## **President Report** **March 2013**

### **Recreation Project**

In February the Project Manager and Builder provided Councillors Pepper, Foster, Fregon and White and executive assistant Ali Lewis with a tour of the new building works.

The ongoing issues of inadequate power supply and consolidation of title boundaries still continue. Staff are working hard to have these resolved to ensure there is no delay when the time comes for building handover from Badge Construction upon completion of the works.

The netball court tender has been let to Badge Construction. Council was delighted when advised the Beverley Netball Club would make a contribution of \$30,000 towards the new courts.

### **Avondale**

Some changes have been occurring at Avondale in relation to the farming operation over the last few months, and whilst they could appear negative, particularly when a very good article about Avondale ended up in the real estate section of the Farm Weekly, I view the current activity as an opportunity to move forward with a fresh approach.

The National Trust has leased the property for 12 months to a local farmer. A farm management group has been formed which is overseeing clean up of the property and a reduction sale of excess equipment. Continuing implementation and review of the Farm Management Plan is occurring. Whilst there is talk of the property being prepared for sale, which Council will be working hard to ensure does not happen, the current activities are long overdue.

Capital funding continues to be a crucial issue in relation to progressing the Avondale Masterplan, however Council has gained the support of neighbouring Shires for inclusion of Avondale in our 13/14 regional Country Local Government funding round.

### **Plant and Works Committee**

Council did not hold a monthly meeting in January however the Plant and Works committee remained busy, reviewing and updating the preliminary 10 year road and 5 year plant replacement programmes, which now require endorsement by Council. A road inspection is scheduled for March, which will include visits to Bally Bally County Peak, Carrs, Sheehan, Maitland and Mandiakin Roads. If you have issues which require attention please contact the Manager of Works Steve Vincent. Councillors Alexander (chair), Foster, Gogol, Shaw, Pepper and Murray sit on the Plant and Works committee.

### **Youth Forum**

Council is proposing to hold a Youth Forum in May to investigate local youth initiatives. A meeting was held with the Beverley Student Councillors to seek their thoughts on the proposal and ideas are now sought from local 11 – 18 years olds for discussion at the Forum, which they will also be invited to participate in. Further information can be obtained from the shire office.

### **Australia Day in Beverley**

Congratulations and thankyou to the Beverley Lions for their passion and

efforts in organizing a successful Australia Day event at the swimming pool and to Brad Miller for his ongoing enthusiastic management of this important community facility.

The day at the pool was followed by another fabulous Beverley Station Arts "evening of entertainment" at the Platform Theatre, greatly appreciated by those in attendance, including a growing crowd from neighbouring Brookton who are becoming regular supporters of Platform events.

# Australia..

When the shearing sheds are silent and the stock camps fallen quiet  
When the gidgee coals no longer glow across the outback night  
And the bush is forced to hang a sign, 'gone broke and won't be back'  
And spirits fear to find a way beyond the beaten track  
When harvesters stand derelict upon the wind swept plains  
And brave hearts pin their hopes no more on chance of loving rains  
When a hundred outback settlements are ghost towns overnight  
When we've lost the drive and heart we had to once more see us right  
When 'Pioneer' means a stereo and 'Digger' some backhoe  
And the 'Outback' is behind the house, there's nowhere else to go  
And 'Anzac' is a biscuit brand and probably foreign owned  
And education really means brainwashed and neatly cloned  
When you have to bake a loaf of bread to make a decent crust  
And our heritage once outshrined in gold is crumbling to dust  
And old folk pay their camping fees on land for which they fought  
And fishing is a great escape; this is until you're caught  
When you see our kids with yankee caps and resentment in their eyes  
And the soaring crime and hopeless hearts is no longer a surprise  
When the name of RM Williams is a yuppie clothing brand  
Not a product of our heritage that grew off the land  
When offering a hand makes people think you'll amputate  
And two dogs meeting in the street is what you call a 'Mate'  
When 'Political Correctness' has replaced all common sense  
When you're forced to see it their way, there's no sitting on the fence  
Yes one day you might find yourself an outcast in this land  
Perhaps your heart will tell you then, 'I should have made a stand'  
Just go and ask the farmers that should remove all doubt  
Then join the swelling ranks who say, 'don't sell Australia out'

## SHIRE OF BEVERLEY

The Shire of Beverley has had an increase in numbers of customers requiring Computer Theory Tests to obtain Driving Licences (including additional Licence Classes).

As this is a process which takes more time than a normal transaction, it is requested that customers make an appointment, either in person or by contacting the Shire Office on 08 9646 1200, at least 24 hours prior to doing the test. This will greatly assist us in preparing for the test, and make the process quicker for the customer.

Your assistance in this matter would be appreciated.

