Southern and onto Todyay via Northam with selected fuel stops, Clackline is included in the course before visiting Mundaring and back to the starting point in Pickering Brook.

Many thanks to all the local supporters for getting up and cheering on our visitors.

Beverley Students Shine at Massed Choir

For the first time ever, Beverley DHS students participated in the WA Massed Choir Festival, a long-standing and prestigious choral event for WA public schools.

Our students joined thousands of Year 4 to 6 students from across the state in a spectacular concert, performing alongside a professional band and string quartet.

This was an incredible experience for our choir students

A huge thank you to all the students and families who supported our school in this exciting endeavour. Special thanks also go to Mrs Mel Blechynden, who coordinated and led this epic opportunity for our choir students, with valuable support from Miss Gemma Ugle. Their commitment and hard work helped make this memorable experience possible for everyone involved.

Beverley District High School

Independent Public School

Beverley DHS sits on the lands of our Noongar people, and we acknowledge them as the traditional custodians of the Ballardong country.

CELEBRATIONS AT INTERSCHOOL

For the fourth consecutive year, Beverley DHS Primary students claimed victory at the Interschool Carnival held in York last week. Congratulations to all students for their effort and determination. Our Secondary students also represented the school with pride at their Interschool Carnival. They competed strongly across all events and achieved some excellent results. While they were unfortunately unable to bring home the shield this year, their commitment, and positive attitude were commendable.

A special thank you to Mrs Bailey for her hard work and dedication in organising these events for our students. We also extend our appreciation to the support staff and parent helpers whose assistance and encouragement helped make both carnivals a success. Well done to everyone involved!

Artists-in-Residence at the Station

September Artist-in-Residence

Carole Patch had an amazingly successful time at the Station Gallery with sales and her much sort after mosaic workshops which were ridiculously priced due to being subsidised greatly by a state government grant.

October Artists-in-Residence

Linda MacAulay & Corrine Rapley will be Artists in Residence 1 - 19 October. **Linda** is an award-winning Melbourne artist whose art career spans many decades and includes exhibiting, teaching, residencies, awards, publications, and sales. Linda works in many mediums including paint, sculpture, collage and printmaking whilst interpreting the world through her art. One of her passions is experimenting with art techniques and materials. Linda

loves to share her creative discoveries and we look forward to her workshops in Beverley.

She arrives here directly from the annual Plein Air Downunder in Mandurah where she's one of 6 artists featured with her work over the next 2months.

Corrine Rapley is a popular Mandurah award winning artist who is joining Linda as joint artists-in-residence from the 1 - 19 of October and having a joint exhibition along with hosting a free social **PLEIN AIR** event for sketchers or painters of any ability...All welcome to this fantastic event on **Sat 1pm – 4pm**

PERFORMING ARTS

BEVERLEY CHOIR MUSTER

At the Platform Theatre on a windy Saturday 19 September, *Choir Muster* was well attended by more than 250 (mostly singers – 160 of them!) for a fab afternoon of singing – and an afternoon tea to die for! Heartfelt thanks to all committee and friends who donated food and their precious time plating it.

Beverley Station Singers - a fun and informal community choir welcoming adults of all ages and abilities with no auditions, no pressure, just the joy of singing together! A place to build friendships through song weekly at the Station in the Platform Theatre Green Room **6.00pm – 7.30pm** every **WEDNESDAY** from **7 October**. Now that *Country Choir Muster* is done and dusted, it's time to work towards the *Community Christmas Concert* 19Dec.

WILFDRED GORDON McDONALD PARTRIDGE

Presented by Spare Parts Puppet Theatre; proudly supported by the WA Government; and hosted by BSA on Wednesday 16 September. It was a real treat for the 100 school children who walked to the town hall to see the play (which included five local grandparents!) The interaction between the tiny tots and the puppeteers and puppets following the show was simply delightful.

Show Categories & Key Guidelines

Section A: Single Cut Roses

- **Single Stem Entries:** Should feature a straight, strong stem with only one or two petals under the flower and no leaves submersed in water. Glass display bottles (old cool drink bottles) are supplied on-site in small and large sizes.
- **Fully Blown Roses:** Entries in this class must be completely open, and all roses within the container must match this stage of maturity.

