Vincent Street Bridge Refurbishment Due to Commence

Refurbishment work to the Vincent Street Bridge is due to commence. This will occur over quite a length of time and unfortunately there may be times of inconvenience for road users. Please be patient and look forward to an upgraded bridge that is a little wider for traffic and more "user friendly" for pedestrians.

Long Term Employee Retires

After working for the Shire of Beverley for 39 years Malcolm Turner has called it a day. He retires with many stories and memories of his time working for the Shire. Council offers best wishes to Malcolm and Jenda.

Lightning Strike Near Olive Farm

Stormy weather and extreme windy conditions recently created hazards around the district, including a potentially catastrophic fire west of Mt Kokeby near the olive farm which was lit by lightning. Co-ordination and management of the fire ground, monitoring and "mopping up" by FCO's and over 100 volunteers from around the district, supported by the Shire of Beverley and York CESM, was a credit to all involved. Heavy machinery was called in and teams of volunteer firefighters were in attendance 24 hours a day for several days requiring sustenance provided out of hours by local business. Thankyou to everyone who assisted.

DeLisle Street Industrial Land

Council met with Landcorp in December for an update on the DeLisle Street Industrial Development. One serviced block from the first phase remains for sale. Development of the remaining 8845m² requires the serviced block to be sold. Advice was provided indicating Landcorp are flexible with planning and progress of the 8845m² if approached by interested parties. It was a worthwhile meeting and Council has requested signage be placed at the DeLisle Street industrial area to advertise this information to passing traffic. Council also requested that design work be undertaken to enable a road to be progressed by the Shire.

Various Works Information

Rumble strips have been installed on York Williams Road at the intersections of Waterhatch and Westdale Roads. The Shire is currently searching for a loader suitable for the refuse site following accidental damage to the old one resulting in an insurance payout. Approximately 30KL per day of reuse water is being received from Water Corp which supplements oval watering. The retaining wall and storm water pipes have been installed at the "Flying through Time" display on Hunt Road and concrete is to be poured. Earthworks are underway at the Hunt Road Village for the installation of a new leach drain.

Council Meetings 2019

The first monthly meeting of Council for 2019 will be held on Tuesday 26 February 2019. In January Council will review Phase 2 of the Local Government Act and provide a feedback submission. A working group comprising Shire President, D/Shire President, CEO, D/CEO and Chair of the Audit and Risk Committee will commence a review of the 10 year Long Term Financial Plan (LTFP) for Council consideration.

Australian Masters Cricket

An update on the previously reported Masters Cricket played in Sydney with teams from Australia, England, Wales, Canada, South Africa, Pakistan, New Zealand and Sri Lanka competing. Australia won the competition and Shire CEO Steve Gollan was selected in the "team of the tournament". Congratulations Steve!

Happy New Year

At the beginning of 2018 I commented that it was going to be a very busy year and indeed it was! This year will no doubt be busy too but hopefully it will be one for some "catching up" as well. On behalf of Council the very best of wishes for 2019.

Shire President

The Cook's Daughter

THE COOKS DAUGHTER - tall tales for a flat land in song, vision and verse.

The Story ...

A dusty folk tale based on Hazelton's childhood as the "the cook's daughter" on the iconic and isolated Melita Station. Set on gibber stone plains, surrounded by twisted mulga on the edge of the Goldfields, 10 year old Midge is annoying as she is small. Surviving eagle strike, mischievous willies and dastardly drought, she 'gets her mosey on' in her quest to be useful to all she encounters along the way.

The show opens to a long drought causing trouble on the land. People trying, stock dying and the never-ending dry stealing water and hope. But the wisdom of the Wongi and the unquenchable spirit of the 'bally little nuisance' live on, thriving through hard times with the help of an open mind, a box of matches and just a touch of humour.

Midge tells how she goes bush with her mum hoping for a bed, but how she really wants a home, but how she ends up belonging anyway.

The Experience ...

A lot of Australians have a connection to the Goldfields and award winning artist, Hazelton, has tied many tales into one, by telling her own through her new album and show - a dusty folk tale from a child's eye on the edge of the Western Desert.

