SHIRE OF BEVERLEY PRESIDENT'S REPORT

New Election Regulations for Local Governments

With Local Government elections coming up on 21st of October, it is important that we understand the changes to the system of voting. The new system is by Optional Preferential Voting.

Under this new system, you can still vote for as many or as few candidates as you wish BUT IF you wish to vote for more than one candidate YOU MUST NUMBER THE BOXES of the candidates for whom you are voting. DO NOT USE CROSSES, TICKS, OR ANY OTHER MARK. If you do, your vote will be invalid. If you do not know any candidate you are not compelled to cast a vote for them.

This election will be by Postal Vote only. You should already have your Postal Vote. The Shire Office will be open on Saturday 21st October but Electors' may choose to post their papers back to the Electoral Commission or hand deliver them to the Shire office at any time, up to and including Polling Day. The Shire office will be open to receive votes on Polling Day, Saturday 21st from 8:00 am to 6:00 pm.

Local Government Convention

The Annual Local Government Convention was held in Perth from Sunday 17th September until Tuesday 19th September. Organised by the Western Australian Local Government Association its aim is to bring Local Government Councillors and senior staff together to hear of ideas and developments through which Local Governments might assess their programmes in their respective communities. One of the highlights was an informative presentation on the new development in social media; namely, CHATGPT. The power of this programme is already being used widely with 110 million people accessing it in its first two months of its launch. Its application seems unlimited and I am sure many of the techno savvy members of Beverley are already across this?

Both the Premier, the Hon. Roger Cook and the Federal Minister for Local Government the Hon. Kristy McBain addressed the convention but sadly their speeches contained more in the way of motherhood statements than messages of substance. Many delegates were expecting matters of substance in these times of economic uncertainty.

Upcoming matters.

- ☆ A new Disability Access and Inclusion Plan (DAIP) for 2023 – 2028 is being developed. A community survey will be conducted on this plan and copies of the survey form will be available from the Shire office.
- ☆ Submissions are invited for the leasing of seven reserves for cropping for the three years commencing 1st April 2024. Submissions close at 4pm, Tuesday 31st October 2023. Forms are available from the Shire office or the shire website.
- ☆ Shire is progressing a grant application for the first stage of the swimming pool redevelopment. If successful, a new loan will be raised for \$1 million to complete the funding for this project. Short of something catastrophic, this will be the last substantial loan raised by the Shire for some years.
- ☆ Regarding the swimming pool, season passes are available from the Shire for the summer season.
- ☆ The new 22 seat Community Bus that was ordered some months ago and promised for delivery in October, has been delayed. From the last information received (20th September), we have been advised that the bus is in production in October and should be delivered in late November, early December? So, I suppose we should hope that it is delivered to Beverley before Christmas.

COUNCIL ELECTIONS

Vote 1 SHARDLOW

The Beverley Council Elections are upon us and I am seeking to be elected as a councillor.

My reasons for running are compassion for the environment, with experts now telling us that we are in trouble.

You only have to look at our waterways.....they are dead.

We **MUST** make changes, and that starts with local government, they have to deliver better!

Dee Ridgway – Candidate: 2023 Shire of Beverley Local Government Election

Dear Rate Payers and Electors
I was a Beverley Shire Councillor for 12 years from 2007 – 2019 and am again nominating for Council following a break for personal reasons.

My candidate profile for the Shire of Beverley 2023 Local Government election is included in the voting pack you will have received by mail from the Western Australian Electoral Commission.

Should my nomination be supported I look forward to re-engaging as an elected member of Council and continuing to contribute at the Local Government level as your representative for the benefit of our community.

Please review the Electoral Commission information and ensure your vote counts.

Beverley Community Garden

Hello from the Beverley Community Garden

Winter had us for a while and everything was green, (or Yellow) and now we can all feel that the seasonal change is upon us.

Our Community Garden has thrived this past winter and the volunteers have done a brilliant job in making our BCG one of the best in the region, for being so new, just over two years old.

The bathtub worm farm is thriving and giving us nutrient rich liquid, to fertilize our fruit and vegetables (organic). A very big thank you to Peter Sayer for his consistent diligence in weeding the Garden.

A very grateful thank you to Michael for transporting the pipes needed to install our new water supply, free of charge.

A new shed has been installed by Cliff Doncon, Murray Young, Eric Beer and Peter Sayer, thank you men, for installing the shed and having a great time while doing so.

The Beverley Men's Shed has kindly donated an iron BBQ on wheels, thank you very much, we had an "after shed installation bbq" , it worked brilliantly.

We continue to receive recycling cans, plastics and glass bottles, thank you to the community for doing so.

We do rely on this small income to maintain the garden's needs and to enhance the public image of Beverley, our home.

Until next time enjoy what little cool weather we have left.

Regards

Eleonora Di Bello

BEVERLEY HISTORICAL SOCIETY presents

HAROLD WILLEY & PIONEER RADIOS

Wooden Console Radio located in the Dining Room of the Dead Finish Museum.

