Shire President's Report February 2013

Minister for Agriculture Visits Beverley

The Hon. Terry Redman MLA, Minister for Agriculture and Food, Forestry and Housing, and the Hon. Mia Davies MLC were part of a group who visited Beverley just before Christmas in 2012 to look at Avondale. The delegation were also shown around the Railway Station Cultural Precinct and Beverley Mens Shed, concluding their day engaging with young farmers from the Beverley/Brookton area for an informal question and answer session.

Recreation Project

The recreation project at the oval is still progressing well, with the building really starting to take shape now. Advertising of the Tender for the provision of new netball courts occurred in January.

Council Meeting 26th February 2013

The first Beverley Council Meeting for 2013 is Tuesday 26th February. Meetings are held on the fourth Tuesday of the month, commencing at 2pm. Public Question Time is held at the beginning of each meeting should there be questions you wish to put to Council. If seeking to make a Presentation or Delegation please contact the CEO in the week prior to arrange a suitable time.

Beverley Town Centre Revitalisation Survey

Council is initiating redevelopment planning for the main street precinct. Although in the very early stages of this process, a survey was included with the 2012 rate notices seeking community feedback. Of the 28 responses received, underground power was clearly on the top of everyone's mind. Other recurring comments included more shade, trees, planter boxes and flower beds, improved façade of empty

shops, upgrade of Federation Square, more fixed seating, historic plaques for buildings stating age and their original purpose and acknowledgement of Noongar heritage. There will be more opportunities for community consultation in due course.

Caravan Park

We wish Janet well following the stressful loss of her possessions and caravan and look forward to her bubbly self resettling in at the new location. The Beverley Caravan Park continues to attract a steady stream of visitors and favourable comments regarding the Park and our town.

BEVERLEY YOUTH REPORT

You might have heard through the *grapevine* that I have a new job, but thanks to the Shire of Beverley I will still be running the Youth Centre on Friday nights - commencing 1st February and have just started the Holiday Programme.

Thanks Jenny Broun for once again encouraging the children from Beverley and York to express themselves through Art.

We had a fabulous day, sausage sizzle for lunch, running through the sprinklers to keep cool and producing some wonderful pieces to hang in our Youth Centre.

We were fortunate to receive a grant from Department for Communities to enable the Youth to get together and help bring some more wonderful colourful and happy pieces of artwork together.

WHAT'S HAPPENING AT BEVERLEY PHARMACY?

Good bye from Chris and Marion

With a tinge of sadness we wish to let you know that we have sold the pharmacy, but will remain in Beverley for the foreseeable future.

It has been our pleasure to serve you for 12 years but it is now time to allow the pharmacy to grow and develop under the guidance of a new owner. We have appreciated your support and loyalty over the years and hope you will extend your generosity of spirit to the new owner, Mr Ramy Mousa who takes over the business on Monday 11th February. Chris and Marion will continue to trade as normal until this date.

Thank you for sharing your lives with us. We are the richer for it.

Please welcome Mr Ramy Mousa as the new owner

We ask you to welcome Mr Ramy Mousa, his partner Jacklene and their two year old child to Beverley. Ramy and Jacklene, who will be arriving from New South Wales, are both pharmacists and will settle into the flat behind the pharmacy.

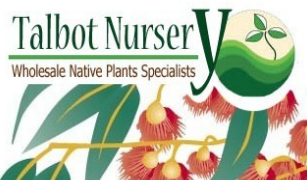

Ramy and Jacklene commence on Monday 11 February. Chris and Marion will also be present in the pharmacy for the first week to assist them with the transition and make introductions to the community.

Staff comings and goings

We are delighted to know that Becky will remain in the pharmacy and continue with her Certificate III in Community Pharmacy while Janet will return 'home' to South Yunderup at the beginning of February. Katie and her family have moved to Mandurah and we wish her well in her future endeavours.

And the winner is?

We are pleased to announce that Bev Vivian won the Christmas Bear called "Beverley".

Beverley Swimming Pool Half Season Update 2013

November was all about the inaugural Teddy Bear's picnic and was a huge success with Kids young and old having a fantastic day. Due to overwhelming positive comments we have decided to make this a regular pool fixture. This event would not have been possible without the help and support from my fiancé Emily whom without would have just been another average pool party. She floated the idea past me then kept coming up with new and exciting ideas daily which ensured this culminating into one of our biggest events on the Calender.

Early December was the start of the heavily promoted Beverley Swimming Pool's 50th Birthday Party, which took place on the 15th. Special thanks to our Shire President Dee and our CEO Steve for authorising RadioWest to help promote this great day.

Those of you who haven't seen the plant room mural should make an effort to pop on down and check it out. Matt Fuller from Quairading was the urban artist and informs me that after a full week of work it is still not quite finished. I have very limited knowledge of art so I guess I have to accept his word but seriously it's a fantastic visual for all visitors to our beautiful pool.

Christmas came and went with a flash but somewhere in between all that madness Karen Pepper was our 2012 raffle winner and massive amounts of thanks goes out to all the generous people of Beverley for supporting the raffle by purchasing tickets.

On the subject of generosity may we send out our warmest heartfelt thanks to Mr & Mrs Graham and Robyn Murray who donated a \$150 GPS. Robyn won it in a raffle down south and kindly offered it up.

Karen Pepper, winner of the Christmas Hamper

As all the regulars would have noticed, brand new outdoor table and chairs have appeared out the front of our busy kiosk, these were purchased from money raised in our raffle, thanks again all.

News from our early morning swimmers is positive this season; no one has died of hypothermia or heat exhaustion yet. It's been a relatively consistent year so far. I was a wee bit concerned at the beginning as we lost four of our last year's regulars due to work commitments or relocations, however as always here at the pool we like to turn all negatives into positives. We managed to recruit a few replacements and can I just say how lovely it is to see some new faces enjoying the beautiful mornings. On that subject there is still room for a few more, we meet 6.30am Monday to Friday including Tuesday's and all standards are welcome.

