SHIRE OF BEVERLEY PRESIDENT REPORT - NOVEMBER 2016

15/16 Annual Report

The Audited 2015/2016 Annual Report was received by Council at its recent October monthly meeting. Copies of the Annual Report will be available on the Shire website or from the Shire Office.

Annual Electors Meeting Tuesday 15 November 2016

The Annual Electors Meeting is scheduled to be held on Tuesday 15 November 2016, commencing 6pm at the Lesser Hall. Elector's questions requiring research would be appreciated prior to the meeting.

Policy Manual

Council has recently reviewed the Shire of Beverley Policy Manual. The Policy Manual was originally adopted in September 2014 to provide clear guidance to Council, Management, Staff and Residents in relation to Council matters.

Beverley Cornerstone Project

The Beverley Cornerstone application to National Stronger Regions Round 3 was unsuccessful. Whilst disappointing, the highly competitive \$126.5M federal funding round received 479 applications Australia wide of which 67 were successful. During a teleconference feedback session the strength and quality of Beverley's application was noted, with advice provided that of a required 33/35 scoring on eligibility requirements and assessment criteria, Beverley's score was 32/35. (Bitter sweet perhaps!)

The Shire does have external funding of \$1.2M confirmed for this project from 4 funding partners and will proceed with document preparation to enable tenders to be called with a view that staged implementation of the Beverley Cornerstone project may now be required.

Ovals, Parks and Gardens

The gardeners have been busy ensuring reticulation systems are ready for summer and slashing has been carried out on various vacant shire blocks and road reserves within the town boundary. Mosquito spraying is scheduled to be carried out along the river.

Roads

Work is underway along two sections of Westdale road which to be widened in the 16/17 road programme, although things are a little behind schedule due to the extended wet weather this year.

Beverley Heroic Weekend 2016

The 2016 Beverley Heroic evolved into a two day weekend with the inclusion on Saturday of a contemporary "The Beverley"; a modern handicap cycling road race won by World Track Champion and Tour De France participant Cameron Myer. Local resident Geoff Edwards, (who rode in an older version of "The Beverley") was involved in race starting for the event.

On Sunday the Heroic 100mile ride attracted 47 participants; the Populaire Heroic 50 mile ride 76 participants, and Heroic town ride 84 participants. Together with friends and family there were many visitors to our town over the weekend.

As a matter of interest former Beverley ANZ employee Bill Staude, now in his 80's, rode in this years 50mile ride, accompanied by two of his sons and a grandson (Geoff Edwards and Bill rode "The Beverley" together in 1952!)

Seniors Morning Tea Wednesday 09 November 2016

The Shire is hosting a senior's morning tea on Wednesday 09 November 10am – noon at the Recreation Building for the extra special members of our community. Hope you can make it!

Dee Ridgway
Shire President

BEVERLEY HEROIC TOWN RIDE

SUNDAY 9TH OCTOBER 2016

Sunday the 9th of October saw 84 people take to the streets of Beverley for what has become a great, annual family event. The Beverley Town Ride attracted both young and old, with even a couple of babies in cycle trailers. The youngest individual rider was 3 years old!!! Locals and visitors to Beverley enjoyed following the map, exploring the town and finding the clues.

For many participants this was a rare opportunity to check their bike, wear a helmet and to slow down in town. Thanks to Toby Hodgson, Heroic organiser, who included the Town Ride in what has become a full weekend of cycling activities.

Thankyou to our Men's Shed volunteers who helped by marshalling cyclists around the town, to the Beverley St John Ambulance Sub Centre for having a presence on the day and to Natalie & Mitchell Ashworth and Dee Ridgway who helped with the registrations.

Riders from across the state, young and old, made Beverley Bike Heaven on Saturday 8th and Sunday 9th October 2016.

With a "Step Back in Time" theme South Perth Cycle Club's bike weekend in Beverley, Avon Valley WA, celebrated the oldest race in Western Australia's history. "The Beverley" race was first run in 1897. The Beverley Heroic bike weekend with many events for all kinds of bikes celebrates that race heritage. Event Director Toby Hodgson commented "The whole weekend celebrates our unique West Australian history, and the bicycle has played a large part in that. This weekend is a significant homage to that history."

The 2016 Beverley Heroic is a bike weekend with something for everyone. Events ran on both Saturday and Sunday and included Road Racing, Retro Bike Show, Bike Movies, long distance rides and a free Town Ride.

- 400 participants over the entire weekend
- World Champion Cameron Meyer won the 110km Handicap Race in windy conditions
- Riders from across the state rode in the recreational rides.
- Free events – watching the Saturday Race, Retro Bike Show and Bike Movies, The Beverley Heroic Town Ride and watching the classic bikes roll.
- Friendly beautiful Beverley with classic architecture on the magnificent Avon River.

"The Beverley Heroic is a great way of seeing Beverley" said Shire President Dee Ridgway. "The event celebrates Beverley and our history. It has something for everyone and we look forward to next year."

❧HAMMOND'S❧

A big congratulations to Cara, Derek, Riley and Alice on their latest addition to their family.

The much anticipated birth of baby girl, Grace. We hope she brings you all many years of laughter and happiness and we also hope she's an awesome netball player.

Best Wishes from the members of the Beverley Netball Club.

*it's a
Boy!*

❧HIGGINS❧

Congratulations to Sharlee, Paul, Nixan and Ashlyn on the arrival of their adorable baby boy, Jagger.

We are sure he will bring your home much happiness and loads of fun.

We look forward to meeting the little man.

Best Wishes from the members of the Beverley Netball Club.

THANK YOU

To the Beverley District Hospital, Bette and I extend our grateful appreciation to the staff at the Beverley Hospital for the help and attention they gave me during my frequent visits to the hospital over the last few weeks.

We are so very fortunate to have our hospital and its dedicated staff to care for us, as they do, in our time of need and we thank you all very much.

Bette and Fred Bremner

The Simmons family would like to thank the Beverley St John Ambulance volunteers for taking Karen to St John of God Hospital in Midland in the early hours of the 28 September 2016.

