## Shire President's Report November 2012

### Recreation Building

The building works at the recreation ground have commenced at a great pace.

The Shire has been fortunate to secure the services of Badge Construction to undertake this project following advice that Briklay were not in a position to do so. Since the formalities have been completed with Badge, things have moved quickly. This has included a day of community input to cart sand for the site. Thank you to all involved for your equipment and labour to condense such a mammoth task.

Council is still working with the Department of Regional Development & Lands and the WA Planning Commission to rectify historical zoning and cross boundary issues at the oval. Discussions and negotiations also continue with Western Power and the Department of Water to ensure utilities are adequate for the site.

### Vincent St Revitalisation Project

Thankyou for the feedback and ideas submitted in relation to proposed planning for Vincent Street (Hunt Road to River Park). A response sheet was included with the rates notices which can still be submitted to the Shire office during November. This is a very early phase of a long term project and there will be future opportunities for input and public consultation.

### Local Planning Strategy

The draft Local Planning Strategy is available for public viewing, details in this Blarney. Your feedback is welcomed by Council and we appreciate there are many in our community who provided input toward the development of this document.

### WA Local Government Grants Commission

Members of the Grants Commission recently visited Beverley, providing an overview of the methodology used in determining Financial Assistance Grants (FAG's) to Local Governments and what funding Beverley can expect from the process. These funds are received annually from the Federal Government and consist of General Purpose Grants toward operational expenditure and Road Grants for maintenance and reconstruction costs. They are an important component of most rural Local Government budgets.

In order to protect this direct federal funding for community services and infrastructure, the Australian Local Government Association (ALGA) is seeking financial recognition of Local Government in the Australian Constitution via a referendum at the next Federal Election. In the lead up to the Election there will be more information regarding this.

### Central Country Zone

The Shire of Beverley recently hosted a successful regional golfing event for representatives and sponsors of the Central Country Zone of Local Governments.

### Disappointment

It is a great disappointment to see that some of the newly planted lavenders in the garden bed along the path near the Shire Office have

been removed. The garden staff work hard on behalf of the community, to keep the town gardens looking attractive and are often complimented on the garden maintenance around the town centre and Caravan Park. If anyone has any information regarding the theft of these plants, please let the Shire know.

### Beverley Business Network

Congratulations to the Beverley Business Network for their collaboration and united approach toward promotion of local shopping and ensuing promotion of Beverley.

Dee Ridgway  
Shire President

## Draft Shires of Beverley and Brookton Local Planning Strategy

The Shire is pleased to advise that the draft Local Planning Strategy is now open for comment until 31<sup>st</sup> January 2013. The Strategy will set out future directions for planning, development and land use in the Shire for the next 10 - 15 years.

We live in a wonderful part of the world and there is a need to keep our community special. We also need to consider important decisions about the future direction of our community. This includes whether or not to promote new development, where people should live, creating job opportunities and considering how we look after the environment.

In response to the above, some of the important proposals in the draft Strategy include:

- Planning for the growth of the Beverley townsite. Along with supporting additional subdivision in the Beverley townsite, the Strategy allocates generous new areas for residential development to cater for a wide range of lot sizes and housing;
- Identification of considerable rural living land (called Rural Residential and Rural Smallholdings) of between 1 - 40 hectares near the Beverley townsite;
- Expanding the industrial area and supporting a resilient local economy;
- Support for appropriate development in the "noisy activity precinct" south to south-east of town. This includes supporting the retention of the Beverley Airfield and the development of motorsports and associated uses;
- Supporting tourism uses on the old race course site;
- Limiting the creation of additional lots in rural areas, however supporting boundary adjustments and farm rationalisation;
- Seeking servicing and infrastructure improvements from State Government agencies; and
- Conserving the district's heritage and its landscape qualities.

Many community members provided the Shire with preliminary comments in late 2010 and early 2011. I trust the draft Strategy builds on these comments. I urge everyone to familiarise themselves with the Strategy which can be viewed at either [www.beverley.wa.gov.au](http://www.beverley.wa.gov.au), the Shire Administration Office and the Community Resource Centre.

Your feedback is important to the Shire with written submissions required by 31 January 2013, to the following postal address: Shire of Beverley

PO Box 20  
Beverley, WA 6304

I'm looking forward to receiving your written feedback on how we can make Beverley an even better place.

## Beverley & Districts Choir

As a result of The Country Choir  
Bash held at The Platform  
Theatre recently, there was a  
fantastic response to forming a  
“social” choir in Beverley for local  
people and friends of the district.

VoiceMoves [Perth] are willing to  
walk us through the procedure of  
choir formation, song selection,  
harmonising etc by holding a  
workshop in Beverley, but  
unfortunately are unable to do  
this until early 2013.

Meanwhile, I am in search of a  
Musical Director [preferably with  
some experience of directing a  
choir or of having participated  
with a choir] and an  
accompanist. If you think you  
might be able to assist, please  
contact Sandy Shaw on  
96461030.

With your help, we might be able  
to form and perform [or just form,  
at least!] by Christmas!

We know Spring is really here when so many people come to town from all points of the globe. The weather is good and school holidays are here so we have people who have never been here before and are very happy with what they find.

During the Queen's Birthday weekend, we were busy and more than once comments were made that there was so much for people to see, so a BIG THANK YOU again to everyone who opened their shops during that time.

The Bureau was open during that time so we also thank our volunteers who do a great job.

As usual we are back on the topic of volunteers. We really need extra help here. If anyone is interested just call into the Bureau anytime and talk to one of us. We are always happy to talk to people and explain about the running of the Bureau and help potential volunteers. Three to four hours a week would be great or even as a relief on weekends. Whatever you can do we would welcome you. Thank you.

**Beverley Recreation  
Ground Update**

Works have commenced on the construction on the Beverley Function and Recreation Centre at the Recreation Ground. Fences have been placed around the Construction Site and ask that people remain on the outside of this fence and not enter the construction area.

The sand pad has been constructed and Council would like to thank those who volunteered their time and equipment to cart the sand to the oval.

Footings for the retaining walls have been poured and the retaining wall is being constructed.

It is anticipated that the building footings and pad will be poured in November.

## School Holiday Opening

Avondale was open to the public for the October School holidays 29 September through to 15 October.

The weekends were covered by some of our very willing volunteers. Thank you to Sue Martin, Rachel and Emily Lucas, Angie Tonkin and Tim Yeadon, Michele Williams and Di Smith. During that period, excluding pre-booked groups, we had a total of 115 adults and 77 children.

## Museum Machinery Workshops

The eight participants who committed to the workshops were very enthusiastic and have undertaken individual projects within the museum where possible. We would like to thank Jason, Tim, John, Duayne, Michael, Dave, Mick, Wayne and Peter for joining the team of Avondale volunteers. Thanks also to Harold Anderson, Ray Walters, Richard Boladeras and Bob Hall for sharing your experience so generously. This is a very good sign for the future of the Avondale machinery collection.

## Beverley Harvest Festival

Lots of fun things planned for the day, including My Farmer Rules Challenge, bucking cow, face painting, harness driving demonstrations, people friendly animals, live music, line dancing, craft and food stalls and lots more!

The Avondale events committee is busy with the final stages of advertising and promoting the 18<sup>th</sup> Annual Beverley Harvest Festival to be held at Avondale Farm on Sunday 25 November between 10am and 4pm. Entry is \$10 adult, \$5 concession and children under 12 free.

Community members are invited to participate - as a stall holder, as a volunteer, or as a paying visitor. We would also like to encourage locals to promote the event through their usual networks. If you can distribute either via hardcopy or email let me know and I will arrange a copy of our promotional flyer.

## Access Track within the Avondale Reserve

Section 95 have cut out the bigger limbs and the Max Employment gang are pulling the timber back off the track. There is still work to be done on this. Hopefully, by the end of October the access track will be ready for a FEL or Bobcat to complete the final clear up.

## Flora Survey in the Avondale Reserve

The WA Wildflower Society carried out a flora survey in the Avondale Reserve for four days early in October. They have recorded the species in several quadrants (similar to those surveyed in 1980) and have taken the species back to the Perth Herbarium to confirm the identification. This will take place 31 Oct 2012. A report will follow. Several comments were made with regards to the good condition of this example of Wheatbelt granite outcrop habitat.

