Budget 2021/22

Council have adopted the 2021/22 budget with a goal to deliver our major project being the Vincent Street Streetscape Project. Following the award of \$1.534 Million in Building Better Regions Funding (BBRF) the Vincent Street Streetscape project will progress with a total construction budget of \$4.895 Million. The balance of the project will be funded by Other Capital Grants (\$1.258 Million), Loan funds (\$1.0 Million), Reserve Funds (\$693,000) and General Revenue (\$410,000). The project will see the revitalisation of our Mainstreet, including the undergrounding of power, to complement the recent completion of the Cornerstone building and the Moort Wabiny Park development.

In addition to the civil work component, Council has secured funding to complete a Heritage Trail along the main street focusing on the historical buildings. This project also includes the development of an augmented reality app to give users a snapshot of what the main street looked like in years gone by.

Infrastructure works for 2021/22 will include Road, Bridge and Drainage works of \$1.317 Million part funded by Main Roads WA (\$482,000) and General Road Grant (\$216,000).

Council will also complete the construction of the Industrial Land Road with a contribution from Development WA of \$192,000. Council will invest in a new grader (\$245,000 net) and the renewal of the Rubber Tyred Roller (\$150,000 net), the Road Maintenance Truck (\$84,000 net) and other vehicles (\$106,000).

Council will continue to provide a high standard of service in other programs such as Sanitation - street bins, refuse site, bulk recycling and e-waste; Community Spaces - halls, recreation ground, Moort Wabiny Park, gymnasium and library; and Tourism – caravan park and cabins, visitor booklets and visitor centre.

Rates

With the adoption of the budget the Annual Rates Notice will now be sent out on Friday 6 August. The increase in rate revenue is 5%. Individual rate notices could differ due to the valuation by the Valuer Generals Office on your property. A reminder that when your rates come out this year, the discount period will be reduced from 35 days to 21 days.

To receive the 10% discount, you must pay in full by

Friday 27 August 2021. The Shire of Beverley is one of the last Local Governments to still offer an early payment discount so please take advantage of it. The Shire does not allow any grace or extension if you miss the payment deadline.

If paying by instalments, you must make your first instalment by Friday 10 September 2021 to join the instalment plan. The instalment date and discount date are two different options. There is no discount in the instalment option.

Caravan Park Cabins

The Shire is looking forward to welcoming our first visitors from the Avon Valley Golf Championships who will enjoy a trial stay between 4 and 7 August. It is hoped the booking system will go live on Monday 9 August 2021.

Extension to the Playground Area at the Recreation Ground

Work has commenced on the extended playground area with the picnic area, shelter and various play equipment now installed. Unfortunately the rain has caused a few delays with the fencing and ground works. It is hoped the play area will be completed by the end of August.

Avondale Machinery Museum

Council has decided to investigate various options (22/23 financial year) to move the museum closer to the townsite. Until then the Museum will reopen to the public dependent on volunteer availability. Open dates will be advertised.

Local Government Elections – October 2021

The Shire will have a tent at the Beverley Agricultural Show, if you are interested in becoming a Councillor, please do not hesitate to have a chat with a Councillor.

Beverley Agricultural Show 2021

Best wishes to the Beverley Agricultural Show Committee for a successful day on Saturday 21 August. Council are aware of the mountain of work that goes into an event of this size. After COVID cancelled last years show we look forward to seeing everyone there.

Cr Don Davis
Shire President

Roster Secretary – Glenys Lane

During the financial year 2020 – 2021 we made donations of over \$7,500 to benefit rural and regional residents.

We would like to sincerely thank all who donated items to Op Shop this year and, of course, all our loyal customers who browse and buy. Without you we couldn't fund our projects and donations.

During our committee meeting which followed the AGM it was voted that substantial funds be committed to assisting the Frail Aged Lodge Committee in their project to provide reliable emergency power to the Lodge. We look forward to working with the FAL committee.

If you would like to go on the roster for Op Shop, please contact Glenys Lane.

Donations can be left at the Op Shop during opening hours or in the marked bins beside the Mens' Shed. Remember, if you wouldn't give it to your best friend, then please don't give to us.

Ron Adams

21/11/1934 to 08/07/2021

Many thanks to the wonderful people of Beverley who showed us support and sympathy upon the passing of our dear dad & pa, Ron. To our friends and family who made the trip down to Albany for the funeral, we were deeply humbled. A great man, father, pa and community man, he will be greatly missed, but cherished eternally in our memories.

Water Quality through the Avon, Yilgarn, and Lockhart Water Systems

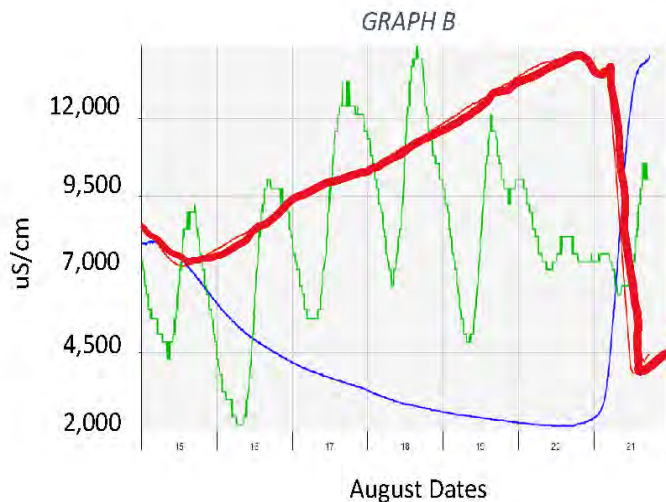

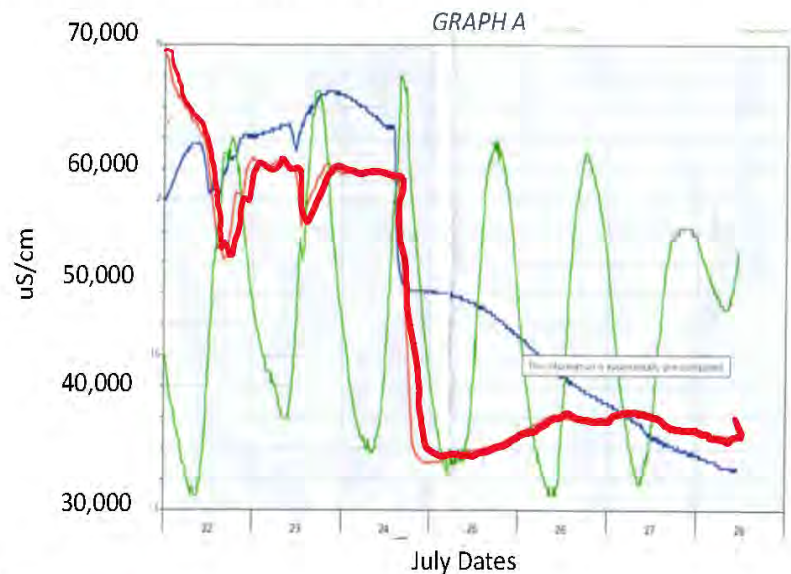

When working with water salinity and water quality, the old school terminology is *grains per gallon (gr/ga)* while the modern terminology is *micro-Siemens per centimetre (uS/cm)*.

