SHIRE OF BEVERLEY PRESIDENT'S REPORT

Moort Wabiny Park

Thank you to everyone who attended the Official Opening of Moort Wabiny Park on 12 February. The weather was very kind and a lovely morning had by all. As mentioned on the day we are pleased to announce the running of skate clinics for Beverley kids. The clinic details will be advertised very soon via the Shires Facebook page and the Beverley Bulletin, register your interest at the Shire Office. The speech notes can be found on page 17 of this months Blarney.

LRCI Funding Updates

⇒The Gymnasium swipe card access is complete. This is an added safety feature for gym users. If you are interested in joining the gym please contact the Customer Service Officers at the Shire.

⇒Work has commenced on the Lesser Hall courtyard. The courtyard will feature paving, fencing, seating and planter boxes which will be available to use as part of the Lesser Hall hire.

⇒The AV upgrade to the Town Hall will be completed 23 – 24 February and the foyer doors are expected early March.

Reconciliation Action Plan

Council have agreed to the Terms of Reference for Reconciliation Action Plan Working Group at the February Council meeting. Invitations to join the Working Group will be sent out to local Beverley indigenous families. Council are inviting four members of our Indigenous Community to join the working group.

Vincent Street Streetscape Project

Council have agreed as per the 2020/21 Budget, to raise a loan of \$1.25M to progress the undergrounding of power construction which is scheduled to commence in May 2021. Civil construction activities (roadworks, footpath upgrading & landscaping) are expected to commence in August/September 2021. Though Council has secured \$1,534,122.00 from Building Better Regions Funding towards the estimated \$4M project, the payment of this funding is not due until the next financial year as milestones are met. Given the low cost of borrowing and the low future impost on rate payers to service the loan, Council agreed that the raising of the loan funds to assist with Council's portion of the project go ahead. The Vincent Street Streetscape Project will address all the current issues including accessibility, safer access, stormwater drainage, kerb heights, uneven footpaths and general aesthetics of our beloved mainstreet.

Round 2 - 2020/21 Community Grants

Congratulations to the Beverley Bowling & Croquet Club, Beverley Golf Club and Beverley Historical Society who were recipients of the latest round of Community Grant Funding. The next round is in the new financial year – July 2021. We encourage you to start your planning early to make sure you meet all the requirements, terms and conditions.

Road Works

⇒Council have accepted a tender to replace Grader BE 001.

⇒Maintenance grading will continue in the west of the Shire.

⇒Bethany Road is to be bitumised in the coming months. Other road reseals will commence mid-March.

Restricted Burning Period

The Shire has now moved from the Prohibited period to the Unrestricted Burning Period. Permits must be obtained to burn. Permits are applied for online at <https://www.beverley.wa.gov.au/services/emergency-services/fire-control.aspx> and you need to allow 48 hours (working days) for the permit to be issued.

2019/20 Annual Report and Annual Electors Meeting

Council and the Audit & Risk Committee are still waiting for final approval from the Office of the Auditor General to receive and adopt the Annual Report and hold an Annual Electors Meeting. Advertising will take place when approval is given from the Office of the Auditor General.

SHIRE OF BEVERLEY PRESIDENT'S REPORT

Council Agenda and Minutes

Copies of the Council Agenda and Minutes are available online from the Shire website (beverley.wa.gov.au) under the Council tab. Agenda's are available a minimum of 72 hours prior to the meeting date and Minutes are available/published within 10 days of the meeting being held. You are also welcome to call into the Shire Office to collect a paper copy free of charge. Council minutes are also available in the Library.

Beverley 2022 Celebrations

Council have approved the preliminary plans for a festival for the 2022 Milestone Celebrations in recognition of 150 years for the Beverley Road Board and 150 years of the Dead Finish Museum (the oldest building in Beverley) and other significant achievements for the Shire of Beverley. Thank you to the community members who are volunteering their time to help bring these celebrations together. As details come to hand and are confirmed over the next 12 months they will be advertised and promoted in the Blarney and via social media.

Caravan Park Units

There have been many enquiries as to when the units will open. Construction is well and truly underway and we hope to take the first bookings for the start of July.

Integrated Planning

Throughout 2021 Council will be reviewing the Strategic Community Plan, Workforce Plan, Local Emergency Management Plan, Corporate Business Plan and 10 year Long Term Financial Plan.

State Election – Postal Vote Registration Available Until 10 March

As part of their COVIDSafe voting plan for the 2021 State general election, the Western Australian Electoral Commission (WAEC) is encouraging everyone who has concerns about attending a polling place to vote prior or on election day, to register for a postal vote. Postal Vote registration is available 04 February to 10 March. Information can be found on their website: elections.wa.gov.au or by phoning 13 63 06. Polling day is Saturday 13 March 2021.

Post Office Mailbox

If you haven't seen the new Post Box at the Beverley Post Office, then here it is...it's a beauty! Congratulations to John and Vicky on their new addition. Council have noted in the Vincent Street Streetscape Project that the mailbox will be retained during and after construction.

Beverley Refuse Site (Rubbish Tip)

Council are pleased to welcome and introduce our new Tip Manager, Paul Rosser to the community. When visiting the tip, please abide by the signage and make sure you put your rubbish in the correct location. If unsure, ask Paul and he will guide you. The Department of Water and Environment do not take kindly to rubbish being in the wrong spot and we want to make sure our tip passes all inspections and remains open for the community.

Local Government Elections – October 2021

If you are interested in becoming a Councillor and running in the local elections in October 2021 please do not hesitate to have a chat with a current Councillor. Later in the year the Shire will hold information sessions that will cover training requirements, meeting expectations and legislative requirements.

Mia DAVIES MLA

CENTRAL WHEATBELT

Dear Central Wheatbelt resident

At this election, every single vote will be important.

We know the way the COVID-19 pandemic has been managed is important, but how you vote at this State election is about more than one issue – especially in regional WA. If the Labor Party increase their vote they will introduce one-vote-one value in the Upper House and cut the number of regional representatives. There will no check and balance for regional WA, we will lose our voice.

In addition to this threat, the Labor Government has slashed Royalties for Regions, short-changing our communities. They've collected record iron ore and gold royalties and are sitting on a \$3 billion budget surplus, but our region still struggles with high power and water bills, poor mobile phone connectivity, a lack of aged care services, crumbling roads and rail and no plan to fix it. **Only The Nationals WA have promised to restore Royalties for Regions in full.** We are fighting to return your fair share of funding to the Central Wheatbelt for projects that are important to you and your community.

The way you vote is important – don't leave your future in the hands of Perth politicians. I'm asking for your support so The Nationals WA can keep fighting for you.

Yours sincerely

VOTE 1 THE NATIONALS for Regional WA in the Legislative Council

The WA Labor Party want to **ABOLISH** more regional seats in Parliament !

The WA Labor Party have secret plans hidden deep within a 146 page dossier outlining their policy to abolish more regional seats in the State Parliament, further diminishing your voice in the Parliament.

Their desire to move parliamentary seats to Perth have resulted in the loss of seven country seats and seven voices standing up for you. Regional electorates are now comparable in size to European countries with some stretching for thousands of kilometres. If Labor gains control of the Upper House on March 13, their plan is to abolish another 9 country seats relocating them to the metropolitan suburbs.