## Station Gallery and Platform Theatre News

### Artist in Residence

Our four Artists in Residence - Dorothy McInnes, Janneke Biehl, and Suzanne Crawley and Heather had a short but wonderful time at the Station to the point of "having fallen in love with the town and the people and the Station - we'll be back!"

The three who exhibited have all sold paintings either at their exhibition opening on Friday 5<sup>th</sup> or the following day when wedding guests of Justin and Kelly Mann were at the Station having drinks between the ceremony and the reception. A huge thanks to the excellent barmen Barry, Garry and Simon while Pauline, Sarah and I turned our hands to glassies between being tour guides to the many of who whose visit to the Station was their first. Thankyou Kelly and Justin for giving them the opportunity.

### Platform Theatre Events

Well, it had to happen sooner or later - the weather determined a shift in venue for the movie night. We held off till 4.30pm hoping that the front had moved on but it wasn't to be and so it was a mad rush to shift everything to the town hall. Actually it was the food that caused the main worry as we had to quickly find another Bain Marie (the one loaned from the hotel at the Station kiosk was too hot to move). At least the weather was conducive to eating curry and we thank Simon at the Hotel Beverley for being so accommodating by cooking 3 types of curry to feed 100 with only 2 days' notice. Come 6pm and Pauline was being rushed by a crowd of 130 at the town hall door. Simon and Barry took drink orders while Sarah and Emily took meal orders, and Sandy and I dished up nearly 80 serves of curry with Lew making a frantic dash about town in search of more rice. Before we knew it the fabulous "Best Exotic Marigold Hotel" had begun under the able hands of Steve and No 2 apprentice Natalie. Phew!

And so... it's on with the next show - the one we've been waiting for.....DIAMOND!

On **Saturday 24<sup>th</sup> November** as part of Beverley's Harvest Festival weekend, "DIAMOND The Neil Diamond Tribute" will be playing up a storm - **Have you booked your tickets?** Believe it or not the band is looking forward to this event as much as we are; such is the reputation of the surround sound at the Platform Theatre.

- Saturday 24<sup>th</sup> November
- Tickets (\$40pp) can be purchased from Beverley Newsagency or online: [www.trybooking.com/BUKX](http://www.trybooking.com/BUKX)
- Special guest Wayne Pride
- Gates open 6.00pm
- Entertainment begins 7.30pm
- Bar facilities - no BYO drinks please
- Coffee van
- Charlies Gourmet Pizzas
- Big Q Café Souvlaki and hot chips, etc

### Platform Theatre Chair Drive

Station Arts continues to build its store of chairs through a "chair drive" where you are invited to donate \$20 for the cost of a chair. The tally is now **304** - yes, into the three hundreds so on our way to purchase 50 more chairs for the DIAMOND show.

If you would like to donate a chair, and/or become a member Beverley Station Arts Inc (Friend of the Station)

please see the treasurer Pauline at the Newsagency, ring 96461042, or email [beverleystationarts@gmail.com](mailto:beverleystationarts@gmail.com). Membership forms can also be downloaded from [www.beverleywa.com](http://www.beverleywa.com) (NB cheques to be made payable to Beverley Station Arts). A timely reminder that all members are welcome to attend the AGM of the Beverley Station Arts on Thursday 31st October at 6pm at the Station Gallery.

**Regional Arts Australia National Conference**

*Jenny receives her Volunteer Award*

Marylou and I have just arrived home from attending the Regional Arts Australia National Conference in Goolwa, South Australia. This entailed five very informative days of various plenaries, exhibitions, workshops, bus trips and performances - so many in fact that it was difficult to choose which sessions to attend. Many new contacts were made, hopefully some of whom will visit Beverley as artists-in-residence at the Station in the near future, but otherwise in 2014 when WA hosts the next RRA National conference in Kalgoorlie.

*Marylou admiring the yarn bombing in Goolwa's main street.*

The Volunteer Awards - "Outstanding Contribution to the Arts in Regional Australia" - of which there were seven (one for each State/Territory), were presented at the end of the 2012 Conference by His Excellency Mr Michael Bryce. It was such a thrill to be one of the recipients, but of course it was all over in seconds. I would however like to take this opportunity to thank Marylou and Beverley Station Arts for nominating me for this prestigious award and the many well wishes I have received as a result. It truly is such an honour but am humbled knowing all the volunteer collective hours contributed to the Station is by so many people - a marvellous committee, our families and friends. Thank you all.

## BEVERLEY BRANCH, COUNTRY WOMEN'S ASSOCIATION

[www.cwaofwa.asn.au](http://www.cwaofwa.asn.au)

Another month gone - time gets away!

We met at the CWA Centre on Thursday 11<sup>th</sup> October for our monthly meeting which commenced with morning tea and a chat.

A report was given by the three members who attended Tammin's WA Week Luncheon and shared in the "journey through depression" of an excellent speaker. One member even brought home a beautiful book on cheese-making which she won in a raffle.

We sincerely thank Margery Thomas for again making several beautiful crib quilts for the King Edward Memorial hospital nursery.

Our members agreed to once again donate 7 book awards for Citizenship at the Beverley District High School. This has been the tradition of our Branch for well over 50 years.

Arrangements have been made for our end of year celebration which will follow our December monthly meeting on 13<sup>th</sup> December after which we will go into recess until February, 2013,

November meeting will be held on Thursday 8<sup>th</sup> November commencing with the usual morning tea at 10.00am and will be followed by a "bring and share" lunch.

Lorraine Sims  
Branch Secretary

# How prepared are you for a bushfire?

## CHECKLIST – PREPARING YOUR PROPERTY

The majority of houses can survive most bushfires with preparation and planning. There are many ways that you can improve the chance of your property surviving a bushfire even if you aren't there to defend it. Use this checklist as a guide to preparing your home.

### STARVE THE FIRE

Clear around your home so that embers will have less chance to start a fire when they hit the ground. This will also help reduce the damage caused by the fire.

- Cut long grass and dense scrub.
- Regularly rake up leaf litter and twigs under trees.
- Prune lower tree branches (up to two metres off the ground) to stop a ground fire spreading into the canopy of trees.
- Remove shrubs and small trees under and between larger trees.
- Clear vegetation along the boundary of your property to create a firebreak. Make sure you meet your local government's fire break requirements.
- Keep roof gutters and valleys clear of leaves and bark.

### MAKE A SAFETY ZONE

Within the safety zone:

- Create a 20 metre circle of safety around your home and other buildings. This area needs to be cleared of all rubbish, long dry grass, bark and material that may catch fire.
- Create and maintain a minimum two metre gap between your house and tree branches.
- If possible, plan your garden so that your vegetable garden, lawn, pool or patio is on the side of the house likely to face a fire (where the bush is).

### FILL THE GAPS

Houses usually catch fire when embers get into the roof space, a wall cavity, on to ledges or under the house. Prevent sparks from entering your house by blocking all the gaps.

- Block any gaps under floor spaces, in the roof space, under eaves, external vents, skylights, chimneys and wall cladding.
- Place metal fly wire mesh on all windows, vents and evaporative air conditioners to keep sparks and embers out.

### FIX THE FIRE TRAPS

- Do not pile wood against or near the house.
- Remove any timber, rubbish and old junk lying around.
- Move all fuel containers into a shed away from your house and have a firebreak around it.
- Keep gas cylinders on the side of the house furthest away from the likely direction of a fire (where the bush is). Ensure the pressure relief valve is directed away from the house. Store gas cylinders upright and secure them with a metal chain to a secure, non-combustible post to prevent cylinders from falling over.

### PROTECT YOUR ASSET

- Have a sufficient independent water supply of at least 20,000 litres and a petrol, diesel or a generator powered pump capable of pumping 400 litres per minute.
- Check that your home and contents insurance cover is adequate. Take into consideration renovations, fixtures and additions such as swimming pools, sheds, gazebos, luxury fittings or new appliances.