## SHIRE OF BEVERLEY

### **PAYING BY CHEQUE at the SHIRE OF BEVERLEY**

**Effective immediately all cheques received at the Shire MUST be made payable to SHIRE OF BEVERLEY.**

Due to the bank ruling, **ALL** cheques **MUST** be made out exactly as the name of the account where the funds are being deposited.

The bank will no longer accept anything else – that is as written below:

Beverley Shire

If a cheque is received and it has not been made payable to the '**Shire of Beverley**' it will be returned for correction. This will cause a delay, and you may not meet the payment deadline. This could create problems especially in regards to Licensing.

We thank you for your co-operation

## Beverley Tourist Bureau

This month has been much quieter but a combination of extreme heat and schools re-opening seems to be a likely answer.

A recent meeting at the Town Hall of the Campervan Motorhome Club of Australia (CMCA), on the 6th of February, was interesting and representatives from organisations were invited to attend. The upcoming CMCA West Coast Rally is being held here in Beverley on September 26th - 29th. It is really an interesting concept and we know Beverley will welcome and involve themselves 100% at this time. Apparently, there will be between 150 - 300 motorhomes and an estimated 600 people visiting our town for that weekend.

Catering will be at a premium, with all organisations asked to offer their ideas. This would be a great fundraiser for groups and clubs that are interested. The general ideas put forward were positive and interesting. It is early days yet but with so much involved, there is a lot to do and Beverley will certainly benefit.

Now back to the old topic of volunteers. I know you've read it all before but maybe if you cannot commit to a regular shift, perhaps you could be rostered as a relief. It would be such a help.

The Bureau now has a supply of T Shirts and polo shirts with the Beverley logo. There are various colours and sizes but as we are unable to accommodate a huge stock, if you have any special size or colour in mind, we can talk to our supplier to see if it is possible to order extra in. All the volunteers are issued with a shirt of their choice. We all believe in promoting Beverley.

**OPENING HOURS for the Visitor's Centre over the Easter Long Weekend:  
Open Easter Saturday, Sunday and Monday 9.00am-3.00pm**

## Beverley Swimming Club News

The Beverley Swimming Club was so lucky to have a training session with an Olympic twist on Thursday 14<sup>th</sup> February. Bill Kirby a gold medal Olympian and Laurie Lawrence former trainer of the Australian Olympic Swimming Team and keen promoter of Kids Alive Drowning Prevention Campaign came to Beverley Pool and did an hour training session with the kids in the Beverley Swimming Club.

The visitors had the kids totally entranced with their fantastic skill session. Bill showed the kids how to breathe properly and to keep their heads facing the bottom of the pool, practiced their diving starts and also their gliding in breaststroke!

Laurie showed the kids timing of freestyle - 123 and breathe, he also helped out pool side - while selecting Kaitlyn to represent the girls team for a breaststroke skill race he took a call from Ian Thorpe who also encouraged Kaitlyn to win it for the girls. I think the kids all got so much out of the session and were all extremely motivated to try these new techniques.

All thanks to getting these stars here go to Brad ... once again he has pulled a rabbit from his hat and we whole heartedly thank him for his efforts and encouragement of the Swim Club.

## Station Gallery and Platform Theatre News

### Station Gallery and Gardens

The current exhibition at the Station Gallery shows paintings by past Artists-in-Residence 2007 to 2012, mostly inspired by their stays at the Station, and all kindly donated by the artists to the gallery. This exhibition will only remain until the March artists-in residence display their works. The garden entrance to the Gallery is standing up to the heat well (thanks to careful watering by Sandy Shaw) so it's always such an inviting little retreat even if not visiting the Gallery.

### ***Artist-in-Residence***

As January and February were quiet months at the Gallery, the Platform Theatre entertainers of the Beggars and the WA Opera were able to enjoy the Residence, but from this coming month onwards the residency bookings are looking fully occupied for the rest of the year - starting with popular artist Mike Vandeleur arriving 3<sup>rd</sup> March until 21<sup>st</sup>. He will be running a workshop March 9<sup>th</sup>/10<sup>th</sup> (\$50/day) in drawing and either acrylic or watercolour, depending on what students prefer. Then on the 22<sup>nd</sup> March Nada Murphy will be artist-in-residence until 2<sup>nd</sup> April and will conduct a three day workshop - 22<sup>nd</sup>/23<sup>rd</sup>/24<sup>th</sup> March *Catching the Light* "en plein air". For further information on these workshops keep an eye on the Bulletin and/or contact Artist in Residence Coordinator Marylou Hutchinson on 96471027 / 0427085511 or email: [hutchinson@wn.com.au](mailto:hutchinson@wn.com.au)

## Platform Theatre

100 people came through the gate for the Australia Day Concert with "the Beggars" giving a most polished performance.

