Local Men's Shed members visit the Beverley Ag Museum

On Tuesday 26 March 2019 saw a visit from members of the local Men's Shed to the Agricultural Museum at Avondale. Many thanks go to John Islip and Avondale Executive Liaison Officer Mandy McLean for arranging the visit and to John for driving the community bus.

John Alexander opened up the Museum and gathered interesting information from the visitors, many of whom had previously been involved with Avondale and had carried out volunteer work at the Museum with restoration and maintenance of the collection when the property was run by the Department of Agriculture.

One of the group, Barry Ferguson, who also has a prized vintage collection at his house in town, proved to be an excellent source of information for the visitors given his past life when he sold tractors for a living.

Richard "Bolla", who volunteers at the museum maintenance day on the third Saturday of the month, decided the John Deere needed a de-cobweb with a long overdue start up. Either a case of she deciding it was her day off, or Richard being a little older than the last time they met and not being able to swing the external flywheel over fast enough by hand, this was not to be. No doubt the maintenance team will be taking a closer look soon along with other operating exhibits in the Museum.

The Men's Shed have recently started a monthly movie/documentary screenings. The public are welcome to attend. The groups first screening was in late April and it was the captivating documentary, Free Solo, which has been declared as "the best climbing movie ever made!" The next scheduled screening is the Australian classic, Sunday Too Far Away on Wednesday 15 May from 1pm - 3pm.

SHIRE OF BEVERLEY PRESIDENT REPORT - MAY 2019

Beverley Blarney and Social Media

The Shire is investigating the use of social media including a Shire of Beverley Facebook page. Council is reviewing the Social Media Policy to establish protocols for such use and are also considering if there are more effective means to make the Beverley Blarney available to community members and interested persons.

Swimming Pool Forum

Monday 13 May 2019 6.30pm – 8pm

The Shire of Beverley and the Swimming Pool Working Group are seeking feedback on the proposed concept design for redevelopment of the Beverley Aquatic Centre. Monday 13 May 6.30pm – 8.00pm. RSVP to Shire office 9646 1200 or admin@beverley.wa.gov.au

Town Hall Kitchen Redevelopment

Community members are reminded that the Town Hall Kitchen will be unavailable to use during June, July and August 2019 due to renovations. The Hall is still available to hire without the kitchen.

Roadworks and Plant Replacement

As per the 18/19 budget the New Holland 4055 tractor used for slashing, spraying and sweeping prior to bitumen sealing has been replaced with a John Deere 4066. Following inspection by staff and a Councillor representative the Case 410 skid steer has been replaced and upgraded to a Case SR175 which is fitted with an air-conditioned cab. The footpath in Edwards Street along the school's Kindergarten entrance has been replaced with a concrete path and a section of footpath along Forrest Street near the Freemasons Hotel has been replaced. The first cattle grid on Ski Road at Yenyening Lakes has been replaced and upgraded to Main Roads Standards. Budgeted roadworks continue around the Shire.

Local Government Elections

Saturday 19 October 2019

Local government ordinary elections are held in WA on the third Saturday in October every two years, the next local government ordinary elections will be held on 19 October 2019. Four Shire of Beverley Councillor terms expire in October.

Property owners are reminded that if Beverley is not their residential address on the State electoral role they will need to contact the Shire to be included on the register of Owners and Occupiers to be able to vote in the forthcoming Shire of Beverley elections.

ANZAC Services

Councillors Gogol, Brown and White and CEO Steve Gollan attended the School Anzac Service prior to the school holidays where Cr Gogol represented the Shire in laying a wreath. Councillors also attended the ANZAC Town Service where the Shire President provided an address and lay a wreath on behalf of the citizens of the Shire. Thankyou to Chris Mann who made the wreath and to organisers of the Town ANZAC services.

Agriculture Museum at Avondale Visitation Roster

Do you have a couple of days a year to assist with opening the Agriculture Museum at Avondale? The Museum came under the Shires control on your behalf when the Avondale property was transferred to the National Trust and will require the assistance of volunteers as it is redeveloped. There are various ways community members and interested persons can be involved. Enquires: Dee Ridgway M 0428 464 007 or Mandy McLean per the Shire 9646 1200.

Hunt Road Lighting Features

Low voltage lighting has now been installed to feature the aeronautical display on Hunt road and it looks fantastic. You might also be interested to know that when St Mary's Anglican Church (pictured below) has its lights on at night the stained glass windows are stunning.

Easter in Beverley

Another bustling Easter weekend in Beverley started off wet and cold, remained chilly overnight, but saw beautiful weather during the day for most of the weekend. There were an abundance of visitors to our town for the various events and attractions. Congratulations and thankyou to all involved, especially those volunteers who gave up so much of their time over the weekend.

Beverley GARDEN AND TREE SOCIETY

Our April meeting was held in the garden of the Dead Finish Museum and was attended by 15 members. This was a special general meeting to discuss the proposed updated constitution which was accepted unanimously.

A pre-Easter busy bee was organized for the 09 April in order to have the garden looking its best for the Easter weekend. Some of the plants in pots are in need of repotting and the broom bush needs trimming plus a general tidy.

The month of May means a cooling of temperatures and shorter days. It's a great time to get out in the garden and prepare your yard for the cooler days ahead with our May garden tips.