From Keith, David, Debbie, Wendy and family.

Keith, Debbie, Wendy, David and family would like to thank everyone very much for phone calls, flowers, cards and attending Karen's funeral, very much appreciated.

THANK YOU

Bronwyn, Richard and Di, Mary, Keith and families would sincerely like to thank the many people who have sent heartfelt messages of sympathy on the passing of Cedric.

Your thoughts have been a great comfort to us all.

In particular we wish to thank the Beverley St John volunteers, Chris Childs and the staff of the health service, both at the Lodge and the hospital, for their wonderful care of Cedric.

We thank the many folk who helped with and attended his funeral and thanks to Glenys Collins and all the members of the Beverley Bowling club who hosted a special send off for Cedric.

*What a wonderful
community we live in*

Rod and Lois would like to thank the following people for Rod's care recently.

To Jenny, Scott and Peter from St John Ambulance. Dr Ester, Michelle and the team at Beverley Hospital. Dr Sebastian and crew from RFDS and the ICU and Respiratory Team at RPH.

With grateful thanks to you all.
From the Beecroft family.

With grateful thanks and deep gratitude to my wonderful family, the health facilities Beverley and Northam, the HACC team, and to dear neighbours and friends for cards, gifts and assistance.

I am happily back on my feet and raring to go – carefully!
May God Bless you all.

The George Dent Memorial

You may have noticed a recent addition to the entrance of the Methodist Cemetery on Vincent Street – A beautiful granite stone with a bronze plaque attached. This plaque belongs to George Perkins Dent, an early pioneer who died on his farm at Jacobs Well in 1930 and when buried here in Beverley, never received a headstone. In later years the flooding of the Avon River caused many records at the Shire offices to be destroyed – his grave location being one of them. George's widow and 7 children left Jacobs Well after his death and relocated to Perth. The years passed and soon there was no-one left to pass down the location of his grave and it has now been lost forever.

Later generations researching family history discovered the tragedy and decided to do something about getting George memorialised. This plaque is the result of an entire family banding together to raise money and organise a monument to his life and his death. George was a brave, strong gentleman who pioneered 3 different areas of WA – he is written about in books for his historic gold find near Sandstone in 1903, he alone was responsible for bringing his entire family from SA to WA in the early 1900's to farm at Boyup Brook, and he spent 20 years farming at Jacobs Well before he was tragically killed in a shooting accident at the age of 56.

His life was short but very full and we believe he deserves to be finally recognised for his contribution and sacrifice to his family.

May he be long remembered.
Kind Regards,
The Dent Family

It has been a very busy time of the year for CWA. Members have been away to see the wildflowers in profusion and we have participated in many events outside of Beverley.

We all enjoyed the bus trip to Araluen on a perfect sunny day and the tulips were at their very best, as were so many other varieties of flowering plants. It was truly a great day out.

Our newest members have assisted at Field days at Wagin, Newdegate, Dowerin and Beverley, together with others from our Branch at the Beverley Show.

We have served as Judges at the Beverley, York and Quairading Shows and as stewards at the Royal Show.

Those of our members who entered in the Beverley Show exhibition shed sections had a great measure of success and we offer our sincere congratulations.

Though we did not hold an official meeting in October, there was still quite a lot of business happening behind the scenes.

We now look forward to our next meeting which is to be held on Wednesday 16 November at 10.00am for morning tea to be followed by the normal monthly meeting, a bring and share lunch and a social get-together after lunch.

Vi Barham Award finalists

The Vi Barham award, which comes with a prize of \$2500 to assist with ongoing education, is awarded each year to one outstanding Year 6 student from across the Wheatbelt. Beverley's nominees this year were Rebekah Aynsley and Bronte Cleland.

Students who are nominated sit very rigorous academic tests, and only the top 10 students from across the Wheatbelt go on to become finalists. Following an extraordinary tradition over the last three years, both of Beverley's two nominees successfully made it through to the final and were then required to present themselves to the Judging Panel for an interview. By all accounts the girls both acquitted themselves extremely well.

Bronte and Rebekah will now attend a special luncheon of parents and special guests on 4 November in Narrogin. Citations will be read by teachers and principals, the girls will each present a speech, and the recipient of the award will be announced. We are very proud of these two very talented and hard-working students, and wish them the very best for their special day.

T20 Cricket Cup

Our students acquitted themselves in typical Beverley fashion at the recent T20 Cricket Cup held in York recently. The teamwork was fantastic, with the girls' team decking themselves out in special braids. Pingelly were the victors on this occasion. Thanks to Wayne and Nat Ashworth, Tarni Young and Tess Hawke for volunteering to coach and score on the day.

Dinosaur Dig at Avondale

An intrepid group of young palaeontologists descended on Avondale Farm last term in search of the skeleton of a mysterious fossil creature. They had a wonderful day and were busy digging, talking, co-operating and learning. Teacher Tess Hawke, along with Sally Kilpatrick, Romola Brennan and Sam Gollan, put in a tremendous amount of work to ensure that the site was 'prepared' for excavation and that the students would have the opportunity to enjoy a really rich and exciting learning experience.

When these kinds of activities sit alongside a really rigorous and successful early literacy and numeracy program, students have a great opportunity to balance strong academic learning with challenge, adventure and play. The outcomes are fantastic.

The Pre-Primary and Year 1 classes would like to thank Monica at Avondale for all her organisation. The location was perfect, the setup was wonderful, and her thoughtfulness in preparing picnic areas was greatly appreciated. She even provided perfect digging weather. What a great day!

Retirement Wishes

A farewell luncheon for Mrs Betty Wauchope was held on Tuesday 11th November. Norm Ireland and Bevan and Gaenor Carter were among former staff members who took the opportunity to join our current staff in thanking Betty for all her hard work and dedication and congratulate her on her retirement.

Betty has been working at Beverley District High School for over 20 years and at the luncheon she received a silver medallion from the Director General of Education to mark this special occasion.

