PHOENIX SHED ASSEMBLY

SHIRE OF BEVERLEY PRESIDENT REPORT - JULY 2017

Local Government Elections October 2017

Local Government elections will be held on Saturday 21st October 2017. Nominations open for 1 week, commencing 44 days before polling day and close 4pm 37 days before polling day. For anyone who has an interest in nominating as a candidate the Shire of Beverley will be holding an information session on Thursday 13th July 2017 (details elsewhere in Blarney). Alternatively you can make an appointment to speak to the CEO and Shire President.

As an Elected Member you represent and contribute to your community at the Local Government level. Training is provided and the role can be interesting, varied and rewarding (perhaps at times a little frustrating too!) Please give your consideration to attending the information session to gain an understanding of your Local Government.

Mural Art by James Giddy

The mural art project has been a great success and many local residents and visitors would have by now admired James Giddy's creations on five buildings along Vincent St (have you found the pink butterfly?) James was a delight to have in Beverley, commenting that he was glad to have been involved with such a welcoming community and would be back.

Staffing Changes

Daryl Storer has been the Shire's Maintenance Officer since 2013 however has decided to retire. Danny Gibson was the successful applicant to fill Daryl's position. Lee Storer is also finishing after providing cleaning services to the Shire since 2014. We wish Daryl and Lee the very best in retirement and many happy travels! Marika de Beer was the successful applicant for Lee's position.

Shire of Beverley Community Grants Open in July 2017

The next round of Beverley Community Grants open on Monday 3rd July and close on Friday 28th July. Contact the Shire office for further information.

Roadworks within the Shire

Gravel sheeting has been completed on Deep Pool Road and is currently occurring on Ski Road into the lakes area and on Yenyening Lake Road east of the Qualandary cross roads. Federal 2017- 2018 Black Spot road funding has been announced to upgrade and improve the safety of a 1.66km section of the Top Beverley-York Road near Walgy Road.

Mobile Black Spot Communication Upgrade for Bally Bally

Bally Bally has been included in the most recent Federal Government's Mobile Communications Black Spot program. The Shire has received correspondence indicating that the planning process has commenced.

Beverley WA – Be very you

Following development of the Beverley Tourism Business Plan and Tourism Framework 2016-2020 the Tourism Officer is progressing roll out of a new branding and logo for Beverley tourism stakeholders, including business and community. Creative ADM were engaged to develop the unique identifier for Beverley and the Tourism Steering Committee provided oversight on this process.

The CRC are hosting a Business Sundowner Branding Workshop on 20th July 2017 at which development of the Framework and marketing and branding process will be explained and the Tourism Officer will provide an update on how the new brand can be used (details elsewhere in Blarney).

The Tourism Steering Committee's role is now complete and the interest and commitment to this project has been valued. The group was established in March 2015 and commenced with Cr Dee Ridgway, Cr Tom Buckland, Kathryn McLean - CDO, Sam Fricker - CRC, Jo Johnson, Scott McLean, Jacinta Murray, Kate Sofouis, Heng Ee and Arie Valkhoff as its members; Heng and Arie resigned during last year for various reasons.

A Tourism Advisory Group has now been established with terms of reference to assist the Tourism Officer

SHIRE OF BEVERLEY PRESIDENT REPORT - JULY 2017

with the task of Tourism Framework implementation.

The tourism project supports a *“shared community vision to pursue tourism planning as a means of economic development and social benefit as referenced in the Shire of Beverley Strategic Community Plan 2013-2017”*. *Beverley Tourism Business Plan 2016*.

Beverley Water Supply Improvements June 2017 – May 2018

Over the next 12 months, work will be undertaken by the Water Corporation to improve water supply to its Beverley customers. Updates are to be provided and customers notified prior to any work that may impact them. More information is available by phoning Elecia on 94203265 or emailing Elecia.Wheat@watercorporation.com.au

2017 speeding by...

With the winter solstice on Wednesday 21st June and end of financial year on Friday 30th June we are reminded just how quickly the year goes. Hopefully the second half provides worthwhile and much needed rainfall for everyone (and is frost free).

Dee Ridgway
Shire President

SHIRE OF BEVERLEY IMPORTANT INFORMATION

COMMUNITY GRANTS

Does your incorporated organisation have a local project that needs some extra financial help? Application packages will be available from the Shire office from 03 July 2017 with submissions closing on Friday 28 July 2017.

1. Minor Community Grant

Funding up to a maximum of \$1,000 with no matching funds from applicant

Projects must seek to further the development of one of the following:

- early years (0 to 4 years);
- environment;
- history and or heritage;
- seniors;
- tourism;
- volunteer upskilling;
- youth (5 to 18 years).

2. Major Community Grant

Funding between \$1,001 & \$5,000 50% of the total project cost in matching funds from applicant

Further information about eligibility and application criteria is available in the application package. Alternatively enquiries to the Executive Assistant at the Shire of Beverley.

Phone: 9646 1200 Email: execassist@beverley.wa.gov.au

SCULPTURE EXHIBITION

by Neil Elliott

Creations from the man cave

Station Gallery, Vincent St, Beverley WA 6304

July 6 – 17 Thursdays – Sundays 11am – 4pm

Neil Elliott finds inspiration from found objects and gives them a new lease on life – reimagining the everyday to reflect happiness and positive experiences. *Creations from the man cave* encourages people to feel empowered to create their own art using found objects and recycling, up-cycling, and repurposing. So come on, have fun and create art in Neil's workshops!

Adult Workshops: Workshops will be held at Men's Shed, Vincent St, Beverley where space and tools are available.

4 Day Workshop over 2 weekends: 8 and 9 July; plus 15 and 16 July
\$150 per person for the full 4 days. Limited numbers. BYO junk/ found objects.
hutchinson@wn.com.au For ideas check out Neil's website www.neilelliott.com

ART ON THE MOVE touring Exhibition. ART ON THE MOVE is supported by the State Government through the Department of Culture and the Arts.

Beverley Station Arts is supported by the Departments of Culture and the Arts and Regional Development, Royalties for Regions and Country Arts WA.

VINCENT STREET ART PROJECT

The Shire of Beverley commissioned artist James Giddy to complete a series of artwork along Vincent Street. Thank you to local property owners for their permission to include their business premises in this project. James' presence along the street created a very positive vibe and his artwork will be sure to attract visitors into the town centre and encourage them to stay longer and to explore.

**SHIRE OF BEVERLEY
IMPORTANT INFORMATION**

REVIEW OF BEVERLEY MUNICIPAL HERITAGE INVENTORY

INVITATION FOR EXPRESSIONS OF INTEREST

Expressions of interest are hereby invited from members of the public to become part of the steering committee that will review the Shire of Beverley Municipal Heritage Inventory. The steering committee will assist with the review of the existing entries on the inventory as well as identifying additional places for entry in the revised Heritage Inventory.

Interested persons are encouraged to contact the Shire Planner, Stefan de Beer via email at planner@beverley.wa.gov.au or at Tel. 9646 1200 before **Wednesday 19 July 2017** to express their interest. It is anticipated that a start-up meeting will be held on **Monday 24 July 2017** at 1.00pm in the Shire Chambers.

Local Government Elections will be held this year on **Saturday 21 October 2017**

Thinking of becoming a Councillor?

Nominations will open on **Thursday 07 September 2017** and close at **4:00pm, Thursday 14 September 2017.**

The Shire President and Chief Executive Officer would like to invite anyone with an interest in becoming a Councillor to a short presentation and question and answer session on Thursday 13 July 2017 at the Shire Office 2.00pm - 4.00pm.

Afternoon tea will be provided.