Shrubs, Trees & Climbers

- ✎ Prune fruit trees ensuring you don't remove next year's fruiting spurs
- ✎ Prune and thin out climbing roses and deciduous trees
- ✎ Start planting bare-rooted shrubs and trees
- ✎ Prune Hydrangea stem above two plump buds and remove old branches at ground level

Bulbs, Perennials & Annuals

- ✎ Prune summer flowering perennials such as salvias, buddleia and daisies.
- ✎ Mulch flowerbeds
- ✎ Prepare new beds – dig over the soil, working in compost and spread with a protective layer of mulch
- ✎ Now is your last chance to plant winter and spring flowering bulbs
- ✎ Divide out evergreen perennials – lift them from the soil, divide at the roots and re-plant into well-conditioned soil

Tubs & Containers

- ✎ Plant strawberries in hanging baskets and pots
- ✎ Plant Hyacinths and Tulips in tubs and pots for spring flowering
- ✎ Reduce the amount of water given to any indoor potted plants

Lawns & Hedges

- ✎ Apply a slow release fertiliser to give one last boost before the growing phase slows and to provide food over the cooler weeks and months
- ✎ Repair any bare patches
- ✎ Treat any weeds and pests to stop them from taking over during the colder weather
- ✎ Aerate any compaction soil and apply lime if the soil is acidic – complete a soil pH test to determine
- ✎ Trim hedges to keep them compact and bushy from ground level
- ✎ Gather any fallen leaves and use them for your compost bin

Top tip for your May Garden

May is a great time to make new plants from cuttings. Just take a 10cm cutting from hardwood herbs such as bay and rosemary – remove the lower leaves, dip cuttings into hormone powder and plant in small containers of premium potting mix. Keep the cuttings slightly moist and shelter from strong sun and wind.

Next meeting

Tuesday 07 May at the Dead Finish at 10.30am.

There will be a Bring and Buy table then a visit to local gardens.

BEVERLEY HISTORICAL SOCIETY

We hope that everyone had a lovely Easter break and that all our visitors enjoyed the Tennis, Art Exhibition, Dead Finish Museum, Markets, Avondale, Visitor Centre that Beverley had on offer.

Be very you

A MOTHER'S POEM

by Christine Saucier Rodriguez

For those who have lost their mother's

**And are feeling down and blue;
Close your eyes and think of her
She's smiling down at you.**

**Our memories never fade away
She's in our heart's in every way;
A wink, a kiss, a hug or two
She always knew just what to do.**

**You've grown, she's gone,
you are Mother now.**

**Remembering the smell of her hair
The naptime stories,
the bedtime prayers.**

**For all she has given you,
Is now yours to give.
Take care of your children always
And let them know they are so dear.**

**As my little ones whisper,
sweetly in my car.
"I'm scared I'm gonna lose you Mum",
with big brown eyes and tears.**

**I close my eyes and catch my breath,
and say softly to their ears,
"I hope this never happen,
but baby if you do,
close your eyes and remember me
I'm smiling down at you."**

***Beverley CWA would like to wish
all the mother's of Beverley a very
Happy Mother's Day***

THANK YOU AND GOOD BYE ELAINE

We recently said farewell to one of Beverley's most dedicated volunteers. Elaine McCasker has sold her home in Harper Street., and is moving to a unit in Mandurah.

Elaine came here from the West Kimberley where she lived and worked for many years. Her husband was killed in a work related accident and the rearing of her nine children became Elaine's life.

She worked two jobs but found time to be the score person for the Derby cricket team for many years. As her family grew up and went their ways she moved to Fitzroy Crossing where she worked for more than ten years.

Nineteen years ago Elaine had two hip replacements and came to live in Beverley. In the last nineteen years Elaine has worked tirelessly for the RSL, when she wasn't cooking sausages, she would be knitting beanies and scarves for the troops overseas.

HACC took one day a week where she volunteered as a helper and knitted for the different activities.

The latest thing they did was to knit or crochet hundreds of poppies for Armistice Day. You may have seen them at the Cenotaph and hanging on the RSL hall recently.

Elaine is a tech head and spent several hours in the early hours of the morning keeping in touch with her children, grandchildren and great grandchildren.

In moving to Mandurah she will be much closer to her family. Whilst we will all miss her we wish her the very best and hope she finds some card playing friends.

Beverley Toy Library

Thank you to everyone that came and joined in the fun of Storytime and the reopening of the Toy Library last month.

PHOTOS ABOVE: The purpose-built Toy Library room in the Cornerstone Building all ready for the opening. The kids had so much fun playing with a whole roomful of colourful balloons and checking out all the toys available for loan.

We'd love to see you at the town Library in the Cornerstone building for the next meeting of the Beverley Toy Library. You're welcome to browse our toys, sign up as a member and borrow a toy or three. Membership for the remainder of 2019 is just \$20 for families (\$10 for concession card holders and grandparents).

The next Toy Library day is: **Tuesday 14 May at 9:30am**. Please note there is no Storytime on this day. Storytime for May is at the school library on Wednesday 22 May for the national simultaneous Storytime.

WHY ARE BEES SO IMPORTANT TO SAVE?

We often hear about the serious threats to worldwide bee populations and how this is a danger to our food security, but how about our indigenous bees? Australia has over 1600 identified species of native bees varying in size from a tiny 2mm to an easily visible 24mm.

What do bees need?

- ⇨ A food source
- ⇨ A water source
- ⇨ A safe nesting area
- ⇨ Protection from pesticides/insecticides
- ⇨ Protection from new pests and diseases through biosecurity measure

What can I do?

1. Get to know your native bees
Learning some basic information about your buzzing neighbours will help you to understand how you can help out.
2. Avoid using pesticides

Easter at the Agriculture Museum

The sudden cold snap may well have contributed to the low turn out of maintenance volunteers at the Museum on Easter Saturday.

John Alexander arrived to find Duayne already trimming low hanging branches in the car parking areas; together they gathered up the pruning's and added them to the growing bonfire pile in the picnic area, and although it seemed like hard work at the time, the reward was not feeling the cold!

Efforts inside the Museum were concentrated on improvements to the workshop area with new soap and towel dispensers fitted and a disused white board erected for recording 'on-going projects' to give eager maintenance volunteers information on what work was available.

John continued with the new information displays while Duayne spent time working on the John Deere that Richard 'Bolla' had previously tried to start at the Men's Shed visit.

As Easter was an Open Weekend for the museum, from 10am there was a steady stream of visitors, many calling by on their way home from attending the busy Saturday Easter activities held in town; in fact the closing time of 3pm came and went with interested parties still wanting to view the vast collection.

