## ANZAC Services in Beverley 2018

**T**he 103rd anniversary of the Gallipoli Landing was commemorated in Beverley with two services and enthusiastic community participation. The dawn service, conducted by RSL President Mr Tony Mullen, saw the marchers form up outside the Beverley Post Office before marching to the Cenotaph to be welcomed by a crowd of approximately 150 who joined the ceremonial observance. A small contingent of singers from the Station Arts Choir sang before the service and again at the conclusion, thus providing a very inclusive touch for community members present. The conclusion of the Dawn Service saw the marchers and community members invited to join together at the RSL Hall for the traditional cooked Gunfire Breakfast of bacon, eggs and baked beans. The Gunfire Breakfast was followed by a performance of "The Great Ride" by Carmel Charlton relating the feat of the Australian Light Horse Brigade in the taking of Palestine.

Mid-morning saw marchers forming up outside the RSL Hall and marching to the Cenotaph where around two hundred and fifty people had gathered for the Eleven O'clock commemoration. This service was ably conducted by Mr William Thompson, Mr Peter Smith recited the ode, Mrs Joan McQuinn led the prayers, and singers from the Beverley Station Singers Choir and the Beverley District High School Choir each performed items. Student Councillors, recited the moving poem "Not a Hero" by Clyde Hamilton. The address, delivered by former RSL President Mrs Irene Oram, referred to the varied degrees of success of the soldier settlement schemes following both World Wars. Wreaths were laid on behalf of the RSL, Beverley Shire Council, Beverley District High School, Beverley Hospital Auxiliary, CWA, St. Johns Ambulance, Beverley Police Station and the Volunteer Fire Brigade.

A fly past of three aircraft was performed towards the end of the service, following which community members were invited to the RSL Hall for a light lunch.

The continued support of the Beverley Community for ANZAC commemorations is always greatly appreciated. It is wonderful to see the numbers attending these services continues to swell each year.

**SHIRE OF BEVERLEY**

**PROPOSAL TO DEDICATE  
A ROAD – CAUSEWAY  
ACROSS AVON RIVER**

**RAILWAY STREET  
TO LUKIN STREET,  
BEVERLEY**

Notice is hereby given pursuant to Section 56 of the Land Administration Act, 1997 that the Shire of Beverley is considering to dedicate a section of land as public road.

Plans explaining the proposed road dedication are available for inspection at the Shire of Beverley, 136 Vincent Street Beverley, and will be open for inspection during office hours 8.30am to 4.00pm

Submissions on the road dedication may be made in writing and lodged with the undersigned within 35 days from the date of the publication of this notice.

### **Roadworks and Tree Lopping**

Contractors Densford Civil were engaged for the reconstruction and widening of the first 2km of Waterhatch Road and this work is well underway. Work on the Top Beverley Road continues with sections identified for successful Black Spot due to be commenced by the Shire Works Crew at the intersection of Walgy Road. Local contractors will commence 6.5km of gravel sheeting on sections of Dongadilling, Maitland, Kokendin and Dale Bin North roads identified for maintenance works. Rural tree lopping is also due to commence. With roadworks, including maintenance grading following some rain, the ongoing WANDRRA flooding and storm damage repair and agricultural seeding programmes, there is a lot of activity around the district, please drive with care.

### **Aeronautical Interpretation & Amana Memorial Relocation**

Interpretative signage has been installed at the Hunt Road Aeronautical Display and relocation of the Amana Memorial to this site has been completed. As a reminder, 26 June is the anniversary of the Douglas DC-4 Amana 1950 air crash in which 28 people lost their lives and the sole surviving passenger, who was seriously injured, died 6 days later. At the time it was Australia's worst civil aviation tragedy.

### **Cornerstone**

Work on the Cornerstone continues. Whilst there have been a few "glitches" along the way it is anticipated to be in use by the community before the year ends with the "official" opening to be scheduled in early 2019. Externally the majority of the work has been completed with signage, landscaping and some finishing touches still to occur. Tiling, floorcovering, painting, and some cabinetry internally are either complete or underway and things are looking good! The Shire are engaging with several companies to assist with the library and museum/visitor centre fit out.

### **Silver Centenary**

As previously reported a large scale model of the Silver Centenary is being built by Dieter Prussner who has provided regular updates for Council. Dieter resides in eastern Australia and is due to arrive in September to install the model in a display cabinet in the Cornerstone museum/visitor centre. There is also talk that the real Silver Centenary will be making a visit to Beverley in the near future. Watch this space!

### **Welcome to Shire of Beverley Signage**

Council is considering replacement of Welcome to the Shire of Beverley Signage to align with the Beverley WA branding developed under the Beverley Tourism Framework 2016 – 2020. Some concepts are currently being prepared with assistance from the Tourism Advisory Group.

### **Strategic Community Plan 2017 – 2027**

The Strategic Community Plan 2017 – 2027 was endorsed by Council at its May meeting. Thankyou to community members who contributed to the review of this important planning document.

### **Disability Access & Inclusion Plan – 5 Year Review**

A review of the Disability Access and Inclusion Plan 2013 – 2018 is due to be undertaken. Feedback from the community will be sought during this process via electronic and hardcopy survey and a Community Workshop. Please keep an eye out for details

### **County Peak Trail Activation**

Council has engaged Urbis to progress design and development of the Beverley Pioneers Trail at County Peak (Quajabin Peak) which is Project 5 in the Shire of Beverley 2014 Trails Masterplan. This will initially involve a review of Shire plans relative to the trails project to support planning grants seeking external funding assistance for Concept, Management, Rehabilitation and Interpretative Signage. Council looks forward to interest and support from the community as this exciting project is gradually developed.

### **Agricultural Museum at Avondale**

The large Agricultural Museum at Avondale is a significant collection of machinery, implements and items with the story of WA's growth from agriculture just waiting to be told. This collection is overseen by the Shire and is not affected by the advertised winding up of the Avondale Farm Project Association (AFPA). Your interest, support and participation are strongly encouraged. Please keep an eye for future opportunities to do so.

