SHIRE OF BEVERLEY PRESIDENT REPORT - SEPTEMBER 2019

Local Government Elections 19 October 2019

All intending candidates for the forthcoming local government elections are required to undertake Local Government Candidate Induction online through the Department of Local Government, Sport and Communities website. Nomination information packs are available from the shire office. Nominations open on Thursday 05 September and close at 4pm on Thursday 12 September.

Town Hall upgrades

Stage Curtains have been installed and tracking replaced at the town hall. They look amazing and Beverley Amateur Dramatics' Bruce Denny and Mark Kont provided glowing endorsement about ease and quietness of operation. The kitchen refurbishment has been completed, transforming it into a compliant and modern food preparation area, also looking very smart. Replacement of the coolroom with bar fridges has created a better working space for the bar.

Town Hall Fig Tree

The large fig tree outside the Lessor Hall has been a concern for some time regarding damage should limbs fall due to the heavy canopy. Pruning could possibly have helped however the recent town hall kitchen renovations required installation of a commercial grease trap at which time very large roots were discovered heading under the Lessor Hall; this is significantly more of a concern. Council is proposing to have the tree removed and reinstate the area as a "breakout" space for the Lessor hall with the addition of paving and more suitable trees. Community feedback is welcomed.

Community Grants Recipients

Congratulations to the following groups who received funding in the mid-year Community Grants round toward various projects:

Beverley Mens Shed – table saw and compressor
Beverley Golf Club – connect power to workshop and machinery shed
Beverley Football Club – install wireless speakers and mic in Amenities building

Shire Stand at the Beverley Agricultural Show

Thank you to those who popped in to the Shire Marquee at the show, especially the youth looking at the skate park information. "Flythrough" screening of the Youth Activity Space, Vincent Street Urban Design Project, and Aquatic Centre Proposal was very popular. These can now be viewed on the following u-tube link https://youtu.be/10fml_y12SY which will soon also be added to the Shire website. As previously reported external funding will be required for implementation.

New Shire Boundary Signage Installed

The new Beverley welcome signage has been installed at Shire boundaries on all major roads. The signs encompass artwork from 3 of the town murals created by renowned artist James Giddy and incorporate the new Beverley tourism branding.

Roadworks

Work is due to commence on the road on the northern side of the new industrial blocks with installation of culverts and gravel sheeting. Gravel sheeting has been undertaken on Corberding Road. The graders have been busy around the shire over the last month. The oval has been tended to following the show.

Youth Activity Area Update

This project has received positive feedback within the community and from a meeting with Lotterywest representatives regarding funding possibilities. The Shire is in the process of preparing a grant application. Thank you to the dedicated group of local residents who are fundraising toward this project through the monthly Saturday markets and other catering projects. Council resolved that the Federation Square Gazebo would be relocated to the RV Friendly Park on the corner of Vincent and Lukin Streets once the youth project is funded.

Kinetic Sculpture

A beautiful kinetic sculpture acquired by the Shire has been temporarily installed in the lawn area between the shire office and post office. Built by local resident Grant Hobbs, it will be relocated into the pond at the tourist information bay once water levels subside in the summer.

Wildflowers in the Shire

Tourism Officer Jacinta Murray has been out and about photographing wildflowers in various reserves to assist in creating a brochure for a wildflower trail in the Beverley area. If you can help out with information please identify the site and email photos to Jacinta (tourism@beverley.wa.gov.au) or leave details at the Shire Office.

Avondale Farm Community Day Sunday 22 September 11am – 3pm

Save the date and come out to Avondale Farm on Sunday 22 September to see what changes have been happening and enjoy a family day with various activities planned.

SHIRE OF BEVERLEY NOTICES

SHIRE OF BEVERLEY – OMNIBUS REVIEW OF LOCAL PLANNING POLICIES

Pursuant to Clause 4(1)(a), Clause 5 & Clause 6 of Schedule 2, Part 2, Division 2 of the *Planning and Development (Local Planning Schemes) Regulations 2015*, Council at its meeting on 27 August 2019 resolved to give notice of its intention to review and/or revoke a number of Local Planning Policies (Policies).

The objective of the review is to update and align Policies with the recently Gazetted Shire of Beverley Local Planning Scheme No. 3 (LPS 3), and to revoke Policies considered to not align with LPS 3 and/or State Policies, as per table below:

POLICY NAME	PROPOSED ACTION	COMMENT
Street Trees & Streetscapes	Review and update	Revision to align with LPS 3
Car Parking Requirements	Review and update	Revision to align with LPS 3
Farming Zone Subdivision	Revoke entirely	Considered to not align with Shire of Beverley Local Planning Strategy, LPS 3 and WAPC <i>Development Control Policy 3.4 Subdivision of Rural Land</i>
Development of Industrial Zoned Land	Review and update	Revision to align with LPS 3
Building while residing on a block	Revoke entirely	Consideration to camp temporarily is governed by the <i>Caravan Park and Camping Grounds Act 1995</i> and <i>Regulations 1997</i> . The policy in its current format is considered to potentially create unnecessary expectations with applicants and can create undesirable precedents for the Shire, apart from creating potentially problematic compliance enforcement challenges.
Outbuilding Policy	Review and update	Revision to align with LPS 3
Relocated Second-Hand Dwellings & Repurposed Dwellings	Review and update	Revision to align with LPS 3
Town Planning Fees	Review and update	Revision to align with LPS 3
Tree Crops	Review and update	Revision to align with LPS 3
Patios and Carports	Revoke entirely	Already addressed as development not requiring development approval in Clause 61 of Schedule 2, Part 7, <i>Deemed Provisions of the Planning and Development (Local Planning Schemes) Regulations 2015</i> .
Anglo Estate Policy – Mount Kokeby	Review and update	Revision to align with LPS 3
Developer Contributions for Road and Footpath upgrading	Review and update	Revision to align with LPS 3
Signage	Review and update	Revision to align with LPS 3
Stocking Rates	Review and update	Revision to align with LPS 3
Heritage	Review and update	Revision to align with LPS 3

Submissions are invited on the draft revised policies with all comments to be submitted to PO Box 20 Beverley WA 6304, within 21 days of the date of this notice.

A copy of the relevant Policies can be viewed during normal business hours at Shire Offices 136 Vincent St Beverley. The following convention is used in the revision document: Sections indicated in *Red* text are proposed to be added to the Policies whereas ~~strikeout~~ text is proposed to be deleted.

For further details regarding this matter, please contact Shire Planner Stefan de Beer on 9646 1200 or planner@beverley.wa.gov.au.

BEVERLEY HISTORICAL SOCIETY

By the time this Blarney has been printed the Agricultural Show would have come and gone. The weather forecast is for very cold so hope everyone rugs up and all had a great time.

The local community put so much time into the preparation of the displays etc so hope that you all made an effort to browse and appreciate the work done.

Next month we have a very special announcement to make so please stay tune for the next Blarney.

