Annual Electors Meeting and  
Structural Reform Update  
Tuesday 7<sup>th</sup> February

**Structural Reform Briefing 6pm** – an information session is to be held prior to the annual meeting with light refreshments between meetings.

**Annual Meeting 7pm** – Council looks forward to your participation in the Annual Electors meeting. Questions will be taken, however some may require a researched response, which would be better facilitated if submitted in writing to the Shire office several days before.

Road Inspection and Budget  
Planning Meetings

If you have feedback or comment in relation to the road programme please provide this information in written format to the Shire office as soon as possible. Thank you for responses received to date.

Hunt Road/Vincent St Intersection

Council is interested in receiving community feedback relating to issues you may have had with this intersection. There have been reports that traffic is not observing the stop signs when entering Hunt Rd from Vincent St and Waterhatch Rd.

Town Entry Statement Committee

Whilst it might seem a lengthy process, many creative ideas and suggestions have evolved in progressing the concept of a town entry statement for Beverley. An interesting range of submissions was received to the Committee's proposal to hold a competition and these are currently being reviewed. I would like to thank the Committee for their contribution toward this project. Committee members:- Chairperson Cr Lew Shaw, Jenny Broun, Betty Cable, Cr Vicky Fregon, Sarah Miller, Vera Johnson, Cr Chris Pepper, Sandy Shaw, Alisdair Wardle.

Amenities Building and Recreation  
Project

Repairs to the Amenities Building are underway, finally! As mentioned previously Council has requested this building remain available for use when the new works commence.

Avondale

The expression of interest submitted by the Shire to RDA Wheatbelt to develop a submission for Federal

regional funding for the Avondale project was not supported in the current round.

The National Trust's application for "Royalties to the Regions" funding to support their Regional Heritage Programme, which includes Avondale, is yet to be announced.

Mt Kokeby Billboard

If you have driven past Mt Kokeby

lately you would have noticed there is a "billboard" in the Shire of Beverley.

# THE BLUE LINE

Beverley Police Station  
57 Hunt Road, Beverley WA 6304

Hello Beverley,

Welcome to February of 2012, it's already speeding past. Every year keeps getting quicker. At least School starts again soon and harvest has finally come to an end. So all the parents can rest easy again and our farmers can enjoy a well earned break, albeit a short one.

It has come to our attention that a few locals are again growing complacent and beginning to take risks and drive home after having a few alcoholic beverages at either one of our hotels or sporting clubs.

Just because you don't see us, doesn't necessarily mean that we are not there. Police from nearby towns have been advised of this complacency and will be targeting drink driving within and around our town.

There really is absolutely no excuse whatsoever to drink and drive. This town has been blessed with a dedicated **COURTESY CAR** that is available just about everyday of the week and on weekends (please check with Brian as to days running). Just give Brian a donation of whatever you believe is fair and the money goes to several different charitable groups in our area.

So not only will you be safe from losing your licence and possibly your life, you are contributing to a fantastic resource and supporting a good cause.

I use the courtesy car in every instance when attending either one of the local hotels, so please follow by our example and utilise this great service.

**JUST SO YOU KNOW, LOCAL POLICE ARE TARGETING DRINK DRIVING. YOU WILL GET CAUGHT!!!**

## Remember the Beverley E-Watch Initiative.

Thankyou to all those that have registered so far, this is a great initiative and is an opportunity to give the community a way to communicate what is happening around the shire to their local police, instead of having to leave messages with outside offices.

If you haven't received a brochure you can go to either the police station or the shire and collect one. Otherwise you can email [Beverley.Crime.Ewatch@police.wa.gov.au](mailto:Beverley.Crime.Ewatch@police.wa.gov.au) and register to become a member.

So I want to leave you with one word for the upcoming couple of months "VIGILANT". Be vigilant around town and protecting your property.

Stay Safe  
Kerry and Darrell.

## Patch Workers' News

2011 has been a very successful year for the Beverley Patch Workers and Quilters. A variety of personal projects were completed and a couple of our newcomers have produced some beautiful work as well. These ladies decided to join our group after a one day work shop, so it is never too late to come and join our group.

We made a communal quilt for the Ronald McDonald House and the quilt made \$1,000.00 at an auction. We received a very grateful letter from them and the money will be very helpful with building more facilities for all those children in need.

We also made a quilt called "Pioneer Women" and the proceeds were donated to the Avondale Discovery Farm at the Avondale Festival as a "thank you" for using their premises.