Visitation on Easter Sunday was steady and participants were able to enjoy the "cuppa and cake by donation" fundraising and sit outside in the warming autumn air listening to the sounds of nature.

Monday's visitors included a large group of 24 family and friends from Perth who were treating visiting relatives from India to a day trip in the country which incorporated Avondale on their way home.

The Beverley Ag Museum is always looking for volunteers, the Museum holds its 'Open Days' on the third weekend of the Month and on the third Saturday morning our maintenance crew attend to the machinery, ongoing restoration and at various times during the year, weather permitting, some farming activities.

PURPLE BENCH PROJECT

By the time this article is published, you may have noticed a distinct purple bench in the main street of town. What is this about?

The *Purple Bench* acts as a stark reminder that **as a society we can make a difference**, with both little and large steps to raise public awareness of Domestic and Family Violence. Changing public perception of violence against women and children in particular requires a commitment from all levels of government and the community at large. The Beverley Shire have shown their support for this initiative by approving for the existing bench situated on Vincent Street, Beverley near the railway gravel carpark, to be painted a very distinct shade of purple.

The presence of the *Purple Bench* in this location is to raise public awareness and provide the opportunity for this important issue to remain visible as well as providing a physical place to reflect about the important work achieved to date and how we can move over the next generations to **bring an end to domestic and family violence**.

Why Purple? In Nova Scotia, Canada purple benches are located in public places to honour the memory of women murdered by their partners and to provide help numbers for people experiencing Domestic and Family Violence. They are known as Barb's Benches and were launched in 2015 to mark the 25 year anniversary of the murder of Barb Baillie by her husband.

Purple is associated worldwide with the Domestic and Family Violence awareness movement.

The Women's Council for Domestic and Family Violence Services (WCDFVS) was established in 1977 and represents 64 Women's Refuges and domestic and family violence services in Western Australia.

The WCDFVS is a state-wide peak organisation committed to improving the status of women and children in society. They seek to ensure that all women and children live free of domestic and family violence (DFV).

Their role is to provide a voice on domestic and family violence issues that facilitates and promotes police, legislative and programmatic responses relevant to women and children who have experienced DFV.

Beverley District High School

Independent Public School

Successful, Supportive, Sustainable

For more information about the school, visit our website and Facebook page!

BDHS OPEN AFTERNOON

The school held an open afternoon for parents and community members to come inside the classrooms and school grounds to see what has been happening in 2019!

We would like to thank everyone who was able to come along. Thanks to our School Board and P&C who made sure that everyone had a sausage sizzle in hand.

Our families were great sports in being a part of the 'SPARK Selfie Competition'! It was hard to pick a winner, but congratulations go to the Farr family on their great set of selfies!!

BDHS ANZAC Service

ANZAC DAY
Let Us Forget

Beverley District High School hosted the school ANZAC Service on 11th April 2019. The service is always an important experience for our students in remembering and honouring those who fought for our country in battle. We would like to thank all of the special guests and community members who attended to help our students recognise the importance of such an event. Thanks to William Thompson for his informative address about military and Anzac Day protocols and traditions.

Our Student leaders did a wonderful job in the running of the service. Thanks to the school choir for their performance led by Mrs Kellie Shaw.

We would like to thank all of the families and community members who attended our service and those who donated such beautiful flowers to allow our students to participate in making the wreaths each year as part of the ANZAC Day learning experience.

SECONDARY CAMP

Our secondary students, accompanied by Mrs Morrell, Mrs Wallis, Mrs Nunn and Mr & Mrs Hawke, went to camp in Albany this year. They enjoyed five days of sightseeing, physical challenges and plenty of fun.

Our students visited the National ANZAC Centre and then enjoyed exploring the relics of battle equipment on display.

The students spent a day in Denmark cruising along the river and at Denmark Thrills Adventure Park. They enjoyed the physical challenges of high ropes, zorb balls and ziplines!

The students had an amazing time exploring Albany and surrounds! There was plenty of time spent exploring the Wind Farm, the Natural Bridge, the Blow Holes, the Amity, the Field of Light and local beaches. There was also plenty of time for ten-pin bowling, gelato, movies, dinner at Rustler's Steakhouse, and games at camp!

AUSTRALIA'S BIGGEST MORNING TEA

Australia's Biggest Morning Tea will be held on the 10th May at the **Town Amenities Building 10-12noon**, in conjunction with a performance by the school Choir and the **Faction Cross Country day**. This event raises funds for the Cancer Council. Everyone is welcome!

Academy Plate Tennis

Beverley DHS had two teams representing our school at the Academy Plate Schools Tennis Tournament. One of our teams took out the trophy for our zone and earned a position in the finals held in Perth. This team of students played hard and with great sportsmanship in the finals. Congratulations to all of our players.

TERM TWO - SAVE THE DATE

- April 30th – Day 1 of Term 2 for students
- May 10th – Faction Cross Country & ABMT
- May 13th – 23rd – NAPLAN Testing
- May 31st – Interschool Cross Country (Beverley Town Oval)
- June 21st – Winter Carnival (Brookton)

THE WORLD'S GREATEST SHAVE

Beverley DHS is proud to support the fight against Leukemia in raising funds through the World's Greatest Shave. This year we not only held 'Crazy Hair Day' with plenty of coloured hairspray, sparkles and crazy dos, we had a group of brave students who volunteered to shave their hair.

As a school we raised over \$1600 toward this worthy cause! Thank you to everyone who supported our students. Another big thank you to Mrs Bickley and Mrs Doyle for doing such a professional job in shaving our students' hair!!

KPP EASTER HAT PARADE

It's that time of year again! Our Kindy and Pre Primary was full of Easter bonnets as friends and family gathered for our annual Easter Hat Parade. Our KPP Committee and KPP staff hosted a hugely successful event and our students had a very special morning! What a great Easter treat!

EASTER VISIT

Someone extra special hopped into Playgroup on the last day of Term, any guesses who?