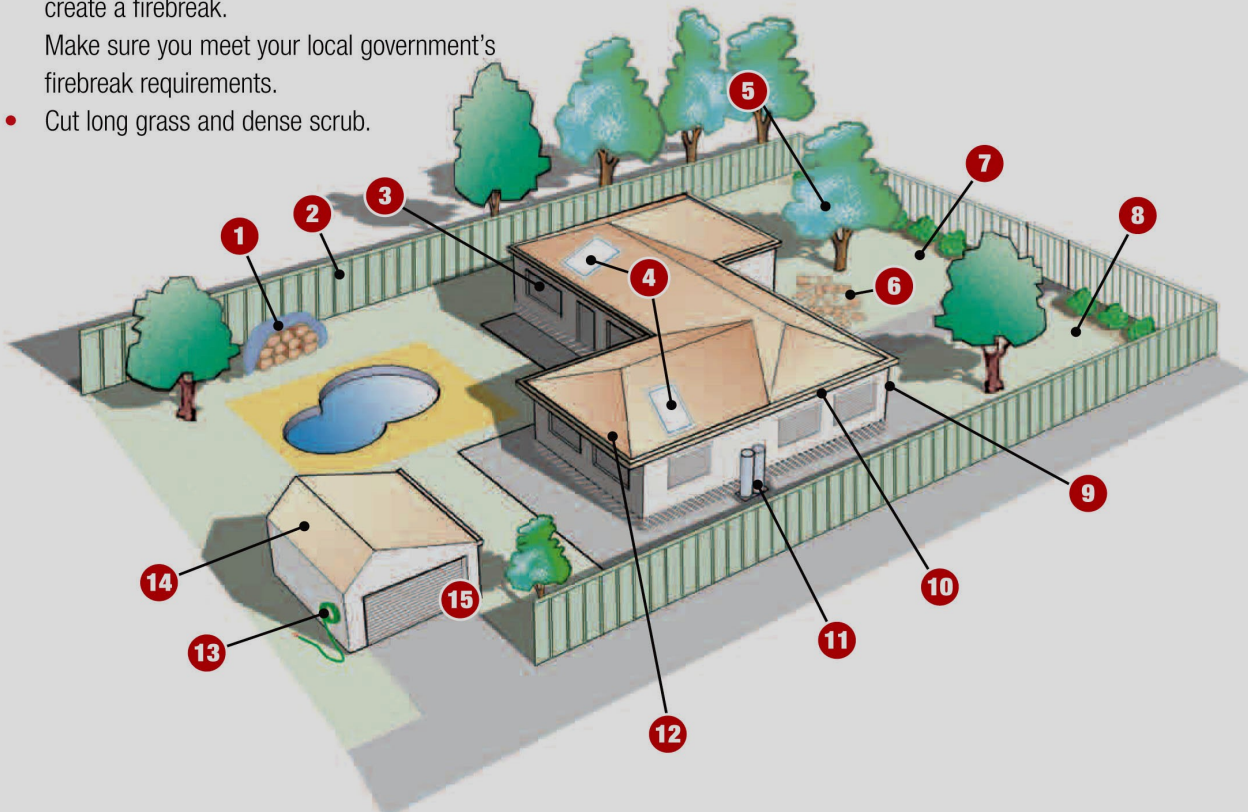

Refer to FESA's *Prepare. Act. Survive. Your Guide to Preparing for and Surviving the Bushfire Season* and the *Homeowners Bush Fire Survival Manual* available at: [www.fesa.wa.gov.au](http://www.fesa.wa.gov.au)

# CIRCLE of SAFETY

- Create a 20 metre circle of safety around your home and other buildings. This area needs to be cleared of all rubbish, long dry grass, bark and material that may catch fire.
- Prune lower branches (up to two metres off the ground) to stop a ground fire spreading into the canopy of the trees.
- Clear vegetation along the boundary of your property to create a firebreak. Make sure you meet your local government's firebreak requirements.
- Cut long grass and dense scrub.

1. Do not pile wood against or near the house
2. Install a fire or heat radiation shield such as a solid fence
3. Place metal fly wire mesh on all windows or vents to keep sparks and embers out
4. Block any gaps under floor spaces, in the roof space, under eaves, external vents, skylights, evaporative air conditioners, chimneys and wall cladding
5. Create and maintain a minimum two metre gap between your house and tree branches
6. Rake up leaf litter and twigs under trees
7. Remove shrubs and small trees under and between larger trees
8. Ensure garden mulch is kept away from the house and grass is kept short
9. Ensure all gaps in external wall claddings are sealed
10. Keep roof gutters and valleys clear of leaves and bark
11. Keep gas cylinders on the side of the house furthest away from the likely direction of bushfires (where bush is)
12. Block any gaps in the roof space
13. Hoses must be long enough to reach all parts of your house. Use metal hose fittings for taps as they are less likely to melt
14. Remove flammable materials and store them away from the house
15. Make sure there is water - it is likely you will lose water and power supplies during a bushfire. It is important you have an alternative water supply. You will need a petrol, diesel or generator powered pump to draw water from dams, pools or a water tank

**BEVERLEY YOUTH CENTRE  
OCTOBER 2012**

The Youth Centre runs every Friday night between 6pm-10pm at the Town Oval, Forrest Street and would like to thank my volunteers Robyn Cusack and Shane Greenmount for their ongoing support and the great "bunch" of youth attending.

**HOLIDAY PROGRAMME**

On Monday 8<sup>th</sup> October, along with my bus driver Ted Straughan, we went with 17 Beverley and York Youth to Fremantle. We went to Cicerellos for lunch and then walked to the Cinemas and they could choose from Madagascar 3 or Hotel Transylvania.

When the movies finished, we walked back to the Esplanade and they all got their bathers from the bus and went for a swim, played with kites, frisbees, balls and generally had a great time on the beach.

On Tuesday 9<sup>th</sup>, we had an Art Project in Beverley with 16 youth attending from York and Beverley, along with local Artist Jenny Broun. The children had a fantastic day with some amazing Art on show at the end of the day.

On Thursday 11<sup>th</sup>, I was fortunate to get Nyoongar Sports to attend for free and we had 35 children from both Beverley and York attend and played football and basketball. I was fortunate to receive some free

sausages and the Shire donated the rest to supply all children with a wonderful lunch with lots of fruit to follow.

On Friday 12<sup>th</sup>, with bus driver Ted and volunteer Shane, I took a group from York and Beverley to Gidgegannup for Paintballing. The Youth joined in with a group from the Phillipines and had a fantastic day. This was also followed by a sausage sizzle at Dash Paintballing as part of the costs.

**BEVERLEY DISTRICT HIGH SCHOOL**

The School has asked me to take Youth for Boxing Classes on a Wednesday morning and I am really enjoying the experience - their skills have improved so much and it is a fantastic 1 hour session.

**ACTIVE AFTER SCHOOL PROGRAMME**

This programme runs every Tuesday (soccer) and Friday (T Ball) from 3pm-4pm and is free for all primary aged children with fruit supplied for afternoon tea.

**CHRISTMAS DISCO**

I have received a letter from Father Christmas and he is too busy to attend in December but is available on **Friday 30<sup>th</sup> November!** **Would love to see you all their for our final DISCO for the year.**

### **WHAT IS WILD WOMEN OF THE WEST?**

A one day Women's Seminar designed for rural women needing some indulgence and well deserved time out. We would like our guests to stop for a day, sit back with friends, take the time to smell the roses and enjoy a day of inspiring guest speakers who through their stories pass down their knowledge and experience.

Major Prize for the Wild Women of the West Seminar is a Crown Casino Package for two people that include 1 night accommodation at the Crown Plaza, Crown Theatre tickets of your choice and dinner, valued at \$800. What a fantastic door prize!

Do you wish to attend the Wild Women of the West Seminar but have children?

We have some options that you may find tempting.

Crèche facilities will be available on the day. If you wish to use this service bookings are essential, please contact Sam or Amor 9646 1600 for further information and pricing.

