SHIRE OF BEVERLEY PRESIDENT'S REPORT

Moort Wabiny Park

The power is now connected to the park with evening lights coming on as the sun goes down and staying on till approximately 9.30am. The BBQs are now also operational.

The Official Opening will be on the morning of Friday 12 February 2021. Full details will be in the February Blarney, but please save the date if you would like to attend.

Christmas Lights

There were some great displays of Christmas Lights around town. Congratulations to the following winners:

Best New Entry: Carol Allen, Great Southern Highway

Best East Side: Rachel Lucas, Dempster Street

Best West Side: Stanfield Family, Smith Street

Beverley's Biggest and Best Christmas Tree: Mick Heavy, Great Southern Highway

Community Grants

The second round of Community Grants open Monday 04 January 2021 and close 4pm, Friday 29 January 2021. Community Groups need to be incorporated. Small Individual grants for state and national representation in your field are also available. Forms are available from the Shire Office or on the website. Speak to Ash or Ali if you have any queries.

Road Program

Maintenance grading of gravel roads will recommence after harvest.

Councillor Resignation

Council has regretfully accepted the resignation of Cr Darryl Brown. Cr Brown served on Council for 7 years and was a strong advocate and champion for Beverley Youth, and in particular the Youth Activity Area. His commitment to Council and the community will be missed.

Reconciliation Action Plan

Council are seeking to commence planning for the Shire's Reconciliation Action Plan in March. Expressions of Interest to join the Committee will be advertised in the February Blarney.

LRCI Funding Updates

The Old Courthouse Roof Sheet Replacement, Platform Theatre Green Room painting and Platform Theatre Artificial Turf Replacement projects are now all completed under the LRCI Funding. The Town Hall flooring has all been replaced with the sanding and waxing to be completed early in the new year.

2021 Council Meeting Dates

Council meeting dates are as below. They start at 3pm in Council Chambers. Under the current COVID-19 restrictions the number of visitors is restricted. It is preferred that you email any questions (up to 3) for Council to execassist@beverley.wa.gov.au no later than 12noon the day of the meeting. Answers to your questions will be emailed the following day. If you still must attend in person, please arrive at 2.50pm to register.

CONTAINERS FOR CHANGE WA

We've had a lot of queries regarding the new recycling program and wanted to compile some local information for you.

To receive a refund, you will need a Scheme ID which you can register for on the Containers for Change website here <https://consumer.containersforchange.com.au/create-account?scheme=WA>

Eligible containers can be dropped off in bags at a bag-drop located at the end of Council Rd near the cardboard recycling bin.

Please make sure you place your Scheme ID is legible on your bags (tape and permanent marker work just fine).

Currently, bag drop off is on Wednesday and Saturday afternoons from 1pm until 4pm. In the future, a separate bin will be permanently placed there and emptied weekly – meaning you can drop your bags off at any time!

Refunds appear to be processed within approximately 72 business hours.

If you have any questions, please refer to the Containers for Change WA website. <https://www.containersforchange.com.au/wa/>

Dedicated to Brian Clifford Tyrer
Born 26 May 1951
Passed away 22 November 2020

A sincere and heartfelt thanks to all of those who attended the service in Brookton on Friday 04 December 2020. The service was a wonderful tribute to Brian and a farewell to an amazing person.

Brian grew up in Brookton with his older brother Noel and younger sister Raelene. He was conscripted into the army the year he turned 19, taking him interstate as part of the 2 year compulsory recruitment. During this time he was awarded most outstanding soldier and was an expert rifleman. On returning to WA, he started life as a butcher at the shop in Brookton run by his father James Tyrer.

Brian married Barbara Jackson during his mid-20s and his two sons, Jay and Peter, were born shortly after. He was dedicated to hard work and looking after his family, most of all his boys. He got involved in racehorses at a young age and had a couple of winners. He loved to study the form guide and enjoyed having a bet or two while enjoying a beer on a Saturday afternoon. In the year 2000 Brian welcomed another child into the family - a daughter named Tina (he had Tina after going up north). He travelled north, worked

in Marble Bar as a station hand and then settled in Port Hedland for a short time before heading back down the coast and then started the Kalbarri shop (in addition to T-Bone and Sons in Beverley).

Brian's many hobbies included duck shooting, fishing and sport. He even managed to jump out of a plane, parachuting 3 times! He continued butchering as well as countless other projects until he was first diagnosed with non-Hodgkins lymphoma in 2011. Following chemotherapy he made a recovery and was working as hard as ever. Unfortunately cancer was detected again in 2019 and he would have to undergo regular chemotherapy along with intense radiation. Brian fought cancer until his body could not handle any more. Despite this, he did not let it get in the way and rarely complained, even though he was ill. There was always a project or job that had to be done and he enjoyed keeping busy and achieving his goals. Brian dedicated his life to his family and will be remembered for his generosity, kindness and incredible sense of humour.

He is gone but not forgotten, his accomplishments and determination will be remembered through all of those who knew and loved him. He will be missed by many and his legacy passed down to his children and grandchildren for a long time to come. Brian was and always will be an extraordinary person who led an extraordinary life.

On a personal note, the family would like to thank the nursing staff and doctors who cared for him right to the end. A big thank you with appreciation and gratitude to the Beverley community as a whole who have been so supportive, not just in the final days but for many years of previous loyalty and kindness.

You are forever in our hearts.

