MATTERS ARISING FROM MINUTES:

Still awaiting a Fire Break Order template to be finalized by DFES so that we can incorporate a more comprehensive and cohesive Fire Break Order for the 2020/21 Season.

BRIGADE REPORTS:

Avondale: One lightning strike fire.

Beverley North East: Barrett-Lennard header fire.

Beverley South East: Attended a fire in Quairading.

Beverley Central: Tip fire, Barrett-Lennard header fire. Reasonable member numbers currently.

Dale Kokeby: Fire at the Olive Farm. Williamson Road Fire.

Dale West: Lightning strike fire at start of season. Williamson Road fire. **ELECTION OF FIRE CONTROL OFFICERS:**

Chief Bush Fire Control Officer – Bill Cleland was nominated by Bruce Kilpatrick and seconded by Rob Fisher. No further nominations were received and Bill Cleland was elected to the role.

Deputy Chief Bush Fire Control Officer – Deane Aynsley was nominated by Bruce Kilpatrick and seconded by Ben Murray. No further nominations were received and Deane Aynsley was elected to the role.

Beverley Central – Rick Smith was nominated by Stephen Moore and seconded by Ben Murray. No further nominations were received and Rick Smith was elected to the role.

Dale West – Paul Schilling re-nominated himself to continue. No further nominations were received and he was re-elected to the role.

Fire Weather Officers:	Bill Cleland
	Deane Aynsley
	Andrew Shaw

BUSINESS OF MEETING:

It was agreed that Permit to Burn approvals will be for a maximum of 14 days for agricultural applicants and a maximum of 5 days for all other applicants.

The Fire Break Order from the current season needs amending to correctly reflect the Gazetted Burning Times for the Shire of Beverley.

Restricted Burning Times run from 3rd October to 14th November and from 15th February to 29th March.

Prohibited Burning Times run from 15th November to 14th February.

Unrestricted Burning Times are from 30th March to 2nd October.

GENERAL BUSINESS:

Discussions were had regarding planning effectively for mopping up of fire incidents. Sectorization is required as soon as possible at an incident and shift changeovers need to be planned for long running incidents.

Discussion was had on the use of WAERN radios at incidents and the need to consider that the majority of units on the fireground have only UHF radios. UHF Emergency Channel 5 needs to be dual transmitted and received on WAERN radio sets along with High Band Channel 108.

Training courses for FCO, Sector Commander and First Aid requested to be conducted before the next season.

The letter approaching the Olive Tree Farm regarding their fire control responsibilities to be sent and followed up before next season.

Telstra has been made aware of communication failure issues with their mobile phone towers via the District Operational Advisory Committee (DOAC).

NEXT MEETING:

The next meeting is proposed to be set for a date in October.

CLOSURE:

There being no further business the meeting closed at 7.50pm.

I hereby certify these Minutes as being confirmed in accordance with Section 5.22 of the Local Government Act 1995.

SUBMISSION TO:Ordinary Council Meeting 28 April 2020REPORT DATE:22 April 2020APPLICANT:N/AFILE REFERENCE:ADM 0171AUTHOR:S.P. Vincent, Manager of WorksATTACHMENTS:10 Year Road Program (under separate cover)

SUMMARY

Council to consider receiving the Ten Year Road Program 2020 – 2029.

BACKGROUND

The Ten Year Road Program is reviewed annually and is used to ensure projects remain on schedule and not forgotten if they need to be moved out.

The program often changes through the budget process and as different community needs change and evolve.

COMMENT

On Wednesday 18 March 2020 Cr's Gogol, Lawlor, McLaughlin and Seed along with Manager of Works, Steve Vincent completed a road inspection.

From that inspection the 2020/21 road program and Ten Year Road Program were discussed in an hour workshop prior to the Council Meeting on Tuesday 24 March 2020.

The final Ten Year Road Program is attached.

9. PLANNING SERVICES

9.1 Development Application: Single House – 44 (Lot 12) Dawson Street

SUBMISSION TO:	Ordinary Council Meeting 28 April 2020
REPORT DATE:	20 April 2020
APPLICANT:	Tara Smith (Owner: Daryle Burton)
FILE REFERENCE:	DAW 991
AUTHOR:	B.S. de Beer, Manager Planning & Development Services
ATTACHMENTS:	Application, Locality Map, Site Plan and Floor Layout

SUMMARY

An application has been received to construct a Single House at 44 (Lot 12) Dawson Street. It will be recommended the application be approved.

BACKGROUND

The subject property is located at 44 (Lot 12) Dawson Street, is zoned '*Rural Townsite*' with a density coding of R40 in terms of the Shire of Beverley Local Planning Scheme No. 3 (LPS 3). The lot is 860 m² in extent.

In terms of LPS 3 a 'single house' is a 'D' use (*discretionary*) in this Zone which means that 'the use is not permitted unless the local government has exercised its discretion by granting development approval'.

