ANZAC Day Lest we forget

It is truly hard to believe that in March, Beverley was going to lose their local RSL branch, due to lack of veteran and community interest, closure of the branch was imminent. The thought of not being able to attend a service on the 25th April in our community obviously did not sit well with many people. The extraordinary meeting held on Monday 25th March saw an outstanding turnout and many community members put their hands up to volunteer to run events, become office bearers and due to these people, we were very fortunate to be able to pay our respect to the soldiers that fought for our country and for our freedom.

The dawn service attracted a bigger than normal crowd of 150 all gathering at 5.45am to watch the march and pay tribute. Mr Wes Gliddon, RSL President led the proceedings with great ease and pride. This service was followed by the Gunfire Breakfast at the RSL Hall.

The Official mid morning service did not disappoint with a strong gathering of the community attending. The veterans marched proudly from the RSL on Forrest Street down Vincent Street toward the War Memorial. The Official ceremony included the District High School Student councillors Jade Holland and Vernetta McKelvie reciting a poem followed by the Year 4/5 classes singing a beautiful version of 'Lest We Forget' accompanied by Mrs Judy Moulton on the organ. The address by Cr Dee Ridgway was moving as was the prayer's lead by Joan McQuinn. This year's ceremony portrayed the true ANZAC spirit as the Australian National Anthem was followed by the New Zealand National Anthem sung by four New Zealanders visiting Beverley especially for the ceremony. Congratulations to the Beverley RSL Sub Branch on hosting a memorable ANZAC Day Commemoration Service for the community.

'We will remember them'

Paying their respect, Beverley Shire President Councillor Dee Ridgway and RSL President Wes Gliddon at the laying of the wreaths.

President Report May 2013

Hon. Judi Moylan and Christian Porter Visit

Council was delighted an invitation to the Hon. Judi Moylan, retiring Federal Member for Pearce, was accepted to visit Beverley in April. Council was able to thank and recognise her support to our community over many years and in many ways, which has included individual cases, grant applications for non profit organisations, phone calls following the recent storm event and most notably in assisting Council of the day in retaining Dr Gogna from deportation due to bizarre visa restrictions, an event from which saw a policy change in government management of visas for overseas doctors. Having been the Federal Member for almost 21 years has seen Judi involved in 7 federal elections,

Christian Porter, the Liberal candidate for the Pearce electorate also attended and the day included a visit to the Men's Shed, a tour of the Station Gallery and Platform Theatre and lunch with Councillors prior to the April Council meeting.

Cr Fregon Resignation Local Government Elections 2013

Council regrettably accepted the resignation of Councillor Vicky Fregon in April. Councillor Fregon's participation was highly valued by her peers however other commitments have precluded Vicky from continuing in this capacity. Whilst this creates a vacancy in the South Ward, Council will now apply to the Electoral Commissioner to fill the extraordinary vacancy at the forthcoming October Local Government Elections. Council is also investigating the removal of wards, however if this goes ahead it would not be enacted until the 2015 Local Government Elections.

Youth Forum Friday 3rd May for Local Youth

The Beverley Youth Forum for local 11 - 18 year olds will be held on the last Friday of this school holidays. Get your RSVP signed by your guardian and into the Shire as soon as possible to confirm numbers. Hope to see as many of our young people as possible to have a fun day before you head back to school and assist Council with ideas for future youth planning initiatives in Beverley.

FCO's

Congratulations to Bruce (Frosty) Kilpatrick, Beverley's new Chief Fire Control Officer and Rob Fisher, our new Deputy Chief FCO. Thank you to Jim Aird and Richard Smith for previously undertaking these roles on behalf on our community, and for continuing as FCO's. Thanks also goes to retiring FCO's David (Slab) Adams, Kokeby West Brigade and Garry (Brutus) Miller, Kokeby Brigade for the contribution they have made in this capacity over many years and to John Barrett-Lennard, Avondale Brigade who is aiming to retire prior to the forthcoming summer season.

The Fire Control Officers are reviewing the number of Bush Fire Brigades in the Beverley Shire with a view to merging the current 10 to a lesser number of brigades. If you have comment regarding this please direct it to the Community Services Manager at the Shire or one of the Fire Control Officers.

45th Art Purchase Exhibition

The Beverley Art Committee are once again to be commended and congratulated on the presentation of another outstanding exhibition and highly successful opening night. Such is the popularity of this event that a decision by the committee to reduce the number of paintings each artist could enter still attracted around the same number of paintings to hang due to the interest of many new exhibitors. The five day exhibition brings many visitors to our town.

Avondale

The Avondale Reduction Sale created much interest and was well supported. Thank you to those who assisted both

with preparation and on the day and to Geoff Rayner, Primaries representative, for advice and assistance ensuring a good outcome was achieved. Proceeds from the reduction sale are to be reinvested into Avondale with priorities yet to be set. Urgent maintenance works to the farm reticulation system have finally commenced.

Correspondence has been forwarded to the new Heritage Minister seeking a meeting to discuss Avondale in terms of its significance, retention as a publicly accessible place for future generations and visitors to WA, and risks to this being achieved.

Bulk Recycling Bin

For those yet unaware of the change, the bulk recycling bin has been relocated to the refuse site. This has followed commencement of town site household recycling. Continued contamination of the bulk recycling bin with non recyclable rubbish or recycling rubbish being deposited in bags was still occurring. These issues create a problem with sorting and in some instances caused the whole bin to end up in landfill, which of course defeats the purpose. The refuse site is open Saturday – Monday.

At the request of landowners outside the town boundary Council is currently investigating the provision of private purchase recycling wheelie bins.

Recreation building and netball courts

Watch this space for the June edition of the Blarney!

Beverley RSL and ANZAC

Community members have rallied to secure the immediate future of the RSL in Beverley. Thank you to John Lane for organising this year's ANZAC events. The Beverley Flower Fairies have again been busy assisting the Shire and other groups with wreaths to lay on behalf of the residents of our district.

Avondale Volunteers

Avondale volunteers have been an important group historically and moving into the future will be even more so, particularly in terms of the museum

collection, which the Shire became custodian of during the property transition from the Department of Agriculture to the National Trust in 2009. The museum volunteers are proposing to meet on the third Saturday of the month to maintain interest and upkeep machinery. Phone Dina for information 9646 1004

Darren Boyle & Thomas Bardon medals

I recently had the pleasure of presenting to Darren Boyle and Thomas Bardon their 15 year National Service Medals in recognition of over 17 years involvement with Fire and Rescue.

