## President Report April 2013

### Youth Forum Friday 3<sup>rd</sup> May for Local Youth

A Youth Forum for all local 11 – 18 year olds is to be held in Beverley on 3<sup>rd</sup> May (last Friday of the School Holidays). This exciting initiative includes entertainment and opportunity for our youth to present and workshop ideas that will inform future Council decision making regarding Youth Initiatives in Beverley. Information is included on page 30 in the Blarney and we look forward to participation by the younger members of our community.

### Avondale

A reduction sale of machinery and equipment is occurring at Avondale on 6<sup>th</sup> April.

To allay some of the concerns I have been hearing of in the community lately this sale does not include any of the Vintage Machinery Collection which the Shire became custodian of in 2009 when Avondale was transferred to the National Trust. There is also no plan nor discussion in relation to relocating the Collection.

As mentioned in the March Blarney the Shire of Beverley is working to ensure the retention of Avondale as a publicly accessible facility. Further to that, the Farm Management Group currently involved in overseeing the changes at Avondale have been advised by the National Trust CEO that proceeds received from the reduction sale will be available for reinvestment back into Avondale.

Tax deductible donations are also being received by the National Trust

to be used specifically for urgent restoration works to the magnificent 1890's Clydesdale stables.

Avondale is currently only available for visits by pre-arranged group bookings. Contact Dina Barrett-Lennard at Avondale 9646 1004 with enquiries.

### Annual Budgeting

The 12/13 Budget review has recently occurred.

Staff are working on the 13/14 budget. Councils are required to develop Integrated Planning Documents which have been guided by local priorities. They include plans such as the Strategic Community Plan, Long Term Financial Plan and Asset Management Plan and are used to inform and develop the draft annual budget that Council will review in the next few months, and then endorse early in the 13/14 financial year.

### Community Resource Centre Feasibility Initiative

Council has supported the Beverley Community Resource Centre who are proposing a Feasibility Study to review their current services, resources and facilities and to ascertain and plan for future

community requirements and expectations of the CRC.

### Local Government Elections 2013

The next Local Government Elections will be held in October 2013.

Would you consider becoming a Shire Councillor and represent your community? Maybe now is the time to find out more about it.

Now is also the time to ensure your details are recorded on the Shire's electoral role in relation to property you own in Beverley.

Dee Ridgway  
Shire President

### The Ode 'Lest we forget'

They shall grow not old,  
As we that are left grow old,  
Age shall not weary them,  
Nor the years condemn.

## SHIRE OF BEVERLEY

### PAYING BY CHEQUE at the SHIRE OF BEVERLEY

**Effective immediately all cheques received at the Shire MUST be made payable to SHIRE OF BEVERLEY.**

Due to the bank ruling, **ALL** cheques **MUST** be made out exactly as the name of the account where the funds are being deposited.

The bank will no longer accept anything else – that is as written below:

Beverley Shire  
Beverley Shire Council  
Department of Transport, etc

**The above are no longer acceptable**

THE CHEQUE MUST BE MADE OUT TO **SHIRE OF BEVERLEY**

If a cheque is received and it has not been made payable to the 'Shire of Beverley' it will be returned for correction. This will cause a delay, and you may not meet the payment deadline. This could create problems especially in regards to Licensing. We thank you for your co-operation.

S K MARSHALL  
Deputy Chief Executive Officer

## **BEVERLEY SWIMMING POOL**

### **SEASON WIND UP 2012-2013**

At risk of sounding repetitive, what an amazing summer we have had at the Pool this year! So many highs, and yes, a couple of negatives to report as well. From my last article in January the second half of the season flew by at a ridiculous pace. So much so, it has been hard to keep up with. The reintroduction of the 1.5m diving board was definitely a season high bringing back a few oldies to the pool for a dive (bombie) and introducing some of our younger regulars to the joys of having a fantastic, if not old fashioned, piece of equipment.

Australia Day was another brilliant day however numbers were slightly down on last year due to the fact that it was on a Saturday and a lot of people still had to work. This year the Lions club took it to a new level by introducing bumper boats for all ages and in my opinion it was the factor that made it the day even more successful than last year.

February was all about the celebrity visit from the great Laurie Lawrence and Olympic gold medallist Bill Kirby. My old mate Bill ended up getting into a wee bit of bother with his wife for missing Valentine's Day to be with our very lucky swimming club. He still got to demonstrate his love for competitive swimming to our kids. To say they benefited from the world class session would be an understatement. Laurie did a one hour baby class for half a dozen lucky mums and dads, however this would have been a lot better if every one that said they would turn up with their babies actually did. Mr Lawrence did not complain and put all his heart and soul into the session which left all involved amazed at his enthusiasm and professionalism towards saving babies lives. Both men eventually joined forces to conduct a once in a lifetime skills session for our swim club. During a phone call to Laurie on the day, Ian Thorpe was eager to encourage the Kids and spoke to one very lucky girl. Once again, February saw the end of our summer holidays and it was sad to see a few of

my regulars go back to their prospective boarding schools. When you get to see the same kids every day for two months straight I feel my fatherly instincts kick in and it does get a bit emotional to say goodbye for another year. It wasn't long before our local school returned for the in-term swimming lessons, and just like last year it was the hottest two weeks in a row for the entire summer peaking on the first Wednesday at a lazy 45 degrees. It's the closest I have seen the teachers gear themselves up and just collapsing in the (not so cool) water. Congratulations to all the children that passed, and to the few that didn't, all you need to do to improve is to actually swim as much as you can. There is no coincidence that the majority of the regulars that swim all summer long consistently pass and win at the faction carnival, so keep at it. The more training you can do the better.

March delivered a weird month with the weather cooling off way too early (especially the nights) affecting our numbers. However the annual Beverley District High School faction carnival went off without a hitch, with the weather God's smiling upon us on the day. From a Pool Managers point of view it's great to see how much improvement the students have had in their times this year. Great work kids, and keep training. I feel this was due to the parent's support that showed up in droves this year to ensure this carnival had a brilliant atmosphere. I must admit

it did upset me last year to see a lack of mums and dads who did not show up and support their Kids. I would take a day off work to watch my kids compete at any level and to see so many Kids swim their hearts out and only half a dozen or so parents showed up was quite disturbing. This year was all about the full support and to meet so many lovely people was just fantastic, well done Beverley school. I'm so happy that both my girls will attend such a great school. The season ended with a Final season splash on St. Patrick's Day and was once again all enjoyed themselves. Well done to all the winners of the diving trick competition.

So as a wind up to season 2012/2013 here are some stats that were taken for the year.

- ☺ Adult swim entry's stable,
- ☺ Child entries down,
- ☺ A big rise in visitors this season,
- ☺ Under 5 children entries were significantly up thanks to Jodie Bell's baby classes every Monday,
- ☺ Season pass sales down however the people that purchased them swam more this season than last,
- ☺ We had an average of five minor first aid cases per week,
- ☺ No major injuries or fatalities to report,
- ☺ Morning swimmers were stable

*L to R: Lucy Leonhardt, Anneliese Mellick, Abbey Cooke, Grace Fisher*

at an average of 8 swimmers  
7 mornings per week (This  
peaked in January at 14) so once  
again well done to all my  
Morno's.

Finally no surprises here, the  
hottest day of the summer at a  
total of 7 in a row was...  
Tuesday!!! (Our close day)

A very special thanks to my mate Bryan  
French (Frenchy) and all the staff at  
RadioWest for the fabulous support you  
gave to our Pool all season. This Pool  
would not have had the WOW factor on  
entrance this year had it not been for  
Mal and his boy's from the Shire depot  
for continuing to help with our lawns  
and gardens. In fact, thanks to all the  
Shire staff for their friendly help and  
patience, even when I'm being a bit  
demanding.