For school aged children we have a courtesy pick up from the school to the town hall. Monday is an early close school day and the children will be walked directly to the CRC and then when afternoon tea is served (approx. 3.00pm) the children can join us for some afternoon tea to complete a fantastic day. You will need to register your child for this free service.

### **FREE GARDENING WORKSHOP - BEYOND GARDEN'S PROGRAM**

Join Steve McCabe, John Williams and Peter Copping from the Beyond Gardens Team as they are coming to Beverley. The team are touring throughout rural communities as a part of the Golden Pipeline Roadshow, hosting GardenWise Seminars. Beyond Gardens aims to inspire, inform and empower people to live sustainably. Always fun and informative, these seminars dispel popular myths and replace them with a host of practical tips that increase the WOW factor.

**Tuesday 13 November 6 – 9 pm at Beverley Town Hall.**

**Light refreshments at half time....and it's all FREE!!**

Ideal for all gardeners, topics that will be discussed:

- Understanding and improving your local soil
  - Waterwise and fertiliserwise tips and tricks
  - Principles of design
  - Growing food at home(including bushfoods)
  - Waterwise irrigation
  - Gardening myths
  - Questions and Answers
- .....and much more.....

## Health Community Nurse – Brookton

An exciting opportunity has become available in Silver Chain **Brookton** for a **Primary Health Community Nurse**. This is a **full-time** position that is both challenging and rewarding. The role as Primary Health Community Nurse in our service is hugely diverse and extended.

Our multidisciplinary team works in close collaboration with each other. Many of the people who work in Brookton actually live in the community and surrounding areas themselves, which means there is real ownership from the people who use the service.

### To be successful in this role you will need:

- Solid understanding of Primary Health Care
- Experience in Chronic Disease Management and Ambulatory Care
- Current registration as a Registered Nurse with AHPRA
- Ability to both lead a team, and work autonomously
- Excellent co-ordination and communication skills
- A current driver's licence
- Ability to obtain a satisfactory National Police Clearance and Working with Children Check

### What we can offer you:

- Full orientation, induction and paid training provided
- Earn up to **\$16,050** of your annual salary **tax free**
- Additional **financial incentives** may be available to eligible applicants who relocate from metropolitan areas
- Work in a positive, vibrant community whilst making a difference to people's lives

If you think you've got what it takes for this position we want to hear from you!

# Wild Women of the West Seminar

## Stop and Smell the Roses

It is a juggle, that thing called 'Life' and we as women feel that we can do everything, achieve everything and be everything to those within our lives. The pressure of being everything to everyone can overwhelm even the most strongest of women. There has to be days when we just 'Stop to smell the roses' and feel no guilt for doing something for ourselves. There needs to be **balance**.

This year's Wild Women of the West Seminar is all about learning to find that stillness and peace that we require to be better sister's, wives, mum's, bosses, daughter's and women. Taking time to enrich yourself benefits more than just you, it also benefits all that surrounds you.

Hear life stories from women who have struggled, achieved and survived to get them to where they are today. Keynote speakers for the day include, **Jenny Morris** - Dual Olympic Gold Medallist and former captain of the Hockeyroos and **Karen Tighe** - ABC Sports Presenter. We also have Amanda Harding from Find Cancer Early and Bob Melville from Melville Rose Nursery. Fleur McDonald - Author has penned a special article for event with a very special surprise not to be missed. Event Highlights: Major Prize - **WIN A CROWN CASINO PACKAGE**, Shopping Stalls and Raffles.

**Date: Monday 5 November 2012**

**Time: 9.00am - 3.00pm**

**Venue: Beverley Town Hall**

**Tickets cost \$40 per person**

**Fully Catered Event**

### Chairpersons report for AGM 2012- 27 September 2012

Since our last year's AGM in August 2011 a lot has been going on in the centre and I thought I'd highlight monthly events to keep you all updated with the workload that was achieved.

#### 2011

**July:** The CRC commenced compiling and the printing of the bulletin was started. As well as placing them around town we started sending them by e-mail, saving on paper and printing costs.

**August:** Amor has allocated time in her busy schedule to start working on the Shire's webpage, which she will continue to do so keeping it up to date.

**September:** Wild Women of the West was started to be organised by Sam Fricker and Amor for the big day in December.

Sam volunteered to do the Tax Help program at the centre as Mr Slater was retiring.

New public access computers and NAS Drives were installed.

Rodney Boyle took on the mentoring role for those interested in the ancestry.com Club and it's been a real success.

Work is in progress for the Christmas (Street) Banners.

**October:** Designs for banners approved, so these can be started in time to display in December.

Some members of the committee attended the opening of the Quairading CRC. While there Mr Brendon Grylls spoke to Gemma, asking her to make an autobiography of her CRC journey as a trainee, as he wanted to present this to parliament.

Gemma was also nominated for the Wheatbelt Trainee Awards 2011. Gemma was placed runner up, in the ATSI category. Congratulations from all of us.

**November:** Advertising of the Wild Women of the West commenced, with mail outs, radio advertising, and even personal promotion by Sam & Amor when it looked like tickets were not going fast enough.

We sold tickets for the Art Gallery and it was a good money raiser. Unfortunately the Art Gallery decided that future ticket sales would be done over the internet.

Printing the programs for the Harvest Festival was also a great opportunity for the centre to be recognised, with 300 programs extended to 600.

We held a big breakfast at the Centre to celebrate the network's 20<sup>th</sup> Anniversary. We sent invites to all the local businesses, Shire reps, and staff and committee to celebrate with us. We had 30 people attend which was very satisfying for us. The video link up which Amor was waiting for never happened as the gremlins took over; we missed out on showing our centre to the 65 that were on line.

Christmas banners arrived, and we were very impressed with the designs and quality of work.

Steve Gollan with a consultant visited us to photograph the cracks in the walls and check the floors; with the understanding we would be having an engineer coming in for more checking.

**December:** Wild Women of the West went off extremely well. Some small glitches went into the "now we know better for next year's event". Congratulations to Sam, Amor and all the helpers in making it a huge "mark on the calendar" event for the Beverley CRC and the Beverley Community for the future events they hold.

Gemma was invited by the committee to be a trainee for a second year and to go on and complete Certificate III in Business and Administration, she is also expected to go one day per week to gain more experience in the offices of The Shire of Beverley.

## 2012

**February:** The back office was completed and is being rented out to Max Employment and a travel agent. We are hoping for more use by other businesses in the future.

The centre is being opened on Mondays now and with the Business and Strategic Plan being signed off we hope this enables us to receive higher funding and a higher rating.

Talks began with the Shire about having access to the Playgroup room for storage space and in future budgeting include it for a make-over for us to utilise it for craft, school holiday programs and cooking workshops.

**March:** Cracks in walls and flooring problems inspected and awaiting results from the Shire as to what we need to do in the future. We will probably need to do this in the 2012-2013 Business Plan.

**April:** Possibility of the CRC producing the Beverley Community Phonebook was raised in general business. Costing needed to be assessed so if we were to take it on we will be able to include it in next year's Business Plan.

Interviews of the applicants for a second trainee took place.

**May:** Our new trainee Christine Sazanov "Chrissy" commenced employment on the 2 May.

Compiling the Beverley Blarney was accepted by the committee.

As you can appreciate the Beverley CRC has had a huge year with lots of community support, which can be seen in the larger workload

In finalising my report, thanks must go to the Co-ordinator Amor, Bookkeeper Sam, and staff Gemma, Rodney and Chrissy, to the committee (past and present), Treasurer John, Secretary Lynette, you all make the role as Chairperson so much easier than it could be otherwise.