That's right! The Easter Bunny made an early appearance to help the kids round off a fun filled first term. The home-made Easter baskets, created the week before, were full to the brim with treats left by our special visitor. You can just imagine the excitement! Hopefully our Mums and Dads got to share some of the loot.

It has been a busy first term and we are looking forward to seeing everyone after a little break. Playgroup is back on May 02 and we already have plans for a special Mother's Day morning tea on the 09 May. So please save the dates. The weekly fee of \$4 has been reduced again for Term 2, we ask only that you bring a gold coin donation to go towards tea, coffee, and art and craft supplies.

We are excited to announce that Playgroup has a new President. Cara Hammond has taken over the role from Sharlee Higgins who has stepped down due to work commitments. The Committee would like to thank Sharlee for her hard work over the years and welcome Cara to the role.

Playgroup is open every Thursday during the School Term from 9.30am to 11.30am. We are located at the Playgroup Building within the School Grounds on Lennard Street. *Note that there is no playgroup on the 18 and 25 April due to school holidays.*

All babies / children 0 to 4 years and their caregivers are welcome, and of course that includes Dads, Grand Parents, Aunties, and Uncles etc. Please feel free to pop in for a cup of tea one morning to see what it is all about.

Remember, Mother's Day Morning Tea Thursday 09 May.

PLAYGROUP SESSION DETAILS

Easter Art Exhibition

By all accounts the 51st Art Purchase Exhibition can be deemed a success. It is a testament to the passion within the committee of volunteers and the community who have stood by us that we have continued to make art accessible to everyone. There were some wonderful works displayed of which 28 were sold. Although down in entries, I think all would agree that the lesser number than usual made for a much better exhibition. The judges this year were Camilla Loveridge and Berenice Rarig, both well renowned in the professional artworld, and they were very impressed with the overall show. The Official Opening was well attended (around 180) and it was great to see almost all the prize winners there to collect their prizes from Shire President Dee Ridgway. The *Beverley Art Prize* valued at \$5000 was won by Jennifer Sadler with "Wheatbelt Views"- a very worthy winner as the encaustic work was begun in Beverley when she was here as Artist-in-Residence last November. The most popular painting of the show judged by the public was the "Back Paddock Glory" by Greg Tothill. Although the most expensive piece in the exhibition, it was sold early on opening night oil painting and could have been sold twice more which is an indicator of just how beautiful it was.

Our exhibition secretary Joey has submitted the list of prize winners elsewhere in the Blarney. Congratulations to all prize winners, including Nina Jones, a new name to be added the Local Artist Award shield displayed at the Shire.

Beverley Station Singers

After a three-month break the singers met for a day-long session on Sunday 07 April, breaking for a share lunch. It was great way to find their voices again in readiness for the usual Wednesday session on 17 April. After performing at ANZAC day the next practice is set for Wednesday 08 May.

Kelly directs the group on a monthly basis at \$50 per session, or \$105 for 3 months. Anyone interested in joining the singing group contact Sarah Miller 0427 464 078 / miller@reachnet.com.au or Tracey Fleay 0409 481 029 / traceyfleay67@gmail.com

Artist-in-Residence

John Kaye has been Artist-in-Residence this month, and will be here for May as well. Along with his wife Ann they have been such wonderful advocates for Beverley by opening the Gallery whenever they are in including all of Easter. They also helped with the setting up and packing up the exhibition. John is offering a workshop on mixed media/acrylic on Thursday 02 May for anyone interested, and only asks for payment by way of a donation to the Station - how generous is that!

Artists-in-Residence Programme 2019:

January: Tyler Arnold & Elena Larkin (Victoria)

February and March: Carollyn Rhodes-Thompson (Perth)

April and May: John Kaye (Perth)

July: Jan Pittman

September 10-23: Verena Marmion

September 24-8 October: Trish Davis

October 13-1 November: Lyn Nixon.

Please keep an eye on the weekly Bulletin for further information regarding residencies, workshops or any changes to schedule - or contact Artist in Residence Coordinator Marylou on 9647 1027 / 0427 085 511 or email: hutchinson@wn.com.au

Beverley Amateur Dramatics (BAD)

BAD takes a break now for a few months to recover from their inaugural performance on March 29 - and didn't it go off with a bang! Well done to Bruce Denny as director and Britt Hadlow as the driver of this first show which drew such an amazing crowd. We look forward to many more local performances.

The Cast of Beverley Amateur Dramatics Debut

Platform Theatre

The Big HOO HAA! was our final event for the season and now is the time we reassess this past year and with the help of the Focus Groups and following surveys that around 120 have completed, we hope to put forward the next season of events that will cover most people's tastes.

Calendar of Events for 2020:

One exciting event that has been formulated following Easter 2020 is a family show called "New Owner" by The Last Great Hunt. It is a brilliant play told through puppetry, live action and animation about a boisterous puppy who becomes separated from his elderly owner and whilst looking for his place in the big wide world learns about love, loss, and the happiness of finding your perfect home. Watch this space!

If any community group is looking to raise funds please keep it in mind that the Platform Theatre is available for events such as movie nights. With just a minimal hire cost of screen and projector, it makes for an easy fundraiser. If you would like to be included on the email list for notification of coming events (so you can forward to friends), email secretary Sarah Miller miller@reachnet.com.au

Community Engagement

FOCUS GROUPS and Platform Theatre SURVEYS

Thankyou to all those who attended the Focus Groups and completed the surveys that are still available for your comment till May 03 AND in doing so are in the draw for the fabulous prize of \$500 CROWN VOUCHER!

