**ACT-BELONG-COMMIT
BEVERLEY SHOW**

**Celebrating 2012, the
Australian Year of the Farmer**

SHIRE PRESIDENT'S REPORT August 2012

RTG and Structural Reform

Councillors attended a Regional Transition Group meeting on Friday 27th July which provided information on the Future State Business Plan. This information and discussions with our community will assist Council in their analysis of the benefits or otherwise of progressing to an amalgamation. Although the Future State will be available on the "securingourfuture" website it is proposed to hold another community briefing in early August to provide opportunity for our residents to hear the information first hand and also have questions clarified. Date yet to be confirmed

Beverley Agricultural Show

Shire Councillors and staff will be available at the Beverley Show to discuss the Regional Transition Group Structural reform process and other Council related issues. We look forward to you visiting us at the show.

Beverley Blarney - Thankyou Karina and Congratulations to the CRC

Council would like to recognize the professionalism and dedication of Karina Leonhardt who has undertaken the role of producing the Beverley Blarney for the last 10 years, now giving it up due to other commitments. The Community Resource Centre has been engaged by the Shire to produce the Blarney, which occurred seamlessly for the July edition. **Beverley Blarney articles, reports and advertising are still managed through the Shire office. Ph 96461200 or email blarney@beverley.wa.gov.au.**

Recreation Project Tenders

Council received a total of 8 tenders for this project which are in the process of being evaluated. It is anticipated the preferred tenderer will be selected by early August.

Dawson Street Villas

It is disappointing that interest from within the local community has not resulted in take up of these villas. They will now be advertising more widely. Lease for Life conditions can be obtained from the Shire office in Vincent St or by calling 9646 1200

Aged Care Plan

Council has received and endorsed the Aged Care Plan prepared by Verso Consulting and will now investigate opportunities to develop report recommendations.

Beverley Business Network

I would like to offer my congratulations to local business working together to promote shop local and development of a combined customer loyalty card.

WA Farmers Federation

Following an invitation to open the recent WA Farmers Federation Avon Zone meeting held in Beverley I also had the opportunity to host the State President and Senior Vice President on a brief tour of Avondale.

Agricultural Society Rural Ambassador Awards

Congratulations to the Beverley Agricultural Society for hosting this years regional Rural Ambassador Awards which were held on Saturday 14th July at the Beverley Railway Station and Platform Theatre.

I had the pleasure of being involved as one of three judges, interviewing four worthy entrants from Beverley, Northam, Toodyay and York with Rebecca Jenkinson from York now representing this region at the state judging prior to the Royal Show.

Regional Arts Australia National Volunteer Awards

Congratulations to Jenny Broun, Western Australian recipient of the 2012 Regional Arts Australia National Volunteer Award. This is a wonderful achievement for Jenny following many years of involvement in art related activities and projects. The 7 State and Territory recipients will be presented with their awards in October at the RAA National Conference in Goolwa S.A.

It is also apt recognition of the work undertaken by the Beverley Station Arts toward development of the Platform Theatre, creation of the Station Arts Precinct and the programmes and activities being offered promoting art and culture in our community and the region.

Beverley Community Directory 2012

Beverley CRC is proud to announce that we will be taking over Helen Stubing's Local Telephone Directory.

On behalf of the community we would like to take this opportunity to thank Helen for all her hard work and dedication with providing the residents of Beverley with a local Telephone Directory. We all appreciate that Helen has dedicated a lot of her time over the years to keep her directory updated and available to all residents.

We are pleased to offer our 'Beverley Community Directory' **FREE** to all local shire residents which will be updated and published on an annual basis.

Businesses will have the opportunity to choose different levels of advertising suitable to their budgets. Advertising will be updated on an annual basis keeping our town's business products and services current and relevant. Please come into the CRC to discuss securing your advertising position prior to Friday 07 September 2012.

All residents and community group listings will be at no charge. Everyone who requires their business/group/personal contact details are required to fill in a form, which will be mailed out soon otherwise forms are available at the CRC. Please return your signed forms to our office by no later than Friday 07 September 2012.

The Beverley Community Directory 2012 publication is anticipated for late October 2012 and until such date Helen's Telephone Directory is still available at the Beverley Newsagency.

Everybody's help is paramount to the success this new directory and the Beverley CRC is excited to provide another new service to our community.

THANK YOU

I would like to say a sincere Thank You to everyone who sent cards or called me to extend their Best Wishes during my recent stay in Sir Charles Gairdner Hospital. It was a long stay and made me realise how much I miss home. My treatment will be on-going, but I look forward to being back in Beverley for good as soon as is possible. Thank you again, your kind thoughts are much appreciated

AVONDALE MACHINERY MUSEUM WORKSHOPS

Response from potential participants has been fantastic. There are still places available if you are interested in expanding your knowledge of maintenance and operation of some of the items in the Avondale vintage machinery collection. The intention is to hold four half day Saturday workshops (two in August and two in September) followed by lunch. If you would like more information please call Dina 9646 1004 or email dina.blennard@ntwa.com.au. This is an Australian Government funded project through "Your Community Heritage" program.

Thank you to Harold Anderson and Ray Walters for agreeing to take these workshops.

GENERAL FARM UPDATE

The Avondale Farm seeding program is now complete and being monitored for weeds and pest competition. Spreading of Urea is being undertaken and lamb marking is under way.

GENERAL PROPERTY MAINTENANCE

As part of the National Trust caretaking of the property the following have been undertaken in recent weeks

- Entry signs have been replaced with Nation Trust compliant signs
- Fallen power poles have been replaced with under ground cable, as part of the long term replacement plan
- The Beverley Shire gardeners have done an awesome job in managing the weeds around the sheds, homestead and picnic area. Also, the mowing, whip per snipping that has been done is fantastic. We have heard many comments about how tidy the place is looking.
- The Section 95 crew from Wooroloo Prison have done a huge job of trimming the wormwood, and tidying up around the landcare centre and the homestead yard.

VOLUNTEERS WANTED

We are now calling for volunteers to assist with the upcoming Beverley Harvest Festival. Volunteers are an integral part of the success of events, at Avondale and your help is greatly appreciated. If you are available on Sunday 25 November, please call Michele 9646 1004.

We also need people willing to open the gates to the public over the weekends during the September/October school holidays. If you think you might be able to help between 29 Sep and 15 October, please call Dina 9646 1004.

UPCOMING EVENTS AT AVONDALE

Saturday 29 Sep to Monday 15 Oct 10am to 4pm daily opening for the school holidays
Entry by donation.

Sunday 25 November Beverley Harvest Festival 10am to 4pm

Entry \$10 adult, \$5 concession, children under 12 free. We are seeking expressions of interest to undertake catering at the Beverley Harvest Festival. If your organization is interested in a fund raising opportunity please call 9646 1004.

We would like to acknowledge the 2012 Beverley Harvest Festival committed sponsors.

MACHINERY MUSEUM UPDATE

International C30 truck – John Hawke has completed the canvas on the beautiful wooden cab. It is quite a work of art, and now just waiting to work in with the gearbox, engine, and other bits so the cab can be secured permanently in place. Graham Butler of Pingelly has prepared the headlights for painting.

1952 TEA 20 Ferguson tractor – Alan Windsor is working on the engine, which has presented some challenges.

1952 FX Holden ute – Brian Beddall has sourced a replacement carburetor through Rob Williamson. Hopefully, the ute will be a working display for the 2012 Beverley Harvest Festival.

1951 John Deere Model 'D' tractor – Richard Boladeras managed to replace the valve with one donated by Blechy's Tyres. This saved the volunteers the task of changing the tyre.

1960's Red Massey Ferguson 35X tractor is being driven regularly by John Pratt. It is quite an attraction for visitors

AVONDALE FLORA AND FAUNA RESERVE

With support from the Healthy Bushland project we have completed a weed survey in the bush and control will commence later in the year, thanks to assistance through Caring for Country, an Australian Government initiative.

