CONGRATULATIONS

Thank You B.A.G.S

Beverley Art Gallery Society and your volunteers for a great night
 of entertainment at your Gala Opening of the Platform Theatre.

We are proud to have sponsored this fantastic community celebration.

☺☺☺Can't wait to see future events at this great venue☺☺☺

WORKSHOPS

Aussie Host

Accredited Customer Service Workshop.

Learn how to deal with customers and
 provide high quality service.

Time Management

Gain skills in how to effectively use time.

Learn how to organize tasks and projects.

Grant Writing & Project Management

Does your club/group struggle to effectively write grants?

Are you unable to get funding?

This workshop may be the answer.

Presented by Jodie Mortadza from RDA

Community Survey

You will shortly be receiving in the mail a
 comprehensive survey relating to the services
 available at the CRC.

Results from this survey will help us in providing the
 highest standard of services to our town in the future,
 as requested by you.

Please help us in our quest to make Beverley
 the best town in the Wheatbelt.

As an incentive, every returned survey receives a
 ticket to go into the draw to

Win a \$200 voucher for Hotel Beverley.

You've got to be in it to win it!!!!

Please return surveys by 15/04/11 Drawn 16/04/11.

Proudly supported by

Department of
 Regional Development and Lands

ROYALTIES
 FOR REGIONS

Grant for Recreation Ground Facilities Upgrade

The Shire has received notice that it will receive \$576,655 from the recent Community Sporting and Recreation Facilities Fund (CSRFF) funding round. This is very welcome news, and following confirmation of other funding sources, will assist Council to commence redevelopment of facilities at the town oval.

Platform Theatre Gala Opening

Congratulations to the Beverley Art Gallery Society on the fantastic event organised for the Gala Opening of the Beverley Platform Theatre. Many favourable comments have been received relating to both the event and the redeveloped Railway Station Precinct. Minister Brendon Grylls MLA, Minister for Regional Development and Lands who officiated the opening of the Platform Theatre was most impressed by what has been achieved in this community driven project.

10/11 Road Programme

The works supervisor has advised that the 10/11 road programme is on track for completion within the financial year. A section of the York Williams Rd which has received gravel sheeting is proposed to be sealed in 11/12. Further sections of this road and Greenhills South Rd are included in the 10 year road programme for sealing, as is widening of the Morbining Rd.

Beverley Art Gallery Annual Art Purchase Exhibition

Preparation is underway for the 43rd Art Exhibition, opening on Thursday 21st April for 6 days over the Easter break. This has in the past been a very worthwhile exhibition to view and purchase from, and each year the breadth and quality of works has amazed many a visitor to our town. The Committee have been successful in attracting Max Kay AM, President of the National Trust WA as a guest to speak at and open this year's exhibition. (Max Kay was widely known in his role as an entertainer associated with the Civic Theatre Restaurant).

Local Planning Strategy Review and Strategic Planning Workshop

Thankyou to everyone who participated during the day and evening of Thursday 24th February, providing valuable input and comment to guide the Planning reviews which are currently underway.

Bethany Farm Lease

Due to the exorbitant lease being charged on this property by the Department of Planning and Infrastructure, Council has resolved that it would relinquish the lease to DPI unless the lease fee is altered to more accurately reflect the value of what can be achieved from sub-letting. These requests in the past have been unsuccessful. Additionally,

Council has been unable to justify as to why it should retain the lease of this particular block. If you wish to provide feedback on this decision please do so to Cr Lew Shaw, Cr Keith Murray or Cr Dee Ridgway.

E Waste Container

The E Waste container has been emptied and returned to the Beverley Refuse site in Nicholas St. You can dispose of your old computers, TV's, printers, faxes, DVD players and the like each Saturday, Sunday and Monday 8am – 4pm (closed Christmas day).

"What's on in Beverley over Easter"

Congratulations to all those community members involved in the initiative to create a "What's on in Beverley over Easter" brochure. Whilst planned as an information guide for visitors to Beverley over the weekend, the Community Resource Centre designed the brochure and sent 500 copies to be displayed on the Avon Tourism stand at the recent 5 day Caravan & Camping Show as a

community project using promotional funds provided by the Department of Regional Development and Lands. As all brochures were handed out it will be interesting to see how many more visitors are in our town over Easter!

Thankyou Kerry

Thankyou to Constable Kerry Brindle and her family and friends for organising the "From One Extreme to the Other" drought to flood benefit concert in February. It was a lovely casual summer evening on the oval and it really was a shame more didn't take advantage of this free community event. Those of us who did go along had a fabulous night.

CEO Retirement

Council has received a letter of resignation from our long standing CEO, Mr Keith Byers who intends to retire from Local Government effective from 18th January 2012.

Dee Ridgway
Shire President

CONSULT INNOVATE CREATE

Capacity Building Workshops

Consult Innovate Create offer a range of one-day* training workshops. Content and material may include theory, step-by-step processes, tools/techniques, templates and interactive, hands-on activities which can be adapted to suit the individual learner and their focus area.

Workshops are delivered in a safe and non-judgmental environment, encourage participation and where possible, participants are encouraged to use their own activities as individual case studies for development.

For more information phone 0429 050 469 or email CICreate@bigpond.com

FREDERICK WILLIAM GARWOOD **2.4.55 - 30.1.2011**

Shelley and Loretta Garwood along with their mum Michelle would like to thank everyone who called, visited, sent cards, and offered their condolences on their Dad, Fred's passing.

Your concern, thoughts and support, at this very traumatic time has been very comforting.

Thanks also to the ambos who attended. It couldn't have been easy for you having to attend to someone that you have known for as many years that you knew our dad.

Shelley, Loretta and Michelle Garwood

THANK YOU

I would like to thank the ambos, Dr Remi and nurses and staff at the Beverley Hospital for their help and compassion during my wife Jann's illness. I would also like to thank all who attended Jann's memorial. Special thanks to Kay and Alan, Margaret and Keith, Bev and Mel, the Ag. Society members and the ladies of the Oasis Church.

Thank you all,
George

THANK YOU

Maree, Kim, Peter and Brett thank all friends, family and the Beverley community for all the love and support shown on Geoff's passing. Your kind words, cards and actions were overwhelming and most sincerely appreciated.

The Hutchinson family

THANK YOU

To the neighbours and family who came so quickly to our aid after the storm on 29 January 2011, we wish to let them know that we sincerely appreciate and thank them for their help.

PORTABLE DE-FIB MACHINE

A portable De-Fib machine is now being held at the Shire office, for use by community and sporting groups. It can be reserved for use by groups having community events.

Please contact the Shire for further details.

NOTICE

A number of Beverley residents may have applied for the \$80 payment from Western Power, as a result of the extended outage which commenced on 29th January at 3pm. Western Power has rejected some claims, saying the outage was only 2 hours 26 minutes and it occurred on 30th January. Check to see what has happened to your claim, and if you are not happy make a formal complaint directly to the Energy Ombudsman 1800 754 004 (Western Power acknowledges that their computer system is not recording the faults correctly and therefore they are rejecting claims.)

LADIES GOLF

We are having a busy bee on the 5th April at 9.00 am .

Could you please come to help clean the club house.

9.00am to 3.00pm

**Devonshire Teas available in the carriage
garden**

Station Gallery and Platform Theatre News

Platform Theatre

The finishing touches to the performers' change-rooms were being attended to right up until the morning of the gala opening but the result was worth the wait. Our thanks to Wayne, Lyndon and Warren for their perseverance in transforming the old latrines to such splendour any theatre company would be proud of. Anyone wishing to see the rooms can ask whoever is manning the Gallery Thurs - Sun to show you through.

Gala Opening

Saturday 19th March is a date more than 300 hundred people will remember as a truly spectacular event. Not only was the weather perfect with an amazing 'super moon' shining above, but the actual official opening by The Honourable Brendon Grylls went off without a hitch - ably directed by our own Sandy Shaw and Steve Ramm, followed by the best sound Metro Big Band could produce (so infected they were by such a happy and enthusiastic audience), and to top it all off a train went through just at the end of the first bracket! By the Harry you did it again Ann!

Our thanks to all who made this special event possible - in particular the Beverley Rural Business Development Corporations' Dry Season Assistance Scheme, Community Resource Centre, and the Shire of Beverley. Thanks also to our wonderful and passionate committee, their spouses, children, and Friends of the Station for the many hours (days) spent in preparation, working on the night, and then of course the wash-up (enjoyed by some more than others!).

The Hon. Brendon Grylls MLA, Minister for Regional Development officially opened the Theatre, here with Jenny Broun, Dee Ridgway and Sandy Shaw.

Ann's step-daughter Naomi with the bench handcrafted in Ann's memory

Future Events

Planning is under way for the next season commencing in October. If you would like to be included on the emailing list for notification of coming events, email Sandy at lewandsandy@bigpond.com Friends of the Station will be notified one week prior to advertising events. If you would like to become a Friend (\$25.00/year) contact Kathryn on 96464047, or email: wk.mclean@bigpond.com

Garden Seating

After the unveiling of Ann's seat by Haydn and Ann's daughter Kelly, it was placed near her corner garden where we may now sit to ponder all that was as well as all that this fantastic venue has to offer the generations to come. Ann's seat joins another bench seat placed near the Guard's Kiosk door where it has become a welcome place to sit in the afternoon shade. It was kindly donated by Jan Blechynden. And of course the 'S' shaped bench is being enjoyed particularly by children thinking it as a railway track, and the two straight benches also made by the Hutchies are being utilised in various positions during concerts. We look forward to another seat being crafted and donated by Barry Knight.

Treasurer

Such welcome news - Pauline Knight has joined the Art Society's committee as treasurer. Thank you so much Pauline for taking on this (at times) demanding position such as it was this month.

Platform Markets

We're planning a terrific fun day for the kids and adults on Easter Saturday 23rd April from 9.00am - 3.00pm. There will be face painting, bouncy castle, craft activities, along with some great craft and gourmet food stalls at the Station on the platform and in the garden. Buskers will entertain in the garden where Devonshire teas can also be enjoyed.

Easter Art Exhibition

Last minute entries are flowing in for our 43rd Annual Art Exhibition. Setting up the exhibition begins on Saturday 16th April in readiness for judging on Wednesday. Please let me know if you would like to be involved in this process, and/or helping to pack up on Tuesday afternoon 26th April.