Console radios were a very important part of a family social life from 1930 to 1960 in the period preceding the television. This radio was made in Beverley by Harold Willey a local handyman/electrician. The radio was made for the Bartram family for use in their home at "Emerald Hills", six miles west of Beverley. Mr Willey bought all the mechanical pieces then inserted them in the cabinet he constructed from local timber. Neither the dial nor the interior metal components have any distinguishing marks or brands. Peg Kempton (nee Bartram), who donated the radio in 1991, remembers it arriving when she was a small child, so its date is about 1938. Mr Willey had a shop in Central Buildings, Vincent St, but also travelled to farms in the district to mend all sorts of things.

Mr Harold Willey was offered the contract to show "talkies" in the York Town Hall in early 1931 with a Talkie apparatus invented by Selby Ford (inventor of Beverley's bi-plane, the 'Silver Centenary'), showing an obscure film *So This Is College* at the first showing.

Listening-in to Moscow.

REMARKABLE WIRELESS RECEPTION IN BEVERLEY.

Hearing that exceptional wireless results had been achieved this week, we interviewed Mr. G. E. L. Wrench, who has a Short-Wave Receiver and learnt from him that on Tuesday morning last, at 3.45 a.m., he was listening to dance music from a station on about 48 metres in Kenya, South Africa, for some time, when the station announced that it was 11 p.m. and was closing down; this was followed by "God Save the King." Searching for another station he was startled to hear a voice coming in with such volume that it became necessary to close the doors to avoid waking sleepers in the house. The subject matter was a lecture in English on Film Production and continued for some time; at its conclusion the announcer called "hullo, hullo, this is Moscow, the Trade Union Radio Station of the United Soviet Socialist Republics, Postal Address, Palace of Labour, Solianka, Moscow, the address you have just heard was by Comrade Eisenstein, Director of Film Production who has just returned from a World tour in connection with the five year plan." He then proceeded to give the News Service which was of a local character and dealt with vast works in hand, one item being that there was being opened before the end of this month an immense steel rail and bar rolling mill which would be the largest in Europe if not in the world. On completion of the News Service he announced that they were then crossing over to Red Square and that the Bells of the Kremlin would be heard to chime midnight. From Red Square the roar of the traffic could be distinctly heard together with motor horns and engine whistles in the distance; after this came musical chimes and the deep tones of a bell sounding twelve, which could have been heard a hundred yards away, closing with a Band playing. The local time was then 5.5 a.m. During the session the announcer gave out that the next session in English would be held on Thursday, June 9th at 11 p.m. (their time) and explained that this time was equal to 8 p.m. Greenwich Mean Time or 9 p.m. British Summer Time. The Short-Wave Receiver on which this was heard was constructed locally to the order of Mr. Wrench, by Mr. Harold Willey.

WHAT WE HAVE BEEN UP TO...

WILDFLOWER TOURS

Our trainee, Angela, joined wildflower expert Phyllis, for our annual Wildflower tour. We held 2 sessions with a great mix of locals and curious visitors, who joined the adventure through Brooking Street reserve. The group was able to spot many beautiful orchids including the Blue Fairy Orchids, Crested Spiders, Fringed Mantises, and Cowslip Orchids, thanks to Phyllis's keen knowledge.

We extend our heartfelt thanks to Phyllis for making this wildflower tour possible. If you haven't already gone on your search for orchids be sure to Brooking Street Reserve to your to-do list before the orchid season ends. As a friendly reminder, stay on the designated paths and maintain the area by leaving it undisturbed.

DEPRESSION AWARENESS MONTH

Depression Awareness Month, observed in October, is dedicated to increasing awareness about depression, reducing stigma, and emphasising the importance of mental health. It aims to promote open conversations, encourage early intervention, and highlight the need for research, access to mental health services, and awareness of depression's symptoms.

WHAT ARE WE DOING TO HELP?

Hidden Narratives: Empowering Voices Against Depression

is an initiative created by our staff that will launch during Depression Awareness Month this October. It provides a safe, anonymous space for community members to share their personal experiences with depression, which are then shared through videos on our social media platforms. The project aims to raise awareness, reduce stigma, foster empathy, engage the community, and provide support for individuals dealing with depression. Through real stories, to encourage open conversation and show that those affected are not alone in their struggles.

Year 5/6 Make Education History

With Beverley DHS hosting the 'Celebration of 150 Years of Education in Beverley' this term, the Year 5/6 class have been learning all about the history of education. We started by making nib pens from feathers and attempting to write with them in cursive print. We very quickly discovered that we are extremely grateful to László Bíró for inventing the ballpoint pen. What a mess!!! There would have been many students receiving the cane for inky fingers and splodges on their work from our class!

We designed a questionnaire to find out what school was like for our parents and grandparents. It appears things were far less fun and a lot stricter back then. It was a bit of a shock to learn facts such as; students had to bring wood to school if the teacher asked them to, boys and girls were not allowed to play together at lunch, students would be caned if they had dirty hands and fingernails and there was no such thing as a computer per child! There is so much we take for granted today!