We are also looking for someone that may be travelling via Perenjori to deliver a farm stencil either at the Shire or the Museum.

We attended a talk by Scott Whittaker at the CRC on Railway Hotels in Australia, very informative with lots of stories, enjoyed by the few that were there.

In the previous Blarney we had a request on the location of "San Remo" which we have been informed is Great Southern Highway, thanks for the responses.

Next meeting is Monday 09 September at 1.30 at the Dead Finish Museum.
New members are always welcome.

2019 Beverley Show Opening Address

Beverley Shire President Dee Ridgway

... "This year's show has the theme of "Pathways through Beverley" ... which can be reflected in many ways

Balladong noongars traversed the land for thousands of years

In more recent history the growth of agriculture has seen development of formalised pathways in road and rail.

Building of the train line from Perth to Albany via Northam supported a progression of inland settlements which saw Beverley as a terminus for several years where passengers stayed over before continuing by coach until rail lines met.

While agriculture has been and still is a significant feature of the district there are many small businesses in Beverley, some are on display today in the Big Marquee, which I would encourage you to visit.

Over the years Beverley's population has ebbed and flowed, and is currently on the increase, and with a whole of community focus on promoting the attributes we have there are a growing number of visitors and tourists choosing a road which brings them to this area.

Interpretation of the pathways of Indigenous Heritage and History, in a culturally appropriate way which can be shared with the wider public, is an important project to be developed.

For those whose journey today has brought you here from outside the Beverley Shire you may have noticed newly installed signs at the boundaries which encompass artwork from 3 of the town murals created by renowned artist James Giddy.

The signs also incorporate new Beverley tourism branding which was launched at the 2017 Beverley Show with a slogan of BE Very You. I am sure there are many aspects of today's Show which entice you to enjoy, explore, discover, and Be Very You.

"In closing, I would like recognise the Show committee and their helpers, especially Ag Society President Sarah Aynsley and the executive leadership team, for staging this year's Beverley Agricultural Show which I now, with great pleasure, declare Officially Opened."

Transfer of your Medical Records

Your Medical Records are the property of your current Medical Services Provider, this is the Medical Practice you are registered with, not the individual General Practitioner you may have been seeing. If you decide that you would like a copy of your medical records forwarded to a new Medical Service Provider you will need to obtain a " request for Medical information to be transferred form" from the new provider and have them forward it to your current MSP. Most Medical Practices charge a transfer fee to cover the collating of information by an administrator, paper or Disc and registered postage. This fee can vary from practice to practice.

The Beverley Medical Practice charges a \$30 fee for the transfer of your complete file this fee covers the cost of administration for file searching, collating, copying or printing records, the registered postage or courier fees and facilitating access with intermediaries.

Care outside normal opening hours

When the Beverley Medical Practice is closed you can always get medical attention by calling - ReadyCare 1800 225 523 or by attending the Beverley District Hospital, located in Sewell Street Beverley where experienced staff will triage the patient and contact the on-call Doctor.

THE BLUE LINE

Beverley Police Station

57 Hunt Road Beverley WA 6304 BeverleyPol@twitter.com

Email: Beverley.Police.Station@police.wa.gov.au

Well, I'm BACK. After 6 years I found my way back to this wonderful town and community and I feel honoured again to be the Officer in Charge of your local police station. It is really great to be back with my wife Christine and two young kids Charlie and Alex. After a few weeks back, it doesn't feel like we have been away at all.

Even though it has been 6 years since I last worked here, I have been keeping a close eye on what has been happening in Beverley and coming back regularly to visit the parents. So I know what has been happening in the town and what the issues are in town.

Let me say thank you to Sergeant Karen Gubanyi and Ian Connell for taking good care of the town whilst I was away. They have made my job easier coming back.

For those of you that don't know me, I have worked as a country police officer for nearly 18 years so I understand the dynamic of small county towns. So who are you getting? A tough, but fair police officer. If you are doing the right thing, then you will have no issues from me. If not, then guess what????

One of my main priorities is community engagement. In a small country town it is vitally important to be a part of the community. So expect to see police become more involved with community events (both on and off duty) and having a big visual presence around town.

Last month we had the Wheatbelt Community Talk at the Beverley CRC. Unfortunately due to late notice and time of the day, numbers were low. So I am looking at holding another event in which rural crime and security will be discussed. If in the meantime you have any issues on security you need to discuss, don't hesitate to contact the police station for more advice.

So while community engagement is high on my priority list, it still doesn't stop us from focussing on traffic and crime related issues. Our traffic work is important to ensure everyone gets home safely. And again if you're doing to right thing then you have nothing to worry about.

Again I am really excited about being here for the next few years and providing a quality policing service to the community. You will see me around town and I am always available to have a chat at any time.

CRIME STOPPERS

You could play an important role in helping to make Beverley a safer place by making a report on any knowledge you have of criminal activity or suspicious behaviour.

It's up to you whether you'd prefer to use our online report form or toll-free telephone hotline (**1800 333 000**). Aside from the personal satisfaction of knowing you've done the right thing, you may also be eligible for a reward of up to \$1,000 from Crime Stoppers WA if your information leads to an arrest.

BEVERLEY POLICE – HOW TO CONTACT US

If it's life threatening or an emergency dial **000**

For all other matters phone **131 444** or **9646 3333** (leave a message if your call is diverted)

If it's not urgent send us an email Beverley.Police.Station@police.wa.gov.au on twitter [@BeverleyPol](https://twitter.com/BeverleyPol) or drop into the station for a chat.

Please take care and stay safe.

Exciting times for Avondale Farm

Through the generous support of the Wheatbelt Development Commission and Lotterywest, Avondale Farm has undergone significant upgrades. To celebrate the National Trust is hosting a Community Day at Avondale Farm on Sunday, 22 September 2019 from 11am-3pm and we'd love to see you there.

Bring your friends and family and learn about what has been happening at this significant site. The Community Day will showcase Beverley and surrounding areas. Rediscover what is available on your doorstep, explore the known and unknown and gain a greater insight into Avondale Farm's significance and history. There will be stalls, site tours and nature walks, children's activities, music and more. You will be able to explore the agricultural museum and there will be a farm machinery display. With so many exciting things planned, come and celebrate at this free community day.

During the events formalities at 11.30am the Trust will highlight its three unique short stay accommodation cottages which will help build tourism opportunities in the region. The cottages are great for individuals, families, groups, educational groups and corporate weekend getaways. These cottages provide guests with an opportunity to reconnect with nature in this unique region of Western Australia's Avon Valley.

The community day is the perfect opportunity for you to see the seventy new signs that have been installed to help visitors navigate the property to find walk and drive trails, visit the agricultural museum and see key historical buildings. With new directional signage completed in conjunction with Main Roads and the Shire of Beverley you should have no problem getting to the site.

The National Trust is extremely proud of everything that has been accomplished with the community at Avondale Farm and looks forward to celebrating in September.