Thank you

The Tyrer Family

DAY CARE NEWS

Our year has almost come to an end and what FUN we had throughout the year. We unfortunately couldn't do excursions due to COVID, but we are looking forward to 2021, where we will BE out and about in the community.

A special THANK YOU to AG IMPLEMENTS for donating toys for our children, they had lots of FUN putting it together.

We are fully booked for the Christmas holiday period and thank the parents in our community for your support.

For enrolment enquires please contact us.

We wish all in our community a happy healthy 2021.
Jo and Maryka

CWA Beverley Branch

Our final meeting for 2020 was held on December 09 at which Vicki gave us another interesting talk on the Japanese way of life.

Many places in the world celebrate Christmas with a traditional Turkey dinner, in Japan it is estimated that 3.6 million families will eat 'Kentucky Fried Chicken' on Christmas day, but with Japan's population at over 120 million people, 'The Colonel' still has a few to convert'.

After the meeting, our members (and guests) enjoyed a two-course meal at the Red Vault restaurant for lunch.

2020 was certainly a year many would sooner forget, so with positive thoughts for the future we wish everyone a happy and safe new year.

After morning tea at 9.30am, our next meeting will be held at 10.00am on Wednesday 17 February 2021 at the CWA Hall, please bring along a 'shared lunch'.

If you would like any information concerning The Country Women's Association or the Hire of the CWA Hall, please feel free to contact Pat Hambly on 9646 1481

As the 2020 came to an end, the Garden club meeting for December was replaced by a pre-Christmas lunch. Twenty eight members sat down in the dining room of the Hotel Beverley which was nicely decorated for the occasion. Thank you to John and his staff for the delicious lunch which was served seemingly with ease. The Secret Santa gifts were distributed provoking much laughter and chatter.

The next meeting will be held on Tuesday 02 March at a place to be announced at a later date. We hope the 2021 will be a calm and peaceful year with no return of the dreaded Covid19 virus.

Gardening in January

It's pretty hot out there at the moment, and it definitely isn't the ideal time to be planting much. That said, you can try eggplant, zucchini, cucumber, capsicum, chillies and tomatoes; towards the end of the month.

- Lettuce can be grown at the tail end of January, but consider popping them under a shade cloth tent.
- Try Lemongrass if you haven't already. Its woody nature helps prevent too much damage from the heat. Though wait until things cool down for any other herbs.
- Still time to pop in some asparagus, just find a cooler spot in the patch.
- It's not too late for watermelon and rockmelon.
- Plants feel the need for a feed at this time of year. A seaweed tea or low environmental impact liquid fertiliser is perfect. Throughout the growing period diluted worm teas can be added to your garden every couple of weeks. This will help keep up the growth and fruiting capabilities of your plants. Apply to the soil early in the morning, in the concentrations mentioned on the packet.
- Pretty up the patch with these flowering fancies: marigolds and sunflowers. Popping these in around your veggies will give some colour and interest to the patch, and act as beneficial insect attractors!
- Consider a green manure crop to add some life and love to an overworked patch. This will improve your soil incredibly. For a bit of forward planning, you'll find it well worth the effort!
- Water smarter at this time of year. Water first thing in the morning and instead of quickie irrigation, a nice deep drink a couple of times a week is far more beneficial!
- If you haven't done already, look into drip irrigation. This will put the water where it is needed as well as reducing the risk of powdery mildew when the leaves get wet.

Mulching tips

- Top up mulch on your veggie patches, herb gardens and ornamental beds, especially important if you are heading off this holidays.
- A hot summer tip is to mulch after watering the patch to a depth of about 7cm. Keep mulch clear of plant stems... especially young seedlings.
- Choose sustainable, low environmental impact mulch, one that will enrich your soil as it breaks down.

Go the distance.

No matter how far
your doctor is.

No excuses

See your doctor if you
notice anything different
with your body.

Beverley Community Garden

Happy New Year to all. We hope 2021 will bring good health and happiness. As the heat is upon us, shade tunnels have been placed over the vulnerable vegies in the community garden. Why not pop in on Tuesday or Saturday to see if there are some vine ripened tomatoes, zucchinis, sweet corn, rhubarb or leafy greens ready for picking. The fruit trees are growing well but are too young yet to bear fruit.

Congratulations to Richard Boladeras on winning the recent raffle of a Christmas hamper. Thank you to all who contributed and especially Penny and Tess for the marron.

The pre-Christmas barbecue at the garden was well attended and the twinkling lights at the gate and on the gazebo added to the festive atmosphere.

Further funds are needed so if you have any recyclable glass or plastic bottles, cans or cardboard cartons you would like to donate, again, please call the numbers below for them to be picked up.

The weekly garden maintenance days continue each Tuesday from 9am and Saturday morning from 9am. Everyone is welcome to come, no matter what your level of gardening knowledge or ability. Just pop in for a look at the garden, have a chat or a cuppa. If you would like to become a member of the Community Garden, contact Maureen or come to the garden on a Tuesday. Membership is \$20.00 per person or \$30.00 a family or school group.

If you have any items that you would like to donate, please ring Betty on 0400 569 971, Maureen on 0429 460 073 or Dorothy on 0429 989 031 to arrange a pick up or for any further inquiries.

Beverley DHS P&C News

PLEASE NOTE: Our Containers for Change Trailer on Lennard Street will be stored in secure location over the summer holidays. It will return to its position behind the canteen at the commencement of Term 1 in 2021.

