## Shire Presidents Report July 2012

### Structural Reform

Rate payers and residents should have by now received an information letter from the Shire President giving a brief description on the structural reform process being investigated by the Beverley Council and fellow South East Avon Regional Transition Group members. If you didn't receive a copy and would like one please contact the Shire.

The "securing our future" website [www.securingourfuture.com.au](http://www.securingourfuture.com.au) provides further regularly updated information, a frequently asked question section and allows for questions to be submitted. The free to use government access computer at the Community Resource Centre can be used to view this website, as can the seniors computers. Council has also requested a printed copy of website content to be made available in the town library.

Recent meetings of the SEARTG board have covered the topics of Rating Strategy, Operational Costs - Current vs Future State and Place Management plans for each of the towns. As mentioned in the June

Blarney a decision regarding amalgamation has been deferred until the end of August to allow time for completion of the Business Plan - Future State, Service Delivery Plans and community information sharing. It is hoped there will be a community workshop within the next month, the date yet to be confirmed will be advised in the weekly Beverley Bulletin. (Contact the Community Resource Centre if you would like to receive the BB by email).

### Dawson St Villas

Beverley had its own "backyard blitz" thanks to the Shire's Garden Crew who created a new garden for the villas just in time for open day!

There was a great deal of interest amongst approximately 80 visitors who took advantage of looking through stage one of the Dawson St villas on Friday 15<sup>th</sup> June. Councillors Pepper, White, Murray, Foster and Ridgway were in attendance to take on feedback and comments.

Council's preference is for these units to be taken up by someone locally, however will market them more widely at the end of July if needed. It is planned for another 6 villas to be built on the lot following sale and occupancy of the first two and expressions of interest in the project and Lease for Life conditions can be obtained from the Shire office in Vincent Street or by calling 9646 1200.

### National General Assembly of Local Government

In June the CEO and I attended the National General Assembly of Local Government in Canberra. Over 90 of the 800 delegates were from Western Australia, with the Wheatbelt well represented. Interaction amongst councils, both from WA and interstate was evident, and included several of the Councils visited during our recent deputation to the South Australian amalgamated local governments. Whilst the conference itself involved much "political and bureaucratic" speak, RTG representatives also had an array of meetings which included Senators Mathias Cormann and Barnaby Joyce and representatives from NBN, Energy Efficiency and Climate Change and Simon Crean's office. The clarity provided by these one on one meetings was worth the effort from our end, and our delegation involving the 5 SEARTG councils coming together for joint meetings and common topics was noted favourably on several occasions.

### Recreation Project Tenders

Tenders for the town oval Recreation building project close on 28<sup>th</sup> June. Following an evaluation process the tender will be awarded and Council is anticipating works to commence toward the end of August.

### Kerbside Recycling Service

Various options are being investigated for provision of a fortnightly household recycling collection service in Beverley. The current landfill site has a limited lifespan and the inclusion of this service, whilst arguably environmentally responsible, also has the potential to extend the life of our pit. Council will be aiming for this service to be provided at a modest cost for householders with details yet to be confirmed. Based on experience elsewhere, waste disposal when the current landfill site fills will come at a much greater cost to householders.

### Beverley Clydesdale and Vintage Day at Avondale

What a fabulous day for the many (many!) visitors in attendance at Avondale. Congratulations to the Avondale Farm Project Association and their band of volunteers for a very successful event.

As a resident of Beverley I am concerned with the Minister for Local Governments wish to amalgamate Local Government Authorities.

I support the process undertaken by the Shires of Beverley Quairading Cunderdin Tammin and York in the development of a Regional Business Plan under the joint name known as the South East Avon Regional Transition Group.  
The findings of such a comprehensive report will, in a number ways be of individual benefit to the Shires involved and improve regional cooperation.

Having read the **Current State** document relating to the plan, I firmly believe that any advantages emanating from a formal amalgamation of Shires, would be far out weighed by the potential negative effects the creation of such a large and diverse area governed under one Authority may have on the future of the district of Beverley and its residents.

My three main concerns requiring a definitive answer from both the Council and the Minister are.

- 1 Will the residents of Beverley be disadvantaged in any way in the short or long term as a result of amalgamation?
- 2 Will the current level and types of services the people of Beverley now enjoy, be maintained **within the district** under the proposed arrangement and what services might go elsewhere?
- 3 How will the people of Beverley be guaranteed of rates stability and a fair share of regional money and representation into the future?

I strongly urge residents who are concerned with regards to Beverley being part of a greater amalgamated group of Shires, to ask your Councillors in your Ward where they stand on the issue and write to the Council informing it of your opinion as well as asking any questions you have. I strongly urge residents to be well informed so that the Council knows your views before voting.

I also strongly urge residents to request the Council to conduct a poll, at the appropriate time, so as to give each of us the opportunity to voice our opinion and advise the Minister as to whether or not we wish to be amalgamated with another Shire or not.

Such a poll would require at least 50% of the population to vote against amalgamation for the result to have any bearing on the Ministers decision.

Yours Faithfully,

Fred Bremner J.P.

## **YOUTH REPORT** **JUNE 2012**

By the time you read this report I have been travelling through Kuala Lumpur, Cambodia and on my way to see my brother in Thailand - oh well someone has to do it!

### **Art Project:**

This project has been fantastic and I can't wait to return and see all the finished artwork by the children of Beverley. Jenny Broun has been inspirational to watch work with them and see what they are learning and achieving. On behalf of myself and the Shire of Beverley a big thanks to Jenny for taking this on and also Norm

Ireland, Principal of Beverley District High School for allowing us to use the Art facilities at the School. Also, thanks to Tess Hawke for helping collect money and help when I have had other work commitments.

Below: 6 week Art Class crew.

### **Camp**

Unfortunately this has to be cancelled and I will organise another one in the near future.

### **Wheatbelt Basketball**

Beverley has 8 representatives and will combine with York Youth to play against the Wheatbelt Cops, I will have photos to show in the next Blarney on my return.

### **AASC**

Thanks to Sam and Claire for running the hockey programme this Term and Gaye Redding for helping me with a variety of sports with the children at the School. We have had a great number of children attend, lots of fun and look forward to cricket with representative from the WACA next term.

Thanks to all Community members for your wonderful support, it has been a tough year but without this Community it would have been a lot harder and also to the Youth from Beverley Youth Centre - your respect and genuine concern has meant the world, I know why I do the job I do!

Thanks from my heart!

# Air race helps local pilot raise funds for RFDS

Local Beverley farmer, pilot and father of four, Alan Sattler is fulfilling his dream of travelling Australia and in doing so, is helping to raise much needed funds for the Royal Flying Doctors Service.

The Worley Parsons Outback Air Race 2012 will be held from 27 August to 8 September, and Alan has nominated his one man team [Team 17 'Atom'] to join in this important fund raising initiative.

Alan, a keen flying enthusiast has been flying since 2005 and after building his very first aircraft, has amassed over 400 flying hours. What started out as a hobby has turned into a passion for this busy farmer, and Alan is excited to see more of the country from the air in his Vans RV6 aircraft during his first participation in the race.