The exhibition will be open to the public on Thursday 21st April 10.00am - 4.00pm, **for viewing only** followed by the Official Opening 7pm - 9pm. Be there to get the best buys! Remember, everyone is invited to the exhibition opening on Thursday night which will be officiated by Max Kay at 8.00pm. As an added bonus this year we have the privilege of the judges Carl and Jan Altmann also attending the opening and will speak of the winning entries. Door entry (\$8.00, and \$5.00 under 18years) includes a complimentary drink after which additional drinks can be purchased at the bar.

Viewing times

For the duration of the Exhibition opening hours are as follows:

Thursday 21st, Friday 22nd, Saturday 23rd and Sunday 24th April - 10.00am - 4.00pm

Monday 25th - 12.00 - 3.00pm and Tuesday 26th 10.00am - 1.00pm. Admission (includes catalogue): Adults \$2.00, Children \$1.00, Family \$5.00.

Easter Art Raffle

Raffle tickets are now on sale at the Newsagency or Station Gallery for the lovely oil painting by Barry Mackie (judged Best Local Artist 2010) and framed by Chris and Ruth Baker of York. The winner will be drawn at the conclusion of the exhibition on Tuesday 26th.

Artists in Residence

On Saturday 9th April, Neil Elliott who lectures at Claremont School of Art, will conduct a **mixed media workshop** incorporating found objects.

Time: 9.30am - 4.00pm.

Cost: approx \$50.00 depending on numbers.

Registration and Materials: Phone Marylou (details below).

BYO lunch, tea/coffee supplied.

Please note that the sculpture workshop has been postponed to later in the year.

Artists in Residence programme 2011:

April: Neil Elliott from Perth

June: Helen Amyes from York

July: Marta Salamon from Victoria

August: Michael Vandeleur from Safety Bay

Contact Artist in Residence coordinator Marylou Hutchinson on 96471027 / 0427085511 or email; hutchinso@wn.com.au for any further information of the above.

BEVERLEY TOURIST BUREAU

The cooler days have brought visitors to the Bureau from Belgium, Ireland, Sydney and England. They all remark about how friendly our town is.

We have in stock many local gifts; our fly swats are popular, as well as lavender, jams and of course our tea towels designed by local artists.

Our committee has planned a town bus tour with points of interest to visitors. This will be from the Bureau at 10am and 2pm. We also have groups of orienteering folk staying in town over Easter. Please make them welcome. We appreciate local visitors too at our Museum.

If you have assets, a WILL IS VERY NECESSARY.
If you divorce or remarry you should DO A NEW WILL.

John will attend your home or farm in YORK, QUAIRADING or BEVERLEY to advise on and prepare your will or give general legal advice. (No family law.)

Gunfire Breakfast

The Beverley RSL invites the community of Beverley to a Gunfire Breakfast after the Dawn Service to commence at 6.15am.

"Gunfire Breakfast is a term that was used to describe breakfast in the trenches, where the first meal of the day was taken by the diggers to the sound of gunfire."

Celebrate WA, RSLWA Branch and the Government of Western Australia have provided funding for this.

Beverley Health Service Meals on Wheels

We are in need of volunteers to deliver meals to the frail aged and disabled members of our Community who are unable to prepare adequate meals for themselves.

This involves just one hour of your time about every three or four weeks. If you have a little time to spare you will need to agree to have a criminal screening (at no cost to you) and spend a little time learning the ropes. You do not need to have a driver's licence as you can be paired with someone who has.

If you can help us please ring Dorothy Sampson on Tuesday or Wednesday on 9646 3218 or the Hospital on 9646 3200 in office hours.

**THANK YOU! THANK YOU
THANK YOU!**

25/03/2011

I am so grateful to all the folk involved in helping me after my accident.

Starting with Graham, a gentleman who was helping at a nearby farm. Boy! I have never seen a bloke hurdle a fence like that! Thanks for the water and care, thanks to the ex Air Force chap who had all the medical bits and did a great job reassuring me. He is a new resident of Beverley and welcome to you. Thanks to Peter Sherlel and John, our Ambos who had the task of picking me up out of the paddock, mammoth job well done!

Thank you to the York Sergeant Steve and his partner for their consideration.

Oh! Thank you to the chap who assured me he wasn't playing with my leg, just killing the ants, I won't name in case of embarrassment but, you know who you are John! Thanks!

Thank you to all the nursing staff at Beverley, particularly Michelle and Rick and thank you to our Ambos who took me to Perth. Graham, Sue and Lisa, who made the last leg of this journey as pleasant? as possible and thank you for your advice.

A very big **THANK YOU** to **ALL** of you and the others involved that I may not have mentioned. I couldn't see some of the folk but I know there were many who stopped on the road to offer help so to you I also say thanks.

Last but by no means least Thank you to Greg and Marg Barrett-Leonard for the use of your paddock.

All frivolity aside I do sincerely thank each and every one of the **WONDERFUL** and **CARING** people of Beverley and nearby who were a part of this trauma.

You all played a part in lessening the ordeal for me and I shall be forever grateful.

THANK GOD...for having me in His care...I was a lovely shade of purple but sustained no injuries.

THANK YOU ALL....
Dawn Robson

Big enough to do the job, small enough to care.

To all concerned with the Official Opening of the Beverley Platform Theatre, congratulations on a job superbly done. A wonderful evening that was universally enjoyed. If the adage "To begin as you mean to go on" is anything to go by, Beverley is in for some great evenings of entertainment.

Ted and Dorothy Sampson

A personal message to our Beverley Residents from Mal Roberts:

To all my friends and well wishers for all the 200 plus phone calls, which were unanswered due to my illness.

I offer my sincere thanks re: my health — I was diagnosed with Leukemia — my condition requires ongoing treatment at home and hospital in Perth.

To many/numerous farmer friends and their families, I thank you for your loyal support (I didn't know I had so many well wishers) who may I say here, offered to help in one form or another.

Thanks to the Shire CEO and fellow councilors for their concern and support.

Dr Remi and Rau have been very dedicated to monitoring my health, both at Sir Charles Gardiner Hospital and at home. I am a man who has risen from a near death experience who is grateful and happy to be back with my friends and well wishers in Beverley.

Having said a litany of words, in my humble way I say a big thank you and salute each and every one of you.

Heartfelt wishes to all.

Mal Roberts

AVONDALE DISCOVERY FARM

Easter Long Weekend 22 – 26 April

Avondale will be **OPEN** to the public over the Easter long weekend

Five days between 10am and 4pm
Museum, stables 1850's Homestead
Farm drive, Clydesdale horses
BBQ's, picnic area and a few animals

Donaldson Tippet engine prior to restoration

Busybee

There will be a general busybee at Avondale on Saturday 16 April commencing at 8am. Tasks include tidy up of museum, homestead, picnic area and animal nursery in preparation for the Easter weekend. If you can help or would like more information please contact 9646 1004. All volunteers welcome. Morning tea provided.

Avondale Master Plan Update

The Draft master plan will be completed by the time this Blarney is on the streets! We will advertise in the Beverley Bulletin Board when and where it will be available for public comment. Thank you to everyone who has contributed to this process.

AGM

The Annual General Meeting of the Avondale Farm Project Association Inc is to be held
Thursday 28 April 2011 at 7.30pm
at the Avondale Homestead
Interested people please contact Chairperson –
Bruce Mann
9648 1027 or 0427 246 333

National Heritage Machinery Association

13th National Rally 2011, Fairbridge Village Pinjarra 2-4 Sep

The Avondale Machinery Museum volunteers are planning a fantastic presence at the above event, and at the request of the organisers would like to take WA made agricultural implements. I

If you have something that might be suitable, and you are prepared to display please phone Alan Windsor 0427 447 608.

Museum

The **3HP Donaldson Tippet engine** is with Brian Beddall for restoration. Hopefully it will be operating at our next event. Perhaps driving the Bentall grister.

The cab of the **International C30** truck is to be restored by John Hawke

Avondale Reserve Vermin Proof Fence Repairs

Congratulations to the Beverley Football Club for completing the enormous task of repairing the 3km perimeter fence of the Avondale Reserve. Some interesting stats regarding the job;

Removed approximately

30 trees off the fence to allow access, and create firebreak
17,000 rusty jambro clips
1800 rusty coupling clips
3,400m rusty plain wire

Replaced approximately

19,000 new jambro clips
1800 new coupling clips
3,400m new high tensile plain wire
5000m netting, to create apron on the ground

These tasks were undertaken using many man hours and dealing with squillions of angry meat ants. Fantastic job guys, thank you very much.

Avondale Collection Significance Assessment Report

As part of the process of developing the Significance Report for the Avondale Collection, Cathy Day is looking forward to meeting with as many volunteers, committee and other interested folk, as possible, to discuss the process and get community feedback. The Avondale collection includes items from the agricultural machinery museum, the stables and

the homestead.

We have planned an information morning, with Cathy Day, at Avondale Homestead for Thursday 7 April at 10.30am and hope you will be able to join us. Morning tea will be provided!

RSVP to me (contact details below) by Monday 4 April

Leeuwin Ocean Adventure Foundation
Challenging and inspiring young people since 1986

APPLICATION FOR

2011 LEEUWIN OCEAN ADVENTURE FOUNDATION SCHOLARSHIP FUNDING

The Leeuwin Ocean Adventure Foundation operates 6 night/7 day voyages on the sailing vessel STS Leeuwin II for young people aged between 14 and 25. Voyages cater for young people from all walks of life, backgrounds and physical abilities.

Voyages include programs designed to help young people build skills such as self confidence, social skills, team work and leadership which are often necessary to obtain and make the most of future education and employment.

If you are a young person who needs help to develop these skills so that you can progress in life you may be entitled to a scholarship from the Foundation.

The normal price of a 6 night/7 day voyage on the STS Leeuwin II is \$1,800 for the 2011 sailing season. Scholarships from the Foundation can be worth up to \$1,000 per person and scholarship recipients will have to pay a minimum of \$800 for the voyage. These scholarships are means tested and if your application is successful the scholarship amount granted will be reflective of your situation.

Applications for scholarship funding are now open for voyages on the STS Leeuwin II during 2011. Please be advised that there are a limited number of scholarship places available each year.

