

Remembrance Day

— 11 November 2026 —

Lest We Forget

Annual Electors Meeting – it is likely the Annual Electors Meeting will be held early in December, however at the time of providing notes for the November Blarney the October Monthly Council meeting is yet to be held, at which a decision on the date will be decided. Please watch out for the date or make enquiries at the shire, Council looks forward to your attendance should you be able to join us. The 25/26 Annual Report will soon be available, feedback is welcomed.

Brooking St Bush Reserve – concern has been raised regarding the potential fire hazard within the Brooking St bush reserve east of the Catholic Cemetery. A burn of the block was undertaken many years ago however intensity of the fire at that time caused damage to the vegetation which has slowly been rejuvenating. The Community Emergency Services Manager inspected the site and considered the firebreak installed within the block was sufficient, advising that the current season was not suitable to undertake a "cool burn". The Ballardong Noongar Budjar Ranger team have assisted with various projects in and around the shire this year and if burning is deemed as required in the future this is likely a project they could assist with.

Works – the shire works crew have prepared the first section of Morbinning rd in preparation for reconstruction and widening by contractors. Spraying and slashing has been undertaken at the aerodrome. Bridges 726 on Westdale rd and 730 on Mawson rd have had maintenance undertaken and work is underway on bridge 3208 on the Top Beverley rd. It is imperative that the shire upkeep a maintenance program of the bridges to be able to access funding for future upgrades.

Christmas Light Trail – a Beverley Christmas Light Trail map will be established for residents who wish to register their Christmas light displays with the shire for inclusion, guiding residents and visitors to enjoy their creative efforts. Registration also entitles participants to be included in a prize draw. The shire awaits delivery of Christmas decorations to commence reviving festive decoration in the main street.

Caravan Park and RV Stopover – increasingly the caravan park and 72-hour RV stopover have become busier, as have the day visitors. Comments are very favourable about our friendly community and lovely town. The Shire initiated 2016-2020 Tourism Framework and Tourism Plan to develop what we already have and provide confidence for Council to include in the budget resource for a part-time Tourism Officer underlies a growing interest in visiting Beverley and surrounds. A recent metro visitor provided feedback that they were just passing through however decided to stay at the free stopover for several nights spending \$500 while here. Another couple from NSW who have been on the road for 3 ½ months provided feedback that Beverley was one of the friendliest towns they have visited over that time.

Harvest is Underway – interesting activity continues in the paddocks around the shire as hay is completed and grain harvesting commences. Please take care when out and about on the roads as there is likely to be large machinery, equipment and trucks moving around the district. Patience and consideration from all road users should see us remain safe at this busy time. details elsewhere in the Blarney.

Dee Ridgway
Beverley Shire President

Annual General Meeting of Electors

Notice is hereby given that the Annual General Meeting of Electors for the 2025/26 Financial Year will be held in the Civic Centre, 132 Vincent Street, Beverley on **TUESDAY, 1 DECEMBER 2026**, 11:20am for the meeting to commence at **11:30m**.

Order of Business

1. Adoption of 2025/26 Annual Report
2. General Business

As per Section 5.5 of the *Local Government Act 1995* copies of the 2025/26 Annual Report are available on the Shire Website <https://www.beverley.wa.gov.au/news/> or from the Shire Administration Office, located at 136 Vincent Street Beverley, during normal office hours.

STEPHEN P GOLLAN
Chief Executive Officer

COMMUNITY *Feedback!* PUBLIC LOCAL HEALTH PLAN

 *Draft Plan Development*

After reviewing the recent survey results and in consultation with its various strategic plans, Council has developed its objectives, priorities and actions for our Public Local Health Plan.

 *Comment on the Draft PLHP*

Council invites you to read and comment on the Plan. You can download the plan via our website, we can email it you or you can collect a paper copy from the Shire Office. Comments close Monday 23 November 2026.

CHRISTMAS LIGHT TRAIL

This year, we're creating a Beverley Christmas Light Trail Map to help residents and visitors discover the town's amazing Christmas light displays.

Let's make Beverley shine bright this festive season by adding your display to the trail!

PRIZE DRAW FOR ENTRANTS

If you'd like your display included on the map, please register your address by contacting the Shire office by phone, email, or in person by 10th November 2026

136 Vincent street, Beverley wa 6304
Phone: 08 9646 1200
Email: admin@beverley.wa.gov.au

HAY & HARVEST SEASON IS HERE!

Although the cooler weather is hanging on, **hay and grain season is upon us!**

Over the coming weeks, you'll see more tractors, trucks, headers and other heavy vehicles travelling on our roads as farmers get busy.

Please remember to:

Slow down and drive to the conditions.

Be patient when travelling behind slow-moving vehicles.

Only overtake when it's safe and legal to do so.

Stay alert and give heavy vehicles plenty of room.

For our farmers and operators, please take care out there too.
We know the days can be long!

**BE PATIENT.
BE COURTEOUS.
DRIVE SAFE. STAY SAFE.**

Beverley C.W.A

Just when you thought it was safe, you open the blarney and see the CWA notes again. Yes we have been a little quiet, but we have still been busy. Our kitchen Reno is still underway, but the end is in sight, Hooray!!!

But before the end of the year, we have one more event to do. I apologise in advance, I know a lot of you will say Don't Remind Me, but we all know it will come fast and if you are anything like me you will be thinking Bugger, I haven't given it another thought.

So, the last event that the ladies are busy getting ready for, being held on the **27th and 28th November** at the Lion's Kisok, is the **Christmas raffle and Cake stall!**

That's right, the last chance to get some home baked goodies from the ladies of the C.W.A, all the choices that you will have. So many decisions to be made on what to buy, so while you are having a think why not buy a ticket in our raffle. Once again, we will have a monster Christmas raffle, so many prizes on offer. If you are lucky enough to win one, keep it for yourself or use it as that last minute gift that you forgot to get in the rush.

So, until then, stay safe, enjoy the weather and see you at the Christmas raffle!

Station Gallery Open Hours: 9.30am – 4.00pm Thursday, Friday, Saturday, and Sunday

Artists-in-Residence at the Station

October Artists-in-Residence

Linda MacAulay and **Corrine Rapley** were extremely grateful for the opportunity to be artists in residence for three weeks in our “wonderful town and community”. Linda held two very successful workshops which were absurdly priced due to being heavily subsidised by a state government grant.

Then to end their residency Linda and Corrine invited artists to join them for a Plein Air afternoon on Saturday 19 October which attracted some twenty artists, all meeting back at the Gallery for “show & tell”.

Kirsten Hocking – She holds a Bachelor of Contemporary Arts (Visual Arts), majoring in painting, from ECU and a GradDipEd from UWA. A trained secondary school art teacher, she has taught Visual Arts to hundreds of students. She now teaches adult painting classes alongside her full-time studio practice. Her paintings explore WA flora and fauna, seasonal rhythms, and the atmospheric effects of light.

Laura Peden - Her tertiary training as a classical musician and her multidisciplinary collaborative studies as a post grad student at the Victorian College of Arts, as well as a deep interest in history and philosophy, have provided a rich impetus for her recent work as a visual artist. Laura sketches and paints en plein air and takes photographs, and then develops those studies into larger works in her studio. She paints in gouache, acrylic and oils, and mixed media.

Alan Pickering returns for a quick stint of residency from 22 October – 03 November offering his “Plein Air Beginner Boot Camp” workshop. Thanks Alan, and also for designing some plein air ‘wet wall’ panels for the new gallery.

November Artists-in-Residence

Alex Kyriakakis, Kirsten Hocking and Laura Peden will be at the Station from 4 – 16 November. The three artists have much experience painting together 'plein air' and exhibiting together, and are very excited to be coming to Beverley.

Alex Kyriakakis - She holds a Bachelor of Education from ECU and taught for 10 years in state and private schools in WA, including specialist art programs. Alex now teaches part-time at Tresillian Arts Centre and at home in my studio. Her paintings are reflective of her everyday life and her surroundings. She paints ‘alla prima’- from life to capture the colour and light in that moment. Her subject matter ranges from still life, landscapes and portraits. Alex paints regularly with the Perth Plein Air Painters and loves painting shopfronts, figures, and laneways.

