SHIRE OF BEVERLEY PRESIDENT'S REPORT

New Election Regulations for Local Governments

With Local Government elections coming up in October, it is important that we understand the changes to the system of voting. Unfortunately, it seems the legislation has been designed to make it as complicated as possible going from a simple 'first-past-the-post' to Optional Preferential Voting.

Optional Preferential Voting

You can still vote for as many or as few candidates as you wish BUT IF you wish to vote for more than one candidate YOU MUST NUMBER THE BOXES of the candidates for whom you are voting. DO NOT USE CROSSES, TICKS, OR ANY OTHER MARK. If you do, your vote will be invalid. If you do not know any candidate you are not compelled to cast a vote for them. EXAMPLE:

Annual Beverley Show

Despite the many setbacks and hitches experienced by the Show Committee, the day turned out to be a success. Perfect weather and any number of attractions making it one of the busier days. Congratulations to President Mick Martin, the Committee, and all the volunteers who made it work.

Local Roads

Comments and questions have been received about the work on many of the roads since the storm in March and an apparent lack of progress to repair them.

The damage caused by the storm was indeed significant and in totality, beyond the resources of the Shire of Beverley. While urgent repairs have been carried out to at least make the roads safe, they have not been repaired to a suitable standard so please drive with caution. An application to DFES to have our region declared a catastrophic event was made and it has taken some time to have the Department make that declaration. Now that it has been made, a contractor has been engaged to assess the total damage in order that it might be costed. Once it has been costed, tenders can then be let to enable the selection of a contractor to make the repairs. This might seem to be an inordinately complex process for such urgent work and the Shire has been very frustrated by the slow progress throughout.

As stated earlier, at an estimated cost of \$3,000,000, this is beyond the capacity of the Shire and the external funding is crucial.

In the meantime, our regular maintenance programme is now playing catch-up allowing for the time given to making many of the damaged sections suitable and reasonably safe for the public. While this is very frustrating for everyone, working through the process has been even more frustrating for Shire staff to try and gain the funds due to the Shire under the storm declaration process. *Why in this country do we have to make everything so hard to achieve?*

Camp Quality
WESCARPADE

Thank You **BEVERLEY**

Graham and myself would love to thank everyone in Beverley who has been kind enough to donate to Camp Quality over the past several months. At the time of writing this Thomas has raised \$10,199 for Camp Quality. With a bit of luck we will raise a bit more before we head off on our journey which starts at Newdegate on October 13th.

Our journey for this year called "The road less travelled" will see us start in Newdegate then head to Norseman, Esperance, Ravensthorpe, Albany, Nannup, Walpole and finish in Bunbury. During the trek we will be visiting several schools and community centers handing out goodies and helping the Camp Quality Puppets give educational talks and shows.

What is WesCarpade?

WesCarpade is an 8 day driving event through regional Western Australia. Teams fundraise with ALL monies donated going directly to Camp Quality here in Western Australia.

Camp quality brings positivity, fun and laughter back into the lives of kids facing cancer. They are there for the children and their families, from the heart-breaking news of cancer diagnosis, through every step of the experience.

Their programs and services help families build optimism and resilience through community, education and fun.

To help Mon and Graham you can still donate online below

scan the QR code

or leave a donation at Beverley Post Office

Sponsorship packages are still available come and talk to Mon for more info.

WHAT WE HAVE BEEN UP TO...

RURAL AND REGIONAL AFFAIRS

In the month of August, Beverley welcomed Rural and Regional Affairs who held a hearing addressing issues and concerns of the local community. This was in regard to the lack of regional banks and the burden put of communities because of banking. There was great community support and attendance which was fantastic to see.

WBN CLUSTER MEETING

Alyssa and Sam headed to Corrigin for the August WBN CRC cluster meeting. This was a great opportunity for our new content creation service to be promoted. We shared our program with the network who can assist with wider service promotion! If you or your business are interested in content creation and would like to find out more you can contact Alyssa on 9646 1600 or visit our website beverleycrc.net/content-creation.

THANK YOU VAL

This month the CRC had the honour of holding a thank you morning tea for a loved community member and CRC committee member, Val. She has spent many years selflessly volunteering her time and efforts for many clubs and community groups. Thank you from the staff and committee of the Beverley Community Resource Centre, you will be dearly missed, we wish you all the best.

ART & CRAFT CLUB

Our August Art & Craft session was a blast! The children had the time of their lives creating salt paintings. Salt is hygroscopic, which means it can absorb both liquid and water vapor in the air. This fun activity is a great way to learn more about absorption while creating beautiful masterpieces. September 18, we will be making clay bowls/plates - we look forward to seeing our Art and Craft members there!

KIDSAFE SYMPOSIUM

This month Jaime attended the Kidsafe Symposium in Northam promoting children's safety and how to prevent unintentional childhood injuries. Throughout this workshop, Jaime learnt about families living in a workplace, like most families in the Wheatbelt, and the dangers that can occur. Jaime has taken away many great teachable ideas from this experience to share with our local community.

Textured Wall Art Workshop

Textured paint and sip workshop is for adults and it will be guided by local artist, Marion Luck. You'll be learning techniques to create your own masterpiece while sipping on your favourite beverage.

LOCAL GOVERNMENT ELECTIONS 2023

Local Government Elections are scheduled to be held on Saturday 21 October 2023, subject to the date of The Voice Referendum.

This year the WA Electoral Commission will be looking after the Shire of Beverley's Election and it will be held as a postal election.

The Shire will have three vacancies, all being four year terms.

If you are interested in becoming a Councillor we suggest getting in contact with one of our current Councillors, attending a Council meeting or visiting the Department of Local Government website <https://www.dlgsc.wa.gov.au/local-government/local-governments/council-elections>

To be a Councillor, you would be involved in running an organisation with the responsibility of attending meetings to make decisions that have a major impact on our lifestyle. As a representative of your community you will hopefully find the role enjoyable, challenging and stimulating with involvement in matters as diverse as strategic planning, the environment, financial planning, town planning and roads.

