BEVERLEY MEN'S SHED

Old truck given a new lease on life

You may have noticed the area next to Elders has been cleared ready for the Youth Activity Area. The playground will be relocated to the BBQ area next to river and the shelter has been erected at the RV Park. Construction at the Youth Activity Area is expected to commence early June.

Meanwhile at our local Men's Shed, Ken and Daryl (pictured below) have been busily restoring an Austin Truck for the area. Ken has been panel beating and spray painting the body of the truck with Daryl rebuilding the tray out of wood, giving it a new lease on life.

The truck's former life was as Beverley's rubbish truck, owned by the Shire of Beverley Works Crew before retiring at the Avondale Machinery Museum. We look forward to seeing it featured as a hang out spot at the Youth Activity Area.

SHIRE OF BEVERLEY PRESIDENT'S REPORT

COVID-19

The Shire has recently reopened the Town Hall, Amenities Building, Caravan Park and Netball Courts for hire. All places have a developed COVID-19 Safety Plan and restrictions do apply when hiring. The gymnasium and playgrounds currently remain closed.

Important Notice - Rates, Fees and Charges 2020/21

The draft 2020/2021 Budget is being planned with a rates freeze and Council set fees and charges should remain at 2019/20 levels. Whilst a true rates freeze is what Council would have hoped for, in late May 2020 we received advice from the Valuer General that rural assessments have been revaluated and values have increased at an average of 4.19%. Council are extremely disappointed that the State Government are going ahead with this increase after lobbying by LG's and WALGA not to implement this years valuations, particularly in light of the COVID-19 pandemic. This ultimately means that even though Council will not be increasing the overall revenue raised, some rural landowners may see a difference in their 2020/21 rates assessment when compared to their 2019/20 assessment.

Kinetic Sculpture

Thank you to everyone who participated in the Kinetic Sculpture survey. Of the responses received, 79% were in favour of leaving the sculpture where it is. Council resolved that the sculpture will remain in its current location. Many comments suggested the commissioning of another sculpture, this is something Council will take into consideration for the 2020/21 Budget.

Youth Activity Area Update

The Youth Activity Area is underway with a scanning of the site complete and erection of the fencing along the railway line. In addition, the Beverley Mens Shed have been working on the conversion of an old Austin Truck which will add to the play equipment.

Roads

The June roads programme (dependent on weather) includes maintenance grading in various locations throughout the Shire and bitumen sealing on George Street and ANZAC Lane.

On Site Accommodation

Council has progressed planning on building up to six on site accommodation units at the vacant site north of the existing Caravan Park. It is intended the units will be constructed by local tradesman/business under the project leadership of Rozema builders. This location is on the same title as the Caravan Park and existing services can be extended to service the development (at significantly reduced utility headworks cost).

It is acknowledged that there are existing accommodation options in town, however the proposed units are seen as offering a different type of family accommodation and will be complementary to the hospitality businesses in town as these units will not have any cooking facilities, therefore directing people to eat and shop from pubs, cafes and the supermarket.

This project is directly supporting local tradesman and will work towards providing a boost to local business via increased visitation which will be crucial in the recovery phase of COVID 19. The On Site Accommodation project is to be funded utilising funding from the Drought Communities Program Extension and Council Reserves.

Signage

The Tourism Officer and Shire Planner recently completed an audit of street signage throughout the Shire. From the review, new directional signage stacks have been ordered which will assist visitors at the corner of John Street and Hunt Road and another two at John Street and Forrest Street.

Brooking Street Reserve

Council has approved the development of two small walk trail loops in the Brooking Street Reserve which will have marker posts and directions. There will be one large interpretive sign at the beginning of the trail that is at the parking area. The interpretive sign is a work in progress as the information, photography and design is collated. The Shire are hoping to have the works complete before the main wildflower season starts which has seen increasing numbers to the Shire in past two years. The walk trails will help preserve the reserve by eliminating extra unnecessary footpaths throughout the reserve.

Cr Don Davis
Shire President

ANNUAL GREEN WASTE & BULK WASTE

MONDAY 22 JUNE 2020

Council will provide a GREEN WASTE & BULK WASTE KERBSIDE collection for residential properties within the townsite boundary commencing on the above date. Please put your waste out for collection on the Saturday/Sunday (20 and 21 June)

WE WILL REMOVE

- * Garden and green waste - max length 1.5m
- * Old furniture
- * Stoves & de-gassed refrigerators (doors removed)
- * Other white goods
- * Car parts – only if they are drained of all fluids
- * General household items, max length 1.5m
- * Metal, wire, etc.

NOTE: GROUP SIMILAR ITEMS TOGETHER

WE WILL NOT REMOVE

- * **Building Materials:**
Such as: bricks, rubble, sand, etc
- * **Asbestos and cement products**
- * **Renovation and demolition waste**
- * **Tyres, batteries**
- * **Foodstuffs**
- * **Hazardous Chemicals, paint, etc**
- * **Metal or plastic chemical drums**

CAR BODIES AND WATER TANKS

Removal of car bodies and/or Water Tanks is **by appointment only**, please phone the Shire on 9646 1200

PLEASE FOLLOW THESE STEPS TO MAKE COLLECTION EASIER:

1. Place bulk waste **NEATLY** on the street verge.
2. Similar waste to be grouped **SEPARATELY**, e.g. Green Waste, Furniture/timber for recycling purposes.
3. **Do Not** obstruct footpath.
4. **REMOVE** fridge doors and **DRAIN** oil from machinery parts.
5. Please **DO NOT** start placing your bulk waste out **UNTIL FRIDAY 19 JUNE 2020** to the collection date. This constitutes littering and is liable to incur a penalty.
6. Any items **NOT REMOVED** from your verge, **PLEASE REMOVE** or a penalty may be incurred.

CRC OPENING TIMES MONDAY - FRIDAY 8:30am - 4.00pm

The CRC is now open for all services, but please considering calling or emailing before coming in. We are enforcing social distancing and contact tracing, so you will be required to sign in with your details and use hand sanitiser on entry.

GOOD NEWS- the **Library is now open** again! We are fully stocked and have many new books after the State Library sent us 3 months worth of book exchanges. Come in and have a look to see what's new.

The Visitors Centre is also open again, and we have some great products for sale. Locally made soaps and beauty products, jams and chutneys, honey and olive oil, cloth shopping bags and more. Plus WA roasted coffee beans.

We also have alcohol based hand sanitiser for sale in various sizes. **If you see sanitiser that does not contain 60-80% alcohol, it will not be effective in reducing viral load and should not be used to help protect against Covid-19.** Hand washing with soap and water is the gold standard, but when this is not practical alcohol based sanitiser is the next best thing. Come in to the CRC and grab a bottle or two.

We hope to start running all our usual events as soon as possible, so keep an eye out on future Blarney editions.

MACRAME WORKSHOP- Saturday 04 July, 12pm at the Cornerstone. Tickets are \$120 but limited spots available so call the CRC now to book, or go to www.potsandtangles.com to book online.

TRUCK DRIVER TRAINING- expression of interest for HR and MC training on 27 July to 07 August 2020. Call or email the CRC to put your name down ASAP.