Please register your interest with the Executive Assistant, Ali Lewis, from **Tuesday 4 July – 9646 1200.**

Shire of Beverley Job Opportunity Final Trim Grader Operator

Our construction team is seeking applications from hard working, self-motivated and suitably qualified persons to fill the full time position of Final Trim Grader Operator.

In this role, you will assist with the construction and maintenance of the Shire's roads, drainage and shared paths infrastructure in a safe, efficient and cost effective manner and to agreed quality standards.

The successful applicant will have a Grader Operator's Accreditation Certificate; minimum five years practical experience with the operation of grader to advanced level including final trim; experience in road, drainage and path construction; a valid unrestricted "HR" drivers licence; a current Construction White Card; and be committed to working in a team environment.

Please call Sheridan Irvine on 9646 1200 or email admin@beverley.wa.gov.au for a copy of the application pack.

Your application should include a resume and a covering letter which addresses the selection criteria and be mailed to Mr Stephen Gollan Chief Executive Officer, PO Box 20, Beverley, WA 6304 or emailed to ceo@beverley.wa.gov.au.

Applications close Friday 21 July 2017 at 4.00pm.

Beverley Garden and Tree Society

In June saw the Garden club members on the move with visits to “Romancing The Stone” garden in Maida Vale, followed by stops at Dawson’s Garden Centre in Kalamunda then Zanthorrea Nursery.

At “Romancing The Stone”, we enjoyed a generous morning tea and a tour of his garden guided by Bob, who has done all the fantastic stone work, including an amphitheatre, over a period of years. What a huge labour of love it has been.

Our monthly meeting was held at Dawson’s Nursery where we had lunch. 22 members were present with 4 apologies.

Morag told the members that there are some lovely photos of the Dead Finish garden on the Beverley website. We discussed our seniors lunch which will be held next month and further plans for our display at the Beverley Show. We were also reminded that we usually provide 27 roses for the Amana memorial on the 26 June and we will do so again this year.

July sees us well and truly in the midst of the cooler months but that means it is also a great opportunity to get some of those jobs done that the hotter temperatures make difficult or just plain uncomfortable. If you’re planning on creating a new path, digging a pond or building a new veggie garden, now is the time to get into it; you’ll build up a sweat but it won’t be as bad as trying to get it done while it’s hot.

The next meeting will be a casserole lunch for our senior members at the RSL hall at 11.30am on Tuesday 04 July. We will also have a bring and buy table.

FRIDAY BINGO!

Friday 14 July

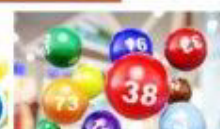

1.00pm – 3.00pm

AVONDALE FARM - WARDEN REPORT

Gee that title sounds terrible, not really one for me more like the caretaker so next month I will change it. I hope everyone is enjoying the fine weather we are having but like everyone else we are waiting for the rain. The fine weather has given us the opportunity to work more in the bush reserve than inside. The past couple of weekend has seen some of the National Trusts workers and their families come up from the city and enjoy what Avondale has to offer. The National Trust has a community work day scheduled on July 02 from 9.30am to 4.00pm. The 52 hectare bush reserve is recognised as significant for its high degree of biodiversity, priority flora and range of unusual species. The National Trust has been working towards weed control, revegetation, fire management and feral animal control in the reserve and it is important that this work continues to maintain and improve the quality of the bushland and to enable educational and tourism programs. The trust is seeking volunteers to help with the management of the reserve on either a casual or ongoing basis. The National Trust aims to form a community based volunteer group who would be interested in meeting on a regular basis to help care for and maintain the bush reserve.

If you are interested in joining us please register your interest and availability to: kelly.rippingale@ntwa.com.au or 9321 6088. Morning tea and afternoon tea will be provided with a sausage sizzle for lunch for those who wanting to attend on the day.

Future Blarney reports will now be broken up into two sections, with AFPA reporting on relevant issues to the museum, horses and other volunteer activities.

AVONDALE FARM PROJECT ASSOCIATION

At the AFPA AGM, it was great to see lots of new members supporting Avondale. Our committee for 2017 / 2018 include:

- Chairperson, Jo Johnson 0417 951 513
- Secretary, Rachel Lucas 0408 948 228
- Treasurer, Dee Ridgway 0428 464 007

Please contact these members if you have any wonderful suggestions or comments about the work that AFPA is doing at Avondale or if you would like to get involved. Other committee members are: Pat and John Alexander, John Pratt, Shirley Julie-Wallis, Nicola Whalan, Jeremy Summers and Emma Atkins. A big thanks to all our members who volunteer their time in lots of different ways.

The winter sun over the WA Day long weekend brought out many visitors to Avondale, some enjoying the picnic area before walking around or driving the 6km drive trail stopping off to feed carrots to Robbie and Comet the resident Clydesdale horses, before returning to enjoy a leisurely stroll around the museum. These visitors included locals who had never visited before, with some past locals returning after many years to reignite their childhood memories of the farm, plus many country and Perth residents staying in the area.

We will be picking up our new horse float for the Clydesdales this month. This was purchased through funding from the Stronger Communities grants with the support of Christian Porter. So watch out for the AFPA horse float around town and if you don't see it this month we will be taking it along to the Beverley Show in August.

BLARNEY DEADLINE

The deadline for the July edition of the Blarney is 4pm on Monday 24 July. Advertising can be emailed to blarney@beverley.wa.gov.au or at the Shire offices.

BEVERLEY HISTORICAL SOCIETY

At our meeting held on the 12 June attended by 10 members, it was reported that the museum has been very busy over the past month with visitors and lots of inquiries for past history on families, building and events.

We are seeking any help from the community for information on Veer Singh who used to sell goods around Beverley in his cart plus any photos would be much appreciated plus if anyone has any photos of the Old Sacred Heart Church in Queen Street.

We can be contacted bhsdeadfinish@gmail.com and as per usual welcome new members.

**PROPOSAL TO INSTALL A NEW MOBILE PHONE BASE STATION AT
 Existing structure at Lot 1, Caroling - Bally Bally Road, BALLY BALLY WA, 6304 (D30424)**

As part of the Federal Government's Mobile Black Spot Programme, Telstra plans to install a telecommunications facility at the existing Guyed Mast structure at Lot 1, Caroling - Bally Bally Road, BALLY WA, 6304 (D30424)

1. The proposal consists of the installation of telecommunications infrastructure onto the existing 54m Guyed Mast structure, including the installation of six (6) panel antennas at a height of 54m and the installation of ancillary works.
2. Telstra regards the proposed installation as a Low-impact Facility under the *Telecommunications (Low-impact Facilities) Determination 1997* ("The Determination") based on the description above.
3. Further information can be obtained from Tim Heffernan, Town Planner on behalf of Telstra, 0439 165 651, tim.heffernan@servicestream.com.au and at www.rfnsa.com.au/6304003
4. Written submissions should be sent to:
 Tim Heffernan, Town Planner, Service Stream
 PO Box 14570
 Melbourne VIC 8001

CWA Beverley Branch

Our June meeting was well attended. We had some interesting discussions as we worked through the 46 motions in readiness for State Conference in July.

The Beverley Branch will be represented by two delegates and two observers at the State Conference which is to be held again this year at the Fremantle Yacht Club. This is a good opportunity to of meeting other branch members and catching up with old friends.

We visited Mount Helena/Parkerville Branch for their International Day. The country of study this year has been Malta. Such a tiny spot in the Mediterranean Sea, yet is so steeped in history. We were entertained by author Rosanne Dingli who was born and educated in Malta and is a most interesting speaker. Rosanne has written many excellent books with the background of Malta and was very generous in donating several of her novels for the raffles, one of which came back to Beverley.

Toodyay Branch of CWA is celebrating their 90th Birthday, to which two members from surrounding branches have been invited. This will be a great reunion day when members from the Avon Division of CWA as well as State executive will be present.