Dead Finish Museum Visit

Every year, the wonderful volunteers from the Beverley Historical Society provide a fantastic educational experience for our Year 2 students by offering a special interactive excursion to the Dead Finish Museum. The students have the opportunity to learn about the past through activities including washing clothes the old fashioned way and experiencing a classroom the way it used to be. As well as wonderful hospitality, the volunteers offer a wealth of knowledge and enthusiasm. Sincere thanks to Morag Whitney for co-ordinating the visit and to all the Society members and volunteers whose generosity makes this visit such a special day for our students each year.

Independent Public School News

IPS Launch: On Friday 21 October, principal Wendy Moore and School Council Chair Brendan McLean attended a special function at the Convention Centre attended by the Premier Hon Colin Barnett MLA, Education Minister Hon Peter Collier MLC, and the Director General of Education Sharyn O'Neill to celebrate Beverley DHS's new status as an Independent Public School from 2017.

New School Board for 2017:

The inaugural Beverley DHS Independent Public School Board will commence its duties at the beginning of 2017. The new Board will guide the direction of the school into the future and will be the school's foremost governing body. It is important that the Board is representative of all families who send their students to the school as well as the broader community. A vibrant and well-functioning Board will lead important innovations, provide effective monitoring of progress, and ensure that the school meets the needs of the Beverley community.

Once the school community has selected its staff and parent representatives, we will be looking to the community for additional expertise and representation to ensure that our Board, and through it our school, is highly effective and future-focused. If you are the parent of a student at the school, or a committed community member, we would love to hear from you about taking up the opportunity to contribute to our inaugural Board.

BEVERLEY PATCHWORKERS AND QUILTERS

This month we were treated to a visit from Julia Punter, from Beachside Quilting. She showed us how to use square in a square ruler. This is a very efficient way of achieving many different shapes much more quickly than the usual way of precise sewing and cutting. Some of the shapes are the Basic Square, Flying Geese, Half Square Triangle, Basic Diamond, Dove in a Window, Instant Star and so on.

We have never been as quiet as we mastered the tricks to sewing and cutting each of the samples we were given to make. The photo shows Julia displaying her sample piece.

There are other rulers making different shapes and several books with instruction, patterns and all the maths done for using in our own designs.

Below a quilt top made by one of our ladies using the square in a square ruler and another called The Quick Curve Ruler.

Branched Broomrape

You may have noticed some upright, pink flower stalks growing amongst your garden plants. While they look pretty, these are likely the parasitic plant known as common broomrape (*Orobanche minor*) and as the name implies, they are common and widespread in south west Western Australia (WA).

We're hoping you can help us by reporting if you suspect you have the more sinister species branched broomrape, *Orobanche ramosa*, popping up around your weeds, vegetables, pastures or crops.

Branched broomrape could easily be confused with common broomrape but to date, it has only been found in South Australia in the Murray Bridge area. If it became established in WA it could affect our valuable export markets.

Branched broomrape is one of the targets of DAFWA's weed surveillance project funded by Royalties for Regions (For further information search our website).

Broomrapes

There are several broomrapes, but only three known in Australia: *O. minor*, *O. ramosa* and one poorly documented native species *Orobanche cernua* var. *australiana*.

All species produce large numbers of tiny seeds, like specks of dust that can be distributed widely or transported as contaminants in seed, compost, mulch, or in soil on dirty machinery, clothing and footwear. They are also well dispersed by wind and water and in mud stuck in animal's fur and feet.

These seeds germinate, but most of the action happens underground. They tap into the root systems of mostly herbaceous annuals like nasturtiums and petunias but have been found on other perennial and woody plants and after considerable time underground, an erect spike of flowers emerges in spring and summer.

Taking all their food from their host plants they have no need for chlorophyll and thus have no green pigment. The leaves are not conspicuous and are reduced to purplish scales.

Common vs branched

Common broomrape is usually larger and more robust, with a single pinkish-brown stem and tubular whitish flowers, with brown or purple stripes.

The stem of branched broomrape is erect, thin and richly branched. These branches terminate in flowering spikes. Brown or straw-coloured, it grows 10-30cm high.

Disposal of common broomrape

If you have common broomrape in the garden, dig out the plant making sure you get the bulb-like base of the plant before it

can set seed. Bag the plants and dispose of in the rubbish bin. Quick disposal after pulling is advised as those left heaped on the ground can still go to seed.

Economic impacts

Branched broomrapes attack a wide range of crops and pastures from several plant families, including canola, cabbage, cauliflower, celery, pulse crops, pasture legumes, cucurbits, hemp, lettuce, sunflower, linseed, beans, capsicums, eggplant, potatoes, tomatoes and onions. Branched broomrape will also parasitise a range of weeds, enabling it to reproduce even when crops are not present.

The weed's presence could result in partial or total crop losses and the possible loss of potential to produce some crops in heavily affected areas. Branched broomrape can also cause the loss of export markets interstate and overseas, and increases in management and control costs.

What you can do

- ⇒ Practice good biosecurity and avoid bringing any contaminated seed, machinery or livestock onto your property.
- ⇒ Be vigilant and learn to identify the weeds on and around your property. Report unfamiliar weeds using the [MyWeedWatcher](#) on-line reporting tool or the app (see agric.wa.gov.au/myweedwatcher) or contact the Pest and Disease Information Service on freecall 1800 084 881 or info@agric.wa.gov.au.

For more information about branched broomrape identification, search our website: agric.wa.gov.au. If you think you have branched broomrape or find any other parasitic plant attacking crop or pasture species, please do not attempt to control it, report it as soon as possible.

Reporting unfamiliar pests

The Department's Pest and Disease Information Service (PaDIS) screens enquiries for new weeds, pests and plant diseases, which could negatively impact the success of WA's local horticulture and agricultural industries and the ability to grow home produce.

Pest and Disease Information Service (PaDIS): info@agric.wa.gov.au. 1800 084 881 Department of Agriculture and Food, WA. 3 Baron-Hay Court, South Perth WA 6151.

