COMMENT

Tender RFT 04/2425 was advertised in The West Australian newspaper on Saturday 10th August 2024 in accordance with correct procurement and tender practices.

Five tenders were received for the works presenting prices as per the below table. After review by the Chief Executive Officer, Project Officer and Manager of Works, all Tenderers met the criteria and scope of works as presented.

Tender Received	Tendered Amount
Advanteering Civil	\$1,394,292.65 ex GST
DCL Contracting	\$1,579,610.08 ex GST
Proform Civil	\$1,591,259.00 ex GST
Fulcher Contracting	\$1,673,782.00 ex GST
Stabilised Pavements of Australia	\$2,180,668.84 ex GST

Only one Tenderer came in within our budget provision, this was Advanteering Civil.

Advanteering Civil meet the scope of works and criteria in the Tender and have carried out a large number of bridge replacement and road construction projects. Advanteering Civil have recently completed three bridge replacements for Main

Roads WA between York and Northam. The sub-contractors used by Advanteering Civil are contractors we have engaged on previous projects and would happily use again.

STATUTORY ENVIRONMENT

Local Government Act 1995:

3.57 Tenders for providing goods or services

- (1) A local government is required to invite tenders before it enters into a contract of a prescribed kind under which another person is to supply goods or services.
- (2) Regulations may make provision about tenders.

Local Government Act (Functions and General) Regulations 1996,
Division 2 — Tenders for providing goods or services (s. 3.57):

- (1) Tenders are to be publicly invited according to the requirements of this Division before a local government enters into a contract for another person to supply goods or services if the consideration under the contract is, or is expected to be, more, or worth more, than \$250 000 unless subregulation (2) states otherwise.
- (2) Tenders do not have to be publicly invited according to the requirements of this Division if —
 - (a) the supply of the goods or services is to be obtained from expenditure authorised in an emergency under section 6.8(1)(c) of the Act; or
 - (aa) the supply of the goods or services is associated with a state of emergency or a COVID-19 declaration; or
 - (b) the supply of the goods or services is to be obtained through the WALGA Preferred Supplier Program; or

20. Variation of requirements before entry into contract

- (1) If, after it has invited tenders for the supply of goods or services and chosen a successful tenderer but before it has entered into a contract for the supply of the goods or services required, the local government wishes to make a minor variation in the goods or services required, it may, without again inviting tenders, enter into a contract with the chosen tenderer for the supply of the varied requirement subject to such variations in the tender as may be agreed with the tenderer.
- (2) If —
 - (a) the chosen tenderer is unable or unwilling to enter into a contract to supply the varied requirement; or
 - (b) the local government and the chosen tenderer cannot agree on any other variation to be included in the contract as a result of the varied requirement,

that tenderer ceases to be the chosen tenderer and the local government may, instead of again inviting tenders, choose the tenderer, if any, whose

tender the local government considered it would be the next most advantageous to it to accept.

(3) In subregulation (1) —

minor variation means a variation that the local government is satisfied is minor having regard to the total goods or services that tenderers were invited to supply.

21A. Varying a contract for the supply of goods or services

If a local government has entered into a contract for the supply of goods or services with a successful tenderer, the contract must not be varied unless —

- (a) the variation is necessary in order for the goods or services to be supplied and does not change the scope of the contract; or
- (b) the variation is a renewal or extension of the term of the contract as described in regulation 11(2)(j), (ja) or (jb).

9.1 Development Application – Outbuilding (Storage Shed) – 35 Great Southern Highway

Submission To:	Ordinary Council Meeting 25 September 2024
Report Date:	16 September 2024
Applicant:	Paul Higgins
File Reference:	GRE 1471
Author and Position:	Stefan de Beer, Manager of Planning
Previously Before Council:	-
Disclosure(s) Of Interest:	None
Attachments:	Application Letter, Locality Map, Site Map, Plans

SUMMARY

An application has been received to construct a Colorbond Outbuilding (Storage Shed) at 35 (Lot 123) Great Southern Highway. The application will be recommended for approval.

BACKGROUND

The subject site is located at 35 (Lot 123) Great Southern Highway, is 1.3 Ha in extent and zoned *Rural Residential 2* in terms of the Shire of Beverley Local Planning Scheme No. 3 (LPS 3). It contains a newly constructed single house.

The proposal is to construct a Colorbond Outbuilding (Storage Shed) in extent 12 m x 20 m = 240 m².

The proposal for the storage shed requires departure from the Shire's Outbuilding Policy on the following matters:

- In terms of the Shire's Outbuilding Policy (Policy), the maximum wall height of any outbuilding on a property in this zone is to be 3.0 m, whereas the wall height of the new shed is proposed to be 4.5 m;
- The maximum roof height required by the Policy is 4 m. As a result of the proposed increased wall height the proposed roof height is expected to be approx. 4.2 m;
- The maximum area of an outbuilding in this zone is 150 m² as per the Policy. The proposed Outbuilding will be 240 m².

The applicant provided the justification for the increased Outbuilding size in the attached application letter.

COMMENT

When considering the proposed departure beyond the requirements as per *Table 5 – General Site Requirements* in LPS 3, Shire planner is of the opinion that the following aspects of the development should be taken into consideration:

The specific siting of the Outbuilding on the property;

The mitigating effects of proposed landscaping to the bulk of the building;

The general character of the immediate area;

The size of the subject property.

It is the opinion that the proposed siting of the Outbuilding at the subject property is such that it will not have any negative visual impact on the surrounding area. The existing and proposed landscaping and position of the single house will effectively screen the development from the road so as to mitigate any perceived negative visual impact that the proposed development might have. It is considered that the proposed development will be in pace with the character of the area.

No negative overshadowing from the Shed Building Bulk is anticipated onto neighbouring properties.

Given the above site specific considerations and the size of the property it is not anticipated that the granting of Planning Approval for this application will create an undesirable precedent.

Proposed shed located at Lot 123 Great Southern Highway Beverley

We are applying for planning permission to build a 12metre x 20metre shed to house protect and secure our collection of vintage and classic vehicles we have collected over the years.

We restore and show these cars at events around the state.

We need the shed to be this size as we currently have 8 vintage and classic vehicles and a new tractor and these all need secure and weatherproof shelter.

The shed also needs to accommodate our four post car hoist so we can repair and improve on these old cars.

The shed would only be used for personal use.

We are looking fowards to your favorable response and please do not hesitate to contact us for more information.

Yours sincerely

9.2 Development Application – Front and Side Fencing – 99 Vincent Street

Submission To:	Ordinary Council Meeting 25 September 2024

SUMMARY

An application has been received to construct steel garrison-type front fencing and side and rear fencing at 99 (Lot 115) Vincent Street. The application will be recommended for approval.

BACKGROUND

The subject site is located at 99 (Lot 115) Vincent Street, is 1,214 sq.m in extent and zoned *Rural Townsite* pursuant to *Shire of Beverley Local Planning Scheme No. 3* (LPS 3). The existing development on site is the Category 2 Local Heritage Survey Listed 1898 Former Council Chambers, presently being used as a dwelling. Approval for this was granted circa 1977.

The proposal is to construct steel garrison-type front fencing and side and rear Colorbond fencing at the subject site as per the submitted drawings.

The Applicant submitted the attached justification for the proposal.

COMMENT

The proposal to construct steel garrison type front fencing and side and rear Colorbond fencing to the lot is supported as it is deemed to complement the heritage value of the place. The front fencing will be visually permeable which would enable passers-by to still appreciate the unique façade. It is not considered that the proposal will detract from the streetscape value of the place.

The proposed fencing is also considered to resolve issues of privacy and security as have been known to be issues for the applicant.

Description and justification of proposed fencing at 99 Vincent Street, Beverley, 6304

27th August 2024

Dear Beverley Council,

I am applying to erect fences to the front, side and rear boundaries of 99 Vincent Street as shown on figure 1.

Considering the local heritage status of the building, the front fence is proposed as a 1.8m high garrison/spear-tip type black-painted metal fence, pedestrian gate and vehicle gate on the driveway, as shown in the associated documents. A return of this fencing will also be extended for 5m on the east side boundary to align with the start of the building. This defines the front area of the property, allowing the visual aspect of the building to be maintained from the street and will be accompanied by decorative detail in the fence posts (Fig. 2).

The east side boundary of 99 Vincent Street currently stops part-way down the garden, leaving the boundary between 99 Vincent Street and the Court House open. Starting from the return of the front fencing we propose to erect 1.8m grey colorbond fence to complete the existing garden fence. Similarly, we propose erecting a 1.8m grey colorbond fence to replace the broken wire and metal post fence along the rear boundary with the community gardens.

This fencing would ensure that my family can enjoy the garden and property safely, as my children are 2, 5 and 7 years old, and without fencing they can run out onto the road at any time. Further to this, the whole property is currently accessible to the public and people have been walking through the garden, coming up to look through the windows and sitting in our front paved area. The fencing will also provide security at night, which is a consideration due to the proximity to the road and high street parking.

We are looking forward to settling in Beverley and thank you for considering this application.

Kind regards,

Mary and Keith Hanson

9.3 Relinquishment of Management Order – Reserve 2026

SUMMARY

Council is requested to formally resolve to relinquish the Management Order over Reserve 2026.

BACKGROUND

Shire Planner made the following submission during the June 2024 Council Briefing Forum:

Information was received that illegal asbestos dumping took place on this reserve. The Reserve had been under Management Order in favour of the Shire since circa 1892 – see attached locality map and Reserve Report. The Shire is in the process of obtaining quotes to clean up the Reserve.

Seeing that the Shire does not get any benefit from having a Management Order over the Reserve, the proposal to Council is to extinguish the Management Order and hand the Reserve back to the Crown. With Council's agreement this process will be commenced with immediately.

Subsequent to Council informally agreeing to the above process to commence, a formal request to effect such was submitted online to the *Department of Planning, Lands and Heritage* (DPLH).

Following the latter, the DPLH is now requesting the Shire to submit Statutory Declarations regarding possible site contamination, as well as a formal Council Resolution requesting relinquishment of the relevant Management Order.

COMMENT

To progress the application to relinquish the Management Order over Reserve 2026 a formal Council Resolution is required.

SUMMARY

Council to consider accepting the financial report for the period ending 31 August 2024.

BACKGROUND

There is a statutory requirement that the Local Government is to prepare, each month, a statement of financial activity reporting on sources and applications of its funds and to present the statement to Council.

Council adopted a budget variance reporting parameter of 10% on budgeted items of \$10,000 or greater at the July 2024 Ordinary Meeting, item 11.3.

- Financial Activity Statement by Nature;
- Statement of Net Current Assets;
- Statement of Financial Position; and
- Investment of Surplus Funds Report.

STATUTORY ENVIRONMENT

Section 6.4(1) of the *Local Government Act* provides that a local government is to prepare an annual financial report for the preceding financial year and such other financial reports as are prescribed.

Regulation 34 of the *Local Government (Financial Management) Regulations* requires a Statement of Financial Activity to be prepared each month which is to contain the following details:

- (a) annual budget estimates;
- (b) budget estimates to the end of the month;
- (c) actual amount of expenditure and revenue;
- (d) material variances between comparable amounts in (b) and (c) above; and
- (e) the net current assets at the end of the month to which the statement relates (i.e. surplus / (deficit) position).

The Statement is to be accompanied by:

- (a) explanation of the composition of net current assets, less committed assets and restricted assets;

- (b) explanation of the material variances; and
- (c) such other information considered relevant by the local government.

FINANCIAL IMPLICATIONS

All revenue and expenditure, unless disclosed in the notes to material variances, are as per the 2024/25 Budget.

POLICY IMPLICATIONS

AF004 – Investing Surplus Funds

RISK IMPLICATIONS

It is a requirement of the *Local Government (Financial Management) Regulations 1996* that a Statement of Financial Activity is prepared within two months of the end of the reporting period. This report mitigates the risk of non-compliance.

11.3 Memorial Toilets and Moort Wabiny Park CCTV Upgrade

Submission To:	Ordinary Council Meeting 25 September 2024
Report Date:	13 September 2024

File Reference:	ADM 0483

SUMMARY

Council to consider the replacement of CCTV at the Memorial Toilets and Moort Wabiny Park.

BACKGROUND

Council have a 2024/25 budget allocation of \$20,000.00 for the replacement CCTV at the Memorial Toilets and Moort Wabiny Park. Originally the CCTV replacement quote for the 24/25 budget was like for like however it has since become apparent that a better system is required that enables staff and other agencies to access the footage remotely and quickly. The current viewing capabilities are time-consuming and inadequate. Unfortunately, this is a significantly higher cost, now quoted at \$38,238.94 ex GST.

COMMENT

The Commercial in Confidence quote is attached under separate cover for Councils consideration.

The quote is to replace seventeen cameras on the toilet block and skatepark wholly. This will include a harden switch at the toilet block, that would then connect back to the cornerstone and direct into the Alta Aware systems. This will allow the Beverley Police to directly view any required footage under our Memorandum of Understanding without having to use Shire Staff time to do so.

Council have two options to consider; allow the increase in expenditure and replace the CCTV; or return the \$20,000.00 to reserves and make an adequate budget allocation in 2025/26.

Option 1 – That Council noting the unbudgeted expenditure approve the purchase and installation or the replacement CCTV for a cost of \$38,238.94 ex GST as quoted by Redfish Technologies.

Option 2 – That Council do not replace the Memorial Park CCTV in 2024/25 and return the \$20,000.00 budget allocation to the Infrastructure Reserve.

The officer is recommending option 1.