Reference table:	<i>uS/cm</i>	<i>gr/ga</i>
Sea Water	50,000	1,925
Sheep can drink/tolerate up to	16,000	616
Brackish Water	1,500 to 15,000	58 to 577
Fresh Water	Less than 1,500	Less than 58
Rainwater	30	1

The Department of Water and Environmental Regulation has an extensive network of river monitoring stations and activities across Western Australia (<https://www.water.wa.gov.au/maps-and-data/monitoring/river-level-monitoring>). Beverley has approximately 5 of these monitoring stations in our shire.

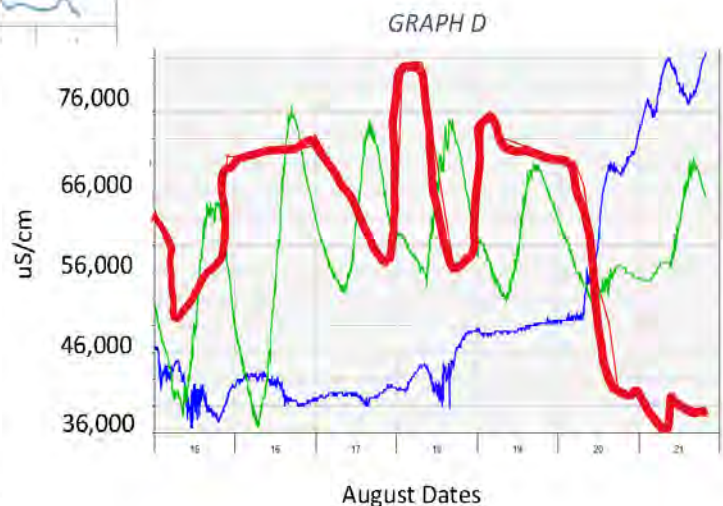

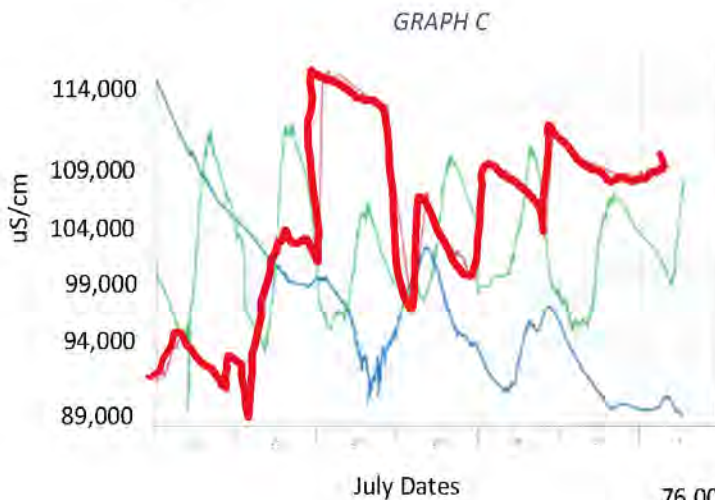

Yenyenning Lakes Tests at Bell's Farm

The bold line in Graph A, below, shows that salinity drops when the overflow gates are shut. Meaning that the saline water is kept within the lake system and not let into the river at Bell's Farm. Based on the reference above the river at Bell's Farm when this graph was created was almost two and a half times as saline as the ocean (70,000 uS/cm). Graph B shows the same Bell's Farm station on July 21st, after all the rain in the past month, you can see that the salinity has dropped dramatically to well below the tolerated level for adult sheep.

Kwolyn Hill (near Kellerberrin in the Lockhart/Yilgarn System)

The bold line the Graph C, below, shows that salinity drops after a rainfall event. The rainfall event/s flush the Lockhart system out; salinity is decreased by the mixing of salt and fresh water and flushing the salt downstream. Based on the reference above when this graph was created Kwolyn Hill was almost three times as saline as the ocean (114,000 uS/cm). Graph D's bold line shows the same Kwolyn Hill monitoring station on July 21st, after all the rain in the past month, especially over the night of July 20th, you can see that the salinity level has dropped, but is still almost as salty as sea water.

Morbinning Gully and Old Beverley Road

These two waterways were tested for salinity levels on July 7th, 2021.

Test Results	uS/cm	gr/ga
Old Beverley Road	8,500	327
Morbinning Gully	4,600	177

These waterways are significantly fresher than the two noted above, however, the salinity test results, and reference table above show that the water that flows in them is brackish – still undrinkable for humans, but perfect for livestock drinking requirements.

Salinity Solutions

There are several possible solutions to the salinity issues that the Yilgarn and Lockhart Systems are facing. One of these solutions is to excavate a drain through the Salt River Valley (Yilgarn & Lockhart System) to Qualandary Crossing into the Avon River. This would create a catchment area larger than Tasmania with multiple benefits. These could include allowing vegetation to regenerate (in the millions) in its own time which would stabilise the soil surface, reduce site erosion, and potentially reduce the amount of salt exported from the site, saving thousands of dollars and hours of time.

Fun Facts

1. In August 1762 the sandwich, as we know it, was created when the Earl of Sandwich requested meat between two pieces of bread.
2. The first person convicted of speeding was going eight mph. On Jan. 28, 1896 Walter Arnold of Kent, was spotted going four times the speed limit in his 19th-century Benz—but since the speed limit at the time was just two miles per hour, that meant he was not going too fast by today's standards. The constable had to chase him down on his bicycle, issuing a ticket for £4 7s and earning Arnold the speedy distinction.
3. The severed head of the Elysia cf. marginata sea slug can grow a whole new body.
4. Humans are the only animals that blush. We are also believed to be the only animal that feels embarrassment.
5. The "M's" in M&Ms stand for "Mars" and "Murrie", the two businessmen who created the candy-coated chocolates.