There is an existing corrugated iron building/shed on the property. It is in this shed that the Old Power House was housed and where the *Silver Centenary Aircraft* was constructed by Selby Ford in 1929. The latter are acknowledged in the 1995 Shire of *Beverley Municipal Heritage Inventory*.

COMMENT

The proposal is deemed to be in harmony with the planning intent for the precinct as reflected in the Shire of Beverley Local Planning Strategy.

Applications for planning approval for single dwellings at 38 (Lot 1) and 40 (Lot 2) Queen Street (also within the '*Rural Townsite*' zone), had previously been considered and approved by Council.

As mentioned earlier the existing shed on the site is recorded on the Municipal Heritage Inventory (MHI) and henceforth any planning proposals for the lot should take this into account. It is however submitted that minimal change is proposed to the shed and that the adaptive reuse of heritage listed places is a recognised approach in retaining the heritage values and integrity of a property. It is not considered that the granting of approval for a single house on the lot as proposed will detract from these values.

CONSULTATION

No consultation was deemed required.

STATUTORY ENVIRONMENT

The application may be approved under the Shire of Beverley's Local Planning Scheme No. 3.

FINANCIAL IMPLICATIONS

There are no financial implications relative to this application.

STRATEGIC IMPLICATIONS

There are no strategic implications relative to this application.

POLICY IMPLICATIONS

There are no policy implications relative to this application.

VOTING REQUIREMENT

OFFICER'S RECOMMENDATION

That Council resolve to grant planning approval for a Single House at 44 (Lot 12) Dawson Street, Beverley, subject to the following conditions and advice notes:

Conditions:

- 1. Development shall be carried out only in accordance with the terms of the application as approved herein and any approved plan, prepared by the applicant and endorsed by Council's Shire Planner.
- 2. Suitable arrangements are to be made for connection to the sewer system prior to occupation.
- 3. Suitable arrangements are to be made for connection to a potable water supply prior to occupation.

Advice Notes:

- Note 1: If the development the subject of this approval is not substantially commenced within a period of 2 years, or another period specified in the approval after the date of determination, the approval will lapse and be of no further effect.
- Note 2: Where an approval has so lapsed, no development shall be carried out without the further approval of the local government having first been sought and obtained.
- Note 3: Nothing in the approval or these conditions shall excuse compliance with all relevant written laws in the commencement and carrying out of the development.
- Note 4: The applicant is advised a building permit is required prior to commencement of any building works.
- Note 5: If an applicant is aggrieved by this decision there is a right of review by the State Administrative Tribunal in accordance with the *Planning and Development Act 2005* Part 14. An application must be made within 28 days of the determination.

SHIRE OF BEVERLEY 2 5 MAR 2020 Goodmorning. FRE REF: DAW991 CEO SP CESM DICEO BS MO MOW DEHO I haven't seen 44 Dawson St, only what the Teal Estate has released. I'm verwing the Shed on Sat 18th April of 10am with Helen. If the Shed is every I need fingers crossed it will be my dream home. The paperwork I have included, which isn't to scale is what I would love to do to the rear of the shed. The bedrooms and bathroom will be inside the shed. They will be finished off with a flat roof reinforced. The rear of the shed will not be touched in anyway as it will be my feature wall in the Kitchen-living and bedrooms. I will have to remove a small piece of tin for the hallway from the Kitchen-living areg and reuse it on the backdoor to enter thec shed. I hope you like my idea of My Dream home. It will be a ongoing project over 2-3 years using tradies from Beverly. Please let me know if I can. Thank you so much for your time. Tara Smith 6407449756 Jaraasmith 999@gmail.com

AUTHOR:	S.K. Marshall, Deputy Chief Executive Officer
ATTACHMENTS:	March 2020 Financial Reports

SUMMARY

Council to consider accepting the financial report for the period ending 31 March 2020.

BACKGROUND

There is a statutory requirement that the Local Government is to prepare, each month, a statement of financial activity reporting on sources and applications of its funds and to present the statement to Council.

Council adopted a budget variance reporting parameter of 10% on budgeted items of \$10,000 or greater at the July 2019 Ordinary Meeting, item 11.3.

COMMENT

The monthly financial reports for the period ending 31 March 2020 have been provided and include:

- Financial Activity Statement;
- Statement of Net Current Assets;
- Statement of Financial Position; and
- Supplementary information, including;
 - Operating Statement by Nature and Type;
 - Road Maintenance Report; and
 - Investment of Surplus Funds Report.

STATUTORY ENVIRONMENT

Section 6.4(1) of the *Local Government Act* provides that a local government is to prepare an annual financial report for the preceding financial year and such other financial reports as are prescribed.

Regulation 34 of the *Local Government (Financial Management) Regulations* requires a Statement of Financial Activity to be prepared each month which is to contain the following details:

- (a) annual budget estimates;
- (b) budget estimates to the end of the month;
- (c) actual amount of expenditure and revenue;
- (d) material variances between comparable amounts in (b) and (c) above; and
- (e) the net current assets at the end of the month to which the statement relates (i.e. surplus / (deficit) position).

