# SHIRE OF BEVERLEY PRESIDENT'S REPORT

## Triathlon 2024

On Saturday 23<sup>rd</sup> March the Beverley Triathlon was run again after an absence of 5 years. About 80 entries were received which included Nippers, Juniors competing in their courses, and adults who participated in either the Short Course or Long Course events.

The weather was perfect for the Triathlon and Brad had the pool in in wonderful shape.

Thanks go to the volunteers who registered and marshalled the whole event. A special thanks to Kelly Mann and Sam Fricker whose work to get this up and running at such short notice was exemplary.

It is hoped that funding can be secured in the future to ensure that the triathlon becomes a permanent event on the Beverley calendar.

## Old School Building / Civic Centre

Work is proceeding on the renovations to the building which are expected to be completed by the end of April with an official opening sometime later.

## Electric Vehicle Charging Station

Plans are now in hand to place an electric vehicle charging station at the rear of the Cornerstone Building. There will be availability for two vehicles and it will be a quick charge meaning about 45 minutes to an hour. Hopefully this will put Beverley on the favoured route for the EVs.

## Local Laws

During the past twelve months the Shire has engaged a consultant to draft a new set of Local Laws. Having now been tentatively approved by Council these Laws are now ready for public submission before they are finally Gazetted.

## Road Construction

Reconstruction of the shoulders have been completed on a section of the Mawson road ready to widen next year while hotmix has been laid on the intersection of Vincent Street, Mawson, and Morbinning Roads.

## Bridges

-3203 Kokeby East Road bridge replacement. The last headwall is being installed after which it will be backfilled with gravel prior to sealing the road surface.

-3205 Bremner Road. Box culverts have been scheduled to commence production on 15<sup>th</sup> April with completion by 30<sup>th</sup> May and delivery by 6<sup>th</sup> June.

-3200 York Williams Road. The existing pile bands need replacing on most of the piles as it has been noticed with the fall in water levels, they have rusted off.

-Termite inspections and treatments have been completed on eleven bridges.

## Tree Lopping

Rural lopping commenced on the 25<sup>th</sup> March and it is anticipated that this will take 35 days to complete.

Proposed roads to be completed are: Piccadilly Road, Northbourne Road, Kennedy Road, Wyalgima Road, Simms Road, Potts Road, Mills Road, Glencoe Road, Dobaderry Road, and Westdale Road.

## Air Show

Preliminary discussions with Beverley Soaring Society were held with a view to plan another Air Show for Beverley. Initially it was hoped to hold this in September 2024 but when the logistics were explored it was realised this was impossible. A committee has now been formed with a view to holding the Show in March 2026.

## Committee Member Recruitment

Beverley is well known for having the best show in the region and it takes a dedicated effort by a dynamic team of volunteers to ensure that the tradition continues from one year to the next.

There are currently several vacancies on the organising committee and we are seeking volunteers to join our team.

Leading up to the Show we have a monthly committee meeting and, depending on the position that you take, you may expect to spend several hours a month following up on your area of responsibility. In the week leading up to the Show we ask that you contribute whatever time you can afford.

For those that are new to our town, it is a great way to meet new people from around the district and make a contribution to our community.

For further information contact Bruce Hunt on 0404 044 202.

# Beverley Community Garden

Hello, from all the volunteers at your community garden.

We are truly sad to say that a wonderful member of our community, Glenys Lane, has passed away and we wish to pay our respects and condolences to John Lane and family. Glenys will be missed.

Our garden is a symbol of the cycles of life. The weather is in transition from summer to winter and all the amazing changes that we see and smell are slowly unfolding, letting us know it is now time to plan your winter garden and stock up on your wood and woolies. The garden is thriving in this slightly cooler weather, it certainly makes it easier to weed, in the cooler temperatures. Silverbeet, lettuce, aubergine, zucchini, and herbs are available and plentiful. The corn is growing thick and lush, so we are hoping for a good harvest. So please come to the garden and see for yourself or even just pop in for a cuppa and a chat. The garden received a lovely donation of Digger seeds from Dalene Davies, thank you for your generosity, the seeds will be put to good use. Thank you to all who have donated their recyclables, these funds help us maintain and grow our community garden. Anyone thinking of joining our garden community will be welcomed with open arms. Our policy is, the more the merrier.

Regards

Eleonora Di Bello-Greatley

## WELCOME TO THE TEAM ALLISON

This month we've welcomed our new trainee Allison to the team. Allison has a diverse background in aquatics, administration, and customer service. She will be undertaking her Certificate IV in Marketing and Communication with the CRC over the next year. Allison is enthusiastic about engaging with the community and collaborating on new projects at the CRC.