CENTRELINK ACCESS POINT

Phone, Scanner, Printer & Computer

Do you need to contact Centrelink, access your MyGov account, upload documents for a claim? The access point at the Cornerstone is available during opening hours of the CRC.

If you need to upload documents or access your account, you can access the Centrelink WiFi from outside of the building. Please note that this is WiFi limited.

DROUGHT RELIEF FUNDING

The Salvation Army is delivering assistance through the Australian governments Drought Community Support Initiative (DCSI – Round 2). The second round of this assistance commenced on 21 November 2019.

If you are a farmer, farm worker, farm supplier or farm contractor who is doing it tough due to the drought you may be eligible for a one off payment of up to \$3,000.

To be eligible you need to be:

- Over the age of 18 years
- Be an Australian citizen or permanent resident
- Live and / or work in the Shire of Beverley (or Brookton, Pingelly, Corrigin or Quairading)
- Have not already received this payment from The Salvation Army or St Vincent de Paul since 21 November 2019.

The maximum amount a household can receive is \$3,000. If more than one eligible household members reside in the same residence, the total assistance provided to the household cannot exceed \$3,000.

You can apply for the drought assistance online at www.salvationarmy.org.au/drought (preferred method) or by calling the 24/7 Telephone Assistance Line on 1300 551 030. If your preferred method is to call the Telephone Assistance Line, please only use this line to make a new application and please leave a voice message with all the information requested.

The Salvation Army has distributed over \$28million of this funding to over 9,900 drought affected households since 21 November 2019, and as at 31 March 2020 were distributing over \$1.2million every three days. As you would appreciate, demand for this assistance has been high.

The Salvation Army will call you to complete your assessment as soon as they can. Please do not make a second application if you have already applied as they will get to you.

The payment is not considered taxable income. If you had assistance in DCSI (Round 1) which concluded on 30 June 2019 you are eligible to apply for assistance for DCSI (Round 2).

Drought Assistance

If you are currently living in an eligible drought affected area in QLD, NSW, Vic, SA, Tas or WA please feel free to reach out.

Your local rural chaplains and Salvation Army officers

The Salvation Army is called on to help over 91,000 people every year, providing support in the midst of an emergency. Our network of rural chaplains and officers support people and communities in regional and remote areas across Australia. We work alongside other rural support agencies, participate in community engagement activities, and conduct regular visits to farmers and rural workers in need of practical assistance, or simply provide a listening ear and the hand of friendship.

Rural chaplains and officers may also provide services such as:

- Emergency financial assistance
- Delivery of donated goods and food hampers
- Emotional and spiritual support and a listening ear
- Advocacy and pastoral care
- Personal support through illness
- Support through grief and loss
- Support during legal proceedings

Their help is critical on the frontline of an emergency, when people are impacted by tragedy out of their control.

Australian Government
Department of Infrastructure, Transport,
Regional Development and Communications

The Salvation Army is working together with St Vincent de Paul Society to deliver the Drought Community Support Initiative – Round 2 (DCSI) for eligible drought affected households.

If you're a farmer, farm worker or farm supplier/contractor who is struggling financially because of the drought, you may be entitled to receive a one-off payment of up to \$3,000 funded by the Australian Government's Drought Community Support Initiative – Round 2 (DCSI).

To be eligible you'll need to be over 18, an Australian citizen or permanent resident, and live/work in a specified Local Government Area (LGA).

Payments can cover numerous expenses such as groceries, vehicle maintenance, energy & utility bills, health & medical expenses.

Eligible households can apply for assistance by:

Calling our assistance line:
1300 551 030

or applying online:
Go to salvationarmy.org.au/drought and fill out an assistance form.

Please note that assistance might be provided by The Salvation Army (indicated with a *) or Vinnies depending on your Local Government Area (LGA). Upon completion of your application for financial assistance you may be required to submit a valid form of I.D.

AVONDALE FARM ACCOMMODATION

Unwind and reconnect with nature in the iconic Wheatbelt region with a stay at this historic farm.

Experience the Avon Valley's rolling agricultural landscape, walk along the rocky nature paths and enjoy a weekend disconnected from city life.

With three fully furnished cottages that sleep 5-6 guests each, make this your next getaway.

Beverley Historical Society-

Closed until further notice

Unfortunately, the members sadly have decided to close the Dead Finish Museum to the general public until after our May meeting and will then make future plans.

No weekend openings, 4 days of Easter plus our display for Anzac Day. Sorry for the inconvenience but with most of our volunteers of a certain age, we think this is for the best.

We will still be operating behind the scenes and are seeking help with the following - Pingelly Historical Society request any information of the Mail Coach Run from Guildford, York, Beverley, Mourambine around 1850's.

Our Wedding Albums are in the process of being updated and we welcome any photos of Beverley residents (even if you were not married in Beverley) but please add all your details. We will have them copied and returned back.

We are still chasing photos of old houses in Beverley plus names of farms that have changed hands over the years.

For any other enquiries please contact us at bhsdeadfinish@gmail.com. If you have any information on the above requests please email it to us.

At this stage, the Historical Society will still be holding our monthly meetings.

BEVERLEY HISTORICAL SOCIETY
 FROM *THE BEVERLEY TIMES* 100 YEARS AGO

Bulk Handling of Wheat.
MEETING AT BEVERLEY.
 ADDRESS BY MR. J. H. PROWSE, M.H.R.
[Federal Member for Swan – Country Party]

There was a large attendance of farmers and others from the immediate and surrounding districts at the meeting held in the Mechanics' Institute on Monday afternoon to hear an address on the bulk handling question by Mr. J. H. Prowse, M.H.R. The chair was taken by Mr. F. McDonald (Chairman of the Beverley Road Board), who briefly introduced the speaker.

Before Mr. Prowse's address a moving picture entitled "Bulk Handling in Canada." was screened, giving a realistic pictorial description of what is being done in our sister Dominion across the seas. The pictures shown gave a good idea of the system in all its branches, and was an educational treat which was thoroughly appreciated by all present.

Mr. Prowse, in the course of a clear and concise description of the scheme, said that it was not a new idea, and the countries which had adopted it, Canada, Argentina, etc., would never return to bags as a means of marketing their grain. The money expended in bags was a distinct loss to Australia, and in this State represented a waste of about half a million of money. The difference between bags and bulk handling worked out at approximately 5½d per bushel, which could be saved to the primary producers, who were at present handicapped by a costly and antiquated system. To defray the cost of the installation of the bulk handling scheme the Commonwealth Government was prepared to advance two-thirds of the capital outlay at 6 per cent., repayable in 30 years, and there was in his opinion no time more opportune than the present for the introduction of the system in Australia, as he considered that for the coming season the farmer would receive at least 10s per bushel for his wheat. He was optimistic as regard the farming industry in Western Australia, and believed that farming land in this State was due for a very appreciable advance in value.