## Wildlife Stories Straight off the Broomstick!

I was shocked and saddened early October when we were called out to a fox, whose back leg had been caught by an illegal steel jawed rabbit trap. This fox had been stuck in this trap for several days, he was severely dehydrated, emaciated and had a very serious infection on his leg. Although foxes are taking people's chooks, ducks and other animals all around town, I still do not understand how anyone in Beverley could inflict such cruelty on this fox. These steel jawed rabbit traps have been illegal in WA since 2002 because of the cruelty component; if you are caught using one a fine of up to \$5000 will be imposed. A lot of people probably wonder why I am making a big fuss over a fox but what if it wasn't a fox that was caught, what if it had been wildlife such as possums, ducks, bobtails or birds. It could have just as easily been someone's pet dog, cat or even your child. This trapped fox was found at the tourist information bay down by the water with the chain caught in reeds when he went down to get a drink. I received several phone calls from concerned citizens regarding this fox. We ended up taking this poor fox home where he was shot to finally end his suffering. You can buy legal soft hold rabbit traps for under \$50.00 so there is no need to use these brutal, barbaric and cruel illegal traps. I then contacted the RSPCA, DAFWA, Police and the local ranger and we are asking if anyone sees or hears of any of these traps being set to contact either the authorities like the ranger or myself. It is only illegal to use these traps not to own them; in fact you can sell them as collector's items for up to \$400.

On a happier note our little possum Hush is growing so fast and will be ready for release in the next couple of months.

We also have taken on two little female euro's from their previous carer. They are settling in well but are very mischievous and always finding trouble.

We also had a native crested pigeon brought into us that had been hit on Westdale road and unfortunately had to be euthanased by my vet due to spinal injuries.

With Summer and the fire season here we all need to think about fire safety and how our actions can cause destructive bushfires, injuring and killing many native animals. It is so important that we all do what we can to prevent these fires by minimising the fuel load on our own properties and any bush around you. So let's all think about fire safety and help stop innocent wildlife getting impacted by these devastating fires. Wildlife lose their homes and their food sources in the event of a fire which can last more than a few months until they can find new homes and new food sources.

For Wildlife info or help call Phyllis at Witchy's Kangaroo Rescue and Wildlife care on 9646 1469 or 0437 483 175.

## Beverley Patchworkers and Quilters

We held our AGM at Avondale in September where it was reported there were 17 lovely quilts completed for delivery to PMH. This has been a great effort by all our ladies. We look forward to taking them down to the hospital as soon as this can be arranged.

Several ladies enjoyed a weekend in Mandurah where there was much talking, laughing and eating happening. A little sewing was done along the way.

It is planned to have a display of quilts at the Avondale Harvest Festival.

New members are always welcome to our group. We meet each Tuesday from 10am until around 2.30pm. at Avondale.

## BEVERLEY HISTORICAL SOCIETY

In October the society met for the AGM followed by the general meeting. There were 9 members, 1 visitor and 4 apologies.

At the AGM the results of the

**Election of Office Bearers** were:

**President:** Bob Hall

**Vice President:** Maree Hutchinson.

**Secretary:** Morag Whitney.

**Treasurer:** Erica Murray.

**Research Officers:** Peg Kempton, Maree Hutchinson with help from all members.

Subscriptions will remain at \$10 per year.

At the General Meeting members heard reports on some research into the railway & more about scouts.

Arthur Rolph from NSW visited the Museum searching for information about the building of the **Great Southern Railway** in the early 1880s. His grandfather, Charles Wardley, came from England to Beverley in 1884, lived in a tent with his wife & baby at Main Camp, and worked on the railway pumphouse. We were able to find the pumphouse on a plan & pinpoint where in Beverley it was built (between Shed St & Vincent St) plus a photo of the tank stand that stood by the pumphouse until the 1960s. In return Mr Rolph provided family stories about some of the Wardley's interesting experiences here. We hope to share those soon.

We also heard from Scout researcher, David Hanscomb of High Wycombe, who sent information re the establishment of **Beverley Scout Troop 30** by Rev Weaver as well as the WW1 records of three Beverley lads - Bert Edwards, killed at Gaza in 1917; Bert Bolton who won the Military Medal; & Canon Groser's son, Noel, born in Beverley.

**Donations** this month included:

1. Some lovely baby clothes from the 1940s including a blue satin dress sent from the Middle East in WW2.
2. A large boy doll in a blue romper suit & white beret.
3. A beige linen riding outfit of

jodhpurs & coat worn by a local lass in 1915.

4. Booklets and papers relating to Cadet Service in WW1 and Volunteer Defence Corps in WW2.

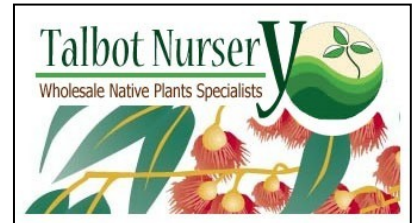

5. Two Petrol Rationing Coupons from 1940s.

6. A Rent Book for a house in Forrest St that showed the rent per week in 1920-1922 was 5/- (50c).

7. Souvenirs from England of the Royal Wedding of William & Kate; and the Queen's Diamond Jubilee.

**Next Meeting:** 2pm, 12 November, Dead Finish.

New members or visitors always welcome. Further information – Secretary [bhsdeadfinish@gmail.com](mailto:bhsdeadfinish@gmail.com)

## Beverley District High School

Welcome to our final term for 2012. We would like to welcome our new students and their families. We hope that they will enjoy our school and our town. This term is only 9 weeks and 2 days and we have a lot to fit in!!!! In this edition the Kindy are going to share with us their adventures. Enjoy!!!

### Kindergarten News

Our Kindy class has had a busy start to Term Four. The Pre Primary children are joining us in our playground during break times while their new play area is being built. We are excited our friends from across the fence can come and play with us. We just realised it would be brand new, ready for us when we start Pre Primary next year. Doesn't the Pre Primary sandpit look bare! Mrs Sims said "Both

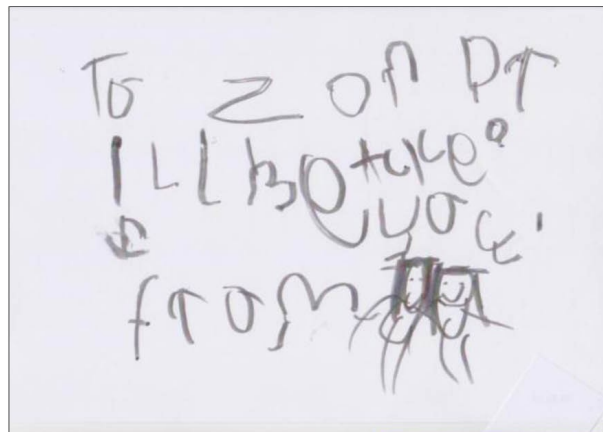

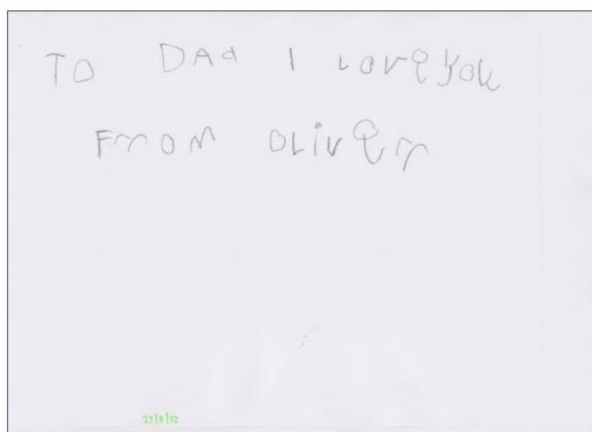

groups have mixed well and they are all enjoying each other's company."

Time is moving fast and it is strange to think we only have six weeks left of school and then we will be moving to Pre Primary. We have also moved on at lightning speed.

Here are Fillipa Bell-Norton, Daniel Myles, Jacob Schilling, Zackariah Kennedy and Jade Pepper doing puzzles on the Kindy's new iPads. We are having a great time learning with our Kindy apps. We are still keeping up with our mouse skills on the computer, but really like working together on the iPads.

No, we haven't moved to the big school! This is our writing table and Caleb Slingerland, Hayley Hardwick, Daniel Myles, Jackson Lindley and Shirley Quartermaine have chosen to write a letter. We have our names and sight words up on the wall to help us write some words and we are getting quite good.

These were written by Oliver Aynsley and Alice Stevens.