Come soak up the sounds and sights of 30 degrees south in a heartwarming whimsical story in song, vision and verse. This new imagining draws the fantastical from the actual, to expose and share the mood of the melting heart of our part of the world.

Hazelton sparks creativity and connection in everything she does. It inspires her work in arts and cultural development, while her music brings us along for the ride.

Enjoy the taste of the *Cook's Daughter* before the launch of the book of the same name in 2019.

The Background ...

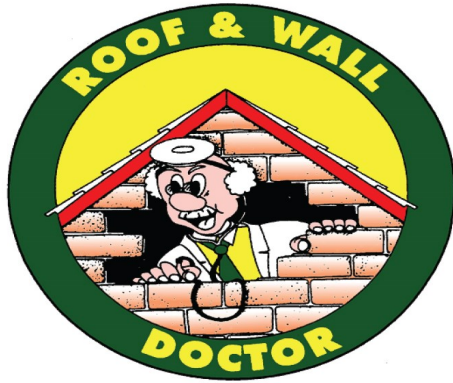

She holds the outback deep in her skin since growing up on a sheep station at the edge of the Western Desert. The daughter of an eccentric station cook, enjoying school of the air and living alongside the Wongatha people continues to influence all she does today. Mix it in with an open heart and catchy tunes and you'll find a warming uplifting experience.

A boss storyteller and entertaining performer, Hazelton's songs have taken her from the dusty Australian heartland to the urbane international stage. Her ability to engage is second-to-none and the workshops a unique journey in exchange, expression and expansion.

The Highlights ...

Two sold out shows at Perth Fringe Festival,
WAM Country Song of the Year with alt-country legend Bill Chambers for 'Melita Station',
Co-creating the first accredited course in Cultural Planning for local government, and
Completing her 35th community music project last year

Lynn believes everyone can sing & music makes the world go round 😊

Beverley Health Service redevelopment complete

The redevelopment of the Beverley Health Service was officially opened by Agricultural Region MLC Laurie Graham, representing the Minister for Health, who commented, "I am pleased to have officially opened the redevelopment at Beverley Health Service. The upgraded infrastructure will reduce the need for country patients to travel long distances, away from home, for care".

The renovations are part of a \$300 million capital works program that is improving infrastructure in 37 towns across the Wheatbelt, Great Southern, Mid-West and South-West regions.

The \$5.4 million upgrade to the Beverley Health Service includes the construction of three new consultation rooms for allied health staff, who previously operated off-site, and a resuscitation and treatment room. Improvements have also been made to the kitchen, the entrance and car park along with improved ambulance access.

MLC Laurie Graham commented, "I'm particularly pleased that the upgrade to the Beverley Health Service includes the construction of three new consultation rooms for allied health staff, having access to health services within the same building greatly improves the experience for patients."

The project involved extensive upgrades to electrical and mechanical services together with improved hydraulic works.

The ICT improvements mean telehealth services have been expanded with cancer care, stroke care, emergency telehealth and many allied health

services all available. WiFi for clinical services is now also accessible throughout the facility. The Health Minister Roger Cook said, "Capital upgrades, along with investment in digital and information systems combine to make contemporary health services more accessible to people living in regional areas. Telehealth upgrades mean patients can receive treatment near home, avoiding the need for costly and stressful travel."

In the Wheatbelt, the WA Country Health Service's capital works program also includes the redevelopment of Merredin, Narrogin and Northam hospitals as well as upgrades to 23 small hospitals and health centres.

These infrastructure projects are part of a modernisation program supported by Royalties for Regions and taking place across the WA Country Health Service, Health Minister Roger Cook further added "The McGowan Government is committed to ensuring patients in regional Western Australia have access to quality healthcare closer to home.

Congratulations to local cricketer and Shire of Beverley CEO named as international best at over 50s cricket World Cup

Shire of Beverley CEO, Stephen Gollan represented Australia in the over 50's cricket World Cup recently at a 3 week tournament in Sydney. He has been named in the top 11 players in the world also named in the team of the tournament.

