## SHIRE OF BEVERLEY PRESIDENT'S REPORT

### Citizenship Ceremony

Congratulations to nine of our Beverley residents who became Australian Citizens on Tuesday 25 February 2020. As it was one of our largest ever groups, the ceremony was held in the Cornerstone function room. Thank you to the Member for Central Wheatbelt, Hon. Mia Davies MLA who also attended the ceremony and called in on the Beverley Men's Shed whilst in town. *Photo courtesy of Hon Mia Davies MLA*

### Kinetic Sculpture

The Kinetic Sculpture built by Grant Hobbs will remain in its current location. Council originally commissioned the sculpture for the dam at the Information Bay on Hunt Road but due to its popularity on Vincent Street chose to leave it where it is.

### Flag Poles

The Shire has installed three new flag poles outside the Administration Building to fly the Australian Flag, Western Australian State Flag and the Aboriginal Flag. The Community are invited to a Flag Raising Ceremony on Tuesday 24 March 2020 at 9.30am. Please RSVP to the Shire Office by Thursday 19 March if you wish to attend.

### Memorial Flag

Council has amended its Flag Policy that will see the Shire of Beverley Flag flown at Half Mast as a mark of respect to a resident who has passed away (instead of the Australian Flag). The memorial flag will still fly on the Town Hall. This policy will come into effect from 24 March after the Flag raising ceremony. The change is due to the previous Memorial Flag Policy not meeting Australian Flag protocol as directed by the Office of Prime Minister and Cabinet.

### Road Works

Throughout March road construction will be on

Top-Beverley Road, ANZAC Lane, George Street and Bethany Road. Please take care and follow all signs when moving through construction areas.

### Loader & Water Truck

As part of the Plant Renewal Programme, Council have taken ownership of a new Water Truck and Case 721FXT Loader.

### Avondale Machinery Museum

At the February Council meeting, Council resolved to temporarily close Avondale Machinery Museum to visitors. The closure comes about after a Risk and Hazard Assessment was completed by the Shire's insurers. Council will complete a full review of Avondale over the coming months to rectify issues raised in the report, appropriate safe work policies and develop a planning framework. The Planning Framework will include community engagement and is to identify the future of the Museum. The Shire is actively seeking ways for volunteers to continue maintenance of the machinery whilst the Museum is closed.

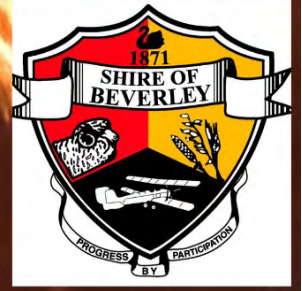

### Department of Transport Strategic Bicycle Network Planning

As part of the Western Australian Bicycle Network (WABN) Plan, Department of Transport (DoT) is seeking to improve planning for cycling across the State, including in the regions. So, in collaboration with the various Shires, Department of Transport is developing a Regional Cycling Strategy for Avon and Central Coast, which is the region Beverley has been categorised into (Avon). The DoT will be engaging with the community to develop the plan. The plan is fully funded by the DoT and will provide a tool for future grant funding. Please have your say when you see the consultants out and about.

### Community Grants

Congratulations to the many Community Groups – BORMSA, Beverley Early Years Network (Toy Library), Beverley CRC (Beverley Community Garden), Beverley Tree and Garden Society, Beverley Agricultural Society and Beverley P & C for being awarded funding in the January 2020 round. Unfortunately, the grant round was heavily oversubscribed but Council were able to assist all groups with significant funding to assist their various projects.

Cr Don Davis  
Shire President

# drumMUSTER makes it easy

Recycling your eligible farm chemical containers with **drumMUSTER** is easy - all you need to do is follow these simple steps:

- ✓ Triple or pressure rinse your chemical containers **IMMEDIATELY** after use

- ✓ Pour the **RINSE WATER** back into your spray tank

- ✓ Make sure **ALL** chemical residue is removed

- ✓ **REMOVE LIDS** to allow your containers to **DRY** thoroughly. Take lids **SEPARATELY** to collections

- ✓ Metal containers should be **PUNCTURED** from the top through the bottom

- ✓ **DELIVER** your eligible clean empty containers to your local **drumMUSTER** collection centre

For details on **drumMUSTER** collections in your area contact your local Council or visit the **drumMUSTER** website at:

# Cleaning tips

The following tips will help to ensure your difficult-to-clean eligible farm chemical containers will be accepted for recycling at your local **drumMUSTER** collection centre.