## KIDS ALIVE DO THE FIVE

In late February we hosted an interactive water safety session at the pool for our local Beverley Playgroup members. The session included singing songs and reading books from Kids Alive Do the Five. We were delighted to have a special guest, Walter from Royal Life Saving, who danced with the children! Thanks to Brad at the pool, the Shire of Beverley, Royal Life Saving, and Swim Safe for their support. We also hosted a Kids Alive Do the Five themed storytime in February for the Early Years Network. Thank you for to all the kids, carers and parents who attended this special session.

## STEAM WORKSHOP - ROBOTICS

This month our STEAM Club had the exciting opportunity to learn about robotics. This session included assembling robots, learning about operations, and how to tackle the challenge of troubleshooting any extra pieces left over. Some of the clever creations included a moving hand, a walking dinosaur, a curious crab, and a door-climbing spider!

Our upcoming STEAM session is scheduled for Tuesday 23 April. We are thrilled to announce that Cristy Burne, a children's author and science writer, will be joining us from 3:00pm to 4:00pm. Due to limited spots, registration is required for non-STEAM Club members. Please contact the CRC to secure a spot for your child.

## STAYING IN PLACE PROGRAM

We are seeing a positive response from the community as we continue to roll out our Staying In Place program. This program is designed to keep our senior residents comfortable within their own homes, for as long as possible. If you are an aged pensioner, requiring assistance at home please get in touch with Sam on 9646 1600 to discuss how we can help you. Alternatively if you aren't happy with your current home care support please ring to make an appointment today.

Our centre is building a local workforce of support workers to assist our seniors and are looking for people to join the Mable platform. Local jobs will include cleaning, gardening, nursing, caregiving, social support, driving, and more. By joining as a support worker, you not only contribute to the well-being of others but also become an important part of a community-focused program. Contact us at the CRC for more information.

We are also in need of a **Occupational Therapist**, if you or someone you know is a registered and looking for some extra work we ask that they get in touch with us to find out more!

## EMERGENCY SERVICES CADETS UPDATE

Beverley DHS students are fortunate to be able to join with York DHS as part of Emergency Services Cadets WA. This is a fantastic opportunity to develop lifelong skills that help build confidence and resilience in our students. They also gain an understanding of the valuable contributions of our local Emergency Services Volunteers and, one day, may become one themselves.

Cadets WA holds a promotion ceremony twice per year to recognise the growth of the students. Each new rank provides more opportunities for growth and leadership.

The year 7 – 10 Cadets have been keeping very busy since our last Blarney entry twelve months ago. Last year, the 7/8 students went to Rottneest Island for 3 days of exploring, swimming and cycling. The 9/10 students went to Kalbarri for 5 days of abseiling, horse riding, canoeing, whale watching and hiking.

Beverley DHS Cadets marched at the 150 Years of Education in Beverley celebrations. They looked very smart in their dress uniforms when they met the Director General of Education, Lisa Rodgers.

The end of year reward excursion to Lake Leschenaultia was a hit. Cadets spent the day cycling in the forest, canoeing and swimming in the pristine lake and enjoyed a delicious BBQ lunch.

This term the Year 7 students have been learning cadet qualities and values and Year 8 students have learned survival skills such as map reading, using a compass and tying knots.

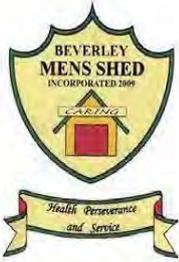

The Year 9/10 cadets have been working towards completing their Bronze Medallion which is recognised as the minimum standard for a qualified lifesaver. Later this year the Year 10 students will complete their Provide First Aid Certificate and gain their Keys for Life which allows them to get their learner's permit when they reach 16 years of age.

# Beverley Men's Shed

146 Vincent Street Beverley Western Australia 6304

Like most organisations Men's Shed members will often benefit from shared knowledge between Shed's, on

Tuesday March 5 we were visited by a delegation from the Wundowie Men's Shed near Northam, maybe by accident or design it just happened to be our monthly breakfast day so it was all hands on deck with not only the kitchen stoves, toasters and kettles at full power but also the Barbeque,

luckily many of our own membership were not in attendance as 99% of the food was quickly consumed. Shared stories and experiences lead to a pleasurable morning before member Grant whisked them away to his workshop after exposing them to some of his recent metalwork, a shared interest by many of the group.

At this time of year the weather conditions can be very changeable so when the opportunity arises our Lumberjacks will go out early and bring in wood for cutting and splitting ready to

sell to the community, a visit to member Robert's farm recently contributed another 3-4 'heaped' (that is how we sell it once cut and split) trailer loads, a big thank you to Robert for his generosity and assistance, he also made us a decent cuppa afterwards as well. As you can see from the size of the logs (the width of the Truck) they are not something that is easily handled especially by the aged group of our Lumberjack crew.