STATUTORY ENVIRONMENT

The *Local Government Act 1995* allows the following in regards to unbudgeted expenditure:

6.8. Expenditure from municipal fund not included in annual budget

(1) A local government is not to incur expenditure from its municipal fund for an additional purpose except where the expenditure —

(a) is incurred in a financial year before the adoption of the annual budget by the local government; or

(b) is authorised in advance by resolution*; or

(c) is authorised in advance by the mayor or president in an emergency.

* Absolute majority required.

(1a) In subsection (1) — additional purpose means a purpose for which no expenditure estimate is included in the local government's annual budget.

(2) Where expenditure has been incurred by a local government —

(a) pursuant to subsection (1)(a), it is to be included in the annual budget for that financial year; and

(b) pursuant to subsection (1)(c), it is to be reported to the next ordinary meeting of the council.

SUMMARY

Council to consider a sponsorship application for a Tretathlon and Equathon Event held by the Beverley Horse and Pony Club on 26 and 27 October 2024.

BACKGROUND

On occasion Council support community events by way of sponsorship or contribution. The sponsorship is budgeted with the clubs or community groups requesting the sponsorship prior to the adoption of the annual budget.

COMMENT

The following was received from Beverley Horse and Pony Club on 9 September:

Dear Steve,

Beverley Horse and Pony Club are hosting our fundraising Tetrathlon and Equathon to be held at the Beverley Equestrian Grounds on the 26th and 27th of October 2024.

Tetrathlon is a four-phase event. Competitors must swim, run, shoot a laser pistol and ride a cross country course on horse-back. We will be using the facilities in Beverley for all our phases of the competition. The Equathon is a modified version of Tetrathlon which encourages younger riders, first ridden or lead-line, to be involved and take part in the event and consists of the run, swim and horse-riding phases. Running this event in Beverley attracts riders from across WA, who then support our local community and promote our beautiful town.

Our small club is seeking your support to run our Tetrathlon and Equathon by way of sponsorship opportunities. Your company/personal name can be added to our tetrathlon program, event flyer and social media platforms that we use to advertise our event. We also offer cross country jump sponsorship, please see the pledge form attached. In the past the Shire has sponsored our club \$1000 towards this event.

Funds raised will go towards event prizes & upgrading our cross-country course and equipment to ensure our club riders have access to safe and approved resources in a small country club.

Please feel free to contact me if you require any further information.

Thank you in anticipation of your support.

Regards

Amanda Farr

Beverley Horse & Pony Club

Level 2 Silver - \$500

Level 3 Bronze - \$250

Level 4 Other - \$

The sponsorship pledge form is attached. Council have on occasion, sponsored this event in the past. There is no 2024/25 budget allocation for this event.

2.2 WALGA Advocacy Positions for Local Government Elections

Submission To:	Ordinary Council Meeting 25 September 2024
Report Date:	16 September 2024
Applicant:	Administration
File Reference:	ADM 0240
Author and Position:	Simon Marshall, Acting Chief Executive Officer
Previously Before Council:	No
Disclosure(s) Of Interest:	Nil
Attachments:	Nil

SUMMARY

Council to consider WALGA's current and alternative advocacy positions in relation to the Local Government Elections.

BACKGROUND

The *Local Government Amendment Act 2023* introduced a range of electoral reforms that came into effect prior to the 2023 Local Government ordinary elections:

- the introduction of Optional Preferential Voting (OPV);
- extending the election period to account for delays in postal services;
- changes to the publication of information about candidates;
- backfilling provisions for extraordinary vacancies after the 2023 election;
- public election of the Mayor or President for larger Local Governments;
- abolishing wards for smaller Local Governments; and
- aligning the size of councils with the size of populations of each Local Government (change to representation)

Following requests from several Zone's, WALGA undertook a comprehensive review and analysis of 5 ordinary election cycles up to and including the 2023 Local Government election against the backdrop of these legislative reforms. The review and report focused on postal elections conducted exclusively by the Western Australian Electoral Commission (WAEC), with the analysis finding evidence of the rising cost and a reduction in service of conducting Local Government elections in Western Australia.

The Shire of Beverly participated in the above review. Of note, was that the elections held 2015, 2017, 2019 and 2021 were in-person with an average voter turnout of 270 people and at an average cost of \$2365. The postal election held in 2023 turned out 669 votes but cost \$18,000.00, this was due to the introduction of the OPV which required the purchase of WAEC's program to count the votes. It was felt that if the Shire could run its own postal voting with first past the post, we could increase voter turnout at a fraction of the WAEC cost.

COMMENT

The Elections Analysis Review and Report was presented to State Council 4 September 2024, with State Council supporting a review of WALGA's Local Government Elections Advocacy Positions.

WALGA is requesting Councils consider the current and alternative Elections Advocacy Positions and provide a response back to WALGA for the December 2024 State Council meeting.

WALGA State Council current advocacy positions:

The following is a summary of WALGA's current Advocacy Positions in relation to Local Government Elections:

2.5.15 ELECTIONS

Position Statement

The Local Government sector supports:

1. Four year terms with a two year spill
2. Greater participation in Local Government elections
3. The option to hold elections through:
 - Online voting
 - Postal voting, and
 - In-person voting
4. Voting at Local Government elections to be voluntary
5. The first past the post method of counting votes

The Local Government sector opposes the introduction of preferential voting, however if 'first past the post' voting is not retained then optional preferential voting is preferred.

Background

The first past the post (FPTP) method is simple, allows an expression of the electorate's wishes and does not encourage tickets and alliances to be formed to allocate preferences.

2.5.18 CONDUCT OF POSTAL ELECTIONS

Position Statement	The <i>Local Government Act 1995</i> should be amended to allow the Australian Electoral Commission (AEC) and any other third party provider including Local Governments to conduct postal elections.
Background	Currently, the WAEC has a legislatively enshrined monopoly on the conduct of postal elections that has not been tested by the market.
State Resolution	Council May 2023 – 452.2/2023 March 2019 – 06.3/2019 December 2017 – 121.6/2017 March 2012 – 24.2/2012

WALGA has requested the following advocacy positions be considered by Councils:

1. PARTICIPATION

- (a) The sector continues to support voluntary voting at Local Government elections.
OR
- (b) The sector supports compulsory voting at Local Governments elections.

2. TERMS OF OFFICE

- (a) The sector continues to support four-year terms with a two year spill; OR
- (b) The sector supports four-year terms on an all in/all out basis.

3. VOTING METHODS

- (a) The sector supports First Past the Post (FPTP) as the preferred voting method for general elections. If Optional Preferential Voting (OPV) remains as the primary method of voting, the sector supports the removal of the 'proportional' part of the voting method for general elections; OR
- (b) The sector supports Optional Preferential Voting (OPV) as the preferred voting method for general elections.

4. INTERNAL ELECTIONS

- (a) The sector supports First Past the Post (FPTP) as the preferred voting method for all internal elections. OR
- (b) The sector supports Optional Preferential Voting (OPV) as the preferred voting method for all internal elections.

5. VOTING ACCESSIBILITY

The sector supports the option to hold general elections through:

- (a) Electronic voting; and/or

- (b) Postal voting; and/or
- (c) In-Person voting.

6. METHOD OF ELECTION OF MAYOR

The sector supports:

- (a) As per the current legislation with no change – Class 1 and 2 local governments directly elect the Mayor or President (election by electors method), with regulations preventing a change in this method.
- (b) Return to previous legislated provisions – all classes of local governments can decide, by absolute majority, the method for electing their Mayor or President.
- (c) Apply current provisions to all Bands of Local Governments – apply the election by electors method to all classes of local governments.

SUMMARY

Council to adopt any changes made through the annual review of the Shire of Beverley Policy Manual.

BACKGROUND

Council are required to complete an annual review of the Policy Manual. The Policy Manual was last reviewed in December 2023.

COMMENT

The following changes are requested to be considered and are in **red** on the page listed:

Policy Title	Page	Policy No.	Suggested Changes
Purchasing and Procurement	13	AF007	• Change Works Supervisor to Manager of Works. • Increase Manager of Works authority to \$150,000.00 • Increase all other authorisations to \$4,500.00.
Beverley Blarney	84	C016	• Change the finalisation and printing from two nights to three nights.
Corporate Uniform, Dress Code and Hygiene at Work	140	S004	• Consideration of the cost of shoes for administration staff to be included in the uniform allowance - refer to full wording.

REASONING

AF007 Purchasing and Procurement – Staff continually needing to have the CEO or Deputy CEO issue the purchase order due to the general increase in goods and services. Will improve efficiencies.

C016 Beverley Blarney – the new printers have a better quality but the production is slower than the previous printer and an extra night is required.

S004 Corporate Uniform – to assist administration staff with cost of living expenses. Other Shires such as York have added this to their uniform policy. The shoes are

expected to be of a corporate or work nature. Outside staff are provided working boots for their various positions.

ADOPTED POLICY	
Title:	RATES RECOVERY
Objective:	To collect all rates, annual charges and user charges due to Council in an efficient and effective manner. This policy is also to ensure that ratepayers who do not meet their obligations to Council will be treated in a fair and consistent manner by providing firm guidelines for the Rates Officer to follow.

Policy

Council authorises the Chief Executive Officer to make arrangements with ratepayers to clear debts and further Council authorises the Chief Executive Officer to take appropriate action to recover overdue Rates and Charges, ensuring the most cost effective method is used.

There will be no general distinction made for pensioners or any class of ratepayer, with each case being individually dealt with according to the circumstances. Council is aware that at different times ratepayers may experience genuine hardship in meeting rate payments and upon application suitable arrangements for the payment of rates will be considered.

The Shire of Beverley levies rates on an annual basis, with some exceptions. In accordance with legislation the ratepayer is given a minimum of 35 days, from the date of issue, to pay their rates. After this date, if an instalment option has not been chosen, rates are considered overdue and in arrears. Arrears are subject to a penalty interest, calculated daily.

- Where rates remain outstanding 14 days after the due date shown on the Rate Notice and the ratepayer has NOT elected to pay by the 4-instalment option, an Overdue Notice shall be issued requesting full payment within 7 days.
- Where rates still remain outstanding after the 7 days, a Final Notice shall be issued requesting immediate payment.
- Rates remaining unpaid after the expiry date on the Final Notice will be examined for the purpose of issuing a Notice of Intention to Summons.
- Where a payment still remains outstanding, despite the issue of a Notice of Summons, and the ratepayer has not entered into a payment arrangement a Claim (Summons) will be issued for recovery, provided the debt is greater than \$1,000.

- Where a Claim has been issued and remains unsatisfied, action will be taken to pursue that Claim by a Collection agency to secure payment of the debt.
- Following the issue of a Claim and addition of legal costs, a reasonable offer to discharge a rate account will not be refused.
- 'Payments by Special Arrangement' instalments will be calculated so that the minimum repayment will clear, or substantially reduce, the balance owing by the end of the current financial year, with a minimum repayment of \$50/week. A new arrangement must be entered into each financial year.
- Failure to adhere to a payment arrangement that has been put in place will result in legal action for recovery of unpaid rates and charges.
- Legal proceedings will continue until payment of rates imposed is secured. This includes the issue of a Property Seizure and Sale Order (PSSO) against goods and land if necessary.
- If a Property Seizure and Sale Order (PSSO) against land is proposed, to collect outstanding rates due, on a property where the **owner resides**, approval of Council shall be obtained before the PSSO is lodged.
- PSSO's against land will be used to collect outstanding amounts in respect to investment properties without a requirement that these be referred to Council.
- In cases where the owner of a leased or rented property, on which rates are outstanding, cannot be located, or refuses to settle rates owed, notice will be served on the lessee or tenant under the provisions of section 6.60 of the Local Government Act 1995, requiring the lessee or tenant to pay to Council the rent due under the lease/tenancy agreement as it becomes due, until the amount in arrears has been fully paid.
- Where the owner is registered for a pensioner rebate on rates and ESL (where the deferment option may be available) or where the owner is registered for a seniors rebate (25% & no deferment option); debt recovery may proceed for the collection of unpaid charges which are not subject to a rebate or deferment (eg: rubbish collection charges).
- Where a Rates and Charges debt remains outstanding for 3 years and legal proceedings have not been successful, Council will, under section 6.64 of the *Local Government Act 1995*:
 - Take possession of the land;
 - Lease the Land;
 - Transfer the land to the Crown; or
 - Sell the land.

ADOPTED POLICY	
Title:	PURCHASING AND PROCUREMENT
Objective:	To ensure consistency for all purchasing activities that occur within all the Shire of Beverley operational areas and to provide compliance with the Local Government Act 1995 and the Local Government (Functions and General) Regulations 1996.

Policy

INTENT

The intent of this policy is to provide clear direction to staff when carrying out purchasing of goods and services for the Shire of Beverley and to ensure that purchasing is undertaken in an efficient, effective, economical and sustainable manner that provides transparency and accountability of the procurement process. This policy:

- Provides the Shire of Beverley with an effective way of purchasing goods and services.
- Ensures that purchasing transactions are carried out in a fair and equitable manner.
- Strengthens integrity and confidence in the purchasing system.
- Ensures that the Shire of Beverley receives value for money in its purchasing.
- Provides for the Shire of Beverley to consider the environmental impact of the procurement process across the life cycle of goods and services.
- Ensures the Shire of Beverley is compliant with all regulatory obligations.
- Promotes effective governance and definition of roles and responsibilities.
- Apply purchasing practices that withstands probity.

ETHICS AND INTEGRITY

All officers and employees of the Shire of Beverley shall observe the highest standards of ethics and integrity in undertaking purchasing activity and act in an honest and professional manner that supports the good standing of the Shire of Beverley.

