BEVERLEY HEROIC

Congratulations to Toby Hodgson and his crew who did a fantastic job organising the Heroic cycling event and promoting Beverley. Sadly the Sunday rides were cancelled due to some last minute red tape however the rides that were held on Saturday, road time trials and CycloX, were still very well attended. The main street has not been that busy for quite some time. The historic display in the Town Hall was educational and well worth the visit.

BEVERLEY AMATEUR DRAMATICS

Congratulations to the local Beverley Amateur Dramatics group for their 4 nights of the Cockey's Crossing performance. Who knew there was so much local talent!?

VINCENT STREET STREETScape PROJECT

Council continue to work to progress the Vincent Street project. Early indicative costs have come in over our allocated budget, so Council are exploring contingencies and various options to move forward. Actual costs will be known once Council receives the formal quote from Western Power and civil works tenders are received in the coming months.

MOORT WABINY PARK

Moort Wabiny Park is now open and it is fantastic to see it being used all the time, particularly after school. The Shire has received many positive comments, emails and calls. The park was filled with young cyclists on Sunday 18 October taking part in the Rock n Roll Bike program. Shire staff are now working on grants to apply for a series of Skate Workshops.

As the Shire's Facebook page mentioned – please no motorbikes, motorised scooters or any other motorised equipment in the park.

We also ask for your own safety that you do not use the park after dark. You could easily trip or fall in the dark. The power should be connected just prior to Christmas. Once this happens the lights will be on where you can skate, ride, play and BBQ safely. When the lights go out, the park is closed and no one should be in there. A note to all that the area is monitored by CCTV so please do the right thing and respect the park that was built for the entire community to enjoy.

Details of the Official Opening will be distributed in the coming weeks.

ONSITE CARAVAN PARK ACCOMMODATION

Work is due to commence early November with fencing, drainage and sand pads being laid by local and regional contractors and the Shire. Staff have completed the internal fit-out selection and are working on the daily operational program.

TOWN HALL FLOOR REFURBISHMENT AND SMALL PROJECTS

A reminder that the Town Hall will be closed from November 2020 until February 2021 while it receives new timber flooring and an upgrade to the AV System. Thank you to the affected clubs and community groups which have moved locations or finished their season early to enable the works to proceed.

Shire staff are also looking into the replacement of the Town Hall entrance doors. Universal access sliding doors are being investigated. Other small projects underway are replacement of the artificial turf at the Station Arts, Lesser Hall courtyard upgrade, painting at the Station Arts, extension/beautification of the Recreation Ground Playground area and Courthouse reroofing.

These projects are made possible by the Federally funded Local Roads and Community Infrastructure Program.

WORKS

Various areas along the river and around town have been fogged for mosquitoes. This has been carried out three times with approximately 10 days between applications.

Shoulder Grading - the shoulders on Mawson Road and Morbinning Road have been reformed along the edge of the bitumen.

Work is currently underway for the widening, stabilising and sealing to 7 metres on a 4km stretch of Westdale Road.

BROOKING STREET RESERVE

Thank you to Phyllis Facey and Lorna Johnson of the Beverley Naturalist Club, along with CESM Troy Granville and Tourism Officer, Jacinta Murray for showing Council the recent upgrades to the Brooking Street Reserve.

The guided walk, which included a talk on activity, signage, species identification and fire mitigation was very informative.

SENIOR'S WEEK

Council had booked a Piano performance called "Don't shoot me I'm only the Piano Player" by David Scheel to celebrate Seniors Week, but unfortunately due to the COVID-19 border restrictions Mr Scheel was unable to travel to Western Australia. The show has been rescheduled for 2022.

ANNUAL ELECTOR'S MEETING

The Annual Elector's meeting is expected to be delayed as the Annual Audit is now carried out by the Office of the Auditor General. It is unknown how long the delay will be.

Shire of Beverley Prepare for Fire Season

The Shire of Beverley's Community Emergency Services Manager along with the Chief Bush Fire Control Officer are reminding all property occupiers to prepare their properties for the coming fire season.

Firebreaks on Small Rural Holdings less than 100 hectares need to be installed before 01 November this year and maintained until the 15 April next year.

The minimum requirements for a firebreak in the Shire of Beverley is for the break to be at least 2.20 metres wide of bare mineral earth which means no vegetation (dead or alive) or flammable materials can be present.

Townsite Land occupiers can clear their properties of all inflammable materials or maintain grass mown to a height of less than 15cm or provide a 2.20m firebreak if the property is greater than 2 hectares.

Larger rural properties should ensure that they have an operational independent mobile water filled firefighting unit with a water capacity of not less than 600L to be ready to deployed throughout the Prohibited and Restricted burning periods.

Fire breaks play some part in reducing the spread of fire but more importantly they can provide a safer space for fire fighters to work from when trying to combat a fire.

Now mandated in the Beverley Fire Break Order is access to properties by large fire appliances. Generally this means making sure that there is an adequate gate width of at least 3 metres and to ensure that there are no overhanging branches or obstructions below 4 metres high over entry points and access driveways to allow fire appliances to safely navigate your property should they need to defend it from fire.

Prohibited Burning within the Beverley Shire is scheduled to begin on November 01 after which time no fires are permitted to be lit..