On the horizon – the Trust is working with Food Innovation Australia Limited and Noongar Land Enterprises Group to conduct a feasibility study to see if Avondale Farm can be set up as a bush produce research centre.

Stay up-to-date on Facebook facebook.com/NationalTrustWA/ or via our website nationaltrust.org.au/avondale-farm-community-day/.

The Avondale Farm Community Day is proudly supported by Lotterywest.

Accommodation bookings

The three fully furnished cottages will be available for short stay accommodation from late September 2019. Simply contact the Beverley Community Resource Centre at beverley@crc.net or call 9646 1600. Cottages sleep 5-6 guests.

Beverley Show 2019 Pathways through Beverley

WOW! Another amazing day for the Beverley Show.

A few highlights...and there were many...

- the big white marquee showcased our local small businesses and artisans
- exhibition shed was full
- the sheep and wool area drew crowds all day
- cattle had an impressive number of entries
- there was an amazing array of birds in the poultry shed
- the BMX display and musical entertainment was perfect
- the early years tent was a hit
- the free entertainment for kids kept everyone busy
- side show catered for big and little kids
- over 100 stallholders, including an extensive machinery display
- we finished the show with a bang...the fireworks always impress!

But most importantly, it brought our community together and welcomed new visitors to our town. It is no wonder our show is known as the best in the Avon Valley!

A HUGE THANK YOU to our sponsors, committee, community and volunteers.
Without you, it wouldn't be the success it is.

AGRICULTURAL MUSEUM

WATERHATCH RD, BEVERLEY

During the past month there was much activity surrounding the Beverley Ag Museum which is located in the heritage precinct of Avondale Farm. This follows Council endorsement of a Museum Steering Committee with membership comprising Deputy Shire CEO Simon Marshall, Shire President Cr Dee Ridgway, Avondale Executive Liaison Officer Mandy McLean and volunteers Duayne Haeusler and John Alexander.

Recent activity included a 'busy bee' where Shire workers were involved too, bringing with them not only lifting equipment but also some young muscles, enabling heavy items to be moved, old tree stumps ground and rubbish taken away to the tip. The colourful Avondale Banner was also relocated in the shed and raised to a height where it can be better appreciated thanks to the efforts of Shire staff and volunteers Pat and John A.

Various alterations to the displays are gradually occurring with new exhibits being realised and upgrades undertaken of the older ones; changes it is hoped that will encourage more visitors to view the vast collection and also encourage interest from new volunteers to assist in the maintenance, restoration, interpretation and presentation of exhibits.

Tour groups are beginning the return to Avondale as was the case in mid-July when Pat & John Alexander hosted a group of seniors from Perth. The group included many older ladies who had lived on farms in WA who enjoyed seeing some items that they and their husbands had operated many years ago.

Andrew Boekeman and Sam Moss from Boekeman Machinery visited recently, donating historic machinery manuals to the collection.

As usual our team of maintenance volunteers attended on the third Saturday morning of August; comprising Duayne Haeusler, Richard (Bolla) Boladeras, Eric Beer, John Hawke and John Alexander.

With the Avondale Farm Community Open Day approaching next month on the 22 September a few items from the collection were selected to be exhibited alongside modern counterparts being supplied for the day by Boekeman Machinery and Beverley Transport.

John H fired up the Fargo Truck, and after a few coughs and splutters the truck was soon outside having a wash down, before being driven the full length of the driveway to shake out the cobwebs.

Bolla got the Massey Ferguson Sunshine Harvester started only to hear it cough and then stop due to a fuel problem. After much deliberation and problem solving by the group it

finally was decided that the fuel pump valves were being held open by 'foreign matter', so the pump was removed for disassembly and cleaning "after hours".

Duayne and Eric continued efforts to install a pump for our workshop sink only to find several leaks, not very rewarding on a cold day.

Meanwhile John A (also on duty for the Museum Saturday opening) had several visitors to attend to; who were thrilled when Bolla operated one of the pedal propelled Sharpening Machines for them.

If you would like to find out more about the Ag Museum or wish to become involved as a volunteer, please **contact Dee Ridgway 0428 464 007 or John Alexander 9646 0768**

BEVERLEY BRANCH CWA

Hello Everyone,
Hope that you all had a fabulous August and enjoyed the show.

This month on 11 September at 2.00pm the CWA are hosting a Fashion show, why not come along and join in the fabulous display of fashions from Kings Park Fashions, I am sure all the ladies present will have a great time!

The CWA yearly conference was most interesting and a good time was had by all whilst they were informed about the future direction the West Australian CWA are heading.

We are still collecting plastic bread ties until the end of September if you would like them picked up just call Janet {phone number below} or drop them off at the CWA hall, you can leave them on the table outside and I will collect them from there. Many thanks for supporting the CWA help raise funds to supply wheelchairs. If you are looking for a venue to hold your function, please call the Booking Officer Janet Bawden (phone number listed below) and I will tell you all you need to know to secure your booking.

The Aim of CWA is to improve the wellbeing of all people, especially those in country areas by promoting courtesy, cooperation, community effort, ethical standards and the wise use of resources. It would be fabulous if you joined us and became a member of the CWA. Until next time,
Janet Bawden

Show Mural

A busy term is continuing for all Playgroupies! We had fun preparing our Show Mural and putting it all together. All the little ones worked hard – as well as building, riding, hopping and climbing in between it all!

Thanks so much to Emma Drapper for coming to playgroup and running some fun movement activities as part of the newly developed Jump Start program. It was a great turnout for playgroup on that day!

A reminder to all that 26 September is our last day of playgroup for the term and we will be resuming on Thursday 17 October.

Looking forward to a fun few more weeks before the break.

New Sounds from 101.3fm

Exciting things are happening at 101.3fm Voice of the Avon. Bright new sound insulation has been installed at this vibrant community station.

Outgoing committee president: Margaret Collins, volunteered many hours to write a successful grant application, together with valuable supporting sound assessment by Steve Ramm – the technical-expertise and audio guru from the Beverley Platform Theatre. And of course the funds were generously made available by the Community Broadcasting Foundation.

The CBF is a valued partner of community broadcasters who, every day, create important community connections. Each year, they grant funds to support community radio Australia-wide. Last year they granted more than \$16.8 million to help community media organisations communicate, connect and share through independent radio, television and digital media.

And for 101.3fm, that has means vastly-improved sound. Noisy traffic, and even rain on the metal roof, no longer intrude to drown-out voices of our volunteer broadcast team! The vivid red, yellow and biscuit-coloured panels make a far more inviting and professional studio environment; plus the bonus of better temperature insulation. It's an even greater pleasure to broadcast!