Mr. Prowse's address was attentively listened to throughout, and at its close Mr. White, inspector for the Westralian Farmers Ltd, who accompanied Mr. Prowse on his tour, read the prospectus of the company, to be known as "The West Australian Grain Growers Co-operative Elevators Ltd.," to have a capital of a million and a half sterling in 1,500,000 shares of £1 each. He also read a petition to be forwarded to the Premier with a view to facilitating the introduction of the bulk handling system in Western Australia. A committee consisting of Messrs. J. L. Thomas, R. C. Smith, H. W. A. Tanner, F. H. Blechynden and J. R. Bremner was appointed to advance the movement in this district, and a goodly number of those present put in their applications for shares and signed the petition to the Premier.

Beverley Hall, Tuesday, June 1st.
 Headed by HARCOURT HARE and MABEL GOWER.
" LITTLE LORD FAUNTLEROY."
 Featuring West Australia's Wonderful Child Actress BABY ESLER.
 PRICES.—3s and 2s, plus tax. Children 2s and 1s, plus tax.
 Only a limited number of Reserved Seats 4s (plus tax).
BOX PLAN AT BEVERLEY NEWS AGENCY. BOOK EARLY!

The production of Mrs. Francis Hodgson Burnett's favourite play, "Little Lord Fauntleroy," in the Mechanics' Institute on Tuesday evening, attracted a well-filled house, and it is safe to say that everyone went home thoroughly well satisfied with their evening's entertainment. There was not a dull moment from the first rise of the curtain until it was finally rung down on the last act, and it is seldom that residents in the country have an opportunity of witnessing a production by players of the calibre of Ronn Shafto's company, all of whom acquitted themselves in a manner which stamped them as thorough artistes in their profession.

Baby Esler, in the title role of the piece, was an absolute marvel, her acting being word perfect and clever. A return

visit at some future date would be appreciated.
[5 June 1920]

Sudden Death.

MR. JOHN FLEET.

Quite a sensation was caused on Saturday night by the sudden and unexpected death of Mr. John Fleet. He had not been feeling very well during the afternoon and evening, but nothing of a serious nature was suspected. He was resting on his bed when the train came in and Mrs. Fleet went down for the paper. Returning shortly afterwards she found him lying on the bed with his mouth open. Feeling alarmed at his appearance she tried to arouse him, but was unable to do so and subsequently, communicated with the Police and Dr. Butler. The latter, upon examination, found life to be extinct, but the body was still warm. The doctor performed an autopsy the following morning, and gave a certificate to the effect that death was caused by failure of the action of a fatty heart induced by the engorgement of the lungs and by right pleurisy. An inquiry was consequently deemed unnecessary.

The funeral took place on Monday afternoon, a goodly number of sympathising friends following the remains to their last resting place in the Methodist Cemetery, where the burial service was read by the Rev. A. Schroeder. Mr. H. Benson had charge of the funeral arrangements.

Deceased, who was in his 62nd year, leaves a widow but no family. He was for a number of years engaged in farming pursuits in the County Peak district, but had retired from active work and had for some years been residing in Beverley. Our readers will join with us in extending to his widow our sincere sympathy in her sad and sudden bereavement.

[5 June 1920]

BEVERLEY HISTORICAL SOCIETY

Hope this month finds you all well and surviving the isolation even though now we have a few less restrictions.

Unfortunately, the Dead Finish Museum still cannot open due to Government rulings but if during June we get the go ahead, we will advertise in Bulletin, Facebook etc.

Hope with the time we have had on our hands, family history has been written down, photos gone through especially wedding one which we are interested in putting them in our new album.

The committee will be holding a meeting on Monday 09 June 2020 at 1.30pm at the Museum.

New members are most welcome.

Located behind the Beverley Medical Practice Cullen House 106 Forrest Street Beverley.

Open Mon, Wed & Fri 8 am – 1pm

All enquiries to Phlebotomist - Sue Ph: 9646 0724

Please note that Western Diagnostic Pathology will accept all pathology collection forms.

Beverley District High School

Independent Public School

Successful, Supportive, Sustainable

For more information about the school, visit our website and Facebook page!

BACK TO SCHOOL

It has been business as usual inside the classroom at BDHS (with a lot of extra hand washing and cleaning behind the scenes!). The students have re-entered the school with great enthusiasm and are enjoying being in the classroom with their peers and teaching staff. We have made the most of having students back in the classroom by not only getting back to core-learning but also having a lot of fun along the way!

Star Wars Day was lots of fun with all of our students and staff in costume! May the 4th Be With You!!!

Year 2 Measurement in Maths is fun inside and outside of the classroom!

FACTION CROSS COUNTRY

Even though we are unable to host our traditional Faction Cross Country this year due to COVID-19 restrictions our students will still be competing in a Cross Country run in their class groups at school. All students have been training for the cross country run and using the amazing QR Code App that Mrs Bailey has organised to track their progress in achieving their 5KM and 10KM certificates!!

Kindy Enrolments for 2021

2021 Kindergarten students have birth dates between 1.7.2016 and 30.6.2017.

Please collect an enrolment form from the front office during the hours of 8.30am – 3.15pm or ask us to email one to you.

All completed forms are required back to the school **by Friday 3rd July, 2020.**

P&C Wood Raffle

As the weather cools down the P&C have been working hard to chop a trailer load of firewood to raffle as a P&C fundraiser to keep you warm this winter!

Each family has been allocated 10 tickets to sell and they have been sent home from school today.

Tickets are \$2 each OR 3 for \$5.

Please ensure that the person writes their full name and contact number on the ticket and tickets are returned to the school (with the money) to go in the draw.

All tickets, sold or unsold must be returned to school by June 19th,
(Friday Week 8, as the raffle will be drawn

on the 25th June 2020.

Additional tickets can be requested from the school to be sent home, or are available to purchase at businesses in the main street.

Thank you in advance for your support with P&C fundraising, all money raised by the P&C goes back into the school to make a difference for all of our students.

BEVERLEY EARLY YEARS GROUP

The Beverley Early Years Group is a network that aims to strengthen opportunities for children (0-4) and their families to connect and thrive in our community.

Due to the current Covid-19 pandemic, all Early Years activities have been temporarily put on hold.

While you are stuck at home with kids and looking for things to do, have a look at the "The Bright Tomorrows Parenting App", which provides learning activities, 'in-the-moment' advice and practical tips to parents and carers with children from birth to age five.

You can download the Bright Tomorrows app to receive access to over 1000 meaningful moments and tips to help build young brains or check out their website for more information <https://www.brighttomorrows.org.au/>

COVID-19

Again, a big thank you to everyone for doing their best to adhere to the physical distancing and personal hygiene. Over the next few weeks there maybe a lot of announcements from the government including possible easing of some restrictions. Therefore, I won't write the current restrictions as by the time you read this, it may have changed. So make sure you do your best to watch or listen to the news to get the latest update on restrictions.

What has changed recently of significance is the amount of people allowed to be together and also that hotels, pubs and cafe's can now have dine in patrons. Whilst this is a fantastic opportunity to help these businesses by starting to dine out, those businesses also have to abide by strict guidelines. So don't be offended when you are asked for your name and phone number to dine in as it is a requirement under the guidelines.

SEE IT, REPORT IT

I see a lot of information being put on Facebook and twitter about incidents in and around Beverley. Whilst this is great to inform all the residents of Beverley and I encourage continuing to do this, sometimes this information has not been given to police.