## Suspension concentrates (Atrazine, Simazine, etc)

- ✓ Rinse your container immediately after use to ensure any chemical residue does not dry

- ✓ Use methylated spirits to remove dried residue. If this doesn't work, fill the container with water and soak for at least 24 hours before rinsing.

## Oil-based chemicals (ULVs, LVs)

- ✓ Follow specific instructions on the product label or contact the manufacturer for further assistance

## Other chemical residues

- ✓ Rinse container immediately after use as all chemical residues are much harder to remove when dry
- ✓ Some containers may require additional rinsing (more than three rinses)
- ✓ A brush or high pressure hose may be required to clean stubborn or dried chemical residue

- ✓ **ELIGIBLE CONTAINERS WITH DIRT, RUST AND DYE STAINS ARE NOT CONSIDERED HAZARDOUS AND ARE THEREFORE ACCEPTED AT drumMUSTER COLLECTION CENTRES**

For more information on container cleaning contact your local Agsafe accredited farm chemical reseller or visit

## EVENT CANCELLED

Unfortunately the 2020 Beverley Triathlon has been cancelled. This doesn't mean that we won't be running the event next year, it was simply an event funding issue. We apologise to all the eager participants, volunteers and supporters of this event..

## Artists-in-Residence

Artist-in-Residence for the first two weeks of February was Pia Remund, a musician and textile artist, when not working as a health professional. The fine liner drawings she had displayed at the Station Gallery were much admired amongst the works of her friend Kaitlyn Elsegood who was Artist-in-residence during January. On February 15 Pia conducted a workshop on creating a woven artwork on recycled timber.

"Wooden Weaves" Workshop

Our next Artist-in-Residence Len Zuks from Perth and known for his larger than life sculptures constructed mainly in steel, galvanised and painted.

Also an international award winning artist, he paints in all mediums with an irregular attitude of following a flight of fancy. He paints realistic portraiture as well as nonsense figures, caricature and quirky scenes of non-realistic proportions, usually to invoke a smile from the observer. Most other paintings are either quirky or abstract with an emphasis on Australia and its landscape.

Whilst in Beverley from 01 -14 March Len will be painting long canvases on the station platform. He welcomes the community to come along and view his painting process while the gallery is open from Thursdays to Sundays 11.00 - 3.00pm or when the sign is out. Len would love to meet as many locals as possible and he loves to chat about his art process!

### **Artists-in-Residence Programme for 2020:**

March: Len Zuks - last 2 weeks

May: Rod Brown

July: Joanne Francis

October: Thelma Cluning, Sally Watts, Suzanne Crawley

December: Cynthia Boyle and Ngaere Donald

April: Carolyn Rhodes-Thompson

June: Suzi Marwick

September: Trish Davis

November: 01- 08 Verena Marmion; 09-30 Michele Scott

### Easter Art Exhibition

Entry forms are out for the big Easter Exhibition – Beverley’s 52<sup>nd</sup> Art Purchase Exhibition Thursday 09 – Monday 13. The town’s renowned 2D media art show includes the *Beverley Art Prize* valued at \$5,000 and besides this overall prize, there are six other sections with prizes of \$1,000 each. Anyone wishing to enter works of art into Easter Art Exhibition can pick up entry forms at either the Shire offices, the CRC or the Station Gallery, or contact Exhibition Secretary Joey Walter E: [beverley.art.exhibition@gmail.com](mailto:beverley.art.exhibition@gmail.com) or, better still enter online [beverleystationarts.com](http://beverleystationarts.com)

### Beverley Station Singers

The next practice for Station Singers is yet to be decided as the first few months of the New Year will be focused on working with the BAD group for their musical comedy “Cocky’s Crossing”. For anyone interested in joining the Station Singers in 2020 please note that practices are generally held in the Platform Theatre greenroom on the first or second Wednesday of the month. For further info please contact Tracey Fleay 0409 481 029 / [traceyfleay67@gmail.com](mailto:traceyfleay67@gmail.com)