Australia was one of the 8 teams playing in the series against countries such as: Pakistan, New Zealand, Canada, England, Wales, South Africa and Sri Lanka. Australia made it throughout the tournament undefeated.

Gollan is passionate about the game and plays in the local Beverley cricket team and is the chair for Wheatbelt Regional Cricket Council. Over the 3 weeks he bowled 50 overs taking 12 wickets and seven maidens. He also averaged 41 runs with a highest score of 39 not out.

Following the World Cup, an Ashes inspired series was played and over the 3 game series, the umpires awarded Gollan the spirit of cricket award.

The next Over 50's World Cup is to be held in 2020 in Cape Town, South Africa.

Scheme water cannot be guaranteed during a bushfire

Water Corporation is prepared for bushfire season. However, we cannot guarantee that water pressure or water supply will be maintained in the event of a bushfire. Extreme demand, fire damage and power cuts can all result in a total loss of water.

If you plan to stay and defend your property during a bushfire, you must have your own independent water supply and pumping capability, and must not rely on scheme water.

BEVERLEY HISTORICAL SOCIETY presents

Favourite Parts of the Dead Finish Museum

As reported by BDHS Year Two students following a visit on 5th September 2018

Burke:

My 3 favourite parts of the Dead Finish Museum were dressing up, polishing and washing.

Jacob:

My favourite part of the museum was the school because it was very fun.

Sydni:

My favourite part of the Museum was the cellar but we didn't go there. My Poppy went to the cellar before.

Dressing Up – drawn by Sydni

Darcy:

My favourite part of the day was when we had morning tea and when we walked in the garden.

Bentley:

My favourite part of the day was dressing up.

Washing on the Dead Finish verandah –
drawn by Bentley

Keenan:

My favourite part of the museum was seeing the printer. The name of the printer is printing press.

Riley:

My favourite part in morning tea [was] getting my penny because it's old.

A penny from the reign of King George VI -
drawn by Riley

William:

My favourite part of the day was washing. We soaked the clothes. We scrubbed the clothes and put them in blue rinse. We hung them up.

Rubee:

My favourite parts of the day was the polishing. Also the school room because we got to rite with the ink pens. I also like the babies room.

Skye:

My favourite part was the morning tea. For morning tea we had fairy bread, cordial, ANZAC biscuits. We got 2 presents one was a bag of lollies, and a penny.

Ellie:

My favourite part of the morning was at morning tea because we got fairy bread, ANZAC biscuits and a penny to keep.

Takara:

We polished silver with a toothbrush and a cloth. I polished a cup, saucer, a spoon and a pepper shaker. I enjoyed the Dead Finish Museum.

Thanks from BHS to Mrs Gollan & the Year Two students.

Avondale Agriculture Museum

With the changing of the yearly calendar we all look forward to a new start in 2019, with more volunteers joining our team at Avondale. We would like to wish our community a very happy and safe start to the new year.

As usual Avondale is closed during the summer season and with much dust from the heavy December breezes finding its way into the Museum there will be a lot of housework required by our volunteers before reopening. The 2019 opening dates are yet to be determined however it is anticipated that Easter will one of the times it will be opening to the public.

Most of our oaten hay is still available for sale, it has been baled in the easier to 'man handle' smaller bales, and as one of our volunteer team has indicated their availability to meet with prospective buyers at Avondale, smaller sale lots are now available to those with limited storage and budget, please see our advertisement in this pictorial for full details.

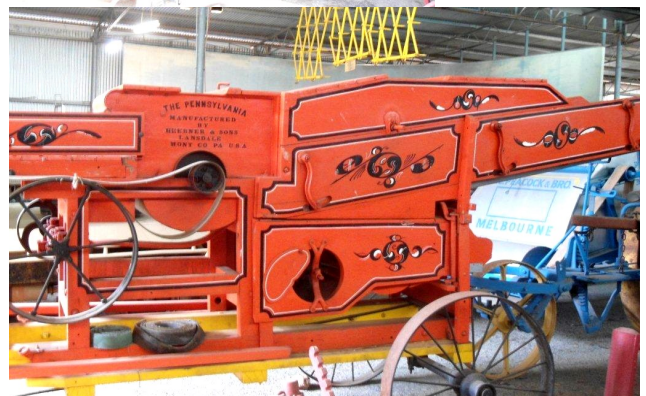

The money from the sale of the oaten hay sown and harvested by our team is used solely for the maintenance and restoration of Museum items, and like all organisations we always welcome donations to our cause of preserving an important part of our community's history in our working farm machinery collection.