---

We would like to express our thanks to Graeme's son Kelly for cutting the larger lengths of timber into two-person negotiable lengths ready for us to split.

Remember to get your wood orders in early as we all know there is a cool change coming.

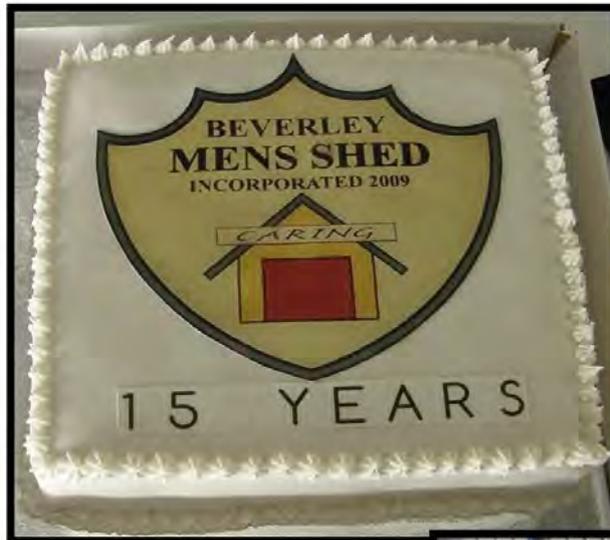

The Beverley Men's Shed Raffle held on the first Friday/Saturday of March saw lots of people in town, but alas also lots of 'Cards' and little cash, let's all get together and 'Save our Coins' (and notes) small organisations depend upon your support, and a big thank you to the Beverley Community for it, especially our local businesses, thank you this month to Peter at T Bone Butchers

(always buy local) for suppling the first 3 prizes of meat vouchers to the values of \$100, \$50 and \$25.00 each won by Anne, Lynn and Deb respectively, the Mystery Prize supplied by the 'Shed' was won by Elaine. The proceeds of The Beverley Men's Shed raffles are evenly divided between the Royal Flying Doctors Service and the Shed.

## Men's Shed 15<sup>th</sup> year Celebration

On Saturday March 16 we celebrated the Beverley Men's Shed 15<sup>th</sup> Anniversary.

Proceedings began with our President Peter Cashmore (flanked by the Vice President John Fricker and Secretary Bob Green) giving us a welcoming speech.

This was followed by the unveiling of a commemorative plaque dedicated to those members who are now deceased. One

of the founding members Harold Anderson gave a speech telling us of the efforts he, Bernie Howell and Richard Jaz made to establish the Beverley Men's Shed well over 15 years ago and recognised the long-term interest and contribution of Fred Bremner. Life memberships were then received by Greg Atwell and Harold. Bob requested we all spend a minute in silence for long term member Billy Hobbs who recently passed away.

Refreshments followed inside the 'Shed' with Fred and Graeme cutting the cake. No doubt many memories were shared, and friendships rekindled.

As you can see there was quite a gathering and

no doubt someone's face will be missing—next time!

Now this event would never have come together had it not been for our secretary Bob, the catering by Pat and the CWA ladies, that fantastic cake baked by Diane, Harvey's wife, Grant's efforts in designing and manufacturing the plaque,

Eric for his carpentry and gardening skills, Rudi, Harvey, Chris and all the members who not only tidied up but also transformed the gardens and ensured the place 'passed muster' a big thank you to all concerned.

Also, thanks go to the Men's Shed of WA Vice President Reg Tipple and Project Officer Jackson Ashley for attending and also to the Shire President David White and Town Planner Stefan who we often call upon for advice regarding our leased heritage listed building.

For membership enquiries or all things to do with 'Men's Sheds' ring Bob on 0429441253.

## ***BEVERLEY AG MUSEUM NEWS.***

With a new season came the reopening of the community of Beverley's Agricultural collection housed in the grounds of Avondale Farm in Waterhatch Road just 5.5kms away, and it was gratifying to have interested guests visit us on Saturday March 9 from Bakers Hill, Beverley and Perth after the very 'hands on' efforts of the guys the previous month cleaning the exhibits and ensuring the Museum was hazard free for visitors, as many are aware this is a 'Working Museum' and often items will be in operation during opening times, very much a bonus for those present, so a safe working environment is foremost in our minds.

Paul & assistant Bob continued their efforts with restoration of the 1930's International C30 Truck and fired her up only to find an oil pressure issue, having just spent several hours ensuring the wiring was correctly connected.

But when one job comes to a halt there is always another one waiting with Bob showing interest in the 35X Fergie and her fuel issues, evidently, she is full of air ----- and it's not hot!