### Beverley Amateur Dramatics (BAD)

The forthcoming BAD performance is the Australian musical comedy “Cocky’s Crossing” to be performed over two weekends - **Friday 27 and Saturday 28 March 2020, and Friday 3 and Saturday 4 April. So, mark it on your calendars now!** The rehearsals have been up and running since 13 January. Not all the cast are able to be at every rehearsal it seems (they are three times week) but we’re assured it will all come together in the end! People in lead roles are also being offered one on one time with director Bruce Denny and the musicians to work on their character and storyline. For more information – eg, perhaps you would like to offer to work backstage?, then please contact Britt Hadlow by email: [britt.hadlow47@hotmail.com](mailto:britt.hadlow47@hotmail.com) or [beverleyamateurdramatics@gmail.com](mailto:beverleyamateurdramatics@gmail.com)

### Platform Theatre

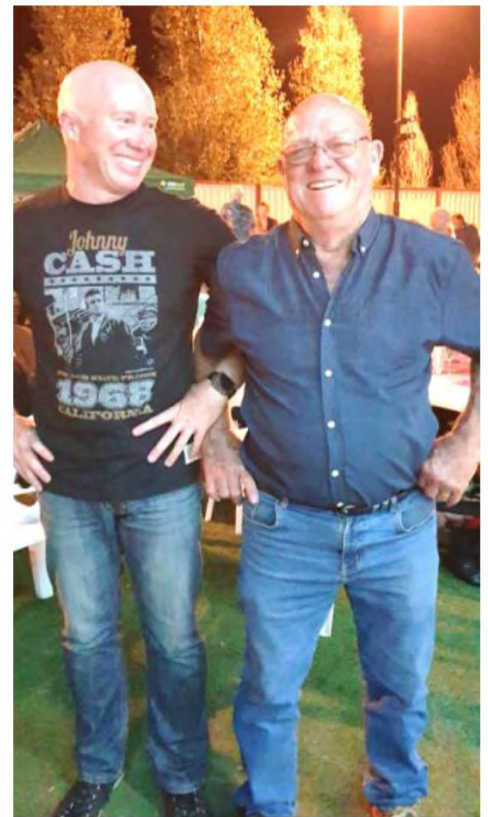

The Platform Theatre was pumping on Friday 21 February for the COUNTRY MUSIC SHOW starring Monty Cotton (*A Boy Named Cash*) and Big D on double bass – such a huge sound on the balmiest of nights. This fabulous show attracted 220 people, many of whom thought it was the best show ever in what must be our tenth season of presenting events.

**WHO'S WHO AT THE STATION!**

## COCKY'S CROSSING

So....onto the next show which is a BAD production where you can see local personalities – many for the first time – tread the boards of the Platform Theatre. Written and composed by Mark Harvey, 'Cocky's Crossing' is a musical comedy so come along for a laugh, you won't be sorry! And with four dates to choose from there's no excuse to not be there!

Novus Agri is a grower group for the Beverley, York and Brookton areas. Our purpose is to provide an interactive forum where members of your farming enterprise can participate in Workshop days with Industry Experts to further develop skills and share your knowledge and experience with other members from within the group. We will be hosting events and facilitating meetings throughout the year where all members of your enterprise are welcome to learn and participate in discussion.

The first AGM for Novus Agri was held on Friday 21 February at Greenhills Inn. Thank you to Lea Williams, Lorretta Adams, Kirsty Ryan & Carly Veitch who have stepped down from the committee, for their contributions to the group.

The group could not be where it is today without all the work that Carly Veitch has contributed as Treasurer, Committee Member and the many occasions she has filled in as Chairperson and Event Presenter. There aren't many hats that Carly doesn't wear and all our members have gained so much from her commitment to the group. A special thank you to Skye Carlshausen who has stepped down from the Secretary position. Her passion for sharing ideas and knowledge and one of a kind organisational skills have been an integral part of the success of the group. Another special mention to Sheri Madigan for her work as Treasurer setting up things for our new group, Novus Agri. It has been a pleasure to work with such an inspirational and dedicated committee, and have fun along the way!