The Beverley DHS P&C has registered for a scheme ID for the Containers for Change Program. We'd love your assistance to help to raise funds for the purchase of additional educational resources and opportunities for the students at Beverley District High School.

Over the summer holidays, while our trailer has been moved to a secure location, you may continue to support the P&C by dropping your containers directly to a Containers for Change Depot, using our registered scheme ID- C10242713... Why not look out for a depot in the town that you are taking your summer holidays in!?

They'll get 10 cents for each one. With your help, we can make a change.

✓ ELIGIBLE CONTAINERS

The scheme targets drink containers most commonly seen as litter. Most aluminium, glass, plastic, steel and liquid paperboard drink containers between 150ml and 3L are eligible for a refund.

✗ INELIGIBLE CONTAINERS

Generally, ineligible containers are those that are less than 150ml and greater than 3L. Other ineligible containers include all plain milk bottles, wine bottles, pure spirit bottles, cordial and registered health tonics. Pure juice containers over 1L (or under 150ml) are also ineligible.

THANKYOU DAWN EDWARDS AND CONGRATULATIONS ON 58 YEARS OF DEDICATED SERVICE

On Thursday 3rd December 2020, the Beverley Hospital Auxiliary Inc hosted a special morning tea in honour of Mrs Dawn Edwards. Regretfully, Mrs Edwards has decided to step down from her role as worker, mentor and historian of the committee after 58 uninterrupted years of dedicated service.

The event was held in the beautiful gardens of The Beverley Railway Station and was attended by current and past Opportunity Shop helpers, Past Presidents, Secretaries, Treasurers and committee members from the present and years gone by. Also in attendance were daughters whose mothers had worked alongside Dawn in the early years of Dawn's service. Special guests were Judy Edwards –Dawn's daughter- as well as the Beverley Health Service Manager Michelle Bauer and a surprise visitor - Mr Trenton Greive, the Operations Manager WA Country Health Service. Approximately 54 people attended to acknowledge Dawn's contribution.

After a sumptuous morning tea provided by the current Auxiliary committee and friends of Dawn's, the current Auxiliary President Mrs Glenys Lane thanked all for their attendance, gave apologies from several who were unable to be present. Mr Greive extended his sincere thanks and congratulations on behalf of The Health Department of WA and together, he and Ms Bauer presented Mrs Edwards with a framed certificate acknowledging her dedicated voluntary service.

Mrs Sandy Shaw [Immediate Past President] then spoke of Mrs Edwards amazing contribution to the Hospital Auxiliary over almost 6 decades. Brief details were recounted of the history of the Auxiliary since its inception in 1944, the duties performed by volunteers compared to those performed today, the location and re-locations of the Opportunity Shop. Some stories of Dawn's very early influences were told – some humorous, perhaps not always accurate but always illustrating the energy and passion this lady has maintained for 58 years. Mrs Anne Szczecinski represented past committee members and recounted some amusing events of which Dawn had been a part or even the instigator!

Sandy then presented on behalf of the Auxiliary and all guests in attendance, a beautiful bunch of flowers, a framed Certificate of Appreciation detailing her years of service and a small engraved gift as a memento of her time with the Auxiliary.

In Dawn's own words, she was "a bit overwhelmed by all the fuss" but appreciated the acknowledgement of her time spent with the Auxiliary. She also expressed her thanks to everyone present, to those who had prepared the venue for the function and to those many people with whom she had worked during her time on the Auxiliary. Dawn added that she would always follow and support the activities of the Auxiliary and wished them success in the decades to follow

Guests then mingled and the morning became a wonderful reunion of current and returning residents of Beverley in honour of a dedicated volunteer, Mrs Dawn Edwards

The Auxiliary would like to acknowledge BSA [Beverley Station Arts] for the use of their venue.

Mrs Sandy Shaw - Beverley Hospital Auxiliary Inc

THE CHALLENGE

Pioneer Challenge, it is a fun heritage hunt with the aim of discovering the pioneers of Western Australia. The game is a hybrid of a clue finding treasure hunt and a car rally that encourages people to explore our regional country towns and raise money for charity. The game is run by an innovative Rotary group from Perth who has been looking to beat Covid-19 and assist in the recovery of Western Australia's tourism industry.

WHAT CHALLENGERS HAVE SAID

Katanning: We loved the old buildings and the great feeling in town. We discovered that the first light pole in WA was erected in the main street of Katanning. The restoration of the flour mill which is the Premier Mill Hotel was very impressive. The lunch at Dome was a welcome break during our exciting pioneer challenge on route 120. The all aged playground at the entry to town was a very pleasant surprise.

Broomehill: In the little town of Broomehill, the biggest surprise was a really fantastic park called the Sheridan Park. The trees in this park in the middle of town was in full spring blossom. The flowers were beautiful, and the towns folk were very proud of their town.

THE NOVEMBER WINNER IS...

The November monthly winner is the The Rusty Tykes team. The team was allocated the towns of Woodanilling, Narrogin and Wagin. The Rusty Tykes team receives a dozen bottles of Cabernet Shiraz from Ironcloud Wines. "The cultural trail in Woodanilling, very quaint like going back in time, the pub still has original rooms, trees and landscape, men's shed, railway."

CUBALLING – Nordic 3 Team

"A very friendly young lady arranged for us to have coffee at the Cuballing tavern. The fishpond with associated decor at the tavern was very imaginative."