John H brought in some plumbing fittings and as a group (mainly

John H) we did some repairs to the aging internal guttering system that has caused us so much grief for many years now, it is hard to impress visitors when they are 'walking in (and on) water'.

New member Tim experimented with sealing the very dusty floor (when it is not wet!), while Gerry & Eric started to remove the Brake Master Cylinder from the FX Holden Ute, the piston is stuck in the cylinder, so she has no brakes----yet.

Kevin was seen chatting with the visitors and no doubt sharing his past experiences in farming while I spent a lot of my time assisting those that needed it.

The visitors from Bakers Hill not only showed interest but also offered their knowledge and experience to our group, and it was not long before the air was filled with the 'music' of single cylinder stationary engines which had laid dormant for well over half a decade, as many of the more

long term residents know, these engines were started during the Harvest festivals held at the Farm, sadly only a memory with today's busy lifestyle and a lack of volunteers.

If you would like to know more about the collection, opening times (advertised in the Beverley Bulletin) or seek a private viewing please ring John A on 9646 0768.

BEVERLEY HISTORICAL SOCIETY presents

## The Former Methodist Church built 1907

Last month members and friends of the Beverley Historical Society visited the former Methodist Church as part of their ongoing program to view Beverley's oldest buildings.

The first Methodist church services in Beverley were held in the home of PC Edwards, Beverley's first resident policeman. His home was 'Rockfield' on Hunt Rd, opposite & down from the Settlers Arms (now Dead Finish Museum).

A Methodist church building was erected on the land at 50 Hunt Rd (now Great Southern Highway) about 1893. According to reports, it had one distinctive feature for a church in the fact that a fireplace was provided. The minister lived in two rooms at the rear of the church. This first building - later demolished - was used as a hall when a new church was built in 1907, ↓ (1930 photo).

The building measures 40ft by 26ft by 16ft high and has a distinctive decoration above the porch. The church was built by contractors, Davey & Trew and two foundation stones were laid. ↓

Mrs Horace Smith was Julia Edwards, a daughter of PC Edwards. Rev R R Fleming was the incumbent Methodist minister:

The Methodist church remained active in Beverley for the next seventy years. A new hall was built & opened in 1955 attached to the rear of the church. It cost £2060 and was to be used for Sunday School, Ladies Guild meetings and social occasions.

On our visit we were welcomed into this hall by Bev and Mel Vivian with a delicious morning tea ↓.

The Methodist Church of Australia joined with Presbyterian & Congregationalist churches to form the Uniting Church in the 1970s. Uniting Church services in the former Methodist Church were first advertised in the *Beverley Times* in 1976.

The church remained a Uniting Church until 1993, according to Mel Vivian who presented a brief outline of the history of worship in the building up until the present time. A series of evangelical leaders and preachers used the building including the Assembly of God and the Oasis Christian Fellowship from 1994 to 2014.

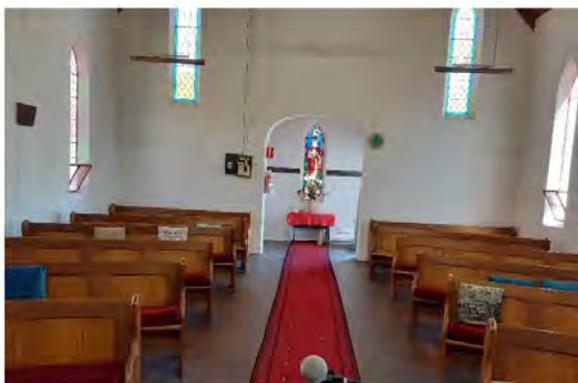

In the year 2000 the building was still owned by the Upper Avon Methodist/Uniting Circuit that had headquarters in Pingelly. Bev Vivian bought the

church when it came up for sale. In 2018 she sold the building to Gan, a kind & generous landlord.

In 2014 the Beverley Real Life Church Fellowship was incorporated, and pastors have included Brad Makin, Mal Kehlet and Barrie Johnston.