Tennis Club 80th

Beverley was a busy place over Easter with many activities and events amongst various clubs and groups. I would particularly like to acknowledge the Beverley Tennis Club on the organisation undertaken for their recent Easter Lawn Tennis Tournament and congratulate the club on its 80th Anniversary.

Dee Ridgway
Shire President

LOWERING THE FLAG **SHIRE POLICY**

Due to some recent misunderstandings, the Shire of Beverley would like to clarify its policy on lowering the flag.

The flag can be lowered to half mast for a period of seven (7) days, as a sign of respect when a past or present member of our community passes away, and a sign placed at the front of the Town Hall informing the public of this sad event.

However, we need a request from an **immediate member** of the family before this can happen. Not all families wish to have the flag lowered, so we cannot take requests from members of the public.

We make it a policy not to intrude on the family at this time; therefore the families are requested to contact us directly on (08) 9646 1200, should they wish us to lower the flag.

SHIRE OF BEVERLEY **AGED CARE PLANNING**

The Shire of Beverley has committed to participate in a Regional Aged Care Planning process to develop and assist in the implementation of an Integrated Wheatbelt Aged Care Plan.

The Plan will build on our existing services and infrastructure while finding methods in which our residents can age in their homes and communities for longer.

Funded through a partnership between the Wheatbelt Development Commission, the WA Country Health Service's Southern Inland Health Initiative (SIHI), and Local Government, the Wheatbelt Integrated Aged Support and Care Solution/s (WIASCS) is a proactive process which will produce Shire specific Needs Studies and an overall Wheatbelt Integrated Regional Aged Care Plan.

The Plan will look at all facets of Aged Care from Aged Friendly Communities, Aged Persons Housing, Community Care and Residential Care.

Melbourne Consultants Verso have been appointed to carry out this work and have prepared a summary of aged housing and care needs for our Shire. Verso would like to present these findings to the community to receive our thoughts and inputs, this will also provide a more accurate account of what will work and what is important to our community.

This is an invitation to all community members who access Aged Care services or have experienced the delivery of Aged Care services in our community to attend.

The community consultation will be held on Tuesday 14 May 2013 at 9:30am in the Lesser Hall.

Youth Forum Invitation

The Shire of Beverley would like to thank all the Youth who participated in the recent Youth Forum Project to identify potential outcomes for Council to invest in. The idea of the Project was to hear directly from kids about what they would like to see and do in Beverley. Forms were taken to Beverley District High School, Youth Group and the Northam/York School Bus.

The project forms are now being collated and assessed so they can be discussed at a forum for kids during the school holidays.

All children ages 11 to 18 who live in the Shire of Beverley are invited to attend the Youth Forum. It will be held in the Town Hall on **Friday 03 May 2013**, 10am – 3pm.

Lunch, drinks and snacks will be supplied plus a special performance and workshop by **URBAN CREW**. The day will be fun and productive so we hope to see you there.

Children who participated in the Project in March will receive an invitation in the mail, however everyone is invited so please come along and have your voice heard.

To attend please get your **Parent/Guardian Permission** and return the form below to the Shire Office. Parents if you would like more information please call 9646 1200.

Volunteers picnic

Saturday 13 April many of our volunteers and their partners enjoyed a social BBQ in the Avondale Picnic area.

We were joined by Tom Perrigo, CEO of the National Trust, and Dee Ridgway, Beverley Shire President who were able to confirm there is a lot of work going on in the background to try and secure Avondale's future. Thank you to all who came. It was great to catch up.

Machinery Museum Volunteers

There will be a regular activity day in the Avondale agricultural machinery museum. All volunteers are encouraged to join us when you can. The 3rd Saturday of the month from 8am (possibly until noon). Commencing Saturday 18 May.

Avondale public access for 2013

During 2013 pre-arranged group bookings to Avondale are welcome. We have several booked for the coming months. These groups are encouraged to do other things while in the area so they become aware of what a diverse town, and region, we have.

Water works upgrade and maintenance

A local contractor has been engaged to do some maintenance work of the drainage around the core building area of Avondale, along with the roaded catchment and some water pipe upgrades. Hopefully this will be completed before major winter rains.

Reduction Sale

The "Reduction Sale" which took place at Avondale on Saturday 6 April was considered a great success. Thanks are due to Geoff Rayner, Duayne Haeusler, Richard Boladeras and several volunteers. Thank you also to the Dale ladies who did a wonderful job with the catering.

Homestead garden

We continue to enjoy the support of the Max Employment team. A very big "thank you" is due to them. Avondale entry, picnic area and homestead

garden are all looking the best kept ever, I believe. Thank you to Gavin and the crew.

Section 95 have also been regular contributors to some of the bigger jobs around the place including cutting up large limbs, hoeing garden beds, etc.

Clydesdale horses

Marian Byrne has continued to contribute to the well-being of the Clydesdale horses, which means we can keep them looking well and available to greet visitors. Thank you also to Jen Hammond who has been willing to fill in when Marian is not available.

Beverley Garden & Tree Society

We had a good attendance of members at our meeting with Amor, from the Community Resource Centre talking on garden grants available for Community projects which were enjoyed by all who attended.

Our Easter stall outside the Resource Centre raised \$440 for the garden club. Our potager garden at the Dead Finish Museum has been planted with winter vegies, herbs, and flowers, so should be quiet productive in a few months.

We have ascertained that Beverley does have an Arboretum out at Avondale along Waterhatch Rd which was planted in 1981.

After our meeting 6-7 members went to the lodge to have a look at what we could do to make a nice area outside for the elderly and we envisage a new pergola, comfortable seats & tables, raised garden beds, paths shade trees, bird bath, sculptures etc., and hope to work towards these ideas this year.

We have a bus load of members going to garden week on Monday 22nd April leaving at 8pm from the Dead Finish, so I guess the bus will again be full of plants on the way home.

Next meeting will be Tuesday 7th May at 10.30am at the Dead Finish and it is bring and buy.

See you all there.

BEVERLEY BRANCH **COUNTRY WOMEN'S** **ASSOCIATION**

www.cwaoswa.asn.au

Members met at the CWA centre for morning tea followed by the April Monthly meeting. Quite a lot of business was handled and still we completed the meeting well before noon and all shared a light lunch together.