Eligibility for a scholarship is assessed on the information provided by applicants via the attached form. Please complete each question and send your application to:

Scholarship Officer
Leeuwin Ocean Adventure Foundation Limited
PO Box 1100 Fremantle Western Australia 6959

Patchworkers News

Venue: Avondale
(Previously Landcare Centre).

Time: Every Tuesday 10.30 am; and
First and Third Saturday of
each month at 10.00 am.

Beginners welcome.

Contact Catharina on 9646 0876 for
further information.

Many thanks from Joy Moffat to the
patchworkers and Beverley commu-
nity for their support of her recent
fundraising. \$ 450.00 was raised to
be donated to Narrogin Hospital for
the running and ongoing costs of a
diagnostic scanner.

Congratulations to the winners of
the quilts raffled by Joy Moffat. First
prize went to Margaret Peck and
second prize went to Carleene
Lawler.

A successful workshop was held on
Saturday the 12th of March. We all
had an enjoyable and productive day
and the ladies went home with a
lovely patchwork cushion.

We are all very busy and working
hard towards our Easter Exhibition
on the 23rd of April.

Hope to see you all there.

Catharina Turle, President.
Tel: 9646 0876

Beverley Agricultural Society

The Poultry section of the Beverley
Agricultural Society is seeking inter-
ested volunteers to help prepare the
Poultry shed for the 2011 show and
help clean up on the Sunday after-
wards. We are always looking for
people who are interested in learning
to be either a steward or just run the
lotto.

Maybe there is someone out there
with an interest in Poultry who
would like to learn to be able to take
over and run the section.

Contact person: Gaenor Carter on
9646 1003.

www.beverleywa.com

FARM VEHICLE CONCESSION CODE 525 UPDATE

Vehicles granted a farm concession (525) may be driven on public roads provided that they are being driven between different areas that the owner farms and that those areas are located in the same or adjoining Shire.

Vehicles owned by a farmer/grazier are used almost exclusively on the owner's farm, and are exempt from vehicle licence duty and vehicle licence fees and pay a reduced third party premium. The farm concession (525) is granted on the basis that these vehicles make limited use of gazetted roads.

Farm vehicles may be driven on public roads only in the following circumstances:

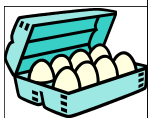

- to travel between **one portion of land and another portion of land that are both farmed by the vehicle owner**, provided that **those portions of land are located within the same or adjoining Shire boundary**; or
- for the purposes of fire prevention and fire control; or
- to travel to the nearest practical place for repair, or
- to cart water for stock or domestic purposes in declared drought affected areas.

Farm vehicle owners that use their vehicle contrary to the above conditions may be prosecuted for driving an unlicensed vehicle, and their vehicle may not be covered by compulsory third party insurance in the event of a crash.

Independent Public Schools

A public meeting has been scheduled at school to inform the Beverley community about the possibility of Beverley District High School becoming self-determining as an Independent Public School.

When: Monday 4 April at 7pm

In collaboration with their school community, Independent Public Schools set their own strategic directions, have authority for day-to-day decision making and are in an ideal position to make decisions that best cater for their students. Parents and community members have an important and enhanced role in this initiative.

Parents with students at Beverley DHS and interested community members are encouraged to attend.

From BCS Beverley Community Information and Paralegal Services

To Sylvia our loyal secretary for all the numerous phone calls and other matters you have handled on our behalf; your dedication deserves merit.

Our young friend Samantha Mearns has been helping BCS with email and other correspondence who has worked tirelessly by day and even sending emails at night—a solid and efficient volunteer. Thanks a lot Sam.

As most of our Beverley residents know that I have been unwell, in the next month or so (health permits) I will work for a few hours per week.

I am very appreciative to all the numerous well wishers whose lives I have touched, their concern was very touching.

Mal G Roberts

Seatbelt and Child Car Restraints

The current issue

There are still quite a few people that have not fully understood what the changes to the Seatbelt and Child Car Restraint mean for everyone in the community.

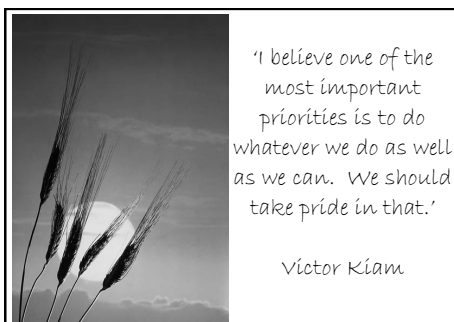

On the 1st of October 2010 the changes of the Seatbelt and Child Car Restraints came in to effect. This means that no one will ride in a motor vehicle without wearing a seatbelt and if there is only five seatbelts in a vehicle then that means only five people can ride in that vehicle. A child, no matter what age is a person. So a child car restraint will occupy the place and seatbelt of that vehicle.

This mean that there will be **no unrestrained** children or adults riding in any motor vehicle.

The children must be in an approved child restraint, for their age/weight as below.

- **From birth to age 6 months (birth to 9-12kg)** children must be in a rear facing restraint.
- **From 6 months to 4 years (9 - 12kg to 18kg)** children must be restrained in either a rearward or forward facing child restraint with an in-built, 5-point harness.
- **From 4 to 7 years (18-26kg)** children must be in a booster seat restrained by a correctly adjusted and fastened lap sash seatbelt or a child safety harness.
- **Child safety harnesses (used without a booster seat) are available for use by children between 26-32kg.**
- **Children outside weight / size guidelines for existing restraints will be able to use restraints suitable for younger or older children.**
- **Children under 4 years** are not allowed to travel in the front seat of a vehicle with two or more rows of seats.
- **Children between 4 years up to their 7th birthday** are also **not allowed** to travel in the front seat of a vehicle with two or more rows of seats, unless all other back seats are already occupied by children under seven years of age.

Also on the 1st of October 2010 WA also tightened up on the legislation that does not permit the carriage of more passengers than available seat belts within the vehicle. In short that means if there is five seat belts in a car that means only five people and that includes a child or baby, a child or baby is a person.

Census Recruitment Continues in Beverley

In the weeks leading up to 9 August, tens of thousands of Census Collectors carrying yellow bags will be dropping off Census forms to every house in Australia.

Census District manager for the Wheatbelt, Hayley Priestley, explains that making sure everyone in the Wheatbelt is counted on Census night will mean that the region is able to receive all the funding it's entitled to as well as help plan for the future.

Hayley has been busy interviewing

applicants for Census Area Supervisor positions in Beverley and surrounding areas over the last few weeks and is excited about Collector recruitment that's about to commence.

"I'm hoping we get people from all walks of life applying for Census Collector positions in the Beverley area," she said.

Applications for the part-time positions will open on 9 April and successful applicants will be employed between 1 July and 8 September.

Census data are used by all levels of government as well as private

industry for a wide range of planning purposes such as schools, hospitals, the provision of services to the elderly, transport and roads.

It also determines electoral boundaries, the number of seats each state holds in the House of Representatives and the distribution of GST.

The Census takes place once every five years and the 2011 Census figures will update the 2006 data collected for the Shire of Beverley which included:

- The number of people counted on Census night was 1,562.
- 4.9% identified as Aboriginal or Torres Strait Islander
- There was 58 more men than women
- 18% of Shire of Beverley residents were 14 years of age or younger and 39% were 55 or older
- There was more than twice as many 5-14 year olds (188) than there was 15-24 year olds (93)

Ms Priestley explained, "Hiring local Collectors, particularly in regional areas, is one of the most important elements to collecting full and accurate Census data."

The majority of Census Collectors will earn between \$1,100 and \$2,300 for the part time work.

To be eligible to apply you must be an Australian citizen or permanent resident, be 18 year of age or older, and have access to a vehicle and telephone.

You can find out more information or apply for a Census Collector position at www.abs.gov.au/recruitment or by calling 1800 420 182.

If you have any questions call the Child Car Restraint Information Line on 1300 780 71.

Fines and Demerit point loss for not wearing a seatbelt or using the correct child restraint for children.

Offence	Fines	Demerit Points
Double Demerit point for holidays and long weekends		8
Unrestrained Driver	\$500	4
With one unrestrained passenger	\$600	4
With two unrestrained passengers	\$700	4
With three unrestrained passengers	\$800	4
With four or more unrestrained passengers	\$900	4
Restrained Driver		
With one unrestrained passenger	\$500	4
With two unrestrained passengers	\$600	4
With three unrestrained passengers	\$700	4
With four or more unrestrained passengers	\$800	4

Demerit points are doubled on long weekends and other prescribed holiday periods*

The Child restraint and seat belt laws are not a revenue making project, it is all about protecting children and the occupants of a motor vehicle. It has been found in crash investigations that the unrestrained occupants have actually killed other occupants of a vehicle involved in a serious crash.

“New Venue for Breast-feeding Education Classes in Northam”

Breastfeeding classes for pregnant women and their partners are now held at Northam Hospital

Pregnant? Thinking of breastfeeding? Prepare to succeed! is the message the Australian Breastfeeding Association (ABA) sends. The Northam group of the Australian Breastfeeding Associations has Breastfeeding Education Classes for 2011 at a new venue—Northam Hospital, Day Hospital Unit, Robinson St Northam. The first class for this year is on Saturday 19th March 2011 from 1pm to 4.30pm. “It’s wonderful to have the support of the Northam Hospital and Primary Health Service in providing the venue for classes. Mothers are now able to access all their antenatal classes in the one location.” ABA counsellor and class coordinator, Amanda Abbott said.

“Statistics show that about 90% of new mums leave hospital breastfeeding, however, by 3 months, only 54% of infants are fully breastfed.” ABA counsellor and class coordinator, Amanda Abbott said. While some of the parents would be very happy with their choices, others stop breastfeeding because they are worried about their milk supply. Timely information and support would help these mothers breastfeed for as long as they wish. By coming to a breastfeeding education class before you have your baby, you can learn how to help your baby breastfeed from birth, using instinctive behaviours. Many mothers make a birth plan, and this class will help them make a breastfeeding plan and combat some of the myths out there about breastfeeding.

Participants will leave with a take home pack, and 12 months subscription worth \$65.00 to the Australian Breastfeeding Association. This will give them access to ongoing local support at group meetings. Subscription also includes a book, ***Breastfeeding...naturally*** plus a bi-monthly magazine, ***Essence***, allowing the family to learn about different breastfeeding experiences before the baby arrives. The cost of the class is great value at \$85 per cou-

ple, including afternoon tea. A concessional rate is available. The classes are aimed at all pregnant women and their partners who wish to learn more about breastfeeding. Classes will be held approximately every 2 months.