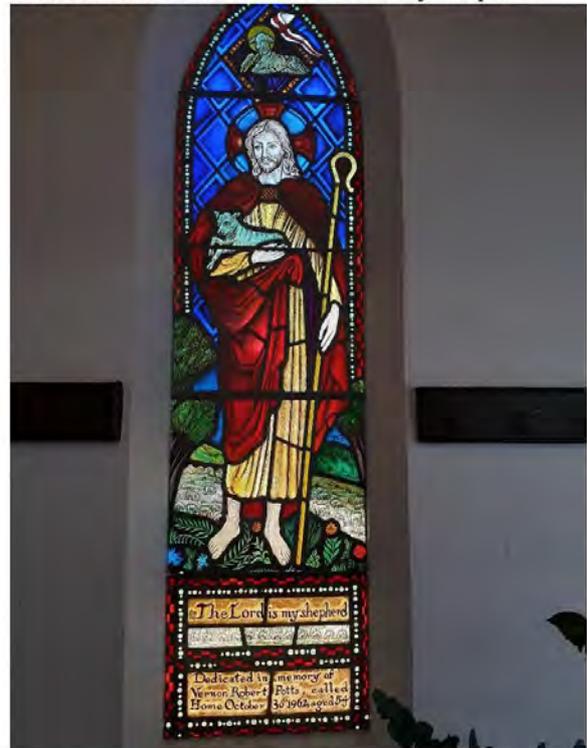

Bev Vivian kindly donated some historical artefacts to the Dead Finish Museum: memorabilia of the 100<sup>th</sup> anniversary in 2007 and a case of records & documents from the Methodist Ladies Guild ↑.

The BHS group then inspected the church ↑. The church was said to seat 160-180 people in 1907. The bright white walls (recently repainted) are nicely contrasted by wooden pews and a wooden ceiling. The ceiling is distinctive, being built into the slope of the roof with alternating diagonal boards ↓.

The front porch ↓ has a magnificent stained-glass window on the theme "The Lord is my Shepherd"

The window is dedicated to the memory of Vernon Robert Potts, 30<sup>th</sup> October 1962. The sheep grazing in the paddock give the image a local flavour.

A rear view ↑ of the building shows the hall & the church. Many thanks to Gan, and Bev & Mel Vivian. Compiled by Beverley Historical Society March 2024

## Artists-in-Residence at the Station

### Artists-in-Residence during March

Len Zuks and international Singaporean artist **Rosihan Dahim** painted up a storm whilst and at the Station and enjoyed some local hospitality taking the sights of Beverley including a farm visit to see shearing in process. Rosihan is renowned for his use of a matchstick form in much of his surrealist artwork. As a welcome gift Len sculpted a metre long matchstick which Rosihan used to great advantage when posing for photographs. Then on Friday 15 March at a soiree in their honour the two artists demonstrated their performing skills as well! Rosihan, dressed in a space suit, performed a slow dance with the matchstick while Len painted the image on a large canvas much to the delight of those in attendance. See pics below:

### April Artists- in Residence

During April we welcome **Kirsten Sivyver** till the 8<sup>th</sup> and then **David Giles** is back in residence until the end of the month.

**Kirsten Sivyver** is a national award-winning visual artist based in Albany where she also operates her Freelance photography business 'Photographica' and offers both art and photography tuition and workshops. She specialises in realist figurative painting with a passion for lighting, allegory and mood.

Whilst in Beverley she will be displaying a few of her fire and smoke paintings and will be working to further develop the series. She has started taking aerial imagery using her drone and is hoping to go "fire chasing" (farm stubble fires) during her residency to gather fresh reference material to go on with when she returns home. Any farmers happy to help with her request please call her on 0432 839 779.

Kirsten will be available at the Gallery throughout the first week of April to meet members of the community and have a chat.

**David Giles** is a multi-award winning artist with 20 art awards and 50 solo exhibitions to his name. He has exhibited in New York, Paris, Singapore, Sydney, Melbourne, Brisbane and throughout WA. He has featured

in numerous art and interior design magazines and books including Australian Art Collector, Custom Build and International Contemporary Masters.

Whilst artist in residence at the Station Art House in Beverley **David Giles** will be showing his latest abstract landscapes "The Wonder of Nature".

He is the owner of two art galleries in Fremantle, The David Giles Art Gallery, representing thirty WA artists and Studio Eleven Art Gallery which hosts twelve permanent artists in residence. He has been facilitating art workshops for more than twenty years through his Freedom School of Painting. More than a thousand people have participated over the years with many going on to become multi-award winning artists.

He recently published a book about his approach to teaching art: "Painting as a spiritual practice: A guide to connecting with your inner creative self."

For the first two weekends David will be doing painting workshops as described by him below:

“Beautiful opportunity to get away from the mundane and have some self time, reconnect with your inner self and explore your creativity. Using guided meditation, painting, writing and group work we will explore our inner child as a source of creativity.

Specifically we will be exploring approaches to abstract landscape painting using our intuition and expression to evoke that sense of wonder and beauty of nature we can all recall from being a child.

# Beverley Hospital Auxiliary Inc.

THE BEVERLEY HOSPITAL AUXILIARY COMMITTEE  
WE HAVE JUST TURNED 80 YEARS OLD ON 11TH MARCH 2024!!!!

