Beverley Health Advisory Group

At the last Council meeting, the Council was advised that the Local Health Advisory Group (LHAG) is urgently seeking new members for the Committee as current members are retiring. The original volunteers for this group are reaching a point where they feel they have little more to contribute. As a result, LHAG is seeking new members from among our community to serve on **this very important committee as it is the community's opportunity to assist the Health Department and the recently appointed Health Service Manager, Zoe Lear.**

The purpose of this group is summed up in the opening paragraphs of their Terms of Reference.

"The purpose of the Local Health Advisory Group (LHAG) is to provide a forum for:

- Ongoing communication and interaction between WACHS staff and community members;
- Development of workable solutions for local for local health service related issues;
- Provide ongoing information on Health Services to local consumers;
- Partnering with consumers to create a consumer Health System.

The Local Health Advisory Group will advise and support local health service providers in an environment of **co-operation, shared understanding and consensus."**

Whether you are a long standing member of the community or a recent arrival into Beverley and seeking a way to participate in the community, you might give this some thought?

For any further information you might contact Peter Gogol on 0403 822 772 or the HSM, Zoe Lear at the Beverley Hospital on 9646 3200, Sandy Shaw on 0417 703 373.

Vincent Street Streetscape Project

We have now reached the official completion date for the project and over the next twelve months we will be monitoring any issues arising which might require rectification by the contractor. Early indication shows that the project came in very close to budget despite being five months over the expected completion date. Management is to be congratulated for achieving this financial result especially given the pressures of availability of certain materials and increasing cost of product. We would also acknowledge the way the members of the MG Group team, led by Anthony Santella, worked so co-operatively with the community members throughout this very trying period.

The community should also take a bow given the street project was an open construction site with any number of hazards for eleven months and yet everyone took care to ensure their own safety.

It is also very fortunate that this project has now been finished rather than just starting, given the number of issues arising in the economy generally. The main funding programme upon which the Shire drew, Building Better Regions Funding, has now been abolished.

Local Government Reform.

The new minister for local Government, Minister John Carey, initiated a consultation programme soon after the last election where he began a revision of Local Government and reforms he wanted to see occur. The Shire made its submissions through WALGA and the Minister has now commenced issuing directives under which Local Governments must act.

An invitation will soon go out to the community for your feedback on some of these reforms. The main ones revolve around the size of the Council and the best method to achieve those changes. The other concerns Wards but Beverley abolished its three Wards in 2014.

Cr David White

Shire President

SHIRE NOTICES

Annual General Meeting of Electors

Notice is hereby given that the Annual General Meeting of Electors for the 2021/22 financial year will be held in the Cornerstone Community Centre, 141 Vincent Street, Beverley on WEDNESDAY, 7 DECEMBER 2022, commencing at 10:00am.

Order of Business

Adoption of 2021/22 Annual Report

General Business

As per Section 5.5 of the *Local Government Act 1995* copies of the 2021/22 Annual Report are available from the Shire Administration Office, located at 136 Vincent Street Beverley, during normal office hours or on the Shire website.

To enable staff time to adequately research answers to questions, it would be appreciated if such enquires could be lodged at the Shire Office at least seventy two (72) hours prior to the scheduled commencement of the meeting.

STEPHEN P GOLLAN
Chief Executive Officer

Review of System of Representation

The Shire of Beverley is conducting a review of its system of representation and invites public participation in the review. The review is a result of the Local Government Reforms announced by the Minister for Local Government on 20 September 2022 which will see Councillor numbers reduced, based on population.

The number of elected councillors and the current no ward structure will be assessed, though this does not limit the matters that members of the community can raise in relation to the system of representation in the Shire. A discussion paper in addressing numbers and wards is available.

This assessment will take into account the views of the community and outline any other matters that may be considered.

Public Submissions are invited by hand, post or email and must be submitted to the Shire of Beverley at:

Shire of Beverley

PO Box 20

136 Vincent Street

BEVERLEY WA 6304

Email ali.lewis@beverley.wa.gov.au

(if emailing please ensure the subject line states Review of System of Representation)

Submissions must be received no later than 4:00pm Wednesday 7 December 2022.

For further information and a copy of the discussion paper please either contact the Shire Office on 9646 1200 or visit the Shire website.

For Sale – Excess Pavers

The Shire has pavers excess to its needs for sale.

Urbanstone, River Topaz Shotblast Pavers, 400x400x60mm, \$50m²

Urbanstone trafficable concrete pavers, Golden Gunmetal Shotblast, 300x200x70mm, \$50m²

Please call 9646 1200 to arrange payment and pick-up/delivery.

Christmas & New Year Hours

Advance notice is given that the Shire of Beverley Administration Office will close for the Christmas and New Year holiday period at 4pm Thursday 22 December 2022 and reopen on Tuesday 3 January 2023.

Please ensure your licensing requirements are taken care of by 3.30pm Thursday 22 December 2022.

2023 Ordinary Council Meeting Dates

Tuesday 28 February 2023

Tuesday 28 March 2023

Thursday 27 April 2023

Tuesday 23 May 2023

Tuesday 27 June 2023

Tuesday 25 July 2023

Tuesday 22 August 2023

Thursday 27 September 2023

Tuesday 24 October 2023

Tuesday 28 November 2023

Tuesday 19 December 2023

Meetings will commence at 3:00pm in Shire Chambers, 136 Vincent Street, Beverley, unless otherwise advertised.

OPENING SOON

Harvest Bans And Extreme Fire Danger Warnings

No burning whatsoever is permitted on days of HIGH or above FIRE DANGER or where WINDS EXCEED 20 km/hr. Harvest bans and the prohibiting of vehicle movement in paddocks are broadcasted daily on RadioWest and ABC radio.

Dress Standard for Fighting Fires

The minimum standard of dress for ALL persons attending a fire is:

- LONG PANTS
- LONG SLEEVE SHIRT
- BOOTS

Any person not conforming to this standard and not meeting minimum training standards will be requested by the Fire Control Officer to leave the fire ground. If you choose to remain on the ground, it is at your own liability.