April is the month CWA is allocated to host the Friendly Club at the Alex Miles Lodge. The afternoon commenced with a "sing-along" to the music of Judy Moulton, Reg Behn and Richard Boladeras. There were also two quizzes with an American theme. Eric M. was celebrating a birthday and chose a small gift instead of a bunch of roses.

The group of 18 enjoyed many prizes during the afternoon – including many sweets, gifts and a large bag of small and fascinating toys which had been donated by our newest CWA member. More sing-along while afternoon tea was served then it was obvious that they all enjoyed a delicious afternoon tea. The afternoon concluded with several rounds of Bingo. We look forward to hosting this great afternoon again next year.

CWA will again be hosting the local Rotary Bowl Scan WA during the Month of MAY.

As was the case last year, the kits can be obtained for the cost of \$8.00 from the

Beverley Pharmacy (which includes the testing by Western Diagnostics Pathology) and on completion, may be returned to the Pharmacy where they will be transferred to the Western Diagnostics Pathology unit in Beverley for dispatch and processing then results will be returned to the individual. There is no GST on these kits.

There is no profit for either the Pharmacy or the CWA but we see this as a valuable community service and hope that many members of the public will avail themselves of this opportunity.

Best wishes to Kathrin Greenmount, our newest member of CWA, when she attends a Youth Leadership camp for 17 - 30 year olds. Kathrin has been sponsored by the Beverley Branch of CWA. This is just one of the opportunities available to younger members of the Country Women's Association of WA (Inc.) Membership is open to women of all ages and there is a lot to be gained by being a member. Why not join now?

BEVERLEY HISTORICAL SOCIETY

The April meeting of the Society was attended by ten members with one apology.

Our special Easter display **Hand Made** was well received with many more visitors than on an ordinary weekend. The plaque unveiled at the 30th Anniversary of the Garden & Tree Society has now been installed at the entrance to the garden.

On the previous Thursday we welcomed a group from the **Quairading Day Care** Centre including former members Pam and Bill Cole.

On May 12 we look forward to a bus visit from the **Royal Western Australian Historical Society**. They plan to have a picnic lunch in the much admired Dead Finish Garden. All members are asked to assist with chairs and information.

The Society has loaned a VDC (Volunteer Defence Corps) armband for display at **From War to Remembrance – A Living History of the RSL** at the State Library until July. Well worth a visit.

By shopping on the net, we now have **Reckitt's Blue tablets** from the Carbolic Soap Co, Bromley, Kent, UK, for use by the Year Twos later in the year.

Can you help? We are seeking a copy of a photo of a spectacular train crash at Mt Kokeby in the 1940s.

Donations to the Museum this month included

- A 1911 fragile hand-made **Greeting from Africa** made by a Miss Smith, formerly a teacher at County Peak School. Inside is a postcard of the White Star liner "Peric" and three silvered leaves with inscription: *Across the Sea, Remember Me.*
- A 1904 school homework book with perfect **copperplate** handwriting.
- An accounting ledger for the business of showing **moving pictures** in Beverley 1927/32.
- An intricate **fretwork picture frame** made with a hand-held fretsaw by a 10 - 11 year old boy in the late 1920s at Bally Bally School.

Station Gallery

Artist-in-Residence

As we bade farewell with one hand to Nada Murphy (who incidentally conducted a very fruitful three day workshop) at the beginning of the month, we welcomed Ruth Halbert with the other.

Ruth is a conceptual artist who works with textiles and for three and a half weeks she fully embraced the town - walking it, photographing and sketching it, culminating in a fabulous exhibition of works-in-progress made during her residency. Ruth's "textiles, installations and drawings reflected on the languages of road, rail and fence across a landscape and within town". We thank Ruth for her contemporary inspiration during her stay.

On 1st May we welcome Diane Newbold from Queensland. She has not planned anything as yet. However, is happy for anyone join her any time for anything ranging from coffee and chat to organising a formal workshop. For further information keep an eye on the Bulletin and/or contact Artist in Residence Coordinator Marylou Hutchinson on 9647 1027 / 0427 085 511 or email: hutchinson@wn.com.au

Artists in Residence programme 2012:

April 8th- 30th: Ruth Halbert (Perth)

May 1st- June 12th: Diane Newbold (Queensland)

July 8th- 31st: Marta Salamon (Victoria)

August 1st - 14th: Jessica Ipkendanze (Perth)

August 15th- 22nd: Eunice Mitussis & Biruta McLauchlin (Perth)

October 1st- 31st: Dorothy McInnes, Jenneke Biehl & Suzanne Crawly (Perth)

November 1st- 30th: Janet Pfeiffer (Perth)

Easter Art Exhibition at the Town Hall

The 45th Annual Art Purchase Exhibition was as promised an amazing show. Of the 365 paintings displayed 70 were sold. Yes, this is indeed a record, topping last year's effort of 69! The official

wine and cheese opening attracted more than 200 people who were treated to not only words by the residing artist at the Station, Nada Murphy, but also one of the judges Lesley Meaney who kindly returned to Beverley to speak of the winning entries. The other judge was Anne Errey and their combined comment overall was "This annual event is wonderful. Not only is it a community galvaniser it serves as a showcase for the creative spirit."

See the separate article aside this report for the complete list of prize winners. To add to the Shire Collection the Gallery purchased the Highly Commended *Brittanica Metamorphosis* by Pam Langdon and *Ghost Nets* by Jenny Broun (joint Best Local Artist with Pat Lane) and these are currently on display at the Station Gallery. Ex local resident Suzanne Halsall was the outright winner of the popular vote (public choice) award with her delightful oil painting *Sand in my Toes*.

Thankyou

To all our sponsors as without you we couldn't present such substantial prizes to attract the calibre of artists we have come to expect.

To Chris and Ruth Baker of York for framing our raffle prize, and to last year's best local artist Pat Lane who donated her lovely oil painting (which was won by Sue Shipway).

To all who visited the Exhibition - so many we gave up counting, but whether buying art or merely appreciating it, you make all the hard work worthwhile.

To the Art Gallery Committee (in particular Kathryn McLean as secretary and Amanda McLean as treasurer) and our many helpers who so willingly set up the lights and stands, unpacked the paintings and helped with the hanging, and then packed it all up again.