Expression of Interest

Community Group Fundraising Opportunity

Council is calling for expressions of interest from local community and volunteer groups to run the Beverley DrumMuster Program.

With assistance from the Shire and Regional DrumMuster Manager the community group will coordinate the collection of used and cleaned farm chemical drums. The DrumMuster collection days are run once or twice a year.

Each inspection day requires two to three volunteers with local training being provided to all parties and inspectors.

If your community group is interested in the running of the DrumMuster program or if you have any questions, please contact Ashleigh Waight - Project Officer at the Shire Office on (08)9646 1200 or ashleigh.waight@beverley.wa.gov.au

Expressions of interest are required by Monday 7th December 2020.

St Mary's Church

RESTORATION APPEAL

We drive past it and possibly do not give it a second thought, but this iconic building of our town has been around since 1892. It once held a prominent place in society with many a wedding, baptism, confirmation and funeral held here at St Mary's. It remains a local landmark on the corner of John and Husking Streets, and still contributes to the community's sense of place.

The foresight of the first Rector, the Revered Groser who not only was a theologian of note but also had a nous for business, was quite remarkable. As he was able to drive the fund-raising efforts and enthusiasm of the local community to donate their valuable time and significant resources to build the Church from local stone. Heavy stone was carted in by horse drawn wagons, then lifted higher and higher to complete the structure over an eight month period. All done voluntarily. Time and resources freely given.

Description from the State Heritage Office in 2013

"This was the first Anglican Church in Beverley townsite. It cost 475 pounds and was consecrated by Reverend Parry on 30th November 1892. The Chancel and Vestry were added in 1904 at a cost of 290 pounds. A memorial tower to Mr WH de Lisle, added in 1914, was too heavy for the foundation and was removed in 1926. The Lynch Gate was a War Commemoration and was dedicated on Remembrance Day 11 November 1956. The Porch was added in 1963 in memory of Mena Smith."

The Memorial Lynch gate mentioned is the only one of its type in Western Australia.

St Mary's Church

RESTORATION APPEAL

Now, the Church has fallen into some disrepair and is in need of attention. We would not be appealing for funds if we were able to source from elsewhere. The Anglican Diocese of the Church is unable to offer any significant assistance, the National Trust, State Heritage and Lotteries Commission no longer supply funds for Churches. We are researching possible grant funding, however we need more than what may be available through that process.

The Church building itself is not only a symbol of our spiritual faith, as it was for previous generations who lived in the district, but it is also a building of historical significance to our Beverley community. As we go forward that historical significance can only become more and more important to future generations.

Please help us to restore and preserve this significant iconic community building.

Every amount is very much appreciated

Beverley GARDEN AND TREE SOCIETY

Our September club meeting was held in the garden of the Dead Finish Museum with 21 members present plus lots of mosquitoes and flies.

Most of the discussion centred around arrangements for the annual Rose Show which will go ahead as planned. The date is set for October 23 and 24 so by the time this goes to press, the show will be over. See the next issue for results.

The next meeting will be at the Dead Finish at 10.30am on Tuesday 03 November which will be the Annual General Meeting.

NOVEMBER IN THE GARDEN

VEGETABLES: Plant out capsicums, chilli, cucumbers, tomatoes, sweet corn, eggplant, lettuce, zucchini, rocket and squash.

HERBS: How about basil (both sweet and purple), parsley, sage, pyrethrum, lemongrass, oregano, rue and marjoram. Mint is a great herb for adding to your healthy dinners and drinks, but it'll take over, so plant it in a pot to keep it contained.

FLOWERS: Some colour in the patch isn't only pleasing to the eye, but can help us destress and relax. The pollinators and other good guys will love it too. Try some nasturtium, dianthus, gerbera, verbena, snapdragons, petunias, marigolds, phlox and celosia.

GREEN MANURE: Build some muscle into you and your soil by planting green manure, try cow pea, mung bean, soy bean and millet. Next season's hungry plants will love it.

GARDEN BEDS: Top up your mulch on all your garden beds. Make sure you choose sustainable, low environmental impact mulch, that'll enrich your soil as it breaks down.

HEAT PROTECTION: For the heat Make a couple of shade cloth tents. They don't have to elaborate, just a simple, moveable structure that you can put over the top of some of the sun sensitive veggies.

FRUIT TREES: Got grafted fruit trees? Check for shoots growing up from below the graft and cut them off. The rootstock will take over your trees if you let them go.

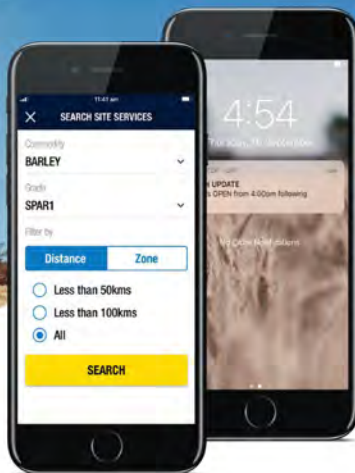

GARLIC: Check your garlic, if some of the leaves are turning yellow and the stalks softening, it's time to start harvesting.

CONTAINERS FOR CHANGE WA

We've had a lot of queries regarding the new recycling program and wanted to compile some local information for you.