The competition is a GPS based navigations time trial throughout the remote outback of Australia and with team names like 'Biggles and Bertie', 'the Bald Eagles' and 'the Two Flying Willies' the competition sounds like a lot of fun. The race starts off in the South Australian coastal town of Ceduna, landing and staying in towns such as Innamincka, Longreach, Cloncurry and Mataranka along the way, with planes touching down for the finish of the competition and the Racer's Party in Darwin. The race rules state 'Flying Safely – Fun – Frivolity – and Fundraising' are the name of the game. The race distance is over 2,000kms.

The Outback Air Race began in 1996 and since that time, competitors and spectators have raised over \$1.2 million for the RFDS. These much needed funds go towards outfitting RFDS aircraft with essential medical equipment and enable the RFDS to help

save lives and to continue its vital service in transporting and treating critically ill patients who require urgent medical assistance in regional and remote Australia.

Alan will be joined by other Western Australian pilots, and in particular a team of Wagin farmers with team name 'The Flying Cockies'. Each team will be raising funds and you can help. Alan's target is to raise \$4,000 to help the cause. You can go to his dedicated fundraising page at [www.everydayhero.com.au/oar\\_atom](http://www.everydayhero.com.au/oar_atom), where you can make a donation and leave him a good luck message.

# BEVERLEY SHOW STUFF

Thanks to all those who generously donated their time and expertise in baking or giftware for our Cake Stall. We had a really successful morning despite the cold and raised a lovely little sum of money that will go towards making the 2012 Beverley Show the best one ever.

The Schedule is OUT! Well done to Sue Martin (one of our new members on the committee) for putting it all together. It's not an easy peasy job however she pulled it all together like she's an old hand. Now it's over to you guys to pull it all together and start on your projects for the Exhibition Shed. While we're talking about the Shed – to all our generous Trophy donors, can you please have all your trophies into the Beverley newsagency by the end of July.

Membership Letters are OUT! Well done to Sam Fricker who has taken over as Treasurer this year. Time now to get your Memberships back so we can deliver your tickets to the Greatest Show on Earth!

This year the theme for the Show is going to be the Australian Year of the Farmer.

If you want to know more about this fantastic nationwide initiative search, go to [www.yearofthefarmer.com.au](http://www.yearofthefarmer.com.au)

Or if you have 5 minutes to spare check out the youtube link below. It's a great little video.

[http://youtu.be/ffUZ\\_j2cCe0](http://youtu.be/ffUZ_j2cCe0)

Our next meeting will be at 7.30pm on Wed the 18<sup>th</sup> July at the Top Pub.

## RURAL AMBASSADOR CANDIDATE

The rural ambassador competition is an annual event to find the best candidate to represent the rural community of Western Australia.

Local resident Lorretta Adams has been nominated by the Beverley Agricultural Society to represent our town in this year's competition. Lorretta has been highly active in the show for many years, running the Beaute Ute Comp and she is currently the Vice President of the Beverley Agricultural Society Inc.

This year Beverley is the host town for the judging of the South Central District. Candidates from Northam, York and Toodyay will be travelling to Beverley for the official judging day on Saturday 14 July at the Beverley Platform theatre.

We wish you all the best for the competition Lorretta.

## See you at the SHOW - Saturday 18 August

# PREPARING FOR STORM SEASON

STORMS MAY BRING HEAVY RAIN , DAMAGING WINDS, LIGHTNING, HAIL, FLOODS AND TORNADOS TO THE SOUTHERN HALF OF WESTERN AUSTRALIA BETWEEN MAY AND OCTOBER EACH YEAR. HOWEVER STORMS CAN OCCUR DURING THE WARMER MONTHS SO IT IS IMPORTANT TO STAY PREPARED ALL YEAR. HERE ARE SOME SIMPLE STEPS YOU CAN TAKE TO MINIMISE THE RISK FROM STORMS TO YOU AND YOUR PROPERTY

## PREPARE – HOW TO PREPARE

Preparing your family and home for a storm is your responsibility.

- Check your roof and gutters for damage or loose material
- Clear gutters and downpipes of leaves and blockages
- Trim branches near your home and hire a contractor to clear trees from powerlines
- Clear rubbish from your yard or patio and put away any loose objects
- Prepare an emergency kit with portable radio, torch, spare batteries, first aid kit and family emergency plan
- Ensure your family understand storms and the risks
- Prepare an emergency plan including a relocation plan in case your home becomes flooded. Consider what you will do with your pet

## DURING A STORM –

- Close your curtains and blinds and stay inside away from windows
- If caught outside find safe shelter away from trees, powerlines, metal objects, storm water drains, rivers and streams
- If there is lightning, unplug electrical appliances and do not use landline telephones
- If there is flooding you can create your own sandbags by using plastic bags or pillow cases filled with sand
- If driving in heavy rain take care on the roads:
  - Slow down, turn your lights on and keep a safe distance from other drivers
  - If you cannot see, pull over and park with your hazard lights on until the rain clears
  - Do not drive into water of unknown depth and current

## AFTER A STORM –

- Assess your home and property for damage
- Check on friends and neighbours to see if they need help
- Keep children away from flooded rivers, streams and waterways
- Keep away from fallen powerlines as they are dangerous and should always be treated as live
- Be careful of fallen trees and damaged buildings
- If driving slow down, keep a safe distance from other drivers and take care in areas that have been flooded
- Do not drive into water of unknown depth
- Avoid gravel roads as surfaces will be slippery and muddy, and vehicles could become bogged

To all my friends in Beverley,

I am sorry could not get to say goodbye to everybody before I left, but it happened fairly quickly at the finish and I was busy packing etc. I was sorry to leave but the time had come to go and I would like to thank everyone for their help and friendship over the 55 years that I was there.

My new address is 321/124 Sixty Eight Rd, Baldivis 6171 and my phone number is 9524 4568, so if you would like to call in any time I would love to see you.

This place is very nice-quiet, friendly people and convenient to a lot of things. I have done a lot of shopping and been out many times already.

Goodbye and thank you.

## Beverly Clydesdale and Vintage Day Sunday 24 June 2012

The horses had arrived at Avondale Discovery Farm, Beverley in time for the Beverly Clydesdale and Vintage Day, Sunday 24 June. The inspiring Mounted Avon Valley 10<sup>th</sup> Light Horse Memorial Troop, the delightful Teen Rampage show ponies, the smart Harness Driving Society ponies, the hobby horses, and the truly awesome Clydesdale horses in action. What a show they all provided for our 1500 visitors.

Thank you to all the contributors to the event. Many volunteer hours had gone into getting the venue tidied up, the tractors, trucks and machinery ready for the demonstrations, and the organising and promotion of the event. Corrective Services Section 95 crew and the Shire of Beverley workers took care of many of the bigger tasks.

Brian Faithful did a wonderful job of auctioning the artist-decorated Hobby Horses. Six amazing pieces of artwork went under the hammer, and raised an average price of \$110. These funds are to be used to off-set the cost of the purchasing the materials for the activity. Thank you to Darryl Storer and Harold Anderson for preparing 50 blank horses.

## Station Gallery and Platform Theatre News

### **Artist in Residence**

At the beginning of June we welcomed Elaine Fynn and her husband Patrick from Canberra. They quickly settled in and were enjoying their stay but then were called back home unexpectedly. They intend to return some time soon.