The following principles, standards and behaviours must be observed and enforced through all stages of the purchasing process to ensure the fair and equitable treatment of all parties;

- Full accountability shall be taken for all purchasing decisions and the efficient, effective and proper expenditure of public monies based on achieving value for money;
- All purchasing practices shall comply with relevant legislation, regulations, and requirements consistent with the Shire of Beverley policies and code of conduct;
- Purchasing is to be undertaken on a competitive basis in which all potential suppliers are treated impartially, honestly and consistently;

- All processes, evaluations and decisions shall be transparent, free from bias and documented in accordance with applicable policies and audit requirements;
- Any actual or perceived conflicts of interest are to be identified, disclosed and appropriately managed; and
- Any information provided to the Shire of Beverley by a supplier shall be treated as commercial-in-confidence and should not be released unless authorised by the supplier or relevant legislation.

VALUE FOR MONEY

Value for money is an overarching principle governing purchasing that allows the best possible outcome to be achieved for the Shire of Beverley. It is important to note that compliance with the specification is more important than obtaining the lowest price, particularly taking into account user requirements, quality standards, sustainability, life cycle costing, and service benchmarks

An assessment of the best value for money outcome for any purchasing should consider:

- All relevant whole-of-life costs and benefits whole of life cycle costs (for goods) and whole of contract life costs (for services) including transaction costs associated with acquisition, delivery, distribution, as well as other costs such as but not limited to holding costs, consumables, deployment, maintenance and disposal.
- The technical merits of the goods or services being offered in terms of compliance with specifications, contractual terms and conditions and any relevant methods of assuring quality;
- Financial viability and capacity to supply without risk of default. (Competency of the prospective suppliers in terms of managerial and technical capabilities and compliance history); and
- Competition in the allocation of orders or the awarding of contracts. This is achieved by obtaining a sufficient number of competitive quotations wherever practicable.

Where a higher priced conforming offer is recommended, there should be demonstrable benefits over and above the lowest total priced, conforming offer.

SUSTAINABLE PROCUREMENT

Sustainable Procurement is defined as the procurement of goods and services that have less environmental and social impacts than competing products and services.

The Shire of Beverley is committed to sustainable procurement and where appropriate shall endeavour to design quotations and tenders to provide an advantage to goods, services and/or processes that minimise environmental and negative social impacts. Sustainable considerations must be balanced against value for money outcomes in accordance with any Shire of Beverley sustainability objectives.

PURCHASING THRESHOLD

Where the value of procurement (excluding GST) for the value of the contract over the full contract period (including options to extend) is, or is expected to be:

Amount of Purchase	Requirements
Up to \$5,000	Direct purchase from supplier at purchaser(s) discretion.
\$5,001 - \$29,999	One written quote.
\$30,000 - \$49,999	Obtain at least two written quotations.
\$50,000 - \$249,999	Obtain at least three written quotations containing price and specification of goods and services (with procurement decision based on all value for money considerations).
\$250,000 and above	Conduct a public tender process.

Where it is considered beneficial, tenders may be called in lieu of seeking quotations for purchases under the \$250,000 threshold (excluding GST). If a decision is made to seek public tenders for Contracts of less than \$250,000, a Request for Tender process that entails all the procedures for tendering outlined in this policy must be followed in full.

The Chief Executive Officer may, where it is not possible to obtain the minimum quotations or in any other justifiable circumstances, waive the need to seek the required number of quotations prior to undertaking a purchase.

All parties providing quotations are to be notified if they are unsuccessful (note successful parties will be notified formally by issue of a purchase order).

The Shire of Beverley will compile and maintain a preferred list of suppliers if the Chief Executive Officer believes it is warranted. Only one quote, unless considered prudent to seek more, is required for prospective purchases made from a supplier listed on the Shire's preferred list of suppliers.

Up to \$5,000

Where the value of procurement of goods or services does not exceed \$5,000, direct purchase from the supplier may be made. However, it is recommended to use discretion and occasionally undertake market testing with a greater number or more formal forms of quotation to ensure best value is maintained.

This purchasing method is suitable where the purchase is relatively small and low risk.

Record keeping requirements must be maintained in accordance with record keeping policies.

\$5,001 to \$29,999

This category is for the procurement of goods or services where the value of such procurement ranges between \$5,001 and \$29,999.

A (one) written quotation is required.

The general principles for obtaining written quotations are:

- Ensure that the requirement/specification is clearly understood by the Shire of Beverley employee seeking the quotations;
- Ensure that the requirement is clearly, accurately and consistently communicated to each of the suppliers being invited to quote;

Record keeping requirements must be maintained in accordance with record keeping policies.

\$30,000 to \$49,999

For the procurement of goods or services where the value exceeds \$30,000 but is less than or equal to \$49,999, it is required to obtain at least two written quotes (commonly a sufficient number of quotes would be sought according to the type and nature of purchase).

The responsible officer is expected to demonstrate due diligence seeking quotes and to comply with any record keeping and audit requirements.

Record keeping requirements must be maintained in accordance with record keeping policies.

NOTES: The general principles relating to written quotations are:

- An appropriately detailed specification should communicate requirement(s) in a clear, concise and logical fashion.
- Invitations to quote should be issued simultaneously to ensure that all parties receive an equal opportunity to respond.
- Offer to all prospective suppliers at the same time any new information that is likely to change the requirements.
- Responses should be assessed for compliance, then value for money and all evaluations documented.
- Respondents should be advised as soon as possible after the final determination is made and approved.

\$50,000 to \$249,999

For the procurement of goods or services where the value exceeds \$50,000 but is less than or equal to \$249,999, it is required to obtain at least three written quotations containing price and a sufficient amount of information relating to the specification of goods and services being purchased.

For this procurement range, the selection should not be based on price alone, and it is recommended to consider some of the qualitative factors such as quality, stock availability, accreditation, time for completion or delivery,

warranty conditions, technology, maintenance requirements, organisation's capability, previous relevant experience and any other relevant factors as part of the assessment of the quote.

REGULATORY COMPLIANCE

Tender Exemption

In the following instances public tenders or quotation procedures are not required (regardless of the value of expenditure):

- An emergency situation as defined by the Local Government Act 1995;
- The purchase is under a contract of WALGA (Preferred Supplier Arrangements), Department of Treasury and Finance (permitted Common Use Arrangements), Regional Council, or another Local Government;
- The purchase is under auction which has been authorised by Council;
- The contract is for petrol, oil, or other liquid or gas used for internal combustion engines; or
- Any of the other exclusions under Regulation 11 of the Functions and General Regulations apply.

Sole Source of Supply (Monopoly Suppliers)

The procurement of goods and/or services available from only one private sector source of supply (i.e. manufacturer, supplier or agency) is permitted without the need to call competitive quotations provided that there must genuinely be only one source of supply. Every endeavour to find alternative sources must be made. Written confirmation of this must be kept on file for later audit.

Note: The application of provision "sole source of supply" should only occur in limited cases and procurement experience indicates that generally more than one supplier is able to provide the requirements.

Anti-Avoidance

The Shire of Beverley shall not enter two or more contracts of a similar nature for the purpose of splitting the value of the contracts to take the value of consideration below the level of \$250,000, thereby avoiding the need to publicly tender.

Tender Criteria

The Shire of Beverley shall, before tenders are publicly invited, determine in writing the criteria for deciding which tender should be accepted.

An evaluation panel shall be established prior to the advertising of a tender and include a mix of skills and experience relevant to the nature of the purchase.

Advertising Tenders

Tenders are to be advertised in a state-wide publication e.g. "The West Australian" newspaper, Local Government Tenders section, preferably on a Wednesday or Saturday.

The tender must remain open for at least 14 days after the date the tender is advertised.

The notice must include:

- a brief description of the goods or services required;
- information as to where and how tenders may be submitted;
- the date and time after which tenders cannot be submitted;
- particulars identifying a person from who more detailed information as to tendering may be obtained;

detailed information shall include:

- detailed specifications of the goods or services required;
- the criteria for deciding which (if any) tender should be accepted; and
- how tenders are to be submitted: by hand, post or other electronic means

Issuing Tender Documentation

Tenders will not be made available (counter, mail, internet, referral, or other means) without a robust process to ensure the recording of details of all parties who acquire the documentation.

This is essential as if clarifications, addendums or further communication is required prior to the close of tenders, all potential tenderers must have equal access to this information.

Tender Deadline

A tender that is not received in full in the required format by the advertised Tender Deadline shall be rejected.

Opening of Tenders

No tenders are to be removed from the tender box, or opened (read or evaluated) prior to the Tender Deadline.

Tenders are to be opened in the presence of the Chief Executive Officer's delegated nominee and preferably at least one other Council Officer. The details of all tenders received and opened shall be recorded in the Tenders Register.

Tenders are to be opened in accordance with the advertised time and place. There is no obligation to disclose or record tendered prices at the tender opening, and price information should be regarded as *commercial-in-confidence* to the Local Government. Members of the public are entitled to be present.

At least two Shire of Beverley Officers will be present at the opening of tenders. WALGA E-Quotes are an exception and can be opened by one officer.

No Tenders Received

Where the Shire of Beverley has invited tenders, however no compliant submissions have been received, direct purchases can be arranged on the basis of the following:

- a sufficient number of quotations are obtained;
- the process follows the guidelines for seeking quotations between \$50,000 and \$249,999 (listed above);
- the specification for goods and/or services remains unchanged; and
- purchasing is arranged within 6 months of the closing date of the lapsed tender.

Tender Evaluation

Tenders that have not been rejected shall be assessed by the Shire of Beverley by means of a written evaluation against the pre-determined criteria. The tender evaluation panel shall assess each tender that has not been rejected to determine which tender is most advantageous.

Addendum to Tender

If, after the tender has been publicly advertised, any changes, variations or adjustments to the tender document and/or the conditions of tender are required, the Shire of Beverley may vary the initial information by taking reasonable steps to give each person who has sought copies of the tender documents notice of the variation.

Minor Variation

If after the tender has been publicly advertised and a successful tenderer has been chosen but before the Shire of Beverley and tenderer have entered into a Contract, a minor variation may be made by the Shire of Beverley.

A minor variation will not alter the nature of the goods and/or services procured, nor will it materially alter the specification or structure provided for by the initial tender.

Notification of Outcome

Each tenderer shall be notified of the outcome of the tender following Council resolution. Notification shall include:

- The name of the successful tenderer.
- The total value of consideration of the winning offer.

The details and total value of consideration for the winning offer must also be entered into the Tenders Register at the conclusion of the tender process.

Records Management

All records associated with the tender process or a direct purchase process must be recorded and retained. For a tender process this includes:

- Tender documentation;
- Internal documentation;
- Evaluation documentation;
- Enquiry and response documentation;
- Notification and award documentation.

For a direct purchasing process this includes:

- Quotation documentation;
- Internal documentation;
- Order forms and requisitions.

Record retention shall be in accordance with the minimum requirements of the State Records Act, and the Shire of Beverley internal records management policy.

OFFICERS AUTHORITY TO PURCHASE

1. No person shall acquire any goods and/or services without first having issued an order form to the relevant provider.

(In the case where multiple purchases are made from local businesses, order forms shall be given to the supplier at least every month.)

2. Only those persons authorised to sign purchase orders shall be permitted to acquire goods and/or services.

General rules for application will include the following considerations.

Criteria –

An application for Charitable Rate Exemption status must be made in writing by completing a Request for Charitable Rate Exemption Form (Appendix A) and provide any supporting documentation according to the checklist on the application form.

The applicant applying for more than one property must submit a separate application for each property. This supports the principle that it is 'land use', not the applicant that is being assessed.

If the property is leased, a copy of the lease is required with the application.

Determination

Applicants will be notified in writing of the Council's decision, with correspondence to include details of:

The date the exemption applies from, the section of the LG Act applicable to the exemption, the review period (ie. 2 years); and the amount of general rates reversed.

Where exemption from rates is approved, the property will still be subject to the Emergency Services Levy and any other service charges (eg Rubbish collection charges, etc).

Objection

An objection should be made by the person named in the rate record as the owner of land or by the agent or attorney of the person. Where the property is leased, it should be by the leasee or by the agent or attorney of that person.

Where the application is refused, the applicant may object under s. 6.76 of the Local Government Act 1995, on the basis that the land or part of the land was not rateable land. The applicant has the right to appeal a decision made under s. 6.76 to the State Administrative Tribunal (SAT).

Reviews

All properties holding rate exemption status from rates will be subject to reviews at least every 2 years to ensure continued rating exemption.

Delegation of Authority

All properties holding rate exemption status applies. Council delegates authority to Chief Executive Officer to approve applications that meet all the eligibility criteria.

Roles and Responsibilities

The Chief Executive Officer shall be responsible for the application of delegations of authority in regards to the policy.

The Deputy Chief Executive Officer shall be responsible for referring matters to Council in regards to this policy.

The Finance Officer, shall be responsible for the review and monitoring of the operation of the policy and be responsible for the day to day operations of the policy.

(6) Land does not cease to be used exclusively for a purpose mentioned in subsection (2) merely because it is used occasionally for another purpose which is of a charitable, benevolent, religious or public nature.

1.13 Emergency Hardship Policy – Policy Suspended

ADOPTED POLICY	
Title:	EMERGENCY FINANCIAL HARDSHIP POLICY (POLICY SUSPENDED)
Objective:	To ensure that we offer fair, equitable, consistent and dignified support to ratepayers suffering hardship, while treating all members of the community with respect during a community emergency event (not personal emergency).

Objective

To give effect to our commitment to support the whole community to meet the unprecedented challenges arising from a community wide emergency, the Shire of Beverley recognises that these challenges will result in financial hardship for some.

This Policy is intended to ensure that we offer fair, equitable, consistent and dignified support to ratepayers suffering hardship, while treating all members of the community with respect and understanding at this difficult time.