Tammin Branch have also sent an invitation to their International Day at which we will be represented.

It has been a month of invitations as we will be attending York Friendship Day and look forward to catching up with more of our CWA colleagues.

I was recently invited to chat on the York Voice of the Avon FM Radio station and would encourage local listeners to tune in to the programmes which are light, entertaining and best of all - local.

Our next meeting will be on **Thursday 13 July** with the usual morning tea, monthly meeting and Bring and Share lunch and some social time together.

Lorraine Sims - Branch President.

Station Gallery and Platform Theatre News

The Station garden is available for public use at any time;
just open the gates and enjoy!

This month there's been a real buzz around the station and beyond into the main street. James Giddy from Perth who was employed by the Shire to paint murals on the walls of some of the businesses was a treat to watch as he worked his wonders. What transformed has certainly brightened up Vincent Street with the enormous animal life and landscapes within them, and we congratulate the Shire for making it all happen.

James Giddy is known for the subject matter in many such works in rural WA and it is appropriate that he was chosen for this job. And the bonus is that he enjoyed his 2 weeks in Beverley so much that he wants to return for a residency at the Station when there is a vacancy. If his sketch book of watercolours is anything to go by, along with his infectious personality, this young man is sure to have many eager to attend his workshops.

James Giddy at Work. Pictures by Zal Kanga-Parabia

Artist-in-Residence

There has been a certain jollity in the air at the station with lovely ladies Cynthia Boyle and Ngaere Donald who arrived earlier than expected after driving across the Nullarbor. They brought with them many beautiful paintings which are exhibited in the Gallery and very reasonably priced. Two successful workshops around the format of Ann Doh's 'Brush With Fame' were held on the stage of the Platform Theatre. Bruce Denny and Marlene Willson were chosen as interesting characters to paint and listen to their stories. A lot of fun was had by all.

Portraiture Workshop with Cynthia Boyle and Ngaere Donald. Photos courtesy of Marlene Willson

From 06 - 17 July BSA is presenting the ART ON THE MOVE touring Exhibition "creations from the man cave" by Neil Elliot. ART ON THE MOVE is supported by the State Government through the Department of Culture and the Arts and this will be our first experience of such touring exhibitions. They are costly - some \$3,000 so we have applied for a grant to cover this. Fingers crossed that we get it! The exhibition coincides with Neil Elliot as AiR and he will be running two exciting workshops over the two weekends he is here - 8 and 9 July, and 15 and 16 July. See separate advertisement on page 4 of this Blarney edition. The Men's Shed has kindly allowed the workshops to take place at their premises where bench space and vices may be used, and we thank them for their generosity. The workshop costs \$150 per person for the full 4 days. If you have always wanted to learn how to create sculptures without welding from found objects laying around the back of the shed, then now's the time to do it! But book now to avoid disappointment as numbers are limited. Keep an eye on the weekly Bulletin sheet for updates.

For all information on residencies check with Artist in Residence Coordinator Marylou on 9647 1027 or 0427 085 511 or email: hutchinson@wn.com.au

Artists in Residence Programme 2017

 23 - 27 Robyn O'Grady
 September: 01 - 07 Robyn O'Grady (Perth);
 09 - 17 Leslie Austin (Mandurah);
 18 - 30 Marta Salomon (VIC)
 October: Carine Nemery (Perth WA)
 November: Hazel Moore (Perth WA)
 December: 01 - 06 Jana Vodessii-Buruffi (Perth);
 07- 23 Georgia King and Mark Storen (Perth) - performers/playwriters

Beverley Station Singers

 Our next get-together is the 06 July. The June session saw us practicing for the Beverley Show and the VoiceMoves Country Choir Bash here in Beverley on Saturday 09 September. Also in September, we are hoping to participate in the VoiceMoves Guildford Songfest - we are in the ballot for attendance. Kelly Newton- Wordsworth directs the group on a monthly basis at \$50 per session, or \$105 for 3 months. Anyone interested in joining the singing group contact Tracey Fleay - Mobile: 0409 481 029 or Email: traceyfleay67@gmail.com

Platform Theatre

At this time of the year we try to find a date that suits most of the committee and helpers and have a social get-together to celebrate the end of the Platform Theatre Season. On Saturday 17th committee member Leita Barrett-Lennard and husband John welcomed us into their home for the 'wind-up'. It was a spectacular day both weather-wise and socially. And so now we begin next seasons events!

SMALL VOICES LOUDER

Part Two of the production *Small Voices Louder* is a sound experience that takes the Beverley School children's playful, insightful and refreshingly honest responses to the questions asked in Part One at the Platform Theatre end of March. These beautiful responses from our local kids plus others from regional WA will be delivered over local radio, ABC radio and at the Beverley Ag Show. Something to listen out for at the Show - don't miss it!

BARBARA & BARRY SWEET, SOUR & SAUCY

organised by **Country Arts - Shows on the Go** - this production is coming to Beverley on Wednesday 2nd August. This was the only day available to us that fitted in with the tour and obviously being August, the show will be presented in the Town Hall and not the Platform Theatre. Pull up a cabaret seat and step into the home studio of self-appointed "experts on love" Barbara and Barry. This vintage Aussie duo deliver well-intentioned, yet questionable love advice through their talkback radio show *Sweet, Sour and Saucy*. Mixed in with their lessons on love are the adorable songs by Eartha Kitt, Louis Armstrong, Nat King Cole and Ella Fitzgerald. An hilarious jazz-cabaret. Combining virtuosic piano playing, strong and sultry vocals, rich harmonies and inventive accompaniment (ukulele, washboard, spoons, trombone kazoo, tap dancing) Barbara and Barry end up being everyone's favourite Love Agony Aunt and Uncle. B&B have been a five-star hit at the Edinburgh Fringe, toured right throughout Queensland and hosted cabarets across the UK. Warm, loving, witty and supremely talented, Melissa Western and Tnee Dyer are the masterminds behind this production. They have performed at major festivals all over the world and have enjoyed considerable success throughout their arts careers. These are performers at the top of their game -- don't miss out.

WHAT: BARBARA & BARRY SWEET, SOUR & SAUCY

WHEN: Wednesday 02 August 2017

WHERE: Beverley Town Hall

TIME: Doors open 6.00pm, Show starts 7.00pm

COST: Adult \$35, (BSA Member \$30)

TICKETS: Beverley CRC or ONLINE BOOKINGS: www.trybooking.com/QRGM

Table bookings welcome, otherwise rowed seating at front

Licensed Bar, Strictly NO BYO drinks

BYO food/nibbles

CONTACT: 0419 040 063 | brounj@westnet.com.au | Facebook: Beverley Station Arts | beverleywa.com

Calendar of Events for 2017/18 Season:

August: Wednesday 02 - Barbara & Barry Sweet, Sour & Saucy

September: Saturday 09 - Country Choir Bash presented by VOICE MOVES

November: Tribute Concert

December: Saturday 16 - FREE Community Christmas Concert

January 2018: Movie Night

February: TBA

March 2018: Thursday 29 - Monday 2 April: 50th ANNUAL ART PURCHASE EXHIBITION and 80th ANNIVERSARY of the TOWN HALL (presented at the Town Hall) with OFFICIAL OPENING Thursday 29 March.

If any community group is looking to raise funds please keep it in mind that the Platform Theatre is available for events such as movie nights. With just a minimal hire cost of screen and projector, it makes for an easy fundraiser. If you would like to be included on the email list for notification of coming events (so you can forward to friends), email secretary Sarah Miller miller@reachnet.com.au

Beverley Station Arts Membership

It's time for membership renewal! Apply now before the season starts to get full benefit of event discounts. See membership form in this edition of the Blarney. Becoming a member will give you discounted rates for all events plus free entry to the Easter Art Exhibition Opening Night. The cost is \$30 for the first year and there after \$25 per annum. You only need to attend three events and your membership is covered. Your

support will assist us in maintaining the venue and to continue presenting a variety of entertainment for your enjoyment. We look forward to seeing you at the events we have planned for this season.