The Statement is to be accompanied by:

- (a) explanation of the composition of net current assets, less committed assets and restricted assets;
- (b) explanation of the material variances; and
- (c) such other information considered relevant by the local government.

SUMMARY

Council to consider authorising the payment of accounts.

BACKGROUND

The attached list represents accounts paid by authority for the month of March 2020.

COMMENT

Unless otherwise identified, all payments have been made in accordance with Council's 2019/20 Budget.

STATUTORY ENVIRONMENT

Regulation 12 of the Local Government (Financial Management) Regulations provides that:

- (1) A payment may only be made from the municipal fund or the trust fund
 - (a) if the local government has delegated to the CEO the exercise of its power to make payments from those funds by the CEO; or
 - (b) otherwise, if the payment is authorised in advance by a resolution of the council.
- (2) The council must not authorise a payment from those funds until a list prepared under regulation 13(2) containing details of the accounts to be paid has been presented to the council.

Regulation 13 of the Local Government (Financial Management) Regulations provides that:

- (1) If the local government has delegated to the CEO the exercise of its power to make payments from the municipal fund or the trust fund, a list of accounts paid by the CEO is to be prepared each month showing for each account paid since the last such list was prepared —
 - (a) the payee's name;
 - (b) the amount of the payment;
 - (c) the date of the payment; and
 - (d) sufficient information to identify the transaction.
- (2) A list of accounts for approval to be paid is to be prepared each month showing
- (a) for each account which requires council authorisation in that month
 - (i) the payee's name;
 - (ii) the amount of the payment; and
 - (iii) sufficient information to identify the transaction;

and

- (b) the date of the meeting of the Council to which the list is to be presented.
- (3) A list prepared under sub regulation (1) or (2) is to be ---

- (a) presented to the Council at the next ordinary meeting of the council after the list is prepared; and
- (b) recorded in the minutes of that meeting.

<u>11.3 Drought Communities Programme – Caravan Park Onsite</u> <u>Accommodation Project</u>

SUBMISSION TO:	Ordinary Council Meeting
REPORT DATE:	8 April 2020
APPLICANT:	Shire of Beverley
FILE REFERENCE:	ADM 0582
AUTHOR:	S.K. Marshall, Deputy Chief Executive Officer
ATTACHMENTS:	Concept Site Plan and Accommodation Layouts

SUMMARY

Council to consider progressing with the construction of up to six onsite accommodation units at the Beverley Caravan Park utilising Drought Communities grant funds.

BACKGROUND

On 28 January 2020, the Australian Government committed to provide funding for 52 drought-affected councils under the Drought Community Program – Extension.

The Shire of Beverley was one of the 52 councils identified and is eligible to receive \$1 million in funding toward capital works that will provide benefit to the local community.

COMMENT

Council has already committed to allocating \$420,000 of the Drought Communities Program Funding towards the Beverley Youth Activity Area project (see Ordinary Council Meeting Minutes March 2020 item 11.4).

It is proposed that the remaining \$580,000 be allocated towards the construction of up to six onsite self contained accommodation units at the Beverley Caravan Park.

Two different floorplans have been developed, in concept, to cater for singles/couples and families.

Construction of three Units to cater for singles/couples and three to cater for families would be the proposed mix of accommodation options.

The vacant area directly north of the current Caravan Park has been earmarked as the development area. This block is on the same title as the Caravan Park and is clear to be used for an onsite accommodation purpose. In addition, existing services running to the Caravan Park can be used to service the site, which is expected to minimise headworks costs. It is expected that Council will need to contribute to solar power, furnishing the units, landscaping of the area and to construct a suitable access road to the Units. An allowance of \$120,000 (solar power, landscaping and furnishing) from the Building Reserve and \$50,000 (access road) from the Roads Reserve is requested to allow for these costs.

This will allow a project budget of \$750,000.

The actual construction of the Units is proposed to be undertaken by all local tradesman (where possible). Local trades have been invited to be involved in the project, with response being received from Rozema Builders, Beverley Electrical, Turn It Up Electrical, Beverley Gas and Plumbing and Shazmac Plumbing to be involved in the project.

A preliminary meeting with the interested parties was held on 7 April 2020. John Rozema has been nominated as the Project Coordinator and has been asked to work with the local trades to produce designs and working documents based on the concept plans provided.

It is expected for construction to begin in July 2020.

Given the funding requirement to utilise local trades, where possible, a tender exemption is going to be requested from the Minister of Local Government to expedite the project without the need to go to tender.

STATUTORY ENVIRONMENT

The *Local Government Act 1995* allows the following in relation to calling tenders for the supply of goods and services:

3.57. Tenders for providing goods or services

- (1) A local government is required to invite tenders before it enters into a contract of a prescribed kind under which another person is to supply goods or services.
- (2) Regulations may make provision about tenders.