Your Nationals team in the Legislative Council has fought hard for farmers, small business and families over the last four years. We stopped the closure of the Moora Residential College and School of the Air and fought against budget cuts to our country schools and community resource centres.

Don't risk being governed by Perth politicians. Vote 1 The Nationals on both ballot papers.

THE NATIONALS for Regional WA

Only The Nationals will deliver *Royalties* for Regions in full.

Do you hate cooking or need new recipe ideas?

Own a thermomix and aren't getting the value you want out of it? Or want to get out of the house?

Would you be interested in having a 'club' or similar where once a month, in one of the town kitchens, where people who own Thermomix's or anyone can come and we could do a monthly bulk cooking afternoon. People can share their favourite recipes & at the end we all split the food.

Dependent on numbers, hire & ingredient costs a monthly kitty system would be set up to pay for ingredients and kitchen hire.

Beverley Branch News

Our first meeting for 2021 was held on February 17 at our Beverley Hall.

Members were greeted with the new look garden area, many thanks go to everyone who has helped and contributed towards it, especially the Shire of Beverley who gave us a grant towards the expenses, special thanks also to members Sam Mearns and Pat Hambly and their partners who ensured most of the work was completed within our extended time frame during the warmer weather.

We would like to welcome a new member Denise Ray to our group, Denise and her husband Garry are responsible for the wonderful looking garden next to us, now having permanent neighbours will assist in the security of CWA Hall in the future.

Member Vicky continued her educational program on Japan with interesting information on the origin of their National Flag.

Being our first meeting for the year elections were held and all current office bearers were returned and accepted to their posts.

On March 3 we are holding a Social Morning Tea that is open to the public starting at 10am.

Our next meeting is to be held on Wednesday March 17 at CWA Hall Beverley at 10am, please bring a shared lunch.

As always if you have any questions regarding joining the CWA or hiring of the hall please feel free to ring Pat Hambly on 9646 1481.

Next Meeting

Date: Monday 01 March 2021

Time: 5.00pm (1700hours)

Venue: RSL Hall, 50 Forrest St

We are in the process of replacing the flag poles at the Memorial, so that they are all the same height and style. The middle one needs the top repaired and new halyard. The plaques on the memorial wall need to be moved so that they can be seen properly, as originally designed and new ones for Iraq and Afghanistan put in place.

The Beverley RSL Sub Branch will be holding the ANZAC Day ceremonies at the War Memorial on 25 April 2021.

The Dawn Service will be held at the Memorial, form up by 0550 (ten to six) for the 0600hrs start. The service will be followed by the traditional Gunfire Breakfast at the RSL Hall, 50 Forrest Street, Beverley.

The Main Service and March will be held from 1015 form up at the RSL Hall for march to the Memorial for 1100hrs Service. The service will be approx. 40 minutes and the public will be invited to lay wreaths/flowers, during the service.

Organisations wishing to lay a wreath please advise either David Morton or Heather Bell as early as possible so that we can organise the order of wreath laying.

Following the Service everyone is invited to join our Veterans and members for refreshments and Two-up at the Hotel Beverley.

Moort Wabiny Park Official Opening – 12 February 2021

Above: Shire of Beverley CEO, S Gollan & President with CRANA President M Henry

Good Morning and welcome to the Official Opening of Moort Wabiny Park.

I would like to welcome, acknowledge and pay respect to our Elders, Traditional Owners, past and present of the land on which we meet today.

I also welcome Councillors; members of the Youth Precinct Working Group; Beverley District High School Principal Adrian Lister, and Students; those who have worked on the project; those who have generously donated and supported the project, and importantly the Beverley Community.

Apologies for today's opening have been received from the Hon. Christian Porter MP, Hon. Mia Davies MLA, Lotterywest and the State Government, Graeme McDonald of Inkosi Design, ADC Projects, Skate Sculpture and Darryl Storer.

Council are very proud of the youth activity area in which we gather today. Moort Wabiny in Noongar means Family Play and it has been fantastic to see families and children gather here daily to interact, enjoy physical activity, and activate a previously underutilised space.

Back in June 2013, 29 children attend a Youth Forum in the Town Hall to brainstorm their own wants, ideas, initiatives, and dreams for Beverley. By the end of the day, out of more than 50 ideas the top 3 ideas were a skatepark, a go-kart track and KFC! After explaining that Council can't provide a KFC, it was replaced with hip hop classes.

During the period 2013 to 2019 Council completed several community projects including the Water Harvesting Programme, Airstrip Lighting, Recreation Grounds and the Cornerstone Building. It was during this period that a committed group of young people and their parents approached the Shire to discuss the establishment of an outdoor youth area. After several visits to Council to present ongoing ideas of skate tracks and pump tracks, Council jumped on board. In the 2018/19 financial year we made a budget commitment and allocation to progress planning for the Youth Precinct. In February 2019, the Youth Precinct Working Group was established with Council appointing five community members and appointing Skate Sculpture to facilitate the consultation and design process.

Between March and August 2019, the working group, Council, the wider community and our school aged children were involved in the design of the Youth Precinct with two school workshops and two public workshops. On 25 June 2019, Council endorsed this very location for the Youth Precinct and two months later the final design concept was also received by Council.

Up to this point Council would like to formally recognise Stacy Stanfield, Eric Ellis, Darryl Brown and Kylie Watts for their dedication in lobbying Council. To the Youth Working Group community members - Julie Paull, Eric Ellis, Stacy Stanfield, Jaime-Lee Williamson, Marie Ricks and Larissa Atkinson for their time attending meetings and planning sessions. To Beverley District High School for enabling the all important planning and design sessions with the Children and to Skate Sculpture for facilitating the process.

After the design and location were finalised, funding was sought from Lotterywest. The Lotterywest application was supported by various local funding that was raised by the Beverley Market Group (consisting of Val Tylor, Dalene Davies and Jenny Foster); John & Nicolette Whittington; John Maxwell from Hotel Beverley and the Beverley Agricultural Society. The Application was also supported by the Beverley CRC, CRANA Aboriginal Corporation and the Beverley Early Years Network. It was a very happy day in the Shire when we learned the grant application was successful.

Without the grant from Lotterywest this project could not have come to fruition so quickly. On behalf of Council, I thank Lotterywest for their support of Moort Wabiny Park. I urge our community to continue to support our local Lotterywest agency as Lotterywest is unique – it remains the only lottery in Australia which is State Government owned and operated with a majority of money spent on tickets going back to the people of WA through prizes and grants. Last financial year this amounted to \$292 million for the WA community, and Lotterywest is proud to support community projects like this one, to help build a better WA together.

Council were also successful in receiving funding from the Stronger Communities Programme and the Drought Communities program both of which are Federally funded and we thank the Hon. Christian Porter MP for his support of our project. These federal funding initiatives are intended to provide short-term support for local economies by boosting local employment and procurement, and to address social and community needs. In our case we have now addressed a long-term community need which brings locals and visitors to our business centre.

The construction of the park went very well. Even with COVID interrupting our lives we managed to meet online, continue construction and produce a great facility for everyone to enjoy. For the construction process we would like to thank ADC Projects, Phase 3 Construction, Skate Sculpture and Inkosi Design who were professional and reliable companies throughout the project.