Water Bomber Training

Water Bomber reloading training is being held at the Beverley Airfield starting at 9am on Sunday 6th November.

An Air Tractor 802 will land and a training session will be conducted on safely refilling the aircraft with water and foam retardant. The Water Bomber will then take off and do a demonstration drop over the Airfield.

Obviously existing BFB members are usually already busy on the fireground so you are encouraged to approach others who might not wish to directly fight fires but can assist in this vital support role.

To book a place on Nov 6 please text "full name for Water Bomber" to 0427 057 719.

Beverley Historical Society Presidents Report 2022

Welcome to our 2022 AGM. Thank-you and welcome to David White who will step in to Chair the meeting for election of office bearers.

Since the last AGM we went into end of year mode and culminated in our Christmas party which we once again had at White Gum Farm. The restaurant was great and we again enjoyed their hospitality. We then covered up in the Museum and went into recess for the year.

2022 was started with cleanup and then Phil did the floors ready to start the year.

In February we had Kaitlyn Elsgood breeze into town and organise with the school to have an 'Historic Walk' around town with the school children. Various sites in Vincent Street and at the Museum were chosen for a quick history lesson before moving on to the next. Some of our members were involved in Vincent St and others at the Museum where Bruce Denny gave a colourful rendition of the "Hackett Murder". An interesting day had by all.

Covid became a bit of an issue again and we decided to stay closed for March whilst things settled down. Masks had to be worn and precautions adhered to.

We got going in April ready for Easter and a display at the Museum of past owners, lessees and licensees of the Museum building, from hotel to residence and finally our Museum.

In preparation for our 150th birthday of the building Morag organised new name tags for the members, which was very generously paid for by one of our more recent members, Diane Bax-Blechynden from Albany. Thanks to both Morag and Diane.

We received a shire grant this year for digitising our museum collection. Thanks to Di Smith and Morag for doing such a good job on the application and Di for purchasing the equipment after a lot of work went into getting the right equipment for our purposes. Di, Morag and Leonie were then instructed in the use of 'Mosaic' the programme eventually decided on. Thanks to all concerned and to the Shire of Beverley for this grant. Thanks also to Adam, started by Di who had us connected to the NBN to facilitate using the Mosaic Programme. Then along came Vida our newest member who has been putting some of our collection onto Mosaic. Thank-you Vida.

In June we had a visit to Mary Lea Cottage originally owned by Richard Bowyer Smith, now owned by Martin and Janet Eloury. Martin gave us a most interesting tour of their house and out buildings. He has some amazing furniture and knick knacks in every room. They then supplied us with a lovely afternoon tea. We had a terrific afternoon enjoyed by all.

Thanks to Glenys's persistence we had glass replaced in our entry room's cabinet. The new glass a stronger glass better for the purpose. This cabinet now has an Aboriginal display started, with a lovely football jumper donated by the Football Club and beautifully designed by the Henry and Ugle families.

Thanks to Morag once again for her research and members for helping with the Beverley show display. Thanks to Mark and Glenys for transporting the display to and from the Show grounds.

Then came our 150th Anniversary for the Museum building. Everyone rallied to dress and display Mannequins for the Museum and for the Hall display. Thank-you so much as this was part of the bigger 'Spring back to Beverley' weekend. I too had my part and enjoyed researching and displaying 'The Mayors, Chairs and Presidents' Wall of Fame in the Hall. As committee members for the Back to Beverley Glenys and I are very appreciative of the work done by all. But it was the wonderful atmosphere at the Museum on the Sunday to celebrate our 150th that was impressive. The food, the chat, the amount of people coming through for an all-day cuppa that was so wonderful. We had past owners, lessees and residents' family members, of the building invited and present on the day. Also past members of the Beverley Historical Society, were invited, and some were present. The Historical Society members should be proud of the display of food and their manning of the museum that impressed so many people visiting for the weekend. As a bonus, free entry and a cuppa, was rewarded with generous donations all weekend. It is also lovely to see the plaque unveiled by Sally-Ann Hasluck of the Royal WA Historical Society, by

the entrance, proclaiming the wonderful buildings 150 years of being a hotel, residence and finally our terrific Dead Finish Museum.

This year again was a busy year for research, individual enquiries, Police wanting info on their station for 40 years of the current station building, 150-year celebration research that was extensive, and so much more (see attached list). Thanks to all members concerned, led by Morag our chief researcher. Thanks to the Garden Club who continues to tend the Museum Garden so well, especially their busy bee just before Spring Back to Beverley.

It has been a busy year with the return of bus tours of all kinds and caravan clubs wanting to come through our doors. Thanks to everyone for helping on these occasions as the numbers were great. As a result, and with a large number of travellers moving around the state instead of going out of state or overseas and the back to Beverley we have had larger than normal numbers through our door 288 being weekly numbers 119 from bus and caravan visitors and about 230 over the Back to Beverley weekend, making a total of 637 for the year Oct. 2021 to Oct. 2022.

Thank-you to Bill Whitney for auditing the books again this year for the Society.

I would like to thank everyone on a personal note for their help and appreciation especially this year of what I have endeavoured to do for the Society over the last 4 years as President. I have been pleased to help in some small way in an organisation that I enjoy and hope will continue to be a big part of a town that has had such a rich and interesting past. Thanks especially to the office bearers that I have worked with.

Presented to the AGM by Joy Smith

Fri 25th Nov: Kindy Orientation Day #2

Wed 30th Nov: KPP Christmas Concert

Dead Finish Museum Tour

On Tuesday 18th October 2022, the Year 2 class along with Mrs Gollan and parent helpers attended the annual tour of the Dead Finish Museum on Hunt Road in Beverley. This excursion directly links to the Year 2 Curriculum. Our intention is to build strong connections between our students and the local community and its rich history.

During the visit, students were able to experience a number of ways that every day jobs were done in the 'olden days'; from polishing silverware, writing with ink and a nib pen, to washing clothes with a scrubbing board and a tub. They always have a blast dressing up in the exciting 'olden days' clothing available at our local museum.

Beverley District High School wishes to thank the volunteers from the Beverley Historical Society for providing our students with this rich historical experience on an annual basis.