Congratulations to the 2020 Committee: President: Kelly Mann, Secretary: Vacant, Treasurer: Sheri Madigan, Committee: Skye Carlshausen, Meg Boyle, Ellen Walker, Jo Boyle and Julie Boyle. We are looking to fill the Vacant Secretary position as soon as possible so the committee can meet and finalise the Calendar of Events for the year.

The discussion topic after the meeting was "What's your favourite App or Podcast?" which included some great idea sharing from Machinery Service Monitoring Apps to Water Tank Monitoring options.

Our calendar of events will be shared shortly, but other dates of Interest coming up in our area:

**11 – 13 March: Talking Soil Health at York, Wheatbelt NRM**

**24 March: Rural Edge Farm Safety Workshop, Beverley**

**7-8 April: Inspire Summit at Crown Perth, Rural Edge**

## OFF-ROAD MOTORCYCLES

There has been an increase in complaints regarding the use of off-road motorcycles in public areas, particularly on gazetted roads (including gravel roads) around town. The people who are continually riding their bikes in areas where you are not allowed, not only put themselves at risk of serious injury but also run the potential to injure pedestrians. I will take this opportunity to serve a timely reminder to those who choose to do the wrong thing and to the parents of youngsters who allow their children to ride in areas where these bikes are not permitted.

If you are caught riding an unregistered motorcycle on a road, firstly **the bike can be seized**. The owner will be liable for costs involved in the seizure and storage of the vehicle and you may very well lose the bike for good. Secondly - you may be charged and face a magistrates court which can ultimately affect your motor driver's license with a suspension period and/or hefty fines being issued.

If the rider happens to injure another person whilst riding, they are not insured and any injury caused to another party as a result may leave the rider (or their family) liable to civil action for all financial losses to the injured party.

If your child has an off road motorcycle, please teach them responsible riding behaviours and to ride in designated areas or facilities/areas specifically provided for this type of activity. Use a trailer to get the bike to a suitable off-road area or location and of course, wear protective gear!

If you do witness this behaviour then make sure you notify police.

# NO ONE LISTENING TO COMMUNITY CONCERNS ABOUT AGED CARE

There is growing concern that issues being raised about provision of aged care in rural areas is falling on deaf ears.

A letter on January 16 from the acting CEO of the WA Country health Service, Margaret Denton, failed to address issues raised in a letter from the chairman of the York Health Advisory Group, Julian Krieg, in December last year.

Representing the Western Wheatbelt District Health Advisory Council, Mr Krieg, said the group believed it was essential that all small hospitals delivering home care services be able to compete with private providers for federal funds. Mr Krieg pointed out that in July 2018, the then Minister for Aged Care, Ken Wyatt, said the Federal Government saw no reason that this could not happen. But this would require WACHS to work out an appropriate mechanism to allow the funding to be made available through the overall WACHS budget.

He said that the letter from Ms Denton tried to divert attention away from the central issue of funding for the very successful local Multipurpose Health Services saying it would take time for other providers to enter the market. "The WACHS welcomes the opportunity of other providers entering the market to deliver the range of home and community care services to meet the needs of the community and provide greater choice... there are more consumer directed service models affording older people greater care choice based on needs and promoting well-aging in the community setting," the letter said.

It goes on to say: "We acknowledge it will take time for other providers to establish themselves and maintain service delivery particularly in small communities and it is important to note that WACHS would complement rather than compete with these providers. I am advised it was acknowledged at the meeting in York that WACHS may need to be a 'provider of last resort' in some locations where no alternative provider exists or is likely to establish a service and where this is the case WACHS will need to engage and negotiate with the Commonwealth".

Then in what appears to be a contradiction to the earlier part of the letter, Ms Denton, says: "The Australian Government recently commissioned an independent review of the MPS model that found, overall, the flexibility of the MPS model supports delivery of aged care services that meet the needs of rural and remote communities. A key recommendation from the review is for the Commonwealth and States to work collaboratively to examine the home based care funding model. WACHS Aged Care Directorate will be meeting with Commonwealth representatives to progress this recommendation".