BEVERLEY HISTORICAL SOCIETY

CYCLING FOR WOMEN IN 1940S

Pat Hawkins (born c. 1922) was an endurance cyclist from Victoria Park, Perth, Western Australia. In 1940, aged 18 and only 12 months into her cycling career, she set world records for '1,000 miles' and 'Seven days'. She also set the Australian records for distance travelled in one, two, three, four, five, six and seven days, plus surpassing the Australian professional men's record (Wikipedia).

The photos below in the *West Australian* of 18th March 1941 show the conclusion of her 1000 mile record-breaking ride in Cathedral Avenue, Perth.

Pat Hawkins visited Beverley in 1941 as reported below in the *Beverley Times* of 23rd May 1941 as part of her quest to break the world's record for twelve months of riding by a woman cyclist.

Pat Hawkins

NOTED GIRL CYCLIST VISITS BEVERLEY.

Pat Hawkins, the noted W.A. girl cyclist who is at present engaged in an attempt to break the world's record for twelve months riding by a woman cyclist, passed through Beverley on Sunday last on her way to Popanyinning where she at one time resided.

Members of the Beverley Cycle Club met Pat on the York road and escorted her to town. Later she lunched with Mr and Mrs E W Edwards and Mr and Mrs L A Edwards at the latter's home. Mr E W Edwards is the local agent for the Malvern Star cycle, the makers of which are sponsoring the W.A. girl's attempt on the record. At present Pat is 5,000 miles ahead of the record established some years ago by Mrs Dovey, of England, this despite delays occasioned by an accident and illness.

Of a quite and unassuming type the cyclist is popular wherever she goes. She passed through the town on her return journey to Perth on Monday afternoon.

GIRL CYCLIST'S TRIUMPH — WEEK-END SPORT.

A NOTABLE RIDE: Pat Hawkins, a West Australian girl cyclist, broke what is believed to be the Australian open record for one week's cycling in a ride which ended on Saturday. Her sponsors are claiming a new world record for one week's cycling (11,546.6 miles) and the 1,000-mile Australian women's record, in addition to West Australian intermediate records. Above: The Minister for Works (Mr. H. Millington) congratulating Miss Hawkins at the conclusion of her ride in Cathedral-avenue. Inset, above: A Press photographer getting his angle of the finish from a high window in an adjacent building. Inset, left: Wearing the decorations she received.

In 1949 the Beverley Cycle Club (established in 1908) introduced **cycle races for women** as reported below in the *Beverley Times* on 25 March & 1 April 1949.

An innovation which proved very popular was a race over 2 laps for lady competitors, and once again the scratch marker triumphed. Shirley Randell and Verna Noonan fought out another good finish, but Miss Randell prevailed by about a length. Shirley Shackles claimed third prize. This race created a good deal of interest, and if sufficient nominations are forthcoming it is hoped to make a race for ladies a weekly feature of Club racing.

The ladies' race over two laps proved a triumph for Verna Noonan, who was narrowly beaten the previous week. Although Shirley Shackles appeared to have the race in her keeping with a half lap to go, Verna Noonan stuck to her guns and gained the upper hand after a great struggle.

Bronze for Angela Stanfield

Following the article in the August Blarney edition, which featured Perth chef and Beverley local Angela Stanfield and her angel sculpture that she crafted out of butter. We have been absolutely astounded by her latest creation a majestic dragon (pictured below) that she crafted out of 28 kilograms of margarine!

The 20 year old chef, was one of the seven in the WA Youth Culinary team that travelled to the biggest cook-off in the world, the World IKA Culinary Olympics in Erfert, Germany. Which features best and brightest chefs competing in an array of events.

Angela devoted a lot of time and skills to create the masterpiece, and all of her efforts have been worthwhile as she has been awarded a bronze medal.

Congratulations Angela on such an amazing achievement at such a young age.

Station Gallery & Platform Theatre News

BSA Annual General Meeting

The AGM for members and friends of Beverley Station Arts was held on Thursday 20 October at the Station Gallery. From the BSA members present the committee was elected.

Committee members to serve their two-year term as from now: Jenny Broun (Chairman and Events Coordinator), Kathryn McLean (Exhibition Secretary), Amanda McLean, Joanne Strange, Leita Barrett-Lennard, Valda Morton.

Committee Members to serve their second year: Marylou Hutchinson (Vice Chairman and Artist-in-Residence Coordinator, Sarah Miller (Secretary), Pauline Knight (Treasurer), Penny Burns, Tracey Fleay (Exhibition Treasurer).

Gallery Shop - It was decided at the meeting to close the Gallery Shop as this past year has seen few sales. After the Station building was closed for twelve months for remedial work the little shop never regained its stock and with two great art shops now in town the need has gone for the Station Gallery to sell local art and craft. This room will now become an office which BSA requires for admin tasks.

Country Arts Visit

Doone McAlary (Regional Arts Development Coordinator) and Zoe Hollyoak (Marketing Officer) visited BSA committee at the Station this month, staying in town overnight and in the morning conducted a session on marketing and Mail Chimp.

Jenny, Sarah and Marylou with Zoe Hollyoak and Doone McAlary from Country Arts.

Town Hall Shenanigans

As part of our ongoing partnership with Beverley District High School we organised and subsidised the students to attend the wonderful barking Gecko production of *In the Dark, Dark Wood*. And I was especially

proud to be a part of their own school musical production by working with the students to make the backdrop for the town hall stage.

Little Noah Shaw may have missed the show *In a dark, Dark Wood*, but had his very own performance on stage with the actors.