Kaboom Incursion

Monday 17th October saw the whole school kick off Term Four with an incursion from Kaboom Percussion. The students were treated to a performance from Kaboom founders Cat and Josh, who amazed the crowd with amazing beats and music, created from everyday household objects!

Special thanks to Mrs Blechynden for organising this fun incursion for our students. What a BLAST!!

Station News

The Station Garden is available for public use at any time; just open the gates and enjoy!

COVID-19 UPDATE

Please practice good hygiene and physical distancing at all our events, and use the hand sanitiser stations provided. If you are feeling unwell prior to events, please do not attend.

SPRING BACK TO BEVERLEY WEEKEND

A note from Thelma Cluning:

BEVERLEY 6304 - What a great event this was!

The range of artwork exhibited was extremely interesting, appropriate to the rural location and of an impressive standard. Whilst predominantly paintings, there was diversity in the styles, media, scale, and interpretations created by the artists. The obvious appreciation for this exhibition was evident in the comments, engagement and huge numbers of visitors who came through the Station Gallery during the weekend and I am sure locals enjoyed this exhibition which reflected the strengths of their 6304 artisans.

It was fascinating to review the highly complementary nature of the two disciplines - Art and Quilting. The intimate interior space of the gallery contained the artworks and the double doors opened out to the Station platform, where beautifully made, colourful and technically excellent small quilts were exhibited on large black boards. They provided a visual feast, and the fact that the makers were present to talk visitors through process or discuss their craft, was an added bonus.

Thanks to all the participants who entered work, as you made your community proud. Special thanks to the Quilting group who were so supportive of Jan Sherwood and Denise Hales' enthusiasm for participation, and to Ashton Edmonds and the BSA committee for their valued assistance and support.

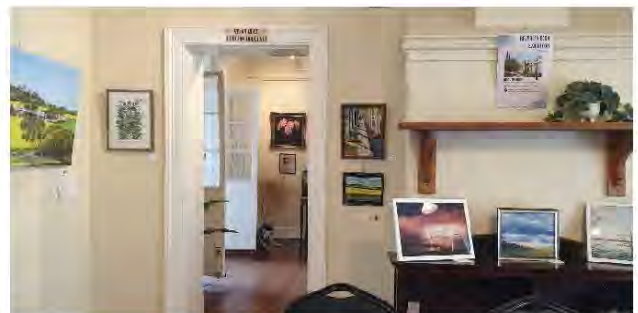

In reflecting on the significance of the 150th Celebrations, the Mosaic Chair (by mosaic artists extraordinaire Carole Patch and Jean Ross) for the Station Arts Precinct, and showcasing the Arts practice of local artisans, September 2022 was highly memorable and a terrific Beverley experience.

Thanks again for the wonderful opportunities the AIR programme provides for others, which is orchestrated by the efforts of an enthusiastic committee of wonderful, generous Beverlians!

We thank you Thelma Cluning (left) for your wonderful enthusiasm in getting the 6304 Exhibition off the ground and ensuring it was such a success. And the pics below demonstrate the results of Thelma's passion for showcasing the efforts of her fellow artisans. Also the final positioning of the amazing mosaic chair made by Carole Patch and Jean Ross of Nannup

(which just may well become our sister art centre!)

STATION ARTS EVENTS for the remainder of '22

December 17: Saturday – FREE Community Christmas Party featuring Yuck Circus, Facepainting, Santa, Huge Hamper Raffle & Carols by Candlelight with BeSASS and the Beverley School Choir

New Gallery Space at the Station

In the coming months you should see movement at the Station as the gallery is extended onto the platform to make way for travelling exhibitions, and more importantly, making space to display our wonderful Shire Collection...some 100 works of art. The architect and builder have been in consultation for some time now and the Covid related excuse is beginning to wear a bit thin, but we will get there in the end!

Meantime, Ashton Edmonds as BSA Arts Administrator, has been choosing works from the Shire collection and hanging them in the corridor of the CRC for visitors to peruse whilst waiting for business to be attended to, or at the library or visitors centre. Take a look when next at the CRC – or you could make time for a special visit!

Update on Beverley Station Arts Membership:

It stands at 50. To receive the most benefit of \$5 discount to all BSA events, become a member NOW! Forms are available at the Station Gallery or via the website www.beverleystationarts.com OR you can phone BSA Treasurer Pauline knight for further information re payments.

BSA committee members nominated at the recent AGM are:

Jenny Broun (president and events coordinator), Marylou Hutchinson (vice president and AiR coordinator), Pauline Knight (treasurer), Ashton Edmonds (secretary and Exhibition secretary), Marlene Willson (Easter markets coordinator), Sarah Miller, Valda Morton, Issy Freeman, James Rodereda, Hazel Martin, Areta Kin.

You may have noticed here that Ashton Edmonds is now on the committee as secretary and has resigned from the paid position of Arts Administrator. This position is now open for EOI.

JOB OPPORTUNITY with Beverley Station Arts Inc.

If you love the arts but also have exceptional business / marketing skills, you can put them to work as an arts administrator and help Beverley Station Arts flourish.

Beverley Station Arts is seeking EXPRESSIONS OF INTEREST for a suitable applicant to work two days per week commencing December 2023. Applicants must have a keen interest in the arts (experience in coordinating events would be ideal), be competent in administration, websites, social media, marketing, and grant applications.

The reputation of Beverley Station Arts as a quality community arts organisation has grown tremendously over the past few years, but to enable it to grow and extend administrative support is vital.

Apply with your resume and cover letter to:
Beverley Station Arts Inc.
PO Box 112, Beverley 6304

Artists-in-Residence at the Station

Artists-in-Residence for October were Trish Davis and Peta Gallagher who commented on how amazing the town looks and congratulate all on the Spring Back to Beverley weekend as the town was still talking about it for the entirety of their stay during the first half of the month. Peta, who is Trish's niece, entrusted her aunt to "air" her mother's paintings not seen since her death ten years ago. They were worth seeing.