Our item for the start of our new year is again a form of Harvester many would not be too familiar with---

	• 200-205L

Cleaning tips

The following tips will help to ensure your difficult-to-clean eligible farm chemical containers will be accepted for recycling at your local *drumMUSTER* collection centre.

Suspension concentrates (Atrazine, Simazine, etc)

- ✓ Rinse your container immediately after use to ensure any chemical residue does not dry
- ✓ Use methylated spirits to remove dried residue. If this doesn't work, fill the container with water and soak for at least 24 hours before rinsing.

Oil-based chemicals (ULVs, LVs)

- ✓ Follow specific instructions on the product label or contact the manufacturer for further assistance

Other chemical residues

- ✓ Rinse container immediately after use as all chemical residues are much harder to remove when dry
- ✓ Some containers may require additional rinsing (more than three rinses)
- ✓ A brush or high pressure hose may be required to clean stubborn or dried chemical residue

✓ **ELIGIBLE CONTAINERS WITH DIRT, RUST AND DYE STAINS ARE NOT CONSIDERED HAZARDOUS AND ARE THEREFORE ACCEPTED AT *drumMUSTER* COLLECTION CENTRES**

For more information on container cleaning contact your local Agsafe accredited farm chemical reseller or visit

www.drummuster.com.au
drumMUSTER

drumMUSTER *makes it easy*

Recycling your eligible farm chemical containers with *drumMUSTER* is easy - all you need to do is follow these simple steps:

✓ Triple or pressure rinse your chemical containers **IMMEDIATELY** after use

✓ Pour the **RINSE WATER** back into your spray tank

✓ Make sure **ALL** chemical residue is removed

✓ **REMOVE LIDS** to allow your containers to **DRY** thoroughly. Take lids **SEPARATELY** to collections

✓ Metal containers should be **PUNCTURED** from the top through the bottom

✓ **DELIVER** your eligible clean empty containers to your local *drumMUSTER* collection centre

For details on *drumMUSTER* collections in your area contact your local Council or visit the *drumMUSTER* website at:

Snake bite

St John

IN A MEDICAL EMERGENCY CALL TRIPLE ZERO (000) FOR AN AMBULANCE.

DRSABCD Danger ► Response ► Send for help ► Airway ► Breathing ► CPR ► Defibrillation

The DRSABCD Action Plan is the first step when providing first aid. Use this to assess the immediate situation.

All known or suspected snake bites must be treated as potentially life-threatening, and medical aid should be sought urgently.

WARNING

Do not wash venom off the skin or clothes because it may assist identification.

SIGNS AND SYMPTOMS

Signs of a snake bite are not always visible and, in some cases, the patient may not have felt anything. Symptoms may not appear for an hour or more after the person has been bitten.

Depending on the type of snake, signs and symptoms may include some or all of the following:

- immediate or delayed pain at the bite site
- swelling, bruising or local bleeding
- bite marks (usually on a limb) that may vary from obvious puncture wounds to scratches that may be almost invisible
- swollen and tender glands in the groin or armpit of the bitten limb
- faintness, dizziness
- nausea and vomiting
- headache
- abdominal pain
- oozing of blood from the bite site or gums
- double or blurred vision
- drooping eyelids
- difficulty in speaking or swallowing
- limb weakness or paralysis
- difficulty in breathing
- occasionally, initial collapse or confusion followed by partial or complete recovery.