There are parts of the park that contain local donated elements and we would like to sincerely thank the Beverley Men's Shed for the bin surrounds and in particular Darryl Storer and Ken Sherwood for their wonderful restoration of the red Austin Truck at the front of the park. Grant Hobbs for the sluice gates. Duncan and Tarni Young for the rocks and to Elders Beverley who provided invaluable site access and power whilst we were waiting for the power to be connected.

Finally, on behalf of Council I would like to thank all the Shire Staff for their efforts from community liaison, planning, grant submissions, project management, demolition, construction, and maintenance. I am sure the community are aware we are very lucky to have a Shire Office of inside and outside staff who predominately live and socialise in Beverley so always have the benefit of our community in mind.

To further encourage the ongoing use of this space, I am very pleased to announce that the Shire has been successful in securing funding to run a six-week skateboarding and scooter clinic from the Department of Sport and Recreation. Students of Beverley District High School I encourage you to attend and let your fellow students know. Details for all the Community will be in the Blarney.

I would now like to ask Miss Grace (Pictured top right with Shire of Beverley CEO, S Gollan and President D Davis) to come forward and help me officially open Moort Wabiny Park by revealing one of two plaques which will be displayed permanently on site. It was Grace who suggested Moort Wabiny Park in her entry in the community naming competition last year.

The park is now officially open, congratulations and thank you to the entire Community for your efforts. I hope this space will be enjoyed for many generations to come.

Thank you

Cr Don Davis

REMINDER TO SLOW DOWN WHEN YOU SEE EMERGENCY LIGHTS SLOW DOWN, MOVE OVER

The SLOMO laws took effect in Western Australia on **2 March 2018**. The legislation requires drivers to reduce their speed to a maximum of 40kph when approaching a stationary emergency vehicle that has its emergency/flashing lights activated. It further requires the driver to move over, or change lanes, where this is possible and safe to do so.

We routinely deal with incidents on the roadside, which is inherently a dangerous place to be working, especially on high-speed roads. This new law offers better protection not only to police officers but also to DFES, St John Ambulance, Main Roads WA Incident Response,

breakdown services and towage personnel.

HAVE YOU PAID YOUR VEHICLE AND MOTOR DRIVERS LICENCE?

The number of people driving without a current valid driver's licence has recently increased in Beverley resulting in those we encounter being summonsed to court.

If your motor vehicle registration has expired by more than 3 months we will remove the registration plates and you will need to make application to have the vehicle re-licensed. You can check on the status of both motor vehicle and driver's licenses on the Department of Transport website www.transport.wa.gov.au

EMERGENCY WA

Emergency WA is co-ordinated on behalf of the government of WA by DFES and created so you can find emergency information easier than before. The site has a map-based display with the best available emergency information from across the state. Here you can find information about fires, floods, storms, earthquakes, tsunamis, hazardous material incidents and traffic crashes. The best way to keep informed during an emergency is to seek information from a variety of sources. You can get information by:-

- Using the EMERGENCY WA website
- Staying in touch with neighbours, family and friends
- Being alert and aware of your surroundings
- Listening to ABC local radio
- Tuning in to 6PR in the metro

If someone you know tells you about a possible emergency, or if you can see or smell something that might be dangerous, that's your warning. Take immediate action to stay safe. Do not wait to receive a warning or text message. The warnings on the emergency WA website are also available by calling the relevant agency, for example the DFES emergency information phone line (13DFES or 133337) or the Bureau of Meteorology's phone lines.

You can also follow emergency agencies social media accounts, RSS feeds or download smart phone apps such as EWN or Emergency AUS.

During an emergency, you may also receive a text or voice message from the emergency services to your telephone – visit emergency.wa.gov.au to find out more.

Remember – NO WARNING SYSTEM IS FOOLPROOF. So use a range of sources of information.

Beverley RSL Marks a Milestone.

On 16 December 2020, Beverley RSL held an intimate midday ceremony to mark its Centenary.

One hundred years ago, on the 20 December 1920, the Beverley Sub-Branch of the Returned Services League received its charter. Beverley was among the first rural Sub-Branches to be chartered. That Charter has been displayed in pride of place in the current RSL Hall. I can't say how it was displayed before then, but I am sure it was equally proudly on display.

To mark the occasion, Mr Wayne Tarr, representing RSL WA Headquarters, presented a framed certificate to Mr Dave Morton, the Sub-Branch. Mr Tarr was accompanied by his wife Eleanor. Other guests included: Mrs Donna Prytulak, Vice-President of the State Board of Management and her husband, Mick, representing the Northam Sub-Branch; Steve Gollan represented the Shire of Beverley. Our Life Member, Mr Peter Bremner was also present, as were four past Sub-Branch Presidents.

A light luncheon was provided along with a cake – complete with giant ANZAC Biscuits commemorating the 100 years of service for the Beverley RSL.

BEVERLEY EARLY YEARS GROUP

The Beverley Early Years Group is a network that aims to strengthen opportunities for children (0-4) and their families to connect and thrive in our community.

What happens to children in their early years matters a great deal. Improving children's development through the critical early period can have transformative social and economic impacts.

Storytime

Storytime is back for the year. Our day has changed to a Wednesday to ensure each of the two groups of Kindy Kids can attend a Storytime every two months.