Everyone plays their part to make these events (as indeed the Exhibition has seemed to slot into the calendar of events alongside those at the Platform Theatre) a success but Easter remains the big one, especially now with the Platform Markets as well.

Platform Markets

Easter Saturday at the Station was a-buzz again this year with both local and distant visitors. Whilst Artist-in-Residence Nada Murphy regaled open studio and manned the Gallery, there was free face painting in the gazebo (thanks to Penny Burns, Emily and Michaela Miller) along with a wonderful array of stalls in the garden and theatre seating area. Local buskers Bolo, and Reg entertained for hours from the porch of the residence to those wandering the markets or enjoying Devonshire teas. And when he wasn't 'spruiking' amongst the stall holders there suddenly appeared an additional member with a wide grin playing bass! The success of this year's station market was largely due to Steve Ramm who coordinated all of the stall applications and correspondence, helped by Sandy Shaw along the way, John Ives with the setting up, and Leita Barrett-Lennard for organising the kitchen.

Beverley Choir

It's up and running! The first Beverley Choir workshop with singer and songwriter Kelly Newton-Wordsworth in the Gallery attracted 16 singers (yes, you are singers!), several of whom hailed from Brookton. It was a fabulous, inspiring and informative day - in fact so successful was this session that the group is already booked for its first public appearance. You too could feel "totally uplifted", and to take another quote from one who attended the workshop "I am certainly no singer but already I feel like one!" Additional singers are welcome and please look out for messages in the Beverley Bulletin or contact Sarah Miller - Ph 9646 4066 or email miller@reachnet.com.au.

Included is a message from Choir coordinator Kelly Newton-Wordsworth. "Congratulations to everyone for being such brave, adventurous and committed singers!!! To have come so far in one day is really something to be very proud of. For those of you who have never sung before, to now being doing your first ever concert within one week of your first singing workshop is possibly unheard of and I would describe as miraculous!" The Choir has learnt a song written by Kelly and will perform at the Anzac Day service at Brookton on Thursday, the 25th. Visit Kelly's Website for more information about her www.kellynewtonwordsworth.com

Platform Theatre

It was a great season finale though a disappointment that the drama production *The Canterbury Tales*, performed by Bare Naked Theatre Company, had to be relocated to the Town Hall due to rain drizzling just enough to keep things damp. No spirits were dampened however, and all ran smoothly for 110 theatre goers who came through the doors, while Committee and partners were kept busy with food and bar sales.

Because of the production moving to the Hall, two new theatre additions went unused - stage flats kindly made by Brett Hutchinson and Simon Broun, and "Hollywood" lights surrounding the large mirror in the greenroom installed by Mark Bowden courtesy of the Shire. A note of thanks here to Warren - for his enthusiastic support of the Station whilst employed with the Shire - we will miss you!

At a committee season windup party at Penny and Pat's Folly we were able to recount the success of the recent season's events at the Platform Theatre - much of which is due to such a dedicated committee and families

but with thanks also to Chris at York FM and Frenchie at Radiowest for the extra plugs leading up to events. Step-up Steve thought the presentation of a brief-case full of emergency tools to his apprentice Tim was in order - we only hope that Steve, though selling his home in Beverley will keep his promise of being here for most up-coming events.

Next Event:

The next event at the Platform Theatre will be the Country Choir Bash, but more about that in future newsletters. Anyone wishing to be included on the email list for notification of coming events (so you can forward to friends), email secretary Sarah Miller miller@reachnet.com.au

Wedding Bells

Another wedding was held at the Station when Louise Pyke married Rob Quinton amid a sea of colour at the garden gazebo and Platform Theatre on 6th April. By all accounts a happy occasion.

Platform Theatre Chair Drive

Station Arts continues to build its store of chairs through a "chair drive" where by you are invited to donate \$20 for the cost of a chair. The tally so far is **350**. If you would like to donate a chair, and/or become a member Beverley Station Arts Inc (Friend of the Station) please see treasurer Pauline at the Newsagency, phone 96461042 or email beverleystationarts@gmail.com. Membership forms can also be downloaded from www.beverleywa.com (NB cheques to be made payable to Beverley Station Arts).

Live Local, Buy Local

The Beverley Business Network's monthly Local Business Profile:

Beverley Newsagency

Originally established in 1901 the Beverley Newsagency has been providing a service combining the sale of newspapers, magazines, stationery, gift ware, cards and wrap for the last 112 years.

The building was used to print the local Beverley newspaper for many years. The original printing press is now located at the Dead Finish Museum. The building was also used as a church.

After deciding that life in the country was what they wanted, Barry and Pauline Knight purchased the business in January 2007 and have enjoyed managing the business and living in Beverley for the past 6 ½ years. The business has grown in that time with the introduction of some new lines e.g. wool, sewing accessories and a vast range of giftware as well as Lotto and scratchies.

The welcome extended to Barry and Pauline as the new proprietors was amazing and many of our customers we now consider our friends.

Come in and have a browse around, we have something of interest for everybody.

BEVERLEY NATURALISTS CLUB NEWS

Have you seen the Salmon gums lately and how spectacular they look? Their colour is stunning it looks like they have dropped their summer drab and now have their winter fab. We have a wonderful Salmon Gum stand in Beverley the largest remaining intact in the Wheat belt. This is across the road from the motocross track on the rubbish dump road there is also a large native grass land in there next to the Salmon gum stand. Wonderful bird songs can be heard long before you realise you are at the Salmon gum stand. Salmon gums don't support much understory being what is known as open woodland but many species of wildlife still call it home. Birds like the Rufus tree creeper can be seen and heard clearly around this area. The night birds such as owls and frogmouths and bush stoned curlews are clearly heard hunting and I have witnessed the mating dance of the Barn Owl. I must say the female seemed very unimpressed but he must have won her over eventually because they did have babies, I think she was playing hard to get.

Next to the motocross track in an area that is classified as a Threatened ecological community which means it has very unusual combinations of Native Flora and it is also a seasonal wet land which supports a huge variety of species of wildlife including the endangered Red-tailed Phascogale and possibly the native water rat. This area is very special and we thank the Shire of Beverley for protecting it for future generations to enjoy. I have my wildlife cameras out there and we are able to keep adding to our wildlife species list for the area. This is very exciting.