More information on Breastfeeding Education Classes including upcoming classes can be found at www.breastfeeding.asn.au. To book your place, please see the website, or ring Amanda on 96229593.

Delivering a Healthy WA
WACHS - Wheatbelt Region
Avon & Central Wheatbelt Primary Health Service

Primary Health Presents:

“Junior Jibber Jabbers”

An Early Language Group for Toddlers

Parents are invited to bring their children along to Junior Jibber Jabbers, a group which promotes language development and social interaction through play. Come along and learn fun and exciting ways to interact with your child to encourage the development of their language skills. Each week a different language development strategy will be discussed and demonstrated. You will then have the opportunity to practice the skill with the support of a Speech Pathologist.

- What:** A range of topics will be covered over the course of the group, with information and handouts provided.
- Where:** Day Hospital at the Northam Hospital - please present to Allied Health Reception area.
- When:** 9:30 - 10:30am followed by morning tea
- Dates:**
- | | |
|-------------------------|----------|
| Monday 14 th | February |
| Monday 21 st | February |
| Monday 28 th | February |
| Monday 14 th | March |
| Monday 21 st | March |
| Monday 28 th | March |
| Monday 4 th | April |
| Monday 11 th | April |

NB: No group on Monday 7th March due to a Public Holiday.

- Who:** Parents of children aged between 12 - 36 months who are concerned about their child’s language skills or who would like extra tips and ideas how best to promote language development in their children.

Parents are welcome to come along to any or all of the above sessions. Morning tea will be provided for parents, please bring a snack and drink for your child.

Parents are requested to contact their Speech Pathologist on 9690 1321 if they are interested in attending any of the group sessions.

Orienteering Western Australia Frazzle Rock 2011 National Carnival 22 April – 2 May

Frazzle Rock 2011 Orienteering National Championships

The Frazzle Rock Carnival is an orienteering extravaganza from April 22 until May 1 that includes the *Be Active Australian 3 Day Championship*, the *Be Active Australian Sprint Championship* and *Be Active Australian Middle Distance Championship*. There are events for the first-timer as well as world-ranking events for experienced and elite athletes. There has never been a better time to enjoy orienteering or try a new sport.

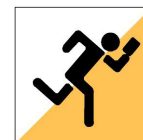

Over Easter, the Frazzle Rock Carnival will be taking place in the Beverley area. Competitors will be challenging themselves over the local terrain and then enjoying the area's hospitality. Since the Frazzle Rock Carnival is taking place on your doorstep, why not put your navigation skills to the test? More information can be found at www.aus3days2011.orienteering.asn.au

What is orienteering exactly? Orienteering is a sport that combines outdoor adventure with map reading and navigational skills. It involves navigating through the bush, parks or streets with the aid of a specially produced map and orienteering compass; the aim being to locate checkpoints (controls) on various natural and man-made features along the way, such as a boulder, track junction, bench seat or street lamp.

The skill in orienteering is in choosing the best route between controls. While beginners' courses may not offer much choice, as you progress you will learn to decide between options. As an example, a route over a hill may be shorter but harder to run or a longer route that goes round the hill may have easier terrain to run across. The choice is yours. Ori-

enteering is a stimulating mental challenge as well as the physical activity that makes it so popular with people of all ages and particularly appeals to graduates and those in professional occupations. Many families also enjoy orienteering

together with every orienteering event catering for different fitness levels and abilities. For more information visit www.aus3days2011.orienteering.asn.au

WHEATBELT WA

Creating opportunities for
Wheatbelt young people

The
WYLD
Network
Wheatbelt Youth Leadership Development

'The WYLD Network' is a group that young people can join to receive information by email or post about upcoming opportunities for young people who live in the Wheatbelt.

'The WYLD Network' is managed by a committee of young people called 'The WYLD Team' made up from 'The WYLD Network' members and drawn from different communities of the Wheatbelt. WYLD represents Wheatbelt young people on the Advisory Committee of the Commissioner for Children and Young People.

WHAT WILL JOINING THE WYLD NETWORK DO FOR ITS MEMBERS?

The Network will let you know by email or by post about:

- Funding opportunities for your town, school or sporting clubs;
- Community projects that you can be apart of;
- Free upcoming training, workshops and other experiences;
- Leadership activities, camps and other fun stuff going on;
- Networking opportunities with young people from other communities;

You will also have the chance to put your ideas forward for exciting new projects and have a team behind you to make your idea a reality.

HOW DO I JOIN? If you are aged between 12 and 25 either email your name to Michelle Blackhurst on michelle.blackhurst@rdawheatbelt.com.au and 'SUBSCRIBE TO THE WYLD NETWORK' or give Michelle a call and we can register you by phone 9622 8700.

How can 'The WYLD Network' help you?

An Australian Government Initiative

THE BLUE LINE

Beverley Police Station - Western Australia Police

Phone: 08 9646 3333

Fax: 08 9646 1447

Beverley.Police.Station@police.wa.gov.au

Hello Beverley,

After not having an article in last month's Blarney, there is plenty to talk about. I want to start with personally thanking Kerry Brindle for an outstanding job of organising and running the Drought to Flood Benefit Concert on the 26th Feb 2011. Without her commitment to the community this concert would never have happened and those that attended had a great time. Thank you also to the other people that helped Kerry with making the concert a success, especially the Shire, for their funding and support.

February saw a few local people picked up for drink driving offences, this tells us there are a few growing a little complacent and still thinking it is okay to just sneak around the corner after a couple of beverages. Police are around all of the time, just because you haven't seen them for two hours, certainly does not mean that when you pull out of the pub that they won't be there. The local police have taken people home on many occasions at the end of the night; we want to see people get home safely. There is a courtesy car in town that does a wonderful job for next to nothing. Take advantage of this option or just walk if you know that you are going to have a few drinks, ITS NOT HARD.

Speeding and failing to wear seatbelts are also an increasing occurrence lately. These factors when driving lead to an increase in serious injury or death when involved in a traffic crash. We want to see everybody safe and sound in town, so be careful when you are driving around town. We will be around and will issue infringements to those not doing the right thing.

A few people have asked about the current law in relation to registration stickers for vehicles. As you know that when you register your vehicle you now longer receive a registration sticker to place on your windscreen. This was a way to remember when your licence was due, however now that you don't have them the onus is on the owner of the vehicle to ensure that the vehicle is licensed. Unfortunately there is no exception to the rule and if you fail to renew your vehicle licence and drive that vehicle you risk being caught and charged. It is not an infringement and you have to go to court. This is also the same for people that drive the vehicle knowing that it is un-licensed. If you are unsure when your vehicle license is due you should contact Department of Transport on 131156.

As for registration stickers, the law in relation to displaying an expired registration sticker is still in force. If you are displaying one of these stickers you will receive an infringement of \$50.

STOCK THEFT ON THE RISE

There has been a recent rise in stock theft throughout the Wheatbelt region. Whilst this problem has been around for years it has now been more common because of the high price of sheep. Police are urging everyone to be more vigilant and report any suspicious behaviour on yours or your neighbour's property. To also help with reducing stock theft police will also be stopping and checking vehicles that are carrying any livestock. So please make sure your waybills are with you and they are filled out correctly. If you see anything suspicious call Beverley Police on 96463333 or if you want to email us with any information regarding suspicious behaviour you can on beverley.police.station@police.wa.gov.au

Police have recently been bogged down with an increase in the instances of bullying amongst our young people. Parents please sit down and chat to your kids about what types of things are happening for them at this time. As for the young people, you do not need to interact with others that you do not like or get along with, but you do have to respect yourself and others however. So if you're on facebook (**give it a rest for a while**), if you see somebody you are not getting along with, do not interact with them.

Be aware of the way you speak to your teachers and your parents, it's beginning to get a little out of hand,

so take a deep breath and move on. Whilst the law gives young people a chance if they make a mistake, there comes a point where enough is enough and then you maybe charged for your actions. This has a detriment for you in the long term with employment and overseas travel. So if you don't won't to have those restrictions placed on you when you're older you need to start making adult decisions. Parents also need to be aware of the dangers of taking matters into their own hands in trying to (defend) your child. I DO NOT condone these actions and if you become involved in these matters I will investigate and where there is something unlawful in your actions you will be charged.

Kerry and I are contactable and here to assist to ensure these matters do not get out of hand and to offer advice. You need to either speak with us, or if something is happening at the school you need to speak with the principal of whichever school it is occurring at.

While on the subject of young people, we are unimpressed to hear that two boys were seen inside the station gallery property after hours, having gone into the storeroom and splattered black paint all over the walls and the floor. Not only that but also making a mess of the memorial garden. Police have been given descriptions of those involved; you will be caught and dealt with appropriately. This behaviour is unacceptable, show some respect. As far as those that wait for the school bus on Vincent Street in the mornings, it has been brought to our attention that the behaviour of the older boys in particular is getting out of hand, resulting in a window at the memorial toilets being broken. Police are aware of this issue and are watching the children at random times to ensure they are behaving correctly. Police now know who was responsible for breaking the window, that person will be spoken to.

On a positive note, we would like to thank the Beverley Art Society and the Shire for holding a most fantastic opening on Saturday the 19th of March. What a night, a beautiful tribute to Ann Rayner and an awesome big band that saw everybody (Kerry included) off their seats and dancing the night away. The moon was close and a train even entered left of stage at just the right time to top off the evening. Thank you again. Beverley is extremely lucky to have such a great purpose built venue for which to hold these wonderful events.

Stay Safe

Darrell and Kerry

... a leading community with a strong local government,
vibrant economy, healthy natural environment
and unique sense of place.

PLANNING COMPLIANCE OFFICER - 50 hour fortnight

The Shire of Brookton is seeking an *energetic* and *highly self-motivated* person to fill a vacancy for a Planning Compliance Officer.

The main purpose of this position is to ensure that developments within the shire comply with the town planning scheme and other relevant development conditions. The role requires on site inspections, liaising with developers and property owners and initiating prosecution when necessary.

The total remuneration package for this position is \$35,574 per annum based on a 50 hour fortnight.