To become a member of Beverley Station Arts Inc (Friend of the Station) please contact our treasurer Pauline Knight 9646 0946 for a Membership Application form and payment. Membership forms can also be downloaded from www.beverleywa.com (NB cheques to be made payable to Beverley Station Arts) and send to PO Box 112, Beverley 6304.

Community Matters of Interest

On 16 June 2017 at Hotel Beverley - Conference Room

1. A group of dedicated volunteers held a meeting to form a community service under the name: Beverley Volunteers Community Services (BVCS). Office Bearers were elected and a constitution was drawn up, read out and approved by the elected committee.
2. These very experienced volunteers will assist needy, elderly and people with disability. Wherever possible help those in need to seek appropriate assistance from the regulatory bodies.
3. Matters may relate to seeking help and referrals to:
 - Financial consultants,
 - Centrelink,
 - Housing Authorities,
 - Ministers in government,
 - Members of Parliament and
 - Police.
4. We speak, under authority, for those who can not speak for themselves. We respect privacy laws.
4. **Legal Advice:** We will seek help through the Wheatbelt Community Legal Services and the Citizens Advice Bureau - Midland and Perth offices, by appointments only. If requested we can speak and organise appointments under authority only. **NOTE: WE DO NOT OFFER LEGAL ADVICE IN ANY FORM OR CONTEXT AND WE DO NOT OFFER FINANCIAL ASSISTANCE. WE REFER THE NEEDY TO SHARE AND CARE IN NORTHAM.**
5. **Justice of the Peace work:** This month Mal Roberts JP has witnessed many documents relating to Supreme Court matters, Northam Court affidavits and various statutory declarations and identity certification.
6. **Community Issues:** Mal Roberts has made referrals by phone, email and in writing to: doctors, Minister for Housing, Mr Christian Porter (Minister) and Member for Pearce, Centrelink, Share and Care, Homeswest Northam, Citizen Advice Bureau - on various community related issues including immigration concerns on citizenship.

The Shire of Beverley looks forward to seeing the community at the Beverley Agricultural Society Show on Saturday 19 August 2017.

Come and visit our tent for:

- ⇒ The tourism launch of the Beverley Be Very You campaign,
- ⇒ Emergency Services Information including a photo display from the February flooding event and
- ⇒ Local Government Election information.

Media Release

Mia Davies MLA
Member for Central Wheatbelt

Aged care housing in limbo, Davies

June 2, 2017

The Labor Government is failing to guarantee the future of planned vital aged care and independent living investments across regional WA.

Member for Central Wheatbelt Mia Davies MLA said questions to the Minister for Regional Development in Parliament provided no certainty that Labor would deliver the \$117 million of Royalties for Regions funding approved by the previous Government.

Ms Davies said The Nationals had planned and delivered unprecedented investment into aged care and independent living infrastructure, however many projects were now in doubt.

“Every project delivered or earmarked for development has been established in close collaboration with local Shires and regional communities, who are now worried that the government won’t honour this important investment.”

“The Nationals know looking after those people that have invested in their communities is important, they want to stay close to family and friends”, she said.

Housing projects in Cunderdin, Tammin, Quairading, Beverley, Brookton, Pingelly, Dowerin, Goomalling, Toodyay, Wongan-Ballidu, Corrigin, Kondinin and Wandering are all in limbo as the Minister is busy looking for savings.

“These projects are the perfect example of what Royalties for Regions should be used for, making aged care work in the regions is difficult and you need to be innovative.”

Member for Agricultural Region Martin Aldridge MLC said enabling older residents to remain in their communities close to family and friends at a time when they most need their support was important but not the only driver for Government to invest.

“The demands for aged care facilities will only increase in the coming years as older residents seek to continue to live independently within their communities,” Mr Aldridge said.

“The Nationals in Government also recognised that investing in aged care and housing was an economic driver, creating new jobs in our regions.

“Without these measures, older people will be forced to leave their communities and this is an unacceptable outcome.”

For more information contact Mia Davies on 08 9041 1702 (Merredin office), 08 9622 2871 (Northam office) or email mia.davies@mp.wa.gov.au

Identity Theft

Identity theft occurs when someone collects enough information about you that they can make out they are you. Some examples of what someone can do if they steal your identity are as follows:

- Access your bank and steal money from you (including from mortgages that have a draw down facility). This has happened to one of my customers – fortunately the bank’s protection system stopped the transaction!
- Buy/hire a car in your name and commit a crime
- Sell your house
- Take out loans or open credit card accounts in your name and rack up huge debts.
- Obtain a passport in your name
- Commit a crime and leave evidence incriminating you.
- I’m sure you can think of more!

Many people have been ruined as a result, or have great difficulty proving they were not involved in crime.

How can your identity be stolen?

In the past there was little personal information available publicly that people could use to steal your identity. The most common way to obtain personal information was through theft. However you are likely to notice pretty quickly if you have had a break-in or you lost your wallet/handbag.

Now there is lots of your information available publicly, in public records, Facebook etc. which can be found easily by internet searches. But the most common way identities are stolen is by someone breaking into your PC, phone or tablet. This can happen if you lose your device, it is stolen, or you leave it unprotected in a place where someone can access it without your knowledge. The most surreptitious of them all is to enter your device from the internet.

Protecting your Information

The first line of protection is to use a password to log in to your device. Without a password people have easy physical access to your device and can access all your information.

Even if your PC is password protected there are tools available that can crack the passwords quite easily. Windows 10 has better password protection than earlier Windows versions, also phones and tablets are more secure than PCs.

To be secure a password needs to more than 16 characters long and consist of random uppercase letters, lowercase letters, numbers AND symbols. Long complex passwords could take hundreds or thousands of years to break using today’s technology.

Most people can’t remember more than one or two passwords so they tend to write them down. **This is extremely dangerous.** It is easier to find someone’s password list than use software to break the password!

A simple way to protect your passwords is to put them all in a password-protected Word or Excel file (password-protected files are also encrypted). Then you only have to remember one long and complex password. There are also password management programs available.

The best protection is to also encrypt all your files, then if someone does get access to your PC they can’t read the files without decrypting them. However, most people will not go to these lengths. I do because I am very aware of the dangers.

Best practice:

- Put a password on your device
- Use long and complex passwords
- **Do not write passwords down on paper**
- Keep passwords in an encrypted file or use a password management program.
- Encrypt all your files for best protection.

Beverley Playgroup

School Holidays...

Playgroup will be on break for the first two weeks in July during the School Holidays. We return to play on Thursday 20th July. We look forward to seeing our friends old and new then.

Sniffles...

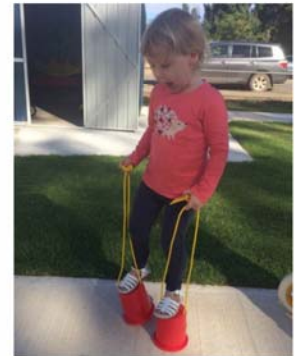

With the cold and flu season approaching, we'd like to remind you that while social interaction is important for our mental health, we would like to keep our Playgroup Community as physically healthy as possible too. If your little one has a cold or flu, please keep them home for the duration of their sickness, and we look forward to seeing them (and you) again when they're snuffle free and happy to play.