Subject to the Referendum date, nominations will open on 31 August 2023 and close at 4:00pm sharp on 7 September 2023.

The WA Electoral commission will advertise the nomination details. Please keep an eye on The West Australian newspaper, Shire of Beverley website and Shire of Beverley Facebook.

**LOCAL GOVERNMENT ORDINARY ELECTION
CALL FOR NOMINATIONS
Shire of Beverley**

An Ordinary Postal Election will be held on Saturday, 21 October 2023 in the Shire of Beverley to fill the following vacancies:

District

3 Councillors

4 year terms

Nominations Open on Thursday, 31 August 2023

Nominations Close at 4:00pm Thursday, 7 September 2023

Nominations must be lodged with the Returning Officer:

- at any time during the above period by arrangement; or
- between 2:00pm and 4:00pm Thursday, 7 September 2023 (close of nominations) at the Shire of Beverley, 136 Vincent Street, BEVERLEY.

Nominations Requirements

Candidates are required to lodge with the Returning Officer:

- a completed nomination in the prescribed form, signed and witnessed. This form is available from the Returning Officer or the Western Australian Electoral Commission (www.elections.wa.gov.au);
- a single A4 page profile of not more than 1,000 characters (including spaces) containing information about the candidate;
- a nomination deposit of \$100 (cash, EFT, bank cheque or postal order);
- a recent passport-sized photograph (optional);
- every candidate must have completed the online course titled *Local Government Candidate Induction*, available at www.dlgsc.wa.gov.au, prior to nominating; and
- (optional) in addition to your A4 profile, you may provide additional information that you consider to be relevant to your candidature. This written statement must be not more than 2,000 characters (including spaces), must be in the English language and is for publication on the local government's official website.

The Commission has developed an online system called Nomination Builder to assist candidates to complete their nomination form which includes the candidate profile. This is the preferred method of completing the nomination form and profile for elections conducted by the Commission. Candidates complete their nomination details and profile, print the completed form which has a reference number allocated and lodge it with the Returning Officer. The nomination builder can be accessed via www.elections.wa.gov.au.

You cannot use Nomination Builder to prepare the additional information.

Where an agent lodges a nomination on a candidate's behalf, it must be in the prescribed form with a written authorisation signed by the candidate.

The documents may be hand delivered or posted to the Returning Officer and must be received by the close of nominations.

Information

Full details about eligibility and nomination procedures for prospective candidates can be obtained by contacting the Returning Officer, **Natalie ASHWORTH** on 0476 817 885 or the Western Australian Electoral Commission on 13 63 06.

Year 2/3 Class, Local Area Excursion

The Year 2/3's have been learning about the important jobs that volunteers do in our community, engaging in discussion about the significant impact you can have by having a positive active role in your community. So, to further their understanding, on Friday the 4th of August they embarked on an adventure around Beverley to visit our local emergency personnel.

The first stop was at the Beverley St John W.A sub center where they were met by Linda, Chad and Steve. The students had lots of questions about the different ambulance volunteer roles and the ambulance. Excitement peaked, not when the sirens went off, but when they got to explore the sub center and found Annie in the drawer! They were also relieved to find out that if in the event that their leg was ever chopped off, the 'chopper' would arrive, not to chop off the other leg, but to fly them to hospital. We then swapped gifts, cards for hearts and lollipops and were on our way.

Not far down the road we reached the Beverley Volunteer Fire Brigade, where there was a barrage of questions and interest about the white fire truck. The students were intrigued to find out that the white trucks are for bush fires, they were also surprised that there were many tools and equipment stored inside the fire truck, not just water. With questions firing from all directions the Fire Fighters did what they do best and acted quickly by allowing each student to test the fire hose. With the scene now under control and some wet on-lookers, thanks to our Fire Fighters in training, it was time to move to our next destination.

On our way across town, we engaged in road safety talk and discussed why it is important to check before you cross the railway line even if the lights aren't flashing.

Don't forget to follow us on Facebook!

www.beverleydhs.wa.edu.au Phone: 96462500

Our last stop was at the Police Station where we met with Senior Constable Rab, who promoted all students to junior officers, before they could enter the station. Once inside we were given the tour of the interrogation room and the old holding cells. When the students were asked if they knew how to become a police officer, one student gave the brilliant answer of "Run really fast and catch the robbers!"

We exited the cells and decided it was too spacious outside, so we tested our claustrophobic coping levels by seeing how many Year 2/3's can fit in the back of a Police wagon, if you're wondering it was 15! After testing the speakers and lights on the vehicle and assuring Senior Constable Rab that they would be enrolling into the Police Academy soon, it was time to head back to school.

This excursion not only gave our students valuable knowledge on how and where to access our local emergency services if they need but, they also gained a deeper respect and understanding for what these valuable community members do to keep us all safe.

To our local Ambulance, Fire and Police members **THANK YOU** for everything you do!! **Year 2/3**

BEVERLEY HISTORICAL SOCIETY

Beverley Historical Society
Dead Finish Museum

bhs@deadfinish@gmail.com

The Beverley Agricultural Show was on the weekend and the weather was perfect. Once again, such a day cannot be a successful with the Committee and volunteers, finished off with a wonderful display of fireworks.

The next fortnight is very busy for us at the Museum with 4 Tour buses and the annual visit of the Year 2s.

We have had a request if anyone knows Mr C. Mathison who they believed lived in Beverley at some time, unfortunately they don't have much information except they have got DNA and are trying to research their history. It would be appreciated if anyone has knowledge of him can you please contact the Beverley Historical Society and we can pass it on.

The Historical Society have had the 1946 Beverley Book reprinted and are now available at the Museum. Hardcover copies are \$40 (green) (which we have to have more done but you can go on waiting list) and Softcover copies are \$30 (red)

If you have interest in Local History and would like to join us, please feel free to contact the Historical Society or come and sit in on a meeting.