Emily would like to pass on her thanks  
to all the volunteers in the Kiosk  
throughout the season (you all know  
who you are), we could not have done it  
without you. I would like to thank Ken  
Kennedy for all his efforts once again  
and Matt Mildwaters for allowing me to  
operate with my heart and encouraging  
me to take our Pool to a new level each  
season.

Next year will be slightly different if the  
promised 30k comes from the Nationals  
as I will get hot water for the showers as  
well as other major improvements. Our  
50<sup>th</sup> year was in a word, memorable.  
Onwards and upwards from here on and  
please have a safe and warm winter, see  
you all again next season.  
Brad M.

## Bereavement

Eric Bowes Overington  
25/09/29 - 15/02/13

The Overington Family would like to thank all those who sent cards and offered words of support and sympathy.

Thankyou to everyone who attended Eric's funeral and joined us afterwards at the Bowling Club.

Special thanks to the Bowling Club for providing EBO with a fitting " last end "

My sincere thanks to the volunteer ambulance crew, the local police, my neighbours Shirley and Rob for their assistance and support when my husband suffered his fatal fall on 8th March 2013.

Grateful thanks also to neighbours and local people unknown who gave assistance in so many other ways.

And to the many kind people who have extended sympathy and offers of assistance, I thank you also.

Lucille Larsen

## Thank You

We wish to thank our wonderful Ambulance volunteers, Fire Brigade, Nursing Staff at Beverley Hospital, family, neighbours and any one else who assisted at the accident and fire on Bremner Road on Friday 25th January.

## SHIRE OF BEVERLEY AGED CARE PLANNING

The Shire of Beverley has committed to participate in a Regional Aged Care Planning process to develop and assist in the implementation of an Integrated Wheatbelt Aged Care Plan.

The Plan will build on our existing services and infrastructure while finding methods in which our residents can age in their homes and communities for longer.

Funded through a partnership between the Wheatbelt Development Commission, the WA Country Health Service's Southern Inland Health Initiative (SIHI), and Local Government, the Wheatbelt Integrated Aged Support and Care Solution/s (WIASCs) is a proactive process which will produce Shire specific Needs Studies and an overall Wheatbelt Integrated Regional Aged Care Plan.

The Plan will look at all facets of Aged Care from Aged Friendly Communities, Aged Persons Housing, Community Care and Residential Care.

Melbourne Consultants Verso have been appointed to carry out this work and have prepared a summary of aged housing and care needs for our Shire. Verso would like to present these findings to the community to receive our thoughts and inputs, this will also provide a more accurate account of what will work and what is important to our community.

This is an invitation to all community members who access Aged Care services or have experienced the delivery of Aged Care services in our community to attend.

The community consultation will be held on Tuesday 14 May 2013 at 9:30am in the Lesser Hall.

## Beverley Patchworkers and Quilters

Three of our ladies travelled to Bunbury on the weekend of March 18 and 19, to attend a quilting exhibition in the arts and cultural centre. They also visited the large craft and patchwork shop there, gaining a few ideas to bring home.

Two ladies also attended a workshop in Midland to learn some new skills using circular shapes. Hopefully they will be able to pass on some of their newly acquired skills to the group here in Beverley.

A workshop to make a table runner will be held on the last Tuesday in March and there is a lot of interest in this event.

Several of our members have attended the Friendship day in Quairading. This is always a fun day to sit, chat and sew, with the opportunity to see what others are doing and come away with some fresh ideas. Thanks to the Quairading group for organising the day and making it a pleasant days outing.

New members are always welcome. Just phone either number below for details of our group.

## BEVERLEY HISTORICAL SOCIETY

Our first formal meeting of the year was held on Monday 11 March with 9 people present (including one new member) and 3 apologies.

As is usual after a three month break there was much correspondence and many donations.

We received a paper from York written by a descendent of [John William Feeney](#) who owned the Settler's Arms (now Dead Finish) from 1882 -1907. He was there when the infamous Hackett Murder occurred in 1884. In 1892 (presumably in response to a downturn in business caused by the coming of the railway) advertised free rides from the station to the hotel.

Family research for the Caruso family, who worked in the Dale in the 1940s, revealed they were known to local residents & contact information was made available for the **Caruso** family to follow up. We were also provided with information about charcoal burning in the Dale in 1940s from a paper written some time ago by Geoff Hutchinson. Enquires were also made about the **Elliot** family who had quite a large farm in the Mt Kokeby area early in the last century. A request through Beverley Tourist Information enabled the **Price** family from Liverpool, England to get in touch with long lost cousins in Perth.

Donations included:

- ☞ A copy of West Australian newspaper article March 5 1962 with photo & story of the **opening of the Beverley Memorial Swimming Pool** by Premier David Brand – same day he opened extensions to the Beverley JHS.
- ☞ Clippings from the *Beverley Times* 1967 of The **Hackett Murder**, prepared by H T Edwards after investigations at Perth Public Library where he had access to files of the *WA Inquirer*. **Hymn book & psalter** for use by church organists.
- ☞ A **gas lighting system** for ducted gas lights in a home or building with tank, lamp & shade.

Next meeting is Monday 8 April at 2pm.

New members always welcome.

Fees are \$10 per annum.

For more information please contact the Secretary at [bhsdeadfinish@gmail.com](mailto:bhsdeadfinish@gmail.com)

## BEVERLEY TOURIST BUREAU

Well, there has been a 'turn-around' this month in regards to the Bureau. To date, our numbers are up on the previous month and no doubt, with Easter just around the corner, there will be a bigger number here during that time. Maybe even the weather can be attributed to a few more people emerging after the summer heat.

We have had further contact with the Motorhome Club and they spent time here last week making plans for September. Hopefully all shops will be open during their rally here, as with so many people coming to town, we are sure everyone will benefit financially.

John has now joined us as a volunteer and on his first day here he was delighted to have visitors, meeting some lovely people. Thank you John and welcome to the team. Hopefully next month we will have another team member as another person has come forward offering their services. Every month, when I have mentioned needing volunteers, I have met with many negatives but I was always optimistic that we would get people in. Our current volunteers do a great job and we never forget them. Thank you ALL, again.

Our shirts are on sale and slowly people are taking an interest. Orders can be taken for any specific colour, size or design, if we don't have what you are looking for in stock.

We wish you all a safe and happy Easter. The Bureau will be open during that time, as usual, promoting our lovely town of Beverley.

## Beverley Garden and Tree Society

Thirty six members, old and new friends, gathered at the lovely surroundings at the camper's kitchen at the Caravan Park. This park is a credit to Janet. It was beautifully cool under the shady trees and our first meeting for the year was enjoyed by all.

Our main project this year will be the beautification of the Lodge outdoors. We are thrilled that the hospital auxiliary will support us in this endeavour.

Members have voted to hold a white elephant stall at Easter, the '*Blue Fountain Markets*' will be an all day event on Saturday 30th March from 8.00am - 4.00pm on the front lawn area of the CRC. All members have been asked to donate whatever they have in their cupboards.

We have decided that the retic at the Dead Finish garden will be replaced this year and that the pea hay needs to be renewed as well. Copious mulching meant the garden made it through the severe summer in pretty good nick.

After the meeting all members, old and new, spent a pleasant hour having morning tea and catching up with each other. It was so great to see friends who had been holed up for the summer and to talk about our gardens and families.

Our next meeting is on the 2nd April at 10.30am at the Dead Finish and will be a seed exchange opportunity.

New members are most welcome.

## News Straight from the Broomstick!

The two ginger kittens I mentioned a couple of months ago went down to the vets, where we learned the dark ginger was actually a female. Everyone was very excited by this information because female ginger cats are very rare especially with her vibrant and unique markings. The pale ginger is male and both have found two loving homes and are now sterilised, micro chipped and vaccinated.