The Local Government (Functions and General) Regulations 1996 allows the following in relation to calling tenders for the supply of goods and services:

- 11. When tenders have to be publicly invited
- (1) Tenders are to be publicly invited according to the requirements of this Division before a local government enters into a contract for another person to supply goods or services if the consideration under the contract is, or is expected to be, more, or worth more, than \$150 000 unless subregulation (2) states otherwise.
- (2) Tenders do not have to be publicly invited according to the requirements of this Division if
 - (a) the supply of the goods or services is to be obtained from expenditure authorised in an emergency under section 6.8(1)(c) of the Act; or
 - (b) the supply of the goods or services is to be obtained through the WALGA Preferred Supplier Program; or
 - [(ba) deleted]
 - (c) within the last 6 months —

- the local government has, according to the requirements of this Division, publicly invited tenders for the supply of the goods or services but no tender was submitted that met the tender specifications or satisfied the value for money assessment; or
- (ii) the local government has, under regulation 21(1), sought expressions of interest with respect to the supply of the goods or services but no person was, as a result, listed as an acceptable tenderer; or
- (d) the contract is to be entered into by auction after being expressly authorised by a resolution of the council of the local government; or
- (e) the goods or services are to be supplied by or obtained through the government of the State or the Commonwealth or any of its agencies, or by a local government or a regional local government; or
- (ea) the goods or services are to be supplied
 - (i) in respect of an area of land that has been incorporated in a district as a result of an order made under section 2.1 of the Act changing the boundaries of the district; and
 - (ii) by a person who, on the commencement of the order referred to in subparagraph (i), has a contract to supply the same kind of goods or services to the local government of the district referred to in that subparagraph; or
- (f) the local government has good reason to believe that, because of the unique nature of the goods or services required or for any other reason, it is unlikely that there is more than one potential supplier; or
- (g) the goods to be supplied under the contract are
 - (i) petrol or oil; or
 - (ii) any other liquid, or any gas, used for internal combustion engines; or
- (h) the following apply
 - the goods or services are to be supplied by a person registered on the Aboriginal Business Directory WA published by the Small Business Development Corporation established under the Small Business Development Corporation Act 1983; and
 - (ii) the consideration under the contract is \$250 000 or less, or worth \$250 000 or less; and
 - (iii) the local government is satisfied that the contract represents value for money; or
- (i) the goods or services are to be supplied by an Australian Disability Enterprise; or
- (j) the contract is a renewal or extension of the term of a contract (the original contract) where
 - the original contract was entered into after the local government, according to the requirements of this Division, publicly invited tenders for the supply of goods or services; and
 - (ii) the invitation for tenders contained provision for the renewal or extension of a contract entered into with a successful tenderer; and
 - (iii) the original contract contains an option to renew or extend its term; and
 - (iv) the supplier's tender included a requirement for such an option and specified the consideration payable, or the method by which the consideration is to be calculated, if the option were exercised;

or

(k) the goods or services are to be supplied by a pre qualified supplier under Division 3.

11.4 2020/21 Budget - Rates and Other Fees and Charges

SUBMISSION TO:	Ordinary Council Meeting 28 April 2020
REPORT DATE:	8 April 2020
APPLICANT:	N/A
FILE REFERENCE:	ADM 0275
AUTHOR:	S.K. Marshall, Deputy Chief Executive Officer
ATTACHMENTS:	Nil

SUMMARY

Council to consider freezing Rates and Other Fees and Charges for the development of the draft 2020/21 Budget in response to the COVID-19 pandemic and the associated economic impact of State and Federal measures to contain the virus in Australia.

BACKGROUND

Cases of COVID-19 first emerged in December 2019, when a mysterious illness was reported in Wuhan, China. The cause of the disease was soon confirmed as a new kind of coronavirus, and the infection has spread around the world.

On 11 March 2020, the World Health Organisation (WHO) announced that the outbreak should be considered a pandemic, meaning that multiple countries are seeing sustained transmission between people of an outbreak causing disease or death.

On 15 March the Australian Chief Health Officer (CHO) declared a state of emergency in the wake of the COVID-19 pandemic.

On 19 March the Acting CEO convened a meeting of the COVID-19 Incident Management Group (IMG) to implement and manage Council's Business Continuity and Incident Response Plan. The IMG consists of the CEO, DCEO, MOW, MPDS and the Executive Assistant.

All the while the State and Federal Government has been implementing measures to try and slow the spread of the disease. The Shire of Beverley has been complying with these measures with the major strategy being around "social distancing" and limiting non-essential interactions between staff and the general public.

The ramifications of these containment measures have meant an abrupt contraction of economic activity particularly effecting the airline, hospitality and tourism industries across Australia. Fortunately, the Beverley district's economy revolves around agriculture and associated supply businesses. There seems to be little disruption to farming enterprises as a result of the COVID-19 measures.