Beverley Historical Society Dead Finish Museum

bhsdeadfinish@gmail.com

Hope you all have enjoyed the rain we have had this month. It sure has tested if any old buildings have leaks etc.

The Museum committee have been very busy over the past month with busy bees to tidy our store room of years of collectables plus starting to get all our records in some order, must admit still a long way to go.

On the day of our last meeting we had planned a trip to Gilgering Church but with the weather were unable to go so instead had a mini busy bee, and welcomed 35 visitors from Quairading. We then enjoyed soup and bread plus lovely lemon cake before the meeting.

This year at the Beverley Show we are combining our display with the Garden Club so that is our project at the moment. Hope it is not so wet on Show Day and everyone enjoys their annual catch ups.

Correction – Last month's item about Canon Groser's Crate contained a mistake. The crate was in the shed of Nick and Barbara Broun's house, not those mentioned in the article in error. Apologies to our readers and those concerned.

Upcoming Meetings:

- ☆ Monday 2nd August at 10a.m. we will be holding a working bee at the Museum
- ☆ Monday 9th August 1.30p.m. will be our next meeting.

New members are most welcome.

Good day everyone

There was much interest on Wednesday 14th July when Kings Park Fashions came to our Hall with their winter collection. Marianne, Vicki, Lee and Gail were our "Catwalk Ladies" and showed off several of the outfits between them. There were many items of clothing to choose from. Thank you to all the ladies and one gentleman who came along for the show and lunch.

Our raffle winners were:

- 1st Lorraine Sims,
- 2nd Sarah M,
- 3rd S Carr

At our monthly meeting held on Wednesday 21st July, Diane continued our Japanese theme by bringing in some Japanese artefacts on loan from Dulcie Fleay, many thanks to both Diane and Dulcie as they were of interest to our group.

We are holding our next social get together on Wednesday 4th August from 10 am.

Our next **Beverley Country Women's Association** meeting will be held on Wednesday 18th August from 10am, all are welcome to attend.

That week will be busy for our members as we will be holding our raffle (several prizes) and small cake stall at the Beverley Show which is on Saturday August 21st we hope to see you all there.

Upcoming events include

Our **Father's Day raffle** with several prizes plus a morning tea at the Beverley CWA Hall on Saturday 4th September from 9.30am to 11.30 am. Raffle tickets can also be bought at the Lions Kiosk on Friday 3rd September during the day.

With the bleak cold days of winter still with us, we would like to cheer everyone up with the following verse.

*Joy! The Winter's nearly gone!
Soon will Spring come dancing on;
And, before her, here dance I,
Pink like sunrise in the sky.
Other lovely things will follow;
Soon will cuckoo come, and swallow;
Birds will sing and buds will burst,
But the almond is the first!*

If you would like to know more about the CWA or would like to hire our hall, please contact Pat or Wendy Hambly on 9646 1481.

September 2021

You say pawpaw, I say papaya!

(Left to right): North American pawpaw, *Asimina triloba*, red fleshed *Carica papaya* and yellow fleshed *Carica papaya*.

Pawpaws and papayas: are they the same?

Have you ever said pawpaw and papaya interchangeably when referring to these fruits? You are not the only one. While the fruits do look similar, they are produced from two unrelated plant species.

In most parts of the world, 'papaya' is the favoured common name for the fruit of the tropical *Carica papaya*, while 'pawpaw' more commonly refers to the North American pawpaw, *Asimina triloba*.

***Asimina triloba* (pawpaw)**

The true pawpaw, North American pawpaw, is a small deciduous fruiting tree native to certain parts of the US and Canada. The genus *Asimina* is in the same plant family, Annonaceae, as the custard apple. *A. triloba* fruit is 8-15 cm long with yellow/cream flesh and a network of glossy brown/black seeds. The fruit is known to taste like a mixture of banana, mango and pineapple.

***Carica papaya* (papaya, pawpaw)**

Carica papaya, from the family Caricaceae, is a broadleaf evergreen plant native to Mexico and the northern parts of South America. The fruit is generally spherical or cylindrical in form and about 15-45 cm long with a central cavity

containing numerous black seeds. The fruit has a sweet, juicy flavour and a creamy texture. Two cultivars of papayas are commonly grown. One has red or orange flesh, and the other has yellow flesh; in Australia, these are often called "red papaya" and "yellow papaw", respectively. No wonder we get confused!

Tips to tell the difference

Next time you see fruit labelled 'pawpaw' or 'papaya', try to tell which plant it came from:
North American pawpaw, *Asimina triloba*:

- Always oval shaped.
- Yellow/creamy flesh around a network of several large seeds.

Papaya, *Carica papaya*:

- Round or more cylindrical in shape.
- Central cavity of numerous small seeds.
- Red or orange fleshed cultivar

Growing fruit at home?

It's likely you are growing *Carica papaya*. There are a few reportable diseases of *Carica papaya*, such as papaya sticky disease and ringspot virus, which are exotic to WA. If your plants develop unfamiliar symptoms, please take photos and contact the Pest and Disease Information Service (PaDIS) or submit a report to the MyPestGuide Reporter app or website.

CWA York hits its 40th Mark

The CWA York ladies had another productive and enjoyable meeting at our rooms, 154 Avon Terrace, on Friday, 16 July 2021. We welcomed a new member, Lyn Gleeson, to the fold which means our membership has now reached forty. Lyn is pictured here on the right with another of our members, Joan Edom.

We all feel fortunate to have Dawn Ainsworth as our President as she always displays great leadership and the COVID-19 pandemic is no exception; Dawn is encouraging everyone to get immunised in order to protect themselves and the wider community.

As everyone was packing up at the end of the meeting, four of our local police officers were spotted waiting for their coffees at Botanicalia, which is right next door.

They were invited in to share some of our food (pictured) and it was another opportunity to let

them know that we value the work they do and their vigilance. As well as the police, CWA York continues to build and maintain positive relationships with a number of organisations in the Avon Valley including the Shire of York, the York Community Resource Centre (CRC), and Share and Care Community Services in Northam.