### **CRC Funding**

Are you a member of your Community Resource Centre? Your membership shows support of this important facility which unfortunately has been another target of the State Government's funding cut backs affecting rural communities. Wheatbelt Business Network is leading the advocacy to seek a way forward, although there will most likely be an impact to services and offerings as you have become accustomed.

### **Wheatbelt Fast Facts**

The Wheatbelt Development Commission has provided a summary of Economic, Population and Community statistics that summarise key messages about investing, working, visiting and living in the Wheatbelt. This can be viewed in the Reports and Publications section of the Development Commission's website.

[www.wheatbelt.wa.gov.au](http://www.wheatbelt.wa.gov.au)

### **Avon Squares**

Hearing lively music coming from the town hall on the afternoon of Saturday 12 May it was a delight to discover the energetic and colourful Avon Valley Square Dance Club holding their 38<sup>th</sup> Birthday dance in Beverley as their usual venue was occupied by York's ANZAC Centenary Exhibition.

Dee Ridgway  
Shire President

### Australia's Biggest Morning Tea

**THANKYOU** to the Beverley community for their support again at this year Biggest Morning tea. We raised \$1,363.00 for the W.A. Cancer Foundation.

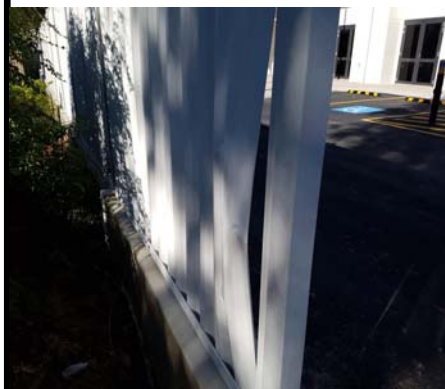

Raffle winner was J. Moulton.

The Ware family would like to extend their thanks to everyone who provided their assistance in making Bill's memorial ceremony and wake on 5 May 2018, the success it was. The provision of food, equipment, venue and general help and support was greatly appreciated.

## Attention Community Members

The new community Cornerstone Building has been vandalised since the fence has been recently removed. Council is extremely disappointed and will be viewing the CCTV footage of the building and the surrounding businesses footage also.

We ask our local residents to be vigilant and keep their eyes open if they see anyone near the new building and ask them to move on or else call the local police.

### Beverley RSL Sub-Branch

The next RSL meeting will be held at **6.30 pm on Wednesday 13 June 2018** at the RSL Hall, 50 Forrest St, Beverley.

For more information call Tony Mullen 0400 246 840.

### COMMUNITY REMINDER

The intersection at Great Southern Highway and Vincent Street, next to the Police Station and the Dome Fuel Station are clearly marked STOP signs.

Failure to stop and give way at a stop sign can result in a fine and loss of demerit points or in the worse case an accident.

Be aware of your surroundings when you are behind the wheel of a vehicle.

# Beverley Freemasons Tavern

## Re-opening in 2018

**NEW PHONE NUMBER 9646 1347**

The Beverley Freemasons Tavern is under new management and currently undergoing major renovations prior to reopening sometime in the second half of 2018.

When you walk in to the Freemasons, you can expect to see a whole new interior. Almost everything is being replaced, from the furniture and fridges, to the bars and the floors. But while it will have an updated look, the original charm and character of the building will be retained. Upstairs, the accommodation rooms are also getting a makeover with new furniture and modern furnishings. The outside space will become a more comfortable and user friendly space. The Freemasons Tavern is aiming to be a family friendly venue where everyone will feel welcome.

There are also big changes behind the scenes- namely the kitchen. Everything has been replaced to deliver an ultramodern kitchen with no expense spared. Having the right equipment will enable the staff to consistently produce high quality meals every day, catering for large groups, intimate dinners, and everything in between. The menu will include all the classic pub food including steak, pasta, fish and chips, salads, amazing pizzas and more. Gluten free options will also be available, and all meals can be ordered for takeaway.

The revamped Freemasons Tavern will be a great place to eat, drink and socialise for locals and visitors alike. A classic country pub with quality food and great customer service, able to complement all that Beverley has to offer.

Keep your eyes open for further details on the official opening date.

### Help local Tim Seed raise money for sick children

Local Beverley resident, Tim Seed is participating in Bright Blue's Gibb River Ride in June to raise money for sick children. To be a part of this fantastic event, Tim needs to raise at least \$5,000 to participate.

Bright Blue's mission is to make a positive difference to the lives of sick kids. Their vision is to assist in the prevention and treatment of childhood illnesses, particularly those linked to issues that police officers see every day – including the abuse of drugs and alcohol, as well as social disadvantage.

If you would like to help Tim and raise money for this worthy cause then simply go to his go fund me page. If not then do yourself a favour and sign up for next years.

## Country Women's Association BEVERLEY BRANCH

We are now half way through the year - and we are so pleased to welcome three new members.

It has been quite a busy month, members being involved with International Day at Quairading, Mother's day Garden Party, a Square Dance in the Beverley Town Hall and our May monthly meeting.

We have all enjoyed the warmer than usual May days but the rain, which is very much overdue, looks possible at the end of this week. Survival and prosperity of our country town is so dependent on good rains.

We would love to see more new members to join in the activities of the Country Women's Association and to be able to encourage participation in the many different benefits which this organisation has to offer. From 1st July, membership is offered at half the annual fee and the friendship and opportunities are endless.

Next meeting will be held at the CWA Centre on Thursday 21 June at 10.00am for morning tea followed by the normal Monthly meeting and a bring and share lunch and some social time to follow.

For more information contact President Lorraine Sims on 0418 936 366 or email sims@agn.net.au Lorraine.

## Beverley Historical Society

Our monthly meeting on Monday 14 May had 10 members in attendance, 1 potential new member and 1 guest.

We had a very busy meeting with lots on at the moment. Special thanks once again to our volunteers that open the Museum on Sundays and some Saturdays, also the ladies that helped when we had a bus group come through, we also have members on call for out of the normal opening hours.