Scope

This policy applies to:

1. Rates and service charges levied.

It is a reasonable community expectation, as we deal with the effects of the pandemic that those with the capacity to pay rates will continue to do so. For this reason the Policy is not intended to provide rate relief to ratepayers who are not able to evidence financial hardship and the statutory provisions of the *Local Government Act 1995* and *Local Government (Financial Management) Regulations 1996* will apply.

Statement

Payment difficulties, hardship and vulnerability***

Payment difficulties, or short term financial hardship, occur where a change in a person's circumstances result in an inability to pay a rates or service charge debt.

Financial hardship occurs where a person is unable to pay rates and service charges without affecting their ability to meet their basic living needs, or the basic living needs of their dependants.

The Shire of Beverley recognises the likelihood that an emergency will increase the occurrence of payment difficulties, financial hardship and vulnerability in our community. This policy is intended to

apply to all ratepayers experiencing financial hardship regardless of their status, be they a property owner, tenant, business owner etc.

Anticipated Financial Hardship due to an Emergency

We recognise that many ratepayers are already experiencing financial hardship due to an emergency. We respect and anticipate the probability that additional financial difficulties will arise when their rates are received.

We will write to ratepayers at the time their account falls into arrears, to advise them of the terms of this policy and encourage eligible ratepayers to apply for hardship consideration. Where possible and appropriate, we will also provide contact information for a recognised financial counsellor and/or other relevant support services.

Financial Hardship Criteria

While evidence of hardship will be required, we recognise that not all circumstances are alike. We will take a flexible approach to a range of individual circumstances including, but not limited to, the following situations arising from an emergency situation.

- Recent unemployment or under-employment
- Sickness or recovery from sickness
- Low income or loss of income
- Unanticipated circumstances such as caring for and supporting extended family

Ratepayers are encouraged to provide any information about their individual circumstances that may be relevant for assessment. This may include demonstrating a capacity to make some payment and where possible, entering into a payment proposal. We will consider all circumstances, applying the principles of fairness, integrity and confidentiality whilst complying our statutory responsibilities.

The Chief Executive Officer will have delegated authority (and in consultation with the Rates Officer) to determine whether a hardship case exists or not based on the supporting documents and evidence provided by the applicant.

Supporting documents include:

2 months of payslips showing decrease in hours/pay due to the emergency;

Letter from previous employer stating employment termination due to the emergency;

Statutory Declaration from a person who is being cared for as a result of the emergency;

Medical Certificate noting inability to work/reduction in work ability due to the emergency.

Payment Arrangements

Payment arrangements facilitated in accordance with Section 6.49 of the Act are of an agreed frequency and amount. These arrangements will consider the following:

- That a ratepayer has made genuine effort to meet rate and service charge obligations in the past;
- The payment arrangement will establish a known end date that is realistic and achievable;
- The ratepayer will be responsible for informing the Shire of Beverley of any change in circumstance that jeopardises the agreed payment schedule.

In the case of severe financial hardship, we reserve the right to consider waiving additional charges or interest (excluding the late payment interest applicable to the Emergency Services Levy).

Interest Charges

A ratepayer that meets the Financial Hardship Criteria and enters into a payment arrangement may request a suspension or waiver of interest charges. Applications will be assessed on a case by case basis.

Deferment of Rates

Deferment of rates may apply for ratepayers who have a Pensioner Card, State Concession Card or Seniors Card and Commonwealth Seniors Health Care Card registered on their property. The deferred rates balance:

- remains as a debt on the property until paid;
- becomes payable in full upon the passing of the pensioner or if the property is sold or if the pensioner ceases to reside in the property;
- may be paid at any time, BUT the concession will not apply when the rates debt is subsequently paid (deferral forfeits the right to any concession entitlement); and
- does not incur penalty interest charges.

Debt recovery

We will suspend our debt recovery processes whilst negotiating a suitable payment arrangement with a debtor. Where a debtor is unable to make payments in accordance with the agreed payment plan and the debtor advises us and makes an alternative plan before defaulting on the 3rd due payment, then we will continue to suspend debt recovery processes.

Where a ratepayer has not reasonably adhered to the agreed payment plan, then for any Rates and Service Charge debts that remain outstanding, we will offer the ratepayer one further opportunity of adhering to a payment plan that will clear the total debt by the end of the financial year.

Rates and service charge debts that remain outstanding at the end of the financial year, will then be subject to the rates debt recovery procedures prescribed in the *Local Government Act 1995*.

Review

We will establish a mechanism for review of decisions made under this policy, and advise the applicant of their right to seek review and the procedure to be followed.

Communication and Confidentiality

We will maintain confidential communications at all times and we undertake to communicate with a nominated support person or other third party at your request.

We will advise ratepayers of this policy and its application, when communicating in any format (i.e. verbal or written) with a ratepayer that has an outstanding rates or service charge debt.

We recognise that applicants for hardship consideration are experiencing additional stressors, and may have complex needs. We will provide additional time to respond to communication and will communicate in alternative formats where appropriate. We will ensure all communication with applicants is clear and respectful.

Summary

In summary Council delegate the Chief Executive Officer authorisation to:

1. consider offering, upon request, a waiving of interest on outstanding rates between emergency dates, where rates payment will be delayed for those businesses directly affected by Commonwealth and State Government's control measures;
2. consider offering, upon request, a waiving of interest on outstanding rates between emergency dates for those individuals that can demonstrate hardship due to the emergency;

ADOPTED POLICY	
Title:	REGIONAL PRICE PREFERENCE
Objective:	To promote and support local businesses and the community by giving preferential consideration to Regional Businesses and Regional Content when considering the provision of goods and services via tender and quotation.

Policy

Regional Business Preference

This preference enables businesses within the Prescribed Area to claim a price preference for their whole bid.

The preference will apply to all quotations of \$10,000 or greater, and all tenders invited by the Shire of Beverley.

To qualify as a Regional Business, a business must meet the following conditions:

1. A permanent office in the Prescribed Area for at least six (6) months prior to the closing date of tenders/quotations.
2. Permanent Staff based in the prescribed area.
3. The Regional Business is required to provide written evidence within the quotation/tender submission which demonstrates compliance with condition 1 and 2.

Regional Content Preference

This preference enables businesses not located within the Prescribed Area to claim a price preference for the goods and/or services purchased from within the Prescribed Area.

Note: Travel and accommodation costs associated with sending Staff/Sub Contractors from outside the Prescribed Area to work on a regional contract, are not considered regional content and are not eligible for the "Regional Content Preference".

The preference will apply to all quotations of a collective value of \$10,000 or greater, and all tenders invited by the Shire of Beverley. Businesses wishing to claim the Regional Content Preference are required to provide written evidence as described within the request for quotation/tender documentation. Businesses outside the Prescribed Area, who claim that they will use Regional Content in the delivery of the contract outcomes, will be required, as part of the contract conditions, to demonstrate that they have actually used them.

Price Preference

Preference will be given to a regional business by assessing their submission as if the price bids were reduced by:

- (a) 10% (up to a maximum price reduction of \$50,000) for goods and services; or
- (b) 5% (up to a maximum price reduction of \$50,000) for construction (building) services ; or
- (c) 10% (up to a maximum of \$500,000) for goods or services including construction (building), if Council is seeking tenders for the provision of those goods or services for the first time, due to those goods or services having been, until then, undertaken by Council.

Value for Money

Whilst price is a competitive consideration in the provision of goods and services via quotation and/or tender, it is only one aspect of the evaluation process. Value for Money principles, as described within AF007 Purchasing and Procurement will be employed by assessing the price component in conjunction with the quotation/tender selection criteria and requirements.

Prescribed Area

The Prescribed area is the Wheatbelt sub-region of Avon. The Avon area is the Shires of Beverley, Cunderdin, Dowerin, Goomalling, Northam, Quairading, Tammin, Toodyay and York.

Responsibilities

The Shire of Beverley, where practicable will:

1. Ensure that the application of a local price preference is clearly identified within the quote or tender documentation to which the preference is to be applied.
2. Operate this policy in conjunction with the Shire of Beverley Purchasing and Procurement Policy AF007 for tenders and quotations when evaluating and awarding contracts.

Legislation

Local Government (Function and General) Regulations 1996 Part 4A were amended to allow non-metropolitan local governments to offer a price preference to regional suppliers when deciding which Tender to accept. A price preference can only be applied if a local government authority has advertised and adopted a regional price preference policy.

Objective:	To comply with necessary obligations under the Public Interest Disclosure Act 2003.

Policy

Support for Staff who make Public Interest Disclosures

The Shire of Beverley does not tolerate corrupt or other improper conduct, including mismanagement of public resources, in the exercise of the public functions of the Shire of Beverley and its officers, employees and contractors.

The Shire of Beverley is committed to the aims and objectives of the *Public Interest Disclosure Act 2003*. It recognises the value and importance of contributions of staff to enhance administrative and management practices and strongly supports disclosures being made by staff as to corrupt or other improper conduct.

The Shire of Beverley will take all reasonable steps to provide protection to staff that make *such* disclosures from any detrimental action in reprisal for the making of a public interest disclosure.

The Shire of Beverley does not tolerate any of its officers, employees or contractors *engaging* in acts of victimisation or reprisal against those who make public interest disclosures.

These internal procedures provide for the manner in which the Shire of Beverley will comply with its obligations under the *Public Interest Disclosure Act 2003*.

They provide for the manner in which:

- disclosures of public interest information shall be made to the Public Interest Disclosure Officer (PID Officer).
- the PID Officer shall investigate the information disclosed, or cause that information to be investigated.
- the PID Officer may take action following the completion of the investigation.

The Public Interest Disclosure Act 2003 commenced operation on 1 July 2003. The object of the Act is to:

- facilitate the disclosure of public interest information;
- provide protection for those who make disclosures; and
- provide protection for those who are the subject of a disclosure.

This is achieved by:

- protecting the person making the disclosure from legal or other action;
- providing for the confidentiality of the identity of the person making the disclosure and a person who is the subject of a disclosure; and
- providing remedies for acts of reprisal and victimisation that occur substantially because the person has made a disclosure.

The rights and obligations created by the Act are described in Appendix 1 to these Procedures.

[Note for Public Authorities:

The text at Part I of these Guidelines should be reproduced as an Appendix to the Internal Procedures, for the information of PID Officers and staff and customers of the public authority]

Designation of Public Interest Disclosure (PID) Officer

The person from time to time holding or acting in the position of **Deputy Chief Executive Officer** is designated as the Public Interest Disclosure Officer, or PID Officer, of the Shire of Beverley. The PID Officer is responsible for receiving disclosures of public interest information relating to matters falling within the sphere of responsibility of the Shire of Beverley.

The contact details of the PID Officer are as follows:

A copy of the completed PID Officer's Declaration shall be retained on a file to be kept for that purpose.

The person holding or acting in the position of **Deputy Chief Executive Officer** at the commencement of these procedures shall forward a completed PID Officer's Declaration to the Office of the Public Sector Standards Commissioner as soon as is practicable. A copy of the completed PID Officer's Declaration shall be retained on a file to be kept for that purpose.

Corruption and Crime Commission

The Act also provides for the Corruption and Crime Commission to receive public interest disclosures of information relating to an offence under State law. Subsequent references in these procedures to the PID Officer shall be taken to include an employee or officer of the Commission who receives, on behalf of the Commission, information relating to an offence under State law.

Police

The Act also provides for any police officer to receive public interest disclosures of information relating to an offence under State law. Subsequent references in these procedures to the PID Officer shall be taken to include an officer who receives a public interest disclosure relating to an offence under State law.

Ombudsman

The Act also provides for the Ombudsman to receive public interest disclosures of information relating to matters of administration within the jurisdiction of the Ombudsman, and matters relating to most public officers. Subsequent references in these procedures to the PID Officer shall be taken to include an officer of the Ombudsman who receives, on behalf of the Ombudsman, information relating to these matters.

Auditor General

The Act also provides for the Auditor General to receive public interest disclosures of information relating to substantial unauthorised or irregular use of, or substantial mismanagement of, public resources. Subsequent references in these procedures to the PID Officer shall be taken to include a person appointed by the Auditor General who receives, on behalf of the Auditor General information relating to these matters.

Receiving Public Interest Disclosures**Advice to Disclosers**

Before a discloser makes a public interest disclosure to a PID Officer, the PID Officer shall advise the discloser of the following matters:

If they choose to make a public interest disclosure they will not as a result

- incur any civil or criminal liability.
- be liable to any disciplinary action under State law.
- be liable to be dismissed or have his or her services dispensed with or otherwise terminated.
- be liable for any breach of a duty of secrecy or confidentiality or any other applicable restriction on disclosure.

If they choose to make a public interest disclosure they may have the right to take civil proceedings if they are subject to detrimental action as a result of making the disclosure.

If they choose to make a public interest disclosure then their identity will not be disclosed except in accordance with the Act (disclosure of their identity may be required in the course of the investigation or in taking action in some circumstances).

If they choose to make a public interest disclosure then they will have the right to be informed of the progress and outcome of the investigation and action taken as a result.

If they choose to make a public interest disclosure:

- They are only protected if they believe on reasonable grounds that the information to be disclosed is or may be true;
- They will commit an offence, and lose the protection of the Act, if they know the information to be false or misleading in a material particular or are reckless about whether the information is false or misleading in a material particular.
- They will forfeit the protection given by the Act if they disclose the information otherwise than under the Act (ie if they provide the information to the media or a person who is not a proper authority).
- They will forfeit the protection given by the Act if they fail, without reasonable excuse, to assist a person investigating the matter to which the information relates, by supplying any information requested.

They may commit an offence if they disclose information that might identify or tend to identify anyone as a person in respect of whom a disclosure of public interest information has been made.

