SUMMARY

An application has been submitted by Simon O'Hara (*Statewest Planning*), on behalf of David Johnson (*Game on Contracting* - with land owners' consent), to establish a *Transport Depot* land use on Lot 79 Bethany Road, Beverley.

BACKGROUND

The applicant proposes to establish a *Transport Depot* land use on Lot 79 Bethany Road, Beverley, which is a use-not-listed in terms of Shire of Beverley Town Planning Scheme No. 2.

Council at its meeting of 22 May 2018 did not agree with the Officer's recommendation which read as follows:

That Council, in respect of the application for Development Approval received from Statewest Planning for a Transport Depot on Lot 79 Bethany Road, determine that the use is not consistent with the objectives and purposes of the particular zone and is therefore not permitted.

This motion was lost 6 – 2.

Council further directed Shire Planner to determine a new resolution with Conditions of Planning Approval.

This report is presented to Council to give consideration to appropriate Conditions of Planning Approval for the proposed Transport Depot Land Use.

COMMENT

The self-explanatory conditions of Planning Approval that are proposed to be imposed on this development stems from concerns that were expressed during the consultation & consideration phase of the application – and as submitted by the applicant himself could be seen as endeavouring to mitigate the impacts of the development in its setting.