Aaaarrgghh! Spider! Written by Lydia Monks

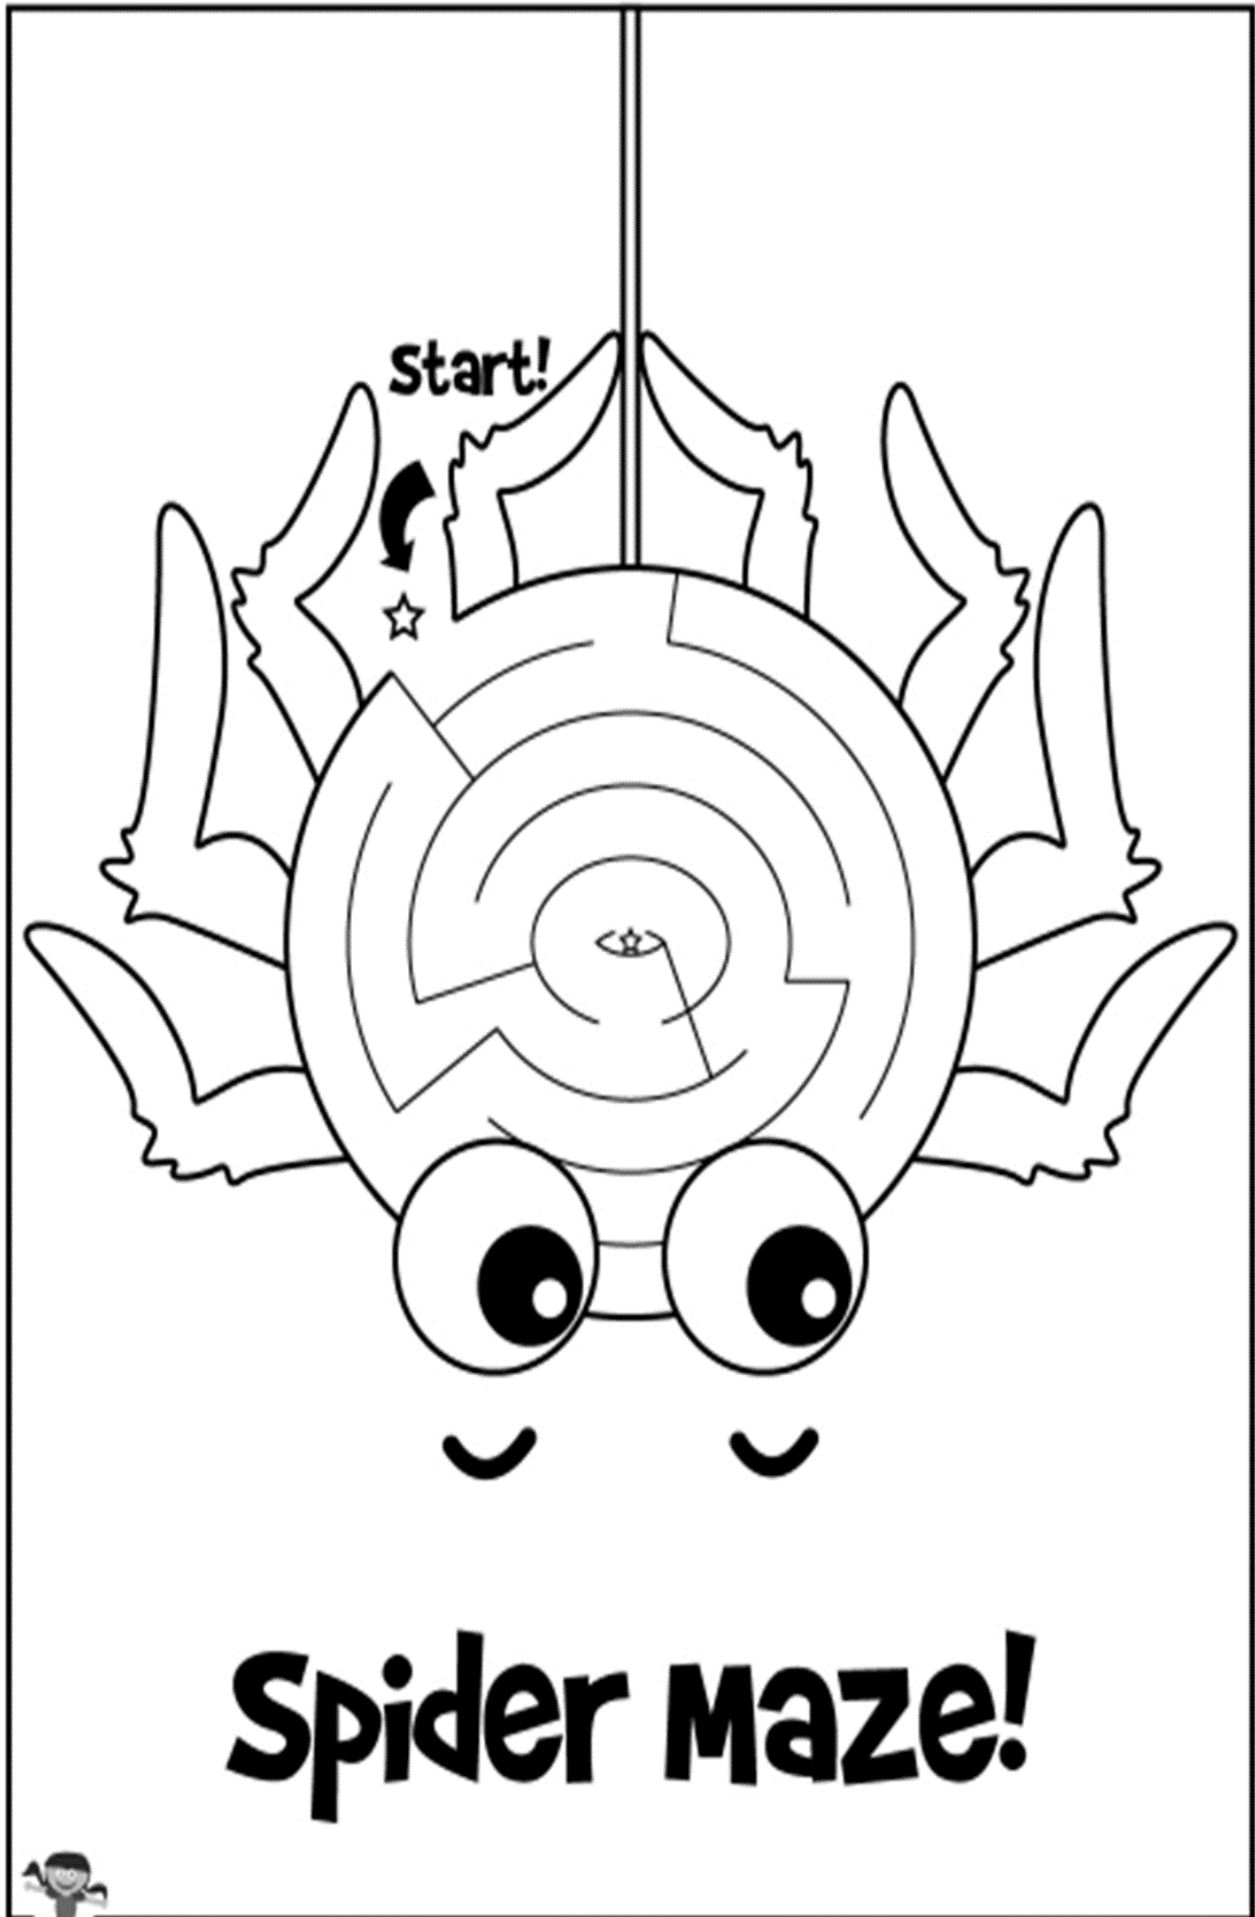

We welcomed back Storytime & Toy Library for 2021 on Wednesday with a creepy crawly themed book written and illustrated by Lydia Monks.

Spider wanted to be the family pet, but the family whose house she lives in are terrified of her. Whenever Spider tried to show them what a great pet she would make, she scared them instead, until the day she unwittingly enchants them.

Thank you to our very special Spiderwoman guest reader Jaime. The kids all loved joining in with Incy, Wincy Spider and making their very own pet spiders to take home all the while working on their fine motor skills as well.

Beverley Soaring Society, Currently Ranked Number 1 Globally

Gliding is a sport that has relatively a small footprint when compared to other sports globally. Glider pilots are a competitive bunch, particularly the ones at Beverley and they like to know how their gliding colleagues in Australia/NZ and around the world are performing. To measure and gain an insight to our individual and club performance globally we are registered on the www.onlinecontest.org, who are **the operators of a** global online database and scoring system for gliding. Their database currently has 64 gliding clubs in Australia/NZ and 676 clubs registered globally. So far this year, 2421 pilots from clubs around the world have uploaded their flights from their flight computers to this global online database. The database applies a complex algorithm to each flight, this determines the global ranking of each pilot and ranking for each gliding club. At the end of 2020 Beverley Soaring Society (**BSS**) was ranked number 2 in Australia/NZ and 10th globally. At the time of writing this article BSS was ranked number 1 in Australia and the world. Not a bad effort for a mid-sized gliding club!