As a group we have decided to do a visit to York to see their WW1 exhibition, by all reports it is highly recommended a worthwhile visit.

ATTENTION – The Historical Society are seeking a copy of the Wesfarmers Centenary Book for the Museum, so if anyone has one in their collection and now longer requires it we would appreciate it.

Next meeting is Monday 11 June at 1.30pm at the Museum followed by a cuppa. New members are always welcome.

### YOUR CHANCE TO WIN!!! Membership Drive

All those who join or renew their membership before the end of July, will go in the draw to win \$100.

This year, there is an extra incentive to join early. All those who join before the end of July will go in a draw to win \$100 cash! Wouldn't that be handy on show day?

We look forward to seeing you at the Best Show in the WA Wheatbelt.

# Friends of the Dale River

The Friends of the Dale River (FODR) held their AGM at the Deep Pool Reserve on Saturday 05 May where a revitalized committee accepted an updated Constitution and voted in new office bearers as follows:

Chair : Linley Thompson 0429 953 800

Secretary : Jo Johnson 0417 951 513

Treasurer : Lisa Blanch 0400 228 702.

Below is an outline of the objectives of the association.

- o To provide an organization that will work towards the conservation and rehabilitation of the Dale River and its environs.
- o To enhance the river environment for the enjoyment of local residents and visitors to the area.
- o To provide a biodiverse habitat and haven for local native animals and promote the river as a wildlife corridor.
- o To work with likeminded organisations, including, but not limited to WNRMA, Greening Australia, the Shire of Beverley and others to develop plans and implement actions to rehabilitate, landscape and conserve the riverine amenity
- o To encourage and foster participation of the community at large in projects undertaken.
- o To liaise with media outlets to ensure the presentation of projects is widely and clearly communicated to both the local and the broader community.
- o

Anyone interested in joining the group will be most welcome (membership fees \$2.00). Our occasional general meetings are usually followed up with an informal BBQ at the Deep Pool Reserve. Please contact any of the above office bearers for more information.

Warrior Wellbeing Article

## Progression Planning (Succession) – Relationships First

Progression Planning is about retaining family relationships in the progression/succession process by looking at the **people issues** before dealing with the financial and business aspects. It is often the unspoken expectations of family members that can lead to the difficulties experienced. If farming families looked at the relationship aspects and **people issues** of their business as part of the progression plan there would be less stress and misunderstanding.

Why Progression? Mixed messages are received and given using the word "succession". For most it means "the king is dead" who is the next king? Progression is not just a business transaction, it is primarily about **relationships**. One of the greatest risks to a farming family's viability, in the long term, is about relationships and we often don't see it coming. Progression shifts the focus to how we move the family owned business (especially farming) into the next era or generation and how the older generation can successfully make the transition to the next phase of their lives. "progression" encapsulates these options.

Effective communication allows for awareness, understanding and a basis to reach agreement on issues. Communication must be maintained to both reduce distress and for our positive wellbeing. In fact, many people don't talk about progression until it's too late and/or put it off because it is too difficult. The following key topics in progression planning need to be canvassed in detail:

- Family communication. It all starts here;
- What is the farm business? Allows understanding of the business family are involved in;
- Stakeholders. Who's involved? It is important to empower all parties to have a role in the progression planning process;
- What do stakeholders want? Questions to ask our spouse/partner and children about progression and/or retirement and business development;
- Transition period. You must establish an agreement that is suitable to your requirements. It's not going to happen overnight.

We need to make Progression Planning discussions part of normal conversation in our business. Only the minority, amongst family owned businesses, have any documentation around farm and/or business succession. Families must lead the way and own the process, no one can do it for us. Some simple rules that influence good progression planning are:

1. Sort the relationships first;
2. Debate the issues openly and with those that matter;
3. Start planning early, when your kids leave school the plan should be in place and understood;
4. When children come to work on the farm and/or in the business, be clear on where it is going (sell the business not the land or building);
5. Seek outside help for more than financial and legal matters (involve more than just the farm consultant, accountant and/or lawyer);
6. Have a handover strategy and stick to it.

Remember not all businesses will be able to have a successful progression/succession outcome, for a variety of reasons. Maintain those relationships first, to give it the best shot. *"Don't do what others say, just listen to them, and do what you feel good with"* a quote from Warren Buffett that fits in well with progression/succession matters.

# BEVERLEY NATURALISTS CLUB

## TOODYAY NATURALISTS CLUB VISIT

We are lucky enough to have the Toodyay Naturalists Club to be coming for a visit on Saturday 16 June. We are really looking forward to this magnificent group of people coming to have a look at our Reserves. We are meeting at 10.30am at Brooking Street Reserve and will have morning tea and then have a walk through. We are then going to Beverley Airfield Reserve and have a look at the Threatened Ecological Community out there. We will then go to the town oval for lunch and then head out to the Avon River. We have been lucky enough to have John Hansen (Bushfire Risk Management Planning Co-ordinator) as our special guest speaker. Everyone most welcome to come along and meet some inspirational people from this fabulous group who are celebrating their 50<sup>th</sup> year as the Toodyay Naturalists Club which is a great achievement.

## AVON RIVER

As many people have noticed there has been a lot of work being done out along the river. This is for fire mitigation work, but we are achieving some great environmental outcomes as well. We have known for a very long time that feral and invasive weeds have been a dominant feature and has been too big a problem to tackle. These weeds are a problem for fire risk and stopping the natural revegetation from occurring. We have had the mulcher working along the river and in some areas, there has been a 5 metre buffer put in place and much of the riparian vegetation left untouched. In many of the areas just removing the weeds has lead to nothing being left and it is these areas that are exciting us the most because they have achieved more in a couple of weeks than we could have achieved in years. It will be interesting to see once the weed burden has been removed what natural vegetation will return because nothing can compete with such a huge weed problem. We are so happy with this work we are not calling it Fire Mitigation work we are calling it Avon River Restoration Work Stage One. If anyone wants any other info on this work, please come along on Saturday afternoon 16 June and hear the talk from our Bushfire Risk Management Planning Co-ordinator John Hansen.