Unfortunately we don't get to see all the information and updates from people on Facebook all the time, which is why if you see something suspicious you need to contact police immediately. You can do that by calling 131 444 or 000 if urgent.

Calling these numbers will ensure that you get to speak to someone, either us if we are on duty or another officer who can arrange for police attendance. We can't always guarantee that we will be at the police station as we need to be out and about patrolling the community. So make sure if you see something suspicious that we need to know about, you contact us.

BEVERLEY POLICE – HOW TO CONTACT US

Life threatening or an emergency dial **000**

For all other matters phone **131 444 or 9646 3333 (leave a message if your call is diverted)**

If it's not urgent send us an email Beverley.Police.Station@police.wa.gov.au on twitter [@BeverleyPol](https://twitter.com/BeverleyPol) or drop into the station for a chat.

Please take care and stay safe.

Sergeant Darrell Hagan and Senior Constable Ian Jeffrey

PRIMARY HEALTH SERVICES

Available to the community of Beverley

You can refer yourself or your child to the following health professionals:

Child Health Nurse - 9646 3200
to make an appointment, Hospital Admin Staff will assist you in setting an appointment time, which will be on most occasions a Monday.

School Health – 9641 0200

Dietetics – 9690 1320

Occupational Therapy - 0429 466 224

Physiotherapy – a **Doctors referral is required** – Please send all referrals to P.O Box 140 Beverley or drop them into the Beverley hospital. All referrals are forwarded onto Northam Hospital where they are prioritised and wait listed. Clients will be acknowledged with a letter informing them of the approximate wait time and will be seen in Beverley

Podiatry – a **Doctors referral is required**
Please send to PO Box 142, Beverley or drop referral to the Beverley Hospital (attendance Fridays) **

Social Work – Phone 9690 1320

Speech Pathology – Phone 9690 1321

- Services are provided at the Primary Health Building, on the corner of John and Forrest Streets, Beverley. There may be a waiting time for services.
- These services are provided by WA Country Health Service and are free of charge. (Please note that the Podiatry Service is a private practice and is not free of charge - there is a fee at first consultation but the WACHS/Beverley Health Service do not get involved in taking fee payments – only assisting at receiving the referrals for appointment. The Doctor's referrals are usually faxed to the service provider, Como Podiatry, who contact the patient by phone and make an appointment).
- If you have any concerns about your own health or your child's health and development, please phone the relevant health professional to discuss your concerns. Alternatively, you can speak to the Child Health or School Health Nurse, or your GP, to discuss your concerns and to determine the most appropriate referral.

Practice News!

COVID19 Pandemic- *The Doctors and Staff would like to thank patients for their assistance during the ongoing COVID19 Pandemic, your patience when complying with Social distancing at appointments and placing yourselves in self- isolation has been extremely helpful in keeping medical staff and our community safe.*

We are continuing to follow the WA Health Departments advice and ask that you all do the same, we know that the virus is spread through respiratory droplets produced when an infected person coughs, sneezes or talks, so continuing to practice social distancing, looking after our hygiene by washing our hands with soap and or using hand sanitisers regularly, attending to environmental cleaning and avoiding any non- essential contact with other people are things that we can do to protect ourselves and our community.

Influenza Vaccines, Pneumonia vaccines, Shingles and MMR Vaccines are now in stock
contact us to see if you are eligible for a government funded one.

Due to the COVID19 pandemic you can now book an over the phone consult?

The Beverley Medical Practice is committed to providing quality health services to Beverley and surrounding areas.

As part of our commitment to the community we support and assist up and coming medical health professionals.

We have a number of student GP's attending clinics both onsite and virtually.

These Student GP's are from Notre Dame, UWA and Curtin University

If you are interested in assisting us by allowing one of our students to sit in on your consult or attend a virtual clinic over the phone please let our staff know.

Care outside normal opening hours - When the Beverley Medical Practice is closed you can always get medical attention by calling–Ready Care **1800 225 523** or Calling health direct 1800 222 222 or by attending the Beverley District Hospital, located in Sewell Street Beverley where experienced staff will triage the patient and contact the on-call Doctor

For all Emergencies call 000

Blokes and Dehydration

We've all heard the old rule of thumb "8 glasses of water per day". We shouldn't be surprised to learn that this is an approximation for the average person and doesn't consider gender or lifestyle. In fact, eight glasses a day might actually be leaving us dehydrated and the average intake for blokes might have to be revised upwards to about 13 glasses.

Men generally require more water than women due to their (on average) higher fat free mass and energy expenditure. Physical activity is a major influencer of water consumption in the body, the more physical activity we do the more we need to hydrate. We get thirsty once we start to dehydrate so, during exercise its important to keep up our liquid intake prior to feeling those pangs of thirst.

Climate is another consideration. Obviously, someone with a desk job has lower hydration requirements than a boilermaker working in a confined space in summer in the Pilbara. What is not so obvious is the fact that the desk jockey may have elevated water requirements due to air-conditioning; the dry air increases the body's water needs.

We do get some of our daily water requirements through our food, as many fruits and vegetables have a high-water content, i.e. watermelon, tomato, cucumber etc. We can also count flavoured drinks as some of our intake, but water is the preferred option. Drinks with a high sugar content should be avoided, and before anyone says, "Well, three beers is a litre!" there's an important distinction to make. Coffee and beer are examples of diuretics (substances which make us pee) therefore regardless of the intake there may be a nett loss happening. For example, for every 200ml of full-strength beer consumed, you pee around 320ml. That works out to drinking a six-pack and peeing 10 stubbies!

What Can We Do?

- Assume we are dehydrated; it is so common as to almost be the norm.
- Drink around 13 glasses of water per day, more if you are doing physically demanding work or sweating profusely.
- During exercise drink every 15 minutes to pre-empt dehydration.
- Use your pee as an indicator. Pale or straw-coloured is ok; yellow means dehydrated, and dark or verging on a brown colour is a sign of severe dehydration.
- Water is by far the best form of hydration. The electrolytes in sports drinks are also present in a balanced diet. Sports drinks only have a role for endurance athletes who, during an event, push beyond the body's natural stores of minerals.
- When calculating water intake, consider the effects of diuretics like alcohol and caffeine.

Remember "Drink 6 Pee 10".

Keeping on top of dehydration is more than just drinking heaps of water. We need to understand that at different times, our hydration demands fluctuate. We need to be active observers of our bodies and take responsibility for keeping it in peak working order.

Clean Up After Your Dog

Station News

The Station garden is available for public use at any time; just open the gates and enjoy!

Another quiet month at the Station, but for the Station Arts Committee it has meant time to reflect and plan ahead as much as we can with COVID-19 restrictions still in place albeit lifted to the next stage. And also keep the Station precinct looking respectable. Our busy-bee to replace the bedraggled Aloe vera plants with more Mother-in-Law Tongues in the ochre pots along the Station's front wall was coincidentally within a week of the 10th anniversary of the sudden and tragic loss Ann Rayner who was a dear friend and dedicated committee member. The ochre pots had been bought with \$500 won by Ann after she became a finalist when we nominated her for the Rural Community Achiever Award in 2008. A worthy candidate who continues to be missed so very much, 10 years on after her death.