Next meeting is Monday 11th September at 1.30p.m. followed by afternoon tea.

Beverley Ag Museum

With the upcoming Annual Beverley Agricultural Show our membership agreed to put together some items to exhibit from the Beverley Shire Machinery Museum collection located at Avondale Farm in Waterhatch Road. And like all displays there is always some planning involved, so instead of our usual '3rd Saturday of the month' meeting and opening to the public, we decided to meet up on the Saturday August 12 and prepare the equipment for Transporting into town the day before the Show.

And while Bob, Paul and the 'two John's' were busy sorting, cleaning and loading the items of interest, Kevin, Bill and Ralph focused their efforts on our Field Marshall Tractor that has not been started for several years now, Ralph brought in a good second hand fuel line to replace the cracked one, and together they cleaned the decompressor valve which was stuck solid, but alas time and energy took its toll, so on our next visit on Saturday September 16 we shall look forward to further progress being made.

Our day at the Show on August 19 drew much interest from many people, especially towards the David Brown Market Garden Tractor with its unique mechanical set up, naturally many heads were seen looking under the bonnet of the J Series 3 Ton Bedford and one lady gave us an insight into how the 'Rope maker' worked. Our team were pleased to have been able to share some of our past Wheatbelt Farming examples with the public.

A big thank you to the Ag Society for accepting us back after many years of absence, also to the Beverley Shire for organising the 'Permit' for the Truck to drive there (even with a now noticeable miss fire), naturally many thanks to Bob & Paul for spending their time and effort preparing everything, and to John Hawke for the use of his Car Trailer, but most of all thank you to the Public for their many smiles and words of encouragement, hopefully we will be back again next year with even more from our vast collection to display.

If you want to know more about our group or would like to visit the Museum, feel free to call John on 9646 0768.

TREE & GARDEN SOCIETY

BEVERLEY TREE & GARDEN SOCIETY

Tim and Kerry's home was a lovely venue for the August meeting with Kerry supplying delicious scones with jam and cream. We had a guided tour of the very interesting garden prior to the meeting which was well attended. Linley acknowledged the sad loss of our member Kathleen Ferguson whose cheery personality will be sadly missed. The annual lunch for our senior members was also well attended and we thank the CWA ladies for doing a great job in setting up the hall and cleaning up afterwards. The musicians were unable to entertain us but I'm sure they will make up for that next year.

The focus of most of the meeting was firmly on the annual display at the Beverley Agricultural Show and we will endeavour to echo this year's theme of "Educate & Innovate – the Rural Way".

The ROSE SHOW is also on our minds and hopefully on any rose growers minds too. We have settled on Friday the 27th of October as the date due to the very cold winter and hope to have a great many entries. Aphids are already infesting some plants so please keep a good eye out for them and treat them quickly in whatever method you prefer.

The next meeting will be replaced by a visit to Clive Nicholls' garden at 10.30am on Tuesday the 5th of September. Please bring a chair and cup/mug. There will be a busy bee at the Dead Finish garden prior to the meeting so please come along at 9am if you are able to assist.

September is the beginning of spring and time to get ready for the warmer days ahead. It's a great time to plant pretty much anything and undertake an outdoor spring clean. There's lots to do in the garden but don't get overwhelmed; just aim to do a little each week and you'll have it under control in no time.

Top tips for Planting in September:

- Plant seeds for flowers and vegetables for summer
- Fertilise strawberries to encourage a bumper crop
- Get weeds under control
- Apply a slow-release lawn food to all grassed areas
- Use a metal rake to remove any build-up of thatch
- If looking a bit sparse – reseed or returf bare areas of the lawn
- Increase watering of potted plants as the weather warms up
- Apply a slow-release fertiliser to all potted plants
- Tidy up ornamental grasses to promote new growth
- Fertilise all plants and lawns as growth resumes
- Prune hibiscus and also prune plants that flowered in winter and early spring
- Plant herbs such as parsley, mint, coriander, and oregano
- Renew mulch on garden beds – cover the soil with compost and then cover with a layer of mulch
- Watch for pests on new growth such as aphids and snails. Aphids can be squashed or treated.
- Snails and slugs can be trapped or deterred
- Repot potted plants that are root bound
- Divide herbaceous clumping plants as new growth resumes
- Dead head spring annuals and bulbs.

BEVERLEY MEN'S SHED

There would be only a very small percentage of people living in or around the Beverley area who would not have noticed the cold this winter, so with this in mind our 'Wood Crew' at your local Men's Shed have stepped up production of Fire Wood supplies to help serve our communities needs and pay for our ever increasing (but essential) insurance policy, a big thank you to the local private land owners for their assistance with supply from fallen trees and branches, the guys who give up their time freely to cut and split the wood and last but not least those who purchase from us, you are not only supporting your Men's Shed but the Social welfare of its members and without you our efforts would be fruitless, and yes we still have wood in reserve for those who may still be feeling the last effects of winter or want to stock up early just in case 'global winter warming' passes us by again next year.

And while we were out humming a popular 'Monty Python' tune, (something to do with Lumber Jacks, although our feet are kept firmly on the ground) the local electrician was attending to our outdated Fusebox and fitting more outlets for us, thanks to Karl and his employees---the Cheque is in the mail, after we sell some more wood haha.

For all wood sale enquiries please ring Graeme on 0407 445 363.

Although many of our membership are entering the 'winter' of their lives or maybe physically challenged, we are a tight knit unit and those 'that can' will always assist those 'that can't', and along life's journey into our twilight years it is encouraging to know that the members of our Shed 'have got your back'. The sharing of 'life's experiences' (or chewing the fat) over a cuppa is encouraged (and so it should be) in our group, but when called upon by our community to assist we will always do our very best to help.