## BROOKING STREET RESERVE

We would like to say a big thank you to Don Sax for all the work he has been putting into Brooking Street Reserve it is looking fabulous. Can't wait for up and coming Orchid season.

**POWER PAC WORKSHOP** - Connecting artists, arts centres & local

government.

WA's CircuitWest brought Performing Arts Connections (PAC) Australia's PowerPAC workshop to the Station on Tuesday 08 May.

It was a most successful exercise which attracted a good cross section of our community in Beverley and got us thinking about ways of making our arts centre a more meaningful place. Another outcome has been the inclusion of the Arts into the Shire of Beverley's Strategic Community Plan, for Goals 1,2,6,8 and 9. We have been granted funds to help celebrate the 80<sup>th</sup> anniversary of our wonderful art deco town hall. This collaboration between the Shire and Station Arts will result in a wonderful event called *Reclaimed Pianos* on Wednesday 07 November. More to be revealed in the future, but it promises to be an exciting multi-generational show, so save the date!

### WA Showcase (Circuitwest's performing arts conference)

Beverley was lucky to have three representatives attend Showcase this year which ran 01 - 04 May. Sarah

Miller and Jenny Broun were accompanied by Steve Ramm (who had recently attended Techwest conference) and was keen to follow up with Showcase. Consequently, he has agreed to join BSA committee!

### Artist-in-Residence.

It was with some sadness that we farewelled Melanie after her two-month stay at the Station. She was joined by her husband Brad for the last two weeks when they hired a car and were able to take in some sights (including a day trip to Rottneest) when not on duty at the gallery. Melanie enjoyed the residency experience immensely and made many friends whilst here. Our thanks to everyone who made her feel so welcome.

Marylou, Sarah, AiR Melanie Rudy and Penny wait for paint to dry

Marylou fast drying her artwork!

And now....for the month of June we are pleased to have Nada Murphy return as Artist-in-Residence. You may recall Nada winning the print prize this year at the Easter Exhibition and she is delighted to return to Beverley. Her last Residency in 2016 was the start of her River Project. She returns this month to explore this theme further and welcomes a yarn about water stories. Nada's arts practice incorporates a diverse range of medium including oil and acrylic, water-based painting, drawing media, print making and textiles and glass. Her studio practice includes collaboration with others and a regular yarn crafts day in the studio on Fridays. Nada will be offering the following workshops: **Basket building using yarn and other materials - Friday 08 June 2.00 - 5.00pm Cost \$25**

**Coming Soon:**

During July Manu Madan will be artist-in-Residence and workshops offered will be of a different nature:

**Preparing for photomedia art** - collage, photography and photo manipulation (suitable for a children's group and adults group)

**Interpreting landscape** - patterns, shapes and form (taking inspiration from needlecraft) - kids class

**Mindfulness and craft** - cross stitch, matisse cut outs and zentangles - adults

**Improving creative output** - finding your style using a lead pencil and famous exercises - kids and adults.

**Community Engagement**

**COSTUMES REQUIRED:** For The West Australian Photographic Federation holding its annual event in Beverley over the weekend of Friday August 31 - Sunday September 2 when members of 40 photographic clubs spend the weekend at Beverley. They will be visiting the Railway Station on Saturday September 1 from 7.30am to 9.30am for breakfast, photographing the historic station buildings and would like to have a number

of local people dressed in period style costumes so they can take portrait photographs. The type of persons could be:

Lady and gent in town clothes waiting for the train - we already have two small ladies' dresses and one medium size man's outfit.

THESE COSTUMES STILL REQUIRED: Station master in uniform; Children in town clothes; Farmer with dog waiting for train; Busker in older clothes. So....can you help with period costumes or know of where to get some? Or happy to model a costume you can get hold of yourself? If so, please leave your details at the Station, or email [brounj@westnet.com.au](mailto:brounj@westnet.com.au)

### **Beverley Station Singers**

The Station Singers met this month on Wednesday 09 May to rehearse for the Merredin Songfest 18-20 May. Ten from Station Singers were able to get to Merredin to be part of the 150 singers from around the state. And what an amazing Festival of Song it was! Voices rang out throughout the weekend at the Visitors' Centre, the Military Museum, the Station, the Sunday Markets, Church in the Cummins Theatre, and the finale lunch at the Rec Centre. But the main event was the Saturday night concert at the magnificent Cummins Theatre - yes, the night the rest of the world watched the Royal Wedding! See the pic below of the Station Singers in the green room of the Cummin's Theatre hamming it up with tiaras and top hats to match the occasion.

Kelly Newton- Wordsworth directs the group on a monthly basis at \$50 per session, or \$105 for 3 months. Anyone interested in joining the singing group contact Tracey Fleay - Mobile: 0409 481 029 or Email: [traceyfleay67@gmail.com](mailto:traceyfleay67@gmail.com)

### BDHS ANZAC Service

Beverley District High School hosted the school ANZAC Service on 3<sup>rd</sup> May 2018. The service was both moving and memorable with our students appreciating the sacrifices of those who fought in the war. We would like to thank all of the special guests who attended our service from the Shire, RSL, School Board and P&C and to those community members who attended to help our students recognise the importance of such an event.

Our school choir performed 'Lest We Forget' at the service, led by Mrs Kellie Shaw.

Our Student leaders did a wonderful job in the running of the service under the guidance of Mrs Kellie Shaw.

Special guest, Mrs Dalene Davies told us about the very important role of the RSL in looking after the soldiers when they return from war.

Our Year 1 students are honoured to be given the special role of handing out the rosemary to all of the ladies at the service. It is traditional on Anzac Day to wear a sprig of rosemary pinned to a coat lapel or to the breast, or held in place by medals. Rosemary has particular significance for Australians on ANZAC Day as it grows wild on the Gallipoli Peninsula.