The Beverley Swimming Club has taken a new direction this season and been going from strength to strength. They are doing some exciting fundraising activities for the second half of the season, we will keep you all informed on what they are closer to the dates, but I can say in February the kids will be swimming loads of laps for money followed by a massive pool party.

Our Shire has authorised the return of a 1.5m diving board to be launched for the Australia Day Family Pool

Party on the 26th of January for all ages, bombing comp, doesn't get much more Aussie than that. Daryle Burton did some of his best work building it and from all accounts it's destined to become a crowd puller, thanks Daz, from the Shire of Beverley and Contract Aquatic Services.

Just before I wind up thank you to all my regular kids for all the help they gave on Sunday the 6th of January from a mini tornado that smashed into us causing some structural damage and flooding. One word describes our weather this season...Bipolic. Massive highs and horrible lows. At least our pool temperature has been a consistent 28 plus for most of the season.

Hopefully I will have some good news from the funding front in my season wind up of the April issue. It will help to keep improving our complex so fingers crossed.

Big thanks to Mel K and all the Shire staff for the extra effort on our beautiful lawns once again this season, cheers boys.

Jodie Bell has some availability left for the Monday swim lessons for babies and toddlers. Contact me at the pool for more info it's been a very successful program so far.

Until then keep cool at the Pool and please feel free to pop in for a refreshing dip.

Station Gallery and Gardens

I start this year's notes with an apology to both Beverley Country Kitchen and Elders for their businesses not being printed (a typo) in the December Blarney amongst those that donated so generously towards the raffles that were drawn at the Christmas Concert. Both Country Kitchen and Elders are great supporters of Beverley Station Arts and we hope they will continue to do so.

The Gallery may not have been open to the public during January, but that doesn't mean all has been idle. Besides keeping up with watering the garden, and keeping the premises clean, we have ready for perusal a new exhibition on the gallery walls. Since the beginning of the Artist-in-Residency programme a number of the artists have donated works to the Gallery and we thought it time that they were hung for all to appreciate. Remember, these paintings are in the Shire collection so they belong to the community.

The rest of the collection is now easily accessible and safely hung on painting racks that have been specifically made for the gallery by our most generous benefactor of Black Planet Thoroughbreds. Sincere thanks the McGlew family, and to Darren Boyle and Tom Bardon for their professional workmanship.

Lew, Phil, Darren and Simon lifting the paintings rack frame onto the platform

Darren and Phil making adjustments to the frame inside the gallery

Marylou hanging the first painting onto the racks

Speaking of great work ethics, we must also thank Phil Dempsey for his care and skill in the making of a free standing verandah to the Guards Kitchen. Food preparation and serving will be a lot more comfortable in the kiosk without the afternoon sun beaming in.

Artist-in-Residence

We have a full programme for this coming year with some weeks in between still awaiting confirmation. Please make our visiting artists as welcome as you have done in the past.

March - Mike Vandeleur (Safety Bay) followed by Nada Murphy (Perth)

April - Ruth Halbert (Perth)

May - Carol & Stan Kemp (Busselton)

July - Marta Salamon (Victoria)

August - Eunice Mitussis & Biruta McLauchlin (Perth)

September - Margarette Looney (Sydney)

October - Dorothy McInnes (Perth)

November - Janet Pfeiffer (Perth)

Easter Art Exhibition

Yes, it's that time of the year again! Anyone wishing to enter works of art into the 45th Annual Art Purchase Exhibition can pick up entry forms at either the Shire offices, Station Gallery or the Newsagency. There are many sections of 2D media that can be entered into, including a category for children so get those pencils and paintbrushes out kids!

Easter Art Raffle

Raffle tickets are now on sale at the Newsagency or Station Gallery for the lovely oil painting donated by Pat Lane (Best Local Artist 2012) and framed by Chris and Ruth Baker of York. The raffle will be drawn at the close of the exhibition on Easter Monday 1st April.

Beverley Choir

It's still not too late to put your name down if you are keen to join the Beverley choir. Sarah Miller is the co-ordinator - Ph 96464066 or email miller@reachnet.com.au. Kelly Newton Wordsworth (from Williams) is to be choirmaster and is looking forward to starting.

Platform Theatre Events

Hopefully by the time this is printed Beverley Station Arts has presented another successful show - that being the Australia Day Concert. With many still away on summer vacation (including more than half the committee!) it was always going to be a gamble. **Next Event:**

OPERA ON THE PLATFORM

The inaugural "Opera on the Platform", inspired by "Opera under the Stars" held annually in Broome for the last 19 years, is an event we hope to make yearly also. For those yet to experience the "power of opera" this will be a fantastic opportunity as members of West Australian Opera Mary-Attracta Connolly (soprano), Mark Alderson (baritone) and Tommaso Pollio (pianist) will be performing many well-known songs that will thrill everyone. The most impressive profiles of the three artists will be featured in the programme on the night.

Now, what does one wear to the opera - dress to kill? Why not? Or at least dress "Beverley Formal" - not your "high vis" boys, or your best flanno, although if you insist, maybe team it with a tie! Anyhow, on with the show...