The Raffle results from 'Bob's Raffle' held at the Beverley Ag Society Show were: -

First prize of \$100.00 won by Gina, Second prize of \$50.00 with Denette's ticket being drawn, Third prize, \$25.00 was scooped up by Leon and the Mystery prize went to John, with proceeds going evenly towards our Men's Shed and the Royal Flying Doctors Service. As always, a big thank you to all the volunteers that helped Bob on the day, and naturally all those who supported our ticket sales.

Naturally the Men's Shed members would like to wish all the Dad's, Granddad's and Great Granddad's out there a very Happy father's Day.

We meet up on Tuesday mornings at the old fire station on the corner of Jutland Parade and Vincent Street and are always happy to share a cuppa and a chat, and for more details please ring Bob on 0429 441 263

Beverley Community Garden

Hi from the Beverley Community Garden,

It was an amazingly bright and sunny day for the Beverley Agricultural Show, which was very well attended.

We would like to proudly announce that the garden's produce in this year's Beverley Agricultural Show, did receive some awards.

5 First Prizes and 2 second Prizes

Thank you Heather, for the wonderful display you created, for the Beverley Community Garden's display in the Beverley Show. Your attention to detail in collating all the images, laminating and in designing the display, were just delightful.

Thank you Cliff and Vivian for helping to attach the display to the wall, greatly appreciated. Thank you Murray and Pat Pepper for helping Betty pick and sort our selections for the Show, the presentation of our vegetables was well thought-out and looked very pleasing to the eye, both in color and design.

A quiet clap to Vivian for sorting out all the calendulas. Thank you Cliff and Betty for all those extra things you do in the background that make our Beverley Garden stand up there with the best.

Currenty we have an amazing array of winter vegetables and herbs for sale at \$10/basket. Please do come and visit. Once you have sampled our produce, and taste the nutrient dense food that mother nature gives us when a garden receives nurturing and attention to detail, we receive this abundance of food in return.

A very big thank you to all the volunteers off the BCG for your hard work and dedication, all year round, in maintaining the garden to such a high standard and in managing our recycling operation.

See you all at the 2024 Beverley Agricultural Show.

Beverley District Health Service: Keith C. celebrated his birthday in fashionable style this year at the Alex Miles Lodge among good friends, on the 19/07/2023. An afternoon tea and birthday cake were provided, compliments of our wonderful kitchen staff, and the Hospital and Alex Miles Lodge Residents joined in the celebrations. We were also joined by some of the local Footy Club members which made this a very special birthday indeed.

Beverley District Health Service: *It's show time!*

Representing the Beverley Hospital and Alex Miles Lodge at the Beverley show was 'Zoe' (*Health Services Manager & Director of Nursing*), 'Eva & Louise' (*Nurses*) and Poppy (*Volunteer for the day*), thank you to these wonderful people for your dedication and support.

Keith C. and Marylyn also joined the team, enjoying a lovely warm sunny day out. We will see you all again, next year! Watch this Space!

Thank You 

The Beverley Ag Society would like to thank absolutely everyone who was involved in the 2023 Show on August 19th. From the Volunteers who helped set up, who provided food, who travelled distances to collect things, who helped run the day, the bar, the office, to our very much appreciated sponsors who support us year in year out, to the stall holders/exhibitors and the attendees, the committee, the people who entered livestock or exhibition shed entries, and the volunteers who helped pack everything away on Sunday - our show would not happen without each and every one of you: so from the bottom of the Ag Societies heart, thank you and we hope you had a wonderful day.

BEVERLEY HISTORIC MOTORCYCLE RACE

Motorcycles first appeared in 1901 at the same day of the Beverley to Perth Cycle Race and followed some hour after the scratch push bike rider left.

The League of WA wheelmen decided in June 1904 to have a Motorcycle race over the same 116 mile course starting 2 hours after the cyclist race in July of that year. The full story is available at the Dead Finish Museum.

The Vintage Motorcycle Club of WA have each year been over the past 30 years honouring those brave motorcyclists by riding as a re-enactment over a similar course.

The machines used by the current riders are of manufacture prior to 1931 and will be on display at the Beverley Men's Shed on Sunday 10th of September from 9am till 10am when they will then set off towards York, Toodyay, and Mundaring.

Can you help?

Good morning,
I am Sara Dominici an Italian student looking for information about her great-grandfather who was a prisoner of war in Australia.
Thanks to the 'Finding Nonno' network and the valuable information forwarded to me by Joanne Tapiolas we found out that during his years of captivity he lived with a family who had a farm and worked for them.

Unfortunately we don't have much information about this farm, except for the location (Beverley Blarney) and a photo that Great Grandpa sent to my grandmother.
Joanne advised me to write to you because perhaps by publishing the photo in the paper, it will be possible to trace the family of this lovely couple.
I attach the photo and give you the name of my great-grandfather: Rinaldo Dominici.

We would be delighted if you could help us find them. For any further information, I remain at your disposal via sdominici12@gmail.com.

Best regards,
Sara Dominici & Family

LOCAL HEALTH ADVISORY GOUP BEVERLEY HEALTH SURVEY

Recently a survey being conducted by the Local Health Advisory Group (LHAG Beverley) was sent to the residents of Beverley, This health survey has been designed to assist us developing an informed approach to giving advise on the health situation in our community. The information will be collated by health experts and used by the health department and the shire in future planning initiatives. We are asking you to take the time to fill this form out and drop it of the Shire office, CRC or Beverley Pharmacy, so that we can assist in providing the future health needs of our community. Additional forms if required are available at the drop off points.

COVID Vaccines - as the Beverley community have been outstanding with their responsibility to attending for all their recommended doses, and with our commitment to reduce wastage and maximise doses we are now maintaining a waiting list for those who may need a further vaccination. This has been due to the logistics of ordering and storing the vaccine in the rural area, please check in for our next vaccination day.

Remember the best way to avoid COVID is to ensure you are vaccinated, wash your hands frequently with soap and water for 20 seconds, use alcohol - based hand sanitiser, cover your cough and sneezes dispose of your tissues and wash your hands after, wear a mask and physical distancing, stay home, and follow the health direct rules if you have symptoms.