Volunteer Thank You

- ⊕ Shire of Beverley as the major sponsor of the Easter Art Exhibition and all other sponsors who so generously gave.
- ⊕ BSA Committee - for all the hours put in during exhibition week. Particular mention must go to our new exhibition secretary Joey Walter who without any art background was thrown into the job only a few months ago and has come out with flying colours. We are totally amazed at her administration skills and thank her so very much for joining the team.
- ⊕ BSA support crew for setting up the stands and lighting - and pulling it all down again at the end of show, unpacking paintings, repacking the artworks, tending the bar, sound and powerpoint presentation.
- ⊕ Chris Mann our fairy florist.
- ⊕ Jan George who as 'best local artist 2018' donated a delightful oil painting of hers as the raffle prize and to Chris Baker for framing the artwork.
- ⊕ All the artists for their dedication and support of the Beverley Art Prize.
- ⊕ John and Anne Kaye for manning the Station Gallery all Easter.

Beverley Station Arts Membership

Being a member will give you discounted rates for all events plus free entry to the Easter Art Exhibition Opening Night. The cost is \$30 for the first year and there after \$25 per annum. Your support will assist us in maintaining the venue and to continue presenting a variety of entertainment for your enjoyment. We look forward to seeing you at the events we have planned for this season.

To become a member of Beverley Station Arts Inc (Friend of the Station) please contact our treasurer Pauline Knight 9646 0946 for a Membership Application form and payment (NB cheques to be made payable to Beverley Station Arts) and send to PO Box 112, Beverley 6304.

Speech Pathology – Phone 9690 1321

- Services are provided at the Primary Health Building, on the corner of John and Forrest Streets, Beverley. There may be a waiting time for services.
- These services are provided by WA Country Health Service and are free of charge. (Please note that the Podiatry Service is a private practice and is not free of charge - there is a fee at first consultation but the WACHS/Beverley Health Service do not get involved in taking fee payments – only assisting at receiving the referrals for appointment. The Doctor's referrals are usually faxed to the service provider, Como Podiatry, who contact the patient by phone and make an appointment).
- If you have any concerns about your own health or your child's health and development, please phone the relevant health professional to discuss your concerns. Alternatively, you can speak to the Child Health or School Health Nurse, or your GP, to discuss your concerns and to determine the most appropriate referral.

Greetings and Salutations All,

Hope that everyone had a blessed and safe Easter, and that ANZAC day was a special day for all the families who have veterans that served in wars. We thank them for their service.

Mother's Day will soon be here, to all the Mums in Beverley the CWA wish you a magnificent day filled with love and family.

The CWA hall is a welcoming venue for functions, why not consider using our facilities to host your next event.

April was a busy month and the CWA have started receiving some bread ties from the community, keep them coming please. This project is a joint venture between several branches of the CWA it is a worthy cause and the more bread ties we receive will greatly help. All the plastic is recycled and the monies are donated to ensure people who need a wheelchair have one.

CWA Beverley Branch will be holding their next meeting on **Wednesday May 15 2019, 9:30am for a 10.00am start** please bring along a shared morning tea and lunch.

Until next time , Janet Bawden

For more information about the CWA please contact:

Drugs and Alcohol - Your Health & Wellbeing is at Stake

We promote the point that choice around our lifestyle is mostly up to us. While genetics, environment and the health system can also impact on our health and wellbeing, in the context of drugs and alcohol the choice is ultimately ours and the consequences of use and misuse are clear and so are the laws.

As a community we need to have an honest conversation on why people use and abuse drugs and alcohol. Some reasons are:

- Risk taking – as boys and men we are hard wired to take risks;
- Experimental and boredom;
- Peer pressure;
- Habit/addiction;
- Recreation – to have fun;
- To feel good and forget, to cope with difficult times in our life, to self-medicate and mask.
- The reasons are complex and varied and through our life we have been challenged and we will continue to be challenged.

Recent research reveals some alarming statistics around drug use:

- 46% of drug users use for fun!
- 54% of drug users used for self-medication.

Regarding using drugs for fun, surely there are many other things we can do that don't damage our body and mind (i.e. embrace and explore our passions and interests). The consequences of drug use are serious from several angles:

- The risk factor is extremely high for many illicit drugs, we may only have three chances with a drug before we are affected either medically and/or by addiction;
- Purity of the drug is unknown and varied (often we don't know what's in it?);
- Health effects can be permanent (psychosis);
- Many legal and financial implications for users;
- Relationships become fractured (conflict, violence, distrust).

With regard to self-medication, we need to acknowledge some of the *stuff* going on in our lives and some of the pain we may be suffering. Denial of this, exacerbated by drug use, and the shit will hit the fan. We need to talk about and ultimately deal with stuff in our life, not self-medicate.

Alcohol is our biggest societal drug of choice, there is a lot of literature and research suggesting how alcohol is dangerous to our body when misused. This usually focuses on the appropriate daily standard drinks consumption, links to various diseases such as cancer and then societal issues around binge drinking. On an individual level we need to work out if we can drink, and how do I behave when drinking (do I get angry and aggressive, take unnecessary risks). Because alcohol is a mood enhancer, we need to know what our safe limit is, have regular alcohol-free days and not use it to self-medicate (when distressed) but enjoy it.

The difficulty in life is choice, illicit and excessive use of drugs and alcohol is all our personal responsibility. What then can we do, as a society, about the misuse/abuse of drugs and alcohol? Primary care is standing up and saying "no, it's not all right" (culture). As a collective we can make a difference whether that is in the family, community group and/or workplace, you are not alone. As peers we can make a difference whether it be in the school, workplace or footy club by saying "no, it's not all right". We all have a right to a safe place!

Community Information from Beverley Voluntary Community Services Mal Roberts

The following information has been sourced from the ABC and GWN television channels on 09/04/2019. Broadly, it relates to: Royal Commission funding investigations. Witness statement re. Insurance and superannuation Consumer protection investigations, suggestions, advice Comments and advice from former treasurer Mr. Peter Costello on superannuation ACCC role re: Superannuation and national broadband network- their findings and advice to all consumers.