BEVERLEY – Nordic 3 Team

"Beverley's a very neat town with some well-preserved buildings. It has a great wooden playground and interesting heritage trail."

NARROGIN – The Rusty Tykes Team

"We had an interesting time and enjoyed the challenge immensely. We included a walk to the top of Boyagin Rock on the way from Mandurah to Narrogin which was terrific."

HOW TO PLAY

Once registered, players are assigned three Pioneer towns and nine Pioneers to investigate along a chosen segment of Route 120, (Southern Highway). Within these towns, players begin by finding and photographing the graves of these Pioneers at the local cemetery. Search for historical clues around town, answer questions online and upload pictorial records of your trip. The game is played on mobile devices and the Pioneer Challenge website. Learn about the town, enjoy the local fare and flavours and bring to life the amazing Pioneers of our state! Explore unique and charming towns along the Great Southern Highway (Route 120). pioneerchallenge.com.au

REQers Team

PRIZE PRESENTATION – October – JakeTyra Team

The monthly winner in October was the JakeTyra team from Busselton. The team was allocated the towns of Beverley, Cranbrook and Katanning. The team received a dozen bottles of Shiraz from Ironcloud Wines. "We like the good feeling of Katanning. The alleged-playground was to die for. Near the playground was a cool BMX track. We went to the Dome and the food was really good".

THE SCHOOL HOLIDAYS CHALLENGE

We invite children and their parents to join the "Pioneer Challenge" during the holidays, hunting for, and learning about, the State's Pioneers in family teams along Route 120.

It's fun for all the family and is also in aid of the renovation of the King Edward Memorial Hospital Rose Garden for the bereaved families of still-born children. The cost per vehicle is \$60 towards the Rose Garden.

We hope staff and children/parents of our primary school will support this project during the school holidays. www.pioneerchallenge.com.au

NESS ELIZABETH ANN (Nurse) – Narrogin

A tough, resourceful and kindly midwife. During the 1890s and early 1900s she operated from her small home opposite the church in Doney Street. In about 1910 she had a stone maternity hospital built at 6 Williams Road and ran this until she left Narrogin in 1924. Both buildings remain. She was a fine horsewoman and at the age of 80 she rode in Perth during the State Centenary celebration in 1929.

SPRING INTO ACTION

Don't miss the Great Southern Highway these holidays with colours of early Summer. Savour the hospitality, museums galleries and country food in every town. It is easy to incorporate the Pioneer Challenge as fun day trip or break in a longer journey.

Thank you for your support. Please forward this newsletter to friends and colleagues and encourage them to participate! Register a team at pioneerchallenge.com.au and plan your unique experience.

BEVERLEY STATION ARTS
GALLERY & PLATFORM THEATRE

The Station garden is available for public use at any time;
just open the gates and enjoy!

COVID-19:

Please practice good hygiene and physical distancing at all our events, and use the hand sanitiser stations provided. If you are feeling unwell or have travelled outside WA in the 14 days prior to events, please do not attend.

Artists-in-Residence at the Station Gallery

During December two artists spent time at the Station. From the 01 - 08 we welcomed encaustic artist **Carly Le Cerf** who is based in Mount Barker. A prolific contemporary landscape painter, she has commissions booked until July next year. Carly develops works that are drawn from emotional responses to the landscape that surrounds her, and strives to evoke memory and emotion through intuitive layering and carving of wax, oil and pigment.

Peter Ptschelinzew and his wife Ann arrived at the Station on the 09 December and are here till 30 December. Peter is a self-taught photographer who has been shooting for over 30 years submitting images to photo libraries. Much travelled the world over he has resulted in some amazing photography. Peter has been out and about seeing some harvesting from both afar and from inside a header and enjoyed the experience, as did Carly during her stay.

Artist in Residence for December

Shireen and her artworks

And now to January. Please help us welcome **Shireen Manning** from Moora. Shireen taught art at TAFE for many years and brings with her a wealth of knowledge in all fields of visual art – from drawing and painting, to textiles (her funky crocheted footstool covers were a hit this year), sculpture and ceramics. Shireen’s artwork focuses on the beauty around us all. Her medium of choice is mixed media. Her goal – to invoke pleasure, tension and excitement in the viewer.

Please keep an eye on the weekly Bulletin for further information regarding residencies, workshops or any changes to schedule - or contact A-i-R Coordinator Marylou on 9647 1027 / 0427 085 511 or email: hutchinson@wn.com.au

Easter Art Exhibition

Entry forms are out for the big Easter Exhibition – Beverley’s 52nd Art Purchase Exhibition Thursday 01 – Monday 05 April 2021. The town’s renowned 2D media art show includes the *Beverley Art Prize* valued at \$5,000 and besides this overall prize, there are six other sections with prizes of \$1,000 each. And there is a category for children also so kids, start drawing/painting during the holidays! Anyone wishing to enter works of art into Easter Art Exhibition can pick up entry forms at either the Shire offices, the CRC or the Station Gallery, online via our website www.beverleystationarts.com or contact Exhibition Secretary Joey Walter email: beverley.art.exhibition@gmail.com

Beverley Amateur Dramatics (BAD)

BAD is planning a show in April - not a musical. We think it's important to keep the momentum up, but Quairading will be doing a musical in October, so we don't want to take away from them. Mark Kont and Britt Hadlow are currently looking at some scripts of Australian themed plays. Rehearsals to start in January.