The tradition of lowering flags to half-mast as a sign of remembrance is believed to have its origins on the high seas. This practice was also adopted on land. Our student leaders were very honored to fulfill this role at the Town ANZAC Service and at the BDHS ANZAC Service.

We would like to thank all of the families and community members who donated such beautiful flowers that allow our student to participate in making the wreaths each year as part of the ANZAC Day learning experience.

Cr David White

## Mother's Day Celebrations

Mothers Day was celebrated in style this year in the Kindy and Pre Primary. Our mums were invited into school to spend the afternoon being pampered by their child and enjoying some scrumptious afternoon tea.

The Pre Primary mums were treated to a hand massage and nail painting, beaded bracelet making, glitter playdough playing and an exciting dress-up photo booth!

The Kindy mums were treated to cupcake decorating, painting, bead bracelet making and hand painting! So much fun!

## Australia's Biggest Morning Tea

The Australia's Biggest Morning Tea cancer research fundraiser was organised by Mrs Sandy Woods (HACC) and Mrs Gay Vandenberg in conjunction with the BDHS Faction Cross Country at the Town Oval Amenities Building on Friday 11<sup>th</sup> May.

The BDHS Choir performed at the ABMT for all to enjoy. Thank you to Mrs Kellie Shaw for all of her efforts in mentoring our choir students to sing so beautifully.

Thank you also to all those who attended and supported the fundraiser and/or baked for the event. The day was successful in fundraising over \$1300 toward cancer research.

## Faction Cross Country

Eyre, Forrest and Dale fought it out at the Faction Cross Country on Friday 11<sup>th</sup> May! It was a close contest with our 5 and 6 year olds running the 500m Course, 7 and 8 Year olds the 1000m course, 9 and 10 Year olds the 2000m course and our high school students the 3000m course! And..... **Eyre took home the shield!!!!!!** We are just so proud of all of the students giving it a go! Such great sportsmanship and participation along with a wonderful group of parent helpers ensured a great Cross Country Carnival! Here are just some of our snaps from the day. For more please visit our Beverley District High School Facebook page.

## BEVERLEY GARDEN AND TREE SOCIETY

Our group's outing to the Bigga Tree Nursery in Pickering Brook and then on to lunch at Mason Mills for lunch on the first Tuesday in May was hopefully enjoyed by all, with 20 members visiting the nursery and 16 going on to lunch. It was a beautiful autumn day and the newly established Bigga Tree nursery was a great find, with a large and apparently expanding range of mainly exotic trees and shrubs. I'm sure some of the group will be going back for more plants in the future. Lunch at Mason Mills was very pleasant and the walk around the stunning gardens a lovely way to spend the afternoon.

In the garden now .....

It is turning out to be a fairly dry start to the season so the addition of compost and organic matter to the garden will help to maintain soil moisture. In the lead up to cool weather water tender plants with a seaweed based solution which will help them develop an internal resistance to frost. Seaweed solution takes about a week to take effect if you spray it on the leaves and two to three weeks if applied to the roots. There has already been some cool mornings and the likelihood of frost is high, young susceptible plants can also be protected by placing shade cloth guards around and or over them and spraying the leaves with biodegradable frost protection sprays which work by creating a protective polymer film over the leaves and stems. These sprays need to be reapplied monthly, they can also help to retain moisture in plants and help protect the plants from heat stress during the summer.

The next Garden Club meeting will be on Tuesday 05 June at 10.30 am at the Beverley Caravan Park (weather permitting) where we will review the succulent and herb gardens at the Park and also discuss ideas for the show display. New members are welcome.

Illegal drugs are mentioned in the media and news reports frequently. Most people are aware of the negative social implications of drug use and unfortunately many people have been adversely affected by the widespread use of illegal drugs. It is well known that users sometimes get extremely desperate, and will steal from loved ones as well as strangers to support their habit.

Methyl amphetamine (meth/ice) is considered by many to be the worst of the current illegal drugs available in Australia.

Recent reports have stated that Western Australia is the Ice capital of the country, and Australia is possibly the second biggest user of meth in the world.

Most people probably consider meth to be a far worse drug than other so called "soft" drugs like cannabis/marijuana. It is worth reminding people however, that any drug that is classified as illegal, will be targeted by police and offenders charged accordingly. (Police don't make the laws your politicians do!)

Police rely on information from the public regarding any criminal activity and this includes information regarding the sale, distribution or manufacture of drugs.

If you have any information regarding drugs in the community, you can call Beverley Police on 9646333, or pop in for a chat. If you want to remain anonymous, that's fine too. Just call **Crime Stoppers** on 1800 333 000

Obviously not all information will automatically result in a search warrant but all information is reviewed and the more information police receive, the better picture we have of what is happening in our community.

## Detecting Email Scams

I have written several times about Internet scams, but I thought it worthwhile to give you some tips to help you detect and avoid scams. This was prompted by me recently receiving a scam email purporting to be from Telstra – even though I don't have any Telstra accounts! Scammers are most likely after access to your bank account or want you to pay for services you do not want or need.

**Detecting email scams.** You may not be able to read the above email but that doesn't matter, it shows what to look for:

- **Are you expecting such an email?** In this case I don't have a Telstra account. Would I have an unpaid bill?
- **Does it look genuine?** In this case it does. The criminal has copied the Telstra style exactly, but many criminals don't.
- **Is the from address genuine?** In this case, NO! It should have

the real domain name, e.g. for Telstra: @telstra.com, @telstra.com.au, @bigpond.com, etc.