Mr Krieg said: "There has been no community consultation. The response does not address community concerns and is contradictory, devious and unacceptable. It is abundantly clear that there are very few private care providers willing or interested in delivering care packages in country areas. What is more, there are instances where the few that do, charge excessive administration fees that mean people aren't able to afford the care they need. In an example that came to light recently, a family of a 90-year old in Dalwallinu complained that there was no provider in the area to deliver his care package and was given a list of six providers, including two based in Melbourne. None had a care provider in the town," he said.

"Our concern is that the delay in WACHS resolving the issue of funding for aged care through the MPS model is adversely impacting on the morale and retention of skilled, caring staff and on small country hospitals and allied health services putting their long term futures at risk," Mr Krieg said.

## Trying for a Baby? It Takes Two to Tango!

As blokes we are all aware that there are a range of steps, pills and behaviours that the women in our lives can take in the effort to conceive. An often-neglected part of the equation is how we as men look after our own health in order to maximise the chances of a successful conception. You know what they say, "It takes two to tango!"

**Age:** Blokes are quite capable of producing sperm well into their seventies as Pablo Picasso and Charlie Chaplin famously proved. Unfortunately, the quality of sperm declines as men age. Blokes over the age of 45 might find that their partners take longer to fall pregnant and that the risk of miscarriage increases. As dads get older, they also start to run a slightly higher risk of having children with a range of mental health issues or autism compared with younger dads. Obviously, our age is beyond our control, but if you are considering starting a family, start trying sooner rather than later!

**General Health:** Get active as physical activity is good for your health in general and will also help you maintain a healthy weight and improve the health of your sperm.

### Diet:

1. Maintain a healthy weight as being overweight can impair sperm production. Testosterone helps sperm production; however excess fat increases the presence of oestrogen.
2. A healthy balanced diet including plenty of fruit and vegies. Antioxidants and polyunsaturated fats improve sperm motility.
3. Include foods like nuts, poultry, fish and meat in your diet or consider a selenium supplement to increase sperm production and concentration.
4. Limit soy products which contain a natural version of the female hormone oestrogen.
5. Limit alcohol consumption as alcohol negatively affects the production of male hormones which are needed to produce healthy sperm.

### Chemicals:

1. Abstain from illicit drugs. They reduce the sperm count and affect the production of male hormones. Steroids also have a negative impact on sperm and therefore should be avoided.
2. Prescription and over the counter medicines you use may affect your fertility. You may need to change some medications while you're trying to conceive.
3. If you are a smoker, then quit. Smoking affects sperm motility and the DNA within.
4. Exposure to toxic chemicals both in the workplace and in everyday life can affect sperm. Limit exposure and use protective clothing.

**Temperature:** Jocks too tight? Laptop sitting on top of your crown jewels? Either way, temperature regulation is imperative to sperm health, and overheating is a leading cause of low sperm counts.

Trying to conceive can be difficult, hopefully these steps may help take the pressure off what should be a joyous time.

wheatbelt  
natural resource  
management

### Talkin' Soil Health Conference

Talkin' Soil Health 2020 Building Natural Capital is an initiative of Wheatbelt NRM. This event will provide an opportunity for farmers to hear from other farmers about how they are tackling everyday problems. There will be opportunities to better understand some of the science behind our WA agricultural soils as well what is new and innovative.

The focus is on practical solutions to improve soil management on farm and more broadly for agricultural land across the state – creating synergies between productivity and environmental stewardship.

Tickets are on sale now!

## BEVERLEY EARLY YEARS GROUP

The Beverley Early Years Group is a network that aims to strengthen opportunities for children (0-4) and their families to connect and thrive in our community.

What happens to children in their early years matters a great deal. Improving children's development through the critical early period can have transformative social and economic impacts.

The group recently held their first Annual General Meeting and Special General Meeting to adopt their Rules of Association which have now been lodged for the group to become incorporated. The Beverley Storytime and Toy Library now sit as a subcommittee of the Beverley Early Years Group. Part of this process is establishing a formal committee: President: Angela Sims, Secretary: Kelly Mann, Treasurer: Skye Carlshausen, Committee: Cara Hammond, Tegan Walsh & Sharlee Higgins.