New Voices in Leadership

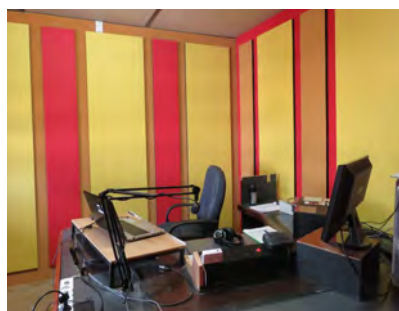

President Margaret Collins, and her dedicated committee, handed on the leadership baton at the AGM on 21st August. The outgoing team greatly enhanced the governance structure (and the building structure!) - both vitally needed - and set a strong foundation for progress. Thanks indeed to Steve, Christine and Lisa for all they willingly contributed to the committee.

Welcoming the brand new treasurer and committee members at the end of the AGM, was incoming president: Keith Taylor. Congratulations and thanks to the other new faces: Susan McCloud, Lesley-Ann Hoare and Peter Carlyon, together with the re-election of Chris Heaton and Rhonda Jackson. Keith transfers from sharing his extensive media experience in his role as Station Manager, to tackle a different aspect of station life.

It was exciting and very positive to see the hearty roll-up of members and listeners at the 101.3fm evening AGM. (and just an appeal to the valued members who have yet to renew...your support for the station is really welcomed and needed!)

The Voice of the Avon now has committee members from Beverley, Gwambagyne, Kauring, Spencers Brook and York. Expect to see even more outside broadcasts, fresh voices, new roles and opportunities at the station. And there will be keen focus on delivering even more of the kind of programming our listening community is asking Voice of the Avon to provide. 101.3fm will build on the enthusiasm, evolving skills and ideas, that have emerged from the bright blue studio building on the corner of Barker and Forrest Streets in York, in recent years.

Voice of the Avon is your community radio station – you're invited to be part of the station and stay tuned to 101.3fm!

DO YOU HAVE A CONNECTION WITH THE DALE COMMUNITY?

The Friends of St Peter's Church, Gilgering would like to extend an invitation to the descendants of the early European settlers of the Dale community together with other interested people, for a gathering at Gilgering as a day of remembrance and celebration.

Where: St Peter's, Gilgering (Great Southern Highway, halfway between York and Beverley).

When: Saturday 05 October 2019. Arrive at 11.00am for an informative session in the church at 11.30am followed by a BYO lunch (please bring a picnic chair).

See the newly restored church - St Peter's Church, Gilgering (1858) was the first church in the Beverley district (before the Beverley town was established) and the pioneering families in the surrounding districts visited St Peter's for services, social gatherings, christenings, weddings and funerals.

There are 103 names on headstones in the Gilgering Cemetery and 35 of these names came from the Dale area with the burial plots located in the south-west section. Unmarked graves are known to be in all sections of the cemetery.

We are looking forward to seeing you there and please feel free to pass this information to anyone else who may be interested.

Contact: Glenyse Broadbent phone: 9386 6160 email: stpetersgilgering@gmail.com

BEVERLEY HOSPITAL AUXILIARY INC.

Be Very Charitable

The AGM of the Beverley Hospital Auxiliary, held 22 July 2019, saw a change of two office bearers.

President– Glenys Lane

Treasurer– Jo Sims

Secretary– Jan Howell

The outgoing President, Sandy Shaw, gave her annual report (below)

BEVERLEY HOSPITAL AUXILIARY INC. ANNUAL GENERAL MEETING 22 JULY 2019

PRESIDENT'S REPORT

Welcome to the **75th Annual General Meeting** of The Beverley Hospital Auxiliary

The Hospital Auxiliary has had another successful year. Our committee now numbers 17 dedicated ladies behind the scenes in the Op Shop, collecting and sorting the donated goods, cleaning and organising the Shop and making decisions on how the funds will be distributed within the Beverley Health Service. As well, they represent our group at various community and Health Service functions. Jo Sims, Betty Wauchope, Erica Murray, and Gina Adams are the newest members of our team. There are 35 "extra" volunteers who are rostered to work in the Opportunity Shop at various times. Without the input from all of these people, the Opportunity Shop would not exist and therefore items for the Hospital, and the Frail Aged Lodge could not be purchased.

We are a charitable organization whose funds will directly benefit the health of our own citizens.

There are still many ways that we can improve facilities and equipment within the Beverley Health Service and every request is carefully considered. A non-financial request came from the local Saint John's Ambulance Sub Centre to apply for a Lotteries West Grant to purchase a community defibrillator in our capacity as a licensed Charitable body. This application was successful and the defibrillator has been placed outside the St John's meeting room which is used regularly by our Senior Citizens. During 2018-2019, the Auxiliary has purchased an Air Comfort Flotation bed plus accessories for the Palliative Care Room at the Hospital at a cost of \$2400 and wheelchairs [\$2420], We contributed an amount of \$3150 to "The Pathways At The Lodge" project. Together with a grant received from the Beverley Shire by the Frail Aged Lodge committee, this money has provided for the residents a safe means of accessing the outdoor gazebo area. Comfort packs for emergency department

patients, Christmas gifts for Lodge and Hospital residents are other items which the Auxiliary has funded.

We are always pleased to acknowledge the help given to our group by the community and this year we once again thank the staff at Avon Trading for accepting and storing donated items when the Op Shop is not open. The Ashworth family has donated a microwave which has proven most useful now that helpers are working in the Shop over lunchtime. As well, the Shire continues to allow our group to use a Town Hall space for the Op Shop at minimal rent, for which we are grateful. And I acknowledge our anonymous donor who, for the past 3 years has shown appreciation of the value of the Hospital Auxiliary by making a financial contribution.

Thankyou to all people who donate goods to the Op Shop and for the people who pass through the door to purchase or to just browse. You will be amazed at what you find there.

Special thanks to Glenda Burns our Treasurer who stepped in when needed and who has done a great job in keeping the finances in order and to Val Moad, Op Shop Co-ordinator who keeps a constant eye on the state of the Op Shop. Jan Howell has completed 5 years as secretary and continues to make sure that everything runs smoothly in the Auxiliary.

And lastly, thankyou to Michelle Bauer HSM, the staff at the Hospital, The Frail Aged Lodge, HACC & Allied Health for working with me and the Hospital Auxiliary to further improve the wonderful health and care facilities we have in Beverley.

I wish the incoming President and committee a successful and enjoyable year ahead and hope that you all continue to gain the same satisfaction as have I over the past 5 years from this worthwhile and highly respected organization – The Beverley Hospital Auxiliary.

Thankyou.

Sandy Shaw

Beverley Toy Library

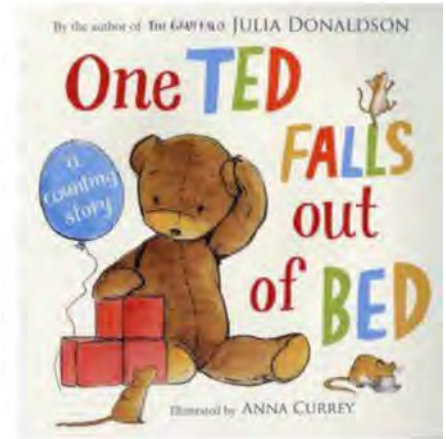

This month's Storytime book was *One Ted Falls Out Of Bed* by Julia Donaldson. ***In this book the kids were able to count with Ted from one to ten as he went on an amazing adventure.***

When Ted fell out of bed, three tearaway mice whisk him off on a breathtaking adventure. They zoom around in fast cars, go on a balloon ride and climb a building block mountain.