CWA York was privileged to assist with the catering for Marie Ashworth's wake held on Friday, 9 July at the York Recreation and Convention Centre (YRCC). Marie was a much-loved person and this was illustrated by the fact that approximately 300 people attended the funeral service and wake in her honour. Marie made a contribution in many ways, particularly in terms of her voluntary efforts, and she was renowned for her relishes, pickles and jams. The catering - by way of cakes, slices and sandwiches - was co-ordinated by Margie Barrett-Lennard, and Margie was presented with a certificate in recognition of her organisational skills.

The calendar for the remainder of this year is filling up fast. The activities and events include catering for the York Agricultural Show, which will be held on Saturday, 4 September. We are really looking forward to it especially as it had to be cancelled in 2020 owing to COVID-19.

Welcome Mrs Jane Putrino

We would like to warmly welcome back Mrs Jane Putrino who is now teaching Year 3/4 for Semester Two. Jane has taught at Beverley in previous years and is delighted to return to our school! Make sure you give Jane a warm welcome when you see her out and about!

Farewell Mrs Kellie Shaw

It was a sad end to Term Two as we bade farewell to our wonderful Mrs Kellie Shaw. Mrs Shaw has been such a huge part of Beverley DHS and has provided AMAZING and WONDERFUL opportunities for our students at the school. To leave our school, that she loves and has such a commitment to in the overall running of, was a very difficult decision for her to make. Whilst we will sorely miss her and her leadership within the school, she has moved into position with SENN MMH, and this is a huge recognition of all of the hard work she has done in the area of youth mental health in our school, and the support that she has provided as a teacher and leader, to our students in this area. Over many years Kellie has led Health and Wellbeing, Choir, EDI, Student Leadership, Coaching of staff, Mathematics Learning Area Leadership, PBS, secondary and primary teaching ... to name a few. Her achievements at Beverley DHS in these areas and in many more, that go above and beyond her role that she excelled in as classroom teacher, have positively impacted our students, staff and community. We would like to acknowledge all of her contributions to BDHS and the Beverley community and wish her all the very best in her new venture. No doubt she will take her SPARK with her and liven up any workplace she enters! 😊

Mrs Shaw went out with a bang! The Year 3/4 Class presented their Time Travel assembly item with the pizzazz of a very inspiring teacher! Such a great performance!

Artists-in-Residence at the Station Gallery

Artists in Residence during July

Trish Davis was in residence for most of July and along with her niece Peta Gallager ran a variety of free workshops. Then following a cancellation, textile artist Joy Benevenuti resided till the end of the month. The gallery was a feast for the eyes with the works of this month's artists.

Paintings from Trish and Peta's workshop

Artist in Residence for all of August will be Roderick (Rod) Brown

Readers may recall Rod Brown being here in 2019. A wonderful artist, he has been painting in oils and watercolour for 40 years. Rod has exhibited at many public shows as well as solo exhibitions. While portraits are Rod's favourite subject, musicians, dancers, horses and riders along with rural scenes, still life and streetscapes are all part of his portfolio. Rod has paintings in corporate and private collections in the USA, Canada, Sweden, UK, Japan, Chile, Peru and Australia. Rod also showed his work in an international exhibition in 2002 in Riva Del Garda, Italy. Rod was invited to exhibit at the prestigious Florence Biennale 2013 in Italy. Rod is a member of the Watercolour Society of W.A. (past president).

Rod Brown in his studio Mosman Park; and two recent paintings - *Balingup Sundowner* and *Back Stage*

Rod is happy to run some workshops and or demonstrations or do some one-on-one lessons. Also, he is always interested in painting a portrait or two of any locals that might be interested. He is flexible about the time and date but he felt evenings or weekends seemed to be the go last time. If anyone is interested, please contact Rod on his email address: rodbrownart@icloud.com

Please keep an eye on the weekly Bulletin for further information regarding residencies, workshops or any changes to schedule - or contact AiR Coordinator Marylou on 0427085511 or email: residency@beverleystationarts.com

Beverley Amateur Dramatics (BAD)

The BAD group is taking a well-earned break after the time and effort put into the drama *Secret Bridesmaids' Business*, but come the end of the year auditioning will commence for the next production – a musical in March!

If you would like to be involved in future productions (backstage and onstage), please email Britt Hadlow beverleyamateurdramatics@gmail.com to be put on the mailing list. And speaking of Britt...we congratulate her wholeheartedly on recently winning Eastern Districts Rural Ambassador! Britt is a worthy winner and being a committee member of BSA makes us justly proud.

Beverley Station Singers

Practice has begun for the VoiceMoves' *Choir Muster* on Saturday 11 September 2021. Several of our local choir are unable to be here on that date, but Station Singers will still be performing!

Station Singers will continue to meet on a Wednesday every 3 - 4 weeks either in the Station Gallery or in the platform Theatre Greenroom. Next session will be **August 11 at 7pm**, and following that, **September 1 at 7pm**.

Singing is directed by the talented Kelly Newton Wordsworth, cost \$20 per night. Sarah Miller is coordinating singing so if you are keen to come along and sing your heart out you can phone 0427464078. New singers always welcome.

MISS WESTRALIA - musical comedy - Before Jennifer

Hawkins, there was Geraldton's Beryl Mills!

"A new Aussie musical with as much charm as Beryl Mills herself." Stage Whispers

This production is really something special. The opening weekend in Geraldton was hugely successful with the audience and community response 'through the roof, and the show looked and sounded terrific.'

Miss Westralia is a comedy musical that celebrates the untold story of the first Miss Australia, Beryl Mills. Set against the glitz and glamour of the 1920's and the dust and heat of rural Australia, this fish out of water story pulls musical theatre, historical drama, the past, and the contemporary into a hilarious, melodic, tough as nails tale of an unknown real-life heroine. When a Geraldton girl is crowned the unlikely winner of the first Miss Australia competition, she becomes a celebrity overnight. Based on an incredible true story, this poignant musical comedy about Beryl Mills will have your toes tapping and you heart singing. Join us as we do the Charleston from Geraldton to Chicago to uncover this remarkable untold piece of local history. **Come dressed in your finest for a roaring good 1920s time!**

CHOIR MUSTER

presented by Voice Moves – following their ‘post-Covid’ event in October last year, Voice Moves decided to keep the change of name *Choir Muster* (as opposed to *Country Choir Bash*) as they muster choirs and singers to muster in Beverley for a Big Sing and concert. ROCK PAINTING

On Wednesday 7 July, many parents, carers and children joined the Beverley CRC and the Beverley Community Garden down at the Garden for a morning of rock painting and muddy fun. In the spirit of NAIDOC week, families worked together to decorate large stones that will be used in the future Bush Tucker garden bed. Kids were then able to decorate a bounty of rocks in a variety of colours to take home and decorate their own gardens. Those who were speed painters then helped decorate the Community Garden further by painting some beautiful flowers onto garden beds. Many who came left muddy and wet but with a big smile on their faces. The Beverley CRC and Community Garden thank all who came down to enjoy a lovely morning and hope to see you back at the gardens again soon!