Kathryn and Penny await the first visitors to the Aus Day Concert

The 'Beggars' with guest musician Robert Wallace

*Opera on the Platform* saw over 100 through the gate and judging by the enthusiastic audience it will in all probability become an annual event. Newcomers to the Platform Theatre heralded from Perth, Mandurah, Northam, York, Brookton and Pingelly and along with the local community all concurred that it was a fantastic night. The singers, Mary-Attracta Connolly and Mark Alderson, harmonizing to exquisite piano playing by Tommaso Pollio on such a still summer's night were simply breathtaking.

Thankyou again to Passive Energy Systems, Beverley Supermarket and Liquor, U Beauty Country, Beverley Plumbing and Gas Services, Beverley Newsagency, Save Your Memories, JK Web Development Services, Beverley Hydraboom, Beverley CRC and Beyond Gardens for their support by advertising in the programme booklet so professionally put together by Kathryn McLean. And special thanks to Steve Ramm, Penny Burns and Jodi Daly for donating the lucky spot prizes won by Kath Cliff, Dorothy Barrett-Lennard and Heather McLean. Thanks also to Chris and *Voice of the Avon York FM* for their ongoing support, and Frenchie at *Radiowest*.

## BEVERLEY HISTORICAL SOCIETY

While there has not been a meeting yet, various matters have been brought to the attention of the Society.

On **Thursday 28 February** the launch of a locally published book ***Don't Waste the Water*** was on at the Dead Finish Museum at 10:30am. Interested residents were invited.

The annual Autumn Clean Up at the Museum is to take place in the first week in March - **Wednesday to Friday 6-8 March from 9am each day**. The assistance of members, friends & helpers is needed.

We hope to open extra hours over the Easter Weekend and make a special display in the Meeting Room of our newly confirmed significant pieces: **Hand Made: The Self-Sufficiency of Early Settlers**. Please watch for further advertising.

The Society has been asked to support the State Heritage listing of **St Mary's Anglican Church Precinct**. The precinct which includes the Church, the Rectory & Parish Hall, the lemon-scented gum and the Memorial Lychgate dates from 1889.

We have also had a request for any information concerning **Vittorio and Guiseppa Caruso** who worked in and around Beverley in 1944/5 in the capacity of land clearing, agricultural farm labouring, dam construction, and machinery repairing activities. If anyone knows anything of these men please contact the Society.

We have also been asked about **charcoal-burning** in the area. Can anyone tell us anything about this activity or industry?

Next meeting is Monday 11 March 2013 at 2pm.

New members always welcome. Fees are \$10 per annum. For more information please contact the Secretary at:

## Beverley Patchworkers and Quilters

February has seen the return of several more of our members to our Tuesday quilting days. We would welcome more members as our numbers have dwindled somewhat.

Sadly we lost one of our members early in the year with passing of Robyn Stuart after her battle with cancer.

We are looking forward to a year of varied activities, from workshops run by our members, taking part in outside workshops and visiting quilt shops in various towns.

We are planning a cake still in April to help raise funds for the purchase of books and equipment for the use of our members. One of the advantages of belonging to our group is having access to expensive quilting equipment without having to purchase for yourself.

Our group meets on Tuesday's at the Avondale Homestead. If you would like some more information on joining in on some patchwork and quilting please contact either the president or secretary.

## Southern Inland Health Initiative

### Emergency Telehealth Service - Saving lives in the country

From time to time, technology provides a major boost to medical care – and this is proving to be the case with the Emergency Telehealth Service (ETS).

The ETS uses high quality videoconferencing technology to enable emergency specialists based in Perth to examine patients in country hospitals. Launched in August 2012, the ETS has now helped over 700 country emergency patients.

“This technology is saving lives. It is linking small hospitals to specialist emergency physicians who can now give accurate diagnoses, prompt advice and guide local nursing staff through treatment options,” said Dr Felicity Jefferies, Executive Director of the WA Country Health Service.

“It is helping to give patients prompt and thorough medical care, reducing unnecessary transport to metropolitan hospitals and helping to enhance the skills of our regional staff.”

The success of the service has seen several expansions to the service, which now links to 19 hospitals and operates every day of the week.

“We’ve had an excellent response from nursing staff and patients, and we have also received a lot of interest from specialist emergency physicians in Perth, who are keen to be involved. It’s a true success story for the SIHI project,” said Dr Jefferies.

Local hospital emergency departments have been fitted with high-quality video-conferencing equipment in resuscitation bays, with feedback from nurses, patients and the specialist emergency doctors saying that it is almost as good as having a doctor in the room.

This has been made possible through the Royalties for Regions-funded Southern Inland Health Initiative’s \$36.5million investment into Telehealth.

The ETS runs from 5pm-11pm Monday to Friday, and 8am-11pm on Saturday and Sundays.

## Suspension concentrates (Atrazine, Simazine, etc)

**WEIGHT WATCHERS  
FEDERATION OF WA  
Beverley Branch**

Weight Watchers Federation Beverley Branch would like to thank everyone who supported our most recent Christmas Street Stall and Raffle. This was a most successful stall with the funds raised going back to the community in many ways.