- 1) Superannuation- be mindful of smooth talkers. Check management fees, income protection insurance. Check superannuation statements regularly for fees and charges, and unemployment/disability/death cover. Check financial advisors fees and whether they are licensed and certified. Cases cited and portrayed on tv (some after 6-8 years) lost all their superannuation on fees and charges. In one case, unemployment insurance (direct debit) was deducted from the account ten years after the workers death. In other cases, workers paid into superannuation for many years- short term employment and the superannuation was paid into the fund. Mal Roberts was made aware of two cases where both workers lost over \$20,000 and the employers can't be traced. Expert advice- it is an offence for unlicensed financial advisors to give advice and apply charges. If so, report matters to both the consumer protection and the ACCC.
- 2) National Broadband- experts find that it is an offence to make false claims as the promising fiber optic connection (high-speed) on NBN or connecting to fixed wireless (similar to ADSL). Always check the information provided, compare the monthly rates and how much data you consume, what plan (limited, basic or unlimited) use. Ask questions also regarding connection fee to NBN and minimum period of contact. Does it include landline phone (rental or no rental) calls free or charged? The consumer experts and bodies suggest the monthly rate should be between \$50-\$60.
- 3) Very few of us are IT experts. It was stated that the laws on superannuation and NBN are so complex that even a lawyer may need legal advice from another lawyer.
- 4) Mal Roberts contacted two of Australia's top leading Telco's. The first telco answered a few basic questions on a basic NBN connection to Duffield St Beverley, monthly fee of \$70, low GB usage on a basic plan with no phone rental. They were unable to tell me whether the NBN was part of the optic fibre connection. I also reminded the sales rep of their legal obligation and that all advice and information must be confirmed to me by the telco to my email address. After that, I gather that I was seen as a hard customer and I have not heard from them in 2 weeks.
- 5) On 10/04/2019, I phoned the 2nd biggest telco. The consultant gave me a thorough explanation as to how the NBN works (location, zone, postcode, maps, and streets) How far from fibre cable, and possibility of fibre connection at this point in time to Beverley- was not scheduled. Fast and fixed wireless, unlimited GB is possible, not as many GB in speed. \$99 connection fee, \$59 p/m plan fixed for 18 months, then no connection fee, free phone line rental. If connection fee paid, then I can pull out at any time. No plan as such. A complete comprehensive plan, info confirmed my discussion and then so video email to me. This info is a guideline only- it is not advice. Contact your own telco of choice and ask relevant questions. There are huge penalties for Telco's who give false or misleading information (according to consumer protection commissioners).

In summary Superannuation- if one gets laid off are they covered with income protection insurance? If the policy covers disability and death- some policies cost \$680/pa management fees (as cited on ABC) unemployed but received no income. NBN- what sort of connection can you get from Telco's in Beverley, what is the installation feed, monthly plan and GB allowance? Get expert advice from qualified people.

NB- BVCS do not advise.

We present it to you the reader to decide.

Do no act until you receive professional advice?

Windows 10 Updates

Windows 10's Forced Updates to be Abandoned.

Microsoft announced in April that beginning with Windows 10 version 1903, to be released in May, Windows 10 will no longer automatically install the major feature updates every six months. Also, Home users can pause minor updates. Windows will even let you pause minor updates after checking for them!

A big change. This is Microsoft's biggest change in Windows strategy since they released Windows 10. Microsoft is giving up on "Windows as a service" that automatically updates.

A Microsoft spokesperson explained "We will provide a notification that an update is available, and a recommendation, but it will be up to the user to initiate the update. All customers will now have the ability to explicitly choose if they want to update their device when they check for updates or to pause updates for up to 35 days."

What's changing with Windows Update? Starting with the May 2019 Update you will see a notification that the update is available when Microsoft thinks it's ready for your PC. However, it's your choice when—and whether—to install it. Windows 10 won't download and install it until you click "Download and install now."

When you click "Check for Updates" in Windows 10, you can choose whether to install the resulting updates or pause updates for up to 35 days. This was before only available in Windows 10 Professional.

This change also applies to minor security, stability, and driver updates. You can only pause these minor updates 7 days at a time, but up to 5 times in a row - a maximum of 35 days. I recommend taking all minor updates as they are important for PC security.

But still some automatic updates. Windows 10 will still automatically install a major feature update when the major update reaches "end of service." This happens after about 18 months. So feature updates will eventually be forced. Microsoft has promised to put more work into testing feature updates after some users had significant problems with two Feature Updates in 2018.

Are you tempted to update drivers?

Driver update software that is pushed at you in adverts on the Internet can be very dangerous.

See the full explanation below.

Driver Update Programs

I have had to fix several PC's recently that had been corrupted by "Driver Update" programs. One Windows 7 PC was so corrupted that an update to Windows 10 and a rebuild were needed – which would have been uneconomic. The customer bought a new PC.

What are drivers? Drivers are small pieces of software used to operate peripherals e.g. keyboard, mouse, screen, memory, hard drive, WiFi, USB ports, printers, etc.

How are drivers updated? In Windows (all versions) drivers are updated in the background, often without any notification. In most cases you are totally unaware that drivers are being updated, although sometimes they will be installed as a Windows Update. Sometimes manufacturer's driver update software will appear as a program, but in most cases drivers and their update are completely invisible.

So why do I need Driver update programs? You don't! If you suspect that a driver needs updating, **you should only get the update from Microsoft or the peripheral manufacturer.**

I see adverts for Driver Update software - why?

The vendors are exploiting the fact that driver updates are automatic and invisible – it makes you think "I have never seen my drivers updated" and thus prompting you to buy their program. Most driver update programs are malicious, deliberately corrupting drivers on your PC then offering to fix the issue for you – at a price! There are some genuine driver update programs, but they are unnecessary.

It is almost impossible to determine whether a driver update program is genuine or not, therefore my advice is **never** to install a driver update program – it may cost you dearly!

BIG ENOUGH TO DO THE JOB SMALL ENOUGH TO CARE

Partnerships lead to picture perfect Beverley health care

L-R - Anita Marzocchi, CHSP coordinator, Michelle Bauer HSM/DON, Marlene Willson (Beverley artist) and Larissa Atkinson, LHAG member.

