SHIRE OF BEVERLEY PRESIDENT'S REPORT

ANNUAL ELECTORS' MEETING – 12 DECEMBER 2023

Good morning Ladies and Gentlemen and welcome to the Electors' meeting for 2023. As we take time to reflect on the year passed and look forward to projects planned for next year and beyond.

Recent Elections

With recent elections, I would like to take the opportunity to congratulate Mr. Chris Lawlor on his re-election and Mrs. Dee Ridgway and Mr. Darryl Brown on their elections. Although one might well say of the latter two, on their 're-elections'.

It is important to also note and thank the outgoing Councillors Mr. Peter Gogol, Mr. Tim Seed, and Mr. Matt Norman for their service to the Shire and community during their tenure. Peter Gogol served for 16 years, Tim Seed for 6 years and Matt Norman just under two years.

On behalf of the community; Thank You.

Vincent Street

The Defects Liability Period for Vincent Street ended on 10th October this year and Management have been working with GHD and MG Group to identify issues that require attention. Among these is the failure of some bituminised areas along the street where water has caused the surface to move and crack.

Arrangements are now in place to rectify these areas in January 2024 when the street will be at its quietest. Those areas requiring repair will be closed off to traffic while repairs are effected. This will necessitate the removal of the bitumen and cement stabilisation before the replacement of the hotmix. This will be an inconvenience for the period of the repairs and we ask your patience while this is being carried out.

During the week of the Planning Institute of Australia Awards held recently, Beverley nominated the Vincent Street project for two categories being "Great Place" and "Best Regional Project". In both categories Beverley was awarded High Commendation for the project and it was additionally pleasing when some attendees offered their personal congratulations to Beverley.

Roads and Bridges

In last year's report I informed the meeting that a greater focus on roads and bridges would be a priority for 2023. The bridges in the Shire were suitable once for small loads but now must meet the needs of Road Trains and heavier farm machinery. Completed in the first half of the previous century, most bridges have also deteriorated with time and while annual maintenance has always been carried out, it cannot stop the natural deterioration.

During the year, funding has been secured through Main Roads to begin the upgrading and renewal process. The Bridge on Bremner Road is due to renewal in 2024 and funding has been acquired for the bridge on the York Williams road number 3197, the one near George Smith's property.

All this was not helped when we had the short but severe thunderstorm in March of this year. The damage to roads and culverts was considerable. At an estimated cost of around \$3 million, it was beyond the Shire's financial ability to deal. An application to DFES to have our area declared a disaster area to enable an application for emergency funding was lodged in April was approved at the end of May. Ongoing dealings with DFES in this matter would be greatly assisted if Main Roads were involved in the assessment process.

An engineering Firm, HC Constructions, has finalised a full report on the damage and we can now apply for the necessary funding to make the repairs. From this work HC Constructions have identified about 500 sites throughout the Shire.

An invitation was also made to the Minister for Roads Rita Saffiotti to visit Beverley to familiarise herself with the considerable damage facing us. Further invitations have subsequently been made without any result.

This year a decision was also made to employ contractors to undertake work on certain road construction to allow the outside crew to concentrate on maintenance and sheeting. The firm of Earthstyle Contracting has been engaged and they have completed their first contract on the Mawson Road. Work on the Waterhatch Road and Morbinning Road will follow in the new year.

Swimming Pool

A complete design and plan for the redevelopment of the swimming pool area was completed some years ago and the project stands shovel ready. As I pointed out last year, the cost of the project has

increased by about 90% reaching a point that it is now beyond our means to complete in one stage.

It was therefore decided to break it into stages with Stage 1 being the renewal of the Plant room, plumbing, installation of a wet deck, new diving blocks and some landscaping. Tenders will be called for this first stage to provide an idea of the cost. An application for Grant funding and the raising of a new loan of up to \$1million is planned to enable this Stage to be carried out. Naturally, the price of Tenders will determine whether we will be able to go through with it.