Congratulations to the following winners of our four prizes:

**1st Prize:** Manchester Set - Danielle Rieck

**2nd Prize:** Towels Set - Janet Baldwin

**3rd Prize:** Kitchen Set - Erica Murray

**4th Prize:** Christmas Cake - Ryan Ware

Thank you to all members who cooked, potted and helped on the day, and for those generous people who often bring down cooking or other items to add to our stall.

As many would know, the Weight Watchers Federation Beverley Branch has been an active fundraiser over many years. Some of these funds help with running the club, but much of the funds are donated back to our wonderful community. Have you noticed the new seat outside the Beverley Pharmacy? Well this seat was donated by the Beverley branch on behalf of the good people of Beverley who have bought items for sale or bought raffle tickets from our stalls. Very soon we will have a plaque adorn the seat that is already proving very popular. We would like to thank the Shire of Beverley for all their help in obtaining and installing the seat.

Other donations over the past few years have included:

- Donations to the Beverley Health Services which included a mobile wheelchair
- Donation to Juvenile Diabetes cause
- Beverley DHS's Senior Gopher Parade
- Rose Show Prizes
- St John Ambulance which included a donation to the Defibrillation appeal
- Beverley DHS Book Awards
- Starlight Foundation
- Beverley Agricultural Show Prizes
- And more.....

So thank you Beverley, for helping us to give back to our community.

# Wheatbelt NRM's Annual Community Survey

## We would like to talk to you!

Wheatbelt NRM will be seeking the opinions of the Wheatbelt community on a range of environmental issues. We would also like to know the impact Wheatbelt NRM is having within your local area.

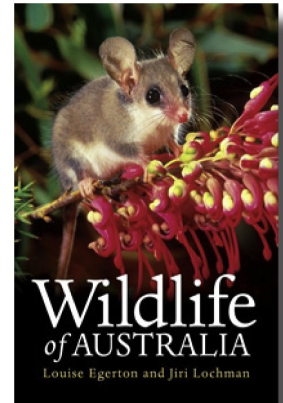

The annual community survey is scheduled to be undertaken in February 2013.

Wheatbelt NRM has contracted the local Community Resource Centres to talk to farmers, land managers and residents using a phone survey. This is to find out about your community's attitudes and priorities for the environment.

To thank you for completing our survey, we would like you to have an afternoon tea package with our compliments. The package will be delivered to each CRC. Residents who have completed the survey are invited to drop in to collect their package.

If you complete a survey you can also go into a raffle to win three (3) beautiful books on Australian native animals, full of stunning photographs.

A summary with the results of this community survey will be available upon request from Wheatbelt NRM.

ASSOCIATION**

[www.cwaoswa.asn.au](http://www.cwaoswa.asn.au)

The Beverley Branch of the Country Women's Association has now resumed from summer recess. Our Annual General Meeting and our Monthly meeting were held on Thursday 10<sup>th</sup> February at the home of Gracie Courtney. This invitation was gratefully accepted due to the extreme heat of the day.

A welcome cup of morning tea started the day followed by our Monthly meeting when we welcomed a most enlightening, young visitor Marlene Kennedy.

As with many of organizations these days, we all go ahead with the routine known well to members but little is known of our activities. Each month I plan to write about the many features that the CWA has to offer to all – the young and not so young

The Country Women's Association would welcome new members so that we can share in the work of our organization and share the vast opportunities that there are to offer.

We enjoyed a Bring & Share lunch with Ali Lewis, now newly appointed as Executive Secretary to the CEO at the Beverley Shire. Congratulations Ali.

Our Annual General Meeting was chaired capably by Ali, who did not stay after the close of the meeting as she had other matters to be attended.

Up to date information

Federal Parliament has unanimously agreed (bipartisan) to hold a referendum mid term after the next election to:

- a. Recognise Aboriginal people as the **first** people in our Australian Constitution.
- b. This will be done through the referendum. Which if the results come out favourable will give all Aboriginal people in Australia more legal status, as to their rights and is hoped to bring both the indigenous and non-indigenous Australians closer together.

## The Beverley Business Network's monthly Local Business Profile:

### **AVON TRADING**

Avon Trading has been in the hardware game for more years than we can remember.

Peter & Vicki Jenkin purchased the store in 1994.

While neither of them had experience in hardware, both Peter & Vicki come from farming backgrounds, which gave them a practical common sense approach to running a successful business within a rural community.

Over the past 19yrs they have tailored their business to suit the needs of their customers which they say is "what it's all about"

Avon Trading provides many products & services which include; small motors sales & repairs, paint supplies & tinting, key cutting, chainsaws & sharpening service, lawnmowers, garden equipment & fertilisers, outdoor furniture, water tanks, pipe & plumbing fittings, gas cylinders & refills, cement, general hardware and of course much much more and if they haven't got it they will do their best to get it in for you.