Charlie with Penny, Pauline, Marylou and Valda replanting the pots at the Station

Another memento of Ann at the Station is the olive tree planted by her husband Hadyn.

"We plant this olive tree in honour of Ann's life
-a life she filled making others happy with her heart of gold
-a life wholeheartedly devoted to family, friends and community
-a life lived as a charitable and compassionate Christian
-she needed not to offer an olive branch to anyone, but was ever ready to make peace for all.
Planting this olive tree carries with it much meaning for the life of Ann, as over the years, the olive tree has been a symbol of peace, wisdom, glory, power and pureness."

Also in Ann's honour, a jarrah bench seat was created with monies donated from the community at the time of Ann's death, and placed next to the corner garden where the olive tree (now massive and heavy with olives) grows alongside white roses and the little bronze ballet slipper sculpture. And then just last year we commissioned the "Portrait of Ann" mural at the Platform Theatre. Such is the love for this wonderful lady who will never be forgotten. Ann Rayner 28.8.1950 – 15.5.2010.

Ann's Corner 2010:

10 Years On:

The Olive Tree after Much Pruning

Hadyn Rayner Unveiling the Portait of Ann Mural in September 2019

Artists-in-Residence

With travel restrictions lifted and gatherings allowed of 20 people, we concluded that we would reopen the Station Gallery. Our reasoning being we don't as a rule get more than 20 people through the station at any one time, and don't get huge numbers to workshops and can easily manage social distancing if necessary.

Artists who had booked residencies have been contacted re our decision.

So...*THE STATION GALLERY WILL BE OPEN WHEN AN ARTIST IS IN RESIDENCE*

Please keep an eye on the weekly Bulletin for further information regarding residencies, workshops or any changes to schedule - or contact Artist in Residence Coordinator Marylou on 96471027 / 0427085511 or email: hutchinson@wn.com.au

Artists-in-Residence Programme for 2020

January: Kaitlyn Elsegood

February: Pia Remund

March: Len Zuks - first 2 weeks; then Kath Moore

April: Carollyn Rhodes-Thompson **POSTPONED**

May: Rod Brown **POSTPONED**

June: Suzi Marwick **TBC**

July: Joanne Francis

December: Cynthia Boyle and Ngaere Donald

Platform Theatre

EVENTS AT THE PLATFORM THEATRE ARE EITHER CANCELLED OR POSTPONED TILL FURTHER NOTICE.

However, all going well, we should see rehearsals start again for Cocky's Crossing, albeit in smaller groups and abiding by the social distancing rules.

Volunteer Thank You

-  To Lesley Heal and Di Colbrook for coming forward with Mother-in-Law's Tongue plants for the Station pots – much appreciated.
-  Committee members Marylou, Penny, Valda, Pauline for the garden tidy-up.
-  Sarah for spending mammoth hours on the COVID-19 grant application, and Amor at the CRC for her help.

Beverley Station Arts Membership

As a member you will receive **discounted rates for all events including the Easter Art Exhibition Opening Night**. The cost is \$30 for the first year and there after \$25 per annum. Your support will assist us in maintaining the venue and to continue presenting a variety of entertainment for your enjoyment. We look forward to seeing you at the events we have planned for this season.

To become a member of Beverley Station Arts Inc (Friend of the Station) please contact our treasurer Pauline Knight 96460946 for a Membership Application form and payment. Membership forms can also be downloaded from www.beverlystationarts.com (Note – cheques to be made payable to Beverley Station Arts Inc.) and send to PO Box 112, Beverley 6304.

Station Gallery Open Hours: OPEN WHEN ARTIST IS IN RESIDENCE
11.00am – 3.00pm Thursday, Friday, Saturday and Sunday

Anzac Day 2020

This year Anzac Day was quite different for our volunteers. We greatly missed marching with our veterans. However, the Beverley sub centre paid their respects to the service men and women by placing a wreath at the War Memorial on the morning of Anzac Day.

We look forward to and hope that everything returns to normal in 2021, so that we can once again march alongside our veterans.

Serving our community

Our ambulance officers continually strive to provide excellent service and care to our community. We are incredibly grateful when the sub centre receives thank you cards or donations that demonstrate that this service and care is appreciated.

If you are happy with the service and care provided and wish to further acknowledge the efforts of our ambulance officers, the following links give the opportunity to do this:

<https://stjohnwa.com.au/about-us/community-hero-awards> or

<https://stjohnwa.com.au/complaints/submit>

COVID-19

As part of our standard procedure during COVID-19, and to ensure our patients receive the best and most appropriate prehospital care, our crews will be asking all patients if they have any flu like symptoms. This is to protect our amazing volunteers and our community of Beverley against the spread of any potentially infectious illness including COVID-19.

When calling for an Ambulance, you will be asked by the 000-call taker if you have flu like symptoms. When our crews arrive, they will ask you the same questions. Please don't be scared to answer truthfully, even if you think you just have a mild cold. We have strict hygiene measures in place to keep you and our crews safe. Our goal is to help our community stay safe and stop the spread - but we can't do that without our resilient and fantastic Community behind us.

Sub centre reopening

The sub centre doors are now open to the public during our office hours i.e. Tuesday and Friday 9.00am – 2.00pm. If you wish to pay your membership or have any other query, please let us know beforehand (phone: 9646 1408 or email beverley@stjohnwa.com.au) that you will be coming. We also request that you maintain the required 1.5m social distancing and use the available hand sanitiser when making your enquiry.

Emergency Medical Information Book

This useful book contains all a person's information and medicals record needed if, or when, an ambulance is called, and they need to be transported to a hospital.

The Emergency Medical Information Book Available for a \$2.00 donation at Beverley Farm Services.

Beverley Community Garden

After many months of planning (and having to deal with the corona virus lockdowns) the Community Garden Group is about to commence building the infrastructure of the garden.

After much discussion the site is going to be situated between Forrest and Bartram St, town side of the RSL Hall. We were successfully in getting a community grant from the Shire for \$4,000 for fencing which we have purchased, and we would like to thank the Shire for this grant.

The Men's Shed are about to start building the raised garden beds on site, and we have had donations of three IBC's or pods plus 1 small tank to collect water which we are most grateful for.

We are still looking for donations of corrugated iron, old steel posts etc. to make compost bins.

We always need willing volunteers to help get this garden up and running. We have a variety of jobs, so there is something for everyone.

If you would like to be part of this exciting project or help in any way contact Betty 0400 569 971.

Many thanks
Betty

Ladies Golf Memories

Welcome everyone to this edition. We would like to welcome two young members to our club, Carissa Shaw and Jacinta Murray. We hope you enjoy golf as much as we do. Unfortunately we still have not played any fixtures due to Covid-19. We hope to start very soon.

We have had scroungers every Tuesday and we have had a great roll up, lovely weather and some very good scores. From Monday 25 May, we will be able to use the clubhouse to drink cups of tea and coffee, unfortunately no alcohol due to the government ruling.

Again, this month, I am going down memory lane, looking at what happened in 2013 and 2014.