To receive a refund, you will need a Scheme ID which you can register for on the Containers for Change website here <https://consumer.containersforchange.com.au/create-account?scheme=WA>

Eligible containers can be dropped off in bags at a bag-drop located at the end of Council Rd near the cardboard recycling bin.

Please make sure you place your Scheme ID is legible on your bags (tape and permanent marker work just fine).

Currently, bag drop off is on Wednesday and Saturday afternoons from 1pm until 4pm. In the future, a separate bin will be permanently placed there and emptied weekly – meaning you can drop your bags off at any time!

Refunds appear to be processed within approximately 72 business hours.

If you have any questions, please refer to the Containers for Change WA website. <https://www.containersforchange.com.au/wa/>

Are you a traceability ace?

Stock traceability is the first step in good biosecurity and is a key part of everyday sound farm management practices. Traceability is essential to maintain access to export markets and for food safety. It allows stock to be traced for disease or residue purposes and deters stock theft.

How are animals traced?

If you own cattle or other livestock, you must register as an owner of livestock, identify stock correctly, obtain a property identification code (PIC) for each property where you keep them and record movements to your property on the National Livestock Identification System (NLIS) database.

Cattle must have a registered identifier (brand and/or earmark) and an NLIS electronic device that enables animals to be tracked from property of birth to slaughter or export.

Department of
Primary Industries and
Regional Development

*We're working for
Western Australia.*

**Don't break
WA's livestock
traceability chain**

A weak link can break traceability
and cost you market access.

1 Register as an owner of livestock and obtain a property identification code (PIC) for each property where you keep livestock

2 Identify your livestock correctly. See agric.wa.gov.au and search 'livestock NLIS'

3 Complete a NVD/waybill every time you move stock from a PIC

4 Record within 48 hours on the NLIS database all stock coming onto property

For help with traceability, contact DPIRD:
T: 1300 WA NLIS (1300 926 547) or
E: nlis@dpiird.wa.gov.au
W: agric.wa.gov.au/livestock-movement-ID

Are your cattle registered to your property?

The Department of Primary Industries and Regional Development (DPIRD) find that half of all traceability non-compliance issues involve cattle that are not registered to the PIC they are leaving from. This breaks our traceability chain, is a potential biosecurity and market risk and can also hold up processing at the abattoir.

Don't get caught out!

Now - and not when loading the truck - is the time to check that your cattle are registered to your property by using an NLIS scanner. Scan the tags and DPIRD can assist you to run a check on the NLIS database and to update any missing movements.

If you do not have a scanner, they are easy to use and available to loan from DPIRD Northam, the Pingelly Community Resource Centre or by contacting **1300 WA NLIS (1300 926 547)**, or email nlis@dpiird.wa.gov.au. Further information is available on agric.wa.gov.au/livestock-movement-ID

BEVERLEY HISTORICAL SOCIETY

We have had a very busy time at the Dead Finish Museum since reopening in July. We have had approx. 170 visitors since then plus yesterday had 15 Beverley District High School Year 2's class visit with their teachers. The Year 2 visit is an annual event that we look forward to it every year (details in the next blarney). Thanks to the volunteers that came and help us.

On Monday 12 October we held our Annual General Meeting, thank you to Keith Murray for chairing the meeting.

PRESIDENT

Joy Smith

VICE PRESIDENT

Leonie Taylor

SECRETARY

Morag Whitney

TREASURER

Erica Murray.

Thanks to Bill Whitney for auditing our books.

A big thank you to all our members – who are volunteers that keep the Museum running, opening on Sundays and other days on request.

Thank you to those members that assist by collecting and researching.

Thank you to the Garden Club for the care of the garden.

Thank you to the Beverley Shire Council for their support.

We are open every Sunday 11am – 3pm until the last Sunday in November and we reopen again in March.

Contact us by email bhsdeadfinish@gmail.com and welcome new members.

Me@3 - what a great turnout we had at Playgroup in the last week of Term 3. Thank you to Carissa, Joanne & Paige from our local WA Country Health Services Child Development team for spending the morning with us. It was a great opportunity to work through the expected developmental milestones of not only our 3 years old but all aged children.

Thank you to WANSLEA for their support in this program assisting in the production of our Me@3 Passports. We look forward to bringing this day again next year.

Beverley Playgroup is continuing to meet at the MOASH Building every second Thursday. We will be having informal catch ups on the alternate weeks at the new Moort Warbiny Park.

BEVERLEY EARLY YEARS GROUP

The Beverley Early Years Group is a network that aims to strengthen opportunities for children (0-4) and their families to connect and thrive in our community.

What happens to children in their early years matters a great deal. Improving children's development through the critical early period can have transformative social and economic impacts.

Storytime

AUGUST - PEPPA PIG: PEPPA AND THE POLICE CAR

Thank you to Sergeant Darrell Hagan for coming to our August Storytime with a super fun and LOUD noisy book to entertain little readers everywhere! Peppa and her friends meet two friendly Police Officers in this fun-filled sound book. Everyone loved pressing the button and hearing the sound of the police siren!