Remember everyone has just over 30 weeks until the new cat laws come into effect. These include all cats being sterilised, micro chipped and registered. A female cat costs about \$200.00 to sterilise and a male around \$50.00 (will vary depending on which vet you go to) and micro chipping is about \$50.00. Personally I believe in the new cat laws and hope that over time it will reduce the number of feral cats and kittens around.

One of my recent calls was to a little female euro in Brookton who was so freaked out I had to put her on valium for 5 days. This worked a treat as she has now settled in really well inside and is starting to go outside under supervision. I named her Gretel and she is a real character who is very adventurous and is always getting into trouble, which always makes us laugh. We all hope one day she will be independent and experience life like a normal kangaroo.

On a happier note after 12 months in care our bobtail was successfully released. This bobtail was run over by a car between Brookton and Beverley at the end of February 2012. She has extensive damage to her head but an x-ray revealed no broken bones. She was also lucky enough not to have any brain damage though she had a lot of tissue and muscle damage. As soon as we got her we had to give her fluids by tube for several weeks as she was unable to eat or drink on her own. Once she was able to eat food without our assistance she improved rapidly, though still required many months of hand feeding. She stayed around for a few days but haven't seen her since, we are all hoping that she has a long and happy life back in the wild where she belongs.

## AVONDALE REDUCTION SALE

The National Trust took over management of Avondale Discovery Farm from the Department of Agriculture and Food in 2009 to keep it in public ownership and promote the conservation of this significant heritage place. Since then the Trust has been responsible for range of conservation and repair works to heritage buildings, the natural environment and the farm. A major planning report – The Avondale Master Plan – was prepared and numerous applications for funding to implement its recommendations have been made. While minor grants have been secured the absence of major funding has led to the current situation where the farming operation at Avondale has been leased out.

Working in partnership with the Shire of Beverley, the National Trust continues its management of Avondale as a community asset, although with reduced public access in the short term.

As a consequence the opportunity has arisen to reduce the levels of farming machinery and equipment.

All proceeds from the Reduction Sale will be returned to Avondale to help ensure its long term conservation and viability.

The National Trust is fortunate to have the support of an active and dedicated group of experienced local volunteers in guiding the management of Avondale and with them is looking forward to securing a more certain future for this valuable community and educational asset.

Visitors to the Reduction Sale can make donations to help fund for urgent works to the roof of the 1890s stable and National Trust membership applications will also be available at the sale.

## Station Gallery and Platform Theatre News

### Station Gallery and Gardens

The exhibition by past Artists-in-Residence 2007 - 2012 is now dismantled and now hanging is an exhibition by current artist-in residence Nada Murphy until the 2<sup>nd</sup> April, followed by works of Ruth Halbert until the end of the month.

### Artist-in-Residence

As we say goodbye to Mike Vandeleur who as always made himself so at home in Beverley and conducted a great beginners workshop for two of our up and coming talents, we see the arrival Nada Murphy who will be artist-in-residence until 2<sup>nd</sup> April, conducting a three day live-in workshop for three on 22<sup>nd</sup>/23<sup>rd</sup>/24<sup>th</sup> March *Catching the Light* "en plein air". Ruth Halbert will then be in residence until 30<sup>th</sup> April. Ruth is a Western Australian artist who works with textiles and installation. Textiles give a wonderful range of materials (fabrics, threads, fibres and dyes), with lots of different techniques (stitching, knitting, felting, weaving, lace, piecing, knotting...), and a fascinating cultural and historical legacy.

She utilises two main approaches for making work. The first is to use specific textile techniques to explore mathematical forms, for example to crochet hyperbolic planes which look like organic coral shapes. Depending on the materials and methods used, the resulting pieces may be eye-catching and lively, or very simple and contemplative.

The second approach is to investigate an idea, often based in a place or relating past and present, and to explore the research around the idea by dyeing, piecing and stitching cloth, or by making cloth by felting, spinning or knitting. The work that Ruth will continue to do while at Beverley will be based on my family connection with colonial Western Australia, the Wheatbelt environment and on using local materials.

Ruth is looking forward to exploring the town and surrounding countryside, as well as having a very productive time in the studio. She will be showing the resulting works-in-progress at the Beverley gallery from 25<sup>th</sup> to 28<sup>th</sup> April.

For further information on these artists keep an eye on the Bulletin and/or contact Artist in Residence Coordinator Marylou Hutchinson on 9647 1027 / 0427 085 511 or email: [hutchinson@wn.com.au](mailto:hutchinson@wn.com.au)

### Easter Art Exhibition at the Town Hall

The 45<sup>th</sup> Annual Art Purchase Exhibition promises to be amazing with 365 entries displayed in the Town Hall. The exhibition will be open to the public on Thursday 28<sup>th</sup> March 10.00am - 4.00pm, **for viewing only** followed by the official wine and cheese opening that night 7pm - 9pm. Sales commence at 7pm so be there to get the best buys! The residing artist at the Station, Nada Murphy, as special guest will open the exhibition. The exhibition is dedicated to long time exhibitor at the Beverley Exhibition, John Ainsworth, who died in October last year and whose exquisite rural watercolours will be sadly missing. Please let us know at the exhibition if you would like to be involved in helping to pack up on Monday afternoon 1<sup>st</sup> April.

### Viewing Times

For the duration of the Exhibition opening hours are as follows:

Thursday 28<sup>th</sup>, Friday 29<sup>th</sup>, Saturday 30<sup>th</sup> and Sunday 31<sup>st</sup> March - 10.00am - 4.00pm

Monday 1<sup>st</sup> April - 10.00 - 2.00pm. Admission (includes catalogue): Adults \$2.00, Children \$1.00, Family \$5.00.

### Easter Art Raffle

Raffle tickets are now on sale at the Newsagency or the Exhibition for the lovely oil painting donated by

Pat Lane (Best Local Artist 2012) and framed by Chris and Ruth Baker of York. The raffle will be drawn at the close of the exhibition on Easter Monday 1<sup>st</sup> April.

### Platform Markets

For the third year, the Platform Markets will be on again Easter Saturday 9.00am - 3.00pm with some fabulous craft and gourmet food stalls at the Station, both on the platform and in the garden. There will be face painting for the kids, our local buskers will be back, plus some from further afield, to entertain in the garden where Devonshire teas can also be enjoyed.

### Beverley Choir

It's still not too late to put your name down if you are keen to join the Beverley Choir. The inaugural Beverley Choir will commence with a 4 hour singing workshop at the Beverley Platform Theatre with singer and songwriter Kelly Newton-Wordsworth.

**Wednesday 17<sup>th</sup> April, 2013 from 10am to 2.30pm.**

**Bring & Share lunch. Tea & Coffee provided.**

**Workshop: \$35.00 per person**

**Visit Kelly's Website for more information about her.**

### Platform Theatre

153 people came through the gate for the Lucky Charm Concert (we needed 150 to break even) who were thrilled with the experience of seeing and dancing to the rockers of yesteryear.

As we have come to expect there was lots of support from out of town including Corrigin, Mandurah, 15 from Narrogin and a handful from Perth.