During the second half of October Natalie Blom was the AiR and as a photographer felt blessed to find some wildflowers still blooming on the town bush reserves. Whilst in residence Natalie made a "zine" (a self-published unique work of minority interest, usually reproduced via photocopier). The title of her zine is "The Case for the Walking Very Slowly in Nature" – if you are lucky there may be a few copies left at the Gallery!

On Friday evening 21 October Natalie presented a very engaging talk to an appreciative crowd of 15 or so people on her artistic background and the rare experimental photography that has led to the works she has created to date.

Artist-in-Residence for November

John Kaye will be at the Station for the entire month of November. *"John has been artist in residence twice at Beverley Station Gallery, May /June 2019 and August 2020. He recently won York's, Avon Valley Artist Award with "An Evening on Lake Yenyenning". See below pic:*

John looks forward to the next month at Beverley painting and exploring the many opportunities and friendships art creates. He currently has art exhibited in Beverley at the East end Gallery in Beverley and the Flour Mill Emporium York and Plantechnica Galleries in York.

*John has offered to host painting sessions for those interested on **Thursday evenings at 6.30 pm. 0429932521***

Artists-in-Residence for the remainder of 2022

NOV: John Kaye (pictured right)

DEC: 1-14 Adrianna Wasinska-fabian

DEC 15-31 Kelsey Diamond

BeSASS (Beverley Station Arts Singers)

The choir has been meeting **every week on Wednesdays 6.30 – 8.30pm** in the Green Room of the Platform Theatre practicing new songs for the Community Christmas Concert on Saturday 17 December.

Anyone wishing to join the choir of BeSASS please contact Sarah Miller who coordinates the group - Ph: 0427464078. There is no charge - all we ask is that you become a member of Beverley Station Arts by the third week of attending BeSASS.

Beverley Historical Society
Dead Finish Museum
bhsdeadfinish@gmail.com

Beverley Historical Society

What a wonderful two days Beverley had in September for the Spring Back to Beverley.

The Dead Finish Museum was extremely busy with lots of visitors – past and present, it was great to hear positive comments on the Museum.

Thank you to everyone that took the time to visit also the Town Hall where there were more interesting displays.

A big Thank You to all our members plus friends that helped setting up the Museum and Town Hall, Thursday and Friday leading up to the weekend. To the ladies that worked for months on the research again where would we be without you. To the generous people that lent us mannequins to display our lovely clothes that have been stored – thank you, and to the committee and a couple of husbands for the clean up on the Monday – THANKS.

On Tuesday 18th October we had the Annual visit from the BDHS Year 2 class to sample some “olden days” experience. We hand wash and hang them on the line with Dolly pegs, they polish silver, dress up olden style and go to school and write with pen and ink. Again, without volunteers to help the committee we would be lost. Big thanks to those ladies. (Write up in next month’s blarney)

On Monday 10th we held the Annual General Meeting and again thanks to David White for residing the meeting.

President – Glenys Petchell

Vice President – Joy Smith

Secretary- Morag Whitney

Treasurer – Leonie Taylor

Thank you to Joy Smith our outgoing President after 4 years (very big shoes to fill)

Research – Two Requests for information.

1. Luigi Versace was an Italian Migrant who worked in Beverley from about 1927 to 1934. He mostly worked on farms in East Beverley. He was given references by Adam Hope Murray, George Bell and Donald Forbes, who all attested to his good character when he applied for his naturalization in 1932. He was on the Beverley Electoral role in 1934. Does anyone know anything else about Luigi Versace? Where would he have lived?

2. Evelyn M Priest 1909 – 1919 died as a 10-year-old and is buried in the Catholic cemetery. We have been asked if we know anything about her and why her grave is separated from all the others in the cemetery.

If you can help, please tell a member of the Historical Society or email bhsdeadfinish@gmail.com or Phone Morag on 96461541.

Next meeting is Monday 14th November at 1.30p.m. Looking forward to see you all there. Last day Museum is open for the year is Sunday 27th November 11a.m. - 3p.m.

Ideas Team

Is there anything extra, new or different that you would like to see in your monthly blarney?

Is there anything you might like to see a little less of?

As the blarney is a community newspaper, we are looking for ideas from the community to bring fresh, new and interesting things to our blarney readers.

Please feel free to drop ideas into the shire of beverley office or email them to

blarney@beverley.wa.gov.au

Thanks, Corretta

Yarns & Yarns

EVERYONE IS WELCOME FOR A FUN MORNING
OF CRAFTING - EVERYTHING FROM
CROCHETING, KNITTING, SCRAPBOOKING TO
SEWING. JUST BRING YOUR BYO CRAFT
PROJECT AND JOIN US FOR LAUGH AND
MORNING TEA.

Mondays at 10.30am
CRC Cornerstone
Morning tea available \$3

CWA SUPPORTING THE COMMUNITY

The York Festival and school holidays was a good time for CWA to shine. We held two Sock Puppet making workshops which were well attended by 26 children and their parents. What fun and entertaining mornings. Morning tea followed the making of crocodile, unicorn, fairy, belly dancing and numerous other well named puppets.

We also held a cooking morning for teenagers from Calm and Connected in Perth. Scones and veggie fritters were made by the twelve amazing teenagers. They didn't like vegetables till they tried the fritters. Scones with jam and cream and fritters were enjoyed for morning tea. The Men's Shed Group hosted them the next day.

Members are making flowers for the Purple Road Project. Purple represents the colour of age and wisdom and each hand made flower represents someone's story. This project supports older person's rights and provides support when needed.

The CWA building is going to receive a face lift. Application has been made to repaint the front of the building in an approved heritage colour compatible with the CWA colours. Our lovely member Annie Birch has done all the leg work to get the application approved.

At our November Meeting we make our donations and enjoy giving back to local organizations. Thank you to the York community for the support of our projects over the 2022 year.

By Helen Grainger

Take the opportunity to join in gentle activity aimed at general fitness and falls prevention.

Stay Active

with the
Beverley Everlastings

Stay Active is a weekly one-hour keep fit session for those who find gentle aerobic, strength, balance and stretching exercise beneficial to their health.

