Do you need a pneumonia vaccine?
Are you eligible for the free vaccine?
Available Now

Protect yourself against shingles.
Free vaccine for people between the ages of 70 – 79.

We welcome new patients

Fees and billing arrangements:

All fees are charged at the Doctors discretion, our practice Bulk bills.
The Beverley Medical Practice is a Private practice and therefore accounts are to be settled at the time of consultation by cash.
You must present your Medicare card, Pension and other Concession cards at every appointment.

Appointments

Consultation is by appointment only, to arrange an appointment please Phone **9646 1241**.
Urgent cases and emergencies will be given priority and our reception staff will attempt to contact you if there are any unforeseen delays.
Longer consultation times are available for insurance medicals, pap smears, counselling or the review of complex health issues, please advise the receptionist when making the appointment if you expect it to take some time.

If you need a referral letter, repeat prescriptions, PATS forms, unfit for work certificate or insurance claim forms you must book an appointment.

Telephone contact

You can contact the doctors by telephone during normal surgery hours. If the doctor is with a patient, a message will be taken and you will be advised as to when it is expected the Doctor will return your call, obviously urgent or emergency calls will be put through immediately.

Home and other visits

Home visits are available, within a 15km radius, for regular patients of this practice whose condition prevents them from attending the surgery.

😊😊 Patient feedback 😊😊

We appreciate any feedback positive or otherwise as this helps us to help you. We have a suggestion box located in the front foyer. Occasionally we invite patients to complete a confidential questionnaire.

If you have any complaints please let us know in writing. It is our sincere hope that any complaints can be handled within the practice and at a local level. If you prefer to make your concerns known outside the surgery you can contact the-

Health and Disability Services Complaints Office PO Box B61, PERTH WA 6838

OUR PRACTICE

The Beverley Medical Practice is a privately operated, Shire assisted Community Medical Practice. Our staff are experienced and highly qualified in their chosen fields of expertise.

We are AGPAL accredited which means we have been reviewed at the highest RACGP standards.

We are committed to promoting, health, wellbeing and disease prevention to all patients; we do not discriminate in the provision of excellent care and aim to treat all patients with dignity and respect. The Philosophy of this Practice is to provide comprehensive and thoughtful medical care to all our patients. We work hard to keep up to date with the latest medical innovations and bring you efficient personal service.

It is the policy of this practice to maintain privacy and security of personal health information at all times. This practice will not disclose your personal health information to third parties unless we have your consent or you are at risk of harm without treatment and you are unable to provide consent.

As our practice is committed to preventative care your doctor will seek your permission to be included on our recall system. We may issue you with a recall notice from time to time offering you health services appropriate to your care. **If you do not wish to be part of this system please let your doctor or the receptionist know**

Patients please be aware that the Beverley Medical Practice is **not** affiliated with the Vines Medical Practice nor its owner operators.

Care outside normal opening hours

When the Beverley Medical Practice is closed you can always get medical attention by calling the **Afterhours GP on 1800 025523** or by attending the **Beverley District Hospital, located in Sewell Street Beverley** where experienced staff will triage the patient and contact the on-call Doctor.

For all emergencies call 000.