- **An Evening of Opera**
- Saturday 16th February 2013
- Beverley Platform Theatre
- Tickets \$45 (adults), \$20 (children under 15 years)
- Tickets available from Beverley Newsagency OR online bookings www.trybooking.co/CHXH
- Dress "Beverley Formal"
- Lucky prize
- Licenced bar (under 18's must be accompanied by a parent/legal guardian at all times)
- Complimentary Champagne on arrival Food available, soft drinks, snacks and ice-creams
- Coffee van
- Gates open 6.30pm
- Entertainment starts 8.00pm

If you would like to be included on the email list for notification of coming events (so you can forward to friends), email secretary Sarah Miller miller@reachnet.com.au

Platform Theatre Chair Drive

Station Arts continues to build its store of chairs through a "chair drive" where you are invited to donate \$20 for the cost of a chair. If you would like to donate a chair, and/or become a member Beverley Station Arts Inc (Friend of the Station) please see treasurer Pauline at the Newsagency, ring 96461042, or email beverleystationarts@gmail.com. Membership forms can also be downloaded from www.beverleywa.com (NB cheques to be made payable to Beverley Station Arts).

Dates to mark on your Calendar:

Saturday 16th February: OPERA ON THE PLATFORM - dress 'Beverley Formal' for an evening of Opera with Mary-Attracta Connolly (soprano), Mark Alderson (baritone) and Tommaso Pollio (pianist) - members of West Australian Opera.

Saturday 16th March: LUCKY CHARM - a 60's-80's music Show Band featuring members of WA bands the Troupadors, Breakaway, Brix and The Times - all legends of WA so it will be a reunion style performance of Fun, Friends & Memories!

Saturday 30th March: PLATFORM EASTER MARKETS - art & craft, gourmet food & music.

Thursday 28th March - Monday 1st April: 45TH ANNUAL ART PURCHASE EXHIBITION (presented at the Beverley Town Hall).

Thursday 28th March 7pm - 9pm: ART EXHIBITION OFFICIAL OPENING

Friday 12th April: CANTERBURY TALES - comedy drama production by SW Performing Arts

RETAINED NUMBER PLATES

If you have received a letter recently asking of your intentions regarding retained number plates ***please contact the Licensing Staff at the Shire ASAP.***

We have had direction from the Plates Section advising us that we are under no obligation to hold plates.

If they have been retained at the Shire with obviously no intention to place on a vehicle in the immediate future, we can dispose of the plates.

Your ownership of personal or local authority plates will be retained but the plates will have to be remade if required.

State or district plates will be relinquished to be returned into the system at a future date thereby releasing more 'low numbers'.

If plates held at the Shire office are not assigned to a vehicle by **28th February 2013** — they will be disposed of without further warning.

**Beverley Patchworkers
and Quilters**

We hope everyone has had a happy and restful time over the Christmas and New Year period.

During January a couple of our ladies have been to Avondale for quilting sessions on most Tuesdays.

Our year will begin in earnest in February and we would welcome any new members from the community. We are a friendly group and you are assured of a happy time with us. If you haven't done much or any patchwork or quilting there is always someone to teach you or if you would rather bring along some other sewing you would still be very welcome.

We meet each Tuesday at 10.00am at our rooms at Avondale.

News Straight From the Broomstick

When heading home from work the last thing you expect to see in the middle of the road would be abandoned kittens, which is exactly what we found on Thursday 17th January.

These two gorgeous ginger kittens were so hungry and frightened that it took us awhile to approach and pick them up. We are very lucky we found them when we did because they may not have been able to survive very long without help or they would have started hunting native animals such as the endangered Red-Tailed Phascogale.

These two male kittens are about 8-10 weeks old, one being a dark ginger the other one a pale ginger. If you know who had these kittens please contact the Shire of Beverley Ranger on 0417 181 349 or the Beverley Shire on 9646 1200.

The act of dumping unwanted animals is cruel, barbaric and illegal and can result in a significant fine or a prison sentence could be imposed. With the new cat laws being phased in from this year, all cats in WA need to be sterilised and micro-chipped.

To the person who dumped these kittens if you come forward and ring me I will not reveal any information regarding you to the authorities. You will not be prosecuted if you allow us to sterilise the mother cat to prevent this from happening again.

The good news is these kittens have been taken to our Vet in Mundaring and will be sterilised, vaccinated, micro-chipped and found a new loving home. I can be contacted on 0437 483 175 or 9646 1469.

THE BLUE LINE

Beverley Police Station

57 Hunt Road, Beverley WA 6304

Hello Again,

This will be the last article I will scribe as the relieving Officer in Charge of Beverley Police Station. February will see the return of your Sergeant Darrell Hagan from a well-earned break.

With the news of the fire and devastation in our sister states, I think it is timely to remind people of their responsibilities when it comes to fire bans and movement bans. While I may be preaching to some already well informed people, some fires can be started unintentionally by those who have little or no understanding of these bans or the possible consequences of their actions.

TOTAL FIRE BANS

These affect everyone, whether you live near bush or in a built up area. They are a prevention measure to warn you of a day of predicted adverse fire weather. On these days you should be particularly careful not to cause a fire to start. Department of Fire and Emergency Services (DFES) consults with Bureau of Meteorology to determine when dangerous weather conditions are likely. You can check if your shire has a ban on the DFES website at www.dfes.wa.gov.au or by calling 1800 709 355 or by listening to ABC local radio.

The DFES website has further information in relation to the terms and conditions that apply to Total Fire Bans (including frequently asked questions). I encourage you to visit the site or if you do not have computer access, pick up an information brochure from the Beverley Police Station. The penalties for ignoring a total fire ban? You could be fined up to \$25 000 and/or jailed for 12 months if you ignore the ban.

HARVEST & VEHICLE MOVEMENT BANS

Bans are issued by local governments when our Bushfire Control Officer is of the opinion that the use of engines, vehicles, plant or machinery during the prohibited burning times or restricted burning times or both, is likely to cause a fire or contribute to the spread of a bushfire. To find out if a Harvest and Vehicle Movement Ban has been imposed you need to contact the HARVEST BAN HOTLINE on 9646 0145.