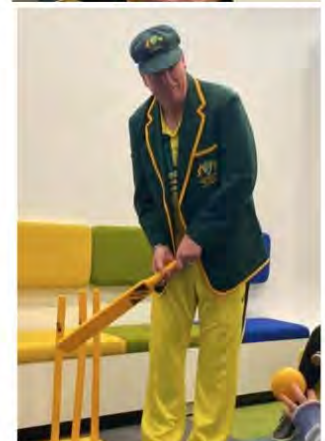

SEPTEMBER- THE 12TH DOG

Thank you to Stephen Gollan, our wonderful Shire Chief Executive Officer (CEO) and Australian Cricketer for coming along to join in the fun of being this month's guest reader and then joining the kids for some hands-on cricket action. We think there might be a few future cricket super stars in the line-up in years to come! Our book was *The 12th Dog* - Written By: Charlotte Calder, Illustrated by: Tom Jellett

Can a dog play cricket? You bet! A raucous celebration of backyard cricket - and the family dog. Selected as a CBCA (Children's Books Council of Australia) Notable Book of the Year: Early Childhood 2017.

In the summer holidays, a game of backyard cricket brings the whole neighbourhood together, and no one loves the game more than Arlo the dog. He's the fastest fielder there is, but there's a big problem: he never gives up the ball! Forced to watch from the sidelines, Arlo is determined to get back on the team - he just needs to prove that he is a great cricketer after all. *THE 12th DOG* captures the joy of backyard cricket and the hilarity of owning a dog.

OCTOBER - THERE WAS AN OLD LADY WHO SWALLOWED THE SEA

Thank you to Valda Morton for joining in the Storytime action as this month's Guest Reader. Thirty-five years after the publication of the much-loved classic 'There was an old lady who swallowed a fly' comes 'There was an old lady who swallowed the sea', a fantastic prequel to the original title. Here the old lady swallows more and more creatures from the sea to try and catch the initial fish. With thanks to the Beverley Shire with their Community Grants we have purchased lots of wonderful new toys for the Toy Library. This session was the first one since our new dolls house had arrived - we think there were a lot of parent's keen to spend some time with that one at home!

Beverley District High School

Independent Public School

Successful, Supportive, Sustainable

For more information about the school, visit our website and Facebook page!

The Pre-Primary and Year One students from Beverley DHS heard that there were dinosaur bones at Avondale Discovery Farm. So, they planned a trip, boarded a bus and put on their palaeontologist's badges for the Dinosaur Dig. The area had been pegged out, so they worked in teams to dig in areas and guess what they found...Dinosaur Bones!! Each bone found was recorded and brought back to school so they could try to reassemble the bones and work out what dinosaur they found. What an exciting day!

Thank you to:

- The National Trust for letting our students dig at Avondale Discovery Farm
- Monica for letting the school know about the dinosaur bones and ensuring that our staff and students had a nice morning tea and lunch
- Dee Tilly and Max Hunter for the bus transportation and driver
- John and Jaiten Hawke for pegging and preparing the dig area
- Our student palaeontologists, for digging with such enthusiasm
- The teachers who became 'site supervisors' and ensured the day was a fantastic success

Year 2 Excursion to the Dead Finish Museum

The Year 2 class recently attended an excursion to The Dead Finish on Wednesday 21 October. The students enjoyed several activities from the 'olden days'. They learnt how to polish silver, which proved a little harder than it first looked. They enjoyed dressing up in a range of old clothes, the fur stoles were very popular. They appreciated electric washing machines after learning how to do the washing by hand with a board and cake of soap. Lastly, they attended a school session in old wooden desks with ink wells and used a nib pen to write. Students thoroughly enjoyed their visit. We would like to extend a sincere thank you to the volunteers at the Beverley Historical Society for running this program annually for our Year 2 students.

Beverley Station Arts

The Station garden is available for public use at any time; just open the gates and enjoy!

Artists-in-Residence at the Station Gallery

A dynamic trio - Sally Watts, Suzanne Crawley and Thelma Cluning did as they professed - explored a diverse range of art practice and ran community engagement free demos and workshops whilst here, and sold artworks as well due to the amazing numbers though the doors during October. They opened most days and up to 60 per day visited the gallery...incredible what Covid has done for local tourism!

Plein air painting for local artists on Sunday 25 October extended to Monday with artists from the Perth Watercolour Society, some of whom were past residents at the Station. All in all a very busy and enjoyable month.

Below pictures show the artists at work in the Station Gallery.

Suzanne Crawley – watercolourist

Thelma Cluning – textile artist

Sally Watts – collage artist

And now for November residency – two artists are spending time here this month. From the 01 – 08 we welcome back portrait artist Verena Marmion, and from the 09 - 30 Michele Scott will be residing for the first time.

Verena Marmion graduated a Bachelor of Fine Art at Monash University Melbourne in 2003. After that she studied a Graduate Diploma in Art Therapy. Whilst living and teaching in Switzerland in 2006 she took up watercolours as her media of choice. Originally this was for its convenience compared to other painting media but she soon fell in love with it's fresh, spontaneous and fluid qualities and has been devoted to exploring them ever since. Verena moved to Western Australia at the start of 2010 to do a Graduate Diploma in Education with Visual Art as a teaching major. This was extended to a Masters of Secondary Teaching two years later. At present she teaches watercolour courses at South Perth Learning Centre. Verena's work has three predominant themes; still life, figure paintings and dancers

Michelle Scott

(see right for images of her works) is a Perth artist in Beverley - 17 – 29 November and comes with a with this message: “come visit, come paint with me in gallery or plein air paint”

Leanne Pearson (see left for image of her work) will be joining Michelle be the Station and offering a **workshop** **“FLORAL OIL PAINTING WORKSHOP”**

Sunday 22 November 2020

10am-4pm

\$140

Leanne Pearson is an award-winning professional painter with over twenty years teaching experience.