## Ambulance Visit

Last term was very exciting for us as we had visits from two very important groups of people in our community, the St Johns Ambulance and the Volunteer Fire Brigade. When John Lane entered the Kindy in his uniform and we were asked “Who could this be?” There was a shout of “Poppy John”. He and Scott Morrell patiently showed us their uniforms and explained what their job was. They took us out to the Ambulance where Mrs Edwards was our guinea pig and they showed us how they had a bed with a seat belt and collapsing legs and a teddy to help you not

be sad. We all walked through the ambulance.

Here are Jetson Groves, Dylan Armstrong and Soraya Doyle making sure Mrs Edwards is OK. Everyone at Kindy thought the lights and siren were really awesome.

Here we all are. Leah was especially happy with her Dad being one of our special visitors.

Our next visit was from the Volunteer fire Brigade. Darren Boyle, Ken Howell, Adam Howell and

Thomas Bardon came to the Kindy in their uniforms and again we learnt how they work. We were surprised that both uniforms have special shiny stripes on them so they glow in the dark. We saw inside the compartments at the axes, hoses and shovels. There was a fridge!

Mya Mearns enjoyed having her Grandad and Uncle come to visit. We are finding out that we and our families are all a part of the Beverley community and we all help make it a great place to live.

We really appreciated our special visitors and they were a topic of conversation and role play for many days to come.

## **Beverley Police Station**

57 Hunt Road, Beverley WA 6304

Hello All,

It is great to be back working in the beautiful town of Beverley. I always feel such a great sense of community whenever walking down the main street and talking and engaging with you; thankyou for making me feel so welcome.

While there is a wonderful sense of community trust and criminal activity is minimal, please do not fall into a false sense of security. There are those opportunistic people who are often passing through that will take advantage of an 'easy' target so please:-

- **ALWAYS** lock your vehicle
- **NEVER** leave keys in the ignition
- **ENSURE** all windows including the sunroof are closed
- **REMOVE** all valuables from the vehicle - out of sight, out of mind.

With the warmer months approaching it is tempting to leave doors and windows open and unlocked to take advantage of any breeze that might help to cool things down. While I'm not suggesting you live in a fortress a few simple common sense steps can protect you and your precious belongings:-

- Lock your security screen door
- Install window locks that allow the window to be partially open but prevent it from being opened any further
- Consider installing movement-activated external lighting

Remember that preventing crime is everyone's business and by taking just a few simple precautions you can make life harder for criminals and protect yourself and your home.

### **SEATBELT WARNING**

Whether I'm on or off duty, as a police officer I'm are always looking around. I am alarmed by the number of people I've seen who are not wearing their seatbelt. I am aware this issue has been discussed by Sergeant Hagan in previous issues and is a timely reminder. There are no excuses and if you are not wearing a seat belt you will be issued an infringement - **NO WARNING - NO EXCEPTIONS**. The current penalty is **\$500 and 4 demerit points**. Putting on a seatbelt is simple and there is no excuse for not wearing one.

Your police officers are always working towards making your town a safer and securer place to live, work and play.

**STAY SAFE!**

# Live Local, Shop Local

## The Beverley Business Network's monthly Local Business Profile:

We are at 100 Vincent Street and have been open since August 2011.

Although only small as garden centres go, we are gaining a wide customer base in town and surrounding areas.

Our motto is "If we don't have it. We will try our best to find the plant you want." Prices are well below those of Perth and surrounding areas.

You can also find us at the York Markets and Pingelly every month. We support local business by selling Talbot Nursery's native plants.

To order why not drop in and see the fierce watch dog or phone **0435009186**.

### **Beverley Bakery**

Mark and Angie moved to Beverley 5 years ago.

Mark started his career 25 years ago as an apprentice at Kalamunda Bakery. After working at various bakeries in Perth, Mark met Angie while managing a bakery in Midland.

They both moved to York where Angie, a hairdresser owned Jayelles Hair Salon for the next 5 years.

After visiting Beverley one show day, they decided that this was the place they wanted to live.

They opened Beverley Bakery after setting it up themselves at Easter 2011. With great community support they have continued to grow and now employ Karmen and Jade part time, and they are a great asset to the business.

All Beverley Bakery products are made on site, from fresh ingredients  
- fresh everyday.

**The bakery is open Thursday to Monday  
Weekdays 6am to 2pm and  
Weekends 6am to 1pm.**

PARALEGAL INFORMATION  
AND REFERRAL SERVICES (BCS)**

BCS

Provides legal information and referrals to Solicitors and to other organisations, both Government and Non Government. These matters of concern; do normally relate to issues that we all face in our daily life.

LITIGATION - LEGAL ACTION

The whole legal system is both varied and complex. The novelty of ONE having their day in court; that's how it all starts. Most litigations do not see the perils, risk and costs/court fees, till it is too late. Where cases run on for years and where the courts rule in favour of one party, these costs may result in forcing the other party to sell their home to pay the demanded amount.

Recently the trend to take legal action in order to have One's day in court is increasing by the week. This is so, even after I have provided information as to court procedures; Supreme Court and High Court: These are the two highest courts. All matters to name a few; such as:

Wills, Estate, Grant of Probate, Appeals. Where a client has to hire the services of a Barrister, Senior Counsel, Queen's Counsel, Junior Counsel/Solicitors and so on. Bear in mind, where a number of witnesses, experts and so, are called, resulting in additional costs. All court matters, due to take a reasonable amount of time to run; the problem starts when one party decides to contest a case, this is where the time drags on and costs mount up. It is fair to say that Beverley residents like any other do have matters pending in the Supreme and other Lower Courts.

NEIGHBOURHOOD DISPUTES

They take up over 40% of the Civil Courts time; These disputes in one form or another appear to be on the increase. Over the years I have Litigants say to me, that they want to pull out half way through a case resulting in very painful and financial loss (legal and court costs).

There are many of the above civil cases which, end up in both courts, e.g. where overhanging branches have, due to weight, caused damaged to your fence. Instead of

mutual dialogue or settlement; threats are made to assault one's neighbour. The Police are then involved. This matter very likely can end up in a Civil and Criminal Court.

IMMIGRATION

A current fiancée sponsor leads me to believe; that the time and procedure for overseas application Visas etc could take around 2 years and entail around \$10,000 to \$12,000 /- depending that all paper work is in order. *And Air Trips Involved.*

SUPERANNUATION

TV Reports some two weeks ago, their CEO's are of the opinion that if one is to provide for their retirement they need to have \$600,000 in their funds to earn them \$600/-per week.

WELFARE

This issue lies in a very sensitive area. To many Australians who; do face hardship and financial difficulty are of the opinion that: Much has been said, promises have been made; but very little has been done to ease their pain and suffering; The National Welfare Agencies, last week; found (by survey results) 100,000 Homeless in Australia: Some boarding houses charge the homeless \$250 per week to share the space with 110 other homeless people.

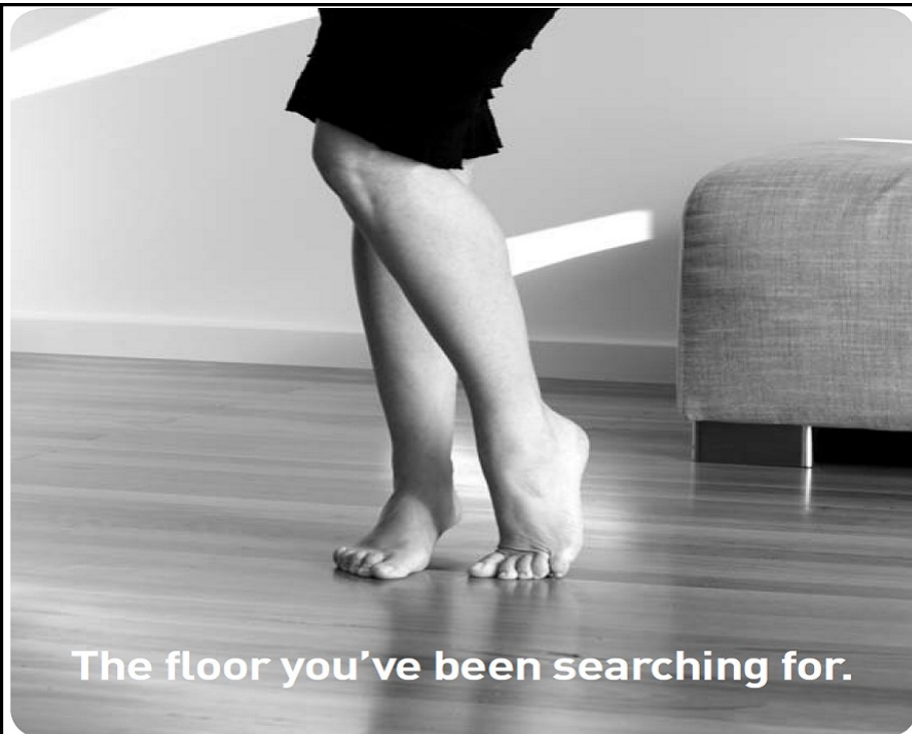

40% Of Home Loan Borrowers between 2008 and 2012: The loan is worth more than their home. By the time they pay the mortgage, rates, cost of living, they are not left with much. This group are also facing serious financial hardship. The legal centres receive 15,000 calls from these desperate people to save their homes.