HOUSE / PROPERTY IDENTIFICATION FOR EMERGENCY SERVICES

This brings me to my next item – house/property identification. Could emergency services find you in a hurry? All too often precious time is wasted trying to find a house or property number to identify the exact location of where our emergency services are required. Please ensure your number or property name is clearly displayed and visible from the roadside. Local knowledge is a wonderful thing but when officers attend from outside your town or area specially at night, something as simple as a clearly displayed reflective name or number, could mean the difference between saving a life or death, particularly in rural locations.

THANK YOU

Every day I drive through town and see your smiles, people stopped on the footpath and engaged in conversation and laughter. I am still overwhelmed by your sense of community. It has been a pleasure to serve you; I have thoroughly enjoyed my time in your town.

Kind regards

Karen

View From The Shed Mental Health and Staying Safe

When we think about mental health our most common thought is to flick straight to illnesses associated with poor mental health. We know about poor mental health conditions which are often talked about, things like depression, anxiety and post traumatic stress.

While some people have a predisposition to mental illnesses we very often fail to realize that most of these "illnesses" start from situations that are unresolved in our lives. I call this type of problem "Situational Distress" and if left unattended can be very debilitating.

These situations, or life events, can come from many places and can include relationships, finance, physical health or just dealing with difficult times in our work life. The possibilities for where they come from are endless.

What can happen if we don't deal with these "situational distressors" is that they erode our ability to cope with everyday life, the worry, anxiety and depression takes over our life to the point of desperation and despair. If we are living with excessive stress

(situational distress) or anxiety it will alter the chemical balance in the mind to the point where you become dysfunctional in decision making. You begin to overlook critical relationship and safety issues that you would normally respect and observe. This experience is similar to our response to chronic physical pain.

If you are experiencing situational distress you can also have a secondary problem, that is trouble sleeping. This can lead to fatigue which diminishes your ability to stay well even further. As a result of these compounding factors you may also experience temper outbursts that can lead to irrational behavior and dangerous, thoughtless actions putting your safety and/or the safety of others in jeopardy.

Mental illness is often underestimated and very insidious in the way it affects behavior and work practices. Be prepared to acknowledge when the going is tough, or when you are feeling tired or fatigued. Take extra care and protect yourself and others from the effects of "situational distress". Stop and ask yourself "what is causing me to be distressed" and then ask "what I am doing to prevent this

becoming a mental illness that may have the potential to destroy my quality of life".

The simple message is always evaluate the risks in the context of your current capacity to cope. This may involve stepping back, putting in place extra protection or rethinking in some way. Often discussing a problem with a partner or good friend highlights other options that may have been missed by you.

However you choose to deal with problems remember "situational distress" can often be the underlying cause of serious mental illness which we can avoid if we can start to recognize the signs.

Cleaning tips

The following tips will help to ensure your difficult-to-clean eligible farm chemical containers will be accepted for recycling at your local *drumMUSTER* collection centre.

Suspension concentrates (Atrazine, Simazine, etc)

- ✓ Rinse your container immediately after use to ensure any chemical residue does not dry
- ✓ Use methylated spirits to remove dried residue. If this doesn't work, fill the container with water and soak for at least 24 hours before rinsing.

Oil-based chemicals (ULVs, LVs)

- ✓ Follow specific instructions on the product label or contact the manufacturer for further assistance

Other chemical residues

- ✓ Rinse container immediately after use as all chemical residues are much harder to remove when dry
- ✓ Some containers may require additional rinsing (more than three rinses)
- ✓ A brush or high pressure hose may be required to clean stubborn or dried chemical residue

✓ **ELIGIBLE CONTAINERS WITH DIRT, RUST AND DYE STAINS ARE NOT CONSIDERED HAZARDOUS AND ARE THEREFORE ACCEPTED AT *drumMUSTER* COLLECTION CENTRES**

BEVERLEY TOURIST BUREAU

Hello to 2013. I don't think any comment on our weather is appropriate, as we all know about that.

However, the Bureau has started off really well, with one new volunteer going the team. Michelle you are welcomed by us all and we hope you will be happy with us.

Janet, from the Caravan Park, has had a terrible start to the year with the loss of her caravan due to fire. You are a great ambassador for Beverley and we hope that your problems will soon be resolved.

On to Tourist Bureau News. We have decided to stock T-shirts and some polo shirts, with Beverley Western Australia embroidered on them to sell at the Bureau. Plus the volunteers will be issued one each in a colour of their own choice. Deciding colours and designs is mind boggling and seemed to take ages but we hope that we have chosen correctly and that Beverley will back us in our venture.

This week I had an interesting email from Vancouver, Canada from a David Price. He was enquiring about a former resident of Beverley, his uncle, by the name of George Price. Well, Beverley people are really amazing. George Price emigrated from Liverpool to Australia and settled here in the 1920's. So many people have given us information. Bon Hall went a step further and was able to put me in touch with James Price (George's son). I rang him and he gave me his email address which I have forwarded to Vancouver so connecting the two first cousins. Thank you to Bob and everyone who passed on information.

This week also Social Services have asked the Bureau if we are willing to have a young man for one day a week to work with us and we have agreed.

Regardless of the heat we are still getting a steady flow of tourists from overseas and the Eastern States - plus people from WA.

Thank you to all our volunteers.

**BEVERLEY BRANCH,
COUNTRY WOMEN'S
ASSOCIATION**
www.cwaoswa.asn.au

The Beverley Branch of the Country Women's Association has been in recess since our December meeting and Christmas luncheon. It is now time to resume our meetings and friendship gatherings, so we have set Thursday 14th February as our first meetings of the year.

Our February meetings will commence with morning tea at 10.00am at the CWA Centre followed by our normal monthly meeting and a discussion of our plans for the year. New ideas and suggestions will be most welcome. This will be followed by a Bring and Share Lunch – social interaction and a friendly catch up break.

After lunch will be the Annual General Meeting with election of Officers and the normal AGM procedure. The day will wind up with afternoon tea. Members please give lots of thought to our coming year and any events of interest.