The Wildflower Society of WA has committed to carrying out a flora survey in the Avondale Reserve in the spring. This will be an exciting activity, as the result will allow us to compare the condition of the reserve with how it was in the late 1970's as documented by Byron Lamont in 1984.

Friends of the Avondale Reserve are welcome to participate, and learn, in the Wildflower Society survey.

Please register your interest on 9646 1004 or by emailing Dina at dina.blennard@ntwa.com.au.

AVONDALE OPEN TO THE PUBLIC

Avondale continues to be a popular destination for group visits. We still have requests for catering at Avondale, so if your group would like an opportunity to raise funds please give me a call to discuss. Thank you to Terry and Glenda Robinson and Helen and Michael Wyham for the fantastic catering completed for groups this month.

The July school holidays proved a busy and popular time. Many thanks to Dave Denham for his continued co-operation. Bringing animals to Avondale for the visitors to interact with is a huge task. Thank you. Thanks also to John Pratt for opening the gates on the weekends during the school holidays.

AVON EVENTS & MARKETING

We would like to thank Tanya Richardson from Avon Events & Marketing for the work she has been doing for the Avondale Farm Project Association to promote our events this year. Tanya's assistance has allowed us to increase the exposure and advertising throughout the metropolitan and regional area. Media exposure has included but not limited to Avon Tourism website,

York Tourist Bureau website, numerous on-line event calendars, Royal Show and Media Contacts which makes up over 5000 contacts and groups/organizations. We have noticed a big increase in the number of articles we are getting in the West & Sunday Times papers as a result.

BENDIGO BANK

We would like to thank the Bendigo Bank board for their willingness to assist at the Beverley Clydesdale and Vintage Day with a last minute request for the use of their fantastic marquee. It certainly got us out of a fix, and highlights the great partnerships we have with the community. Thank you to those who bank with the Bendigo Bank, and make this possible.

FUND RAISING OPPORTUNITY AVAILABLE

We are looking for a local organisation willing to undertake the catering at the Avondale Homestead for the Beverley Harvest Festival on Sunday 25 Nov 2012. Basically, teas, coffee, scones jam and cream, sandwiches and drinks. In the past it has proved a very profitable day for the providers. Please call 9646 1004 if you would like to discuss further.

AVONDALE EVENTS COMMITTEE

We are very pleased to have Michele Williams take on the role as volunteer co-ordinator for the 2012 Beverley Harvest Festival. Michele is busy establishing a new business in Beverley, so we appreciate her time. Gemma Ridgway, who works as an Environmental Advisor for a corporate giant, has volunteered to be involved with the management of the Beverley Harvest Festival. It is refreshing to have young ideas, skills and enthusiasm. Look out for our "on-line" presence for this year's event.

Can you help by Volunteering?

Volunteer to open the gates on weekends and on school holidays.

Volunteer at the Annual Harvest Festival

Keeping public use areas nice and clean

Volunteer to help out in the Flora Reserve

Please call if you can assist Avondale Farm by volunteering, there are many areas of the farm so all offers of assistance are appreciated.

Station Gallery and Platform Theatre News

We still seem to be busy at the Station even without the summer events at Platform Theatre. But it's all fun with many weekend visitors and mid-July played host to the regional judging of the RAS Rural Ambassador which brought people from Northam, Toodyay, York and Beverley, of whom most hadn't been to the Station before, so thank you Beverley Ag Society for choosing our venue.

Artist in Residence

Unfortunately Margarett Looney was only here for the first half of the month which passed so quickly with the three fabulous workshops she had prepared for so well. It was such a shame the days weren't better attended, but for those who did there was much to be gleaned. An exhibition of Margarett's artworks and wonderful photography was quickly organised for the end of her first week here and I'm sure the crowd who attended thought it worthwhile.

This month we welcome back Michael Vandeleur - always a delight to have staying at the Station. Michael was one of the team to donate his time and talent to paint two of the hobby horses auctioned at the Avondale Clydesdale and Vintage Day last month (the other artists being Stephanie Boyle, John Ainsworth, Marylou Hutchinson and Jenny Broun). No firm dates have been set for art classes this month so please, if you're interested, keep an eye on the Bulletin and/or contact Artist in Residence Coordinator Marylou Hutchinson on 96471027 / 0427085511 or email: hutchinson@wn.com.au for any further information of the above.

Platform Theatre Events

On Saturday 8th September at 2.00pm (note change of time) "Voice Moves" is Western Australia's major choral association whose main aim is to support and encourage networking among choirs and singers in WA and have chosen Beverley to host their Country Bash. They will be presenting 5 - 6 choirs in total, all singing for at least 20 minutes, and ranging in size from a quartet to 60 people. The little Beverley School Choir under the direction of Kelly Shaw will sing a couple of songs to start the day. Other choirs from the regions include Narrogin, Northam and Bunbury. For further information check the website www.voicemoves.com.au Entrance to the Country Choir Bash is \$5pp and a gold coin (or two) donation for afternoon tea.

On Saturday 24th November as part of Beverley's Harvest Festival weekend, "DIAMOND The Neil Diamond Tribute" will be playing up a storm- **Have you saved the date?** If you would like to be included on the emailing list for notification of coming events (so you can forward to friends), email secretary Sarah Miller miller@reachnet.com.au

Community Thanks

It is thanks to the likes of the following list of generous people that Station Arts has been able to continue to build its store of chairs through a "chair drive" where you are invited to donate \$20 for the cost of a chair. So far the tally is **280** - we're aiming for 300. With our latest order we also had delivered 10 small tables so if there are further donations of chairs after reaching 300, those monies will go towards the tables. The list of our kind supporters for the Chair Drive is on page 6 of this Blarney Edition.

Still Missing

Could the person who borrowed our scaffolding being used to restore the old carriage at the Station please return it? Or if anybody knows where it may be, please let us know to where is.

Membership Drive

Are you a member? Now's the time to renew or become a member for the first time. **Beverley Station Arts Inc. Membership means you become a "Friend of the Station"**. If you wish to become a Friend of the Station (\$30pp/year or renewal membership \$25.00pp/year) contact treasurer Pauline Knight on 9646 1142 / email: Beverleystationarts@gmail.com or see her at the Beverley Newsagency. Forms can also be downloaded from www.beverleywa.com (NB cheques to be made payable to Beverley Station Arts).

Platform Theatre Questionnaire

Thankyou to those who were prompted to return the questionnaire on Platform Theatre. We now have a better understanding of what people want for the future.

Dates to mark on your Calendar:

Saturday 8th September: "Voice Moves"

Saturday 24th November: "DIAMOND The Neil Diamond Tribute"

Saturday 26th January (Aus Day) "the Beggars" AUSTRALIAN SONGBOOK

Artists in Residence programme for the remainder of 2012:

August: Michael Vandeleur (Safety Bay)

September: Mervyn Beamish (Perth)

October: Dorothy McInnes & 3 friends (Perth)

Jenny Brown
 receives the
 State Regional
 Arts Australia
 Award

The RAA Awards program acknowledges the invaluable contribution volunteer leaders make to the cultural life of their local communities. These awards recognise outstanding contributions from a rural or regional arts based volunteer who has been involved in an arts project, event, organisation or community in regional areas.

The RAA Awards program endeavours to acknowledge and inspire others to engage, lead and commit to the success of our art and cultural communities across Australia.

Jenny's nomination showed outstanding community support from a vast range of people and demonstrated her value to the artistic life of Beverley. Her many year's of dedication in the restoration of the Beverley Station Gallery, the building of the Platform Theatre as well as the Annual Art Purchase Exhibition makes her a worthy recipient of this award.

The award recipients from each state will be presented at the RAA National Conference in Goolwa, South Australia on Sunday 21 October 2012.