During those 80 years, there have been countless numbers of community members – far too many to list - who have contributed to the ongoing recognition of the Hospital Auxiliary as an outstanding provider of amenities and equipment for the Health Services in Beverley.

IN THE BEGINNING.....

1. **11th March 1944.** A public meeting was called to enlist support for Hospital Funds. A committee was appointed. Mrs Norman [Lillian] Broun was elected President and Mrs Tebbutt Secretary/Treasurer. 20 women and 5 men formed the committee. The wives of the Hospital Board plus each of the two doctors' wives were invited to join. Dr Hodgson & ?
2. **28th April 1944. First meeting** at Town Hall Lounge. The Matron joined the committee. **First project** – to mend the hospital fence with funds donated by Mrs Chester from her Dance. Other funds raised from a fete, raffle, a children's dance, 5 stalls, afternoon tea. Balance is now 86/17/9 [Pounds, shillings and pence]. **First purchases** – furniture for rooms, easy chairs and hall chairs, curtains. Mr Carr gave a cow for milk and hay to feed same! Enamel paint unobtainable, similarly material and clothing without coupons due to war.
3. **September 1945** - Circulars sent to residents who had been patients during the year asking for donations. Funds raised by Mrs Clarke from a dance [7 pound 5 shillings] went towards the purchase of a wireless for the staff.
4. **1946** -The committee called for more domestic help at hospital, mending sent out to Red Cross committee.. A public appeal collected 4 Pound . No spare clothing coupons. The younger set was asked to invite nurses to their groups so they could meet people of the District and keep them happy here. CWA helped by making curtains for the children's ward.
5. **1948** - Town Hall Lounge. Alterations to Hospital discussed. Nurse's quarters still need home comforts e.g. pictures, clock, heaters. Mrs Hodges always sells raffle tickets for Auxiliary.
6. **1949** - Meeting at Town Hall Lounge Saturday afternoon. Agreed to pay one third of large Xray machine. Staff shortage. Mr & Mrs L Doncon supervised planting of new rose bed.
7. **1951** - On slack days, nursing staff helped with mending. Mrs H Blechynden organised Hospital Visiting by committee. Always took flowers, cakes etc. Tennis courts gravelled. New nets and balls. Hospital Board to be asked to invite visitors to play at the discretion of the Matron and all staff be permitted to play. Staff still need to be made to feel welcome. Names of patients to be listed in "The Beverley Times".
8. **1952** Hospital addition. Contributed 300 pound to help cost of Pan Room. New trustees nominated. Chairman of Hospital Board [Mr E. Edwards] and Chairman of Road Board [Mr Len Doncon] automatically become Auxiliary members to administer the money.
9. **1953** Lotteries helped fund items. Money raising left till alterations completed. New block opened 14th May 1953
10. **June 1954** - meetings held every 2 months, social life of nurses still a problem.
11. **1956** - bath heaters for nurse's quarters. No public appeal for 5 years – it's time to try again.
12. **May 1957** - Monster Carnival. All Clubs and organisations helped; 5/- adults, 1/- children; Profit 324 pounds. penny piles in hotels; collection tins at pictures; marching girls and Pipe bands [Auxiliary paid travelling costs. PIX magazines bought for patients, book drive for patients. Xmas gifts for patients. Crockery for nurses and domestics.
13. **1957** *Some dissention with Hospital Board and Medical Dept* - they thought the Auxiliary should give as dictated; NOT SO; Auxiliary wants to say how their money is spent. Decided to have a committee from both and a **Constitution** to be drawn up.
14. *Decided against Constitution drawn up by Hospital Board.* Decided to register as a Charitable Organisation to work for hospital patients and be only responsible to Medical Department.

So, as you can see, some things change and some things remain the same! But always, the care and respect for patients and staff in Beverley and the support of community health initiatives has remained the same!

.....to be continued in next Blarney!

*[Historical notes and previous Minutes of the Beverley Hospital Auxiliary kindly provided by the Beverley Historical Society and summarised by Sandy Shaw, with apologies for editorial errors].*

# ST JOHN AMBULANCE BEVERLEY SUB CENTRE

Firstly, this month, as our Office Administrator has retired our Sub Centre will not be open for a few weeks until a replacement person has been appointed. The position has been advertised through St John and Seek. Hopefully St John will appoint someone in the very near future so that we can once again open our Office to the General Public.

To farewell Jo we had a light luncheon and presentation for her on her last day with us which was attended by Committee & Crew, to thank her for her service to the organisation for the past 5 + years.

We had hoped that the kitchen renovations would have been started by now, unfortunately this hasn't happened so now we are hoping April is the month they will begin. We look forward to this being done and everything in our kitchen updated.