The disclosure will only be protected if the PID Officer is the proper authority for receiving that kind of information, as indicated in the following table:

Proper Authorities for Receiving Disclosures of Public Interest Information

When the disclosure relates to...	the proper authority is...
The sphere of responsibility of a public authority (eg matters about the public authority or its officers, or which the public authority has the function of investigating)	The Public Interest Disclosure Officer (PID Officer) of the Public Authority
Offences under State law.	A police officer or the Corruption and Crime Commission
Substantial unauthorised or irregular use of, or substantial mismanagement of, public resources	The PID Officer of the public authority concerned, or the Auditor General
Matters of administration affecting someone in their personal capacity falling within the jurisdiction of the Ombudsman	The PID Officer of the public authority concerned or the Ombudsman
A police officer	The Commissioner of Police or the Corruption and Crime Commission
A Member of the Legislative Council	The President of the Legislative Council
A Member of the Legislative Assembly	The Speaker of the Legislative Assembly
A judicial officer	The Chief Justice
A public officer who is not a member of Parliament, a Minister, a Judicial Officer or a Commissioned or other officer specified in schedule 1 of the Parliamentary Commissioner Act 1971	The PID Officer of the public authority concerned, the Ombudsman or the Commissioner for Public Sector Standards
A person or a matter of a prescribed class	A person declared by the regulations to be a proper authority

Important Note: In addition, the information disclosed must be public interest information as defined in the Act. Not all proper authorities to which a disclosure may be made will be required or have the power to investigate the information disclosed. In some cases it may be necessary for the discloser or information to be referred to another proper authority with power to investigate the information.

Assessing a Public Interest Disclosure

The PID Officer must, on receiving the information confirm that the discloser, after receiving the advice referred to in section 1, wishes to make a public interest disclosure under the Act. If they do the PID Officer must make an initial assessment of whether:

- the information disclosed relates to a public authority, a public officer or a public sector contractor.
- the information disclosed relates to the performance of a public function.
- the information disclosed tends to show improper conduct.
- the improper conduct is of the kind for which the PID Officer is the proper authority (see the table in section 1).
- the discloser believes on reasonable grounds that the information is or may be true.
- the information is not protected by legal professional privilege.

If the above questions are all answered "yes", then the disclosure of information is a public interest disclosure to which the Act will apply.

In assessing whether a disclosure is a public interest disclosure, the PID Officer should consider the *Flowchart for Receiving Disclosures* at Appendix 2, as well as complete Part 1 of the *Assessment Form Public Interest Disclosure* at Appendix 5.

Form of Public Interest Disclosure

If a disclosure is a public interest disclosure, the discloser and the PID Officer should complete the *Public Interest Disclosure Lodgement Form* (see FORMS). The PID Officer should also complete Part 2 of the *Assessment Form For Public Interest Disclosures* (see FORMS).

On completion of this form, the PID Officer should create a separate file for the Public Interest Disclosure, with the following text clearly marked on the front of the File.

“CONFIDENTIAL

The material in this file relates to a public interest disclosure made under the *Public Interest Disclosure Act 2003*

Disclosure of information that might identify or tend to identify either the discloser or a person in respect of whom the disclosure has been made is an offence, unless the disclosure occurs in accordance with the Act.

Penalty: \$24,000 or imprisonment for two years”

The making of the public interest disclosure should also be recorded in the Public Interest Disclosure Register, described in section J of these Procedures, for reporting to the Commissioner for Public Sector Standards.

F. Investigating a Public Interest Disclosure

1. Determining whether the matter must be investigated

After receiving a disclosure, the PID Officer must consider whether:

- the disclosure relates to the Shire of Beverley, its officers or contractors.
- the disclosure relates to a matter or person that Shire of Beverley has a function or power to investigate.

If the answer to both of these questions is “no”, the PID Officer is not required by the Act to investigate the matter.

Where the PID Officer considers that he or she lacks sufficient power to effectively investigate the matter, but the information received causes him or her to form the opinion that a public authority, public officer or public sector contractor may have engaged in improper conduct, the PID Officer should refer the matter to another appropriate investigative body. For example, an allegation of an offence supported by cogent evidence may need to be referred by a PID Officer to the Police for investigation.

The PID Officer must also consider whether:

- the matter is trivial.
- the disclosure is vexatious or frivolous.
- there is no reasonable prospect of obtaining sufficient evidence due to the time that has elapsed since the occurrence of the matter.
- the matter is being or has been adequately or properly investigated by another proper authority to which an appropriate disclosure of public interest information has been made under the Act.

If the answer to any of these questions is “yes”, the PID Officer is not required by the Act to investigate the matter.

The questions to be considered in the initial assessment by the PID Officer are indicated in the *Flowchart for Investigating Information Disclosed* at Appendix 3, and Part 1 of the *Assessment Form for Public Interest Disclosures* (see FORMS) should be completed.

In assessing whether a public interest disclosure should be investigated, a PID Officer should consider the *Flowchart for Investigating Information Disclosed* (Appendix 3) and complete Part 3 of the *Assessment Form for Public Interest Disclosures* (see FORMS).

2. Investigating information received in a Public Interest Disclosure

Where the PID Officer determines that the disclosure is a public interest disclosure that should be investigated, the officer must investigate the disclosed matter himself or herself or engage another person to carry out the investigation.

In conducting an investigation, typical procedures could include:

- Drawing up terms of reference, which should clarify the key issues identified by the disclosure.
- Specifying a date by which the investigation should be completed.
- Ensuring the objectives of the investigation include collecting and collating information relating to the disclosure, considering the information collected and drawing conclusions objectively and impartially.
- Maintaining procedural fairness for the person who is the subject of the disclosure.
- Giving information to the person who is the subject of a disclosure about their rights and obligations under the Act, the Code of Conduct and Integrity, any agency code of conduct, and the law.
- The investigator making contemporaneous notes of discussions and interviews and, where practicable and appropriate, recording discussions and interviews on audio or videotape.
- Ensuring strict security with all investigations, so as to maintain the confidentiality requirements of the Act.

If a disclosure is withdrawn, a proper authority may still continue to investigate the issues raised.

Maintaining Confidentiality in an Investigation

The Act imposes strict confidentiality requirements in relation to the identity of the discloser and persons in respect of whom a public interest disclosure has been made. The disclosure of information which might identify or tend to identify these persons, except in accordance with the Act, is a serious offence, punishable with a maximum penalty of \$24,000 or two years imprisonment.

The confidentiality provisions of the Act do not apply to all information disclosed in a public interest disclosure, but only to information that might identify or tend to identify the discloser and persons in respect of whom a public interest disclosure has been made.

One of the circumstances in which identifying information may be disclosed is with the consent of the person concerned. It is important that this consent be recorded. The *Consent to Disclosure of Identifying Information* form should be used for this purpose (see FORMS).

Identifying information relating to a discloser may be disclosed without the discloser's consent where:

- it is necessary to do so, having regard to the rules of natural justice; or
- it is necessary to do so to enable the matter to be investigated effectively.

However, before information is disclosed for these reasons the person making the disclosure must take all reasonable steps to inform the person whose identity is to be disclosed:

- that the disclosure is being made; and
- the reasons for the disclosure being made.

This information should be given, where practicable, in the form for *Notification of Disclosure of Identifying Information* (see FORMS).

Where identifying information in relation to a discloser is conveyed to another person for these reasons, the other person should be warned that disclosure of the information to a third person may involve a serious offence.

Identifying information relating to a person in respect of whom a public interest disclosure has been made can be disclosed at the investigation stage where the disclosure:

- is necessary to enable the matter to be investigated effectively;
- there are reasonable grounds to believe that the disclosure of identifying information is necessary to prevent or minimise the risk of injury to any person or damage to any property.

In addition, disclosures made in accordance with section 152 or 153 of the *Corruption and Crime Commission Act* are exempt from these confidentiality requirements.

Particularly where a discloser works for the Shire of Beverley, protecting the identity of the discloser is an important part of protecting the discloser from reprisals and victimisation. Careful consideration must be given as to whether the disclosure of information that might identify or tend to identify a discloser is necessary for the effective investigation of the matter or having regard to the rules of natural justice.

Where a PID Officer appoints a third person to conduct an investigation in relation to the public interest disclosure, he or she must consider whether it is necessary to inform the investigator of the identity of the discloser. In some cases it may not be necessary to provide the investigator with the identity of the discloser. Where it is necessary, to enable an effective investigation, or having regard to the rules of natural justice, to provide identifying information to the investigating officer, then the discloser should be notified in the manner described above.

Recording the Outcome of an Investigation

The outcome of an investigation should be clearly and comprehensively recorded. In addition to any investigation report, the person conducting the investigation should complete part 4 of the *Assessment Form for Public Interest Disclosure* (see FORMS).

The result of the investigation should also be recorded in the Public Interest Disclosure Register, described in section J of these Procedures (sample Register is provided as Appendix 5). All reporting requirements to the Commissioner for Public Sector Standards required under the Act will be based on extracts from this Register.

G. Taking Action Following an Investigation

1. General

The PID Officer must take action where he or she forms the opinion that a person may be, or has been or may in the future be, involved in improper conduct. Action that may be taken includes:

- preventing the matter to which the disclosure relates from continuing or occurring
- referring the matter to the Police or other appropriate body, or
- taking disciplinary action against a person responsible for the matter.

Before taking any action, the person against whom the action is to be taken is to be given the opportunity to make written or oral submissions.

In taking that action the PID Officer remains limited by the powers and functions that are conferred by the legislation under which the Officer operates. The Act does not give the PID Officer additional powers to take action.

As well as being limited to matters within the functions and powers of the PID Officer, the action to be taken is guided by what is necessary and reasonable.

Maintaining Confidentiality when Taking Action

When taking action, the confidentiality of identifying information must be maintained, unless its disclosure is authorised by the Act.

The only additional exception, beyond those identified in relation to investigations, is where disclosure of the identity of a person who is the subject of a public interest disclosure is necessary in taking action following the investigation.

Recording Action Taken

In addition to keeping other records, the PID Officer shall complete Part 5 of the *Assessment Form for Public Interest Disclosures* (see FORMS) and record a summary of the action taken in the Public Interest Disclosure Register. All reporting requirements to the Commissioner for Public Sector Standards required under the Act will be based on extracts from this Register.

H. Reporting to a Discloser on the Progress and Outcome of an Investigation

Where the PID Officer decides not to investigate information disclosed under the Act, or discontinues an investigation, the Officer must give the person who made the disclosure reasons for doing so.

Within three months of the disclosure being made the PID Officer must notify the discloser of the action taken or proposed to be taken in relation to the disclosure.

A discloser may also request a progress report.

If an investigation is not complete, the PID Officer may provide to the discloser a progress report on the current status of the investigation.

If an investigation is complete, the PID Officer must provide a final report to the discloser, stating the outcome of the investigation and the reason for taking action following the investigation.

In providing information and reports to disclosers, the PID Officer must not give information that, in the officer's opinion, would be likely to adversely affect:

- any person's safety;
- the investigation of an offence or possible offence; or
- necessary confidentiality as to the existence or identity of another person who has made a disclosure of public interest information under the Act.

Protecting Disclosers

Victimisation and Reprisals

The Shire of Beverley will not tolerate any acts of victimisation or reprisal as a result of a person making, or proposing to make, a public interest disclosure.

Any victimisation or reprisals must be reported immediately to the Chief Executive Officer or the PID Officer, who must take immediate action to prevent the continuance of this unlawful conduct.

Where victimisation or reprisals are reported, a record of the report and the action taken must be placed on the file relating to the public interest disclosure.

Steps taken to prevent acts of victimisation or reprisal should be recorded in a manner that they will be accessible for reference, should legal action be taken against the Shire of Beverley.

Confidentiality

The confidentiality requirements in relation to information which might identify or tend to identify a discloser or a person in respect of whom a public interest disclosure has been made must be complied with at all times. As noted above, the disclosure of this identifying information, except in accordance with the Act, is an offence.

All files relating to a public interest disclosure, whether paper or electronic, must be secure and accessible only by authorised persons. Files should carry clear warnings that there are penalties for unauthorised divulgence of information concerning a disclosure.

It is strongly recommended that sensitive information is not emailed or faxed to machines with general or shared access.

Public Interest Disclosure Register

The Shire of Beverley shall maintain a Public Interest Disclosure Register recording a unique register number and key information for each disclosure.

- The register should include a summary of information relating to:
- The discloser
- Public authorities about which a disclosure is made
- People named in the disclosure
- The nature of the disclosure
- The investigation process and the action, if any, taken
- Communication with the discloser
- Disclosure of the discloser's identity, if applicable
- Disclosure of identity of persons named in the disclosure
- Claims of unlawful disclosure of discloser's identity or identity of persons named in the disclosure
- Claims of victimisation
- Key dates

A sample *Public Interest Disclosure Register* is provided at Appendix 5. An electronic version can be found on the website at www.opssc.wa.gov.au/pid. Additional information may also be recorded in the Register at the discretion of the public authority.

All reporting requirements to the Commissioner for Public Sector Standards required under the Act will be based on extracts from the fields shown in the sample Register.

Reporting Requirements

Under the Act public authorities will need to report to the Commissioner each year as outlined below.

Principal Executive Officer Report

Under section 23 (f) of the Act, the Shire of Beverley is required to report annually to the Commissioner for Public Sector Standards on:

- **the number of public interest disclosures received over the report period;**
- **the results of any investigations conducted as a result of the disclosures; and**
- **the action, if any, taken as a result of each investigation.**
- **Commissioner's Compliance Report**

Under section 19 and 22 of the Act, the Commissioner is required to monitor compliance with the Act, to assist public authorities to comply with the Act and the Code and to provide an Annual Report to Parliament.