We thoroughly enjoyed interviewing Mr Graham Murray and Mrs Robyn Murray about their life in Beverley. Their fond memories make us proud to be part of this lovely town. We enjoyed meeting the many people who helped make our school what it is today, at the 150th Celebration on the 15th September. Seeing all the photos of past Beverley students was fantastic!

Our assembly highlighted some ancient methods of schooling that we found concerning. For example:

- Spartan children were removed from their parents at seven years of age. They were then trained by the government to be warriors.
- Spartans also encouraged stealing, as it was good for learning how to be sneaky during wars.
- Tudor students were required wear a hat and carry a dagger to sharpen their quill.
- Story books were seen as frivolous and a waste of time in the Tudor era. They learned using a 'hornbook' which has the alphabet and Lord's Prayer on one side, and room to write on the other.
- Raspberry Lemon, Evil, Toilet, Baboon, Lettuce Burger and Happy were real Victorian names.

We have certainly learned of the benefits of going to school in 2023!

Beverley District High School

Independent Public School

'Working in unity to empower individuals to achieve their unique potential'

BDHS sits on the lands of our Noongar people, and we acknowledge them as the traditional custodians of the Ballardong country.

"We all have the right to feel safe all of the time."

On the 14th and 15th of August the staff and students were lucky enough to have Holly-Ann Martin from Safe4Kids visit the school for a series of educational sessions on Protective Education. Holly spent two lessons with each class over the two days, covering several very important topics that included consent, recognising early warning signs, persistence, how to choose a safety team, public and private body areas, safe and unsafe secrets, and social media and internet safety.

During her time at Beverley DHS Holly taught our students a series of strong messages including:

"We all have the right to feel safe all of the time"
"We can talk with someone about anything"
"Say no, if you feel unsafe"
"My body, is my body and it belongs to me"

From Pre-primary to Year 10 all students engaged in conversation with Holly about the topics being taught, our older students were provided with a lot of resources on protecting themselves on the internet, while our younger students made calls to the Kids Helpline, where as a class they were able to talk to a qualified counsellor to see how easily it is to access help. Holly also hosted a staff training session, spending two hours providing staff from Beverley, Meckering, Pingelly and Cunderdin, with the skills they need to continue to educate students on Protective Education and how to manage a disclosure.

On Monday night, after a long day teaching students and teachers, Holly continued to the Beverley Town Hall to present to 40 members of the local and surrounding communities. Our fantastic volunteers Hazel Martin and Issy Freeman, provided their time to run a free crèche to allow parents to attend this important event.

During her short time in Beverley, Holly was able to share a great deal of important knowledge with community members of all ages, strengthening our awareness on how to identify and act on child abuse. This will hopefully allow us as a community, to work together to combat the ever-rising numbers of recorded child abuse.

Beverley District High School would like to thank Holly-Ann Martin for her dedication to the prevention of child abuse through the Protective Education she shares. We would also like to thank Hazel Martin and Issy Freeman for volunteering their time to run the creche. We would also like to thank and acknowledge the Shire of Beverley who provided a grant to cover half of the cost of this valuable community wide experience, this would not have been possible without your help!

You can find Holly at www.safe4kids.com.au or on Facebook Safe4kids

In the event of receiving a disclosure

Stay calm

Try to put your feelings aside, as an outraged reaction will only reinforce the child's reluctance to disclose and may make them think they have done something wrong. To help you stay calm and in control, try and remember the following four things you need to tell the child:

- ***'I'm glad you told me'***
- ***'I believe you'***
- ***'It is not your fault'***
- ***'I'm going to do something about it'***

Be breast aware this October!

October is Breast Cancer Awareness Month

so it's an important time to shine a light on the impact that breast cancer has on many Australians. It's also important for people to get to know common breast cancer symptoms.

Women from regional Western Australia (WA) are known to delay going to a medical clinic when they were experiencing symptoms, with many experiencing self-doubt about the existence of the symptom. In 2019, 1,899 women in WA were diagnosed with breast cancer, and 259 women lost their lives to it.

If you're unsure about a possible symptom, you should make an appointment to discuss the change with your doctor, clinic nurse or Aboriginal health worker as soon as possible. This is particularly important if it's been more than four weeks since you first noticed the change. Cancer treatments have improved in recent years, and it is much easier to successfully treat breast cancer if it is found early. The more it spreads, the harder it is to treat. So, we must Find Cancer Early.

Everyone's breasts are different. It is important that you get to know what your breasts look and feel like, so you know what is normal for you. There is no right or wrong way to check your breasts.

Common symptoms of breast cancer include:

- A lump or hard area in your breast or underarm, especially if it is only on one side
- A change in the size, shape or feel of your breast
- Change in the look of your breast, including redness, rash, or your skin looks like the skin of an orange, or is wrinkling in small folds
- Changes to the nipple, like it's pulled inwards, leaking, itchy or has a sore that won't heal
- Breast pain or discomfort, especially if it is only on one side
- An area of the breast that feels different to the rest

You can give yourself the best chance to Find Cancer Early, by going to see a doctor, clinic nurse or Aboriginal health worker straight away if you have any of the symptoms above. The benefits to Finding Cancer Early is that treatment is easier, and you can be around longer to do the things you love doing with the people you love.