More show prep

Barbara & Barry's

Sweet, Sour and Saucy

Songs you know and love, performed with a comic twist

Live in Beverley
on
Wednesday
2 August 2017

BARBARA & BARRY'S SWEET, SOUR & SAUCY - A hilarious jazz-cabaret

Pull up a cabaret seat and step into the home studio of self-appointed "experts on love" Barbara and Barry. This vintage Aussie duo deliver well-intentioned, yet questionable love advice through their talkback radio show Sweet, Sour and Saucy. Mixed in with their lessons on love are the adorable songs by Eartha Kitt, Louis Armstrong, Nat King Cole and Ella Fitzgerald.

DATE: Wednesday 02 August 2017

VENUE: Beverley Town Hall

THE BLUE LINE

Beverley Police Station

57 Hunt Road, Beverley WA 6304 BeverleyPol@twitter.com
Phone: 9646 3333 Crime Stoppers: 1800 333 000

Hello Everyone,

As you learnt last month I have been on annual leave. I am now back, well rested and ready to go. I would like to thank the York officers, S/c Ben White and S/c Greg Kerr, for their efforts while at the helm in my absence.

Having reviewed our crime statistics I thought it would be worthwhile to share this information with you. Firstly, what are crime statistics and what do they mean? Crime statistics are one manner in which our work can be interpreted but not the only way. Our agency also report annually on Key Performance Indicators (KPIs) to gauge how we are going.

Like all statistics, crime statistics are open to interpretation as to what they tell us and their ultimate significance. If you want in-depth detail about KPIs and crime statistics, there are technical notes about how WA Police statistics are gathered, across what timeframes, against certain legislative meanings and so on, you can go to www.police.wa.gov.au

Thankfully Beverley has minimal crime so I can keep this fairly simple. Year to date, offences against property (namely theft/stealing) are up 67.6% (28 in 2016 and 39 YTD 2017) when compared to last financial year.

Crime rates are influenced by numerous factors, not just policing. Police can influence crime rates by targeting causal factors (crime prevention), providing an effective response to incidents and by successfully investigation offences and apprehending offences. However, many other factors come into play such as economic conditions (unemployment rates), the time of year, weather (more burglaries tend to occur in warmer months), the make-up of the community (predominantly elderly or young people, well-off or not so well-off), the extent to which people and businesses implement crime-preventions strategies and so on.

For the community of Beverley I can safely say that crime-prevention, or more to the point, the lack thereof, is one significant area contributing to stealing offences. Simple steps such as securing your valuables out of sight would go a long way – out of sight out of mind. Lock before you leave your home or vehicle. Also, CCTV camera technology has come a long way and is now very affordable. Selling items on eBay, gumtree and the Beverley Buy and Sell page are very popular and for this reason can be fraught with danger as they are trolled by those who are only too willing to take advantage of good natured, trusting people. My advice to anyone buying and selling in this forum is to ensure you proceed with caution; do not part with any money/deposits unless you are

100% sure that you are dealing with a reputable business/person or you have sighted the item and/or the seller in person. Remember the adage, if it seems too good to be true then it is too good to be true. Scamwatch - www.scamwatch.gov.au is updated on a regular basis with all the latest scams and for this reason, worth checking on a regular basis.

CONTACTING BEVERLEY POLICE STATION

While we have discussed this before, we still receive questions about station opening hours and the best way to contact us. If you want some advice or guidance from your local officers and we are not at the station, you can email us Beverley.Police.Station@police.wa.gov.au When we get back to the office, station email is checked regularly throughout the day and you will receive a response from us, usually the same day.

If you want to drop into the station, we have made it easier to see at a glance if we are in attendance. You will notice a new 'OPEN' LED sign in the window by the front door; when the sign is illuminated you will know we are in the office and available to meet with you. Of course, if the sign is not on, we are likely to be dealing with a higher priority incident, on a traffic patrol, or out and about engaging with you, our community.

Remember, if your situation is urgent and/or life threatening then dial 000. If it is not life threatening but you require a police response, then dial 131 444.

STOP SIGNS

We only have a few of these within the CBD of Beverley so there are no excuses; make sure you come to a complete STOP, do not roll on through. FAILURE TO STOP AT A STOP SIGN will see you issued with a traffic infringement; the penalty is a hefty **\$300 and 3 demerit points.**

SCHOOL HOLIDAYS

Always take care while travelling on our roads but especially during school holidays when we see an increase of vehicles on our roads with people and families heading off on their well earned getaways. Plan your trip to include regular rest breaks and with the approach of the winter rains, please slow down and drive according to the conditions. Heavy rain and fog warrant extra care and attention!

That's it for another month, so until next month, stay safe.

T M Hair Design.

Beverley's own hairdressing salon offering family hairdressing at affordable prices by today's standards.

Our ammonia free colour range is a real success with much better lasting, no ammonia odour & far less irritancy as well.

Ask your hairdresser for more information & if you haven't tried it, book soon, you won't be disappointed.

Senior gent's special price for Men's Shed attendees. Please ask your hairdresser.

At Secrets....have you had a look lately? Those fairies have been on the move again with a fresh new look to display our stock. We have new Swish jewelry, winter scarves, outfits, shoes, and so, so much more.

If you haven't seen Willow leather handbags yet, we also have a display for your perusal.

Winter pj's and nighties made from bamboo are here.

So comfortable, light, soft & warm, & now also available in black as well as the original cream.

See our range of wood grained steam diffusers.

Perfect for treating those winter cold & flu's and also good for eradicating the mousie smells.

We also have a range of room fresheners & refills for mousie smells. Our new winter jumpers are warm, snuggly & just the thing to beat the cold. Match them up with new Ponte pants, scarf, merino & possum socks & gloves, for a smart and warm Winter look.

We welcome browsing, even if you are not a hairdressing client.

Visit us at 100 Vincent St,
or Phone 9646 1122 for appointments.

Working with Warriors Staying Connected in Challenging Times

Things that we cannot control are our biggest distressors, in agriculture it is mostly weather issues followed by a multitude of other factors such as commodity prices, machinery breakdowns (how long is a bit of string!)

This year every area of the Wheatbelt (from Northampton to Southern Cross to Esperance and in between) has had different rain events and the crops and pastures are at different stages of germination and growth. We must remind ourselves that it is winter and we are in July. These challenging starts to the season affect the whole community (farmers, people involved in agribusiness and those in the agri-link industries like the mechanics, the mitre 10 store). Everybody feels the pain.

No one can change what happens with the weather, all we can do is manage our programs and control our business as best we can which importantly includes looking after ourselves and each other (our mates and neighbours).

Remaining connected is one way of doing this. So, what does this mean? Rural communities have an innate capacity to reach out and organize and participate in many bottoms up activities. RMHI has been attending a lot of these events including, breakfasts, sundowners and many other gatherings which allow the communities to have a conversation about where they are at individually and as a collective. There is less and less of us living in regional areas, add this to the nature of modern farming as well as a challenging season and isolation becomes more prevalent. Staying connected is important and something we must actively work on.

As blokes, we have a propensity to self-medicate. A lot of people think that is done by sex, drugs and rock & roll however in the work we do its mostly blokes spending more time in their cave, working harder, longer, and talking less (some ladies might find that hard to believe). It is important that we start to talk about some of the pain and distress that as blokes we tend to suffer alone.

We describe "primary care" as what can we do to look after ourselves and others, invariably it is about connection. Some simple things we can do:

- Talk to a Mate – realize that we are not alone.
- Talk to whoever needs to be informed about our situation (family, financiers, advisors).
- Keep an eye on others – drop into a neighbour and have a chat and a coffee. Take the time to ask someone "are you okay?"
- Slow the pace of our life a little, join a group that fits in with our passions and interests. It will make a difference.
- Maintain our sense of humour, laugh at ourselves and with others.

Australians are well known for their larrikinism and humour, Edward DE Bono one of the world's foremost thinkers called humour "a key lubricant for life" and often referred to humour as "social glue and the best anti despair device we have". I think he is right on the money, when we lose our sense of humour we are bugged.