### Next Event:

 **Friday 12<sup>th</sup> April: Comedy drama production *The Canterbury Tales*, performed by Bare Naked Theatre Company - the same group of actors who presented the hugely popular "39 Steps" at the Platform Theatre last April, promises an evening of hilarity which should not be missed. The Tales have been updated and given a modern twist, whilst remaining completely faithful to Chaucer's plot lines. The stories of love and lust, stupidity and passion, chivalry and greed all unfold as the cast of 6 cruise effortlessly through six tales, which are each set in a different era - from Ye Olden Days to the Wild West, then onto the Roaring Twenties, London in the hip 50's, and finally to a galaxy far, far away. Brilliantly summarised by the press release, this show is "comic, scurrilous, bawdy, poignant and tragic," making this an evening of fun for all ages!**

- **Canterbury Tales at the Beverley Platform Theatre on Friday 12<sup>th</sup> April 2013**
- Tickets: \$28 (adults), \$25 (concession) \$15 (children under 15 years)
- Tickets available from Beverley Newsagency OR online bookings [www.trybooking.com/CORV](http://www.trybooking.com/CORV)
- Licenced bar (under 18's must be accompanied by a parent/legal guardian at all times)
- Food available, soft drinks, snacks and ice-creams
- Gates open 6.00pm, Performance starts 7.30pm

This play is the finale of the season at the Platform Theatre - a season that has brought, we hope, a varied number of events that has catered for all tastes, fulfilling our sole purpose of bringing the arts to the country. Anyone wishing to be included on the email list for notification of coming events (so you can forward to friends), email secretary Sarah Miller [miller@reachnet.com.au](mailto:miller@reachnet.com.au)

### Platform Theatre Chair Drive

Station Arts continues to build its store of chairs through a "chair drive" where by you are invited to donate \$20 for the cost of a chair. The tally so far is **334**. If you would like to donate a chair, and/or become a member Beverley Station Arts Inc (Friend of the Station) please see treasurer Pauline at the Newsagency, phone 96461042 or email [beverleystationarts@gmail.com](mailto:beverleystationarts@gmail.com). # Live Local, Buy Local

## The Beverley Business Network's monthly Local Business Profile:

### Beverley Supermarket and Liquor IGA

The Beverley Farmers Co-operative was purchased by us in September 2003.

The us being, Chris and myself, Pat. We had owned and managed Beverley Self Service and Liquor, the small Four Square supermarket on the corner of Vincent and Forrest St since buying it in 1999. Purchasing the Co-operative, which was a larger Foodland Supermarket, was an opportunity to expand and realize the dream of creating a family business. Our two sons Jason and Gavin gave up their lucrative professions in the mining and oil sectors to help manage the two supermarkets. The Foodland franchised store became Beverley Supermarket and Liquor. The smaller supermarket was badged Eziway. Both supermarkets co-existed, however when Metcash (IGA) took over Foodland Pty Ltd they did away with the Foodland franchise and in June 2004 we had to make the decision to close the smaller store as both were now Eziway supermarkets.

Over the next three years, with a lot of effort and injection of capital the supermarket was expanded, upgraded and improved. In March 2007, upon application, Beverley Supermarket and Liquor became an IGA store, having attained the standards and compliance requirements set by Metcash Pty Ltd.

Beverley Supermarket and Liquor IGA has, and is, constantly being upgraded and improved. Through dedicated commitment by management, backed by a conscientious team of capable staff and with the support of loyal customers and community the supermarket will continue to evolve.

Just over a year ago our family bought the Brookton Farmers Co-Operative, which Gavin now manages as Brookton Supermarket, an IGA X-press store. Jason, with the help of his wife Karen, is managing Beverley Supermarket and Liquor – IGA and Chris and I are semi retired.

To think this all began with a dream and a small supermarket in a little country town.

### Beverley Pharmacy

The new owners of the Beverley Pharmacy commenced trading on Monday 11 February this year: Ramy, Jacklene and their son Philo are delighted to be here.

While Beverley Pharmacy has grown and developed along with its customers' needs throughout the years, Ramy and Jacklene have great plans to build and grow the business even more.

After qualifying and practicing in Egypt, Ramy and Jacklene immigrated to New South Wales in 2005. After working in a number of pharmacies, the hankering to run their own business and live a healthy and peaceful country life beckoned, and Beverley has turned out to be a wonderful choice.

Both Ramy and Jacklene have been overwhelmed by the friendly welcome they have received and the relaxed yet caring atmosphere within the community has left an impression on them. They look forward to living and working in Beverley for a very long time.

As well as dispensing medication to the community, Beverley Pharmacy stocks a selection of front of shop lines as well as gifts and fragrances, and the friendly staff are willing to gift wrap any item for free.

If you have not already met Ramy and Jacklene, why not call in today and say hello they will be very pleased to meet you.

## Keep Beverley in Business

**Beverley District High School**

If you were in the vicinity of the Beverley pool on Friday 15<sup>th</sup> March you would have heard cries of DA-LE, DA-LE, DA-LE, FOR-REST, FOR-REST, FOR-REST and EYRE, EYRE, EYRE as the students were barracking for their teams. Staff and Parents would have had mixed feelings on Thursday after Mother Nature dumped over 25ml in town. Fortunately it was a fine day on Friday with no rain in sight and lots of very happy staff and parents.

Below is a recount of the swimming carnival from the High School students:

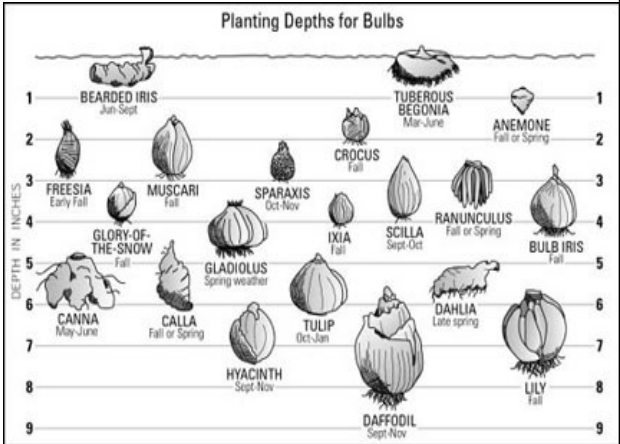

On **Friday March 15**, Beverley District High School held the annual faction swimming carnival at the Beverley Swimming Pool. The winning faction was **Dale**, with **236 points**, followed by **Eyre** on **220 points** and **Forrest** on **199 points**. With only 37 points separating first and third, it was a very close contest.

The individual champions were:

### Year 7 – 10 Science

During our combined science classes on Mondays, students have been studying the science behind soft drink. We started the term by looking at the ingredients that make up soft drinks, and how they contribute to the properties of soft drinks. We have also been working on our science investigative process, and began with the infamous Mentos/Diet Coke fountain activity. However, we were not allowed to just put a Mentos into a bottle of Diet Coke and see how high it flowed; we had to conduct a series of pre-tests in conical flasks with the aim of producing the optimum Mentos/Diet Coke fountain (the one which went the highest). We tested the following conditions:

- The temperature of the liquid
- The flavour and variety of confectionery
- The brand and flavour of soft drink
- The amount of Mentos

Testing brands and flavours of soft drink

After trialing these factors, we concocted the ultimate Mentos/Diet Coke fountain using regular Diet Coke at room temperature, with as many as we could manage of any flavour of Mentos. Our very brave testers managed to drop nine Mentos lollies into the bottle of soft drink before having to back away.

Our ultimate fountain →

Our next endeavour is to separate all the components of soft drink by the processes of -

- evaporation to recover the sugar
- distillation to recover the water
- nucleation to recover the Carbon Dioxide gas
- chromatography to recover the colouring
- and filtering to recover any undissolved matter.

## View from the Shed Who We Are and What We Do

The Regional Men's Health program has been operating now for nearly four years, and although it is reasonably well known I am often asked "what is this program about"?

Primarily we do three things: -

1. Community education presentations;
2. Fast Track Pit Stops; and
3. Advocacy Work.

It is about holistic wellbeing, which means the whole person. When we consider the complexity of the individual we are more than physical and mental, the often neglected element, the important requirement to know and understand, is our inner self, or as we say our "social and spiritual" needs. Sadly most people connect spiritual with religion, but the truth is we all need to understand our "spirit."

To be happy and healthy there is also a need to consider a range of social determinants or issues that contribute to our wellbeing. If we worry excessively about world events, or have to deal with economic or other issues beyond our control, this can lead to conflict in our domestic life, all these things contribute to developing symptoms of illnesses, both physical and mental.