Call in and see Vicki, Jo, Jodie, Kari and Peter for country service "second to none".

1000 mail delivery points.

*Trading Hours: Mon-Fri 9am to 5pm*

The Beverley Post Office was sold by the Federal Government in 1993 and has since operated as a private business under a licensed agreement with Australia Post.

John and Vicky Fregon no longer wished to live in the city and bought the buildings and business on 1<sup>st</sup> of March 2005, a move back to the country (both having come from farming families).

Previously John ran his own business and Vicky was a PA. Both have worked in a number of other industries but have found their niche at the Beverley Licensed Post Office and being involved in the community.

They are fortunate to have 3 excellent team members, Natalie, Gina and Suzie who assist in sorting mail, weather reading twice daily for the Bureau of Meteorology, and making the post office fun to work in.

Street and RMB mail sorting and deliveries are carried out from the Post Office by Australia Post employed independent contractors, Don and Heather Sax, and Leslie Sleep, who regularly go the extra mile in delivering mail and the growing number of parcels to ensure there is room for tomorrows mail.

*Every time you pay a bill or do a transaction you are supporting local employment,

## THE DEAD FINISH MUSEUM

Located on the corner of Hunt Road and Morrison Street, this building was originally built as a hotel in 1871.

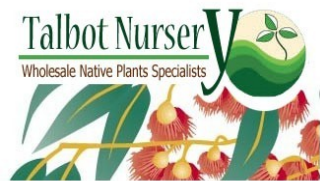

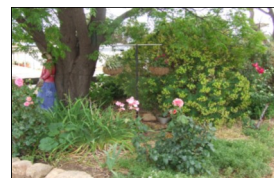

At that time it was the centre of Beverley but with the arrival of the railway line some fourteen years later drew the town towards the station leaving the Dead Finish on the outskirts of the main street.

Today the museum is run by the Beverley Historical Society with the gardens being maintained by the members of the Beverley Tree and Garden Society. The old-style garden gives visitors a fascinating insight into the early days of settlement in Beverley.

For the Easter period the Museum will be featuring "Hand Made: The self-sufficiency of early settlers" there will be significant pieces of locally made furniture, tools, gifts, clothes, quilts & kitchen utensils.

If you would like to have a look at this display Opening times for the Museum for the Easter period:

**Good Friday, 29th March: 1pm - 3pm  
Easter Saturday, 30th March: 11am - 3pm  
Easter Sunday, 31st March: 11am - 3pm

## FAREWELL GEMMA

On Friday 8<sup>th</sup> February the staff and committee said farewell to our trainee of 2 years, Gemma Ugle. Traineeships at the centre usually run for a 12 month period, but Gemma was invited to stay for a second year as she excelled in her first year. Over the 2 year period she completed her Certificate II in Business and Certificate III in Business and Administration. During her time at the CRC Gemma had some amazing experiences like, being nominated and receiving the highly commended award at the Wheatbelt Trainee of the Year awards in the ATSI category. Gemma also received a highly commended award, at the C Y O'Connor TAFE Awards Night for Business Student of the Year. She was also requested by Brendan Grylls to write her biography, which was read in Parliament. We truly wish her the best in her future endeavours.

## WELCOME TO THE TEAM

The staff and committee would like to welcome Anne Woods to the CRC team. Anne was the successful applicant for the Tourism Traineeship opportunity advertised in the January edition of the Blarney. The centre will be targeting improving the tourism aspect of our town and implementing them over the next 12 months.

In her first two weeks at the centre Anne undertook a phone survey of 40 participants living in the Beverley region. The survey was conducted on behalf of the Wheatbelt Natural Resource Management. The aim of the survey was to gather information pertaining to environmental management of residents in the Wheatbelt to improve future practices. Wheatbelt NRM have afternoon tea packs available at the centre for those residents that responded to the survey.

## CONGRATULATIONS CHRISSY

We would like to Congratulate Christine (Chrissy) Sazanov on being offered a second year at the centre, with the objective of completing her Certificate in Financial Services. Chrissy will commence this certificate in May 2013, immediately when her first year term traineeship ends. Chrissy displays great skills and competency when dealing with financial matters and she has been a great asset to the centre and we look forward to working alongside her for the next year.

## NO PAIN, NO GAIN

\*\*\*The mind games of bootcamp\*\*\*

As we jogged through the deep sand,  
secretly wishing to run on hard land.

The sweat dripping from every pore,  
Muscles screaming out already sore.

As I look around at all my peers,  
We are all here just facing our fears.

Am I too chubby, too unfit,  
Or am I just too old for all of this?

Through all the puffing it's fitness I gain,  
My head and heart know it's all worth the pain.

Our sessions has ended with smiles all round,  
Laughing with my new buddies that I have found.