Owen and the Team

The Regional Men's Health Initiative delivered by Wheatbelt Men's Health (Inc.)

PRIMARY HEALTH SERVICES

Available to the community of Beverley

You can refer yourself or your child to the following health professionals:

Child Health Nurse - 9646 3200 to make an appointment, Hospital Admin Staff will assist you in setting an appointment time, which will be on most occasions a Monday.

School Health – 9641 0200

Dietetics – 9690 1320

Occupational Therapy - 0429 466 224

Physiotherapy – a Doctors referral is required – Please send all referrals to P.O Box 140 Beverley or drop them into the Beverley hospital. All referrals are forwarded onto to Northam Hospital where they are prioritised and wait listed. Clients will be acknowledged with a letter informing them of the approximate wait time and will be seen in Beverley

Podiatry – a Doctors referral is required Please send to PO Box 142, Beverley or drop referral to the Beverley Hospital (attendance Fridays) **

Social Work – Phone 9690 1320

Speech Pathology – Phone 9690 1321

- Services are provided at the Primary Health Building, on the corner of John and Forrest Streets, Beverley. There may be a waiting time for services.
- These services are provided by WA Country Health Service and are free of charge. (Please note that the Podiatry Service is a private practice and is not free of charge - there is a fee at first consultation but the WACHS/Beverley Health Service do not get involved in taking fee payments – only assisting at receiving the referrals for appointment. The Doctor's referrals are usually faxed to the service provider, Como Podiatry, who contact the patient by phone and make an appointment).
- If you have any concerns about your own health or your child's health and development, please phone the relevant health professional to discuss your concerns. Alternatively, you can speak to the Child Health or School Health Nurse, or your GP, to discuss your concerns and to determine the most appropriate referral.

BEVERLEY NATURALISTS CLUB

BROOKING STREET RESERVE

Finally, our bushfire risk hazard reduction has been completed on this Reserve. The final bit of burning was done Monday 19 June and this went perfectly. Nothing was burnt that should not have been, no wildlife or trees were hurt. I feel that for the first time in 15 years I can breathe easy knowing that we now have a bushfire plan in place and the threat to lives and homes is managed. The biodiversity in the Reserve is still intact and untouched so we will still be able to continue our bushwalks and see all the flora and fauna we have always seen. How do we ever repay the Bushfire Risk Management Planning Coordinators John Hansen and Tyron McMahon for all they have done for this reserve and the peace of mind to know that DFES are not going to destroy it. You gave us some very helpful and positive advice and at times had to overcome our pre-determined prejudice against the uniform you wear because of past experiences but you handled this kindly and listened to our concerns and helped to put them into perspective. You have worked tirelessly to help us achieve this great outcome. You guys are the best and it is great to feel trust again. I would like to thank Troy Granville (Community Emergency Services Manager) for organising some fire fighters to help with the burn. Troy had the York Volunteers come over and it was used as a training course. They were a great group of people and did a fabulous job. All the people involved worked a very long day starting about 8.30am and not finishing till about 6.30pm. John and Troy did another 3 hours on Tuesday making sure everything was safe. I learnt so much and I'm in awe of our fabulous fire fighters who put their lives on hold every time a fire call comes in. This was a managed burn and to see some She-oaks exploding into flame was very scary but the fire fighters were straight on to it. Thank you to all of you for working so hard on our beautiful much-loved Reserve.

I would also like to thank all the people who live around this Reserve for putting up with the many hours of work we did in there and the people who helped by taking out some of the dead trees and offering words of encouragement. It was much appreciated.

We will be starting our flora surveys in there soon so you will see us with camera's not rakes and forks. If you see us in there please come and say hi we would love to see you all there.

NEW CONTACT INFORMATION

We now have a new email address which is bevnatsclub@gmail.com thankyou John for organising this for us. We also have a new mail address, PO Box 95 Beverley 6304. Thanks to John at the post office for all your help with this. We have also been lucky enough to have had some help from Toodyay Naturalists Club and we look forward to having some joint bush walks. Thank you to you guys and we look forward to meeting up.

Please feel free to contact us at any time or if you would like some information on any of our Reserves or Flora and Fauna don't hesitate to contact us. I can still be contacted on my mobile Phyllis Facey 0437 483 175.

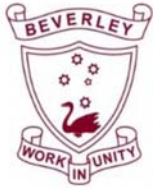

Wildlife Emergency Response - Western Australia

Beverley District High School

Independent Public School

For more information about the school, visit our website!

Congratulations to Beverley DHS Yr 10 student Wrenz who has been successful in gaining a Certificate II Traineeship in Kitchen Operations with Beverley Health Services. Wrenz will be completing the traineeship for one day a week, in conjunction with his academic endeavours back at school.

High School Assembly

During the high school assembly, the high school students performed a Super Mario Brothers themed skit, which we worked very hard on. We made our own props and they were very well done. We spent two days practising and getting our timing perfect.

The audience enjoyed the performance a lot.

Super Mario is an old video game (Mario was played by Sheera). It was created by Shigeru Miyamoto in 1981.

Then it was first titled Donkey Kong.

We had great fun!

Written by Sheera, Jacinta and Samara.

High School Art with Marlene Willson

During our lesson with Mrs Marlene Willson we dove into the world of abstract and semi-abstract art. We learnt about different techniques and discovered new materials to use when we took it upon ourselves to paint our canvases. Our main theme was 'Texture' and we used a variety of different materials like tissue paper, moulding paste etc to create detail, depth and texture on our work. We experimented with these materials and the different colours to create our own pieces of abstract art after some inspiration from Mrs Willson, as she brought in several canvases with her own impressive work on them.

Overall, the year 7-10s thoroughly enjoyed Mrs Willson's art lesson and although there were a few mishaps, it was all light hearted and we were always reminded that there are no mistakes in art. Thank you Mrs Willson for sharing your expertise in art with us.

Written by Abby, Year 10

**Lyme Disease Association of
Australia
Murdoch University Research**

We'd like to thank all the 60 or more 'early adopters' who have already completed their forms and had their samples sent in to the research project. We acknowledge that there's a bit of effort involved and we're appreciative of the contribution to the cause.

The early submitters have assisted in the clarification of procedures and the Murdoch team have updated their [website](#). The requirements for taking part in the pilot study remain unchanged - that is that patients must have a known tick bite and a positive result from any lab for any tick borne disease. You are still able to send your samples if you don't remember a tick bite, but those samples will not be included in the pilot and will be securely stored for future testing. We've been made aware that some doctors could not or would not draw the blood themselves. For patients that have to get the laboratory to take their blood, they may be invoiced. If this causes any financial distress, please contact the Lyme Disease Association of Australia for assistance via email on info@lymedisease.org.au with: a) your details b) a photo of the invoice from the lab c) photo of your Murdoch project application – we will pay the laboratory invoice directly on your behalf and confirm with you.

We have been told that some doctors are concerned about signing the forms and being linked to this project. We respect their choice, we advise you to be persistent in finding a GP. This is simply a project addressing research urgently prioritised by the Chief Medical Officer since July 2014 and there is updated information for doctors on the Murdoch University website to support them in being fully informed

Remember, if you do not meet the criteria for the pilot study you may still volunteer, but your sample will be stored for possible future studies which are subject to funding and/or other conditions. Murdoch are accepting financial donations for their tick research if you are interested

The Trilogy of Fermentation Part 4

By now you know all about the "Immortal Health Elixir", the beverage which has been around for more than 2,000 years and has a rich anecdotal history of health benefits. It is made from sweetened tea that's been fermented by a symbiotic colony of bacteria and yeast SCOBY a.k.a. "mother" because of its ability to reproduce, or "mushroom" because of its appearance.

What are the benefits of Kombucha?