2013

- We started the golf season with green fairways and the men had resanded quite a few greens, so there was a bit of adjustment with these in the beginning, but the greens have settled down now and are great.
- On Friday 24 May, four ladies went to Tammin to play in their partner day. Jane Murray and Glenys Collins won the Gross with 85.
- On Wednesday 5 June, Marg Peck and Glenys Collins went to Wundowie to play in their Open Day. Glenys won the gross with 23 points.
- Friday 14 June was Brookton's Open Day which saw four ladies go and play golf. Jane Murray won the Gross with 25 points.
- Cunderdin Open Day was held on Wednesday 19th June and 6 ladies went to play. Maxine Watts won the Gross with 25 points.
- Wednesday 26 - Friday 28 June, Heather McLean, Val Moir and Sera Minchin went to Wongan Hills to play Rural Bronze. Val Moir and a ring in from another town came third in the Foursomes Event.

2014

- Avon Valley was held at Gingin in August. Four ladies participated in this three day event and Glenys Collins lost on a countback for the Veterans Trophy.
- September was Open Teams weekend- Runner Up team was Marg Peck, Yvonne Hobbs and Sera Minchin. Coming in third were Jane Murray, Glenys Collins and Lyn Mactaggart. Runner Up to the Gross was Jane Murray. Sera Minchin was the Nett Winner.
- Val Strange Day- 50 Ladies from all over Avon Valley played in our Open Day. Winner was Cathy Blechynden, an ex Beverley resident. Ferndale Tray was won by Jane Murray.
- Competitions held throughout the season:
 - Ferret Competition – Winner was Jane Murray
 - Putting Competition- Winner was Maxine Watts
 - Eclectic-Full Handicap- Marg Peck
 - Eclectic-Half Handicap- Glenys Collins
 - Silver Spoon-Maxine Watts
 - International Bowl- Silver- Marg Peck; Bronze-Sera Minchin
 - Monthly Medal – Glenys Collins
 - Long Drive – Maxine Watts

Until next month **Be Very Straight.**

Beverley Golf Club

Update on COVID-19

The current advice from GolfWA is that, under Stage 2 restrictions, we are able to conduct internal club competitions only. One of the requirements is that we avoid events like Ambrose and Foursomes where players tend to congregate together and where sharing of equipment and balls is normally allowed. When the Stage 3 restrictions come into force we may further be able to hold open events but there will most likely be a limit to the total number of participants. Of course, all social distancing requirements (including the 4 square metres per person rule) must still be followed.

For the time being, we are still being advised to pre-arrange tee-off times. Therefore, the existing requirement to notify Mark Kont of your intention to play on Saturdays is still in place. He will notify you of your tee-off time and you are requested to try not to attend the course any earlier than 10 minutes prior to your time.

Motorised golf carts may still only be used by one person at a time (exception - two people if they live in the same dwelling).

The clubhouse will be open AFTER the game provided we adhere to certain strict conditions that have been advised to all playing members.

Outside of Club Days, the golf course remains open for use by anyone, including members of the public, and, again, providing all social distancing requirements are followed.

2020 Club Championship

Due to the shortened season, your committee has decided that there will only be three qualifying rounds for the Club Championship this year. As in the past, the best two of these rounds will be used to determine the final qualifiers for the Match Play play-offs. The play-off series will remain unchanged.

Saturday Fixtures for June

Saturday 06 - T-Bone and Sons Opening Day; Mixed Stableford

Saturday 13 - East vs West Challenge; Stableford (format T.B.A.)

Saturday 20 - Always Green Trophy; Stroke
(First Round Club Championships)

Saturday 27 - Beverley Electrical Trophy; Russian Stableford

Because of the uncertainty over future COVID-19 restrictions, fixtured events past this point will be advised closer to the date. Keep an eye on next months Blarney for further dates and the weekly Bulletins for any changes.

Wednesday Scroungers

Wednesday scrounger events will continue to be played at around 4:00pm in the afternoon. Please adhere to the arrangements that are currently followed on Wednesdays. At the moment, there are no trophies being awarded in these events but this may change according to future decisions of the playing members.

Anyone is welcome to join us for this very relaxed game of six holes of golf.
For further details contact Mark Kont on 0490 037 810

Contact us via Email: bevgolf@wn.com.au or Facebook: @beverleygolfclub

BEVERLEY CRICKET CLUB

A lot has happened in the cricket world since our last notes in the January Blarney. With no club cricket being played in January it was time for representative cricket in which several Beverley players participated in.

Senior Country Week was held from 20-25 January. Avon were playing in B Section and Beverley was represented by Beau McLean, Daniel Gollan Liam Gollan and Roy Yarran (Jnr). Avon unfortunately did not win any games and have been relegated to C Section in 2021.

Beau McLean

Batting: 48 Runs 16.00 Average Highest Score 22 not out
Bowling: 15 Over's 4 Wickets for 59 Runs Best Bowling 4/59

Daniel Gollan

Batting: 61 Runs 20.33 Average Highest Score 40
Bowling: 37 Over's 4 Wickets for 130 Runs Best Bowling 1/25
Fielding: 1 Catch

Liam Gollan

Batting: 28 Runs 14.00 Average Highest Score 10
Bowling: 10 Over's 0 Wickets for 39 Runs Best Bowling 0/15
Fielding: 1 Stumping

Roy Yarran (Jnr)

Batting: 14 Runs 14.00 Average Highest Score 9 not out
Bowling: 16 Over's 3 Wickets for 67 Runs Best Bowling 3/42
Fielding: 1 Catch

Club cricket resumed in February, with Beverley continuing in their quest to play final cricket.

Saturday 01 February 2020 **Beverley 6 for 154 defeated York All Out for 141**

Beverley Batting: Stephen Gollan 48 not out, Dan Carton 33 not out, Beau McLean 26

York Bowling: Mike Mount-Bryson 4 for 30, Zac Hartfield 1 for 26

York Batting: Terry O'Brien 27, Charles Boyle 27, Jacob Sounness 22

Beverley Bowling: Beau McLean 3 for 29, Owen McColl 2 for 15, Roy Yarran (Jnr) 2 for 33

Saturday 08 February 2020 **Beverley 2 for 301 defeated Brookton All Out for 85**

Beverley Batting: Dan Carton 114, James Adams 112 not out, Dale Wansbrough 47 not out

Brookton Bowling: Brandon Walawaski 1 for 33, Toby Blechynden 1 for 57

Brookton Batting: Toby Blechynden 26, Vaughan Baker 15

Beverley Bowling: Owen McColl 5 for 33, James Adams 2 for 8, Stephen Gollan 1 for 5

Saturday 22 February 2020 **Beverley Drew With Seabrook** **Wet Weather**

At the end of the Qualifying rounds Beverley was in 2nd place on the Premiership Ladder.