* **WORKSHOP:** (date to be confirmed)

How to turn a photo into a painting – the process of how to start a landscape painting in the studio.

* **ARTIST TALK:** (date to be confirmed)

2026 Lester Prize exhibition currently on at the WA Museum: its history, its position within the Australian portrait prize scene, and a behind-the-scenes look at many of the 40 paintings being exhibited this year.

* **FREE EVENT:** (date to be confirmed)

The three artists are hosting a plein air event where they invite who ever would like to join them for a paint on either Sunday 08 or 15 November 9am-12pm. As they all work differently it will be interesting for participants.

Andy Dolphin will be AiR 18 November – 09 December formally a graphic artist, Andy hails from Mount Barker and has built a strong career as a multi-genre artist. Andy Dolphin was one of the 2026 Plein Air Down Under Feature Artists teaching watercolour Masterclass. We are hoping for a drawing/pen & wash workshop or two whilst he is in residence at the Station...we'll keep you posted!

For any further information regarding art workshops please visit the Station Gallery or keep an eye on BSA Socials and the weekly Beverley Bulletin; or contact AiR Coordinator Marylou Hutchinson (0427 085 511) or Email residency@beverleystationarts.com
KIDS FUN AT THE STATION IN OCTOBER

Exhibition of After School Art Class – These little artists were treated to a fabulous afternoon tea exhibition opening within the formal structure a warm welcome to parents, siblings and friends and gratitude towards stakeholders, followed by an explanation from their teachers Marion, Kellie and Bec from *Studio 119* of the students' amazing works of art accomplished during the ten-week course. Congratulations all. These art classes would not be possible without the support of a state government grant. The exhibition in the Platform Gallery is open till mid-November.

PERFORMING ARTS

Awesome Arts Festival Hub – four days of having fun building dream structures and decorating with paint, and ropes made with wool – which meant learning the art of finger knitting from Matt / Jules! Heartfelt thanks to Barking Gecko Arts for including Beverley as a hub.

Beverley Station Singers - a fun and informal community choir welcoming adults of all ages and abilities with no

auditions, no pressure, just the joy of singing together! A place to build friendships through song weekly at the Station in the Platform Theatre Green Room **6.00pm – 7.30pm** every **WEDNESDAY**, and currently working towards the *Community Christmas Concert* 19 Dec.

COMING SOON! FRIDAY November 27
- DRAGGED through the DESERT

Dust off the glitter the Queens are hitting the road!

Buckle up for a fabulous, feel-good tribute to *Priscilla, Queen of the Desert!*

Dragged through the Desert – A *Priscilla* Celebration is a glitter-drenched spectacular bursting with electrifying drag, dazzling costumes and the disco anthems you know and love all wrapped in warmth, wit and big belting vocals.

Hosted by award-winning live-singing drag sensation Dean Misdale (star of *Priscilla Queen of the Desert The Musical* at Crown Theatre), with this laugh-out-loud, heartfelt homage, expect powerhouse vocals, outrageous glamour and wall-to-wall hits including *It's Raining Men*, *I Will Survive*, *Hot Stuff* and many more — delivered with cheeky comedy, tender moments and plenty of sequins! **For table bookings 0457 7101 91; Gates open 6.30pm; Licenced bar; Food available.**

CRC NEWS

SEND IT! THE INTERGENERATIONAL PEN PAL PROGRAM

Did you happen to catch Sarah's interview about the Send It program on the ABC radio on Saturday 17 October? If you missed it, she covered all the in's and out's and why she has loved running this program with our local seniors and Year 3-4 class.

After exchanging letters over two school terms the pen pals finally met on Tuesday 27 October at the Alex Miles Lodge. The morning was full of happiness with the friends finally meeting, they exchanged letters, made magnets and enjoyed some delicious food.

ATTENTION SECRETARIES, TREASURERS, & GRANT WRITERS! 📝💰

Are you tired of spending late nights staring at grant applications, trying to figure out how to frame your group's budget and project goals? We know that as committee members, you wear a dozen different hats—and writing grant proposals takes up hours you don't have. Let's change that! Join us for a **FREE** full-day, hands-on workshop presented by Whitney Consulting to help you write stronger applications in a fraction of the time.

What You'll Learn:

✦ Grant Writing Fundamentals: How to find funding and structure projects that grant reviewers love to fund.

✦ AI as Your Assistant: Practical, simple ways to leverage AI to draft, polish, and speed up your applications without losing your group's authentic voice.

✦ Pro Strategies: Step-by-step techniques to make your next application stand out.

📅 When: Friday 06 November

🕒 Duration: Full-day face-to-face workshop

📍 Host: Beverley CRC

💰 Cost: FREE - Thanks to the Shire of Beverley

⚠️ Seats are limited! Don't miss out on making your next grant cycle stress-free.

👉 RSVP / Contact Us: 📞 Phone: 9646 1600

RESIN WORKSHOP

Thank you Woodpecker Design and to everyone who joined us at the Beverley CRC on Sunday 18 October for the resin workshop on the weekend. Elena and Brett have worked with resin for years and have just started their workshop business this year. The pair are both very knowledgeable and happy to help and share all their tips on producing some amazing resin works. Check out their website for the workshops and artworks they offer.

THANK YOU SHIRE OF BEVERLEY WHEELS AT WABINY

We hope that everyone that attended the Wheels at Wabiny 2 hour coaching session for BMX, scooter and skateboards had a great time! It was so good to see our local kids get access to professional riders at this free session at Moort Wabiny park, and if you attended and want to see more of these sessions in the future let us know at the CRC. A big shout out to the Shire of Beverley for funding this project through the community grants fund and thank you to Shaun and the crew from Freestyle Now.

17 th November	Student Leader Speeches and Elections
19 th November	Year 3/4 Assembly
20 th November	Interschool Swimming Carnival
23 rd November	UWA Music Program Commences
23 rd November	Interm Swimming Commences

Save THE Date

SHADE ON THE CARDS FOR 2027

The P&C is excited to announce that it has been awarded funding through the Shire of Beverley Community Grants program. Combined with a generous contribution from the P&C, this funding will enable the completion of the Secondary Hangout Space with the installation of a permanent shade structure.

Recent conversations with our student leaders revealed that increased shade was a high priority for many secondary students. This feedback, gathered during class visits, highlighted the importance of creating comfortable outdoor spaces for students to enjoy throughout the year.

The school and the P&C are proud to bring this student-led initiative to life and demonstrate the value of student voice in shaping our school environment.

We look forward to seeing the shade structure erected sometime in the near future and providing an even more welcoming space for our secondary students.

AGM 2026

President's Report

Welcome everyone to our Annual General Meeting, where has this year gone? Thank you to Elaine Hutchinson for Chairing this meeting.

We held our Christmas lunch at Ballisimo in York which we combined with a visit before-hand to the York Residency Museum. We had a very enjoyable morning

On our bucket list for a while was a visit to the Commonage, which we finally did before our first meeting in March. It was a very interesting walk and I now know where they are situated.

In April Beverley held their Air Show which was a mammoth task for all involved to plan but was a massive success. The Beverley Historical Society had displays out there next to the Silver Centenary and received lots of positive comments.

In May we were very fortunate to be taken on a guided tour by Trevor McLean on his properties to see many house and building ruins plus learn lots of other interesting facts. We were very appreciative.

A visit by the Shire Councillors was welcomed by the Historical Society to bring them up to date with the large quantity of History we have on display plus how we have plans to upgrade our storage system in the archive Room. Thanks to the Beverley Shire for the grant to help with shelving.

The Beverley Agricultural Show was held in August and unfortunately, it rained. In conjunction with the Tree and Garden Club we had a combined display of the past, present and future machines & tools.