Visit Leanne’s Facebook page and Instagram to see her beautiful paintings. She is a very experienced teacher and beautiful person and you will have a great day and learn a lot. This workshop is suitable for the beginner to experienced painter. Both sites are under Leanne Pearson Artist.

Beverley Station Singers

STATION SINGERS ARE BACK!

The singing meet on October 20 was to practice for VoiceMove’s *Choir Muster* at the Platform Theatre on October 31. More about how the event went in next Blarney. Singing is directed by the talented Kelly Newton Wordsworth, cost \$20. Next session is **Wednesday 14 October**. Sarah Miller is coordinating singing so if you are keen to come along you can phone 0427 464 078.

Beverley Amateur Dramatics (BAD)

After rehearsals galore and four very successful shows, *Cocky's Crossing* the comedy musical has been put to bed. Performed on October 16, 17, 23 and 24, the BAD group felt privileged to bring such amusing entertainment to the many who attended. Word of mouth certainly helped with booking numbers – the first Saturday saw the biggest audience of 129!

And surely these performances wet the appetite for many budding actors in our community – if you would like to be involved in future productions, contact Britt Hadlow by email: britt.hadlow47@hotmail.com or beverleyamateurdramatics@gmail.com

WOLFGANG'S MAGICAL MUSICAL CIRCUS

It was truly an amazing night of acrobatics and comedy that had a 105 strong audience of all ages enthralled for the entire show. And the Circa team loved their four nights at the Hotel Beverley and meeting many of the local community and made a few excursions including County Peak.

**In appreciation of Dawn Ainsworth,
CWA York Branch President**

The CWA York Branch held its regular monthly meeting on Friday 09 October 2020. It was a well-attended gathering with about half of our nearly 40 members present.

In September, Jean Wykes, our Vice President, had a birthday. Six members marked it with the "usual" cake...and a special ride. The carriage was a 1910 vehicle owned by our President, Dawn Ainsworth's husband, Ross, and built by the International Harvester Company. Helen Grainger, our Secretary, commented that the lucky few felt like royalty.

We were honoured to be joined at the October meeting by CWA of Western Australia's State President, Elaine Johnson. Elaine helped attendees celebrate the completion of the installation of the York Rose COVID-19 leadlight window above the door in our rooms at 154 Avon Terrace, York. We would like to sincerely thank Rita Taylor's husband, Michael, who applied the finishing touch to the COVID-19 commemorative plaque - 'Unity during isolation' - with a border. It truly was a momentous occasion when the plaque, listing all 2020 members' names, was unwrapped! And simply wonderful to think that it will be there for all time.

Elaine Johnson is pictured above holding the plaque. There was another reason for Elaine's visit. The CWA York members wanted to express their sincere appreciation to our President, Dawn

Ainsworth, for her 'Caring and hard work this past year'. To Dawn's complete surprise, she was presented with a certificate by Elaine Johnson (Dawn is pictured here on the left holding her certificate with Elaine). Dawn was

extremely touched by the gesture and also delighted by a unique floral arrangement which she accepted on behalf of us all from Jean Wykes. The arrangement was created by Shannon Reynolds, an inspirational Wheatbelt entrepreneur, who runs her own business called Wattle and Daub.

St John WA - Benefit Fund Update

With the introduction of the new St John WA Benefit Fund membership cards, most Beverley membership renewals have been processed very smoothly.

However, there have been issues needing attention. These have mostly related to adult children who have long since turned 18 still being on family memberships, when they do need to take out a membership in their own right, or additions to families that have not been added to the membership. The sub centre is appreciative of the patience shown while sorting these issues.

Another common concern has been membership renewals not arriving as early as in the past. Traditionally, memberships have been sent 6 – 7 weeks before they are due. With the arrival of the new membership cards, renewal reminders will now come from Perth and will only arrive 3 – 4 weeks before they are due.

As always memberships may continue to be paid by bank transfer, mail or in person at the pharmacy. We are now able to also accept payments by credit card.

Should you wish to pay by credit card, or have any other queries regarding the St John WA Benefit Fund, please feel free to contact the sub centre on 9646 1408 (Tuesday and Friday) or email: Beverley@stjohnwa.com.au

What is the DRSABCD action plan?

The DRSABCD action plan plays a vital part in assessing whether a patient has any life-threatening conditions and if immediate first aid is necessary.

This plan is taught in first aid training courses and brings a structured method to attending the scene of an accident.

MOORT WABINY PARK

A fantastic addition to the main street of Beverley. I have been down a few times and seen kids enjoying themselves and having a great time whilst respecting other users of the park.

HOWEVER there are some that seem to think they can take their motorbikes and electric scooters down to the park.

The park is for the enjoyment of all and the use of these types of bikes/scooters is not acceptable and illegal. If you are caught riding these then they will be seized by police and the driver will be charged and face court.