Well Done and
 Congratulations
 Jenny.

Avon & Central Primary Health – Promoting Healthy Lifestyles

A Fresh Start

Recent statistics pulled from the Wheatbelt show that 1 in 5 adults smoke.

The Wheatbelt Quit Smoking Program provides support to smokers wanting to quit over 12 weeks.

There are three support options available including nicotine replacement therapy advice, Fresh Start group sessions and motivational SMS or emails.

The program is free, and participants qualify for Nicotine Patches and Champix (prescription medication) at a reduced price of \$34.40 per month (even less with a health care card).

Evaluation of the Fresh Start group sessions outlines 35% of participants are still smoke free 6 months after participating.

The program will be available to Beverley residents starting from the second week in August. For more information or to register please call Sarah at Avon and Central Wheatbelt Primary Health Service on 9690 1320.

DRUG & ALCOHOL COUNSELLING

The Wheatbelt Community Drug Service Team will be visiting Beverley Hospital fortnightly.

BEVERLEY TREE AND GARDEN CLUB

Fifteen members met on a very cold day on the first Tuesday of the month at 1.30pm, mainly to discuss or upcoming events.

We have a visit to the Botanic Gardens at Wanneroo planned for Thursday 9 August. The bus will leave the Dead Finish at 8.45am and we will have our meeting on the way or at one of the venues we will be visiting.

Our club has been asked to morning tea with the Pingelly Garden Club on Friday 21 September and we will car pool to get there.

Members were and are asked to think about our display for the Show, on Saturday 18 August. The theme is the "Year of the Farmer".

Keep an eye on the Bulletin as we haven't set a date for our picnic to Deep Pool to see the wildflowers, but as soon as they start blossoming we will be advising our members.

Arrangements are progressing nicely for our Anniversary to be held on Saturday 24 November 2012. We are having music, stalls and high teas and are really quite excited about the whole thing.

Next meeting 9 August on the afore mentioned bus trip.

THE BLUE LINE

Beverley Police Station

57 Hunt Road, Beverley WA 6304

EYES ON THE STREET^{WA}

Hello All,

It's been a month since Kerry has left and my god, how quiet it is at the police station. Thank you to those that have come into the police station to ask some questions. It has stopped me talking to my volleyball "Wilson".

I have had some interest in the position and by the time you read this I should have already found the replacement. As I said previously, it is still business as usual and I have been working with officers from York to make Beverley safe.

This month has seen our crime statistics drop dramatically which has been fantastic. If everybody keeps up the good work of reporting suspicious behaviour then we can continue to keep these figures low.

I have received some reports of suspicious behaviour around the State Forrest near Edison Mill Road and Kokendin Road. Keep an eye out for vehicles that are new to the area or just shouldn't belong in the area. Try and get down as much description of the vehicle and driver as possible, including registration if you can get it. Then call the police station. If I am not there it will divert to Northam or Perth and they can organise police to go out and have a look.

Trust your instinct. If it doesn't look right, then it probably is not right.

Now on a social note, the Beverley Police Station are organising a golf day on Saturday 6th October 2012 at the Beverley Golf Club. All proceeds are going towards the WA Police Legacy and the Beverley Golf Club. The cost is \$30 and promises to be a great day. Flyers promoting the event will be posted up around the town. If you have any further questions then give me a call at the station.

Recognised Biosecurity Groups community consultation

Have your say!

Dear Beverley

Noxious weeds, rabbits, foxes, feral cats and wild dogs...these are just some of the biosecurity issues that confront farmers on a daily basis. Forming a Recognised Biosecurity Group is one way that farmers can work together to manage these important issues. Wheatbelt Natural Resource Management will soon be conducting community consultation workshops in relation to appropriate models for Recognised Biosecurity Groups in the Wheatbelt.

The purpose of the workshops is to gather community feedback about proposed models for establishing Recognised Biosecurity Groups and to communicate community views to the Western Australian Government through the Department of Agriculture and Food Western Australia (DAFWA).

Your attendance at the workshops will ensure that farmers and other interested people are able to make a meaningful contribution towards the development of appropriate models for addressing existing and emerging biosecurity issues.

Workshops will be held at the following venues:

- Workshop 1 Wyalkatchem Recreation Centre Tuesday 31 July 2012 10:30am - 1:00pm
 - Workshop 2 Moorine Rock Tennis Club Wednesday 1 August 2012 10:30am - 1:00pm
 - Workshop 3 Corrigin Community Resource Centre Thursday 2 August 2012 10:30am - 1:00pm
 - Workshop 4 Northam, DAFWA Conference Room 1 Friday 3 August 2012 10:30am - 1:00pm
- Morning tea and a light lunch will be provided.

To register your attendance, please RSVP by email to dgrasby@wheatbeltnrm.org.au

Patch Workers News

The Beverley Patch Workers and Quilters have had another busy month. We had an open day at the Beverley Clydesdale and Vintage Day and it was great to see so many people admiring our quilts. We were kept very busy supplying hot drinks and cakes and were able to pass on some of our quilting skills to the general public. A big Thank You to all the people at Avondale who supported us.

We are still busy making quilts for Princess Margaret Hospital and we have nearly completed 14 lovely quilts for the older long term sick children at PMH.

Our group has managed to do enough fundraising to acquire a large quilting frame and quilting machine. The acquisition of those two items will enable the group to do our own quilting on the large equipment which will enhance the productivity of the group. The support of the Beverley community buying the food at the cake stalls has certainly helped raising the funds.

We are always looking for new members so if you would like to come along please turn up on Tuesday morning at the old Avondale Land Care Centre at 10.30am.

As I write these notes we have just had 1mm of rain. Let us all hope that there will be more to follow in the very near future.

At our last meeting, we indulged in the warm sunshine and held our meeting on the verandah and followed up with a light lunch and chat.

As these notes go to press, the CWA State Conference will be over and I will have more information in this regard next month.

I encourage members to remember that the Beverley Show will be held on Saturday 18th August and would love to see contributions from CWA members in support of the show. Each year we provide a Trophy for the Needlework section and we hope that this section will once again be well patronized.

Our next meeting will be held at the CWA Centre on Thursday 9th August at 10.00am for a cuppa and the meeting will start at 10.30am. The usual light lunch will follow the meeting. New members and visitors will always be made very welcome.

A View from the Shed Living Our Dreams

Most people have unfulfilled dreams or expectations. I think very often our dreams are the basis of our hope for the future as we are often working to fulfil those dreams and turn them into reality.

Some of these dreams are about career choices. Most people I meet are passionate about their chosen vocation and actively pursue qualifications and experience to achieve their goals. Another one is relationships. We develop an imaginary image of the "perfect partner" and sometimes get disillusioned perhaps because we used the wrong criteria in the first place.

One of the challenges we face translating our dreams or expectations into reality is that the difficulties we encounter disillusion us, or seem too big to overcome and we give up. When we get to this point we need to remind ourselves that all major achievements involve this type of struggle and we shouldn't give up but look for alternative ways to achieve our goals.

Besides these major life dreams I wonder how many people are like me and have a "bucket list" of things that have been left on the back burner, but still are there for when there is time and money to get around to it. Some of the things on my list I should have done by now, but being a busy person I haven't made room in my life to complete, and I now have some regrets as I have probably lost the physical capability to achieve them.

Some of the things on my list however I can still do and I have decided to tick some of them off. One dream I have had since about age 18 is to drive Route 66 from Los Angeles to Chicago. In recent times I have considered myself too busy to do it, which is an excuse not a reason, so I have been doing it over the past few weeks.

One of the things that keep us moving forward is our passion about our dreams. For me it is important to also fulfil some of those dreams we perhaps hold back on because of the pressure of life.