COMMENT

There is an expectation from the State and Federal Governments that Rates revenue be frozen at 2019/20 levels for the 2020/21 financial year. Council needs to be aware that if land valuations change, individual rates notices may differ from the 2019/20 financial year as the rate in the dollar will have to be adjusted to raise the same

amount of rate revenue. The State Government, through Minister of Lands Hon Ben Wyatt MLA, have advised that new valuations will apply for 2020/21.

This is disappointing considering the "collaborative" message the State Government has been sending to Local Governments.

UV property valuations have increased in total by 4%.

Alternatively, the Rate in the Dollar could be frozen. If valuations go up rates revenue will increase and vice versa.

If a Rates freeze is to be imposed, Council may need to consider freezing wages in response to this measure or alternatively cut discretionary expenditure to maintain a balanced Budget. Currently, any increase to the national minimum wage has been passed on in full to Council employees employed under the Local Government Industry Award 2010.

The State Government has indicated that utility and other state imposed charges will be frozen for 2020/21.

In addition, Council may consider freezing all discretionary fees and charges at 2019/20 levels. It is suggested that all cost recovery based and contract based fees and charges be reviewed and adjusted according to any cost increases or contractual obligations (e.g. refuse collection, standpipe water provision etc).

Further, it is recommended that the Chief Executive Officer be delegated the authority to waive any Shire of Beverley imposed fee or charge during the 2020/21 financial year in response to any hardship identified in the community (individuals and Beverley community organisations).

This report is not intended act as the setting of Rates for 2020/21, the official rate setting will proceed as per normal during the course of the 2020/21 Budget adoption process.

SUMMARY

Council to consider deferring the Community Grant of \$4,000.00 awarded to Beverley Off Road Motor Association (BORMSA) in the January 2020 grants round.

BACKGROUND

The Community Grants were awarded at the 24 February 2020 Ordinary Council meeting. Clubs have until 5 June 2020 to claim their grant money and 31 August 2020 to complete the project.

COMMENT

Due to the COVID-19 pandemic, BORMSA are unable to complete their new toilet block project. Their club is closed to members to abide by social distancing rules which in turn ceases any income and affects the ability to physically construct the toilets. The Club has asked if Council can defer their grant to 2020/21 without having to reapply and compete against other clubs. BORMSA still very much want to complete the toilet block in the next financial year when business resumes.

SUMMARY

Council to consider including the draft 2020/21 Capital Program in the draft 2020/21 Budget.

BACKGROUND

Through Road Inspections, Committee Meetings and Workshops, Council has provided Staff with direction for the 2020/21 Capital Program throughout the 2019/20 Financial Year.

Further, the proposed 2020/21 Capital program has been informed by the 2020/21-2029/30 Long Term Financial Plan which was adopted in November 2019.

COMMENT

The draft 2020/21 Capital Program (attached) outlines Councils Capital works plan for the next financial year.

Costs included for each Capital job have not been confirmed.

A summary of revised net capital expenditure for 2020/21 is as follows:

Description	Estimated Expenditure	Estimated Funding	Net Cost
Roads	\$4,553,864	(\$3,983,578)	\$570,286
Bridges	\$0	\$0	\$0
Footpaths	\$105,835	\$0	\$105,835
Drainage	\$0	\$0	\$0
Land & Buildings	\$3,343,000	(\$2,943,382)	\$399,618
Plant & Equipment	\$710,000	(\$510,000)	\$200,000
Furniture & Equipment	\$15,000	\$0	\$15,000
TOTAL	\$8,727,699	(\$7,436,960)	\$1,290,739

Total capital expenditure for 2020/21 is proposed to be \$8,727,699 with linked Grant, Loan and Reserve funding contributions towards projects being \$7,436,960. It is anticipated that Loan funding will be required to deliver the Main Street and Swimming pool Stage 1 redevelopment projects. Total Loans to be raised in 2020/21 are anticipated to be \$1,700,000.

Note the debt servicing costs of a loan of \$1,000,000 over 20 years is approximately \$70,000 per annum which is equivalent to a once off 2.5% Rate increase. Once this

Rate increase has been implemented, the debt can be serviced for the life of the loan. This requiredrate increase can be spread over several years if required.

Note items at cost of less than \$5,000 are not capitalised. Provisions for IT equipment replacement (\$10,000) and medical equipment replacement (\$10,000) are included in Council's operating allocations.

Staff request Council to confirm the 2020/21 Program, following which firm quotes will be sought for each project (where possible).

SUMMARY

Council to consider implementing a COVID-19 Hardship Policy in response to the COVID-19 health crisis as requested by WALGA and the Minister for Local Government, Hon. David Templeman MLA.

BACKGROUND

Cases of COVID-19 first emerged in December 2019, when a mysterious illness was reported in Wuhan, China. The cause of the disease was soon confirmed as a new kind of coronavirus, and the infection has spread around the world.

On 11 March 2020, the World Health Organistion (WHO) announced that the outbreak should be considered a pandemic, meaning that multiple countries are seeing sustained transmission between people of an outbreak causing disease or death.

On 15 March the Australian Chief Health Officer (CHO) declared a state of emergency in the wake of the COVID-19 pandemic.