Detoxification

The detoxifying capacity of Kombucha is immense. A perfect example is in its ability to counteract liver cell toxicity. In one study, the liver cells were protected from oxidative injury and actually maintained their normal physiology, in spite of being exposed to a toxin!

Digestion

Naturally, the antioxidant prowess of this ancient tea counteracts free radicals that create mayhem in the digestive system. However, the greatest reason Kombucha supports digestion is because of its high levels of beneficial acid, probiotics and enzymes. Some research has shown Kombucha's ability to prevent and heal leaky gut and stomach ulcers. It can also help heal Candida yeast from overpopulating within the gut because it helps restore balance to the digestive system.

Energy

Kombucha's ability to invigorate people is credited to the formation of iron that is released from the black tea during the fermentation process. It also contains some caffeine (although in very small amounts) and b-vitamins, which can energize the body.

GYM MEMBERSHIPS

Now is the perfect time to get your gym membership. Available now from the Shire of Beverley office.

Immune Health

The overall effect that Kombucha has to modulate the immune system is best seen in its ability to control free radicals through antioxidant measures.

Joint Care

Kombucha can help heal, repair and prevent joint damage in a number of ways. It is loaded with glucosamins and supports the preservation of collagen and prevents arthritic pain. In the same way it supports joint collagen, it also supports collagen of the entire body and reduces the appearance of wrinkles on the skin.

Cancer Prevention

Kombucha is also beneficial for cancer prevention and recovery. A study published in Cancer Letters found that consuming glucuric acid found in Kombucha reduced the risk of cancer in humans. President Reagan even reportedly drank Kombucha daily as part of his regimen to battle stomach cancer.

Weight Loss

Data from a study in 2005 showed evidence that Kombucha improves metabolism and limits fat accumulation. Though we need to see more studies before we can confirm these results, it makes sense that Kombucha supports weight loss since it's high in acetic acid (just like apple cider vinegar is) and polyphenols, which are proven to help increase weight loss.

DRIVING WHEN IT'S RAINING

QUICK FACTS

Facts

1 in 3 Australians are scared of driving in the rain

20% of all road crashes in NSW in 2012 occurred due to wet weather conditions

In the USA **8%** of all fatal crashes occurred when it was raining, **47%** of all weather related fatalities

Sources: <https://www.tyroads.com.au/blog/?lifehacks-of-driving-in-wet-weather/>; <http://road.safety.inns.gov.ie/nsw.gov.au/downloads/crashstats2012.pdf>; [http://www.opi.tnswa.dot.gov/](http://www.opi.tnswa.dot.gov/weathering_1_roadinspect.htm)

To ensure your vehicle is in safe conditions for driving in wet weather

-  All of your vehicles lights work well
-  Your windscreen and lights are clean
-  Make sure you have good tyre tread
-  Make sure your windscreen wipers are working effectively – average life span depends on brand and can range from 6 months to 12 months – signs you need to replace your wiper blades

Braking distance in wet weather

Dry road compared to a wet road with an average tread and a speed of 80km/h.

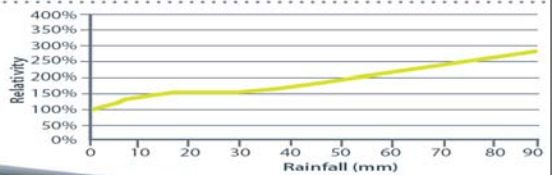

Source: <https://www.tyroads.com.au/blog/?lifehacks-of-driving-in-wet-weather/>

Increased claim frequency

The higher the rainfall, the more insurance claims occur.

Source: http://actuaries.asn.au/Library/Events/GIS/2008/GIS08_2b_Paper_McGuire_Does%20rainfall%20increase%20or%20decrease%20motor%20accidents.pdf

BEVERLEY REDBACKS HOCKEY CLUB

EXPRESSIONS OF INTEREST – MENS TEAM 2018

The Beverley Hockey Club Committee are seeking expressions of interest from any Men interested in playing hockey (both for new & experienced players) next year to see if there would be any opportunity for a Beverley team in the Avon Association.

Please contact the club if you may be interested:

Beverley Redbacks Hockey Club Contact Details

Secretary Kelly Mann; Mobile: 0428 779 234; Email: beverleyhockey@live.com.au

Saturday 27th May: Beverley vs Aces

Great team work today saw our first win for the season vs Aces 2-0.

Goals: Nicola Broun (1) & Andi Haigh (1)

Beverley Electrical Award: Chantelle Meade

Beverley Transport Award: Carissa Shaw

Northam Tavern Award: Megan (Bird) Gaine

Thank you to Marg Mourach who assisted with this week's umpiring duties.

Friday 2nd June: Beverley vs York Vipers

The girls were on fire for their Friday night clash with York Vipers in York, a team that when we had previously met at the season won 7-0. Every player stepped it up to hold it very competitively against a strong York team in our most aggressive attacking game yet! Unfortunatley York got two goals in the first half but we held it to them in the second half with one goal each. The final score was York Vipers (3) def. Beverley (1).

Goals: Emily Miller (1)

Beverley Electrical Award: Andi Haigh

Beverley Transport Award: Fleta Redding

Northam Tavern Award: Emily Miller

Thank you to Danielle Perkins for helping with this week's umpiring duty.

Saturday 10th June: Beverley vs York Jets

Another home game this weekend saw the girls go down 1-0 to a strong York Jets but it wasn't without a strong competitive fight. We've come a long way from the start of the season and it is great to see the amount of improvement in each player individually and together as a team. Thanks to all the supporters that came down to cheer on the girls.

Saturday 29th April saw the start of the 2017 hockey season with all games being played in Northam. It was a great first (HOT!) game vs York Jets. Unfortunately the girls went down in the last half 2-0 but it was a very high standard for the first game together.

Beverley Electrical Award: Nicola Broun
 Beverley Transport Award: Brooke Ramsay
 Northam Tavern Award: Marg Mourach

Big thank you to Catherine Partridge for travelling all the way from Perth to come and umpire our game – it was greatly appreciated.

16th – 18th June CBH Group Women’s Championships

Beverley had a great contingent attend this year’s CBH Group Women’s Championships or as we all fondly call it country week. Congratulations to the Beverley girls that represented Avon over the three days:

Division 1: Nicola Broun
 Division 4: Chantelle Meade, Lisa Mourach, Marg Mourach, Andi Haigh, Emily Miller & Kelly Mann (coach)

The Division Four team had an exciting pool cross over game versus Upper Great Southern with a win needed to secure a place in the grand final. Scores were even at full time with penalty shootouts required to determine the winner. In a penalty shootout each team has 5 players that have 8 seconds one on one with the goalie to attempt scoring a goal. Upper Great Southern won 3-2. It was deja vue the following day in the playoff for 3rd & 4th vs Mortlock, scores were equal at full time with another penalty shootout seeing Mortlock win 3-2. Division 1 finished 7th out of 10 teams and Division 4 came 4th out of 8 teams.

Upcoming Games

Saturday 1 st July:	Jennacubbine vs Beverley	3:00pm	Northam
Saturday 8 th July:	School Holiday Bye		
Saturday 15 th July:	Beverley vs Aces	1:30pm	Beverley
Friday 21 st July:	York Jets vs Beverley	6:15pm	York
Friday 28 th July	York Vipers vs Beverley	6:00pm	York
Saturday 5 th August	Aces vs Beverley	1:30pm	Northam
Saturday 12 th August	Beverley vs Jennacubbine	2:00pm	Beverley
Saturday 19 th August	Beverley Bye		
Saturday 26 th August	Semi Finals		York
Saturday 2 nd September	Preliminary Final		Wongan Hills
Saturday 9 th September	Grand Final		Northam

Beverley Golf Club

While the weather during May was of concern to us all, it has provided unexpectedly perfect conditions for golf. On Saturday 27 May saw a field of 14 players compete for the **John Donovan Trophy** which was the second qualifying round for the 2017 Club Championships.