We try to help individuals and communities to understand some of the consequences of these "social determinants" on their lives and take steps to protect themselves from the consequences of the things they are going through. Men in particular struggle because they think they are failing, rather than realising they are battling issues beyond their making or control. Men like to be in control of their situation, and when they are not they are vulnerable to making bad decisions.

Because we believe local people know what works best in their area, we do not organise events but we do go to community events when we are invited. We can provide community education sessions on a wide variety of topics which include general men's health and wellbeing tips (both physical and mental), communication styles and farm progression.

We try to connect people to appropriate services that can assist people deal with their underlying concerns. Often services are available but men in particular resist seeking help. Our underlying motto is "... *before it all gets too much ... **Talk To A Mate***". Our mates can be in all sorts of places so seek them out as a problem shared is usually a problem halved. If you require more information we can be contacted on the numbers below.

**BEVERLEY BRANCH  
COUNTRY WOMEN'S  
ASSOCIATION**  
[www.cwaoswa.asn.au](http://www.cwaoswa.asn.au)

A good turn up once again to our monthly meeting which was again held at the home of our President, Gracie Courtney. We welcomed another new member in Kathrine Greenmount and it is our hope to have more new members join us in the near future.

We have obtained some "Country Woman" magazines and copies of the "CWA Annual" from State Office to enable new members to have a copy of each, so that they become aware of the many opportunities and services CWA has to offer. It is also the aim of our Branch to be sure each new member has a copy of the CWA Cookbook which has been renowned as a "must" in every home since 1936. Having been updated several times over the years, the recipes are sound, successful and always popular for cooks of all ages.

CWA also has a "new member" pack to welcome new members and provide such items as a CWA Badge, copy of the Constitution and many other items.

Another ten little crib quilts have been forwarded to King Edward Memorial Hospital for use in the Premature babies nursery. Thankyou to Margery Thomas and Erica Murray for the beautiful work they have put into making these – they are always greatly appreciated by KEMH.

Old spectacles and cases and a great number of postage stamps have been forwarded to State Office. The glasses are prepared by spectacle makers for underprivileged folk who have a need for them. The stamps are sent to a CWA member in New South Wales to be prepared and packaged into sets of postage stamps for sale to Stamp Collectors and the proceeds go to the Head Office of the Associated Country Women of the World (of which CWA of WA Inc) is a member.

It is with pleasure that our Branch has nominated Kathy Greenmount to attend a CWA Youth Leadership Camp in May. We hope that she will find the camp challenging and rewarding and we look forward to hearing from her on her return.

We wish all members and readers a very happy, safe and peaceful Easter.

**Next Monthly meeting** will be held on Thursday 11<sup>th</sup> April at the CWA centre at 10.00am for morning tea followed by the general meeting at 10.30.00am We enjoy a light "Bring and Share" lunch at the conclusion of the meeting.

At 2.00pm also on Thursday 11<sup>th</sup> April, our Branch of CWA will be hosting the Friendly Club at the Alex Miles Lodge. All welcome.

## Swimming Club would like to thank the Beverley Community

On Election Day the 9<sup>th</sup> March the members of the Beverley Swimming Club and their very committed parents hit the main street of Beverley in an effort to raise funds for the club to purchase some lane rope winders.

The cake stall was a great success with abundance of yummy treats cooked with love by all the members and their Mums, there was also loads of sheep poo, kindly bagged by a couple of our strong young boys, and some great raffles - a big thank you to all the members who donated items and a special thanks to Gill Rural who donated the huge clock for the raffle.

The winners are...

*Clock donated by Gill Rural Trading – Sheryl Moulton*

*Wine and Coffee Beans - Emily Melville*

*MM Easter Egg – Anne Cleland*

*Cooking Book – Kathryn McLean*

*Wines, Champers and Chocolate – Lesley Heal*

*Glassware – John*

*Bath Gel and Necklace - Michelle Rensen*

*Golf Putter Set – Marlene Willson*

The sausage sizzle outside the town hall was positioned to try and capture most of Beverley's voting population and we did. Thanks to everyone who bought hotdogs and drinks even when they may not have wanted one at 10 in the morning. The support from locals was fantastic; we even sold one to a pampered pooch!! Thanks to all the Mums and Dads who stood in the heat and flipped sausages.

**Last but not least 'The Buskers'** ...I think our president summed it up well when she wrote 'I am really proud of the "Recorder Buskers" and their troupe of helpers who entertained the public up and down the street of Beverley with a repertoire of 5 songs.

What a magnificent effort to raise \$130.' Any of the public who did not hear them I'm sure they would be willing to show off their skills anytime.

*Thank you to everyone for your support !!*

## THE BLUE LINE

### Beverley Police Station

57 Hunt Road, Beverley WA 6304

Hello All,

There have been a number of complaints with regards to a small handful of motor bikes riding around on Railway Street, Forrest Street, Lukin Street and Bartram Street. Unregistered vehicles are not permitted to be on the road under any circumstances. The road on Railway Street is partially gravelled; it is still a road and therefore if you are caught riding you will be summonsed to appear in court. I understand that there are a couple of you that are not necessarily behaving recklessly, however it is disturbing others and so therefore it is an issue that police will now act upon.

With Easter upon us and also school holidays coming up it is timely to give you some Crime Prevention Advise.

#### Tips when leaving your home:

1. At night, leave inside lights on which would normally be on if you were at home;
2. Consider using electronic timing devices that turn the TV, radio or lights on and off at selected times;
3. Keep doors and windows locked at all times and activate alarm systems when leaving your home;
4. Consider installing movement-activated external lighting; and
5. Make windows more secure by fitting locks, security screens or external roller shutters.

#### Tips when leaving you vehicle:

- Always lock your vehicle
- Never leave keys in the ignition even when filling up with petrol or popping into the shop
- Ensure windows including sunroofs are closed

If you leave cash, GPS units, CD's, bank cards, handbags, laptop computers, cash, and mobile telephones in your vehicle you increase the risk of your vehicle being targeted by an offender. Remove valuable items from your vehicle to avoid being a victim of crime.

Remember that preventing crime is everyone's business, by taking a few simple precautions you can make life harder for criminals and protect yourself, your belongings and your home.

To view crime prevention tips visit the Office of Crime Prevention website [www.crimeprevention.wa.gov.au](http://www.crimeprevention.wa.gov.au)

For non-urgent police matters and advice on reporting crime, call the Police Assistance Centre on 131 444. If you have information on criminal activity, call [Crime Stoppers](http://www.crimestoppers.wa.gov.au) on 1800 333 000 and if you wish, your call can be treated as anonymous.

Telephone and email scams are becoming more of an occurrence and you need to be vigilant about giving your personal details to people. Giving you credit card details or bank details to organisations over the phone or by email may see you become victim of these scams. My advice to you is to be wary of anyone asking for these details. Confirm the details of the person you are dealing with. This may mean ringing the company they say their phone and confirming their details. If you have any concerns regarding these scams, contact Consumer Protection on 1300 30 40 54.

Just remember that if it is too good to be true. Then it probably is.

Cheers

Darrell and Ian

**HOME AND COMMUNITY CARE (HACC)**

**About HACC**

The HACC Service is part of the Beverley Health Service Multi Purpose Service (MPS), in which the Commonwealth funding for residential aged care, HACC and State health care funding have been combined with the aim of providing flexible health services to meet the health needs of the local community.

While there are HACC Program Guidelines, an MPS HACC Service has the ability to be more flexible in the way that it provides services to the community.

**Access to Services**

The HACC target population comprises of persons living in the community who, in the absence of basic maintenance and support services, are at risk of premature or inappropriate long-term residential care, including:

- (i) older and frail persons, with moderate, severe or profound disabilities;
- (ii) younger persons with moderate, severe or profound disabilities; and
- (iii) their carers.