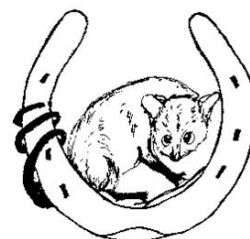

Several women have made some suggestions regarding some communal projects for this coming year. If you would like to contribute to that, please contact Catharina Turle in writing ([catharinamurray@hotmail.com](mailto:catharinamurray@hotmail.com)) or Janice Sherwood ([scannajan@yahoo.com.au](mailto:scannajan@yahoo.com.au)). All suggestions will be tabled at our next meeting.

We were planning to close down over the holiday break but some of our ladies are still attending every Tuesday morning from 10.30 onwards at the old LandCare Centre. If you would like to drop in and just see what we are doing please ring Catharina on 9646 0876 or Jan on 96460796.

## BROOKTON TRIATHLON JUST AROUND THE CORNER!

The hugely successful Brookton Triathlon is back again in 2012, with the exciting community event set to take place on Sunday 26 February at the Brookton Aquatic Centre.

The event saw almost 90 competitors from all over the Wheatbelt and further afield, compete in the 2011 'I swam in a drought' Triathlon, and we hope to see even more participants in 2012.

This year's Triathlon sees the introduction of a Corporate Cup, to encourage clubs and local businesses to get out, get active and have fun! The team chosen from each club or business will be competing against other clubs/businesses in the novice event, to become the first winners of the inaugural Brookton Triathlon 2012 Corporate Cup.

The popular Fun Course category will be back again in 2012, open to anyone and everyone of all ages, including mums, dads, brothers, sisters, grandparents, friends and work mates. The Fun Course requires competitors to complete a 130m swim, 4km cycle and 1.5km run. This event is for teams only. For the more competitive there will be the challenging, but rewarding Open category for individuals or teams 18 years and over. This course will consist of a 400m swim, 12km cycle and 5km run - perfect for those who want a challenge, or a bit of pre-season training perhaps.

We still have the Novice category in 2012. This is perfect for those who would love to complete the Triathlon on their own, but may not be able to complete the distances set out in the Open category. The Novice course includes a 200m swim, 6km cycle and 3km run, and is open to adults and young people over 12 years competing in teams or individually.

The younger generation don't miss out either with the Junior course for individuals or teams 12 years and under completing a 100m swim, 3km cycle and 800m run.

New in 2012; the Kidlet Course, for individuals or teams of 8 years of age or under. Competitors will need

to swim one lap of the pool 33m, cycle 2km and run 500m. Great for those new to triathlons, yet still wanting to have a go - a great introductory event for all juniors.

Training programs are available now, and with just over a month until the big day, there is still plenty of time to get ready!

For those who want to be involved, but do not necessarily want to compete, there are many vital volunteer roles needed to be filled including timing, registrations, giving directions and cooking the free sausage sizzle.

The first race kicks off at 8.00 am on Sunday 26 February, and the day

will conclude with a free sausage sizzle, pool inflatable as well as some great prizes for our participants.

If you are interested in being involved in this exciting grass roots community event as a competitor or volunteer please contact the Shire of Brookton on 9642 1106 or mail@brookton.wa.gov.au to register NOW!

## Holidays and New Year Resolutions A View from the Shed

It seems as though harvest has gone on too long this year. There has been a range of things that have frustrated a season that usually ends before Christmas. When this sort of thing happens it is easy to forgo our usual holiday break with all sorts of excuses.

One thing I have learnt is that a break away from our normal work is one of the most important things we can do to help us regain focus for the year to come. Even though the year has dragged on, give yourself a break, and regain perspective for the year ahead. Often we need to step back to see the big picture.

I believe that getting away for a few weeks is one of the best ways to retain our appreciation of some of the challenges ahead by clearing our minds and putting aside the year that's been so that we gain a new vision for 2012.

This time of year is also when we consider our new-year resolutions. While it is good to set a few objectives to achieve in the coming year it is also important to realise that all sorts of obstacles may work against us in achieving these resolutions as the year unfolds.

Most of my resolutions carry over from year to year. What I tend to do is see if I have made progress over the last year towards my goal. Mostly I make progress; however, sometimes I do not. If this is the case I reconsider how important that objective really is and either drop it off the list or consider why I didn't make progress.