These areas are fenced to protect the native Flora and Fauna from activities such as motor bikes, quad bikes and motor vehicles and horses that do significant damage to the vegetation including some very rare plants indeed. Some of this vegetation is so rare that they cannot be replaced if lost through illegal activities. So remember if you see native vegetation please do not pick it. Please admire it and photograph it but do not disturb it as many of these plants are very sensitive. Before the bush was fenced an extinct orchid was

found it was photographed and before a positive identification was possible a motorbike smashed the area apart and the orchid has never been seen since, this is very sad but hopefully it will re-appear one day.

The Beverley Naturalists' Club have a wonderful Herbarium with specimens of native vegetation that are from around Beverley reserves and this is a wonderful tool for identifying any flora that you see out and about. Just record any info like the area and colour other vegetation around the area and you will be able to find it in our collection. Anybody wishing to see our Herbarium can ring me and I will gladly show you it. We will be having an information day later in the year for people wishing to learn about the Herbarium how it works and how important it is for future generations.

For any info on the Naturalist club or anything regarding our bush reserves please contact Phyllis on 9646 1469 or mobile 0437 483 175 or send an email to: rubinfacey@bigpond.com

Attention **Cat Owners!**

If you have a cat that is already sterilised and need to have it micro chipped to comply with the new cat laws we need to know.

The York Vet is happy to do a half day of just micro chipping for these cats in Beverley.

We need to know the number of cats requiring micro chips as we need to work out a price. We will be doing some fund raising to lower the cost and the more cats we have the lower the cost the vet will charge. At present the cost of micro chipping is \$75.00 per cat but with adequate numbers this will be a lot less.

We will be organising a bit later in the year a sterilising and micro chip day so this first day is only for already sterilised cats.

Expressions of Interest

The Beverley Tree and Garden Club are beautifying and upgrading the garden area at the Alex Miles Lodge. Our hope is that the residents of the lodge will be able to go outdoors and enjoy the peaceful and relaxing environment, with the option of doing a little bit of gardening in the raised garden beds or just simply enjoying the sunshine in a comfortable seated area.

We wish to update the pergola area with comfortable seating, bird baths, pathways, table and chairs, raised garden beds with fencing along the foot path.

We are seeking any donations from the community whether it be shade trees or a monetary donation.

The club will be putting in many hours in the preparation and constructing of the garden, we appreciate any community interest in our latest project, if you have any donations they can be left at the Beverley Community Resource Centre (CRC) or for general enquiries please contact Betty Cable (President) 9643 1043.

CRANA ABORIGINAL CORPORATION INC

INFORMATION:

CRANA has sold their property at 115 Vincent Street, Beverley. Settlement took place March 2013. Most of the proceeds have been invested in our local Bank. Mal Roberts will be making contact with various Government, Non-Government, Shire of Beverley and legal bodies with a view to seek assistance to build an Aboriginal Cultural Community and Education Centre on the Aboriginal Reserve (Crown Land). CRANA's intention to do so was discussed with the Shire of Beverley. There are many legal, funding, Town Planning and building issues involved. Therefore, much thought is being given by the CRANA Committee, as to how to proceed further. The main body is the caretakers of the Crown Land (the Shire of Beverley) with whom we will be making further contact.

Beverley Tourist Bureau

As anticipated Easter proved to be as busy as we'd hoped. Our volunteers were kept on their toes and a huge thank you goes out to everyone. We had a small stall on Easter Sunday - again another Thank You to those who baked for that.

Comments from all visitors were all positive about Beverley and it was good to see some shops open beyond their usual trading hours. Maybe more could follow suit on "special" days in Beverley. We do hope so. With such good weather throughout the weekend it was enjoyable for everyone.

As the weather cools we seem to be getting a steady stream of people visiting especially from the eastern states.

Another plus for us is that Brian has returned to the bureau as a volunteer. Welcome back Brian. This does not mean that we have a full contingent but we feel lucky to have most days covered, however do call in if you are able to offer a few hours of your time.

Shortly we will be sending out our Membership renewals to community groups, clubs and businesses. We ask for your support when we do. It means promotion on the website and support for your town.

Thank you to everyone.

Beverley District High School

Hello and a big welcome to the school holidays for both students and staff. It has been a long 11 week term and towards the end of the term, students and staff alike were feeling very tired. On a brighter note, 2nd term is only 9 weeks in duration!!!!

We have had a very smooth start to the year with both staff and students settling in very well.

Some of our classes have already gone on excursions. Follow are the sentiments of the Year 4 class as some of the students recount their day at AQWA.

AQWA EXCURSION YEAR 4

During Term One, the Year Four class have been learning all about the coral reef ecosystem.

We went on an excursion to the Aquarium of Western Australia to experience all the weird and wonderful creatures which survive in this beautiful 'underwater rainforest'.

AQWA - Harrison Bowden

On the 28th March the Year 4 class went to AQWA to learn more about the coral reef. The first thing we did was to get to Beverley and then get on the bus to Perth. Mr Ireland drove us via the Great Southern Highway. On the way Sam, Grace, Declan, Jack, Josh, Miss Meade and I played car cricket. Sam won on 120 points. I had to add up all the cars- 1pt, utes- 4pts, trucks - 6pts, trailer- 4pts and motorbikes 2pts. Red cars were out. I got out on 91 points. Jack got out on only 18 points.

Then, when we got out of the bus we went and sat down on the grass to eat recess. Mum went to get some coffees and she came back with three gigantic muffins. She split hers in half and gave some to me. I shared it with my friends. Then we got into our three groups and a lady called Shae took us inside. I was in a group with Nigel, Annie, Abbey, Alyssa and Declan. Mum was in my group as well.

After that Shae took us past the touch pool. There was a stingray swimming past us. Then we went to the information centre where Shae showed us sharks, sea cucumbers, moray eels and lots more.

We also learnt that the reef has gardeners, farmers, cleaners and residents. Shae told us that open ocean fish have silver and blue colours, streamlined bodies and their bodies don't have the right shape to turn quickly whereas reef fish are the opposite.

Then we went to the touch pool. I found out that sharks have rough skin, so do stingrays. I felt a sea cucumber. It was very slimy. Then we went to stingray bay. On the way we saw the AQWA coral reef. Two people were swimming with a lot of fish I recognised from the movie "Finding Nemo." Every now and then big jets of oxygen came out of big water pumps.

