

Shire of Beverley Local Government Election

JOHN MAXWELL

0400 146 253

hotelbeverley@gmail.com

I came to Beverley in June 2009 having purchased the Top Pub. I soon realised how fortunate I became in choosing the Beverley Hotel amongst the many options I had, finding myself living in an amazing town with a friendly and caring community.

Prior to coming to Beverley as a country Postal Manager I was regularly transferred around Western Australia. In the various communities I lived in I was always actively involved in committees providing input to community and sporting organisations.

Now that I am retired I am hoping to become one of your councillors providing input into decisions that affect our lives on a day to day basis and into the future. This is no small job but I will have the time to make informed decisions with input I receive from the community. My priority will be to maintain what we already have here in Beverley allowing for progress.

I look forward to performing this role in the community making ours a better place to live. As a Councillor I will be approachable to take the views, of the community into consideration in the decision making process.