Nurses' Quarters

Discussions with Landgate over the acquisition of the Nurses' Quarters has been ongoing for some time. An initial proposal from Landgate was that the Shire purchase the site for \$100,000. Such a purchase price was never envisioned in preliminary discussions so it came as quite a surprise.

Further proposals were considered until the Shire and Landgate were able to come to an agreement that the Shire would apply for a Management Order over the land and building. We are still awaiting the finalisation of this application and until it is received, we can do nothing to progress this project. At this stage the Shire has not settled on any definite plan for the building although many suggestions have come from the community.

Accommodation for Health Workers

Last year the Shire was visited by two people from the Health Department to discuss the possibility of the Shire building accommodation for Nurses and other Health workers in Beverley which would be leased by the Health Department. This accommodation would be available for regional use with surrounding towns being able to utilise it. While the Shire was encouraged to consider this proposal, no further contact has been received from the Health Department.

Old School Building

Plans to convert this building into a formal Civic Centre also accommodating Council Chambers, are now well in hand and the work should be commenced this year. This will help relieve some pressure in the current Shire offices where space is at a premium. Moving the library into the Cornerstone Building was a first step to ensure that we don't have to face the construction of a new Administration Building.

HC Constructions is the firm who have been engaged to manage this project.

For the monthly markets, it is envisaged at this point, that they might be accommodated in the Town Hall. A final decision will be made after further consultation with the organisers.

Beverley 2035

Finally, we come to a potential project that has very recently been identified but has yet to go to full Council for discussion and approval. A federal government funding scheme known as Regional Precincts and Partnership Program is open for application for projects that are based on partnerships covering a relevant area identified as a Precinct.

Divided into to Stages, with Stage one being funding just for planning and Stage two, being applications for funding for the actual work.

At this stage I am unable say more as we are very much in the initial stage of considering what this all means and how we might participate to enable Beverley to achieve the projects of which we are currently aware.

Among these projects we can include the swimming pool, the Hunt Road Village expansion, extension of the deep sewerage, a new Child Day-Care Centre, assistance to expand HACC services for the elderly, the Nurses' Quarters, Avondale, extension to the Recreation Centre and others yet to be fixed.

It is very early days and determination from Council is required before an approach can be adopted to enable Council to proceed. Mark Casserly has been tentatively engaged to assist the Council with this project and all of this will be discussed at next week's Council meeting.

Unfortunately, this programme has a very tight timetable and there is a lot to be considered. It opened in August 2023 and closes in late 2026. It is also limited in its funding. The total fund is only \$400 million for the whole of Australia. \$80 million for Stage one and \$320 million for Stage two.

Outlook

As we step into 2024, we do so with optimism necessary to plan to achieve for Beverley, all the projects that we would like to improve the facilities and amenity of Beverley to make it a prime place to live and visit.

Conclusion

In conclusion, I would like to acknowledge and thank:

- ☆ The Councillors who have put in a significant effort and given me great support;
- ☆ All the staff, both inside and out, for their efforts;
- ☆ To the senior staff and Stephen Gollan who provides exemplary leadership and who is always willing to meet with community members; and.
- ☆ To all the community organisations of every nature and the volunteers, for your efforts to make a difference to life in Beverley.

Finally. On behalf of Council, may I wish everyone a very Merry Christmas and may 2024 be all you hope for and that brings peace and prosperity.

Beverley Men's Shed

146 Vincent Street Beverley Western Australia 6304

Sadly, our good friend and member Ray has passed away, on Tuesday November 28 we shared a minute's silence and viewed a slideshow of Ray and members of his family, RIP Ray, suffer no more.

Some of our more active members (The Lumberjacks) have again been out and about collecting and cutting up firewood ready for sale next year once matured, the proceeds from this activity go towards our overheads, (one of the more expensive being insurance) thus giving everyone a dedicated Men's Shed to meet up for a chat, or to carry out past skills in our workshop, social interaction is important for everyone's mental wellbeing.

There are three important dates coming up at the start of 2024, the Beverley Men's Shed Committee would like to advise all members of the Special Half Yearly Meeting to be held at 9am on Tuesday 20th February 2024.