WILDFLOWER WALK

Brooking Street Reserve - Orchid Walk

Our local Naturalist Club member and Brooking street reserve caretaker, Phyllis Facey will be offering a guided walk through the Brooking Street Reserve on **Thursday 25 August** at **11am** with the walk will taking approximately half an hour.

After the great rainfall we have received, we are expecting a great display of wildflowers this season. This reserve is located in town and is well known for orchids, so it will be an excellent opportunity to get photo's plus information on orchids that grow in our area.

Our team at the CRC are taking registrations, call 9646 1600 or email: adminbcrc@westnet.com.au

SERVICES AUSTRALIA

GOVERNMENT SERVICES—CLOSER THAN YOU THINK

At Beverley Community Resource Centre you can access Centrelink, Medicare and other government programs and services. We're an Australian Government Agency of Services Australia Access Point.

Using our computer, you can log in to your myGov account and do your business on the spot.

There are phones for you to access phone self service or speak to a department service officer.

If you'd rather use your mobile phone or tablet, we've got free Wi-Fi available 24/7.

You don't need a password so you can get online straight away.

You can also use the Wi-Fi to download and install the Express Plus mobile apps.

Our staff will even certify your identity documents for you.

So next time you need to do some government business, drop in and see us.

We're open Monday - Friday from 9.00am - 4.30pm at the Beverley Cornerstone, 141 Vincent Street, Beverley.

RSPCA FUNDRAISING EVENT MONDAY 16 AUGUST 2021

This year our centre is taking part in Cupcake Day! Please support our efforts to raise funds to support the RSPCA and ensure these innocent animals get the love and care the desperately need until they find their forever homes.

Please make a donation to support our efforts and join us to help animals in need. We have set a goal of \$250 from the Beverley community, you can donate at the reception counter at the CRC, purchase cupcakes on the 16 AUGUST or donate online via our Facebook page.

LAST MONDAY OF EVERY MONTH
2.30PM - 3.30PM AT THE CRC
ENTRY FREE | AFTERNOON TEA \$5

SWAP IT UP

Absolutely no money is to be exchanged during the event, sorry no exceptions.

Come along for some fun and swap your renowned goodies for someone else's infamous, delicious wares.

Think outside the box, if you're not sure you can make something maybe you could offer labour instead of goods.

Don't limit yourself to bringing one thing to swap, you may need bargaining power with multiple goods to get exactly what you're after.

Pro tip - plan ahead, think about what would I like to swap verses what would I need to bring to sweeten the deal?

Anyone has the right to respectfully decline your offer. Maybe ask them what you could swap next time to seal the deal.

Friends and Staying Connected

I'm sure we've all experienced it – as we get older our social circle seems to become smaller. Blokes often feel this a bit more than women, who tend to form lifelong relationships and attend more social events than us fellas. But it's important to know that as we get older, it's normal for the people in our lives to fly the coop. Research suggests this pattern of 'social ageing' could be hardwired in men, as chimps tend to do the same thing – and I'm sure the ladies in our lives have had similar thoughts.

Blokes often get put into a box that we don't want to talk to other blokes about stuff, but recent research says otherwise. Relationships WA found in 2018 that many blokes, whether they're in a relationship or not, wanted to spend more time with their friends. The majority of blokes also reported that they did have someone to confide in and 75% of the time it's a woman, mostly their partner. Regrettably though, for us blokes identifying just 2 *true mates*, outside of our relationship, can be problematic – we say that they primarily come from the categories of our peers and mentors.

It's normal for us to want to spend more time with friends and the difficulty of meeting new friends once we finish school or study can be ramped up. There could be a number of reasons for this, including:

- ☆ Blokes prioritising work and family over social events.
- ☆ The warrior attitude of blokes not wanting to appear vulnerable and opening up to others.
- ☆ Feeling anxious in social situations or self-confidence issues.
- ☆ Subconscious thoughts of '*not measuring up*' to other blokes.
- ☆ Wanting to '*keep to ourselves*' – cave time and withdrawing.
- ☆ Introverted and extroverted personality types.

It's important to recognise the sort of barriers we may be facing when it comes to making new friends, and depending on our circumstances, there are some things we can proactively do:

- ☆ Attend a local community group, ie. a men's shed, bowling club, the footy club, or church to name a few.
- ☆ Try new things – meeting people through a shared interest or hobby is a good way to engage with people. Principal Skinner from The Simpsons was on the right track when he said, 'isn't it nice that we both hate the same things?'
- ☆ If our issue is related to social anxiety or self-esteem, realising that we're often our own worst critic is important. It's important for us to be comfortable in our own skin.
- ☆ Realise that most of the butterflies we may be feeling around meeting other people is because we think the stakes are higher than they really are. Research points to the fact that most blokes are eager to meet others.

In summary, it's normal for us blokes to want to increase our social circle as human beings are fundamentally social in nature. There are some biological reasons for our social circles shrinking as we age and it's important to recognise the social and cultural reasons for us finding it difficult to meet and connect with new people. If we feel isolated from others, don't be afraid to seek help – whether that be from a mate, family member, a GP, a counsellor, a pastor, or anyone else you feel comfortable talking to. Mensline Australia is a free 24/7 info, support and counselling service for men and can be contacted from anywhere in Australia on 1300 78 99 78.

Beverley Ladies Netball

We are hosting a reunion for the 2000 ANA premiers, if you have any memorabilia or photos please let Glenys know.

Our Fast5 season has come to a close.

23rd June was the Jurakine Shield and The Brookton Shield.