The Beverley Medical Practice is committed to providing quality health services to Beverley and surrounding areas. As part of our commitment to the community we support and assist up and coming medical health professionals. We have a number of student GP's attending clinics both onsite and virtually. These Student GP's are from Notre Dame, UWA and Curtin University. If you are interested in assisting us by allowing one of our students to sit in on your consult or attend a virtual clinic over the phone, please let our staff know. You may also advise staff if you would prefer not to have them in attendance.

Care outside normal opening hours - When the Beverley Medical Practice is closed you can always get medical attention by calling Ready Care 1800 225 523 or Calling health direct 1800 222 222 or by attending the Beverley District Hospital, located in Sewell Street Beverley where experienced staff will triage the patient and contact the on-call Doctor

ST JOHN AMBULANCE BEVERLEY SUB CENTRE

The Beverley Agricultural Show has come and gone for another year. We hope that you all enjoyed the beautiful day that it was. This year we teamed up with the Beverley Hospital to combine our stalls, and if you found the time to visit, I'm sure you found out some very useful information regarding the workings of the Beverley Hospital, the booklet they had was very informative for all. Our SJA show bags proved a hit once again, hopefully your children haven't driven you mad with the 'clappers'.

Our Crews were kept busy on Show Day being called to attend call outs in the Community as well as man the stall at the Show. Well done to all of them to manage to do it all. You are one awesome group of people and Beverley are so lucky to have you.

Thank you once again to those that supported our raffle, or purchased a First Aid Kit. Raffle winners: 1st Prize Pat | 2nd Prize: Kris | 3rd Prize: David Bell | 4th Prize: Pat Hambly All prize winners have received their prizes.

If you still need a First Aid Kit for your home or car or work vehicle please call in to the Sub Centre on a Tuesday or Friday from 9am-2pm and Jo will be only too happy to help you.

Do you have Ambulance cover? This may seem a silly question but please don't assume if you have Private Health cover, it covers you for all Ambulance trips. Check with your Health Benefit Fund and ask the question 'Am I covered for all ambulance trips?' You may be surprised with the answer you get.

Training is still ticking along very well with crew skill learning each fortnight. The attendance at training has been outstanding this year and we are well on track to cover all our requirements on time before the end of the year. It's amazing the enticement of coffee and biscuits can do!

Steve is off to Northam to start his EMR Course at the end of August all the best Steve.

Ian & Chad have completed their EMA course and are now qualified as Emergency Medical Assistants. Congratulations to you both.

Peter & Sue have over the last few weeks checked all the AED's in Beverley and replaced some batteries and pads. This can be long job checking that they are all in good working order. For our small town we have 14 to check. Thanks Peter and Sue.

Peter & Jenny attended the SJA Sundowner in Perth on the 17th both being awarded their 3rd & 4th Service Bar, this is for over 30 years Voluntary Service to SJA. Congratulations. Hopefully we will have a couple of photos for next month's Blarney.

The Sub Centre Annual Review Meeting was held on Tuesday 22nd August and we have some new faces on the Committee.

WARRIOR WELLBEING ARTICLE

Getting Into the Driver's Seat – It's Our Health

BY THE REGIONAL MEN'S HEALTH INITIATIVE
September 2023

Empowering men to take responsibility for their wellbeing and health, that's our core focus here at The Regional Men's Health Initiative. We do this in light of the adverse statistics that represent men's health in general and the notion that for a large proportion of men developing their health knowledge is not seen as a priority. This fits with men having a more functional view of their health i.e. not seeking help until we are virtually physically impaired by the problem. We often challenge men on these points but what does it really mean as a bloke to take responsibility for his own wellbeing and health?

As blokes we take responsibility and make a lot of informed decisions throughout our lives, on a variety of things such as family, work and social issues. Why then should decisions about our wellbeing and health be any different?

Too many blokes are running into trouble because we keep avoiding and putting off looking after our wellbeing and health. Just being a passive participant is not good enough, we need to be the one in the driver's seat in all areas of our health be it physical, mental or social/spiritual.

Taking responsibility for our wellbeing and health means becoming an active and informed healthcare consumer. It means scheduling regular service visits with our doctor and being aware of issues that affect us at certain stages of our lives, such as the potential for prostate problems as we get older. We also need to consider issues that could be common in our families (hereditary) and discuss these with the doctor. It's a bit of a generalisation but how many of us guys rely on our wives or partners for our health when it comes to

our diet i.e. what food is in the house and what we eat for dinner?

Remember that it's not our wife's, mate's or doctor's wellbeing and health, it's ours. Good wellbeing and health can only happen if and when we as blokes take responsibility!

While taking charge is important it doesn't mean we have to go it alone, we all need help sometimes. From a community educator and support worker perspective, this often means our role involves walking beside someone helping to establish relevant pathways of support. It could also be simply listening to and validating people's issues and accompanying emotions. We see it as, walking beside the ute with the window down but not hopping in, it's your ride, you are the one in the driver's seat!

Our key message ... *before it at all gets too much...* Talk to a Mate®!! requires us to take some responsibility in that it's important we identify who our mates are so that when the shit hits the fan (and it does happen) we have a plan in place to address things.

Wherever you live and whatever the size of your backyard, you can help protect WA's agriculture, forests, and natural ecosystems into the future.

The Department of Primary Industries and Regional Development's (DPIRD's) Biosecurity Blitz is back in 2023, with a special focus on reporting backyard pests and diseases.

The Biosecurity Blitz aims to protect Western Australia's backyards and agricultural industries from an increasing number of exotic threats, such as the recent incursions of polyphagous shot-hole borer (PSHB), myrtle rust and Queensland fruit fly (Qfly).

By checking your backyard for pests and diseases and reporting what you find, you'll learn about these organisms, help protect your garden, regional biodiversity and the local food and nursery industries in Western Australia.

Every report helps!

Your report helps to increase the likelihood that serious pests and diseases will be detected early, providing the best opportunity to eradicate or contain them.