Bob has been filling his draw up with raffle prize donations again and will be back at the Lions Kiosk the first Saturday in February, (see the Bulletin for all the sale days) so let's find that spare change and get behind our worthy cause being the Royal Flying Doctors Service and the Beverley Men's Shed (profits evenly split), 'be in it to win it'.

It is a fact of life that the clock never stops ticking and next year will be the 15th anniversary of the Beverley Men's Shed Incorporated on January 8, (but not the actual date the group started, look forward to the history lesson next issue) it has been decreed that due to the climate around that date the celebrations will take place on Saturday March 16, further information to be provided via your local media outlets.

And like most groups or organisations we held our end of year celebrations on December 2 at 'The Shed', a group of 35 attended and were treated to cold cuts of meat, salads, etc followed by sweets that will certainly require additional activity to bring the waistline back to 'normal'. Many thanks to all the members who assisted with establishing a self-serve restaurant area in what is usually a jumble of tables and chairs, to the ladies who provided the salads and sweets, those who took to the

kitchen afterwards cleaning up, so many willing helpers, you know who you are thank you. but special thanks to Johno

and Bob for their food preparation and cooking.

As you can see no one left without enjoying a good feed, in fact there was enough food left over for lunch at the following Tuesday meeting.

If you would like to know more about the Beverley Men's Shed, or want to join us, feel free to ring our secretary Bob on 0429 441 253. Happy New Year.

BEVERLEY AG MACHINERY MUSEUM

With the warmer weather once again upon us, our Machinery Museum is closed until March, although special viewings by appointment can be arranged for anyone who is passing through the area. For those who may visit the Beverley Visitors Centre in town there is an exhibit from the collection on display together with an electronic information board which has Museum information to view.

These 1920's Forge Bellows (also our exhibit for the month) were kindly donated by D Dunwell of Muntadgin and would have been used to increase airflow (oxygen) to promote extra heat within the fire (coal or wood) in the repair or manufacture of tools on the farm, usually used together with some of the tools pictured below, with work

carried out with a Hammer on an Anvil (alas we do not have an example in our collection) to flatten or shape the red hot steel, before fine shaping (or sharpening) on a stone wheel (hand driven), also often used to assist in the sharpening of plough points and making of Horseshoes. Blacksmithing is yet another dying art in our modern world.

This past year has seen an increase in regular volunteers assisting with the maintenance and restoration of the Shire of Beverley's Collection of Farming examples spanning almost 150 years of Agriculture in the Wheatbelt region, and with increased numbers of helpers come many new ideas to ensure the public has the best experience possible when visiting, and being a 'working Museum' often visitors will see Machinery in action (much to the delight of the younger viewers), so keep an eye on your local weekly Bulletin for dates when we are open in 2024.

So, when did you last visit, or were you a volunteer in the past? It is time to test your knowledge of the collection.

1. Whose little Tractor is this?

2. What was this Machine used for?

3. Did the volunteers have an exhibition stand at the Beverley Agricultural Show last August?

4. Where is the Shire of Beverley Agricultural Museum located?

5. Do the volunteers have a Workshop to use?

6. How much does it cost to view the collection?

7. What Number is this Machine called?

8. When was this Mower donated?

9. What make of Truck is in the picture above on the right?

10. What native animal attended our end of year Bar-be-Que?

All the answers will be published next month (sorry no prizes) and can be found in past Museum articles in the Beverley Blarney or by paying a visit when we reopen next year.

For more information (or for a private viewing) on one of the largest Agricultural Machinery collections in the State please call John on 9646 0768 or the Beverley Shire on 9646 1200.

BEVERLEY HISTORICAL SOCIETY presents

Historic Churches of Beverley Field Trip

On the last Monday in November members & friends of the Beverley Historical Society ventured out in the community bus to view five historic church buildings in our locality.

First was St Mary's Anglican Church (above) built in 1892. Canon Groser was the first rector. The St Mary's precinct, including the 1891 Rectory (below), the Memorial Lychgate & the lemon-scented gum tree, is heritage listed by the State of WA Heritage Council.