Section B: Floral Arrangements

Exhibitors must assemble these entries at home and in their own vases/bowls or containers.

- **Modern Flower Arrangement:** Focus on negative space and clean lines, utilising grouped statement roses in a plain container.
- **Mantlepiece Arrangement:** Designed with a flat back to sit neatly on a mantle. Ensure all support mechanics (oasis or wire) are completely covered by foliage.
- **Table Centre Arrangement:** A balanced, multi-dimensional display designed to be viewed beautifully from all angles.
- **Unusual Containers:** Must incorporate a functional water source, such as oasis or an internal jar/vase. Wrapping stems in wet cotton wool or foil is prohibited.

Further tips can be found on the Beverley Rose Show & Quilt Exhibition Facebook page.

Once upon a time there was a very large OGRE and his name was Fear. He came to Australia and New Zealand to create havoc.

You say, how can he create havoc in our beautiful lands? Well, for starters, he began by putting doubts into our minds. He stopped us from using our imagination and told us we didn't have to think for ourselves. He wanted everyone to wait to be told how to do, what to do and when to do - a little bit like being a robot.

When the people listened to the Ogre they all became sad and a little detached from everyone around them.

They stayed home more, didn't get to know their neighbours, the children didn't play in the streets with their friends, because they mainly stayed inside with their PlayStations and Computers. The only time they went anywhere was to work or to take their children to sport and different lessons outside school.

Then, one day a very special person came to these lands from another part of the Universe. His name was Halcyon. He saw how the people were living and saw the sickness, unhappiness and disconnection and noticed that nobody seemed to trust anymore.

He decided this was not a good situation so decided to travel around these lands and speak to the general population, both the indigenous people and the migrants, to find the problem.

To his amazement, he heard about the Ogre and the damage he was causing. Money was scarce and the people had lost HOPE.

Wow, he said did you know that the opposite to FEAR is LOVE.

Why don't we get a group of people with positive thinking and people who want to change the way we are living.

We could start by covering the Ogre in pink, a really bright pink. We could all think the colour pink and bring love back to these precious lands we call home and, of course, The Ogre. The next thing we could do is create in our minds, the type of world we would like to live in. Bring back LOVE and SHARING and CARING with one another. Help each other and bring back happiness as it is the essence of life.

The more we love and share and care, the OGRE would disappear because he can only live with FEAR.

The people started to see the Ogre without power, he could no longer sustain himself in these lands so he quickly disappeared. The people's power grew very quickly. They went back to basic lifeskills enjoying life for the first time in many eons.

No wars, no depressions, no hate, no lying or cheating. Only loving.

Halcyons job was done, he could go back to his world knowing that these two lands could show the rest of the world how to change their thinking and bring back LOVE, HOPE, TRUST AND FORGIVENESS.

♥ THE END ♥

A bit about the author..