Sole Parents around 100,000 who, go onto Newstart Allowance, may loose approx. \$100 /- per fortnight when their child turns 8. Some may even have to look for work. If so, how could they afford Child Care?

POVERTY

1 in 8 Australians are on welfare benefits cited by Anglicare; this group are living in poverty, are unable to put food on the table for 1 day (24 hours per week). To those that have children: Means no food in the children's lunch boxes to take to school.

*Please phone Centrelink to clarify the above.*

SLANDER LIBEL DEFAMATION-  
MALICIOUS GOSSIP

These matters come under the Law of Torts - Common Law - very complex and attract huge payment and court costs when, witnesses give evidence and where written material, circulated proves to be damaging e.g. Business financial and citizen's name when defamed. The higher the profile, the more the pay outs.

RECENT COURT CASE

TV Reports - One 14 year old pet sheep named "BAH". The metro council won an order from the court to have the 14 (fourteen) year old sheep removed from the owners property. It took two years at the cost of over \$200,000. The owner is lodging an appeal to the High Court. It is expected that if the owner loses; then he could be up for around \$300,000. He may have to sell his property. N.B. The vet states that BAH the sheep has only one year to live.

Neighbours in dispute: Some two years ago: Overhanging Orange Tree Branches; damage to the fence - oranges thrown at one another - It turned out to be the cases were 1. for assault 2. recover cost of fence; The amounts; around \$40,000 and \$30,000. The sad part in this case; the neighbours were 2 sisters, and one had to sell or mortgage her house to pay the legal and court costs.

In closing, from what has been said, one can come to the conclusion that there are No Winners in Court Cases; especially when you look at the stress, trauma and time spent.

On a final note: all those who face financial hardship, the legal advice from solicitors are to negotiate and offer a payment plan, which states your intention to pay or see me for assistance/referrals.

## CRANA ABORIGINAL CORP. INC.

CRANA PROPERTY at 115 Vincent Street, Beverley. Last week a busy bee was held to tidy up the front and the rear yard. Many thanks to all the VOLLIES that helped out. We have had no success in either selling or leasing this property. The matter is in the hands of the York Estate Agency, who, are doing their level best.

LEGAL AID FOR INDIGENOUS PEOPLE I have been involved, in the first person, for 28 years, with matters relating to Indigenous concerns in Beverley and the surrounding regions. It has now becoming more difficult as to the criteria to meet Legal Aid requirements. The said criteria applies to both indigenous and non-indigenous citizens. The Aboriginal Legal Services using this system, i.e. most civil cases do not qualify for assistance; where as not all criminal cases do, only where; there is a possibility of a prison sentence, then they do qualify. Of course other cases do so on merit. What I am trying to say here that there is no automatic right to legal assistance even if you are on a low income.

Tell your doctor if you have any of these symptoms:

- A change in the size, shape or feel of your breast
- A new lump or thickening in one breast or armpit
- Puckering, dimpling or redness of the skin
- Changes in the position of the nipple, or nipple discharge
- New pain or discomfort that is only on one side

It is important to be 'breast aware' and know what is normal for you.

These symptoms might be due to **breast cancer** and the earlier it's found, the greater the chance of successful treatment.

## Beverley Cricket Club

Welcome to the 2012 / 2013 Cricket Season it seems like only a few months have passed since we beat York to win the Avon Cricket Association Grand Final last season.

Beverley once again has a young side and are looking forward to defending the Premiership. If you are interested in playing cricket this season, Beverley has training on Friday nights at the Recreation Ground commencing at 5pm.

Beverley played their first game on Saturday 20<sup>th</sup> October against Brookton in Beverley.

***Brookton 8 for 210 defeated Beverley 8 for 206***

Beverley Batting: Stephen Gollan 111, Wayde McLean 29, Kodie Fleay 23

Brookton Bowling: Brendon Walker 2 for 20, Toby Blechyden 2 for 25

Brookton Batting: Damien Rushton 52, Craig Allington 51, Toby Blechyden 27

Beverley Bowling: Dale Wansbrough 4 for 36, Robbie Wansbrough 2 for 44, Stephen Gollan 1 for 30

Beverley had a number of players away this week and thanks go to Tim Radcliffe and Khyle Ugle for playing. Well done also to Luke Gollan who was Beverley's wicket keeper. Luke took a catch and stumping. Both Khyle and Luke are junior players who performed very well.

**5<sup>TH</sup>:** S. EVANS, J. EVANS, T. STEWART, R. JENKINS = 55.38

Thank you to Beverley Bakery (Mark and Angie) for being the major sponsor for the event. I also want to thank the following businesses and people who helped by either sponsorship or donations. *Hydraboom, Primaries, Dobson & Associates, Beverley IGA Supermarket and Liquor Store, Fred Sing, Daryle Burton, Gavin Sazanov, Beverley Gas & Plumbing Service, Araleun Golf Course, Armando Sports, Augusta Margaret River Tourism Association, Avon Trading, Berry Farm, Beverley Country Kitchen, Beverley Farm Services, Beverley Newsagency, Beverley Pharmacy, Beverley Dome, Beverley Post Office, Boekeman Machinery, CACI Clinic, Colonial Brewery, Darby Park, Freemasons Tavern, Golf box, Golf Downunder, Hotel Beverley, Jas Automotive, Leeuwin Estate, My Place Bar & Restaurant, Redgate Winery, Regional Antennas Plus, Stella Bella Winery, WA Police Union and York Pizzas.*

A huge thank you to Gina Adams for her support leading up to and during the day. Thank you to the Beverley Golf Club for allowing us to use your facilities. And finally thank you to all those that helped out during the day you know who you are and your help was very much appreciated. It is because of all the help and donations that we were able to raise over \$3,500 which goes to WA Police Legacy. A great effort and one that I hope we can better next year when the golf day will be held again.

Thanks  
Darrell

## Beverley Men's Golf

Fine conditions greeted a field of 17 players on Saturday 29<sup>th</sup> September to play for the **Bletchy's Tyre & Battery Trophy**.

This was a 4 Person Ambrose event with 9 holes being played prior to the AFL Grand Final and the remaining 9 holes after the game.

At the completion of the Grand Final everyone was fired up to better their 9 hole score from the morning.

When the teams had returned from their afternoon round a tally was taken and the winners of the event were John Islip, Stephen Gollan, Daniel Gollan and Luke Gollan with a nett score of 55.75, they were followed by John Donovan, Cathy Blechynden, John Starling and Chris Pepper with 58.88 points.

Novelties on the day were won by

Longest Putt on 1	John Donovan
Longest Chip or Putt on 2	John Islip

Huge thanks are extended to **Michael and Cathy Blechynden** for his continued support of this day.

One of the biggest golfing events on the Beverley's golfing calendar was held on Saturday 6<sup>th</sup> October, this being the **Beverley Police Golf Day**, with funds raised going to WA Police Legacy.

Some 66 people played in the day, with many travelling from all parts of the state. It was great to see Paul and Jodi Daly back in town.