Congratulations to Beverley Orange for winning the Jurakine Shield, thank you to Dee & Nookie Ridgway for sponsoring.

Congratulations to Brookton Purple for winning the Brookton Shield and Thankyou to Charlene Hayden and Graeme Elliot for sponsoring.

30th June was the Grandfinal.

Congratulations to Brookton Purple (47) who managed to just hold out Brookton Blue (39).

Congratulations to Teeanna Eades from Brookton Purple for being the fairest and best overall.

Congratulations to Talicia Bennell from Brookton Purple for being the grand final MVP.

Thank you to all the umpires and well done to the green shirt umpires for giving it a go. Thankyou to the helpers and a special thank you to Glenys Petchell who got the scoresheets ready each week, washed the bibs each week and made sure we were doing everything we were meant to.

Keep a look out for our next modified Fast5 season.

Results for the Northam netball team

19th June

We got to play our first indoors game for the season. Poor Cara was reminded what Jo's passes were like and took a ball to the face.

Final score, Beverley 38, Sharktastic 25.

26th June

We got to play indoors again and this time we played Renegades. The umpires were being assessed so did not let anything get past them. After a tight tassel for the win the final score was Renegades 31, Beverley 25.

3rd July

Was another indoor game for our Northam netball team.

With a bare 7 playing we took on Toodyay and came away 46-18 victors.

17th July

Wow what a weekend.

We were gearing up to play our show day game against Toodyay in Toodyay on Saturday.

During the week we had a scratching in Jamelia Ugle who'd come down with the dreaded lurgy, (hopefully she'll be back for our next game), then a few hours before our game we got a late scratching in the umpire so thankfully Sharlee Higgins answered our many pleas and begs to come and umpire her first full senior game. (thank you to Paul Higgins for releasing her from her home duties)

Without Jamelia the pressure was on Charlize Peneha (who was recovering from a recent paint balling incident) in the goals and everyone was guessing who would try to back her up as everyone had about the same experience. Even Jenifer Petchell was geared up on the sideline just in case as we were a bare 7. Emma Atkins was donned the GS bib and after being hounded, finally gave into peer pressure and started to shoot some goals in the second quarter much to the delight of the team. There was a little rain and poor Hannah Morrell showed everyone how slippery it was. Brooke Pepper found her voice and was making sure she was heard. Jo Copping was put back into her comfy spot of GD but she wasn't used to all the running and stalwart Sam Means held the backline. After a long enviously warm holiday birthday girl Cara Hammond made sure she caught every ball thrown her way and even shared out some of her birthday cake.

The end result was Beverley 45 - Toodyay 32, well done girls, now to get ready for our Thursday game in Northam at 6:00pm.

If your interested in seeing bits of the game, Northam Netball Association recorded some and put it up on their Facebook page.

Next games are:

Saturday 31st July 4:00pm

Saturday 14th August 4:00pm

Saturday 7th August 2:30pm

Beverley Tree & Garden Society

TREE & GARDEN SOCIETY

Our July meeting was once again replaced by the annual lunch for our original and senior members. With a very good attendance of around 30 members, including 3 original members, it was a very successful event. The tables were beautifully set and enhanced by pretty little floral arrangements.

A meal of a great variety of tasty casseroles supplied by members was followed by a delicious dessert made by Val. Thank you to Eric for the dinner rolls and for supplying the wood for the wonderful old Metters stove and for lighting it too. Throughout the afternoon we were wonderfully entertained by Richard, Terry and George with a variety of songs to sing along with. Val and Dalene had made up gift boxes of edible delights for all. Thank you to all who contributed to this special day.

The next meeting will be on Tuesday the 3rd of August at 10.30am at the Dead Finish. Don't forget your items for the "Bring and Buy" table.

What a very wet and cold winter we have had but August means that winter is almost over and now it's all about getting ready for spring.

There are plenty of tasks to keep you busy throughout August so that you're prepared for the full showing of September onwards.

Gardening tasks

- Prune any dormant plants, especially rose bushes if you haven't already done so – always prune at a 45 degree angle to help the plant heal better while also limiting the risk of pests and disease taking hold.
- Wait for the end of August or early September to start applying a slow release fertiliser to all of your plants.
- Apply a healthy layer of mulch to lock in as much moisture as possible. Aim for layer of 5 to 10 cms.
- Start planting spring fruits and vegetables, such as; spring onions, leeks, peas, lettuce and strawberries.
- Plant tomato seeds in trays but keep undercover for now to protect them from frost.
- Start planting annuals such as Petunias, Marigolds, and Vincas.

Top Tip

During August, most nurseries will be stocking up with a wide range of annuals for the spring season, so go in and have a look at what's on offer.

Springdell Cup Weekend

The weather prior to this year's event led to some concerned conversations amongst the organisers. However, for the two days of the event Mother Nature was kind and we had almost perfect weather; even though the course was a bit soggy underfoot in parts (and the 4th Tee still being underwater for the Saturday!).

On Saturday July 24th, 56 players competed for the Wayde and Kathryn McLean 4BBB Stableford trophies. The winning team was Chris Lawlor and Daniel Gollan with a Best-Ball Stableford score of 47 points. Runners-up were Cameron Fraser and Stu Wilson from Quairading with 46 points. Winners of the Gross event were Jerome Oliver and Michael Lucas from Harvey with 36 points followed by Geoff Poultney and Luke Blechynden of Kweda with 34.

We hosted the annual Springdell Cup Open, sponsored by Andrew and Kellie Shaw and the Sing Family, on Sunday, July 25th and 53 players took to the field to vie for the Cup. They came from as far afield as Bunbury, Harvey, Waroona, Chequers, Serpentine, Lakelands, Pickering Brook, Hartfield and Wanneroo to join with players from the other clubs in the Avon Valley Association.

NETT WINNERS

Mark Turner (Pickering Brook) 60 points – Winner of the Springdell Cup
Kevin Bruce (Hartfield) 59 points – Runner-Up
Stephen Gollan (Beverley) 57 points- Third
David Cliff (Brookton) 52 points - Fourth

GROSS WINNERS

Michael Lucas (Harvey) - 52 points - Winner of the Barry Winfield Memorial Trophy
Chris Rawes (Brookton) 51 points – Runner Up
Ryan Sheridan (Brookton) 50 points- Runner-Up

Other trophy winners were:

Best Morning 18 – Mick McBrearty (Brookton) 39 points
Best Afternoon 9 (1 to 9) – Kaine Wright (Corrigin) 20 points
Best Afternoon 9 (10 to 18) – Adrian Lister (York) 20 points
Best Veteran (60+) – Chris Eaton (York) 51 points
Best Super Vet (66+) – Kevin Burton (Waroona) 52 points

Congratulations to all the winners. Our grateful thanks go to Andrew and Kellie Shaw and the Sing Family and to Wayde and Kathryn McLean for their continued support for these events.