WA has just received a blunt reminder that COVID-19 is not just a reality for tens of millions of people around world. This recent lockdown has just demonstrated that COVID-19 can happen to “us” anytime. At the Beverley Soaring Society (**BSS**) we are doing our bit for the community, members, and visitors with a vigilant respect for COVID-19 by maintaining a range of hygiene and distancing strategies to keep our members and visitors as safe as possible. BSS also uses the SafeWA app which is an easy to use and effective strategy to record attendance and if necessary, assist in contact tracing anyone that has visited BSS. Community members are always welcome (not during lockdowns)

to visit but please bring your mobile phone with the SafeWA app. Take a deep sweet breath, we have had a bit of a scare but most of us can thank our lucky stars that we live in WA.

Our membership has increased significantly in the last 6 months. There are several contributing factors apart from the usual marketing for this growth. Even prior to COVID-19 the number of people travelling and seeking recreational experience within Australia was on the increase. Since the second wave of COVID-19 in June 2020 travelling within Australia has doubled. Small towns like Beverley and clubs like BSS have indirectly and directly benefited from this growth. One casual observation is the relatively significant surge in caravanners, day trippers and bikers coming to town particularly around the wildflower and canola season. We also know and appreciate that the Beverley Council organises a number of events that attract visitors to Beverley. Many of these people visit BSS to view the gliding operations, have a chat with pilots and some visitors will have a flight. A small percentage of visitors will join the club.

The Beverley Soaring Society Webpage has recently had a significant makeover which includes YouTubes produced by photographer Ben Hammersley, a visitor to our club. Ben uses the latest 360 degree camera technology to capture the inspiring spirit of flying in a surreal environment. Documentary Producer David Fosdick in his YouTube has provided an excellent bird’s eye view and insight into gliding. All the YouTubes are relatively short and definitely worth watching. If you like to give gliding a go but you are a bit worried about leaving terra firma, these YouTubes may assist to put your mind at ease.

For more information regarding air experience flights, membership, pilot training and general inquiries please view our website at: <https://www.beverley-soaring.org.au>, email bevsoar@beverley-soaring.org.au or call Roger on 0407 385 361.

Beverley Soaring Society operates and offers pilot training on Fridays, Saturdays and Sundays weather permitting.

Keeping an Eye on the Crown Jewels

The title might suggest that this article relates to a security firm engaged at Buckingham Palace, however what we're actually talking about is monitoring an aspect of our sexual health, specifically testicular cancer. Testicular cancer is a relatively rare cancer, however it seems to be becoming more prevalent and is the most common cancer in men aged between 20 and 35.

It's ironic that blokes will quite often joke or boast about their tackle but will find it very difficult to discuss the same appendage with their GP. Becoming comfortable and familiar with our penis and testicles is the first step in being able to notice any changes over time. The first thing that some blokes notice (and get concerned about) is that one testicle may hang lower than the other. This is perfectly normal and is actually an evolutionary trait that prevents them bashing into each other like some runaway desk ornament when we walk or run.

Testicular cancer usually affects one testicle. There are some symptoms to keep an eye out for which shouldn't be ignored:

- a feeling of heaviness in the scrotum
- a lump in either testicle
- enlargement of a testicle
- dull aching in the abdomen or groin
- a sudden collection of fluid in the scrotum
- tenderness and/or enlargement of the breast tissue

A key point to remember is, initially, and in some cases even in the later stages, testicular cancer might not cause any pain or discomfort. A small painless lump is the most common symptom, and if you have any of these symptoms, it doesn't necessarily mean that you definitely have cancer. These symptoms can also indicate a range of benign (non-cancerous) causes, but they should always be checked by a doctor.

Because some of these symptoms are not always glaringly obvious, it's important to self-check your testicles. The best way to examine your testicles is after a warm bath or shower and it's a fairly straight forward process:

- Cup your testicles in the palm of one hand. Pay attention to the size and weight. This helps you identify any future changes.
- Locate the epididymis. This is the tube that carries sperm to the penis. It can be felt at the top-rear of each testicle. This lump is meant to be there.
- Examining each testicle in more detail by rolling it between your thumb and fingers, press gently but firmly to feel for any lumps, swellings or variations in firmness.

Repeat this examination every couple of months or so. The outlook for treatment of testicular cancer is very good. With early diagnosis, 96% of patients can be completely cured. Even after the cancer has spread, up to 80% of men can still be cured.

If you do find anything unusual, don't wait for it to disappear or start throbbing - see your doctor.

Welcome to our new volunteers

The sub centre has been very fortunate to have a number of new volunteers join us since mid 2020.

Lionel joined us midway through 2020. He is a very active volunteer and has moved from an Emergency Medical Assistant (EMA) to an Emergency Medical Technician (EMT) very quickly.

Late in 2020 Linda, Kezra and Keith joined us. Linda and Kezra have spent a few weekends qualifying as EMA's and will now be travelling, as our 3rd officer, with us on our call outs learning what is involved in being a Volunteer Ambulance Officer. Keith has just qualified at the first level of being an Ambulance Officer, Emergency Medical Responder (EMR). Like Linda and Kezra, he will also be assisting as our 3rd person with call outs.

Monique (Treasurer) and Glenys have also joined the sub centre by joining our Committee. We thank you both for your contributions so far and look forward to your future contribution towards the smooth running of our sub centre.

For us to offer a service to our Community, we are indebted to all our volunteers, both our new volunteers and those who have been with us for many years. Without their generosity, they sub centre could not provide the service that it does.

We always welcome people who wish to join us, in any capacity. If you may be interested, please contact Chris on 0417 969 993. She will happy to answer any queries you may have.

Photos

Have you any photos of Personnel/ Volunteers/Functions? We are compiling photo albums of the Beverley Sub Centre over the years. We have some photos from earlier times and would like lots more to get a complete History of the Sub Centre .

Can you help us with this project?

Please contact Glenys on 0417 973 559, as she is our driving force for this project.

If you are interested or know of anyone interested in attending a course please contact Jenny (0407 461371) to register your interest.

Staying Safe in Summer

Over the last few weeks our Ambulance Officer's have been even busier than usual. The hotter weather has not helped and we urge the community to help themselves stay safe by drinking plenty of water.

Congratulations to Drew and Skye on the arrival of Airlie Sage,
a sister for Tate.

We look forward to meeting your daughter very soon.

Are you interested in the biosecurity of Western Australia's agricultural industries?

Western Australian producers and other stakeholders in the dairy, beef, grain/seed, hay, sheep and/or goat industries and respective supply chains are invited to apply for positions on Industry Funding Scheme Management Committees and/or the Industry Funding Scheme Review Panel.

[Industry Funding Schemes](#) enable agricultural industries to raise funds to address priority pests and diseases at a whole-of-industry level.

The schemes are industry-driven and overseen by a Management Committee made up of producers and others with appropriate industry knowledge and expertise.

The Review Panel reviews applications for payments made under the Industry Funding Scheme regulations, where the applicant is dissatisfied with the outcome of their application and requests a review.

The Minister for Agriculture and Food appoints members for a period of up to three years. The Department of Primary Industries and Regional Development provides support to the schemes, committees and panel.