For the month of July we welcome back Margarett Looney who was one of our first artists to reside at the Station in the winter of 2007. She's bound to note the difference in the surrounds since then. A popular artist and great tutor you'd be crazy not to miss one of her workshops as they include exciting new ideas from Sydney - see details below. Please bear in mind that if people would prefer these classes on the weekend then let us know and we'll see what we can arrange. Cost per full day workshop is \$85 which includes some art materials - please note that these are reduced rates - normally \$130 in Sydney! Contact Artist in Residence coordinator Marylou Hutchinson on 96471027 / 0427085511 or email: [hutchinson@wn.com.au](mailto:hutchinson@wn.com.au) for any further information of the above. A list of materials is available for perusal at the Station Gallery.

Also at the Station Gallery is information on Margarett's next art trip to the Greek Islands in October 2014 if anyone is interested.

### **Painting with Margarett Looney**

**Tuesday 3<sup>rd</sup> July** - Collage - focusing on beautiful decorative papers to enhance your composition with the use of watercolour, gouache and watercolour pencils.

**Thursday 5<sup>th</sup> July** - Contemporary acrylic - exploring the use of acrylic paints and mediums, and collage to make exciting artworks on canvas with a strong design edge.

**Tuesday 10<sup>th</sup> July** - Hand coloured photography - using oil paints to bring a new dimension to black and white photography with the use of colour, similar to the old techniques before coloured photography

### **Artists in Residence programme for the remainder of 2012:**

*July:* Margarett Looney (Sydney)

*August:* Michael Vandeleur (Safety Bay)

*September:* Mervyn Beamish (Perth)

*October:* Dorothy McInnes & 3 friends (Perth)

### **Community Thanks**

My most humble apologies for listing the Station Arts Members (Friends of the Station) last month instead of the Chair Drive Donors - although it was great to see how many noted it was the wrong list - shows that this column is read at least! So again, Station Arts would like to make special note of all the individuals who have kindly donated chairs, and now tables, through our 'Chair Drive' for the Platform Theatre.

### **Platform Theatre Chair Drive**

Station Arts continues to build its store of chairs through a "chair drive" where you are invited to donate \$20 for the cost of a chair. With each generous purchase the donors' names are added to a tally board displayed at the Newsagency. Special thanks to Pauline and Barry Knight for this display space and encouraging the project. So far the tally is 265. **If you would like to donate a chair, please see the treasurer Pauline at the Newsagency, ring 96461042, or email [beverleystationarts@gmail.com](mailto:beverleystationarts@gmail.com)**

### **Membership Drive**

As this financial year is nearing its end it is time to renew or become a member for the first time. **Beverley Station Arts Inc. Membership means you become a "Friend of the Station"**. If you wish to become a Friend of the Station (\$25.00/year) contact treasurer Pauline Knight on 96461142 or email: [Beverleystationarts@gmail.com](mailto:Beverleystationarts@gmail.com) or see her at the Beverley Newsagency. Forms can also be downloaded from [www.beverleywa.com](http://www.beverleywa.com) (NB cheques to be made payable to Beverley Station Arts).

## Platform Theatre

### **Next Season's Events**

Events for next season are in the throes being organised and we now have 3 shows lined up:

"Voice Moves" is Western Australia's major choral association whose main aim is to support and encourage networking among choirs and singers in WA and have chosen Beverley to host their Country Bash on Saturday 8<sup>th</sup> September at 2.30pm. They will be presenting 5 - 6 choirs in total, all singing for at least 20 minutes, and ranging in size from a quartet to 60 people. Local choirs may also be included and since asking for such in the last Blarney there has been interest from Narrogin and Northam. For further information check the website [www.voicemoves.com.au](http://www.voicemoves.com.au)

Entrance to the Country Choir Bash is \$5pp and a gold coin (or two) donation for afternoon tea.

On Saturday 24<sup>th</sup> November as part of Beverley's Harvest Festival weekend, "DIAMOND The Neil Diamond Tribute" - will be performing at the Platform Theatre. Brenton Fosdike was a member of the International and popular hit making group THE MIXTURES in the 70s, touring nationally and internationally with them. As DIAMOND, Brenton has used his years of experience with the aid of his Musical Director, Dennis Bird, to produce a show of international quality. The DIAMOND Show has seen up to 2000 at one sitting, so be prepared to have to pre-book for this one! Check out the website [www.neildiamondtribute.com.au](http://www.neildiamondtribute.com.au)

I might add that some of us have recently experienced a preview of what is to come and you'd swear it's the real Diamond! And he's visited the Platform Theatre and is itching to entertain a capacity crowd there along with his band.

On Australia Day 2013 "the Beggars" - three brilliant singer / songwriters with a crystal clear Australian sound will be performing their Australian Songbook which is a musical tribute to great Australian songs and artists including The Seekers, Peter Dawson, Johnny O'Keefe, Lucky Starr, Chad Morgan, Slim Dusty, and The Beggars. What a great way to celebrate our national day.

### Questionnaire

Thankyou to those who returned the questionnaire on Platform Theatre past and future events at which was printed in the June Blarney. Although those received to date are giving us the general feedback that we are on the right track, a few more are required before properly collating them. Questionnaires can be picked up and left from the Newsagency or downloaded from [www.beverleywa.com](http://www.beverleywa.com) We aim to have a variety of events as was the past season, but would like your feedback as to which shows you enjoyed most/least. Hence a questionnaire has being compiled and included in this month's Blarney.

If you would like to be included on the emailing list for notification of coming events, email secretary Sarah Miller [miller@reachnet.com.au](mailto:miller@reachnet.com.au)

### Beverley Art Gallery Committee AGM

The outcome of the AGM of this committee held at the Station on 20<sup>th</sup> June was all office bearing positions returned as of the past two years.

### *Reminder of Events and Dates to mark on your Calendar:*

Saturday 8<sup>th</sup> September: "Voice Moves"

Saturday 24<sup>th</sup> November: "DIAMOND The Neil Diamond Tribute"

Saturday 26<sup>th</sup> January (Aus Day) "the Beggars" AUSTRALIAN SONGBOOK

### Gallery Open Hours for February

### Missing

It has saddened us to see that someone has removed our scaffolding being used to restore the old carriage at the Station. Unfortunately we realise it was visible from the backyard of the IGA. If anybody knows where it may be, please let us know or return the scaffolding to where it was found and no further action will be taken.

### Add Years to Your Life

Seniors Recreation Council of WA (SRC) has made it easy for seniors living within the Wheatbelt to get involved in group activities. The organisation provides an easy-to-use online directory of sporting groups and recreational activities. The agency also holds monthly events and has created new programs for seniors living within WA.

Hugh Rogers, State President of SRC said "The SRC's motto is 'healthy ageing through activity'. The directory assists seniors to find groups to socialise, be active and have fun all at the same time".

Being involved in a group activity is one way seniors can help themselves stay healthy and reduce the risk of falling. Poor balance is a common risk factor for falls and injury. Our inner ears, eyes, joints and muscles have special sensors that help maintain our balance. Factors that affect these sensors and our balance include the loss of muscle strength, reduced joint movement and stability, medication side effects, ear problems, sudden movements and hip or knee replacements in the short term. Thus to maintain good balance being active everyday is important along with considering the use of a walking aid, managing medications and any health conditions.