One thing I have learnt about resolutions is that they are all worthy objectives or goals to go after. I also realise that my list is greater than I have time to achieve, so if some don't get completed, or in some cases do not get started it's not a reason to give myself a guilt trip. Maybe I will get it done this year.

January is the time to consider the future, take a break, consider what you want to achieve both personally and with your business, develop your strategies and start the next part of your journey.

2012 will have some challenges but every journey starts with a well-chosen first step, holidays help us choose that step well.

Julian

## Men Urged To Take Action

This year's annual Men's Well Health Day will be held on Saturday 17<sup>th</sup> of March from 9:00am to 3:00pm in York. Men of any age from any Shire are invited to come along and have a free health check conducted by a diverse range of health professionals.

Men living in the Western Wheatbelt are urged to take advantage of this free health check as they are twice as likely to develop skin cancer and heart disease compared to men living in other parts of WA. They are also one and a half times more likely to die from injury or poisoning and over 50% of them are considered overweight.

"These statistics are scary, however they are also preventable" says Hannah Gray, local Health Promotion Officer at Avon and Central Wheatbelt Primary Health. "The Men's Well Health Day at York addresses all of these issues and more by providing men with individual health checks and preventative advice". The Men's Well Health Day was established by the York Hospital and local men four years ago to provide a relaxed atmosphere for men to seek health advice. This year's Well Health Day will provide blood pressure, weight and waist measurements, skin cancer checks, eye and hearing testing, drug and alcohol advice, back care tips, diet and nutrition advice and stress management strategies. Prizes, a free barbeque and refreshments will be provided on the day. For more information or to make an appointment please contact the York Hospital on 9641 0200.

Christina Henri is visiting Beverley

on 10<sup>th</sup> March to share stories and images of her experiences with Roses from the Heart® - the Memorial to ALL convict women transported to Australia. Christina will detail some of the highlights of events from 2010 and 2011 and discuss future plans. There continues to be enormous interest from around the world and bonnet tributes arrive daily from many countries. Christina is always keen to return to Beverley and meet up with members of the local community, so many of whom have supported her vision.

Boats have featured in a number of Christina's installations as an important part of colonialisation. Without boats the Australian story would have been very different. As a

feature of her visit to Beverley in March Christina hopes to attract the participation of students from the Beverley District High School in the making of paper boats. These boats will be exhibited locally and then form part of Christina's installation 'Bonnets and Boats'. There will be more news on this in the next Blarney edition.

If you have any convict ancestry, male or female, Christina would love to chat with you. To all interested in hearing one of Australia's prominent contemporary installation artists do come along and be entertained.

The **Roses from the Heart CD** produced by Christina Henri and Fred Rea will be available for purchase. Fred Rea, an Irish treasure who has chosen to live in WA, will be part of the *Bonnets and Boat* event. His daughter Fiona Rea and her musical partner Lateisha Boucher who are all featured on the *Roses from the Heart* CD will be dropping by to perform songs from the album. Following on from Christina's *Bonnets and Boats* event at the Lesser Hall, Beverley an exciting performance of Irish music has been coordinated by Fred Rea and friends. Continuing on with the Irish element in *Roses from the Heart*® the Irish Gig at the Beverley Station's Platform Theatre offers a taste of Ireland. There will be a feast of Irish music and dancing and loads of fun and craic for the whole family.

### Notice of a regional airborne geophysical survey for the Western Australian government: Corrigin area from Boddington to Karlgarin

I write to advise that a low-level airborne geophysical survey is to be conducted in the Corrigin area as shown on the map overleaf.

This is one of a number of similar surveys across Western Australia that are being conducted on behalf of the Geological Survey of Western Australia, a division of the Department of Mines and Petroleum, and Geoscience Australia, Australia's national geoscience research and geospatial information agency. The objective of the surveys is to support the regional geological mapping of Western Australia.

The survey in the Corrigin area is being flown by GPX Surveys. The geophysical measurements will be made from aircraft flying E-W along lines spaced 200 m apart at a height of 50m above the ground. We anticipate that the survey will be flown between January and March 2012.

For advice of the GPX aircraft movements or other operational information, please contact:

Mr Bob Blizzard, Project Manager, GPX Surveys  
Telephone: (08) 9447 5111 Mobile: 0400 594 445  
Email: robert.blizzard@gpxsurveys.com.au  
Address: 4 Hehir St, Belmont WA 6104

If you have any questions about the general nature and objectives of these regional geophysical surveys, please feel free to contact David Howard, Chief Geophysicist at the Geological Survey of Western Australia, whose contact details are at the top of this letter.