Referrals for HACC Services can be made by anyone in the community on behalf of a potential client.

One of the many HACC services offered is

**DAY CENTRE**

Ladies Day Tuesdays 10.00am – 2.30pm

Mens Day Wednesday 10.00am – 2.30pm

Held at the St John Ambulance building in John Street, Beverley.

Eligible clients can either arrange their own transport to and from the DC or can request to be picked up and returned home, in our coaster bus.

Meet for morning tea and social interaction.

Lunch is also provided by the MPS kitchen and served at the DC.

Various activities are organised for the day.

Once a month, a day trip is organised which may be a trip to Perth or another country town to a special function or for sightseeing.

In the coming months we will be programming guest speakers, demonstrations, movies, visits to local attractions in Beverley and neighbouring towns, picnic lunches or lunch at a local café.

If you are HACC eligible you would be most welcome to join us on these days.

More information from the HACC coordinator Dorothy Sampson 96463213.

We are assisted in these activities by a group of very dedicated and caring volunteers. If you are interested in joining us in this role your assistance would be very much appreciated. Please contact the HACC coordinator for a volunteers information package.

### **JOBS:**

In the mining and other sectors Warren Mundine the chairperson for "Generation One" stated on ABC Radio 20 March 2013 – he has spoken to Mining Companies and the joint goal is to employ and train around 40,000 Indigenous persons in this Industry.

He is also seeking support from the Federal Government to fund job training programmes. Once these workers are skilled, this may reduce the Overseas workers coming in on a 457 Visa (Permit to work or operate a business in a special field of skilled work).

The main objective of "Generation One", which was founded three years ago, is to negotiate with Employees and Governments to train, employ and generate jobs.

### **Job Experience:**

The general opinion from many seeking work – Indigenous or non-Indigenous – is that the first question that employers ask is "What experience have you got and/or have had". How can one get experience or training on the job, when you are not given a job. Every school leaver faces this problem. Unless job training/apprenticeship programmes are funded and subsidised by various Governments the plight of school leavers and the unemployed in our society will not change.

**BEVERLEY PARALEGAL**  
**COMMUNITY REFERRAL AND**  
**INFORMATION SERVICES (BCS)**

This month, April, we are touching on matters that are very close to a broad range of community members:

**Wills, Enduring Power of Attorneys and Estate Matters:**

1. Some proven facts – for private individuals to execute a Testor's Will is not a simple matter. The legal role of the executor is quite complex, apart from the time spent, the family and legal issues has often left most in a very stressful and traumatic state. The last 18 years or so many have taken on these tasks not realising the full extent of managing a deceased estate and have therefore approached me to help out. Over the years this has been happening more often, in spite of estates being managed by Trustees and Lawyers.

Some months ago, at the RSL Hall, a lawyer from Northam offered some advice on these matters:

- ☞ The Testator should make sure that the will is drawn up correctly and covers all legal aspects of his/her wishes
- ☞ If relatives are put in as the Executors, to ensure their capability.

2. EPA – The Donor authorises the Donee to act as their attorney. As circumstances change, not all Enduring Power of Attorneys should be

registered with Landgate. When Real Estate (transfer) property is involved this is a requirement.

The Authority usually kicks in when the Donor no longer has the ability to manage his/her own affairs.

The advice given is that Wills and EPA's should be monitored from time to time with a view of updating the Testators or the Donor's choices and wishes.

These days almost every Department or another are seeking identity checks to be witnessed by a 'qualified' person and the requirement includes all Land transfers (Landgate) transactions. Therefore, in my line of work I do have first hand experience relating to the witnessing of 'ID' documents.

From my role and experience in community issues, we are all living in a Legalistic era. Everyone including family members all seem very keen on arguing their case in a Court Room. As a Sitting Justice for some 10 years in a Beverley Court, the last thing I would want for myself or others is to be facing a Magistrate in Court. I suppose one could truly say that times have really changed.

We often see cases being drawn out on TV – there is always that 'someone' else who is to blame.

**Law, Order, Justice – update:**

Many are confused as to what this is all about and who makes the laws:

1. The Police are the **Law Enforcers**
2. The Courts **only administer, interpret the laws and their intentions.**
3. The Parliament **drafts and makes the laws** and put into legislation

What I am trying to say is that the police and the Courts **do not** make the law. Therefore, in future when someone loses a court case **try to understand the roles of the Police and the Courts.**

**VISA'S**

TV reports show that Spouse/Fiancé Visa costs will double in May 2013 to around \$4,400.00 – and conditional and are on a time limit.

Visas 457 for Business Mining, Fruit pickers, Health, Hospitality, etc. –

(changes – fees not disclosed). All visas are conditional – e.g. No Government benefits for 10 years – no medical cover.

Tourist Visas – not permitted to work. Those who break the condition may be deported as soon as possible.

Those who have had experience in sponsoring and visas costs tell me that to sponsor a future partner or one's extended family the expense could go to well over \$10,000.00 per annum. There are cases where the partner wants to return overseas as they are facing serious financial problems in Australia. This creates serious problems with immigrants from other countries. You come into Australia on one name and arrive back overseas with a married name, holding a foreign passport and being a foreigner in your own country, confused – so am I.

**SPONSORSHIP**

It is a very serious business when sponsoring anyone from abroad, as it carries strong legal and monetary responsibilities, the following needs to be taken into account and considered:

- Medical Bills
- Groceries
- Housing
- Insurance
- Visa Fees

I have been told that it could work out to just under \$15,000.00 for the 1<sup>st</sup> year.

A word of advice from those who have been there and done that **KEEP ACCURATE RECORDS AND THINK CAREFULLY BEFORE COMMITTING YOURSELF TO OVERSEAS SPONSORSHIP**

## Youth Forum Invitation

The Shire of Beverley would like to thank all the Youth who participated in the recent Youth Forum Project to identify potential outcomes for Council to invest in. The idea of the Project was to hear directly from kids about what they would like to see and do in Beverley. Forms were taken to Beverley District High School, Youth Group and the Northam/York School Bus.

The project forms are now being collated and assessed so they can be discussed at a forum for kids during the school holidays.

All children ages 11 to 18 who live in the Shire of Beverley are invited to attend the Youth Forum. It will be held in the Town Hall on **Friday 03 May 2013**, 10am – 3pm.

Lunch, drinks and snacks will be supplied plus a special performance and workshop by **URBAN CREW**. The day will be fun and productive so we hope to see you there.

Children who participated in the Project in March will receive an invitation in the mail, however everyone is invited so please come along and have your voice heard.

To attend please get your **Parent/Guardian Permission** and return the form below to the Shire Office. Parents if you would like more information please call 9646 1200.

### **CYBER SECURITY AWARENESS WEEK 2013**

MONDAY 20 MAY to FRIDAY 24 May 2013.

Beverley CRC in partnership with the Beverley

Police will be hosting community information sessions, including Q & A session.

Our aim is to cover issues that many people face such as; frauds, scams, online predators, keeping your family safe online, protect your information.

Sessions are as follows: Tuesday 21 May at 10.00am at the School

Friday 24 May at 10.30am at CRC

#### **Ten simple tips to improve their online security:**

1. Install and update your security software and set it to scan regularly
2. Turn on automatic updates on all your software, particularly your operating system and applications
3. Use strong passwords and different passwords for different uses
4. Stop and think before you click on links and attachments
5. Take care when buying online - research the supplier and use a safe payment method
6. Only download "apps" from reputable publishers and read all permission requests
7. Regularly check your privacy settings on social networking sites
8. Stop and think before you post any photos or financial information online
9. Talk with your child about staying safe online, including on their smart phone or mobile device
10. Report or talk to someone if you feel uncomfortable or threatened online - download the Government's Cybersafety Help Button

### **CARAVANNING AND CAMPING EXPO 2013**

Thank you to all of the community groups and businesses who entered their information, making this year's Easter Events in Beverley brochure such a success.