So put on your sneakers and shorts grab a mate or two,  
We invite you to come join our motley crew.

## Heart Disease is a Major Health Problem in Australia Today!

Heart disease is the number 1 killer for Australian women today!

10,400 women die each year and 29 women die every day from heart disease. Every day 98 Australian men have a heart attack and of these 1 in 7 will die.

See your doctor for a healthy heart check if you are 45 years and over.

### Some ways to reduce the risk of heart disease are

- ♥ Being Smoke-free and avoid second hand smoke
- ♥ Healthy eating
- ♥ Being physically active
- ♥ Achieving and maintaining a healthy body weight
- ♥ Maintaining your social and emotional health
- ♥ Controlling your blood pressure and cholesterol
- ♥ Take any medication as prescribed by your doctor

National Heart Foundation of Australia. (2013)

To be more physically active you can join the Beverley Walking Group. We meet on Monday, Wednesday and Friday at 7:30 in the Station Garden for a walk followed by a cuppa. (We have over 20 members registered)

## **Beverley District High School**

“Fa molto caldo” has been my cry to the students for the first two weeks of our school year. Lucky for them, swimming lessons commenced in week 2 and will continue for another week. Besides the unbearable heat, students and staff have settled in quite nicely. We welcome three new staff members on board: Georgina Critchlow who came from Quairading DHS is part of our high school staff and Georgina works from Tuesday to Friday. In Year 2 we have a graduate, Candice Pryde. Sarah Aynsley is working on Wednesday in a team teaching role in Year 5 with Corinna Thomas. We hope you all enjoy working at our great school.

On Thursday 7<sup>th</sup> February, Eagle supporters at our school were greeted with a visit from some very high flying Eagles and the coach himself, John Worsfold. The players were, Nic Naitanui, Will Schofield, Eric Mackenzie, Andrew Gaff and Ashley Smith.

Below is a recount from **Abbey Cooke** (Year 4):

**A Visit from West Coast Eagles**

On Thursday, the 7<sup>th</sup> February, the West Coast Eagles came to Beverley DHS to teach us some footy skills.

First they told us a bit about themselves (such as how old they were, where they lived and a secret.)

After that they took us on to the grass and showed us some footy skills. I was in a group with the year 5s and the rest of the year 4s. We did some handballing first and then we swapped groups and did some kicks.

Then we lined up and got a poster and a sticker signed. If you brought in your own things you could get them signed. I loved that day so much; it was so much fun!

# **THE BLUE LINE**

## **Beverley Police Station**

57 Hunt Road, Beverley WA 6304

I'M BACK. So after 4 months off and time spent with the wife and daughter it's back to the grindstone and my job of keeping this community safe.

Before I get started I want to thank Karen Berry for looking after Beverley whilst I was away. She did a fantastic job and I know she enjoyed her time in Beverley.

Karen and Ian have been keeping me informed of what has been happening in Beverley during the last 4 months. But what she didn't need to tell me was the amount of people driving and using mobile phones, not stopping at Stop signs and the increase in burnouts around the town. I have seen all these myself whilst walking or driving around town. It is amazing what you see when your not in uniform.

Take more responsibility in your driving manner. It could mean the difference between arriving safely at your destination or arriving at the hospital in an ambulance, or worse. The choice really is yours. Now of course if you make the wrong choice, Ian and I will be here to remind you of your responsibilities when driving on the roads.

### **SUSPICIOUS BEHAVIOUR**

Over the last week somebody has been getting around Beverley and peering over the fence into people's backyards. It has occurred a couple of times where young children have been playing in the backyard. This is where we need your help to keep aware of what is happened in the community and reporting suspicious behaviour to the police.

This person that we want to talk to is described as male about 25 years old, solid build, blonde hair wearing a red coloured shirt, black jeans and faded orange/red shoes. He is riding around on either a mountain bike or bmx. If you have seen this person or may know who it is then give us a call at the police station.

### **NEIGHBOURHOOD DISPUTES**

It is becoming more increasing the incidents of neighbourhood disputes in Beverley, where either neighbours or people in the community have had a falling out for whatever reason. This is always likely to occur and whilst I don't expect everyone to be friends with everyone, what I do expect is if you have an issue or problem with someone else. You sort it out like rational adults and not resort to stealing or damage the other person's property. This is petty and also illegal. This means police will get involved. Obviously that would be something everyone would want to avoid. So if you don't like someone in town it is very simple. Stay away from them and don't talk to them or about them.