The group would not be where it is today without the passion, dedication and enthusiasm of the three founding group members; Carissa Shaw, Jo Johnson & Angela Sims. We thank them for all the work they put in to get the group together and all the valuable activities and resources this has added for our early years families now and for the future.

Thank you to the very talented Joanne Wheat from Nine Mile Design for designing our Early Years Logo – it looks fantastic!

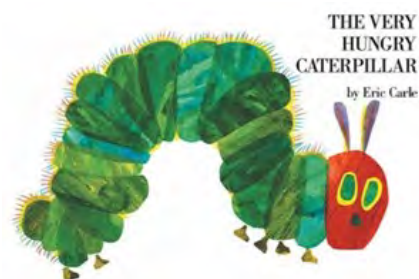

The Beverley Early Years Network looked at a new app this month that might be of interest - The Bright Tomorrows Parenting App, provides learning activities, 'in-the-moment' advice and practical tips to parents and carers with children from birth to age five.

You can download the Bright Tomorrows app to receive access to over 1000 meaningful moments and tips to help build young brains or check out their website for more information <https://www.brighttomorrows.org.au/>

### The Very Hungry Caterpillar

Designed, illustrated & written By Eric Carle.

Did you know that this all-time classic picture book, from generation to generation, is sold somewhere in the world every 30 seconds!

Eric Carle's children's classic is the story of a very small *and* very *hungry* caterpillar who manages to nibble his way through the pages of this enchanting *book*.

Thankyou to Mrs Jo Sims for being our very first guest reader for the year. The kids loved this fun, colourful book that allowed them to identify different fruits and other foods, and match them with their corresponding colours.

# Beverley Toy Library

The Storytime & Toy Library AGM was held on Tuesday 18 February. Thank you to Megan Vandenberg & Skye Carlshausen who step down from their Treasurer & Secretary roles. Your work in getting the Toy Library up and running again has been a great benefit to the community.

We are looking for two people to fill the vacant committee member positions. The Storytime and Toy Library Committee is a very small commitment, generally meeting once per term. If you can help out with this wonderful group please contact one of the committee members below.

## Playgroup 2020!

Welcome back Playgroupies!

The year kicked off in February with a full house made up of lots of regular members as well as some fresh new faces. It is going to be a busy term with a small busy bee planned in March to erect a new shade sail over the sandpit.

The AGM was held on the 13 February and we welcomed back Cara Hammond as President and Jenny Murray as Secretary. Beverley Playgroup tragically lost our Treasurer Teagan Hudson last year, and we thank her for her time as Treasurer in 2019. Beverley Playgroup would like to extend our condolences to Damian, our little member Micah, and to all of Teagan's friends and family. She will be missed. Siobhan Marshall has taken on the role as Treasurer for 2020.

Playgroup is open every Thursday during the School Term from 9.30am to 11.30am. We are located at the Playgroup Building within the School Grounds on Lennard Street.

*Note there is no playgroup during the school holidays.*

All babies / children 0 to 4 years and their carergivers are welcome, and of course that includes Dads, Grand Parents, Aunties, Uncles etc. Please feel free to pop in for a cup of tea one morning to see what it is all about.

## Help for your youth focused National Tree Day Event

National Tree Day, proudly sponsored by Toyota Australia, was co-founded in 1996. It has now grown into Australia's largest community tree-planting and nature protection event. Planet Ark is asking Australians to help plant one million new native trees and shrubs across the country.

This year Planet Ark are helping schools and community groups who register their event through their Seedling Bank Initiative. This program will provide financial support to schools and community groups to fund the purchase of seedlings.

Wheatbelt NRM is also keen to help our schools, playgroups, day cares and youth groups be part of this event. Once you've registered your event with Planet Ark contact us and we can work out how we can do it together.

From assisting with site selection, developing seedlings lists or finding seedlings in nurseries, Wheatbelt NRM are keen to help.

Apply for the Seedling Bank support at the Planet Ark website. If you're not successful we may have limited funds available to help pay for the cost of your seedlings.

Please send an email to [info@wheatbeltnrm.org.au](mailto:info@wheatbeltnrm.org.au) to register your interest and we'll contact you. Register now through the Planet Ark website at as we need to find available seedlings promptly for your event this year.