We'd also like to thank the many members who contributed their assistance to the day to help make it a success. These especially include the women members who spend their time in the kitchen preparing and cooking the meals (and cleaning up afterwards) and those ladies who work in the office recording and entering results. A special mention to Matu Peipi from York who willingly assisted us through the new computer programme. To the members that helped with the busy bee before the day, to the course maintenance crew, to the bar management and staff and to those who assisted with placing and collecting novelty pins and eskys we also extend our thanks.

Club Championship

The final qualifying round for the club championship, the Fred Sing Trophy, was held on July 10th. Seventeen players competed with the honours going to Phill Bateman who carded 75 Nett (83 Gross). Joint runners-up with 76 Nett were Stephen Gollan (90), Damien Murray (109) and Darrell Hagan (80). Thanks very much, again, to Fred 'China' Sing for continuing to sponsor this event.

After completion of the qualifying rounds 22 players have qualified for the Match Play playoffs. The top eight qualifiers who will compete for the title of Club Champion (in order of of qualifying) are Darrell Hagan, Marc Edwards, Phill Bateman, Luke Gollan, Steve Johnston, Alan Hammond, Alan Scales and Stephen Gollan.

The rest of the qualifiers who'll compete in other divisions were (also in order) John Donovan, Chris Lawlor, Paul Higgins, Terry Woods, Martin Moseley, Mike Carthew, Rob de Gruchy, Ken Bradley, Damien Murray, Paul Burns, Mark Kont, Chris Pepper, Mel Vivian and Tommy Copping. The play-offs are scheduled for Saturday the 7th of August with the Club Championship final Match Play event to be held on Saturday, September 4th.

Other results for July

On Saturday July 3rd, 22 members travelled to Brookton to compete in that club's 4 Ball event. Unfortunately no-one was successful with the only trophy won by our players being the NAGA award. Five players competed in the Williams Cup at Brookton on Sunday July 4th. Again, no notable scores were returned by our members. No event was held locally that weekend.

A social day was held on July 17th due to members travelling to Kweda for that club's annual Open Day. At home 10 players competed in a par event with Darrel Hagan taking the honours with -2. Rob de Gruchy ran second with -4.

Of the 8 members who travelled to Kweda that day, Wayde McLean and Mark Edwards were the most successful winning third in the Gross competition. Congratulations to the Kweda Golf Club for celebrating their 50 year anniversary this year. For a small club they've proved very successful.

The final event for July was another social day at home because Quairading club's annual Open Event was being held. Results will be announced next month.

Scroungers

These 6-holes-of-Stableford events continue on Wednesday and Friday afternoons. The days are getting longer so, as of the beginning of this month (August), start of play will revert back to the usual time of 4:00PM.

Scroungers Results for July:

Fri Jun 25th – 8 players – won by Chris Lawlor – 16 points

Wed Jun 30th – 17 players – won by Fred Bremner, Mike Carthew, Alan Hammond, Mark Kont and Chris Lawlor – 13 points each

Fri Jul 2nd – 12 players – won by Brett Davenport – 12 points

Wed Jul 7st - 13 players – won by Phill Bateman – 15 points

Fri Jul 9th – no play due to weather

Wed Jul 14th - no play due to funeral of member Eddie Willis

Fri Jul 16st - 7 players – won by Terry Woods – 15 points

Wed Jul 21st – 12 players – won by Mel Vivian – 15 points

Fri Jul 23rd – 4 players – won by John Donovan – 10 points

At the time of writing, the leading point earners in the 2021 Fred Bremner Winter Scroungers Championship are Ken Bradley (82 points), Terry Woods (76), Mike Carthew and Alan Hammond (75 each).

Scroungers golf is played at 4:00pm on Wednesdays and Fridays. We play a different six holes weekly with an emphasis on the more social aspects of the game. Any players, new or experienced, are welcome to join us.

As always, new members, visitors or anyone interested in trying the wonderfully frustrating game of golf are very welcome. Tee-off is generally at 12:30PM on Saturdays (arrive around midday) or you can contact Mens Captain Mark Kont on 0490 037 810 for any information.

Vale Eddie Willis

It is with regret that we announce that our member Eddie Willis passed away on July 3rd. Eddie had only joined our club in the last few years but in that time he made a large impact. He was a staunch club supporter and willingly gave of his time and considerable skills to assist in club activities. Part of the results of his contributions to the club can be seen behind the bar in the club house, in the East-West Trophy that he designed and built (which will be named in his memory), and in various repairs he contributed to the building itself. He is sadly missed. Rest peacefully, friend.

BEVERLEY REDBACKS HOCKEY CLUB

The end of the season is looming closer with only a few games till the semi-finals. At this stage, the redbacks are sitting around 5th on the ladder but there's still time to make it into the top 4 before the semi-finals. The weekend of the 10th-11th of July was a general bye for all teams due to players heading down to Bruce Rock for the Great Southern hockey carnival. Representing Beverley were Penny, Britt and Kayla who threw on the red and grey for a weekend of fun with the York ladies.

Game 8

Beverley Redbacks Vs Jenna

1 : 13

We headed over to Northam for another game on turf. Despite the final score our girls put up a good fight, particularly in the final quarter. The forwards really dug deep and showed some of those skills we've been practicing at training.

Game 9

Beverley Redbacks Vs York Strikers

2 : 2

Our 9th game of the season was a fantastic display by the redbacks who held the lead for much of the game. Kelly Arron scored a goal early in the game which was followed up by carissa who scored us another goal in the third quarter. Our defence managed to hold off the opposition up until the final quarter when Strikers managed to score two goals to tie up the game for a two draw.

Coach's award: Kelly

Captain's award: Kayla

Game 10

Beverley Redbacks Vs Aces

0 : 2

this was a fun game to watch with very even play between us and the Aces. Aces scored an early goal in a short corner and another goal late in the game to win themselves our 4th place spot on the ladder.