### Artist in Residence

During January we have been fortunate to have Mullaloo artist Alicia Rossam caring for the Station and opening the gallery on Wednesdays, Thursdays and whenever people walked through the gate!

Ali took this quiet time to gather her thoughts before taking the big step into marriage in February, but she didn't expect so many shops to be closed which made the town very quiet - which is not ideal for the procrastination that creative minds tend to do! So work she did, and gathered ideas for future paintings.

Unfortunately Graham Millson, from Lincolnshire, England, who was to be our artist for January has had to postpone his visit due to an exhibition opportunity too good to miss that came his way.

For information on workshops in the new year contact Marylou on 96471027 or [hutchinson@wn.com.au](mailto:hutchinson@wn.com.au)

### Local Artists' Exhibition

The current exhibition on display at the Station Gallery is one of local Beverley artists. Drop in to see whose work is displayed, it's certainly worth a look, and you never know, a bargain may be in the waiting.

### Platform Theatre

On the 26<sup>th</sup> January, we celebrated Australia Day at the Platform Theatre using Station Art's very own screen and projector by showing the popular recent release "Red Dog" (he's been everywhere mate).

As a lead-in we watched Aussie bands from the 60s and 70s before taking part in the best 'RED DOG LOOK-A-LIKE' competition'.

The photo comp was well supported with the main award going to Ruby and her owner Jason Pepper. Many thanks to Willey's Trading Post for their most generous donation of \$100 gift voucher plus doggy things for the top prize. Doggy drink packs were likewise awarded to red dog owners Carissa Shaw, Mick Martin, and Brian Clarke whose red dogs were also favourites with the 150 strong audience.

'Red Dog' look alike and winner of the 'Red Dog' competition was Ruby, pictured with owner Jason Pepper.

Movie goers seeing 'Red Dog' on Australia Day

Special thanks to Steve Ramm for his expertise in showing this event, and to our skeleton work crew as most committee members were still away on holiday.

## **RE: AN OVERVIEW OF WORK AT AVONDALE 2009 - 2011**

The National Trust of Australia (WA) wishes to provide an overview of heritage initiatives, planning and project outcomes since it took over responsibility for Avondale in 2009.

The Trust has demonstrated its commitment to conserve and interpret Western Australia's heritage for present and future generations at Avondale by playing an instrumental role in securing more than \$300,000 in funding and contributing \$75,000 in-kind support.

Regional community partnerships are a priority for the National Trust and with a demonstrated commitment from the Shire of Beverley and the Avondale Farm Project Association, over 20 projects have been initiated, supported or guided by the Trust in the past two years. Each project has brought direct benefits to Avondale and contributed to a strong foundation for Avondale's future. Community involvement has involved a large number of dedicated volunteers from local and surrounding communities, including members of the Ballardong people from both Beverley and Quairading.

There is the potential for Avondale to become a unique and sustainable regional attraction. However, Avondale is now at a critical point. The Trust has provided all the support it can and the results of the Royalties for Regions funding applications expected in February/March 2012 could see a financial injection of up to \$8 million in Avondale's future if successful. The Trust as well as the community are both hopeful and confident support will be received from the program which has been set up exactly for this type of project.

### **Background:**

Avondale is listed on the State Register of Heritage Places and is protected and recognised by the Heritage of Western Australia Act 1990 for its unique heritage values.

An operational farm of approximately 710 hectares located just west of Beverley, Avondale was formerly used as an Agriculture Department Research Station (1919-2009) and was one of the earliest pastoral properties in the Beverley district dating back to the 1830s.

In the 1970s the Department created "Avondale Discovery Farm" as part of the 150<sup>th</sup> anniversary of the State to promote public education and learning about farming in the wheatbelt region. In 2005, the Department determined Avondale was not "core business" and in 2009, the National Trust took responsibility for the place.

The National Trust is a registered charity which has provided specialist heritage and project management expertise since 2009 to support the heritage values and future direction of Avondale. From the outset, the Trust has had no available financial resources to dedicate to Avondale. However, it has supported the vision proposed by the Shire and the community, that Avondale was a significant place to the local community, the region and the State.

Working in partnership with the Shire of Beverley and the Avondale Farm Project Association, the National Trust can confirm the following outcomes to date.

- The Wheatbelt Development Commission has supported an application for a grant to implement recommendations from the Master Plan. \$70,000 with a focus on establishing a support group for the Flora and Fauna Management, organisation and presentation of special events program.