As Bruce Denny will be completely out next year due to acting and directing commitments in Perth, Mark will direct with Joey Walter as assistant.

If you would like to be involved in future productions, contact Britt Hadlow by email: britt.hadlow47@hotmail.com or beverleyamateurdramatics@gmail.com

Beverley Station Singers

Station Singers are taking a break till February when they will begin meeting again on a Wednesday every 3 - 4 weeks. Singing is directed by the talented Kelly Newton Wordsworth, cost \$20per night. Sarah Miller is coordinating singing so if you are keen to come along you can phone 0427 464 078.

The 'BACK to the 80s' night was a lot of fun, with many comedy fans thoroughly enjoying Alli Butler's show *40 Year Old Pop Star*. And though it became apparent *Chain Reaction's* repertoire doesn't include many songs from the 80s, the two decades prior provided fantastic dancing music!

Volunteer Thank You

- to recent artists-in-residence Michelle Scott and Carly LeCerf both left the Station so clean after their stays.
- to the Shire of Beverley for the installation of new turf at the Platform Theatre.
- to John Lane, Eva and Keith in advance for offering their time so willingly to make the community Christmas Party such a joyous occasion for everyone – in particular the children.
- to the Station Arts committee for their contributions to the Christmas Hamper raffle.

AND TO ALL OUR PATRONS, THANK YOU FOR YOUR CONTINUED SUPPORT DURING 2020. WE WISH YOU A VERY HAPPY, SAFE AND PROSPEROUS NEW YEAR!

JOB OPPORTUNITY with Beverley Station Arts

Are you interested in the arts?

Have you dreamed of having a job that you love?

If you love the arts but also have killer business / marketing skills, you can put them to work as an arts administrator and help Beverley Station Arts flourish.

Beverley Station Arts is seeking EXPRESSIONS OF INTEREST for a suitable applicant to work one day per week commencing February 2021. Applicants must have a keen interest in the arts (experience in the arts would be ideal), be competent in administration, websites, social media, marketing and grant applications.

The reputation of Beverley Station Arts as a quality community arts organisation has grown tremendously over the past few years, but to enable it to grow and extend administrative support is vital.

1872-2022 DEAD FINISH - 150YEARS

President's Report 2020

Another year gone by and such a different year it has been.

At the meeting following the AGM in October we welcomed two new members Leonie Taylor and her mother Denise Strange (Boyle). Welcome. Leonie volunteered to update our wedding photo books. She gave us an idea of what she intended and we were delighted. Thanks Leonie.

In October 2019 we had our annual visit from the Year 2 class from Beverley District High School. They had a great time and as usual presented us with a booklet of the fun they had at the Museum. Thanks to all who helped prepare for the day and help on the day of the visit.

In December after a quick meeting, we covered up all our displays and then went to the Beverley Hotel for our Christmas dinner. We had a lovely meal together and then retired for the summer season.

2020 saw us open in March and close again in April for 2 months, due to the COVID-19 pandemic. This of course disrupted plans for Easter, when we planned to have a display of hats and early household items, fans, toasters, irons etc. It also stopped a possible visit to St Peters Church just over the border in York. It also put a halt to a planned talk by Margaret Mourach and to having a display at the Beverley Show.

In June we had a social gathering/meeting to discuss a few things, mainly research that was ongoing, and sift through correspondence that was accumulating. We discussed our way back from the pandemic lockdown and what we had to do to comply with regulations in order to reopen the museum. These things done, with the help of the Shire of Beverley we reopened on the 12th July. Morag opened up, with a good supply of hand sanitizer and surgical gloves. She had a few visitors that had signed on to the Route 120 Challenge to research historic figures living in the towns along Route 120 (Great Southern Highway) from York to Albany.

Our first official meeting back was the following day (13th July) with a good attendance of members eager to be out of lockdown. The Wheatlands Chapter of Museum & Galleries Australia was cancelled this year.

The committee decided to purchase a new (second hand) fire-proof-to-2-hour rated filing cabinet this year. The Society put the paperwork in for a Shire grant and were successful in getting the \$1500 grant that we asked for. The cabinet will be purchased as soon as possible.

At our September meeting we welcomed a new financial member, Adam Freeman. We look forward to his involvement.

In 2022 the Dead Finish building will be 150 years old. We have had a few discussions at meetings and we went to a Shire meeting about our intension to have some celebrations in the community and the possibility of enlisting their help in some way. The Roads Board/Shire started in 1871 and so their 150 years is in 2021.

We also went to Jacinta Murray who is the Tourism Officer for the Shire and we discussed strategies. Jacinta followed up and with Shire approval have started up a community group to celebrate these milestones. Glenys Petchell and Joy Smith are representing the Beverley Historical Society.

We have had good numbers visiting the Museum since we reopened and along with a few caravan clubs, the Veteran Car Club and individual groups visiting out of our regular opening days we had 193 people come through the museum this year to date.

I thank once again the Garden Club for their work in the Museum's garden. Thank you to Glenys Petchell for dealing with the mail and for her reports in the Blarney on our behalf. Thanks also to Erica Murray for duties involved with being the treasurer and Morag for her wonderful secretarial work. Morag thanks also for all the research you have so ably done this year and every year. Also, a big thank-you to our committee and members for their research and re-committing to the Museum after such a disruptive start to the year.

Joy Smith

'Working in Unity to make a difference for every child'

BDHS sits on the land of our Noongar people and we acknowledge them as the traditional custodians of the Ballardong region.