During 2021, there will be vacancies on the following Management Committees:

- [Cattle Industry Funding Scheme](#) (4 vacancies)
- [Grains, Seeds and Hay Industry Funding Scheme](#) (4 vacancies)
- [Sheep and Goat Industry Funding Scheme](#) (4 vacancies)

From 1 July 2021, there will be three vacancies on the [Industry Funding Scheme Review Panel](#).

The Management Committees meet quarterly on dates agreed by members. The Review Panel convenes when a review of an application for payment, made under the Industry Funding Scheme regulations, is requested.

Members of the Management Committees and Review Panel are remunerated, including sitting fees and travel expenses.

More information, including the terms of reference and selection criteria, is available on the Department of Primary Industries and Regional Development website at agric.wa.gov.au. Search for 'Committee membership EOIs'.

The Western Australian Government is committed to ensuring diversity on Government boards and committees and, in particular, increasing the representation of women to 50 per cent.

Expressions of interest can be made online at <https://agric.smartygrants.com.au/IFSEOIs2021>. Alternatively, you can submit your expression of interest by email. This should include a three-page letter addressing the [selection criteria](#) and a current resume of a maximum of two pages.

Online applications are the preferred method for submitting an expression of interest. Emailed applications can be sent to Rebecca Heath.

Expressions of interest close at **9.00 am Monday 22 March 2021**.

It's all happening at CWA York!

We are delighted to report that our friends at the River Conservation Society in York won the Community Group Award at the Australia Day 2021 ceremony, and very worthy winners they are too! We were also pleased to receive a lovely thank you from Leonie Whisson at the York District High School for the stationery we donated.

On Friday 12 February we held our Annual General Meeting (AGM) and Branch meeting in our rooms at 154 Avon Terrace, York. One of our members, Jean Anderson, chaired the AGM and did a fine job. Office bearers for this year were elected and in some instances, re-elected. We welcomed three brand new members; Annie Birch, Paula Armstrong, and Grace Della-Bosca. Annie put her hand up to be our Treasurer which is just fantastic. We take this opportunity to thank our outgoing Treasurer (but ongoing and valued member) Margie Barrett-Lennard. Margie is an unassuming person who has gone about the demanding role in a quiet and effective manner. We also have another new member, Jeanette Wheatley, who was not able to attend Friday's meeting but joined our gatherings several times last year.

On Saturday 13 March (WA Election Day) we are holding two fundraising events in Avon Terrace. There will be a Bake Sale outside IGA and a Pop-Up Sale at the CWA rooms. All sorts of inexpensive goodies will be available including plants and pre-loved clothes.

**Posters on page 66.*

Please come along and join us between 8:00am and 1:30am/12:00 noon; you are sure to find something that takes your fancy - either for yourself or as a gift for a family member or friend. And you can always just drop by and say hello!

Beverley Garden and Tree Society

We hope that you and your garden have managed to survive the heat and strong winds this summer and we are now heading into Autumn.

Gardening in March is a great time as autumn has arrived. Autumn is a good time to plant almost anything!

Vegetables to plant in March – beetroot, broccoli, cabbage, carrot, leek, lettuce, radish, spinach, spring onion and turnip.

Flowers to plant in March – alyssum, lobelia, stock, pansy, snap dragon, sweet pea and viola.

March is a great time to attend to the following tasks in your garden:

- ☑ Prune geranium and pelargonium by two-thirds to encourage new bushy growth before winter
- ☑ Remove weeds before they go to seed. The best time is after rain
- ☑ Attract butterflies to your garden by planting red, orange, purple, white and blue flowers
- ☑ Prune petunias to keep them flowering well into autumn
- ☑ Coffee grounds can be put to good use in the garden as slug and snail repellent or in the compost bin
- ☑ Divide agapanthus plants from autumn through to early spring
- ☑ Prune off citrus branches hanging lower than 1m above the ground to reduce the spread of brown rot
- ☑ Plant bee food plants such as brachyscome, angophora, eucalyptus, callistemon, melaleuca, scaevola, grevillea, hibbertis, tea-tree and westringia
- ☑ Scorched leaves can be a sign that soil is water repellent. If the soil is dry, apply a wetting agent and water well
- ☑ Divide clumping grass-like plants, such as dianella, lomandra and kangaroo grass. Keep several shoots per clump and remove dead material
- ☑ Harvest radish regularly to stop them becoming too hot and spicy, woody or pithy
- ☑ Start planning spring bulbs

Happy March gardening!!

The next meeting will be held on **Tuesday 02 March** at the CWA rooms at 10.30am followed by a visit to the home of Pat Broissant to learn about the art of Bonsai.

STRUGGLING FINANCIALLY?

RESOURCES TO SUPPORT YOU THAT ARE INDEPENDENT AND FREE TO USE

If you are experiencing financial hardship:

Financial Counselling

Please call the **National Debt Helpline – 1800 007 007** or visit www.ndh.org.au

They offer free, independent and confidential financial information and support provided by financial counsellors. They can also help you find other support services in your community.

You can also locate your nearest financial counsellor by visiting **Financial Counsellors' Association of WA** at www.financialcounsellors.org and typing in your postcode.

Financial counsellors work for not-for-profit organisations and can help you to sort out your debts and work with your creditors.

Emergency and Food Relief

There are community organisations around the state that provide **emergency relief** to people **experiencing financial hardship**, in the form of food vouchers, assistance with bills, referrals to other services, and more.

WACONNECT is an online directory that can help you and your family find extra help in these challenging times, visit www.waconnect.org.au.

The **Emergency Relief and Food Access Service** provides support in identifying and applying for emergency relief, free-call on **1800 979 777**, 9am – 5pm Monday to Friday.

WARNING

Pay day lenders may offer attractive loans, but they charge very high interest rates and fees, and you could end up with a bad credit rating in the future. Be aware that debt management firms also offer help to consolidate your debts, but their commissions and fees are high. We don't recommend using either of these financial services.

Some cacti are just ‘wheely’ bad...

It is best to avoid certain Opuntioids!
Keep your eyes peeled for the wheel cactus, ***Opuntia robusta***. It has the potential to infest many thousands of hectares especially in southern WA, just as it has in the Flingers Ranges in South Australia with more than 35,000 hectares affected.

How it spreads

- Seeds can spread by bird and animal droppings, meaning that this invasive plant may establish over large areas.
- Fragments of the plant can root where they contact the ground.
- Online trading of declared pest cacti via social media and marketplaces also increases the chances of spreading this plant across many areas.

Economic Impacts

If opuntioid cacti established, it can limit mustering and livestock access to watering points, restrict access to culturally significant sites, increase economic losses in grazing and pastoral industries, and will affect tourism and recreational activities. All opuntioid cacti except for *Austrocylindropuntia vestita*, *Cylindropuntia californica*, and *Opuntia santa-rita* are Declared Pests in Western Australia.

Know what to look for

Wheel cactus is the only *Opuntia* species in Australia to have round pads. It is tree-like with many branches, and can grow up to 2m tall.

The flattened stems consist of a series of circular blue-green fleshy pads (cladodes) up to 40cm wide.