For more information about breast cancer symptoms, visit www.findcancerearly.com.au or call the Cancer Council Information and Support Line on 13 11 20.

October 2023

Don't tip toe through these tulips!

From left to right. One-leaf Cape Tulip (*Moraea flaccida*). Two-leaf Cape Tulip (*Moraea miniata*). Cormils on stem.

You might have recently noticed these pretty looking flowers when walking through the bush, spotted them growing along roadsides or seen them in paddocks, particularly in the Southwest of the state. Members of the Iridaceae (Iris) family, these lovely looking flowers are actually a serious and widespread weed in Western Australia. They are commonly called the One-leaf and Two-leaf Cape Tulip.

As the name suggests, One-leaf Cape Tulip typically has only one leaf per plant. The flower colour ranges between orange and salmon pink with a yellow centre. It reproduces via both seed and annually renewed corms. The seeds and corms sprout in autumn after rain, with up to 60% of corms potentially staying dormant each year.

Two-leaf Cape Tulip has a similar looking flower but can be distinguished by having two to three leaves per plant. It sprouts in autumn and flowers in spring. However, unlike the one-leaf variety, it doesn't seed, but produces cormils on its stems.

Why control: Both varieties of cape tulip are a serious weed of pastures, roadsides, wastelands, and bushland. In pasture, livestock often selectively graze clovers and other more palatable species, which allows cape tulip to flourish. However if eaten, all parts of cape tulip are toxic to livestock while the plant material exists - whether it is alive, dying or dead. Spraying with herbicides does not remove its toxicity.

When to control: The optimal time for chemical control of both plants is July to September, when they flower, and the corm is exhausted. After this time the plant material will start to dry out, making any kind of chemical difficult for the plant to absorb.

If you have missed the opportunity to control this year, all is not lost. Take note of where you have seen Cape Tulip so you can be prepared and ready to control it for the next season.

Further information on Cape Tulip can be found on the DPIRD website:

WARRIOR WELLBEING ARTICLE

Getting a Good Night's Sleep

BY THE REGIONAL MEN'S HEALTH INITIATIVE
October 2023

There are times in business when it's all go, whether it's on the farm during seeding and harvest or meeting deadlines at work. It may mean working longer than normal hours and possibly becoming sleep deprived. A lack of sleep not only reduces our ability to perform work effectively, it also reduces our ability to work safely. Some have regarded sleep as a useless waste of time with no purpose - NOT TRUE. Science and medicine are discovering more and more about the role of sleep and its influence on our wellbeing and health.

How much sleep do we really need?

- Infants and toddlers - 9 to 10 hours at night plus day naps;
- School age including teenagers - do best with 9 to 11 hours at night;
- Most adults - 7 to 8 hours a night;
- Older adults need the same as younger adults but sleep lighter and for shorter periods.

Some people just need fewer hours of six or less a night without ill effects. The need for less or even more sleep can run in families (suggesting a genetic basis but it is incredibly rare).

What are the effects of lack of sleep? While we're sleeping, our body is busy tending to our physical and mental health and getting us ready for another day. Lack of sleep can lead to:

- Drowsiness and irritability during the day;
- Poor concentration hindering memory and our ability to pay attention;

- Poor physical coordination increasing the risk of accidents;
- High blood pressure which is one of the main risk factors for heart disease;
- Depression.

Regularly sleeping less than 5 hours is associated with poor physical and mental health and wellbeing.

Sleep may be more difficult to come by as we age, and this can be traced to treatable health issues that cause interrupted sleep. Some factors that could cause sleep difficulties:

- Sleep disorders like sleep-apnoea, restless leg/arm syndrome, leg cramps;
- Pain from conditions like arthritis, heartburn, back pain, headaches;
- A frequent need to urinate;
- Illness - depression, coughing, shortness of breath;
- Medications.

Some helpful tips for getting a good night's sleep are:

- Go to bed and get up at the same time each day, this synchronizes our body clock;
- Aim for daily exercise before evenings;
- Relax before bed i.e. warm shower, reading and avoid caffeine, nicotine and alcohol;
- Establish your pre-sleep routine (usually 3 things);
- Use bedroom/bed only for sleeping or intimacy – not as a lounge room for watching TV.

Generally, if we can't sleep, we shouldn't lie in bed. Leave the bedroom and do a quiet activity that doesn't stimulate us. To help maintain a healthy lifestyle we all need to contemplate what is an adequate amount of sleep for us personally and visit our GP for treatment if we are amassing a huge sleep debt.

Elders Beverley bigger and better at new site

Elders Beverley yesterday afternoon officially opened its brand-new branch location.

The team held a sundowner on site to celebrate the opening, and welcomed approximately 100 local growers and their families, along with local dignitaries.