After the story all the kids played a counting game using tongs, pom poms and party pans. The kids turned over a party pan and counted the number of pom poms written into the pan.

Thank you to Beverley IGA Supermarket & Liquor for their generous donation to the Beverley Toy Library. This will assist with purchasing some toy storage containers and new toys.

Our kids love playing with their Toy Library toys at home

For more information please contact us via our Facebook page or contact one of the committee members listed below - [facebook.com/groups/BeverleyToyLibrary/](https://www.facebook.com/groups/BeverleyToyLibrary/)

The Beverley Toy Library is open each month after Storytime at the Library. Storytime starts at 9:30am So the Toy Library will open at approximately 10am.

Beverley District High School

Independent Public School

Successful, Supportive, Sustainable

For more information about the school, visit our website and Facebook page!

From our staff and school community we would like to formally thank and acknowledge Wendy Moore for all that she has brought to our school over the past five years. In Wendy's time as Principal of BDHS she developed a culture that is professional, aspiring and empathic. We have been very fortunate to have had Wendy as leader of our school, being such a well-respected and regarded leader in the Education Department. Whilst we know she has been selected on her merits to continue her great work and take on new challenges, we are eager to continue in her footsteps at Beverley DHS and work hard for our students and community. She has left a strong staff with a clear direction for a professional approach to education, to strive for both high academic and non-academic results. We wish Wendy well at Nannup DHS for the next 6 months. In her absence our staff have reflected on all of her work and the progress that our school has seen over the past five years. Wendy will be greatly missed by our school, staff and community.

Jeans for Genes Day

Our school and students supported the aim to raise funds toward research of genetic diseases. Everyone wore their jeans to school and we raised \$143.45 to support this very important cause. As a part of Jeans for Genes Day and our Positive Behaviour School approach at Beverley, our students reached their goal in filling our gigantic 'S' for Success poster and were treated to some Minute-to-win-it games by our student leaders!

We would like to extend a warm welcome to Mr Ben Ratz as our incoming Principal for the rest of the year in Ms Moore's absence. Mr Ratz has joined us from Ravensthorpe. He and his family have moved to

Beverley and they are very much looking forward to being active members of our community. Mr Ratz has been busy getting to know our students and connect with community in his time here. We look forward to working with Mr Ratz to achieve great things for our students.

The Beverley Show

Our students are certainly a big part of our local Beverley Show! We thank our students, Dail and Bobbie, for their contribution to the show in presenting the Welcome to Country. To our School Choir for opening the Show with their amazing singing and to our staff and students for their wonderful class show displays in the Exhibition Shed. It was such a great day!

BDHS Choir performance, led by Mrs Kellie Shaw

As always our students and teachers work incredibly hard in the lead up to the show to display some excellent work in the shed in the way of show displays and independent entries!

Women and Wildflowers

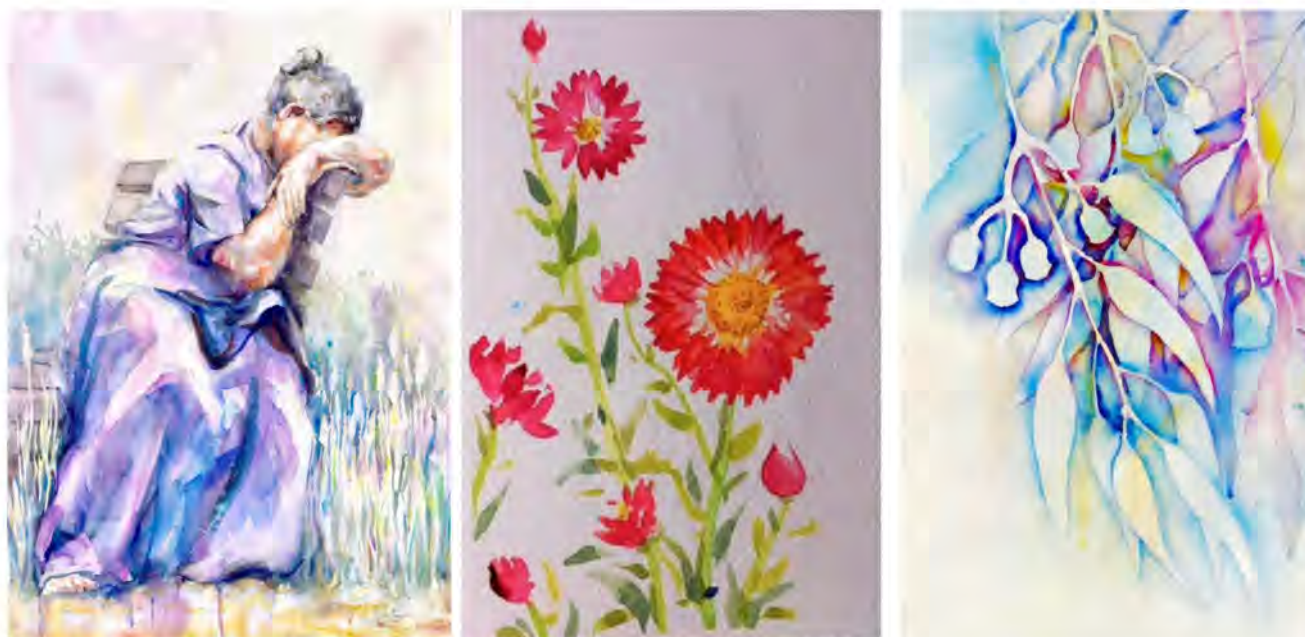

Verena Marmion is Artist-in-Residence 10-23 September and is offering a watercolour workshop from 12.30pm to 3.30pm on Saturday 21 September. This will be followed by high tea and mini exhibition **Women and Wildflowers** works produced over the residency. Those who aren't doing the workshop are welcome to join at 3:30. Also, if someone agrees to sit for a portrait, they would not have to pay the \$20 if they want to join the workshop- it will be Verena's thank you along with the high tea.

Verena writes seeking women to model for a portrait: "Hello, my name is Verena Marmion and I will be doing an Artist Residency at Beverley from the 10 to the 23 September. I'm a watercolourist and watercolour teacher who lives in Perth with my partner and 3-year-old daughter. You can see more of my art on: <https://verenamarmion.weebly.com/>

I would like to tie the theme of my residency to two of my favourite subjects 'Women and Wildflowers'. I chose this theme because when I arrive in Beverley Western Australian Wildflowers really are quite special. I would like to also paint portraits of the local women in Beverley so I have a chance to get to know them. I'm particularly interested in their experiences of the wildflower season - what it means to them."