Mal Turner supervising Steve Vincent and Jethro as they finish hanging the backdrop for the school production *Jungle Book* to Beverley in England and the holy grail. The 'vampire' link was based on the two Vampire planes, one in the main street and the other in Hunt St; and then there was the reference to sheep being a focus our rural town and the 'fact' that Prof Said is a renowned expert on the education of sheep. Hence followed a treasure hunt with cryptic clues throughout the town in search of the chalice. Performances by the four South African artists-in-residence were frenetic alongside a few of Beverley's local talent. Here are some pics of the treasure hunt in Vincent Street

Artist-in-Residence

Our Artist-In-Residence for October was Alan Pickering from Perth, WA. If you didn't sight Alan out and about with his snazzy portable paintbox on a tripod painting a multitude of scenes in the town you can't have been looking! All this superb plein air work was then exhibited in the Station Gallery. Alan certainly brought life to the station for the month with his many free workshops which were well attended.

Plein air painting with Alan Pickering at the St John in the Wilderness Church in the Dale

November sees many artists staying at the Station - at different times! First off the rank we have the Elixir trio experiencing country life for a couple of days prior to their performance. Immediately following the lads is Lyn Nixon for the weekend 04 and 05 November. Lyn is a visual artist who works primarily with photography and printmaking and is revisiting the Station after being here a year ago taking pics of the Station's cracking walls. Those pics featured in a group exhibition at the Moores building earlier this year. (see her web site <http://www.lynnixon.com/uncertainty.html> featuring the work). Lyn continues her work on the fragility of our existence and is keen to talk to anyone who has experienced earthquakes and visit any properties that contain cracks. (email: dlnixon@gmail.com)

Painter Hazel Moore returns to the station with friend Jen Perry from the 10 - 14 November. Hazel is holding a drawing workshop on Sunday 13th and explains her stay as "a whistle stop tour of drawing, materials info, contour drawing, rendering, simple perspective, right side of the brain techniques, lots of associated exercises, simple still life instructions and if time allows we may be able to touch on facial proportions. It is a good fun day, quite intensive and busy but everyone works to their own abilities and it is not a competition!" Hazel will supply all the necessary paper and also bring drawing boards, pencils, charcoal, handout sheets etc. If students have the following items they would be handy but I will have enough if necessary: Pencils HB - 2B - 6B; Ruler; Eraser; Big bulldog clip. Time taken from 9.30am to approx. 3.30pm or 4.00pm. Cost \$50. (cash on the day please) Please bring own lunch. Half hour lunch break. Tea and coffee supplied.

For all information on residencies check with Artist in Residence Coordinator Marylou Hutchinson on 9647 1027 / 0427 085 511 or email: hutchinson@wn.com.au

Beverley Station Singers

The Singers Lunch at Kelly and Williams home Boranning on SUNDAY 09 OCTOBER was touted a great afternoon of recording. The Dunsborough Songfest Friday 11 - Sunday 13 November is almost upon us, though it's unfortunate to learn that Kelly and William won't be there as they have been invited to India to launch Kelly's book and perform. Beverley Community Christmas Concert Saturday 17 December.

The next get-together to practice for the Songfest at 7pm on Wednesday 3 November.

Kelly Newton Wordsworth directs the group on a monthly basis (\$35pp to be paid up-front 3 monthly, or \$50 per session). Anyone interested in joining the singing group contact Tracey Fleay- Mob: 0409 481 029 or E: traceyfleay@hotmail.com

Platform Theatre

ELIXIR - CIRCUS DRAMA and BURLESQUE - two great shows in one night!!

"ELIXIR" (produced by Head First Acrobats): Fresh from their sold out and award winning tour of the United Kingdom, Head First Acrobats are back in Australia and are touring their internationally acclaimed show ELIXIR. It's a gutsy acrobatic show, with hard tricks, sweat and classic comedic timing. More action than a movie, more laughs than a standup show and way more fun than you can imagine.

"COCO CABANA DANCE": Popular Burlesque comes to Beverley for the very first time, these show girls with their titillating acts promise to infatuate and delight.

Colourful Fruits and Vegetables That Boost Your Immune System

By Valerie Gunsch

Clinical Nutritionist, Profemme Practitioner
Email – healthylivingbev@westnet.com.au

Everyone knows that once spring is in the air, we can welcome back our white wardrobes.

Why wait until then I ask you?

There is a better way to get the benefits of white year-round by putting it *in* our body instead of on it!

We are often told to 'eat a rainbow' and we aim for the guideline that says the more colour a food has, the better it is because the colour is just one indicator of nutrient content.

Produce that wears white could be just as valuable. In fact some white vegetables contribute substantial quantities of nutrients that we seem to be missing most often (also known as shortfall nutrients), like potassium, magnesium and fiber.

Here is how to wear white in a way that is truly one size fits all.

Cauliflower

Move over kale. This veggie has been deemed one of the hottest trends of the year. Along with the other members of the cruciferous family, cauliflower contains sulphur compounds that are associated with fighting cancer, strengthening bone tissue and maintaining healthy blood vessels.

Mushrooms

Get ready for this list. Mushrooms are low in calories, fat free, cholesterol-free, gluten-free, very low in sodium, and yet they carry a wealth of selenium, potassium, riboflavin, niacin and vitamin D. Mushrooms are also healthy and filling so they can help you control your weight without compromising taste. They are also a rich source of umami*. Umami is the scientific expression of the fifth taste sensation. Umami helps simple dishes come alive.

Garlic

In our house, all I have to do is sauté garlic to draw hubby in my kitchen. Aside from tasting great, garlic has been touted as being able to help

'hair grow', causes acne to disappear and keep colds and flu at bay. Its

antioxidant properties can help boost your immune system, and to get the most out of garlic's active chemical, allicin, cut a fresh clove up and expose it to the air for a little while before you cook with it.

Onion

Chef Julia Child said, "I cannot imagine a world without onions," and for good reason. The anti-inflammatory chemical in onions called quercetin can help ease discomfort from arthritis, and quercetin's beneficial properties have been associated with a lower risk of cancer, heart disease, diabetes and a stronger immune system.

Potatoes

Most people fail to meet dietary recommendations for potassium and dietary fiber. The white potato provides as much fiber as and more potassium than other commonly consumed vegetables or fruit. Potatoes also provide vitamin C, Vitamin B6 and magnesium, in addition to small amounts of high-quality protein.

