

Legend

1. Re-surfacing and line marking of Vincent Street between Great Southern Highway and the Avon River with red asphalt
2. Streetscape arrangement of parking and garden beds development to find a balance between hard and softscape and allow room for the establishment of significant street trees along the entire length of Vincent Street
3. On grade pedestrian crossing points (Wombat crossings) with refuge in the centre aligned with the planted median strip
4. Upgraded pedestrian pavement and streetscape furniture palette with new seating, bike racks and rubbish bins
5. Old School Building Town Square event space (Refer to concept design)
6. Feature tree planting (Refer to tree planting plan and species selection)
7. Alfresco dining areas and seating amenity at pavement level with shade planting and seating
8. Offstreet parking created and sealed
9. Broken planted centre median 1.5m wide along the length of Vincent street to break up hard surface and slow traffic down
10. Streetscape arrangement of 2.7m wide parking bays, 3.5m wide road surface

Vincent Street Streetscape