We say "Farewell" and Thank you to Rhonda and Ev Seymour who have sold their home in Beverley and will be moving to Baldivis. We wish you both every good wish for the future – may you enjoy the best of health and happiness in your retirement.

NEW MEMBERS will be made most welcome. Just turn up on the day or phone Secretary, Lorraine Sims on 9646 1243 or Treasurer, Teresa Reid on 9646 0979 if we can be of help with further information.

10 Hints and Tips to SPEED UP CLEANING

1. Buff your marble tabletop or benches with car polish. It leaves a thin, invisible film that helps in reducing the risk of stains.
2. Eucalyptus oil removes the gummy residue left by shop stickers.
3. To keep spiders and other crawlies out of shoes that you keep outside, (farm boots, gumboots etc.). Place old stockings over the top of them. Make sure the stockings don't have holes in them, and if they do not fit snugly over the top, use an elastic band to secure them.
4. To clean a microwave oven, add four tablespoons of lemon juice to one cup of water in a microwave safe bowl. Boil for five minutes in the microwave, allowing the steam to condense on the inside walls of the oven. Then simply wipe them with a soft cloth.
5. To clean a stainless steel sink, put the stopper in the sink with two denture-cleaning tablets and half fill with water; leave for several hours or overnight and the next day it should be sparkling. Then use the water to clean the draining board too.
6. To remove fingerprints from stainless steel appliances, place a small amount of baby oil on a napkin/paper towel and wipe the affected areas. The fingerprints will just wipe away.
7. To remove marker pen off hard surfaces, spray on hair spray and then wipe it off.
8. To remove cat and dog hair from clothes and furniture, rub them with damp rubber gloves.
9. For a quick fix in ridding the hard floors of your home from animal fur, place a stocking over your normal broom and sweep as per normal and the fur will collect on the stocking.
10. To prevent ash from flying everywhere when cleaning out a fireplace, use a spray bottle filled with water to cover the ashes with a light mist.

Talkin' Soil Health Conference

Invention and innovation in soil management

26th and 27th March 2013, York Town Hall, York WA

Wheatbelt Natural Resource Management (Wheatbelt NRM) is bringing together some of Australia's leading researchers and practitioners in soil management to engage in conversations with farmers about soil health. The event, Talkin' Soil Health, will take place on **Tuesday 26 and Wednesday 27 March 2013** at the York Town Hall, York, WA.

Program

The two-day program will feature some of Western Australia's most eminent soil scientists and land management practitioner and will feature sessions devoted to getting the most out of our soils by using best practice:

- soil preparation;
- cropping;
- grazing; and
- agroforestry techniques.

The program is led by key note speakers *Dr Christine Jones*, internationally renowned soils ecologist and *Dr Michael Robertson*, Principle Research Scientist specialising in broadacre farming systems, CSIRO and a range of expert speakers from UWA, DAFWA, Curtin University and more.

Each session will have a number of specific topics that reflect the theme of the session followed by a 20-30 minute facilitated panel discussion where farmers will be able to direct questions to the session speakers. The second day of the conference will be devoted to workshops in the field where farmers will have the opportunity to engage with researchers from UWA, WANTFA, Avongro and CSIRO in practical, hand-on exercises to apply the knowledge gained.

To register your attendance please contact Communications Officer Georgia Trainor on 9670 3100, email rsvp@wheatbeltnrm.org.au or visit:

BEVERLEY COMMUNITY PARALEGAL AND REFERRAL SERVICES (BCS)

General Information

This publication touches on FINANCIAL HARDSHIP, repossessions and foreclosures.

We all live in trying times. There are some, whose lives are changed in an instant, e.g. you have lost your job (with no notice), you have been in an accident or lost your property and all your belongings in a fire - WHAT HAPPENS?

THEN IN SOME CASES, You have NO savings and no one to turn to, how does one cope?

The information at hand, from consumer experts, is where property/goods are mortgaged or are on hire purchase; contact the lenders (finance). Explain your position or seek help from someone qualified or an advocate, who can speak for you. Whether you have to negotiate re-financing, if they advise you to do so, basically avoid shelving the matter, the reminder letters for late payments will not go away, which will even lead to 3 final notices and thereafter to legal action for non payment, default, as per sections of the mortgage or hire purchase contracts, eventuating in a court order to foreclose or repossess, this will be conducted by the authorised court officer (bailiff).

From time to time we all view

those above state of events to which occur, (via our TV sets and/or statistics) show that most watchers, believe, it will never happen to them.

This is not a true or realistic scenario, as these unfortunate and unpleasant proceedings do occur in the real world and sometimes beyond one's control.

As one of many who live in the real world, I meet a lot of people who do have problems and some have no one to turn to.

It must be said, that when one sees, in real life, mortgage foreclosures, property re-possession - in action, is a very harrowing experience where ever possible, experts in the field state, 'to seek immediate help and that whenever one is facing financial problems, they should seek help from financial councillors and to seek legal help as to your rights and obligations, under the law of contracts'.

When I am requested to help, I am pleased to do so but I am restricted from offering legal and financial advice (these are two separate statutory bodies)

The International *Back to Back* Wool Challenge Story

In 1811 at Newbury in Berkshire, UK, a one thousand pound wager was made to make a coat from the sheep's back to a mans back in one day.

Watched by 5000 people, the coat was completed in thirteen hours.

The sheep was eaten with much quaffing of beer to celebrate.

Today's Challenge began in 1992 when Richard Snow, a keen young spinner at the Scottish Wool Centre at Aberfoyle in Scotland, developed thyroid cancer.

His desire to raise funds for cancer research sparked off their **Back to Back Challenge**, a competition very similar to that run almost two hundred years ago.

The event created enormous interest in the UK, not only because of the clever wool promotion but also because of the funds raised for cancer research.