Banana, Apples and Pears are considered fruits with white flesh. The sayings 'eat an apple a day'... are an easy way to increase white fruits and vegetables

Note

*umami, what exactly is the umami taste? Well, there is no English word that's synonymous with umami; however it is most often described as a "savory" or "meaty" taste. In Japanese umami translate roughly as good flavour or good taste.

CALL FOR NOMINATIONS FOR HEROES

St John Ambulance Western Australia has a proud history of helping people in sickness, distress, suffering and danger. But we're not the only ones.

Everyday, members of the community, emergency staff and volunteers go above and beyond to deliver first aid, preventing death and serious injury to those around them. We recognise these people as the true heroes of our communities and wish to acknowledge their actions through the presentation of Community Hero Awards.

Who's a Hero?

The St John Ambulance Community Hero Awards are given annually to honour nominated individuals who have displayed enormous courage, and exceptional judgement in assisting another human being with an emphasis on delivering critical first aid. Selected nominees are awarded at a ceremony at Government House each year.

The Community Hero Awards are awarded in two categories:

Community– awarded to members of the general public and **Service** – awarded to staff and volunteers from St John

Who can nominate?

Anyone can nominate another person for a Community Hero Award. An individual only needs to be nominated once to be considered for an award.

Nomination forms for 2016 can be submitted via an online form through the St John Ambulance Website or alternatively download a PDF form. Visit the website: www.stjohnambulance.com.au

Nominations must be received by St John Ambulance WA by 5pm, Wednesday, 14 December 2016.

AMBULANCE TRIPS

Our local volunteer Beverley Ambulance Officers continue with their huge commitment to our community. Below are the trips completed over the last 3 months by on average 5 - 6 of our local volunteers. It is an amazing effort from some very special people. Some months the ambulances can do up to 30 trips. The table to the right is until 25 October 2016.

IN LOVING MEMORY OF CHERLEL

Cherlel Reed is sadly missed within our small community. Everyone fondly remembers Cherlel for her kindness, warmth and giving everything 100%. She became an active volunteer in 2006 and was extremely dedicated to St John and the Beverley Community.

At our September Meet and Greet, Sub Centre President John Lane was able to unveil the rose planted out the front of the building in honour of Cherlel. This has made for a wonderful place that people can come and fondly remember our beautiful Cherlel.

Beverley CRC Host Author Linda Bettenay

Following on from the success of her novels 'Secret's Mothers Keep' and 'Wishes For Starlight', author Linda J. Bettenay will share the inspiration and stories behind her recently released book.

'The Apple Core Wars', is a tale based on the astounding war experiences of Charlie Parkin, one of seven brothers to serve during WW2. Charlie's boyhood enemy is Jacky Bellamy from nearby Karragullen. Their rivalry and childhood dislike, morph into mateship as they become POWs and face unspeakable ordeals. By the end of the war, Jackie and Charlie had found that they had more in common than divides them.

FLEUR MCDONALD

Wednesday 09 November - Beverley Platform Theatre

1.00pm onwards with Devonshire teas available

Fleur McDonald is one of Australia's leading rural literature authors.

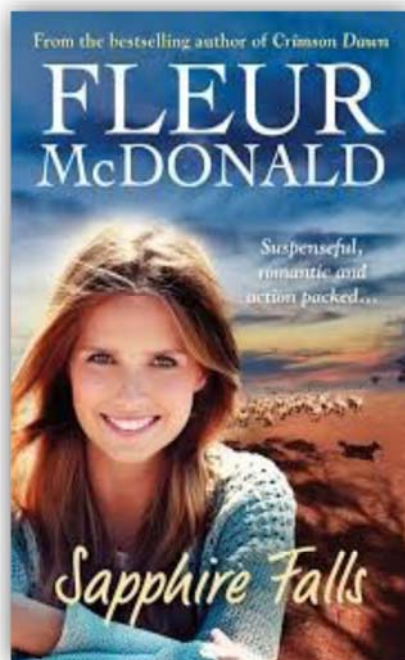

Her books become best sellers almost as quickly as they hit the shelves and in recent years she has solidified her position as one of the country's favourite storytellers.

Fleur McDonald has lived and worked on farms for much of her life. After growing up in the small town of Orroroo in South Australia, she went jillarooing, eventually co-owning an 8000-acre property in regional Western Australia.

Fleur likes to write about strong women overcoming adversity, drawing inspiration from her own experiences in rural Australia. She is the best-selling author of *Red Dust*, *Blue Skies*, *Purple Roads*, *Silver Clouds*, *Crimson Dawn*, *Indigo Storm* and *Sapphire Falls*.

THE BLUE LINE

Beverley Police Station

57 Hunt Road, Beverley WA 6304 BeverleyPol@twitter.com

Phone: 9646 3333 Crime Stoppers: 1800 333 000

Hello Everyone,

As a result of inquiries by Beverley Police a CIA & MDA search warrant were executed with assistance from York police at an address in York on 12/10/16. As a result, a large number of items stolen from a property in Bally Bally last month, have been recovered and will soon be reunited with its rightful owner. A quantity of cannabis and drug paraphernalia was also seized.

A 28 year old female and a 28 year old male from York have both been charged with:-

- Possess prohibited drug
- Possess drug paraphernalia
- Possession of stolen or unlawfully obtained property

The female has additionally been charged with Gains benefit by Fraud.

Further inquiries were made and another search warrant was executed two days later at an address here in Beverley. Again, a large quantity of stolen property was recovered; inquiries are continuing to establish owners so if you have anything recently stolen from your sheds that has not been reported, in particular power tools and small farm equipment, please contact Beverley Police on 9646 3333. We are still attempting to locate the occupants who are wanted for questioning in relation to this matter.

Unfortunately the firearms were not located and remain outstanding so if you have any information to assist us with our inquiries please call Crime Stoppers on 1800 333 000. Encouragingly we have not had any burglaries for the last four weeks; this coincides with the main person of interest leaving town.