### **STOCK THEFT**

There has been a recent rise in stock theft in the Beverley area. Police are urging everyone to be more vigilant and report any suspicious behaviour on yours or your neighbour's property. To also help with reducing stock theft police will also be stopping and checking vehicles that are carrying any livestock. So please make sure your waybills are with you and they are filled out correctly. If you see anything suspicious call Beverley Police on 96463333 or if you want to email us with any information regarding suspicious behaviour you can on [beverley.police.station@police.wa.gov.au](mailto:beverley.police.station@police.wa.gov.au)

### **EASTER**

Yes it is only around the corner. With the extra couple of days break there is always more people in or around town. So please make sure you lock up your house and vehicle. Ian and I will be out and about over this time so it is a very highly likelihood that you will be stopped. So make sure you drink responsibly and don't drink and drive.

Take care and we will see you around town.

Darrell and Ian

### Program

The two-day program will feature some of Western Australia's most eminent soil scientists and land management practitioner and will feature sessions devoted to getting the most out of our soils by using best practice:

- soil preparation;
- cropping;
- grazing; and
- agroforestry techniques.

The program is led by key note speakers *Dr Christine Jones, internationally renowned soils ecologist* and *Dr Michael Robertson, Principle Research Scientist specialising in broadacre farming systems, CSIRO* and a range of expert speakers from UWA, DAFWA, Curtin University and more.

Each session will have a number of specific topics that reflect the theme of the session followed by a 20-30 minute facilitated panel discussion where farmers will be able to direct questions to the session speakers. The second day of the conference will be devoted to workshops in the field where farmers will have the opportunity to engage with researchers from UWA, WANTFA, Avongro and CSIRO in practical, hand-on exercises to apply the knowledge gained.

## Beverley Bowling Club

The Ladies Singles Championships which were started in December were finally completed in January, and the Ladies Champion for the 2012-2013 season is **Glenys Hastings**, who won from **Marg Peck**.

**Twilight Bowls**, which ran throughout January, were well attended and enjoyed by all those who came. They were very friendly games, introducing some new players to the game of bowls, and sitting around enjoying our tea in between games, and having a chat.

On one of these evenings, we said farewell to **Ev and Rhonda Seymour**, who have retired to Pinjarra. They have a 4 rink bowling green at the front door of their new home, so watch out if you meet them in a carnival in future, they can have lots of practice. We wish them all the best in their retirement, and say thanks for all their contributions to our Club in the years they were in Beverley. Ev is a great handyman and Rhonda an excellent cook, which was very handy for the Club, both were Umpires and good bowlers, and we will never forget those turquoise bowls.

The Men's Country Inter Zone Fours took place in January at Margaret River with **Peter Fleay** being chosen to play with the Eastern Zone team, which went on to win the event. Peter was also selected in the Country All Stars team that will play the Metro all stars at the start of country week. Well done Peter and good luck.

On Tuesday, 5<sup>th</sup> February a team of ladies went to Bolgart to contest the League Fours event, and came home the winners. The team was **Marg Peck, Glenys Collins, Lyn Mactaggart and Judith Stebbings**. Well done girls.

Beverley Bowling Club hosted the Eastern Zone Ladies Inter League Fours on behalf of the Avon Valley League on the weekend of the 8<sup>th</sup> and 9<sup>th</sup> of February, on what was predicted to be a very hot weekend. With 80 ladies playing, we were very thankful when the south easterly breezes prevailed to keep the temperature below 37 degrees. **Marg Peck and Glenys Collins** were the Beverley ladies playing in the Avon team of 16 players. The final results came down to a drawn game to decide the winning team. **The Avon Valley League** won with 6 points and 10 ½ rink wins from the South Eastern League with 6 points and 10 rink wins.

Congratulations to **Marg Peck** who has been chosen to play in the Inter Zone Competition at Corrigin in April, and in the Country team to play the Metro team at Countryweek. Many thanks must go to the Ladies for all their catering for this event, and to the Men for their support, in preparing the greens and club, and helping with the mountain of washing up, especially Eric, Harold and Bill, and also to Joyce, Dawn, Judy and Maree for doing the raffles table. Where would we be without the support of our senior members?

## **Beverley Cricket Club**

With only three games remaining in the season the Inkosi Design Redbacks had to win them all to have any chance in playing finals.

### **Saturday 9<sup>th</sup> February 2013**

#### **Beverley 8 for 190 defeated Seabrook All Out 125**

Beverley Batting: Stephen Gollan 100, Dale Wansbrough 17, Simon Marshall 15  
Seabrook Bowling: George Nelson 4 for 26, Grant Brain 2 for 29  
Seabrook Batting: Troy Bassett 39, Brad Eyre 25  
Beverley Bowling: Stephen Gollan 4 for 17, Aiden Murray 2 for 16

Beverley won the toss and elected to bat in very hot conditions. Seabrook bowled very well early to keep Beverley scoring to a minimum. Seabrook bowlers, midway through the innings, started to tire and this enabled Beverley to increase the run flow to post a very good score of 190. Stephen Gollan played well in making 100. Beverley welcomed back Dale Wansbrough 1 for 19 and Kodie Fleay 0 for 20 - these two bowled well and kept the pressure on the Seabrook batsmen from the start - they were well supported by Blake Wansbrough and Stewart Murray. Stephen Gollan and Aiden Murray bowled well in the final 15 overs which saw Seabrook lose 6 for 33 to be bowled out for 125.