Beverley Health Service has received a colourful makeover from local artist Marlene Willson following a partnership between the health service and the Local Health Advisory Group.

The partnership began with Michelle Bauer, Health Service Manager at Beverley Health Service, asking the Local Health Advisory Group how they could use art to make the hospital more welcoming and promote local residents in their artistic pursuits. Local artist Marlene Willson was recommended to liven up the walls of the hospital.

There are now 13 large, colourful paintings hanging throughout Beverley Health Service, including a lotus flower scene which the staff placed outside the palliative care ward so that patients can see it from their beds.

“The artwork has made such a difference to the hospital. It’s made it more homely for our five permanent care residents and helped us to move away from being a hospital for sick people. We offer more than that and care about how our patients and visitors feel when they visit,” Ms Bauer said.

97-year-old Stan Murray, long term resident of Beverley Health Service, was quite taken with the new artwork on the walls commenting that “they’re pretty good.”

Beverley artist Marlene Willson said she was delighted at being approached to hang her paintings on the walls of Beverley Health Service.

“I felt my paintings would give immense pleasure to the patients, staff and visitors and take the already caring and lively atmosphere of Beverley Health Service to yet another level,” Ms Willson said.

“All art can give a person joy at a moment’s glance and that’s why I continue to make and share my art,” she added

Beverley GOLF CLUB

On Saturday 06 April, Vice-President Terry Winfield welcomed members to the 2019 season. The season was then officially opened when Club Life Member John Donovan drove a tee shot from the 17th Tee.

Following the official proceedings, 17 players teed off in the **T-Bone and Sons** Ambrose-in-Three's event. The club would sincerely like to thank **Brian Tyrer** for his continued support of this event.

The winning team on the day was Darrell Hagan, Gavin Sazanov and Keith Hawkins with a nett score of 58 1/6. They narrowly edged out runners-up Paul Burns, Mike Carthew and Chris Lawlor who scored 59 2/3.

On Saturday 13 April we had 11 players compete in a Stableford event sponsored by **Darryl Sims**. Ken Bradley won the day with an incredible score of 45 points. His handicap isn't looking the same any more! Runner-up was Chris Lawlor who scored 39 points. Our grateful thanks go to **Darryl Sims** for his ongoing support of the club.

A field of 20 participated for the **Alan Hammond** Trophy event held on Saturday 20 April. The Russian Stableford scoring was a bit of a challenge at the start but all obstacles were overcome. The winning team was Ken Bradley and Chris Lawlor with a score of 78 points. Runners-up were Paul Burns and Mike Carthew with a score of 69 points. Thanks are extended to **Alan Hammond** for his sponsorship.

The **Diggers Cup** event was held on April 25. Many thanks once again are extended to **Lew Shaw** for his continued sponsorship of the valued Diggers Cup event. Also, on Saturday, April 27 the club competed in the first qualifying round of the Club Championships. This stroke round is sponsored by **Gavin Sazanov** who donated the **Always Green** trophy. Winners of both these events will be notified in next months Blarney.

New members are always welcome. Any persons interested in playing can join us on any Saturday afternoon throughout the winter. Tee-off is generally at 12:30PM. For further information you are invited to call Men's Captain Mark Kont on 0490 037 810.

Fixtures for May are:

Saturday 04	Garden Gnome Trophy -3 Stick Competition	Stableford
Saturday 11	Beverley Electrical Services Trophy (Arrange own partners)	Canadian Foursomes
Saturday 18	Belhus Trophy – Four Ball Better Ball (Arrange own partners)	Stableford
Saturday 25	John Donovan Trophy - 3 rd Qualifying Round Club Championship	Stroke

Beverley Netball Club

Well we had a great start to the season with a big turnout of players with lots of enthusiasm.

Unfortunately due to Pingelly dissolving and no contact from Brookton, we've had to find another alternative to continue playing. So as a club we've decided to join Northam, within their competition. We're lucky enough to be able to send one team across to play in the C grade. Hopefully we'll have a fantastic year and we'll see what happens next year but for now we're still going strong.

We also have Sam Fricker back as coach this year, so our training, fitness and skills will be top notch.

Also on Wednesday nights after training, we will be doing a social Fast 5 competition, so come along and be put into a team.

Beverley Ladies Golf News

Welcome to this edition of our news. We started playing golf on Wednesday 10 April in high temperatures. Only 3 brave ladies played 18 holes golf and the fixture was changed to Club Trophy. The ladies played Stableford and the winner was Glenys Collins 34 points, countback from Maxine Watts. Yvonne Hobbs also played testing out her new Ping golf clubs which really did not behave.

On Wednesday 17 April, 6 ladies played Stableford for **Delys Kilpatrick Trophy**. Many thanks to Delys for coming on board this year. Winner was Yvonne Hobbs with 35 points (her new clubs behaved), runner up was Glenys Collins with 33 points. Nearest to Pin on number 5 was won by Lyn Mactaggart. Congratulations to all winners.

Upcoming Fixtures

BEVERLEY REDBACKS HOCKEY CLUB

The 2019 hockey season is here with training kicking off on Thursday 04 April and the first game played in Northam on Saturday 27 April. Fixtures are still be finalised, so these will be published in the June Blarney edition. Trainings are being taken by the club's experienced players this year which brings a great balance of variety and knowledge to each session. It has been lovely to see some new and energetic players attending training and joining our team this season.

The Season Open Day was held at Bert Hawke Oval in Northam where the Association was lucky enough to have Hockey WA on board to run Junior workshops. There was also an official season opening over lunch with a special general meeting to pass the updated Rules of Association (Constitution) and By-laws and a green shirt umpiring program sign up and briefing. Thank you to the Avon Hockey Association for providing the lunch on the day and Northam Hockey Club for hosting.

We would love to hear from any new or past players that are keen to join our team this season. Hockey is a great sport for general fitness and we have lots of social events and laughs throughout the year!