To lead a truly fulfilled life it is worth considering undertaking some of the dreams you may have been harbouring since childhood. If we don't we could end up living with regrets, which can translate into being a grumpy disillusioned older person.

I have been away for a few weeks living one of my dreams.
Keep smiling, because I have been!

This year entrants from Beverley, Northam, Toodyay and York came to the Beverley Platform Theatre on Saturday 14 July for the judging day for the Central Districts Group. Special guests included from the Central Districts Group President Mr. Phil Lloyd and Secretary Mr Michael Naisbitt. Official judges for the day were Shire of Beverley President, Mrs Dee Ridgway, Pingelly Shire Councillor Mrs Lee Steel and Royal Agricultural Society Representative Mr Ivan Solomon.

The judges had a very hard task, as the entrants were of a high calibre this year. The winner Rebecca Jenkinson was announced at the official afternoon tea ceremony. Rebecca will now compete in the state level judging representing the Central Districts. Congratulations must go to all the entrants Lorretta Adams (Beverley), Georgia Trainor (Northam), Roslyn Edwards (Toodyay) and Rebecca Jenkinson (York) your efforts in your local communities is outstanding.

Local entrant Lorretta Adams is committed to the Act-Belong-Commit message that we, the Beverley Agricultural Society is currently promoting through Healthways. Lorretta's **ABC** is **Act**-being involved in local sporting groups keeps me fit and active. **Belonging** to local volunteer groups makes great friendships and creates opportunities like being nominated for the Rural Ambassador 2012. **Commitment** as the Vice President of the Beverley Agricultural Society. Well Done Lorretta from your committee.

A View from the Shed Attitudes, a key to good health

I recently read an article written in 2009 by Japanese Doctor, Shigeaki Hinohara, which amazed me. Dr Hinohara was 97 years old and still working 18 hours a day, 7 days a week. He wrote about his views on retirement and had some valid theories which may be well worth considering.

He wrote about longevity and made the following observation; regardless of race or gender people who live long productive lives have one thing in common – none are overweight. He stated that he doesn't get hungry because he focuses on his work, which is still his passion.

He wrote about where his energy came from; Dr Hinohara stated that we place too much emphasis on diet, rest and exercise. He believes energy comes from feeling good and suggests we remember what we were like as children. When you were playing as a child did you ever get so involved you forgot about eating or sleeping? I think most have had that experience and Dr Hinohara suggests keeping that attitude to keep up our energy levels.

He wrote about pain; he said pain is mysterious and having fun takes our mind off our problem which is often the best way to combat pain. Again think of childhood; if a child has a toothache and starts playing a game more often than not the child will forget the pain for a time. As adults we should use the same strategy.

Dr Hinohara also suggests we should not be obsessed with amassing material goods as too often this detracts from real living. He believes that up to about 60 years of age we are building up resources and knowledge, plus supporting our family, and after this age we should focus on giving back to society to build a better future.

For me some of these points are important to reflect on as too often our life is consumed with things that don't really matter. We all need enough to provide and support our family but we can lose sight of the big picture. Older members of society have so much to offer others in their later years. Dr Hinohara celebrated his 100th birthday on the 4th of October 2011 and is still continuing to inspire others. He also has plans to attend the 2016 Tokyo Olympics.

The simple message is to stay involved in life, keep active as long as you can, maintain a healthy lifestyle and most importantly a healthy attitude. We can all achieve a long productive life!

Have a good month.

BEVERLEY HOSPITAL AUXILIARY COMMITTEE

ANNUAL GENERAL MEETING PRESIDENTS REPORT 2012

Welcome to the Beverley Hospital Auxiliary's 68th Annual General Meeting.

The Op Shop continues to generate a considerable income due to the support of the community. The distribution of funds is the highest we have made in recent years. Donations and purchases made by the Auxiliary over the past 12 months include -

- New blinds for the Op Shop
- 3 folding wheelchairs—volunteers usage
- CD stacker for the lodge
- Paint and fixtures for the aged care rooms
- Microwave for the palliative care room
- Lounge suite for day room
- Clocks and thermometers
- Emergency trolley
- Linen for nurses quarters

We were pleased to be able to recognise the outstanding contribution by Mrs Dawn Edwards over a period of 50 years, by nominating her for an Australia Day Award. Congratulations Dawn you are a very worthy recipient.

Thank you to the ANZ Bank for their kind donation of a Christmas Hamper for us to raffle. Tickets were sold on two Saturday mornings leading up to Christmas, receiving very good support from the community.

Thank you gifts were bought for Avon Trading, who continue to store donations and Christmas gifts for the Lodge and Hospital residents when purchased.

The Shire has done maintenance on the cracks at the Op Shop and are waiting for a report from a structural engineer before proceeding further.

We have purchased two Bali flags to help attract attention to the Op Shop.

As part of Volunteers Week we held an afternoon tea to recognise the work of the volunteers at the Op Shop. Thanks to all who contributed to what was a very successful afternoon. Another consistent volunteer is Delys Kilpatrick, who each year makes the Anzac Day wreath.

In 2011, we opened the shop on the Beverley Show Day and Avondale Harvest Festival, however we didn't receive the support we have in the past. Our Easter turnover however was again very successful.

Thanks to Jane Murray for again filling the role of Op Shop Coordinator.

I would like to thank Val and Pam for their support through the year. As this is my final report I would like to conclude by saying I have enjoyed my term as President and thank the committee for their enthusiasm and contribution to the Hospital Auxiliary.

VOLUNTEERS NEEDED

Beverley Health Services Meals on Wheels needs volunteers to help to deliver meals. A driver's licence is not necessary and only about 1 ½ hours every three weeks is all that is asked of you. There are no meetings to attend and you will receive orientation and be rostered with an experienced Meals on Wheels driver to get you started so why not give it a try. A Criminal Record Screening will be done and the cost repaid to you by the Health Service. If you feel that you can help us please contact Dorothy Sampson on Tuesday or Wednesday on 9646 3213 or leave your name at the hospital on 9646 3200. Your help will be greatly appreciated.

**The SOUTH EAST WHEATBELT to
become a focus for
CARNABYS CONSERVATION**

BirdLife Australia (formerly Birds Australia), the country's largest, not-for-profit bird conservation organisation, wants landholders to participate in a new project to help conserve the threatened Carnaby's Black-Cockatoo.

The BirdLife project, funded by the Australian Government's Caring for our Country Program, is focused in the south east Wheatbelt within a cluster of four Important Bird Areas, said Cheryl Gole, BirdLife Australia's WA Program Manager.

"Fitzgerald River National Park and the nature reserves of Lake Magenta, Dragon Rocks, Dunn Rock and Lake King are known as hotspots for Carnaby's Black-Cockatoo breeding", Ms Gole said.

"We'd like to work with landholders, local governments and other stakeholders in the area between these sites, as there is important bushland on private land that is really important for Carnaby's."

BirdLife Australia would like to hear from you if:

- You know you have Carnaby's Black-Cockatoos nesting on your property, or the birds regularly feed there
- You have large, mature salmon gums on your property and are not sure if Carnaby's nest in them
- You are interested in participating in this project and you are prepared to undertake activities such as fencing off remnant bushland, nest hollow repairs, or control of competitor species such as galahs on your property.
- You are interested in assisting with revegetation projects specifically aimed at using local native plant species for Carnaby's Black Cockatoos.

The population of Carnaby's has declined by at least 50 percent due to loss of nesting and feeding habitat, and other factors such as competition for nesting hollows by galahs and feral bees.

Ms Gole said that Carnaby's rely on having hollows in nesting trees, as well as, native bush for feeding and these are often on private and public land. Ms Gole also said that some funds are available to help landholders to protect the cockatoos on their land.

The birds prefer hollows in salmon gum and wandoo woodland for nesting. In the Wheatbelt, they feed on plants such as hakeas, grevilleas, banksias and the seeds of some weeds.