Under section 27 of the Act the Minister will carry out a review of the Act in 2006.

To enable the Commissioner and the Minister to meet these obligations Shire of Beverley will provide a report each year on compliance with and administration of the Act as requested by the Commissioner.

Report Format and Submission

An electronic format for the Principal Executive Officer Report and the information for the Commissioner's Compliance Report will be provided each year by the Commissioner and both will be able to be submitted in a single electronic submission. The reports will cover the period 1 July in any year to 30 June in the subsequent year.

Where there has been no action on a disclosure in the reporting period the format of the report will provide for a simple nil return. Where action relating to one or more disclosures has occurred, all data required will be obtainable as a simple extract from the Public Interest Disclosure Register.

Making Information Available

These internal procedures shall be made available for access by all staff and members of the public. Copies of these internal procedures are available from the Public Interest Disclosure Officer and are to be kept at the:

**Shire of Beverley
Administration Building
136 Vincent Street
BEVERLEY WA 6304.**

After the commencement of the Act all staff should be provided with the *Information for Staff* at Appendix 6. This information should also be provided to new staff on induction.

Where a person makes an allegation about improper conduct, but the person has not referred to the Act, the person should be advised that they might want to make a public interest disclosure under the Act. If they may wish to do so, they should be referred to the PID Officer for guidance on how to make a disclosure under the Act and on the implications of having done so.

ADOPTED POLICY	
Title:	HABITUAL OR VEXATIOUS COMPLAINTS
Objective:	To provide guidelines for employees to determine what is a habitual or vexatious complaint and how to deal with it.

Policy

Habitual or Vexatious Complainants

1. For the purpose of this policy, the following definition of habitual or vexatious complainants will be used:

The repeated and/or obsessive pursuit of:

- (i) Unreasonable complaints and/or unrealistic outcomes; and/or
 - (ii) Reasonable complaints in an unreasonable manner.
2. Where complaints continue and have been identified as habitual or vexatious in accordance with the criteria set out in the attached document (Schedule A), the CEO, following discussions with the Senior Management Team, will seek agreement to treat the complainant as a habitual or vexatious complainant and for an appropriate course of action to be taken. The attached schedule (B) details the options
 3. The CEO will notify complainants, in writing, of the reasons why their complaint has been treated as habitual or vexatious, and the action that will be taken. *The CEO will also notify the Council Members that a constituent has been designated as a habitual or vexatious complainant.*
 4. Once a complainant has been determined to be habitual or vexatious, their status will be kept under review *after one year* and monitored by the CEO with reports being taken to Council as required. If a complainant subsequently demonstrates a more reasonable approach then their status will be reviewed.

Schedule A – Criteria for Determining Habitual or Vexatious Complaints

Complainants (and/or anyone acting on their behalf) may be deemed to be habitual or vexatious where previous or current contact with them shows how they meet one of the following criteria:

Where complainants:

1. Persist in pursuing a complaint where the Council's complaints process has been fully and properly implemented and exhausted.
2. Persistently change the substance of a complaint or continually raise new issues or seek to prolong contact by continually raising further concerns or questions whilst the complaint is being addressed. (Care must be taken, however, not to disregard new issues which are significantly different from the original complaint as they need to be addressed as separate complaints).
3. Are repeatedly unwilling to accept documented evidence given as being factual or deny receipt of an adequate response in spite of correspondence specifically answering their questions or do not accept that facts can sometimes be difficult to verify when a long period of time has elapsed.
4. Repeatedly do not clearly identify the precise issues which they wish to be investigated, despite reasonable efforts of the Council to help them specify their concerns, and/or where the concerns identified are not within the remit of the Council to investigate.
5. Regularly focus on a trivial matter to an extent which is out of proportion to its significance and continue to focus on this point. It is recognized that determining what is a trivial matter can be subjective and careful judgment will be used in applying this criteria.
6. Have threatened or used physical violence towards employees at any time. This will, in itself, cause personal contact with the complainant and/or their representative to be discontinued and the complaint will, thereafter, only be continued through written communication. The Council has determined that any complainant who threatens or uses actual physical violence towards employees will be regarded as a vexatious complainant. The complainant will be informed of this in writing together with notification of how future contact with the Council is to be made.
7. Have, in the course of addressing a registered complaint, had an excessive number of contacts with the Council – placing unreasonable demands on employees. A contact may be in person, by telephone, letter, email or fax. Judgment will be used to determine excessive contact taking into account the specific circumstances of each individual case.
8. Have harassed or been verbally abusive on more than one occasion towards employees dealing with the complaint. Employees recognize that complainants may sometimes act out of character in times of stress, anxiety or distress and will make reasonable allowances for this. *Some complainants may have a mental health disability and there is a need to be sensitive in circumstances of that kind.*
9. Are known to have recorded meetings or face-to-face/telephone conversations without the prior knowledge and consent of other parties involved.
10. Make unreasonable demands on the Council and its employees and fail to accept that these may be unreasonable, for example, insist on responses to complaints or enquiries being provided more urgently than is reasonable or within the Council's complaints procedure or normal recognized practice.
11. Make unreasonable complaints which impose a significant burden on the human resources of the Council and where the complaint:
 - Clearly does not have any serious purpose or value; or
 - Is designed to cause disruption or annoyance; or
 - Has the effect of harassing the public authority; or
 - Can otherwise fairly be characterized as obsessive or manifestly unreasonable.

12. Make repetitive complaints and allegations which ignore the replies which Council Officers have supplied in previous correspondence.

Schedule B – Options for Dealing with Habitual or Vexatious Complainants

The options below can be used singularly or in combination depending on the circumstances of the case and whether the complaint process is ongoing or completed.

1. A letter to the complainant setting out responsibilities for the parties involved if the Council is to continue processing the complaint. If terms are contravened, consideration will then be given to implementing other action as indicated below.
2. Decline contact with the complainant, either in person, by telephone, by fax, by letter, by email or any combination of these, provided that one form of contact is maintained. This may also mean that only one named officer will be nominated to maintain contact (and a named deputy in their absence). The complainant will be notified of this in person.
3. Notify the complainant, in writing, that the Council has responded fully to the points raised and has tried to resolve the complaint but there is nothing more to add and continuing contact on the matter will serve no useful purpose. The complainant will also be notified that the correspondence is at an end, advising the complainant that they are being treated as a habitual or vexatious complainant and as such the Council does not intend to engage in further correspondence dealing with the complaint.
4. Inform the complainant that in extreme circumstances the Council will seek legal advice on habitual or vexatious complaints.
5. Temporarily suspend all contact with the complainant, in connection with the issues relating to the complaint being considered habitual or vexatious, while seeking legal advice or guidance from its solicitor or other relevant agencies.

ADOPTED POLICY	
Title:	INFORMATION AND COMMUNICATIONS TECHNOLOGY (ICT) USAGE POLICY
Objective:	To establish guidelines on the appropriate usage of the Shire's information and communication technology (ICT) systems and devices to ensure the ongoing security and integrity of the Shire's network system.

Objective

To establish guidelines on the appropriate usage of the Shire's information and communication technology (ITC) systems and devices to ensure the ongoing security and integrity of the Shire's network system.

Policy Statement

Effective security is a team effort involving the participation and support of every Shire of Beverley employee who deals with information and/or information and communication systems and devices. Every digital device user must understand this policy and carry out their use of digital devices in accordance with this policy. For the purposes of this policy the term employee/s shall cover staff, councillors, volunteers and any person performing work on a permanent basis with the Shire of Beverley.

General Use of ICT Equipment

1. Users should be aware that the data they create on the corporate systems remain the property of the Shire of Beverley. The confidentiality of personal (non-work related) information stored on any network device belonging to the Shire of Beverley cannot be guaranteed.
2. A degree of personal use is allowed on the Shire's equipment/devices/systems. Employees should exercise conservative judgment regarding the reasonableness of personal use but should be guided by the following principles:
 - personal use should be conducted either before or after contracted hours of work or during authorised breaks;
 - personal use should be limited and brief, avoiding excessive downloads or transmissions. An example of acceptable personal use would be conducting brief transactions through internet banking;
 - personal use should not breach anything in this policy, particularly relating to the downloading of offensive or copyrighted materials;
 - managers will determine the specific acceptable personal use for their respective business areas as this will differ according to the needs of each group; and
 - if there is any uncertainty regarding acceptable personal use then employees should consult their supervisor or manager for guidance.
3. For security and network maintenance purposes, authorised individuals within the Shire of Beverley may monitor equipment, systems and network traffic at any time, according to the specific nature and requirements of their roles.

4. The Shire of Beverley reserves the right to audit networks and systems on a periodic basis to ensure system integrity and compliance with this policy.

All emails sent by Shire of Beverley employees should include the approved signature and disclaimer at the foot of the body of the email, in the format specified by the Shire of Beverley style guide.

Security and Proprietary Information

1. All information stored in the Shire of Beverley's corporate systems should be regarded as confidential and care must be exercised before sharing or distributing any information. If there is any uncertainty regarding the level of confidentiality involved then employees should consult their supervisor or manager for guidance.
2. Passwords should be kept secure and accounts must not be shared. Authorised users are responsible for the security of their passwords and accounts. Passwords should be changed in accordance with advice from the Shire of Beverley ICT Consultants.
3. All devices connected to the Shire of computing systems/networks, regardless of ownership, must be running approved and up to date virus-scanning software.

Logo Size

The logo must be at least 10mm high (*will be determined when artwork is finalized*) on any printed material. The logo must retain original proportions and not be resized in any way that would cause distortion or degradation to the quality of the logo. On any online forum the logo must be big enough to clearly read the phrase ‘Be very you’.

The logo may not be displayed on any material, printed or online, that could be considered offensive, or defamatory to any person, people, group, or organisation.

The logo may not be displayed on any material to promote an event for any specific political party, lobby group, or advocacy group.

Stakeholders must adhere to the usage recommendations.

ADOPTED POLICY	
Title:	AVONDALE AGRICULTURAL MUSEUM COLLECTION POLICY
Objective:	To provide guidelines on the development and management of the collection.

Background

The Avondale Agricultural Museum Collection is located at Avondale Farm, in the Shire of Beverley. Avondale farm is a 710ha property, located 6km west of the Town of Beverley on Waterhatch Road. The property comprises 520ha arable farming land and 190ha non arable land comprising a bush reserve (53.5ha), rocky grazing, treed water courses and a built heritage precinct.

Avondale farm was one of the earliest pastoral properties developed in the Beverley district in the 1830's. Avondale Farm is valued for its role in agricultural research and education. Established as a State Farm in 1919, Avondale Farm was held by the Agriculture Department of WA as a venue for agricultural research from 1924 until the 1990's and subsequently as a public education site until 2009, when the National Trust took over the management of the property.

The original Avondale Agricultural Museum Collection was comprised of items donated by farmers from around the State for the sesquicentenary celebrations in 1979. The exhibition concentrated on items of technological significance, much of which was restored by the Department of Agriculture's workshop. The collection was specifically put together to represent the historical equipment of all the processes in agricultural production and therefore tells the story of the development of farming in the Western Australian Wheatbelt.

The original museum building was constructed to house the donated farm machinery. The building was extended in the early 2000's to house the growing collection that represents some of Western Australia agricultural machinery dating back to the 1850's

The Shire of Beverley took over the collection from the Agriculture Department in 2009, at the same time management of the property was transferred to the National Trust.

Statement Of Purpose Or Mission Statement

The purpose of the Avondale Agricultural Museum Collection is to tell the story of the mechanisation and innovation in farming in the Western Australian Wheatbelt region from the early 1850's to 1979.

The Museum aims to provide an educational and tourism experience that is complementary to the interpretation of 'Avondale Farm' which tells the story of the development of Agriculture in WA, intertwining early European settlement, the culture and traditions of the Ballardong Aboriginal people and the natural environment.

The Museum will incorporate objects, history and stories associated with the development of Agriculture in Western Australia, the history of Avondale Farm and the significant contribution made to Agricultural from the research carried out at Avondale.

Purpose And Scope Of The Collection Policy

The collection policy will be the guiding document for the development and management of the collection.

The policy will guide the formation of a management structure, museum funding, a review of the existing collection and subsequent inclusion of items into the Avondale Agricultural Museum collection.

The collection management policy will guide the procedures by which the museum is managed and funded. The procedures developed to implement these policies will be outlined in a separate document.

Museum Management

The Shire of Beverley owns and is responsible for the Avondale Agriculture Museum Collection.

Museum governance, future planning and funding will be the responsibility of the Shire of Beverley.

The Shire of Beverley will be responsible for the operations of the Museum in accordance with the policies and procedures of the Museum.

What The Museum Will Collect

The key theme of the Avondale Agricultural Museum Collection is to tell the story of the mechanisation and innovation in farming in the Western Australian Wheatbelt region. The collection was put together to represent the historical equipment of all the processes in agricultural production and therefore is representative of a class of artefacts important to the development of farming in the Wheatbelt of WA.

The Museum will incorporate objects, history and stories associated with the development of Agriculture in Western Australia, the history of Avondale farm and the significant contribution made to Agricultural research at Avondale.

Contributing significantly to the value of the Museum Collection are the operational vehicles. A large number of the tractors and vehicles are operational, enabling demonstrations of farm practices and differentiating the collection from similar collections throughout WA.

The environs in which the Museum is located at Avondale also adds value to the museum collection and is another differentiating feature. Avondale Farm was an Agricultural research facility which made a significant contribution to agricultural research in the State and is still a working farm.

The collection dates from the 1850's to 1979.

The types of objects to be collected include agricultural machinery, agricultural implements, operating manuals for historical machinery, photographs and written and oral histories.