After that, at Stingray Bay there was a man feeding the stingrays by hand. By shaking squid in the water, the stingrays swam over his hand and took the squid. Abbey and Annie spotted two enormous stingrays. Both were black and heading towards the man feeding them. After that we went back to the AQWA coral reef. This time instead of going straight we turned left. Instead we saw the underwater version of the reef. This time it felt like we were actually inside the tank. The jets of oxygen were above our heads. It felt like we had dragons breathing white fire above our heads. There were also schools of black and white fish. Then we went to the danger zone where my favourite animal was the blue ringed octopus.

Then we went to the Far North with crocodiles, coral polyps and lots of little rainbow fish in a round tank. The crocodile had scaly skin and black eyes. Next we saw sea horses and sea dragons at the South Coast. We also saw pineapple fish (that looked like an upside-down pineapple). In the entire South coast my favourite animal was the leafy sea dragon.

Below: Sam McLean and a shark

Next we saw the Perth coast. In there we saw little and massive jellyfish that glowed in the dark. Then on the shipwreck coast there were grey nurse sharks, snapper and millions of other fish and sharks. The grey nurse shark's teeth overlapped their bottom lip. Abbey kept saying 'Hey dude' to the big turtles and wondering out aloud whether they were related to the turtle in Nemo.

Lastly, on the bus, Declan and I played a little bit on his iPod. I fell asleep and Declan woke me up. I had a lovely day and really want to go back soon. Overall my favourite animal was the leafy sea dragon.

AQWA - Matthew Schilling

On the 28th March, the Year 4 class went to AQWA, in Hillarys, to learn more about life on the coral reef.

We got to school and then on the bus. Mr Ireland drove the bus for us to Hillarys. On the bus lots of people were playing on electronics. Josh got sick and threw up on the way to Hillarys, so he had to move up to the front of the bus. On the bus Declan, Eli, Kurtis and I played truth or dare on my iPod. When we finally arrived at AQWA everyone was excited except for the people that said "I've been here ONE MILLION times!"

When everyone was off the bus we went over to a big grass area to have some recess. At the big grass area I found a stray cat so everyone came up the hill to see it. Then a lady called Shae told us about some different types of fish and underwater creatures. After we had all finished our recess we got split into three groups. I was in Miss Meade's group with Grace, Jack, Sam, Lexi, Kip and Tealah.

Year Four students enjoying the touch pool experience

When we went inside AQWA. The first thing we did was go to a room where we learned heaps of information about coral and fish. Next we went off into Stingray Bay and saw some HUGE stingrays! Then we went to the Danger Zone where we saw sea snakes, box jellyfish and other dangerous animals. Lastly we went on a conveyor belt around a MASSIVE aquarium with sharks, stingrays, great barracudas and many more underwater creatures in it.

I think that AQWA is an awesome place and I would love to come back for another day! Overall my favourite animal was the turtle.

We found Nemo!!

The students got to explore the many wonderful aspects of the Western Australian coastline, including The Great Southern, The Ship Wreck Coast, The Perth Coast

Upcoming Events:

WARRIORS WELLBEING

PRIMARY CARE

What is it?

Where does it start?

Primary Care is about developing a culture of caring for each other, which sometimes needs support by professionals.

Research shows that around 90% of suffering, through traumatic experiences in our lives, can be resolved by having a cuppa, a hug and a talk to a caring friend or other ordinary human being, who knows how to listen.

Is that something all of us can do? It is worth remembering "a problem shared is mostly a problem halved."

Given the rural climate at the minute which is tough for farmers, agribusiness and agri-link industries, the most effective care always starts from the bottom up.

An example of this is the Crossroads Breakfasts that are happening in and around Merredin. These were started and continue to operate under the guidance of good Samaritan, Mal Willis and his team. These breakfasts take place literally at a set of crossroads in different parts of the eastern Wheatbelt. They start just after dawn and enable men to catch up to talk over life on the land.

The benefits of an event at the grass-roots level like this are many, some of which are:

- ★ a sense of mateship and the feeling that you are not out there on your own;
- ★ maintains important social contact to keep both the mind and spirit in good health; and
- ★ it's blokes talking about bloke's stuff.

There are many other grass-roots events that we attend which are also a great basis for primary care.

These gatherings occur when many rural people are at the crossroads in their life. People in the bush have always faced tough times, and now is no different.

I would like to quote a snippet from

Albert Facey's book "A Fortunate Life"
*"He wrote about his life as if it were a journey. Along his route, **crossroads** offered crucial choices - in some cases his survival was at stake - and the tracks he followed led to **learning, pain and enrichment.**"*

What a story, I thoroughly recommend it, it is a fantastic read for all.

The important message is this: start to talk about some of the pain, don't suffer alone.

Mum Always Knows

Everybody has a mother,
That is simple and true,
But often we forget our
mums,
And all the things they do.

On Mother's Day take some
time,
To thank her for all she's
done,
Food and clothes and rides
to school,
And driving to places
where you have fun.

Like zoos and parks and
playgrounds,
And to the dentist's office,
too.
It might not be fun at the
time,
But Mum always knows
what good for you.

BEVERLEY LAWN TENNIS CLUB

WOW !!! WHAT AN EASTER!!!

A fantastic turnout for the 80th Easter Tennis Tournament. With over 700 matches played, there was tennis at all skill levels. The weather was warm and wonderful and many fashionistas in bright colours adorned the immaculately tended courts.

A decadent High Tea on Saturday afternoon marked the occasion of 80 years of the Easter Tournament. It was lovely to see many familiar faces and there was lots of memories shared between older and newer players to the tournament.

Congratulations to the fantastic Easter Committee who did a superb job at running a very efficient tournament, Rob DeGruchy and his helpers for the fantastic courts, Ashe Murray and her band of merry helpers for the mountains of food, the Queen Moll Fleta and her delightful side kick for dogs to die for, Starlo for keeping the bar stocked and going and for the Shirley Templers—Ali Lewis and Chantelle Meade for a fantastic cocktail night. A big thank you to our wonderful sponsors Stirling Thomson and Elizabeth Moir of R&L Hiabservices.

REDBACKS HOCKEY CLUB

What a great start to the hockey season! On Saturday 13th April we had our annual scratch match against Brookton.