BirdLife Australia is calling on all landholders and land managers in the project area to participate in the project.

FREE community information sessions for National Broadband Network in the Wheatbelt.

The National Broadband Network (NBN) is Australia's first national wholesale-only, open access communications network that is being built to bring high speed broadband and telephone services within the reach of all Australian premises. The NBN will utilise three technologies; fibre, fixed wireless and satellite. Within the next decade, the plan is for every home, school and workplace in the country to have access to the NBN.

RDA Wheatbelt is aware that there is still a lot of uncertainty about what the NBN roll-out will involve and what it will mean for communities in the Wheatbelt. With this in mind we have organized for NBN Co and the Department of Commerce, Digital Economy Branch to visit the Wheatbelt in August to run four community information sessions. There is no cost to attend and we encourage anyone with an interest in finding out more about the NBN to attend a session in their closest regional centre. All session times are: 10.00am - 11.30am

- Monday 13th Aug** - Moora Recreation Centre - Roberts St - MOORA
- Tuesday 14th Aug** - Bridgeley Community Centre - 91 Wellington St - NORTHAM
- Wednesday 15th Aug** - Narrogin Leisure Centre - 50 Clayton Road - NARROGIN
- Thursday 16th Aug** - Merredin Community Centre - Bates Street - MERREDIN

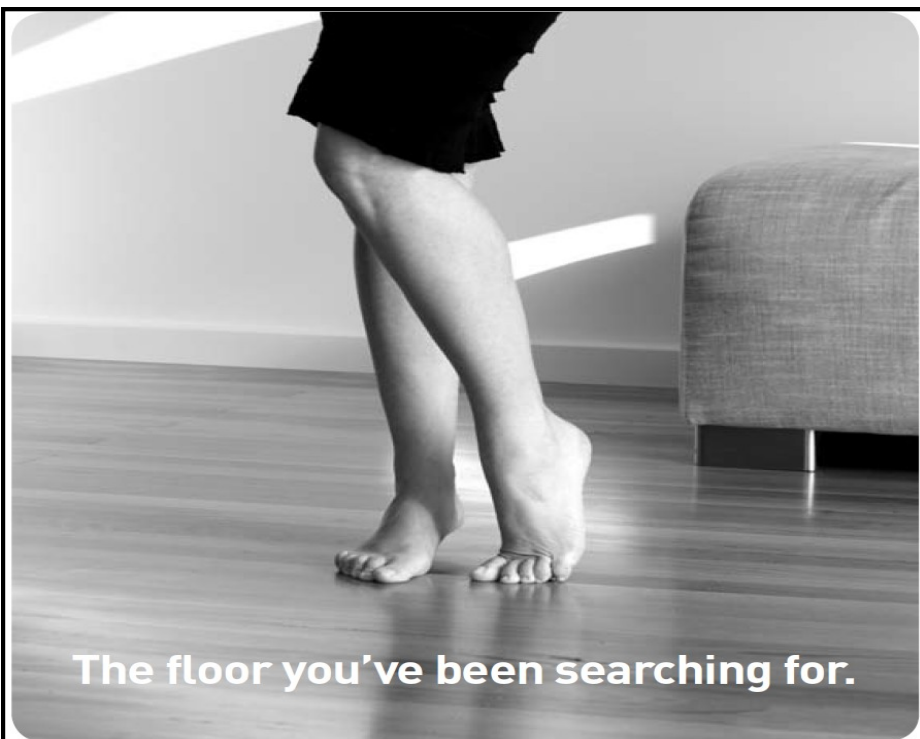

The community information session will cover the following:

- NBN Co as a company (who they are and what they do)
- Technologies used in the NBN and what you can expect in your community
- Engineering behind the rollout and rollout decisions
- Economic and Social Opportunities that fast Internet will enable
- Preparing to participate in the digital world

BEVERLEY MEN'S SHED INC

Presidents report for the year ended 30/6/2012.

The past year has again been a most pleasurable one for me and I hope all our members. During the year two of members moved from Beverley to live in other places, Tony and Margaret James moved to Albany and the Reverend John Poole back to his home in England. Tony, a valued member of the social committee, was also one of the members who helped Terry Robinson repair the cracking to the social room (old fire station) during the early days of the Shed's existence.

Unfortunately in recent days we have also lost two of our associate members in Tippy and Devil who have both departed this life to a better place. Tippy being the faithful friend of Ev and Rhonda Seymour and Devil, part of the furniture of the Shed, was always more use around the place than his boss Leuwunburg. Our thoughts go to other members and residents who have lost pets during the year that we are not aware of. I mention this, as our pets are not only our companions but in many cases become part of the family and are great company, particularly when our children grow up and leave home to lead their own lives and the old fogies are left to their own devices.

Our membership remains constant at around 70, due to the new members we have welcomed during the past year. We hope you enjoy the company of our members and the facilities that the Shed has to offer.

The organisation continues to enjoy a very strong balance sheet, as detailed by our treasurer Eric in the annual financial statement, which I incorporate in this report. Such I believe is also the case with that mystical subsidiary of the Men's Shed, the Social Committee. I understand this committee has so much money, it could well float itself on the Stock Market. Thanks to Bill, Colin and the members of that committee.

To Bruce. We don't want to put you under any obligation in providing our weekly spread for morning tea, we just expect you to be here all the time and take a very dim view of it when your not. Thank you again very much from us all.

During the year our members enjoyed day tours to the West Coast Motor Museum in Mandurah, the Maritime Museum in Fremantle and the Perth Mint. The committee would appreciate member's suggestions as to where we might visit during the coming year. Roki and

Sherwood would like a railway crossing to be included in any tour if possible.

The annual visit organised by Ernie Searles on behalf of the Vintage Motor Cycle Association took place again in April. We always look forward to having their members for the day and also the residents of the district who come to view their ancient and valuable motorbikes, you are always welcome.

The main undertaking this year was the very successful auction held in the CBH bin on the 28 April. The Beverley Men's Shed has, over the last two years, formed a close partnership with Cooperative Bulk Handling (CBH). Our members thank Mr. John Merritt, manager of the company's Northam office for the help and assistance he has given the Shed over that time.

Our appreciation also goes to all the residents who contributed items for sale. The proceeds of your generosity will be spent to further the ideals of the Men's Shed to the benefit of it's members.

The success and atmosphere of the auction was largely due to the Auctioneering skills of Brian Faithful. When Brian is on the rail, he's as much an entertainer as he is an auctioneer. Jenny Rayner and Glenys Petchell have managed all the book keeping and account processing for a number of community and charity auctions conducted by both the Masonic Lodge and the Men's Shed over a number of years. Without their ability to manage people and money at the same time such events would be very difficult to run. We thank those three people very much; their help was greatly appreciated.

The restoration of the 1947 model Austin truck has been a marvellous project for the Men's Shed and a credit to those members who are involved in the actual work, mainly the two Ken's, Colpitts and Sherwood for the restoring of the cab and chassis and Daryl Storer for his work building the timber tray. We are very fortunate to have residents who have, together with their families retired to Beverley and brought with them their skills, so that those of us who are interested are able to witness and follow the professional nature of their work. Mind you, I might also add those same residents are very fortunate to be associated with retired cockies who can to show them a thing or two with a bit of wire and a pair of pliers. When completed the truck will hopefully become the mobile part of the Beverley Men's Shed and be used for district activities, Beverley Show for example.

Work is also progressing on the 1960's model North American style bond wood

speed boat purchased earlier this year as a project for those interested. When completed the members will decide whether or not the refurbished article will be sold, (probably back to James Bond) so as to make way for future projects.

Thank you to Big Fred (Symonds) for his homework and interested members in the game of pool towards the purchase and installation of a new pool table, with the old 8 x 4 table being now stored in the CBH shed.