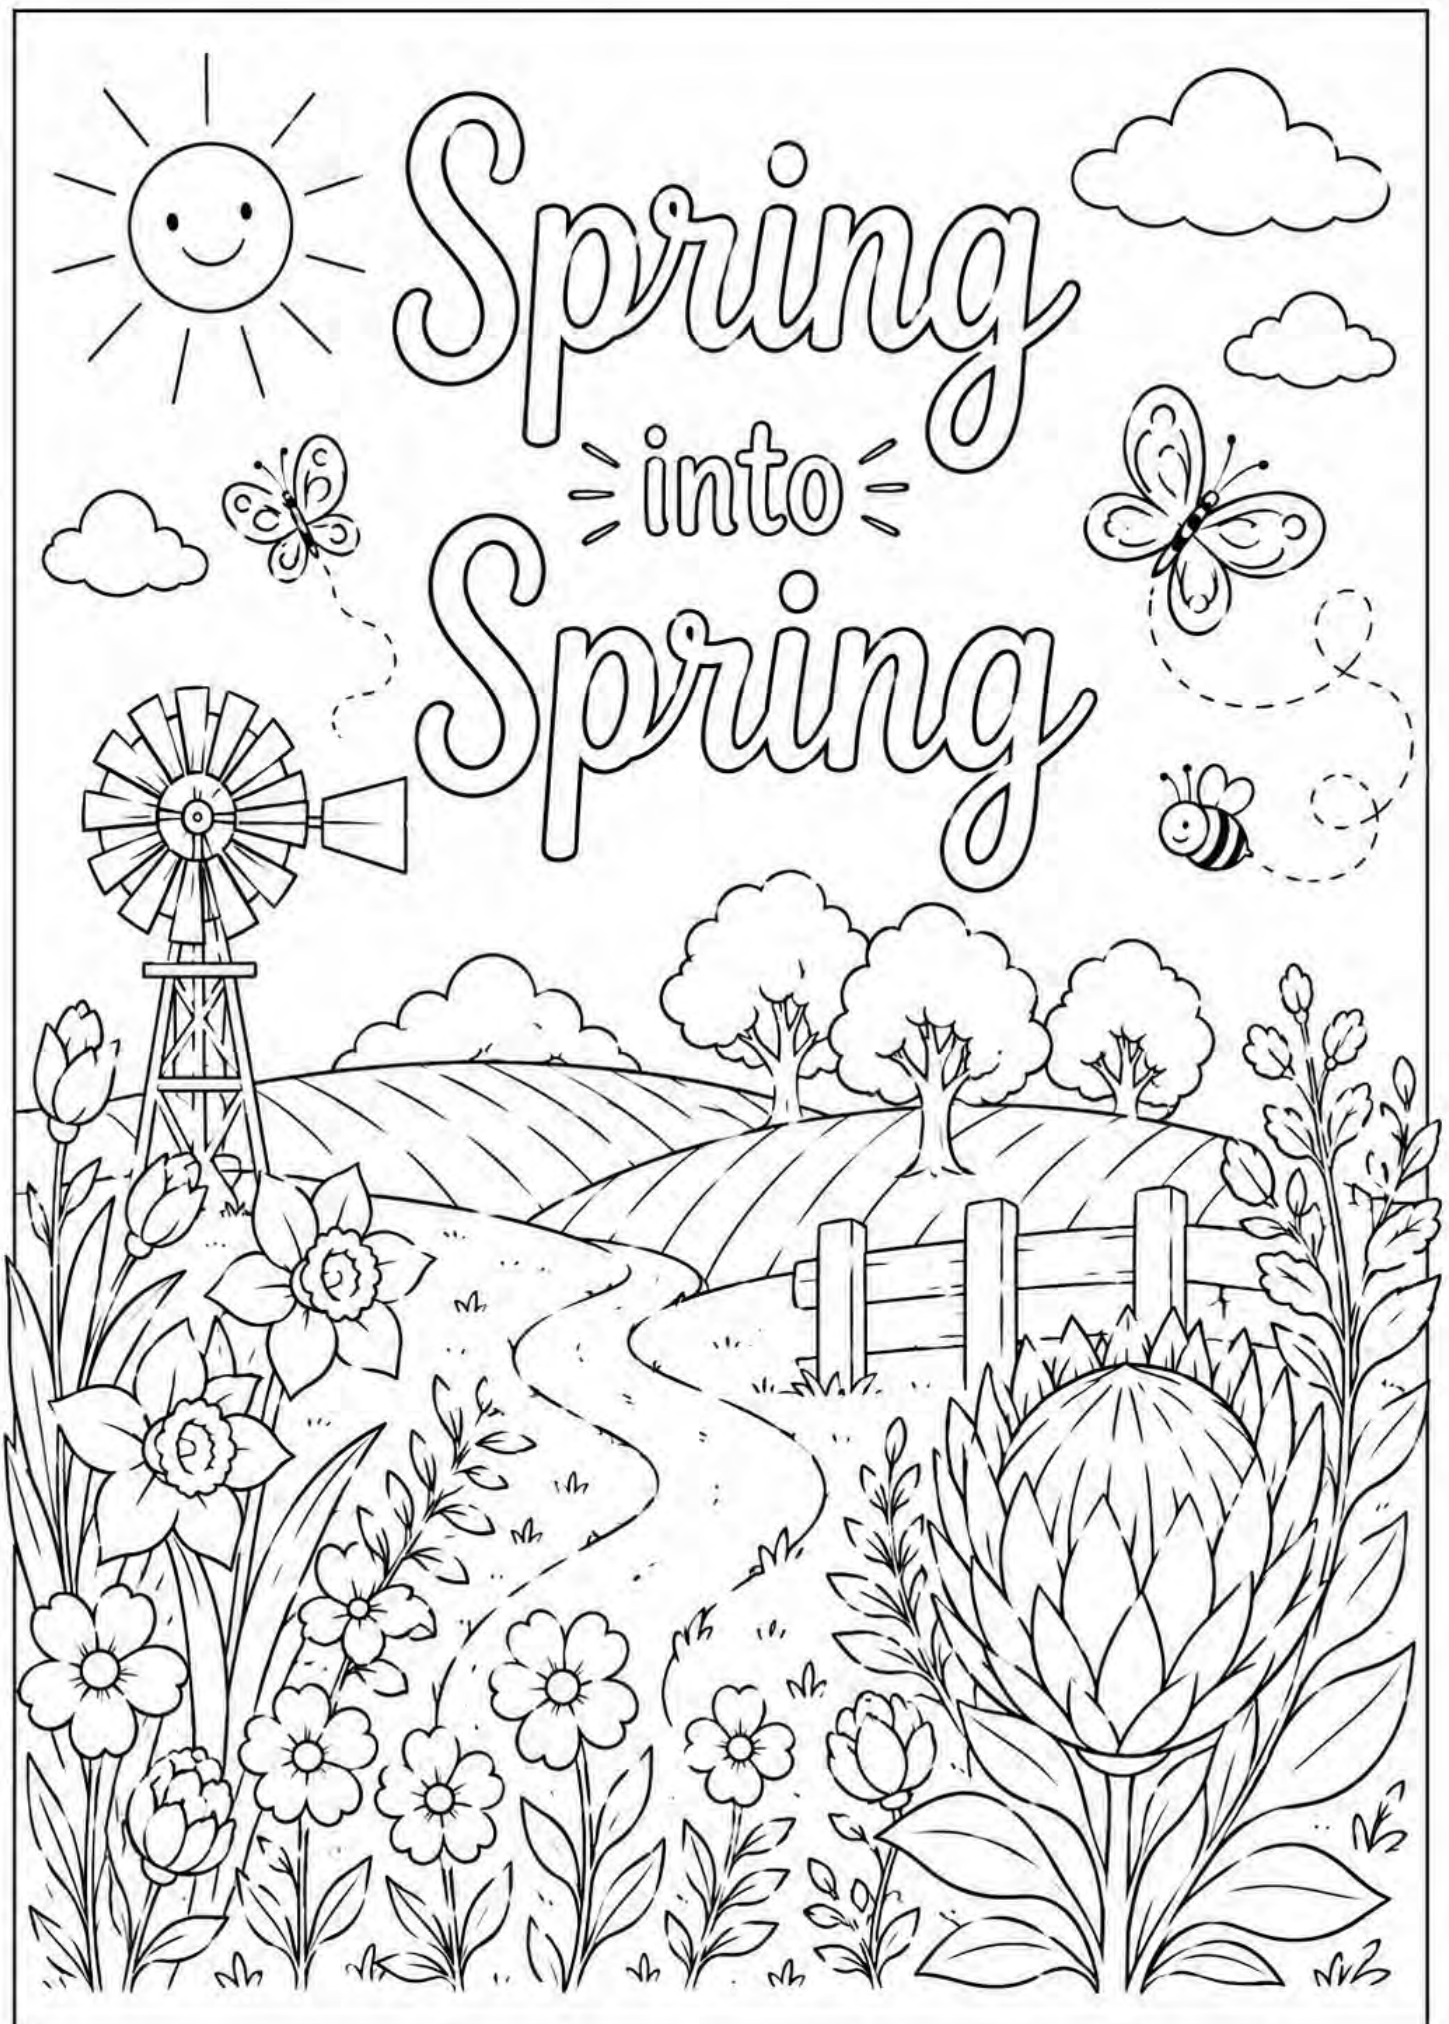

My name is Jenny Sandford. I have 3 Children, 7 Grandchildren and 3 Great Grandchildren. My journey this life has been all about people, young and old, treasuring their stories mostly about love, compassion, trials and tribulations. I feel sure we can all relate to this.