We were invited to participate in the first ever Flower Parade in the main street for a week. The street looked great. Thanks to Adam for taking charge of our display.

Recently we had the annual visit from the Year 2's, a very small group of 11 (2 were sick). We always look forward to this day. The students enjoy doing olden day chores. Many thanks to the community volunteers plus our members who helped on the day.

Visitors for the year, not including the past weekend, were 268 – 47 of that number were bus or group, 10 were midweek when we open when they ring and ask.

Once December comes and the Museum is closed, we will be having a busy bee to remove gear from the Archive room. We will install the new shelving and have room to store all the boxes.

I personally would like to thank all the BHS members for the work that they do during the year with roster on a Sunday, busy bees, cleaning etc. To Morag who handles all the emails and requests for research plus getting the photos etc on the computer and to Leonie who after each meeting takes so much homework home to bring back in a month looking smart. I also would like to make special thanks to the Garden and Tree Club for the upkeep of the garden surrounding the Museum.

Sadly on 28/9/2026 Ted Sheehan, a long-time member of the Historical Society passed away. He was a past Secretary and always had the pennies, which we give to the Year 2's, all polished. Our thoughts to Sheila and family.

Next year we hoped to be able to do a few more outings or inhouse activities so all put on your thinking caps and let me know your ideas.

Glenys Petchell.

Annual Subscriptions

Moved & seconded that the annual subscriptions continue to be \$10 per person. **Carried**
Subscriptions are now due for the forthcoming year.

Election of Office Bearers 2026-2027

The President vacated the Chair and Elaine Hutchinson presided.
Elaine Hutchinson declared all positions vacant & called for nominations with movers & seconders for the following positions:

President:	Glenys Petchell
Vice President:	Joy Smith
Secretary:	Morag Whitney
Assistant Secretary:	Adam Freeman
Treasurer:	Leonie Taylor
Auditors:	Ashlee Carter
Research Officers:	All members
Museum Officers:	All members

There being no further nominations the Chairperson declared all the above duly elected unanimously, which was accepted with acclamation.

The President resumed the Chair and thanked Elaine Hutchinson for being guest Chairperson.

Summer Closure of Dead Finish Museum

As usual the Museum will close for the summer from 1st December to second week in March 2027.
For any enquiries please contact bhsdeadfinish@gmail.com

ALTHOUGH THE WINTER SPORT SEASON HAS OFFICIALLY FINISHED, THERE ARE 2 WINTER EVENTS TO BE CELEBRATED..

Beverley Shield

It was Beverley's turn to host the Beverley Shield this year on 26th July. It was a busy morning that wasn't to be dampened by a small shower.

Beverley Shield – Year 7 and Under Football

Well done to Reuben Wegner who won Overall Fairest and Best. Coaches awards went to Glen Clohessy. Thank you to Chad Atkinson for coaching and volunteers involved in umpiring. Beverley came in 2nd for Footy.

Anderson-Simpson Shield – Year 7 and under Netball

Beverley had 1 team playing for the Anderson-Simpson Shield in the Year 7 and under competition. It was great to see some of the Beverley kids return from boarding school and playing in the Red and Black! Congratulations to Ashlyn Higgins who was awarded Fairest and Best for Beverley.

Well done Amelia Copping on playing your final Beverley Junior Netball game. We wish you all the best for the next stages of your Netball journey! Big thank you to Narelle Bailey and Kelly Aaron for coaching and Jo Copping for umpiring, and to all the parent helpers on the day. A huge thank you to Megan Vandenberg and all the helpers in the canteen. Keller/Tammin came away with all three shields on the day!

Doncon-McNeil Shield – Year 5 and under Netball

Beverley had 1 team playing for the Doncon-McNeil Shield in the Year 5 and under competition. Congratulations to Zara Copping and Ruby Brokenbrow who were both awarded Fairest and Best for Beverley.

Neu-Tech Cup

On the 2nd August, Beverley Auskickers and Junior Footy teams travelled to Corrigin for the Neu-Tech Cup. Beverley Neu-Tech Tackers came in 5th out of 10 teams and Beverley Auskickers came in 5th out of 8 teams. Thanks to Stuart Murray for coaching our tackers and Chad Atkinson for coaching the juniors. Also big thanks to families for travelling and providing kids with a wonderful opportunity to play in a big carnival event. Coaches awards for Neu-Tech Cup went to Harrison Reynolds (Tackers) and Cooper Vandenberg (Juniors).

Congratulations to the Junior Redbacks Hockey Team for finishing 3rd on the ladder after a 1-1 game in the pre-lim final.

Meet Our DOCTORS

Dr Anuoluwa Esther Oladipo

FRACGP, AMC, DCH,
Diploma Aesthetic Medicine,
Advanced Diploma Community
Management

Dr Esther Oladipo is an experienced General Practitioner and Fellow of the Royal Australian College of General Practitioners, with over 15 years of clinical practice across metropolitan and rural WA. Her interests include comprehensive general practice, chronic disease management, women's and children's health, preventive medicine, mental health, dermatology, skin cancer medicine, minor surgical procedures and aesthetic medicine. She is also a GP supervisor and medical educator, committed to evidence-based, compassionate, patient-centred care.

Dr Adebola (Andre) Oladipo

MBChB, AMC, DCH, MWACP, DSCS, FRACGP

Dr Andre Oladipo is an experienced General Practitioner with over two decades of medical experience across general, rural and emergency medicine. A Fellow of the Royal Australian College of General Practitioners, he also holds postgraduate qualifications in Child Health and Skin Cancer Surgery. His interests include chronic disease management, men's and children's health, geriatrics, dermatology, Indigenous health and emergency medicine. He has served rural WA communities and mentors GP registrars, with a strong focus on patient-centred care.

Dr Andries (Andrew) Van Ballegooyen

MBBS (WA) Grad. Dip. In OH&S,
FACRRM, FAFOEM

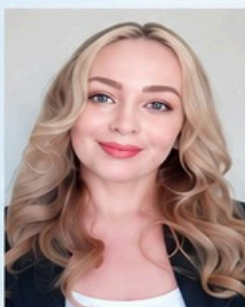

Dr Andrew Van Ballegooyen graduated as a GP in 1977 and worked in the RAAF as a Medical Officer for 4 years, gaining experience in aviation and occupational medicine. He then worked in Perth at GP and Occupational Health clinics, with experience in paediatrics, anaesthetics, occupational medicine and obstetrics. Since 1990, he has worked as a rural GP, providing stable medical services in the Wheatbelt for 35 years and has recently achieved recognition as a Rural Generalist.

Dr Opeyemi Kamil Ogundipe

MBChB, AMC, Dip WHS, AHP, OEUK

Dr Kamil is a member of the Royal Australian College of General Practitioners with over 15 years of medical practice experience, including several years as a Medical Registrar across metropolitan and regional hospitals in WA. His interests include Indigenous Health, Adult Medicine, Emergency Medicine, Mental Health, Chronic Disease, Men's Health, Geriatrics and Child Health. He has a special interest in Occupational Medicine, providing pre-employment medicals, health surveillance, fitness for duty, injury management and industry medicals.

Dr Somaye Hahoonbar

Dr Somaye Hahoonbar is an experienced and compassionate General Practitioner with a strong focus on women's health, child and family health, and preventive care. She provides comprehensive, evidence-based management across all aspects of general practice, supporting patients through every life stage with a holistic, patient-centred approach.

Dr Sultana Bilkis

MBBS

Dr Sultana Bilkis is a compassionate and dedicated GP who provides quality care for individuals and families. Her interests include Women's Health, Child Health, preventive care and chronic disease management. She works closely with patients to improve long-term health outcomes through tailored treatment plans and is committed to immunisations to help protect families and the wider community.

Dr Hassan Towhidul

MBBS

Dr Hassan is a friendly, approachable and caring GP who is passionate about helping patients feel comfortable, heard and well cared for. He enjoys all areas of general practice, with a focus on preventive care, ongoing health conditions and routine check-ups. He takes time to understand each patient's concerns and provides personalised care, building strong relationships with individuals and families.