## *The Ant Blitz is on!*

### **Want to know what your problem ants are and how to control them? Or simply keen to contribute to ant surveillance in WA?**

Our Department is running an Ant Blitz from the 24 February to 3 April 2020 and is encouraging samples and reports of unfamiliar ants in WA. If you have an ant problem in your property and have been struggling with control – why not collect a sample, submit it to our department and we will tell you what they are and how to control them (if needed).

Unless you know the species of ant, control can be guesswork, time consuming, and sadly you can waste a fair bit of money trying different products. Sending in samples for identification can help you choose the right product.

By submitting samples, you can also learn about the types of ants at your property and contribute to ant surveillance in WA. The recent detection of two exotic and problematic species; Red Imported Fire Ants (RIFA) and Browsing ants in WA, is testament to the ability of ants to arrive in WA via freight and cargo. Their rapid detection provides the best chance of eradication and preventing the

economic, social and environmental impacts of these ants – **so help with surveillance to keep the world's worst ants out of WA!**

### **Sampling Instructions**

- Brush ants into a sealed container or zip lock bag and place in the freezer for 1 hour.
- Label samples with the collection location (e.g. backyard, kitchen, bathroom, driveway etc.), your name, contact number, email address and postal address.
- Deliver or post to: Ant Blitz, Department of Primary Industries and Regional Development, Pest and Disease Information Service, 3 Baron-Hay Court, South Perth WA 6151.

Further information can be found at [agric.wa.gov.au](http://agric.wa.gov.au) and search 'ant control' or contact our Pest and Disease Information Service on (08) 9368 3080 or [padis@dpird.wa.gov.au](mailto:padis@dpird.wa.gov.au).

## **Annual General Meeting**

The Club's Annual General Meeting was held on Tuesday 04 February 2020.

The President reported on a successful 2019 season and thanked all who assisted at the club throughout the year. The Treasurer's report indicated a healthier situation than at the same time last year with the darts and Wednesday Scroungers events nominated as assisting the club financially.

## **Committee**

The Committee for the 2020 season is:

President	Darrell Hagan
Vice President	Chris Lawlor
Secretary	Yvonne Hobbs
Treasurer	Stephen Gollan
Mens Captain	Mark Kont
Mens Vice-Captain	Keith Hawkins
Ladies Captain	Sera Minchin
Ladies Vice-Captain	Lyn McTaggart
Committee	Ken Bradley, Alan Hammond, Margie Peck, Maxine Watts, Eddie Willis

## **Patron**

The Club is honoured that John Donovan has agreed to be the Club's Patron, taking over from Fred Bremner who had filled this role for the past several years.

## **Membership**

All membership subs for the 2020 season will remain at the current level.

Full Membership	\$140.00
Country Membership	\$110.00
Social Membership	\$ 50.00
Junior Membership	\$ 50.00 (Year 12 and Under)
New Members	\$ 70.00 (50% of Full Member)

## **Busy Bees**

Busy Bees are scheduled for Saturday 01 March and Saturday 15 March. The aim of the days are to clean-up the course and undertake greens maintenance. Any members with a couple of hours to spare who can come down and help out on either or both of these days would be appreciated. For further information please contact Mark Kont on 0490 037 810.

## **Opening Day**

The first fixture for 2020 will be the **T-Bone and Sons** Mixed Teams Ambrose-in-Threes event to be held on **Saturday 04 April**. The season will be opened at noon with tee-off scheduled for 12.30pm. Players can either organise their own mixed teams or be aligned with a team on the day.

We look forward to seeing all members, and anyone interested in becoming a playing member – male or female, on the day. Further information can be found by ringing Mens Captain Mark Kont on 0490 037 810.

On the Sunday prior to Opening Day (March 29) and East vs West challenge will be held. The format will be match-play foursomes with handicaps. Team Captains are yet to be decided but you can contact Mark Kont if you are interested in playing in what may prove to be interesting days golf.

## **Coaching**

The club will again be arranging for a professional coach from the WA Golf Association to provide sessions during the coming year. The dates and cost are yet to be confirmed but will be advertised as soon as we know.