In attendance at the event were Elders Managing Director and CEO Mark Allison, who cut the ribbon on the day, along with WA State Manager Nick Fazekas.

Branch manager William Hull said the new location will unlock an expanded offering for local producers.

"The new branch will be able to carry a much broader range of products, due to an increase in warehousing capacity," Mr Hull said.

"The fresh new layout and easy access will further improve our customers' experience.

"This is an exciting time for Elders Beverley, and we are excited to welcome clients, new and existing, to our new location."

The team at Elders Beverley are a leading supplier of rural products for the region, and also assist local producers with agronomy and agency services.

The new site is located at Lot 505 De Lisle St, Beverley.

Are you having trouble getting through on the phones, your calls are important to us, sometimes our staff are extremely busy dealing with other clients. Did you know you can book appointments online to save phone waiting times? please head to our website Beverlymedicalpractice.com.au or use the health engine app.

COVID Vaccines - as the Beverley community have been outstanding with their responsibility to attending for all their recommended doses, and with our commitment to reduce wastage and maximise doses we are now maintaining a waiting list for those who may need a further vaccination. This has been due to the logistics of ordering and storing the vaccine in the rural area, please check in for our next vaccination day.

Remember the best way to avoid COVID is to ensure you are vaccinated, wash your hands frequently with soap and water for 20 seconds, use alcohol - based hand sanitiser, cover your cough and sneezes dispose of your tissues and wash your hands after, wear a mask and physical distancing, stay home, and follow the health direct rules if you have symptoms.

The Beverley Medical Practice is committed to providing quality health services to Beverley and surrounding areas. As part of our commitment to the community we support and assist up and coming medical health professionals. We have a number of student GP's attending clinics both onsite and virtually. These Student GP's are from Notre Dame, UWA and Curtin University. If you are interested in assisting us by allowing one of our students to sit in on your consult or attend a virtual clinic over the phone, please let our staff know. You may also advise staff if you would prefer not to have them in attendance.

Care outside normal opening hours - When the Beverley Medical Practice is closed you can always get medical attention by calling Ready Care 1800 225 523 or Calling health direct 1800 222 222 or by attending the Beverley District Hospital, located in Sewell Street Beverley where experienced staff will triage the patient and contact the on-call Doctor

ST JOHN AMBULANCE BEVERLEY SUB CENTRE

Our photo shoot at the Beverley Station Arts, was a great success with Carolina Furque, Most of our Crew and Committee managed to have their photo taken during the morning. Unfortunately, we couldn't all be there at the same time for a big group photo but we managed to keep a few there for this small group photo.

Thanks Carolina we look forward to seeing the black & white photos taken.

Congratulations to Jodie who over the last few weekends has undertaken another qualification and she is now Emergency Medical Technician. Well done Jodie!

Pictured are :- Linda, Ian, Sue, Lionel, Jenny & Steve.

Our Crews have been on the go on a regular basis, so far this year (Jan 23 to June 23), we have attended 139 call outs, these range from urgent call outs to transfers from the hospital. Call outs for July 22 to June 23 was 228.

COVID is still about and we have become a little complacent about it in the community, This is a reminder to us all that we all need to be very aware to protect ourselves as well as the general public. Keep sanitizing your hands, and those with any underlying medical conditions need to be extra vigilant to minimize the risk of contact or infection happening. Early in October our Crews need to have a 'Fit Test', this is to make sure masks that we are sometimes required to wear fit correctly.

Do you need your first aid updated? **A First Aid Course** is being held at the Sub Centre on **Saturday 21st October from 8.30am to 4.30pm**. To enroll in the Course go to the following address :- <https://stjohnwa.com.au/first-aid-training/first-aid-courses> to register, please be aware when enrolling in the course there is a bit of homework for you before the Course that needs to be completed.

Beverley Sub Centre will provide morning tea & a light lunch.

Should you like to pay your Membership or purchase a First Aid Kit, don't forget our Sub Centre is open every **Tuesday and Friday from 9am to 2pm**. The red St John flags are displayed out the front of the Sub Centre when the Office is open.

Beverley C.W.A

Well after a very busy month for the Ladies at the C.W.A, they are having a well earned break, small but well deserved, before getting ready for the rush at the end of the year.

Firstly, we held the **Father's Day Raffle and Morning Tea** on the 1st and 2nd of September. We had a raffle with many prizes to be won and the Lucky Number board with chances to win gift vouchers. A Morning tea was held at the C.W.A rooms on Saturday. The Ladies would like to thank Kim Byrant and her daughters for helping us on the day. **Thank you so much!**

The Raffle winners were:

1st Prize	Sharon Johnson	2nd Prize	Anne
3rd Prize	Josie	4th Prize	Terry
5th Prize	Jennie Rayner	6th Prize	Val Maclean
7th Prize	George Smith	8th Prize	Gaynor Carter
9th Prize	Diane Colebrook		

The Lucky Number winners:

M Menz | Murray | Dot | Robyn C | Dot | Sharyn Johnson | Sam Mearns

CONGRATULATIONS TO ALL OUR WINNERS AND THANK YOU FOR YOUR CONTINUED SUPPORT.