The Wheatbelt Ball

Our high school students had the opportunity to attend the Wheatbelt Ball hosted by Quairading DHS this year and were accompanied by Mrs Bailey and Mrs Mearns as bus driver. They all had a wonderful time and looked absolutely amazing! This was a huge effort this year for our students and families in arriving home from camp and getting ready for the big night all on the same day!!

Secondary Camp

Earlier this term, the secondary students went to Bunbury for their yearly camp, accompanied by Mr Dautopulos, Mrs Freeman and Mrs Mearns. They had a week full of both educational and fun activities including a visit to the Astronomical Society of the South West, Dolphin Discovery Centre, Wellington Dam, Collie Underground Coal Mine, the Black Diamond Lake, roller-skating, ten pin bowling, Art walk, water slides, laser tag and mini golf. Most of the cooking was done by the students, but for the last night they had a delicious three course meal at the Lone Star before going to movies. The students and teachers had a wonderful time and are already looking forward to next year's camp. **Look carefully in the picture to spot a special visitor from Collie!**

Part of our 2020 NAIDOC Week activities included spending time exploring storytelling. The primary students watched some Noongar creation stories, heard about the story behind Mrs Hare's family painting and explored the symbols found in Aboriginal paintings. Students then designed their own story stones and created a shared story. A great event coordinated by Mrs Aynsley.

Due to the COVID19 pandemic you can now book an over the phone consult?

The Doctors and Staff would like to thank patients for their assistance during the ongoing COVID19 Pandemic, your patience when complying with Social distancing at appointments and placing yourselves in self-isolation has been extremely helpful in keeping medical staff and our community safe.

We are continuing to follow the WA Health Departments advice and ask that you all do the same, we know that the virus is spread through respiratory droplets produced when an infected person coughs, sneezes or talks, so continuing to practice social distancing, looking after our hygiene by washing our hands with soap and or using hand sanitisers regularly, attending to environmental cleaning and avoiding any non- essential contact with other people are things that we can do to protect ourselves and our community.

R U OK?

Our trained staff are always available if you or someone you know needs support or someone to talk too. ruok.org.au

The Beverley Medical Practice is committed to providing quality health services to Beverley and surrounding areas. As part of our commitment to the community we support and assist up and coming medical health professionals. We have a number of student GP's attending clinics both onsite and virtually. These student GP's are from Notre Dame, UWA and Curtin University. If you are interested in assisting us by allowing one of our students to sit in on your consult or attend a virtual clinic over the phone please let our staff know.

Gauge Your Guts – Why it's Important!

As a nation we are continually being told that we are fat and getting fatter with two thirds of Australian adults now considered overweight or obese. This is no surprise when most of us are living a more sedentary lifestyle and eating more highly processed foods. While we might like to joke at the pub about our '6-pack turning into a keg' there are some serious risks to our health and wellbeing if our panels are bulging. Carrying around extra weight increases our risk of chronic illnesses including type 2 diabetes, cardiovascular disease (pump and pipes), and some cancers including bowel, kidney, and thyroid. So, how do we determine if we are carrying around risky levels of excess fat?

Two of the main recognised methods are body mass index (BMI) and waist circumference. The BMI is a quick measure that compares our weight to our height. The BMI is a useful but not perfect measure because of its inability to distinguish fat mass from lean mass and the distribution of body fat. The waist circumference (measured from tummy button) is a good measure of the risks associated with excess weight because of its ability to indicate fat in the high-risk locations. It is well known that excess fat around our middle carries the risk of obesity related health issues due to its link to visceral fat (the dangerous fat that coats our internal organs). Due to hormonal differences, our stomach area is where blokes often store fat, as opposed to women where it often gets deposited on the hips and thighs. In general, the risk thresholds for adult waist measurements are:

	Waist Circumference	
	Men	Women
Risk Range	94 cm to 102 cm	80 cm to 88 cm
High Risk Range	Greater than 102 cm	Greater than 88 cm

Source: National Health and Medical Research Council Guidelines (2013)

Keep in mind, this is a guide only and identifying risk should always involve a discussion with our GP about a holistic approach to our current health behaviours. If after gauging our guts we find that our panels are bulging, there are some simple steps we can all take to reduce that waistline:

- **Move more** - walking the dog or kicking the footy are good places to start and incorporates exercise into our daily lives.
- **Choose smaller portion sizes** - adopt an eating pattern where our food intake matches our calorie needs.
- **Adopt a healthy diet** – eat more fruit and veg, less junk food and sugary drinks.
- **Limit alcohol intake** – drink no more than two standard drinks per day, incorporate alcohol-free days and remember “low carb beer” isn't necessarily low calorie!

Don't be tempted by unsustainable “fad diets” that promise quick results and may involve eliminating foods that contain necessary fuel that our bodies need. Remember, we always need to consult our GP or other health professional (dietitian, physiotherapist etc.) if we plan on making substantial exercise or dietary changes.

Dawn Edwards - Beverley Hospital Auxiliary member 1968-2020 **58 years of unbroken and dedicated service.**

Good morning to you all. Welcome to this special morning tea in the beautiful surrounds of the Railway Station Arts precinct. Today, we show our appreciation to Mrs Dawn Edwards and honour her outstanding contribution of 58 years of unbroken service with the Beverley Hospital Auxiliary.