On 19 March the Acting CEO convened a meeting of the COVID-19 Incident Management Group (IMG) to implement and manage Council's Business Continuity and Incident Response Plan. The IMG consists of the CEO, DCEO, MOW, MPDS and the Executive Assistant.

At the 24 March Ordinary Council meeting, Council adopted a COVID-19 response strategy which resolved:

That;

- 1. a special allowance for paid COVID-19 Leave for a maximum period of 20 working days (Monday-Friday) for all employees, be made available in the event mandatory isolation is imposed by the State or Federal Government.
- 2. \$20,000 maximum be utilised from the Community Cropping Reserve to subsidise the delivery of essential supplies to those most vulnerable in the community, in support of the Community Resource Centre initiative, in the event of mandatory isolation being imposed by the State or Federal Government.
- 3. access to all Council owned facilities by the public be prohibited until further notice, with the exception of the Shire Administration building, the Cornerstone

Building and public toilets, effective 25 March 2020, to be reviewed at the April 2020 Ordinary Council Meeting.

- 4. lease charges applicable to commercial tenancies be suspended in the event those businesses cannot continue under imposed shut down provisions and reinstated when business operation returns to normal.
- 5. fees and charges for the use of Council facilities applicable to Community groups be suspended and reviewed when the Community groups begin operating as normal.
- 6. discussions regarding Community Resource Centre charges be held with the Community Resource Centre Committee to determine an equitable outcome for both parties.

On 31 March 2020 the Minister for Local Government wrote to all Councils requesting they consider adopting WALGA's Hardship Policy.

COMMENT

A copy of the Hardship Policy is provided in the attachments to this report. The Policy outlines specific criteria around the evidence that may be required to prove financial hardship such as (but not limited to):

- Recent unemployment or under-employment;
- Sickness or recovery from sickness;
- Low income or loss of income; and
- Unanticipated circumstances such as caring for and supporting extended family.

The policy also encourages local governments to reserve the right to consider waiving additional charges or interest (excluding the late payment interest applicable to the Emergency Services Levy).

Management have been guided by this template, making slight amendments to develop its own policy, which is attached. It is also recommended that to effectively implement any measures in a timely manner around the Hardship Policy, that a delegation to the CEO be endorsed.

Template COVID-19 Financial Hardship Policy

WALGA Note: WALGA provides this template policy as a <u>guide</u> for Local Governments. This template policy provides suggested wording only and Local Governments should review this policy content and consider, develop and implement policy suitable to their operational requirements.

Remember: Policy implementation is given effect through appropriate induction, ongoing training and operational procedures that evidence Council Members and Employees have been made aware of and are accountable for their obligations and responsibilities.

Policy Objective

To give effect to our commitment to support the whole community to meet the unprecedented challenges arising from the COVID19 pandemic, the <<Shire/ Town / City of XXX>> recognises that these challenges will result in financial hardship for our ratepayers.

This Policy is intended to ensure that we offer fair, equitable, consistent and dignified support to ratepayers suffering hardship, while treating all members of the community with respect and understanding at this difficult time.

Policy Scope

This policy applies to:

- 1. Outstanding rates and service charges as at the date of adoption of this policy; and
- 2. Rates and service charges levied for the 2020/21 financial year.

It is a reasonable community expectation, as we deal with the effects of the pandemic that those with the capacity to pay rates will continue to do so. For this reason the Policy is not intended to provide rate relief to ratepayers who are not able to evidence financial hardship and the statutory provisions of the *Local Government Act 1995* and *Local Government (Financial Management) Regulations 1996* will apply.

Policy Statement

1 Payment difficulties, hardship and vulnerability¹

Payment difficulties, or short term financial hardship, occur where a change in a person's circumstances result in an inability to pay a rates or service charge debt.

Financial hardship occurs where a person is unable to pay rates and service charges without affecting their ability to meet their basic living needs, or the basic living needs of their dependants. The <<Shire/ Town / City of XXX>> recognises the likelihood that COVID19 will increase the occurrence of payment difficulties, financial hardship and vulnerability in our community. This policy is intended to apply to all ratepayers experiencing financial hardship regardless of their status, be they a property owner, tenant, business owner etc.

¹ Adapted from the Ombudsman Western Australia publication, Local government collection of overdue rates for people in situations of vulnerability: Good Practice Guidance: http://www.ombudsman.wa.gov.au/

Template - COVID-19 Financial Hardship Policy

2 Anticipated Financial Hardship due to COVID19

We recognise that many ratepayers are already experiencing financial hardship due to COVID-19. We respect and anticipate the probability that additional financial difficulties will arise when their rates are received.

We will write to ratepayers at the time their account falls into arrears, to advise them of the terms of this policy and encourage eligible ratepayers to apply for hardship consideration. Where possible and appropriate, we will also provide contact information for a recognised financial counsellor and/or other relevant support services.