1000 brochures were distributed at the expo, along with flyers from the Beverley Platform Theatre. A special thank you must go to Wendy Williams for assisting the centre for the third year and promoted our beautiful town by handing out brochures to travellers.

### **MOTORHOME RALLY IN SEPTEMBER**

Preparation has begun in regards to the Rally that will be visiting Beverley in late September. With over 300 visitors to our town we are hoping that we can attract our visitors to spend whilst they stay here.

Our tourism trainee Anne has been developing a list of events and things to do over the weekend. If you are interested in helping out by volunteering or your group wishes to do some form of fundraising please contact Anne and let her know, so we can coordinate events and entertainment.

This will be a great opportunity for many clubs to do a one off fundraiser, so get thinking and make this Rally a memorable one for this group and Beverley.

1 in 5 Australians will experience mental illness this year. Mental ill health is the leading killer of Australians under 45, and the leading cause of disability in Australia. Over half the population will suffer from a diagnosable mental disorder in their lifetime. According to the World Health Organization, depression will be one of the biggest health problems worldwide by the year 2020.

### Causes of mental health illness

- Biological
- Genetic components
- Environment

### Thing that can trigger mental health problems

- Stress
- Alcohol and other drugs
- Rejection and discrimination

### Ways to prevent mental illness

- Better diagnosis and support of mental illness and mental problems
- Social support from friends, family and the community
- Feelings of self-esteem and belonging
- Enhance resilience and coping skills
- Connection to family or school, responsibility for children
- A well balanced diet
- Regular physical activity

## What do you say to a dying man?

What do you say to a dying man,  
Do you call him Bob, or Digger,  
or Mate?

As you look down at the face you  
knew so well,  
And the look in his eyes says, "It's  
late",

You remember your first  
hand-shake,  
On a troop train going to war,

Training in various military camps,  
Wallgrove, Greta, Ingleburn,  
Bathurst and more,

To have tired muscles,  
To go hungry. Thirst

And the pub - the Duke of York  
Where we had our last beers  
Before leaving Australia's fair  
shores.

A fleeting sad glimpse of his  
loved ones,  
You knew that from being his friend,

And you know that if you happen to  
survive this onslaught,  
They will surely ask you of his life's  
end.

Just three minutes ago he was so full  
of life,  
Firing his bren from the hip,

The platoon attacking as it had many  
times before,  
When all of a sudden - he's hit!

A Japanese sniper, so deadly,  
Fires from a dark weapon pit,

And my best mate falls close to my  
feet.

"Tell them I tried" he said,  
My words of goodbye froze on my  
lips.

## WARRIORS WELLBEING

### Have You Checked Your Shock Absorbers Lately?

The Regional Men's Health Initiative

At this time of year there are a few things happening in our life (ie. budget reviews, seeding preparation, rainfall talk, government elections, general finance situation after a holiday break, ALF and Rugby controversy) that can cause our stress levels to spike so ... **have you checked your Shock Absorbers lately?**

Go through the questions below and determine the quality of your shock absorbers to see if your coping skills are in order.

Do you have a good set of shock absorbers on board that help you cope with the bumps in the road?

Below is a list of symptoms and complaints that most people have at some time in life.

CHECK THE LIST AND RATE YOURSELF	Almost Never	Rarely	Some Times	Quite Often	Most of the Time
1 I feel low in energy or slowed down	1	2	3	4	5
2 I have difficulty falling asleep or staying asleep because I worry or stew about things	1	2	3	4	5
3 I have temper outbursts that I can't control	1	2	3	4	5
4 My heart sometimes pounds or races	1	2	3	4	5
5 I feel hopeless about the future	1	2	3	4	5
6 I am easily annoyed or irritated	1	2	3	4	5
7 I feel trapped or stuck	1	2	3	4	5
8 I have lost interest in things I usually like (food, sex, recreation, socialising, etc.)	1	2	3	4	5
9 I feel shaky inside and anxious or panicky	1	2	3	4	5
10 I am unable to get rid of bad thoughts and ideas	1	2	3	4	5

#### How do your shock absorbers perform?

If you scored 1's and 2's, your Shock Absorbers are in good order. Keep cruising!

If you scored some 3's your Shock Absorbers are a bit dodgy; you've got a bit more stress that you need. Talk to someone.

If you scored any 4's or 5's, you're in danger; your Shock Absorbers need replacing now. Talk to your GP.

*Remember ...before it all gets too much... Talk to a Mate!!*

Cheers

You may have noticed that there is a name change to the usual "A View from the Shed" to "Warriors Wellbeing".

Due to the growth and expansion of the Mens Shed movement over the last couple of years in WA, The Regional Men's Health Initiative feels that it is now appropriate to change the title of our monthly article to "Warriors Wellbeing".

Our aims are to :-

1. make it clearer to the audience where the article originates from.
2. differentiate between the Regional Men's Health Initiative and Mens Shed groups.
3. continue to promote Working with Warriors and Talk to a Mate!!

So keep an eye out for more informative articles and if you ever need assistance please contact WMH.

## *Connecting Biodiversity Across the Wheatbelt of Western Australia*

### **Expressions of Interest- Free Seedlings, Fencing & 1080 baits in 2014**

**Do you have any remnant vegetation that you want to protect or extend?  
Do you want to connect any fragmented native vegetation in your landscape?**

NEWROC, SEAVROC & WEROC are seeking expressions of interest from land managers across the WA Wheatbelt wanting to expand native habitats on their properties through a coordinated revegetation, fencing and baiting project using biodiverse plantings of local species. We are looking to connect or extend fragmented native vegetation remnants by creating biodiverse corridors across the landscape. There is also a provision of fencing materials to ensure the protection of native habitat from grazing livestock. All sites will include the implementation of weed management and pest animal management programs.

#### **Assessment Criteria:**

- The project area must connect/expand a current remnant vegetation area
- Revegetation area approximate size of 4ha.
- The project will provide land managers with a biodiverse mix of native seedlings, fencing material & 1080 baits (at no cost).
- Priority will be given to land managers that can implement all 3 components (revegetation, fencing and baiting)
- Fencing must be erected by the land manager within 1 year of receiving the materials.
- Successful applicants must be 1080 accredited or be prepared to become accredited as part of the project.
- Seedlings will be delivered on-farm during July/August 2014. Applicants **must** be able to accept seedlings at any time within this period.
- Land managers are responsible for the planting of seedlings, erection of fencing and the laying of 1080 baits.
- Successful land managers must be willing to participate in extension activities. i.e. case studies.
- All land managers must be willing to allow Project Officers to inspect and assess the proposed site.

**For further information or an Expression of Interest Form please contact:**

**Jen Vincent**

**Phone: 08 9645 1607**

**Email: [epo@quairading.wa.gov.au](mailto:epo@quairading.wa.gov.au)**

## **Beverley Cricket Club**

***Saturday 23<sup>rd</sup> February 2013***  
***York 8 for 174 defeated Beverley All Out for 172***

York Batting: Josh Crichton 50, Alistair Draper 46  
Beverley Bowling: Robbie Wansbrough 4 for 28, Dale Wansbrough 1 for 14  
Beverley Batting: Kodie Fleay 50, Blake Wansbrough 29, James Adams 25  
York Bowling: Todd Main 3 for 29, Jason Reinheimer 2 for 19, Alistair Draper 2 for 21

This was Beverley's last game of the year and it was great to see a near full strength team. Beverley lost the toss and were asked to bowl first in warm conditions. York was under pressure from the start with both Robbie and Dale Wansbrough bowling together for the first time since our first game to have York at one stage 6 for 33. A hundred run partnership between Al Draper and Josh Crichton along with some good hitting later in the inning saw York compile 174.