The lemon scented gum (above) was planted by Canon Groser in the 1890s.

Next was the old Catholic Church building now a private dwelling. The owner kindly let us into the yard to view the restoration and conversion of the building (below). This church opened in 1890 under the auspices of Father Gibney. A special train from York brought hundreds to the opening service. It closed in 1933.

Across the river we viewed the Sacred Heart Catholic Church (below) opened in 1938. Designed by architect E. Le B. Henderson, the front façade features towers & battlements.

Our final building was the former Anglican Church of St Peter's (below) at Gilgering, halfway to York. This church was the first church in Beverley opening in 1858 under the direction of Rev Fred Lynch. Although within the York shire boundaries now, the area was called North Beverley in the middle of the 19th century.

Members & friends of the Beverley Historical Society (above) took the opportunity to examine the architecture & artwork inside the building.

After lunch in the station gazebo, we drove out to Edward's Crossing to see St Paul's Anglican Church (below). This was built in 1859 of local bricks and later rough rendered for successful conservation.

Now deconsecrated the building belongs to the National Trust but has been restored and conserved by a volunteer group, The Friends of St Peter's.

The surrounding churchyard contains the graves of many of Beverley's first farming families.

Thank you to Valery Seeber, Richard Boladeras, Eric Ellis, Malcolm Fleay & Philip Raymond for enabling access to these properties. Also, to Mark Petchell for excellent bus driving.

COVID-19 UPDATE - Please practice good hygiene and physical distancing at all our events, and use the hand sanitiser stations provided. If you are feeling unwell prior to events, please do not attend.

As the year draws to a close, we at Beverley Station Arts thank the community of Beverley and surrounds for your patronage to the events we present at the Station Gallery and Platform Theatre, and the Town Hall, over the past year and extend our warmest wishes to you and your loved ones for the festive season.

Artists-in-Residence at the Station

Artists-in-Residence during December:

Alex Kyriakakis was only at the Station for a very short time, but she managed to engage with many locals whilst here and held a very successful still life workshop on Sunday 3 Dec. Pic left shows Alex with Marylou revealing her finished artwork.

Anyone familiar with the monthly RIPE magazine, which comes with the Farm Weekly, will be greeted with an article in the next edition about Beverley Station Arts! Below pic shows journalist Belinda Hickman photographing AiR Alex Kyriakakis as she works in the Station Gallery.

On December 7 we welcomed back **Carollyn Rhodes-Thompson**. Carollyn's enthusiasm for the arts is evident with each residency at the Station and she willingly opens the Station Gallery out of hours, including the Community Christmas Party and joining the BeSASSY choir for Carols by Candlelight. Did you see or buy her beautifully made exotic jewellery?

On December 7 we welcomed back **Carollyn Rhodes-Thompson**. Carollyn's enthusiasm for the arts is evident with each residency at the Station and she willingly opens the Station Gallery out of hours, including the Community Christmas Party and joining the BeSASSY choir for Carols by Candlelight. Did you see or buy her beautifully made exotic jewellery?

Artist-in-Residence during January:

There was a cancellation for this month, and unless we hear of a last-minute applicant, we will take the opportunity to attend to some stocktaking, maintenance, and indeed overseeing the construction work soon to be commenced on the platform.

PERFORMING ARTS

Beverley Station Arts Singers is a FREE community choir which continues to meet weekly on **WEDNESDAYS 6pm – 7.30pm** in the Green Room of the Platform Theatre. Kelly Shaw and Jo Sims share the role of Musical Director. Come join us in singing for fun! Singing is wonderful for the soul and in a choir means community and interpersonal connection and you forget about the challenges of daily life.

Anyone wishing to join this friendly choir of BeSASS please contact Hazel Martin who coordinates the group - Ph: 0438 843 333. There is no charge - all we ask is that you become a member of Beverley Station Arts (\$30/year) by the third week of attending BeSASS.