If you, or a lady you know, have a spare couple of hours in the period between the 13 and the 23 of September; Verena would very much like to meet you and paint your portrait in watercolour. If possible, please bring along a posy (or photo) of your favourite wildflowers so they can be integrated into the painting.

To express your interest please contact Verena - Ph: 0451 306 497 email: marmionverena@hotmail.com

Beverley Station Singers

August and September get-togethers were to practice for the Country Choir Bash here in Beverley on September 7, and the Guildford Songfest 14 and 15 September. The Beverley Bash is a very popular event amongst choirs and the organisers (Voice Moves) have had to extend the programme by half an hour plus have one group perform during the afternoon tea break.

The next practice will be September 4 in the Platform Theatre greenroom.

The Station Singers have also been accepted to perform at the Dunsborough Songfest in November.

Kelly Newton Wordsworth directs the group on a monthly basis at \$50 per session, or \$105 for 3 months. Anyone interested in joining the singing group contact Tracey Fleay 0409 481 029 / traceyfleay67@gmail.com

A TEAM - Barry and Pauline Knight installing the mural at the Platform Theatre

Mural Unveiling at the Platform Theatre

The bright and whimsical mural by artist Sharon Peterkin is now finished, in its frame, and is already bringing joy to those who have ventured to see it. There's to be an official unveiling just prior to the Choir Bash at the Platform Theatre on Saturday September 7 at 1.30pm. All welcome. The mural is a dedication to the wonderful Ann Rayner who was tragically killed in a road accident 9 years ago and who is still sadly missed by the community. As secretary/treasurer of Beverley Station Arts she oversaw much of the construction of the Platform Theatre and it seems fitting to have a light hearted portrait of her displayed in the place she was never to see completed.

School Holiday Fun

STARGAZING AND SCIENCE WEEK

We had a wonderful night, despite the persistence of the clouds. Luckily there was enough clear sky for everyone to be able to view the moon, Jupiter, and Saturn through the telescopes. Mike was a wealth of information and gave a slideshow presentation, explaining a little bit about the planets and universe. Even though it was a chilly night, we kept warm with hot chocolates and coffee. Hamburgers and hotdogs were a great dinner option, with delicious brownies to finish off. We look forward to having Mike and Jillian back again in summer time.

We also had two classes from the school, come into the library to learn about the moon landing and participate in different activities.

STARGAZING NIGHT AND SCIENCE WEEK

The Beverley CRC and Library recently held Science Week activities at the Cornerstone Building. The room was decked out with posters depicting the first Moon Landing, a timeline of space exploration, and videos showing the launch of the Apollo 11 spacecraft.

The school bought over a couple of groups of children to take part in science activities, such as building a lunar lander (to keep the marshmallow astronauts safe!), straw rockets, and phases of the moon using Oreo cookies.

The kids had a great time and it was great to see them so enthusiastic about science.

On the Friday evening, we had a special Stargazing event. The venue was Avondale Farm, just out of town with no artificial light to interfere. It was touch and go with the weather, but the clouds thinned out so there was enough clear sky to see the stars. Mike and Jillian from Stargazers Club of WA brought along four large telescopes which allowed everyone to see the moon, Jupiter, Saturn and more. Mike gave a brief presentation beforehand, explaining a bit about the planets and what we could expect to see.

It was wonderful to hear the exclamations from people as they looked through the telescopes and saw the moon in close up, or the rings of Saturn.

It was a cold night, but everyone was kept well fed with hamburgers, hotdogs, coffee and hot chocolate.

Be very intrigued

Beverley Brand

You will soon see the new Welcome to Beverley signs as you enter the Shire with a modernised look incorporating the Beverley brand. The brand was developed as part of a unified approach to promoting Beverley as a tourism destination.

This makes it a great time to jump on board with the Beverley branding if you haven't already! The idea behind the logo and the message was to create something all tourism stakeholders could use in an individual way. The message 'be very you' is intended to be altered in ways that suit individual businesses or organisations best.

If you want to use the square logo  and you don't know how to go about it, contact the Tourism Officer Jacinta Murray at the Shire tourism@beverley.wa.gov.au or 9646 1200.

Beverley GARDEN AND TREE SOCIETY

The August meeting was held at the Dead Finish Museum with the bulk of the discussion being the Garden Club's display at the Ag show. Set up will be at 3pm on Thursday August 22 with members encouraged to assist and contribute items.

Several members assisted the National Trust with planting native plant gardens at three cottages at Avondale which have been renovated and will be available for hire by the public.

Three members attended Mundaring Garden Club's Christmas in July where they were made very welcome, enjoying the lunch and guest speakers.

A visit to Lena's Day Lilly and Iris Nursery has been rescheduled to Tuesday 29 of October. Further information will be available nearer the date.

Next meeting will be replaced by a trip to Toodyay on Tuesday 03 of September. Bus will leave the Dead Finish at 9.30am at a cost of \$20.00 per head. Please bring your morning tea and lunch will be at members cost or bring your own. Please ring Dorothy on 0429 989 031 to book your seat.

September is the beginning of spring and time to get ready for the warmer days ahead. It's a great time to plant pretty much anything and undertake an outdoor spring clean. There's lots to do in the garden but don't get overwhelmed; just aim to do a little each week and you'll have it under control in no time

Top tips for Planting in September

- Plant seeds for flowers and vegetables for summer
- Fertilise strawberries to encourage a bumper crop
- Get weeds under control
- Apply a slow-release lawn food to all grassed areas
- Use a metal rake to remove any build-up of thatch
- Dead head spring annuals and bulbs

- If looking a bit sparse – reseed or turf bare areas of the lawn
- Increase watering of potted plants as the weather warms up
- Apply a slow-release fertiliser to all potted plants
- Tidy up ornamental grasses to promote new growth
- Fertilise all plants and lawns as growth resumes
- Prune hibiscus and also prune plants that flowered in winter and early spring
- Plant herbs such as parsley, mint, coriander, and oregano
- Renew mulch on garden beds – cover the soil with compost and then cover with a layer of mulch
- Watch for pests on new growth such as aphids and snails. Aphids can be squashed or treated.
- Snails and slugs can be trapped or deterred
- Repot potted plants that are root bound
- Divide herbaceous clumping plants as new growth resumes

Top tip

September is also a great time to spring clean your backyard ready to spend more time outside having fun, relaxing and entertaining. Check all your outdoor furniture and equipment (including cubby houses, trampolines, swing sets). Clean and repaint or re-oil outdoor furniture as required. Check and tighten nuts and bolts. Sweep or water-blast paved areas to remove mould or moss build-up as well as accumulated leaves and dirt. Clean the BBQ and replenish the gas bottles so you're all set to enjoy the warmer weather that September brings.