If your report turns out to be a common pest, that data may be used to support WA's export trade.

Look – snap – report

This year the Biosecurity Blitz runs from 16 October to 16 November – that's 31 days to look for, take a photo, and send in a report of every pest and disease in your backyard.

To participate in the Blitz:

- register at agric.wa.gov.au/biosecurity-blitz
- download the free MyPestGuide® Reporter app
- check your backyard for pests and diseases.
- take photos of any pests or disease signs you find
- report using the app or online at mypestguide.agric.wa.gov.au

Every report gets a response

Let's see what's in your backyard! You will receive a response to your report and a weekly email with pest identification, information on priority plant pests and activities you can do in your backyard.

Report your observations

INTAKE NOW OPEN

Heavy Duty Mechanical Apprenticeships Merredin, Mukinbudin, Cunderdin & Corrigin

The opportunity

Our annual apprentice intake is currently open, offering 4-year Heavy Duty Mechanical Apprenticeships for commencement in February 2024. The apprenticeships will be based at the Hutton & Northey Sales branches of Merredin, Mukinbudin, Cunderdin & Corrigin.

The role

During your apprenticeship you will learn to diagnose, troubleshoot, examine, test & repair a range of heavy-duty machinery and equipment with industry leading technologies

The position

The apprenticeships are full-time and fully paid, providing the opportunity to gain hands on experience in the industry, and qualifying in a Certificate III in Agricultural Machinery Technology.

As part of your specific qualification training, each year you will be enrolled in three, two-week TAFE training blocks at an accredited TAFE training institution off site. We also offer ongoing upskilling and training into your employment to keep pace with rapidly changing technology in the industry.

Additionally, our experienced technicians will provide guidance and support you in your training and learning.

The next step

Please email your covering letter and resume to hr@hutnorsales.com.au with:

- Licences you have (eg: drivers, forklift)
- Certificates completed (eg: Cert II in Automotive)
- School Reports from your last 2 years of education (with comments)

Call Kaiden Trunfio on **0429 449 017** for further information. Intake closes 30 September, 2023.

SEND US YOUR CV & WE'LL TAKE YOU TO THE TOP!

BEVERLEY HISTORICAL SOCIETY presents

The Harper Fence

The system of using smaller branches to slot between posts to create a simple fence was devised by Charles Harper, a Beverley landowner later MLA. The fence used no nails or precision woodworking.

HARPER FENCES - IN THE NEWS

Beverley Times, Saturday 2 March 1918,

Mr. J. M. Craig wrote asking for permission to erect a Harper fence to connect with fence on new deviation to allow his sheep to travel under culvert to water. The request was granted under certain specified conditions.

Beverley Times, Friday 18 December 1931

DESTRUCTION OF FEED.

Mr. T. H. Jackson sustained some serious loss as a result of the fire which came on to his property on Saturday, December 5th. Altogether 400 acres of feed was destroyed in addition to 1½ miles of Harper fencing. The orchard suffered severely and about 18 acres of crop was spoilt. The house was saved except for some slight damage but the sheep pens adjacent were burnt. Damage sustained was only partly covered by insurance.

Beverley Times, Friday 2 February 1945

Fencing and Feed Destroyed at Roesland

Much of the old Harper fence bordering the main road at Messrs F & H Blechynden's Roesland property some three miles from Beverley, as well as about 30 acres of feed, were destroyed as a result of a fire which broke out after the passing of a train on Wednesday last. Lit between the railway line and the main road the flames jumped the roadway under the influence of a strong easterly and made rapid progress until checked by firefighters.

Beverley Times, Thursday 24 December 1959

St Mary's Stained-Glass Window

The window represents the Apostles' Creed in a series of nine medallions.

1) I believe in God the Father Almighty, maker of heaven and earth, and in Jesus Christ, His only Son, our Lord.

A hand represents the Father; the sun and the moon, the stars and the sea are shown in the spandrels. On a background of St. Paul's Church, with Mrs. Adamson's grave, and of Haisthorpe, with its original Harper fence and paddocked sheep, the Son is shown as the youthful Good Shepherd.

Beverley Times, Friday 10 August 1962

Extract from Frank Lodge's Journal

Eastern end of the property consisting of the 2000 acres afterwards sold to me was entirely fenced with jam timber fences called "Harper" fences from Mr. Charles Harper of Woodbridge, Guildford. They were composed of two upright posts wired together, placed at intervals of about 6 feet, and small timber laid horizontally between them. This was used as a horse paddock.

COVID-19 UPDATE - Please practice good hygiene and physical distancing at all our events, and use the hand sanitiser stations provided. If you are feeling unwell prior to events, please do not attend.

Artists-in-Residence at the Station

Artists-in-Residence during August:

Meg Bradford-Seeley enjoyed her two weeks at the Station and though held no official workshops, was able to give a one-on-one watercolour session with Kylie who found it very informative. It's great to see the Artists in Residence extend their knowledge so freely. Below pic shows Meg (middle) explaining the watercolour technique she practices in her botanical art to Issy Freeman (right) and friend Danielle (left).

Mid-August saw the arrival of Di Drachenberg and Jo Taylor as AiR - just in time to judge the art section at the Beverley Ag Show! And it's worth noting that they were very impressed at the skills of our local artists. We thank Di and Jo whole-heartedly for giving their time so willingly for a job that can be hard to find qualified judges.

Above left is AiR Di Drachenberg working on a lino cut; and (right) AiR Jo Taylor working on a plein air sketch.

Artist-in-Residence during September

This month we welcome Carolina Furque who is an Argentinean photographer currently based in Broome. She has exhibited widely in Argentina, Chile, France, Cambodia, Thailand, Netherlands, and Australia. She has travelled extensively and also participated in many art residencies including France, Vietnam, Iceland, Greenland, Russia, USA, Fiji and Australia; and her photographs have been incorporated into numerous collections throughout the world. Whilst in Beverley, she will be using her camera to interact with individuals and the community, thus sharing her art practice of photography by portraying the locals she meets. She aims to portray a highly inclusive selection of Beverley locals, including the Ballardong people and the recent migrants from East Africa and South East Asia.