Dr Poornima (Nima) Ajayan

MBBS, Diploma in Women's Health

Dr Poornima (Nima) is a member of the Australian College of General Practitioners and a Member of the Royal Australian and New Zealand College of Obstetrics and Gynaecology. She is a well experienced GP with experience in various hospitals. Her interests include women's health, contraceptive implants insertion and removal, antenatal shared care and all areas of general practice. She enjoys spending time with her family.

BEVERLEY AGRICULTURAL MACHINERY MUSEUM NEWS.

As well as visitors on our regular 'open days' several clubs and groups have taken advantage of the spring weather to visit Avondale Farm and the Machinery Museum recently.

Many of the elderly members on a bus tour on their way to Wave Rock were seen navigating the area using walking aids, with some commenting that the toilets are a long way away but never underestimate the 'life experienced' people in society, their movements were so quick it was impossible to get a group photo!

Coincidentally at the same appointment, three friends paid a visit, one being an ex-farmer with much knowledge of the machinery which has since been passed onto our group of volunteers.

Another group of 'old farming' friends who called in on their annual reunion trip (later to visit Fergies in town) came to see the collection and pat the horses, they were more photogenic, spending more time transversing the shed where our large collection is housed, and most being ex-farmers, there were many tales to tell when seeing a similar machine to what they had once used many years ago.

BEVERLEY AG NEWS CONTINUED---

One member of the group was Ray (see photo) who was reunited with his families Sunshine HST Header which was donated in 1978 and given a 'new look' (painted) by the Ag department at the time.

Our members have been quietly working away maintaining and restoring items in the collection, much love and care has been given by Gerry and John H to the 1952 'FX' Holden Ute, and with some minor modifications to the fuel and starting systems is now an active item again.

Many thanks to 'new local' Brodie who saw our plea for second hand tyres, the Oxford Allen Mower is now inflated on both sides.

On Saturday October 10, the Sunshine 585 burst into life mainly thanks to the Hawke Brothers, and John's 'Uncle Shane', a family effort.

And with summer just around the corner, alas the Museum and Farm are closed by the end of November due to the Fire Risk, however appointments and group bookings for the Machinery Museum can still be made with **John at 9646 0768**, and remember you can keep up to date with '*what and when*' on our Facebook page **Beverley Agricultural Machinery Museum** or contact the Beverley Shire on 9646 1200 for details of more events in the area.

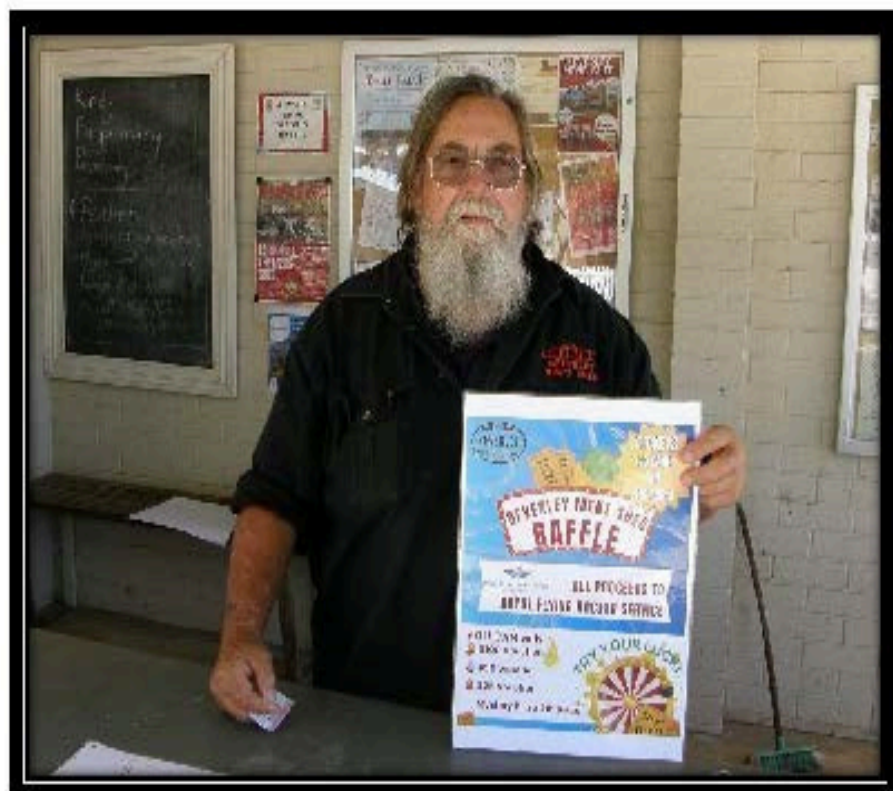

Activity at the 'Shed' has been extremely busy this past month since the new committee was elected, besides offering guidance to members using the vast array of equipment, one of the issues being addressed by Eric and Chris is the amount of 'stuff' we have accumulated over the years that appears to

have gathered dust and taking up space, so several of the membership have been making the effort to get rid of or pass on items no longer required.

Many thanks to Jeff from the vintage Motorcycle club for your kind donation to the shed, it was (and always will be) our pleasure to help fellow organisations, and we look forward to seeing some of your membership again next year.

As our regular readers are aware, our second outside source of income (after our Firewood sales---and we still have good stocks available if you need to restock, ring Graham on 0407 445 363 for details) is our raffle drawn on the first Saturday of the month, with tickets being available from Merv (and his crew) at the Lions

Kiosk next to the IGA both on the Friday and Saturday of that weekend.

The Lucky prize winners of \$100, \$50 and \$25 IGA vouchers in the October draw were Kevin, Graham and Liz, with Liz kindly re-donated her prize back into the next draw. Another Kevin won the 'always a mystery' prize.

Congratulations to the winners and many thanks to all who supported us and we look forward to seeing you again for another chance to win next month, and at \$3 each or 4 for \$10 it is a good way to use up any small change.

For more information about our group, please ring our president **Peter** on **0427 427 919**.

Equipment: Bowls available on the night

For further information or to nominate your team,
please contact Amanda King on 0411 635 437
Bar open and pizzas for dinner!

NOVEMBER 2026

A Simple Kit. A Serious Difference

With spring well under way the days are warming up! This means we need to be on the look out for our slithery friends however, we do know that accidents can happen and when they do it is always good to be prepared with a snake bite kit on hand. For only \$25.95, the St John Snake Bite Kit includes: compression bandages and a snake bite management instruction leaflet, along with additional first aid essentials to support emergency preparedness. Its convenient Velcro attachment strips allow the kit to be secured to backpacks, motorbikes, vehicles or outdoor equipment, helping ensure it is always close when needed.

If you would like to purchase a kit please contact our administration officer Mia by either popping down to the Beverley Sub-Centre on Mondays between 9am-3pm or emailing through an enquiry to beverley.subcentre@stjohnwa.com.au.

Community Presence

The Beverley St John Ambulance volunteers will be regularly attending monthly Community Markets, keep an eye out for them on Saturday November 7th from 8-30am to 12-30pm. We encourage members of the community to come along; have a chat, a blood pressure check, check out our range of first aid kits, grab an Emergency Medical Information Booklet and maybe even enquire about the many volunteering roles St John offer.

Country Ambulance Cover

Did you know for those who reside in regional or remote Western Australia, the cost of your ambulance service is covered if you have comprehensive Country Ambulance Cover. This includes as many emergency or necessary non-emergency transports you, or one of your family members, require. Within WA, St John Country Ambulance Cover will protect you for ambulance cover 24 hours a day, 365 days of the year. The Ambulance Benefit Fund fees are \$75 for singles and \$124 for families.

Beverley River Care Group

Protecting and improving the rivers and waterways of Beverley since 2025

A dry July is meant to be a good thing when you're managing your alcohol intake, but when it's referring to rainfall, and includes a drier than expected August and September when we received a third of our long term average, it's definitely a bad thing. We salute our farmers who work with the seasons each year, but still manage to produce crops to feed the world.