Mr Rogers continued to say "anyone can access the online directory, find a local or close by group to join and participate in monthly events. We are expecting seniors from across the state to attend the Seniors Annual Ball, "The Fascinator Ball" occurring on the 27<sup>th</sup> of June 2012 at Burswood Entertainment Complex".

Improving your balance is one of the nine steps to Staying On Your Feet and prevent falls. For further information seniors can phone the SRC on (08) 9492 9773 or visit their website at <http://www.srcwa.asn.au/index.htm>.

### BEVERLEY HISTORICAL SOCIETY

The June meeting of the Society was attended by eight members with five apologies.

The Society has had a busy month with two bus tours to the Dead Finish Museum; a large group of retirees from Perth and a smaller group of men from Wundowie & Northam. Another bus is expected on Thursday 21 June at 11:30m.

We are also busy with improvements to the museum and the displays.

We are currently organising:

- to get a replacement "historic" Post & Rail fence for the front of the garden;
- to construct a shelter for the last printing press of the "Beverley Times";
- to provide wet weather access to the museum from the street.

Recent donations to the museum such as the 1950s knitting machine; the canvas water bag and two food safes are now on display to the general public.

Next meeting 1:30pm Monday 9 July 2102. All welcome. For further information contact the secretary at [bhsdeadfinish@gmail.com](mailto:bhsdeadfinish@gmail.com).

## **Fantastic turn out of Parent and Community Spectators**

## Year 1

What a Monstrous term we are having. We have read lots of Monster stories, counted monsters and even made symmetrical monsters this term. We have designed, drawn, painted and glued many different types of monsters. We have learned that not all monsters are the same. Some are mean, nasty and scary, while others are crazy, friendly or silly. Monsters also come in many shapes and sizes. They can be small, huge or enormous, and they can be hairy, spiky or scaly.

## PJ DAY

On Friday 15th June most of the staff and students at Beverley DHS were all snuggled up in their PJ's because of Pyjama Day. The school held it to raise money for Princess Margaret Hospital. After the bell had gone the School Councillors came around to each class and collected the money. When it was time for recess, Jiselle, Olivia and I all felt like having a little nap on the grass. I thought it was funny because Jiselle and I were wearing the

same pyjamas. Our pyjamas had a picture of a bunny on them and the words "Happy Bunny". We also had pink pants and they were so soft! At lunch we swapped our slippers and dressing gowns. It was funny looking at all of the different pyjamas that the teachers and students were wearing.

In the afternoon we had choir and even Mrs Shaw was wearing pyjamas! She told us that the school had raised over \$200! I loved PJ Day because it was so weird seeing everyone in their PJ's. Even better was the amount of money we raised in one single day! Pyjama Day is awesome fun and I hope we keep having it every year.

# National Farm Safety Week (16<sup>th</sup> – 21<sup>st</sup> July 2012)

2012 National Farm Safety Week aims to raise awareness of farm safety issues in rural communities across Australia.

This years' National Farm Safety Week theme is "**Farm Safety - Fix it for Everyone**".

This theme continues to highlight the importance of business and industry working together to achieve the Farmsafe mission/vision statement of improving the well-being of Australian farmers through improved attention to health and safety.

Farm Safety Week has been running successfully for the past 15 years and provides a national focus on farm safety.

There has been a significant reduction in farm fatalities over the last 20 years from a yearly average of 146 deaths to approximately 60 in 2011 (subject to final verification based on coronial data).

In 2011, quad bikes eclipsed tractors by a ratio of almost 2:1 as the leading cause of non-intentional farm injury death. Of the 23 quad bike related fatalities identified through the media, 18 occurred on farms. Already in 2012 (May), there have been eight quad bike related fatalities, two of which were to children aged 5 and 9 years.

A wide range of materials that can assist people that work and live on farms to reduce the risks to themselves, farm workers, family members and visitors is available from the Farmsafe WA website [www.farmsafewa.org](http://www.farmsafewa.org) or by contacting the office on 9359 4118.

## TWO LIFE MEMBERS HONOURED AT INVESTITURE 2012

On Saturday the 5<sup>th</sup> of May, two of our long standing members were recognised for their years of dedication and service to St John Ambulance Australia.

Peter Jenkins and Marilyn Wilson both received Admission to the Order of St John as a Member at a prestigious ceremony held at the Government House Ballroom in Perth. His Excellency, Mr Malcolm McCusker, Governor of Western Australia conducted the investiture.

Marilyn was accompanied on the day by her daughter, Helena, and said she was proud of the acknowledgement for the years of her life given to St John Ambulance. She also said it was special to receive it alongside Peter, both being Life Members at Beverley Sub centre. Though receiving the award was a highlight, Marilyn got her greatest satisfaction at ground level, helping in real life emergencies. "The sincere thanks from those you've helped is reward enough," she said. Marilyn moved from Victoria to Beverley 32 years ago and served as an ambulance officer with the Beverley Sub centre for 23 years. This resulted in her being awarded Honorary Life Member in 2005. As well as her ambulance duties, Marilyn also served as Secretary for seven years. She regularly volunteered to be the 'ambo' attending school carnivals and other sporting events because she enjoyed being a part of the community. Marilyn resigned as an ambulance officer in 2009 due to ill health but continues to volunteer as a cleaner at the Sub centre.

Peter, accompanied by his daughter Kelly, also enjoyed the day's events which he described as a day full of ceremony, including a very grand entry by officials and knights in black robes. He said it was the sort of recognition you never ask for but are nonetheless grateful to receive. While Peter was honoured to receive this award he said being made an Honorary Life Member of the Beverley Sub centre in 2009 is

"When I first started out, I worked on roster with Marilyn for several years, so it was very good to also see her get this award," he said.

Peter has been with the Beverley Sub centre for approximately 24 years. Congratulations Marilyn and Peter on being recognised for the years of commitment you have given to the Beverley St John Ambulance Sub centre, our community and to saving lives.

In 2010, another Life Member of the Beverley SJA Sub centre, Cliff Doncon, also received this award.

"The modern Order of St John is an Order of Chivalry under the Crown, and like most such orders, has four main levels. The entry level – Member, Officer, Commander, and Knight/Dame. The State Governor is always invited to be Knight Commander. The Annual Investiture is an occasion to recognise and thank members of St John at all levels, mainly volunteers, for outstanding service often over many years." *Quote taken from Investiture 2012 Program; words of Harry Oxer, Director of Ceremonies.*

## BEVERLEY BRANCH, COUNTRY WOMEN'S ASSOCIATION

[www.cwaofwa.asn.au](http://www.cwaofwa.asn.au)

At our meeting on 14<sup>th</sup> June, the motions for the Agenda at the State Conference were discussed and voted upon at Branch level. Our delegate/s in turn will attend the State Conference which, this year, is to be held at the Patterson Stadium at Subiaco.

One motion of interest is that "CWA of WA request Sensis to revert to the previously used larger print when producing future White Pages directories". We do believe that this is already in progress with the powers that be and the Telephone directories will be more user-friendly in the future.

Many other motions are relevant to folk in the country and I hope to be able to report on these after Conference.

Our next meeting will be held at the CWA centre on Thursday, 12<sup>th</sup> July at 10.00am for the usual cuppa and chat prior to the meeting commencing at 10.30am. A "Bring and Share" lunch will once again follow the meeting. Hostess for the next meeting will be Margery Thomas.