Thanks are extended to Darrell Hagan for initiating the day and those businesses that assisted in the day by providing sponsorship.

### End of Season Club Awards

## LOCAL PONY CLUBS CELEBRATE 50 YEARS

Sunday the 14<sup>th</sup> October was perfect weather to celebrate the 50<sup>th</sup> Anniversary of the Gilgering Pony Club. A number of founding members of the Gilgering Pony Club were present to enjoy a wonderful day of celebration and the opportunity to catch up with old friends and current members.

Organisers of the day decided it was fitting to hold a combined ride for the current members of the Beverley and York Pony Clubs, symbolic of the members before them. Both Clubs rode from their own direction to meet at Avon Ascent Park Gwambygine for a picnic lunch and ceremony. Beverley Members rode approx. 12km starting at the old York-Williams Rd rail crossing.

The formation of the Gilgering Pony Club was largely due to the determined efforts of Mrs Lesley Barrett-Lennard of Beverley and Mrs Roberta Fleay of York. These two horsewomen were keen to see the Pony Club movement introduced to the district. In 1962 they, along with other supportive local horse enthusiasts, established the Gilgering Pony Club.

The first rally was held in 1962 at the Gilgering Railway Siding approximately half way between Beverley and York. After two short years the Gilgering Pony Club had grown to over 80 riders with members attending from as far away as Quairading and Brookton.

At the end of 1964 Gilgering Pony Club separated into Beverley and York Pony Clubs and since then the two clubs have continued to provide instruction to hundreds of children. The two Clubs have enjoyed a great rapport over the years and looked forward to this combined event to commemorate the 50<sup>th</sup> Anniversary.

Mr Tim Jurmann, President of the York Pony Club, commenced the official proceedings with a great speech about the learning outcomes a child can gain from horsemanship and riding and thanked the Gilgering Pony Club founders for their foresight in establishing this worthwhile movement for children in our district.

Mrs. Fleay then spoke to the gathering and recalled "that in those days there weren't many floats and horses were either trucked or ridden considerable distances to attend rallies".

*Mr Cyril Screaigh, Mrs Lesley Barrett-Lennard & Mrs Roberta Fleay*

Mrs Barrett-Lennard then spoke of the enjoyment Pony Club had provided to many children, and their parents, and the friendships made which was evident by the older members reminiscing together over a selection of old photographs on display.

Mr Cyril Screaigh, original Secretary of Gilgering PC, recalled that with a membership of over 80 riders it was not possible to even have all riders on the 5 acre grounds at Gilgering riding at once.

Mrs Jenifer Petchell, President of the Beverley Horse & Pony Club then spoke of her involvement; firstly as a child, then as a coach and committee member. "Pony Club

is where you go to be with other people who share your passion for all things equestrian and you get to learn from people who are just as passionate as yourself. It's a place where lifelong friendships are grown; not only from within your own club, but as you venture further afield with other people from your zone and around the state"

Jenifer then thanked Mrs Barrett-Lennard and Mrs Fleay for their outstanding contributions and continued passion to Pony Club on behalf of herself, the riders before her, the current riders and the riders yet to come. She acknowledged that without their dedication and commitment over the years, we would not have the successful Clubs we have today. The gathered crowd gave a warm round of applause in appreciation of Jenifer's thoughtful words.

Mrs Barrett-Lennard and Mrs Fleay, who are now the honoured Patrons and Life Members of their respective Clubs, presented commemorative certificates to the riders who had participated in the combined ride. The riders thoroughly enjoyed the ride and now understand how dedicated those early Pony Clubbers were who had ridden each month to the rally at Gilgering.

Thank you to Mr Les Paige who kindly donated his property as a parking area for the floats, which the horses were tied to during the lunch and ceremony, his generosity is greatly appreciated.

The celebrations have finally drawn to a close at the Beverley Football Club and the transition from Winter to Summer sports is well underway around town.

We wish to thank all our players, members, sponsors and supporters for your continued and loyal following throughout season 2012, without which our Club would not have enjoyed such great success.

## **Beverley Bowling Club Ladies Bowls**

The 2012/2013 season opened for the ladies on the 3rd of October with a small band of ladies getting the feel of our lovely new greens, and appreciating all the work that has gone in, to getting them ready for the new season.

On 10<sup>th</sup> of October, 11 ladies played, and the winners of the day were **Glenys Hastings** and **Lyn Mactaggart**.

October 17<sup>th</sup> was devoted to a coaching session by our resident Coach - Peter Fleay, for all players but particularly the pennant sides. This was very informative and greatly appreciated. Peter is available to anyone who is interested in having coaching.

Our pennant season begins on Tuesday the 23<sup>rd</sup> of October with a home game against Northam Gold.

The Ladies Gala Day will be held on Sunday 4<sup>th</sup> of November, and many thanks go to the businesses in Beverley who have helped with sponsorship for this event.

As some of our lady members work on week days, it has been decided to try a night competition to held on Thursday evenings. These will commence on the 8<sup>th</sup> of November, and current and new players are welcome. Dress will be casual but flat shoes must be worn.

## Beverley Horse & Pony Club

Tealah Hawke and *Paddy* went down to the Royal Show on the Tuesday as part of the PCAWA Display. Tess filled me in on their very exhausting but wonderful day. They headed down in the morning to undertake the mission of driving through Perth with a float, dodging all the show traffic and then find the appropriate gate to enter for livestock. Once there they found where *Paddy* had to be stabled, transferred the car and float to the Barracks, caught the shuttle bus back, settled *Paddy* in and then had to learn all the event etiquette. After spending some time checking out the show and sideshow alley, Tealah and her mum headed back to the stables at 5pm to saddle *Paddy* and change Tealah into her formal pony club uniform. Tealah and *Paddy* were both pretty nervous and they spent a lot of time in the warm up arena getting them both used to the atmosphere. The other pony club riders were fantastic and took Tealah under their wings. 6:30pm was show time and out they rode into the main arena to demonstrate three novelty games, Barrel Race, Three Mug Race and the Western Bending. *Paddy* was his usual 'trotting' self and definitely didn't win any speed records but the crowd loved the smallest combo.

On the 14<sup>th</sup> October Beverley and York Pony Clubs joined together to celebrate the 50<sup>th</sup> Anniversary of the start of pony club in our area. A lovely day was had by all who attended. Thanks to Tess and Danielle who rode with the members to keep an eye on things. Riders also enjoyed Renée's company on the ride as she and her young mare *Holly's* went on their first bush ride.

Our October rally was a warm day but still well attended. Caroline Worboys from Orange Grove Pony Club provided instruction to our Warmblood & Arab groups, with riders finishing up their session on the x-country course. Jenifer kept the Welsh group on their toes on the flat and over a few jumps. Renée had riders looking at how to look after their gear over the summer months when warm weather and lack of use can see it getting dry and hard. Tess kept our youngest riders busy in their yard with quite a few of the riders off the lead now.

I got the chance to meet a few new ponies this rally and I must say these are some lovely additions to our club. Katie brought along *Esther* who is a lovely little bay pony. Grace has been lucky enough to borrow *Jip* from Zoe Bennett. Jess had her new horse *Quinton* at the rally; he is considerably taller than her pony *Harry* and should last her for quite a while. I also hear on the grapevine that Bianca has a new horse that I'm looking forward to meeting.

While we had lunch and celebrated this month's birthdays with a yummy chocolate cake, several of our members transformed from pony clubbers into graceful dancers before they headed off to dance.

We were very excited to have the Girls, Girls, Girls WA Trick Riding troupe visiting us this rally. They gave us a very exciting demonstration with riders upside down, standing and laying around the horses while they galloped down the arena. Our riders got the chance to meet the horses, check out the gear and have a go at some of the tricks themselves on the troupe's horses. This troupe is heading off to Equitana early next month where they will be doing a demonstration and competing. This is a growing sport and is very exciting to watch.

We are hoping before it gets too much warmer that several of our riders will get to sit their D & D\* exams.

Our Windup and presentations day will be held on the 11<sup>th</sup> November. We are hoping that the weather will be kind to us on what looks like being a fun filled day to wrap up the 2012 season.