To the Council and staff of the Beverley Shire. We congratulate you Steve as our new CEO. We again thank you, our President and Councillors for the support and assistance you give to the Men's Shed each year. We are very fortunate to a have Council with whom we continue to enjoy a close working relationship, may it continue for many years to come.

Finally, we ask the residents of Beverley who read this report to consider the Men's Shed, not as a place where only old retired men meet of a Tuesday morning, but as a meeting place for men of all ages, from different walks of life whether still actively working or retired, to drop in for a cup of coffee when time permits and enjoy the fellowship the Shed has to offer.

We do not see the Men's Shed as just a meeting place for old men who need a reminder to have their prostate checked, blood pressure taken or some other medical necessity for the aged. Beverley has two good doctors together with good allied health services to tend to those needs.

I thank our Secretary Harold, who was also the foundation secretary of the Men's Shed, our Treasurer Eric who has followed on from occupying that position with distinction at the Beverley Bowling Club for which he was awarded a life membership, the Men's Shed committee for the way they have administered the business, Bernie Howell, our Vice President for the last three years and all those members who have helped in anyway throughout the year and I thank you all for having me as your president.

Fred Bremner,
President Beverley Men's Shed Inc.

Year 3/4/5 Class Excursion Fremantle Prison & Ten Pin Bowling

Patently awaiting the prison tour, near where Moondyne Joe escaped!

The students from Mrs Wansbrough's Year 3/4 class and Miss Meade & Mrs Murray's Year 4/5 class were lucky enough to enjoy a class excursion to the Fremantle Prison late last term.

The students split into two groups and took an informative and somewhat reluctant look into some fascinating local history. The tour guides shared very descriptive stories about life as a prison inmate, specifically focusing on the convicts who were first brought to Fremantle and had to build their own prison!

The students all agreed that it would have been a very tough life to construct such a large building, and then be imprisoned in it.

The students also enjoyed some of the fantastic art work produced, by inmates, throughout the 136 years that the Fremantle Prison was in operation.

Finally, to conclude our trip to Fremantle we tested our talents at the Melville Ten Pin Bowling Arena. The students were very enthusiastic and let off some steam before heading back to Beverley.

Just one of the talented pieces of art work, at remains in the cells.

There were plenty of strikes and the children thoroughly enjoyed participating in a sport that is not easily accessible to them.

Thank you to Mrs Anne Cleland who travelled to Fremantle with our classes to help out on the day. We all had a fantastic time!!

Beverley District High School News

Welcome to the August edition of the Beverley DHS news. We have just returned from our mid year break which we all enjoyed but found it to be very cold as well.

High School Happenings This term sees the commencement of a full range of secondary options being undertaken. These will add to the academic program at school to provide a comprehensive secondary education experience for our students.

Options include - metal fabrication, carpentry, Boxercise, photography, independent living, drama, My Restaurant Rules and outdoor education.

These are timetabled on Tuesdays and Wednesdays and visitors are most welcome.

Speaking of welcome we welcome Mrs Kris Dewson-Hall to school whilst she completes her Assistant Teacher Program during this term in the Year 3/4 classroom.

P&C Youth Talent Show

Saturday 4th August 6.30pm at the Town Hall. \$7 adults, children free.

Student Council The students will be supporting the Jeans for Genes day at school on Friday 3rd August. All students participating are requested to bring a gold coin donation. Funds raised go to the Children's Medical Research Institute.

Timetable Our term will be its usual busy self with lots of activities and events on our calendar. Some of these include; NAIDOC, Faction and Interschool Athletics, WAMSE tests for Year 5, 7 and 9 and our Dowerin Show Holiday.

*Please drive with care in the school zones,

BEVERLEY YOUTH REPORT JULY 2012

Even though I was enjoying the "Sun & Surf" in Cambodia and Thailand I still managed to work for half the month of July!

I am looking forward to go to Perth and see the Banners in the Terrace which will be hanging in St. Georges Terrace from the 29th July - 11th August, as I was away and haven't seen the finished product. I would like on behalf of the Shire of Beverley give very big thanks to Teacher Kellie Shaw and artist Jenny Broun for working with Year 8 students Jade Holland, Vernetta McKelvie and Jess Appelbee to paint the Banner. Also, thanks to Principal Norm Ireland for allowing us to use the Art facilities at the School.

A great Community team working together!

Youth from Beverley travelled across to York on the night before I flew out to join forces with York Youth to play against the Wheatbelt Cops.

The Cops won this game-I think only because some of the Beverley youth played on their side (well that's what the youth told me!) The York Salvation Army cooked awesome hamburgers for all who participated in the evenings event.

The next game will be on Wednesday 8th August and both teams will be competing in wheelchairs. Wheelchair Sports will be taking everyone for a workshop of skills first and followed by a game. Any Youth interested please contact me.

The Youth Centre is held every Friday night between 6pm-10pm and everyone aged between 10years-18years is welcome and along with my volunteers Robyn Cusack and Shane Greenmount, we look forward to seeing you all there.

Active After-school Communities

Helping kids and communities get active

12 July 2012

Dear Committee and Members,

Did you know funding applications by local Wheatbelt clubs for equipment were successful in semester 1 2012?

Calingiri Hockey Club, Beverley Redbacks Hockey Club, Toodyay Tennis Club and Toodyay Hockey Club were all successful.

Each club received up to \$1000 to spend on equipment? If you would like more information read on.

The Active After-school Communities (AASC) program is an Australian Government initiative that provides funding to local primary schools and Outside School Hours Care Services to deliver physical activity sessions for primary school aged children in the after-school timeslot between 3 – 5:30pm. (Each session only needs to be 1 hour long.)

Your local school requires more clubs to become involved in the delivery of their AASC program. All coaches are paid from funding the school receives.

Within the AASC there are many and varied benefits for your club such as:

- Opportunities to **increase your club membership**
- Opportunity to **earn money for coaching and access funding for equipment**
- Opportunities to **increase community awareness for your club/group**
- Free promotional opportunities** to a target audience
- A **free coaching course** and professional development opportunities delivered by Australian Sports Commission (ASC) staff
- Accreditation for National Coaching Accreditation Scheme General Principles
- Opportunities to support schools and OSHCS that support you
- Free access to the Australian Sports Commissions latest coaching resources**

The AASC program aims to increase physical activity in primary school-aged children and forge links between children and local clubs.

25 schools across the Wheatbelt are involved in the AASC for 2012.

If you are interested in finding out more information on the AASC program please feel free to contact me on 0437700426 or call to make an appointment for me to visit you.

Kind Regards

Rhonda Lawrence

Local Karate Students Take Out State Medals

The 2012 Western Australia Gi State Titles were recently held on Sunday the 15th of July at the Craigie Leisure Centre Perth. The competition kicked off at approximately 08:00 hours with fierce competition from as far away as the Northern Territory.

The Gi State Titles requires that competitors compete with a traditional uniform called a Gi, whereas the first championship in the series requires that they compete in a rash guard and shorts only.

The Nine Dragon Martial Arts Academy Chief Instructor and National Director of Karate for the International Jiu Long Kempo Karate Society Michael Martino says that considering the Beverley Club is a fledgling club we are producing some good competitors at a state level. I suspect that as the club grows that the Beverley club will make their mark.

The Academy is now the third ranked school in the state for junior and juvenile competitors and it is Michael's intention to take the

club to the number one position come next year's state championships.

At these state titles we loaded our ranks with another ten state title holders, six silver medallists and six bronze medallists. One of those state title recipients was Beverley local Olivia LUCUS who marched on in and took out the Mixed All-Belts 7 year old 25kg division uncontested before jettisoning herself to the 28kg division where she took out a well-earned third.