The successful applicant will be required to undergo a pre-employment medical examination and police clearance.

An application package is available by contacting 9642 1106, or by email to mail@brookton.wa.gov.au. Written applications (providing two work related referees) are to be marked "CONFIDENTIAL APPLICATION" on the envelope and posted to the address below. Applications close 4.00pm Friday 8 April 2011.

Chief Executive Officer
Shire of Brookton
P O Box 42
BROOKTON WA 6306

Karl and Hollie would like to advise that Beverley Electrical Services will be closed for business from 15/4/11 until 4/7/11.

We apologise for any inconvenience this may cause, but we are unable to find a tradesman to keep the business running while we are away.

Dale will be undertaking other work in Beverley during this time however he is unable to complete electrical work, so please DO NOT approach him.

Once again we apologise for the inconvenience but everyone needs an extended break once in a while.

We look forward to servicing your electrical and solar needs on our return.

Don't be a fool, change your smoke alarm battery this April

Fire and Emergency Services Authority of Western Australia (FESA) together with Duracell are urging all WA residents to make April Fool's Day (Friday April 1) the day to change their smoke alarm batteries this year.

Each year more than 50ⁱ families across Australia lose a loved one as a direct result of a house fire, with the majority of deaths occurring between 9pm and 6am when the household is asleep. During sleep the vast majority of people do not register the smell of smoke – in fact during the deeper cycles of sleep they don't register smells at all.

Smoke alarms are essential to wake people if a fire breaks out; they give household members an early warning, and time to evacuate safely – but only if they work.

"When asleep our sense of smell is greatly diminished. When we enter the deeper stages of the REM sleep cycle, our brain dramatically slows in receiving input from the olfactory nerves (our sense of smell) which is why people don't wake to the smell of a burning fire," said sleep scientist Chris Bunney of Home Sleep Studies Australia.

"When asleep, we may not smell smoke but we will hear a smoke alarm. A working smoke alarm can literally mean the difference between life and

death," added Bunney.

Fire authorities recommend the use of photo electric smoke alarms and say that not changing your battery and failing to maintain your smoke alarm can be just as deadly as not having one at all.

Fire and Emergency Services Authority of Western Australia (FESA) District Manager Craig Waters says: "I see devastating house fires every year. In fact, one in fiveⁱⁱ Australians experience a house fire. Sadly, not everyone gets out safely. In some cases, this is due to smoke alarms not working properly as they have been disconnected or have a flat battery. Worse still, some homes don't have a smoke alarm installed at all.

"Only working smoke alarms help to save lives, so we are strongly encouraging all WA households this April Fool's Day to not be a fool and make Friday April 1 the day to change their smoke alarm batteries. We recommend using high quality, long-lasting 9V alkaline batteries such as Duracell to ensure year round protection.

"All homes, whether permanent or holiday, need to be equipped with fully functioning smoke alarms – this includes caravans and cabins. Maintaining alarms and replacing batteries is also essential, particularly at properties that are not primary residences.

"It is especially important to replace batteries now as we move into the winter months, because the increase in usage of heaters and other electrical

equipment leads to more house fires. Together with Duracell, the Fires Services message is simple; **Only Working Smoke Alarms Save Lives.**"

The Fire and Emergency Services Authority of Western Australia (FESA) recommend you to:

- Test your smoke alarm once per month to ensure the battery and the alarm sounder are operating and clean with a vacuum cleaner annually to remove particles that will affect smoke alarm performance

- Replace the battery annually with a long-lasting Duracell alkaline battery

- Install smoke alarms in positions that will wake all occupants in the home and give them time to evacuate. E.g: outside each sleeping area with additional smoke alarms installed inside bedrooms where doors are closed at night and along evacuation routes if bedrooms are located upstairs

Smoke alarms are designed to protect you while you are sleeping. Visit www.changeyourbattery.com.au or your local fire service authority for more information on where to place smoke alarms in your home.

In 2010, FESA attended nearly 1,000 household fires in WA. There were 6 fatalities which could have been prevented.

The Change Your Smoke Alarm Battery campaign is supported by Duracell.

Every child deserves the best start in life

AEDI Australian Early Developmental Index

The AEDI is a relative population measure of how young children are developing in different Australian communities. The AEDI is important to assist communities and governments to plan and assess the effectiveness of their efforts in supporting young children and their families.

www.aedi.org.au

What happens in the early years matters

- **Brain development:**
A young child's brain develops rapidly.
- **Early childhood influences:**
Both families and environments matter.
- **Early experiences shape development:**
Children's early experiences shape the adults they'll become.
- **Invest early for the future**
Investing in the early years makes a difference to children's outcomes.

Building strong foundations

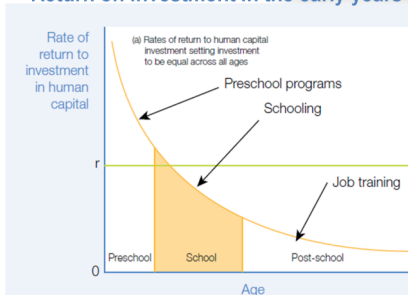

Getting the foundations right is important—healthy brain development is a prerequisite for future health and wellbeing

An Australian Government Initiative

Return on investment in the early years

Ability gaps open early in life

'Ability gaps between advantaged and other children open up early before schooling begins... Children who start ahead keep accelerating past their peers, widening the gap... Early advantages accumulate, so do early disadvantages... The best way to improve the schools is to improve the early environments of the children sent to them.'

Heckman & Masterov, 2005

Beverley District High School Happenings

It is hard to believe that we are now into our 8th week of Term 1 and we have had a few changes to our staff since the last Blarney. Ms Dani-Elle Lindau, a past student has been appointed to our school and is working two days a week with a group of students from each of the primary classes in the area of Targeted Literacy Support. Welcome Dani-Elle!!

Independent Public Schools

A public meeting has been scheduled for the evening of Monday 4 April at 7pm at school to inform the Beverley community about the possibilities for us to become self-determining as an Independent Public School.

In collaboration with their school community, Independent Public Schools set their own strategic directions, have authority for day-to-day decision making and are in an ideal position to make decisions that best cater for their students. Parents and community members have an important and enhanced role in this initiative.

I would encourage as many parents with students at Beverley DHS and interested community members, to attend and if possible to let the office know so we may organise a comfortable location for the meeting.

Swimming Carnival

On Friday the 4th March the students of Beverley DHS competed in their annual Faction Swimming Carnival. It was a great day resulting in Eyre (green) winning the day with 287 pts, followed by Forrest with 222 and Dale coming in with 180 pts. Congratulations to all the competitors and special congratulations to all the winners.

Crazy Hair Day

On Friday the 11th March Beverley DHS held a crazy hair day raising money for the Leukemia Foundation. Lots of kids came to school with their hair done and so many more had their hair coloured at school. All in all it was a great day. Around \$295 was raised.

Spring Valley Academy Plate Tennis Tournament

Congratulations to Tarkyn Henry, Lachlan McLean, Ben Schilling, Taylor Shaw and Lizzy McDonald on their participation at the Spring Valley Academy Plate Tennis Tournament held in Quairading on Monday 21st March. Our team came up against some more experienced players, but gave their very best and showed fantastic sportsmanship all day. There were 8 teams involved and they all played each other in singles and doubles matches. Despite legs being a little weary by the end of the day, our students were already talking about next year's event! Thank you to Mrs Bailey, Mrs Shaw, Mrs McLean and Mr Henry for helping transport our students and facilitating the day.

Little Possum's Rescue

On the 29th of January, Beverley experienced one of the worst storms we had seen in a long time with significant damage to houses, public infrastructure and many trees. As we tried to come to terms with this event and clean up, the story of a little female possum and her young joey came to light. She had lost her home in the storm and had found her way into a damaged shed where she laid huddled, too traumatised to move for four days until she was discovered by the owner securing the shed. After a phone call to me, she was delivered to us for rehabilitation and care. She was so thin that she had lost her milk to preserve nutrients, so her little boy was starving. He was losing about 20 grams a day. We decided to try feeding her up with a special high protein diet, hoping her milk would return so we wouldn't have to bottle feed her joey. After a day and a half the happiest sound was the little joey slurping the milk from his mothers pouch. He never looked back and neither did Matilda as she had become known as.

After five weeks of care, Matilda and Ned were ready to go back to the wild. They were taken to a specially picked out site and given a gentle release with food and security until they can face things alone. Even though storms are a natural part of life, our wildlife like us, sometimes need a helping hand to rebuild their lives. It's wonderful to know that some people take the time to help. I would like to thank Corrie and Kerry Luk for bringing Matilda and Ned to us. Tim and Ange for offers of help and support for these two very special possum, they also offered them a wonderful, secure home on their property.

Witchy's Kangaroo Rescue and Wildlife Care.

Things That Cause Distress

View from the Shed March 2011

As we are all aware certain problems we face cause significant distress in our lives. At the top of the list is the loss of a loved one in unexpected or tragic circumstances.

Other significant things on the list include relationship breakdowns, moving house, loss of employment, being diagnosed with a serious illness and one we often overlook struggling with financial problems.

We often overlook how significant financial issues can impact on our overall wellbeing. Research tells us that when we are having difficulties financially it can lead to some of the other issues that are on the list.

Financial stress is in many ways similar to the impact of the dry season; it is more insidious than a significant dramatic event like the earthquake or the flood. Those events have immediate consequences that are highly visible as a reason for our distress or grief.

The gradual insidious creep of financial distress, like a drought, slowly erodes our passion for our work and eats away at our confidence. This can lure us into a sense of hopelessness that with time erodes our get up and have another go attitude so necessary in farming.

Given these problems it is important to be realistic about your budget, be optimistic but keep within the realms of reality, maybe give thought to other options because if your enterprise isn't projecting reasonable returns, given an average season, it could be your chance to consider change.

We know that if these matters are not addressed our wellbeing is impacted in so many ways. Our

physical health and our relationships with our partners and children suffer.

Remember it is the insidious things that often have greatest long term effects on our health. They are also often the things we ignore and hope they will dissipate by themselves, most times they don't they just fester and get worse.

Look after every aspect of your wellbeing, it's the things we ignore or neglect that give us the most grief.

Regards

Julian

Beverley Weight Watchers Federation Inc.

- Are you having trouble keeping your weight under control?
- Would you like to keep healthy and within your correct weight range?
- Would you like to make friends and contribute to your community?