The flowers are yellow with reddish streaks on the back of the petals, and are found mostly on the upper margins of the terminal pads. Unlike many Opuntioids, wheel cactus fruit is fleshy and globular -shaped sizing up to 8cm, holds numerous fertile seeds and is deep red, making them attractive to birds and other animals.

Report it

Wheel cactus is a high-priority target for eradication in WA, due to the limited number of infestations and the potential for rapid spread. If you suspect you have found wheel cactus (growing in the wild, in cultivation, or advertised for sale) please contact our Pest and Disease Information Service, or report it via MyPestGuide. We will confirm the identification and develop a management plan accordingly.

Pioneer Heritage Hunt

TAKE THE PIONEER CHALLENGE

About Pioneer Challenge

Pioneer Challenge is a heritage hunt adventure in Western Australia. It is a fun, exciting pioneer adventure game played on the modern mobile device. The game encourages tourism within our state and takes people to places off the main tourist routes.

"Spending time with our family in the country was truly wonderful. We discovered fun places and have stories and memories to last a lifetime" - Judy

How the game is played

Once registered, the game will issue players with three surprise pioneer towns along route 120. Within these pioneers' towns, players need to find three specified pioneer graves at the local cemetery and historical clues within the township.

There are fantastic prizes to be won, including a first prize of a 7-night holiday for 6 people at Peace Rise Retreat in Denmark, WA valued at \$2,500.

Funds raised support Rotary charity projects and KEMH Memorial Rose Garden

Get Your Team Ready

Get your family and friends together and form a team for this fun and exciting adventure. Register your team at www.pioneerchallenge.com.au.

2020 Presentation Night

Thank you to all our parents, guardians, students and the wider community who attended our 2020 Presentation Evening to conclude and celebrate another year of great achievements and hard work at BDHS.

Congratulations to all students who received an award for their hard work and achievements in 2020, and a fond farewell to our graduating students and those moving to other schools for 2021.

This year we farewell Mr Benjamin Ratz and Mrs Tracy Hare. We wish them all the best in their future endeavours. Mrs Karen Wansbrough and Mrs Isabel Freeman are returning in 2021 on a casual basis, and we look forward to seeing them regularly at school. We would also like to make special mention of Mr Kristian Blechynden for coming on board in 2020 as D&T Woodwork teacher, allowing this program in our school.

Thank you to all our generous award donors - without you these awards would not be possible.

Moving Forward in 2021 at Beverley DHS

We are very much looking forward to 2021 along with our staff under the leadership of Mr Adrian Lister and Mrs Aliesha Murray. As always our staff will continue their focus on Explicit Teaching and we have a fabulous line up of highly competent staff who continue to build on our level of expertise in the school. Our continued focus on strong and consistent Literacy and Numeracy programs will be evident in all classrooms. We are excited about the specialist staff and programs that will be running such as Mrs Bailey as PE specialist, Mrs Minchin teaching Italian, Mrs Barrett-Lennard as Arts specialist, Mrs Sarah Aynsley as STEAM specialist in the Primary, Mr John Dautopulos as D&T specialist as well as coordinating our new Secondary Cadet Program.

At Presentation Night we announced our Student Leadership team for 2021 including our Faction Captains. Congratulations to these students who had to nominate and give a speech to be elected by their peers into their positions of leadership. We look to develop our students and their leadership skills in order to be great role models to others and understand what it means to be a great leader. Mr Dautopulos and Mrs Wallis are working with these students to make our school the best it can be for all students and they have made a great start to the year having already attended the formal opening of the Beverley Skate Park which was named 'Moort Wabiny' by Grace H., one of our students.

Heads of School	Anthonyt W.	Bobbie L-T.	
Secondary Councillors	Oscar B.	Fillipa B-N.	Sapphire B.
Primary Councillors	Owen W.	Alice H.	
Primary Faction Captains	DALE: Alice Hammond	EYRE: Ayden L.	FORREST: Nixan Higgins

The Student Leaders have also hosted their first assembly for 2021 together with Mr Dautopulos and Mrs Wallis. They spoke very well and were very inspiring with what they have planned for 2021.

It's been a great start to 2021 at BDHS.....

We have had a great start to 2021 becoming a hive of activity! Our Kindy and Pre Primary students are enjoying their new set-up in our Early Learning Centre with re-fencing to form a combined play area between our two early childhood buildings and building renovations scheduled for Term 1! Mrs Kilpatrick and Mrs Hawke are enjoying meeting all of our Kindy and Pre Primary students and they are all settling into their new routines well.

The Pre-Primary to Year 10 students attended Interm Swimming lessons in Weeks 2 and 3, enduring the cold spell for the first week and then extremely hot temperatures to start the second week! We are very proud of the way our student conducted themselves at swimming lessons and would also like to express our appreciation for the swimming teachers who were once again, AMAZING with our students. Thank you Jess M, Taylor S, Kaitlyn S and Ellie M.

Our Primary students are getting to know their new classrooms and teachers, there is some very excited chatter throughout the Primary wing regarding the new and wonderful events and activities going on!

Our Secondary students have started Cadets this year, joining as a sub-unit of the York Cadet Unit. The students have had a fantastic time meeting new friends and experiencing the Cadet program, and their new uniforms look spectacular! The Year 7/8 Cadet students are off to Rottnest for camp in Week 7 and our Year 9/10 students will be heading off on camp to Kalbarri in Term 3 which they are all very excited about!

Artists-in-Residence at the Station Gallery

Artist in Residence for February

Shanti Gelmi enjoyed her stay at the Station immensely working on her intricate drawing projects and preparing for her exhibition. Weekends were spent weaving, passing on her skills to locals and city ladies.

Basket weaving workshop Saturday Feb 13 with Shanti Gelmi was well attended with 12 ladies keen to learn the art

Artist in Residence for March

This month we welcome **Jo Nelson** (left) who is a part-time artist living and working in Muchea. Her art practice started from an earlier life as a quilt maker. Bored with making quilts, and not liking to waste anything, she started making fabric wrapped rope bowls, textile wall hangings etc. Then recently she diversified into linocut printing, discovering that for her it is all about the colour. Self-taught and on a steep learning curve she is enjoying the process very much. All pieces are hand pulled (no printing press) so she can work from anywhere with very little equipment. She is inspired by simple bold designs and colour and looking forward to having a whole month to develop further whilst being Artist in Residence. Please drop in to the Gallery to see her work. Any workshops will be advertised in the weekly Bulletin.

Please keep an eye on the weekly Bulletin for further information regarding residencies, workshops or any changes to schedule to schedule - or contact A-i-R Coordinator Marylou on 9647 1027 / 0427 085 511 or email: hutchinson@wn.com.au

Easter Art Exhibition

Entries close March 05 for the big Easter Exhibition so hurry with you intend to submit work. Beverley's 52nd Art Purchase Exhibition is on Thursday 01 – Monday 5 April 2021. The town's renowned 2D media art show includes the *Beverley Art Prize* valued at \$5,000 and besides this overall prize, there are six other sections with prizes of \$1,000 each. And there is a category for children also. Anyone wishing to enter works of art into Easter Art Exhibition can pick up entry forms at either the Shire offices, the CRC or the Station Gallery, online via our website www.beverlystationarts.com or contact Exhibition Secretary Joey Walter email: beverley.art.exhibition@gmail.com. Paintings for the exhibition are to be delivered to the Town Hall Wednesday 17 and Thursday 18 March 1pm – 4pm.