Beverley lost wickets at regular intervals and were never able to put that one good partnership together. At 9 for 150 Blake Wansbrough and Wayde McLean took the score to 172 until unfortunately Blake was bowled for a fine innings of 29. Kodie Fleay 57 and James Adams 25 also batted very well.

At the completion of the regular season the ladder was as follows:

York	160.9 points
Tammin	121.7 points
Quairading	102.4 points
Brookton	101.9 points
Beverley	78.7 points
Seabrook	76.6 points
Kellerberrin	53.6 points

In the Grand Final York played Tammin and won very convincingly by 100 runs. Todd Main of York won the Best Player in the Grand Final.

Association Awards were presented to:

Cricketer of the Year	Stephen Gollan	36 Votes
Bowling Aggregate	Toby Blechynden (Brookton)	29 wickets
Bowling Average	Jason Reinheimer (York)	8.59
Batting Aggregate	Stephen Gollan	726 runs
Batting Average	Stephen Gollan	72.60
Most Catches	Mark Blechynden (Brookton)	15
Best Player at Country Week	Reece Bland(Quairading)	

The Inkosi Design Redbacks held their wind-up and social cricket games on Saturday 9<sup>th</sup> March. A great day was had by all who played.

At the completion of the day the East vs. West match took place. Unfortunately for the West the East proved once again too strong.

The Club awards were presented to the following:

Batting Award	Stephen Gollan
Bowling Award	Stephen Gollan
Cricketer of the Year	Stephen Gollan

The Cricketer of the Year Award is now supported by the Ugle Family in the way of a Memorial Shield in the name of Warky. The club sincerely thanks the Ugle family for supporting this award.

The club would like to thank all our supporters who have come along and watched games a special thanks to Graham and Fleta "Inkosi Design" for their continued support of the club.

Mention must also be made to the Shire of Beverley for their efforts in maintaining the best ground and wickets in the Wheatbelt. The club is indebted to Mal Kehlet and Ethan Moad for their work in producing the pitches.

In ending I must mention the success of several of Beverley's Junior Cricketers in Luke Gollan and Khyle Ugle who represented the Wheatbelt in an Under 14's Regional Carnival that was held in Northam. Congratulations are also extended to Luke Gollan who was named Wheatbelt Junior Cricketer of the Year. Well done to all our junior players who played senior cricket this season.

# BEVERLEY LAWN TENNIS CLUB

At the time of publication the Easter Tournament will be in full swing. Come on down and enjoy watching some fantastic tennis over Easter. Come and join us on Sunday night for our Gangster and Molls night.

We have had another busy month at the club with the fantastic WFI mixed doubles day. The day saw 21 partners have a great day of tennis. Thanks again to Charmaine Willing and WFI for the support.

A big thanks to Ashe Murray for organizing the Fish and Chip night held over the long weekend. The club was bursting at the seams—it was wonderful to see so many people. Thanks again to the amazing Rob De Gruchy , the courts are looking fantastic and the recent rain should see them looking magnificent for Easter.

### Football Training

6:30pm, Wednesday's at Altone Park in Beechboro and

6:30pm, Friday's at Beverley Oval;

The football season is almost upon us, and once again the Beverley Football Club has high hopes of a top four finish. However, we will need to see a dramatic improvement in our current attendance levels at training if we're to have any chance of achieving this outcome.

The Beverley Football Club hopes all our players, members, sponsors and supporters enjoyed a safe and happy Easter!!

### Pre-season Scratch Match:

1:00pm on Saturday 6 April  
Beverley vs. Corrigin at Canning South Perth Football Club, Wyong Reserve, Baldock Street, Bentley.

Friday 12 April will be a compulsory training session for all players at Beverley Oval. Following this, we will have a jumper presentation at the Freemasons Tavern to acknowledge our long standing League jumper Sponsor Beverley Hydraboom, and our new Reserves jumper Sponsor Boekeman Machinery.

The very next morning, Saturday 13 April, all players are required at our crutching busy-bee at Garry & Sarah Miller's "Hilldrop" Farm which serves as an important fundraiser to our Club.

The Beverley Football Club invites applications for the position of **Reserves Coach** for the 2013 season. Please apply in writing to:

**The President**  
**Beverley Football Club**  
**PO Box 10, BEVERLEY WA 6304**

Applications close 5:00pm, Friday 19 April 2013.

The Beverley Football Club Social

Committee requires the services of an enthusiastic team to manage and facilitate the operation of our kiosk for our seven home games in season 2013. The Social Committee acts as one of our Club's strongest resources and it is our wish with your valued assistance that this continues to be successful. Please contact Chantelle Meade on 0429 418 576.

### Congratulations to:

## **Beverley Bowling Club**

### **Corporate Bowls 2013**

The Corporate Bowls season has come to an end.

Originally the season was set for 6 weeks but due to inclement weather on the second last week, only five weeks of bowls ended up being played at the club.

There was a total of 14 teams

The end results are:

**Winner's - Team Petchell**

**Runner's Up - Avon Trading**

**Wooden Spooner's - Beverley Post Office**

Thank you to Mark for organizing and running the event and his team of merry helpers.

Thank you to all the players who came along and supported the club, we hope you enjoyed yourselves.

Stay tuned for the 2nd season of 2013.  
There will be posters displayed closer to the date.

## Beverley Horse and Pony Club

We hosted the annual Avon Zone Coaching the Coaches clinic on the 4<sup>th</sup> March. A number of our coaches and parents were joined by coaches from York & Avon Valley Pony Clubs to listen to Debbie Spencer present an interesting school on the building blocks of Flatwork. While many people think of this as being boring dressage it is really about training horse and rider to partake in all disciplines from

Showjumping to Mounted Games to Dressage.

Tealah Hawke, Kip Reick, Bronte Cleland, Georgina Fisher, Amy Blechynden, Jessica Appelbee & Vicky Lucas were our demo riders for the day. A big thank you to all these riders who gave up their day to come along, who all presented themselves & their ponies' very well and were wonderful ambassadors for the club.

We held our first rally for the year on the 17<sup>th</sup> March. With a couple of our regular coaches away and a number of riding members absent Felicity and Marika coached our older riders for flatwork and jumping while Anne Cleland took on her first coaching challenge in the lead rein yard. We also got to meet the new horses that several of our members have acquired over the summer break.

We were joined by a new member Eloise Fuchsbichler who had a very enjoyable day on *Ester* who has been loaned by the Appelbees. Vicky's new horse *Darcy* looks like he will have Vicky out at lots of events before long; Jessica has moved on from the ponies up to a horse with *Quinton*; Katie Harris brought along her new pony *Georgia* to meet us; Emily Maxwell is borrowing *Seka* this year to teach her the ropes and Jessica Maxwell enjoyed her day spent with *Graham* who was generously loaned to her by Amy Blechynden. I have heard on the grapevine that there will be some other new faces at the next rally and I look forward to meeting them.

Felicity Perry gave a very interesting lecture at lunch time on some of the bacterial infections that can affect our horses and some ways these infections can be treated. Due to the heat, riders finished the day early.

The club organised for Heartlands Veterinary Hospital to come on the 18<sup>th</sup> March to provide a yearly check-up for our horses. A number of members took advantage of this opportunity to have their horses' teeth "power floated" and drenching done without the added expense of travel. We also have other members taking advantage of a club organised visit from Equine Dentist, Gary Crispin, at the end of the month who uses hand tool to do the teeth.

Our next rally is on the 21<sup>st</sup> April.

Members are busy getting ready for their cake stall and sausage sizzle on the 30<sup>th</sup> March. I hope that lots of people will be able to call by and get a yummy cake to enjoy over the long weekend.