WHAT TO DO

- 1 Follow DRSABCD.
- 2 Call triple zero (000) for an ambulance.
- 3 Lie the patient down and ask them to keep still. Reassure the patient.
- 4 If on a limb, apply an elasticised roller bandage (10–15 cm wide) over the bite site as soon as possible.
Apply a further elasticised roller bandage (10–15 cm wide), starting just above the fingers or toes and moving upwards on the bitten limb as far as can be reached.
Use clothing or other material if an elasticised roller bandage is not available.
Apply the bandage as tightly as possible to the limb.
- 5 Immobilise the bandaged limb using splints.
- 6 Keep the patient lying down and completely still (immobilised).
- 7 Write down the time of the bite and when the bandage was applied. If possible, mark the location of the bite site (if known) on the skin with a pen, or photograph the site.
- 8 Stay with the patient until medical aid arrives.

BDHS Presentation Night

The Beverley Presentation Night was held on Wednesday 12 December at the Platform Theatre. We would like to thank the Beverley Station Arts Committee for their continued support in allowing us to hold this event at this wonderful venue. We would like to congratulate all the award winners and commend them on their efforts in 2018. Some of our many award winners are pictured here.

Special thanks to our School Board members and Hon Mia Davies MLA for assisting with the presentation of awards, and to our P&C for providing refreshments on the night. We would like to thank our award sponsors including the CWA, the Masonic Lodge, Beverley Agricultural Society, Natural Resource Management (NRM), George Smith and family, the ANZ Bank, Beverley Medical Practice and many private donors. We would also like to acknowledge and thank Tim and Natalie Kilpatrick for engineering the sound and lighting on the night. We greatly appreciate their time and expertise.

Our Beverley DHS Choir under the direction of Mrs Kellie Shaw performed numerous items over the night. They sang beautifully as always! We enjoyed some fabulous dance performances on the night from our students. We would like to acknowledge and thank Miss Kelly FitzGerald who has volunteered as a dance teacher in the school this year to choreograph dances for the Shrek Production, Beverley Show and the Presentation Night.

2018 GRADUATIONS

Year 6 Graduation Party

Our Year 6 students had a fabulous time at their Year 6 graduation party at school on 10 December. It was wonderful to have so many parents and family members along to see just how much the students have grown physically, academically and socially.

We would like to thank Mrs Aynsley and Mrs Davey for all of their hard work in making this such a special event to celebrate the end of the students' primary schooling.

Year 10 Graduation Dinner

Our Year 10 students are off to start life in the fast lane! We would like to congratulate these students on their efforts over the past 12 years of their education and wish them all the best for their senior secondary education. A big thank you to the students' families and Beverley DHS staff for making their graduation dinner on Monday 10 December at Hotel Beverley such an enjoyable night.

Year 12 Graduation

We have had two students graduate from Year 12 at Beverley DHS this year. A special dinner was held with families and staff on 6 December at the Red Vault. Special congratulations to Candice and Jess for successfully completing their studies and for achieving a WACE (WA Certificate of Education). We would like to congratulate the students on their achievements, and their hard work in studying remotely through the School of Isolated and Distance Education (SIDE). Candice was the recipient of a Student Services Award from SIDE for the second year in a row. We wish these students all the best for a bright and happy future.

We wish all our families and the wider community a very peaceful and wonderful New Year.

Station Gallery & Platform Theatre News

The Station garden is available for public use at any time; just open the gates and enjoy!

Community Christmas Concert -

With the weather forecast again in our favour we're bound to get a good crowd this Saturday 22 December for our Christmas concert. This free Family Christmas Concert is gifted from Beverley Station Arts to the whole of town and surrounds as an opportunity to come together for some fun and entertainment. Hopefully photos in the next Blarney issue will be evidence of such wonderful community engagement.

David Bowie MAJOR TOM and NEW WAVE Tribute Show on Saturday 01 December at the Platform Theatre was a great night of entertainment where even the weather behaved for a change! The ALLSTAR SHOWSTOPPERS played their David Bowie Show plus the best acts from the 1970s and 80s to an appreciative crowd of around 170 locals and visitors from surrounding towns and Perth. The new look projections on the walls of adjacent buildings were a great success thanks to Steve Ramm for its inception and his team Tim (on sound), Corey (video) and Penny and Carly (lighting) - what a great bunch of volunteers, along with Simon and Brett managing the bar with others, and of course our fabulous committee who set up, man the gate, sell raffle tickets and help out wherever needed, and then pack up it all up at the end of the night. All for the community.