DID YOU SEE ANYTHING

On Wednesday 30 September around 7.00am to 7.30am Hotel Beverley was broken into and a large quantity of cigarettes were stolen. If you were around the area at that time and noticed anything suspicious or you have any information as to the suspects then contact us with that information.

DO YOU RECOGNISE

On Tuesday 01 September around 1.30pm a male person has entered the Beverley Bakery and stole a donation tin belonging to the local community garden. The incident was captured on CCTV. If you recognise this person then contact Beverley Police with that information.

Please take care and stay safe.

Beverley Community Garden

The Beverley Community Garden was Officially Opened on Friday 16 October by Deputy Shire President Councillor Chris Pepper, cutting the ribbon to the garden entry gate. A good number of community members attended, enjoying the surroundings and the weather was kind to us. Light refreshments provided by members were available and ensured nobody left hungry. Many people commented positively on what had been achieved in the few months since the garden was begun. Glenys Lane, Chairperson of the Beverley CRC thanked the many, many community members who supported the garden, Shire of Beverley for grant funding for fencing and allowing them to utilise the land. She also praised the hard work of the community garden members who have worked tirelessly to establish the garden. Our hardworking Community Garden leader Betty Lobb cut the cake, celebrating the efforts of our community.

We have beautiful, organically grown herbs and vegetables ready for sale so why not come in on a Tuesday or Saturday morning, see Betty or Maureen and add some healthy greens to your meals.

The weekly garden maintenance days continue each Tuesday from 9.00am and Saturday morning from 9.00am. Everyone is welcome to come, no matter what your level of gardening knowledge or ability. Just pop in for a look at the garden, have a chat or a cuppa. If you would like to become a member of the Community Garden, contact Maureen or come to the garden on a Tuesday. Membership is \$20 per person or \$30 a family or school group.

If you have any items that you would like to donate, please ring Betty on 0400 569 971, Maureen on 0429 460 073 or Dorothy on 0429 989 031 to arrange a pick up or for any further inquiries.

BEVERLEY VOLUNTARY COMMUNITY SERVICES

General Information- offered in good faith taken from experts in their own fields, TV reports, Prime Minister and other government ministers, statements made by them in the Open Media, Radio National, ABC and other TV channels. Before and when in doubt, always seek clarification.

1. I have been unwell for many months, in and out of 2 hospitals. Never the less, our work must go on and our commitment to the needy, not so fortunate, is still rock solid and must go on as it has been going for some 30 plus years.

2. Australia has changed since Covid-19 with laws, regulations, and legislations are being changed, altered, added and even removed. We now have the Job Seeker, Job Keeper, Rent Assistance and deferment (legally authorised by our Treasurer and PM). As stated by TV reports and other experts, over one million Australians are unemployed, some qualify for some government benefits, and others do not. When in doubt, seek clarification from your local Centrelink office or get their email address which they give out from time to time. I, myself, am so unsure that from time to time I seek help from the CEO Christian Porter, our local MP and Attorney General- especially relative to benefits as to who is entitled to who gets what payment, for how long and what amount. Some benefits cut out in November, some in December, and some in March 2021.

3. Services- BVCS have assisted community members of Beverley, Brookton, and Pingelly on various problems, as to referrals to various bodies, write to government ministers and class action lawyers, seek help for housing, Centrelink benefits, speak on

behalf of those who cannot speak for themselves with class action lawyers, banks, superannuation and insurance companies etc. We still use the friendly staff at the CRC to do our secretarial work.

4. Our secretary is unfortunately wheelchair bound. Sylvia has been with BVCS, a hard worker and loyal member, for well over 30 years. We say a big thank you to Sylvia Seddon.

5. Joint secretary- Verna McKelvie has been a great help to Mal Roberts during his stint in 2 hospitals between April and June 2020, and tirelessly sorting out paper work, making phone calls, going to Centrelink and Homeswest offices, and transporting Mal Roberts for endless medical appointments in Perth (throughout the lockdown period- 4 plus months). Verna has made numerous personal visits, phone calls, and messages on behalf of Mal Roberts. Many thanks Verna.

6. Special Report, Radio National ABC 10/10/2020. CEO of the Food Bank of Australia stated (I cite her words)- one in five Australians are battling to put food on the table to feed their children, and so the children go hungry. By Christmas, more children will go hungry. Spare a thought for these families and children. Those who can afford, donate to these charities that help put food on the table- please help. Food Bank, Salvation Army, St Vincent DePaul or any bona fide charity. Please try to understand, people that were earning \$250,000 per year are now washing dishes to put food on the table. These are all media based facts with evidence cited on TV channels.

Another Beverley Pioneer

Walter John Boyle (Jack)

Born: 25th May 1893 at Greenhills, WA

Married: 22nd December to Ivy Lavinia Grover at Beverley, WA

Died: 10th May 1964 at Beverley, WA

Jack was very well known in the Beverley area as an excellent horseman and bushman. He loved horses and would go out into the bush and catch wild brumbies which he would then break in and sell to locals and buyers in nearby districts. Breaking in horses was a sideline for Jack and he usually worked in the local area on farms and for contractors.

Jack was a proficient storyteller and loved to entertain his family and friends with his many tales about his life. His grandchildren could often be found seated in a circle around him listening to his stories. Jack would ride through the bush for 15-20 miles, arriving at Andrew Strange's at midnight. Andrew would get out of bed and they would yarn for the rest of the night, this was a common occurrence.