The exercises are designed for over 50s, but younger participants are welcome. Those less mobile or those recovering from accident and illness also find the exercises useful.

Chair exercises are available and participants can opt to do all or some of these.

Stay Active

Date: Tuesday's

Time: 9:00am

Place: Beverley Recreation Centre

Cost: \$1

Come along for social-distancing fun activity. Stay Active is a volunteer community health program coordinated by the Wheatbelt Health Service

Government of Western Australia
Department of Health

Beverley Quilting Group

We meet on Tuesday's at the Masonic Lodge in the back room. We start at 9.30am and finish at 2.00pm.

\$4 donation per session, and BYO lunch.

Primary Health Services

Available to the community of Beverley

Child Health Nurse - 9690 1320

To make an appointment, Northam Hospital Admin Staff will assist you in setting an appointment time, which will be, on most occasions, a Monday

Northam also provide Child Development Services via referral - 9690 1320

School Health - 9641 0200

Dietetics - 9690 1320

Occupational Therapy - 0429 466 224

Physiotherapy - a doctors referral is required - please send all referrals to PO Box 312 Northam 6401. Clients will be acknowledged with a letter informing them of the approximate wait time.

Podiatry - email: admin@comopodiatry.com.au or call 9450 6200. Attendance is generally a Monday.

If eligible for an EPC Plan which is through referral from a Doctor, Como Podiatry will bulk bill Medicare for a max of 5 sessions per year. Non referral clients are may be eligible to claim Private Health for the \$60 sessions.

A Doctor's referrals are generally faxed to the service provider, Como Podiatry, who contact the patient by phone and make an appointment.

Social Work - Phone 9690 1320

Speech Pathology - 9690 1320

These services are provided by WA Country Health Service and are free of charge. If you have any concerns about your own health or your child's health and development, please phone the relevant health professional to discuss your concerns.

Alternatively, you can speak to the Child Health or School Health Nurse, or your GP, to discuss your concerns and to determine the most appropriate referral.

Beverley Ag Museum

In my absence at the October 15 meeting, John Hawke, Paul & Bob busied themselves with fitting the water pump to the Bedford Truck and giving her a road test, once again we extend our gratitude to Bill for his contribution of remanufacturing an impeller and assembling the water pump with a new seal, your efforts won't be forgotten.

Previously it was decided to move the C30 International Truck to a better location (away from the door) before recommencing with its restoration, with only 3 pairs of hands I would think much effort was put into this, naturally I am looking forward to our next meeting (when I will be back on two legs) to view their efforts myself.

John entertained four visitors that morning, one couple sharing their liked experiences of Ag machinery having made a special visit from the Byford Museum, they were very impressed by our collection. The other couple were locals and he had previously worked at Avondale Farm for many years, John had also worked under the previous lessee at the farm so they would have found much 'common ground' to chat about.

Although I was unable to attend that day, I was lucky enough to show two groups of visitors around the collection on the first Sunday of the month, having met a couple from Hobart at the Visitors Centre with 'like-minded' interests the day before, it is always good to 'wave the flag' for our community.

Our next meeting (and Museum opening) will be on Saturday November 20th.

If you would like further information about our activities, feel free to contact me at 9646 0768.

John Alexander ---- Volunteer.

Who's been out and about

Certificate: Congratulations to Sasha Doyle for achieving her E certificate, Soraya Doyle and Mia Farr for achieving their D certificates, Ruth Elsegood and Sera & Claire James for achieving their D* certificates.

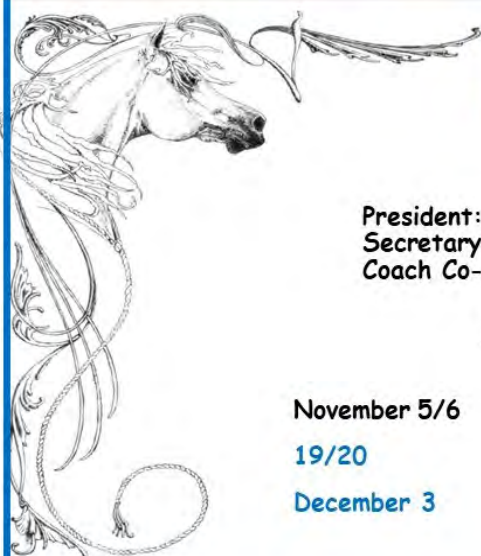

Pony Club WA State Eventing Championships: was held at Murray Pony Club on the 8th & 9th October. Carly Ballantyne, riding Jazz, competed at the 95cm. She finished up in 2nd place in a class of 14 riders after clear XC & SJ round. Fantastic results!

Pony Club Australian International Showjumping: Congratulations to Carly Ballantyne for being selected onto the Australian Team!

Pony Club Australia PPMG Nationals: a clean sweep! The Open WA PPMG Team and the Junior WA PPMG Team both placed 1st at the Australian Nationals at Murrumbateman. Go WA!!!! What an amazing experience for Mac and Carly Ballantyne to represent WA in a national event. Our club could not be prouder!

19/20

December 3

Hickstead State Championships at Dardanup HPC

Beverley HPC Tetrathlon & Equathon at Beverley HPC

Beverley HPC Wind Up and Presentations @ Whitegum Farm

With a new Chairperson and a couple of new committee Members we start the new year for our Sub Centre with lots of new ideas and a lot of enthusiasm for our small group.

After his accident back in August, which put him in hospital for some weeks, it was great to see Peter walk through the doors on Tuesday night at training, Welcome back Peter!

Firstly we bid a big welcome to our newest Volunteers Amanda, Ian & Chad, who have started what we hope a long and successful association with St John Ambulance Beverley. It is very warming to have some young blood join us. Jodie joined awhile ago and has brought a breath of fresh air to our group.

Wallace is also new to Beverley travelling up from Perth to attend training nights and will come and spend a couple of days in Beverley to help man our ambulances should they be needed. The enthusiasm shown by our new volunteers spur our longer standing members along as well. This is wonderful for our town to have a number of new volunteers.