Artist-in-Residence

Tyler Arnold and his partner Elena (Lenny) Larkin from Melbourne are the Artists-in-Residence at the Station for the months of December and January.

They have settled into the Station well and have already been shown some great hospitality by the local community. Tyler and Lenny are often seen on the roadsides painting en plein air and will be showing their works at a wine and nibbles night towards the end of their stay on Friday 25 January. Included in their exhibition will be the painting of Tyler had recently currently on show at the Art Gallery of WA as a finalist in the Black Swan Portrait Prize titled *Self-Portrait in a Blue Singlet*.

Please keep an eye on the weekly Bulletin for further information regarding residencies, workshops or any changes to schedule - or contact Artist in Residence Coordinator Marylou on 9647 1027 / 0427 085 511 or email: hutchinson@wn.com.au

Artists in Residence Programme for the remainder of 2018 and beginning 2019:

December - January: Tyler Arnold and Elena Larkin (Victoria)

February-March - Carollyn Thompson - who has been in touch and during her two-month stay will be offering:

2) Drawing /Life Drawing

Wednesday nights 6.30pm - 9.30pm (Drawing all sorts and life drawing if we can find a model).

6x3 hours- \$450 All equipment and paper supplied. Pay for all 6 workshops and get the 7th lesson Free.

3)FREE: Years 10, 11or12 Students Art Mentoring- Saturday mornings 10.00am-12noon. (If you know of anyone who has a child who is doing years 10, 11 or 12 at school doing art and would like some tuition, Carollyn is happy to help them work through it.

If you are interested in doing any of the above, please contact Carollyn on 0421 523 464 to confirm and get payment details. Space is limited to 10 so please register asap.

Also, Carollyn is investigating the possibility of doing **Swing Dancing** on Friday or Saturday nights. If anyone knows of anybody who has ever done Swing dancing she would love to hear from them to set up a space for them to come together to dance to great Swing music. No cost except if she can organise an instructor. Although to invite a couple of instructors we would have to get a big group to be able to cover their costs. Ph: 0421 523 464.

Mark and (Whiskey and Boots) have sent us the final video of Beverley Bystander from Fionn the filmmaker and are happy to share it with us all. <https://vimeo.com/305380271> These video clips are also being played at the CRC so if you're at the Cornerstone building you can view them there also.

Community Engagement

Lyme Disease Association of Australia

The number of people who are being hospitalised with tick bite symptoms in Queensland is on the rise.

Statistics from the office of state Health Minister Dr Steven Miles showed tick bite hospitalisations had more than doubled in the ten years since 2008.

In 2008 just 59 patients were admitted to hospital in Queensland after coming into contact with a venomous Tick. This number increased to 129 in 2017-18, according to data provided by the Health Minister in response to a question on notice in the state parliament.

A recent research paper out of the University of Queensland has sought to identify and characterise the habitats and habits of different ticks in Australia.

Lead by Professor Stephen Barker and Dayana Barker and published in the journal *Microbiology Australia*, the paper explained that, out of the 71 ticks found in the country, only two were "notorious" for biting humans.

These were the eastern paralysis tick, found on Australia's east coast, and the kangaroo tick, found in some parts of outback Queensland and Western Australia.

While the kangaroo tick could carry disease-causing bacteria, the eastern paralysis tick had an incredibly potent venom.

"The toxins of this tick seem to be the most potent of all tick-toxins with at least 20 fatalities," the report read.

"Thankfully, deaths from the bite of [the eastern paralysis tick] are now rare due to the advent of intensive care-units in regional hospitals and expert medical treatment."

Knowing what ticks lived where was a crucial part of combating tick-borne disease, Professor Barker said.