3 Financial Hardship Criteria

While evidence of hardship will be required, we recognise that not all circumstances are alike. We will take a flexible approach to a range of individual circumstances including, but not limited to, the following situations:

- Recent unemployment or under-employment
- Sickness or recovery from sickness
- Low income or loss of income
- Unanticipated circumstances such as caring for and supporting extended family

Ratepayers are encouraged to provide any information about their individual circumstances that may be relevant for assessment. This may include demonstrating a capacity to make some payment and where possible, entering into a payment proposal. We will consider all circumstances, applying the principles of fairness, integrity and confidentiality whilst complying our statutory responsibilities.

4 Payment Arrangements

Payment arrangements facilitated in accordance with Section 6.49 of the Act are of an agreed frequency and amount. These arrangements will consider the following:

- That a ratepayer has made genuine effort to meet rate and service charge obligations in the past;
- The payment arrangement will establish a known end date that is realistic and achievable;
- The ratepayer will be responsible for informing the <<Shire/ Town / City of XXX>> of any change in circumstance that jeopardises the agreed payment schedule.

In the case of severe financial hardship, we reserve the right to consider waiving additional charges or interest (excluding the late payment interest applicable to the Emergency Services Levy).

5 Interest Charges

A ratepayer that meets the Financial Hardship Criteria and enters into a payment arrangement may request a suspension or waiver of interest charges. Applications will be assessed on a case by case basis.

Template - COVID-19 Financial Hardship Policy

6 Deferment of Rates

Deferment of rates may apply for ratepayers who have a Pensioner Card, State Concession Card or Seniors Card and Commonwealth Seniors Health Care Card registered on their property. The deferred rates balance:

- remains as a debt on the property until paid;
- becomes payable in full upon the passing of the pensioner or if the property is sold or if the pensioner ceases to reside in the property;
- may be paid at any time, BUT the concession will not apply when the rates debt is subsequently paid (deferral forfeits the right to any concession entitlement); and
- does not incur penalty interest charges.

7 Debt recovery

We will suspend our debt recovery processes whilst negotiating a suitable payment arrangement with a debtor. Where a debtor is unable to make payments in accordance with the agreed payment plan and the debtor advises us and makes an alternative plan before defaulting on the 3rd due payment, then we will continue to suspend debt recovery processes.

Where a ratepayer has not reasonably adhered to the agreed payment plan, then for any Rates and Service Charge debts that remain outstanding on 1 July 2021, we will offer the ratepayer one further opportunity of adhering to a payment plan that will clear the total debt by the end of the 2021/2022 financial year.

Rates and service charge debts that remain outstanding at the end of the 2021/22 financial year, will then be subject to the rates debt recovery procedures prescribed in the *Local Government Act 1995.*

8 Review

We will establish a mechanism for review of decisions made under this policy, and advise the applicant of their right to seek review and the procedure to be followed.

9 Communication and Confidentiality

We will maintain confidential communications at all times and we undertake to communicate with a nominated support person or other third party at your request.

We will advise ratepayers of this policy and its application, when communicating in any format (i.e. verbal or written) with a ratepayer that has an outstanding rates or service charge debt.

We recognise that applicants for hardship consideration are experiencing additional stressors, and may have complex needs. We will provide additional time to respond to communication and will communicate in alternative formats where appropriate. We will ensure all communication with applicants is clear and respectful.

Title:	COVID-19 FINANCIAL HARDSHIP POLICY				
Objective:	To ensure that we offer fair, equitable, consistent and dignified support to ratepayers suffering hardship, while treating all members of the community with respect during and after the COVID-19 pandemic.				

Objective

To give effect to our commitment to support the whole community to meet the unprecedented challenges arising from the COVID19 pandemic, the Shire of Beverley recognises that these challenges will result in financial hardship for some of our ratepayers during the period 23 March - 31 July 2020.

This Policy is intended to ensure that we offer fair, equitable, consistent and dignified support to ratepayers suffering hardship, while treating all members of the community with respect and understanding at this difficult time

Scope

This policy applies to:

1. Rates and service charges levied for the 2020/21 financial year.

It is a reasonable community expectation, as we deal with the effects of the pandemic that those with the capacity to pay rates will continue to do so. For this reason the Policy is not intended to provide rate relief to ratepayers who are not able to evidence financial hardship and the statutory provisions of the *Local Government Act 1995* and *Local Government (Financial Management) Regulations 1996* will apply.

Statement

Payment difficulties, hardship and vulnerability***

Payment difficulties, or short term financial hardship, occur where a change in a person's circumstances result in an inability to pay a rates or service charge debt.

Financial hardship occurs where a person is unable to pay rates and service charges without affecting their ability to meet their basic living needs, or the basic living needs of their dependants.

The Shire of Beverley recognises the likelihood that COVID19 will increase the occurrence of payment difficulties, financial hardship and vulnerability in our community. This policy is intended to

apply to all ratepayers experiencing financial hardship regardless of their status, be they a property owner, tenant, business owner etc.