If you answer yes to any of the above, maybe Beverley Weight Watchers Federation Inc. is for you!

We are a group of like minded individuals who join together once a week to help and encourage each other to lose weight and to keep it off!

In the process we make friends and raise money for distribution back into our community.

Beverley Weight Watchers Federation Inc. allows you to confidentially weigh in each week, and we celebrate the weight loss of all members and encourage each other along the path to better health with hints and tips about good health.

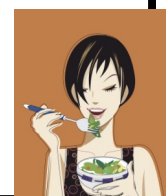

For a small annual fee \$6, and even smaller weekly fee \$2, our members come together and talk about healthy choices and celebrate in our success.

One of our members has just lost 12.5kg and has never felt better!

Please come and try it out, we meet at the Hospital OT room at 10.30 am each Monday.

Ladies and Gents of all ages welcome

Any enquires to Val Edwards on
9646 1042.

Trucking industry urged to have its say on proposed law changes.

Transport Minister Troy Buswell has called on trucking operators to have their say on proposed national heavy vehicle laws.

Mr Buswell said while he supported the principle of national harmonisation, it was important to note that he would only support changes which were in the best interests of Western Australia.

"Road transport and logistics are hugely important in a State as big as WA and these industries are vital to the State's continued prosperity," he said.

"The WA environment poses unique demands for heavy haulage operators and there are a number of issues arising in the draft legislation that need to be carefully considered by the industry and across government in WA.

"Protection of our current local productivity variation, system of fatigue management and heavy vehicle accreditation are some of these key issues."

The Minister said the draft law, released for public comment by the National Transport Commission, reflected the current national system of fatigue management that is not currently in place in WA.

"Changes to the current system will only be considered if they are of benefit to Western Australia, and industry feedback will be vital in assisting the State Government in our negotiations with the Council of Australian Governments (COAG)," he said.

"It is important to note WA does not currently participate in the National Heavy Vehicle Accreditation Scheme but maintains our own system of accreditation developed to suit our needs."

The proposed National Heavy Vehicle Regulator (NHVR) National Law is available for public comment at <http://www.ntc.gov.au/>. The new law is due to commence on January 1, 2013.

DEALING WITH PERSONAL DIFFICULTIES AFTER A STORM

One of the frustrating things about personal recovery after any storm in our lives, either real or emotional, is that there is often no one to blame. When we try to work through such situations we ask ourselves all sorts of questions about what we could have done differently, and all the "what if" scenarios flow through our heads and tend to create additional frustrations. We try our best to guess the future, particularly what will happen next and when, but our guesses often lead to extra stress and frustration.

It is important to realise that we can find ourselves creating additional problems by taking out our frustrations on those nearest and dearest to us. Often this behaviour is unintended but can lead to us alienating ourselves from those who are in the best position to give us emotional support, our families and friends.

We react to worries and distress in many different ways. Sometimes putting our foot in our mouth! I know I have done it with people I care about and it can be embarrassing and damaging to relationships. Be quick to say sorry if needed.

There are things we need to consider if we find ourselves lashing out at people unnecessarily. We

need to understand that we all like to shift responsibility for difficult "before storm" situations to someone else. We often hear people cursing God when things go wrong but this doesn't do much good because God doesn't answer back. Blaming others or growling at our loved ones is often an indication of our own frustration with ourselves in not being able to fix the problems.

When we fail to deal with a misdirected outburst we often alienate the person who has borne the brunt of our frustration. When this happens it can have a detrimental impact and makes it very hard to restore the trust needed to get things back together again.

As we face the problems created by any storm it is important to realise these things can impact on our wellbeing.

Remember a few key points:

- Share with others how you are coping. (hurt, angry, worried, vulnerable or stressed etc).
 - Accept responsibility for communicating how you are.
- If we make a mistake or lose your temper act quickly to rectify that mistake before it festers into something major.

Remember our catchcry, **TALK TO A MATEbefore it gets too much.** Storms create pressures in all sorts of different ways, don't let it get between you and those that

matter most in helping to deal with the problems.

If you need to talk your feelings over with someone give us a call, Our office number is **9690 2277** Julian's mobile **0428 211 537** Owen **0427 716 060** and Heydi **0438 910 148**

Beverley Historical Society

The museum is again open for visitors after many hours of cleaning and rearranging the displays.

The first big day will be Easter Saturday. The Patchwork Group will be showing their quilts, having stalls and invited groups.

At the first meeting we had three new members, which will make so much difference when we have tours and general weekend duties. Their new input will be very good.

Anne Fisher gave a talk on the compiling of the book, 'On the Dale', which will be on sale at the Museum.

The next meeting will be held on 11 April at 2 pm.

APRIL NO FALLS DAY FALLS WE CAN BEAT WITH STAY ON YOUR FEET

Falling is not a normal part of aging, yet one in three people aged 65 years or over will fall each year. Hazards inside or outside the home as well as in the community such as roadways, shopping centres, parks and footpaths can all cause falls.

Amy Messer, Occupational Therapist with Avon and Central Wheatbelt Primary Health Service stated

NARROGIN POULTRY SOCIETY INC.

The Narrogin Poultry Society Inc. has held its 2011 AGM.

Office Bearers:

President	Raelene Egerton-Warberton of Pingelly
Vice President	Owen Gath of Cuballing
Secretary/Treasurer	Coral Mahony of Narrogin
Show Chieft Steward	Michael Osborne of Cuballing
Other Show Committee	Owen Gath, Peter Newbold, David Osborne and Roy Mahony.

Coming events for 2011:

16 April	Pencil Auction
25 June	Young Bird Show
13 August	Open Bird Show
28 August	Western Australian Fanciers Wyandotte Annual Show (hosted by Narrogin).
29 October	Pencil Auction

Show and auction held at the clubrooms, May Street, Narrogin.

Public Welcome to view show and auction—Free.

For further information please contact the Secretary Mrs Coral Mahony on 9881 1860 or PO Box 568, Narrogin WA 6312.

Western Australian Wyandotte Fanciers Inc.

This year's annual show will be held at the Narrogin Clubrooms, Sunday 28 August 2011.

Show of all Wyandotte variety/colour.

Show feature will be Large White Wyandotte and Bantam White Wyandotte.

For further details:

Secretary, Mrs Denise Dunn, Ph: 9525 0380 or 273 Kargotich Road, Oakford WA 6121.

The 2012 Annual Show feature will be any Laced, Large and Bantam. Show venue will be nominated and voted on at the AGM on the 28 August 2011.

Public viewing of shows welcome and free.

"Around 28% of falls among older people occur in the bedroom, 21% in the family or living room and 13% in the kitchen. 10% happen just outside the home, near the back or front doors. The other 17% of falls occur in the laundry, hall or other places around the home."

Last week Amy spoke to the Northam Day Hospital Falls Group about common hazards and how to reduce the risk of falling by removing possible hazards. This group is for people who have fallen in the last six months and would like information on how to reduce their risk of falling again.

The group stated "Having a fall takes away your confidence" and they would like to warn others in the community about common hazards to prevent them from falling and losing their confidence.

"Be careful of gravel" the group said. "Out of all of us here today five out of eight slipped on gravel. Also lifted pavement can be a trip hazards. We have learnt that you can buy strips of grip for stairs, which is a good idea."

Another main message the group wanted to let others know was to "Remove clutter from the floors in your house. Remove matts with curly edges or use matts with rubber backing, Clark Rubber in Midland is a good place to go for them. Make sure you're wearing safe footwear too, that is a big part of preventing falls."

For information on identifying and removing hazards in and around the home call the Occupational Therapy Department at Northam Hospital on 9690 1320. For information on home aids visit the Independent Living Centre's website www.ilcaustralia.org

Are you worried about GM Contamination?

You can protect your farm by declaring GM Free

Following the contamination of a farm in Kojonup by wind blown GM Canola you may wish to consider taking steps to protect your property against GM Contamination.

The Western Australian Government has stated that it is the Non GM farmer's responsibility to protect themselves, under common Law, from the risk of GM contamination from neighbouring properties and to protect themselves against the expense of any liability claims from GM seed supply companies, due to adventurous GM seed blowing or being carried onto their property.

In order to protect yourself, you must act soon – before the planting season for 2011.

Find out more by visiting the website or call 0417 316 889

www.NASAA-WA.com.au

BEVERLEY YOUTH CENTRE

MARCH REPORT

On the 5th March, Mick Hayman (bus driver) and I took 13 Youth to York for the Stockade Concert. With approximately 150 youth from the Wheatbelt, Bassendean and Bunbury attending we had a great day—2pm to 10.30pm. We gathered at Peace Park and played various games, bungee, jousting and lots more. We then had a BBQ on the Tennis courts at the back of the Church of Christ, followed by 2 live bands from Perth and a comedian. Thanks for all your help Mick and the Youth for making the day/night enjoyable.

I am in the process of organising a Workshop for Wheelchair Basketball with Beverley and York Schools and hopefully if we have enough funding it will take place in May.

If anyone is interested in Ice Skating in the School Holidays I have booked the bus for Tuesday 26th April for 12-17year olds and will cost \$15. First 20 to book!

Also, Sunday 8th May we will be Paintballing in Chidlow, first 20 to pay their \$30 deposit, we will be leaving at 8am and returning about 3.30pm—Lunch provided. 12-17year olds.

Any young artists in Town who would like to design a Banner for "Banners in the Terrace", showcasing the Shire of Beverley please send your designs to me by April 15th, the best one will receive a \$50 gift voucher!

We will then get a group of artists, along with the winning designer to paint the winning design and it will be hung in St. Georges Terrace 31st July to 13th August.

The size is 1500wide x 3400high
All enquiries to Lyn Kay

The Youth Forum will be held on the 7th April and Constable Kerry Brindle and I are packing all the bags with donated flyers and goodies for all 160 children from Beverley, York and Brookton High Schools that are attending. It has been a long process and thanks to the Shire of York for their support and also allowing us to use the Town Hall; York Coop for their very generous donation to supply T Shirts for all in attendance with our Logo-: Think1st, Act 2nd, all the presenters from

SDERA, LDAG, SARC, Detective Sergeant from Perth, Paraplegic Association, Sheldon Elvin—hip hop artist who will be performing, also LDAG for their Grant for the catering and merchandise.