On the 11th of September, two of our members went to Jennacubbine to celebrate the branch's 90th birthday.

On the 14th of September a member went to Toodyay to attend the International Day for the C.W.A.

On the 15th of September, the ladies had two events to attend. We catered for the Facey Group event that was held in Beverley and had a representative attend the Beverley District High School 150 Years of Education. Very busy day.

Lastly, we held our meeting on the 20th of September where we welcomed a new member.

Well after all that, the ladies are looking forward to a short break before starting again.

So, now we begin again starting with our **Community Morning Tea** on the **11th of October starting at 9.30am at the C.W.A rooms**. So, get your friends together and come along for a fun morning out and a **free** cuppa. We look forward to seeing you there.

On **Friday the 13th of October**, we will be hosting **Kings Park Fashions**. Please watch out for more details.

Our **next meeting** will be held on the **18th of October** - 9.30am for morning tea and **10.00am meeting starts**.

Till next time, have fun and stay safe.

Commemoration of John the Baptist: In honour of the dedication of the Church in The Dale to John the Baptist there will be a service to honour him on Sunday, 15th October at 3 p.m.

Beverley Ag Museum

With the increased interest in the Beverley Ag Museum collection following our exhibit at the local show in August, on Saturday September 16 the place was a hive of activity with 10 active volunteers including two new participants, welcome Gerry and Gary we hope that you enjoyed your experience.

With so many items to work on and maintain (this is a working collection) Gerry soon found the Holden 'FX' Ute which has been sadly neglected for quite a while and in need of some brake repairs, while Gary was happy to assist Paul with the restoration of the International C 30 Truck and Bob had us gyrating to some music in the Workshop after installing his speaker system, and outside Kevin was seen locating the Show exhibited David Brown Market garden Tractor back to its home. With the poor light and the possible option of starting the Field Marshall via the belt drive pulley (rather than swing the handle – we are all getting old) it was decided to move her nearer to the open doors, this was done using a solid bar and the McCormick Deering tractor that Phill had recently fitted the Carby he had overhauled, and just taken for a decent run, he told us that the fuel leaks are now fixed, but there appears to be a blockage in the supply line causing a back fire, but very happy with his progress, thank you Phill.

A family of three generations came to visit with the grandfather telling us how he had brought his son to the Museum many years ago and now wanted his grandchildren to have the same experience, and with the machinery movements I doubt they were disappointed.

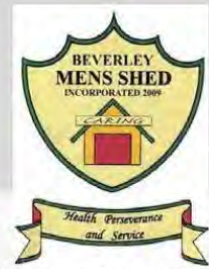

Sometimes we take volunteers effort for granted, the guys know that I not only respect their efforts but am grateful for the progress that they are achieving, so a big 'thank you' to you all, also thanks to the Shire for their support and I must not forget Francis (the lady who showed us how the Rope making machine worked at the Show) for coming in and 'donating' a copy of the history of Avondale Farm, I had read this previously, but alas the Museum copy was loved more by someone else, so now we have that information available again to share with volunteers who want to open to the public, thank you Francis.

If you would like to know more about the Museum or book an appointment to view the collection, feel free to ring me on 9646 0768.

BEVERLEY MEN'S SHED

Given the response to "Bob's Raffle" held at the Beverley Ag Show in August, (and Bob cleaning out his office draw and finding some more Meat Vouchers) the Men's Shed Committee decided to hold another raffle alongside our 'give back to the community' Free Sausage Sizzle held at the Lion's Kiosk on Saturday August 26, the event was welcomed especially by some visitors to our town, many not only purchasing raffle tickets but also offering donations. As usual several of our group were on hand to assist and 'chew the fat' with those who were prepared to listen. And many of the same group were seen at the Country Women's Association 'Free Father's Day Morning Tea' held on Saturday September 2 where 'our sister group' spoil us with homemade free biscuits and cakes, many thanks' girls.

Every year for the past 30 years the Vintage Motorcycle Group of WA do a 'near' re-enactment of a Motorcycle race first held back in 1904 which used to follow the Cycle Race to Perth started in 1901, the Men's Shed were privileged to secure some of the Vintage Machines overnight and then have them on public display before the group set off on Sunday September 10. The oldest bike competing in this endurance race was a 1914 single speed (bump start) belt drive Triumph which the owner had recently restored, even manufacturing a new fuel tank for it. Alas one of the Motorcycles, a Royal Enfield had a 'sticking exhaust valve' issue caused by the 'K' liner insert moving in the cylinder head and had to withdraw mid race, as you can see from the picture there is no need for any modern 'diagnostic computers' just a handful of spanners to find the problem

On Sunday September 17 a small group of members attended a social Movie afternoon with their partners sharing finger food snacks, the men were hoping to see 'Oppenheimer' and the lady's 'Barbie' but alas neither were available, so the Ladies choose a Medieval Dragon based movie to watch and the men had to behave themselves in the back row!