I particularly want to welcome Judy Edwards one of Dawn's three daughters, Mr Trenton Greive, Operations Manager WA Country Health Service and Michelle Bauer HSM Beverley, various guests who are past Auxiliary committee members or those who are present representing their late mothers who worked alongside Dawn during the early decades.

Over the past 16 years of my being a member of the Beverley Hospital Auxiliary, Dawn has amazed me with her accurate memory of all things to do with the Alex Miles Lodge -of which she was a founding committee member-, the Beverley Hospital and in particular, the Beverley Hospital Auxiliary. Recently, Dawn and I chatted about the beginnings of her service with the Auxiliary. Forgive my inaccuracies or if I am a little loose with the truth.

Quote " The best present anyone can give to another human being or an organisation or a community is TIME" and Dawn Edwards has given 58 years of her time to the Beverley Hospital Auxiliary.

The Hospital Auxiliary commenced in 1944 or thereabouts, but it was suggested in later years by Mrs Lindsay Richardson [dec'd] that an Opportunity Shop be set up in Beverley [1961]. Mrs Richardson noticed that a church group in Katanning had established an Op Shop and thought this could well be a charitable service in Beverley, with all funds raised assisting health care within the community. And I welcome her daughter Rosemary who is with us today.

Tom, Dawn's husband, "dobbed her in" to join the committee whilst enjoying a beer at the pub with other like-minded community men. At that time, the committee was composed of both male and female members. Dawn, as a farmers' wife and busy mother of three young daughters, was coerced into joining. That was in 1962. Who would have thought that 58 years later, she would still be working diligently as a volunteer with the group.

The meetings of the Auxiliary originally took place in the upstairs lounge of The Freemasons Hotel, then later at the Beverley Hospital Board Room. Dawn remembers the lavish afternoon teas being provided by Hospital Chef Ernie Bryant.

The first location of the Op Shop was in a side room of The Freemasons Hotel, kindly loaned rent free for the purpose by the owners at the time and later continued by licensees Tom and Molly Doyle . Over more recent years, the Opportunity Shop has had to relocate to the original Old School Building in Vincent Street [behind the blue fountain], The Child Health Centre where the Cornerstone building now stands and to its current location in the old Roads Board building adjacent to the Town Hall. Dawn has "moved with all of these moves". She has stressed the importance of a main street location, insisted that monies raised be directed solely towards the local community health facilities as per the Constitution of the Auxiliary. She has vigorously helped to find each new location. Dawn remembers that the first pieces of furniture used in the Op Shop were home-made clothing racks made using leftover metal pipe. When the relocation was made to The Old School Building, Dawn strongly supported the President Mrs Anne Szczesinski [whose mother Marj Cooper was also an Auxiliary member], when she suggested that the beautiful timber counter that had been a part of the Hotel room, should make the move up the street too! As no-one objected or missed it, the Auxiliary acquired ownership - the first real piece of furniture for the Auxiliary. "The counter..... it's coming with us!"

Dawn has fulfilled several positions on the committee over the years. She has been the President three times and was President before the current instrumental in Hospital was built. At the same time, she was an active member in the establishment of The Alex Miles Lodge. She has been the efficient Op Shop Roster Secretary for many years now and we admire her tenacity in hand delivering all those rosters rather than wasting good money on postage! There are over 50 volunteers who take turns to work in the Opportunity Shop on opening days. Dawn knows more people in town than any of us. And has always been welcoming to the new person when their name is added to the list.

She has demonstrated to all past and present committees that it is indeed a privilege to be a part of

this highly regarded volunteer group.

The duties performed by Hospital Auxiliary members has altered somewhat during her 58 years of service. As well as operating the Op Shop, members regularly drove patients to Perth for appointments, sewed curtains for the Hospital at a Busy Bee at The Bowling Club [Dawn is quick to say she is/was not a sewer but I am sure she would have been involved somehow], delivered Christmas gifts to Hospital patients & Lodge residents. Auxiliary members used to regularly visit the patients in Hospital and spend time with them. Dawn remembers the Auxiliary putting the finishing homely touches to the new Hospital before the official opening, the Auxiliary also provided a book trolley service for the patients. And in 1979, the Auxiliary purchased a flagpole for WAY 79 and placed it at the front of the Hospital where it still stands today with a plaque indicating the donor. With changes in the Health system and the subsequent disbanding of a local community Hospital Board, the spending of Auxiliary funds now needs more scrutiny than in the early years. No-one has more knowledge and experience in adhering to the principles set by the Auxiliary's Constitution than Dawn. Her advice is respectfully given, when decisions are being made on where to channel our hard-earned funds. When changes were made to our Constitution in 200, Dawn carefully reminded us of responsibilities to the community but agreed that services further afield used by rural people should also be beneficiaries. For example Cancer Council's accommodation units at Crawford Lodge where country people and their carers/family can stay during treatment, Royal Flying Doctor services, accommodation at Ronald McDonald House for families of seriously ill children.

Dawn has seen many changes in both the role and the functioning of the Hospital Auxiliary, all the while adhering to the principles of this charitable organisation.

And in conclusion....

I remember thinking when first I joined the Auxiliary in 2004 and never having previously met Mrs Edwards, that here is a lady who will soon teach me what this organisation is all about, if I just sit quietly and listen! Frightened might describe my feeling! Gradually, I came to realise that Dawn was passionate about the reason for the Auxiliary being in existence and was and still is determined that it will not fade away as it has in so many other rural towns where volunteer support is always dwindling and the health system, through necessity, is less community based.