Thanks also Narelle Bailey from Beverley District High School for all her help and support.

Thanks Jodie Bell for taking the Under 5 Swimming lessons, with 25 children attending and DSR grant for paying for the instructor. Great work!

Youth Centre is on every Friday night 6pm-10pm for 10year olds – Youth, any enquiries please contact Lyn Kay,
0411 355 811

*Congratulations

Judging Criteria

Banners in the Terrace 2011

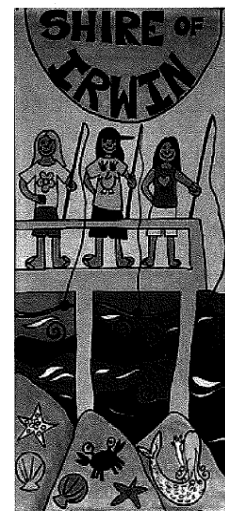

All banners submitted by Councils are put on display (subject to the availability of banner poles).

Banners will not be displayed if they contain corporate advertising or images/words deemed inappropriate for general viewing.

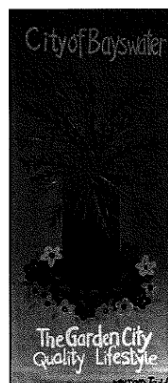

The Judges consider the category (whether it has been done by children, professionals etc) and then once the banner is placed in the Terrace they will consider:

Sense of Place	• Is it easy to identify where the banner comes from?
Painting	• Can you easily read the Council's name?
Creativity	• How is the composition of the piece?
Composition	• Can you identify something about the place? e.g. does it depict wildflowers, farming, coffee strip etc
Visibility	• Use of colour
Spirit	• Artistic merit
Use of Colour	
Community	

Judges are often attracted by **individuality, boldness, and humour.**

DRAW THE LINE

www.drawthelinewa.com.au

NORTHAM WEIGHT ACTION GROUP LEARN HOW TO DRAW THE LINE ON WEIGHT GAIN

The twelve week Northam Weight Action Group started last week for people who are overweight to learn how to 'Draw the Line' on weight gain. No more feeling hopeless, no more fad diets, for these people it was the start towards building a healthier lifestyle.

Brie Elson, Dietitian, explained to the group why fad diets don't work and can actually cause weight gain, "Restrictive dieting sends a signal to the body that there is a food shortage and the body thinks its own survival is threatened. It responds by slowing down the rate at which the body uses energy. This means that fat loss slows down and it becomes harder to lose weight."

Brie went on to explain that, "When people diet, the body responds by conserving fat, as it thinks the body is going into starvation. The weight people do lose when on fad diets is mainly muscle and water. When your body loses muscle, it further slows down the rate at which the body uses energy."

"Fad diets can be harmful to the body because they do not supply adequate energy and nutrients for the body to function efficiently. Fad diets are often not maintained as they are too restrictive and research has shown 95% of dieters actually regain the weight after the diet is over, and often regain more than they actually lost", said Brie.

Brie emphasised to the group "The healthy way to lose weight is by eating smaller portions, eating lots of fruit and vegetables as well as eating less fat and sugar."

The group were also encouraged to be more active and sit less by Elizabeth Dow, the Physiotherapist supporting the group. "Finding at least 30 minutes of physical activity that slightly raise your heart rate everyday, is what everyone needs for good health" said Elizabeth.

"A way to achieve this is by making physical activity apart of everyday. Choose activities that are enjoyable and vary these activities to keep motivation high. Being active with your friends, family or partners also all help with motivation." said Elizabeth.

The Northam Weight Action Group made a healthy lifestyle goal to assist them to Draw the Line on weight gain. If you have made a New Year's resolution to lose weight, perhaps it is time to reassess your progress and lifestyle changes.

For more information on how to 'Draw the Line' on further weight gain contact Brie Elson, Dietitian or Lauren Cotter, Senior Dietitian on 9690 1320 or go to www.drawthelinewa.com.au.

ST JOHN AMBULANCE DEFIBRILLATOR NOTICE

Due to the January storm damage, the defibrillator that was located in the Amenities building has been relocated to the changerooms.

New 'Mobile' Defibrillator

A seventh defibrillator has been purchased with remaining funds from our very successful appeal. This 'mobile' defibrillator will be kept at the Beverley Shire Office and made available for groups who wish to have one on hand at functions and outings, ie; HACC outings, Men's Shed meetings and the like. Interested persons will be able to book it for events through the Shire Office.

MEMBER

CHANGES TO INDEPENDENCE FOR **YOUTH ALLOWANCE** AND **ABSTUDY**

From 1 January 2011, there will be further changes to Youth Allowance and ABSTUDY.

You may be affected by these changes if:

- you are receiving or thinking of claiming Youth Allowance or ABSTUDY, or
- your family home is in an outer regional, remote or very remote area of Australia.

About the Independence rules

If you apply for Youth Allowance or ABSTUDY you will be assessed as dependent or independent.

Being independent for Youth Allowance or ABSTUDY means that your parents' income and assets are not taken into account when determining your eligibility or rate of payment. If you are already considered independent for Centrelink purposes, then changes to the independence criteria probably won't affect you.

Age of Independence

From 1 January 2011, the age of independence will change from 24 to 23 years of age. This means if you receive Youth Allowance or ABSTUDY as a full-time student or an Australian Apprentice, you are automatically independent when you turn 23 years of age. The age of independence will then change from 23 to 22 years of age on 1 January 2012.

Independence through workforce participation

If you have supported yourself in full-time paid employment for at least 18 months in one or more jobs, within a period of two years, then you may be considered independent for Youth Allowance or ABSTUDY. Full-time employment means that you have worked an average of 30 hours per week throughout the 18 months. The hours that you work each week can be averaged over periods of no more than 13 weeks.

From 1 January 2011, if you are a full-time student and you need to live away from home to study because your parents' home is in an area considered to be Outer Regional Australia, Remote Australia or Very Remote Australia according to the Australian Standard Geographical Classification, you may also qualify for independence if you:

- have worked part-time (at least 15 hours a week) for at least two years since leaving school, or
- have been out of school for at least 18 months and have earned at least 75 per cent of the maximum rate of pay under Wage Level A of the transitional Australian Pay and Classification Scale or the relevant modern award generally applicable to trainees in an 18-month period.

To be assessed as independent under these arrangements, you must also satisfy the following criteria:

- you are a full-time student
- you need to live away from home to undertake full-time study, and
- your parents' annual income is less than \$150 000 in the applicable tax year.

For more information

For further information on the Australian Standard Geographical Classification or to find out whether your family home is in one of the above areas visit www.centrelink.gov.au

For more information about Youth Allowance and ABSTUDY, including these changes, call 13 2490.

Beverley Junior Recreational Educational & Sporting Council Inc

BEVERLEY LAWN TENNIS CLUB

PENNANT WRAP UP 2010/11 SEASON

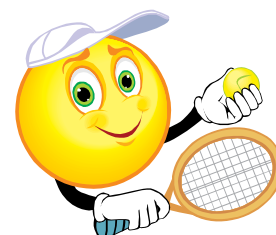

Our season finished on a slightly disappointing note with a loss to Northam 20 sets to 10 sets on 26th February. We played 25 different players throughout the season which is the main reason for Beverley going from playing finals one season to not being in the running the next. Despite this, I hope that those people that had their first taste of pennant tennis enjoyed themselves and are keen to have a go again in the future.

The end of this season sees my time as pennant captain come to an end after 6 years. I would like to thank everybody who has helped me over the years, especially Rob de Gruchy for making sure the courts were always ready for an extra day of tennis and for being my go to person when I was struggling to field a team. Two premierships from 6 seasons is a great effort considering Beverley only entered back in the East Avon Tennis Association competition in 2005.

I hope that someone or a small group of people will take on the captaincy to make sure we continue to have a side in the competition for years to come. Pennants isn't just a great way to improve your game, it's also a fantastic social day out with plenty of laughs.

Thank you to everyone for their support.

Narelle.

<u>A RESERVE</u>	Paul Lewis & Anne Louise Love
<u>B GRADE</u>	John Ferguson & Nikki Gors
<u>C GRADE</u>	Kevin Fletcher & Lorraine Urquart

GENERAL

We look forward to hosting our annual Easter Tournament at the end of April, and would like to take the opportunity to thank Jack and Mary Thomas, our major sponsors for this event. Thank you also to the committee and captains for such a successful 2010/2011 season. Our Closing Day and AGM will be held Sunday 3rd April. This will be followed by a BBQ dinner. Please come along and bring a salad to share.

See You At Easter!!!!

Beverley Cricket Club

Saturday 26th February 2011 2nd Semi Final
Beverley All Out for 123 lost to Seabrook 5 for 126

Beverley Batting: Dale Wansbrough 35, Robert Ugle 24, Stephen Gollan 22
 Seabrook Bowling: Ryan Sheridan 3 for 29, George Nelson 3 for 37
 Seabrook Batting: Don Seaman 41, Brad Eyre 37, Ryan Sheridan 29
 Beverley Bowling: Brock Fleay 2 for 27, Dale Wansbrough 2 for 35

Saturday 5th March 2011 Preliminary Final
Beverley All Out for 119 lost to Tammin 4 for 121

Beverley Batting: Wayde McLean 33 not out, Stephen Gollan 30, Blake Wansbrough 21
 Tammin Bowling: Luke Button 3 for 17, Mathew Hocking 2 for 23
 Tammin Batting: Nick Caffell 41 not out, Mathew Hocking 35, Rodney Stokes 20 not out
 Beverley Bowling: Robbie Wansbrough 2 for 14, Dale Wansbrough 2 for 34

The Preliminary Final turned out to be Beverley's final game for the 2010 / 2011 season. Once again Beverley had a very good year in finishing on top of the ladder. Unfortunately the two finals turned out to be the two worst games we played during the season. Tammin won the Premiership when they outplayed Seabrook in York. Tammin scored 4 for 286 with Seabrook managing 170 in reply.