A local versifier penned the following tribute to Jack Boyle on his passing....

There's a small country town in Westralia,
where friendship is ever in force.
That has just lost a real dinkum Aussie,
and among his best friends was his horse.
They will miss his old handshake and laughter,
they will miss his old humour of course.
And when they meet again in the hereafter,
I'll bet you he's riding a horse!

Beverley Times Friday 22 May 1964, page 7

Jack Boyle's Demise

Born nearly 71 years ago of parents who had farmed in the Greenhills area for a long period, Walter John Boyle, a very well-known resident of these parts, passed away after a long illness at the Beverley Hospital on May 10th. With his demise there disappeared a droll character who has been a part of the Beverley scene for as long as most residents can remember. Slow of speech, he was quick to acknowledge with a handshake every friendly greeting, and his acquaintances stretched from one end of the district to the other. He must have shaken hands with most of his friends on hundreds of occasions. It could be a twice a day ritual.

Jack Boyle was a lover of horses and until recent years was usually to be seen mounted on one of his ponies. He specialised in trading in brumby equines which he used to break in and for which he appeared to find a market here and in adjacent areas. In addition to this activity, which was something of a sideline, he worked during his life on local farms and with local contractors.

He was one of a very large family, there being six brothers and five sisters. Several of these have passed on including two very well-known brothers in "Sonny" Boyle, who was a chaff cutting contractor in these parts for many years and Tommy who was a very well-known York farmer until his death last year. Those still living are George, Ted and Mick, whilst sisters comprise Edith, Maud, Eva, Amy and Alma.

Jack married Miss Ivy Grover, of Beverley, over fifty years ago and from that time on spent almost all of his time in this district. Of the union a family of eight was born, these comprising Maurice, Eric, Marjorie (Mrs Reg Carr), Robin, Archie, Syd (of Goomalling), Max, Rita (Mrs Stan Cummings and Elvie (Mrs John Thompson, of Perth). The people of Beverley recognised Jack Boyle as a man without pretensions and the extremely large attendance at the funeral held at the Anglican cemetery on Tuesday, May 12, after a service at St. Mary's Church was a striking tribute to his popularity and to the sympathy felt for the bereaved widow, family, and relatives.

Warrior Wellbeing Article

Mindfulness - The Gift of Being Present

Simply put, mindfulness is the act of keeping our mind in the present moment. One of the common ways to practice mindfulness is through meditation. While meditation is a practice many people find helpful for their health and wellbeing, the term meditation might make us think of people sitting cross-legged repeating mantras to Tibetan meditation music. This might not appeal to all us blokes and may turn us away from the practice, but meditation is just one avenue to incorporate mindfulness into our lives.

For all of us our mind often gets caught ruminating over the past or worrying about the future. It's important to spend time in the future to plan for upcoming events and also to spend some time in the past to learn from our mistakes. However, spending too much time dwelling on negative events of the past or having our mind consumed by worry about bad things that *could* happen in the future will lead to heightened anxiety levels. This is why mindfulness and mindful meditation is sometimes used in the medical industry as a tool to help tackle diagnosed mental illnesses, such as anxiety disorders. Extensive research into the practice has shown that it improves mental health and wellbeing outcomes in addition to other areas in our lives such as chronic pain management and addiction.

Our time perspective encompasses the amount of time we spend with our mind in the past, present or future. To practice mindfulness, we need to bring our thoughts back to the present. Pay more careful, non-judgmental attention to the here and now. If our mind starts wandering, simply accept the thought and bring ourselves back to the present.

There are some simple ways to practice mindfulness in everyday life:

Mindful breathing – Spend time (ideally seated) with our thoughts focused on our breath as our chest moves in and out. If we are trying to calm ourselves during a stressful moment it might help to take an exaggerated breath to bring ourselves back to the present.

Mindful Driving – Have you ever had a long trip in the country and not remembered the drive? This is because we are often 'mindless' when driving. To practice mindful driving, we start by bringing our focus to the breath and our mind to the present – we bring our attention to the feel of our hands on the steering wheel and sound of road noise.

By incorporating mindful exercises into our life, we may come to realise that we are spending a lot time completely mindless. And, over time, we will be better able to enjoy life's pleasures as they arise. When we take timeout to smell the roses, we might just see an improvement in our overall health and wellbeing.

Practice News!!

Due to the COVID19 pandemic you can now book an over the phone consult?

The Doctors and Staff would like to thank patients for their assistance during the ongoing COVID19 Pandemic, your patience when complying with Social distancing at appointments and placing yourselves in self- isolation has been extremely helpful in keeping medical staff and our community safe.

We are continuing to follow the WA Health Departments advice and ask that you all do the same, we know that the virus is spread through respiratory droplets produced when an infected person coughs, sneezes or talks, so continuing to practice social distancing, looking after our hygiene by washing our hands with soap and or using hand sanitisers regularly, attending to environmental cleaning and avoiding any non- essential contact with other people are things that we can do to protect ourselves and our community.

R U OK?

Our trained staff are always available if you or someone you know needs support or someone to talk too.