Beverley Amateur Dramatics (BAD)

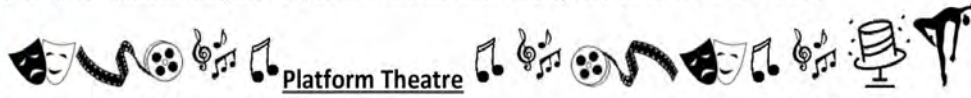

BAD is planning a show in April - not a musical. We think it's important to keep the momentum up, but Quairading will be doing a musical in October, so we don't want to take away from them. Mark Kont and Britt Hadlow continue to look at some scripts of Australian themed plays as the one planned didn't attract a full cast. However, still planning a production for the end of April.

As Bruce Denny will be completely out next year due to acting and directing commitments in Perth, Mark will direct with Joey Walter as assistant. If you would like to be more information about being involved in future productions, contact Britt Hadlow by email: britt.hadlow47@hotmail.com or beverleyamateurdramatics@gmail.com

Beverley Station Singers

Due to the recent Covid hiccup, Station Singers forewent the early Feb date and didn't meet until the 24th. They will continue to meet on Wednesday's, every 2 - 4 weeks. Next session will be **March 10 at 7pm**. Singing is directed by the talented Kelly Newton Wordsworth, cost \$20per night. Sarah Miller is coordinating singing so if you are keen to come along you can phone 0427 464 078. Kelly is keen for Station Singers to perform at Merredin Songfest 2021 on 14-16 May.

FUNKY TOWN – such a fab show!! Dean Misdale and his cast certainly had everyone up and dancing!

OPENING DAY

The official **T-Bone and Sons Opening Day** for 2021 is scheduled for Saturday 27 March. It will be the usual Mixed Ambrose- in-Threes event which will tee off at 12:30PM. Start arranging your teams.

EAST vs WEST CHALLENGE

This pre-season challenge will be held on Sunday 21 March. It will be a Match Play Foursomes event along the lines of the Ryder or President's Cups. Last year the event was won by the West but the Match Play format (which was not possible last year thanks to Covid) may produce a different result. Team captains are being arranged and nomination forms are on the club notice board.

BUSY BEES

The course management crew are doing a lot of work around the course in preparation for the season. A couple of busy bees will be being organised and any help members can offer on the day, even if only for an hour or two, would be greatly appreciated. Busy bee dates and times will be sent out by text to all members.

SCROUNGERS

These events are still being played every Wednesday and Friday afternoons. As from March 03, the tee-off times will be being brought back to 4:00pm due to shortening days. These are very casual events that are ideally suited to casual golfers or those wanting to learn the game. All are welcome and further information can be obtained by phoning Mark Kont on 0490 037 810.

Recent Results

Wednesday 27 January – 15 players - won by Ed Willis – 15 points

Friday 29 January – 5 players – won by Alan Scales – 17 points

Wednesday 03 February – 12 players – won by Chris Pepper – 15 points

Friday 5 February – 8 players – won by Paul Burns – 13 points

Wednesday 10 February – 11 players – won by Ken Bradley – 13 points

Friday 12 February – 6 players – won by Alan Hammond – 14 points

Wednesday 17 February – 13 players – won by Mike Carthew and Mark Kont – 13 points each

Friday 19 February – 6 players – won by Matt McLean and John Donovan – 13 points each

ST PATRICK'S DAY

Scroungers on March 17 this year will be St Patrick's Day. The bar will be celebrating the event and food will be on hand. Wear something green and join in the fun.

2021 FIXTURES

At the time of going to press, the finalisation of the year's fixtures are awaiting confirmation of dates of AVGA events; with their meeting being held towards the end of February. As soon as those events have been confirmed the fixtures will be published on our Facebook page and booklets will be issued.

BEVERLEY REDBACKS HOCKEY CLUB 2021 SEASON UPDATE

The 2021 Hockey Season is just around the corner and we are looking for any new/returning players or a coach to join us!

Hockey is a great way to stay fit, and also meet new people. We are a fun, nurturing team and welcome anyone interested in playing, regardless of experience! We have some equipment to loan for the season if it is required.

Training is kicking off on Thursday 04 March, at 6.00pm at the Beverley Town Oval. The first couple of sessions are purely fitness so just bring yourselves and a water bottle.

Hope to see you there!

Beverley Amateur Swim Club

Beverley Amateur Swim Club is half way through their season and the kids have been having lots of fun and have been very busy.

Some of our club members have been competing against other club's in the Wheatbelt, on the Sunday 14 February, we travelled to Corrigin and on Sunday 21 February to Quairading. Congratulations to all the swimmers that entered and represented Beverley, we came home with some medals and we all had a great time.

Corrections to our fixtures

FRIDAY 05 MARCH will just be time trials followed by our sausage sizzle fundraiser.

Beverley Amateur Swim Club wind-up and AGM will be held at the pools at 4.30pm on the FRIDAY 26 MARCH. Please bring a plate of food to share.

BIG NEWS - The Hoff is coming to Beverley

We have a special guest coming along to swim club on the Friday 19 March from 4pm.

Swimming WA ambassador, Joshua Hofer, a 5 time Paralympic Gold Medallist and holds a OAM, Order of Australia medal.

Come down and have a chat with him.

WFI Switch Up Tournament

24 players took part in the WFI Switch Up Tournament on Sunday 21 February. It was a very warm afternoon and after 6 rounds everyone had well and truly earned a beer and a rest! The tournament is for individuals to win in a double's format. Many thanks to Charmaine Willing at WFI Beverley for sponsoring a great tournament.

A Grade Winners:

Ladies – Narelle Bailey
Runner up Ladies – Chantelle Meade
Men – Brett Shaw
Runner Up Men – Blake O’Meagher

A Reserve Winners:

Ladies – Dina Barrett-Lennard
Runner up Ladies – Nikki Gors
Men – Bill Cleland
Runner Up Men – Matt McLean

Championships

Championship Singles will be held Sunday 7 March and Championship Doubles will be held Sunday 21 March. Names are due to Captains the Thursday before each event. Both Championships are sponsored by Paul and Deb Roediger.

Notice of the AGM

Sunday 28 March 2021 at 5:30pm – All positions declared vacant.
The AGM will be followed by a BBQ dinner. All members are encouraged to attend.

Easter 2021 – Game Back On!

Have you got your entry in yet? Entries close 15 March!
Commencing on Good Friday, 2 April 2021, tennis is played over the four days in a round robin format. You do not need to be a member to play, however you do need to play each day. If you're a keen tennis player or even a novice the Easter Tennis Tournament is a welcoming and social competition that we invite you to join! Entries can be found at www.beverleytennisclub.com

Thanks to our major sponsors Beverley Transport and R & L Hiab Services for their continued support.

Don't forget the Sunday Sundowner – Black Tie (or your version of it!!) to celebrate our longstanding greenkeeper Rob de Gruchy's retirement.

Communication

If you are into the socials, Beverley Tennis Club is on both Facebook and Instagram – please like and follow for instant information.

See you on the Courts!