This month we have had a steady flow of visitors from various parts of WA, Eastern States and overseas especially Europe. Many visitors came from the Metro Area for the Clydesdale Day. With nearly a week of this month to go we have had 150 people at the Bureau with many spending time in the Museum.

**\*\*\*THANK YOU\*\*\***

A big 'Thank You' to the seven business outlets in town who found time to make a diverse range of Hobby Horses which were displayed on the Bureau Lawn. They surely are the most photographed and admired Horses in Beverley or even WA!!

\*\*\*\*\*

Our thanks also to Alan Primrose who has kindly donated and installed a TV aerial at the Bureau.

\*\*\*\*\*

Once again compliments about our Caravan Park have been received and how welcome Janet makes the new arrivals to Beverley. Thank You Janet.

\*\*\*\*\*

We continue to welcome anyone interested in Volunteering at the Bureau.

Anyone who can work as a relief at the weekend or on a public holiday would be appreciated. There really are many interesting people coming through Beverley. Ask our current volunteers who continue to work happily and LOVE to show them what Beverley has to offer.

# The Beverley Lions Club

The Lions Club is still active in the community, our Paper Shed has been partially cleared thanks to the assistance of our local Shire. We have received donations of some wool bags to tidy up our cans to send down to the Recycling depot next time a truck is available from the Shire... we thank the donors. We also thank the Shire CEO Steve Golan and his staff for their valuable assistance as without this we would not be able provide a Recycling shed to the local community which brings in finance to put back into the community.

We had a new member inducted into the Beverley Lions Club at our June Dinner meeting. It is Alex Butterworth who was a past student of the Beverley DHS and is working in Perth at a Law firm.

Alex was inducted to Lions by Past District Governor Neil Saunders from the Northam Lions Club. It is good to get young members into our Club and we are sure he will be a great asset. Alex travels up from Perth to attend our meetings and visit his parents on week ends.

We are gradually getting closer to getting our mobile catering van for field operations, we have purchased 2- 3.5kva generators to provide power in the field and our thanks go to Lion Kim Bird for organising this and also following up a suitable trailer for our mobile catering needs. The members feel that this will be a great asset to the community when it is up and running. The Lions Club is catering at the Avondale Vintage Day on June 24th, by the time this article appears it will be all over and a report on the day will go in the next Blarney.

The Beverley Lions would like to thank Peter and Helen Bremner for their kind donation, the Bremner family have been great supporters of the Lions and is much appreciated by us all. The Beverley Lions would like to extend their thanks and gratitude to the past Blarney editor Karina Leonhardt, Karina has done a fantastic job for the past 10 years in preparing the Blarney and I will miss her reminding me to get the Lions article in on time The members wish you all the best Karina in your new career job.

## Beverley Naturalists Club

With all the recent storms around the place I started to think about how our wildlife copes with these severe weather events which seems to be more frequent than before, I realised they don't always fair well and sometimes need our help. Have you ever wondered about these beautiful big old habitat trees that go down in storms and how many species of wildlife calls it their home. These big 100 year old trees are like a multi story apartment building with wildlife in all levels of the building. Some of the species affected are possums, ducks, bats, reptiles, cockies including the endangered Carnaby's black cocky and many other species of birds. When these birds, reptiles and animals lose their homes they are vulnerable to predators such as foxes and cats and exposure to the elements just like we are if we lose our homes. Like us they need help to get their lives back together because there are a limited amount of suitable trees available to these animals so they can't just simply move to another tree.

### How can we help?

By putting nesting boxes up near where the big trees go down will ensure they always have a place to sleep in their own territory.

If you are going to remove trees try to save the habitat trees because planting a tree to replace it will take at least 100 years to grow into another habitat tree .

If any wildlife is injured called a wildlife carer for help and advice. If you don't know any wildlife carers you can call the Wildlife hotline on 94749055 and they will put you in contact with people who can help in

Any fallen timber from trees if possible should be left on the ground as this is habitat and protection for some species of wildlife like the Bush stoned curlew .

### Plant of the month

I have chosen the very fascinating and beautiful Wandoo wattle (acacia lasiocarpa v sedifolia). It gets its common name by the location of where it grows which is under wandoo trees, it is also classified as an understory wattle. It is a widely distributed through the South west WA from Kalbarri to Esperance and grows in many different soil types. It is a shrub that grows to a maximum height of 1.5 metres but is usually smaller around Beverley. It will grow quite well in part shade where it is hard to grow some other plants. This beautiful wattle would make a great edition to any garden around Beverley with its lovely flowers, drought tolerance and its small spikes to help protect that area of your garden from unwanted visitors. When it is young it will need to be protected from the frost but when it is older it becomes able to handle the frost.

If you are interested in this unusual wattle please contact Talbot Nursery on 9646 1716 to obtain these locally native and grown plants.

## Wildlife Stories straight off the broomstick!

On the 29<sup>th</sup> of May I received several distressing phone calls regarding an injured kangaroo on the Dale Kokeby Rd. Sally and Erica gave up some of their morning to assist in the search for the roo. Once we located her I sedated her to assess her injuries, which unfortunately she would not have been able to recover from. Sadly her only option was euthanasia. I then checked her pouch which had a little female joey within, which thankfully was viable (any joey over 200gms is considered viable with a struggle) since she weighed in at 345gms. Her eyes were still closed and her ears were only just starting to lift from her head. For the past few weeks she has been staying in my humidicrib and is on 4 hourly feeds and is continuing to gain weight. Her eyes are now open and her ears are nearly fully erect. This little joey which is now named Erica will be in the humidicrib for the next few months (until she can maintain her own body temperature) but will continue to be bottle fed for at least another 14 months.

Thanks to all the people who took the time to call and try and get help for this mother and her baby.

A special thank you to Sally and Erica who sacrificed their time and help us locate her.

Lastly a thanks to the people who have enquired about the welfare of this little joey.

### Beverley Police Station

57 Hunt Road, Beverley WA 6304

# GOODBYE KERRY

As many of you have now heard, Kerry has decided to resign from the WA Police Service. I want to thank Kerry for the last 2 years working in Beverley. It has been one of the most enjoyable times in my police career. It is very rare that you get a police officer like Kerry in Beverley - you are very fortunate that she worked in the community and for the community.

Kerry will not be lost to us though. Kerry and Linda will still be living in Beverley and I am sure you will see her around the town.

So thank you Kerry for being a good friend and great police officer. For being able to embrace the community with your infectious personality and common sense approach to policing.

I will miss your enthusiasm for the community of Beverley. So good luck with your future endeavours and remember to buy the local Sergeant a beer when she is in the pub next.

So what does that mean now? Well I am in the process of finding a replacement for Kerry.

Although hard I am sure I can find someone that will bring to Beverley a country style policing that will make him or her fit right in. In the meantime I will be having relief officers coming over to Beverley. So it is still policing as usual.

I see the word has got around town that 6 police vehicles were in town the other day. Well they were over here for a couple of drug warrants, thanks to information from the public. We had officers from around the Wheatbelt and also 2 drug dogs.