The winner of the day was Darrell Hagan with a very good nett score of 65. Graeme Hagan made it a family affair by coming in second with 67 nett, closely followed by Mark Bickley on 69 nett.

Darrell Hagan also shot the best score off the stick taking 78 strokes with Mark Edwards being the only other sub-90 round with 86 strokes. Thanks again to **John Donovan** for his continued sponsorship.

On Saturday 03 June saw the stableford round played for the **Brett Hutchinson Trophy**. Mark Kont with 41 points took the honours from a field of 8, with John Donovan runner-up on 39 points. We thank **Brett Hutchinson** for again supplying the trophy this year.

The **Avon Darts Association** (in which the golf club fields a team) sponsored a 2-Ball Ambrose event on the Saturday 10 June. 12 players competed and the day was won by the team of Simon Dawson and Brett Jeffery with a score of 65¼. Chris Pepper and Ryan Ware ran a very close second on 65¾. We thank **Ryan Ware and the boys** for providing this new event.

On Sunday 11 June, 3 players travelled to Waroona to compete in their Open Day. Unfortunately, none of the travellers took away any awards with Steve Gollan being the only notable score of 52 stableford points for the 27 holes.

On Saturday 17 June, we saw 13 players compete for the **GL Broun Trophy** which has been sponsored by the Broun family for many decades. Wayde McLean was the most successful player with a score of 41 stableford points. Luke Gollan was runner-up scoring 39 points. Many thanks go to **Paul and Annette Broun** for providing the trophy on behalf of their family this year.

The final event for the month was the **Wayne Smith Trophy**, the third qualifying round for the club championships, which was played on June 24. Winners of this event will be notified next month.

Golf Fixtures for July are:

Saturday 01	Club Trophy	Stableford
Saturday 01	Brookton – 4-Ball Better Ball	Stableford
Sunday 02	AVGA – Brookton Open Day - Williams Cup	Stableford
Saturday 08	Fred Sing Trophy (4 th Qualifying Round - Club Champion)	Stroke
Sunday 09	DRGA Event – Pickering Brook	Stableford
Friday 14	Primaries Day (Men and Women - arrange own teams)	Ambrose in 3's
Saturday 15	Club Trophy	Stableford
Saturday 15	AVGA - Kweda Open Day	Stableford
Saturday 22	Wayde and Kathryn McLean 4-Ball Better Ball (Arrange own partner – Tee-Off starts 12 Noon)	Stableford
Sunday 23	AVGA – Beverley Open Day – SPRINGDELL CUP (Please bring a plate of savouries)	Stableford
Saturday 29	Club Trophy	Stableford
Saturday 29	Club Championships – Quarter and Semi Finals (Commence at 9.00am)	Match Play

4th Putting Round
- Tuesday 25 Northam Open Day
- Wednesday 26 T.M. Hair Design Trophy Jubilee Fours

Beverley Netball Club

The club is nearing the end of the 2017 season with only five games remaining. We have seen some of the newer members of the club making remarkable improvements in their games, which means that the skills development at the weekly training sessions have been paying off.

The Spinners have had a major disappointment losing their shooter Jamie who broke her collarbone during a mixed netball game, we all wish her a speedy recovery and hope to see her again next year. The team has welcomed with open arms the addition of Gabby Ochtman to the team and we also have seen a return of Lorretta Adams on court. Unfortunately the Spinners haven't had any wins this season but we wish them good luck in all of their remaining games.

The Orbs have had a few changes in their line up since the last Blarney and they now have Keia English as a permanent player on the team. They have had one win so far and that was against the Spinners, which sees them compete against the Hunters for the Jukarine Shield sponsored by Dee and Nooky Ridgway, this derby will be played on the 30 July and the results will be posted in the next Blarney edition.

Hunters have had no changes to their team but the club has welcomed the return of Cara Hammond. The team have had 3 wins and we are sure they will come up with a few more before the end of the season.

The Association will have a mid term bye on the weekend of the 07 and 08 July but matches will resume on the Saturday 15 July with all 3 teams playing in Beverley. Following the matches the club will be hosting a sundowner to celebrate the 10 year reunion for the 2007 premiership team. If you would like to join us then come down to the Amenities from 4pm onwards and enjoy a drink and a catch up with ladies. There will be light refreshments available, BYO your drinks and kids are welcome, for catering purposes please RSVP to Glenys on 0475 269 468.

Upcoming games

Saturday 15 July - Beverley

1.45pm Beverley Orbs vs Pingelly Storm

Beverley Bowling Club

On the last weekend of April four of our Beverley Bowling Club members participated in the Mandurah Quays two day carnival at Halls head bowling club. Being seeded in the top division after day one the Beverley team finished 8th from 52 teams from all around the state it was a great venue, good hospitality and great bowls.

The Beverley Bowling Club is trailing starting up Croquet so keep a look out for updates in the blarney and bulletin.

Pictured left to right: Geoff Bremner, Brett Hutchinson, Greg Barrett-Lennard and Mike Carthew

Upcoming Games:

Beverley vs Railways - Sunday 2nd July

York vs Beverley - Saturday 15th July

Beverley vs Quairading - Saturday 22nd July

Beverley vs Cunderdin - Saturday 29th July

Thank you to all those who attended and donated on the Casseroles for Kane night against Keller/Tammin. Together we raised \$2,600, a fantastic effort for a great cause.

The milestone games keep coming for the club with Stuart Murray reaching 200 games and Brendan Ogg 100 games. Both great effort, with special mention to Stuart who has dedicated so much time to the club in a multitude of roles during this 200 games!

Coming Events: On the 22 July the club is holding Ladies day at the races. Come along in your races outfit, enjoy the horse racing and the festivities of the evening after the Quairading game.

See you at the footy !

Beverley Horse and Pony Club

On Saturday 17 June Beverley Horse and Pony Club held their show jumping training day. This is one of our annual fundraisers to assist in the cost of having visiting instructors at our rallies. It is a popular event attended both by local riders and visiting riders.

Beverley Horse and Pony Club held their June rally on the 18 June 2017. Many of our members were unable to make the rally, but those who did had a fantastic day. Unlike the May rally, the weather was perfect. Everyone enjoyed the sun.

The miniatures had their horse mastership lesson with Tess and then mounted up for a flat work lesson in their enclosed arena. After morning tea they took their ponies for a ride out to stretch their legs.

The Shetlands started their day with a flatwork lesson with visiting instructor Sharla. Which they all enjoyed and did work towards their D certificates. As well as practicing their 20m circles.

After that they moved on to their horse mastership lesson in which they discussed what their pony's required to live safely in a paddock. A jumping lesson followed, again with Sharla. After lunch the Shetlands got to practice their handy pony, including walking over tarps, bridge and walking through a curtain.

The Arabian group had a flatwork lesson with Mrs Perry. In this lesson they worked on their canter. Before morning tea the Arabians had a jumping lesson with Sharla. After morning tea they had their horse mastership and were then able to go for a trail ride with an older riding member, Jessamin. Finishing off their day by joining the Shetland group participating in handy pony practice.

The Warmblood group started their day off with Jen doing their horse mastership, all doing work towards their certificates. They then moved on to a flatwork lesson with Mrs Perry. After morning tea, Mrs Perry instructed the group in lunging, demonstrating with Rusty. After lunch the warmbloods moved onto showjumping with Mrs. Perry.

Our next event will be the Annual Avon Zone Camp, held during the school holidays in Northam at the Pony Club grounds. This is an exciting and fun 3 days. We are all hoping for less rain then last year.

Our next rally will be held on Saturday 15 July 2017.