Two Beverley locals who also took out Bronze medals were Jamison UGLE in the Mixed All-Belts 9 year old 37kg Division and Luke DEL BORRELLO in the Mixed All-Belts 12 year old 46kg division. Jamo however, kept it in the family was defeated by another Nine Dragon member from the Perth club, whilst Luke was unlucky in his draw to go up against the two time State, National and Pan Pacific Champion. Luke however rocked the champion early when he sent him to the canvas with a well-developed hip throw. The champion the more experienced and somewhat nervous, went on to take the title by submission and two points.

Chief Instructor and National Director of Karate Michael Martino says that he suspects that come next year... Luke will be a good contender for a gold medal as over the coming year his skills will improve considerably.

Beverley Men's Golf

Warm conditions greeted 15 golfers on Saturday 23rd June when the 3rd Qualifying round was held. This day was sponsored by Life Member **Fred Sing**.

At the end of the day Stephen Gollan shot a good score of 69 nett and was the winner by two shots from Mark Armstrong and Terry Winfield with 72 nett apiece.

Terry Winfield had the best Gross score with 80.

The day will be long remembered by Fred (China) Sing who not only sponsored the day but also was able to hit a Hole in One on the 13th. This is China's first Hole in One. Gavin Sazanov will also remember this day also as he Birdied the 11th hole from 100 meters out and saw the number 11 come up in the birdie raffle, to win some 40 balls.

Novelties on the day were won by;

Best Position Drive on 1	Les Annison
Best 4 th Shot on 3	Terry Winfield
Longest Chip or Putt on 5	John Islip
Best 2 nd Shot on 7	Stephen Gollan
Longest Drive on 9	Stephen Gollan
Best Position Drive on 10	Les Annison
Best 2 nd Shot on 12	Terry Winfield
Best 3 rd Shot on 14	Mark Armstrong
Longest Chip or Putt on 16	Terry Winfield
Nearest to the Pin on 18	Terry Winfield

Thanks are extended to **China** for sponsoring the day.

On Sunday 24th June Pickering Brook held their Open Day. This was a 27 hole Stableford event with Beverley sending 7 players.

Beverley's team comprised of John Donovan (49), Stephen Gollan (37), Ron Bickley (40), Ben Moulton (46) and Jason Young (44) Stableford points each. The team came fourth in this event and remains in 4th position after two events.

Mark Bickley was not in the team and shot a very good score of 57 points which saw him win the 4th Best Nett Score. Jason Young won two novelties, Stephen Gollan and Ron Bickley also won a novelty on the day.

Fine weather once again greeted 18 players on Saturday 30th June for a 3 person Ambrose which was sponsored by **Beverley Hydra Boom**.

At the end of play the scores were very close but the eventual winning team were Terry Winfield, John Donovan and Gavin Sazanov with a nett score of 62.50. This team was closely followed by the team comprising of David Kennedy, Mel Vivian and Les Annison with nett 64.33 in third place was David Adams, Kim Moulton and Eddie Peart with nett 65.00.

It was a day that saw a number of new faces come to the club and have a game. Well done to Neville Darr, Alan Styles and Darryl Burton who played for the first time and

also it was great to welcome back David (Slab) Adams, Eddie Peart and Keith Bickley.

The day was a team with the Best Gross score was Terry Winfield, John Donovan and Gavin Sazanov with a gross score of 73.

Novelties winners were

Best Second Shot on 1	John Donovan
Longest Chip or Putt on 2	David Kennedy
Long Drive on 3	David Kennedy
Longest Putt on 4	Kim Moulton
Nearest to the Pin on 5	Fred Sing
Best Second Shot on 6	Terry Winfield

Best Second Shot on 15	Ron Bickley
Longest Putt on 16	Neville Darr
Longest Putt on 17	Les Annison
Nearest to the Pin on 18	Terry Winfield

Once again the club would like to thank **Eddie Peart of Beverley Hydra Boom** for his continue support of the club.

Sunday 31st July Waroona hosted the Darling Range Golf Association Championships. This was a 27 hole Stroke event with Beverley sending 3 players.

John Donovan, Jason Young and Stephen Gollan represented Beverley at this event and all played well.

Ron Bickley and Fred Sing also represented Beverley at the Brookton Open Day and by all accounts had a good day also.

Primaries 3 Person Ambrose was held on Friday 6th July with 33 participating in the day, a little down on last year.

A great day was had by all who played and with novelties on all holes gave everyone a chance of winning a prize.

At the end of the day scores were very close, with the eventual winners being Fred Sing, Chris Pepper and John Donovan with a nett score of 56.33, they were followed by John Starling, Les Annison and Phil Bateman with a nett score of 58.66. Third place went to Brett Hutchinson, Greg Barrett-Lennard and Ric Madin with 59 nett.

The Best Gross score was shot by David Adams, Glen Chester and Mark Edwards with 67.

It was very pleasing once again to see many players who don't play that often come to play in this event.

Novelties on the day were won by;

Best Second Shot on 1	Stephen Gollan
Longest Chip or Putt on 2	Gina Adams
Long Drive on 3	Maxine Watts
Best Second Shot on 4	Adam Smith
Nearest to the Pin on 5	Gina Adams

Longest Chip or Putt on 16	Brett Hutchinson
Longest Putt on 17	Fred Sing
Nearest to the Pin on 18	Gina Adams

Again the Club extends their thanks to **Primaries of WA** and **Terry Winfield** for sponsoring this event each year.

Fine weather greeted 12 golfers on Saturday 7th July for the **Streamline Brick Paving** Trophy.

This was the final round of Qualifying for the 2012 Club Championships and also the Monthly Mug award.

The winner of the day was Mark Armstrong with a great nett score of 65, Terry Winfield was in second place with a nett 66.

Terry Winfield had the best gross score with a brilliant 75 off the stick being just 3 over for the day.

Justin Smith also provided novelties on the day and they were won by the following:

Best Second Shot on 1	Terry Winfield
Longest Chip or Putt on 2	John Islip
Nearest to the Pin on 5	Fred Sing
Best Second Shot on 6	Mark Armstrong
Nearest to the Pin on 8	Fred Sing
Best Third Shot on 9	Brett Islip
Best Second Shot on 10	John Islip
Best Third Shot on 11	Brett Islip
Nearest to the Pin on 13	Mark Armstrong
Best Second Shot on 15	Brett Islip
Longest Putt on 17	Brett Islip
Nearest to the Pin on 18	Chris Pepper

Thanks to **Justin Smith** for sponsoring the day.

On Saturday 14th July 2012, 19 played for the **AL Oliver Trophy** which was a Stableford event.

With the course in great condition a number of high scores were anticipated.

Gavin Sazanov had a day out and shot a tremendous score of 45 points to win the day and Ron Bickley also shot a tremendous score of 42 points to be runner-up.

It was great to see Bruce (Frosty) Kilpatrick and Ben Murray play their first game of the year and we had a number of young boys having a game in Beau McLean,

Daniel Gollan and Luke Gollan.

Novelties on the day were won by;

Best 2 nd Shot on 1	Wayde McLean
Nearest to the Pin on 5	Stephen Gollan
Best 3 rd Shot on 9	John Donovan
Nearest to the Pin on 13	Stephen Gollan
Best 3 rd Shot on 11	Terry Winfield

Thanks go to **Paul (Chick) Oliver** for his continued support in providing the trophy for the day.

Saturday 21st July saw the Quarter Finals of the Club Championships take place. Results for the day were.

Championships

Brett Islip defeated Fred Sing, Terry Winfield defeated John Donovan, Stephen Gollan defeated Mark Armstrong, Ben Moulton defeated Wayde McLean

1st Division

Mark Bickley defeated Ron Bickley
Darrell Hagan defeated Chris Pepper
Gavin Sazanov defeated John Islip
Kim Moulton defeated Mel Vivian

This now means that Terry Winfield will play Stephen Gollan with the winner progressing to the final against the winner of the Ben Moulton and Brett Islip game.