While many have contributed to the substantial outcomes over the past two years the National Trust wishes to acknowledge the following individuals for their support and assistance:

- Dina Barrett-Lennard and Peter Jenkin Avondale Farm
- Avondale Farm Project Association Chairperson Bruce Mann; and
- Beverley Shire President Cr Dee Ridgway

The list of outcomes since 2009 represents a measurable and committed effort by the Trust, Shire of Beverley, Avondale Farm Project Association and the community. The new Master Plan informs options for how Avondale can be managed into the future in a financially viable way through its heritage values, commercial enterprise and a real farm experience for visitors.

## **BEVERLEY FOOTBALL CLUB**

The Beverley Football Club commences pre-season training on Wednesday the 1<sup>st</sup> of February at Altone Park in Beechboro under the guidance of new League Coach James Turner, and the word is, if you're prepared to work hard early you'll reap the benefits down the track!! If you're new in town, or keen to get back involved in footy, please contact League Coach James Turner on 0430 311 655 for full details regarding training times.

We finally finished our harvest program in early January after so many hold ups with the weather, however the task was made considerably easier thanks to the generous support we received from Warren Hunt and team from Boekeman Machinery. Their contribution of time and resources is most appreciated, and together with improved

yields our major fundraising project was a great success.

The Beverley Football Club is looking for volunteers to assist with the running of the kiosk at the Beverley Tractor Pull & Dirt Drags race meetings over the coming months. We require at least five people to help with the serving of cool drinks, chips, chocolates, hamburgers, hot chips and sausage in a bun over a five hour period between 9:30am and 2:30pm for the following three race meetings:

Saturday 4<sup>th</sup> February;  
Saturday 10<sup>th</sup> March; and  
Saturday 21<sup>st</sup> April.

This fundraising project promises to be very profitable for our Club, so any support you can give is greatly appreciated.

Please contact Chantelle Meade by e-mail at

[chantelle.meade@bigpond.com](mailto:chantelle.meade@bigpond.com) if you're available to help out on any of the above dates.

## BEVERLEY HORSE AND PONY CLUB

Our AGM will be held 3<sup>rd</sup> February at 7.30pm at the Beverley Hotel. We hope to see all our members there.

Several Club Coaches will be attending the PCAWA State Coaching School at Brookleigh on the 11<sup>th</sup> & 12<sup>th</sup> February. We look forward to hearing about all the new ideas I'm sure they will pick up down there.

Our club joining day is on the 25<sup>th</sup> February. Come down to the club house (behind the oval) between 10.00am & 12.00pm. New members are most welcome. If you would like to know more about Pony Club contact our Chief Coach Renee Peart on 0427989115.

Our First rally will be held in March on Sunday 25<sup>th</sup>. Hopefully some nice weather will prevail and it won't be too hot.

The club will be hosting a Gymkhana on the 18<sup>th</sup> March. Entries are open to all equine enthusiasts not just young Pony Clubbers. This year due to several requests from locals we have a Veterans Class for those that have achieved the grand age of 35 or over. Hacking, Show Jumping and Novelties will be running through the day from 9.00am. For more information and entry forms please contact Renee Peart via email at [renee.philip@bigpond.com](mailto:renee.philip@bigpond.com) or on 0427989115.

Congratulations to Club Coach and long-time member, Marika Barrett-Lennard and her partner on their engagement.

We hope everyone has had a lovely holiday break and are ready for an enjoyable and busy 2012.

The Beverley Redbacks Hockey Club is calling for submissions for the coaching position for the 2012 season.

Any person interested in coaching the side in 2012 should write a formal submission on why they would like to coach the Redbacks, listing their experience and/or qualities and ideas as a hockey coach.

Please address the letter to:

Beverley Redbacks Hockey Club  
PO Box 90, Beverley WA 6304

The Redbacks Ladies Hockey Club is also looking for any women who - aren't afraid to have fun, can tell (and take) a joke, go on a bus trip loaded with other hockey players, can poach their own eggs, might be sick to death of netball and want to play a game with balls AND a stick - to come forward, stand up, declare your allegiance to the greatest game on earth and HAVE A CRACK! All positions available except the Goalie!

WE WANT YOU! For social and/or training dates register your email on our communications list by emailing [kelly.piper@cbh.com.au](mailto:kelly.piper@cbh.com.au) or just call Kelly Piper on Mobile 0408 952 790.