So...would you like your black and white portrait made by an international artist? If so, drop into the Station to meet Carolina who will be working on a number of projects during September and would love to take your photo. Too busy to swing by the Station to make an appointment? Then contact us at BSA (admin@beverleystationarts.com); or Carolina to be part of the project:

OPEN BORDERS WA REGIONAL VISUAL ARTS SUMMIT

As a contributor to the current review of the Regional Exhibition Touring Strategy, Beverley Station Arts was invited to attend the 2023 WA Regional Visual Arts Summit, August 10 -13. Jenny Broun and Marylou Hutchinson were fortunate to be included in this jam-packed conference centred around social, cultural and economical activity in the regions. There were informative curator and artist talks held at both John Curtin Gallery and UWA Lawrence Wilson Gallery, discussions on working interculturally, collaborative programming, artist pitch sessions, and venue pitches - including Beverley Station Gallery!

The Summit was linked to the Regional Arts Triennial 'Open Borders' survey exhibition at John Curtin Gallery, which showcased a compelling cross section of regional WA contemporary art practice. Of the 146 artworks from 12 regions, just 40 were chosen to be exhibited which best conveyed the theme of borders relating to the COVID-19 pandemic when WA was cut off and isolated from the rest of the world. Amazing works. It would be great to have Beverley represented at the next regional Arts Triennial in 2026.

WA SHOWCASE 2023: The Interchange

Run by CircuitWest (touring, teaching, advocating and supporting arts), Showcase is one event not to be missed on the annual calendar as networking with other presenters is invaluable. This year it was held at the beginning of August and was attended by Hazel Martin and Jenny Broun for its entirety (four days) and one day by Issy and Adam Freeman. From captivating speeches to interactive workshops and exchange of ideas, this year's conference was fun and enlightening as we try to rekindle the flame with audiences who left us during COVID - 15% stopped attending arts and cultural events during COVID and haven't returned!

Despite this, WA artists and producers pitched some great pre-views of performing arts both ready to tour and still being created. See below pic...

Yes, that's our Hazel, true to form hamming it up as an astronaut out to save the solar system! She's actually trying out a new audioplay 'Sun Runners' by Windmill Theatre Co which kids of all ages can enjoy. Amongst other shows, we hope to incorporate this production into next year's calendar of events. Our problem as far as programming goes, is what to choose from these high quality events. We're spoilt for choice but are with limited months in the year in which to show them. BSA remains committed to curating and presenting quality arts and cultural experiences for our community. We aim to be fully inclusive and are always happy to answer any questions/suggestions you may have re events. Contact admin@beverleystationarts.com

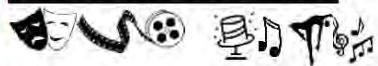

BeSASS (Beverley Station Arts Singers) is a FREE community choir which continues to meet weekly on **WEDNESDAYS** for around an hour and a half from **6pm** in the Green Room of the Platform Theatre. Kelly Shaw and Jo Sims share the role of Musical Director and have the choir members (15 so far) motivated to sing their hearts out, with or without musical accompanist, at our annual Choir Muster on 16 September.

The number of absentees at practice due to viral sickness, has meant the choir performance at the Frail Aged Lodge being deferred to a later date.

Anyone wishing to join the choir of BeSASS please contact Hazel Martin who coordinates the group - Ph: 0438 843 333. There is no charge - all we ask is that you become a member of Beverley Station Arts (\$30/year) by the third week of attending BeSASS.

ORIENTEERING
WESTERN AUSTRALIA

FOR RELEASE WEEK COMMENCING 8TH SEPTEMBER 2023

Orienteering WA

PO Box 234, Subiaco 6904

Do you want to exercise your body AND your brain? Try something different?

Come along to Orienteering WA's next bush event at Umuna farm, off Luptons Rd near Beverley on Sunday 17th September. Register online until 5pm the day prior, or on the day from 9.30 to 10.30am at the caravan.

Orienteering is a map reading SPORT where participants have to find their way around a course marked on a map in as short a time as possible. There are various levels and lengths of courses at every event – 'have a go'.

The 'thought sport' is suitable for children from 7 years old, elite athletes and mature aged people up to 80 – a sport for all ages and abilities! Come and have fun with friends and family. Compete individually or in groups – walking or running.

If you want to try something different and see new areas on many Sundays, check out Orienteering WA's full programme of 'events' on the web site at www.wa.orienteering.asn.au and just come along – no experience or equipment necessary – briefing given to newcomers.

For more information, call Helen on 0409 889944.

BEVERLEY JUNIOR SPORT

JUNIOR HOCKEY

Our junior hockey season has come to an end. This was Beverley's second year competing in the Avon Hockey Association, against kids who have been playing for years and also much older. The Beverley team comprised of Year 2 to 7 players against teams who were made up of mostly Year 5 and 6's.

The scoreboard unfortunately did not reflect the determination and skills our Beverley kids have learnt over the past two years under the watchful eye of coach Kelly Mann. The time and effort Kelly has put into every training session and on game day is amazing. We are so lucky to have her coach our kids with so much passion and her continual positive vibes.

The team should be incredibly proud in how far they came this year. We can't wait to see what they can do next year.

SPECIAL *moment*

We saw 2 special moments this year with some parents and kids representing Beverley in hockey on the same day.

Jenifer Petchell and her two sons Jacob and Hayden.

Carissa Shaw and her two children, Noah and Sienna

BEVERLEY JUNIOR SPORT

NEU-TECH CUP AT CORRIGIN

On the 30th July, we saw our Auskick and Junior Footballers travel to Corrigin for the annual Neutech Cup. It was great to see Beverley being able to take two teams over this year as our football numbers continue to grow. The Neutech Cup attracts many towns, which allows our kids to play against other towns they wouldn't normally, plus it allows our kids to get more game time.