This will not be an uncommon site as we will be conducting more drug warrants on other houses in the very near future. So if you have been visited by us already, or we haven't been to your house yet and you are either dealing or using drugs - EXPECT THE KNOCK ON THE DOOR.

Stay Safe  
Darrell and Kerry.

# Talbot Brook Land Management Association Inc.

Community Tree Planting Program 2012

**By Colin Cable, President.**

Well it's on again with more tree planting in the York and Talbot Brook areas.

The Talbot brook Land Management Association will be involved in two tree planting projects in 2012. The first site will involve a 12ha of water logged and degraded site, and will be planted out with 20,000 native seedling stems through funding from Lottery West on the 28<sup>th</sup> July 2012. This area is the upper reach of a small tributary, which flows into the Talbot Brook and then into the Dale River systems, which has an impact on the Avon, and Swan Rivers.

The second site is a degraded tributary of the Boyanning Creek which restoration and tree planting has been carried out in previous years. This site will be an educational experience for High School students to understand the environmental value of bushland rehabilitation in the wheatbelt – from increasing biodiversity to reversing salinisation to nutrient loads to erosion prevention. The Talbot Brook Land Management Association has formed a partnership with HotRock, a not-for-profit organisation that works with high schools to develop engaging sustainability education projects (<http://www.thehotrock.org.au>). HotRock's 'Seed 2 Tree' program involves high schools propagating and planting native seedlings that are endemic to the area of the Wheat belt. Their 15,000 seedlings will be planted on this site by the school groups on three separate occasions. The first group will plant their seedlings on the 31<sup>st</sup> July to 1<sup>st</sup> August and they are students from Australind SHS and Manea Senior College. Planting on the 6<sup>th</sup> and 7<sup>th</sup> August will involve Comet Bay College and Maranatha College students. The final group will plant on 9<sup>th</sup> and 10<sup>th</sup> August and involve students from John Wallaston Anglican School and Perth Waldorf School.

These groups will comprise of 60 students per group camping at the Talbot Hall on the above dates. This will be an educational learning activity as well as a hands-on planting of their own propagated seedlings, which were grown at their schools. The students will be able to experience working at a site that was planted last year, view the growth of one year old trees, and then follow the progress of their seedlings over the coming year.

In future the Talbot brook Land management Association, as part of a partnership with HotRock will provide technical advice and support on native vegetation species for different soil types and also support future funding proposals for the propagating equipment for High Schools involved in this program. We hope to promote further schools in the Wheat belt to take up this opportunity to actively propagate their own seedlings to plant in their own environments.

The Talbot Brook Land Management Association has been actively engaged in major tree planting programs since 1993 and worked in partnerships with the Department of Water Northam, the Wheat belt NRM and the Swan River Trust. Our Association has won The State Bush, Land, and Waterways Award 2009. The Water Rats, and Living Streams State and Territory Award 2011. Semi Finalist Land Corp Environmental Sustainability Award 2009.

Our Community tree-planting program will be held on the 28<sup>th</sup> July 2012, meeting at the Talbot Hall on Talbot Hall Road via York at 8.30am and traveling to the planting site in convoy. Morning tea and Lunch will be provided also a social evening that night with a BBQ supper. Bring your own drinks.

We are always looking for environmentally minded volunteers to join our Association and to help with our tree planting programs.

For further info about our Association our Website is <http://talbotbrooklma.blogspot.com.au>

Or phone President Colin Cable 08-96431043 or Secretary Geoff Williams 0407420591.

## ROAD SAFETY SURVEY

Healthy Roads at the Public Health Advocacy Institute of WA is conducting an online survey to investigate young people's attitudes towards road safety.

If you're aged between 18 and 25 years old, they'd love to hear what you think!

It'll only take around 10 minutes of your time.

Just click here to enter: [https://www.surveymonkey.com/s/youth\\_roadsafety](https://www.surveymonkey.com/s/youth_roadsafety).

It would also be greatly appreciated if you could please pass on this link to any friends or family you know of that would be interested in completing this survey.

## Missing

It has saddened us to see that someone has removed our scaffolding being used to restore the old carriage at the Station. Unfortunately we realise it was visible from the backyard of the IGA. If anybody knows where it may be, please let us know or return the scaffolding to where it was found and no further action will be taken.

## BEVERLEY REFUSE SITE

In order to extend the life of the existing Beverley Refuse site, we now have sections for different types of rubbish. These sections are:

- \* Aluminium Cans
- \* Glass
- \* Green Waste
- \* Household Furniture
- \* Plastic

There are also sections for the following. However, please see the Refuse Site Manager – Graham before dropping off these items:

- E-Waste
- Building Waste
- Toxic and Dangerous Goods

NB: Charges apply for the disposal of Building and Toxic and Dangerous Goods.

As we are endeavouring to extend the life of the refuse pit and also help the environment it would greatly appreciated if loads could be separated before dumping.

At present Council is investigating the feasibility of supplying a recycling bin to each household that is currently issued with a household refuse bin.

**The Rubbish Tip is open**

**Saturday, Sunday and Monday - 8.00am - 4.00pm**  
**excepting Christmas Day and Total Fire Ban Days.**

We would also like to remind you that if you are transporting refuse to the tip in a trailer or the back of a ute, etc., it requires to be covered and secured as per Road Traffic Code 2000.

We thank all our ratepayers for your assistance in helping to extend the life of the refuse site.

## 136<sup>th</sup> Act–Belong–Commit Beverley Show

SATURDAY 18<sup>TH</sup> AUGUST 2012  
SHOW GROUNDS  
ON FORREST STREET

2012 is The Australian Year of the Farmer - a year-long celebration of the vital role farmers play in feeding, clothing and providing building materials to house us all.

From small farms handed down over generations, to our largest agribusinesses, farming is inherent to the Australian way of life.

Australian Year of the Farmer will remind everyone, from those in our most remote areas to those in our biggest cities, of the role of farming in Australia. Agriculture has always made a significant contribution to Australia's economy and prosperity.

## **BEVERLEY PARALEGAL COMMUNITY AND REFERRAL SERVICES (BCS)**

**AGED CARE:** Our May Publications (Blarney) has received some noteworthy comments of praise and appreciation from: some in Beverley, York and Quairading. In each instance, they have one of their family members/loved one who are currently residing in Age Care Nursing Residences. Frequently asked questions relate to:

- How much does one have to pay to get into Residential Care?
- Do you have to pay more for High Care residents? And if so, Why?
- What happens to the bond/accommodation charges?
- Who gets the pension?

As the publication indicated, all these matters are complex, seek info from any Age or Commonwealth body. It is not uncommon for me to hear of sad cases, where a family member goes to visit a loved one in an Aged Care Residence; only to find that one day this loved one has No recollection of who you are. These are some of the tragic examples that we may all have to face; some to a lesser degree than others and yet others are blessed with a good memory during their twilight years.

**OLD AGE** has a habit of touching on each and every family; be it in Oz or Global. Having quoted a fact of life; is it too much to ask of one to spare a kind thought for the Elderly, even though some are frail, not as Communicative, fit or not so fit, each and everyone has their own dignity and they all deserve love, respect and support from their families and the general community.