Anyone wishing to join this friendly choir of BeSASS please contact Hazel Martin who coordinates the group - Ph: 0438 843 333. There is no charge - all we ask is that you become a member of Beverley Station Arts (\$30/year) by the third week of attending BeSASS.

BAD (Beverley Amateur Dramatics)

WE ARE BACK!

So...it has been decided!!! The musical event of the year 2024 by our very own BAD group of talented actors / singers / musicians will be **"The Boyfriend"**!

BAD is preparing for a new musical production in April!

The Cast and Crew from 2023 Performances

BAD is seeking: (No experience necessary!)

- ✿ Stage performers (speaking roles, singing and non-singing)
- ✿ Ensemble (singing only, no speaking - great for a newbie or if you're wanting to give it a go!)
- ✿ Backstage crew (stage hands and tech)
- ✿ Costume, prop & set designers
- ✿ Musicians (keys, guitar, drums)

Rehearsals are Tuesday and Thursday evenings, starting Tuesday 30 January. Dates for the resulting performances are confirmed – Fridays and Saturdays 19 and 20; 26 and 27 April 2024.

The first reading was held on SATURDAY 16 DECEMBER 2023 at the Platform Theatre.

But if you missed the date and are still interested, even curious, please contact **Britt Hadlow** on **0447 811 261**.

Opening Times:

LE DINER EN BLANC

That's right, our very own **Diner en Blanc** in **Beverley!**
Book Now – SATURDAY 24 FEB 2023

It's the night when we get dressed all in white and meet for a mass "chic picnic" in a public space. Our public space will of course, no surprise, be the Platform Theatre! And really guys, we don't mind if you come straight from the cricket pitch or the bowling green in your whites – just be there! Your partners will be only too happy to bring the table settings (white tablecloths and napkins, crockery and cutlery, candles etc) – a prize for the best dressed table no less! Don't feel like bringing your own picnic? Then catering company Gather York will be on hand to sell pre-packaged share meals – but you must order a few days in advance. Music will be by the amazingly talented **Adrian Wilson**.

- # PLATFORM THEATRE - Gates open 6.30pm to set tables (BYO picnic/tableware or phone 038 843 333 to order pre-packaged meals)
- # Prize for best dressed table
- # Dinner 7.15pm (started by napkin wave) and performance 7.30pm

IN VINCENT STREET...DID YOU SEE WHO I SAW?

A surprise visitor to the Station towards the end of November was none other than Bruce Beresford who was looking for a rundown town to film his opera-inspired feature film 'Overture' (set in country NSW but looking to film in WA). Sad to say Beverley was too tarted up for his liking – however, he did mention the coffee was good at the Bakery! Go Ann and Van!!

HAPPY NEW YEAR!

This year C.W.A of W.A is celebrating its 100th Birthday. The association started in 1924 with the first branch being opened in Nungarin on the 7th of July 1924. They have the tittle of "The First C.W.A Branch in Western Australia." The Metropolitan branch was opened in October 1924. This branch was where many country women had joined before branches in their own districts had opened. The first Conference was held on the 10th of March 1925 at the Queens Hall. The First State President was Mrs Craven-Griffiths.

Through out the year, the C.W.A. of W.A will be celebrating this amazing milestone around the state, with branches each doing something in their community. The members are proud to be apart of an association that still claims attention, even after 100 years, for the work that they do and the passion they show in championing causes they believe in. People, groups and many other institutions listen and take notice when the ladies of the C.W.A speak.

Want to be apart of celebrating a milestone of 100 years of service, be a part of an organisation that gets things done and be a part of a statewide family?

Or would you like to know more about the C.W.A? Our Local Branch President will be more then happy to sit and have a chat about all things C.W.A. You can call her on 08 9646

1481.

Til next time, stay safe, stay cool and enjoy

Beverley Community Garden

Happy New Year from the Beverley Community Garden

We hope that you all had a splendid festive season and that we all had a chance to recharge our batteries and say hello to 2024.