- **Is the signature genuine?** In this case YES! – but the spelling of 'DIGITALE' is not English, it should be 'Digital'. In this case why would an Executive Director be writing to me about my bill – surely it should come from the Accounts Department!?
- **Are there spelling mistakes or bad English in the text?** In this case YES! An email like this would be based on a template which is carefully prepared and spelling checked. For example, in this email: normally in English you would write 'about your email bill' not 'about email bill'; the incorrect spelling of 'vieu' (view) and 'Digitale' (Digital) indicate the originator is probably European or South American.
- **If there are links in the page are they genuine?** In this case NO! they should point to telstra.com etc. You can't see the links by looking at the page but if you hover over them with your mouse you may see the real address hovering over the link or in the bottom left-hand corner of the browser window. If you are at all suspicious of the email **DO NOT CLICK ON ANY LINKS**
- **Are there attachments?** Not in this case, but if there are and you are at all suspicious **DO NOT OPEN ANY ATTACHMENTS**. An attachment may be, for example: a program that encrypts all your files and then demands a ransom to unencrypt them (I have had to deal with two cases of this); or a program to allow the criminal to enter your PC to steal your personal information (identity theft) or your bank account login details (one of my customers nearly had \$8000 stolen from their bank accounts!)

**Dealing with scams emails.** Just delete them. Opening and reading a scam email will not cause any harm. However, **DO NOT CLICK ON ANY LINKS** and **DO NOT OPEN ANY ATTACHMENTS**. If you click on a link you are giving permission to go to the linked web page which may be malicious. If you open an attachment you may be giving permission to run a malicious program, depending on your settings. If a question box pops up – answer 'No'.

If you are not sure whether an email is genuine contact the supposed sender using a well-known email address or phone number – **DO NOT USE ANY OF THE CONTACT DETAILS IN THE SUSPICIOUS EMAIL**. As a last resort you may phone me and describe the email to me, I am always prepared to help anyone avoid criminal damage. But, please do not forward the email to me – or anyone else.

## Davies advocates for additional cancer treatments at Northam Hospital

Local Member Mia Davies MLA has requested the Minister for Health ensure Northam Hospital was funded to allow patients from the region with bladder cancer to be treated locally.

In a budget estimates committee this week Ms Davies quizzed Minister Cook on why the service wasn't offered, saying it would make life easier for Wheatbelt patients currently travelling to Perth to receive treatment.

"I am aware there are a number of patients from the Wheatbelt who would benefit from this treatment being provided locally," Ms Davies said.

"I am advised by a specialist that the introduction of BCG treatment to Northam is possible, and would require only a minimal investment in staff training."

Intravesical BCG immunotherapy treatment is a common treatment prescribed for people with high-risk bladder cancer. A typical course of BCG involves weekly treatment for six weeks followed by monthly treatment for another nine months.

Ms Davies said this created significant pressure for patients who were already travelling long distances for potentially life-saving treatment.

"Providing training and support for staff to facilitate the treatment to be offered at Northam Hospital could also reduce Patient Assisted Travel Scheme (PATS) costs," she said.

"I am advised that just one complete course of BCG treatment potentially amounts to 16 PATS payments for each patient.

"For what would be a minimal investment we could improve treatment options for Wheatbelt patients and reduce the cost of travel for them and the State Government.

"I am pleased the Minister was open to investigating how the Department could accommodate this request."

Ms Davies provided information to the Health Department after the estimates committee hearing and said she would be following up with the Minister.

"Offering this service for our Wheatbelt residents would be a positive step and I'm happy to work with the Minister to get a better outcome," Ms Davies said.

About 3,000 Australians are diagnosed with bladder cancer each year and it is the fourth most common cancer in Australian men. If detected early, before it has spread outside the bladder, it can be treated successfully and cured.

# FIRST RESPONDER APP

St John Ambulance WA has released a new, free smart phone app, First Responder.

The St John First Responder App has a range of features, one being its unique first responder capability. The app allows qualified first aiders to sign up as a first responder and be notified when someone has called 000 for an ambulance within 500 metres of their current location and in a public place.

The app also contains a directory of defibrillator locations, comprehensive first aid guides and a “call 000” feature that automatically sends your exact GPS coordinates to the St John Ambulance State Operations Centre when calling from within the state of Western Australia. First Responder is a free app and available on [Apple’s App Store](#) and [Google Play](#).

## Defibrillators

Any community group or business that has recently purchased a new defibrillator or if you do so in the future can contact the subcentre to arrange for its location to be registered on the First Responder App. Email: [bevsja@westnet.com.au](mailto:bevsja@westnet.com.au)

## Agriculture Museum at Avondale

Being the time of year for sowing crops our small group decided that it was time to dust the cobwebs off some of the machinery and sow some Oats in the neighbouring paddock; Duayne had already prepared the area the week before and had added fertilizer into the dusty soil. After a bit of encouragement from a can of a popular brand of cold start spray and a

fresh battery the Chamberlain Tractor was fired up and ready to be fitted to the Massey Ferguson Combine Seeder, but having not used this combination before John H found himself an extra task adjusting hydraulic fittings to suit. Once Richard had ensured the tyres were of correct pressure it was out into the paddock and no stopping, in fact Richard looked quite at home having previously worked at Avondale for many years in the past.

Although some of us had our 'dancing shoes' on there was not a cloud to be seen, but we were able to stomp down a few lumps of dry soil!

This task was completed by morning tea which our group shared together taking longer than usual with

everyone keen to catch up on Richard's knee operations and everything Avondale.

It was open weekend and although visitor numbers were low it was good to see some young locals coming out to share in the history of our area, one couple from Queensland ventured out around the 'drive trail' and were gone so long (a couple of hours) we were afraid they had got lost, but all was good, they had just found a lot to photograph.

And yes the Avondale Museum is still open to the public every 3<sup>rd</sup> weekend of the month including the Monday of the September long weekend and the Sunday 14 October for the **Beverley Heroic Bike Ride** so feel free to come and enjoy.

Our 'Item' for the month goes to one of our restored Tractors a McCormick-Deering W-6 Standard-Tread Tractor. Manufactured by the International Harvester Co. Rock Island Illinois USA.

This Tractor is one of 28378 built between 1940 & 1953 and features the International Harvester 247.7 cubic inch 4 cylinder engine which provided 32.48 HP at the drawbar. It has 12 volt electric starting by key as against the earlier models which started by turning the crank handle. It has been fitted with the larger wheels and tyres which were more suited to working the land in the Wheatbelt.