SELF-MEDICATION, THE GOOD AND THE BAD

Stress is normal, in fact it's essential for our survival. It's the body's way of preparing us for a fight or flight response. However, continual elevated stress can lead to distress and dysfunction and often, we self-medicate via "sex, drugs and rock and roll". Our first step should be to talk to someone and seek help if we're feeling stressed, but historically, as blokes, we've been pretty poor at this.

As a result of alcohol self-medication, we see twice as many men die of alcohol abuse, and men in their sixties are more likely than any other demographic to die as a direct result of alcohol. However, in the work we do, the most common forms of self-medication for blokes are working harder and talking less.

It's normal to avoid the uncomfortable sensations of distress through a range of different ways, collectively referred to as coping mechanisms.

Healthy Coping Strategies

There are strategies that are healthy and deal more directly with the underlying problems rather than just temporarily masking them, these include;

- **Talk to a mate:** Identify mates that you can really discuss things of importance with. Do this in the good times because it will present more of a challenge when you are already stressed. These mates might be a partner, peer or a mentor, but regardless of who it is, the research points to this being one of the most effective methods of support around.
- **Exercise:** The links between exercise and good mental health and wellbeing are undeniable. Not only does the body feel better but the mind does too.
- **Watch what you eat:** One particularly unhealthy coping strategy is comfort eating. If you have a raft of unhealthy eating behaviours, don't try to build Rome in a day. Take one aspect like the use of salt or sugar intake and tackle them one at a time.
- **Factor in time off:** Regardless of whether it's actual time off like a holiday, a weekend away, or just a mental break, via an activity like meditation or adopting mindfulness, giving ourselves timeout, is an invaluable form of healthy self-medication.
- **Seek professional help:** Whether it's your GP, counsellor or a helpline, there's a myriad of professional services to assist you if you're feeling stressed and need advice on healthy coping strategies.
- **Stay connected:** The Act, Belong Commit message gets a flogging, but that's because social connection is the most important and effective way of heading off many mental health and wellbeing issues before they start. Join a club, start a band or volunteer for a local cause, it all helps.

Self-medication doesn't have to be a dirty word so long as we are making the right choices and taking the right medicine!

Beverley Soaring Society

Steve Hoey

Congratulations to the organising committee of the 2019 Beverley Agricultural Show, another very successful year. The Beverley Soaring Society (BSS) is very proud to be an active contributor to this show. This year BSS provided a static and acrobatic display.

The crowd was absolutely mesmerised by the acrobatic display staged by world class pilot Daryl McKay and back seat ballast pilot Lockie McVey flying the ASK 21 glider. Spectators were genuinely surprised at the speed, agility and skill required to action such complex manoeuvres. I heard one bystanders say, "How do they do that without an engine?"

This year the static display was a motorised Discus BT glider. This glider certainly attracted a lot of attention and many questions were asked. The most common questions were: How difficult is it to learn to fly? Not that difficult. Do you have to pay for lessons? No, training and seminars are provided by members of the club at no cost. Do you have to buy your own glider? No, BSS has a very modern fleet of training gliders with very reasonable hire charges. How much does a glider cost? Entry level is \$12,000 to \$15,000 and hundreds of thousands of dollars at the top end. A big thanks to Dave Fosdick (organiser) and many

other BSS pilots that gave up their time to answer questions and promote gliding as a sport in Western Australia.

There is no doubt that Beverley is a very supportive and cohesive community and I was recently reminded of this again when Wayne from the Country Kitchen Café pointed me to the glider art work done by Jodie Bell on the Thrifty –Link Hardware store window. Thanks guys!

Just a reminder, BSS flies Friday, Saturday and Sunday and offers Air Experience Flights. The best way to book is to follow the links on www.beverley-soaring.org.au or pop over to the Airstrip after 10am. With the Canola almost in full bloom, this is the most picturesque time of the year to fly. Give it a go. If you have any more questions, please pop in or check out the website.

LADIES GOLF

The end of July and start of August saw the Ladies very busy with golf in Beverley and out of town. Due to Sera Minchin being away on holiday, Yvonne Hobbs kindly stepped forward to put some results together for the Blarney.

The 24 July was the end of the Silver Spoon event, which was won by Glenys Collins who will play off against other Ladies in the state. Glenys will be playing this at the Seaview Golf Club on Monday 26 August- we wish her all the best.

Jane and Maxine were attending the York Open Day on Friday 23 August, so we hope they had a great day.

Yvonne and Lyn are playing in the Jubilee Fours at Melville Glades on Tuesday 27 August. Have fun on the city greens!

Beverley GOLF CLUB

Due to favourable weather, everyone agrees that the golf course is in its best condition for many years. There is excellent coverage over most of the fairways which has resulted in the maintenance team working extra shifts to keep up with it. The Club would like to extend a big thank you to Fred 'China' Sing, Graeme Hagan and Alan Hammond for their volunteered time that's keeping the fairways and greens in great condition. The club also extends a huge thank you to John Donovan and Terry Winfield for their seemingly tireless and often unsung volunteer efforts in general course maintenance.

We also acknowledge the efforts of the scroungers players who have put in extra time cutting and laying the artificial turf that was purchased from the Beverley Bowling Club.

RESULTS

The Championship Finals were played on Sunday, 25 August. The results will be announced in next month's Blarney.

Springdell Cup Weekend

On Saturday 27 July, 40 players competed for the Wayde and Kathryn McLean 4BBB Stableford event. The winning team was Shane and Henry Blechynden from Kweda with a combined Stableford score of 50 points. Runners-up were Alan Hammond (Beverley) and Mick McBrearty (Brookton) with 48 points. Winners of the Cross event were Ryan Sheridan and Mick Jones (Brookton) with 37 followed by Phil Crute and Chris Rawes on 35.

Sunday, 28 July we held the annual **Springdell Cup Open**. We thank **Andrew and Kellie Shaw** and the **Sing Family** for their continued support for this event.

We'd also like to thank the many members who contribute to the day to help make it a success. These especially include the women members who spend their time in the kitchen preparing and cooking the meals (and cleaning up afterwards) and those ladies who work in the office recording results and entering handicaps. To the members that helped with the busy bee before the day, to the course maintenance crew, to the bar management and staff and to those who assisted with placing and collecting novelty pins and eskys we also extend our thanks.

OTHER RESULTS

Friday, 02 August was the annual and, unfortunately, final **Primaries/CRT Cup** event. A change of corporate ownership has resulted in a name change and put the event's future in doubt. The club is extremely grateful to **Terry Winfield and Primaries of WA** for their annual support of this event over many years. At this stage, only time can tell if the event will continue.

27 players in 9 teams of 3 took to the course for the Ambrose event. Winner of the Primaries Cup was the team of Brendan Minchin, Dale Wansbrough and Jake Fleay with a Nett score of 55 2/3 (Gross 68). Runners-up was the team of Jordan McMillan, Mark Bickley and Graeme Lewis with 59 1/3 (69) and third was the team of Alan Scales, Steve Johnston and Phill Bateman with 60 1/3 (67). The other team to take home trophies was Mike Carthew, Ed Willis and Paul Burns with 65 (79).