30 years ago, I was given this project and said I would do my best to bring it to fruition. For me that time is now and I am going to give it my best shot with this towns help. What an amazing town this is.

In 5 months, I have discovered love and kindness from everyone I meet. I have also been amazed by the Spiritual maturity of men and women, so I know this venture is possible.

I believe through thought we create and manifest everything in life. I believe it is our responsibility to create a world filled with Hope, Love and Kindness and leave that legacy to our children, grandchildren and great grandchildren for future generations.

By going back to simplicity (our world has become so... complex) it is possible to harness our individual gifts/talents and share them in Beverley. To achieve this, we need everyone 0-100 years to participate. It is my belief, when we are able to accomplish such a project here in Beverley it will spread throughout Australia and New Zealand (note the logo) bringing about Inner Peace, Happiness, Gentleness and ultimately Freedom.

ECART (Emergency Companion Animal Response Team)

Have you ever thought about an emergency evacuation kit for your pet?

Remembering emergency evacuations can happen quickly and at any time of the day or night.

It is vitally important that you have everything ready and be as prepared as you can be. as being prepared will mean less stress for you and your pet.

Here are some suggestions:

- **DIETARY REQUIREMENTS** – if your pet has a special diet, place the non-perishable food in the kit and change over regularly to keep the food fresh. Each time you buy new food, add the new food to the kit and use the food in the kit, this way there is no wastage and ensure the food is always fresh.

- **MEDICATION** – if your pet requires medication, any non-refrigerated medication can be kept in the kit and changed regularly to keep it fresh. For medication needing refrigeration – keep a frozen ice pack/brick on standby so you can put the medications and the frozen brick (wrapped in a tea towel/material) into a cold bag/mini esky to keep them at the right temperature.

- **BEDDING** – it will help to include a blanket or similar that smells like your pet to have with them. We have cages and bedding in our ECART trailer but having something that is theirs and familiar will help your pet cope with the evacuation.

- **TOYS** – a special toy or something they like and see as theirs, will also assist in reducing their stress levels.

- **FOOD & WATER BOWLS** – if your pet is particular about these, please include them. We have food and water bowls available if needed.

- **REGISTRATION / IDENTIFICATION** – If possible, have your pet's registration and ID tags on their collar in the event that we need to identify them.

- **IMPORTANT PAPERS** – it is also advisable to have any paperwork relevant for your pet included in the kit or have somewhere near by so it can be easily included when you have to leave.

- **CONFINEMENT** (for cats in particular) – have a cat carry cage ready with your kit. Include a small blanket etc that has their scent or familiar smells included. Cats respond better, in stressful situations, if they are kept in a darkened area. Once the cat is in the cage, cover the cage to help keep the animal calmer.

If you would like more information or would like to volunteer please:

Friends of the Dale River: Recent activities

Black cockatoo planting day 27th June. We had a fantastic turnout on the day with over 30 people helping out on the day to plant 10,000 seedlings for food and habitat for our endangered Carnaby black cockatoos. Conditions were very favorable as the rain held off until we had finished planting and all our wonderful supporters enjoyed a lovely morning tea provided by our amazing members (special thanks to those who helped cater and cook on the day!) We were very lucky to have extra assistance from 2 tractors and mechanical planters (thanks Mike and Cliff). Special thanks for our ongoing support from the York River Conservation Society (for the extra pottiputkis and portable toilet), Beverley Rivercare Group, Talbot Brook Land Management Association, Shire of Beverley and the Beverley Ski Club and Megan and Taryn from the FVC team who all made the whole day possible.

Feral Cat trapping.

Ongoing cat trapping project by Aaron from the Wheatbelt Vermin Control has been very successful using 12 cage traps in various locations within the reserve and on surrounding properties. Trapping is conducted in blocks at certain times of the year to coincide with increased cat activity. Thanks to Aaron for his valuable contribution in helping to reduce predation on our small mammals, lizards, and birdlife. We have had some very positive feedback with recent sightings of fat tailed dunnarts being spotted along the Dale River.