That same year, Australia held a similar contest.

Teams representing football clubs The Cats, Geelong, Victoria and the West Coast Eagles, Western Australia competed in a race to spin & knit a football scarf from freshly shorn wool. When Australian Wool Showcase member, Wendy Dennis took part in the 1994 Fourth World Congress on Coloured Sheep at York University, UK, she also visited the Scottish Wool Centre. With similar annual competitions held in Scotland and Australia, combined with fundraising for Cancer Research, the seed was sown for a combined International Competition and the rules were developed to suit.

Teams consist of a blade shearer, a sheep and seven handspinners & knitters. Team nominate time keepers, assessors & coordinators monitor each team competing at their own wool related venue.

All teams follow the identical Challenge rules and pattern exactly as they are written.

The 1995 inaugural Challenge with nine teams competing from three Australian States, Scotland and the Shetland Isles, was won by the **Shetland Isles in 5 hours 57 mins 58 sec.**

Over 1,350 Pounds was raised by the Scottish Wool Centre for the Cancer Research Campaign. **1996 saw twenty two teams competing**, sixteen in Australia from four States. USA entered a team from Michigan and the UK had teams from Scotland, the Shetland Isles, Devon and Cambridge.

Again, the Shetlands were unbeatable, breaking their blistering 1995 record by 39 minutes.

They clipped another nine minutes off the next year.

In 2004, **Merriwa**, New South Wales, Australia broke the 5 hour barrier.

Their time:- **4 hours 51 minutes 14 seconds** is now in the *Guinness World Records* book.

Merriwa also raised a record **\$15,000 for Cancer Research.**

Ireland, Wales, Canada, New Zealand, Japan, Czech Republic & Republic of South Africa have since joined the Challenge.

In just a few short years, the Challenge has developed at a remarkable rate.

It is a simple and direct method of promoting wool from 'sheep's back to spinners back' using the ancient skills of blade shearing, spinning and knitting.

And it is timed to coincide with Australia's long weekend in June and the tourist summer season in the Northern Hemisphere

EASTER LONG WEEKEND BROCHURE

For the last two years the CRC have compiled and distributed over 800 brochures annually to travellers, campers and tourists at the caravan and camping expo in Perth. Our town turns into a thriving metropolis during the Easter break, with the art show, tennis tournament and more.

Preparation for the 2013 Easter Brochure, has started.

This is a great advertising opportunity for any community groups that will be hosting events over the Easter long weekend. Also for businesses that are planning to open over this busy period please ensure you get your trading hours into the CRC to secure your position. Don't miss out as space is limited.

THE JASMINE ROOM

The ladies from The Jasmine Room in York will be visiting the Beverley CRC on Wednesday 13 February. If you are a current client please be sure to book in through them on 9641 1002.

FACT SHEET

WESTERN AUSTRALIAN LITTER PENALTIES

LITTERING IS ILLEGAL

Under Western Australia's *Litter Act 1979*, littering is illegal. The Act authorises Keep Australia Beautiful Council (as part of the WA Department of Environment and Conservation), local government, police and other litter enforcement agencies to take action against those who litter. This action can be in the form of 'on-the-spot fines', or as reports to the Keep Australia Beautiful Council which are followed up by infringement notices being sent to the offenders.

Not paying your fine can lead to court action or result in your fine being sent to the Fines Enforcement Registry which has the power to withdraw licences until the fine is paid.

NEW PENALTIES FOR LITTERING

In August 2012 the Western Australian Parliament passed amendments to the *Litter Act 1979* which resulted in an increase in littering penalties and a greater range of littering offences.

How will these changes affect the public?

Littering fines will now cost more.

- Cigarette butt littering fines have increased from \$75 to \$200 for individuals and \$500 for corporations (businesses).
- Corporations can now be fined \$500 for littering offences by their workers.
- Fines for some offences have increased to \$500 for individuals and \$2 000 for corporations.
- If taken to court, maximum penalties for littering offences have increased to \$5 000 for individuals and \$10 000 for corporations, or in the case of offences against the litter regulations (in the table below), \$5 000 for both individuals and corporations.

Vehicle owners will now have to take responsibility for any littering from their car or boat.

In cases of littering from vehicles, where neither the litterer nor the driver of the vehicle can be identified, the person responsible for the vehicle (usually the registered owner) will be deemed to have committed the offence and will have to pay the fine unless they can identify the offender.

There is a greater emphasis of littering that is hazardous to the community.

A new littering category called "Littering that creates a public risk" will attract an infringement penalty of \$500 for individuals and \$2 000 for corporations. Examples include (but is not limited to) the littering of car bodies and car parts, batteries, hazardous chemicals or medicines, fridges and freezers with doors attached, tyres, lit cigarettes and syringes. (Details in table below).

What else do I need to know?

In Western Australia littering infringements can be issued by authorised officers that include: police officers, local government rangers and other officers employed by government departments that oversee the protection of the environment and waterways.

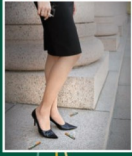

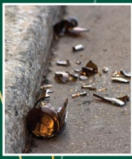

The Keep Australia Beautiful Council, through the Litter Report Scheme, issues infringements in response to litter reports from community members who are registered litter reporters.

For more information on litter offences and penalties, please visit www.kabc.wa.gov.au or email kabc@dec.wa.gov.au.

To assist Local Government Authorities to promote the new litter fines in their community KABC has developed the *WA New Litter Laws and Changes Resource Kit*. Email KABC for more details.

Department for Communities

→ **Early Years**

Activities Money

Children's early years are their most important. What happens then influences their development through life.

This includes their brain development, social skills, how they develop relationships and their ability to learn.

Early Years Activities Money

builds the capacity of communities to identify their priorities and develop plans to improve the wellbeing of their young children.