Training for Volunteers is held on the 1st & 3rd Tuesday of each month, if you would like to join us please contact Jenny on 0407 461371 to come along and see what becoming a volunteer entails. It can be most rewarding and sometimes fun.

Lionel, Ian, & Chad checking out the Copuls, & seeing how it works.

Start of Training getting organized to check out the Corpuls

BEVERLEY MEDICAL PRACTICE

Providing excellent quality health care to the community of Beverley and the surrounding areas for over 30yrs

Practice News!!

Osteoporosis solutions

HOW DENSE ARE YOUR BONES?

The Osteoporosis solutions Van will be visiting the Beverley Medical Practice from Thursday 17th November – Friday 18th November 2022

One in two women and one in three men will develop osteoporosis in their lifetime.

Bone density testing is the ONLY way to detect and diagnose low bone density.

Patients over 70 years and those that qualify for a Medicare rebate are eligible for a (Bulk Billed) free scan with a GP referral. Ask your Doctor about a Bone Density test TODAY.

The Beverley Medical Practice is committed to providing quality health services to Beverley and surrounding areas. As part of our commitment to the community we support and assist up and coming medical health professionals. We have a number of student GP's attending clinics both onsite and virtually. These Student GP's are from Notre Dame, UWA and Curtin University. If you are interested in assisting us by allowing one of our students to sit in on your consult or attend a virtual clinic over the phone, please let our staff know.

Care outside normal opening hours - When the Beverley Medical Practice is closed you can always get medical attention by calling-Ready Care 1800 225 523 or Calling health direct 1800 222 222 or by attending the Beverley District Hospital, located in Sewell Street Beverley where experienced staff will triage the patient and contact the on-call Doctor
For all Emergencies call 000

**Located behind the Beverley Medical Practice Cullen House

BEVERLEY COMMUNITY GARDEN

FUNDRAISING RECYCLE PICKUP

If you have any plastic or glass bottles or cans to be recycled, please consider donating them to your Community Garden.

We will pick them up from you if you ring us.

Betty 0400 569 971

Maureen 0429 460 073

Dorothy 0429 989 031.

The Beverley Shire and Friends of the Dale River have been working together in developing and installing Informative signage, picnic facilities and walk trails at the Dale River Reserve situated off Deep Pool Rd, Dale.

The 42ha A Class Reserve has been undergoing restoration and revegetation work for over a decade after the formation of the Friends of the Dale River Group and with the vital support of the Beverley Shire.

Abundant birdlife and seasonal wildflowers can be found at this secluded and tranquil oasis on the Dale River.

Anyone interested in joining the Friends of the Dale River Group please contact Linley – Ph 0429953800 or email lin.mick@bigpond.com.

Friends of the Dale River will be holding their AGM followed by an end of year get together/BBQ on Sunday 4th December at 3pm at Reserve Pool. BYO chair, food and drinks. All welcome!

TREE & GARDEN SOCIETY

Beverley Garden & Tree Society

Another annual Beverley Rose show and quilting exhibition is over and was successful despite adverse weather conditions reducing the amount of roses in bloom and a plague of aphids. Thank you to our wonderful community members who swung into action to ensure there were enough roses to provide a fragrant and colourful show. You can view the results elsewhere in the Blarney.

The Beverley Tree and Garden Society and the Community Market would like to thank our generous donors without whose support we would not be able to continue to hold this event. The donors include Avon Trading, Beverley Supermarket and Liquor, E Squire Contracting, Gaenor Carter, Brian and Geraldine Faithfull, the Johnson family, Trevor and Amanda McLean, Bunnings Northam, York Co-op, Mal Fleay, Beverley Post, News and Gifts, Lee Storer and Diane Colebrook. Mention must also be made of the many volunteers, including those from the Beverley Mens Shed who assisted with the myriad tasks required with setting up, running the event and cleaning up afterwards. Thank you all.

The winners of the raffles were as follows; 1st prize (Garden cart and contents) Leita Barrett-Lennard, 2nd prize (Arched mirror) Kerry.

Also the multiple prize raffle; 1st Marion, 2nd Leonie, 3rd Mon, 4th Viv Doncon, 5th Dawn, 6th Marjorie, 7th Linley, 8th Viv, 9th Mon, 10th Vicki.

Members please note that the next meeting will be held on Monday the 7th of November and will include the AGM. Meeting will be held at the Dead Finish Museum at 10.30am. Lunch for our senior members will be held at the CWA rooms on Tuesday the 15th of November. Please arrive in time for a 12 noon luncheon.

BEVERLEY C.W.A

Well, I can't believe it's November already, doesn't time fly. The ladies at the C.W.A have had a couple of weeks rest but now are back into it.

On the 25th of October, we held the Kings Park Fashion. Check next months C.W.A notes for all the gossip and photos of the day.

We are also holding a Christmas Raffle again this year, so we are busily getting all the wonderful prizes together. We will be holding the raffle on the 15th, 16th, and 17th of December at the Lions Kiosk. So come along and have a look at all the wonderful prizes that you could possibly win. On Saturday the 17th of December, as well as the raffle, we will be holding a cake stall, for those who would like some home baked goodies. So for a chance to win and get some delicious home backed goodies then be sure to come and see the ladies on these days.

Looking for a gift idea? Why not the trusty C.W.A Cookbook. We also have the scone cookbook. Just let us know if you would like one, call Pat Hambly on 9646 1481.

Scone Cookbook \$10.00

CWA Cookbook \$30.00

The next meeting will be held on the 16th November, morning tea at 9.30am and meeting starts at 10.00am.

Until the next time, stay safe and enjoy the warmer weather.