Unfortunately we are down to one ambulance at the moment, as one of our drivers who shall remain nameless had a small accident in January and we are waiting to get the ambulance repaired. Fingers crossed it will be in the next couple of weeks. York lent us one of theirs for a number of weeks but they needed it back.

With 3G being phased out both Ambulances need to be updated with 4G for our phones and technical equipment to work efficiently and this is being organized as the Blarney goes to press. Fingers crossed that also will be able to be done quickly.

The last weekend of March has been busy for our Team Lionel & Jenny are off to a VDO Course at York for 2 days honing their knowledge and skills. The Triathlon is on and we have a crew manning a First Aid Post, hopefully no one injures themselves and require our assistance on the day.

By the time you read our notes Easter will have come and gone. Hopefully Beverley had a very successful Easter Tennis Tournament, the Art Exhibition, Easter markets. The town is normally a buzz at this time of year with lots of visitors one way and another. It is hoped everyone had a most enjoyable time whatever they did over Easter.

Are you a member of our Benefit Fund? Think about becoming one if you are not. Not only does becoming a member help our local sub centre but it will not put a big hole in your pocket if you require an ambulance at any given time. Membership fees are for a Family \$107.00 (2 Adults & all children under 18) Single Membership \$64.00.

On a sad note, we extend our Deepest Sympathy to John Lane and family on the very sad loss of Glenys. John was our Chairperson & Volunteer Ambulance Officer for many years at Beverley Sub Centre.

See ya next month!

TREE & GARDEN SOCIETY

# BEVERLEY TREE & GARDEN SOCIETY

The first meeting for 2024 was held at the Dead Finish Museum. Members were warmly welcomed especially 2 returning past members and a new member. The proposed agenda for the year was discussed and amended where necessary so we have an interesting programme ahead.

We also had a Busy Bee at the Dead Finish garden on Thursday the 14th as it has become a bit overgrown in places and several bushes were in need of pruning. Thank you to those members who came along to help with the tidy up. This was followed by a visit to Clive and Janet's home where we were able to save some geranium cuttings from going to the tip. Heather also brought a basket full of her cuttings to generously share with us. A morning tea and chat followed.

Our new member Nicolette is looking for old photos of the Anglican church showing the original garden. If anyone has some, please contact Dorothy on 0429 989 031

The next meeting will be on Tuesday the 2nd of April at 10.30am in the Dead Finish Museum. New members are welcome.

What a great time to be gardening in April. The days are getting shorter and the nights are much cooler. A perfect time to be planting in the garden.

Veggies to plant in April include – broccoli, cabbage, leek, lettuce, onions, peas, radish, shallots, spinach, spring onion and turnip.

Flowers to plant in April include – alyssum, cornflower, snapdragon, stock, statice, pansy, sweet pea and viola.

April is a great time to attend to the following tasks in the garden:

- Aerate compacted lawns with a garden fork
- Lift and divide bearded iris
- Remove and discard any diseased or rotten fruit that may be hanging in trees
- Repot plants that have outgrown their containers. Use fresh potting mix and a slow release fertiliser
- Mass plant ground covers to create a living carpet to suppress weeds. Good native ground covers include native violet and grevillea
- Empty compost bins and use it to condition vegetable and flower beds and spots where you plan to plant bare-rooted trees and shrubs in winter
- Prune hedges of lavender and rosemary
- Plant annuals for winter and spring colour. Try pansy, cineraria, viola, poppy, primula and stock
- Prune summer fruiting trees that have finished cropping. Pruning after harvest reduces the risk of fungal disease and gives the trees a chance to put on some growth before winter
- Trim native shrubs by about a third after they have finished flowering
- Prune any potted plants that are looking tired and lanky by half
- Top up slow release fertilisers in all pot plants to replace nutrients leached out by regular summer watering
- Apply a wetting agent to pots if water runs straight down the side of the pot and the potting mix below the surface stays dry
- This is the perfect time to establish native trees and shrubs such as bottlebrush, wattle and banksia

There is certainly plenty to do to keep you busy in your garden in April!

and rural areas of the state.

From humble beginnings the Volunteers of LCI have screened over 80 000 patients and our records show that with the annual rate of referrals to a GP is in the order of 27% (21,600) and lesions suspected of being life threatening are at 6% (1260). Early detection of lesions will save lives and lessen the need for invasive surgery.

### BEVERLEY C.W.A

Well, what a busy couple of weeks the ladies have had. With the community morning tea, Easter and catering for the Men's Shed birthday. Now we look towards Mother's Day.

The Men's Shed birthday was wonderfully catered for by 3 amazing members of the C.W.A, Pat Hambly, Diane Colebrook and Alsia Jones. We have had some wonderful responses, and we cannot thank these 3 women enough for the work that they done. A wonderful show of what the CWA can do.