Coach's award: Chantelle

Captain's award: Kelly Mann

Thank You to the Freemasons Tavern for sponsoring the Coach's awards this year and to Beverley Electrical and Waterbrae Pastoral for sponsoring our Captains awards.

RESTORATION APPEAL UPDATE

Thank you to those who have already made a donation

Following some unexpected delays, we now have an updated and comprehensive Conservation Plan for the restoration of St Mary's Anglican Church. This now enables us to proceed with confidence as we prioritize the stages of the project. In general terms the following have been identified in order of priority:

- The prevention of further water damage and rising damp. Replacing the gutters, downpipes and redirecting the water flow at ground level.
- Internal west wall, repairs to rose window and internal cracks.
- Renewal of external flashing to gables in west wall.
- Repairs to internal cracks in south and north walls.
- Replacing external rotten timbers and repairs to WW2 Lynch Gate and bell tower.
- Repainting external and roof surfaces.

We are currently sourcing quotes for each of these jobs and ongoing works, the details of which will be available at our :

HOON BEHAVIOUR

Over the last month there has been an increase in Hoon Behaviour by drivers around Beverley. Hoon Behaviour not only risk their lives, but also your life and that of your children, friends and relatives.

- ☆ If you drive like a hoon, we will catch you and we will impound the vehicle, even if the driver is not the owner of the vehicle.
- ☆ Hoon-driving is not only deadly, but it also spoils the amenity and enjoyment of our community and makes people feel less safe and secure.
- ☆ The public can help police by reporting hoons, on (131 444), which allows us to identify and target repeat offenders and problem locations.

The impounding of vehicles also applies for those people who are driving whilst not being the holder of a valid driver's licence. There are a number of people within the town of Beverley who continue to drive with blatant disregard for the law.

- ☆ Any person who is caught driving without a licence will face court and have their vehicle impounded for a 28 day period.
- ☆ Any member of the community who can identify that they have seen a person driving without a licence can report this to their local police and action will be taken. A written statement must be made however before the offending person can face court and have their vehicle impounded.

As a result of a couple of incidents recently one driver is now facing a court appearance and loss of licence.

If you see this type of behaviour call police immediately, do not post it on social media and leave it at that. Call police directly to report the matter.

CRIME PREVENTION ADVICE

Tips when leaving your home:

- ☆ At night, leave inside lights on which would normally be on if you were at home;
- ☆ Consider using electronic timing devices that turn the TV, radio or lights on and off at selected times;
- ☆ Keep doors and windows locked at all times and activate alarm systems when leaving your home;
- ☆ Consider installing movement-activated external lighting; and
- ☆ Make windows more secure by fitting locks, security screens or external roller shutters.

Tips when leaving you vehicle:

- ☆ Always lock your vehicle
- ☆ Never leave keys in the ignition even when filling up with petrol or popping into the shop
- ☆ Ensure windows including sunroofs are closed

If you leave cash, GPS units, CD's, bank cards, handbags, laptop computers, cash, and mobile telephones in your vehicle you increase the risk of your vehicle being targeted by an offender. Remove valuable items from your vehicle to avoid being a victim of crime.

Remember that preventing crime is everyone's business, by taking a few simple precautions you can make life harder for criminals and protect yourself, your belongings and your home.

Information regarding 'Gophers'

Where can my Gopher be used?

When you are using a gopher you can travel on footpaths, shared paths, in shopping centres, in public places, and across roads.

However, it is illegal to operate a gopher faster than 10km/hr on foot paths, shared paths, and on roads. Travelling faster than 10km/hr is dangerous for you and other pedestrians as there is a risk of more serious injury the faster you travel.

What are the road rules for Gophers?

When using a Gopher you are considered a pedestrian, therefore:

- Keep left unless passing another pedestrian
- Beware of vehicles coming out of driveways
- Show consideration for other pedestrians, especially seniors and people with disabilities
- Travel no faster than the surrounding pedestrians as they may not be able to move out of your way quickly
- When parking your Gopher on footpaths please be considerate to other pedestrians and leave enough room to pass

If the footpath is not suitable or there is no footpath available and you need to travel on the road:

- Always face oncoming traffic, as you're not as visible as a car
- Be aware of traffic movement, signals, and signs
- Watch out for obstructions such as drains, potholes, and people opening car doors when you pass parked cars
- Fit a flag to your gopher to make you more visible
- Take additional care as not all motorists obey the road rules

July Rally: was an awesome day as it wasn't raining for a change! Three groups of riders this day rotating through their lessons. One group were working extra hard to get ready for their C Certificate Assessment on the 16th July. This certificate involves skilled riding, ground horse handling skills, bandaging, rugging, feeding and so much more. The lead line crew all headed out to learn about Cross Country and had some fun 'jumping' over some obstacles.

Welcome: to Jagger, riding Dezi, who came for a visiting rally and got to learn all about pony club.

Congratulations: to Mac, Carly and Jessica on all achieving their 'C' certificates. All the hard work has paid off!! Thank you to Jessamin and all the coaches who helped on this journey.

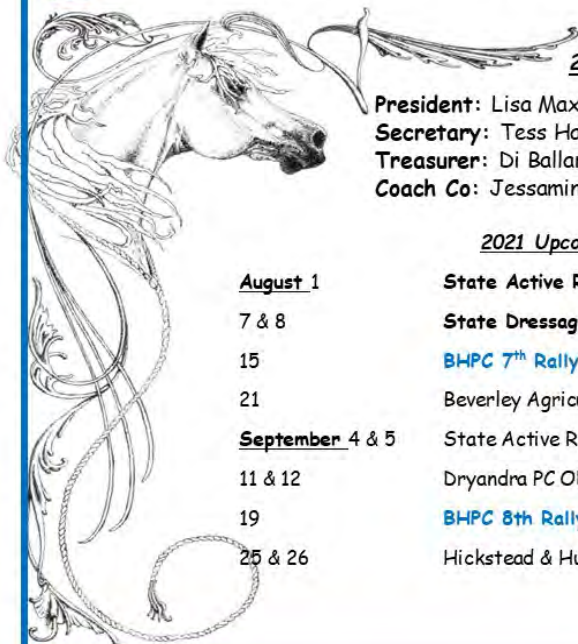

Massive Congratulations: to Carly for being selected onto the National State PPMG Team! Our club couldn't be prouder!