For the Avon and Dale Rivers flowing through our Shire, low winter rains affect how strong the flow is to flush out the build-up of saline water, and how well the vegetation in the riparian zone beside the water can grow and repair for the next long dry summer.

The Beverley River Care Group has been active on our knees clearing the perennial veldt grass from the pilot plot we have along the town fire break/walking path north of the bridge on the town side. The 1 hectare pilot plot has been our target this year, and it is pleasing to hear the positive comments from townsfolk who can see the impact of our efforts.

The removal of the large clumps of veldt grass has opened up the pleasant view through the Casuarina to the threads of the river. We can see the native grasses starting to come through and find the regrowth of creeping saltbush, *Atriplex semibaccata*, particularly pleasing. The fire risk is reduced across that area and we can mark off this year's efforts as a win. More needs to be done.

Unfortunately we were not prepared early enough for the spring regrowth of the veldt grass, so our planned use of Fusilade to control it longer term will need to be delayed until next season. Over the summer we will be working to control more invasive weeds such as bridal creeper and the nasty boxthorn. All our efforts in this area are aimed at opening up the view to the river, encouraging native grasses and plants to flourish, and reducing the fire hazard. Echidnas and smaller critters will find more homes in the undergrowth and, hopefully, the rabbit population will stay away.

We acknowledge and appreciate the Shire of Beverley for providing funds to support our work through the Community Grants scheme. The grant will allow us to buy the selective herbicides required for the veldt grass, and the special glyphosate formulated to minimise harm in an aquatic area. We will also be able to purchase specialised spray equipment to target the weeds without harming surrounding beneficial plants.

The BRCG is thrilled to have been supported by Synergy Community Giving Fund. Their generous grant allows us to purchase Pottiputki planters and kidney bags, and plants for regrowth to support our work reducing the town risk of fire well into the future.

We are also in the running for funding to address the erosion in a gully in town that allows debris and town waste to flow into the river, carrying phosphorus with it. Phosphorus is one of the nutrients that feeds algae, so cutting it off at the source is one small step in reducing the triggers for the summer algal blooms that we all find offensive. It will not fix the problem on its own, and neither will any single idea, aeration devices included. It is a complex problem with several causes, including nutrients already stored in the river sediments, and it needs careful, evidence-based, step-by-step work as best we can with the resources at our disposal.

We also acknowledge with gratitude the organisers of the Odd Vim Do festival, who donate their Containers for Change refunds to us, and the team members who clear the collection container at Apex Park. These funds remain our most reliable income.

Keep an eye on our Facebook group at this QR code, or read more on our website: www.beverleyrivercare.org.au where you can join up, make a tax deductible donation, check our extensive online library.

For more info email: hello@beverleyrivercare.org.au or phone Tim on 0412 747 757

Beverley Early Years Network

"Working collaboratively to facilitate local opportunities, for 0 – 5yr old children and their families to connect, learn and thrive in our community".

Teddy's Bear Picnic

Taking place at our local Beverley Station Arts Centre, we had at our Teddy Bear Picnic!

A huge thank you to everyone who came along and joined in the fun. It was so lovely to see so many smiling faces enjoying the morning.

We had painting and crafts, made adorable bear faces using pine cones and beads, played toss the ball through the bear's belly and more.

We also read a story about the Three Stinky Bears before setting off on our very own Bear Hunt! We travelled through long, wavy grass, straw, mud, a snowstorm and water before finally discovering a bear hiding in a cave! What a sensory filled adventure!

A special thank you to Jaime for organising the event and putting together all the wonderful activities. Your time and effort are what made this event possible.

Thank you again to everyone who joined us. We loved sharing a fun-filled morning with you all!

Our next Storytime and Rhyme Time session is on 9 November and we can't wait to see lots of familiar and new smiling faces there!

And to all our school-aged kids, we hope you have a safe, happy and wonderful Term 4!

Storytime & Rhymetime .

Another great time with stories to our young ones. Being school holidays, it was fantastic to see great turn outs.

Love to see children develop the joy of listening to stories!

Don't forget to join us in our next one.

Toileting Tots Workshop .

We hosted a Toileting Workshop presented by UpLyft, designed to provide families with practical information, guidance and support around toilet training.

This workshop gives parents the knowledge and confidence to begin toilet training successfully.

Learn how to recognise readiness, set up the toilet area, encourage comfortable sitting, manage accidents calmly, use rewards, and navigate night training and common challenges.

Relaxed, practical and informative, the workshop also provided plenty of opportunities to ask questions and share experiences.

Can you help each bird find their way back home?

Upcoming event at
Conerstone Building, Beverley
Starts 9.30am

Story and Rhyme Time: 9 November 2026
Simultaneous Story Time: 23 November 2026

Sunday, 22 nd November 3.00 p.m. Christ the King - Eucharist

St Andrew's Church, Greenhills

Sunday, 22d November 10.30 a.m. Feast of St Andrew - Eucharist

St Paul's Edward's Crossing

Sunday, 1 st November 3.00 p.m. All Saint's Day – Eucharist

All Saints' Day

On Sunday, 1 st November at 3.00 p.m.
All Saints' Day will be celebrated at St Paul's Church, Edward's Crossing.
Following the service, attendees will adjourn to a local hotel for a meal.

Change of Service times: As of October, 2026 the normal time for services at St Mary's Church, Beverley on the 1 st and 3 rd Sundays will be 9.30 a.m.

Absence of the Priest-in-Charge: Our local priest, the Rev'd Canon Dr Philip Raymont will be on leave from Monday, 2 nd November to Friday, 6 th November.

Services of Thanksgiving; Remembrance: the service on Sunday, 8 th November at 10.30 a.m. will give thanks for the lives of the Faithful Departed (All Souls' Day) and those killed in war (Remembrance Day) as we look forward with anticipation and thankfulness for the fruits of the forthcoming harvest (Lammastide).

St Hilda's Day: will be celebrated at 6.00 p.m. on Tuesday, 17 th November at Holy Trinity Church, York.

Christ the King: This celebration represents the last Sunday of the Christian Calendar with a service at St John in the Wilderness, The Dale at 3.00 p.m. and a "bring and share" afternoon tea to follow.

St Andrew's Day – The Patronal Festival of St Andrew's Church, Greenhills, will be celebrated at 10.30

a.m. on Sunday, 22 nd November. Following the service, attendees will adjourn to the White Gum Farm for a meal.

Fifth Sunday: All local parishes along with Northam will combine for worship at the regular Fifth Sunday of the Month service; this time at Holy Trinity Church, York with a "bring and share" meal to follow.

Beverley DHS Yr 10 – 50th Reunion

Roll Call: Craig Edwards and Lisa, Diane Colbrook, Mr Dick Hunter, Janet McArtney (Smith), Janine Ayres (Wansborough) and Colin, Jennie Knox-Robinson (Swan), Kath Cole (Laughton) & Gary, Malcolm (Mac) Dyson, Malcolm Turner, Mrs Maureen Callander and Ruth, Michael Kramer and Ally, Robyn Winfield and Steven McNamara. A special mention to Mr David Kernutt, who unfortunately became ill at the last minute and was unable to join us. Also Kerry Smart (Fleay) couldn't come last minute too. You were both sadly missed along with many other classmates who couldn't come as holidaying, work or family commitments.

Who would have thought that 50 years after leaving Year 10, we'd be back together again, sharing memories, laughter and plenty of hugs!

For our 50th reunion, we returned to the CWA Hall, just as we did for our 40th. It was always a wonderful place for our socials, and the CWA ladies certainly did not disappoint with two beautiful lunches with sandwiches, savoury pastries, scones and sponges, and that's exactly what we got. Delicious! Thankyou ladies!

The kitchen was undergoing renovations, with those narrow, low benches finally on their way out. There was only one outside toilet working, which became unisex for the day. This brought back a particularly funny memory for some of us girls, who remembered that behind that very toilet was where we had our first kisses.