At the completion of the game Association Awards were presented, winners were:

Bowling Aggregate	Michael Sweeny (Brookton)	26 Wickets
Bowling Average	Don Seaman (Seabrook)	6.52 Runs per Wicket
Batting Aggregate	Stephen Gollan (Beverley)	893 Runs
Batting Average	Stephen Gollan (Beverley)	127.57 Runs per Innings
Most Catches	Mark Blechynden (Brookton)	15
Cricketer of the Year	Stephen Gollan (Beverley)	50 Points
Best Player at Country Week	Dale Wansbrough (Beverley)	
Man of Match Grand Final	Mathew Hocking (Tammin)	

Congratulations to Stephen Gollan and Dale Wansbrough on winning Association Awards.

The Cricket Club have had a very successful year with once again the youngest team in the competition by some way. We all hope that this continues next year and the club can go one step further and win the Premiership. The club would like to thank all our supporters who have come along and watched games and a special thanks to Graham and Fleta "Inkosi Design" for their continued support of the club.

Mention must also be made to the Shire of Beverley for their efforts in maintaining the best ground and wickets in the Wheatbelt. The club is indebted to Mal Kehlet for all his work in producing the pitches.

Just a reminder that the Annual Social Super 8 day that is normally played at the end of the season will now be played in early October prior to the 2011 / 2012 season commencing.

Junior Hockey will be starting on May 9th and running on Monday afternoons during 2nd Term for Year 1-10 children.

If you are interested in playing please contact Fiona Bowden
fainsworthbowden@bigpond.com

BEVERLEY FOOTBALL CLUB

Footy season returns for another year, and our reigning premiers, the Beverley Redbacks, will be doing everything they possibly can to achieve back to back League flags for our Club. One thing we know for sure is that you will see a new look line-up for the Redbacks this year, with as many as 10 players gone from our 2010 League premiership team. It's going to be a challenge for the coaching staff and the players to quickly adjust to these wholesale changes, however, we are confident our new crop of recruits can fill the void left by our outgoing players.

Off the field our players and supporters have been working extremely hard to ensure the Beverley Football Club is in a strong position at the beginning of the season. Throughout March the boys crutched 3000 sheep and also completed a four kilometre fencing busy-bee which was drawn out over a painstaking three week period. A big thank you must be extended to all these people who gave up their own time to work at these busy-bees.

On a sad note, the Beverley Football Club would like to extend our deepest sympathy to Maree Hutchinson and family on the passing of Geoff on Wednesday the 23rd of February. Hutchy was a loyal member and a regular supporter of the Beverley Football Club and his jovial nature at our games will be sadly missed.

Scratch Match (19th March 2011) – Brookton/Pingelly vs. Beverley at Brookton

	1 st	2 nd	3 rd	4 th	Points
Beverley	3.0	3.3	5.10	7.12	54
Brookton/Pingelly	2.3	4.3	4.3	7.6	48
Margin:	6 points				
Goals:	Beverley Scott Tomlinson 2; James Turner 2; Dale Wansbrough 1; Bryan Keay 1; Scott Smith 1.				

Congratulations to:

- Damien & Jacinta Murray, on the birth of their baby boy, Burke Thomas George, on Wednesday the 23rd of February;
- Stephen & Louise Young, on the birth of their baby girl, Lola Victoria, on Friday the 25th of February;
- 2009 BFC Reserves Fairest & Best Runner-up, Liam Henry, who celebrated his 18th birthday on Saturday the 12th of March;
- Stuart Murray, who celebrates his 25th birthday on Saturday the 9th of April; and
- David Kennedy, who celebrates his 21st birthday on Thursday the 14th of April.

Best wishes to:

- Scott Minchin for a speedy recovery, after he underwent knee surgery on Wednesday the 2nd of March.

Coming up:

- Friday 1st – Sunday 3rd April – Beverley Football Club: pre-season camp at Green Head;
- 6:00pm, Friday 8th April – Beverley Football Club: regular season training at Beverley commences, followed by a barbeque “meat & greet” (details to be confirmed);
- 9:00am, Saturday 9th April – April committee meeting at the Beverley Football Club;
- Sunday 10th April – AFA Round 1: Railways vs. Beverley at Northam;
- Sunday 17th April – AFA Round 2: Federals vs. Beverley at Northam;
- Sunday 24th April – AFA Easter general bye;
- Sunday 1st May – AFA Round 3: Beverley (bye);
- 6:00pm, Friday 6th May – Beverley Football Club: regular season training at Beverley continues, followed by our “Annual Fish Night” & presentation of Life Memberships (details to be confirmed); and
- Sunday 8th May – AFA Round 4: Beverley vs. Railways at Beverley, including the raising of 2010 AFA League Premiership Pennant.

The Beverley Football Club is once again conducting a “sheep & wool drive” throughout the course of this season, so if you have any stragglers in your flock which you're happy to part company with, and likewise, if you have any fleeces, pieces, bellies, locks or stains you would like to donate, please contact a committee member regarding where to leave your sheep and/or wool deposit.

A reminder to all players, members, sponsors and supporters that you can now view all the latest news and events from the Beverley Redbacks by checking out our website at www.beverleyfc.com.au

To keep you informed and up to date on all the latest news and events from the Beverley Football Club, simply register your email address with us at beverleyfc@bigpond.com and we'll add you to our mailing list.

See you at the footy!!!

LADIES GOLF

Ladies golf begins again for season 2011 on Wednesday 20 April with a Stableford competition for Anne Szczecinski's trophy.

Ladies golf is played on Wednesdays. Start time is 10.30 am hit off for 18 holes. Draw for partners at 10.20am. The afternoon is usually capped off with afternoon tea.

For all new, past (haven't played for a while) and prospective lady golfers, you are welcome to come along and experience the sport of golf. Golf is a wonderful way to keep fit and socialise, to get out in the beautiful outdoors and is a sport for all ages. New golfers can enjoy the benefits of a 'first year, half price membership' offer and although no 9 hole competition has been fixtured, if enough interest is shown, a 9 hole competition can be arranged.

Remember that you don't need to have played golf before; as with any sport, there will always be beginners and all the ladies at the club are very encouraging and patient with new players. You never know, you could have a hidden talent and don't know it yet.

BEVERLEY AMATEUR SWIMMING CLUB INC.

Congratulations to the swimming team consisting of Mollie Hare, Lydia Ugle, Noah Leonhardt, Leyton Ugle, Luke Gollan, Hannah Kehlet, Tarkyn Henry and Liam Gollan who swam brilliantly to come equal winners of the handicap shield at the Quairading Swim Meet held on Sunday 20 February.

You should all be very proud of yourselves.

Swimming club is holding its AGM and Medal

Presentations in April (venue and date to be confirmed.) All positions are declared vacant. Please consider taking on a position on the committee, as many hands make light work.

BEVERLEY LADIES BADMINTON CLUB

Our season for 2011 commenced on March 2. Our bring a friend day was a great success with some new faces amongst the crowd. We play every Wednesday (except school holidays) from 9 am to 11 am in the Town Hall.

We play Club Championships and Doubles monthly, with various novelty days throughout the season. Any ladies interested in coming along are most welcome.

Mark this date on your calendar. We are having a cake stall on Thursday April 21. Any donations of saleable items would be gratefully received. Further enquires can be directed to Judy on 9646 0174, Beryl on 9642 1324 or Denise on 9647 1014.

国际九龙空手道学校

Beverley Men's Golf

The Beverley Golf Club season opens on Saturday 16th April 2011 with the T-Bone & Sons Opening Day. This is a mixed event with a minimum of one lady per team. The game is a 4 person Ambrose. The day will be fun so come and have a hit in a social and casual atmosphere. If you are intending to play, can you please be at the club by 12 noon. There will be a BBQ tea following, so please bring a salad to share.

Any new golfers are welcomed to play.

Saturday 23rd April

Is a 2 Person Ambrose event with the day being sponsored by Darryl Sims

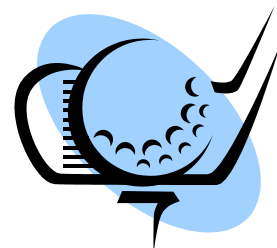

Monday 25th April

Is the sort after “Diggers Cup”, a Stableford event being sponsored by Lew Shaw.

Saturday 30th April

Is the Garden Gnome Trophy, this will be a Three Stick Competition.

For any queries please phone the Men's Captain Stephen Gollan on 9646 0460 or 0429 461200.

BEVERLEY BOWLING CLUB

The Pennant season has come to a close with all teams, ladies and men's, finishing just out of the 4. We shall look forward to the 2011-2012 season with more conviction and better results.

The Ladies played the Championship pairs on the 9th of March with the winning pair being Marg Peck and Val Edwards with 6 points and runners-up were Glenys Collins and Sera Minchin with 4 points. The Ladies are playing their bowls on Wednesday for the rest of this season, to avoid Gala days etc, and still have a home competition. 8 ladies are competing in the Country Week event this year and we wish them well in all their games.

The men played the Freemason Tavern Championship Pairs on the 13th of March, getting down to the final 2 pairs in the 2 categories. In the Major are Louis Irvine and Greg Moulton, verses Kim Moulton and Lew Shaw, while in the Plate, are David Bell and Geoff Rayner, verses Royce Edwards and Ralph Petchell. The finals for both the Singles and the Pairs Championships will be held on the weekend of the 26th and 27th of March. (See - May Blarney for results.)

The Beverley Invitation Classic Fours were held on the 15th of March, and due to the storm damage to our carpet greens, a new format of Hour on, Hour off was played to accommodate the 20 teams that participated. This proved to be a resounding success with all teams voicing their approval.

The winning team was D. Sutcliff, D. Rhodes, G. Waller and R. Darling from Midland/Morrison with 4 wins + 10 Shots. The Runners-up were P. Rouse, P. Nicholls, K. Street and B. Gartrell from Guilderton with 3 wins + 27, and Third place went to A. Neesam, B. Cruckshank, C. Natter and R Saffioti from Bassendean with 3 wins + 15.

The AM and PM rounds went to Quairading teams with B. McLelland, P.Nicolls, B. Tee and B.Murphy winning the AM with 2 wins + 17, and V Hadlow, J. Gimbel. D. Bracher and P.O'Hare winning the PM with 2 wins

+ 8.

The IGA Championship Fours were played on the 20th of March and the results are –

Winners: Louis Irvine, Trevor McLean, Mark Armstrong and Russell Hastings

Runners-up: Kim Moulton, Fred Bremner, Sheldon Petchell and Wayne Rayner.

The Beverley Bowling Club AGM will be held at 7 PM on the 29th of April 2011.