**HOMELESSNESS/HOUSING SHORTAGE:** Some Radio National reports; There are over 100,000 homeless people in Australia.

At any given time in one day there are 15,000 homeless who sleep rough. To highlight their plight on the 21st of June, Vinnies organised 1,000 CEO's around Australia will sleep outdoors at night in card board boxes, newspapers and sleeping bags including the Federal Minister O'Connor who; will sleep outside the Canberra Art Gallery. Beverley is not immune to this problem, as a person can be a statistic in an instant

due to no fault of their own, for example: domestic disputes, disputes where a mother and 4 small children are forced out of their home, at times only with the clothes on their back with no money and no ID It is said that single mothers and children are among the majority of this homeless figure. According to Mrs Judi Moylan. "there are 90% of single parents who are living below the poverty line." How can this be, one may ask. The average rent per week in Perth is now officially \$600 p/week, many who pay such high rent fall into this category, some single parents become homeless, sleep in cars, parks, on the floor in friends and families lounge rooms etc. This is True to Life Reality. I have touched on this topic, as in my brief, from time to time I have had to deal with similar cases in real life, it saddens me to reflect back, what makes it more tragic, when there are sick children, who have had to leave their medications behind e.g. Asthma sufferers and their puffers.

**SICK CHILDREN:** Once again in my line of work, I have been approached by young single parents, to offer some support and assistance, which I offer, in the form of referrals to various organisations etc.

On a personal level I support Children's Organisations that mainly cater for the sick, such as: Starlight foundation & Save Our Children Foundation. Their records indicate that every ONE minute of each hour and every day one sick child is hospitalised. i.e. 1,440 sick children each day are hospitalised in Australia.

**CENTRELINK RECEIPIENTS:** I am led to believe as from July 1, single parents will no longer be entitled to benefits once their child reaches the age of eight ( 8 ) . If you are travelling overseas, it is advisable to inform the authorities about your trip, failing which your benefits maybe stopped; if it was later found that you did not comply with the Social Security Act.

**FORE CLOSURES:** Avoid this by keeping payments up to date and negotiate when you are financially strapped.

**BEVERLEY POLICE:** Many Thanks to Officers sgt Darrell and Snr Constable Kerry for their prompt assistance on Firearms Applications. It can be honestly said, from the voices that I speak for, these two

law enforcement officers deserve more than praise for their most humane approach, shown to the public, whilst carry out their duties. **LEGAL ADVICE:** Barrister Heng Ee is overseas, please contact Rural Legal Service in Northam on 9622 5200.

## **CRANA ABORIGINAL CORPORATION Inc. UPDATE**

Mal Roberts has made contact with both State and Commonwealth Ministries for Indigenous Affairs as to our current situation and our future plans for the Indigenous Reserve on Duffield Street, Beverley. We are pleased to state that their complimentary comments to CRANA has been well received.

We have been accepted as a **Member of the National Congress of Australia's First Peoples.**

This membership entitles CRANA as part of a new National Body for Aboriginal and Torres Strait Islander Peoples; can vote in future elections and nominate delegates to National Congress Meeting, share info, develop the skills of indigenous peoples and also develop Cultural Policies.

In June, our delegates attended a meeting at the Amenities Building coordinated by 'South West Aboriginal Land and Sea Council'.

**Monthly Meetings:** Every forth Monday of each month at the Lounge Town Hall or BCS Office. Time around 9am.

**HEALTH:** 90% of children in some Indigenous settlements have serious Hearing Impairments. (R.N. Radio reports)

In closing, final observations on Native Title and Reconciliation-as time progresses, there appears to be more and more support from all quarters to reach mutual resolutions as early as possible. Never the Less; there is still a long way to go before any mutual negotiations can be satisfactory between the First Peoples and other bodies.

Cheers to all, thanks for reading.  
Mal. G. Roberts Mitch Henry  
Adviser, 9646 1932 President

## Beverley Netball Club

Well the season has been plodding along in leaps and bounds, round 2 starts 7<sup>th</sup> July and the road to finals begins.

We are again doing the Pizza night fundraising to help towards the new netball courts which is hopefully not too far in the near future. The Pizza Night will be on the 10<sup>th</sup> August at the Lesser Hall, the order form is in this blarney or at Avon Trading, Beverley Post Office and Beverley CRC. Pre-orders are due 1<sup>st</sup> August.

Again at the Beverley Show we will be manning the showbags stand so please come and say hello and buy some great showbags.

# BEVERLEY REDBACKS HOCKEY CLUB

I quite like winning! After a terrible 2011, our 2012 season has been an absolute reversal of fortune due to the strength and depth of talent in our team. The month of June has seen more BYES than playing games but our last hit out against Wongan Drifters saw a COMPLETE turnaround from our first outing against them at the start of the season. I would like to publicly thank the Redback Ladies Hockey team for allowing

me a 70 minute nap whilst you demolished the Drifters 5 nil!

We are hosting a Sponsors Day afternoon tea and drinks on Saturday the 21<sup>st</sup> July after our home game. We would love to see our generous sponsors and any spectators come along that afternoon. The details for our **OLD GRRRRLS DAY** in August are published elsewhere in the July Blarney so have a squiz through.

# BEVERLEY FOOTBALL CLUB

June may well prove to be the month the Beverley Football Club's League side got its season back on track and well in contention for a spot in the finals.

However, we all know how much hard work we've had to put in to get to where we are and how much hard work there is still left to do, so it's that age old adage "one game at a time" that we'll live by until we've reached our target.

To date our Reserves are yet to achieve a win this season, however the players have demonstrated a far greater level of competitiveness over the past month.

The Netball and Hockey girls have been in great form, and are well on their way to featuring in September action.

There's plenty happening in July with our 20 Year Reunion of the 1992 League Premiership on Saturday the 7<sup>th</sup>, the Country Week Championships in Perth the week to follow and our Olympic night on Saturday the 28<sup>th</sup>, so come along and get amongst the good times.

## \*\*\*\*\*Saturday 7<sup>th</sup> July – Beverley Football Club

## **Beverley Men's Golf Notes**

Fine weather greeted 13 golfers on Saturday 26<sup>th</sup> May for the **Brett Hutchinson** Trophy.

It was great to see Darrell Hagan and Mark Armstrong play their first game of the year.

This week saw a number of very good scores. Wayde McLean came out on top with a good score of 38 points, two points ahead of Ron Bickley on 36. Luke Gollan and Terry Winfield also had a good day with 35 points each.

Novelties on the day were won by;

Longest Chip or Putt on 2	Ron Bickley
Nearest to the Pin on 5	Mark Armstrong
Nearest to the Pin on 13	John Donovan
Longest Chip or Putt on 16	Luke Gollan

Thanks are extended to **Brett Hutchinson** for sponsoring the day.

Saturday 2<sup>nd</sup> June saw the 2<sup>nd</sup> Qualifying Round held along with the Monthly Mug. The day was sponsored by **Wayne Smith** and our thanks are extended to him.

In great conditions for golf after the previous night's rain our best field of 18 took part in the day. It was also great to see Jason (Sparrow) Young travel back from Mandurah to have a game and also Gina Adams and Ali Lewis both play. The club have agreed that if ladies wish to play on Saturday's they are most welcome. In a very close event Brett Islip won on a countback from Ben Moulton with a 71 nett. Stephen Gollan and Jason Young were the next best with a nett score of 72 each.

The best Gross score was Brett Islip with 80.