A fantastic win 3 - 2 in very muggy conditions in 3 x 20 minute thirds. The first ten minutes saw the team dust off the cobwebs, get the muscles working again and have a lot of laughs before we really saw some great passing and team work in the last third of the game. Thank you to Thomas McLean & Tarkyn Henry who filled in for us and gave us all a great break on the sidelines during the heat.

We wish Emily Miller all the best after a painful knock to the hand during the game. We do believe she is well on her way to recovery already.

The season kicks off with all teams playing in Northam on Saturday 4th May. Aces White V's Beverley at 3pm. Fixtures are still being finalised & will be published in the next Blarney.

This year the team will be stepping up the tempo, playing back in A Grade - so it is very important that everyone can make training and fit in a few fitness "fun runs" of their own to make sure we are up for the fun challenge of the higher grade.

Training Wednesday's: 5:30pm at Beverley Oval - look forward to seeing you there.

A BIG THANK YOU to Rob De Gruchy who did a fantastic job helping us mark the hockey oval out for the season. Congratulations to Hollie & Karl Smith who have announced they are expecting their first child. We look forward to another mascot on the sidelines!

Best wishes go to Carly Veitch for a speedy recovery after a recent illness. See you on the field soon. Congratulations to Chris Mann who will be coaching us, we look forward to having you guide us through another season.

Beverley 3 out of 3

It was that time of the year again on Sunday the 17th March 2013 when a squad of 38 members of the Nine Dragon Martial Arts Academy from both Beverley and Perth competed in the 2013 Western Australian Brazilian Ju-Jitsu No Gi State Titles held at the Craigie Leisure Centre.

Michael Martino 6th Degree Black Belt, National Director and Chief Instructor of the International Jiu Long Kempo Karate Society said "I am very pleased with the performance of the squad not only as a team in the preparation for the event, but acknowledged the individual efforts of all those students who competed".

Beverley can be proud of William Kennedy who fought his way to win Silver Medal and Olivia Lucas who picked up a Bronze Medal. Jamison Ugle put in a mighty effort winning Bronze in spite of competing in age and weight divisions above his category. Well done Beverley Club, 3 competitors, 3 medals

Not to be disheartened on this occasion the club walked away with an outstanding total of 27 Medals for 38 competitors. 9 – Gold, 9 – Silver and 9 - Bronze medals, giving the club a 72% medal ratio.

Martino says that the road to perfection is slow, repetitive and often boring. He says he prefers the old way of doing things and students can expect to train for least ten years before even getting close to the possibility of sitting for a black belt examination. This might sound like a long time but it goes very quick and before you know it your there.

After forty one years of training and travelling all over the world, Martino who is now a master instructor says it's a pleasure to be able to pass on skills to students, and age is no barrier.

If you would like to read more about the club you can visit the web site at www.ninedragon.org.au the Beverley club trains on Friday afternoons from 16:00 – 18:00 hours and would welcome any new or perspective members.

Beverley Bowling Club

Sunday the 7th saw the closing event for the 2012/2013 calendar at the Club, with the H.R. Rushton Trophy being played for.

The winners of the competition were Peter Fleay, Glenys Collins, Cedric Smith and Ron Napier with Jeff Murray, Ron Stebbings, Jodie Bell and Lesley Heal the runners up.

The men's Championships have been finalized and the Singles Champion is Royce Edwards, who has played very good bowls all season. The runner-up is Greg Barrett-Lennard. The winner of the Plate is Sheldon Petchell from Frank Ware.

The Pairs Championship was won by Greg Moulton and Louis Irvine with Peter Fleay and Geoff Bremner the runners up.

A summary of the 2012/2013 Ladies Season

The season opened with the Opening of our new dry max greens constructed by Darren and his team from Court Track and Field.

Our first major Ladies event was the Beverley Gala Day held on the 4th of November, with 18 teams playing. Two of those teams were only possible through the support of Jeff Murray and his band of merry men who served up the lunches organized by the playing ladies. This support has been ongoing all year and our three wise men- Eric Murray, Harold Fleay and Bill Wansbrough are always ready to get their hands in the sink to help with the washing up.

The Ladies Championship was won by Glenys Hastings, with Marg Peck the runner-up.

The Pairs Championship which was sponsored by Penny Burns from U Beauty Salon was won by Glenys Collins and Lyn Mactaggart from Glenys Hastings and Dot White.

The Beverley Club hosted the Inter League Round Robin Fours, with 80 ladies playing, from 5 leagues - Avon Valley, East Avon, Central Wheatbelt,

Goldfields and South Eastern. All the players were very pleased with our new greens and it was with great delight that Avon Valley won the event by just ½ a point from South Eastern. Marg Peck and Glenys Collins played in this event, and Marg's team was successful in being chosen in the all stars team to play in the Country V Metro event prior to Countryweek.

The ladies have fielded players in all the League events this year, with the team of Marg Peck, Glenys Collins, Lyn Mactaggart and Judith Stebbings winning the Avon Valley League Fours at Bolgart with 3 wins and a draw, the only team to be undefeated.

The League Singles were held at Beverley with 25 in the Major and 13 in the novice, the best field for a long time. Judith Stebbings got to the Semi in the Novice only to be defeated by the eventual winner Jenny Parker from Northam, and Glenys Collins also played in the semi final of the Major and was also defeated by the eventual winner – Misty Richards from Dowerin.

Our pennant team finished in 5th place only ½ a point out of the top 4.

We can be very proud of our members and the support to the Club by ALL, and know that we will go from strength to strength.

We will look forward to the 2013/2014 season which will include our Club's 100 year celebrations.

Beverley Netball Club

The Netball season is upon us once again and the new courts are coming along nicely, you will no doubt have noticed the progress from Forrest Street. The Netball Club is anticipating hosting an opening day for the new courts on 29th June. Past and present players as well as the community will be invited to attend.

The Netball Club will be having our annual Pizza night fundraiser on the 19th July, look out for the flyers and order forms in the Beverley Blarney. Community Support of this fundraiser is greatly appreciated.

Beverley has been able to just scrape together 2 teams for the 2013 season against 2 Brookton teams and 3 Pingelly teams. We hope to see you at the courts supporting the teams as they try to earn their way into premiership contention.