General Report

1. Firstly, we offer our heartfelt and sincere thanks to the Shire of Beverley for proceeding to fly the Indigenous flag on the Shire building. For many years the CEO Mr. Steve Gollan and the Shire Presidents fought hard to achieve this result. Much work has been involved, many hours spent, negotiations with government departments, budgeting. We say a big thank you.
2. Mal Roberts has been unwell for periods this year. As the authorised person, Mal contacted ORIC's office lodged the General Report. We have regular contact with other government bodies, legal firms, class action lawyers and other authorities when we seek assistance to help any indigenous person, member or not. We have assisted families in Brookton, Pingelly, York, Northam, Meekatharra, Broome etc. This assistance goes back around 30 years. The help relates to housing, referrals for legal advice, writing to government Ministers, seeking help from non-government organisations, speaking to class action lawyers, insurance companies, bank, superannuation firms, clerk of courts etc. Mal Roberts is the authorised person to handle such matters, but does not offer Legal Advice.
3. Finally, once again a very big special thank you to the Shire of Beverley, Mr. Steve Gollan, President Don Davis, Councillors and staff for their friendly service to all indigenous residents, and for offering CRANA the use of the lounge in the town hall when available.

THE BEVERLEY BOWLING AND CROQUET CLUB

The Bowling Club opened their season on Sunday 04 October with the Hastings Open Day mixed bowls competition. There were 20 bowlers and although at times the wind was rather cold all enjoyed the afternoon. Mr Sean Greene (photo on the left), a new club member, had the privilege of rolling down the first bowl to open the season.

The winning team were Rodney Ware, Reg Behn and Glenys Hastings with Runners up being Jeff Murray, Glenys Collins and Kevin McLean.

Ladies Pennants commenced on Tuesday 13 October with Beverley playing Bolgart at home. Beverley were successful on the day. Tuesday 20 October saw the Beverley ladies travelling to Quairading where they were again successful and currently are sitting 2nd on the ladder.

The Beverley Ladies Gala Day was held on Thursday 15 October. This all-day competition saw 64 players representing 11 clubs, namely: Cambridge, York, Quairading, Goomalling, Dowerin, Cunderdin, Mundaring, Northam, Brookton and hosts Beverley. The day commenced in cool conditions, but it progressively fined up ending in a very pleasant day to be out on the green.

Overall winners being York 1 – Sian Smith, Carol Ashworth, Jenine Robinson and Lepe Tadman with sponsors Barry & Joan Ross from Beverley Bed & Breakfast

Runners Up: Northam 2 – Dot Glass, Isobel Wooding, Lee Eaton and P Edmonds

THE BEVERLEY BOWLING AND CROQUET CLUB

Men's Pennants commenced on Saturday 10 October with Beverley Blue drawing the bye, whilst Beverley White travelled up to York. Sporting their new Beverley pennant shirts, the guys are to "Be very seen on the green" and dazzled York blowing them away with an 8-0 win.

On Sunday 11 October was the Byfields Men's Handicap Singles which was well attended and saw Peter Smith winner of the Byfields Handicap Singles 2020. Lou Irvine was runner up and in the play-off in the Plate was won by Lew Shaw with the Plate runner-up was Brendan Minchin.

The 2020/2021 tennis season opened on Sunday 11 October with Club Patron Keith Murray sending down an ace to declare the new season underway.

He was cheered on by an excellent crowd of approximately 30+ members. The captains did a sterling job with matches. Cheers to the members who were able to attend the Busy Bee the week before the opening.

The club hosted the Beverley Heroic CycloX on Saturday 17 October. Thanks to Bola and Ali for manning the bar and BBQ to keep the riders fed and watered.

Wednesday's Ladies day

The Ladies competition has exploded with 30 players (and a gazillion children!). Running each Wednesday there are five teams of six ladies competing. The days are running very smoothly thanks to Chantelle's enthusiasm and coordination.

Club Updates

Junior coaching is well underway and everyone is having a great time! Thanks to Coach Keith and Narelle for the coordination each week.

Sadly pennants has not exploded with the same enthusiasm as the ladies comp. That said, Beverley have had a team each week but unfortunately other towns have had quite a few forfeits. Beverley won against Cunderdin, won due to a forfeit against Dowerin and lost to Quairading. There are two more matches against Goomalling and Northam before the season breaks for harvest.

CHRIS BOLADERAS MEMORIAL TROPHY

The Chris Boladeras Memorial Trophy was held on Sunday 18 October. The weather was fabulous for the 36 entrants.

The final was won by Laura McLean and Graeme Lewis (pictured above with event sponsor Mr Richard Boladeras) against Chantelle Meade and Bruce Kilpatrick (pictured below with event sponsor Mr Richard Boladeras). Well done to everyone who participated, there was some fantastic tennis to watch from the sidelines.

Thanks for the day include Richard Boladeras for his continued support of the trophy and Kodie Fleay of Beverley Gas and Plumbing for co-sponsoring. Thanks also to the captains for organising the tournament and greenskeeper Rob, the courts looked amazing ...a comment also made by many CycloX riders the day before.

The Committee are undertaking future planning for the club, if you have not received a survey and would like one, please email secretary@beverleytennisclub.com and we'll send one out to you. Please also use this email address to join our mailing list, membership forms or fixtures.

See you on the courts!