Thank you to the ongoing dedication of our volunteers at the Garden through 2023. We enjoy fellowship and if you are willing, a new skill set as well. Learning how to grow your own food. The Garden has plans in the pipeline that are going to take it to the next level of productivity, uses and presentation. I can't say much at the moment but there are plans afoot and as always totally volunteer based.

The Community Garden would like to thank all the community fire safety volunteers and firefighters that are part of our fire service. You give us peace of mind, thank you for giving us your precious time.

Recyclable drinking bottles are how we truly bring in, an income to buy supplies for the Garden, please do continue to donate your recyclables.

A basket of vegetables is only \$10 and you can pick the produce yourself or one of the volunteers is more than happy to help you with your selections.

A joyous beginning to the New Year for all.

Thank you

Eleonora Di Bello

Beverley Hospital Auxiliary Inc.

Beverley Op Shop

Our renos are now complete, thanks to the Shire, Ceiling Guys and Painter. The refreshed room looks amazing. We are looking forward to the New Year and a new look for our little shop.

We are not accepting any donations until January 29th, 2024. Please note that the bins behind the op shop will not be available over our closed period. PLEASE do not just dump items at the back of the op shop as they will just go to the tip when we reopen.

Our First trading day for 2024 will be Friday February 2nd followed by Saturday Feb 3rd.

I would like to thank our committee and volunteers for their amazing efforts for 2023 and wish everyone a safe and Merry Christmas and Happy New Year for 2024.

All proceeds go towards health & wellbeing in the Community, Hospital and Alex Miles Lodge.

If you would like to volunteer, please contact our Roster Secretary, Leita Barrett-Lennard on 0429 168 099.

The Hospital Auxiliary is coming up to our 80th Year of servicing the community and we would love to celebrate this amazing milestone. Do you have any photos or stories or know anyone who used to volunteer? If you are able to help out, please contact our Secretary, Jo Sims.

Beverley Op Shop

WE ARE CLOSED UNTIL JAN 29, 2024

PLEASE DO NOT LEAVE DONATIONS BEHIND THE OP SHOP

the bins have been removed

All items left behind the Op Shop over January create a burden for our volunteers upon reopening

Beverley Community Markets 2023

We have had a big year for the community markets, having grown in numbers of stall holders exhibiting many & varied hobbies, crafts & talents... there is always room for more.

We are grateful to the Beverley Shire Council for allowing us to use the old school building which in turn has allowed us to grow & expand. We are now acquiring a reputation for having good markets.

We were sorry to say goodbye to Val Tylor & Gaenor Carter, who had been with the markets for many years. Both ladies had worked tirelessly for the markets.

We have had a very successful year in fundraising, and sponsoring the Beverley Swimming Club. We were able to donate \$6000. towards the club, we were also able to give Early Years Learning \$1000. to continue with their great work.

Of course, none of this would have been possible without the support of the people of Beverley who have come along each month throughout the year, thankyou. I want to say a big thank you to Daryl & Lee who have worked tirelessly beside me & assisted in setting up the markets each month as well as having their stalls. To all the other stallholders I appreciate your continued support.

To the mums & dads who have turned up each month to man the BBQ, again many thanks we couldn't have done it without you.

On behalf of all our stall holders have a wonderful Christmas & safe New Year, we look forward to seeing everyone in 2024 for more fun & games at our Community Markets.

Cheers, Jenny Foster.

Welcome to 2024 we hope you had a wonderful festive season!
We are back to normal business hours from Tuesday 2nd January 2024.

Its time to follow through with those new year's resolutions, so don't hesitate to contact your GP for any assistance you may require.

Are you having trouble getting through on the phones, your calls are important to us, sometimes our staff are extremely busy dealing with other clients. Did you know you can book appointments online to save phone waiting times? please head to our website Beverlymedicalpractice.com.au or use the health engine app.

Skin Checks- With the summer sunshine here we all need to be vigilant regarding skin care please book an appointment with our experienced GPs to review any suspicious lumps, dry spots, or moles and add your name to our list for the skin check van coming to our town in April.