The objects will reflect the development of Agriculture in WA and could include

- equipment used in agricultural research;
- vehicles and machinery in working order or able to be restored to working order for the purpose of demonstrations;
- historical equipment that contributes to the processes in agricultural production; and
- objects important to the development of farming in the south of WA

The collection is available for viewing at Avondale Farm, 505 Waterhatch Road Beverley. Opening hours are determined by the Shire in consultation with the National Trust (WA) who manage Avondale Farm. Access may be provided for special events by arrangement. Access to Museum records will be provided by appointment only.

Temporary exhibitions may be installed and objects used in demonstrations at special events.

ADOPTED POLICY	
Title:	CHILD SAFE AWARENESS POLICY
Objective:	To reduce the risk of harm and child sexual abuse in our community by encouraging child safe environments to be created and maintained.

POLICY STATEMENT

The Shire of Beverley supports and values all children and young people. The Shire of Beverley makes a commitment to support the safety and wellbeing of all children and young people, including protection from abuse. This Child Safe Awareness policy is one of the ways the Shire of Beverley demonstrates its commitment to being child safe and a zero-tolerance approach to child abuse.

This policy aims to reduce the risk of harm and child sexual abuse in our communities by encouraging child safe environments to be created and maintained. The Shire of Beverley is committed to encouraging local organisations to be child safe and ensure children are safe and empowered.

This Child Safe Awareness policy has been developed in response to recommendation 6.12 of the Royal Commission into Institutional Responses to Child Sexual Abuse and recognises that the Shire of Beverley is uniquely placed within the local community to demonstrate leadership by supporting organisations to be child safe and to protect children and young people from harm and/or abuse. The Shire of Beverley will promote the safety and wellbeing of children across the community.

Consistent with the National Principles for Child Safe Organisations and Commonwealth Child Safe Framework, this policy provides a framework that outlines the role of the Shire of Beverley in supporting local organisations to be child safe through access to resources, awareness raising and sharing relevant information.

Scope

The safety and wellbeing of children is everyone’s responsibility. This Child Safe Awareness policy applies to all, employees, volunteers, trainees, work experience students, interns, and anyone else who undertakes work on behalf of the Shire of Beverley, regardless of their work related to children or young people. It applies to occupants of the Shire of Beverley facilities and venues, including visitors, contractors and suppliers.

Definitions:

Abuse: Abuse is an act, or a failure to act, towards or on behalf of a child that may result in harm. It can occur on one occasion or multiple occasions. Sometimes the impact of multiple events leads to harm that becomes cumulative in nature. Types of abuse include physical, emotional and sexual abuse, and neglect.

Child/Children: Means a person under 18 years of age, and in the absence of positive evidence as to age, means a person who appears to be under 18 years of age.

Child Safe Organisation: is defined in the Royal Commission Final Report as one that:

- creates an environment where children's safety and wellbeing are at the centre of thought, values, and actions
- places emphasis on genuine engagement with and valuing of children and young people
- creates conditions that reduce the likelihood of harm to children and young people
- creates conditions that increase the likelihood of identifying any harm, and
- responds to any concerns, disclosures, allegations, or suspicions of harm. Note: in the context of local governments, this would involve referring concerns to the Department of Communities or WA Police to respond as appropriate.

Implementation of the National Principles for Child Safe Organisations give effect to the above.

Child safe: For the purpose of this policy, child safe means protecting the rights of children and young people to be safe by taking actions that can help prevent harm and abuse.

Harm: Harm, in relation to a child, means any detrimental effect of a significant nature on the child's wellbeing, whether caused by a single act, omission or circumstance; or a series or combination of acts, omissions or circumstances.

Wellbeing: Wellbeing of children and young people includes the care, development, education, health and safety of children and young people.

Policy Principles

- The rights of children and young people are upheld.
- Children and young people are respected, listened to, and informed about their rights.
- Children and young people have the fundamental right to be safe and cared for.
- Children and young people have the right to speak up, be heard and taken seriously without the threat of negative consequences.

Objective:	To establish guidelines for appropriate disclosure and management of acceptance of invitations to events or functions, or other hospitality occasions, where elected members and employees are invited free of charge, whether as part of their official duties as council or Shire representatives or not.

Objective

To establish guidelines for appropriate disclosure and management of acceptance of invitations to events or functions, or other hospitality occasions, where elected members and employees are invited free of charge, whether as part of their official duties as council or Shire representatives or not.

Scope

This policy applies to all Councillors and all staff at the Shire of Beverley.

In accordance with section 5.90A of the Local Government Act, an event includes, but is not limited to the following:

- a concert
- a conference
- a function
- a sporting event
- occasions prescribed by the Local Government (Administration) Regulations 1996

Travel and accommodation excluded: This policy does not apply to tangible gifts or money, travel or accommodation. Any contribution to travel, subject to the exceptions in section 5.83 of the Local Government Act 1995 (the Act), must be disclosed in writing to the CEO within 10 days of receipt of the contribution.

Contributions to travel costs, whether financial or otherwise are now incorporated within the definition of gift. The following situations are specifically excluded where the event ticket (gift) is received from one of the following organisations:

- WALGA
- LGIS
- Local Government Professionals Australia (WA)
- Australian Local Government Association
- A department of the public service
- A government department of another State, a Territory or the Commonwealth
- A local government or regional local government

The gift is still required to be recorded on the "gift register".

Statement

Elected members, the Chief Executive Officer and some Shire staff attend events to fulfil their leadership role in the community. Elected Members and/or the Chief Executive Officer will receive tickets or invitations to attend events to represent the Shire. The event may be a paid event or a ticket/invitation may be gifted in kind.

Attendance is approved for the following events by Elected Members and Shire of Beverley staff:

- Advocacy lobbying or Ministerial briefings
- Meetings of clubs or organisations within the Shire of Beverley
- Any free event held within the Shire of Beverley
- Australian or West Australian Local Government events
- Local Government Professionals Association (WA) events
- LGIS events
- Events hosted by Clubs or Not for Profit Organisations within the Shire of Beverley to which the Shire President, an Elected Member or the Chief Executive Officer or staff has been officially invited
- Shire hosted ceremonies and functions
- Shire hosted events with employees
- Shire run tournaments or events
- Shire sponsored functions or events
- Community art exhibitions
- Cultural events/festivals
- Events run by a Local, State or Federal Government
- Events run by schools and universities within the Shire of Beverley
- Major professional bodies associated with local government at a local, state and federal level
- Opening or launch of an event or facility within the Shire of Beverley
- Recognition of Service events
- RSL events
- Where Shire President, Elected Member or executive staff representation has been formally requested
- Free public events

All Elected Members and executive staff are entitled to attend a pre-approved event. If there is a fee associated with a pre-approved event, the fee, will be paid for by the Shire out of the Shire's budget by way of reimbursement, unless the event is a conference which is dealt with under an alternative Council Policy.

If there are more Elected Members than tickets provided, then the Shire President shall allocate the tickets.

If an elected member (or executive staff) is unable or does not wish to attend the event to which the invitation relates, the member is to advise the event organiser of their unavailability, or may distribute it to another elected member (or member of staff) of their choosing, if the event organiser agrees. Otherwise, it is at the sole discretion of the event organiser, whether the invitation, or tickets, can be redistributed.

Non Pre-Approved Events - Approval Process

Where an invitation is received to an event that is not pre-approved, it may be submitted for approval prior to the event as follows:

- Events for the Shire President may be approved by the Deputy Shire President or CEO
- Events for Councillors may be approved by the Shire President or CEO
- Events for the Chief Executive Officer may be approved by the Shire President or Deputy President

Considerations

In considering whether a benefit such as an invitation to an event or hospitality given to an elected member or an employee is a gift for the purposes of the Act and Regulations, the key issues include:

- Who is a donor, the person/company who is offering or giving the benefit?
- What is the value of the benefit?

- Any justification provided by the applicant when the event is submitted for approval
- The benefit to the Shire of the person attending
- Alignment to the Shire's Strategic Community Plan
- Does the elected member or employee of the benefit contribute anything of value to the donor in return for the benefit such as formally opening or speaking at the event or presenting prizes/awards?
- If so, does the value of that contribution outweigh the value of the benefit?

If so, it will not be a gift for the purposes of the Act and Regulations.

Where an Elected Member has an event approved through this process, and there is a fee associated with the event, then the cost of the event, will be reimbursed on request. Where the Chief Executive

Officer has an event approved through this process, and there is a fee associated with the event, then the cost of the event is to be paid for out of the Shire's relevant budget allocation.

Non-Approved Events Payment

Any event that is not pre-approved, is not submitted through an approval process, or is received personally, is considered a non-approved event.

- If the event is ticketed and the Elected Member or Executive Staff pays the full ticketed price and does not seek reimbursement, then no action is required.
- If the event is ticketed and the Elected Member or Chief Executive Officer pays a discounted rate, or is provided with a free ticket(s), with a discount value, then the recipient must disclose receipt of the tickets (and any other associated hospitality) within 10 days to the Chief Executive Officer (or President if the CEO) if the discount or free value is greater than \$300 for Elected Members and the CEO.

Conflict

Event attendance may create a perceived or actual conflict, which may preclude council members participating or employees providing advice at a future meeting. If the amount of an event ticket (gift) is less than \$1,000, and relates to a matter before Council, under section 5.68 of the Act, Council may allow the disclosing council member to participate on the condition that the interest, the council's decision and the reasons for that decision are recorded in the minutes. If the amount gift is above \$1,000 the council or CEO must apply to the Minister for permission to allow the member or employee to participate.

Policy Statement

The **Shire of Beverley** and its employees are committed to providing a working environment where every employee is treated equally, fairly and without prejudice. For the purposes of this policy, the term “employee/s” will extend to cover contractors, volunteers and any person performing work for or with the **Shire of Beverley** in any capacity.

Unlawful Discrimination

The **Shire of Beverley** acknowledges its responsibilities and obligations pursuant to State and Federal equal opportunity and anti-discrimination laws.

The **Shire of Beverley** and its employees acknowledge they are subject to State and Federal equal opportunity and anti-discrimination legislation. The following is a non-exhaustive list of the grounds of discrimination for which it is unlawful to discriminate against an individual:

- Age;
- Family responsibility or status;
- Race or colour;
- Sex including gender identity, sexual orientation and intersex status;
- Physical or mental disability;
- Marital status;
- Political or religious conviction;
- Pregnancy;
- Criminal record;
- Breastfeeding;
- Gender history;
- Impairment;
- National extraction or social origin; and
- Trade union activity

Sexual Harassment

The *Equal Opportunity Act 1984 (WA)* and the *Sex Discrimination Act 1984 (Cth)* provide that it is unlawful to engage in sexual harassment. Sexual harassment can be defined as any unwelcome conduct of a sexual nature, such as an unwelcome sexual advance or an unwelcome request for sexual favours, in circumstances in which a reasonable person would anticipate that the person harassed would be offended, humiliated or intimidated.

Some examples of sexual harassment include, but are not limited to:

- Physical contact (touching, rubbing, patting, embracing, brushing up against etc.);
- Gestures of a sexual nature;
- Leering or staring;
- Offensive telephone calls, emails, text messages or notes;
- Sexual suggestive jokes or comments;
- Tales of sexual exploits;
- Repeated requests for a date;
- Unwelcome comments or questions about a person's sex life, appearance or dress; and
- Sexually graphic material (poster, calendars, cartoons, graffiti, messages, emails).

Bullying

Bullying is defined as repeated and unreasonable behaviour directed towards an employee or a group of employees that creates a risk to health and safety. Unreasonable behaviour amounts to behaviour that a reasonable person in the circumstances would see as unreasonable including behaviour that is victimising, humiliating, intimidating or threatening.

Bullying is also unlawful under the *Occupational Safety and Health Act 1984 (WA)* and the *Occupational Safety and Health Regulations 1996 (WA)*.

Some examples of bullying include, but are not limited to:

- Loud, abusive or offensive language or comments;
- Yelling and screaming;
- Unjustified criticism and insults;
- Unjustified threats of dismissal or other disciplinary action;
- Acts of sabotaging another's work by withholding information which is required to fulfil tasks;
- Spreading malicious rumours or misinformation;
- Inappropriate comments about an employee's appearance, lifestyle of family;
- Deliberately excluding an employee from workplace meetings or activities;
- Hiding documents or equipment or withholding vital information required for effective work performance;
- Constantly changing targets or work guidelines;
- Overloading an employee with work and impossible deadlines;
- Setting tasks that are unreasonably below or beyond an employee's level of skill;
- Threats of assault or violence or actual violence;
- Teasing and practical jokes; and
- Isolating or ignoring an employee on a constant basis.

Where an employee makes a threat of violence or assaults another employee, the police should be called.

Reasonable Management Action

The **Shire of Beverley** has a right to take reasonable management action to direct the way in which work is conducted and to give employees lawful and reasonable directions to complete work in a certain manner. Reasonable management action is not workplace bullying.

Some examples of reasonable management action include, but are not limited to:

- The establishment and regular use of performance management systems;
- The setting of reasonable performance targets and deadlines;
- Providing employees with constructive feedback or counselling to assist workers to improve their work performance or the standard of their behaviour;
- Issuing a lawful and reasonable direction to an employee to complete a work task;

- Preparing and amending a roster for employees;
- Transferring an employee to a different work location for operational reasons;
- Implementing organisational change;
- Informing an employee about inappropriate behaviour in a confidential manner; and
- Taking disciplinary action against an employee.

Other Behaviours not Considered to be Bullying

Where two or more employees have a difference of opinion and disagree on an issue, this is not usually considered to be workplace bullying. However, where conflict escalates and is repeated, it may meet the definition of workplace bullying.

Additionally, bullying does not occur where bullying behaviour is a one off occurrence and if that behaviour does not create a risk to health or safety,

What are the Ways in which Bullying can Occur?