1. **Goosebumps are meant to ward off predators.** They caused our ancestors to appear bigger than they were, helping to ward off predators when they were frightened.
2. **There's no such thing as "pear cider."** "Cider" is an alcoholic beverage made from fermented apples, and only apples. Alcoholic beverages can be made from pears, but that drink is known as "perry."
3. **The feeling of getting lost inside a shopping centre is known as the Gruen transfer.** Officially known as the "Gruen transfer," this phenomenon was named after Austrian architect Victor Gruen, who identified how an intentionally confusing layout could lead to consumers spending more time and money in a shopping venue (though he would later disavow the approach).
4. **The wood frog can hold its pee for up to eight months.** The urine actually helps keep the animal alive while it hibernates, with special microbes in their gut that recycle the urea (urine's main waste) into nitrogen.
5. **You lose up to 30 percent of your taste buds during flight.** According to a 2010 study, the dryness experienced at a high elevation as well as low pressure reduces the sensitivity of a person's taste buds to sweet and salty foods by about 30 percent. Add that dry cabin air affects our ability to smell, and our ability to taste is reduced further.

AGRICULTURAL SOCIETY INC

A Legacy of opportunity for Regional WA

The Mt Burdett Rural and Regional Advancement Foundation is part of the inspiring Mt Burdett Foundation legacy that the late Chris Reichstein set up and will now be taking applications for funding.

With a focus on building the capacity of early – mid career people in WA's rural and regional communities throughout WA, the Rural and Regional Advancement Foundation (RRAF) is looking to provide funding to support people wanting to build upon their own skills to make a difference in their regional and/or rural community. "Chris was passionate about helping create an enduring impact in WA's regional communities, after his own positive experience in the Community Builders program many years ago," says Erin Gorter, RRAF Chair.

The Mt Burdett Foundation's mission is to enrich and empower rural and regional Western Australia, by investing in people to build skills, confidence, opportunity, and leadership. Through RRAF, there are now opportunities for people across WA's regions to apply for funding to make Chris' dream a reality. Individuals or groups across our state can now put forward proposals to show what they want to do to super-charge early-mid career people (or a person) in their community or across communities.

The Rural and Regional Advancement Foundation is now accepting Individual Applications and Group Project Applications from all regional areas throughout WA. Applications are not restricted to farming, and not just for those with careers that are based on tertiary qualifications. Passion and vision for their local community is what RRAF is looking for, no matter what the vocation.

For further information, please visit www.mtburdettfoundation.org.au or email executiveofficer@mtburdettfoundation.org.au

The 2022/23 season begun on October 9th with a lovely afternoon of Social tennis. Our patron Keith Murray formally opened the season by sending down a few aces.

A reminder that memberships are completed online this year. Please use this link <https://play.tennis.com.au/beverleylawntenniscub> and follow the prompts for membership and registration. If you are registering a family, there is the option to add additional members after the first registration is completed. We will have our computer at the club on Sundays, so if anyone is having problems we can help with the process.

Junior coaching and ladies tennis are in full swing with great numbers attending both programs. The future of the club is looking strong with the upcoming stars we are seeing at Sunday coaching.

WARRIOR WELLBEING ARTICLE

Cardiovascular Awareness - How's Your Pump and Pipes?

BY THE REGIONAL MEN'S HEALTH INITIATIVE
November 2022

It's no surprise that when we combine disease associated with the *heart* (pump) and *blood vessels* (pipes) it's our biggest killer, largest health problem, and places a great burden on our economy and health system. This of course is without even considering the issues around grief, loss of function and care requirements that can also impact individuals and families.

Cardiovascular Disease (CVD) is a major cause of death in our country. It kills one Aussie every 12 minutes and is responsible for causing one in four (26%) of all deaths. Someone is hospitalised for CVD every minute and those living in regional and remote areas, generally have higher rates of death from CVD than other Australians (Heart Foundation Aust).

Why Pump and Pipes? If we think about a pump moving water through a series of pipes, over time sediment can slowly build up and slow the flow of water or even cause a blockage. Most blokes would understand this would result in the pump having to work harder which can cause it to eventually fail or blow a hose.

This is no different to coronary heart disease which occurs through the build-up of fatty deposits (plaque) in the arteries that feed the heart. Narrowing reduces the supply of blood and oxygen to our heart and if this becomes too narrow it can cause angina (pain/discomfort in chest) or if a blood clot causes a complete block, then this can cause a heart attack. This is similar to when a clot occurs in blood vessels to the brain causing a stroke.

Warning signs for a heart attack may include a single or a combination of symptoms such as pain, heaviness or tightness in one or more areas of the upper body, shortness of breath, dizziness or a cold sweat.

If you think someone's having a stroke the Stroke Foundation has come up with an easy to remember checklist referred to as **FAST**:

- **Face** – Has their mouth dropped?
- **Arm** – Can they lift both arms?
- **Speech** – Is it slurred, can they understand you?
- **Time** – Is critical, call 000 immediately.

Factors that contribute to CVD include family history (which we can't change) but some of the other risks we can manage by making healthy lifestyle choices are:

- don't smoke;
- maintain a healthy diet;
- do regular exercise;
- reduce our alcohol intake (take a couple of days off a week);
- monitor our body weight;
- moderate our salt, sugar & fat intake; and
- look after our mental health & wellbeing.

It's important we acknowledge that a lot of CVD is preventable, however it's essential that we understand our individual risk factors that may impact on us developing diseases associated with our heart and blood vessels. The onset of other health issues such as diabetes, obesity, even erectile dysfunction can be an indicator that our pump and pipes could be under pressure.

So, just remember like any good piece of machinery, there are some basic *Operating Tips* to keep things running at optimal performance!

*Gauge your guts - Regulate your risks - Move more -
Make a service visit... Talk with your GP*

 @RMHL4blokes

 Working with Warriors Podcast

 regionalmenshealth.com.au

November is Lung Cancer Awareness Month

Did you know?

- Lung cancer is the third most common cancer affecting both women and men in Western Australia.
- In 2017, 637 Western Australian men and 472 Western Australian women were diagnosed with lung cancer.

Common symptoms of lung cancer include:

- Coughing or spitting up blood (once or more)

Or, for more than four weeks:

- A new cough or change to your usual cough
- Repeated chest infections
- Becoming more short of breath, tired or lacking energy
- Losing weight without trying
- Pain in your chest or shoulder
- Finding it hard to breathe or swallow
- Not feeling hungry.

If you have coughed up blood, even if it was just once, it's important to tell your doctor, clinic nurse or Aboriginal health worker straight away.