Congratulation to Darrell Hagin who now has an official handicap. Gina Adams just edged out Ali Lew by 1 shot to have the best score from the girls.

A number of additional novelties were also on offer through the generous support of **Wayne Smith**.

Novelties on the day were won by;

Longest Chip or Putt on 2	Chris Pepper
Nearest to the Pin on 5	Mark Bickley
Best 2 <sup>nd</sup> Shot on 6	Brett Islip
Nearest to the Pin on 8	Gina Adams
Nearest to the Pin on 13	Mark Armstrong
Best 2 <sup>nd</sup> Shot on 15	Jason Young
Longest Putt on 16	Mark Armstrong
Nearest to the Pin on 18	Ben Moulton

Appreciation is extended to **Wayne Smith** for sponsoring the day.

Saturday 9<sup>th</sup> June witnessed 9 players take part in the **Always Green** Trophy. This was a Stableford event.

At the completion of the day saw Mark Armstrong winner with 40 points and a 3 way tie for 2<sup>nd</sup> with Mark Bickley, Fred Sing and Gavin Sazanov with 37 points, this saw a countback occur with Fred Sing 2<sup>nd</sup> Gavin Sazanov 3<sup>rd</sup> and Mark Bickley 4<sup>th</sup>.

Gavin also sponsored the novelties and the winners were

Best 2 <sup>nd</sup> on 1	Terry Winfield
Best 3 <sup>rd</sup> on 3	Terry Winfield
Longest Putt on 5	Mel Vivan
Longest Drive on 7	Gavin Sazanov
Best 4 <sup>th</sup> on 9	Chris Pepper
Longest Drive on 11	Mark Armstrong
Nearest to the Pin 13	Terry Winfield
Longest Chip or Putt on 16	Terry Winfield
Best Second on 17	Mark Bickley
Longest Putt on 18	Fred Sing

The club would like to thanks **Gavin Sazanov** for sponsoring this day.

On Sunday 10<sup>th</sup> June the first Darling Range Golf Association event was held in Waroona. This was a 27 hole Stableford event with Beverley sending 7 players.

The day was reduced to 18 holes due to the extreme weather conditions. At one stage all players watched in ore as unbelievable winds swepted the course causing a number of large trees and limbs crash to the ground and litter the course.

The Darling Range Golf Association (DRGA) consists of the following clubs Beverley, Mundaring, Pickering Brook, Serpentine and Waroona. When each club has their Open Day you must pick 5 players at the start of the day from your club, and their individual scores are combined so at the end of the day each clubs total score is compared against the other clubs. At the end of the season the club with the highest number of points wins the "Top Club" award.

Beverley's team comprised of Wayde McLean (29 points), John Donovan (24 points), Stephen Gollan (25 points), Fred Sing (24 points) and Jason (Sparrow) Young (26 points). The team came in 4<sup>th</sup> place.

Mark Bickley 23 points and Ron Bickley 21 points were the two unlucky ones to be left out of the team.

Stephen Gollan and Jason Young both won a novelty for the Best Second Shot on 16 and Best Second Shot on 7 respectively.

Foggy but fine Sunny conditions greeted 7 golfers on Saturday 16<sup>th</sup> June to play for the prestigious **GL Broun Trophy** which has been sponsored by the **Broun Family** for some 56 years.

The trophy is played in a Stableford format over 27 holes. The eventual winner of the day was Mark Bickley with a great score of 55 points, with Runner Up going to Terry Winfield with 51 points.

Novelties on the day were won by;

Best 2 <sup>nd</sup> shot on 1	Terry Winfield
Longest Drive on 3	Ron Bickley
Longest Putt on 4	Terry Winfield
Longest Putt on 7	Mark Bickley
Best 3 <sup>rd</sup> shot on 9	Terry Winfield
Best 2 <sup>nd</sup> shot on 10	Mark Bickley
Best 3 <sup>rd</sup> shot on 11	Terry Winfield
Longest Chip or Putt on 12	Terry Winfield
Longest Chip or Putt on 14	John Donavan
Longest Putt on 17	Terry Winfield

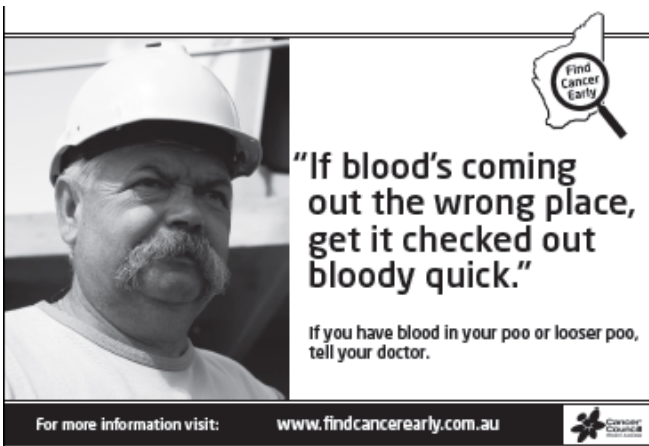

Thanks to Terry Winfield for donating the novelties prizes and Mark Bickley for Donating 2<sup>nd</sup> Prize.

Once again our thanks are extended to the **Broun Family** for supporting this event.

**Attention** To all past and present members, Due to lack of space and storage, we ask that all members please remove all unused clubs, shoes, bags and buggys by August 31<sup>st</sup>. Please contact John Starling on 0407278738 to collect gear.

## BEVERLEY HORSE AND PONY CLUB

Our June rally was a lovely day for our riders and their ponies. Riders had ridden lessons from Felicity Perry and Noelene Brown. Lunchtime saw all members and their parents take part in hands on lecture about sand. It was very interesting to learn that horses have had to deal with ingesting sand for many millennia as they have evolved from plant eaters to grass eaters. Domestication has reduced the distance that horses travel each day and resulted in them retaining more sand in their caecum. Members had a chance to listen to *Seka's* stomach sounds so that they had a better idea of what they should be listening for. We also did a couple of poo inspections to show some ways to check for sand passing through. Thank you to Felicity for this very interesting and informative talk.

A big well done goes out to Tealah Hawke and Jess Applebee who represented the club recently at the Avon Zone Mounted Games Prelim Event on the 10<sup>th</sup> June. The girls had a great time despite the terrible weather. A special thanks to their mums who took them to Muchea and then had helper duties to do out in the rain. It was decided on the day not to run the Zone Novelties selection so I would like to wish all riders representing the club on the new date at Avon Valley the best of luck, and some nicer weather.

We hope that Jess Applebee gets well soon after breaking her wrist in a non-horse related accident.

Condolences go out to Vicky and family on their recent loss of *Nero*.

Good luck to those riders who are going to Toodyay to represent the club at the Avon Zone One Day Event.

I would like to take this chance to remind all horse owners to continue to be vigilant for signs of sand colic in their horses and ponies. Even if you have had the vet out to drench them sand doesn't necessarily all pass through them. Colic can reoccur and ongoing care is important.

Our next rally is on the 8<sup>th</sup> July. Please let Renée know your plans on 0427989115 or [renee.philip@bigpond.com](mailto:renee.philip@bigpond.com) so that she can organise coaches for the day.

Next meeting for the club committee will be on the 26<sup>th</sup> July at 7.30pm.