The ladder read:

Tammin	140.18 points
Beverley	116.07 points
York	115.52 points
Quairading	90.72 points
Seabrook	64.96 points
Brookton	44.99 points

Saturday 29 February 2020- 2nd Semi Final
Beverley 7 for 121 lost to Tammin 6 for 124

Beverley Batting: Beau McLean 23, Dale Wansbrough 23, Dan Carton 23

Tammin Bowling: Luke Button 2 for 15, Blake Dixon 1 for 16, Cory Dixon 1 for 20

Tammin Batting: Luke Button 39, Isaac Stokes 39 not out

Beverley Bowling: James Adams 2 for 27, Dale Wansbrough 2 for 27

Saturday 07 March 2020- Preliminary Final
Beverley 5 for 140 defeated York All Out for 137

Beverley Batting: Dale Wansbrough 66 not out, Dan Carton 17, Khyle Ugle 17 not out

York Bowling: Al Draper 2 for 27, Mike Mount-Bryson 1 for 20, Darren Chitty 1 for 28

York Batting: Terry O'Brien 40, Charles Boyle 32, Jacob Sounness 20

Beverley Bowling: Beau McLean 3 for 14, Dale Wansbrough 3 for 16, Roy Yarran (Jnr) 3 for 37

Saturday 14 March 2020- Grand Final
Beverley All Out for 85 lost to Tammin 8 for 87

Beverley Batting: Khyle Ugle 36 not out, Shane White 11, Dale Wansbrough 11

Tammin Bowling: Luke Button 3 for 20, Blake Dixon 2 for 13, Mathew Hocking 2 for 15

Tammin Batting: Scott Doncon 15 not out, Scott Button 15, Luke Button 13

Beverley Bowling: Beau McLean 3 for 18, Roy Yarran 2 for 14, Ty Bennell 2 for 30

This was an unfortunate result for Beverley being so close to winning the Grand Final, but it was a great game of cricket played on a difficult Tammin wicket.

Association Awards Winners for the 2019/20 season were won by the following:

Batting Aggregate	Luke Button	(Tammin CC)	384 runs
Batting Average	Cory Dixon	(Tammin CC)	48.67
Bowling Aggregate	Mike Mount-Bryson	(York CC)	24 wickets
Bowling Average	Curtis Mackin	(Tammin CC)	8.27
Most Catches	Chris Thompson	(Tammin CC)	12
Best Player Country Week	Luke Button	(Tammin CC)	
Cricketer of Year	Cory Dixon	(Tammin CC)	

Beverley had a great season compared with the struggles we have had in the previous years. At various times struggling with numbers we continued to field teams and continued to develop and encourage our juniors to play senior cricket.

Beverley Award Winners

Club Champion (Warkie Ugle Memorial Trophy)	James Adams
Best Batsman	James Adams
Best Bowler	Roy Yarran (Jnr)

Stephen Gollan was selected to represent Australia for a 2nd time in the Over 50's World Cup to be held in Cape Town, South Africa from 06-27 March. The Australian team had a match in Johannesburg before flying to Cape Town where unfortunately the World Cup was cancelled only after 2.5 games due to COVID-19. Australia had won their first two games and was well placed to defeat Sri Lanka in the game that was call off mid match. Stephen had a successful start to the tournament.

<i>Batting:</i>	22 Runs	22.00 Average	Highest Score 22
<i>Bowling:</i>	24 Over's	7 Wickets for 82 Runs	Best Bowling 3/25

The club would like to thank all our supporters who have come along and watched games and special thanks to our major sponsor in Graeme and Fleta "Inkosi Design".

Mention must also be made to the Shire of Beverley along with Mal Kehlet, Connor Devenish and helpers for their efforts in maintaining the best ground and wickets in the Wheatbelt.

In all the Beverley Cricket Club looks forward to the 2020 / 2021 season.

Beverley Junior Sport are working towards getting the kids out and about but are currently trying to figure out how we can do that. With rules and protocols changing almost daily it is difficult to work out where we are at.

RETURN TO TRAINING PROTOCOLS

AS AT 18TH MAY 2020

10 POINT CHECKLIST FOR FOOTBALL CLUBS RETURNING TO TRAINING

This guide has been established to support teams Returning to Training under the current State Government COVID-19 restrictions. The Football Club and Teams have an obligation to strictly adhere to these protocols at every training session. The key principle for training must be 'Get in, Train, Get out'.

TRAINING GROUPS OF NO MORE THAN 20

The club can undertake training in team groups no larger than 20 people. This includes players, coaches & Parents/Spectators. A Maximum of 3 groups of 20 allowed on one oval at one time.

STRICTLY NO CONTACT

The club has advised its participants, coaches, volunteers and parents that all training must be strictly **NON CONTACT** (i.e. No Tackling, No Bumping, No Marking Contests, etc).

1.5M SOCIAL DISTANCING

The club has advised its participants, coaches, volunteers and parents that all training must strictly observe social distancing requirements of 1.5m, and adhere to the requirement of no more than 1 participant per 4sqm.

NO ACCESS TO CHANGEROOMS

The club is aware that all club rooms, changerooms and wet areas are **NOT** to be used as part of the Return to Training.

FOOTBALLS ALLOWED, BUT NO OTHER EQUIPMENT

The Club is aware that Footballs can be used for small group training, however no additional equipment is permitted (i.e. Bump bags, etc), and also understands the restrictions in place for small group training.

CLUBS & TEAMS UNDERSTAND THE RETURN TO TRAINING PROTOCOLS

The club and all teams have read, understood and agree to adhere to the Guidelines for a Return to Training in Western Australia document provided by the WAFC, and available via www.wafootball.com.au.

HYGIENE PROTOCOLS ARE IN PLACE

The club has implemented the hygiene protocols as outlined in the Guidelines for a Return to Training in Western Australia document.

A REGISTER OF PARTICIPANTS

The club has implemented a log, or register, to keep a track of which participants are in attendance at all training sessions, and this is available upon request by the WAFC or health authorities.

ONLINE EDUCATION COMPLETED

Coaches, Presidents & Club Committees must complete the online COVID-19 infection control training prior to commencing training. The online training course can be accessed [HERE](#).

LOCAL GOVERNMENT APPROVAL

The club has received **approval from the Local Government** to access the oval for training, and understand that they must follow the direction and advice of Police, Local Government and the League at all times.

BEVERLEY BADMINTON

We wish to advise that even though some restrictions have been eased there are still strict precautions in place that prevents us from resuming games.

This may or may not change in the near future.

UNTIL THEN

All games are still

POSTPONED

We will keep you updated on a regular basis through the Beverley notices, email, msgs and Facebook
<https://www.facebook.com/BeverleyBaddy/>

Have you seen the Beverley
Visitor Booklet?

Netball WA recommends the use of the COVIDSAFE App to assist the return of netball.

PRINCIPLES OF RETURN TO COMMUNITY NETBALL GUIDELINES

1. Education
2. Assessment & Preparation of the netball environment
3. Participant considerations
4. Delivery and management

Please Note: The above information is correct as at 20 May 2020 and is subject to change by the State Government at any time. *Phase 3 and Phase 4 information to be advised.