WA Landcare Network Annual Gathering. 1st September 2026 Toodyay.

"Freshwater Stories from the Avon Valley"

We were thrilled to be able to be a part of this fantastic day celebrating the many varied projects within our Avon wheatbelt region. It was a very informative day with local groups showcasing their projects focusing on rivercare, landcare and regenerative farming. It was a wonderful day to network, learn and reflect on the achievements of others. It really reinforced the importance of working together and supporting other groups within the catchment for the greater goal of improving our unique wheatbelt environment. We look forward to strengthening these relationships and will continue to work on collaborative projects with the Beverley Rivercare Group, Talbot Brook Land Management Association (TBLMA), York River Conservation Society and Wheatbelt NRM.

Noongar Land Enterprise Rangers.

We have been lucky to have assistance from the Noongar Land Enterprise rangers to help with on-ground works at the reserve. They were able to help with clearing pathways along the river walk and infill plantings and we hope to incorporate some seed collecting and work with native rushes, sedges and grasses. Big thanks to our wonderful committee member (and native horticulturalist expert!) Lisa for help with this and special thanks to team leaders Genevieve and Adele for their ongoing involvement. It's wonderful to see all the amazing work they are achieving in our local reserves.

Healthy River Surveys- DWER

We are looking forward to having Dom Heald and the River Science team from Department of Water Environment and Regulation to continue their bi-annual river surveys. Surveys are conducted at Reserve Pool, Gwambygine Pool, Toodyay and York Town pools to monitor and record

water analysis, water flow, aquatic biota, and habitat. We hope that the NLER will join us on the day and welcome all community members and interested parties to join us at Reserve Pool on Tuesday 13th October, for more information please contact us via email or see the link below.

<https://rivers.dwer.wa.gov.au/site/reserve-pool>

Visit to Qualen Reserve with the Talbot Brook Land Management Group on Sunday 20th September at 1pm.

We have been invited to join this amazing group with their current project mapping flora and fauna on the Qualen Reserve. Another wonderful collaboration of like-minded individuals to record and acknowledge the works that they have undertaken in fencing (using traditional wandoo, jam post and droppers) of the Wandoo woodlands reserve and natural bush regeneration. We hope to continue supporting other local groups to celebrate and learn from their achievements. Thanks to Sue Trinidad and the TBLMG for the invitation and their ongoing support.

Stay tuned for upcoming events including the iNaturalist BioBlitz Event- Great Southern BioBlitz (GSB) November 27th-30th - <https://www.greatsouthernbioblitz.org/about-1>

Next meeting for the Friends of Dale River in November - Dates to be confirmed, including a walk of the reserve.

For more information, please contact us via email at friendsofthedaleriver@outlook.com or Claire Thomas 0429 708 589 – Secretary

Special thanks also to Linley for her amazing enthusiasm and tireless work behind the scenes in coordinating these projects- even while away on holiday!!

LOCAL METAL DETECTING SITE PERMISSIONS WANTED

Experienced Perth-based metal detectorist, writer and historian seeking potential detecting locations within the Shire of Beverley, particularly early farming and habitation sites.

All finds are offered to the landowner or can be donated to the Beverley "Dead Finish" Museum. Coins and relics may be photographed and recorded, while all property names and locations remain strictly confidential.

The utmost care is taken—holes are refilled, soil disturbance kept to a minimum, and buildings or ruins are never entered or disturbed. Properties are only visited on days and times agreed with the landowner.

Former Wheatbelt School Principal with Working with Children and Police Clearances.

A spare detector is available for landowners or family members who would like to join in.

For further information, please contact me on 0437 308 478 or by email at clatworthyluke@gmail.com

Fantastic Flexibility!

What this freshly renovated home could provide for you:- a space for the whole family to call their own.

FOR THE ADULTS - Master suite, formal dining and living rooms and a dream kitchen for the family chef with new appliances: two ovens, dishwasher, loads of storage and bench space.