## **New Ideas**

As always, the committee is looking into new ways to attract members to the club. If you have any ideas or suggestions please contact any one of the committee or you can email your thoughts to [bevgolf@wn.com.au](mailto:bevgolf@wn.com.au)

Entries are now open! Head to [beverleytennisclub.com](http://beverleytennisclub.com) for details and to complete your online registration. Entries close Monday 23 March at 12 noon. The club is also looking for volunteers to run the Sunday sundowner. Please speak to a committee member if you are able to take on this important role.

## Championship Singles

The Championship Singles were held on Sunday 09 February 2020. The numbers were excellent and a great day of tennis had by all. The ladies final was a replay of last year with Annie Budiselik taking on Narelle Bailey. Narelle was the winner in two sets. The men's competition was full of upsets with our youngest competitor Mitchell Ashworth making his way to the final. He faced a very experienced Rob de Gruchy in the final who eventually took out the win in two sets. Congratulations to Rob and Narelle on being the Club Champions. The club would like to thank Paul & Deb Roediger for their generous sponsorship of the Championships. The men's and ladies doubles is next to be played on 8 March, followed by the mixed doubles on 29 March.

## WFI Mix Up Tournament

A lot of tennis was played in great spirit on Sunday 23 February 2020. Everyone plays for themselves in a doubles format with a different partner each game. The winners of the A reserve group were Emily Miller for the ladies and Stitch Thompson for the Men. In A grade the winner of the ladies was Alex Kop and the winner of the Men was Narelle Bailey! That is not a typo...due to numbers Narelle played in the Men's group and came up trumps! What a fantastic achievement.

## Around the Club

The next committee meeting is Sunday 08 March. Graeme has completed the painting of the dug out – thanks!

Cheers to Narelle for being available for the Schools Classic. Best wishes to Captain Brett for a speedy recovery after a holiday mishap and thanks to Rob for having our courts looking fabulous for all our recent and coming events.

## BEVERLEY 'REDBACKS' FOOTBALL CLUB

The preparations for the 2020 season are well underway, with pre-season training occurring every Tuesday and Thursday at the Beverley football oval. Numbers at training have been great and we encourage people to come down and join us from 6pm.

The football club has two pre-season scratch matches lined up to test our legs before the home and away season begins. Stay tuned to the Facebook page as more information becomes available.

Fixtures for the season have now been finalised and will be made available to members and supporters over the coming weeks. We have managed to secure a number of Saturday games again this year, so we will be holding some functions throughout the season.

Keep an eye on our Facebook page for more information regarding the fixtures, scratch matches and more!

As always, we are still looking for players across both football and netball. If you are keen to play and get involved with the club this year contact President Justin Mann on 0448 979 234 or Secretary Rebecca Smith on 0409 684 818 for more information.

# BEVERLEY JUNIOR SPORTS

 Beverley Junior Sporting Council

Our junior cricket stars played the Jelcobine Junior Cricket Team on Saturday 08 February, enduring the extremely hot conditions. It was excellent to watch another great game, the players must all be congratulated for their good team work out on the field and especially as there were no complaints, despite the conditions.

Thank you to the spectators that came and watched in the little bit of shade that was found. Special thanks to the umpire of the match, Brad Copping and Sam Mearns for helping score.

## Beverley Netball Club

# Beverley Horse and Pony Club

## Who's been out and about ...

**Mortlock Tetrathlon at Goomalling:** On 01 & 02 February, we had 5 fit and ready members ran, swam, laser shot and rode a cross country course over the weekend. Congratulations to Emily Maxwell (1st), Mac Ballantyne, Jamie-Lee Speedy (2nd), Jessica Maxwell (2nd) and Carly Ballantyne (completed!).

Well done team!

**State Coaching School:** Tess Hawke, Jessamin Pain, Annette Robertson, Tealah Hawke and Marie Hammond attended the two day clinic which covered introduction to the new syllabus, jumping, games and flat work coaching, horse nutrition, worming management, gear checking updates and so much more. Pony Club WA run this clinic every year for coaches and it is always extremely informative and thought provoking.

**Best wishes on a speedy recovery** to club member Jamie-Lee, and her family, following an accident that has severely damaged her ankle. We all feel for you kiddo!