### **Saturday 16<sup>th</sup> February 2013**

#### **Quairading 5 for 171 defeated Beverley All Out 85**

Quairading Batting: Brendan Simpson 52, Shaun Simpson 35, Kevin Caporn 29 not out  
Beverley Bowling: Dale Wansbrough 2 for 10, Stephen Gollan 2 for 26  
Beverley Batting: Robert Ugle 33 retired hurt, Stephen Gollan 15, Brendan McLean 10 not out  
Quairading Bowling: Brendan Simpson 4 for 11, Craig Anderson 2 for 15

Once again very hot conditions greeted players. Quairading won the toss and chose to bat. Beverley claimed two wickets in the first two overs but a match winning partnership of 100 between the Simpson brothers, Brendan and Shaun, and a further 60 run partnership between Jack Van Elden and Kevin Caporn saw Quairading score 171 off 45 overs. Dale Wansbrough was the pick of the bowlers finishing with fine figures of 10 overs, 5 maidens, 2 for 10. Beverley innings started poorly and never recovered being at one stage 9 for 44. Robert Ugle and Brendan McLean added 41 for the last wicket, until Robert Ugle retired hurt due to the heat. Brendan Simpson capped off a great game in taking 4 for 11 off 8 overs.

Beverley last game was against Premiership favourites York in York on Saturday 23<sup>rd</sup> February.

The results will be given in the April Edition of the Blarney.

# BEVERLEY LAWN TENNIS CLUB

*The Tennis Club would like to pass on condolences to Tim, Nat, Bryce and Declan Kilpatrick on the passing of their wonderful mum and grandma, Irene Edwards.*

The courts are filling up again as members return from holidays and realize that it is not long to the Easter tournament!! February has seen two great competitions with the wonderful Chris Boladeras Memorial Trophy Self Handicap day held on the 17th of February and the WFI Mixed Open Day on the 23rd.

As usual the Chris Boladeras Self Handicap competition kept all on their toes with the self handicap meaning both physical and mental dexterity were required. A wonderful cool day saw the rise of Fiona Fisher and Rob De Gruchy victorious over the wonderful Elizabeth Moir (Whizz) and Brendan McLean. Thank you to the Boladeras family for supporting the club yet again!  
WFI results in the next Blarney.

## OUT AND ABOUT

*It was great to see the York Junior Doubles well attended by our junior members on Sunday the 10th of February. The kids enjoyed the new courts and the air-conditioning! Congratulations to our place getters;  
Year 3 & Under Bronte Cleland and Rebekah Aynsley  
Year 5 & Under Declan Kilpatrick and Sam McLean;  
Grace Fisher and Kaitlyn Shaw*

On a more somber note, a number of men supported the Cunderdin Mens Tournament. Our club offers deepest sympathy to MJ, Will and Claire Rogers.

## BEVERLEY HORSE AND PONY CLUB

Our AGM was held on the 1<sup>st</sup> February at the Hotel Beverley. An excellent turn out from our members saw positions filled. Thank you to our committee from last year for their hard work over the year. We welcome our 2013 office bearers and wish them well for the year.

President – Jenifer Petchell  
 Vice President – Anne Cleland  
 Secretary – Teresa Hawke  
 Treasurer – Annette Peart  
 Club Chief Coach – Renée Peart who will be assisted by Pauline Appelbee

We had several coaches brave the heat to attend the PCAWA State Coaching School on the 9<sup>th</sup> & 10<sup>th</sup> February at the State Equestrian Centre. With the new National syllabus introduced to coaches and several information sessions including a presentation on the "Working with Children Card" from the WA Department for Child Protection the weekend was very educational.

Our Busy Bee on the 16<sup>th</sup> February was well attended with the club rooms and grounds cleaned and ready for the opening of our season. **A huge Thank You** goes to **Bill Cleland and John Hawke** who spent several hours out in the sun doing repairs to the pony yards. Thank you to all the members who came and did their bit to help out.

Our club is hosting an Intro to Dressage School on behalf of the Avon Zone on the 4<sup>th</sup> March. This will be helping coaches on developing important skills in the younger riders that benefit them in all areas of the riding.

Our first rally will be on Sunday 17<sup>th</sup> March. Riders will need to arrive early to ensure they are ready to start by 9am. Hopefully the weather won't be too hot for our riders and their ponies. Please contact Renee via email [renee.philip@bigpond.com](mailto:renee.philip@bigpond.com) so that she knows who will be attending the opening rally.

The club will be running a street stall and sausage stall on 30<sup>th</sup> March so please drop in and pick up something yummy. Our next committee meeting is on the 14<sup>th</sup> March. All members welcome