If you have had any of the other symptoms for more than four weeks, tell your doctor, clinic nurse or health worker. It doesn't mean you've got lung cancer – often these symptoms turn out to be something less serious. But it's important to tell your health professional and get checked out to be safe.

If it is lung cancer, the earlier it's found, the earlier it can be treated.

Sid's message – 'Slip Slop Slap Seek and Slide' It's National Skin Cancer Action Week 21st – 27th November and with two in three Australians diagnosed with skin cancer by age 70, the action week is an important reminder to use sun protection and of the importance of early skin cancer detection for all Australians as we make our way into summer. It's important to use the five forms of sun protection:

Slip on sun-protective clothing,

Slop on SPF30 (or higher) broad-spectrum, water-resistant sunscreen,

Slap on a broad-brimmed hat,

Seek shade,

Slide on sunglasses.

A combination of these measures, along with getting to know your skin and regularly checking for any changes are the keys to reducing your skin cancer risk. Find out more about being SunSmart at [SunSmart - Cancer Council WA \(cancerwa.asn.au\)](http://SunSmart - Cancer Council WA (cancerwa.asn.au))

Your monthly guide to pests, weeds & diseases

November 2022

Bee swarms – creating a buzz

European honey bee swarms resting on tree branches. Photo credit: **left:** Karl Dewar, photos sent via MyPestGuide® (Report ID 395150) **Right:** John Botha (report via PaDIS).

Why do bees swarm?

Swarming is a natural process for European honey bees (*Apis mellifera*) and forms part of their reproductive life cycle. Honey bee colonies are stimulated to increase their numbers in response to increasing day length, warmer weather and increased availability of nectar and pollen. As a beehive becomes overcrowded, the queen bee and hundreds of worker bees will leave the hive and go in search of a new home. This bee 'swarm' will often remain in the area for a short period before moving some distance and resettling as a tight cluster of bees. Bees then scout for an appropriate nest site, which the swarm will move to and inhabit.

The parent colony will have prepared for this division and raised multiple queen cells from which one will mate and establish as the new queen for the colony.

What do I do if I come across a bee swarm?

Don't panic! If the swarm is still flying, keep your distance. Once clustered, the swarm is usually placid and unlikely to show aggressive behaviour if left undisturbed. Avoid interfering with the swarm if

you're not experienced in its collection or destruction.

Report swarms of bees found near marine ports, airports or domestic freight terminals to the Department of Primary Industries and Regional Development. These will be screened for biosecurity concerns such as new (exotic) bee species, pests, and diseases.

If a bee swarm settles at your property and doesn't move on, you can arrange to have it removed by either contacting a swarm collector or licenced pest controller. The Western Australian Apiarists' Society (WAAS) lists swarm collectors on their website (waas.org.au/swarms), whilst other contacts can be advertised online, in community directories or newspapers, noticeboards or advertised on social media community groups.

Bee swarms located on public or private lands, or establishing in above or below-ground infrastructure (e.g. Telstra pits), should be reported directly to the respective land or infrastructure manager.

To find more information on bees, please visit our website agric.wa.gov.au and search 'bees'.

MARGORY YOUNG VETERANS WINNER	Yvonne Hobbs

The Beverley golf club would like to thank all the sponsors for the ladies events throughout the golf season.

We appreciate your support. Thankyou to all the Lady golfers this year for your support to Valda and I. We have enjoyed this season and we are looking forward to next season. Valda and I would also like to thank our President Darrell Hagan for his wonderful support. Cheers Jane Murray (captain)

It has been a busy month at the CRC with tourists flocking to town for wildflower season, mental health week, the COVID 19 vaccination van in town and school holidays!

OCTOBER EVENTS

World Mental Health Day was on 10 October. The CRC held programs over the week of 8-15 October to raise awareness of Mental Health Week. These mental health workshops were held thanks to the Wheatbelt Suicide Prevention Program and Holyoake.

Gratitude wall, Green Pins and library display

You might have seen Jaime and Alyssa at the Lions Kiosk on the 10 October 2022, creating a community gratitude wall. We had our lots of our local residents write something that they were grateful for, and yes, bacon did make the list! Thank you to everyone that took 5 minutes out of their day to be involved. A special thank you to Beverley Post, News and Gift for collaborating and handing out the green pins for mental health week, your contribution is greatly appreciated. The local library had a display with take home information and contact numbers for anyone wanting further information of where to seek help. We still have packs available at the CRC if you would like to collect one.

Arts and Crafts Club

For term 4 of 2022 we put together another session of arts and crafts club. The group made bat puppets from paper plates in spirit of Halloween. There is one more session for this year on the 14 November, and we are making balloon art!

No Scaredy Cats Program

We ran our last two sessions of the No Scaredy Cats programs. Thank you to Margy and Janine from WANSLEA and Parenting Connection for coming to Beverley to host the 4 sessions and thank you to everyone who participated in the program.

School Holiday Clay Pots

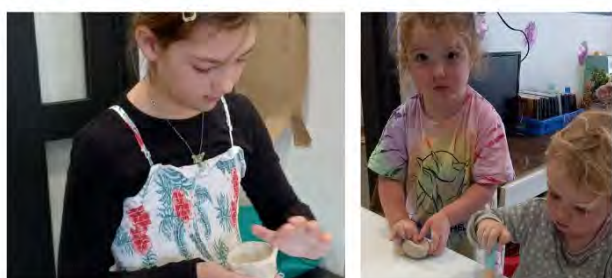

The school holidays workshop saw an enthusiastic group of kids creating clay pinch pots, at the CRC. It was great to see all the kids get their hands messy and have some fun creating art. They shaped the clay, baked the clay and then decorated with glitter. We hope all the kids had a great time and enjoyed their creations.

COVID 19 Walk in Vaccine Clinic

This month we were visited by the Roll up for WA, walk-in clinic. Thank you to the crew for including Beverley.

Emergency Relief Food Hampers

If you are experiencing hard times, the CRC is a distribution point for emergency relief food hampers from Foodbank. A form will need to be completed with proof of address, but please feel free to talk to one of our staff for further information.