KIDS DOMAIN includes 3 bedrooms, 2 with BIRs, luxury bathroom -- a bath deep enough to soak in after a day out in the great outdoors plus their own retreat which includes kitchenette, a space to study or relax.

An enormous "whole of family" enclosed patio with wood fire - fantastic for entertaining or just "making a noise".

OUTSIDE AREA - 2056sqm trees to climb, run with the dog, room for a pool or a cricket pitch, half court tennis or add a Granny Flat.

HEY DAD - build your great big shed, there's heaps of room to park all the extras: Teenagers' cars, a boat, trailer and more.

AND WHAT A SMART INVESTMENT!...

Subdivisible Land at the rear, assured asset growth or just receive a high rental income stream, with rents predicted to rise. 162 Vincent Street will be a home for all seasons!

Our dearest and much-loved Nana Judy

Judy's family would like to express their heartfelt gratitude to
everyone who has offered condolences since her passing.
Thank you for your calls, texts, apologies, and attendance at her
funeral.

We extend our deepest thanks to the staff at the lodge and the
hospital for their tender care, and to those who visited and
brightened her final years. We all know what a truly special
woman she was, and she will be lovingly remembered always.

Rest in peace Nana Judy, now reunited with those that went
before her.

God Bless

🔥 JUNIORS FINALS RECAP 🔥

Semi Final – vs York Greybacks 15th August

(WIN: 0-1)

👤 Captain: Isabellah Kop

🕷️ Rusty the Redback: Charlotte Styles

📖 Goalie: Gracie Aldersea

⭐ Goal Scorer: Steele Sattler

What a cracking semi-final! The Redbacks left everything on the field, showing incredible determination and hunger from start to finish.

Steele found the back of the net with a brilliant team goal, while Charlotte earned Rusty the Redback for her outstanding skill, speed and determination. A sensational team effort secured the Reddies a spot in the Preliminary Final for the second year running!

2026 Semi Final team pictured above (L-R):

Back row: Steele Sattler, Lachlan Kop, Charlotte Styles, Cooper Vandenberg, Tate Doncon

Middle row: Lottie Blechynden, Ella Collins, Jasmine Aaron, Darcy Veitch, Isabellah Kop (Team Captain), Neve Blechynden, Gracie Aldersea (Goalie)

Front row: Zac Smith & David Tasker

Preliminary Final – vs York Redbacks 22nd Aug

(TIE: 1-1)

👤 Captain: Zara Copping

🕷️ Rusty the Redback: Entire Team!

📖 Goalie: Gracie Aldersea

⭐ Goal Scorers: Steele Sattler

What a way to finish the season! In pouring rain, our Junior Redbacks battled through the Preliminary Final to finish 1-1 and force overtime. With five minutes each way and the first goal deciding the result, neither team could break through. Having finished third on the ladder this season, we unfortunately missed out on the Grand Final, with York Redbacks progressing as the higher-ranked team — the same heartbreaking result as last year. Despite the disappointment, every player showed incredible heart, determination and true Reddies spirit. We couldn't be prouder of how far they've come!

2026 Preliminary Final team pictured above (L-R):

Back row: Carly Veitch (Subs Coach), Neve Blechynden, Zara Copping (Team Captain), Charlotte Styles, Ella Collins, Gracie Aldersea (Goalie), Chaise Sattler (Junior Coordinator), Kelly Aaron (Coach)

Front row: Darcy Veitch, Jasmine Aaron, David Tasker, Zac Smith, Steele Sattler, Lachlan Kop, Tate Doncon, Cooper Vandenberg

MINKEY & JUNIOR REDBACKS WINDUP

Our windup took place on 16th August, celebrating all 49 of our hockey players from Kindy to Year 6 and congratulating them on another fun and successful season.

🏆 Congratulations to our very deserving 2026 Junior Award winners in the Avon Hockey Association Mixed 5/6 division 🏆

👑 Fairest & Best: **Cooper Vandenberg**

👑 Coaches Award: **Zac Smith**

Hockey is extremely popular in Beverley, and our program would not be possible without our dedicated volunteer coaches. Their time, knowledge and passion provide our players with an outstanding hockey experience.