"We are trying to figure out why the distributions are so distinct," Professor Barker said.

"Perhaps a farmer was bitten and feels unwell, then if we know the location that's a key part of identifying the tick, and then what bit them."

LNP agriculture spokesman Tony Perrett said the spike in tick hospitalisations was "very concerning".

"It is essential that all Queenslanders take the threat of ticks seriously, especially farmers. "While not all ticks are a threat to humans, more work is clearly needed in managing tick populations and their impacts." (With thanks to Lyme Disease Association of Australia)

AGM

We hope that all our Playgroup members and families and the Beverley Community had a safe and happy Christmas and New Years! We're looking forward to seeing our friends again at Playgroup when we return on Thursday 14th February. We would love to see as many members as possible attend the AGM on Tuesday 5th February at 9am at the Playgroup Building, naturally children are welcome.

Christmas Party and Graduating children

The children loved our Christmas party and the visit from Santa, so many beautiful books for the children, thanks to Hollie and Carissa for organising. Special thanks to Santa for making the visit. We had 6 boys graduating from Playgroup to Kindy, they're all excited for 2019. Good luck to Cooper, Cai, Lachlan, Tate, Steele and Aton.

First Aid Course

It's with thanks to a grant from the Beverley Shire, that Playgroup was able to host a first aid course specifically for babies and young children at the end of November. Graeme, from Kids First Aid provided parents with the confidence and basic skills to assist our young children in an emergency.

Sun Safety...looking after your skin!

Us West Aussies love nothing more than getting outdoors and enjoying the abundance of sunshine that lathers our great state. A small amount of incidental exposure to sunlight, around a few minutes each day, is actually important for maintaining adequate levels of Vitamin D needed for strong bones, muscles and overall good health. Too much exposure however, places us at great risk of damage from Ultra Violet 'UV' radiation which potentially could lead to the development of skin cancer. We need to get the balance right!

Australia has one of the highest rates of skin cancer in the world mainly due to our very high UV levels. According to the Cancer Council of WA, at least two in every three people will develop some type of skin cancer before they reach the age of 70.

Of the three main types of skin cancer most of these people will develop a Basal Cell Carcinoma which is usually a small, slow growing abnormal growth found mainly on the upper body, head and neck. They don't usually spread far but if left can result in facial and body disfigurement. The next most common is the Squamous Cell Carcinoma often found on the lips, ears and scalp. These grow quicker and if left can potentially spread into the lymph nodes of the neck and then to other parts of the body.

The last and most dangerous type is the Melanoma which accounts for about one to two percent of all skin cancers. It can be found anywhere on the body but is mainly on the upper back of men and lower legs of women. It is an aggressive type and if left untreated can spread quickly to other parts of the body and potentially be fatal! It was estimated that this year alone there will be over 14,000 new cases nationally of Melanoma skin cancer detected, with over 8,500 of those men.

By spending more time in the sun, we inevitably place ourselves at an increased risk of skin damage and potential skin cancer. Taking measures to be sun safe should be part of our daily routine especially if we are involved in outdoor work! It's important to remember that the UV levels can still be high even on a cool and cloudy day.

Following these simple tips will get us well on the way to being sun safe ...

- **Cover up** with appropriate clothes
- **Use sun screen** (don't forget to reapply often)
- **Wear a hat** (the broader the better)
- **Seek out shade**
- **Wear sunnies** to protect your eyes

Early detection is always the key. Check your skin regularly all over for any unusual spots or growths (get your partner to help!). You can visit the Cancer Council of WA website for information about what exactly to look for and don't hesitate to get anything of concern looked at by your doctor. An annual skin check with your GP or at a reputable skin clinic is also a good way to keep track of any changes or developments.

BEVERLEY REAL LIFE CHURCH

50 HUNT ROAD

Service starts every SUNDAY at 10.00am
and we share lunch afterwards
ALL ARE MOST WELCOME!

CHRISTMAS AT REAL LIFE CHURCH

We had the pleasure of distributing 6 Christmas hampers to needy families of Beverley just in time for Christmas, and they were very warmly received.