In 2016 the owner Vin Szezecinski handed it over to the Beverley Men's shed and a group of members carried out a comprehensive restoration back to working order. It was then put on display out in the open at the Men's Shed. This was not an ideal environment and in late May 2017 the Men's shed offered it to the Avondale Farm Museum where it could be displayed under cover.

The offer was taken up and on the 04 July it was

Service starts at 10.00am

We share lunch after all our services.

**ALL ARE MOST WELCOME!**

We would like to sincerely thank **ANN WOOD** who presented (on Sunday 06 May) a beautiful and well-researched talk about the first Moon Landing way back in 1969. Did you know the first food and liquid ever consumed on another planet were the bread and wine of Holy Communion that the 3 astronauts (Neil Armstrong, Buzz Aldrin and Michael Collins) shared when they landed on the moon? Amazingly moving presentation with stunning videos and music!

Also, a big THANK YOU to **TERRY** for filling in for Malcolm who was having a well-earned rest. Terry brought us a very touching and profound reminder about JOY in our Christian walk, having it, sharing it and being it. Just wonderful!

### **FREE DEVONSHIRE TEAS FOR THE MONTH OF JUNE BEGINNING 07 JUNE!**

Yes, every **THURSDAY** morning at 10.00am – 12 noon **Beverley Real Life Church** will be hosting delightful Devonshire Teas (or Coffees!) so why not pop in for a cuppa and friendly chat in our dining area. There will be no church service attached to this free get-together. Just come along to a **very informal** gathering and enjoy the scones!

### **SUNDAY 17 JUNE at 10.00am**

**PETER and JANET** will be leading us and bringing their fabulous worship through powerful music and song.

And then...

**JAN and JIM**, who are travelling missionaries, will tell us inspiring stories of their worldwide ministry to some of the tiniest villages on earth - not to be missed!

Of course, our Pastor will be continuing with his rock solid, Bible based preaching every week when we don't have a visitor, so it's **ALWAYS** worth dropping in to a Beverley Real Life Church meeting!

Lyme Disease Association of Australia  
*Lyme disease can present as an Acute Or Chronic Illness*

A solid, spreading rash (resembling a bacterial infection/cellulitis or 'spider bite') or a bullseye rash is present in approximately 50 percent of those with Lyme disease.

Symptoms of acute Lyme disease can present as:

- flu like symptoms with fevers;
- fatigue;
- muscle, joint pain and nerve pain (which can be migratory);
- swollen glands;
- sore throat;
- nausea and vomiting;
- headaches;
- stiff neck;
- light sensitivity; and
- may include Bell's palsy and other neuropsychiatric symptoms.

Chronic symptoms of Lyme disease (also referred to as post-Lyme disease treatment syndrome, late stage Lyme, post Lyme disease syndrome, post-infectious Lyme disease, Multiple Systemic Infectious Diseases Syndrome or MSIDS) is often associated with co-infections.

1. You have more than one symptom. Lyme disease is a multi-systemic illness. A classic constellation of symptoms might include fatigue, pain, insomnia, cognitive problems and mood swings with anxiety and depression.
  2. Symptoms come and go with good and bad days.
  3. Migratory joint, muscle and nerve pains (tingling, numbness, burning and/or stabbing sensations) come and go and migrate to different parts of the body. These can be classical signs of Lyme disease.
  4. In women, symptoms tend to worsen right before, during, or after the menstrual cycle as hormonal changes can affect symptoms.
  5. Symptoms worsen or improve after antibiotic therapy (for Lyme or an unrelated infection like a urinary tract infection or upper respiratory infection). If symptoms worsen, this can be associated with a Jarisch-Herxheimer (or Herx)<sup>2</sup> reaction which is a reaction to endotoxin-like products (or spirochetes) released by the death of harmful microorganisms within the body during antibiotic treatment.
  6. You have positive blood tests for Lyme and associated tick-borne diseases.
- With thanks to Lyme Disease association of Australia.

*Beverley Golf Club*

On Saturday 28 April, eighteen players took to the course to vie for the **Always Green** trophy. This Stroke round was also the first qualifying round for the club championship. The best Nett score was carded by Liam Gollan with a creditable 67; closely followed by both Darrell Hagan and Luke Gollan who tied for runner up on Nett 68. Thomas McLean ran fourth on Nett 69. The best Gross scores on the day were Darrell Hagan with 78 and Luke Gollan with 85. Thanks go to **Gavin Sazanov** for again sponsoring this event

The **Belhus** trophy was contested on May 05. This Four-Ball better ball Stableford event was won by Alan Hammond and Mark Kont with a team score of 47 points. Gavin Sazanov and Keith Hawkins narrowly lost out with 46 points. A big thanks go to **Greg Barrett-Lennard** for his continuing sponsorship.

Daniel Gollan carded an impressive +8 to beat out the field of ten players and take home the **Beverley Gas and Plumbing** Trophy on May 12. Runners-up were Robbie Wansbrough (+4) and Alan Hammond (+3). Many thanks also to **Karl Smith** for providing the trophies for this event.

Saturday 19 May saw eight players compete for **Ron Bickley's Garden Gnome Trophy**. The scores for this event were predictably less than spectacular due to players being restricted to using only three clubs for the day. Gavin Sazanov was the successful player with 35 Stableford points. Runner up was Terry Winfield with 34 points.

The final game for the month was the second Club Championship qualifying round with players competing for a trophy donated by John Donovan. Winners will be announced in next month's Blarney.

Club Golf Fixtures for June will be:

Saturday 02	Brett Hutchinson Trophy	Stableford
Saturday 09	Wayne Smith Trophy	Stroke
Sunday 10	3rd Qualifying Round – Club Championship DRGA Event – Waroona Open Day	
Saturday 16	GL Broun Trophy	Stableford

### Upcoming Games:

Sunday 27 May; Beverley vs Railways

Saturday 02 June; Quairading vs Beverley

Saturday 09 June: York vs Beverley

It has been a month with some promising results across both league and reserves teams, with both getting some wins on the board. Unfortunately a win eludes our netballers, however there is bound to be one on the horizon.