She has been a tireless worker, dedicated to the cause and a true historian who provides a pathway for those who have the same desire to serve the community. Her ideas & advice are always welcomed if not always acted upon. How many times has the conversation about whether or not to stock shoes in the Op Shop been robustly discussed at Dawn's tactful insistence? Or how ruthless we all should be when sorting our donated items in order to maintain the high standard of the goods we sell.

Dawn has decided its time for her leave the committee but I know she will always hold a special place in her heart for the Hospital Auxiliary and the service it provides.

Dawn has become a friend for whom I always have had and always will have the utmost respect. And I am sure those sentiments are echoed by you all present today.

Thankyou Dawn. It's been fun and a rare privilege to work beside such a gracious and honourable person. We salute you!

Sandy Shaw
Immediate Past President Beverley Hospital Auxiliary Inc

How to check in on someone

Helping others and providing support can make a difference for someone who is having problems and going through a tough time. If you think someone you care about isn't going so well, try the following tips on how to support them and continue to check in on them.

Talk

For most people, just asking if they are okay and listening can make a difference.

By simply being there for someone, they can feel less alone and more supported to open up and talk about how they are really feeling.

Asking open ended questions that require a response is a good way to start the conversation.

FOR EXAMPLE:

- How are you going? What's been happening in your life lately?
- You don't seem quite yourself lately, is something bothering you?
- You seem upset or worried, what's going on? Can I help with something?
- I've noticed you're not going out much lately, anything going on?

Do an activity together

Activities create conversation. Find an opportunity during everyday life activities to start the conversation and ask them how they are really feeling. Try doing activities together such as:

GOING FOR A WALK

GOING TO AN EVENT TOGETHER

GOING FOR A COFFEE OR A MEAL

Listen

Just being there for someone and offering a listening ear can make a difference.

1. Show them that you care and are here to listen to them.
2. Have patience, let others talk and don't judge.
3. Be reflective by repeating what they have said.
4. Keep calm and accept that they may disagree with you.

KICKING THE FOOTY, PLAYING A GAME, SURFING ETC

GOING FOR A DRIVE

ANYTHING THAT ENCOURAGES OR PROVIDES AN OPPORTUNITY TO HAVE A CHAT

Provide support

If the person you're concerned about is in a life threatening situation, or is at risk of harm to themselves or others, call 000.

Getting help early can make a difference. A good place to start is:

- Talk to your GP or someone you trust.
- Call a support line.
- Contact a support service.
- Try the Think Mental Health check-up tool.

They may also need your support while they look for professional help.

1934 - 1935 A District Asset

A Public Meeting was called on December 22, 1934, to consider establishing a St. John Ambulance Association Branch in Beverley and to acquire a motor ambulance for the district. During the meeting a motion by Mr. Jas Carr was passed to this effect.

"...As pointed out by Mr. Noonan of the York Sub Centre:

'A trained brigade of qualified First-Aid men and a properly equipped ambulance is a great acquisition to a district.'

£300 was considered necessary to establish the Centre. Of this, £150 was provided by the Charities Commission, the remainder being raised by local donations, through an Ambulance Appeal. This included a Ball and a Barn Dance.

The following Office Bearers were elected, being

Mr. F. McDonald as CHAIRMAN

Mr. F. L. Duffield as SECRETARY

Mr. J. Carr as TREASURER

The van was to be located in Mr. W. White's garage for convenience.

In May 1935, an ambulance was ordered at a cost of £300 and incorporated all the latest improvements and was a distinct improvement on the majority of ambulances now operating in the State. The most notable improvements being a roomier body, stretches provided for 2 patients, seats for the attendants and interior lighting. The van was mounted on a Bedford chassis.

In October 1935, the ambulance was fully equipped and ready for service with a squad of 6 trained St. John Ambulance and First-Aid attendants. It could be summoned for service at any time by telephoning the Beverley Exchange.

Sunday, 27th October was the first call for the ambulance when a young woman was removed from her home to the Beverley Hospital.

2021 BAREFOOT BOWLS – PROUDLY SPONSORED BY SHAZMAC PLUMBING

The Beverley Bowling Club will be hosting the **Shazmac Barefoot Bowls 2021** competition commencing on Friday 08 January 2021 at 6.15pm for a 6.30pm start and continue weekly up to and including Friday 12 February.

Now is the time to start thinking about your participation in these fun-filled family friendly smoke free social evenings. To nominate a team of 3 persons contact Jeff

Hoey on 0429 086 303 or alternatively place your name and contact number on the notice board at the Bowling Club. There will be a weekly entry fee of \$5 per person, i.e. \$15 per team. If you haven't a team but are keen to play please register as it is very possible that a team can be found for you. Teams may consist of only one registered bowler.

Bowls will be available for use. Looking forward to seeing you on the green.

CROQUET

Croquet continues to be played on Wednesday mornings at 8.30am and Friday afternoons at 4pm.

Beverley Horse and Pony Club

Who's been out and about

Pony Club WA State Tetrathlon: On the 28 and 29 November, three of our members attended this event with fantastic results. Emily Maxwell placed 5th in the 80cm 10-16yrs, Carly Ballantyne won the optimum time and no jumping penalties!!!! And Jessica Maxwell placed 3rd in the 45cm 8-12yrs. Tetrathlons encompass four phases, running, swimming, laser shooting and jumping, so to qualify and compete is an amazing effort. Well done girls!!