Bob has a couple of more raffles before Christmas coming up, one in October and one in November, be sure to read your local 'Bulletin' for dates and times, and here are the results of the August Raffle:

1st prize \$100 meat voucher - Debbie.

2nd prize \$50 Cash - Linda.

3rd prize \$25 meat voucher - Prickle.

As always, many thanks to all those who took part and supported the Men's Shed and the Royal Flying Doctors Service, also our thanks go out to Peter at T Bone Butchery for his kind donations and support for our Free Sausage Sizzle and lets never forget our wonderful Ann at the Bakery and her family for their assistance in supplying the Rolls | Always Buy Local.

If you want to know more about our 'Shed' feel free to ring our secretary Bob on 0429 441 253.

COVID-19 UPDATE - Please practice good hygiene and physical distancing at all our events, and use the hand sanitiser stations provided. If you are feeling unwell prior to events, please do not attend.

Artists-in-Residence at the Station

Artists-in-Residence during August:

Carolina Furque and Steve enjoyed their month at the Station and we look forward to seeing the outcome of the photographic project that Carolina has been working on. Hints of this will be revealed at her artist talk/gathering at the Gallery on Thursday 28 September. Pic above is of Carolina processing film in the Residence laundry.

Artist-in-Residence during October:

The first half of the month we welcome back **Alan Pickering** who was instrumental in organizing the Plein Air Beverley in April of this year and 2022.

His practice includes a large amount of outdoor painting (Plein Air) in oils and gouache, and this visit will be his third time in Residence. As before he will be painting street scenes in the town, and a few of the local roads.

If you see Alan out painting he is happy for anyone to stop and chat. He is also available at the Station Gallery within usual opening hours if you would like to see his work during the fortnight, or talk about paintings, equipment, or methods.

Alan's contact details are mobile 0419 926 393 or email apickering@bigpond.com

Perth based artist **Barbara Troncone** will be at the Residence from 15 – 24 October and says "Hello - I have always loved painting. It is a great way to let loose with your emotions and create something beautiful. Lately I have been captivated with our

local and southern beaches so these feature highly in my work" – she will have a running exhibition of her works at the Gallery whilst here. And now that she is coming to the Beverley, we can look forward to some wheatbelt scenes! She works mostly in acrylics to achieve a fairly painterly impression with added colour, rather than a detailed "photographic" representation of the scene. She also enjoys painting still life, people and portraits – one of which was exhibited at the Art Gallery of NSW Archibald Prize's 'Salon de Refusee'!

STATION GALLERY EXTENSION

At long last we seem to have movement at the Station regarding the extension of the Gallery onto the veranda of the main building. A government grant through Art On The Move has been extended twice due to the lengthy process of obtaining building compliance, energy efficiency, heritage, and public transport approvals. We are hoping that the building will be completed before Christmas so that it can be showcased at our Community Christmas Party and the Shire Art Collection will be exhibited in all its glory!

BeSASS

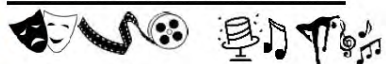

Beverley

Station ArtS Singers) is a FREE community choir which continues to meet weekly on **WEDNESDAYS** for around an hour and a half from **6pm – 7.30pm** in the Green Room of the Platform Theatre. Kelly Shaw and Jo Sims share the role of Musical Director and have the choir members. The Choir Muster on 16 September saw 11 members of the BeSASSy there to perform. In the lead-up numbers to practices had been as low as 4 due to a variety of reasons so it was with some relief so many could make it -and didn't they do well!

Anyone wishing to join the choir of BeSASS please contact Hazel Martin who coordinates the group - Ph: 0438 843 333. There is no charge - all we ask is that you become a member of Beverley Station Arts (\$30/year) by the third week of attending BeSASS.

Thank You

Sheryl, Ben, Kari, Alyssa, Sarah, Ayla, Bodhi, Travis and Matthew together with Judy, Greg, Gail and families wish to sincerely thank so many friends and family for their lovely cards, phone calls and support following our loss of Kim.

Judy would especially like to say thank you to those that visited her in hospital. It was great to have a chat with friends and enjoy your company for a while. God bless!

BEVERLEY HISTORICAL SOCIETY

Beverley Historical Society
Dead Finish Museum

bhsdeadfinish@gmail.com

Recently we have had many visitors through the Museum and lots of lovely comments regarding our garden for which we owe our gratitude to the wonderful volunteers of the Beverley Garden and Tree Club.

Last Friday 15th September the Beverley District High School held their celebration of 150th Anniversary of Schooling in Beverley. It was such a wonderful display, lots of hard work put in by the staff and great to see many ex-teachers, pupils and families present. The Museum opened for 2 hours in the morning and welcomed 18 visitors.

We had many comments of the Museums lack of school class photos over the many years but unfortunately, we must rely on the public to give us copies hopefully with names and then we can display them. So if anyone has any they would like to donate a copy to they can be emailed to bhsdeadfinish@gmail.com

Only 2 more months the Museum is open before we close for the summer, so make sure that you put it on your agenda to come and have a look. We are open on Sundays 11a.m. – 3p.m.