Against Railways, Robbie Wansbrough will be celebrating his 150th league game. This is a fantastic achievement and we congratulate him.

### Coming Events:

The winter sporting clubs are holding an event in August.... Stay tuned for more information!

# Beverley Netball Club

For those who dared to try a bit of pre season training, a Fast Five competition was introduced. This was open to all men and women and I'm sure fun was had by all.

This new way of playing netball could not have happened without the organisation by Jen Petchell. Thank you so much Jen, we all had fun. Also we must thank Glenys Petchell for coming down to the courts to score and thank you to those who umpired.

The Netball season has begun with the competition being made up of one Pingelly team, one Brookton team and two Beverley teams.

This year, an encouragement award will be presented to a player from both Beverley teams each week. Thank you to Beverley Country Kitchen for sponsoring this award.

## Results so far:

Game 1, May 05.

Pingelly- 36 to Beverley Hunters-15

Brookton Glory - 39 to Beverley Orbs -16

Encouragement awards - Nicole Davis and Sam Mearns.

Game 2, May 11.

Pingelly- 38 to Beverley Orbs-15

Brookton Glory-60 to Beverley Hunters-11

Encouragement awards- Lynette Ugle and Bree Taylor

Game 3, May 18.

Beverley Orbs - 33 to Beverley Hunters- 26

Pingelly- 43 to Brookton Glory- 22

Encouragement awards- Kasey Ashworth and Emma Atkins.

## Game 1: May 05

### York Scorchers (2) V Beverley Redbacks (1)

Nerves were aplenty warming up for our first game of the season. With many returning faces and some new ones, the team is shaping up for a competitive season! Special mention to Megan Vandenberg for filling in, on a warm day it's wonderful to have a sub or two on the sideline! Newly voted Captain Chantelle Meade led us onto the field for a great contest with a fast and skillful York Scorchers side. Our preseason fitness and skills lead by the committee led us to a 1 nil lead at half time with an amazing run up the field from Lisa Mourach ending in a goal. Unfortunately, Scorchers came back fast and scored another two goals to end out the game 2 - 1 to them. Special mention must go to Charlotte Murray for playing her first game of seniors' hockey and Britt Hadlow for playing her first game for the Redbacks.

### AWARDS

#### **Beverley Transport Award:**

Dani Whyte – For running hard all day.

#### **Beverley Country Kitchen Award:**

Jacinta Murray – For running hard all day

## Game 2: May 12

### Jenna (3) V Beverley Redbacks (0)

You could have been forgiven for thinking it was a perfect day to go to the beach on Saturday. However, we travelled to Northam to take on a fit Jenna side. With temperatures peaking out at 31.7°C, it was a tough day for the girls. With Carly and Nic's coaching we fought hard and although playing a defensive game did have a few opportunities on the forward line. Megs came back for another crack at 'filling in'. Short passes and good talking out on the field with some fantastic goal savings by the formidable Fleta meant the score line was not as terrible as it could have been. Hearing that final whistle blow was a serious relief with a few girls succumbing to the heat. Special mention to Marg Mourach who after a solid game in fullback umpired the following game.

### AWARDS

#### **Beverley Transport Award:**

Carissa Shaw – she didn't stop all day

#### **Beverley Country Kitchen Award:**

Marg Mourach – such solid defense

#### **Northam Tavern Award:**

Chantelle Meade – versatile and didn't stop all day

**Game 3: May 19  
Wongan Drifters (1) V Beverley Redbacks (0)**

A much cooler day than last weekend dawned to take on Wongan Hills in Northam. With a heap of supporters in the shade (thanks for coming to watch), the girls have lifted each week with improved fitness and skills. Short passes out of the wing, some good hassling and tackles meant we kept the pressure on Wongan and kept scores level in the first half. Charlotte is finding her feet on the wing with some great dribbling and tackles, Britt ran all day – the 6.2km run on Thursday instead of a skills session at training was a big confidence boost that our fitness is rapidly improving. Kel was dynamite in centre half, with consistent second efforts paying off time and time again. Our forward line is settling in with Ali having a run at inner, Hollie back in wing and Carissa and Jac running hard all day. After half time with some inspiration from Nic, we went out hard again, unfortunately losing both Jac and Chan with injury (speedy recovery girls) and continued to make the most of talking, switching both positions and play as we ran out the game with no subs. We were unlucky to convert on a few shots into goals and on our short corners with Wongan scoring in the last 45 seconds.

**AWARDS**

**Beverley Transport Award:**

Britt Hadlow – persistent effort & solid in half back

**Beverley Country Kitchen Award:**

Hollie Smith – Great tackles & running all day

# Beverley Horse and Pony Club

## Who's been out and about ....

- **C\* Clinic.** Tealah Hawke attended a C\* clinic at Parkerville run by the Hills Zone to help her and Maggie to develop their skills to work towards achieving their C\* certificate. The clinic covered horse care, dressage, lunging, jumping and pace work. As riders and their mounts progress in skills at pony club they work towards different certificates to reflect their achievements (E, D, D\*, C, C\*, B and A).
- **Bronte Cleland** placed 4<sup>th</sup> at Moora Horse Trials in the 80cm on Nacho and then 3<sup>rd</sup> at Wooroloo in the 65cm on Cassie.

**Sunday 20 May Rally:** Another great rally with three groups rotating through horse care, dressage, jumping and games lessons. Such a great group of riders who listen to

all their coaches and always to endeavour to achieve their best. Aaron Shultz introduced us all to his new horse, Bo, who got to attend his first rally and absorb the pony club atmosphere. Our coaches for this rally were Marie Hammond, Jenifer Petchell, Jessamin Pain and Tess Hawke.

**Reminders:** Our next rally is on **Sunday the 10 June**, please arrive at **7:45am**. Please let **Vicky**, our Coach Co-ordinator, know if you are attending via [bevpc.coaching@gmail.com](mailto:bevpc.coaching@gmail.com) or **0409 158 852**.

**New Members Always Welcome ☺!**