The next **Community Morning Tea** will be held on the 10<sup>th</sup> of April at 9.30am. So, if you are looking for something to do or want a free coffee then you are more than welcome to come along. At Least you won't have to do the washing up!

On the **10<sup>th</sup> and 11<sup>th</sup> of May**, we will be having our **Mother's Day Raffle and Morning Tea**. So why not come along for a free morning tea and a chance of winning a great prize. The **Morning tea** will be at the CWA rooms on the **11<sup>th</sup> of May at 9.30am**.

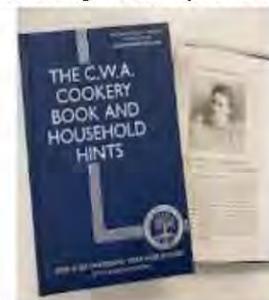

The CWA have published a book called "**Women of Spirit - A Centenary of CWA Stories.**"

It contains stories about women around this great state and the work that they have done. Included in this book is 2 women that were instrumental in not only founding your local branch but in the organisation statewide, Mrs Mary Adamson and Mrs Beryl Fisher. If looking for a great read or maybe a gift, what a great keepsake this book would be.

Also, a centenary edition of the "**CWA Cookery Book and Household Hints**" has been published. With the iconic blue cover, this issue has the centenary logo

on the front and in the back of the book a short biography of the author Agnes Barnes, the CWA legend who was responsible for compiling the first book in 1936.

There are also tea towels, aprons and the Scone Book available for sale. You can order copies of these two books or other items from the CWA of WA website or contact Wendy Hambly on 0428 231 500 or email [bengalpaccas@gmail.com](mailto:bengalpaccas@gmail.com) to order a copy.

## **C.W.A OF W.A**

I hear a lot of people ask what does the C.W.A actually do. Others may think that the C.W.A is nothing but a group of people getting together for a cuppa and scone. Well, let me tell you that yes while they are having their cuppa, they are also tackling some of the big issues around the state. The voice of these women is strong and powerful, even the government is listening.

### **We stand for:**

- Equal rights and services for country and city people
- Advocacy in health, housing, education, social services, transport and telecommunications
- Assistance with financial and disaster relief
- Tackling isolation and promoting mental fitness
- Improving train lighting and passive level crossing safety
- Clean water
- Environmental protection and conservation

### **We stand against:**

- Ageism
- Elder abuse
- Family and domestic violence
- Racial discrimination
- Superannuation inequity

This is only a small example of what the C.W.A is all about. They are also involved with the Grandparents rearing Grandchildren Organisation and petitioned for regional ST Johns Ambulance centres be sufficiently funded to provide care to all.

So, the next time you find yourself wondering what is the point of the local C.W.A, just remember that they are apart of a larger organisation that are doing whatever they can to provide better way of life for you.

Our 2023/24 Season has come to an end. We are so proud of our all our swimmers and the effort they have put into their swimming. Our Wind Up and AGM was held on the 25th March, so make sure you check out the May Blarney notes on our winners.

## Swim Meets

A team of swimmers attended the York Open, the 'very wet' Quairading Swim Meet and Narembeen Invitational Swim Meets. We had 3 of our newest members attend their first ever swim meet and can't wait to see what they can do next season.. It was wonderful to see them all have a go and take part in their first relays! Once again, a massive thank you to all our parents who continually drive their kids to these events.

**1st Rally:** Was held on Sunday 17 March 2024. We welcomed a number of new riding members, we hope you enjoy the year ahead. With the heat of the day this rally ran from 0800 to 1330. A shorter rally to ensure for the wellbeing of our equine partners. Three groups of riders from lead-line to intermediate & experienced kept our coaches (Naomi Siebert, Bec Halbert & Carly Ballantyne) busy. We hope Carly enjoyed her day coaching our young riders. She sure appeared to have them well under control.

### **Who's been out and about ....**

**Mortlock Tetrathlon:** March 9 & 10 saw 3 of our riders competing at Mortlock Tet. Ruth Elsegood, Emily & Jess Maxwell. From what we hear Helper duties were abundant but a successful day was had by all. Ruth placed 1st in her 65cm class.

### **Dryandra Dressage & Show Jumping Series Round 1:**

Was held on Saturday 16 March 2024. Series 1 saw Mia Farr, Ruth Elsegood & Sonja Houk sporting the blue & gold

for our club. Mia & Tanwen placed 4th in their Dressage test. Sonja & Skip Placed 1st in 30cm Showjumping & Ruth & Gus placed 1st in both their 75cm show jumping class and Dressage class.