ROAD RIBBON FOR ROAD SAFETY

The *Road Ribbon for Road Safety* campaign is a community based initiative which enables everyone to directly contribute to raising awareness and the importance of road safety in Western Australia. The campaign promotes road safety messages that urge people to take care on the roads to help reduce road trauma in WA.

Road Ribbon for Road Safety®

20 November 2016 - 6 January 2017

By sending this e-Ribbon you are helping to raise awareness of road safety in Western Australia.

Beverley Police will host a public display on Saturday 19 November 2016 in Vincent Street, Beverley at the RSL street stall and I encourage you to wear a road ribbon and tell and talk to others about the campaign to raise awareness of the importance of road safety in WA.

OFF ROAD VEHICLES

With the onset of the warmer weather it is timely to remind those that have unlicensed off road vehicles that it is illegal to ride them on any gazetted road. Off road vehicles are not only off road motorbikes and quads but anything with a motor that is capable of being ridden/driven and so includes any type of motorised buggy.

There is only one place within the shire of Beverley that an unlicensed off road vehicle can be ridden legally and that is the Beverley Moto X track. To utilise this facility you must be a member, however, the moto X season has just come to an end.

Shire of York have a gazetted off road MX circuit on the Spencers Brook-York Road, York. This area is open to the public, however, to ride there you need an Off-Road Vehicle registration which is available at the Shire office.

Other designated Off Road Vehicle areas are:

- Gnangara – Gnangara Rd
- Kwinana – Thomas Rd, Medina
- Lancelin and Ledge Point – 2 separate areas
- Pinjar – opposite Barbagello Raceway

Riding on private property is permissible, however, you obviously need the owner's permission and your riding time cannot exceed 2 hours a day.

From a law enforcement point of view, a road is the area between two property/fence lines, so this means if you are riding an unlicensed vehicle on a street verge, technically you are riding on a road and can be charged.

NEW POLICE OFFICER

Sadly First Class Constable Nick Jacobs has moved on to greener pastures; he will be greatly missed and I would like to take this opportunity to thank him for his diligence and dedication over the past two years. Senior Constable Ian Jeffrey will arrive to take up the vacancy here at Beverley; he brings with him a wealth of knowledge and is looking forward to embracing the Beverley Community and country policing.

Take care and stay safe.

When the Ball Bounces the Wrong Way

Sometimes even when we do everything possible to get it right the ball still bounces the wrong way. When this happens it is a natural reaction to ask ourselves “what did I miss” which often leads us to blame ourselves for something that was beyond our control. These challenges can include any form of personal crisis such as relationship, financial, family, neighbour and weather issues. They can affect any of us any time, the ball can bounce the wrong way!

With the latest challenges of frost facing farmers, it is easy to start blaming ourselves for the increasing number of challenges needing to be dealt with, when the reality is most people made good choices based on the knowledge had at the time.

As human beings when we become aware that we are facing new, serious and unexpected challenges our response is to either ignore them, hoping they are an apparition, or we go to the other extreme and visualize the worst possible outcomes.

While both these positions are legitimate, depending on your personality type, the reality of the situation and the solution to the challenge is somewhere in between.

I believe there are several things that can be done to help us deal with the difficulties we are facing right now (in particular frosts for the farmers) in a positive way to protect our wellbeing. However these points can be used for any contextual issue we may be facing in our lives.

- **Keep a positive personal attitude.** Recognize your ability as a good farmer (or in another context a good bloke) who made the right decisions but the ball has bounced the wrong way.
- **Talk to whoever needs to be informed about your situation.** This includes family, financiers,

advisors and legal positions (especially in relationships and child custody).

- **Look for realistic solutions not someone to blame.** These problems have caught most people off guard and unprepared.
- **Don't panic or over-react.** Most challenges take a little time to unfold and hasty decisions can create additional problems.
- **Start to consider your options.** As you consider your alternatives keep those affected in the loop.
- **Consider this as a challenge more than a problem.** When things are problems we usually think negatively when they are challenges we think positively.

In life we have many experiences that require us to use our best judgment, based on the knowledge we have, to ascertain the best way forward. If we are well informed it is easier to respond when the ball bounces the wrong way. This is always helped by increasing communication by both talking and listening with all concerned in the challenges facing us. Down the track with the benefit of hindsight we are able to test the wisdom of our responses.

It has been said before but it is worth repeating “success has its greatest impact on our ego, **challenges are the things that strengthen our characters**”.

Cheers

Avoiding Viruses

I explained about viruses in the March Blarney, but because I still see many viruses (I removed over 2600 threats from one PC!) I feel it is worth covering the issue again.

Install good virus protection

Virus detectors: It is absolutely essential to have a virus detection program to prevent viruses getting on your device. Some of the older and well-known virus detection programs (often sold in shops) are inefficient and not as good as some of the more modern, lighter programs. There are very good modern ones available free – so no excuse!

Virus scanners: Virus detectors don't stop everything so a regular scan of all your files is necessary. Use a separate scanner – if the virus detector lets a virus through then scanning with the same program will not find the virus. The best scanner is free, so again no excuses.

Don't click

Avoid clicking on anything you are not sure about on web pages and beware of adverts and links buried in the text (usually highlighted or with a different font). If the web address does not look genuine, be very wary. Sometimes even closing an advert will bring in a virus, so do not click on any part of a suspicious advert. Turn on the 'Status' toolbar in Internet Explorer, then when you hover over an advert or link with your mouse the true web address will show in the bottom left corner of the web page.

Adverts to avoid

Do not click on adverts for "Driver Updates", "Scan your

PC" "Your PC is slow" etc. These are nearly 100% malicious. Driver updates are done automatically and invisibly in the background by Microsoft –special programs are not needed. Malicious scanners will often give false detections to encourage you to buy a 'repair' service. If you don't buy, they may destroy all you files or steal your identity.