Thankfully, the weather was much warmer than for our 40th, making it perfect for all the kissing, cuddling, joking and catching up before we headed across to the lesser and main halls.

Town Halls - A trip down memory lane - The main hall hasn't changed much at all. Apart from the kitchen in the lesser hall, which has been pretty well upgraded, much of it remains as we remember it. We laughed about when we were younger sneaking up the stairs peering through the square holes where the projector used to show the films. We reminisced about ballet recitals, playing badminton and learning ballroom dancing there, in later years weddings and 21st. So many memories packed into one building!

The School - Next, we headed around to the School. It hadn't changed a great deal in the last 10 years, but of course, it was quite different from the school we remembered 50 years ago. The big question was: Where on earth is our time capsule? With only two trees as possible clues, we've enlisted Colin to bring his metal detector to our next reunion in five years. Hopefully, we'll finally solve that mystery!

Swimming Pool - Remembering those swimming pool days with Craig Edwards along, whose father was the pool manager from Year 1 through to Year 6, we headed over to the pool for another trip down memory lane.

Oh, the memories! Chico Rolls, Love Heart ice creams, straw potato chips, freezing-cold water and scorching-hot cement. We remembered lying on that hot cement until we ended up with little square patterns indented into our bodies! And, of course, those occasions when our bathers fell off in the water!

The town kids certainly had more opportunities to visit the pool than those of us who lived on farms, so there were plenty of stories to share.

The Dead Finish Museum

Our next stop was the Dead Finish Museum, where many photographs brought back memories of our families and the people who shaped our early years.

One particularly special find was a wedding album containing lots of photographs of our parents on their wedding days. What a wonderful connection to our family histories!

Top Pub - Hotel Beverley - By then, it was well and truly time to head to the Top Pub for dinner, drinks and more reminiscing. Everyone thoroughly enjoyed the evening, although being around 65 now, we were generally ready to head back to our respective abodes by about 8 pm!

After dinner, some of us walked across to the old pre-primary school, where we bumped into local Rodney Boyle. Once we mentioned our three local family names — Smith, Wansborough and Swan, Rodney was able to rattle off the connections between them and other local families. It turned into a fascinating little history lesson!

Sunday breakfast and farewells - The next morning, we all gathered for breakfast at the Red Vault as Edwards, Coles and Winfield had been at the Caravan Park in units or own van. Ayres, McArtney and Knox-Robinson had been at the BnB near the golf club and McNamara and Turner at Malcolms place. Some were then heading home for the three-or four-hour drive, while others were staying on for another night or two.

It was a wonderful weekend filled with friendship, laughter, family history and memories that took us right back to our school days. Fifty years! Where has that time gone?

A huge thank you to everyone who travelled back to Beverley and helped make our reunion so special. It was lovely to reconnect, hear everyone's stories and discover that, although a lot has changed, some things never do. Roll on the 55th reunion in 2031 — and hopefully, Colin's metal detector will finally uncover the mystery of that time capsule!

Fifty years of memories, friendships and Beverley stories, and still plenty more to come!

Planning the next reunion for 2031 with consultation with Corinne Fordschmidt (Ford) who lives in Europe.

Till next time in 5 years

Janet McArtney (nee Smith – Chocolate Hills)
Albany WA

Charles Goodridge

Remembering Charles Goodridge

When 17-year-old Charles Goodridge arrived in Perth from England, he had little more than ambition and determination to start a new life. His brother Stan, who should have been there to greet him, was instead away at sea. Charlie, as everyone called him, was on his own!

Never one to shy away from a challenge, Charlie worked hard, eventually earning a place at Claremont Teachers College. His first teaching appointment took him to Beverley in the 1950s, where he quickly earned a reputation as a dedicated and much-respected teacher at the Beverley Junior High School.

But life wasn't all chalk and blackboards. Blessed with a cheerful disposition, an outgoing personality and a genuine interest in people, Charlie threw himself into country life. He joined the Junior Farmers' Club, made lifelong friends and, most importantly, met a local girl named Patricia Sims. Beverley had given him rather more than his first teaching job. It also gave him his future wife. He moved to Perth where he continued teaching, furthering his education with a Phd in the USA in 1975.

Charles's wife Patricia (Nee Sims) passed away in 2025. Charles is survived by his 2 sons Michael and Daniel.

Vale Charlie. 91 years, a life well lived and many friendships made along the way.

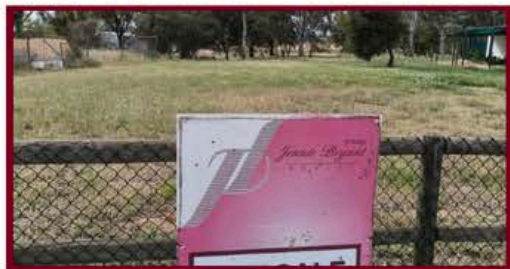

THIS MONTH'S FEATURE PROPERTY

162 Vincent Street BEVERLEY 6304

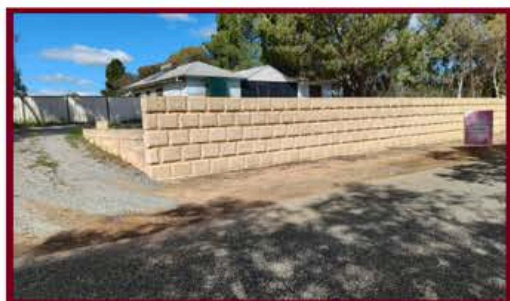

FROM \$649,000

164 Vincent Street BEVERLEY 6304

FROM \$189,000

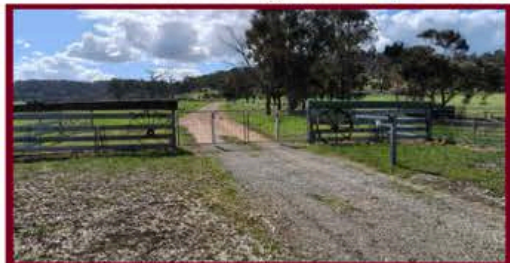

If what you are looking for is a lightly treed, half acre (2056 sqm) vacant lot within a short stroll of the welcoming town of Beverley - here it is!

124 Lukin Street BEVERLEY 6304

FROM \$459,000

Great location, 4,047sqm opposite the Avon River on east side of bridge. Currently tenanted.

1268 Morbinning Road MORBINNING

\$799,000

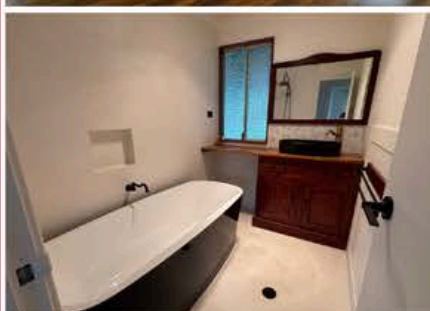

Peace and quiet on this vast 56ha property, 16kms from town with a 3 x 1 cottage including wrap around verandahs to enjoy the views!

33 Forrest Street BEVERLEY 6304

\$119,500

From this 728sqm lot you'll be able to walk to the Avon River! Create a dual residence - one for you and one to ease the rental crisis.

Fantastic Flexibility!

What this freshly renovated home could provide for you:- a space for the whole family to call their own.

FOR THE ADULTS - Master suite, formal dining and living rooms and a dream kitchen for the family chef with new appliances: two ovens, dishwasher, loads of storage and bench space.

KIDS DOMAIN includes 3 bedrooms, 2 with BIRs, luxury bathroom -- a bath deep enough to soak in after a day out in the great outdoors plus their own retreat which includes kitchenette, a space to study or relax.

An enormous "whole of family" enclosed patio with wood fire - fantastic for entertaining or just "making a noise".

OUTSIDE AREA - 2056sqm trees to climb, run with the dog, room for a pool or a cricket pitch, half court tennis or add a Granny Flat.