The 2019 season is under way and the club had a fantastic start! Its been a while since all three teams got a win on the board and it was fantastic that it was the first game of the season. Fingers crossed this is signs of what is to come!

As we have had a long break to our next game, the boys headed down to Perth on the 13th for a scratch match against Wagin. The game was well attended and the Beverley boys walked away with a win.

Our next home game is Sunday 05 May against Cunderdin. We would love to see lots of members and supporters there to cheer us on.

The 2018/19 tennis season has now come to an end. The season officially ended on Sunday 14 April with our final event being the Championship Mixed Doubles along with the AGM and closing BBQ. Thank you to the committee who made sure that all of the events ran smoothly over the season. To our members, sponsors, and visitors we appreciate your ongoing support of our club.

Vale Brian Budiselik

The club sends our heartfelt and sincerest condolences to member Annie Budiselik on the passing of her husband Brian. Brian and Annie have been long time supporters of the club, and we were all deeply saddened by the news.

Championship Wrap Up

Sponsored by our great friends Paul and Deb Roediger the Championship competition ran throughout the second half of the season. Some great tennis was played, and the winners were:

Mens Singles Champion	Graeme Lewis
Mens R/Up Champion	Rob de Gruchy
Ladies Singles Champion	Narelle Bailey
Ladies R/Up Champion	Annie Budiselik
Mens Doubles Champions	Brett Shaw and Jonathon Walker
Mens Doubles R/Up Champions	Rob de Gruchy and Paul Roediger
Ladies Doubles Champions	Narelle Bailey and Carissa Shaw
Ladies Doubles R/Up Champions	Deb Roediger and Annie Budiselik
Mixed Doubles Champions	Narelle Bailey and Daniel Bailey
Mixed Doubles R/Up Champions	Carissa Shaw & Graeme Lewis

AGM News

Held on 14 April 2019, the Club adopted its new constitution and 2019/20 Committee. Thanks to outgoing Treasurer Valda Morton for her hard work over the last two years and to Committee Member Adam Smith particularly for his top work in our cropping department.

2019/20 positions are:

President – Graeme Lewis;

Vice President – Blake O’Meagher;

Secretary – unfilled;

Treasurer – unfilled;

Ladies Captain – Chantelle Meade and Ladies Vice Captain – Bec Smith

Men’s Captain – Brett Shaw and Men’s Vice Captain – Chad Vandenberg;

Committee/Bar – Ali Lewis;

Committee/Greenkeeper – Rob de Gruchy; and Committee – Damien Murray.

Members, if you are interested in the Secretary or Treasurer position please contact Graeme Lewis.

Easter Wrap Up

The 86th Annual Easter Tournament was a great success for the club. There was some fantastic tennis played and it was pleasing to see Beverley locals in the awards across the juniors and seniors and handicap and championship events.

Apart from a bit of chilly wet weather on Friday and a dodgy trailer on Thursday, the annual four day event went off without a hitch. There were 216 entrants and almost 700 tennis matches played.

It takes a huge team effort to run this tournament and we would like to thank the following: to our Match Committee; Carissa, Mandy, Aliesha, Rebecca and Kelly for running such a smooth tournament. To Rob de Gruchy for our amazing grass courts and the Two Bob Arena, to Ali for the kitchen co-ordination, Chantelle for trophies, Brett for the sundowner meal, Michaela for the sundowner decorations, DJ Sal for the sundowner tunes, Brendan Mclean as Chief Umpire, Bola for the early morning starts and toasties and finally to each and every member and volunteer who assisted and helped out with the busy bee, pack-up, office help, kitchen help, catering and serving, child minding, umpiring and support.

The club would also like to thank the Shire of Beverley, Beverley Electrical, Beverley Plumbing and Gas, Avon Transport and Turn It Up Electrical who helped us out with some last minute calls for assistance! Your help was greatly appreciated.

Lastly to our sponsors R & L Hiab, Plum Grove, Beverley Tyre Service, Boekeman Machinery Northam, Beverley IGA, Hotel Beverley, Beverley Bakehouse, Elders Beverley, Avon Trading, Beverley Country Kitchen, T-Bone Beverley and the Freemasons Tavern thank you for your generous support of our tournament.

Who's been out and about?

Serpentine 2DE (two day event) - 23 and 24 March: Jessamin Pain and Playboy completed the 45cm successfully and Tealah Hawke & Maggie placed 3rd in their first 65cm. The two days involved riding three different disciplines (dressage, show jumping and cross country) with an cumulative score at the end.

State Tetrathlon Championships at Dardanup HPC - 30 and 31 March: Emily Maxwell qualified for this event and competed against the best in the state and placed 2nd in the 60cm 13-15yrs and Jessica Maxwell placed 4th in the 45cm 11-12yrs. A fantastic result and reflection of all their training and fitness! So proud! This event involved running, shooting, swimming and riding a cross country course.

Avon Zone Show Jumping Runoffs at Mortlock PC:

Even though we didn't have any members enter for the zone event Tealah, Emily and Jessica all entered the open event. All girls used this as an opportunity to jump one comfortable height and challenge themselves with the height above. Jessica entered in the 60cm and 70cm and placed 6th on Eddie. Emily entered the 70cm and 80cm and got Peppermint around the 70cm but not around the 80cm. I was very

proud of how she handled the round and maturely realised that she is willing to jump higher, but her pony has reached her maximum height. Tealah entered the 80cm and 90cm and places 2nd in each.

Election Day at Beverley High School Sausage Sizzle and Wood

Raffle: On the 18 May the Beverley HPC will be at Beverley District high School selling snags, drinks and raffle tickets to raise funds to help us repair and rebuild our Cross Country jumps. We would love you support!

Avon Zone Active Riding Runoffs at Beverley HPC: Come on down to the pony club grounds (back of the sporting grounds) on Sunday 12 May and cheer on our Beverley Team as they compete against our Avon Zone teams.