Avoid spam emails

Not all spam emails are filtered out. Opening an email to read it is not dangerous, but never click on a link within the email or open an email attachment unless you are absolutely sure it is safe. If you receive an email that is unfamiliar, check it carefully. Many spam emails pretending to come from banks, suppliers, etc. look genuine so investigate further: look in detail at the 'From' address; hover over any links and see if the web address aligns with the senders address. If either of these do not align with the supposed sender then the email is spam. Delete any suspicious emails.

Regular backup and updates are essential

Regular backups to an *external* drive is the only way to guarantee not losing your files when something goes wrong.

Disconnect your backup drive when not in use - it can be encrypted by a crypto virus. If you don't have an external back-up hard drive, buy one.

Take all updates: Keep your device up to date. Most updates are to repair security holes. Also update virus protection programs – there are new viruses every day.

Marg finished the season on a high.

Thursday 06 October
Pickering Brook Open Day
4 ladies went down to their open day but we didn't win anything in the golf but Sera and Margie won a raffle each.

Wednesday 12 October
Closing Day
We invited some past members and trophy donors to our closing day. We provided them with a lunch and presented our trophies for the year.

We had the long drive play off and Maxine Watts won this.

The winners of the Eclectics were Yvonne Hobbs who won half handicap. Marg Peck who won full handicap.

The Ferret Trophy was won by Marg Peck with 7 ferrets.

The Putting Competition was won by Jane Murray. Well that's the end of the golf season for this year and hopefully we will all be back next year with maybe some new members to join us.

Beverley Football Club

A good showing of members turned out for our Annual General Meeting on Friday 21 October, which saw the Beverley Football Club record a healthy profit for the financial year. There were several changes to our committee including the departure of two long-serving and integral members. We would like to acknowledge out-going Committee Members Chantelle Meade and Damien Murray for the valuable contribution they have each made to our Club throughout their time on the Committee. Chantelle has served on the Committee for 5 years, most recently in the position of Vice President. During her time on the Committee, Chantelle has played a large hand in coordinating and managing our Netball team, been heavily involved with our canteen management and has been behind many of our social functions. Damien has served on the Committee for near on 20 consecutive years and throughout this time there isn't much Damien hasn't been a part of, including President, Vice President, Reserves Coach, actively involved at Club busy-bees, crutching busy-bees, cropping and harvest, oval marking, social functions and more recently with timekeeping and interchange duties. Congratulations to Justin Mann who moves from the Secretary's chair to the Vice President's chair. Taking over as Club Secretary is new Committee Member Bec Smith. We welcome Bec and thank her for accepting this important role with our Club. Along with Bec we welcome new Committee Members Andrew Broun and Simon Marshall and welcome back Robbie Wansbrough and look forward to their contribution.

We'd like to thank our out-going Coaches, League Coach David Johnson, and A Reserves Co-Coaches Daniel Fleay and Jarrad Minchin, for their commitment and dedication to our Club throughout their time in these roles.

We would very much like thank our Canteen Coordinator Ali Lewis for her enormous work over the past two years in managing this role. The commitment and dedication Ali has given to our Club has not gone unnoticed and along with the valuable volunteers this has enabled our Canteen to function productively on match days.

We wish everyone a hassle free and successful harvest!!!!

The Beverley Football Club Social Committee requires the services of an enthusiastic Coordinator to manage and facilitate the operation of our Canteen for our seven home games in season 2017. The Social Committee acts as one of our Club's strongest resources and it is our wish with your valued assistance that this continues to be successful. Please contact Jezz Barrett-Lennard on 0417 966 249.

A reminder to all players, members, sponsors and supporters that you can now view all the latest news and events from the Beverley Redbacks by checking out our Facebook page at: <http://www.facebook.com/beverley.footballclub?fref=ts>

See you at the footy!!!

Welcome to the 2016/17 Tennis Season

The Opening Day for the 2016/17 Season was well attended on Sunday 16 October. Mrs Sandy Shaw was introduced as the new Club Patron after the sad passing of club supporter and patron Bob Hall. Sandy sent down two ripper serves in difficult windy conditions to officially open the season! The day saw over 30 adults and 15 children use all 8 grass courts and the 2 hardcourts. Many thanks to our members who rode in the Beverley Heroic earlier in the day and then came along for a hit of tennis. Not only were they all a little tired they also managed to win us the \$250 club competition in the Heroic!

PENNANTS

The pennant competition kicked off on Saturday 22 October with Beverley playing Northam 1. Congratulations to first time players Emily and Chad. Beverley defeated Northam 1, 18 sets 142 games to 12 sets 129 games.

JUNIOR TENNIS

Tuesday afternoon Tennis Coaching has once again proven very popular with a large number of children attending coaching sessions at the Tennis Club. We welcome back Mr Keith O'Brien, who is coaching children from Kindy and above.

Ladies Midweek Tennis

Wednesday 19 October saw the commencement of the Midweek Ladies Competition. Nearly 30 ladies are taking part in this annual round robin competition.

A number of juniors have also been traveling to Cunderdin to participate in the Central Districts Squad coaching sessions. Beverley is represented throughout the Beginner, Intermediate and Advanced groups.

Tournament Time!!!

The next tournament is the Lew and Sandy Shaw Mixed Handicap Doubles on Sunday 6 November. Please get your names in the draw to club captains by Wednesday 02 November. The competition is a draw for partner. This is a new event that is replacing the Vin and Anne Szczecinski Handicap Mixed Doubles. We would like to thank Vin and Anne for their many years of sponsorship.

We also welcome another new sponsor with the Lucky Find Ladies Doubles Open Day which will be held on Wednesday 23 November.

Junior Players from Beverley have been selected to travel to Bunbury to play in the Foundation Cup and D'Arcy Slater Cup. Congratulations and Best of Luck to Grace Fisher, Abbey Cooke, Ella Cooke, Mitchell Ashworth, Kaitlyn Shaw, Zoe Shaw, Bronte Cleland, Digby Cleland, Rebekah Aynsley, Declan Kilpatrick, Tom Mellick, Annie Mellick, Sophie Kilpatrick, Sam McLean and Grace McLean.

Results and pictures to follow in the next edition of the Blarney.