There are a variety of ways bullying behaviour can occur in the workplace such as verbally, through email or text message or via social media. Bullying can be directed at an individual employee or a group of employees, and can be carried out by one or more employees. Bullying can occur between employees, downwards from managers to employees or upwards from employees to supervisors or managers.

What to do if you think you are being Discriminated Against, Sexually Harassed or Bullied?

Refer to the Grievance Policy and Grievance Procedure for steps to take if you think you are being discriminated against, sexually harassed or bullied, or if you suspect another employee is experiencing any of those things.

Roles & Responsibilities

To ensure the intent of this policy is realised, various roles within the **Shire of Beverley** must assume certain responsibilities.

Policy

People are the major asset of the Shire of Beverley and the Training and Development Policy aims to invest in the ongoing development of staff.

The Shire of Beverley Training Policy is guided on following principles:

- You have a major role in determining your specific training and development needs
- A performance review system operates to ensure your training and development needs are discussed annually to ensure your skills are kept up to date.

Induction:

As a new employee you will be taken through an induction to introduce you to the structure of the Shire of Beverley, where you sit within it and take you through all the basic things you need to know about life in your new position.

The Shire of Beverley is committed to creating a “learning culture”. The Shire of Beverley will continue to succeed because we recognise that the business environment is constantly changing and that we need to acquire knowledge and expertise to keep us ahead of the game.

Professional/Vocational Qualifications:

Graduate and professional qualifications in such areas as Occupational Health and Safety, Risk Management, Accountancy, Information Technology and Human Resources are valued.

Subject to prior agreement with Chief Executive Officer, the fees for relevant professional education may be met or subsidised by the Shire of Beverley.

ADOPTED POLICY	
Title:	GRIEVANCE, INVESTIGATIONS AND RESOLUTIONS POLICY
Objective:	To guide staff in the grievance investigation and resolution process.

Policy

Policy Statement

All employees have a right to express any genuine grievances or complaints via an impartial internal process. All employees involved in a grievance process are expected to participate in good faith. For the purposes of this policy, the term “employee/s” will extend to cover contractors, volunteers and any person performing work for or with the **Shire of Beverley** in any capacity.

Roles

Complainant – An employee who raises a complaint about a matter regarding the workplace.

Respondent – An employee who is alleged to have acted in a manner which caused the complainant to raise a complaint.

Support Person – A Complainant and/or a Respondent may choose to bring a Support Person with them to a meeting, where practicable. The role of a Support Person is not to advocate on behalf of anyone, but to simply provide emotional support.

Witness – A person (including an employee) who is requested by the Local Government to assist the process by providing relevant information regarding the complaint.

What to do if you have a Complaint?

If an employee (Complainant) is the victim of behaviour of another employee (Respondent) which is inconsistent with the Local Government’s policies, procedures or guidelines (Policies), the Complainant should, where reasonable or practicable, first approach the Respondent for an informal discussion. If the nature of the complaint is deemed to be sufficiently serious, the complainant should contact their Manager directly.

If the inappropriate behaviour continues, the Complainant is encouraged to make a formal complaint to their direct manager. If the direct manager is the Respondent in the matter or if the employee feels uncomfortable approaching their manager, the Complainant should approach the Deputy Chief Executive Officer.

The employee who receives the complaint must contact their Manager and decide upon the most appropriate way to take the matter forward, whether it is an informal discussion with the Complainant and/or the Respondent, or the commencement of a formal investigation of the complaint.

Key Principles in the Complaint Resolution Process

The following principles are necessary for the fair investigation and resolution of a complaint:

Confidential – Only the employees directly investigating or addressing the complaint will have access to the information about the complaint. The **Shire of Beverley** may inform or appoint a third party to investigate or advise on the investigation. All parties involved in dealing with a complaint are required to keep the matter confidential. Information will only be placed on an employee's personal file if they are disciplined as a result of the complaint;

Impartial (fair/unbiased) – Both parties will have an opportunity to put their case forward. No assumptions are made and no action will be taken until available and relevant information has been collected and considered;

Sensitive – The employees who assist in responding to complaints should be specifically trained or equipped to treat all complaints sensitively and ensure the process is free of coercion or intimidation;

Timely – The **Shire of Beverley** aims to deal with all complaints as quickly as possible and in accordance with any legislative requirements;

Documented – All complaints and investigations must be documented. In formal grievance processes, records must be kept of all documents collected and/or drafted as part of that process. For more informal processes, a file note or note in a diary may be sufficient;

Natural Justice – The principles of natural justice provide that:

A Respondent against whom allegations are made as part of a grievance process has the right to respond to the allegations before any determination is made;

Key Principles in the Complaint Resolution Process (Continued):

- A Respondent against whom an allegation is made has the right to be told (where possible and appropriate) who made the allegation;
- anyone involved in the investigation should be unbiased and declare any conflict of interest;
- decisions must be based on objective considerations and substantiated facts; and
- the Complainant and the Respondent have the right to have a support person present at any meetings where practicable.

Procedural Fairness – The principles of procedural fairness provide that:

- the Respondent is advised of the details (as precisely and specifically as possible) of any allegations when reasonably practicable;
- A Respondent is entitled to receive verbal or written communication from the **Shire of Beverley** of the potential consequences of given forms of conduct, as applicable to the situation;
- The Respondent is given an opportunity to respond to any allegations made against them by a Complainant;
- Any mitigating circumstances presented to the **Shire of Beverley** through the grievance process are investigated and considered;
- the Respondent has the right to have an appropriate support person present during any inquiry or investigation process where practicable or necessary;
- any witnesses who can reasonably be expected to help with any inquiry or investigation process should be interviewed; and
- All interviews of witnesses are conducted separately and confidentially.

Outcome of Making a Complaint

If a complaint is substantiated, there are a number of possible outcomes. If the complaint involves a performance issue, the manager of the Respondent may:

- commence a formal or informal performance management process with the Respondent or elect to discipline the Respondent.
- If the complaint involves a breach of a Policy or any other behaviour that is inconsistent with the employment relationship, the manager of the Respondent, in consultation with the Chief Executive Officer, may elect to discipline the Respondent in accordance with the Disciplinary Policy.

Vexatious or Malicious Complaints

Where a Complainant has deliberately made a vexatious or malicious complaint, that Complainant may be subject to disciplinary action, including but not limited to, termination of employment.

Victimisation of Complainant

A Complainant must not be victimised by the Respondent or any other employee of the **Shire of Beverley** for making a complaint. Anyone responsible for victimising a Complainant may be subject to disciplinary action, including but not limited to, termination of employment.

Variation to This Policy

This policy may be cancelled or varied from time to time. All the **Shire of Beverley's** employees will be notified of any variation to this policy by the normal correspondence method.

ADOPTED POLICY	
Title:	ROSTERED DAYS OFF
Objective:	Outline the criteria for awarding Rostered Days Off to Staff and setting limits on the accumulation of Rostered Days Off.

Policy

Rostered Days Off have been incorporated to encourage a healthy work-life balance for Shire of Beverley Staff and allow time to conduct personal business and appointments.

Full Time Employees employed under the Local Government Industry Award 2010 and National Employment Standards are entitled to one Rostered Day Off (RDO) per fortnight commencing from employment.

RDO days can be taken on any day Monday to Friday, however the same day is to be taken per RDO (e.g. if Monday is selected as the RDO day by the employee, each RDO must be taken on a Monday).

The day on which a particular RDO is taken is flexible upon negotiation between the Staff member and their direct supervisor. However, the swapping of RDO days should be limited to reduce disruption to planned work activities.

If an RDO falls on a public holiday, the RDO is to be taken on the next working day.

A maximum of two (2) RDOs are to be accumulated at any time, unless otherwise approved by the Chief Executive Officer.

Any RDOs accumulated over the two day limit will be forfeited.

Accumulated RDOs will not be paid out.

ADOPTED POLICY	
Title:	DRUG AND ALCOHOL POLICY
Objective:	Random Drug and Alcohol Testing

Policy

The Shire of Beverley's Commitment

The Shire of Beverley and its employees must take all reasonable care not to endanger the safety of themselves or others (including customers) in the workplace. Alcohol and other drug usage is an occupational safety and health issue if a worker's ability to exercise judgment, coordination, motor control, concentration and alertness at the workplace is impaired. For the purposes of this policy, the term "employee/s" shall extend to cover contractors, volunteers and any person performing work for or with the Shire of Beverley in any capacity.

The Individual's Responsibility

Under the *Work Health and Safety Act 2020* (the WHS Act), workers must take reasonable care of their own safety and health and not endanger the safety and health of others at the workplace. The consumption of alcohol and/or drugs while at work is unacceptable, except in relation to any authorised and responsible use of alcohol at workplace social functions. Employees are required to present themselves for work and remain, while at work, capable of performing their work duties safely. An employee who is under the influence of alcohol and/or drugs at the workplace, or is impaired, will face disciplinary action including termination of employment.

Tolerance Level

The Shire of Beverley has a '**zero**' tolerance on both Drug and Alcohol Consumption.

Reporting Requirements

Employees must report to their employer any situation where they genuinely believe that an employee may be affected by alcohol and/or other drugs.

Drug Use on the Premises

Employees who buy, take, or sell drugs on Shire of Beverley's premises, may be found to have engaged in serious misconduct. Such behaviour shall result in disciplinary action up to and including dismissal. Employees who have been prescribed medication/drugs by a medical practitioner that could interfere with their ability to safely carry out their role must inform their manager or Human Resources and disclose any side effects that these medication/drugs may cause.

Consumption of Alcohol on the Premises

Except in situations where the Shire of Beverley holds a function on the premises and alcohol is provided, employees must not bring in and/or consume alcohol in the workplace.

Drug/Alcohol Treatment Programs

Where an employee acknowledges that they have an alcohol or drug problem and are receiving help and treatment, the Local Government may provide assistance to the employee.

- The Local Government may allow an employee to access any accrued personal or annual leave while they are undergoing treatment. And;
- The Local Government will take steps to return an employee to their employment position after completion of the treatment program, if practicable in the circumstances.

Where an employee acknowledges that they have an alcohol or drug problem and are receiving help and treatment, the line manager or members of senior management, will review the full circumstances and agree on a course of action to be taken. This may include redeployment to suitable alternative employment, or possible termination from employment if the employee is unable to safely carry out the requirements of their role.

Managers' Responsibilities - Consumption of Alcohol at Work Sponsored Functions

Team managers shall:

- encourage their people to make alternative arrangements for transport to and from work prior to the function;
- ensure that the following is made available: - Low alcohol beer, soft drinks and water - Beverages: Tea, Coffee and Food;
- if the manager believes a person may be over the BAC 0.05 limit, assist the person with safe transport home (including contacting a family member or arranging a taxi); and
- if the manager has to leave the function early, appoint a delegate to oversee the rest of the function.

Pre-Employment Medical Tests

As part of the recruitment selection criteria, preferred candidates for employment positions may be required to attend a medical assessment which includes drug and alcohol testing.

Identification of Impairment and Testing

If the Shire of Beverley has reasonable grounds to believe that an employee is affected by drugs and/or alcohol it will take steps to address the issue.

Reasonable grounds may include (but are not limited to), where an employee's coordination appears affected, has red or bloodshot eyes or dilated pupils, smells of alcohol, acts contrary to their normal behaviour, or otherwise appears to be affected by drugs and/or alcohol.

Random testing may also be conducted. Random testing may utilise a variety of methods for randomly selecting names such as software, lottery of selection through coloured marbles in a bag drawn by each employee. All staff on site must participate in the random selection.

If the Shire of Beverley suspects that an employee is under the influence of drugs and/or alcohol it may pursue any or all of the following actions:

- direct an employee to attend a medical practitioner and submit to a medical assessment to determine whether the employee is fit to safely perform their duties;
- require that an employee undergo drug and alcohol testing administered by a representative of the Shire of Beverley; and/or
- direct an employee to go home.

A medical assessment may include a drug and/or alcohol test. Testing shall be conducted in accordance with the Australian Standard AS/NZS 4760 - Procedures for specimen collection and the detection and quantitation of drugs in oral fluid and/or the Australian Standard AS/NZS 4308 - Procedures for specimen collection and the detection and quantitation of drugs of abuse in urine.

In circumstances where an employee indicates the consumption of prescription or pharmacy drugs, the Shire of Beverley can request further information from the medical practitioner conducting the assessment about the effects and proper usage of the prescription or pharmacy drugs being taken. The Shire of Beverley may direct the employee to go home following the medical assessment until it can be established that they are fit to undertake their duties.

If an employee refuses to attend a medical examination or refuses to submit to an alcohol or drug test, the employee will be immediately directed to go home. Refusal to attend a medical assessment or refusal to go home constitutes a breach of this policy and will result in disciplinary action being taken against the employee up to and including the termination of employment.

The following steps are to be taken where an employee who has submitted to a medical assessment returns a positive test result for alcohol and/or drugs:

- The employee tested and the supervisor (or respective employer) will be informed of the result;
- A disciplinary discussion will take place in accordance with the disciplinary policies and procedures of the Shire of Beverley.

An employee who returns a positive test will be in breach of this policy. A breach of this policy will result in disciplinary action being taken against the employee up to and including the termination of employment.

Education, Training & Awareness

Employees who recognise that they have a drink or drug problem, or that they are at risk of developing one, are encouraged to come forward so that they can be assisted to get the appropriate help.

Consequences of Breaching this Policy

An employee engaged by the Shire of Beverley who breaches the provisions of this policy will face disciplinary action including termination of employment.

Variation to this Policy

This policy may be cancelled or varied from time to time. All the organisation's employees will be notified of any variation to this policy by the normal correspondence method.