COVID Vaccines - as the Beverley community have been outstanding with their responsibility to attending for all their recommended doses, and with our commitment to reduce wastage and maximise doses we are now maintaining a waiting list for those who may need a further vaccination. This has been due to the logistics of ordering and storing the vaccine in the rural area, please check in for our next vaccination day. Remember the best way to avoid COVID is to ensure you are vaccinated, wash your hands frequently with soap and water for 20 seconds, use alcohol-based hand sanitiser, cover your cough and sneezes dispose of your tissues and wash your hands after, wear a mask and physical distancing, stay home, and follow the health direct rules if you have symptoms.

The Beverley Medical Practice is committed to providing quality health services to Beverley and surrounding areas. As part of our commitment to the community we support and assist up and coming medical health professionals. We have a number of student GP's attending clinics both onsite and virtually. These Student GP's are from Notre Dame, UWA and Curtin University. If you are interested in assisting us by allowing one of our students to sit in on your consult or attend a virtual clinic over the phone, please let our staff know. You may also advise staff if you would prefer not to have them in attendance.

Care outside normal opening hours - When the Beverley Medical Practice is closed you can always get medical attention by calling-Ready Care 1800 225 523 or Calling health direct 1800 222 222 or by attending the Beverley District Hospital, located in Sewell Street Beverley where experienced staff will triage the patient and contact the on-call Doctor

Main Roads will shortly be sealing the shoulders and rehabilitating the Great Southern Highway between Brookton and Beverley. Audible edge lines will also be installed.

Dates for construction are not yet confirmed. Works are likely to commence in January 2024 until April 2024 when there will be a break over winter and construction will resume around September/October 2024.

During rehabilitation works there will be width restrictions for heavy vehicles. If you need to move wide agricultural equipment during the times above please get in contact with us on 138 138 so that we can discuss movements.

There will also be a gravel surface and significant distances of speed restrictions during the works. We ask that you plan extra time for your journey.

Shoulder sealing and installing audible edge lines help prevent run-off road crashes by providing a greater distance for drivers who veer off the road to recover. These works are part of a program that will see more than 8,500 kilometres of rural roads treated and is a huge step towards preventing deaths or serious injury on our regional road network.

Timber bridge 311 (near Smart Road) is also due for replacement and the road will be realigned 2 kilometres either side of the bridge. This will be done at a future time.

MERRY CHRISTMAS

AND as quick as that, the year has disappeared. It's been a busy year at the club with plenty going on from golf, darts, wakes, birthday parties to fish and chip nights. It has definitely been busy.

I want to thank everyone involved in the club from the committee members, the volunteers to the people that have come to the golf club to enjoy the venue and everything it has to offer. The club continues to go from strength to strength and that is because of everyone's support.

Also, a massive thank you to all our sponsors during the year. Your continued support of our club is very much appreciated.

I wish you all a very safe and Merry Christmas and Happy New Year.

AGM

Junior Blast Cricket 2023 season has now come to an end. There were 23 children signed up this year with a couple of extra littlies joining in on a Saturday morning.

This year the kids have been super keen, even arriving early for their lesson and all willing to have a go at any new skill that was thrown their way.

We have had 6 junior cricket games this year, the most in the first half of the season for us yet, these included Friday afternoon games against York and weekend games against Brookton. 10 of our players played their first game ever this year, well done guys. Our fielding has been impressive to watch this year, with many run outs, almost catches and a few 4's saved.

As with junior sport tradition, the parents were involved in a cricket game with the children and there were lots of laughs with the largest group to play with 15 pairs. Big thank you to Skye Doncon for taking on the main scorer role this season.

Thank you to all the parents who don't hesitate to get involved and are almost more excited than the kids.

Thank you and congratulations to the "bigger" kids for coming down each Saturday and jumping in to help out the "little" kids without being asked it's very impressive to watch you guys grow over the years, well done.

Thank you to Brent Criddle for taking on the assistant coach role with awesome gusto and enthusiasm, some of the games would not have happened without your help, thank you.

Look out for all the photos and highlights on the Junior Sport Facebook page of all our games.