Christmas was brought to The Lodge in Beverley and Beverley Retirement Village by members of Beverley Real Life Church in the form of Christmas Carols and cards – a merry time was had by all!

Beverley Real Life Church hosted a lovely Christmas lunch on the 23 December and we had a blessed time of fellowship and celebration of **Jesus – The Reason for the Season!**

Some of our dedicated and amazing ladies of Beverley Real Life Church have been providing nourishing lunches each week, for the past few months, to Beverley Primary and High School. The Church supplied a delightful Christmas Party which gave much joy to all the children on the last week of school.

BEVERLEY SCHOOL CALENDARS

Beverley Primary and High School has produced beautiful 2019 Calendars which are available to purchase for just \$5.00. All proceeds go towards supporting the school so do look out for them when you are shopping around town! You'll see some of "the locals" featured in it too!

Wishing you all an exciting 2019 from Beverley Real Life Church - Be Very Alive!!

Our Pastor continues his rock solid, Bible based preaching every week, when we don't have a visiting speaker, so it's ALWAYS worth dropping in to a Beverley Real Life Church meeting!

"The one who blesses others is abundantly blessed; those who help others are helped."

BEVERLEY FOOTBALL CLUB

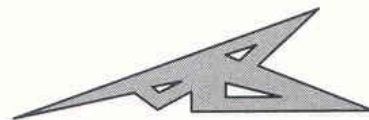

Welcome to 2019 at the Beverley Football Club. We hope that you have all had a relaxing Christmas and New Year period with your friends and family!

We would like to thank all those involved in the football club community crops. We greatly appreciate the effort you have put in throughout the season to provide important fundraising for the club.

The Beverley football club is pleased to announce that we have appointed new coaching staff for the 2019 season. Our league coach is Harry Sinclair who has been playing for the club and is now going to embark on a playing coach role for 2019. Harry is a physiotherapist who has previously played at Claremont football club, along with coaching positions at Subiaco juniors and Scotch College. We look forward to having a fresh face coaching the side in 2019. Our A Reserves coach for 2019 is Mark Bickley. Mark has been involved with the club for many years playing both league and A Reserves. He is also a tireless committee member and we look forward to seeing Harry and Mark working together for our club in 2019.

Please keep an eye out on our Facebook page for information regarding pre-season training.

Chris Boladeras Memorial Trophy and Christmas

The annual Christmas wind-up was held in conjunction with the Chris Boladeras Memorial Trophy for the Mixed Handicap Doubles on Sunday 16 December 2018.

Unfortunately due to the Kokeby fire, several members had to withdraw from the competition on Sunday morning to fulfil their important volunteer duties. The captains handled it very well and quickly did a re-draw on Sunday morning. With 21 pairs we managed to take to the courts (a few ladies grew a beard and swapped their skirts for shorts!!) to play some smashing tennis in very trying conditions. The wind did not let up, but neither did the competition.

The winners of the Junior Group were Abbey Cooke and Grace Fisher.

The Senior Group grand final was played out with Deb Roediger and Graeme Lewis taking on Carissa Shaw and Rob de Gruchy. The match was fantastic quality with Deb and Graeme narrowly coming away with the trophy, winning 6-5 in overtime.

Best Christmas attire was hotly contested but was deservedly awarded to Sally Kilpatrick and Rob de Gruchy.

A BBQ dinner with the best display of salads you've ever seen was enjoyed by all. The President handed out the ice-creams to the kids, while the adults all saved room in their sweet-tanks for Deb Roedigers famous pavlova!

Thanks to Rob de Gruchy for the courts and Christmas Tree, to the Captains for a great tournament and to Richard Boladeras for his continued support and sponsorship.

The committee is hoping to have some Friday night tennis throughout January so please keep an eye out on Facebook. Sunday social tennis will commence later at 4.00pm. There will also be a busy bee to do some maintenance around the club in January.

The next tournament is the WFI Switch Up in February 2019.

The committee wishes all its members and supporters a safe and Merry Christmas and a Happy New Year.

See you on the courts in 2019!