Funding is available to community groups and organisations for activities targeting children aged 0-8 years, their families, carers and communities.

Applications should:

- improve the wellbeing of young children in a community by working together and being inclusive
- support families in nurturing and caring for their children
- engage communities in the coordination of resources supporting early childhood.

How does the activities money work?

Each year, the Department for Communities identifies early years priorities for each region.

Activities money requests should meet these priorities, and may include:

- group activities
- guest speakers
- initiatives identified by the community
- small, one-off projects.

Funds may be used for engaging community members, particularly those who are more socially isolated, increasing community awareness and understanding of the importance of children's early years. Partnerships, such as with local agencies and community groups, are strongly encouraged.

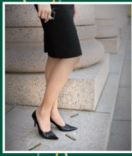

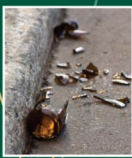

→ **How much?**

Up to \$2 000 per activity is available. Requests for applications for amounts from \$50 to a maximum of \$2 000 will be considered.

Further information on applying and eligibility is available at www.communities.wa.gov.au or contact your local Department for Communities office.

BEVERLEY HISTORICAL
SOCIETY

The December 2012 meeting was attended by eight members with three apologies. There was general agreement that the 30th Anniversary Garden Party of the Garden & Tree Society held in the Dead Finish Garden in November was a resounding success.

A traditional afternoon tea setting was prepared in the Dead Finish Meeting Room for the 30th Anniversary Garden Party. The display included silver tea service, hand-embroidered linen

table cloths and napkins. Fine English china teacups, plates, silver serving dishes, teaspoons and cake forks. Thanks Peg & Maree for this much admired display.

We had also had visits from two schools towards the end of the school year. The Year Twos from Beverley DHS had their now traditional "Olden Days" activity morning with silver cleaning, dressing up, writing with a nib-pen dipped in ink, and hand-washing using Sunshine Soap, Reckitts Blue and glass scrubbing boards. As usual each student went home with their own piece of Australian history - a pre-decimal currency penny copper coin.

Year Eights from Rossmoyne SHS were studying the transition from the Agricultural Age to the Industrial Age. From our collection we showed unique examples of the "Self-Sufficiency" of pioneers in pre-industrial years when people made their own furniture, clothes, tools, kitchen utensils and gifts.

A research request from a descendant of **Amelia Victoria Smith** revealed this industrious widow sold pies from the Settler's Arms (now Dead Finish) verandah before opening a boarding house opposite the Court House. This building sadly burned down in 1908.

Donations included more Beverley Boy Scout troop memorabilia - receipts, certificates & a Leaping Wolf Badge.

We noted the obituary from the *West Australian* of writer, **Athol Thomas**, who was born in Beverley & compiled the History of Beverley book published in 1946.

Next meeting is not till 2nd Monday in March 2013. For more information please contact bhsdeadfinish@gmail.com

Beverley Junior Cricket

The Beverley Junior Cricketers have been having fun on Saturday mornings playing both inter town games and club games. There have been a number of new faces this season which is encouraging.

The player's plays 6 inter town games between Brookton, Quairading and York with 3 being played prior to Christmas and 3 in the New Year.

Beverley has had 2 wins from the games so far and has shown great skill and sportsmanship in these matches.

Beverley vs. Quairading Quairading 93 defeated Beverley 84

Quairading Batting: Mark Sullivan 12, Will Rodgers 11, Connor Anderson 11
Beverley Bowling: Thomas McLean 1 for 2, Samuel McLean 1 for 3, Stanley Stevens 1 for 4
Beverley Batting: Callum Overington 16, Luke Gollan 12, Liam Gollan 10
Quairading Bowling: Will Hadlow 3 for 3, Reece Anderson 2 for 3

Beverley vs. Brookton Brookton 45 defeated by Beverley 96

Brookton Batting: Liam Sweeney 14, Rhys Eyre 13, Claire Symonds 8
Beverley Bowling: Leyton Ugle 4 for 1, Tim Appleby 3 for 1, Luke Gollan 2 for 4
Beverley Batting: Leyton Ugle 17, Thomas McLean 16, Callum Overington 15, Luke Gollan 14
Brookton Bowling: Will Hall 2 for 2, Pearce Fishlock 2 for 11, Jack Thompson 1 for 0

Beverley vs. York Beverley 110 defeated York 59

Beverley Batting: Leyton Ugle 23, Luke Gollan 17, Jamison Ugle 10, Dale Noonan 5
York Bowling: Jackson 3 for 4
York Batting: Khyle Ugle 13, Jackson 10
Beverley Bowling: Dale Noonan 3 for 4, Callum Overington 1 for 1, Tarkyn Henry 1 for 4

Beverley has also been well represented in Regional Cricket also with Luke Gollan, Leyton Ugle and Thomas McLean being selected to play in the Rutherford Shield. Unfortunately Leyton could not play due to school commitments.

Both Thomas and Luke performed well in the games they played.

Junior Country Week was held recently in January. The Avon Team consisted of players from Beverley, Brookton, Quairading, Tammin and also some players from Narembeen and Corrigin. The boys played in D section and came runners-up to Albany by 1 point with both teams winning all their games. As there are six teams in each grade and country week is run over 5 days so Avon did not have the opportunity to play Albany. This was an outstanding result from the team as they lost all their games last year.

Beverley was represented by Beau McLean, Thomas McLean, Daniel Gollan, Luke Gollan and Khyle Ugle also played in B section for the Indigenous XI and performed well.