In the 1st Division Mark Bickley will play Kim Moulton with the winner progressing to the final against the winner of the Gavin Sazanov and Darrell Hagan match.

Sunday 22nd July witnessed the Semi Finals of the Club Championships take place, with the winners of each match proceeding to the Final. Results for the day were:

Championships

Terry Winfield defeated Stephen Gollan
Brett Islip defeated Ben Moulton

1st Division

Gavin Sazanov defeated Darrell Hagan
Mark Bickley defeated Kim Moulton

This now means that Terry Winfield will play Brett Islip in the 36 hole Final to see who will be the 2012 Beverley Golf Club Champion.

In the 1st Division Mark Bickley will take on Gavin Sazanov, this also is a 36 hole match.

ENTER THE GO FOR 2&5® 2013 WESTERN AUSTRALIAN COUNTRY MUSIC AWARDS NOW

The Boyup Brook Country Music Festival is Western Australia's premier country music event, and has developed a reputation as one of Australia's top country music festivals. The festival attracts performers and audiences from around Australia and overseas.

The Western Australian Country Music Awards are held as a Gala Event staged during the Boyup Brook Country Music Festival annually. Beginning in 1987, the Awards are a part of the Country Music Club's long history of recognising and supporting Western Australian artists.

Entry forms for the Go For 2&5® 2013 Western Australian Country Music Awards are available now - entries close **30th September 2012**. Entries are open to professional and amateur artists residing in WA who are serious about pursuing a career in country music.

The Awards are divided into three sections. Passionate songwriters, both adults and junior, aspiring to tell their story in song, are encouraged to enter the Songwriter Awards. New and developing Western Australian country music performers may be eligible to enter the Country Music Development Awards for WA Country Music Best Teenage Artist, WA Country Music Best Subteen Artist and WA Best New Country Talent. The senior Western Australian Country Music Awards categories include WA Country Music Best Group/Duo, WA Country Music Best Male Artist, WA Country Music Best Female Artist, WA Country Music Independent Single of the Year, WA Country Music Album of the Year and WA Country Music Video of the Year.

Finalists are selected by a panel of experienced judges, and will be invited to participate in the 2013 Boyup Brook Country Music Festival. With a top line-up each year vying for these Awards it confirms the continued growth in the interest and accessibility of country music on Australia.

The Western Australian Country Music Awards are special because they give acknowledgement and recognition of artists in our state. With the country music industry often being largely associated with the eastern states, these hard working and talented people would often otherwise go unrecognised. Past winners of WA Country Music Awards include **Ronni Rae Rivers, The Sunny Cowgirls, Rose Carleo, Connie Kis Andersen, Jonny Taylor and Chelsea Basham**. Many Award winners have gone on to be a part of the Tamworth Country Music Camerata, Tamworth Country Music College, Star Maker and even Australian Idol and have gained all of this with support from the Country Music Club of Boyup Brook.

Entry forms are available online at www.countrymusicwa.com.au or by ringing the Boyup Brook Country Music Club on 08 9755 1657. Remember, the closing date for all entries is **30th September 2012**, so start preparing your entry materials now.

BEVERLEY FOOTBALL CLUB

The victories kept on coming for the Beverley Football Club throughout the month of July as we ended the unbeaten run of League ladder leader Kellerberrin/Tammin and continue to strive for a top two spot with the incentive of a home second semi final firmly in our sights.

The crew from '92 showed they haven't lost much over the 20 year journey, partying hard and reliving those magical moments of yester year into the early hours of the morning at our 20 year reunion on Saturday the 7th of July. Earlier that day our Reserves got the celebrations started recording their first win of the season.

Our Netball and Hockey girls continue to play a consistent brand in their respective sports as they prepare for the finals.

We were well represented at the Country Football Championships this year with six of our players participating at the carnival. Justin (Bluey) Mann was given the honour of Captain of Avon, and was also awarded an All-Star Guernsey for his outstanding performance throughout the Championships.

We spend August on the road with our final three home and away games in Northam, Quairading and York.

BEVERLEY HISTORICAL SOCIETY

The July meeting had 10 in attendance with 2 apologies. Matters for discussion included improved access, research into Boy Scouts, our Show display and donations to the Museum.

A big thank you goes to the Shire of Beverley for the new ramp and pathway (left) from the street to the Dead Finish Museum. This ensures our visitors have a safe and mud-free entrance.

We have had a request for information about any Scouts from the Beverley Troop who enlisted in the First World War. A researcher wants to compile a list & record the stories of such servicemen. Anyone who has any knowledge of Scouts or Scouting records for the Beverley Troop from that time please contact our Society on 9646 1541.

For the Beverley Show we will focus on the historic aspect of Year of the Farmer – in particular the role of women. Please let us know if you have photos or information of women's farming activity in times past.

Donations for this month include:

1. An extensive wedding ensemble of wedding dress with train, going away dress & coat plus two trousseaux nightgowns. The bride was married in the Sacred Heart Church, Beverley in 1939.
2. A small dish commemorating the Queen's Diamond Jubilee.
3. Minute books from the Balkuling Branch of the Primary Producers Association.
4. Three dresses of 1940-50s vintage.
5. A 1940s radio and 1960s 2-way radios which were left at the Museum by an unknown donor. We would appreciate knowing who you are but please accept our thanks in the meantime.

Our next meeting is on Monday 13 August at the new time of 2:00pm.

For further information, please contact the Secretary on bhsdeadfinish@gmail.com.

BEVERLEY PONY CLUB

After the terrible weather at the zone runoffs at Muchea the Zone Novelties Selections had to be rescheduled. Unfortunately as Jess Appelbee has broken her wrist she was no longer able to represent the club so Telah Hawke was our sole representative. She had a very successful day and will be representing the zone at the State Championships in September.

Telah decided instead of coming to our July rally she would take the opportunity of attending the Annual Avon Zone Camp held at Northam. She had a very busy couple of days there and enjoyed both the coaching and the opportunity to meet other riders from around the zone.

Kip & Bronte attended the Avon Valley Gymkhana and had a great day. Both girls were very successful in their various events and had lots of fun.

Our rally was early for July as there were lots of things on in the zone. Marika and Felicity were our visiting coaches for the rally. Several of our members took the opportunity to have a lesson with Felicity on the Saturday. They found having lessons two days in a row very beneficial for their riding with big improvements seen in all who took part. After lunch riders went on a field trip to visit some other horses and learn more about how to assess the body condition of any horse. This included how feed quality verses quantity can affect the horses' weight gain or loss. This is especially applicable this year with the rain damaged hay having less nutritional value than normal. Once we had got back to the club grounds riders got their ponies for some active riding. They were shown by Renee some ways to help train their pony for Pony Club mount. Some riders also worked on their balance by riding bareback. As Renee won this event 4 times at state level as a rider and is now a Judge she was certainly well qualified to coach. Riders practiced bridge, tarp, and riding through streamers. They sound easy but tend to need lots of trust to train a pony to do them confidently.

Vicky attended her first endurance ride with *Mickey* at Bakers Hill. Despite a breakdown on the way there they enjoyed the experience. *Mickey* passed his vet checks with flying colours. Well done to them both.

Georgina had a new pony on trial at our July rally. This pony is an old hand at pony club having had a very successful Pony Club career in Perth and looks like she may be a good match for Georgina. I look forward to hearing how they have got on since the rally.

Stella also had a new pony at the July rally. She has leased *Primrose* from Annette Peart. While *Prim* hasn't had much riding experience she has been very successfully shown in hand so is taking all the new experiences in her stride.

We are all very jealous of Felicity as she heads to London to watch the Olympic Equestrian events. We couldn't persuade her to take a bigger case and pack us all in there. We look forward to catching up and hearing all about her trip.

Good luck to all our riders who are attending the Beverley Show.

Our next rally will be on the 12th August.