HEY DAD - build your great big shed, there's heaps of room to park all the extras: Teenagers' cars, a boat, trailer and more.

AND WHAT A SMART INVESTMENT!...

Subdivisible Land at the rear, assured asset growth or just receive a high rental income stream, with rents predicted to rise. 162 Vincent Street will be a home for all seasons!

Beverley's only local resident real estate agent!

Better Mobile Coverage

A CALL TO THE BEVERLEY COMMUNITY

My name is Jenny O'Brien (nee de Groot). My mum, Christine (Chris), loved being part of the Beverley community and taught me the importance of paying it forward.

Mum passed away in May this year. In her memory, I want to help improve the mobile coverage she often struggled with. My family has also experienced insufficient coverage on roads around Beverley. I have contacted the Telecommunications Industry Ombudsman and encourage community members experiencing faulty or insufficient coverage to lodge their own complaints. Together, we can draw attention to the need for better coverage and availability. I have been advised that other community members can quote my complaint reference numbers when lodging their own complaints about mobile coverage around Beverley, to highlight the shared concerns.

Beverley Weight Watchers

Want to take control of your health in a supportive, friendly environment?

Join the Beverley Weight Watchers group – a small, welcoming group of local ladies who meet each Monday morning for a relaxed weigh-in and social catch-up.

For just \$3 per week, you can enjoy a cup of tea or coffee, connect with others, and stay motivated on your journey. There's no pressure or judgement – just encouragement, even for the smallest wins.

- 📍 Where: Beverley CRC
- 🕒 When: Mondays at 9:30am

Come along, meet the group, and take that first step – sometimes even the smallest change can make all the difference.

Take the opportunity to join in gentle activity aimed at general fitness and falls prevention.

A BENZ IN BEVERLEY

THIS OLD CAR HAS A CONNECTION WITH BEVERLEY'S EARLY DAYS OF MOTORING

The car was one of two imported into WA by Mr de Lisle of Beverley. There is a road in his name just south of the town. Some time later Dr House of Katanning bought the car, he having married de Lisle's sister after his first wife died. The car saw service around Katanning until about 1910 when it was sold to Robert Warren, who farmed East of Katanning at Badgebup. Having solid rubber tyres and very basic steering, the car was almost unman-ageable on those unformed roads east of Katanning, so after a few years Bob pensioned the car off and it became the power unit for his chaffcutter, having a flat belt pulley on the engine.

In 1929, the year of WA's Centenary, Bob donated the Benz to the RAC as an example of early motoring. Unfortunately the RAC didn't have much respect for this veteran and left it out in front of their offices in Perth where in no time all the brass work was stolen and the upholstery rotted in the weather. Later it was saved and stored in the Perth Museum, where someone tried to make some restoration using chipboard for the front panel. Following the establishment of the Motor Museum, which only happened because a lot of enthusiasts put pressure on the government of the day, the car finally found a home. It now resides in the York Motor Museum. So there it is, a bit of motoring history with connections to the town of Beverley.

The following article is from the West Australian of Thursday September 8, 1932, on page 4. It is the article referred to in RWA Warren's letter, which follows.

THIRTY YEARS AGO.

Memories of an old car.

Thirty years ago to within a few weeks the township of Beverley was agog with ex-citement at the prospect of possessing a motor car, a remarkable honour held by no other town in Western Australia save Perth. The entire population had gathered around the great packing case recently unloaded from Albany from a magnificent White Star liner of some 12,000 tons and brought in a roundabout way by the railway of the day to Beverley. The ends of the case were knocked out revealing a buggy like vehicle carry-ing an engine and driving contraptions in the shape of many belts and chains. The en-gine was primed. A rear trapdoor was opened and with an old glove carried for that specific purpose the flywheel was spun and the single cylinder engine spluttered into life. Speechless astonishment spread to cheering as Beverley's first car was driven out of the crate and continued to make a triumphant tour of the township. The most envied man that day was the driver, Mr Arthur Spalding, now well known as the proprietor of Spalding Motors, Ltd., in King Street. After many vicissitudes which included years of service as the motive power for a chaffcutter on a Katanning farm, the old pioneer is again an object of interest as it stands in the lobby of the Theatre Royal drawing attention to the claims of the "Motor Ray" in the Cancer appeal. But now the march of mechanics has changed it from an object of wonder to that rather pathetic heading, "a link with the past." Said a young onlooker yesterday, "Fancy Grandmother riding in that."

The remark was probably far from being fact for in these days of motoring for the masses it seems incredible that thirty years ago in this State the average person had as much chance of riding in a motor car as the present day person has of journeying in an airship.

Trials of early Motoring.

The car's link with this State practically commenced in 1902 when Mr de Lisle drove the Benz car to one of the few garages then extant in England. Repair work was done so ably by Mr Spalding, then a very young mechanic, that Mr de Lisle, an Englishman who had just inherited the Seaton Ross property at Beverley, asked Mr Spalding to re-turn with him to Australia. Together they toured 4,000 miles throughout England, reaching their destination under their own power about as many times as the other oc-casions on which teams of horses had to be requisitioned.

Even in those days, cars were scarce on English roads and coach drivers of the period joy-fully aired their wit upon the early car travellers as their vehicles coughed slowly up hills. Changing gear was such a delicate operation and the leather belts were so liable to slip that the surmounting of a hill was always problematic. A sprag held up by a cord was at the rear of the car and if the engine stopped on a hill it was dropped to save running back-wards. Although it was no joke then Mr Spalding laughingly recollected that when the drive belt started slipping on a hill the passenger would often have to walk behind sprinkling resin on the leather belt until it gripped. The tyres being of solid rubber did not add punctures to the many discomforts experienced by early motorists. However, Mr Spalding remembered one incident when the tyre came off and the wheel had to be sent to London for a new fitting. On that occasion the travellers were forced to "cool their heels" until the wheel returned.

Mechanism of the Car.

The engine of the Benz, said Mr Spalding, was of the single cylinder horizontal type, re-sembling a gas engine. The engine was at the rear end and to clean the spark plug meant removing the seat and floorboards of the vehicle. The power was transmitted by a wide pulley on the crank and a belt leading to a fixed and loose pulley on the gear box shaft. The gear box was in front and chains went from there to the drive wheels. The hand brake worked directly on to the tyres. The steering wheel and gear lever came up verti-cally in the centre of the car. To change gear it was necessary to press down a pedal which changed the belt to a loose pulley.

A BENZ IN BEVERLEY

Then a strong spring sent the belt back on to the fixed pulley of the desired gear. The carburettor was of the surface variety which relied purely on evaporation. In those days petrol could be bought for about 9d. (nine pence) a gallon. It was much more refined than the present day product which in Mr Spalding's opinion would not have driven one of the old type carburettors.

The Benz car was not used extensively after its arrival in Western Australia. Mr de Lisle bought a De Dion car which was more powerful, less troublesome and which had the added attraction of pneumatic tyres. However, the Benz was used for many emergencies. It would travel at a steady 24 miles per hour on a flat road but any acceleration caused a tremendous vibration. The De Dion car proved well worth the high price paid in those days (the Benz cost in the vicinity of £800). It frequently negotiated the rough road between Beverley and Perth. On one historic occasion Mr Spalding recollected that Mr de Lisle farewelled a passenger on the train to York from the Perth railway station and then, setting out by road, staggering his friend by being on the York station when the train at last pulled in after having travelled through the Northam district.

Below, Bob Warren driving the car. There is some conjecture as to the age of the car, as it may be from 1899 or 1900. Below it is a genuine factory Benz of 1900. Note the similarities, being the upright steering tiller but with a different wheel, the front cowling and the general layout of the body. However, the wheels and mudguards are different and lights were fitted. It's quite possible that the engine and running gear on de Lisle's Benz were from the Benz factory but the body and wheels were built elsewhere, possibly on the Island of Jersey in the English Channel.