The boys' stats were as follows

Beau McLean	87 runs	4.50 ave	Highest Score 45	3 catches
	31 overs	8 wkts for 99 runs	Best Bowling 3/17	
Thomas McLean	1 run	Highest Score 1 no	1 catch	
	4 over's	0 wkts for 9 runs	Best Bowling 0/9	
Daniel Gollan	151 runs	50.33 ave	Highest Score 49	2 catches
	29 overs	5 wkts for 88 runs	Best Bowling 2/12	
Luke Gollan	114 runs	22.80 ave	Highest Score 82 no	5 catches & 5 stumpings
Khyle Ugle	5 runs	1.25 ave	Highest Score 3 no	2 catches
	24 overs	9 wkts for 87 runs	Best Bowling 4/35	

Both Beau McLean and Daniel Gollan had further commitments after Country Week as both boys were selected to represent WA Country in the Tom Moody Cup over 3 days. This event assists in selecting the WACA State 15's Squad, both performed well.

Beverley Cricket Club

The Inkosi Design Beverley Redbacks hosted Tammin on Saturday 23rd December 2012.

Tammin 7 for 193 defeated 6 for 174

Tammin Batting:	Mathew Hocking 104 not out,	Luke Button 34,	Chris Thompson 17
Beverley Bowling:	Robbie Wansbrough 3 for 23,	Terry Jones 1 for 28,	Stephen Gollan 1 for 36
Beverley Batting:	Stephen Gollan 110 not out,	Terry Jones 16,	Wayde McLean 14 not out
Tammin Bowling:	Mathew Hocking 3 for 27,	Nic Caffell 1 for 20	

Beverley won the toss and elected to bat in hot conditions. Beverley lost wickets at regular intervals but managed to post a reasonable score with Stephen Gollan batting well to carry his bat for 110. Robbie Wansbrough and Daniel Gollan opened the bowling and had Tammin in trouble early, when Luke Gollan took a catch diving away in front of 1st slip, Tammin were 3 for 16. An 80 run partnership then put Tammin back in the game and with Mathew Hocking providing the backbone of Tammin's innings. They snuck home in the 43rd to win the game. Mathew Hocking played very well and also carried his bat for 104. The junior players again performed well with Luke Gollan taking 2 catches, Beau McLean opened the batting and made 6, took 1 for 54 and held a catch, Daniel Gollan made 3, took 1 for 40 and 1 catch.

The Inkosi Redbacks currently sit in 5th position on the ladder and will need to win at least 2 of their last 3 games to play finals this year.

Southern Avon Ladies Darts Association

Ladies, Ladies, Ladies the darts season is almost upon us. If you have been considering playing darts or would like to play darts come down to our first meeting on Monday 11th February at Freemasons Tavern. Ladies Darts is run on Monday nights at Freemasons Tavern and usually have teams of 4 that have been pulled out of a hat at the beginning of the season. It is a good way to mingle with other ladies and a good reason to have a night out of the house.

Beverley Netball Club Inc.

Well it's almost that time of year again where the sports start back up and the weekends become fully booked up.

Now is the time to think about joining the Beverley Netball Club. Last year we fielded 2 teams in a competition of 10 against Pingelly and Brookton hopefully we can do that again in 2013.

The amenities building looks like it is coming along nicely and hopefully we will be able to use it when we host the grand final again this year.

If you are interested in playing Netball in 2013 look out in the March Blarney for the registration day information and when training starts or come in and see Jo Copping at Avon Trading.

Our first committee meeting for the season to kick things off is Tues 19th February at Hotel Beverley.

BEVERLEY REDBACK HOCKEY

2013 Coach

The Beverley Redbacks Hockey Club is seeking expressions of interest for a coach for the 2013 season. After a successful year in 2012 we are looking forward to another exciting year ahead.

Please forward your expression of interest to The President, Chantelle Meade before 22nd February 2013.

Live Local, Buy Local

The Beverley Business Network's monthly Local Business Profile:

T.M. Hair Design

T.M Hair Design began in 1995 having been a Hair Salon for some years before under several different owners. The business has transformed over time from a Hairdressing Salon to an all-round shopping experience with incorporation of "Secrets" for gifts, fashion & accessories.

We offer Hairdressing for all the family at affordable prices. Our staff is highly trained by our Technician who visits us from Sydney & conducts regular training sessions in the latest colour trends & techniques.

At Secrets we offer a selection of handbags, fashion jewellery, hats, winter woolies, scarves, seasonal ladies fashions of frocks, tops, skirts, & pants, bath & bed linen, decorator items for the home, Ashdene china, glass & silverware, baby range, cosmetics, French fragrances and so much more. If we don't have what you need we will do our very best to source your requirements.

We aim to provide good service, a happy & comfortable environment, competent & helpful staff & a fulfilling shopping experience right here in Your town.

Beverley Farm Services

Geoff & Jenny opened Beverley Farm Services in April 1991. With Geoff's 26+ years' experience in Livestock, the aim was to provide service and supply of Farm requirements: merchandise; livestock; and Real Estate. They are Agents for Summit Fertilizers, West Coast Poly and Tanks West and after 10 years with RTC became an Independent Store with Livestock and Wool through Primaries of WA. Geoff and Jenny are now able to source supplies from a number of wholesalers, endeavouring to always get the best pricing for their customers. Over the years they have done their best to provide and anticipate what the Rural sector requires, priding themselves on Service. Geoff is a licensed General Auctioneer and has conducted a number of clearing sales with Clients being very happy with the results.

Geoff and Jenny are very involved in the Beverley Community. Geoff has been Secretary and Committee Person of the Beverley Football Club, Committee Person & Vice President of Beverley Bowling Club, Master of Beverley Masonic Lodge (still involved with Freemasonry and Bowling Club) and Jenny with Swimming Club, Cubs, Brownies, Tourist Bureau, Meals on Wheels, but now focusing on her role as Volunteer Ambulance Officer (if the shed is closed during normal hours it probably means she is on an Ambulance trip).

Geoff and Jenny both enjoy the lifestyle in Beverley, and support our local Community.

Keep Beverley in Business.