A special thank you to our Coaches:

- Chantelle Meade — Kindy & Pre-Primary Minkey
- Kelly Mann — Year 1 & 2 Minkey
- Ashton Edwards — Year 3 & 4 Development Squad, and Year 5 & 6 Junior Redbacks training Coach
- Kelly Aaron — Junior Redbacks training and Game-Day Coach

A huge thank you to everyone who helped make this season possible — Skye for keeping the water flowing, our parents behind the goals, those transporting goalie gear, Carly for taking on the subs coaching role, Hollie for filling in when needed, and all our wonderful families who travelled, attended training and cheered from the sidelines.

It truly takes a village, and we are so grateful for everyone who has been part of ours. What a season, Reddies! ❤️🕷️

BEVERLEY REDBACKS HOCKEY CLUB

♥️ FAREWELL TO OUR YEAR 6'S ♥️

To our graduating Year 6 Reddies — Cooper Vandenberg, Tate Doncon, Steele Sattler, Lachlan Kop and Charlotte Styles — congratulations on your final season in Junior Redbacks colours!

We're sad to see you move on, but hope you leave with wonderful memories, lifelong friendships and a genuine love for hockey. You've all been a valued part of our Redbacks family, and we're so proud of the players and teammates you've become.

A special mention to Cooper, Tate and Steele, who have been part of our Redbacks since Year 2, helping field a team in 2022 when Beverley Junior Redbacks first joined the Avon Hockey Association competition. From those early days to their final game together in the 2026 Preliminary Final — what a journey!

A special congratulations to Steele for finishing his final two seasons with an incredible 14 goals — 9 this season and 5 last season! A fantastic achievement and a reflection of the wonderful teamwork and support across the entire team.

Thank you for the memories, the laughs and the Reddies spirit you've brought to our club. We wish you all the very best as you head into your next chapter! Once a Reddie, always a Reddie! ♥️🕷️🏑

30th April 2022 - Steele Sattler's First Hockey Game

25th June 2022 - First hockey game for this little trio! Darcy Veitch (Year 1), Tate Doncon and Cooper Vandenberg (both Year 2)

22nd August 2026 Steele, Lachie, Charlotte, Cooper & Tate's Last Game

CLUB NEWS

NETBALL FINALS CAMPAIGN

What a finals campaign from our netball girls! They had a cracking start with a great win over Railways on the 30th of August. Following this, they faced a competitive Quairading side on Father's Day. It was a fantastic game, with every single player giving it their all! Unfortunately, they couldn't quite get across the line. Thank you to all the amazing supporters that came and cheered on our girls during the finals and over the whole season!

AFNA AWARDS - NETBALL FAIREST & BEST

A huge congratulations to Sarah Walters on taking home the 2026 AFNA Adele Simmons Award - Netball Fairest and Best at the AFNA Awards Night! Sarah is a fantastic player who brings plenty of energy, determination, positivity (and dance moves) to the netball side. She's an absolute joy to watch and a special part of our club.

Well done, Sarah!

AGM

Our Annual General Meeting will be held on the 16th October at 6:00pm at the Freemasons Tavern. If you're interested in joining the committee, getting involved with the club, or simply having your say and helping shape the future of the club, we'd love to see you there!

2027 COACHING POSITIONS

Expressions of interest are now open for our 2027 netball, reserves and coaching positions! We're looking for enthusiastic leaders who can help guide and develop our players, create a positive team environment, assist with player recruitment and be an active part of our club. If you're passionate about your sport and are ready to help shape the 2027 season, we'd love to hear from you! Contact us via email: beverleyfootballclub@gmail.com

2026 September Rally

Our September Rally was held on 20 September and it was a very *Matchy Matchy* kind of day! Riders were paired up & had to consult with each other to create the most coordinated looks possible. There were some fantastic combinations!

The day consisted of show jumping, flat work, theory & active riding. We hope our visiting rider, Grace Hammond, had a fantastic time riding Skip.

Beverley Pony Club always welcomes new members. Adults riders welcome. Come on down and have a look at our next rally on 25th October from 8am. We'd love to see you there.