The 4½ h.p. Benz (1900); first prize
in the 1,000 miles trial

BEVERLEY BOWLING & CROQUET CLUB

BOWLS

Men

Saturday 3rd October the Club's Men's Pairs sponsored by Beverley Transport were held in perfect conditions for bowls with 8 teams competing.

Peter Fleay & Stuart Murray won the Championship defeating David Britza & Brad Copping

Jeff Murray & Jeff Hoey won the plate defeating Geoff Bremner & Lew Shaw

Many thanks to Garry & Sarah Miller of Beverley Transport for their continued sponsorship of the Beverley Bowling Men's Pairs.

Pennant Matches – Home Games - November

Saturday 7th Beverley Blue play Northam
Saturday 21st Beverley Blue play Goomalling
 Beverley White play Northam
Saturday 28th Beverley White play Toodyay

Ladies

Results of AVBL Pennant Matches – October

Tuesday 6th Beverley 1 lost to by York 3
Tuesday 13th Beverley 0 lost to Toodyay 4

Beverley Gala Day

This was held on Thursday 8th October on a rain affected day. Players didn't let the conditions dampen their spirits nor the competitiveness amongst the 12 teams of 4 who'd travelled from Northam (2); Goomalling (2); Dalkeith (2); York; Dowerin; Bolgart; Brookton & Mundaring to enjoy the day.

Winning team on the day was Brookton
G. Ayre; V. Cliff; T. Shepherd & F. Allington

Many thanks to our sponsors:

Purslow Tinetti; Belhus Merino Stud; Hutton Northey Sales; Avon Valley Toyota; Beverley B&B; Avon Waste; Boekeman Machinery & Lavendale Country Retreat.

All of whom assisted in making our Gala Day successful

Pennant Matches –Home games November

Tuesday 24th Beverley play Northam Blue

Friday evening bowls

Anyone wishing to have a game of bowls on a Friday evening from 5pm are more than welcome at the club. Bowls can be supplied if needed.

2027 COMMITTEE

On the 16th October we held our AGM and are pleased to announce our new committee!

President - Brendan McLean
Vice President - Robbie Wansbrough
Treasurer - Sarah Aynsley
Secretary - *position vacant*

General committee:

Dan Wilkinson	Cam Price
Andrew Shaw	Kodie Fleay
Taylor Shaw	Aaron Smith
Jennifer Murray	Sarah Walters
Blake O'Meagher	Scott Thompson
Ashton Hagboom	

We thank outgoing president Blake O'Meagher for his three years of dedicated leadership and for the support he has provided to the committee throughout his tenure.

CLUB NEWS

LIFE MEMBERSHIP - JUSTIN MANN

At our AGM we proudly awarded life membership to Justin Mann, a true Beverley Redback great. Bluey's impact on our club is enormous! With 298 club games (including 275 league games) and multiple premierships, captaincy years, Landmark Carnival representation, and four Spring Dell Medals, his on-field record speaks for itself. Off the field, Justin has given over a decade of service in key leadership roles, including President, Vice President, Secretary, and long-term committee member. His dedication, fairness, courage, and humility have set the standard for what it means to be a Redback. A 300+ league game player, respected across the association, and an incredible club person through and through — few have contributed more. Congratulations, Bluey. A truly deserving life member of the Beverley Redbacks.

POSITIONS FOR 2027

COACHING

Expressions of interest are now open for our 2027 **netball**, **reserves** and **league** coaching positions! We're looking for enthusiastic leaders who can help guide and develop our players, create a positive team environment, assist with player recruitment and be an active part of our club. If you're passionate about your sport and are ready to help shape the 2027 season, we'd love to hear from you!

SECRETARY

We need a secretary on our volunteer committee for the 2027 season. No experience necessary, come and enjoy the benefits of belonging to this great club!

CANTEEN MANAGER

We are seeking a reliable and organised canteen manager for next season. The paid role involves ordering and managing canteen stock, coordinating canteen volunteers and ensuring everything runs smoothly on game days. If you're organised, enjoy working with people and would like to be part of our club, we'd love to hear from you!

If you are interested in any of these roles contact us via:

Email: beverleyfootballclub@gmail.com

Message or call Brendan McLean 0428 464 011

Message us on our socials

BEVERLEY REDBACKS HOCKEY CLUB

EXPRESSION OF INTEREST – 2027

BEVERLEY REDBACKS MEN'S HOCKEY

TEAM

The Beverley Redbacks Hockey Club is exploring entering a Men's Hockey Team for 2027 and is seeking community interest.

Whether you're a current or former player, or keen to try hockey, we'd love to hear from you. All ages and skill levels are welcome.

A men's team would give local players the opportunity to return to hockey, try something new and represent Beverley.

We're gathering expressions of interest to assess numbers and support. We'd also welcome coaches, managers and volunteers.

No firm commitment is needed yet! If you're considering playing, please get in touch.

Please email the club:

beverleyhockey@live.com.au

Your interest could help make a Men's Redbacks team a reality!

2027 ANNUAL GENERAL MEETING

February 2027 – Date, time and venue TBC!

The Beverley Redbacks Hockey Club welcomes new faces and fresh ideas for the 2027 season!

With the exciting possibility of introducing a Men's Hockey Team in 2027, we'd particularly love to welcome men onto our committee to help support this exciting new chapter for the club!

All positions will be declared vacant at the AGM, and nominations are encouraged. No experience necessary – just a willingness to help!

COMMITTEE POSITIONS

- President
- Secretary
- Treasurer
- Junior Coordinator
- Social Media & Communications Coordinator
- General Committee Members

Whether you're a player, parent or supporter, we'd love to have you on board!

Many hands make light work! Further AGM details to come.

JUNIOR & HOTSHOTS COACHING

Our Junior Coaching sessions have started with the fantastic Mr O!

Also underway, our little Hot Shots are full of enthusiasm in their coaching sessions with Chantelle Meade and Tilly de Silva!

Both of these coaching sessions are made possible through the ongoing partnership between Tennis West and Healthway in promoting Fuel to go and play. Thank you to our amazing coaches!

2026 D'ARCY SLATER & FOUNDATION CUP

Good luck to our Beverley Juniors representing Central Districts Zone in Bunbury - Claire Bailey, Zara Copping, Ashlyn Higgins, Jagger Higgins, Alec Murray, Pippa Murray, Hamish Penny, Sienna Shaw, Zac Smith, Phoebe Smith, Cooper Vandenberg and Jordan Vandenberg.

2026 Netball Season COMES TO AN END

Another successful netball season has come to a close, with players, supporters and committee members coming together to celebrate a year of hard work, teamwork and achievement.

The girls showed incredible determination and commitment throughout the season, both on and off the court, giving our club plenty to be proud of.

Award Winners

Several players were recognised for their efforts at the end-of-season windup:

Most Consistent	- Jo Copping
Fairest and Best	- Jo Copping
Runner-Up Fairest and Best	- Kasey Ashworth
Best Dressed	- Heidi Hutchings

Thank You to Our Sponsors

The club also extends its thanks to sponsors **Avon Trading** and **Hannafords** for their valued support throughout the season.

**AVON
TRADING**

Hannafords

There was plenty of fun at the season windup, with the Seniors embracing a Schoolies dress-up theme, while the FastFive players arrived dressed as Tinkerbell, Strawberry Shortcake and Cindy Lou Who.

New Committee

The club also welcomed its new committee for the coming season :

President	- Jo Copping
Vice President	- Heidi Hutchings
Secretary	- Sam Mearns
Treasurer	- Kerryanne Doyle
Recorder	- Rebecca Buglass
Publicity Officer	- Kasey Ashworth
Committee	- Gemma Ugle, Mikayla Eades and Linda Lewis.

A Special Thank You

A special thank you is extended to **Jen Petchell** in recognition of her many years of dedication and commitment to the club.

Thank You

The club would also like to thank everyone who contributed throughout the year, including the committee, players, supporters and those who cheered from the sidelines.

With another memorable season complete, the club now looks forward to an even bigger year ahead, with plenty more netball, laughs and memories to come.