NEXT MEETING IS THE ANNUAL GENERAL MEETING ON 9TH OCTOBER AT 1p.m. (please note earlier time)

Followed by a General meeting at 1.30p.m.

New members are most welcome, if you have any interest in History come along and see what we do and join us for afternoon tea.

JUNIOR WINDUP

The junior windup event was a resounding success! Our junior athletes showcased their skills by engaging in a thrilling game against the adults, emerging victorious with a score of 2-1. Following the match, we had the pleasure of hosting our awards ceremony in collaboration with the Junior Sports Council.

We extend our heartfelt gratitude to Kelly Mann and her dedicated team of helpers. Without their unwavering support, these young athletes wouldn't have had the opportunity to participate and enjoy themselves as they did. We also want to express our thanks to the parents, supporters, and volunteers who contributed to the event's success.

These enthusiastic young players gave it their all on the field. Some of them even had the chance to participate in carnivals in Northam and attended training sessions organized by the Avon Hockey Association. We offer our warmest congratulations to all the kids for their impressive achievements!

SENIORS WINDUP

We want to extend a big congratulations and thank you to everyone who proudly wore the Redbacks Hockey uniform for the 2023 season.

Special thanks to coach Colin Halden for his unwavering dedication to our team throughout the year. We also want to express our appreciation to the hardworking members of the 2023 Committee.

Our gratitude extends to captain Ashton Edmonds for her exceptional leadership in organizing the team and to vice captain Carly Veitch for her invaluable support.

Lastly, we'd like to thank the Beverley Redbacks Football and Netball club and the Social Events Committee for welcoming for their event. It truly added to the magic of our wonderful evening!

BEVERLEY JUNIOR SPORT

JUNIOR SPORT WIND UP

Just like that the 2023 Winter Sports are over. What an amazing year it has been for all of our junior players in football, netball and hockey.

The Junior Sport Wind up was held the 26th August with the kids favourite event "Parents vs Kids". This year we managed to run all three sports. The kids certainly challenged the parents this year! Congratulations to all our award winners.

JUNIOR NETBALL AND NET-SET-GO

A massive thank you goes to our amazing Netball Coordinator Emma Davey. She took on this role this year with gusto and has worked tirelessly behind the scenes, with endless communication with towns regarding games, making sure the teams were filled, having uniforms ready to go and we were game day ready. Thank you Emma!

A special thank you goes to our 4 coaches who put in the hard yards for our kids:-

Net-Set-Go - Kelly Arron and Jamie Williamson
Junior Netball - Narelle Bailey and Jo Copping

Without the 4 of these ladies, our kids wouldn't have the skills, determination and knowledge of the game. We are incredibly lucky to have such dedicated parents in Beverley who are there week in and week out.

Also to our parent umpires who made sure the games could go ahead - Aliesha Murray, Sharlee Higgins, Jo Copping, Narelle Bailey and Hollie Smith

JUNIOR FOOTBALL AND AUSKICK

Yet again, a massive thank you goes to our amazing Football Coordinator Tamara Nixon. Tamara's work that goes on behind the scenes to make sure the games can actually go ahead with surrounding towns, is done with passion and ease, with the main focus on making sure the kids get games. Thank you Tamara, you've had a great year as coordinator.

To the Junior Football coaches. Thank you for everything you put into coaching 2 times a week. Every game the kids improved so much and were great contenders at the carnivals they went too. You should all be proud of the hard work that went into the season.

Auskick - Charlie Horrocks and Stuart Murray
Junior Football Yr 5/under - Damien Murray & Darrell Hagan
Junior Football Yr 6/over - Brett Shaw

A special mention must go to Brett Shaw who has been a constant and dedicated parent within Junior Football for many years. With Noah heading off next year to Boarding School, his time within junior football has come to an end.

Thank you for the many years of hard work you have put into Beverley's junior football.

AGM

Thank you to our 2023 committee on a successful year with our Winter Sports. To every single person who has helped in anyway this year, the committee says thank you.

We have had a great fundraiser during the year, which helps us to provide junior sport and continue to subsidise the junior sports fees within Beverley. Again, we are incredibly lucky that our Junior Netball, Football and Cricket fees are kept at \$40, allowing as many kids within Beverley to play sport.

BEVERLEY REDBACKS NEWS

2023 Season

The 2023 season has come to an end and the Beverley Redbacks Football Netball Club would like to thank all the sponsors, players, members, and supporters for their continued support throughout the year. It was another great season for the club with the League and Netball teams making finals.

Reserves coach James Adams is stepping down from the coaching role and we thank James for his dedication over the past three years.

The Presentation Sundowner was held in September and

congratulations are extended to all award winners for their efforts throughout the year.

The club would also like to thank all trophy donors and award sponsors.

The Redbacks AGM will be held at the amenities on Friday 20th October.

The committee welcomes all members, supporters and players, and members of the community to attend and have a say about club direction in 2024.