Anticipated Financial Hardship due to COVID19

We recognise that many ratepayers are already experiencing financial hardship due to COVID-19. We respect and anticipate the probability that additional financial difficulties will arise when their rates are received.

We will write to ratepayers at the time their account falls into arrears, to advise them of the terms of this policy and encourage eligible ratepayers to apply for hardship consideration. Financial Hardship Criteria

While evidence of hardship will be required, we recognise that not all circumstances are alike. We will take a flexible approach to a range of individual circumstances including, but not limited to, the following situations during 23 March and 31 July 2020:

- Recent unemployment or under-employment
- Sickness or recovery from sickness
- Low income or loss of income
- Unanticipated circumstances such as caring for and supporting extended family

Ratepayers are encouraged to provide any information about their individual circumstances that may be relevant for assessment. This may include demonstrating a capacity to make some payment and where possible, entering into a payment proposal. We will consider all circumstances, applying the principles of fairness, integrity and confidentiality whilst complying our statutory responsibilities.

The Chief Executive Officer will have delegated authority (and in consultation with the Rates Officer) to determine whether a hardship case exists or not based on the supporting documents and evidence provided by the applicant.

Supporting documents include:

2 months of payslips showing decrease in hours/pay due to COVID-19;

Letter from previous employer stating employment termination due to COVID-19;

Statutory Declaration from a person who is being cared for as a result of COVID-19;

Medical Certificate noting inability to work/reduction in work ability due to COVID-19 or risk of COVID-19.

Payment Arrangements

Payment arrangements facilitated in accordance with Section 6.49 of the Act are of an agreed frequency and amount. These arrangements will consider the following:

• That a ratepayer has made genuine effort to meet rate and service charge obligations in the past;

- The payment arrangement will establish a known end date that is realistic and achievable;

SUMMARY

Council to consider adopting the attached Adverse Events Plan as a working document.

BACKGROUND

As part of the Drought Communities Programme Extension to receive \$1 million, the Shire is required to have an Adverse Events Plan.

COMMENT

The Shire engaged Caroline Robinson from Wheatbelt Business Network to develop a plan for the Shire.

The plan identifies a range of potential risks and the level of impact or consequence they may have on the Community.

The Local Emergency Management Arrangements, Business Continuity Plan, Strategic Community Plan and IT Disaster Recovery Plan were all consulted upon to guide the plan.

Council are welcome to suggest any amendments as part of the adoption at the April Council Meeting.

12.3 Beverley Community Garden Licence Agreement

APPLICANT:	Beverley Community Resource Centre
FILE REFERENCE:	ADM 0552

SUMMARY

Council to consider entering into a licence agreement with the Beverley Community Resource Centre to allow access to Lots 52 and 54 Forrest Street and Lots 51 and 53 Bartram Street for the purpose of establishing a community garden.

BACKGROUND

The Community Garden Group approached the Chief Executive Officer in late 2019 to discuss possible sites for a community garden to be established.

Initially the Group decided to progress with a site at the Beverley District High School, however after some issues were raised regarding access to funding and utility costs the School site was abandoned.

In early March 2020 the Community Garden Group approached the Shire again to explore the option of utilising the drainage block at Lots 52 and 54 Forrest Street and Lots 51 and 53 Bartram Street (adjacent to the RSL Hall) to establish their garden.

COMMENT

For legal reasons, as the Community Garden Group is not incorporated, any land usage agreement will need to be made with the Beverley Community Resource Centre who is the umbrella organisation coordinating the Garden Group.

Attached is a proposed Licence agreement for the use of Lots 52 and 54 Forrest Street and Lots 51 and 53 Bartram Street for a community garden.

It is expected that the maintenance of the site and any operating costs of the garden will be covered by the group in exchange for a peppercorn licence charge.

SUMMARY

Council to consider suspending lease charges for Fun2BKids Family Day Care until 30 June 2020.

BACKGROUND

The Australian Government has instructed child care services to remain open to support all workers and have made child care free for all families.

COMMENT

At the 24 March 2020 Ordinary Meeting, Council resolved, as part of its COVID-19 policy, that:

lease charges applicable to commercial tenancies be suspended in the event those businesses cannot continue under imposed shut down provisions and reinstated when business operation returns to normal.

Fun2BKids continues to operate and pay rent as per normal (\$350 per week plus utilities) but one month into the revised subsidy measures introduced by the Federal Government, they are operating with a significantly reduced income which they can no longer sustain.

Their expenses include rent, insurance, food for children, personal protective equipment, utilities and play/learning equipment for children.

They currently service between one and three children per day with no cost to the families, however this is expected to increase with School returning this week.

Attached is the letter of request from Fun2BKids, the Ministers Media Release and Early Childhood Education and Care Relief Package Information for Family Day Care and In Home Care Information Sheet.

It is proposed that the lease charge be suspended until 30 June 2020.

Further, Utility charges (which are subsidised 55% by Council and Fun2BKids currently contribute 12%) are to continue to be paid while Fun2BKids are operating.