On 03 August six players competed in a members par event while 2 members travelled to Quairading to support their annual open day. Chris Pepper won at home with the good score of +4 and Alan Hammond ran second with +2.

On Saturday, 17 August three members travelled to Corrigin while 6 stayed at home to compete in another members par event. Alan Hammond won the day at home with a halved card with Mike Carthew running-up on -2.

Other Rounds – Results Advised Next Month

Friday 23 August saw the annual Ambrose-in-3's event for **Elders Day**.

25 August (Sunday after the Show) was the date for the **Les Annison Trophy** while the Club Championship Match Play Final was being held.

The weekend of Aug 31/Sep 1 saw players travelling to York to compete in that club's open events. Any notable performances will be advised next month.

Beverley GOLF CLUB

SCROUNGERS

This popular Stableford event continues every Wednesday. Each week we play six different holes as determined by the Captain. As this format does not meet Golf Australia handicapping requirements we maintain our own handicap system which attempts to make everyone a winner at some point. Anyone is welcome to join us at 4PM tee-off. Results for August were:

31 July - 10 players joint winners Paul Burns and Mark Kont with 16 points each
07 August - 11 players won by Steve Johnston with 14 points
14 August - 8 players won by Terry Woods with 13 points
21 August - 12 players won by John Donovan with 14 points

Junior Sport Results and End of Year Presentations

August saw the end of another packed season of Junior Sport. We had great numbers across all age groups in netball and football, especially Auskick which bodes well for the future of footy in Beverley. Due to training for Auskick and Net-Set-Go being on different days, we had a handful of kids (boys and girls) who were lucky enough to be able to play both sports.

Huge thanks go to our amazing coaches and co-ordinators who give up their time each week for training and games. Without them, there would be no sport. Thanks also to all the parents who jump in and help the coaches– the kids love having you there too.

Our final Saturday sport was followed by the AGM, which saw the election of new office bearers for 2020. Welcome to Shane Wheat (President), Jo Copping (Secretary) and Bec Halbert (Treasurer). Thanks to the outgoing Deane Aynsley, Sarah Aynsley, and Zoe Wilkinson.

Looking forward to another great season of football and netball in 2020.

FERGUSON SHIELD

On 03 August, our Year 5 and under football and netball teams headed to Quairading for the Ferguson Shield.

The netballers had a successful day, coming home with the Shield.

The footballers won all three of their games, enabling them to bring the Shield home for the first time in many years.

The kids all played so well, and were a credit to their wonderful coaches.

Second Semi Final

Sunday 01 September Cunderdin

Its been a busy month at the football club as we move towards the end of the season.

Our reserves team unfortunately have not made the finals this year. It has been a difficult season with numbers low. A massive congratulations to Mark Bickley who managed to get a side on the track each week.

Our netball team had a fantastic year, finishing 5th on the ladder. The girls narrowly missed out on finals by 0.17%. A mammoth effort girls, well done!

Our league team finished second on the ladder and will be in the second semi final in Cunderdin at the start of September. We hope to see lots of members and supporters there to cheer them on.

Beverley Football Club are hosting the preliminary final on the 08 September. Let us know if you are available to help out on the day!

The club wind up will be held in Perth 20 September. Stay tuned for more information.

See you at the footy!

Saturday 27 July: Aces vs Beverley in Northam - 3pm

Injuries and sickness have hit the team hard the past few weeks so it was a tremendous effort from everyone that played today. Thank you to Majella and Jess for filling in and congratulations to Geena for playing her first game for the Redbacks - the red and black definitely suits you! Unfortunately, the team went down 3-1 to Northam's Aces.

This week's Eddie Award goes to Britt who had perfect timing to get Carissa's ripper goal on video.

Weekly Awards: Majella Henry and Carly Veitch
Goal: Carissa Shaw

Thank you, Marg Mourach, for helping with this week's umpiring duty. Thanks also to Aces for putting on a great afternoon tea for us.

Friday 09 August: York Scorchers vs Beverley in York 6:30pm

Friday night games are the best! Well done to all players for stepping up the momentum with a few players missing from our regular team due to injury or enjoying the tunes of Fleetwood Mac for a night out in the big smoke! Unfortunately, the girls went down 2-0 with the last goal only being scored in the last 30 seconds of the game.

Thank you to Majella, Carly B, Mary and Geena for filling in.

Weekly Awards: Bec Sims and Carly Ballantyne

Thank you, Josh, for helping with this week's umpiring duty.

A HUGE Thankyou to York for a delicious dinner for us after the game, we love having Friday nights with you!

Saturday 17 August: Beverley vs Jenna in Beverley 2pm

This was a forfeited game due to extremely low player numbers with injuries and sickness.

Friday 23 August: York Storm vs Beverley 6:15pm in York. Stay tuned for next month's Blarney to see how the girls went in their last game of the season as the previously advertised Hockey Carnival for Saturday 31 August was cancelled by the Association.

JUNIOR HOCKEY

Unfortunately, there won't be a Junior Hockey program this Term. We thank all parents and children for their past support and look forward to bringing you all a great Junior Program again next season.

Who's been out and about:

- ◆ **Eastern Zone ODE:** Our rally was moved to the 14 July so our members could attend the Eastern Zone ODE at Kellerberrin on the 20 and 21 July. Eliza Higgins, Tealah Hawke, Emily and Jessica Maxwell, and Carly Ballantyne all attended the event. Eliza competed in her first 65cm on Leroy and placed 10th. Tealah in her second 80cm on Maggie and placed 4th. Emily placed 11th on Peppermint in the 65cm, Carly placed 6th in her second 45cm on Amy and Jessica rode so well and kept her cool, even when Eddie decided the water was just too much.

- ◆ **State Active Riding Qualifier:** Our Junior PPMG Team (Mac Ballantyne, Emily Maxwell, Carly Ballantyne, Jessica Maxwell and Jamie-Lee Speedy) headed to Northam on the 3rd August with their super coach, Jessamin Pain. This team not only got through to the State Championships but they placed 6th in an extremely competitive field of ten teams from all over the state!! Super proud!!

- ◆ **State Dressage Championships:** On Saturday the 17 August four of our members got up at 4am to drive to the State Equestrian Centre. Tealah, Emily and Jessica competed together in a Plunket Team. Carly and Emily competed as pairs in the Prix Caprilli. Even though the teams didn't place, the riders and their mounts performed well and we all got to enjoy watching the musical riders performed by other clubs.

- ◆ **August Rally:** Was moved to the 11 August so that five of our members could attend the Eastern Zone ODE at Kellerberrin. Thanks you to all the coaches that ran the rally and ensured the riders had a great day.