COVID-19 INFORMATION

PLAYER RESPONSIBILITIES

Netball WA members and participants are responsible for working to stop the spread of the virus. The following guidelines are designed to assist in understanding ways that you can help

Preparing for your training or game

- | | | | | | | |
|-----------------------------|---|---------------------------------------|---|--|---|--|
| | | | | | | |
| Register with manager/coach | Bring own labelled water bottle and sweat towel | Prepare & dress for your game at home | Shower at home before & after your training or game | Wash or sanitise your hands before & after your training or game | Enter and exit within 10 minutes of your training or game | Where possible maintain a 1.5m gap from others |

DO NOT ENTER THE VENUE IF YOU EXHIBIT ANY OF THESE SYMPTOMS

- | | | | | |
|-------|-------|---------|-------------|---------------------|
| | | | | |
| Fever | Cough | Fatigue | Sore throat | Shortness of breath |

Netball WA recommends the use of the COVIDSAFE App to assist the return of netball.

More information at netballwa.com.au

WHEATBELT NRM MOST WANTED!

Have you seen any of these?

Black cockatoos

There are three species of black cockatoos in WA and they can all be found in the Wheatbelt. The iconic Carnaby's cockatoo is known as the bringer or rain. This is probably related to their habit of returning to the Wheatbelt in winter to breed. Did you know they nest in tree hollows and only old eucalypts around 150 years old have the right type of hollows and restore it?

Wheatbelt Woodlands

The Wheatbelt Woodlands include some of our iconic eucalypt woodlands such as salmon gums, York gums and about 31 other species. We are working to protect patches of remnant bushland in good condition. Do you have your favourite woodland patch? Do you want to protect it and restore it?

Malleefow

Did you know this amazing bird is losing its fight against feral predators and habitat loss. Did you know they are part of a group known as Megapodes - which means 'large foot' due to the strong legs they use to dig their nesting mound.

Have you seen any of these special birds, or do you have a patch of woodland? Contact us to share your knowledge and help us protect our Wheatbelt wonders.

The WA Wheatbelt is home to a huge number of unique flora and fauna species. And Wheatbelt NRM is on the lookout for some of our most wanted. These species are considered threatened and we are working with community to ensure they don't go extinct.

Let us know so together we can ensure their survival. Contact Anika Dent on adent@wheatbeltnrm.org.au or 0488 902 220

www.wheatbeltnrm.org.au

This project is supported by Wheatbelt NRM through funding from the Australian Government's National Landcare Program

BEVERLEY REDBACKS HOCKEY CLUB

To our players, sponsors and supporters!

The Beverley Ladies Hockey Club would like to give an update on the current 2020 (or lack thereof!) Hockey Season.

With restrictions lifting we will be working closely with the Shire of Beverley and Hockey WA/The Avon Hockey Association to hopefully get back on the oval to do some training. We have made the decision to delay restarting training for 1-2 weeks, to allow us to best comply with the COVID19 Safe guidelines from the Shire and Hockey WA to keep our players and the community safe.

Hopefully over the next few weeks we will have greater certainty of what the 2020 season might look like and will continue to give updates as they arise. To keep updated please like us on Facebook or like us on our **NEW** Instagram account - [beverley.redbacks.hockey.club](https://www.instagram.com/beverley.redbacks.hockey.club).

Thank you to everyone who was involved in our virtual #hockeyinhibernation Challenge. The winners were Team BLACK! It was a fun way to keep our team together and laughing while we were unable to train, so thanks to our team and the community who got involved.

A BIG congrats to Chan and Kelly who have welcomed two new little additions to the Beverley Hockey Club Family – we can't wait to see them out on the field in the future!

We hope everyone is staying safe and wish you and your families well over the next coming months.

Beverley Horse and Pony Club

Our club is very excited to announce that we will be re-commencing our club rallies from next month!

The committee are currently completing our 'Dept of Sport and Recreation Safety Plan' from Pony Club WA to ensure our club members and families are safe. We will email and post on Facebook our new procedures to our members, once they are complete...so watch these spaces!

Emily riding her new horse, Paddy out at the farm

Jessica and Eddie, bonding over breakfast.

Covid-19

Back in the Saddle - The Ride to Recovery

Stay Home if you're unwell!

Avoid close contact with others. Keep at least 1.5 metres away.

Healthy hygiene. Wash your hands regularly. Cover your mouth/nose when you cough/sneeze.

4 square metres per person.

Download the COVIDSafe app.

Clubs are asked to check with their landlord/lessor to see if restrictions are still in place for the use of grounds. Committees should assess the risks associated with resuming pony club activities and reconsider any aspect that does not comply with all local, state and federal government restrictions, social distancing and hygiene guidelines.

Walk

Trot

Canter

Gallop

WALK

Monday 4th May 2020

- Groups of no more than 10 people should be gathered on the grounds at any one time.
 - Group activities should be set at a maximum of 4.
 - One support person per rider is permitted.
 - Non riding siblings are not permitted.
- Gear Checking should be conducted by the rider's support person to maintain social distancing. This is an ideal opportunity for education!
- Club rooms are not to be accessed by participants or support persons.
- Toilets should be made available, however only used if necessary and with cleaning materials on hand.
- Canteens are not to be operated.
- Horses are to be tied up to floats or placed in owners float yards.
- Riders should bring their own water and buckets. Taps and hoses are not to be used.
- Horses should be sponged down using own water and buckets if required. Taps and hoses are not to be used.
- Hand washing facilities or hand sanitiser to be available.
- Disinfectant to be stationed at the gate for use on gate latch during entry/exit to the ground.
- Participation is to be restricted to club members.

TROT

Monday 18th May 2020

- Ensure that your club has a COVID-19 Safety and Hygiene plan in place. All members, coaches and officials are to be familiar with this plan so activities can be modified accordingly, and risk managed.
- Groups of no more than 20 people should be gathered on the grounds or training zone at any one time.
 - The 20-person limit to include participants, parents, siblings, spectators, coaches and club coordinators.
- If using multiple training zones, ensure there is suitable distancing to prevent one gathering encroaching on another gatherings area.
- Consider staggering starting times for lessons to avoid congestion or crossover of groups.
- Gear Checking should be conducted by the rider/support person under coach supervision to maintain social distancing. This is an ideal opportunity for education!
- Club rooms can be accessed by participants with the 4sqm rule applied.
- Toilets should be made freely available.
- Thorough and regular cleaning of common contact surfaces, 'high touch' items and shared amenities, such as handles, taps, lunchrooms, and toilets to be actioned.
- Yards/stables should be separated and allocated according to training groups. One horse is permitted per yard/stable per day. Alternatively, horses are to be tied up to floats or placed in owners float yards.
- Cashless canteens can be operated for take away food and drink with physical and social distancing practices applied for queuing and consumption of food.
- Riders should bring their own water, buckets and sponges. Taps and hoses are not to be used.
- Horses should be sponged down using own water and buckets if required. Taps and hoses are not to be used.
- Hand washing facilities or hand sanitiser to be available.
- Disinfectant to be stationed at the gate for use on gate latch during entry/exit to the ground.
- Participation is to be restricted to club members.

CANTER

TBC

Canter phase will be introduced subject to updated Government Advice regarding Federal and State restrictions but will focus on increasing participation numbers, opening activities to open riders and members from other clubs and introducing modified competition.

GALLOP

TBC

Gallop phase will be introduced subject to updated Government Advice regarding Federal and State restrictions but will focus on a return to normal for all pony club activities.