The competition was tough this year for the older boys. Under the expertise of Brett Shaw, they finished 2nd in their division and 4th overall. A great outcome as our team was much younger than most.

Our young (and little) Auskick team played their hardest against some tall opposition. The skills they have learnt with coaches Charlie Horrocks and Stuart Murray over the season came through with great tackling, kicking and goals. This competition is a great introduction to football for our young players. Well done to Corrigin for a well run event.

Congratulations to Tate Doncon and Hamish Tonkin on winning the coaches awards for your teams.

BEVERLEY JUNIOR SPORT

JUNIOR NETBALL AND FOOTBALL

The last fixtured game of the season was played on a cold day in Cunderdin.

Well done to all the players a great year, to the parents who travelled some big distances to allow their children to play and a massive shout out to the coaches and umpires who make sure the kids can play. We all need to give a huge thank you to our coordinators who have worked behind the scenes to make sure the games are able to be played on the weekends.

Well done to all our juniors who played their last junior game for Beverley. We look forward in seeing you wearing the red and black in the senior games in the future.

Beverley Horse and Pony Club

Congratulations!!: This year Pony Club WA are hosting the 2023 National Championships and our small wheatbelt club has four riders selected for this amazing event. Our club is super proud to announce:

- * **Carly Ballantyne** selected for Junior Eventing & Showjumping
- * **Emily Maxwell** selected for Senior Tetrathlon
- * **Jessica Maxwell** selected for Junior Tetrathlon
- * **Ruth Elsegood** selected for Sub Junior Tetrathlon

Certificate: **Trinity Matthews** gave up her birthday celebrations to attend a pony club assessment day and achieved her C certificate. Well done Trinity!

Who's been out and about

Active Riding Qualifier: On the 5th August our Junior PPMG team of Reuben Wegner, Mia Farr and Ruth Elsegood, joined forces with a Murray PC rider to compete in this competition. Mac Ballantyne rode in the Seniors in a composite team with Avon Valley.

August Rally: This was a small rally with two groups of riders, coached by Tess Hawke and Marie Hammond. The groups were kept extremely busy refining their dressage skills, showjumping design, rules and riding with straightness and rhythm, then off on the Cross Country course to put it all together in a very open space! Great day with fantastic riders!

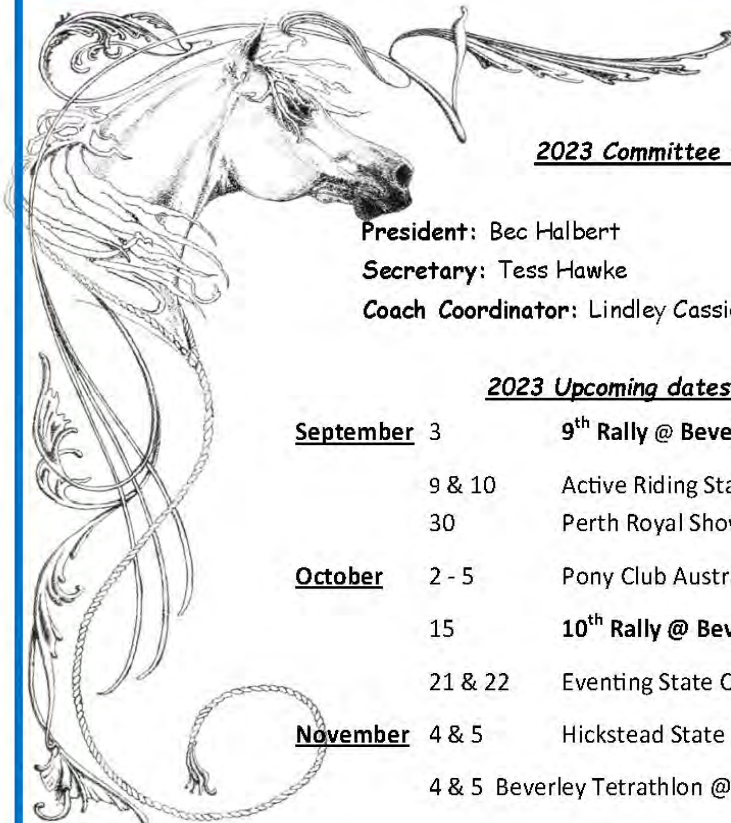

Beverley Ag Society Show: Jess Martin and Ruth Elsegood both entered in the equestrian events and have a fantastic day with gorgeous sashes and garlands!!

Beverley Netball Club

End of the season ladder saw Boomers slip down to 5th and miss out on playing in finals for the first season since joining the Northam Netball Association. Boomerangs finished on top of the Junior B grade ladder so earned a double shot at making the grand final.

On the 12th August the Boomerangs played the Qualifying final.

Everyone was talking about how nerve racking the Matilda's were last night, but for the Boomerangs we had already experienced that in the morning.

We played the qualifying final and Speedy Sharks came out firing and our girls were a little stunned, but going into the last quarter 6 points down the girls were adamant they were not going to miss the Beverley Show to play in the preliminary final. They clawed their way back and eventually took the lead with maybe 2mins left on the clock and came away 1 point winners.

Congratulations girls. They have made it into the Grand Final on 26th August.

On Sunday 13th August the Boomerangs travelled to the Belmont Netball Association for their carnival today and played 5 games. While they didn't finish on top they learned a lot and got a lot of training out of it.

They were even voted by their opponents as the team showing the best spirit and even went and supported our own little NetSetGo player Zara Copping who (along with Amelia) played for Silver Stars and Silver Majestics.

Well done girls.

A massive thank you goes out to the Beverley Community who donated to our club after the show bags van didn't make it to the show. Manning the van at the show has been our major fundraiser for years and we have been blown away by the generosity of our wonderful town and we can't thank Michael "Prickle" Hill enough for spearheading this.

Thank you.