Beverley Junior Sports - Junior Netball Team

It was amazing to see the turn out of local kids for the first session of junior sports 2013. The oval had boys running everywhere, clearly in their element of happiness, whilst over on the courts, the junior netball team had an astounding turnout with 26 girls. With the return of many familiar faces as well as some of the Netta girls moving up to the junior level, we also have the addition of some Brookton girls. The teams had only two training session before they had their first away game of the season, in Cunderdin.

Kelly was coach for the both teams on the day, due to the association netball conference. We thank Kelly for stepping back into her role with such ease and glamour. The Year 3 -5 girls played a fantastic game, winning on the day 9 - 0. The Year 6-7 girls played hard and were winning in the first half of the game but

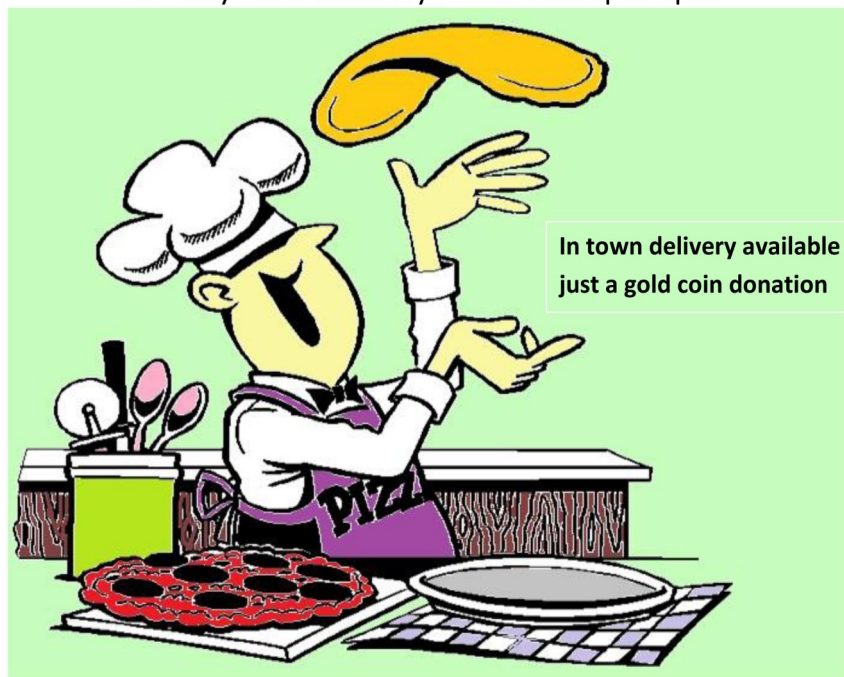

unfortunately lost 36 - 10. The girls do not seem to have lost their ability to play well together and they demonstrate great skills for their age, we are looking forward to an amazing season of netball with a dash of fun and laughter.

Football Training
Wednesday's at 6:30pm,
Altone Park in Beechboro
and Beverley Oval;
and
Friday's at 6:30pm, Beverley
Oval.

The Beverley Football Club rounded out the pre-season with two solid hit outs against the Mandurah Mustangs and Corrigin, with Beverley proving far more dominant in both games. There has also been a significant increase in numbers at training since Easter, as the competition for a spot in the League team heats up.

A wonderful show of commitment and support was evident over the weekend of the 12th and 13th of April, with much of the Beverley Redbacks' player group turning out for our Jumper Presentation at the Freemasons Tavern on the Friday night, and following it up the next morning, getting their hands dirty at our crutching busy-bee at Garry & Sarah Miller's property. We wish to acknowledge the continued support of Beverley Hydraboom as our League jumper sponsor and also thanks to Boekeman Machinery who are our new Reserves jumper sponsor. A big thank you to all those who volunteered their time at the crutching busy-bee on Saturday.

The Beverley Football Club has begun their League premierships defence with a hard fought 11 point victory over Cunderdin on Saturday 20th April. In more convincing fashion, our Netballers too started their premierships defence with a dominant 37 goal win, and in a cliff hanger, our Reserves just missed out on the 4 points with a narrow 1 point loss to the home side.

We spend the first month and a bit on

the road due to the building of the new Clubroom facilities, and we will be aiming to accumulate as many wins as possible in this time to put ourselves in a strong position before we commence our run of home games starting on the 9th of June.

2013 Player departures:

BEVERLEY HORSE AND PONY CLUB

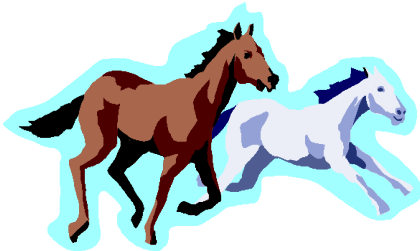

The club ran a street stall and sausage sizzle over the Easter Long weekend. Thank you to everyone who supported us on the day and helped it to be a very successful fundraiser.

We held our rally on the 21st April. While the clouds threatened rain it was beautiful weather for riding and an enjoyable day was had by all who attended. We welcomed new member Kayla Renson & *Cloud* and also got to meet Jacinta's new horse *Boogle*. Members took the opportunity to (belatedly) celebrate Vicky's 21st Birthday with at lunch time with a very yummy cake supplied by Tess. The afternoon was spent learning the rules and practicing some of the different events that will run at the Toodyay Gymkhana in May.

Four riders sat their D Exam at the rally. Thank you to Karen Henderson from York who came over to spend the morning examining them. Congratulations to Grace Fisher, Kip Reick, Katie Harris & Jess Appelbee who were all successful in passing their D exam.

Congratulations to Tealah and Kip who represented the club at the Zone Showjumping Runoff hosted by Toodyay Pony Club.

It was with great sadness that the club shared their condolences with the Peart's this month as they had to say farewell to *Janiember Seka*. After 19 years with the family and a stalwart equine of the Beverley Pony Club he will be missed around the pony clubbing scene. He had competed at all levels from club to international in games, was featured on the PCAWA Games Banner, and when not busy with games he was used by many members over the years at Pony Club allowing many riders to progress with their skills and participate when they may not have been otherwise able.

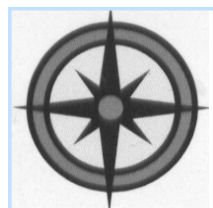

Our next Rally will be on the 19th May. Visitors are welcome to come and see what we do.
